

Harrington School District Issues Prospectus; Prepares For Referendum

Declares Present Physical Facilities Obsolete and No Longer Able To Fill Modern Needs With Facility

The following prospectus is issued by the School Board of the Harrington School District. It is a thorough research, right up to the minute, and merits the attention of everyone in the district.

REVIEW OF PRESENT BUILDING NEEDS

The Harrington Special School District Board of Education has and is making a sincere effort to keep abreast with the better schools of the state with a minimum of physical facilities now available.

The present physical facilities are obsolete from many points of school offerings and no longer can fill modern needs with facility. We are, therefore, seeking and asking your aid to remedy these conditions through a program of modernization.

THE HIGH SCHOOL UNIT is housed in a relatively modern building which has now been in use for twenty years. It is well constructed, yet lacks many essentials such as showers, locker rooms, music room, adequate library space, library workroom, suitable quarters for the nurse, sufficient office room—public office, office workroom, private office.

A CAFETERIA is also sorely needed. Our cafeteria is a home-made affair housed in the old elementary school boiler-room.

HEATING AND VENTILATION are poor. OUR COMMERCIAL DEPARTMENT is housed in a regular classroom which is too crowded with the commercial equipment and cannot be adjusted satisfactorily to the needs of the department.

THE GYMNASIUM is of a minimum-sized playing floor and has no facilities for spectators. As an auditorium it will seat 300 to 400 comfortably on chairs.

the bonds are retired in twenty-five years a payment of \$8425 on the principal would be required annually and the tax rate would be .0031 or .31 on each \$100 of the assessed valuation.

We have 2502 polls and an assessed valuation of \$4,212,487.64 which is an average property assessment of \$1683.65 per poll. For the sake of comparison let us take our present tax of .0015 on the average above or \$1683.65 and we find a tax of \$2.53 due. This same property at .0036, the rate required to retire the bonds in their clothes.

6. There is no SOUND-CONDITIONED MUSIC ROOM. We are, however, temporarily meeting this condition by moving the music classes and band into an old building adjacent to the elementary school.

7. THE NURSE'S QUARTERS AND INFIRMARY are located next to a small room used for instrumental instruction to date. This room is a reconitioned cloak-room.

8. THE DEMANDS made upon our GYMNASIUM-AUDITORIUM by both grade and high school teachers for declamatory and rehearsal purposes make a separate auditorium necessary.

9. THE DEMANDS OF OUR PUBLIC, the Legion, etc., for the use of the GYMNASIUM AND AUDITORIUM facilities doubles our problem.

10. WE HAVE NO FACILITIES FOR TEACHERS' USE—no rest rooms or lounges for teachers.

11. WE HAVE NO FACILITIES TO INCORPORATE GUIDANCE in our system—no office or conference room.

12. WE HAVE NO ROOM ADAPTED TO ART INSTRUCTION. We use a basement room in the old elementary building for art instruction.

13. NO STORAGE ROOMS for janitors, cafeteria or general school supplies, other than the basement or cellar, rooms of the old elementary building. This, in the past, has been knee-deep in water during heavy rains. We have alleviated this condition in part by being permitted to connect drainage lines to the town's sanitary sewer system. The same becomes very damp during the summer and materials mildew.

14. WE MIGHT add, in closing, that we HAVE ACQUIRED AN ADJOINING FARM of about seventeen acres for future expansion.

Harrington Special School District, Harrington, Delaware, September 7, 1949.

LEGAL LIMITS AND ABILITY TO DO

The Legislation relating to our school building program, Senate Bill No. 74 specifies the following: The contribution by the State of Delaware toward the Harrington Building Program to construct twelve grade rooms and a cafeteria is \$242,060 if and when the Harrington Special School raises and matches the same with \$394,940.

Under the present Statutes or Laws existing this amount of the \$394,940 cannot be legally raised by property taxes by the Harrington Special School District because it is a relatively poor district. The District's assessed valuation is only \$4,212,487.64. The laws of the State of Delaware allow that 5% of the assessed real and personal property may be voted or pledged in a bond issue. This would give the District the privilege of a referendum to vote \$210,624.38.

Our problem then is to offer to our public the privilege of a referendum to do what is in their power to meet the local school needs. If we go all out, we can barely meet the needs of the elementary school. However, there is always the chance that when we have done all that is in our power to do, other means to complete our project may be found. If we do not go all out there is a possibility that with restricting in the offering that our district could become a part of and subordinate to a neighboring district and subject to their taxes and policies.

THE PROBLEM OF RETIRING BONDS VOTED THE BONDS OF the following schools as recorded by the School Board Journal of September 1949 were sold to bring interest rates as follows: Great Bend, Kansas, 02375; Elmira, N. Y., .041; Wall Township, N. J., .025; Simsbury, Conn., .016; Brownfield, Texas, .0214; Independence, Mo., .01579; West Baton Rouge, La., .02671; Jefferson Davis Parish, La., .02411; Columbia, Mo., .0175.

Rev. Tawes Talks To Century Club

Despite the inclement weather on Tuesday afternoon, a good representation of the Harrington New Century Club membership assembled to hear a splendid address on "American Citizenship" by Rev. Roy L. Tawes, pastor of the Avenue Methodist Church of Milford. The address was preceded by a vocal solo, "This is my country" by Rev. J. Harry Wright, pastor of Asbury Methodist Church of Harrington. Mr. Wright introduced the guest speaker.

The president of the club, Mrs. L. H. Rogers, gave a very interesting report of the recent meeting of the executive board of the Delaware State Federation of Women's Clubs. An appeal was made to all the clubs of the State for donations to the Gov. Bacon Health Center to purchase films for study and research. The club responded to this appeal with a donation of five dollars.

On November 1, the club will be guests of the duPont Nylon Manufacturing Company at Seaford for a tour of the plant. All members desiring to make the trip will please communicate with Mrs. A. C. Ford, who is chairman of arrangements.

Lemmel Addresses Greenwood P.-T. A.

The Greenwood Parent-Teachers Association met Monday at the school. The meeting was called to order by the president, Dennis Christine, and opened by a prayer by the Rev. J. E. Layton. This was followed by the audience singing three songs led by Miss Dorothy Short and accompanied at the piano by Mrs. Kathryn Copple and Phillip Taylor on the trombone. Mr. Taylor then played a trombone solo, "Stars in a Velvety Sky."

The speaker was Charles Lemmel of Dover, who gave an interesting and informational talk on "Driver Education." Forty-one persons paid their dues for the present year. Our next meeting will be Nov. 21, when the speaker will be Col. Edmund Bullis. The speaker in December will be the Rev. David Baker of Milford.

The P.-T. A. still needs volunteer drivers to take children to the speech clinic in Milford. Call Mrs. Wm. Carlisle Jr. 7742 for information.

Visit your school during American Education Week, Nov. 6-12.

Ellendale

The community was saddened and shocked on Tuesday morning at news of the sudden death, on Monday evening, of Mrs. Lottie Case Wilson, wife of Harvey Wilson, of near Ellendale. Mrs. Wilson, who was 46 years of age, had been in failing health for quite some time. However, in spite of her own ill health, she was always willing and ready to render services as she could to the sick. The kind, cheerful and friendly personality she possessed before ill health came, will be greatly missed by her many friends in the community, and in her home.

The sympathy of the community goes out to her husband, her mother, sisters, and brothers, in their loss, and the sudden heart-breaking tragedy which saddened the community here on Tuesday.

Mr. and Mrs. Willis Sparklin, of Chester, Pa., and Mr. and Mrs. Chester Brittingham, of Nassau were Sunday guests of the Frank Vadakin family.

Charles Messick returned home Friday afternoon after being a patient in the Kent General Hospital, in Dover.

Mrs. Anna Ellingsworth and her infant son, who have both been patients in the Milford Memorial Hospital are recuperating at the home of relatives near Bridgeville.

Mrs. Hazel Ellingsworth has returned to her home in Ellendale following an operation on her arm in the Delaware Hospital in Wilmington.

Sympathy is extended to Mrs. Charles Millman in the loss of her father, Mr. Fred Hammond.

Mrs. Joseph Short and daughter, Millie, entertained relatives on Sunday.

Mr. and Mrs. Arthur Jones and two children, motored to Wilmington on Saturday.

Short's Music Hits The Records

Those attending the Kent and Sussex fair this year remember the beautiful music that was rendered by the Joe Basie band each afternoon and evening and also the performance on the stage by the roxyettes the high trapeze act and in this act the music required had to be of the soft type and the band picked a number for which the lyrics were written by one of our local men. This number was a waltz entitled "You Gave Me A Rose," by Samuel A. Short, Jr.

Sam informs us he is negotiating with Capitol Records of Hollywood, and is hoping he will be able to have this number recorded on a Capitol Record soon, if this happens it is sure to be a winner as it is beautifully written. The music is by Jack Hanover writer of the song hit a few years ago, "When You Wore A Tulip and I Wore A Big Red Rose".

This number has already made a hit in this locale with the many radio fans of WDOV, and the Basie band is using it in its travels of fairs and concerts this year.

Now Sam has come up with another set of lyrics. This time on a Cozy Record, Music by Paul H. Johnson and Charles S. Buck. The title of this one is "If The Moon Should Tell". It is to be recorded on a Wrightman Record of Hollywood soon.

This record has gained a lot of recognition already over WDOV and can be heard over WBOC, WDEL, WJSR, WCMD and in juke boxes. Anyone who wants to hear this number may do so by dropping a one cent post card requesting it to be played over any of the above radio stations. It can be heard also at the Sport Shop in Harrington.

Sam is working on other lyrics and he believes that some day he will have enough on record for any radio program. Let's all of us pull for him and help him get his numbers across and to the top of possible by requesting his numbers every time we have the chance to do so.

One radio disc jockey reports his fans like the title and are really listening.

One says his fans like the number and says please play "If The Moon Should Tell." I like it because it does not have so much mushy and love sick words in it as some songs do.

One fan says upon hearing the title "If The Moon Should Tell" on me, I would never get to go home again."

Others say it's a good number, sung well by Rita Flory and well recorded on the Cozy Record.

Students Make Suggestions For Youth Center

The regular monthly meeting of the Business and Professional Women's Club was held Monday evening at the Wonder Bar.

The President, Blanche Cahall presided.

Mrs. Mildred Minner, chairman of Public Affairs and chairman for the evening introduced the guests from the Student Council: Constance Knotts, Joyce O'Neal and Robert Shultie. These students gave many helpful suggestions for consideration, toward the new Recreation Center for the Youth of Harrington.

A committee consisting of Eileen Black chairman, Wilma McClain, Jeanette Potter and Wanda Quillen was appointed to survey the building to be used for the Youth project.

Harness Meet Here Extended Five Days

The Kent and Sussex race meet will end Saturday night, Oct. 29, following an extension of five days granted last week by the Delaware Harness Racing Commission. Since the races were rained out Tuesday night, the net gain will be only four nights.

Table with 2 columns: Race Name, Amount. Includes First Race, Second Race, etc.

A "RIDE" ON THE FERRY

For twenty years the powerful lobbies of the Wilson Line, the Pennsylvania Railroad and the Delaware-New Jersey Ferry Company successfully discouraged the building of the Delaware Memorial Bridge.

Through methods it would be libelous to describe in print, these organizations thwarted every civic and legislative attempt to create the artery that will now at last mean so much to the development of this area, while threatening the comfort of the poor Pennsylvania Railroad and its corporate relatives.

Now that the bridge has become a reality by the acknowledged "suffrage" of one of these interests, the ferry company wants the State to pay the fantastic sum of seven million dollars for its assets and non-existent franchise.

This was evidenced by a story in Monday's Journal Evening which indicated the State Legislature in 1951 would be asked to provide a bond issue for this purpose. The story didn't just happen; it was a trial balloon.

We were delighted to see Mr. J. Gordon Smith, Chairman of the State Highway Commission take the air out of the balloon. Mr. Smith revealed that some 24 months ago the State wanted to buy the ferry company. That was because the bill, which the company graciously allowed the State legislature to pass, not only provided for the bridge, but stipulated that the ferry be purchased. What the company lobbyists forgot to stipulate was when, and for how much, it would be purchased.

Mr. Smith said that when negotiations were started last time, the Delaware-New Jersey Company demanded \$7,000,000, a price, Mr. Smith said, "was considered so ridiculously high as to be unworthy of further consideration by the Highway Department."

We understood that the Highway Department, then directed by Mr. Frank V. DuPont, was willing to pay about half the \$7,000,000. If the deal had gone through on the basis, the State could probably have amortized the acquisition cost by the time the bridge opened. The Penn-New Castle Ferry, according to a company spokesman, made nearly one million dollars last year, of which it had to pay \$362,000 to the federal government. Had the State of Delaware taken the ferry over, it would not have had to pay the federal tax, and the cool million would have been profit.

Now after two years of these juicy profits, the Wilson Line (parent company of the Penn-New Castle ferry which we understand is also a stepchild of the Pennsylvania Railroad) still wants the seven million.

Monday's story in the Journal Evening, of course, might have merely been a boner. We don't think so, because those people don't make those kind of mistakes. Or it might have been a maneuver to unload some of the ferry stock on a greedy and unsuspecting public. Or, it may be the lobby's first step in a campaign to prepare public opinion for the 1951 legislature when the company will try to get approval of the seven million dollars bond issue to buy a company that will soon be as obsolete as a muzzle-loader.

Mr. Smith's forthright denunciation of the proposed Wilson Line plum, we hope, will cause it to become a prune. We vigorously oppose arbitrary State acts against private capital. We do not think the State has the right to put private companies out of business, and if it does, it should pay a fair sum. But the Penn-New Castle ferry, which never got permission to operate, and holds no franchise, long ago paid for itself. And, if preventing the construction of the Memorial Bridge for so many years, the ferry-railroad-steamship lobbyists committed a grave disservice to their nation.—(Wilmington) Sunday Star.

SINGULAR FEATURES

We wonder sometimes if our readers are aware of the unusual features presented in The Harrington Journal? Some of these items can be profitable to certain commercial quite commonplace in the rural press of the midwest. Some of these features can be profitable to certain commercial interests.

The unusual features are:

The Journal is the only weekly carrying marriage licenses for Kent County. We also print marriage licenses from Caroline County, Md., because some Delawareans go there. Salesmen of household furnishings, homes insurance, etc., should be interested in this news.

The Journal is the only paper carrying news of births from BOTH Kent General and Milford Memorial Hospitals. This intelligence should interest insurance salesmen and purveyors of clothes, toys, and children's furniture.

The Journal is the only newspaper carrying Kent County property transfers. This information is especially valuable to commercial interests when it relates to building lots. Such interests likely to be interested are insurance salesmen, contractors, builders, and salesmen of building materials. We have noticed, at various times, that shortly after we carried news of the transfer of a lot, that a structure was being erected on it. Salesmen of heating and plumbing material, coal, and fuel oil should also be interested. And, what about furniture salesmen?

We believe that almost any of the above salesmen in Kent and Sussex counties, and, to some extent, in adjoining Maryland counties, are LOSING money when they do not subscribe to The Harrington Journal and follow the tips in it. Salesmen sometimes stumble over molehills.

We have some other singular features in The Journal. This is the only weekly, excepting possibly a Wilmington paper, that has a railroad column. This is written by Cliff Miller, in charge of maintenance and ways of the Pennsylvania railroad.

The Harrington Journal is the ONLY newspaper in Delaware carrying a weekly column on harness racing.

This is the only newspaper in Delaware carrying information weekly on prices of farm products sold on the Dover market. What are your hogs and cattle worth?

We print another column, "Potter's Field", that is receiving a good reception. Sometimes the editor finds it a little difficult to understand, but the readers say they enjoy it and that is the main thing.

The Journal also carries correspondence from 23 communities in Kent and Sussex counties and in Caroline county, Md. Aside from one other Delaware weekly, we are tops in this field. Last week we printed 21 letters from our correspondents.

Our average newspaper runs eight pages per week, eight columns per page. This is a total of 3328 columns or 73,216 inches of editorial and advertising material per year for a cost only \$2. Can you beat this for a bargain? Can you sincerely afford to do without it?

POTTER'S FIELD

Of those, who read this column, we ask a favor. Please read the report on the Harrington Special School District beginning on page one of this paper before you go any further into this column, then come back and read the rest.

Now, if you have read as we asked, we will continue.

Kahlil Gibran stated, in his book "The Prophet", "You are the bows from which your children, as living arrows, are sent forth."

A week ago, a copy of report, we asked you to read, fell into our hands. We were ashamed.

We were ashamed of ourselves and ashamed of you, because we suddenly realized that the school that our child is going to is in worse shape than it was when we were in the first grade in the same building, and it was bad enough then.

I can hear some of you readers now. You are saying, "When I was a boy, (or girl) I walked two, four, six (whatever you imagined it to be) miles to school, through snow drifts, so high, (now don't exaggerate those drifts), had a cold baked sweet potato, a bologna sandwich and an apple, for lunch and then walked back through those drifts home, in time to do the chores."

"Nuts!"

The children of today are living in a much faster developing world, (we would like to use the word, civilization, but we can hardly call it that anymore), than you grew up in.

You older people always say, "Now when I was young blah, blah, blah;" but a kid will say, with shining eyes, "When I grow up, I'm going to be, 'a doctor', 'a nurse', 'a lawyer', 'a teacher', or anyone of the thousands of fields open to children.

What would you like to be if you had your life to live over?

What ambitions did you have as a child?

Your child has (or could have) more opportunities than you had. It's up to you. If you read the report, there is no need for us to go into details as to why you should vote 'yes' in the coming referendum.

Vote for, not against your child's future. If you are not a parent vote 'yes' anyway. If you can gamble on the races, you can gamble on a kid's chance of making good. The payoff is much greater, than all the money you could ever win.

Afterthought: We notice in the editorial that the editor sometimes has trouble understanding us. We can't help it if what we write is sometimes over his head.

Letter to the Editor

I wish to compliment the writer or article "Potter's Field" in October 14th Harrington Journal. I feel quite sure, those who took time to read it, will quite thoroughly agree with the writer.

I would like to inquire, if the men folk of Harrington, are not just as vicious in their remarks, as the women folk?

Surely the line up of men, day and night around town, do not discuss the latest styles in mens clothing.

How nice it would be if these gossip mongers would keep the dirt swept from their own door steps.

PUBLIC NOTICE of SPECIAL ELECTION MILFORD SPECIAL SCHOOL DISTRICT

SATURDAY, NOVEMBER 5, 1949 BETWEEN 1 AND 8 O'CLOCK P. M.

THE HIGH SCHOOL BUILDING At a regular meeting of the Board of Education of Milford Special School District, located partly in Sussex County and partly in Kent County, Delaware, held on the 27th day of September, 1949, the following resolution was adopted, calling for a Special Election of all qualified voters of Milford Special School District, aforesaid:

A RESOLUTION PROVIDING FOR A SPECIAL ELECTION OF ALL QUALIFIED VOTERS OF MILFORD SPECIAL SCHOOL DISTRICT (LOCATED PARTLY IN SUSSEX COUNTY AND PARTLY IN KENT COUNTY, DELAWARE) TO VOTE FOR OR AGAINST A PROPOSED ISSUE OF BONDS AND FOR THE GIVING OF NOTICE THEREOF.

WHEREAS by appropriate resolution heretofore adopted by the Board of Education of Milford Special School District, aforesaid, and approved by the State Board of Education, a revised and enlarged building program for school buildings and improvements has been agreed upon and approved by the reviewing board consisting of the Governor, Secretary of State and the President of the State Board of Education, and

WHEREAS said revised and enlarged building program for school buildings and improvements for Milford Special School District is as follows: (a) That there be erected and properly and adequately equipped in addition to the Lake Avenue building consisting of twenty elementary classrooms to be used for grades one to six.

(b) That there be erected an agricultural farm shop consisting of a classroom and shop work room. This building to be erected by the students as an educational project under the supervision of the vocational agriculture teacher and the building architect.

(c) That there be erected a dual gymnasium-auditorium for the high school. Erection of this addition to be deferred until emergency building in the State has been cleared.

WHEREAS the reviewing board has tentatively approved this building and improvement program aforesaid and has notified the Milford Board of Education of Milford Special School District that the probable cost of such improvement by estimation is the sum of \$610,000, and that the amount of money that

Milford Special will be expected to contribute toward the cost thereof is the sum of \$230,000.

NOW THEREFORE BE IT RESOLVED by the Board of Education of Milford Special School District aforesaid as follows:

Section 1. That a Special Election shall be held in the High School Building of Milford Special School District located on Lake Avenue in the City of Milford, Sussex County, State of Delaware, on Saturday, November 5, 1949 A. D., between the hours of 1:00 o'clock P. M. and 8:00 o'clock P. M.

Section 2. That the purpose of such Special Election shall be to vote For or Against a proposed bond issue of bonds on the credit of Milford Special School District, aforesaid, in the amount of \$230,000, and the purposes and reasons therefor shall be to use the proceeds derived from the sale thereof as Milford Special School District's contribution toward the cost of carrying out the State's building improvement program.

Section 3. That provision for payment of said bonds shall be provided by a tax of (15) cents per \$100.00. One hundred dollars on the assessed valuation of the real estate of Milford Special School District and an increase of (\$2.00) two dollars capitation tax applicable to all legal residents of Milford Special School District. Tax provision to be reduced as the bonded indebtedness is reduced.

Section 4. That at said Special Election sufficient ballots shall be provided upon which shall be written or printed the words "For the Bond Issue" and an equal number of ballots upon which shall be printed the words "Against the Bond Issue" and each voter shall be entitled to receive both ballots, one of which the voter may deposit as his or her ballot.

Section 5. That notice of such Special Election shall be given by the Secretary of the Board of Education of Milford Special School District aforesaid, causing a true and exact copy of this resolution to be published in the Milford Chronicle and the Sussex Journal. The index and the Harrington Journal, two newspapers in each of Kent and Sussex counties respectively, at least once a week for at least two weeks before the day of said Election, and a true and exact copy hereof shall be posted on the door of the voting place, aforesaid, where such Election is to be held.

Section 6. This notice and call to Election is issued this 27th day of September, 1949, in compliance with the provisions of Section 53 of an Act entitled "An Act to provide for the establishment and maintenance of a general and efficient system of Free Public Schools" approved March 21, 1921, as amended.

Ramon C. Cobbs, Secretary 21 exp. 10-28-49.

DOVER LIVESTOCK PRICES — Vealers — Top price for choice vealers was \$32.50 with the bulk of sales at \$30.50. Medium to good calves from 26 to 28.50. Common and rough animals sold from 21.25 to 25. Mostly 12.75. Monday range from 13 to 19.25, mostly at the 18 dollar figure.

Steers — A few steers under 1,000 lbs. were traded and bought from 18.50 to 20.00 with most sales at the inside figure. No heavy steers were offered.

Heifers — Dairy type feeder heifers 15 to 19 with bulk of sales at the lower quotation. Beef type heifers ranged from 91 to 26.50. Butcher heifers 16.00 to 20, mostly 17.25. Common and rough animals from 11.50 to 14.20.

Cows — A fair volume of medium quality cows were sold at 15.75 with the extreme range of 14.50 to 17.50. Poor cows went as low as 13. Prices of light weight cows ranged from 13.10 to 15.50. Canners and cutters 9.10 to 12.90.

Bulls — Good quality heavy animals 16.70 to 19.00, mostly at 17.40. Choice quality bulls 500 to 1,000 lbs. 15 to 17.80, mostly at 16. Hogs — Straight hogs 120 to 170 lbs. 17.50 to 18. 170 to 240 lbs. 18 to 19. 240 to 350 lbs. 17.25 to 18.50, mostly 18. Sows 200 to 300 lbs. 15.75 to 16. 300 to 400 lbs. 12.25 to 16, mostly 15, over 400 lbs. 13.50 to 15, mostly 14.50. Boars under 300 lbs. of good quality 10.75 to 15, mostly 12.50, boars over 350 lbs. 7.50 to 9.50. Choice shots 15.75 to 20.25 with bulk at 18.50. Poor to medium shots 8.50 to 11.50. 4 to 12 weeks old feeder pigs 2.75 to 10.50, mostly good quality pigs at 6 to 7.

Horses and Mules — Work type 42 to 50 each, butcher type 22 to 39 each.

Live Poultry and Rabbits — Heavy breeds of fowl 1.90 to 1.45, mostly 1.40 each. Old roosters 1.05 to 1.25. Muscovy ducks 75¢ to 1.20 each. Muscovy drakes 1.40 to 1.60 each. 70m Turkeys 5.50 each. Hen turkeys 5.25 each. Large rabbits 80¢ to 1.35 each, small 65¢.

Produce — (All prices based on 5¢ baskets unless otherwise noted.) Onions 55¢ to 80¢. Lima beans 1.10 to 1.50. Tomatoes 35¢ to 60¢. Peppers 35¢ to 80¢. White potatoes, ungraded 80¢ to 95¢. Apples 65¢ to 90¢. Pop corn 50¢ to 1.00. Sweet potatoes 50¢ to 80¢. Cabbage 1.90 to 1.25 per bushel. Pumpkins 11¢ each. The market opened steady on Monday, October 3. Demand was slow due to Hebrew holidays. Trading was rather light with prices ranging on the farm from 24 to 25 1/2¢. By Tuesday a moderate demand for fancy broilers and fryers was noticeable. Some producers with heavier bids were asking for bids and receipts were slightly heavier. For chickens up to four pounds. By mid-week, demand was good

Receipts were relatively heavy as prices advanced as far as 27¢. On Thursday, farm offerings were liberal and trading was active under a one-half cent increase. Trading tapered off on Friday as usual, but a few sales were reported as high as 28¢. An interesting note carried in the New York dressed poultry report was to the effect that price increases were due largely to temporary short supplies and not increased consumer demand.

U. S. corn crop, estimated at 3.5 billion bushels, is expected to be exceeded only by last year's all-time high of 3.7 billion bushels. The 10-year average has been 2.8 billion.

Corn Husking — Under normal conditions mature ear corn is husked and cribbed at a moisture content of 18 to 25 per cent.

UNIVERSITY OF DELAWARE DRAMATIC CLINIC AT BRIDGEVILLE, OCTOBER 24

Teachers and students in dramatics at all schools in Kent and Sussex Counties have been invited to a drama clinic at Bridgeville on Monday, Oct. 24. The clinic is arranged by the Dramatic Center of the University of Delaware.

Held at Bridgeville High School, the meeting will continue from 4 to 10 p. m. Dr. C. R. Kase, dramatics director at the university, said the clinic will seek to assist teachers and students on specific problems of producing plays. Information will be exchanged between schools, and consultation will be available with theatre staff members of the university and with schools.

experienced high school directors. Problems of the Delaware Play Festival, in which all schools of the state are invited to participate will be discussed.

Specific topics likely to be discussed, Dr. Kase said, include play selection, organization of staff and club, publicity, rehearsal times, royalties, finances, lighting, makeup, costumes, etc.

Teachers and others responsible for dramatic productions in the schools are particularly invited, said Dr. Kase, as well as upper-class students active in dramatics.

Another clinic will be arranged for Nov. 8 for New Castle County schools.

Social Security Queries Answered

Questions relating to Federal Old-Age and Survivors Insurance will be answered in this paper or by mail. Address all queries to Social Security Administration, Old Customs House Building, 6th & King Streets, Wilmington, Del.
Q. I will be 65 on March 19, 1951. I was employed in a job covered by social security from February 1941 until October 1948. I am no longer working. Will I be entitled to benefits at age 65?
A. A person who will reach 65 in March 1951 needs 28 "quarters of coverage." It appears you have that number if you were paid at least \$50 in each of the calendar quarters elapsing in the period of your employment. You will receive benefits if you file an application upon reaching age 65.

Q. I formerly worked in employment covered by the Social Security Act. I now own a candy store and would like to continue paying towards my social security. Is it possible for me to make both the employer and employee payments so that I may continue to be covered by the program?
A. There is no provision in the law which permits voluntary contributions for old-age and survivors insurance.

Q. In your answers to Social Security Questions, you often refer to a "fully insured" individual. When is an individual "fully insured?"
A. A wage earner is "fully insured" if he has been paid \$50 or more in a job covered by Social Security in at least half the number of calendar quarters between January 1, 1937 and the quarter in which becomes 65 or dies. In no case can a worker become fully insured unless he has been paid \$50 in each of at least six calendar quarters. Once a worker has acquired 40 of these \$50 quarters (called "quarters of coverage") he is "fully insured" for life.

Once a worker has acquired 40 of these \$50 quarters (called "quarters of coverage") he is "fully insured" for life.

Q. In your answers to Social Security Questions, you often refer to a "fully insured" individual. When is an individual "fully insured?"
A. A wage earner is "fully insured" if he has been paid \$50 or more in a job covered by Social Security in at least half the number of calendar quarters between January 1, 1937 and the quarter in which becomes 65 or dies. In no case can a worker become fully insured unless he has been paid \$50 in each of at least six calendar quarters. Once a worker has acquired 40 of these \$50 quarters (called "quarters of coverage") he is "fully insured" for life.

Four general scholarships are being provided also by the Sears Roebuck agricultural foundation.
Persons interested in applying for any of these scholarships are asked to write to W. C. Skoglund, Agricultural Short Course Director, University of Delaware, Newark, Delaware.

MRS. GRIFFITH TO SPEAK AT ACHIEVEMENT DAY

"Getting Along With Others", will be the topic of Mrs. Nell H. Griffith, Ass't. Professor of Home Economics, who has been selected as the guest speaker for the Annual Home Demonstration Club Achievement Day program in Sussex County. Mrs. Griffith is Ass't. Professor of Home Management at the University of Delaware. She was instructor of home economics and supervisor of home management at Penn State before coming to the University of Delaware.

Mrs. Zera B. Richards, Woodside, who is Health Chairman for the State Home Demonstration Council, will speak on the Health program conducted by Home Demonstration Clubs. Mrs. Richards has helped in planning programs which have been of vital interest to all homemakers.
Another speaker on the program will include Miss Louise Whitcomb, Home Management Specialist, Extension Service, University of Delaware, who will report on the safety program conducted in the state this year. Posters emphasizing "safety" will be on display in the hall during the day.

Reports of work done by clubs throughout the year will be given during the morning session. Mrs. J. E. Wheatley, State Home Demonstration Council President, and also the President of the Columbia Home Demonstration Club, will appear on the program. She will tell about the National Home Demonstration Council meeting, held at Colorado Springs, Col., Oct. 3-7.

According to Maybelle Ligon, Sussex County Home Demonstration Agent, plans for the Achievement Day will include exhibits of tailored garments, chairs reupholstered, articles, slip covers, and metal work. All club members who have participated in the above work should plan to exhibit such articles.

Mrs. Earl White, Bridgeville, President of the Sussex County Home Demonstration Council, will preside at the program, which marks the twenty-first annual Achievement Day to be held by the clubs in the county. The meeting will be held at the Jones Memorial Hall, Georgetown, beginning at 10:00 a. m.

Lincoln

(Last Week)
Mrs. Erasmus Wilson and daughter, Edna, spent two days visiting Mrs. Wilson's sister, Miss Sue A. Booz, who is critically ill at the home of her sister, at Richardson Park.

Mrs. Stella Carey while visiting her daughter, Mrs. Myrtle Tatman and family, of Harrington, was given a surprise birthday party by her children. Those present were: Mr. and Mrs. Archie Carey and family, Mr. and Mrs. Richard Carey and family, of Lincoln; and Mr. and Mrs. Robert Hughes and daughter, Louise Peterson, of Dover. Ice cream and cake were served and everyone had a good time.

The Beardsley reunion was held at the home of Miss Ethel Beardsley on Sunday.
Richard Clendaniel has returned home after spending several weeks buying tomatoes in New Jersey.

Frank Clendaniel Jr. left on Sunday for his home in Arizona after spending the summer with his parents, Mr. and Mrs. Frank Clendaniel, Sr. and family.

Mrs. Irma Beebe is confined to her home after having been in an automobile accident while enroute to the home of her daughter on Sunday.

Mr. and Mrs. Douglas Morgan and children, were the dinner guests of Mrs. Morgan's parents, Mr. and Mrs. Raymond Tucker, of Ellendale, on Sunday.

Mrs. Mattie Greenly, the Lincoln Postmistress is spending her vacation with her daughters in Philadelphia.

Mr. and Mrs. Henry Lofland and two daughters, Janet Lee and Claudia, and Mr. and Mrs. James Cabbage and two children, Jerry and Joe, of Harrington, spent Sunday in Baltimore.

PRODUCTION AND MARKETING ADMINISTRATION

All farmers who are participating in current programs of the Kent County Production and Marketing Administration are urged to attend a meeting to be held in their respective districts on Tuesday evening, October 25th, at 8 o'clock.

The purpose of this meeting is to nominate members of the Community Committee and a delegate to the county convention.

They will select at least ten farmers from each district, five of these will be elected as committeemen, two as delegates and alternate, at the election to be held on November 8th.

PREMIUM LIST ANNOUNCED FOR CALF SHOW

The premium list for the Sussex County Calf Show, which will be held at the Experimental Substation farm near Georgetown Friday, October 28, has just been announced by Raymond M. Lank, President of the Sussex Unit of the Delaware Artificial Breeders' Cooperative, Inc.

There will be two divisions in the show, one for purebreds and one for grade animals. In each division there will be classes for the Jersey, Guernsey and Holstein breeds. These classes will be divided into two sections, according to age. One division will include calves four to eight months of age and the other division will include all calves over eight months.

In addition to the above classes, there will be one special class for the best three heifers, any age, exhibited by any one owner.

Cash prizes of \$3.00, \$2.00 and \$1.00 will be awarded to the top three individuals in each class.

The purpose of the show, according to Mr. Lank, is to demonstrate the results, to-date, of the Artificial Breeding Program in this county.

All dairymen planning to enter any calves in the show should mail in their entry blanks not later than October 20th to the County Agent's Office, Georgetown.

In issuing an invitation to all dairymen, as well as others interested in the welfare of the dairy industry to be present at the show, Mr. Lank stressed the fact that this program of herd improvement has a direct bearing on the welfare of every citizen of the county and therefore merits the support of everyone.

DAIRY HERD IMPROVEMENT ASSOCIATION SUMMARY

REPORTS GOOD YEAR

A summary of the Dairy Herd Improvement Association in Delaware for the year 1948-49 showed that 82 herds completed test in four active associations in the state. There was a total of 1,928 cows on test during the year. The average number of cows per herd numbered 24. An average length of dry period was 62 days.

Delmar Young, extension dairy specialist at the University of Delaware, who compiled the summary states that average milk production per cow was 8,153 pounds of milk, 4.2 per cent butterfat, and a total average butterfat production per cow of 341 pounds of fat.

The average feed consumed by cows on test in Delaware D. H. I. A. herds was 4,038 pounds of silage, 2,771 pounds of hay, 2,912 pounds of grain, and 202 days pasture. The feed cost data showed that in the state as a whole the cost of grain represented 58 per cent of the total feed cost, while the cost of pasture, silage, and hay represented 42 per cent.

The leading association was New Castle No. 1, 1 cated in the upper part of the state, having 512 cows on test that averaged 7,797 pounds of milk and 367 pounds of fat. The five high herds completing the year, throughout the state, were W. Lewis Phipps Centerville, with 34 cows that averaged 12,212 milk and 504 butterfat; L. Robbins Webb, Lincoln, with 14 cows that averaged 10,864 milk and 474 butterfat; Tull Brothers, Seaford, with 48 cows that averaged 12,666 milk and 464 butterfat; B. Brinsfield, Vienna, Md., with 28 cows that averaged 11,941 milk and 458 butterfat; and H. Wallace Cook, R. F. D. 2, Elkton, Md., with 16 cows that averaged 12,409 milk and 449 butterfat.

The number of herds on test during the 1949 year has increased to 95 with the fifth association being formed in the early spring. This is the highest number of herds that has been on test in Delaware.

SUSSEX DAIRY HERD IMPROVEMENT ASSOCIATION TO BE EXPANDED

The Sussex County Dairy Herd Improvement Association has just announced that its services will be expanded to take in several new herds during the next two months, according to W. H. Jump, President.

During the past eight months, the association has been operating one full time circuit with 20 herds and one part-time circuit with 12 herds. It is the plan now to put Circuit No. 2 on a full-time basis and Mr. Vincent Yokias has been employed as the supervisor, in charge of this work.

Mr. Jump pointed out that this plan for expansion was in keeping with the purpose of the association, namely, to assist dairymen to increase their efficiency of milk production through the use of individual records on their cows. Mr. Jump went on to add that with the present milk market outlook, it makes this move all the more valuable to our dairymen at this time.

Dairymen interested in joining the association or in further information on this subject are requested to conduct any of the following directors: Arthur C. Tatman, Greenwood; Alden S. Short, Georgetown; Joseph Bailey, Federalburg; J. Dudley Walker, Milton; Earl Jull, Seaford, or the County Agent's Office, Georgetown.

FAMILY LIVING COSTS SUMMARIZED IN NEW CIRCULAR

Miss Louise Whitcomb, extension home management specialist for the University of Delaware, announces that a new circular, "Family Spending in 1948" is ready for distribution.

This circular, a summary of household accounts from 26 rural Delaware families, shows the increase in living comfort made possible by better incomes over a ten-year period. It also analyzes the way that 1948 income was used and the planning that was behind the wise use of family money.

While these account figures are

too few to consider typical of all Delaware family spending, Miss Whitcomb feels the spending habits of these families can be useful to others who keep records, as a comparison of their own living costs, and as a basis for budgeting expenses.

Copies of the circular, Extension Mimeo Circular No. 64 are available, free of cost, from the office of Information, Agricultural Extension Service, Newark, Del.

ACHIEVEMENT DAY PLANNED BY NEGRO 4-H CLUBS

Negro 4-H Clubs in Kent and Sussex counties, will hold an Achievement Fair, Nov. 5, in the Milford Junior High School, announces Mrs. Camille W. Jacobs, home and youth agent.

The program will start at 9:30 a. m., with a general assembly. Featured here are a devotional service, greetings and a skit called, "The 4-H Way", composed by Mrs. Cora N. Selby, local leaders from Ross Point.

The remainder of the program will consist of contests in clothing, handicraft, foods, gardening and poultry. Various clubs will get together to sponsor continuous demonstrations in the above projects.

The committee of local leaders in charge of the program are: Mrs. Gertrude Johnson, Blocksom Club; Mrs. Sarah D. Cook, Trinity Club; Mrs. Mildred W. Henry, White Oak Club; Mr. J. Stanley James, Millsboro Club; Mrs. Irma Reese, Mt. Olive Club; Edward Gibbs, Woodside Club; Mr. Webster Jolley, Greenwood Club; Mrs. Mary T. Adams, Blocksom Club; Mrs. Lola Gibbs, Woodside Club; Mrs. Camille W. Jacobs, and Mrs. Cora N. Selby, Ross Point.

4-H MEMBERS GAIN HONORS IN REGIONAL, NATIONAL EVENTS

Honors in two separate events came to Delaware 4-H Dairy Club members this past week, reports the Delaware Agricultural Extension Service.

David Woodward, Wilmington, showing his 4-H Guernsey heifer, "Princess Conrad" won first place in the junior show of the National Dairy Congress held Oct. 1-3, in Waterloo, Iowa. His animal also placed fourth in the open class.

Woodward's guernsey cow, "Woodie's Rae" placed 12th in the junior show.

Woodward is a member of the White Oak 4-H Club and the F. F.

A chapter of Conrad High School. He has won several previous dairy honors in county 4-H events and at the Kent & Sussex Fair.

From the Eastern Regional Dairy Judging Contest held Oct. 3, at Richmond, Va., came news that the Delaware 4-H dairy judging team placed third in competition

with 16 other teams, missing a second place score by 1-10 of a point. Maryland and Virginia teams were first and second place winners. Members of the Delaware team were: H. Wallace Cook, Jr., Elkton, Md.; Purnal Friedel, Jr., Viola; Clarence Scuse, Smyrna; and Jack Davis, Milford.

It's all yours for less than you think

THIS BUICK SPECIAL 3-PASSENGER COUPE (Model 46) does double duty as a business car and a spacious carrier for the small family.

TEN-STRIKE! Only Buick SPECIAL has all these Features!

- Traffic-Handy Size • More Room for the Money • Dynaflow Drive optional at extra cost • Jet-Line Styling • Non-Locking Bumper-Guard Grilles • High-Pressure Fireball Straight-Eight Engine • Coil Springing all around • Low-Pressure Tires on Safety-Ride Rims • Greater Visibility fore and aft • Self-Locking Luggage Lids • Steady-Riding Torque-Tube Drive • Three Smart Models with Body by Fisher

RUN your eyes over this fresh new beauty. Take in its style-setting non-locking bumper-guard grille, the graceful down-sweep of its fender lines, so unmistakably Buick, and we think you'll agree—

It looks like a lot of money—but the fact is, it's a lot for your money.

Take in those bigger interiors, the sofa-soft seats, the easy control and the high visibility you get from the more-than-generous glass area all around—and you'll beam at the news that this one's priced for really modest budgets, right down near the "lowest-priced three."

Beyond that—put this gorgeous new Buick SPECIAL through its paces.

Sample its valve-in-head straight-eight power—the lively, ever-thrilling kind that comes from a high-compression, high-pressure Fireball engine.

You'll find a ride that's pillow-soft smooth, level and steady. You get ample wheelbase—in shorter bumper-to-bumper length for easy parking, garaging, maneuvering.

You'll find a car that handles light as lace—made even more of a breeze by Dynaflow Drive, available at your option at moderate extra cost.

So why not do a thorough matching-up of price tags, and what they'll buy around town?

In particular, put this straight-eight beauty up against the sixes, feature for

feature, dollar for dollar—and you'll see for yourself there's nothing to touch this Buick as a buy.

Yes, go see your Buick dealer, take in the SPECIAL from every angle—and learn how quickly you can have one for your own.

SEE and HEAR OLSEN and JOHNSON'S FIREBALL FUN-FOR-ALL every Thursday on Television.

Putty Practices

Putty generally is associated in the layman's mind with the glazing of window sash, but to the painter it means a handy material for a variety of jobs—filling nail holes, filling cracks in upright wood surfaces, filling floor cracks, filling rough spots on sanded-off board ends, etc.

Automatic Coal Stoker

Although automatic coal stokers were first developed for industrial use, about 90 per cent of the stokers now sold are for domestic firing.

Safety Light

A safety device to protect parked cars effectively was recently patented. The simple invention consists of a metal ring to which Scotchlite has been cemented. The rings are fitted around headlights and the rear lights of an auto. According to National Patent Council, the driver of an oncoming car sees a vivid reflection from the device as soon as the headlights of his auto fall upon it. In many cases, the new invention will be the only safety warning on a car stalled without power.

DISABLED VETERANS COMPENSATION INCREASED

President Truman last week signed Public Law 339 liberalizing compensation benefits for veterans their dependents and beneficiaries. The compensation increase in basic rates become effective December 1, 1949. In addition the new Law will:

1. Provide additional compensation for veterans with dependents who are rated 50 per cent or more disabled. Heretofore only veterans with dependents who were rated 60 per cent or more disabled were eligible to receive additional compensation.

2. Raise the rate on compensation for World War I veterans with "presumed" service connected disabilities to the rate currently being paid to veterans whose disabilities are determined to be directly service connected.

3. Establishes new progressive compensation ratings for veterans with arrested cases of tuberculosis. It provides for 100 per cent rating for the first two years following the date the disease was arrested. For four years after that the rate is set at 50 per cent. The Law also fixes disability ratings for longer periods and requires a veteran to submit to examination and follow prescribed treatment. Failure to do so may result in his rating being reduced from 100 per cent to 50 per cent for the two years following the arrest of the disease.

4. Increase the death compensation to wartime widows with one or more children.

5. Liberalizes present rules barring payment of compensation for injury or disease incurred (not as a result of own willful misconduct) while under military or civil confinement. It holds such confinement to be "in line of duty" providing a court martial sentence of dishonorable discharge is remitted or in cases of civil confinement the offense does not involve a felony as defined in the jurisdiction where

sentence is imposed.

For all World War II veterans with service connected disabilities and those World War I veterans whose disabilities have been determined by VA to be directly service connected the 8.7 per cent across the board increase which is 10 per cent disabled and comes under either of those two categories will receive an increase in his monthly compensation check from \$13.80 to \$15. Others in those categories whose disabilities range up to the 100 per cent maximum will receive proportionate increases in their checks. Thus such a 100 per cent disabled veteran will get \$150 instead of the \$138 he now receives.

Peacetime rates for service connected disabled veterans are fixed by Law at 80 per cent of wartime rates. They will be automatically increased by the new Law.

POWER

in Industrial Delmarva

for Greater Production — Increased Employment

Under our American system of private enterprise, this country produces more goods per man-hour than any other nation in the world. Vast production that has helped bring us the highest standard of living ever enjoyed by any people at any time.

Today, factories — large and small — everywhere on the Delmarva Peninsula are continuing their rapid development and expansion . . . making greater strides in production . . . requiring an ever-increasing volume of electricity to keep pace with

their progress. Adequate electric power has always been available to meet their every need. An ample supply will continue to be available to meet all requirements—now we are engaged in a \$60 million expansion program . . . increasing our generating facilities, building a new \$26 million power plant . . . extending and expanding transmission and distribution lines and facilities . . . getting ready for all your future needs.

So, rest assured — there will continue to be available from our system, an ample, dependable supply of electricity for farms, homes and stores, as well as industries, throughout the entire Delmarva Peninsula.

LETTER TO THE EDITOR

There are some parts of the water survey which I do not understand. It says, "In making this survey we have had several thoughts in mind, namely: 1. To have an adequate water system for the least of the taxpayers money." What does it mean by "adequate." Does it mean extending water to taxpayers who do not already have it or just to these industries? 2. To take care of the present need. "What does it mean by the present need?" 3. To care of any immediate future need? What's planned for the future? What do they anticipate? The big question, one that will be in everybody's mind—how will this affect the taxpayer? Is there a proposal as to sewerage? I believe the report has put too much emphasis on the benefits of water to industry. Will an improved water system also benefit residents of the town? I am heartily in accord with having a location for a new water tower to get it more in the center of distribution. In the event some mains are replaced with larger ones, could these mains be used in other parts of town? Sincerely yours, Leon Porter

CONTINO SHOW AT NEW MILFORD SUNDAY

Dick Contino, one of America's youngest and most personable entertainers, will bring his entire stage revue with a cast of thirty to the New Milford Theatre for one day only . . . this Sunday, October 23rd. This exceptional attraction comes direct from record-breaking engagements in such cities as Baltimore, Cleveland, Syracuse and Boston, and will be presented in Milford prior to bookings in Philadelphia, Washington, and New York. Contino, the "Rudolph Valentino of the Accordion", is a product of the Philip Morris-Horace Heidt Sunday night radio show. His most memorable day in the entertainment field was when he took top honors on Mr. Heidt's initial broadcast from Fresno, Calif. in December of 1947. He went on to win for, thirteen consecutive weeks with overpowering applause from California to Broadway, which later brought him the coveted award of \$750.00 in the first quarter-finals. Dick became a permanent member with the Horace Heidt organization and later toured theatres and auditoriums from coast to coast. Since his initial appearance on the Heidt show, Dick has gained priceless vaudeville experience and now has become the star of his own show and the idol of many fan clubs throughout the country. The Dick Contino Show is a musical presentation that's new, exciting, different, and acclaimed highly by theatre audiences and newspaper critics. Along with Contino, the show will consist of thirty Horace Heidt-Philip Morris winners, featuring Richard Melari, vocal impressions extraordinary; the Ewing Sister . . . harmony delight; The Mystery Four . . . mysterious melodies; Lu-Anne Simms . . . lovely song stylist; Don McIlvaine . . . comedy at its best; the Hackney Sisters . . . interpretive dancing; and the Dixieland Band . . . the hottest band in town from New Orleans. An extra added attraction will be Johnny Mungall . . . America's most likeable Irish tenor.

Meaning of "Proof" The alcoholic content of many beverages is measured in "proof." "Proof" is roughly about twice the percentage of alcohol by volume. For example, a "90 proof whiskey" is about 45 per cent alcohol.

Church news for Sunday, Oct. 23rd. Sunday school at 10 o'clock a. m. The hour of worship at 11 o'clock. Rev. W. Stanley Grant, pastor. Evening services at 7:30 p. m. These services are being held in the Fire Hall, but we sure do hope the church will be ready for reopening before long. The new annex is almost completed and it is very nice. The W. S. C. S. met on Thursday night of last week at the home of Mrs. Wilbur Jump, with 28 members and a visitor present. There were three new members added to the number. The evening was spent discussing business and making plans. The hostesses, Mrs. Wilbur Jump, Mrs. Ralph Jump and Mrs. Earl Black served delicious refreshments during the social hour. We sure did miss one of our most worthy members, Mrs. J. Carroll Pearson, who is visiting relatives in Wisconsin and we sure hope she will return before long feeling just fine. Mrs. G. A. Morgan, Mrs. Edward Williams Sr. and Mr. and Mrs. Elmer Williams of Milford, spent Saturday in Wilmington on a shopping spree and they had a most delightful time. Mr. and Mrs. C. Emory Webb and daughter, Eileen, had dinner with the Jack Kennedy's in Wilmington on Sunday. Mrs. John R. Brittingham spent Thursday and Friday with her son and family in Seaford, while Mr. Brittingham attended the Teachers Convention in Wilmington. Mr. and Mrs. O. F. Sapp spent the week-end in Wilmington with their children, Frank and Hummel Sapp and families. Mr. and Mrs. William Counselman of Newark, spent the week-end with Mr. and Mrs. J. Benton Counselman.

SCHOOL

(Continued from page one) twenty years would require the payment of \$6.05 in tax. Retirement of the bonds in twenty-five or a rate of .0031 would amount to a tax of \$5.22 per year. It has been suggested that the tax obligation could be made more equitable by collecting a poll tax thus reducing the obligation on real estate. A poll tax of \$3.00 per poll would make a reduction of \$7602 from the real tax obligation and reduce the tax rate in the same proportion. Your approval of our suggested School Building Program will make \$339,714.98 available building purposes. A referendum date and privilege will be made known in the near future. Your inquiries and co-operation are solicited. Resident property owners and non-property owners, all have a vote. Sincerely, THE HARRINGTON SPECIAL SCHOOL DISTRICT BOARD OF EDUCATION Ellwood Gruwell, President Allen B. Parsons, Vice-President Robert Nelson, Jr. Fulton Downing J. C. Messner, Supt. and Sec'y

School principal Smith and Mrs. Smith are located near Harrington where they were fortunate to obtain a place of residence. Both Mr. and Mrs. Smith are very fond of our town, and they in turn are most cordially welcomed and liked by the school and community. Because the Smith's enjoy hunting they sought a place where it would be possible to house their dogs also. Mrs. Jack Wilcutts has returned from a long summer stay in the mountains near Laurelton, Pa. Over the week-end guests of Mrs. Mary L. Derrickson were Lt. Colonel Derrickson and Mrs. Derrickson, of Virginia. Thursday of last week Mrs. Mary D. Burton, Mrs. Sara E. Gordon and Dick Gordon motored to Philadelphia, where they spent the week-end with Mrs. Sarah Spencer and Mrs. Richard Angle. Mrs. Lester L. Carlisle Sr. spent one night last week at the St. James Hotel, Philadelphia, where Mr. and Mrs. L. L. Carlisle Jr. remained with her prior to their return to O'Beston, Mass. Missionary Day will be observed in the Sunday school session beginning at 10 a. m. Sunday. At the eleven o'clock worship service Rev. John B. Diehl will speak on the theme "The Universal Christ": at the evening service, commencing at seven thirty o'clock his topic will be "Christian Optimism." The dinner, business and social hour of the MYAF will be held on Wednesday evening, and the regular mid-week prayer-fellowship meeting on Thursday evening. These dates are to be kept in mind: Budget Sunday on Oct. 30th, and Home Coming Day on November 6th, in the morning and afternoon—both Trinity Methodist Church events.

Mr. and Mrs. Herbert J. Dodd are visiting Mrs. Dodd's mother, Mrs. I. W. Betts Sr. The Dodd's returned Saturday from their East Orange, N. J. apartment. Funeral services for Ethelyn Hardesty Cleaver, 69, widow of C. Grant Cleaver, were held at Barratt's Chapel on Tuesday afternoon, with Dr. Bartley officiating. Mrs. Cleaver had passed away at her residence in Kew Garden, L. I. The deceased had spent her childhood here, where her father was a prominent undertaker. She was a talented woman, who graduated from college with high honors, and was throughout her later life connected officially with those organizations which furthered social betterment and charitable causes. At one time she was president of the Phi Beta Kappa honorary fraternity of New York State. Her remarkable spiritual character was evidenced on numerous occasions, when Mrs. Cleaver participated in conventions. At one such time she introduced the stanzas of "Let the Beauty of Jesus Be Seen in Me", and thereby publicly set the standard of the group. Until a few years ago the deceased had resided for some time at Richmond Hills, N. Y. She leaves three daughters, the Misses Priscilla and Charlotte Cleaver, and Mrs. Eugene C.--; one son, C. Grant Cleaver, Jr., N. Y.; one sister, Mrs. Priscilla Thompson, of Beltsville, Md.; one brother, Mr. Benson Hardesty, a prominent attorney, of Cape Girardeo, Mo. The funeral services for Mrs. Cleaver were carried out with her wishes in mind. Mrs. Helen S. Carlisle, a life long friend was the musician who interpreted "Rock of Ages" and "Let the Beauty of Jesus Be Seen in Me." Mr. and Mrs. Cleaved Rentz attended the 100 mile National Championship automobile races Sunday at Langhorne, Pa. Mrs. F. A. Morris is in Wilmington, where she is visiting her son and daughter-in-law, Mr. and Mrs. Thomas Garbutt. Ten members and one new member attended the last meeting of the Ladies Auxiliary. George Maris, of Dover, spent several days last week with his grandparents, Mr. and Mrs. Benjamin Moore. Mrs. Raughley Slaughter, Miss Emma Katherine Slaughter and Mrs. Leon Kelley were Wilmington visitors on Saturday. Miss Leona Kelley returned here with them for the week-end. Sunday Mr. and Mrs. Frank Watson and Mr. and Mrs. Joseph Sharp were Centreville, Md. visitors. Again Frederica was the victor in the Sunday base ball game, when the local team played at Millsboro. The score was 4-0. Sarah W. Johnson was the week end guest of Mr. and Mrs. Glenn T. James at Centreville, Md., and she attended a Saturday luncheon at Baltimore, Md. Sunday dinner guests of Mrs. Sallie Williams were Mrs. Ruth P. Hall and Mr. Wm. H. S. Davis, of Dover; and Mr. and Mrs. J. L. Rawlins, of near Bowers. Mrs. Cora Wright, of Magnolia, and Mrs. Luin Sergeant, of Darby, Pa., were recent guests of Mrs. Sallie Williams.
