

## State Seeks Disabled Persons In Need Of Help

As a result of Congressional action and presidential proclamation, the week of Oct. 1 through 7 has been set aside as NATIONAL EMPLOY THE PHYSICALLY HANDICAPPED WEEK. Accordingly, Governor N. Carvel has proclaimed NATIONAL EMPLOY THE PHYSICALLY HANDICAPPED WEEK to be observed, during this period, in Delaware, and has, again, appointed Prof. Raymond W. Heim, director of Delaware State vocational education and executive officer of the rehabilitation division, as chairman of the Delaware State Committee for this event. John C. King, director of vocational rehabilitation, was appointed co-chairman.

In addition to Mr. Heim and Mr. King, the state committee is composed of John P. Benson, veterans' employment officer; Thomas Eagan, service officer, for the American Legion; Philip F. Guerke, secretary of the manufacturers' section of Chamber of Commerce; James B. King, service officer for Disabled American Veterans; William Hathaway of the Delaware Commission for the Blind; Edward A. Mulrooney, veterans' counselor in the Delaware State Employment Service; Joseph J. Scannel, manager of Delaware State Employment Service; William B. Steele, special service officer for veterans' administration; Herbert O. Willis, service officer for the Veterans of Foreign Wars; Leo A. Walters, senior rehabilitation counselor in the vocational rehabilitation division.

This Committee is urging all peoples in the State of Delaware to lend co-operation in setting a program in motion to locate all vocationally handicapped persons in the State of Delaware and to place as many physically handicapped persons into employment as possible. In an interview with John C. King of the Vocational Rehabilitation Division, Mr. King emphasized the fact that when physically handicapped persons are prepared for a job which they can do as well as anyone else, they cease to be vocationally handicapped, and when placed in the proper job are just as capable, just as efficient, and just as high in actual production as the non-handicapped group. Mr. King pointed out that since the creation of the Delaware Vocational Rehabilitation in 1939, more than 2500 handicapped persons have been prepared for, and placed in, employment, and that the average weekly income of these persons rose from \$4.86 per week before rehabilitation to \$36.29 per week as a result of vocational rehabilitation. The types of vocational handicaps are too numerous for publication, but the following few are listed as an example: heart disease, orthopedic ailments, amputation of arms and legs, deafness, blindness, facial disfigurements, impaired vision, severe hard of hearing cases, arrested tuberculosis, and certain psychological involvements.

During the next week, starting Mon., Oct. 2 through Fri., Oct. 6, there will be special hours set aside for the enrollment of handicapped persons and the listing of, and placement into, job opportunities which, it is hoped, will be made available on the part of Delaware's many employers. The Wilmington office of the Vocational Rehabilitation Division, 11 Concord Ave., and the Delaware State Employment Service, 6th and Shipley Sts., will be opened from 9 a. m. to 4:30 p. m. daily. In Dover, there will be special representatives at the office of the State Employment Service from 9 a. m. to 4:30 p. m. on Thurs., Oct. 5, and in Georgetown these representatives will be located in the State Employment Office from 9 a. m. to 4:30 p. m. Fri., Oct. 6. If handicapped persons are unable to report to any of these offices, they are requested to write to the office of Vocational Rehabilitation Division in Wilmington, or the State Employment Offices in Wilmington, Dover, or Georgetown, and a representative of the Vocational Rehabilitation Division will call at their homes.

**How You Can Help**  
If you can employ a person at this time, or if you know of an available job opening, or if you know a physically handicapped person who needs medical attention or job training, contact the Delaware State Vocational Rehabilitation Division at 11 Concord Avenue (Phone Wilmington 5-3331), or any Delaware State Employment Office.

## Railroad News

The baseball excursion last Sunday was a flop from many angles and there is not much we can do about it except gripe and offer a few alibis. First of these will have to be: Too many fans did not buy tickets until Sunday, resulting in the overcrowding of the train going north. This condition was overcome on the return trip by running two trains. The same would have been done going north if more tickets had been purchased earlier.

Then when everybody on the peninsula decided to go, the Phillies decided to take the day off and let the Dodgers play. Let us hope they don't decide to do that with the Yanks.

There has been a lot of griping about women drivers but you can be sure of one thing: "when she puts her hand out, the window is open."

From all over the nation has come astonishing testimony of the damage overloaded trucks inflict on roads. Thomas H. MacDonald, United States Commissioner of Roads, declares: "Overloading of trucks is skyrocketing maintenance and reconstruction costs to total a disgraceful and extravagant waste in the nation's true economy. Overloading is a vicious practice which not only causes accidents that claim the lives of many innocent motorists, but it also is a murderer of highways built with taxpayers' money."

Railroad workers should take the lead in letting their friends and neighbors know what highway boxcars are costing them. Flagrant violations by motor carriers threaten everybody's roads, purses and bodies—but they also threaten the rail worker's job through cut-rate competition. They can underprice railroads simply because the taxpayers are bearing their chief operating expense—a place to do business. By overloading, they can cut rates even more.

The nation's traffic record last year was blackened by more than two and a half million accidents involving trucks. A total of 8800 persons—an average of one every 59 minutes—were killed in those accidents.

If we dig beneath the propaganda of the truck interests, we find convincing evidence that many of the 2,600,000 truck accidents in 1949 occurred because the trucks involved were so overloaded they couldn't be stopped in a safe distance.

When American motorist and taxpayers demand action, we'll get it. Then, this highway murder will be stopped.

The average man has five senses: touch, taste, sight, smell and hearing. And then some men have two more: horse and common.

## Mrs. A. C. Creadick Dies at Home

Mrs. A. Cookman Creadick, 77, died Wednesday evening at her home on Commerce Street. She had been in ill health some time and had been confined to her home nine months.

She was born near Harrington, the daughter of William Louder and Mary Smith Masten. She was the widow of A. Cookman "Cook" Creadick, who had a basket mill here many years.

Mrs. Creadick was a loyal member of Trinity Methodist Church, the official board, the Women's Society of Christian Service, Loyal Workers Bible Class, Kent Chapter No. 11 Order of Eastern Star, Harrington Home Demonstration Club, Ladies Auxiliary of Harrington Fire Company, and the Harrington Century Club. She was a willing worker in all activities.

Funeral services will be in charge of Boyer Funeral Home Sunday at 2:30 p. m., at Trinity Methodist Church, with the pastor, the Rev. Daniel T. Pritchard, officiating. The Rev. R. W. Sapp, of Baltimore, a former pastor of the church, will assist.

Burial will be in Hollywood Cemetery.

Mrs. Creadick is survived by her sister, Mrs. Vertie Cahall, of Felton; two nieces, Miss Mary Margaret Masten, of Wilmington, and Mrs. Joseph Workman, of Baltimore; three nephews, William Louder Masten, of York, Pa.; James Cahall, Felton, and Herbert Nichols, Milford.

Mr. and Mrs. E. A. Richardson attended the 170th anniversary services at Barratt's Chapel Sunday.

## A. I. "Red" Scott Dies After Heart Attack

A. I. "Red" Scott, well known on the peninsula as an owner of harness horses and an operator of horse vans, died early Sunday evening in the Yonkers Professional Hospital following a heart attack. His home was on Montgomery, N. Y. Funeral arrangements had not been settled as this was written.

Mr. Scott operated a fleet of horse vans two of which Earl Thomas had operated in conjunction with one of his own. Mr. Thomas said Monday evening he had been instructed to carry on the business as usual.

Mr. Scott, a frequent visitor to Harrington, also owned Pat McMahon, now at the local track; Carroll Ann, who raced at Ocean Downs, and had a half-interest in McHyatt, who raced here during the current meet.

Mr. Thomas said he was survived by his wife and a brother.

Burial was yesterday in Middletown, N. Y.

## If One Makes Wine For One's Own Use, One Must Get Permit

If one makes wine for one's own use, one must file a declaration with the investigator in charge of the Alcoholic Tax Unit, United States Treasury Department, at its office in the Post Office, Wilmington, a report announced this week.

The declaration, in advance of the production of wine for family use, must show that the wine is not for sale or to be otherwise removed or consumed, and that not more than 200 gallons are to be produced during the year for which the notice is given. Such wine is not taxable. The year is reckoned as beginning July 1 and ending June 30.

Makers of wine for one's own use, must apply to the nearest alcohol tax unit for Form 1541.

## Phone Directories Being Distributed

Distribution of new telephone directories started here yesterday and is expected to be completed by Oct. 3, it was announced by Theodore W. Collins, local manager of the Diamond State Telephone Company.

Approximately 12,210 copies of the new green-covered books will be delivered in this area by mailmen, Mr. Collins said. This is an increase of 1050 over last year's distribution.

The new books contain approximately 33,674 alphabetical listings of lower Delaware and near-by Maryland telephone subscribers. This is an increase of approximately 1800 over the previous issue.

One new central office is shown in the new books. This is Gumboro, which was placed in service last summer to serve subscribers in the vicinity of that town who were formerly served by the Millsboro office.

## Sam Short Has Song Published

Samuel A. Short, Jr. owner and operator of the Clover Farm Store, Center Street, Harrington, who has a hobby of song writing, has just had published a popular song entitled "You Go Your Way, I'll Go Mine."

Mr. Short wrote the lyric and Ben Patton, composer of popular songs wrote the music.

The song has been published with the photographs of four well-known radio entertainers who are using the song over the air. Although the song has been out but a short time, it has already made a name for itself and gives every promise of becoming more popular as the summer season is over and popular music comes into its own.

## Home Clubs Hold Joint Meeting

The miserable, rainy weather did not dampen the spirits or purpose of some 81 Home Demonstration Club members from the Harrington, Milford and Houston areas Thursday evening, Sept. 21 when they met in joint meeting at the Houston Fire Hall at 8 o'clock. Miss Gertrude M. Holloway was the speaker for the evening, and told of nutrition in our daily lives, the foods which we should eat every day, and the effect of the nutrients in the foods on our bodies.

Following Miss Holloway's talk the individual clubs held business meetings. Each club president reported the number of members present. The clubs and their number present were: Law's Club—4, Canterbury—11, Millwood—16, Happy Homemakers, Milford—15 members and two visitors, Merry-makers, Harrington—10, Victory—12, and Houston—12.

Homemade cakes donated by each club and coffee were served by the members of the Houston Club.

## Bowdle Returns From Exposition

Billy Bowdle, of near Burrsville, and a student at the Harrington High School has just returned home after attending the Eastern States Exposition at West Springfield, Mass. Billy placed fourth as an individual, and second as a team with another Delaware boy in the Dairy Cattle Judging contest.

The team represented the Future Farmers of America from Delaware in competition with boys from 13 Northeastern States. Billy was selected as a member of the Delaware team as a result of judging dairy cattle successfully at the state convention last spring.

Billy will leave this weekend to attend the Dairy Cattle Congress at Waterloo, Iowa. While there the team will again judge dairy cattle and milk products in national competition. F. Robert Mercer, Vo-Ag teacher at Newark, is coaching the boys on the team and accompanies them on the trips.

## Gov. Carvel Signs Freedom Scroll in Crusade For

Governor Elbert N. Carvel launched the state's participation in the nationwide Crusade For Freedom campaign this week by signing the Freedom Scroll and urging Delaware citizens to become "soldiers of freedom" in the campaign against communist propaganda.

Scores of other Delaware leaders have already endorsed the Crusade For Freedom campaign, which will close in the state on October 15. Heading the state campaign is Willard D. Boyce of Dover.

Directed nationally by General Lucius D. Clay, former U. S. High Commissioner to Germany and leader of the Berlin Airlift, the Crusade For Freedom is a mobilization of Americans in a truth campaign to fight the lies of communism. The Crusade is accepting contributions at its many booths throughout the state in order to provide funds for more radio stations to broadcast to countries behind the iron curtain.

## Urges Second Front

In his message of endorsement to State Chairman Boyce, Governor Carvel called the Crusade For Freedom a "second front" in helping the American and United Nations forces who are engaged in the Korean struggle.

The Governor's message read: "Today we are fighting a battle in Korea. It is not only a battle of soldiers, but also a conflict between democracy and communism struggling for the minds, the souls and the allegiances of men. For the communists, it is a selfish campaign to enslave all peoples, depriving them of a priceless freedom and dictating their way of life."

**Student Council Organized**

On Wed., Sept. 13, the first meeting of the Student Council was called to order. The officers for the present year are:

President, Constance Knotts; vice-president, Eugene Willey; secretary, Elaine Downing; treasurer, Joyce Gruwell.

The members of the various classes who represent their home room in the Student Council are: 12th, Mary E. Thomas; 11th, Joyce O'Neal; 10th, Frank Quillen and Mary Ford; 9th, Anna Horne and Doris Black; 8th, Billy Fry and Janice Holloway.

The Student Council has proposed to continue the program concerning the designing and purchasing of a school flag, initiated by last year's council, but not completed.

The Student Council dance will be the first of the current year and the annual carnival will be held in the latter part of the year.

The organization will continue to attend the meetings of the Kent County Organization of Student Councils, which the Harrington Student Council joined last May. The Student Council is looking forward to joining the state organization of Student Councils.

The constitution of the Student Council is now being typed, after it had been revised by last year's organization. After this is completed, each student will receive a copy of the document.

Superintendent Addresses First High School Assembly

The students of H. H. S. filed into the auditorium on September 4, for the first general assembly of the year. The band, under the direction of Melvin Brobst, director of music, played a march as the students entered. The body was asked to sing as the first song of the year their state song, "Our Delaware."

J. C. Messner, superintendent of Harrington schools, addressed the group on a subject of why they were in school and what each individual should try to accomplish this year. Mr. Messner then introduced the new faculty members: Mrs. Goodwill, Mr. Miller, Mr. Williams, and Mrs. Heinbach. The

assembly was closed by the singing of the alma mater.

**Art Department Reorganized**

Mr. Williams, new art instructor, has been busy since the beginning of the current year reorganizing the art department. He has divided the room into different departments. These sections include weaving, sculpture, clay work, pottery work, and painting. In the weaving department two looms have been set up by the instructor. The school has two pottery kilns, which will replace the old method of sending the materials to Dover to be fired.

This year the students of H. H. S. have the opportunity of studying oil painting. The school has no supplies at the present for this type of work; therefore the students are supplying their own materials. Mr. Williams is planning an exhibit at H. H. S. to show students how modern art evolved from the academic type of painting, which prevailed up to nearly the end of the last century. In relation to painting Mr. Williams remarked, "I consider myself an artist, before a teacher."

**Citizens Of HARRINGTON**

September 25, 1950

Many people seem to have a vague idea of how their tax money is spent. So this concise report of 1950 expense.

Interest on Sewer Bonds	\$ 1300.00
Sewer Bonds (paid off) (balance \$61,000)	4000.00
Bank Note (paid) (balance \$6,000)	4000.00
Delaware Power & Light (1 year)	7000.00
West Street	1092.00
Opening Simmons Street	480.00
Laid 1000 feet 2 inch water pipe	510.00
Police Uniforms	293.00
Assessment & Auditor	400.00
	<hr/>
Taxes Due \$11,083.61	\$19,075.00

Of course there are many other expense accounts which will show in the annual report. Police force, City Manager, new fire plugs, repainting street signs, hauling trash, scraping streets, etc.

We have asked for bids to paint the water tank, a street drainage project on Hanley Street and resurface some streets.

The books are audited each quarter by a certified public accountant and a report for the year will be published later.

We have asked the State Highway Department to extend the hard surface shoulders on Delaware Avenue to the intersection of route No. 13. They recommend this be done and are setting it up in their 1951 budget. We contacted Senator Frear to have a pavement laid in back of the Postoffice. Senator Frear has been very diligent in perservering to have this done.

Parking meters are a pro and con question. A lot of new business is going suburban from coast to coast. Some cities keep the revenue from parking meters to provide better parking facilities in the business area. We plan a City Ordinance to conform with C. A. A. to arrest and fine pilots making low altitude and noisy plane flights over Harrington.

We do not have the money to grant all improvement requests but should do better after the old debt at the local bank is liquidated.

**Marydel**

Mr. and Mrs. Chas. Rosner, of Asheton Road, Havertown, Pa., were guests of Mr. and Mrs. Richard Ubleman during the week.

Mr. and Mrs. Willard Wark, of Avondale, Pa., and Mrs. Ida Walp, of Germantown, Pa., were Saturday guests in the home of Mr. and Mrs. E. J. Wensch.

Mr. and Mrs. Dudley Dixon, of Crumpton, Md., have moved to Marydel and are living in the home formerly occupied by the late Mr. Eben Walls. Mrs. Dixon is the former Ruth Walker.

Mrs. Helen Brannock and Mrs. Harry Heather, last week, spent several days visiting at Fairfax Hall, Va., where Janet Heather is enrolled as a student.

On Tuesday, Mr. and Mrs. L. A. Covell drove to Fairfax Hall, Va. where they enrolled their daughter, Heather, in the sophomore class of the school.

Mr. and Mrs. Edward Baker, of Philadelphia, and Mrs. Anna Seward, of Easton, spent the week end visiting with Mr. and Mrs. Edward Lapham.

Mr. and Mrs. Harry Fairlamb, of St. Petersburg, Fla., were guests of Mr. and Mrs. Herbert Ward during the past week.

Mr. and Mrs. Theodore Sowada, of Marydel, announce the engagement of their daughter, Gertrude Helen, to Richard C. Austin, son of Mr. and Mrs. Henry Austin, of near Marydel. No date has been set for the wedding.

Mrs. Anna Estelle Knotts Carter, wife of Thomas Carter, died at her Marydel home Thursday afternoon after an illness of several years. Mrs. Carter, born in Templeville, in November 1868, was the daughter of the late Dr. James V. and Kate O. Knotts, of Templeville. Although the greater part of her married life was spent in Baltimore, she came to Marydel with her husband and daughter and son-in-law, Mr. and Mrs. Irwin Moore, about six years ago, where she has lived ever since. Before her illness, she was a faithful attendant of Calvary Methodist Church and was a member of both the Templeville and Marydel W. S. C. S. Surviving her are her husband, one daughter, Mrs. Irwin Moore, Marydel; one son, Cooper Carter, Baltimore, and two grandchildren. Funeral services, in charge of the Rev. C. H. Atkins, were held from the Templeville Methodist Church Sunday afternoon with burial in the Templeville Cemetery. Her motherly, quiet presence will be greatly missed in this community.

Mr. and Mrs. Fred Bailey, of Garland Lake, were dinner guests in the home of Mr. and Mrs. Edward Lapham Friday evening.

The Marydel W. S. C. S. will hold its October meeting Tuesday evening, Oct. 2, at 8 p. m., at the home of Mrs. L. H. Collison. All members and friends are cordially invited to attend this meeting which will commemorate the birthday of the W. S. C. S. society.

Announcement has been made by the Rev. C. H. Atkins of the holding of Homecoming services in the Templeville Church, morning and afternoon of Oct. 15. Dinner will be served by the ladies of the church, free, in the new church house, which will also be dedicated during the day. A hearty welcome is extended to all.

Thomas Chapel will hold its Homecoming services Oct. 8, at 2 p. m. with the Rev. John N. Link, D. D. of the Peninsula Methodist Church, Wilmington, as guest speaker. Everybody welcome.

Services were held all during this week at 8 p. m. in the Calvary Methodist Church to commemorate the Evangelistic campaign being sponsored by the Methodist churches of the peninsula.

Marydel Lions Club opened its fall activities at their dinner meeting held at the Marydel Community Hall Mon., Sept. 11, at which time A. R. Dudderer, of Easton, Md., commercial manager of the telephone company, discussed the possibility of improvement of the phone service for this area. The lack of intra-communicative facilities on the state line here in Maryland was especially considered. We hope that this study will bring pleasant results. On Monday evening, Sept. 25, at the second dinner meeting of the club, Lee Wickery, of the C. and P. Corporation demonstrated before the members of the club, and visiting fire company members in this area, the operation of the resuscitator, a much needed piece of equipment in this locality where the lack of medical aid is particularly in evidence. In the case of an accident occurring due to asphyxiation or drowning, certain death is sure to follow with no medical aid nearer than 8 miles or hospital facilities nearer than 12 miles. The presence of a resuscitator would greatly relieve this condition.

**Animal Carcasses Are Source of Bang's Disease**

The germs that cause brucellosis, or Bang's disease, can survive in hog carcasses for at least three weeks, says a research paper of the American Veterinary Medical Ass'n., according to Delmar J. Young, extension dairyman at the University of Delaware. Brucellosis has always been a common and dangerous disease in cattle.

In a paper presented to the American Veterinary Association's national convention, research workers said that they were able to isolate brucellosis germs in more than 78 per cent of the infected hogs that were slaughtered. Brucellosis, sometimes called undulant fever in man, has long been known as an occupational hazard for veterinarians, livestock raisers, packing house workers, and people who drink unpasteurized milk from infected cattle.

Mr. Young says that this study emphasizes the danger to human health from handling infected hog and cattle carcasses, either in packing plants or on farms where people butcher their own meat. The disease is painful and protracted in man, and causes thousands of dollars worth of loss in animals yearly. See your county agent, or extension workers for information on controlling and eliminating brucellosis, says Mr. Young.

Mrs. Ernest Homewood and Mrs. Richard Bullock spent Saturday in Philadelphia.

**Education Board Wants More Teachers To Student Units**

The State Board of Education will recommend that the General Assembly change the existing law which limits the number of teachers to the number of student "units" according to a statement made today by Dr. George R. Miller, Jr., State Superintendent.

According to the present law, appropriations to the public schools are based on a unit plan. This plan allocates an amount of money for each unit of 25 elementary school children or 20 secondary school students. Included in this law, Dr. Miller stated, is the provision that no district is permitted to employ from State funds teachers in excess of the number of units.

"The provision of linking teachers and units means that some of the smaller high schools of the State will have to reduce their staffs and their educational programs during the next biennium. The effect upon the children in these districts is obvious," Dr. Miller stated.

The State Board's recommendation would add an amendment to the current law.

Members of the State Department of Public Instruction and of the Unified School Legislation Committee have given careful consideration and study to the implications of the teacher-unit law. The Unified School Legislation Committee, made up of representatives from approximately eighteen lay and professional organizations, adopted the change as a recommendation to the State Board of Education. "The Unified School Legislation Committee has rendered an outstanding service since the committee was organized two years ago," Dr. Miller stated.

"The recommendations of the Unified School Legislation Committee indicate that the deliberations of the committee have been conducted on a very high plane." The record of public school progress indicates a continuous improvement of the educational program in Delaware. Educational leaders in the State are constantly striving to further this trend. The

attainment of ultimate goals, however, should not be at the expense of the standards of education which have been developed. For example, Dr. Miller added, the worth of a sound program for the reorganization of administrative units in Delaware has long since been established. The redistricting program, however, should be evolutionary, building upon what has been established in the various courses offered in the public schools.

While a curtailment of the program may force some districts with small high schools to reorganize, the State Board of Education is of the opinion that the current law attempts to accomplish a good result by penalizing the children now in school. After the reorganization plans are complete, it is believed that reorganization can be accomplished without diminishing the existing program of studies now offered in any district. The purpose of reorganization is to make available opportunities for education which do not now exist. A reduction of the present program, until such time as the reorganization plans can be presented to the people of the State, is a premature action, Dr. Miller stated.

The many small districts which offer only elementary school opportunities without many of the services now considered desirable are not affected by the existing law. The educational program of these districts, representing more

than fifty per cent of the districts of the State, could be tremendously improved by a reorganization plan.

**An announcement by Henry J. Kaiser**  
Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living. It fills the needs, the wants, the purchasing power of all America as no other car has done in the last ten years. It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Supersonic Engines which deliver up to 30 to 35 miles to the gallon. The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation. It is the car that you and every American family can afford to buy, to operate, to maintain... and be proud to own.  
**The Henry J... the lowest-priced car in the low-price field.**

We hear politicians, themselves capable and even guilty of graft, shouting that their political opponents are corrupt. When we hear this, we are tempted to admire the frankness of a politician we knew years ago.

THE TREND IN TEACHING

Trends in education and the appreciation of education change, as all things in the world change. Especially is this true in the treatment of teachers by the parents of the pupils.

And now, in the days of the automobile, we never hear of a parent resenting the teacher's treatment of his or her child. It isn't because the parent is less resentful of any implication that his little Rollo is slightly shy of perfection.

THINGS JUST HAPPEN—OR DO THEY?

Things happen and we can't understand them. The more we try to understand them or explain them, the deeper we get into the mire.

It happened here Monday morning. An officer had arrested a man and the charge was drunkenness. "But, Mr. Officer," said the man, "I have not touched a drop in many months."

TITLES MEAN NOTHING

According to Joe Martin's Ramblin' Round column in the Sunday Star, the book "All Kneeling," written by Anne Parrish, once of Claymont, in 1928 is to be made into a movie and the title will be "Born to Be Bad."

That's just one of the frailties of the movie producers. They think any title must suggest something naughty, or even nasty. Years ago the Reese Theatre was crowded because the title of the picture was "Million Dollar Legs."

We spent an unforgettable hour or two with the great Booth Tarkington in his study at Kennebunkport, Maine, in August, 1939. The world's premiere of Mr. Tarkington's play, "Tweedles," was being shown at the Playhouse in Kennebunkport, and he suggested that we see the stage version rather than the movie.

When a fellow brags about the number of good jobs he has had, his Achilles heel is exposed to the raw. The way to determine a man's dependability is not by the number of good jobs he has had, but by how long he has had one good job.

To The Correspondents

We had letters from 21 correspondents in The Journal last week. We were particularly glad to see Hughes Crossroads back in. We still need correspondents, or columnists, from White's Church, Sandtown, Staytonville, and Brownville.

chinquapin is a member of the chestnut family. Around here it grows on bushes, though I remember one sapling that grew in the woods back of Marvel's School.

There are plenty of wild grapevines around here, but very few grapes.

The Horse Laugh

As Franklin Swain came forward to present the blanket to the winning horse in the Swain Hotel Pace here Wednesday night, there was tense drama, drama of which many in the grandstand were not aware.

Just a few weeks ago Franklin and Joe Eyer, the latter from Thurmont, Md., had owned the winner of the pace, Sing Song. Franklin disposed of his interest to Joe and Eyer, a short time later, sold the horse to the present owners, who live at Centreville, Md.

"So," said Sing Song in a low voice to Franklin, "You and Joe sold me down the river, did you? I wasn't good enough for this league, you said. But now I'm in the same class with Johnny Hopp and Johnny Mize, transferred to the champions. Waived out of the league was I? Just look at the mark I made tonight, 2:05 2-5! From the very first inning I knew those palookas couldn't hit my fast ball.

"I'll grant you this—both you and Joe always knew I had a burning fast ball, but you insisted that I couldn't get my curve over

the plate, that my control was practically nil. In vain I told you of the great New York Giant manager, John McGraw, who paid the then fabulous price of \$11,000 to Indianapolis for Rube Marquard. Rube had no control either and for the first two or three seasons the fans sneeringly referred to him as 'McGraw's \$11,000 lemon.' But McGraw had patience and Rube Marquard established a record—a record which still stands—of the most consecutive games won in all the history of baseball.

"I told you of Lefty Grove. When Connie Mack bought Grove from Jack Dunne of the Baltimore Orioles, he wasn't worth a dime for the first two or three years. He couldn't get a pitch within four feet of the home plate, but patience and understanding on the part of Mack and some of the coaches turned Lefty Grove into one of the greatest left-handers of all time.

"I liked you and Joe—and still like you both—and I liked to live in Harrington. I thank you for this

New Use For Old Windmills

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right on top of it. Since the windmill is higher than the house, I'll get the best reception around here—but

if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

School time again! How short the vacation seemed. Rev. Geiger, pastor of Lutheran Church of Preston, says, "Children are getting the three R's—Reading, 'Rithmetic, but many are not getting the fourth R—Religion." That's very true. How important to be looking after the soul's need, for time is short, we live our lives and are soon gone. Parents and children go to church every Sunday. You, who are not in the habit of going, form the habit. You'll like it. The church needs you and you need the church.

### George Bringhurst Finds Good Range Needed For Pullets

George Bringhurst, of Viola, has found that better pullets for flock replacement can be raised on a good poultry range. A good range will save feed, cost less, grow healthier pullets and help prevent disease by keeping pullets on clean ground away from old hens. It may also prevent meat type pullets from getting too fat.

Mr. Bringhurst has used his present range for about 10 years and it is straight Ladino clover. He clips this range about every two weeks and has applied 1000 pounds of ground limestone every 2 or 3 years. No fertilizer has been applied during this period except the droppings from the pullets and his range is in fine shape.

He also uses range shelters that are 20x20 ft. The sides of the shelters are covered with heavy tar paper that remains in from year to year. Lighter paper is used on the ends and is taken off as soon as the weather is warm and when the pullets no longer need heat.

There is a brooder stove in the house and the chicks are started right in the shelter in late February. Water is piped to each shelter and the shelter is never moved. During hot dry weather the pasture close to the shelters becomes pretty short but has always recovered after rains.

The pullets are moved from the shelters to the laying house when they are 18 weeks old or about the last of June or early July. The shelters are then filled with approximately 400 broilers and grown to marketing age and weight.

The litter is not removed until the broilers are sold.

Mr. Bringhurst reports that both his pullets and broilers have been grown more economically, have had less trouble with disease and that there is less trouble getting the pullets settled in the laying houses.

Now is the time to seed a range similar to the one used by Mr. Bringhurst.

County Agent Tarbell advises that seeding should be done between Aug 15 and Sept. 15.

In preparation for seeding the range the soil should be tested, especially for acidity. Soil that produces the best range should have a PH of 6.5.

Plow and disc the soil before broadcasting the necessary lime and 500 lbs. of an 0-12-12 fertilizer per acre. Prepare a fine, firm seed bed with the disc and cultipacker. After seeding cover the seed lightly with the cultipacker.

Tarbell suggests that a good permanent range mixture for Kent County is as follows: 2 pounds ladino clover, 3 pounds alsike, 10 pounds of meadow fescue, 6 pounds domestic ryegrass, and 3 pounds of red top. This mixture will give a good stand in any soil if planted properly. It will provide a supply of tender, palatable grasses all next summer for 500 pullets per acre.

# Take your motor off your mind

In these times and at this season, change over to this entirely new motor oil for a wonderful new "sure feeling" about your car!

You have worries enough these days without worrying about that car of yours. So you'll be glad to know about new Purelube—the sure motor oil—to take your motor off your mind!

It gives you sure protection against wear... freedom from corrosive acids... a cleaner, safer motor with a lot longer life plus the basic economy of lower oil consumption!

Purelube has what it takes to end all doubts about engine lubrication. Laboratory tests and road tests prove Purelube is sure all ways—superior not in just one or two qualities, but in the whole combination of qualities you want in a motor oil.

With new cars hard to get... with winter coming on... drive into your Pure Oil dealer's and change over to new Purelube, the sure motor oil.

Then drive into the future with new peace of mind!

# Be sure with PURE Purelube

THE SURE MOTOR OIL

**NOW! Road tests prove Purelube gives lower oil consumption!**

Imagine operating your car 24 hours a day, day in, day out, at speeds averaging 53 miles per hour. Over searing desert roads 130 degrees hot... up punishing mountain grades... in stop-and-go traffic!

That's exactly how a test fleet of stock passenger cars measured Purelube against other premium-quality oils.

In 83,000 miles of driving, Purelube showed less oil consumption than any of the leading oils tested—actually 17 per cent lower oil consumption than the average of the competitive brands. That means real economy in addition to sure protection!

### HOW TO "LEAD THE PARADE!" in Party-Line Courtesy

When you take the lead in courtesy on party-line telephones, your party-line neighbors follow your cue. That means good service for everyone concerned! Here are two courtesy-suggestions... easy to follow, sure to win favor.

1. When you start to make a call and find the line in use, hang up gently and give the other person a few minutes to finish his call.
2. When, while talking, you realize that someone else is waiting to make a call, hang up reasonably soon and free the line.

tor, Rev. John R. Diehl, from the Trinity Methodist Church pulpit last Sunday, John R. Rogers Jr., local layman, had charge of the morning worship service. The community gains from the privilege of having young men who are prepared to fulfill the duties required in the Christian services.

Mr. Rogers is the son of Mrs. Bertha Rogers and the late J. Reynolds Rogers. He is a graduate of the local school, the Felton High School and a Philadelphia college. He had Prof. Charles Smith, of the local public school, deliver the sermon "Being a Neighbor." Mr. Smith interpreted the story of the good samaritan by drawing a parallel with the heed for good neighborliness today—throughout the world. The message was challenging and an inspiration to those who were present.

The Sabbath service was more fully complemented by the choir's music and the organist, Mrs. Helen S. Carlisle. Arthur Melvin, with a faithful bass singing is always appreciated, was ably assisted by Mr. Woodward and Clarence Person. Mr. Person is both a violinist and a singer, having had professional training.

Mr. and Mrs. William W. Wilson motored to Greensboro, Md. last week. There they were the dinner guests of relatives, Mr. and Mrs. Samuel Simpson. Mrs. Wilson is a native of Greensboro, and it was a particular pleasure to her in renewing friendships.

The M. Y. F. of Trinity Church held its first meeting of the fall in the Sunday School room of the church with 20 of the young people attending. The following officers were nominated and elected: President, Miss Barbara Tatum; vice-president, Jack Leonard; secretary, Miss Ruth Early; treasurer, Miss Kathleen Jester. Plans were discussed for participation in the Youth Rally at Dover, Sat., Oct. 14, and for

Greenwood

Mr. and Mrs. Edmund Russell, of Nutley, N. J., were weekend guests of Dr. and Mrs. C. Greylock Noble.

Mr. and Mrs. Robert Graham, of Milford, were Sunday guests of Mr. and Mrs. Lawrence Graham.

Mr. and Mrs. E. C. Thomas, Sr., of Dover, were guests of Rev. and Mrs. E. C. Thomas, Jr. Sunday.

Sunday at 11 a. m. the congregation of Grace Methodist Church will worship at Greenwood Methodist Church. This will be World-Wide Communion Sunday.

Rev. E. C. Thomas will bring the message Sunday evening in Greenwood Methodist Church at 7:30.

Mr. and Mrs. William Belle, of Georgetown, were Sunday evening guests of Mr. and Mrs. Harvey Dickerson.

Mr. and Mrs. Lynn Torbert, of Felton, were Sunday dinner guests of Mr. and Mrs. Herbert Cobley.

Rev. J. E. Layton officiated at the baptism Sunday afternoon of Bruce Arthur Smith, son of Mr. and Mrs. William Smith, of Wilmington Manor, at the home of Mrs. Norman Lofland, grandmother, of Greenwood.

The maternal great-grandparents, Mr. and Mrs. Arthur Collison, Greenwood, were present.

Miss Clara Lucas spent the weekend in Marcus Hook, Pa.

Mr. and Mrs. Carl Cannon and Mrs. Edna Banning, of Philadelphia, were weekend guests of Mr. and Mrs. John Cannon.

Mr. and Mrs. Calvin Wharton and Mr. and Mrs. Taylor Janney, all of Washington, D. C., were guests of Mrs. Mattie Wharton last week.

Mrs. Maude Watson and son, Roy, of Marcus Hook, were callers at the home of Mr. and Mrs. John Elliott Sunday evening.

Mr. and Mrs. Elliott were entertained at a turkey dinner Saturday evening in Milton by Mr. and Mrs. Clifford Elliott.

The Ladies Auxiliary of the Volunteer Fire Company was well represented in Seaford last Wednesday evening at a Sussex County meeting.

Twenty-one members attended. The installation ceremonies of the officers for the year were conducted by Mrs. Maude Spicer, Seaford, a past state president.

Officers from Greenwood installed were: County President, Mrs. Mary Uhler; secretary, Mrs. Irmadine Ocheltree; assistant secretary, Mrs. Elaine Jones; other officers were from Rehoboth and Millville.

The auxiliary also served the Kiwanis banquet Friday evening to 139 persons.

Willow Grove

The yearly meeting of the Cow Marsh Old School Baptist Church was held Sunday at the old meeting house that has a much improved appearance, both inside and out, having received an application of much needed paint on the inside and out.

Elder B. E. Cabbage, the pastor, is confined in the hospital by a paralytic stroke of much seriousness and visiting ministers assisted in conducting the meeting.

maintained in their hands, owned and operated by the same family until 1948 when it was sold.

W. C. Taylor was at home over the weekend.

Mr. and Mrs. Milton T. Frasher and sons, of Wilmington, were guests of Mr. and Mrs. M. True Frasher over the weekend.

Mr. and Mrs. Ernie Dill are the proud parents of a baby girl born Saturday (Janette Louise). Congratulations from all of us to you.

W. O. and Mrs. Cabbage and daughter, Joannetta, were visitors of Mr. and Mrs. J. Wesley Reynolds and children of St. Georges Sunday. While away the Cabbages visited the farm in Maryland just south of the White Crystal Beach where the Reynolds are moving in the near future.

Quite a farm, 800 acres, between 500 and 600 acres tillable.

William J. Cabbage and family, of Harrington, were dinner guests of Robert G. Semans and family Sunday.

Rev. Perry from Washington; Rev. Fancier, of Federalsburg, and Rev. Shrout, of Baltimore, were with us Tuesday evening. The meeting was very enjoyable but the attendance wasn't too large.

Rev. G. L. Taylor had charge of the meeting but delegated the charge to the visiting pastors.

Burrsville

Revival services are being held all this week at Hickman Church, Rev. Roy Phillips, the pastor. Rev. James Langrell will preach each night except Sunday night. Come out and enjoy these services.

Mr. and Mrs. Floyd Baker, Mr. and Mrs. Roland T. Draper and granddaughter, Betty Usilton, spent Sunday at Chincoteague, Va.

Mr. and Mrs. Theodore P. Warren spent the weekend with relatives and friends in Camden, Merchantville and West Collingswood, N. J.

We welcome Mr. and Mrs. Jefferson to our village. They have purchased the home of the late Mrs. Laura Parris.

Mrs. C. E. Pippin is home for a short while from Cape Charles, Va., where she is remodeling her home and expects to return here soon to make it her permanent home.

Joseph Willoughby is improving after being quite sick for some time at his home here.

Mr. and Mrs. Novelle McReynolds and son, Gale, Mr. and Mrs. Floyd Baker and Mrs. Roland T. Draper visited relatives in Chester, Pa. Tuesday.

Rev. Albright, of Denton, called on Mr. and Mrs. Norman Usilton and family one night last week.

Mr. and Mrs. Arthur Kelley, of near Denton, were Sunday evening guests of Mr. and Mrs. Charles Willis.

Frederica

Mrs. Joseph Clarke and Benjamin Clark were Sunday dinner guests of Mrs. Clark's sister and brother, Mrs. Ella Rust and George Baker.

Francis Temple, of Harrington, visited Mr. and Mrs. Joseph Flanagan Sunday.

Harry Fisher is at the Milford Memorial Hospital where he is recovering from an operation.

Mrs. Margaret Beson returned to Philadelphia Saturday, after a several month's visit with Mrs. Hettie Palmer. Mr. and Mrs. Charles Malin, her son-in-law and daughter, drove here for Mrs. Beson.

Mr. and Mrs. Jack Whitley are spending some time in Florida.

WHEELER RADIO STORE NEWS

It is now television time and why not when television is much better than we ever expected as far away as we are from broadcasting stations. Of course I am speaking about the televisions which we sell. They, I might say, are very much wanted at this present time in fact I now have as many sold to be delivered when received as I have sold since television was on the market for the public.

Of course there are a good many think that sets like RSA, Mandola, Crusley, Zenna and many other Crosley, Zenith and many other makes that have sprung up in the past year or so will produce for instance like the PHILCO or WESTINGHOUSE as they always win just as Ezzard Charles took the punch out of Joe Louis.

These makes are approved by whom you ask? Well by the public. How do you know that? Well simply from the people who buy them and tells you that they are just what they wanted. In fact they perform better than expected and would have no other set.

This is the answer so when you purchase a TV, call Wheeler's 541 Harrington and just say install such and such a model and we take care of it all, right ready to turn to your favorite channel. We have on hand 10, 12 1/2 and 16 inch screens so don't forget television center 541.

I have been telling you right along that prices were not going down and sure enough I was right. I would like to be able to say we have bargains and bargains or in other words at a better price but it is not true. Prices have advanced on several things but I still have many items that prices at this time have not gone up. So if you are needing anything we sell, I would be glad to let you have it at prices now available.

Things can be purchased, say an article costing \$150.00 at \$22.50 down and 18 months to pay the balance. May I say this, don't buy anything unless you really need it and can afford it then you will be helping Uncle Sam as well as yourself.

We must keep a good spirit and an uplifted head and one way is keeping a bright and cheerful home. This can easily be done by just a little redecorating and when sitting down and eating your breakfast or any meal with a bright surrounding, you will start a day with a bang. Wall paper, wall paper, wall paper is the answer, we have plenty of it.

Of course this time of the year when the weather begins to get chilly we must have a warm home and to help you along this line we carry a line of oil space heaters and are they good looking. Come in and get our prices and let us explain why they will give you more heat from the same amount of oil that you get from many makes now on the market.

I have been selling oil space heaters for many years and the Washington Frugals that I have sold all over Harrington and surrounding communities are still in use and will be for many years to come. Some of the other makes are out and I mean out for good. If you will come in and let us explain to you and see how they are constructed, you too will see the reason. Wheeler's Radio Store, phone 541.

KAPITAL KOMENT

Dear Folks: Well me alisten' ketched up on several things this week, soz rite or rong I'll tell it just like I heard it an first off seams like our fellar Killoran dun hit a yaller jackets nest when he tuk on J. Gordan.

Boy did that fellar cum up for air an bring him a site of faces within. Yer see we liv nigh to the big rode an a site of cars pass from time to time sides the trucks an all, soz ef Klair hada sed moter vehicules stead of cars we be kinda wonderin what wooda hapened then caus we see a site of G. M. C. trucks with State Hiway Deepartimnt on the doors, pass by our lanes.

Now me I just woodn'ta sed nuttin bout that ef pease of bizniss caus everbody noes how cum Mr. Smith cum cheerman of that er comishun counta Boss Frank resinin. We heard he axed Carvel bout stayin on the comishun countin him bein there so long an all butt gittin no reespons he up an quits soz afor Carvel got his ducks in a roe the comishun had em a meetin an it bein 3 an 3 with Mr. Smith goin fer hisself; thar you hav it just like it wuz planed.

We heard Friday they wuzn't goin to make any changes in the inspscters till after lection caus they wuz spozed to vote fer them Democrats. Hee Haw !!

You folks no how it rained Thursday and Friday; well me an Anernias went to the vandue Friday countin it wuz to wet to wuz his follow groun soz we could sew barlie.

Well sir Carols' sail reemines me of what that fellar Burgis sed bout the hotel Dewpont sum time back; ef it didn't wind up into a politickel meetin it woodn't be rite soz sure nuff we heard a little politicks sides the sail.

Sum fellar wuz nigh to us while we wuz watchin the veelers bein sold an he wuz abloin his top bout politicks to. We listened for awhile an walked off butt he wuz sure rung up bout that er letter what Bob Reed and Dan Enterline putt in the paper bout there politicks.

After we started home my naylor wuz quiet fer quite a spell then he sed "Joe if the same kinda folks that wuz a ruin our primarie tother Saturday wuz like Bob an Dan, how do you spoze the reesults wooda bin?" Well I thot bout it rite much an had to give it up caus these too fellars air all men axin no favors an givin none butt playin it squar an cordin to the reeports cumin to us it wuzn't dun thataway tother Saturday.

Peers to me sum body's in the rong camp an it kaint be Bob caus he be a Democrat just died in the wool soz it must be Dan. Cum to think of it when he cum

down here from Pennsilvanie he wuz rated a Democrat maybe he dun seen the lite.

Anernias, I tole you, wuz down to our comishun an he heard Republicans air born not maid, me I don't no, peers like they be a lot of em maid outen born Democrats like Bob Yerkis, Dan Enterline, Misses Burton an we heard that woman she be born a Democrat. To I most forgot Squir Rigeley down to Camden. Them our folks what I can remember rite now.

I got sum more news for you next week.

So long for now, Ole Joe
