## 2nd Annual Beauty Contest Sponsored by Rotarians, To Take Place Tuesday Night

### Winner Will Participate in July At Chicken of Tomorrow Beauty Contest at Salisbury

The stage is all set for the second annual beauty contest sponsored by the Harrington Rotary Club. Tuesday night is the date. Reese Theatre is the place.

The show starts at the regular hour of 7:15 p. m., with the picture entitled "Casa Manana." After the picture, the beauty contest will be held to select the girl to represent Harrington at the Chicken of Tomorrow Festival in Salisbury July 19. The third event of the evening will be the beauty contest among the Rotarians. After this, comes the crowning of the queen.

Miss Shirley Harrington, winner of last year's beauty contest, will crown this year's winner. It is said that she will wear the play suit that the Rotary Club gave as first prize last year.

The following girls are entered in the local contest: Kathleen Greenley, of Felton; Marie Miner, of Masten's Corner; Doris Watson, Jean Smith, Pat Pearson, Elaine Downing, and Marjorie Greer, all of Harrington, and Louise Gray, of Farmington.

As last year, the selection committee of the Rotary Club is very proud of the girls who have entered the beauty contest. The girls are lovely in evening gowns and play suits and the town of Harrington is assured of a wonderful evening of entertainment.

While the judges are deciding as to the first, second and third place winners among the girls, the Rotary Club will present on the stage an unusual skit. Like last year, the Rotarians will put on a beauty contest among themselves. However, this year they will wear ladies' old-fashioned bathing suits. Headlining this bevy of cuties will be that most famous trower of all—Rotarian Melvin Brobst. Anyone who saw him in last year's show remembers his prize winning performance and his lovely figure.

Another performer in the Rotarian's skit will be their most honored member, Walter J. Paskey, Sr., 84 years young, and a contestant last year. Samuel Williams, runner-up in the men's contest last year, is again displaying his womanly arts. A fourth member of this group is John G. Parks, who was accused of looking like Mrs. Eleanor Roosevelt in last year's affair. A new member of this troupe of talented actors is Walter Meyer. And as guest artist, Arthur Taylor is in the skit.

Tickets, now on sale by all Rotarians, will help pay for the prizes. Tickets are also on sale at Chamberlin Pharmacy.

## Mid-Del. League

Ellendale defeated Farmington in the Mid-Delaware League 7 to 4 Sunday. Viola defeated Harrington 7 to 6, at Viola.

## Sulky Slants

By Mrs. Dave (Pat) Smith

Well this is old home week. Ellis and Betty Myer coming up. Ellis arrived with 16 head with four more coming up this week sometime.

Betty and I took off this afternoon without any planning at all. In fact I went over to her trailer to find out what was new down there. News was out.

We decided I would take her and Ellis Jr. to Buffalo. Were we cleaned up, oh no, I in overalls, Betty in sun dress. Any way we rode all over the big city.

We came back by the lake route so the baby could see the big boats. If I had taken any money with me, we would have wound up at Niagara Falls. Betty or I, either one, had any thing with us. That's the me, all in the spur of the moment to do any thing.

Mr. Goslin's mare Majestic Miss has been very ill but ok at this writing.

Symbol Louis and Sister Lena doing ok.

Funny thing about this horse business is the pasture always looks greener some where else. Ellis moves up here from Laurel and the big Roosevelt stable moves from here to Laurel. Oh well that's the boss biz.

Mrs. George Ensen's son-in-law, Gene Bell, and Harvey have moved next to us. Gene has six head of horses. What a nice bunch we have up on the hill.

You don't dare come around if the hose happens to be on. Its every dog for himself.

Well here goes to spotted ponies reminds me of the kids that ride out to the track in Harrington.

Jimmy Creed, who drives for Earl Thomas, was a visitor up here this past week. Jimmy brought Ellis' horses up from Laurel.

We tried to get him to hang around for a while but he wouldn't, said he had to get back. I'm always glad to see anyone from there.

Sure miss Reese and his wife and the Snack Bar. Have one here but not next to the theatre. No fooling it is beautiful up here, hot in daytime, but you can sleep under blankets at night.

Mayor Rash don't ever talk about conventions to me any more. We decided to go up to Buffalo to the cafeteria and what happens? The Baptists 85,000 strong were in Buffalo.

I had to wait in line for one hour and a half. So I'll leave the conventions for you.

Again I'm listening to the radio, the Lux radio hour, to "Edward My Son." Pretty good program.

Mr. Maas, race secretary from Batavia Downs, was a visitor to our stable the past week, getting his line up for the opening August 6.

While I was waiting for the 3rd race last Saturday night, I was pretty calm, till all at once two horses went down on the first turn. (such a turn) Spencer Mite a little fellow that belongs to a friend of ours was hurt pretty bad. Sulky tore up.

Any way Dave was driving Bardia Direct the first time this year with hoppers and everyone had gone out to watch Dave go down. All I did was to hold my breath as everyone around was talking to me, but could I say anything, not me.

Then after he finished in a photo for 3rd and 4th, everyone then said, what a wonderful race. You see he put three in hospital last summer. And I'm really afraid of him. I was the groom for him and did I feed him sugar.

Gene Anderson bring your family up for a visit. Tell Gooden (Continued on page 10)

## 30 Arkansas Bass Weigh 194 Pounds

Thirty bass, caught at Jordan Landing, Lake Norfolk, Ark., weighed 194 pounds, according to a postal card received recently by Byron and Keith Burgess from their father, J. Harvey Burgess, who is spending some time in Arkansas and Missouri.

The former editor of The Journal added that in Washington County, Ark., there were five factories that did a business of \$75,000 annually in processing peck weed.

## Oysterman Has Close Escape From Drowning

An oysterman narrowly escaped drowning at Port Mahon Sunday when he fell from a boat into deep water at the foot of the public wharf.

At Kent General Hospital, Dover, it was reported Monday night the condition of Hilton Baines, Jr., 20, is only fair but it is believed he will recover.

Baines, who lives in Port Mahon, was attempting to toss a sack of clams from the stern of a boat to the wharf, but lost his balance and toppled into the water. Fellow workers, including his brother, Lowell Baines, rescued him and applied artificial respiration until state police arrived with an inhalator.

Dr. E. Harold Mercer and Dr. Rhoslyn Bischoff were summoned from Dover to give first aid. Baines was removed to the hospital in the Leipsic Fire Company ambulance.

## Wheeler's Park Notes

Its a great sight to see the many happy people who are attending Wheeler's Community Park.

The children, young and old flock there for a little outing and cook those hot dogs and eat that fried chicken.

There was one family gathering of about 75 last Sunday and not a pitcher of ice tea, but a large milk can of ice tea, was soon gone.

There are many picnics being planned to go there for the day. It is an ideal spot and Mr. Wheeler says any gathering is welcome to go there.

## T. A. Goldsborough Dies in Washington

Funeral services for Federal Judge T. Alan Goldsborough, nationally known jurist, who died following a heart attack Saturday night in Washington, D. C., were held Tuesday afternoon at 2 o'clock in Christ P. E. Church at Denton. Interment was in Denton Cemetery. He was 73.

Judge Goldsborough, a former U. S. representative, was stricken while attending a combined Fathers' Day and 42nd wedding anniversary celebration at the home of his daughter-in-law, Mrs. T. Alan Goldsborough, Jr. He had been in ill health but was not under the care of a physician. His daughter-in-law said Goldsborough appeared in good spirits when he arrived for the dinner. He was stricken as he sat down at the table.

Among the messages of condolence received by the jurist's widow was a telegram from the President of the United States.

"In the passing of Judge Goldsborough, the federal judiciary loses a member of massive stature, learned in the law, always forthright and courageous," the President's message said.

Judge Goldsborough had a brilliant career as lawyer, legislator, and jurist. He began the practice of law in Denton in 1901.

He was state's attorney for Caroline County from 1904 to 1908 and for nearly 20 years—1921 to 1939—he represented the First Maryland District (Eastern Shore) in Congress. He resigned when he was appointed to the District of Columbia federal bench by President Roosevelt.

He attained national prominence by two dramatic rulings as a judge. In 1946 and again in 1948 he found John L. Lewis and his United Mine Workers guilty of contempt of court. He imposed fines totaling nearly five million dollars for ignoring court orders to cancel paralyzing coal strikes.

He was born Sept. 16, 1877, at Greensboro. His ancestors had settled in Maryland in colonial days. After graduation from Washington College and the University of Maryland he opened a law office at Denton.

In 1909 he married Laura Hall. In addition to his wife he is survived by three children, Martha, Eliza, and George. A son, T. Alan Jr., died in 1944.

**Homemade Fences**  
A homemade electric fence controller is an invitation to disaster. The toll of dead animals each year is testimony to the fact that homemade controllers often turn into "booby traps."

**Family Fruit Fare**  
In addition to common vegetables, there is a long list of both large and small fruits, including berries, which help to provide a full fare for the family. Fruit trees should pay for themselves with the first crop, and will become even more valuable as time passes.

**Total Eclipse in 1954**  
The next total eclipse of the sun, to be seen from any part of the United States, will occur on June 30, 1954. The path of totality will start in Nebraska, as the sun rises, and travel northeasterly.

## Vocal Music Camp at Dover Begins Monday

Twenty-nine public junior and senior high schools in Delaware will send 91 boys and girls to the Vocal Music Camp which will start in Dover Monday, according to Edward R. Steiner, camp director and director of instrumental music in the Claymont Special School District.

In announcing the staff for the camp session, Mr. Steiner revealed that Evan Koons and Mrs. Carolyn R. Camper will be the recreational directors of the camp. Mr. Koons is the director of boys' physical education and Mrs. Camper is the director of girls' physical education in the Dover special school district.

Following the Monday evening rehearsal it has been announced that Christian Sanderson will furnish the music and calls for square dancing.

Equal enthusiasm, Mr. Hart stated, is being evidenced about the anticipated music experiences with Walter C. Ehret, who will be present at the camp during the latter part of the week. Mr. Ehret is director of music at Hofstra College, Hempstead, N. Y., and the Malverne, N. Y., public schools.

The culminating event will be a free public concert in Dover Field House Sun, July 1, at 3 p. m., Mr. Hart added.

## Luff-McCarthy Betrothal Noted

Mr. and Mrs. Charles J. McCarthy, of Peabody, Mass., announce the engagement of their daughter, Mary Louise, to William Desmond Luff, son of Mr. and Mrs. Clayton Luff, of Harrington.

Miss McCarthy is a graduate of St. James School, Salem, Mass., and Boston University, Sargent College, Cambridge, Mass. She is employed as a physical therapist for the Delaware State Board of Health.

Mr. Luff, a graduate of Caesar Rodney School, attended the University of Delaware and is employed by International Latex Corporation, Dover. He is a veteran of World War II and served in the submarine branch of the U. S. Navy.

A fall wedding is being planned.

## Moose Home Opening June 22-23

Loyal order of Moose, No. 534, Harrington, will hold open house of its new home on U. S. 13, one-half mile north of town, Friday and Saturday, June 22 and 23 at 8 p. m.

Refreshments and entertainment will be free to members of the lodge with their wives, and guests. A door prize will be awarded each night.

The speaker will be Jack Ansel, press representative from the Supreme Lodge of the World, Mooseheart, Ill.

## Dover Briefs

Mrs. Alvirda Clark and Mrs. Emma Carey are still on the sick list.

Victor Arington Sr. burned his hand and arm, then was taken to the Kent General Hospital for treatment.

Mr. and Mrs. Silas Layton and Mrs. Ida Harmoning spent Father's Day with Clayton Layton and family, of Harrington. Other visitors there were Mr. and Mrs. Harvey Scott, of Harrington. The dinner and refreshments were enjoyed by all.

Mr. and Mrs. A. Yienger and Mr. and Mrs. George Borchert and son, George, of Baltimore, spent Tuesday with Mr. and Mrs. Silas Layton.

Rev. McGinnis and wife spent several days in Virginia visiting Mrs. McGinnis' cousins.

The four fishermen had a swell time fishing bringing home some fine fish.

## Railroad News

With the potato season on lower end of division in full swing and canning season just around the corner, we are in for some heavy business in the next two months.

A lot of questions have been raised about the effect on our operation in this area after the three new feed mills go in operation at Laurel, Delmar and Pocomoke. All three plants are rapidly nearing completion and new sidetracks with capacity for 10 to 20 cars, built in off the main line.

Only time will tell, but in this together with approaching diesel operation is sure to bring about a decisive change in the economic situation of the Harrington railroad unit.

A number of the railroaders are selling tickets for the beauty contest Tuesday evening. Several boys were overheard saying they were going to be there to help pick the winner, just as they did at the track.

## Rotary News

Rotarians last Tuesday night were treated to a real show when Bob Smith, dentist, put on a few colored films, taken in his office, showing Mrs. Harry Farrow, school nurse, and pupil-patients of the Harrington Public School system.

This service is sponsored by the Rotary Club.

Visitors included the Rev. Van Cleef, pastor of Trinity Methodist Church; James Moore, supervisor of bridges for the Pennsylvania Railroad, and the Rev. Sapp, a former pastor of Trinity Methodist Church.

A. B. Parsons received a card this week from Fulton J. Downing from London. Mr. Downing said he had attended a Rotary meeting at which 200 persons were present.

## Harrington Merry-makers Will Hold Picnic

Members of the Harrington Merry-makers Home Demonstration Club, and their families will meet in Wheeler's Park, Harrington, Thursday evening, June 28 to enjoy a picnic supper. The time will be 6:30. Mrs. Norman Brown, with her committee, have contacted the members of the club to invite them and to arrange for the food that each member will bring. Those who will be present are also asked to bring their own table service for each member of the family.

## To Demonstrate Chevrolet Powerglide

If you want to drive a Powerglide Chevrolet visit the showrooms of the Harrington Motor Co. from June 18 to 30.

F. Brown Smith has set aside a special demonstrator for use of the public and the period will be devoted to giving as many people as possible rides in the cars.

Because of the customer demand for Powerglide automatic transmissions in this area, F. Brown Smith explains, he has been unable to set aside demonstrators. However, he will hold cars solely for this purpose through the demonstration period.

"Chevrolet has just built its 500,000th Powerglide and to observe the milestones it has requested all dealers to co-operate in mass demonstration," he declared.

Mr. Smith pointed out that Powerglide differs from other transmissions on the market in that it represents a "package" improvement. Included, besides the revolutionary automatic shift, are a more powerful engine of 105 horsepower and an "Economiser" rear axle.

"The opportunity for mass demonstrations here will show that owners have learned in more than a billion miles of driving," Mr. Smith declared. "Even a brief trial will prove that Powerglide-equipped cars are easier and more restful to drive."

"With Powerglide, the car has no clutch. This means the elimination of hundreds of manual operations in the course of an average day's driving. The result is that a driver finishes the day more refreshed and relaxed. A person has to experience the effortless process of automatic Powerglide fully to appreciate its advantages."

"We urge everyone not acquainted with Powerglide automatic transmission to visit our showrooms during the special demonstration period to find out for himself all the features of Powerglide automatic transmission."

## Read Label On Insecticide

The Delaware State Board of Health advises home gardeners to read the label on their insecticide most carefully. Some of the newer potent insecticides contain parathion, a chemical which can be fatal to animals and humans alike if used improperly.

Parathion is poisonous when absorbed through the skin, when it is breathed in or when swallowed, even in small quantities. Small amounts which seep through clothing can be dangerous.

If the label of your insecticide lists parathion as an ingredient, follow the directions and precautions exactly. If there are no instructions do not use it until you have secured advice from your county agricultural agent or your local health department. Thoroughly scrub your hands after handling it, even though it is in a sealed container or bag. Store it out of the reach of children.

## Cadmium-Nickel Battery

A new type long life battery which, according to its producers, will last from 20 to 25 years, was recently introduced in the United States. The new battery features accumulator elements of cadmium and nickel in an alkaline solution and operates equally well in hot or cold temperatures. It is designed to replace lead-acid batteries in such fields as railway car lighting and air-conditioning.

## Legion to Hold Joint Installation Of Officers

Joint installation exercises will be held Tuesday evening, at the Legion Home, Harrington at 7:30 o'clock when the newly elected officers of the American Legion, Callaway-Kemp-Raughley-Tea Post No. 7, and the Auxiliary Unit are inducted into their posts. Members of the Department of Delaware Legion and Auxiliary will be on hand to perform the installations.

Preceding the ceremonies the units will serve a covered dish supper. Members from the Legion and Auxiliary, serving on a joint committee, have completed plans for this dinner which will be served at 7:30 p. m. All members of both organizations are urged to attend.

Eugene Anderson, vice-commander of the post last year, was elected to serve as commander for the 1952 term. Mrs. Clyde Tucker was elected to the presidency of the auxiliary. Other officers will be announced next week.

## Connie Legates Engaged To Pfc. Harvey W. Simpson

Mr. and Mrs. Norris Windsor, of Seaford, announce the engagement of Mrs. Legates' daughter, Miss Contance Lee Legates, to Pfc. Harry William Simpson, son of Mrs. Louder Vincent, of Farmington.

Miss Legates is a graduate of the class of 1951 from Harrington High School and is now employed as a secretary in the Delaware State Police Station at Georgetown.

Pfc. Simpson is a graduate of Greenwood High School. He is now serving in the U. S. Army and is stationed in Germany.

## Mr. Gordon Willis and Harry R. Jackson Dover Bridge Champions

The play off tournament at the Maple Dale Country Club was won by Mrs. Gordon Willis and Harry R. Jackson. Mrs. Karl D. Dorzback and Mrs. Harry McDaniel were second.

The play off was handled by taking the top 16 players for the season.

The champions were Mrs. Willis and Mr. Jackson. The defending champions were Mrs. Howard Lynch and Mrs. Mary Louise Tilghman.

The annual bridge banquet was attended by nearly 100 of those interested in bridge at the Maple Dale Country Club.

Prizes were awarded to the champions and a gift of appreciation to Dr. and Mrs. Henrik S. Magnus for their effort in running the bridge tournament throughout the year at the country club.

Recognition was paid to Mrs. Harry R. Jackson and Mrs. William E. Hallett for their high point scoring. Yet they were defeated in the championship play off.

Willard F. Jester, of 15 Washington St., Riverside, N. J., received the George W. Childs Drexel Scholarship, Electrical Engineering, Power Option, at the annual Evening School Honors Night ceremonies of Drexel Institute of Technology, Philadelphia, Fri., June 8.

**Hobbs**

Our pastor, the Rev. T. J. Turkington, delivered a very interesting Father's Day sermon to our church audience last Sunday morning. He depicted the wonderful love that the father of the prodigal son had for his boy, although his son had wasted his substance in riotous living and that is a trait of a good father—he forgives his progeny because of his great love.

Our W. S. C. S. will meet with Mrs. Russell Stafford next Wednesday afternoon.

Our community was shocked and saddened last Sunday morning when the news was circulated that Federal Judge T. Alan Goldsborough had passed away suddenly the evening before. Fifty years ago he came as a lawyer to Denton, our nearby county seat, where he has maintained a beautiful home, though for many years his work was in Washington, D. C. He had won the esteem of many people.

Mr. and Mrs. James H. Wheatley, of Dover, and Mr. and Mrs. Bill Hopkins, of Knoxville, Tenn., visited Mr. and Mrs. L. H. Thomas Wednesday afternoon of last week.

Mr. and Mrs. Hopkins had observed their 25th wedding anniversary the previous day.

Mrs. L. N. Murphy was a last Sunday dinner guest of Mr. and Mrs. Paul Sharp.

Mr. and Mrs. Kenneth Ramsburg, of Boonsboro, were last weekend guests of Mr. and Mrs. Lewis Butler.

Ralph H. Wooters was a last Sunday dinner guest of Mr. and Mrs. John Wooters, of Denton.

Mr. and Mrs. L. H. Thomas were last Sunday afternoon guests of Mr. and Mrs. L. Hopkins Thomas, of Easton.

Mr. and Mrs. Dawson Fountain and daughters, Wanda and Marie, were last weekend guests of Mr. and Mrs. Herman Gravenon, of Baltimore.

Congratulations are extended to Mr. and Mrs. Ollie Robinson in the birth of a son, Richard Allen Robinson.

**Ellendale**

Mr. and Mrs. Earl Clark entertained guests Sunday.

Mrs. Wm. Ellingsworth and sons, of Ellendale, and Mrs. Lawrence Stevenson and children, of Georgetown, were Sunday guests of Mr. and Mrs. Arthur Jones Jr.

Mrs. Harry Steele and son, of Lincoln, were recent visitors of the Horace Longs.

Miss Jeanette Willey and Miss Norma Lewis, of Milton, motored to Rehoboth Saturday evening.

Mrs. Fred Rogers is a patient in the Milford Memorial Hospital. Mrs. Anna Short Green, of Lincoln, quietly celebrated her birthday Thursday evening at the home of her mother in Ellendale. Mr. and Mrs. Jonas Ellingsworth are redecorating their home on Main St.

The Harry Wilsons have returned from their wedding trip and are now at home on the groom's farm with the best wishes of their many friends for a long and happy married life.

C. A. Timmons has been on the sick list.

**Felton**

Mr. and Mrs. B. T. East and Mr. and Mrs. A. C. Dill were guests Father's Day of Mr. and Mrs. Kenneth East and Mr. and Mrs. William Jarsons, at Rehoboth Beach.

Mr. and Mrs. Jack Corkery and son, David, left last Thursday for Ohio, where Mr. Corkery has accepted a new position. Their new address is Reynoldsburg, O.

Mr. and Mrs. Harry Gruwell entertained at a family dinner Father's Day; their guests were Mr. and Mrs. Frank Gruwell and family, of Media, Pa.; Mr. and Mrs. Elwood Gruwell and family, of Edw. and Miss Elizabeth Gruwell, of Wilmington. Mar-Del Baseball League

Table with 2 columns: Team Name and Record. Rows include Milton, Hickman, Clayton, Wyoming, Frederica, Millsboro with their respective win-loss records.

Results: Clayton 4, Milton 3; Wyoming 6, Millsboro 3, 13 innings; Hickman 8, Frederica 2. Sunday's Schedule: Millsboro at Milton; Clayton at Frederica; Wyoming at Hickman.

The torrid Mar-Del League race tightened Sunday as the result of three well played contests. Milton's four game winning streak came to a halt as Clayton eked out a 4 to 3 to even up for the whipping by Milton by the same score.

popped out and Charley Rodriguez singled home Cox and Bennett to sew up the contest. Atkins had pitched 2-hit ball until he faced Minner in the 9th. Paul Ellingsworth and Chet Windsor had 2 hits each for Millsboro, while Bennett's homerun, Berry's triple and Johnny Williams two singles paced Wyoming. It was the first extra inning game of the season.

Hickman moved up on even terms with Milton as they turned back Frederica 8 to 2 in a low hitting contest. Hickman jumped off to a lead in the first as they crossed the plate 4 times. Roy Kemp started for Frederica with Jack Moore coming in in the 5th and pitching shut-out ball until relieved for a pinchhitter in the 7th. Jim Postles finished up and was touched for 3 runs in the 8th. Charley Loper with 2 hits and Jerry Semans and Charley Postles with one each accounted for the 4 hits off Bill Howlett, Hickman hurler. Dale Palmer and Bill Bowman had two safeties each for the co-leaders. The sprawling play of both infields featured throughout. Billy Morris, former Milford High infielder, broke into the Frederica line-up with a bang by handling 10 out of 11 chances at second base. Jerry Semans also had a busy day with 7 chances. During the contest the Frederica outfielders failed to register a put-out. Carl Morris and Cal Lane ripped off 13 fielding chances in the Hickman infield. Jerry Semans to Billy Morris to Bob Glasco accounted for three double killing for Frederica which aided in keeping down the score.

This Sunday afternoon the results of the games booked could make a vast change in the standings especially if upsets should prevail. Millsboro will travel to Milton, Clayton appears at Frederica and Wyoming will be the visitors at Hickman. It will be the first meeting between the teams as in the opening round their games were rained out. Milton expect to be at full strength as they are host to the improved Millsboro nine as they must win to hold on to their present berth. Victories for Wyoming and Clayton and a setback for Milton would result in a four-way tie. Harry Barrett or Charley Carey, Milton High standout during the past year, will be ready to fire them over for Milton while Harry Evans or Lefty Atkins will go for Millsboro. Clayton will send out Lew Wright against Frederica as Bob Knight is on the injured list. Frederica will put their hopes in Jack Moore or Roy Kemp although they are angling for a new righthander. Bill Newman or Bill Howlett will get the mound call for Hickman as they strive to keep pace with Milton while Wyoming will have Ray Rich-

ards or Bill Millman set to go with Freddie Clemence a possibility. Plans are expected to be made this week for the annual Mar-Del League All Star game to be held in mid July.

Marydel

After a month's illness, E. J. Winsch passed away at the home of his son-in-law and daughter, Mr. and Mrs. L. H. Collison, Thurs., June 14, exactly eight months after the death of his wife, Mae A. Winsch, who died October 13, 1950. He was born in Fleetwood, Pa., March 30, 1871, the son of Mathias M. and Alveta R. Troxell Winsch. Up until the last six years when he came to Marydel he lived in Allentown, Pa., where he was an active member of Grace Evangelical Congregational Church. Since moving to Marydel he became actively engaged in church work in Calvary Methodist Church, serving as teacher of the adult Bible class. He is survived by his daughter, Mrs. Grace Collison, Marydel; four grandchildren, one brother, Frank Winsch, of Philadelphia, and one sister, Mrs. Florence Kramer, of Bethlehem, Pa. Funeral were held Monday at Grace E. C. Church, Allentown, Pa., with burial in the Fairview Cemetery, Allentown. The Rev. A. Z. Body, his former pastor, conducted the services. Those serving as pallbearers were: Willard Walp, Avondale; L. H. Collison, Marydel; H. Samuels, Robert Miller, David

Snyder, Charles Rupp, of Allentown, with Albert Jordan, Walter Schneck, of Allentown, and U. L. Harman, of Marydel, as honorary pallbearers. June 6 (1) Henderson School closed for the summer months. Miss Maude Hummer announced the following honor students for May: 5th grade, Jeanette Seward and Jacob Schrock; 4th grade, Paul Spence and John Medford. The school board is planning the addition of a third teacher for the school beginning with the fall term. This will greatly remedy the overcrowded conditions existing in the school during the past few years. Miss Elaine Koncer, of Wilmington, has been visiting with her parents, Mr. and Mrs. Leon Koncer, for the past two weeks. Miss Ruth Keek returned from Montrose School, Essex Falls, N.

Don't Ignore First Signs of Trouble It's funny how folks will keep putting off doing something about the way they feel. They'll keep the family automobile in fine working order, but too often they seem to ignore the first signs of trouble about their physical well being. Now, a lot of folks read about HADACOL pretty regularly... it's in the news almost every day... and they discover that someone else has been feeling the way they were feeling and by taking HADACOL soon felt fine again. They read case after case where HADACOL with its Vitamins B, B1, Niacin and Iron has helped folks suffering such deficiencies. Finally they try HADACOL, and from then on out these same folks who kept putting off trying HADACOL are its biggest boosters and are encouraging others not to put off taking HADACOL. When Marcus Dee Starkey, 1866 Farrow, Kansas City, Kansas, was troubled by stomach disturbances his wife bought him a bottle of HADACOL because she had heard what it was doing for folks suffering such deficiencies and Mr. Starkey now says he blesses the day she did this for him. Here is Mr. Starkey's statement: "Before taking HADACOL, I suffered such stomach distress after each meal I could hardly work. My wife bought me a bottle of HADACOL, and I will bless the day she did this for me. I took this wonderful discovery and after one week I was actually surprised at the results. I have now taken four of the large bottles, and that isn't all. I will continue taking HADACOL and recommend it." Remember HADACOL is that wonderful new preparation—promising

FLIES CAN COST YOU BUSINESS

Houseflies have begun to put in their appearance in Harrington. Now is the time to get out the spray guns and insecticides.

When we lived in East St. Louis, Ill., we ate at a "pitch-til-you-win" cafe on "Whiskey Chute."

An elaborate establishment on U. S. Highway 40, outside East St. Louis, put out an excellent meal for 35c.

We went into a soda fountain near the stockyards and ordered a chocolate malted milk. As we sucked on the straw, we felt a lump come up and lodge against the end of our tongue.

PASSING OF BUCKSAW PERIOD BRINGS TEARS, BUT NOT TOO MANY

We do not claim the present muddled situation is due entirely to the passing of the bucksaw era, although one can make a very strong case.

Only a man who has bucked a cord or more of wood in a 10 hour day will appreciate the full meaning of this essay's title.

According to research to date, the bucksaw was invented by D. D. Terrill of Bangor, Maine.

Mr. and Mrs. Willard Sapp were Milford visitors Tuesday. The Frederica Band has given two rousing serenades this week.

Miss Eva Thawley left last week for an extended visit with relatives in New Jersey and Delaware.

Journal Items of November 14, 1914

The Harrington Journal of 1914 had many advertisements which today uncover many facts of the town's history.

T. L. Adams, for instance, ran a hack from Harrington to Frederica to contact the steamer, Frederica.

John Baker had an advertisement as an auctioneer. He was later murdered here and the crime was never solved.

L. D. Short Lumber Company occupied the quarters now occupied by the Harrington Lumber & Supply Company.

W. G. Wechteniser had a restaurant and soda fountain on Commerce Street where Irene's Restaurant is now located.

Fred Gunner advertised himself as "The Hustler," and his address as the Knox Building.

and pressing shop. The Peoples Bank, then in quarters occupied now by Harrington & Raughley Grocery, advertised "protection for widows and orphans."

Funeral directors were S. I. Shaw and Fred Harrington.

G. Hearn Laws made concrete blocks and troughs, etc., in the rear of his home on Wolcott Street.

F. A. Collins, the father of Clarence, Marion and Alton Collins, had a barbershop over W. C. Wright's Hardware Store.

Cobee & Steen had the Harrington House on the present site of The First National Bank and part of that portion of Fleming Street adjacent to Commerce Street.

C. Fred Wilson and S. L. Sapp sold fire insurance.

The First National Bank was in the building now occupied by The Harrington Journal.

Wilbur E. Jacobs had a department store in the building at Commerce and Dorman Streets now occupied by J. Reynolds Kates and the quarters formerly occupied by the Village Steak Shop.

Downing Writes From London

Harrington Journal, Harrington, Del. Dear Carrington:

We arrived in London five hours late due to head winds. Also we stopped at Sidney, Nova Scotia, instead of Gander, because of bad weather.

In talking to some of the passengers we found people from Philadelphia, Boston, San Diego, New York, London, Sweden, Australia, Mexico City, Fiji Islands, etc.

Our hotel is across the street from Buckingham Palace grounds. We took a sightseeing trip around London today.

It is hard to get used to seeing traffic drive down the left side of the street.

The weather has been clear all day but rained a little about 8 p. m.

Expect to see the Festival of Britain tomorrow.

Yours truly, Fulton J. Downing

Letter to the Editor

Dear Reader:

One phase of the investigational work conducted by this division concerns places suitable for wildlife plantings.

Wildlife frequent such borders as they depend on the woods for some types of shelter and on the fields for much of their food.

Woodland-cropland borders often need a low vegetative cover to prevent washing, provide a turn row or prevent the woodlands from growing out into the field.

Field crops do not grow well on the tilled land close to a woods edge and hence wildlife plantings may be substituted for them.

Of these three reasons the first is too well established to be tested further.

The second reason is fairly obvious to most farmers.

The third has been well recognized further south but the width of the relatively unproductive zone in this part of the country was imperfectly known and needed more study.

Beginning in 1949 and continuing through 1950, studies were conducted by Mrs. Elizabeth T. Caulk, technician, to determine at what distance from the woods edge it is profitable to plant a crop.

The study points out that a farmer expends the same time and money on outside rows of his fields as on the inside rows.

3,110 linear feet of corn planted next to the woodland edge was measured for yield.

It was concluded that 15 feet perennial plantings on the border between cropland and woodland would serve as a cover crop, feed wildlife, and utilize an area normally operated at a loss to the farmer.

A party was given at the home of Mr. and Mrs. Elmer Betts Wednesday evening in honor of the second birthday of their son, Leroy.

Twenty Years Ago

Diplomas were presented to the following Farmington pupils: Betty Haberstick, Kathleen Raughley, Ivah Baker, Lottie Baker, White Hammond, Katherine Bradley, Virginia Langford, Raymond Parsons, Louis Kielbasa, Robert Alexander and Leon Rust.

Twenty-two students were graduated from Felton High School:

happened since we won the state championship several years ago. Mrs. Minnie Slaughter, her mother, Mrs. Price, and Miss Oda Baker have been spending some time at Oak Orchard.

Notes of Local Highway Yard

After several days of vacation, W. A. Swann is again back at his usual post of duty.

Visitors are always welcome at the highway yard and their criticisms as well as their compliments will be cheerfully accepted.

Color Changer

Of interest to the architect is the fact that, together with bronze, nickel silver alloys, with suitably chosen nickel content, afford a wide and graduated scale of colors in metal ranging from reddish bronze, through pink, to gray and the white of the alloys containing as much as 30 per cent of nickel.

PERFECT "BABY SITTER" FOR TURKEYS

On a farm near Cambridge, Maryland, 3500 turkey poults, now four weeks old, are being raised under infrared lamps by Henry Keeler and Frank Larsen. This pioneer effort in turkey brooding came about after the turkey growers observed the advantages of chicken brooding with infrared lamps.

The lamp units are suspended on chains for easy adjustment of height as the poults grow. Temperature changes are met quickly and conveniently by a flick of the electric switch. The right degree of heat is maintained by using part of the lamps or all, as needed. After four weeks of experimenting with infrared brooding, the owners state, "We would not willingly go back to any other method of brooding the poults." They believe this flock is developing and feathering out faster than previous flocks have.

They know the flock spreads out in the house, with every bird in plain sight for checking at all times.

W. C. Pierce, manager of the Industrial Sales Department of Eastern Shore Public Service, and his associates, work closely with the turkey ranchers to keep records so they can show others how to profit by using infrared lamps for turkey brooding. They note that the litter is drier; that all fire hazards are eliminated.

Houston

Sunday School at 10 a. m. "What Does Persecution Do to Conviction?" will be the subject. Lydia Williams and her brother, Junior, will have charge of the worship service.

The Daily Vacation Bible School opened Monday morning with a goodly number present. School opens at 9 a. m. and closes at 11:30 a. m. All children ages from 4 to 16 are invited.

The services Father's Day were largely attended; 135 being present in the Sunday School. The offering was quite large and it will be applied to the debt on the annex.

A quartet composed of Mr. Gott, Mrs. Webb, Mrs. Hayes and Mr. Jump, sang, "I'm a Child of the King," which was much enjoyed. The Junior Choir visited the Avenue M. E. Church, Milford, Sunday morning and we hope it was a pleasure.

The basket of beautiful flowers on the altar Sunday morning was presented by Mrs. Ruth Messick in memory of her father, Mr. Clendaniel.

We were very shocked when we learned of the sudden death of Alfred Collins Saturday morning. He was found in a field where he had been hoeing corn. He lived near Williamsville. Funeral services were held Wednesday afternoon in the Lofland Funeral Home, Milford.

Mr. and Mrs. Armour Purcell and children returned home Thursday of last week after spending some time with his father, Andrew Purcell, in Riverview, Va. Mrs. Jennie Armour and Mrs. Josephine Wyatt also returned with Mr. and Mrs. Purcell after visiting with relatives in Front Royal, Va.

Miss Bertha Belle Wilson, who has a position at Lewes, spent Father's Day with her parents, Mr. and Mrs. G. A. Wilson.

Mr. and Mrs. George B. Thistlewood and daughters, Nancy and Anna Lee, and Mr. and Mrs. Merrill Thistlewood went to Wilmington Sunday afternoon to visit Mrs. George Thistlewood's sister, Miss Hazel Sharp, who underwent a major operation Tuesday of last week in the Delaware Hospital. Miss Sharp is a graduate nurse of the Delaware Hospital. Her condition is just fine.

At the June meeting of the W. S. C. S., which was held Thursday evening, June 14, Mrs. Merrill Thistlewood accepted the office of president, making a com-

plete slate as follows: President, Mrs. Thistlewood; vice-president, Mrs. Howard R. Moore; recording secretary, Mrs. James Simpler; treasurer, Mrs. Wm. Davis; promotion secretary, Mrs. Wm. Johnson; spiritual secretary, Mrs. H. R. Moore, and secretary of missionary education, Mrs. Joseph Hayes. At the close of the business session a most enjoyable program was presented. Mrs. Robert Yerkes and Miss Hazel Sapp sang a duet. Mrs. Edna Sapp gave very interesting readings and Mrs. Webb sang a lovely solo entitled "My Task." The group also sang several numbers and during the social hour the hostesses, Mrs. Blessing and Mrs. Robb, served delicious refreshments. This was the last meeting of the society till September.

Mrs. John R. Brittingham spent several days of this week with her son, Russell Jones, and family in Dover.

Porgies Starting

Fishing boats operating out of Bowers Beach are beginning to catch porgies off the wreck of the Mohawk and the 14-foot light, W. G. Weber, of Weber's Boat Dock, said Sunday. Surf clams are used as bait.

Fishing last week was rather poor due to rough weather.

Frederica

Miss Sylvia Betts Dodd when graduating this month from Peabody Conservatory of Music, Baltimore, was singularly honored by being the only senior and one of three students initiated into Phi Mu Epsilon, National Honorary Professional Music Sorority.

A piano pupil for 15 years, she graduated with the top ten honor students in a class of 385, from East Orange High School, N. J., where she was pianist for the orchestra, a pupil and featured recitalist of Miss Helen Lang, who studied abroad under Madame Craun, considered the greatest woman pianist. She was president of the World Friendship Guild, the Spanish Club and a church school department assistant at Calvary Methodist Church, there.

She is a graduate also of the Peabody Preparatory School, Baltimore, and attended George Washington University, Washington, D. C., where she took a pre-medical course.

Miss Dodd is a native of Frederica, where she has always spent her summers with her grandmother, Mrs. I. W. Betts, Sr. and the late Senator Betts. She is the daughter of Mr. and Mrs. Herbert J. Dodd, of Frederica and New Jersey.

It was not surprising that Miss Emily Morris, of town, was one of two honor students selected by the Caesar Rodney High School faculty to give one of the commencement essays.

Miss Morris, daughter of Mr. and Mrs. James H. Morris, Sr., has been a leader in school activities there, having been in the glee club, F. H. A., Student Council and Crisp. A commercial student, of high standing, she well represented her class.

Frederica feels singularly honored also in sharing with Miss Mary Emily Miller, daughter of state supt. of public instruction, Dr. George R. Miller, Jr., and Mrs. Miller, the joy of her leading her senior class at Dover High School, and taking seven of the ten class honors, as the highest college preparatory student. Her honors were won in academic English, science, Latin, mathematics, music, social studies.

David Moore, Jr., USN, son of Mr. and Mrs. David Moore, was on a weekend pass during the last two weekends, and he came up from Norfolk, Va. to be with his parents.

Mr. and Mrs. Neils Jensen and daughter, of Milford, were Saturday guests of his parents, Mr. and Mrs. Andrew Jensen. Last Saturday Mr. and Mrs. Andrew Jensen had dinner with their son-in-law and daughter, Mr. and Mrs. Benjamin Van Sant.

Frank Beebe has returned from a week's motor trip to Atlanta, Ga., where he went to visit his friend, Carol Rentz, who is stationed at an army camp there. Rentz formerly resided near town.

A recently married couple, Mr. and Mrs. Nelson Merchant, of near town, had a gala time with friends and relatives Friday evening when a shower was held at the town hall. An orchestra furnished music and square dances and modern dances were much enjoyed. Refreshments were a part of the festivities.

Mrs. Estella Brittingham, of Felton, was the Sunday luncheon guest of Mrs. H. J. Dodd.

Mr. and Mrs. Howard Beebe, with their daughter and son, spent Sunday at Oak Orchard.

Mrs. Everett Wilson is improved

in health and is able to go out-of-doors and to attend to her household duties.

Mr. and Mrs. W. W. Wilson have repainted their home and garage white. The house has a roof of attractive green.

Mrs. C. Hoey Gross is reported to be not so well. Mrs. William Brown, of College Park, Md., and Miss Claramond C. Betts, of Wilmington, who had been her guest for a week, were recent callers of town relatives and friends, when enroute to Rehoboth for a visit.

Mr. and Mrs. Howard Davidson spent the weekend with Mrs. Davidson's son and daughter-in-law, Mr. and Mrs. Elwood Cahall, Philadelphia.

Mrs. Jessie Walstrom, a former resident of Frederica, who is now living in Florida, is visiting Mr. and Mrs. Clarence Person and other friends here.

Mr. and Mrs. Herman Vinyard attended high school graduation exercises in Wilmington last week when their granddaughter, Miss Janet Vinyard, was one of the graduates. Janet is the daughter of Mrs. Joseph Vinyard, of Wilmington, and Mr. Vinyard, of Chestertown, Md.

Dr. Harold G. McCurdy and Dr. Mary D. McCurdy arrived with their two children, John and Ann, of Chapel Hill, N. C., Friday. All are guests of Mrs. Lester L. Carlisle, Sr. for a few days, after which they expect to open the Derriksen some for a short time.

The Frederica Sunshine Society met Tuesday and Mrs. F. Alonza Morris, the president, presided. The group approved the scheduling of meetings for every third month. This would not, of course, preclude a called meeting at any time.

The MYAF had a very successful bake at the Community Building Saturday. The proceeds are to be utilized for improvements.

Mrs. I. W. Betts, Sr., of town, with Mr. and Mrs. H. J. Dodd, have returned here and Mrs. Betts has opened her home after having been out-of-town for the greater part of the winter. Mr. Dodd, who has been on a nexted annual sick leave for six months from the federal government, has returned to New Jersey. Mrs. Dodd is spending the week in New York City.

The Wilson and Gerow Store, on North Market Street, makes a fine appearance in having been newly painted red, with white trim. The metal warehouse has been aluminized with white trim.

Asbury Methodist Church Notes

Church School begins at 10 a. m. with Howard Wagner in charge. The lesson in the International Series is "What Does Persecution Do To Conviction?" and is a study of the Christian church when it was a small minority group, and with applications to our modern day. Classes for all age groups. You are welcome. Morning Worship begins at 11 o'clock. Nature Sunday will be the theme of the minister's sermon. "Consider the lilies of the field," will be the text. Evening Worship begins at 7:30. All are welcome to attend this service of praise and meditation. Community Vacation Bible School will continue until Friday, June 29, with closing exercises at Asbury Methodist Church at 7:30 p. m. on that date. All are invited to attend this demonstration by the pupils of the school.

Snowplow Under Ground In New York's new \$24 million dollar bus terminal a snowplow—85,000 feet of pipe buried in the concrete—will keep the ramp surface free from snow and ice. A new type of oil is used to keep the pipes warm enough to melt snow and ice.

The Pathfinders Sunday School Class of Asbury Methodist Church will meet at the home of Mr. and Mrs. Harold Fry with Mr. and Mrs. Luther Hatfield assisting on Wednesday instead of the regular meeting date of June 29. This is due to conflicting dates.

THESE folks are enjoying something that's being pioneered by Buick. It's freedom from the blinding glare of bright summer sunlight. It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield. These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass with a cool, soft, blue-green tint, in every glass area of the car, front, side and back. Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows. This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night. As we've said, this is something Buick owners were the first to enjoy. It takes

its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflo.\* As we've also said—rather modestly—"Smart buy's Buick." Come in soon and find out what an understatement that really is.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Buicks.

No other car provides all this:

- DYNAFLOW DRIVE\*
- FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING
- DUAL VENTILATION
- PUSH-BAR FRONTEND
- TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS
- DREAMLINE STYLING
- BODY BY FISHER

When better automobiles are built BUICK will build them

WHEELER RADIO STORE NEWS

Twenty-five or more years ago I sold a man a radio long before any electric set was made and today he comes in my store and buys a television. A man in his declining years at that. What a great idea, as he at one time was able to go out and see the world and now to make it so much easier for him he brings the world right in his living room. In fact I have seen actual fighting in Korea over our television. Of course there are many different makes of televisions but don't take chances take it from me and buy a Philco.

A few days ago we installed a Philco between two competitive makes and the Philco out performed both of the other two.

If you don't think you would like to have a television, you are certainly thinking wrong. You should have one if there is any way available and after you get it tell me then that you don't want it and you will be the first customer I have had who didn't want a television.

I know you are no different from anyone else so why wait? Are you worried thinking that color will come along in a few years and make it obsolete, if so, come and read the telegram hanging in the window at my store and it will enlighten you along that line.

If it is money that is holding you back, stop worrying about that as I will even pay for installing the aerial, booster, televisor in fact everything. Then you pay by the month after paying the usual down payment. Start making a deposit now on your down payment and your TV will be ready for installation before you know it.

Well summer time is here and of course that means hot weather. Then we think of fans and other means of keeping cool.

If you are able to do so let us plug in an air conditioner and then again a fan will be a lot of comfort on these hot sultry days. One good nights sleep is well worth all that a fan costs. And remember it doesn't melt but lasts for a good number of years. Buy one now while you can get a good selection.

I would like to talk a little on the new Ironrite Ironer. I am unable to get enough for the demand but if you are thinking of getting one put your order in now. Of course you will see them demonstrated at the fair. There is only one Ironrite at the only one that you can iron at either end.

See it and oh boy, your husband will have trouble on his hands until?

GAS, GAS, GAS, GAS, GAS, BOTTLED GAS, BOTTLED GAS, METERED GAS, METERED GAS.

We serve it both ways take your choice. Come in select your gas range and let us install it as well as taking care of it for you. We will serve you gas if you purchase elsewhere or move here from some other place.

Of course we would like to sell you a new range so you will get better results than you would from your old one.

We have several on hand and all you have to say is hook her up.

Did you say people use wall paper only in the spring and fall during house cleaning time?

Folks you are wrong as people today paper the year around in fact our wall paper business is larger all the time. Why? Well we try to keep a good line of patterns and a fair trade price.

Our ceilings are only 35 cents per double roll. Where else can you get it for that price and think of border only 2 cents a yard.

Come in see us when in need of wall paper or wall paints, we have them.

Of course you know we are now displaying some concrete urns, bird baths, flower urns, seats, etc., all made of concrete finished in white and colors. If you want something to last forever buy them.

Talk Peace Not War. Our boys will soon be rolling home.

Remember them they not only asked for but fought for it. Adv.

and his wife too. The more the merrier. I'm so lonesome just to walk down the main street.

Funny me, after traveling in 39 states living in a different hotel every day liking little ole Harrington.

I'm going over to press box but I can find out more just hanging around.

They talk about how fast the horses are going down there. Well they don't do so bad up here. Very few slow class races.

Carrington, why don't you come up and stick around a few days. Now I want to see this in the paper. For we really would enjoy you coming up.

Heh! Ralph and Bea Smith, how's the fishing going down there? And how are the kittens coming along? Ralph and I went fishing and I didn't get any fish heads. You know what I mean. So Sunday Betty, Ellis, Dave and I are going up to Canada to see what we can do.

They have taken the picture that was taken of our front where the barns burned up last year to file for future use. You see that barn was 45 years old. Even it was outside shed stalls with a walk through lane in the middle. Old sheep barn.

So Betty and I rode by so she could see where it all happened. The grim reminder is nothing but the water pipes sticking up. The beautiful trees that were 75 years old or older are all scorched. They will have lime spread out and under the moonlight it is very sad. The stalls with the tent top is across the road from where the fire was.

Little Queenie Nesbit, the race track sweetheart seems to be a little better. Some one gave her a kitten, a new bike and a puppy. She came over to visit me in the paddock and really had a smile on her face.

The Harrington's horses, Tracer Bullet and Mira Lee, are doing alright. Mira Lee was burned pretty bad.

Mr. and Mrs. Ralph Bowers' horses are doing very good up here this year. However, their horses are stabled across the main road and not on the grounds.

Who lists to Arthur Godfrey's talent scouts? I do. What a quartet.

The sun is going down and the lights are coming on out at the track, every thing is quiet. First race is about on. The grandstand and club house are all aglow. You see my trailer and our stable faces both. Really a picture at night. I'm very proud of our outfit at this location.

Thanks for the most wonderful letter Mayor Rash. Dave and I will cherish it for a long time. And now for a good Italian

spaghetti dinner. And there is a very good place that serves only that kind of food down on South Park Blvd, close to Buffalo.
