

Ace Manufacturing Co. Resumes Operation in New Building on U. S. 13

Harrington's Largest Industry Under One Roof Has Added Cutting Room to be Manned By 10 Workers From New York

The Ace Manufacturing Company, under the a.g.s of Irving Hochberg, resumed the manufacture of dresses Monday morning in its new building on the east side of U. S. 13 just north of the cutting plant of George Sherwin, Inc. The Harrington Lumber & Supply Company was the general contractor for the structure which, with the lot, cost approximately \$80,000.

Construction of the plant, Harrington's largest industry under one roof, started Monday, July 11, on a tract purchased from J. Gordon Smith and Mrs. Elizabeth Shaw at an undisclosed figure. The land has a frontage of 200 feet on the highway and extends back 700 feet. Dimensions of the building are 80 by 200 feet.

J. H. Wilkerson & Son, of Milford, did the grading and furnished the fill for the foundation of the building, cinder blocks for which were furnished by Graves Block Company, of Lewes, and laid by Val Miller, of Greenwood. The block company also furnished the waterproofing.

The front of the building will be succeeded by Delmarva Asphalt Company, of Seaford, is building a horseshoe driveway in front of the building and also a driveway down the south side to a couple doors where trucks can be unloaded.

The building has a built-up roof constructed by C. C. Oliphant & Company, of Laurel. Stainless steel, plate-glass doors in front, leading into the foyer, and steel sash windows throughout the building, were furnished by Harrington Lumber & Supply Company. The windows have Aklo glass which stops 60 per cent of the heat rays of the sun.

Boiler Room

Attached to the rear of the building is a boiler room with two boilers, one for heating and the other for high-pressure steam for the pressing machines. N. B. Downing & Company, of Milford, furnished one boiler and other heating devices which include eight overhead heating units throughout the building.

The factory has fluorescent lighting and other electrical equipment furnished by Pope & Peterson.

One enters the building from the front by a foyer. Leading off to the right from the foyer are two office rooms. Linoleum for these rooms and the rubber tile for the foyer were furnished by Cahall's Gas Service Company. Also to the right of the foyer, but entered by a door from the sewing room of the factory is a shop for work on machines.

To the left of the foyer, but entered from the cutting room are three restrooms and cloakrooms.

Cutting Room

Entering the main part of the building from the foyer, one sees at the left a cutting room, 100 feet long, having three cutting tables 80 feet long. This is a new feature for Ace since the company had been having its cutting done in New Jersey. Mr. Hochberg told the Journal in July that this cutting room would employ 10 men who would move here with their families from New York.

Sewing Room

On the right, after leaving the foyer, one sees a sewing room 120 feet long with 90 machines. In the rear, to the left of the building is a pressing room, and all across the rear is a storage room.

The sewing room has a maple floor, while the remainder of the building is floored with asphalt tile, furnished by Harrington Lumber & Supply Company.

Steel for the structure was furnished by Lecates & Company, of Delmar. Atlantic Concrete Company, of Milford, furnished the Transit-Mixed concrete.

Wm. Harrington Dies in Milford

William Harrington, 85, retired farmer, died Monday night in Milford Memorial Hospital. He was unmarried. Surviving are two sisters, Miss Emily Harrington and Mrs. Jacob Camper, both of Harrington.

The funeral took place yesterday at Felton, with interment in Hollywood Cemetery here.

NEW FACTORY BUILDING

The new plant of Ace Manufacturing Company started operations this week on U. S. 13. The building and lot cost approximately \$80,000.

Special Session Of Legislature

A special session of the 1949 General Assembly has been called for Nov. 4 by Gov. Elbert N. Carvel to correct ambiguities in the \$19,000,000 state school construction act which threaten unnecessarily high interest rates and possibly serious delays in emergency building programs in some school districts.

The legislators will be asked to meet for one day to enact a revised version of the bill free of defects which, according to New York bond experts, might prove detrimental not only as to the interest rates on the school bonds but to other projected state bond issues totaling \$24,000,000.

Conferences between Secretary of State Harris B. McDowell, Jr., Atty.-General Albert W. James, and William H. Hoyt of the New York bond experts, might prove detrimental not only as to the interest rates on the school bonds but to other projected state bond issues totaling \$24,000,000.

William S. Smith Dies at Home

Funeral services were held Wednesday afternoon for William S. "Sheriff" Smith, 82, who died Monday morning of debility at his residence on Weiner Avenue. The Rev. J. Harry Wright, pastor of Asbury Methodist Church, officiated. Burial was in Hollywood Cemetery.

Mr. Smith is survived by his wife, a son, J. Gordon Smith, chairman of the State Highway Board, and a daughter, Mrs. Byron Cade, of Wilmington.

He was born here but moved with his parents to Wyandot, Ill., at the age of 2. The family returned when Mr. Smith was 8. On reaching manhood, he farmed and later moved to his late residence on Weiner Avenue in 1912.

Prominent in Democratic politics for 50 years, he was sheriff of Kent County in 1912 and 1913. He was also a member of the firm of Smith & Smith, hardware merchants from 1916 to 1918, inclusive.

V. F. W. Horse Show Is Success

The 3rd Annual Felton V. F. W. Horse Show featured for the first time four stake classes and one sweepstake class. The four stake classes were: Class No. 11 Working Hunter won by Colonel Twigg, owned by William Steele and ridden by Doris Steele; Class No. 15 Five Gaited, won by Don Verne, owned and ridden by Dick Laws; Class No. 18 Three Gaited, won by Mr. Big Shot, owned and ridden by Jack Holt; Class No. 19 Knock-Down and Out, won by Jack Frost, owned by Frank Neeman and ridden by Russell Rash. The sweepstake was Pairs of Hunters which was an added event, won by Ack's Choice, owned and ridden by David Buckson and Colonel Twigg, owned by W. Steele and ridden by Doris Steele.

Frederica Wins Sussex League Play Offs

The Frederica base ball club defeated Millsboro here on Sunday by a score of 4 runs to 3 in a very closely played game which was forced to go into the tenth inning to decide the winner. This victory gave Frederica the championship of the playoffs and the league trophy that goes with it. The trophy will be presented to the team by officials of the Sussex League in the near future. In the semi-final playoffs Frederica defeated Hickman two games to one, while Millsboro was taking two straight from Lewes. These victories entitled Millsboro and Frederica to battle it out in the finals which Frederica took in two straight victories.

In the game played here Sunday Millsboro took the lead 3 to 0 in the early part of the game which looked safe with Rogers of Millsboro pitching airtight ball until the 8th, when Gibson lined out a double and later scored. Millsboro got by that inning without further damage until the 9th, when Frederica tied the count and in the tenth Fisher doubled to get in scoring position and Alvin Brown drove out a smashing line drive triple to salt the game.

H. S. Abbott Named Head Of Tax Office

Howard S. Abbott, Georgetown business man, has been appointed state tax commissioner to succeed Pierre S. duPont it has been announced by Gov. Elbert N. Carvel.

The appointment, for a four-year term, is effective Nov. 1.

Mr. Abbott is chairman of the Sussex County Democratic Committee. He was appointed to the Industrial Accident Board at the end of January, at a time when it appeared the Democrats had control of the State Senate. Certain appointments which had been confirmed were rescinded at that time. However, the Republican lines were reformed and Mr. Abbott's appointment was never confirmed.

The 40-year-old business man is president of the Abbott Supply Company, Georgetown, which deals in building materials and feed. He is also interested in poultry growing.

He is a director of the Citizens Loan and Mortgage Company, Georgetown, and of the Rehoboth Lumber Company.

He is also a director of the Sussex Central Hospital and an elder of the First Presbyterian Church of Georgetown. He was a member of the Georgetown Town Council for five years.

Mr. Abbott was elected Sussex County chairman last fall, after serving for three years as secretary of the county Democratic Committee.

He is area chairman for the Delaware Chapter, American Red Cross.

The new tax commissioner is married and has three sons.

He is a member and past president of the Delaware Feed Dealer's Association, a member of the Georgetown Chamber of Commerce and the Delaware Lumbermen's Association. He is marketing chairman of the Delaware Poultry Improvement Association.

Mr. Abbott is a member of the Sussex County Gun Club and of the Odd Fellows.

Mr. duPont was first appointed tax commissioner by Gov. Robert P. Robinson in 1925, and was reappointed by Gov. C. Douglass Buck in 1929 and 1933. He was succeeded by James P. Truss in 1937, when Gov. Richard C. McMullen, a Democrat, was in office.

Mr. duPont was reappointed by Gov. Walter W. Bacon in May, 1944, when Mr. Truss resigned the post of tax commissioner.

The State Highway Department has approved a two-year program for road construction and improvement in all three counties, to cost approximately \$5,395,000.

The program for the 1949-51 biennium was revealed by J. Gordon Smith, chairman of the State Highway Department, who said the projects will use up most of the available appropriations except for a contingency fund.

It was emphasized that the program is a list of projects the department will undertake in the future and that only preliminary work has been done on most of them. For that reason, the estimates of cost are "very rough."

24 Projects Included

The list includes nine projects to improve primary roads and costing about \$2,300,000; plus 15 projects to improve secondary roads, estimated to cost \$2,665,000. All 24 projects are to be done with federal aid.

The largest single project, from the standpoint of estimated cost, is the improvement of the secondary road from Laurel to Mission in Sussex County. Widening and resurfacing of the road for a distance of 12.4 miles will cost about \$650,000. The road is state route No. 24, going from Laurel to Millsboro, and then northwest towards Rehoboth Beach. Two other roads from Laurel to nearby points are also to be improved under the program.

By-Pass at Dover

In Kent County, the major project is the Dover By-Pass, to cost about \$460,000. The idea here is to build a dual highway, using an existing road in part, to carry all north and southbound traffic around Dover, including traffic on both Route 13 and Route 113. The by-pass would be 3.5 miles long, extending from a point east of Dover on the present route 113A to a point about halfway between Dover and Camden on Route 12.

Project in Kent

A primary road in Kent County to be improved is Route 44, to be resurfaced from Pearson's Corner to Hartly, a distance of 3.8 miles. The cost is estimated at \$180,000.

In Sussex County, about half the distance of the road from Laurel to Georgetown—Route 45—is to be widened and resurfaced. This road was damaged by heavy traffic when it was used as a detour for route 13 when a section of that road was rebuilt. The distance is six miles and the cost \$300,000.

Another large Sussex County project is widening and resurfacing the road from Laurel to Seaford, a distance of 6.9 miles, at a cost of \$320,000.

LICKSPITTLE

We have been called everything under the sun, now that cynic, Ambrose Bierce, in "The Devil's Dictionary", defines editor as "lickspittle." He writes:

"LICKSPITTLE. n. A useful functionary, not infrequently found editing a newspaper. In his character of editor he is closely allied to the blackmailer by the tie of occasional identity; for in truth the lickspittle is only the blackmailer under another aspect, though the latter is frequently found as an independent species. Lickspittle is more detestable than blackmailing, precisely as the business of a confidence man is more detestable than that of a highway robber; and the parallel maintains itself throughout, for whereas few robbers will cheat, every sneak will plunder if he dare."

In a week or two we will give another definition of editor by Bierce. But first, we must study up on mythology and the dictionary.

The Ace Manufacturing Company this week started operations in its new plant on U. S. 13 at the edge of town. Thereby hangs a tale. THIS PLANT WOULD NOT HAVE REMAINED IN HARRINGTON BUT FOR THE HARRINGTON BETTER BUSINESS ASSOCIATION.

Mr. Hochberg said he was going to Milford. He had an option on a lot in Milford. On hearing this intelligence, a prominent Harrington businessman got in touch with a member of the Milford Chamber of Commerce who verified the fact with this reply, "Ace Manufacturing Company is coming to Milford".

Along in June, when it appeared Ace would make a change, the Harrington Better Business Association got busy. After all, the town could not afford to lose an estimated yearly payroll of \$133,000. A committee was appointed to handle the situation. Fulton Downing was chairman of this committee and he performed the task practically alone.

Mr. Downing did a wonderful job. He was the general contractor on the task. There are those who have remarked that "Mr. Downing was buttering his own bread," but, without a doubt, he is putting a lot of premium butter, and no oleomargarine, on the bread of many workers from Harrington and vicinity.

Goodbye, Mr. Thomas. While you were in office as magistrate, you performed your duties faithfully and conscientiously. You were on duty, for the most part, 24 hours a day. Though the monetary rewards were not great, you were content with the satisfaction that comes from doing a job well.

You kept your records neatly and well, as the county comptroller's office will verify.

Hello, Mr. O'Neal. You should make a good magistrate. You have lived here many years and have a wide acquaintance. You are a retired member of the Delaware State Police, know the evidence for prosecution, and will now have an opportunity to weigh it.

Good luck to Mr. Elmer Thomas, who is still city alderman, and to Mr. F. C. O'Neal Sr.

Goodbye, Mr. Quenzler. We hate to lose our star printer who has been with us some 14 months. He has been sought out by a Wilmington printer, however, and will earn far more money than we, or any other downstate shop, could ever hope to pay him.

But, we say, good luck. No employer should object when his employe has a chance to better himself.

Mr. Quenzler will not be forgotten. He has passed on to members of the Journal staff the benefits of his experience in large printing plants in Pittsburgh and in Florida. His place will be hard to fill but we can hope, can't we?

POTTER'S FIELD

Ever since we were old enough to talk, we have been often, and quite correctly, accused of being argumentative.

Sure we are. However, there's a world of difference between being argumentative and just plain, downright pigheaded.

The mind requires daily exercise and food the same as does the body. This can be obtained through good reading, or a quiet discussion on some outstanding topic of the day, or by serious thought, but for a real mental work-out there it nothing like a good argument. PROVIDED, both you and your opponent are willing to concede a point in the other's favor.

There is one type of argumentative person that is particularly obnoxious. Benjamin Disraeli, one of England's great prime ministers, describes this type perfectly in a blast at his political rival, William Gladstone. He said Gladstone was, "A sophisticated rhetorician, inebriated with the exuberance of his own verbosity, and gifted with an egotistical imagination that can at all times command an interminable and inconsistent series of arguments to malign an opponent and to glorify himself."

Now there are a lot of nice, fat, two-bit words in there we know, but Disraeli certainly hit the nail on the head. He also hit some people we know pretty hard too.

We readily admit that we are perfectly willing to argue about anything within reason at the drop of a word but we are also willing to admit defeat, when proven wrong, and to concede you any good point that you may make.

If you want to argue out a point or if you merely want to discuss some particular thing, drop us a line, we'll print it (if the editor O.K.'s it), and either agree with you or fight it out on this line all winter.

If you think that we are making that statement just to get somebody else to think up ideas for this column, instead of thinking them out for ourselves, that is one point that we cannot argue with you on, because that's just what we've got in mind.

WHEELER RADIO STORE NEWS

I am always glad when we install a new oil heater in a home and take the old means of heating out. Not because I have made another sale, but the satisfaction a customer gets when they have worried so long with wood, coal and ashes. If you too want to be made happy, why not drop in and see the oil heaters we have to offer you. We have several new ones and about ten used ones which are very reasonable.

Then after you get your heater installed and get ready to sit back, don't forget that Television set or combination. We have them now on display and you will be surprised at the low prices.

Then again the plain radios for \$19.50 are here and they are better than ever and sell for less, radios start at \$17.95. Don't you think you had better drop around and select the one you want for Xmas? Now is a good time and a small down payment will hold it for you.

Conditions in the coal and steel strike doesn't look any better and certainly there will not be any surplus of things made of steel. This of course will hold prices as they are now and will probably go higher so to keep in good humor buy now as prices may rise again.

We are selling a lot of wall paper, but then there are a lot of you who can improve the looks of your home. What do you think is any cheaper to improve—the looks of any room than paper? Nothing.

Price of paper for an average size room will run around \$3.50 which includes the border and paste for hanging. This will be money well spent and you will get to look at it many times from now until Spring.

Have you bought that washer yet, that you promised your wife or mother? Well we have them when needed, either the wringer type or automatic. We also have about a dozen or so used washers which still have many years of service left in them. So if you want a washer at a reasonable price, drop in and look them over.

Anything we sell \$5.00 or over can be bought on the weekly or monthly basis, so why wait if it is money holding you back?

Willow Grove

Monday evening of last week Mr. and Mrs. Robert Semans and children, visited her brother and wife, Mr. and Mrs. William J. Cabbage of Harrington.

Mr. and Mrs. Harry Glauden were visited by their children and families on Saturday. This included Mr. and Mrs. Earl Dunning and children, Ida Mae and Rosa Lee, Mr. and Mrs. Earl Shockley and daughter, Patsy, and Mr. and Mrs. Kenneth Glauden and daughter, Linda.

Milton Frazier of Wilmington visited his parents, Mr. and Mrs. Milton T. Frazier on Saturday. Mr. and Mrs. Linwood Seward and son, Leroy, spent Sunday with his parents, Mr. and Mrs. Herman Seward.

Many of the townfolks are weekly visitors of the Diamond State Drive-In Theatre. Miss Lola Clark visited her brothers home on Sunday.

Mr. and Mrs. Charles Beal and children, of West Grove, Pa., visited her mother, Mrs. Mary Jane Kemp on Sunday. Senator and Mrs. William O. Cabbage had as dinner guests on Sunday her sisters and brothers-in-law, Mr. and Mrs. Harry Warke and daughter, Cynthia, of Pleasantville, N. J., and Mr. and Mrs. Herman Swain of New Castle.

Miss Joyce Taylor, of University of Delaware, visited her parents Mr. and Mrs. W. C. Taylor, over the week-end.

Approximately a year ago the Willow Grove church undertook the task of building a parsonage. Although it has been talked of many times, it hasn't been attempted before. The community wishes to thank those who have contributed such worthwhile donations to such a worthy cause.

Rev. Walter Ott appropriated five dollars to each member of the congregation that felt inclined to invest and make money. This was to be put in a separate fund for the proposed parsonage. In a years time this money has yielded the church quite a help, but there is still a lot to work for.

Now the church is working out a plan that we believe will interest the whole community and we would like to explain it to the best of our ability. The parsonage is to be constructed of bricks which anyone

may buy at five cents per brick and each brick that you buy will be placed on a model house, erected in the church building, with the initial of the purchaser on it.

It seems to us it will be a lot of fun to see how quickly our little house will materialize into a reality. Our work on this project is just beginning, but we would like to see our community come out, as a whole, to aid those few who are giving so much of their time and money to see this dream become a reality.

On its new plant on U. S. 13

We take this opportunity to express our appreciation to the ACE MANUFACTURING CO. for its contribution to the economic welfare of Harrington and vicinity.

Nineteen years ago (1930) the FIRST BOTTLED GAS RANGE was offered to the housewives of Kent County, Del. by us. This event was the birth of bottled gas service in Kent County. We have steadily tried to improve this gas service along with other services, such as a complete line of better home furnishings, appliances, etc. We have enjoyed our association with the people of this Community and we know that the relationship of the ACE MANUFACTURING COMPANY with these good folks will continue to be a pleasant one.

The Rev. Wright Made Director Of Scottish-Rite

The annual meeting of the Kent-Sussex Scottish-Rite Club was held in Dover, on Oct. 14, 1949. Toastmaster H. H. (Pop) Hanson very ably welcomed the distinguished guests and introduced the principal speaker, the Hon. Theodore R. McKeldin.

Dr. McKeldin was so well received that all present expressed the desire to hear this dynamic personality again in the very near future. The speaker used for his subject the four great Americans whose likenesses are carved on the face of Mount Rushmore. It is impossible for anyone, save the greatest critic to even attempt to review the stirring address so skillfully delivered by "Ted" McKeldin.

The following officers were elected: Henry McDonald, Dover; Vice-president, Harrison Phillips, Laurel; Secretary-Treasurer, George T. Macklin, Sr., Milford;

Directors elected for 3 years were: Arthur R. Hudson, Selbyville; Charles S. Calhoun, Georgetown; Arthur Wilgus, Wyoming; 2 years: Urah Long, Selbyville; Rev. J. Harry Wright, Harrington; T. Scott Purse, Seaford; 1 year: William S. Mathews, Smyrna; Dorsey V. Burnham, Milton; and James P. Pierce, Milford.

Felton School Notes

All pupils in the school will be photographed today for school record purposes. Parents will have the opportunity to purchase additional prints for their own use at a nominal cost.

Throughout the elementary school, Halloween parties are being held this week, planned and prepared by the pupils with the help of their teachers.

At the close of the magazine subscription campaign the student body had sold \$860 worth of magazine subscriptions. The school's share in these funds will be sufficiently large for carrying on many activities.

Mrs. Nelson's fifth grade section is to be commended for its outstanding salesmanship abilities in the drive. That class sold about \$147 worth of the magazines. Charlotte Ludlow was high salesman for the school for which she won a radio and several smaller prizes.

The fourth grade sold \$107 worth of subscriptions for the two publishing companies and since that class sold the most for Crowell-Collier's Co. the publishers are giving the group an ice cream party. Clarence Vash II was their highest salesman.

The winners among the Junior-Senior High School students were Nancy Torbert and Ann Moore.

The Junior Business Training Class toured the Diamond State Telephone Office in Dover Tuesday. Wednesday the class enjoyed several telephone films.

The Human Relations courses are underway in grades seven through twelve. The 7th and 12th grades are trying to develop pupils understanding of themselves, to help them to live happily and effectively in the school and community and to establish desirable attitudes and habits in their relationships with other people. In the high school, specific fields are covered. Grade 9 concentrates on High School Life. Grade 10 is delving into the Problems of Discovering Myself. Grade 11 is look ahead to Planning My Future and Grade 12 is working toward Adult Living.

Potato Growers to Discuss Price Supports And Marketing Quotas

Potato growers of Sussex County will discuss the price support program and the probability of marketing quotas on their 1950 crop at a meeting to be held in the Milford High School, Friday at 8:00 p. m., according to Wm. H. Henderson, County Agent.

Representatives from the Washington office of the Production and Marketing Administration will be present to outline the program and to explain how it will operate if the growers decide they want it.

It should be understood that this meeting is purely for the purpose of explaining the program and whether or not such a program operates in Delaware will depend upon the growers themselves and whether they request the P. M. A. officials to set up such a plan here in the state.

All potato growers, regardless of the acreage they plan to grow are urged to attend.

D. Gooden Pepper Heads State Turkey Growers' Association

Turkey growers attending the sixth annual meeting of the Delaware State Turkey Growers' Association at Georgetown last Friday night heard Leon Todd, managing Director of NEPPCO stress the importance of efficient production of a quality product if we in the northeast are to continue in the turkey business. Speaking before approximately 75 growers and their friends, Mr. Todd urged the

group not to count too strongly on a government support price to keep them in business but rather depend on greater efficiency of production and a better marketing program to accomplish this end.

Frank Gordy, reporting on the recent NEPPCO convention held at Harrisonburg, Va., stated that this was the largest and best attended convention yet held by the organization. Mr. Gordy went on to say that the organization had a very definite and worthwhile program to promote the interest of turkey growers and that it merited the support of all interested producers.

W. T. McAllister, Extension Economist from the University of Delaware, outlined a plan to interest more buyers in coming to the state for their supply of top quality turkeys for the holiday seasons.

A movie entitled "Producing Turkeys in Delaware" was shown by Wm. C. Sloan, Ass't County Agent.

J. Thomas Robinson, President of the Association, presided at the business meeting and conducted the election.

New officers and directors elected were as follows:

President, Gooden Pepper, Seaford; Vice-President, George Takach, Dover; Sec.-Treas., W. T. McAllister, Newark; Directors, M. C. Vaughn, Lewes; J. Thomas Robinson, Georgetown; Henry I. Short, Georgetown; John Wright, Laurel; and George Felsingner, Newark.

Newcastle Vaccine

According to Byard Carmean, President of the Laurel D. P. I. A. Local, all poultrymen are invited to attend a meeting at the Laurel High School Auditorium, at 8:00 p. m., Nov. 3. Representatives of both producers of live virus vaccines and dead virus vaccines, which are now being used in day-old chick vaccination. Karl Seeger, Research Professor of the Delaware Agricultural Experimental Substation, near Georgetown, will give the results of his work with Newcastle vaccine, provided his experiment is completed by that time.

Newcastle will undoubtedly become more prevalent in our area during the coming winter months, therefore, every poultryman should attend this meeting if possible.

GREENWOOD VOLUNTEER FIRE COMPANY

The Greenwood Volunteer Fire Co. No. 1 Inc., during the past few months, has made great strides in building up what is considered one of the most up to date fire fighting units, for a community the size of Greenwood, on the Del-Mar-Va Peninsula.

A new fire engine costing \$12,500 has been placed in service and a new engine room as a cost of \$15,000 is ready for occupancy.

This new addition not only makes proper housing for the new engine, but for the three other pieces of fire fighting equipment belonging to the Company as well, with added space for washing trucks and etc.

Friday and Saturday evenings, October 14 and 15 a benefit supper was prepared and served by the Ladies Auxiliary of the Company, assisted by other of our Greenwood Ladies and more than 900 meals were served during the two evenings.

As in the past our motto is "We are ready to serve" and to all residents of Greenwood and vicinity we say keep our telephone number handy, and it is 4529.

4-H DRESS REVUE WINNER TO ATTEND NATIONAL CONGRESS

Betty Workman, 15, a member of the Delmar Little Oaks 4-H Club, Delmar, was named state winner of the annual 4-H Dress Revue, held October 18 at the University of Delaware.

She will receive an all-expense trip to the National 4-H Club Congress in Chicago this December. Competing with 12 other county winners, Miss Workman modelled date dress of brown, green and yellow plaid taffeta. Combining parts of two patterns, the dress featured a v-neck with small rolled collar, cap sleeves, a cummerbund and full flared skirt.

Miss Workman has been a 4-H Club member for five years and has taken clothing projects each year. She estimates that her dress cost \$3.00 to make. Alternate winner

was Geraldine Brittingham, Marshallton 4-H Club member, who made and modelled a pale blue taffeta formal gown.

Judges for the event were Miss Beth Peterson, home economist for the duPont Company; and Mrs. Mary Lynch Linc In, formerly editor of Modern Miss magazine.

Other girls participating in the dress revue were: Helen Jane Leasure, Newark; Fas Brumbley, Delmar; Betty Lee Cannon, Greenwood; Emily Proud, New Castle; Barbara Deats, Dover; Sylvia Field, Newark; Mary Emma Moor, Smyrna; Betty Ann Carey, Bridgeville; Dorothy Robb, Houston; Doris Dukes, Townsend; and Dorothy Pierson, Hockessin.

From where I sit... by Joe Marsh

Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped at the hole where they lived. But they kept coming back. At last, the company

donated that pole to the woodpeckers and set up a brand-new one for their own use!

From where I sit, we'd all better get off if we were as tolerant with our own kind as that telephone outfit was with the woodpecker. Let's consider the other fellow's point of view—whether it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

"We're Right Next Door"

Head your Buick for our fountain of youth

Now's the time when Autumn calls you out for a ramble in your Buick.

Slide under the wheel and answer that call! Take a Fireball cruise through the countryside, with your heart growing lighter and the years slipping off your shoulders at each mile!

Just one reminder, though. Make sure your Buick is in top shape to keep step with you. First bring it in to us—and let us clean summer's dust out of your air filter, flush out tired summer crankcase oil with its grit and goo, check your carburetor adjustment to see that you're getting the most powerful, most economical mixture with October's cooler, heavier atmosphere.

We can do this quickly, economically, with a sure touch. Our thorough Buick training and long Buick experience in doing each job the factory-designated way have earned us a reputation—we're the "Fountain of Youth" for Buicks.

To make it easy, we've printed a Fall Check List below. Just tear this out, drive in this week and hand it to us—and when you head out for the open road there'll be a happy smile on your face!

Tear out this check list—bring it in with your Buick

- Fall Checkup — Lights, brakes, tire wear, front-end alignment, oil filter unit, battery, car heater.
- Adjust — Carburetor, distributor.
- Clean — Air cleaner.
- Flush — Crankcase, cooling system.
- Estimate — Antifreeze requirements.
- Also — Lubricate (bumper-to-bumper lubrication and inspection.)

Little Courtesies help make good neighbors

On party-line telephones, too, courtesy is the mark of a good neighbor!
For example, when you pick up the telephone and find the line in use, do you give the other person a few minutes to finish the call before trying again? It's the courteous thing to do... and your courtesy will be returned!
It's courteous, too, when you are talking on the telephone and realize that your neighbor is waiting to make a call, to hang up in a few minutes and free the line.
When everybody shows these little courtesies, everyone benefits!

Marydel

Mr. and Mrs. L. A. Covell and daughter, Heather, were recent guests at the Valley Forge Military Academy at Wayne, Pa.

Mrs. Ella Carlisle of Philadelphia, spent several days with her sister, Mrs. Edward Lapham.

Mr. and Mrs. Robert McCougall and family moved from Maryland to Hartley, R. D. We will miss them in our community.

Mrs. Laura Glass of Baltimore, Md., spent last week visiting with her niece, Miss Margaret Smith, and her sister-in-law, Mrs. Mary Smith.

Mr. and Mrs. H. B. Logan entertained as house guests over the week-end Mr. and Mrs. Clyde Garver of Wilmington.

Mr. and Mrs. E. J. Winsch had as visitors during the week, Mr. and Mrs. John Ettinger of Allentown, Pa.

Mrs. Helen Heather Brannock is at present a patient at the Kent General Hospital. We wish her a speedy return to health and Marydel.

Mr. Fred Crozier of Glenolden, Pa., visited with his son and family, Mr. and Mrs. Raymond Crozier, for the week.

Mr. and Mrs. Ernest Lockwood entertained recently Mr. and Mrs. John Gardner of Easton, Pa., who were residents of Thomas' Chapel, about 18 years ago.

Mr. and Mrs. George Melvin recently became the parents of a baby boy. The new arrival confers grandparenthood for the first time upon Mr. and Mrs. Norval Bose.

Mr. and Mrs. Marion L. Adams of near Marydel spent the week end visiting with friends at York, Penna.

Mr. and Mrs. U. L. Harman on Sunday gave a birthday dinner at their home in honor of the birthday of Mrs. Harman's mother, Mrs. Alemina Farrow, of Milford. Present at the dinner were two other daughters, Mrs. Vernon Kerr of Milford, and Mrs. Paul Ennis of Leipsic; Mrs. Edgar Harman, Mr. Paul Ennis, six grandsons, and one great-granddaughter.

The Marydel W. S. C. S. will meet at the home of Mrs. Nolan Steele on Tuesday, Nov. 1, at 8 p. m., for their November meeting. A welcome is extended to members and friends to attend.

Get ready for a Halloween celebration tomorrow evening at 7:30 o'clock at the Community Hall, when the Marydel Methodist Sunday school will serve as hosts to members of the S. S., their parents, and friends. Prizes will be awarded for the prettiest and most comical costume worn by a child, teenager, or adult. Games and refreshments will be awaiting your enjoyment.

The Henderson Baseball team is sponsoring a movie at Marydel Community Hall tonight, followed by a dance to the accompaniment of the "Swing Swingsters".

It isn't too late to bring your discarded clothing donation for European countries and Puerto Rico to the Fire House, Friday, Oct. 28th is the last day. No clothing collection has been taken in Marydel during the past four years—let's extend a helping hand, neighbors and give to those less fortunate! If we care, we'll share.

Frederica

Following funeral services held by Wilmington Lodge 307, BPDE, that city, on Sunday evening, church services were held at Trinity Church here on Monday morning, at eleven o'clock for James Boone Palmer, 56.

Mr. Palmer born here, the son of the late Mr. and Mrs. John Palmer. While attending the local school he resided most of the time with relatives, the late Capt. and Mrs. James Boone. When he discontinued farming, Mr. Palmer became an employee of the Atlantic Refining Co., with which concern he was on duty when he suffered a heart attack Friday afternoon. This concern, where Palmer had been employed 20 years arranged for his entrance to a hospital. After treatment Mr. Palmer returned to his home and a few hours later he suffered the second attack which resulted in his death.

Besides his mother, Mr. Palmer is survived by a sister, Mrs. Lucille Kelley, Drexel Hill, Pa.; one brother, Mr. Charles A. Palmer, Staten Island, N. Y.; and many Delaware relatives.

Mr. and Mrs. William Atkins, Mrs. Anna Morgan, Mrs. Margaret Steele and Mrs. Margaret Massey of Lewes, were Saturday visitors of Mr. and Mrs. Frank Burris.

The most colorful of the late autumnal social affairs was the business meeting and tea of the State Officers Group of the DAR, at the residence of Mrs. George Roland Miller, Jr., Saturday afternoon from two to five o'clock.

The hostess entertained the ladies in the cheerful atmosphere of her fine old residence, the lower floors of which were aglow with beautiful roses.

After the general meeting the group enjoyed the pleasurable atmosphere, as they gathered about the attractive table, rich with tea-time deliciousness, candlelight and bowers. Mrs. John B. Derrickson and Mrs. I. W. Betts, Sr. poured.

Frederica

Mr. and Mrs. Allen Knight and two children, Goldie and Henry, have returned from a ten day visit to Mrs. Knight's mother, in Indiana.

Mrs. Edna Davis and Miss Eleanor Davis spent Sunday with Collins Davis in Newark. They accompanied Mrs. Alice Downham, of Wyoming.

Mr. and Mrs. Marshall Hart and children, attended a birthday celebration given for her sister, Mrs. Edna Sapp, at her home in Houston, on Wednesday evening.

The Forrest Trio, radio singers from Bridgeton, N. J., were guest singers at the church service here on Sunday morning.

Mrs. William Reed was among the guests who attended a turkey dinner at the new home of her children, Mr. and Mrs. George Reed in Dover on Sunday.

Mrs. Mattie Fleming, formerly of Wilmington, is making her home temporarily with her daughter, Mrs. Lawrence Jarrell and family.

Mr. and Mrs. J. R. McIlvaine had as week-end guests, their children, Mr. and Mrs. Bruce Frazier and Jerry, of Millsboro.

Mr. and Mrs. Walter McDonald had as luncheon guests on Thursday, her aunt, Mrs. James Shively, of Ridgely, Md. and sister, Mrs. Eric Altwein and children, Peggy and Patsy, of Greensboro, Md. Patsy remained to visit with her aunt and uncle until Saturday, when Mrs. McDonald took her home.

Dr. E. L. Bunce, pastor of St. Johns Methodist Church in Baltimore, was an overnight guest on Friday of Dr. and Mrs. C. M. Elderdice.

Mr. and Mrs. J. E. Mitchell visited relatives in Baltimore on Wednesday night.

Frederica

Mr. and Mrs. J. E. Mitchell visited relatives in Baltimore on Wednesday night.

Milford D. P. I. A. Local Meets

The first meeting of the Milford D. P. I. A. Local for fall and winter season will be held Friday, Oct. 28, at the Milford High School. The topic of the meeting will be including our poultry products. Marked will be a showing of a color movie on the "Chicken Festival" held in Salisbury last July. Everyone is invited to attend.

Frederica

Mr. Miller is secretary of the group.

\$300 is needed to meet the conference obligation for the first half of the conference year, as of Oct. 31st. Oct. 30th, being budget Sunday, it is hoped that Trinity church will meet its quota.

Last night the Rev. Diehl discussed "The Power of Prayer" at his Fellowship Hour. The attendance is increasing at these meetings.

Mr. and Mrs. Earl Ryan and Earlene, spent the week-end in Camden, N. J.

Mr. and Mrs. Edward Purvis of Chester, Pa., were the week-end guests of Mr. and Mrs. Howard Davidson.

VARIED TALENT FEATURED ON NEW MILFORD VAUDEVILLE BILL

Patrons of the New Milford Theatre on Friday and Saturday will see another top quality vaudeville bill plus the Technicolor adventure hit, "The Big Cat" starring Lon McCallister.

This week's five-act vaudeville program will feature Tom Hanlon and Murphy with their riotous comedy skit that has convulsed audiences in leading theatres. Other acts on the bill include Sis and Sonny Arthurs... dancing comedians; Char-Dewey... an act with a twist; Al Ferguson... a one man mirthquake; and Romaine and Babbette... with their acrobatics. It's a variety bill that will greatly entertain the entire family.

Halloween will be celebrated at the New Milford Saturday night starting at 11:45 P. M. when the mysterious Ray-Mond with his troupe of invisible and visible zombies will present a "midnight zombie jamboree" featuring Frankenstein in person. This stage attraction together with Frankenstein, the Monster, is the spookiest entertainment the world has ever known. It's full of thrills, chills, mystery and suspense. The management asks that patrons buy tickets in advance at the box office and not to bring Grandma or the kids as it's too scary. The screen feature on the same program is Bela Lugosi in "Murders in the Rue Morgue".
