**NEXT SUNDAY'S SCHEDULE**  
 Milford vs Camden-Wyoming at Dover  
 Greensboro at Milton  
 Rock Hall at Chestertown

Milton AC registered their second straight shutout and their third win of the season in the Mar-Del League race during the past week end while Chestertown kept close on their heels. Greensboro is within easy striking distance of the leaders and this Sunday's schedule will give them a chance of improving if they can stop the Milton drive.

Milton turned back Rock Hall 3 to 0 in a well played game featuring top notch pitching by Milton's Ken Mahan and Rock Hall's Ben Royal. Mahan gave up 4 hits and fanned 4 while Royal was touched for 6 bingles and whiffed 6. Jones, Jacobs, Royal and Porter hit safely for the Maryland nine while H. Millman with 2, Behler, Slaysman, Dougherty and DeLuca cracked bingles for the winners. Slaysman drove in two tallies and DeLuca one. Milton took the lead with one tally in the first and added two in the 5th. Behler handled 8 chances at the hot corner for Milton without a slip.

Chestertown batted out a 9 to 4 verdict over Milford as Orem Robertson, Chestertown's big right-hander, outpitched Milford's John Mumford. Robertson granted 8 hits and struck out 9 with perfect control. Mumford allowed 9 hits, retired 6 on strikes and was liberal with free passes, giving up 7. Garrett Grier paced the Milford attack with three hits while Munyan with the same number and Lord with two were the leaders for Chestertown.

Greensboro was in rare batting form as they banged out a 11 to 1 win over Felton Vets. Cliff Chambers did the hurling for Felton and was rapped for 18 hits. Millard Robertson, Greensboro moundsman was in mid-season form as he let Felton down with three safeties. Markell with two and Garey with one hit for Felton. Robertson had a perfect day at the plate to help his own cause with 4 for 4 which included a double. Tony Giannato had a triple, double and single for the winning nine. Mgr. Bunny Lawton and Zeth Weaver came up with two each.

Being idle in league play Camden Wyoming played a night exhibition game at the Dover Park as they defeated the strong Sinclair Oil Co. nine of Chester, 9 to 7. A big seven run rally in the 4th sewed up the contest. Bill Mellen climaxed the rally with a circuit smash over the left field scoreboard with two mates aboard. Jack McGillen hurled the win.

Camden-Wyoming will get back in league competition as they take on Milford at the Dover Park. Efforts are being made to have the game at night but at the time of going to press it was not decided. Milford has dropped three straight, but showed improvement last week and may come up with a surprise for last year's pennant winners. Mumford will toil for Milford, while McCullough, a lefthander, will do likewise for C-W.

## Nazarene Church Notes

The Rev. Robert Fowler Evangelist

A young people's revival will begin at the Church of The Nazarene Sunday, May 22nd thru May 29th. Rev. Robert Fowler, of Arnold, Md., will be the evangelist. Special singing will be rendered each evening. Services each evening at 7:30 P. M. Everyone welcome to attend these services.

Rev. and Mrs. H. H. Bolender will speak in the Missionary Convention at the Pilgrim Holiness Church on W. Liberty St., May 27th, 28th and 29th. The Bolenders have served as missionaries in the Islands of Barbadoes and Antigua of the British West Indies. Other missionaries who will speak and sing in the Convention are Rev. E. G. Ritenburgh, who also served on the Islands of Antigua and Mrs. K. Hankins, who has served on the Islands of Jamaica.

Don't miss this opportunity to hear the inspiring message from these missionaries. Services Friday and Saturday evenings at 7:30 and Sunday at 11:00 A. M.; 2:30 and 7:30 P. M. The public is cordially invited.

## 4-H Members Buy Calves

Ten calves were purchased by members of Kent County 4-H Clubs and vo-ag classes Saturday afternoon at a purebred Holstein calf party Saturday afternoon at the fairgrounds. The sale was part of the 1949 project of the Delaware Holstein-Friesian Association. Purchasers were: Horace Ellingsworth and Jack Law, Dover; George Scuse, Smyrna; Clifford and Kenneth Outten, Harrington; Edgar Long, Kenton; and Elbert Harrington, Page Sylvester, and Lee O'Day, of Felton.

The aim of the association is to furnish purebred calves to 4-H club and vo-ag club boys and girls who have never owned pure-breeds and who want to get started as purebred Holstein breeders. The association appointed a committee to visit the farms of breeders and to select heifer calves of good breed and out of high producing dams. This committee covered the state and made a few choice selections from the Eastern Shore of Maryland. Maurice Adams, of Harrington, and Purnell F. Friedel, of Viola, were the committee members representing Kent County. They selected six calves.

All calves were sold at the same price and a drawing of numbers was held for order of choice.

The plan seemed to work very well and the boys and their parents expressed appreciation on the smoothness with which the program was carried out and with the fine quality of the calves.

John Morris, fieldman of the Holstein-Friesian Association of America, attended and assisted with the registrations and transfer of ownership.

## Mayor to Open Poppy Drive

Saturday, May 28, was set aside as Poppy Day in Harrington in a proclamation issued today by Mayor Earl Sylvester. The proclamation urges all citizens to observe the day by wearing memorial poppies in honor of those who gave their lives in the two World Wars. It states:

"Whereas, Sixteen men of Harrington and vicinity gave their lives in defense of the United States of America in World War I and World War II; and  
 "Whereas, Memory of their service and sacrifice is a source of great inspiration to all citizens as our nation faces new difficulties and dangers; and  
 "Whereas, This memory is kept bright by the annual wearing of memorial poppies in their honor and in honor of all other Americans who died in world war service;

"Now, therefore, I, Earl Sylvester, Mayor of the City of Harrington, do hereby proclaim Saturday, May 28, to be Poppy Day in the City of Harrington, and urge that all citizens observe the day by wearing the memorial poppy of the American Legion and American Legion Auxiliary."

Mayor Sylvester will open the Poppy Drive Saturday, May 21, at 6 p. m., and will have the honor of making a donation for the first poppy at the "Wishing Well" which will be installed in front of Tee's Cut-Rate Store.

## Roy Webb Dies After Accident

Funeral services were held yesterday at the Boyer Funeral Home for Roy Webb, 38, of near town, who died Sunday night in Milford Memorial Hospital. Burial was in Hollywood Cemetery.

Mr. Webb was injured in an accident in March while at work for the Dewey Weddle Company, electrical contractors.

Besides his mother, he is survived by his wife, Mrs. Linda Morris Webb; two sons, Leroy Webb, Chester Heights, Pa.; Arley Webb, Milford; two daughters, Mrs. Ethel Burrows, Dover; Mrs. Anna Mae Van Vorst, Milford; three step children, Mrs. Lillie Lynn, Milford; Thomas Currey, Chester Heights; Franklin Currey, Harrington; 10 grandchildren; seven sisters, Mrs. Lillie Hill, Milford; Mrs. Bessie Black, Honston; Mrs. Myrtle Raughley, Farmington; Mrs. Anna Donovan, Newark; Mrs. Iva August, Mrs. Vertie Baker and Mrs. Sallie Hamilton, Wilmington; three brothers, Walter Webb, Harrington; George Webb, Wilmington; Arley Webb, Dover.

## Funeral Held For John E. Smith

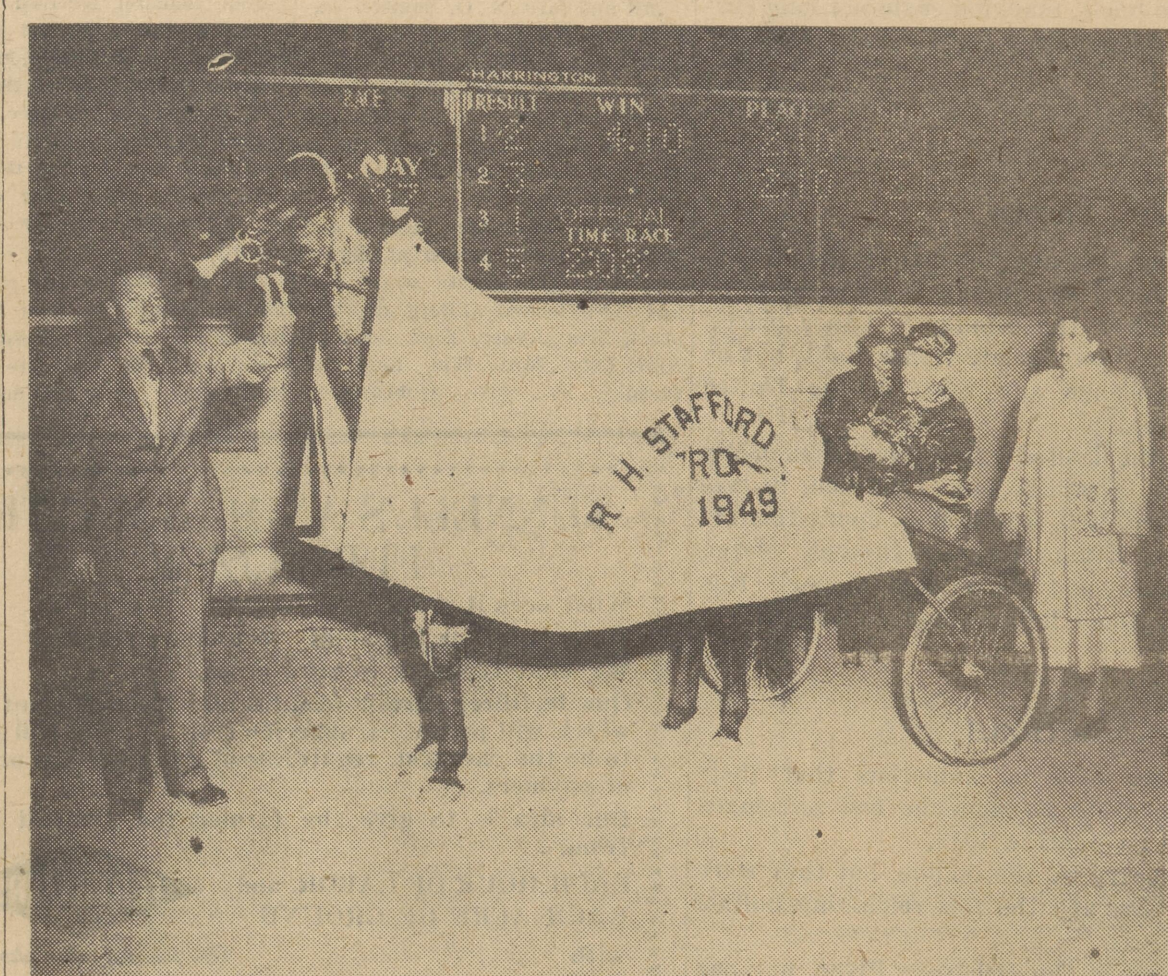

Funeral services for John E. Smith, 84, retired farmer, were held at the Gerry Funeral Home here Tuesday afternoon. The Rev. Thomas Turkington of the Methodist Church, Denton, officiated. Interment was in Hollywood Cemetery.

Mr. Smith, who died at his home here Friday, was born near here and had farmed at Vernon for many years. He was unmarried. Surviving are a sister, Miss Laura Smith of Harrington and a brother, N. Edgar Smith, former Kent County coroner.

# Rena Grattan Sets Record of 2:05.2 For Pari-Mutuel Harness Racing - Bonnie's Jr. Wins R. H. Stafford Pace

## Dublin Wins C. D. Murphy Memorial Pace; Kate D Wins The Killen Feed Company Trot, With Shamrock Thoughts Winning Direct Express Memorial Pace Trophy at Current Race Meet Here

### Bill Understood Bonnie; Bonnie Understood Bill

Bonnie's Jr., Winner of Both Dashes of the R. H. Stafford & Son Pace Here Friday night. Holding the bay horse is Bob Stafford, with Owner Edna Wilson, of Georgetown, standing behind Driver Bill Myer.

Rena Grattan, driven by Joe Hyland, and owned by Clair Weaver, of Harrisburg, Pa., paced the mile in 2:05.2 here Tuesday night to set a new record for pari-mutuel harness racing here. The old record was 2:06, made here four times this season.

Second was Fortunate Boy, who "came from out of nowhere" and made the final quarter in 29 seconds. Emalou Hanover was third. Carl Goslin's Majestic Miss was fourth, with Prince James, making his first start this season, fifth in the five-entry race. Incidentally, Prince James paced here last year in 2:07, the record until this meet.

Tuesday night's races verified prophecies that the current spring meet of the Kent and Sussex Association would be "the fastest yet."

No less than four entries, including the four-year-old bay mare, Rena Grattan, established new records for themselves Tuesday night. Flicka B went in 2:11 in the fourth race, a pace, for her best time. The six-year-old brown mare was raised by Mr. and Mrs. Ralph Satterfield and named by Mrs. Satterfield. Josedale McElwyn won the sixth race, a trot, in 2:06, for his record, while Dublin established his record of 2:06.2 in the seventh race.

In winning the seventh race, the second dash of the C. D. Murphy Memorial Pace, the seven-year-old brown gelding won the trophy blanket presented by C. D. Murphy Jr., in honor of the first president of the Kent & Sussex Fair Association. A eulogy of Mr. Murphy was read before the fifth race, by Pat Kies, the announcer. Dublin, owned by George and Chester Hudson, of Bishopville, Md., and driven by Tom Walters, won the fifth race in 2:08.

And there were other trophy winners. Kate D, owned by Charles M. Fyle, of Pausboro, N. J., and driven by W. Cowgill, won both dashes of the Killen Feed Company Trot Thursday night, May 12, in 2:14 and 2:15.2. Bill Myer had broke Bonnie's Jr., Bill understood Bonnie and Bonnie understood Bill. Consequently, the five-year-old bay horse won his first race in nearly two years Friday night when he won both dashes of the R. H. Stafford & Son Pace. Bonnie was in front all the way in both races, pacing the first mile in 2:10 and the second dash in 2:08. The little horse was owned by Ralph Satterfield, of Harrington, until his purchase by Edna

 Playtex 8, Stantonville 6  
 Harrington 9, Farmington 7

**NEXT SUNDAY'S SCHEDULE**  
 Farmington at Viola  
 Stantonville at Harrington  
 Playtex at Tower Team

Viola and Tower teams fell two outs short of an official game Sunday at Towerville due to a sudden downpour of rain that refused to let up. After four and one-third innings of playing, Tower was on the right side of the win column 5 to 2. Two mighty drives highlighted the Tower nine as Smith hit one for a triple in the second inning. Trice got the other, which went for a double driving in two runs. Tower collected 5 hits in the four inning contest, while Viola got four. Sipple had the longest hit for Viola as he rapped out a double in the fourth inning. He scored both of the Viola runs.

Wagner got credit for chasing him over the first time with J. Chambers helping him across in the fourth.

Harrington and Playtex moved within ½ game of the league leading Viola nine Sunday as they won their games. Harrington defeated Farmington 9 to 7, while Playtex topped Stantonville down 8 to 6.

Daily Vacation Bible School for children 4 to 14 will be held in the High School, June 13 to 24. This is a Community School with several Churches co-operating in its administration and program.

## Janette Williamson To Govern Girls' State

Miss Janette Williamson, a seventeen-year-old junior at Harrington High School, was unanimously chosen by her high school classmates to serve as governor of Delaware in the Girls' State of 1949, which is to be on June 22 and 23.

Janette, who is the daughter of Howard E. Williamson of this city, was born near Geonswad and attended school there until she entered Harrington in her third school year. She has been very active in extra-curricular activities and also has had an excellent scholastic record. She has taken part in sports, particularly basketball, has played in the school band and has served on the Student Council. She has acted as president of her class for several years and has always been interested in class and school activities.

In addition to her school work, Janette has been active in church work and has sung in the church choir. She is a member of the Trinity Methodist Church of Harrington. She has been interested in civic improvements for "teen-agers" and has assisted with activities of the teen-age canteen.

The future governor is at present taking the academic course in school and upon graduation she plans to enter college with studies in either nursing or laboratory work.

## H. H. S. Nine Defeats Milton

Behind Bob Baynard's seven hit pitching Harrington High won its seven game in nine starts. Jay Bullock and Louis Hobbs, led the victors at the plate each getting four hits. The score was 16 to 9, as Harrington unlaunched a 22 hit spurge on two Milton pitchers.

**JOHNNY, DON'T GET YOUR GUN!**

We can't believe that children, by nature, are wanton killers, and yet, many of them by indirect encouragement from parents, are slaughtering many of mankind's greatest friends, the birds.

Give a kid an air rifle or any kind of a gun, and he starts knocking birds from the trees. With every bird killed, insect life multiplies many times. Get up at daybreak and take a look at your garden. You will see dozens of birds walking up and down rows of vegetables picking insects off the plants. One bird can destroy more insects than all the spraying you can do and he does not injure the plants or impair the flavor. You have an army of hard workers—and they work for you for nothing.

The toad is another valuable helper of man in the growing of crops. More than 50 different kinds of insects have been discovered in a toad's stomach. It has been estimated that without the birds and the toads, mankind could not long survive, as the teeming insects and other pests would practically destroy all vegetation.

Think of this when you are tempted to buy your boy a gun.

**SMITH, JONES, JOHNSON, BROWN**

Harrington's Honor Roll, bearing the names of all local people who saw service in the recent war, is supposed to be one of the most beautiful in the country. Other places, large cities, etc., may have more ornate Honor Rolls, but on another feature, we'll challenge any town in the United States to compete with us.

In any community in the United States you'll find many people bearing the names of Smith, Jones, Johnson, Brown. In looking over the Honor Roll, containing approximately five hundred names, we found fourteen Browns, eleven Smiths, only two Johnsons—and not a single Jones! Has any other community an Honor Roll without a Jones?

**WE ARE THE WORLD'S WASTRELS**

Passenger pigeons were once so numerous that their flights obscured the sun at times—but the last passenger pigeon died in a zoo in Cincinnati in 1914.

Buffalo roamed the country by the million, but they were slaughtered for their hides, and the few remaining buffalo today are in protected areas.

Sturgeon once abounded in the Delaware River, but one is seldom seen these days. Shad and other fishes used to almost choke the river in the spawning season—but because pollution keeps oxygen from the water, over stretches of miles the only fish to be found in the Delaware are catfish and carp.

The Missouri-Mississippi River Valley is the bread-basket of the world. Practically all of the food sent to our allies came from that section, and in addition many highly industrialized sections of the Eastern United States would starve but for the fertility of this valley. And yet, from this valley, millions of tons of top-soil are dumped into the Gulf of Mexico each year.

When we consider that the only security man has is a thin layer of top-soil, we realize that flood control is imperative. No one doubts the wisdom of flood control in this valley, but there is a great difference of opinion as to the method. The Army engineers believe one way, the government engineers another way, while other engineering groups have other theories—all of which gets us nowhere. Those rivers should be dammed—not damned.

Why is it—and this is not directed at any particular member of the legislature, or at all the members—that a man with a reputation for intelligence, fairness and "level-headedness", as soon as he gets to the legislature, begins to act like a damphule?

At a recent conference, a high church official said that Delaware, with its races, its number games, its bookies, its crap games, has become a gamblers' paradise. We'll betche he's right.

A man down in Maryland has been elected head of a church organization for the second time. There must be something in a name. His happens to be Ditto.

**Chosen Friends Lodge No. 35, I. O. O. F.**

John Schaffer received the obligation of the lodge last Thursday evening. Also Layton Gourley and William Lyons, received the obligation of the First Degree, so that they would be eligible to go down to Laurel and receive the second and third degrees, that were put on by Fairfax Lodge of Wilmington.

The first degree was put on by Fairfax Lodge No. 8 of Wilmington, at 4:30 o'clock, Saturday afternoon, when 71 candidate received this degree. After this degree was

put on they adjourned and were given a very good supper by one of the Laurel High School Classes in the cafeteria of the school. The new candidate received their meal free of charge. This being taken care of, by their own lodges.

The lodge was then called back in session and the remaining degrees were conferred on the candidates.

The speaker of the evening was Bro. Harry Johnson, of Smyrna Lodge who gave a very fine talk.

The oldest past Grand Master, W. E. Lank, of Crystal Fount Lodge No. 10, Milford was introduced to the lodge and he responded with a bow.

A fishing pole was chanced off in the evening, Clifford Wells holding the lucky ticket was given the prize.

Fairfax Lodge was congratulated on the way they put the degrees on for the lodges and the marches were such that, any lodge member, that missed seeing this done lost a valuable evening in lodge work.

**University Life**  
Students may complain of overcrowded colleges these days, but life for them is a bed of roses compared to students of a hundred years ago. The University of Wisconsin students even had to fill their own mattresses from nearby farmer's straw-stacks. Many college beds of today are old and worn out, it is true, but at least there are good ones available.

**Plastic Wallpaper**  
Of all the new plastics, wallpaper probably takes the most abuse. Ink, lipstick, grease, foods, liquor and shoe polish wipe right off with soap and water. You don't have to worry about rubbing through the surface. In laboratory tests, the paper has withstood 25,000 consecutive rubs on the same spot.

**Garden Tools**  
After using garden tools, prevent rust by wiping each one with a cloth dipped in kerosene.

Magnolia

Mrs. Edgar Graybeal, chairman of the cancer drive, assisted by Mrs. Martin Wilcutts, has reported \$104.13 from Magnolia and community on this drive, and they appreciate so much your support.

C. W. Johnson attended the annual Conference at Salisbury on Friday as a delegate from this drive. He was accompanied by Dr. C. M. Elderderice, Mrs. Anna Orvis and Mrs. Kathryn Knight. Dr. and Mrs. Elderderice left on Saturday morning to attend the Conference and be guests of friends at Crisfield.

Mrs. Cynthia Mensch passed away at her home here on Friday morning. Funeral services were held from her home, with Dr. Elderderice officiating, and burial being made at Lakeside Cemetery, Dover. Mrs. Mensch had been in failing health for several weeks, but until that time was fairly active in her home. Had she lived until October, she would have observed her 91st birthday. She was a life-long resident of Magnolia, and though her family is small, she leaves a host of friends who hold her in high regard. She is survived by one daughter, Mrs. Ethel M. Collins, who made her home with her mother, and one grandson, Lt. Kenneth Collins, and one great-grandchild, Ruth Collins.

Miss Ruth Simmons, of Edgewood, Md., spent the week-end with Mrs. Edgar Graybeal and her mother, Mrs. Elizabeth Schwartz.

A number of the Red Men and Pocahontas members from here met members from their tribes and councils at Rehoboth on Sunday to attend the Avenue Methodist Church in a body and later having dinner at the Avenue Restaurant in Rehoboth.

The Saguachi Council of Pocahontas will hold a bake in the Community Hall on Saturday morning May 21st, beginning at ten o'clock. Proceeds are to be used to decorate the Rd Mess Hall.

Mrs. Cora Wright returned home during the past week after spending the winter with her sister, Mrs. Lewis Sargent, in Derry, Pa. She was accompanied home by her sister and daughter, Mrs. Mardell Graff, who plans to spend a week with Mrs. Wright.

Mr. William Paradee entered the Kent General Hospital on Saturday and underwent an operation there on Monday.

A Boy Scout Troop was recently organized in Magnolia by Herschel Calloway, who is the Scout Master and James Mitchell the assistant Scout Master. At present they have eleven members, but hope this number will soon be increased as they feel they have established themselves as a troop for the service of the town.

They realized \$48.00 from a minstrel show which they gave on Thursday night for the purpose of making money, to purchase equipment. They were very well pleased with this amount and express their thanks to the community for their help.

Mr. and Mrs. E. A. Shipley were

**MILFORD THEATRE**  
 On Thursday of this week the famous Palace Theatre on Broadway in New York returns to a weekly vaudeville policy. In the old days the Palace was regarded as the top vaudeville house in the world but taking pictures and depression led to their going to a straight motion picture policy in 1932. Early this year the Schine Circuit led in an experiment to bring back vaudeville by presenting five acts weekly in thirty of their theatres, including the New Milford. The success of this experiment brought nation wide recognition of the fact that "vaudeville was not dead". The recent announcement that vaudeville was to play the Palace once again resulted in editorials and stories in leading papers throughout the nation expressing gratification at the news.  
 It is interesting to note that one of the featured acts on the opening bill at the Palace, The Two Chords, played at the New Milford recently. Another recent Milford act, Ladd Lyons, opened an engagement at Radio City Music Hall last Thursday. These are examples of the quality acts that have been offered at the New Milford week after week.  
 On Friday and Saturday the New Milford will present another five act vaudeville bill consisting of acts that have played in the nation's leading theatres. The headliner is Neal Stanley, riotous comedian who starred in the Broadway hit, "Follow The Girls".

**DELAWARE'S FARM FRONT**

Help in combatting vegetable crop diseases is now offered in the Disease Control Chart for Delaware's Major Vegetable Crops, published by the Delaware Agricultural Extension Service. Robert F. Stevens, prepared this chart as a companion piece to the recent one on vegetable insect control, with the idea that it will be handy for farmers to tack on the barn or shed door. The disease control chart describes symptoms and gives control measures for the most common vegetable diseases. Both charts—on insect control and disease control—are available from the Office of Information, Agricultural Extension Service, Newark.

The Eastern Shore Aberdeen Angus Association reports that prices for pure-bred Aberdeen Angus breeding cattle have maintained strong levels in every part of the United States during the first two quarters of the 1949 fiscal year. Reviewing the first 100 auction sales of pure-bred registered cattle, Frank Richards, secretary of the national registry organization, reports that the average prices per head this year are more than \$100 higher than those for the entire 1948 fiscal year.

Sweet potato chips are a new and promising product, entirely different in color and flavor from the familiar chips made from Irish potatoes, reports the Georgia Experiment Station, which has long been working on new uses for sweet potatoes. Chips made from sweet potatoes have enough natural sweetness to serve as confections, if dusted with powdered sugar, yet are delicious for appetizers if salted. They may be made either at home or commercially. Sweet potatoes of the Puerto Rico or other types having deep yellow flesh are recommended because they produce chips of an attractive golden color.

**BEEKEEPERS MEET SET FOR MAY 21**

The eighth annual meeting of the Delaware State Beekeepers' Association will be held at the home of C. A. Colell, near Milford, on May 21, from 2 to 5 p. m. Announcements will be made, Delmar, president of the organization. The program will include five panel discussions covering local problems in beekeeping and opportunities for beekeeping in the Tri-State area, and a guest specialist, Prof. Robert S. Filmer, Rutgers University, New Brunswick, N. J., who will offer technical advice whenever needed during the discussions.

The panel discussion on "Local Problems in Beekeeping," will be divided into four sections. Discussion leader for Upper Delaware will be E. H. Schabinger, New Castle County Agricultural Agent, with C. F. Wells, Newark; D. M. Gay, M. D. Hockessin; and J. F. Maske, New Castle, participating. Middle Delaware panel members are, William E. Tarbell, Kent County agricultural agent, leader; D. E. Handley, Harrington; K. F. Dankewich, Frederica; and W. H. Ritcher Jr., Dover. Lower Delaware is represented by William H. Henderson, Sussex County agricultural agent as leader; Edward Krewatch, Delmar; C. A. Colell, Milford; and Harry Selders, Farmington. Young beekeepers, discussion leader is Samuel Gwinn, Sussex County 4-H Club agent, with panel members S. David Kirk, Newark; Edwin D. F. Taylor, Wilmington; and J. Edwin Trimble, Hockessin.

George M. Worrlow, director of the Delaware Agricultural Experiment Station and Extension Service, will lead the discussion on "Opportunities for Beekeeping in the Tri-State Area." Also taking part will be John W. Shorte, Collingswood, N. J.; John W. Duke, Townsend; and Lloyd B. Shearn, Glenarm, Md.

A young people's revival will begin at the Church of the Nazarene Sunday, May 22nd thru May 29th. Rev. Robert Fowler, of Arnold, Md., will be the evangelist. Special singing will be rendered each evening. Services each evening at 7:30 P. M. Everyone welcome to attend these services.

**SUPPLEMENTAL IRRIGATION PROVES WORTHWHILE ON DELAWARE FARMS**

Supplemental irrigation can provide a farmer with the means of producing greater yields from his crops without much added labor, says William Calvert, extension agricultural engineer at the University of Delaware.

Calvert points out that even in Delaware, where the annual rainfall is about 45 inches, crops suffer from lack of moisture. A dry spell at the wrong time can mean reduced yields and even crop failure. Sprinkler systems have proven satisfactory for all types of crops. Lightweight portable tubing has made it simple to move pipes in orchards, pastures or truck gardens. High volume sprinkled heads have made the process even more effective. Big heads are now made to cover 3-1/2 acres at a setting.

The seemingly high initial cost or irrigation has proven good insurance for many farmers, Calvert stresses. The greater yields—almost double in most cases—and the fact they can save their crops when others are failing, has paid for the system many times over.

Proper design work at the beginning will save many headaches later. Because of the large volume of water used, it is important to have the pump and engine operating at top efficiency. A good source of information for farmers interested in learning more about good irrigation is U. S. Department of Agriculture Farmers' Bulletin No. 1846, Supplemental Irrigation. This bulletin can be obtained free from the Delaware Agricultural Extension Service, Newark.

Mr. and Mrs. Nal Parker, of Thielis, N. Y., spent several days of this week visiting with her parents, Mr. and Mrs. Theodore Sowada.

Miss Gladys Mae Atkins on Friday the 13th, celebrated her birthday. Among the 'luck' it brought her was a radio set and 18 birthday greetings from her many friends.

The annual election of Town Commissioners for Marydel, was held on Thursday, May 12th, from 2 to 5 p. m. in the Town Hall for the purpose of electing 5 commissioners. Those elected were, Messrs. H. H. Heather, T. Olin Ford, Allie Seward, T. E. Heather, Sr., treasurer; B. R. Kaler, president and clerk.

Another Sunday of evening hymn singing sponsored by the Marydel Methodist Church Choir was held on Sunday evening, May 15th, at 7:30 p. m. when four students from Faith Theological Seminary, Wilmington, gave inspirational testimonies and led in a song service. Among them were, Miss Jessie Gruwell, a former Marydel resident, M. L. Kim from Korea, Miss C. Franzburger, of Iowa, and Mr. Ed Pund, song leader. It was indeed a privilege to have these young folks with us and the few who availed themselves of their opportunity of hearing them were well paid.

The Marydel Methodist Church will hold an all day Dedication Service in the church on Sunday, May 22nd. Rev. Essel P. Thomas, District Superintendent, will speak at the 11 o'clock morning service, while Rev. C. R. Strausburg, Greenbelt, Md. will deliver the evening address at 7:30 p. m. Special music for the occasion will be provided by the Bethany Baptist Quartet from the Wanamaker Church, Philadelphia. Miss Betty

**NEW RECOMMENDATIONS FOR FLY CONTROL ON DAIRY COWS AND IN BARN**

The use of DDT for fly control in dairy barns has been questioned recently by the Food and Drug Administration, since studies have shown that DDT, when used on dairy cows or on forage fed to dairy cows, may appear in the milk. Also, DDT in very small quantities can sometimes be detected in milk following ordinary use of this insecticide for fly control in dairy barns.

To clear up the confusion caused by this discovery, Dr. L.A. Stearns, head of the University of Delaware's Entomology Department, has prepared a leaflet, New Recommendations for Fly Control on Dairy Cows in Dairy Barns. He states that the Food and Drug Administration has not prohibited the use of DDT for fly control in dairy barns. However, the Food and Drug Administration is required by law to insure that the food supply of this country does not contain any poisonous or deleterious substances that is not necessary in the production of food. Because of the vital importance of milk in our diet, proper precautions must be taken to protect the milk supply. The revision of recommendations is simply a precautionary measure.

For the present, Dr. Stearns says, do not use DDT on dairy cows, in dairy barns, and do not feed DDT-treated forage to dairy cows or to animals being fattened for slaughter. Instead, use Methoxychlor, which has proved a satisfactory substitute in controlling insect pests—horn flies, stable flies and lice—on dairy cows. The Food and Drug Administration has started that Methoxychlor is unobjectionable from a health standpoint.

Specific recommendations as to amounts of Methoxychlor to use for dairy cows, beef cattle, young dairy cows and dairy barns are contained in the leaflet, which is available from the Extension Service in Newark, or from county extension offices in Newark, Dover and Georgetown. Copies are being distributed to members of the Dairy Herd Improvement Association.

**After graduation comes opportunity!**

THE approach of Commencement Day 1949, brings many high school seniors face to face with a big question—what next? There's one big opportunity to which every high school graduate should give serious consideration. This is the career offered you in today's Regular Army.

Few openings in private enterprise offer you the leadership training, the educational advantages, the exciting travel and adventure, the supervised sports and recreation programs and the clean, wholesome, active life that can be yours with an Army enlistment.

Few openings offer you such comradeship with America's finest young men—for today—only the best are acceptable for service in the United States Army.

To win a place in today's Regular Army you must pass physical examinations that are tougher—mental examinations more difficult—than ever before.

And with these more rigid requirements you will face keener all-round competition for assignment to the more than 200 courses offered at Army technical and specialty schools.

The rewards are also greater—opportunity for advancement is limited only by your ability and initiative. Many of today's general officers began their careers as Privates. Some of today's Privates may be our future Generals!

Appointments to Officer's Candidate Schools and to the U. S. Military Academy at West Point are available to those who can make the grade. In what other field can you aspire so high?

You owe it to yourself to get all the facts. See the friendly recruiting officer at your local U. S. Army and U. S. Air Force Recruiting Station today. He will be happy to give you full details without any obligation to you.

**Five-Foot Shelf of Good Looks**

A TOUCH on the handle—and a wide front door swings open on a prospect full of invitation.

There's a wheel that seems actually eager for the touch of your hand.

There's a broad 63-inch seat cushion, comfortably angled, soft and inviting, and only a hand's width narrower than a full-size parlor sofa.

There are narrower corner posts hardly wider than the space between your eyes, so plenty easy to see around—and there's a broad, sweeping, full-curved windshield spreading a horizon-wide view before your eyes.

There's a gas treadle that flicks into instant life the great power of a big, full-throated Fireball power plant. Under the wheel there can be a Dynaflo selector lever you set once and then forget through all your normal forward driving.

And wrapping it all up in one stunningly beautiful picture of top-drawer travel is modern styling in the good Buick manner—sleek lines, bright chrome, the instant identification of gleaming Ventrports.

Here's five-feet-plus of deep-seated comfort—an outlook that brings the whole landscape indoors—handsome lines that draw admiring glances anywhere—what else is needed to settle your mind on this one?

Two things, probably. A little spin with yourself behind the wheel just to take this honey's measure. A look at the price tags and a bit of mental comparisons just to prove how big a buy it is.

For both you have only to see your Buick dealer—who will be pleased to demonstrate, pleased to talk price—and pleased to take your order for surprisingly early delivery.

Race

(Continued from page 1)

Wilson, of Georgetown, several weeks ago.

Shamrock Thoughts, owned by Norman Lynch, of Frankford, stood best in the summary to win The Direct Express Memorial Pace Saturday night. Driven by Joe Hylan, who seems to know how to get the best out of a horse, the black horse won the first dash in 2:09, and placed in the second dash, won by Pan American in 2:08.

Jeb Stuart won both dashes of The Wonder Bar Trot Monday night. The four-year-old roan gelding, owned by Harry L. Bauer, of Freehold, N. J., and driven by T. Lewis, won the first dash in 2:07.2 and the second in 2:08.3.

Cub Hanover, owned by B. R. Walker, Bohannon, Va., won the J. Wirt Willis Memorial Trot Wednesday night. The 10-year-old bay horse, driven by E. Kelly, won the first dash in 2:09, and placed in the second dash.

The meet will end Monday night unless rain causes a cancellation, in which event the meet will close Tuesday night.

The Rudnick Pace will be the feature race tomorrow night, with the Hi-Grade Dairy Trot the feature race on the closing night. The Cahall's Gas Service Trot will be the feature race tonight.

WHEELER RADIO STORE NEWS

Philco-Philco-Philco-where have you heard that name before? It is almost as well known as Ivory soap. You know Ivory soap is famous because it is pure and Philco is famous for many products that are sure.

I suppose you know by now that this is Philco Refrigerator Week and we have several models on our floor to inspect 7, 8, 9, 10 and 11 cubic foot, also freezer chests. We have given away several sets of dishes with refrigerators and we still have some sets left. Would you like to have one? Alright, trade in your old refrigerator or buy a new one and it is yours. If you just want to look at them, come in and we will give you a water chiller free.

We still have several gas ranges, we are offering at a reduced price and will hook it up with bottled or metered gas which ever you prefer.

Have two used Westinghouse Electric ranges in a-1 condition at a price that will surprise you. Of course we also carry new ones, if a new one you want.

I thought we had plenty of wall paper to supply you all this spring with the patterns you want, but I find I was mistaken and oversold. I have many new patterns arriving and up to the minute. Come in and make your selections. All ceiling 15 cents per single roll except some special designs. All border 2 cents per yard. Just received a new shipment of that better paste 1, 2 or 5 pound bags. Vermin proof.

Are you having trouble breaking your Silex coffee maker? Well if so and you want something that will not break when dropped come in and see our new metal coffee maker only \$4.95 complete. Just plug it in any receptacle, mighty nice and mighty pretty too.

I wonder if there is any thing that a June bride would appreciate more than a genuine Sunbeam Mixer-master for her wedding gift. We know she will use it almost every day and think how thoughtful the giver was in presenting it. We have them for June Brides. Then again if that is more money you can put out for this, then why not a waffle maker, coffee maker, sandwich toaster or a light weight electric iron.

Come in, let us help you.

If your boy or girl is going away for a vacation or camp we have a small battery radio that he or she will really have a good time with, not expensive and will last for years.

I have had lots of people asking me when I am going to open the park and I expect to have the equipment in place and everything ready for your enjoyment by May 29th.
