

Voters Favor Bonus For World War II Vets Here 16 to 1; State, 5 to 1

Local Count is 661 to 41; Vote Throughout State, However Is Light, With 35% Tallied

An immediate cash bonus to veterans of World War II won the overwhelming favor of the light vote cast in Harrington Tuesday. The vote here was better than 16 to 1 in favor of the bonus. Throughout the state the average was about 5 to 1, with 35 percent of Delaware's 187,000 qualified voters taking part.

All the returns from Kent county were in early and the results showed a leaning toward the bonus of better than 6 to 1. The count was 6, 538 to 959, a majority of 5,579.

More significant for the hopes of the veterans if Governor Carvel calls a special session was the fact that they carried the day in every one of Kent's 10 representative districts.

If the Kent legislators take the vote as a guide their deliberations on any bonus legislation placed before a special session there can be no doubt about their solidarity for it.

But in every district in New Castle county and in every ward in Wilmington the bonus principle also won.

In Sussex county, the complete vote of the 24 districts favored the bonus by nine to one, with a count of 9,113 to 964.

Big Issue in Assembly

The veterans' bonus was one of the burning issues of the 115th General Assembly. It was part of the Democratic platform in the last campaign and was endorsed by Republican leaders midway in their campaign. The first bill offered to the General Assembly got nowhere because it did not provide a way of raising the estimated \$7,500,000 required.

Other measures, containing this detail, failed to win legislative approval because after adopting a major part of Governor Carvel's tax program the legislators were loath to levy additional taxes.

Representatives of the principal veterans' organizations were on hand daily through the session in their efforts to get approval of a bill. Their only success was the measure sponsored by Reps. Warren L. Allen (D-Seaford) and Ralph Collison (D-Bridgetown) calling for the referendum.

At the time Governor Carvel signed this bill he indicated he would call a special session if the vote Tuesday favored the bonus.

That the bonus was approved by an overwhelming majority of those who voted was indicated by the first few returns which showed some districts casting only a few votes against the cash aid and as many as 250 to 300 for it.

Representatives of the veterans' organizations who watched the returns coming in in the Wilmington Morning News office were particularly interested in the returns from the Seventh and Ninth wards in Wilmington and from Brandywine and Christiana Hundreds where, they thought, conservative elements, might oppose the bonus in strength.

National Guards Restrict Areas At Bethany Beach

Frear Endorses Atlantic Pact

United States Senator J. Allen Frear, Jr., Monday strongly endorsed the North Atlantic Pact and said he would support its ratification when the Senate votes on Thursday afternoon.

Senator Frear in a radio address (over Station WDEL) declared that the treaty is absolutely necessary because of the persistent penetration of atheistic communist philosophies among the people of Europe who are already suffering from defeatism and serious economic deficiencies.

"We are confronted with the competitive power and economy of slave labor in industrial and agricultural production behind the iron curtain as compared with our own free economies," Mr. Frear said. "In addition," he added, "we cannot underestimate the extensive assets of the Russian system in terms of population and natural resources, nor can we minimize the solidarity and the strategic geographical position of the communist dominated nations."

The Delaware Senator, who is a veteran of both the first and second World Wars warned that the countries who signed the Atlantic Pact must unite for common security. He pointed out that the familiar phrase, "too little and too late" taught us a tragic lesson in the early days of the recent war.

With reference to the controversial arms implementation plan in connection with the pact, Senator Frear said that we may be required to send arms to Europe, but he expressed the hope that such aid would not have to be extensive.

Mr. Frear declared that the United States is striving to reach an understanding with Russia through the United Nations, but he admitted that so far we had not met with "outstanding success."

"One need only review the course of events since the close of the recent war," he said, "to see how clearly communism has already succeeded in encroaching upon freedom-loving people."

Senator Frear called upon the North Atlantic nations to stand together for the cause of peace and justice, adding "The war-weary world is looking to us for moral leadership. We must not fail."

Co-op Holds Membership Meeting

Over 175 members of Southern States Cooperative gathered Friday evening in the Harrington High school auditorium for their annual meeting.

George K. Vapaa, local ag teacher presided. Group singing was led by Rev. Harry Wright, with Miss Marie Hopkins accompanying. Charles L. Peck, Jr. reviewed the services rendered last year by Peck Bros. Farm Supply, local agency for S. S. Coop.

Mr. John E. Wetsel, district manager gave the annual report of S. S. Coop., for the last fiscal year. He reported that membership of S. S. Coop. was now 248,442 and that as volume had increased operating costs were lowered. Feeds costs are down about \$20.00 per ton from the prevailing level in 1948 and that feeding ration, while not as good as they have been, are still generally favorable. An adequate supply of fertilizer, seeds, and other supplies of top quality are in prospect for the coming year.

Mr. C. Ed McCauley, in charge of feed distribution of S. S. Coop., gave a brief talk on "Poultry Medicinals." He stated that the sulfa drugs have been in general, doing a good job, but not as much as some manufacturers would have you believe. Also that several thousands of dollars were spent annually for medicinals that were worthless. He pointed out that for successful poultry operations you should secure healthy chicks, provide ample room and practice sanitation, and feed a good feed.

Mr. Elmer Brown and Wm. Bullock were elected to the advisory board and Mrs. Frank Tharp and Mrs. Preston Sapp were elected to Home Advisory Committee.

Door prize winners were as follows: Mrs. Edwin Hopkins, Clarence Kenton, Moore, Mrs. Howard Cooper, and Edgar Welch. Bobby Draper won a bubble gum blowing contest.

The feature of the evening was the farm grown hat contest. The ladies had designed some becoming and beautiful creations. Those who made and model are as follows:

Mrs. Howard Cooper, Mrs. Elmer Cain, Mrs. Frank Tharp, Mrs. Lawrence Sullivan, Mrs. Fletcher Price, Mrs. Wm. Thiel, Mrs. Arthur Thiel, Mrs. Mildred Cooper, Mrs. Elmer Brown, Mrs. Oscar Tatman, Mrs. Earl Noble, Mrs. Carol Welch, Miss Alice Adams, and Miss Betty Welch.

Mrs. Howard Cooper won first place, Mrs. Lawrence Sullivan, 2nd place, and Miss Alice Adams, 3rd place. Honorable mention went to Mrs. Frank Tharp, Mrs. Wm. Thiel, and Mrs. Mildred Cooper.

Refreshments were served and the meeting adjourned.

Veterans Granted Rental Waivers

Area Rent Director John L. Walmesley said today that waivers of veterans preference on new luxury rental accommodations will be granted where the monthly rent is \$50 per room or more and the total monthly rent is at least \$125.

Similarly, waivers of veterans preference will be granted in the sale of homes where the sale price is \$25,000 or higher.

Units in a project with a monthly rent below \$50 a room and a total monthly rent of less than \$125 per unit will not be exempted from veterans preference. Waivers will be restricted to luxury accommodations in a structure or project.

"This action has been taken," Mr. Walmesley explained, "because a survey has shown that very few veterans can afford housing accommodations renting monthly for \$50 per room or more with a total rent of at least \$125, or selling for \$25,000 or more. At the same time, plenty of such accommodations are available for the relatively few veterans who can afford such a price for housing."

Mr. Walmesley pointed out that the waiver is not automatic. "A builder must apply for a waiver," he said. "If we find that the facts are as stated, the waiver will be granted. But a builder will not be permitted to set luxury rents or sale prices on housing accommodations in order to get out from under veterans preference, and then lower the rent or sale price, without granting veterans preference."

Mr. Walmesley said the effect of the new policy will be to permit builders or owners to rent or sell luxury accommodations while a construction project is still in the blueprint or construction stage instead of waiting until after its completion.

Molten Glass has a consistency much like that of taffy candy between its molten stage and the time it hardens and cools. While it is still soft, it may be cut with shears.

Auto Races To Wind Up Fair

AAA auto racing will again be a highlight of the colorful Kent and Sussex County Fair which runs for six days and nights here beginning Monday, July 25.

Mrs. Ernest Raughley, secretary announced that Saturday, July 30, would be "race day" at the fair, with six events listed under the direction of Sam Nunis Speedways.

Director Sam Nunis has named a thrilling 20-lap feature race to cap the fair speedfest. He already has many of the nation's great drivers, including Tommy Hinner-shitz, of Reading, Pa., eastern leader, on the contract list.

The lightning fast Harrington track is currently being made ready for another assault on the standing records. The half mile raceway's 20-lap mark of 9 minutes 41.31 seconds, set by the late Ted Horn in 1947, is among the records to be threatened on July 30.

Nunis will strive for a "show stopper" here prior to staging AAA races at state and county fairs from Maine to Minnesota this season. His program at last year's fair here attracted the greatest crowd in fair history.

Three 10-lap qualifying heat events, a 10-lap semi-feature and qualifying time trials will precede the 20-lap main race, Nunis stated. The time trials begin at 1 p. m., and the first race starts at 2:30 p. m.

The Kent and Sussex County Fair officially opens the fair season in the east.

Bernard Young Named To State College Board

Bernard Young of Milford, principal of the Union Negro school near Frederica, and an alumnus of Delaware State College, has been named to the board of trustees of the college by Governor Carvel, it was announced Monday.

Mr. Young will serve the unexpired term of Clarence Polk, also of Milford, who resigned recently. The term runs until June 5, 1952. He is expected to assume his duties as a trustee on Thursday, when the board will meet to reopen the hearing into charges of mis-administration against Dr. Howard D. Gregg, president of the college.

Mr. Young was graduated from Delaware State College in 1911, and began teaching in Delaware schools the same year. He has taught in the state ever since, with the exception of a period of service with the armed forces in World War I. He served overseas for nine months.

The new trustee is a member of the American Legion and at one time served as second vice commander of the Department of Delaware. He has been president of the Delaware State Colored Teacher's Association for two years, and is president of the board of trustees of the layman's organization of the Dover District of the Methodist Church.

With the appointment of Mr. Young, the board of trustees of the college is now complete. Four of the six members of the board have been appointed within the past six weeks by Governor Carvel, following the expiration of one term and two resignations of three members.

The Governor's appointments on the present board are: Gilbert Nickel of Silvery, board president; State Auditor James W. W. Baker, Mrs. E. W. Buchanan of Dover, and Mr. Young. Holdover members are Mrs. Beatrice H. Berryman of Wilmington, lone Republican on the board, and Samuel N. Culver of Delmar.

Following the hearing into Dr. Gregg's activities last spring, the board voted 3 to 2 against a motion to rescind Dr. Gregg's contract at the college. Since that vote, Judge Elwood F. Melson, Caleb M. Wright, and Mr. Polk have resigned from the board, and the term of Earl D. Willey has expired.

The present board recently suspended Dr. Gregg until the new hearing is completed, and placed the management of the college in the hands of three members of the faculty.

HARRINGTON GRANGE HOLD PICNIC

Kent & Sussex Fair to Open Monday Night With Auto Thrill Show

Annual Event Promises to Be Most Interesting And Entertaining in Fair's 30 Years--Harness Racing to Be Outstanding

Chest X-Ray To Be Made At K. & S. Fair

The Kent and Sussex Fair Association is cooperating with the State Board of Health and the Delaware Anti-Tuberculosis Society and has provided a choice location for the State Board of Health Mobile Chest X-Ray Unit during Fair week. It will be located directly across the street from the Administration offices and chest x-rays may be obtained from 2 P. M. until 8 P. M. daily.

Dr. Floyd I. Hudson, Executive Secretary of the State Board of Health, urges all persons over 15 years of age who have not had a chest x-ray during the past two years to have one while attending the fair. It is particularly important that persons living on farms or in small villages take advantage of this opportunity, since it may not be possible for the Mobile Unit to visit the area in which they live. Children under 15 years of age may be x-rayed upon the request of their family physician.

No special preparation is required for getting a chest x-ray at the Mobile Unit, and it will take less than a minute. Registration of name and address is required, and all persons will receive a report on their x-ray within a month or six weeks.

Tuberculosis is still one of Delaware's leading public health problems, but it can be prevented and controlled if all cases are found in the early stages and treatment started immediately. The chest x-ray is the best known method for finding tuberculosis in its earliest stages.

3 Appointed Fire Policemen

Three fire policemen were sworn in last week by Sheriff Arlie Salsbury. The policemen, appointed by the Harrington Fire Company, were Benjamin Emory Jr., Paul Porter, and Chick Barlow. Terms of office will be indefinite.

The post of fire policeman is a new one, being created by an act of the recent legislature. Duties of the policemen will be to regulate traffic going to and from fires and to see that firemen are not hampered while attending to their duties. The new officials have the power to make arrests.

Mrs. G. Greenlee and Mrs. M. Kesler were the hostesses for the party which was very much enjoyed by Miss Wyatt.

Phosphorus Deficiency

The symptoms of phosphorus deficiency in vegetable crops are slow growth and delayed maturity. An early symptom in tomatoes is the development of a reddish-purple color on the under side of the leaf. The color in the web of the leaf may first appear in spots and later spread over the entire leaf, with the veins finally becoming reddish-purple.

When the 30th annual Kent & Sussex Fair opens here Monday night, July 25, patrons will be treated to the best entertainment features, harness racing and agricultural exhibits in the fair's history.

The Fair association has spared no expense to provide the best in entertainment. Especially interesting will be a thrill show on the initial night when Ward Beam's World Champion Auto Daredevil, 27 outstanding auto and motorcycle thrillers put on what is termed the "greatest thrill show on earth."

Additional entertainment will be provided afternoons and nightly in front of the grandstand, with vaudeville acts of national and international reputation. There will also be fireworks nightly.

Seven sensational automobile races will feature the closing day, Saturday, with stars of the Indianapolis Speedway participating.

If the entry list is a criterion, harness racing at the fair will be outstanding. Many of these horses distinguished themselves at the Kent & Sussex Race meet here this spring and have done well for themselves at Rosecroft and Laurel raceways.

Warren Holmes plans on bringing Seattle Dean, Seattle Girl, and a number of others. W. E. Miller, of Rosecroft Raceway, plans on entering Henry Molo, a pacer which recently established a track record of 2:05.1 at Laurel. Other familiar stables and their entries include:

YOU HAVE TO BE ON THE "RIGHT" SIDE

Is it any wonder that people the world over are confused? There is not in this or any other country media for getting facts. Read practically any history and you read a document of prejudice.

As an illustration, we had two histories in school "back yonder" when we attended, Shinn's and Barnes'. According to Shinn, the South was right in every phase of the Civil War and had all the good soldiers and generals, while Barnes was equally sure that everything worth while was on the side of the North.

Read of any conflict, in the histories of any country, and you will find that God was on the side of the country in which the history was published.

However, we never expected political prejudice to creep into such a book as Webster's New International Dictionary. It's there, though, just the same.

In the biographical section you will find dozens of unknown names listed, and after each name you will see the phrase "American Orator." They list other men as "Secretary of State", "Secretary of War", "Secretary of the Interior," etc. And yet, one "Secretary of State, who was admittedly the greatest orator of modern times, is not listed as such. The dictionary lists the peerless William Jennings Bryan as "American Politician."

The weekly advertisements of the two Harrington banks contain some valuable advice. They tell you now, as they have been telling you right along, that it's a pretty sensible policy to bank some of your savings, even if just a little, on each pay day. If people had heeded their advice during the lush money period of the war, many people wouldn't be in the shape they are in today.

QUEER PEOPLE MAKE A QUEER WORLD

If humanitarians tried to help others just for the praise of the public, there wouldn't be any humanitarians. Benevolence is seldom appreciated.

There are men who are self-minded, instead of community-minded. They never contribute a penny to any cause, but when they die, many of the citizens will grudgingly admit their admiration when they say "He left a heap of money."

In the same town there are men who give unstintingly of time and money to advance every worth while idea. They receive this negative accolades when they pass away: "Mighty fine feller—but didn't leave much money."

Most disgusting of all is the old hypocrite who squeezes every penny until he dies, leaving his money to some library, some school, some church, or park. They laud him night and day. He's a generous man, a humanitarian! He's the exact opposite. Why shouldn't the old cuss give it away? He had no further use for it. And yet, statues have been erected to honor such creatures!

The perversities of human nature come to the fore when we recall the citizen of a Mid-Western city. He wanted his money to do some good while he lived.

He built the gas works and gave it to the city—he bought the local power and light company and gave it to the city, together with parks, swimming pools, school buildings, Y. W. C. A. and Y. M. C. A. He built a hospital, churches—and a vast development of newly-constructed homes where the poor might live in every phase of comfort.

And what was his reward? He was snubbed and his children were ostracized. Socially, they were non est. His daughters, stinging under the lashes of unjust criticism, enlisted in colleges far away—and if you should hear of his son, you will not hear of him here in America—you will hear of Lincoln Ellsworth far away, down in the Antarctic.

CLOWN ACT HEADLINING MILFORD VAUDEVILLE

The children and grownups alike are in for a treat this week as Art Donnelly and Bob, one of the most popular clown acts in vaudeville, headline the bill at Schine's New Milford Theatre Friday and Saturday. As an added touch they do a swell job on balancing tables. Incidentally, we believe the children are in for a great surprise when they enter the lobby of the theatre on Friday evening or Saturday matinee. Other outstanding acts on the bill this week at the New Milford Theatre are The Three Wells... youth on high; Olive White... America's Swingheart; Arthur Ward & Co... hoopologists supreme; and to top off the bill will be an act everyone will enjoy... Fields & Georgie... wits and half wits.

The screen program will be headed by "I Cheated The Law" starring Tom Conway plus Tim Holt's latest action-packed thriller, "Brothers In The Saddle." The third presentation of "Stars In The Making", a series of talent shows, will be presented Wednesday evening between 8 and 8:30 P. M. on our stage as an added attraction. It features future stars of tomorrow entertaining you with singing, dancing, impersonations, and musical specialties in a joy filled show. Anyone in the area who can sing, dance, act or do anything to entertain, is invited to enter this novel contest by registering at the theatre, or radio station WDOV, Dover. Auditions will be held every Wednesday morning at the Milford Theatre at 10 A. M., and at Radio Station WDOV on Sunday at 2 P. M. The "Stars In The Making" program will be broadcast every Wednesday evening over WDOV.

Social Security Queries Answered

Questions relating to Federal Old-Age and Survivors Insurance will be answered in this paper or by mail. Address all queries to Social Security Administration, Old Customs House Building, 6th and King Streets, Wilmington, Del.

Q. I was 65 in August 1947. I was employed from February 1945 to February 1948 at \$20 a week. Can I receive social security benefits?

A. An individual who became 65 in August 1947 needs 21 "quarters of coverage" to be fully insured. A quarter of coverage is any calendar quarter in which you are paid \$50 in wages. It appears you have only 13 such "quarters of coverage." You need eight more before you can become entitled to benefits upon filing an application.

Q. What jobs are covered by the Social Security Act?

A. Workers in commerce and industry generally—in factories, mills, stores, restaurants, etc.—are covered. Not covered by the law are, in general, jobs in agriculture, domestic service, Government service, and religious and charitable organizations.

Q. How much are retirement or survivors payments?

A. Retirement payments range from a minimum of \$10 per month to \$45.20 per month (1949). A wife's payment, a child's payment, or a dependent parent's payment is one-half the retirement amount; a widow's payment is three-fourths of the equivalent retirement payment. Survivors payments range from a minimum of \$10 per month. The lump-sum is six times the worker's retirement payment.

of Riverside, N. J. have returned from a visit with Mrs. Beiderbeck's parents, Mr. and Mrs. W. S. Jester of Hollandville.

Viola and Tower Split Games

Viola and Tower split a double header Sunday afternoon at Tower. The first game Viola took by a 10 to 4 score behind the brilliant 5 hit pitching of Buck Semans. The Viola team was held to 8 hits by H. Fountain and Wright. Wright was charged with the defeat. He walked 5 men and gave up 2 hits in the two innings he worked. That along with one Tower error was good for 6 runs to put the game on ice. H. Fountain hurled good ball in his seven inning stay, but had to leave for work before he could finish the game. M. Kersey led the attack for Viola with two hits for 5 trips. Voshell, a new man in Viola lineup, played the entire game on second and short-stop and looked very promising.

In the second game, which was to be a seven inning contest, Tower nosed out Viola in the eighth inning 7 to 6. L. Kersey started on the mound for Viola, but was relieved in the fourth by Biddle. Biddle was charged with the defeat, his second of the season against five victories. The Tower nine out-hit Viola 14 to 9. Again M. Kersey starred at the bat for Viola with 2 safeties for 3 trips to the plate. B. Semans and Wagner each collected 2 for 4 with Biddle getting 1 for 2.

Bradley, T. Fountain and Smith led the Tower hitting attack as Bradley and T Fountain each got 3 for 4 with Smith collecting 2 for 3. Brown came through with 2 hits for 5 trips. T. Fountain went the route for the winners.

year that I have been in business and when at the fair, drop in and let's hear how our merchandise is doing and complaints also if any. You know at the longest we are only here for a few years and I have often wondered why we don't get the things we really want and need and not wait so long that someone else has the pleasure of them. What about a new Refrigerator, Washer, Range, Water Heater, Radio, Television, Ironer? There are many many things that can help make the wife's duties much more pleasant and easy while the gentlemen is listening to that favorite ball game or looking at that favorite television show. I don't know whether you like to read these little ads I try to put across or not, but I of course pay for them hoping that it will bring me more business, so far it has. The week after the fair, I am taking a little trip and will not have anything in the next issue, see if you miss it. We appreciate any of your business when it is just for a roll of wall paper or an order that runs into several dollars. Come in and see what we have at the fair and by all means have a good time.

Houston

Church news for Sunday, July 24th. Sunday school at 10 o'clock a. m. Howard R. Moore supt., with Edwin Prettyman assistant. Preaching at 11:00 by the pastor Rev. W. Stanley Grant. The young people will have charge of the evening services and the leaders for the occasion will be Donald Clifton and Mark Dufrenack and there will be a guest speaker. These meetings are most helpful so come out and encourage these young people. The services were well attended on Sunday morning, 99 being present in the Church School. There was quite a large turn out for the hour of worship, despite the excessive heat. The minister read for the morning lesson a part of the 10th chapter of St. Matthew, beginning with the 23rd verse through 40th, and he chose his text the destruction of Sodom and Gomorrah, and the sad fate of Lot's wife who was turned to a pillar of salt and he preached a very wonderful sermon on the subject. The music was fine, the choir rendered two very beautiful selections. We are very sorry to report...

Ocean Downs Raceway Open Monday Night

Horsemen from all sections of the East and South have converged on the \$650,000 Ocean Downs Raceway harness track for the grand opening of the 20-night meet Monday, July 25, with indications that between 5,000 and 10,000 persons will view the eight-race program over the fast half-mile track hard by beautiful Iowhite Bay and overlooking the summer playground, Ocean City.

President Theodore Fletcher, of Preston, Md., who heads the board of prominent Eastern Shoremen who are bringing the big-time pari-mutuel betting to this section of the country, announced that upwards of 500 horses would be on the scene when the trotters and pacers go postward for the 8:15 opener.

The popular daily double, as usual, will be on the first and second races, with the windows closing at 8:00 P. M. Joseph Blime-line, of Baltimore, who was mutuel manager at Rosecroft Raceway, Oxon Hill, Md., which had a record breaking meet in its inaugural year, and at Laurel Raceway, which literally smashed the betting marks to smithereens this year, and who has presided at some of the bigger tracks in the country, will be in charge of the Ocean Downs Raceway mutuels. The setup has not been arranged that the thousands can make their bets in comfort under the grandstand and on the mezzanine floor without the slightest confusion.

The Ocean Downs management is offering \$100,000 in over-night purses, with a \$1,000 purse each night, for the total of \$20,000 in overnight stakes. Racing Secretary Ed Keller also has listed four races for \$500, two races for \$600, and one race for \$7000, each night.

Nesting in the green plains of Maryland's Eastern Shore, Ocean Downs will offer the horsemen a lightning fast track, designed by 90-year-old J. S. Coates, Goshen, New York veteran trotting expert. The track has a chute, and the oval has been declared by harness leaders as one of the best in the country. It has to be, if Coates built it.

The track is just off U. S. Highway 50, and the broad highway from Ocean City leads right to the entrance, while Berlin, Md. where Sam Riddle's War Admiral and Man War trained, is almost at the tip of the race track.

General admission will be \$1.20, and there are seats for 4,000 in the grandstand, which has front and back entrances, and everything for the convenience of the harness patrons. The broad ramp can handle 14,000 additional fans.

Eastern Shoremen who are behind the big venture besides President Fletcher, are Franklin S. Hastings, vice-president; Earl E. Conley, vice-president; O. Sheldon Chandler, treasurer, all of Berlin, Maryland; and Edgar T. Bennett, of Salisbury, Secretary.

Dick Hutchinson, Jr., who was the guiding genius in Laurel Raceway's smashing success the past two meets, will be general manager of Ocean Downs. Wayne Groves of Cleveland, O. is the presiding steward.

Record holders at Rosecroft and Laurel will be on hand for the meet. They include Tompkins Hanover, who did 2:05 4-5 on the trot at Laurel; Bucksfoot B., who did the mile in 2:06 4/5 and the mile and one sixteenth in 2:16 2/5. Both are owned by Troy, N. Y. sportsman Marty Burke, who is shipping a hot stable to the track, under Joe Hylian's supervision.

Hylian, who hails from Pinehurst, N. C., won the leading driving honors at Rosecroft, and also at Laurel. He will be in the sulky behind some five different stables, including many from the Eastern Shore.

M. J. Duer of Exmore, Va. has an outstanding stable of horses, with Billy Myer, one of the five Myer brothers of Harrington, doing the driving. Bob Browne, Jr. will bring his powerful stable from Laurel, as will Joe Eyer of Thurmont, Md.

In fact the Eastern Shore will be powerfully represented during the meet.

HOOF BEATS

Mr. and Mrs. George Ensten, of Odessa, N. Y. are vacationing here until Aug. 15, after which they will go to Steubenville, O., where Ensten will be racing secretary at Ft. Steuben Raceway at the fall meet beginning Sept. 10 and continuing until early October. Ensten has been secretary at the Kent & Sussex Race meet since its inception four years ago.

Rena Grattan broke the track record at Laurel Friday night with a mark of 2:04.4. This steed also holds the track record at the Kent & Sussex Raceway here, 2:05.3, with Joe Hylian driving.

Incidentally, Hylian's stable will be represented at the Kent & Sussex Fair, harness racing for which starts Tues., July 26. His stable will include Shamrock Pat, Shamrock Thoughts, Blue Steel, Miss Belle Counsel, and Vendome, among others, with several horses for Marty Burke, of Troy, N. Y. The Burke entries will include Mr. Peter Mite and Bucksfoot B, horses that did well at Rosecroft and Laurel.

We received a special edition of The Horseman this week. It was an excellent printing job. It is gratifying to notice that The Horseman has been giving more play to eastern tracks this past week. What with new tracks mushrooming here in the East, The Horsemen could no longer ignore us.

Rena Grattan holds the record for the one-mile pace at Laurel with 2:04.2. The trotting record for one mile at the track is held by Tompkins Hanover, with a 2:05.4 mark. Both horses are entered at the harness races to be held during the Kent & Sussex Fair here next week.

Ten leading drivers at Laurel Raceway, as of Monday are headed by Joe Hylian, with 13 wins, 5 seconds, and 4 thirds, for a total of 84 points. Each win is counted 5 points, second 3, and third 1. Hylian, a prominent driver here during the spring meet of the Kent & Sussex Racing Association and leading driver at Rosecroft, has a number of horses entered to race here next week. These include Rena Grattan, Tompkins Hanover, Bucksfoot B, and Blue Steel. Marks of other drivers are: A. Myer, 9 firsts, 4 seconds, and 8 thirds for a total of 65 points; T. Lewis, 7, 2, 6; E. Myer, 5, 3, 3; M. Haubard, 4, 1, 4; and W. Myer, 3, 1, 9.
