National Guard To Use Buildings At Fairgrounds

Battery C-193 AAA AW Battalion, Delaware National Guard, to Harrington, was granted the use of two buildings at the fairgrounds at a meeting of the directors of the Kent & Sussex Fair Association Friday evening. Adjutant-General Joseph J. Scannell, of the National Guard, attended the meeting.

The buildings designated will be the 4-H Club Building and the Agricultural Building. Preparations are being made to renovate the structures to fit the Guard's requirements.

W/O William J. Watson, permanent duty assistant, and Sgt. ing, just about tops anything in Andrew J. White of Milford, by Harold R. Chester, Pa., were also overnight States Army. He taught voca. His guess, however, was strengthtional agriculture for a year at ened by the fact that the im-

> minimum of steel. The groundwork for the building program began in December, 1949, when a bond issue of \$210,000 was voted in at a referendum to match \$129,000 appropriated by the state. This total of \$339,000, however, was a far cry from the \$511,643 stipulated in the lowest bid. Had the gymnasium been eliminated from the project, the costs would

> still have been \$444,564. The financial aspects of the case are as follows: \$339,000 available in 1950 to meet a bid of \$511,643. The past General Assembly voted \$201,600 to the local district, provided the dis-

Sylvester enjoys reminiscing on have to be received, and it is have risen 15 per cent since the original bidding. Furthermore, funds will be necessary for contingencies, or emergences. Then there is the architect's fee of roughly 7 per cent of the lowest bid. The architect, in this case, Walter Carlson, of Wilmington, gets 75 per cent of his fees after bid is let and the remainder after construction has been completed. The architect, in addition to drawing the plans, has to keep

The referendum will ask for \$134,000. In the event it is successful, the \$4,840,684.08 assessment in the district will be taxed an additional \$1 per \$1000. The present tax is \$4 per \$1000, on property with a head tax of \$2. There are 2844 voters in the school district, Mr. Messner said While preparations are being made for the referendum, a special meeting of the Parent-Teachers' Association, at which the general public will be invited, will be held at which the architect and others will be on hand to answer questions.

Previous to the meeting Tuesday night, Mr. Messner said that the installation of a new roof on the old school building, built in 1912, would be completed this week. He added that new floors, ceilings, and stairways for the building were also contemplated.

Young Lobster Habits

The young lobster molts or sheds its bony shell as often as a gradeschool boy outgrows shoes. Beginning from the second to the fifth day after birth, the lobster sheds up to 17 times the first year of its life and continues at a slower rate thereafter. At each molt, a small lobster can grow as much as 20 per cent.

Ashes of Buddha

Gautama Buddha, at his death about 438 B. C., was cremated with great ceremony. Tradition says that his ashes were divided in eight parts an distributed as sacred relics, thus giving the founder of Buddhism many monumental mounds.

Secretary of the control of the foreign and the control of the con

the teaching profession is an essential first step toward the solving of the problem. Dr. Miller added that the State Board of Education is aware that the level of instruction in our public A.M. schools is directly related to the caliber of the teaching personnel and the adequacy of numbers to teach our boys and girls. This action by the State Board of Education is a direct move to maintain the high level of Dela-

improvement in all cases, Dr. Miller stated. Above all, Dr. Miller added, it is necessary to have the support of an aroused public opinion for the establishment of a scale for P.M. all school employees that will

ware education and to continue

Because the shortage must be attacked at once the State Board of Education in the resolution submitted stated that just ten days ago 56 unfilled positions existed. The resolution also points up statistics from the U. S. Bureau of Labor relating to the rising cost of living.

The resolution in its entirety is as follows: RESOLUTION

WHEREAS, an attractive teacher salary schedule must be established to induce capable young people into the teaching field. (Because the teacher salary schedule was adopted two years ago, the number of young people Lester Thomas Kelley, 24, Preston, and Ina Mae Nichols, 21, Federalsburg.

James Lacovara, 41, Manhattan, N. Y., and Carmella Vlano, 39, Manhattan, N. Y.

Frank Nelson Buckle, 22, Ridgelly, and Helen H. Nemith 18.

Lester Thomas Kelley, 24, Preston, and Mrs. Richard M. Boy, Mr. and Mrs. Turner B. Hastings, Dover, Aug. 27.

Girl, Mr. and Mrs. Turner B. Hastings, Dover, Aug. 27.

Boy, Mr. and Mrs. Wm. Edward Davis, Smyrna, Aug. 27.

Boy, Mr. and Mrs. Richard S. Schedule has not kept pace with Stevenson, Dover, Aug. 28.

Boy, Mr. and Mrs. Richard M. Boy, Mr. and Mrs. Richard S. Schedule has not kept pace with Stevenson, Dover, Aug. 28. enrolling for teacher training in

living), and WHEREAS, of the seventy-one teachers who will not return to the high schools of Delaware outside of Wilmington, there are thanks to a new scientific method still 22 teachers to be found as of extracting high grade iron ore of August 20; in the elementary from magnetic taconite rock and schools outside of Wilmington concentrating it in a pellet form, there are 36 unfilled positions,

WHEREAS, it is presently impossible in many cases, because of budgetary limitations, to maintain the salary schedule and outside the industrial field, has a to pay candidates the salaries to glass. It neutralizes the green colwhich they are entitled by rea- or caused by iron impurities, and son of education and experience when added in sufficient quantities, on the schedule, and Delaware turns the glass to a ruby color.

Themes P. Mick

In sad and loving memory of Robert M. Dill, who passed away Sept. 5, 1947.

They say that time heals all sorrows.

And will help us to forget.

But time so far has only proved,

How much I miss him yet.

God gave me strength to fight it,

But what it meant to lose him,

Mally God will ever know.

Sadly missed by his mother.

Faulkner Family **Builds Modern** Dairy Barn

Family co-operation brought a modern dairy barn to the farm of George Faulkner, Sr., of Cordova, Md., and fulfilled three years of planning, says Pet Dairy

"My old stable wasn't much good, and it was too cold and small inside," Mr. Faulkner says. Family initiative made his plans take shape. In April this year, Mr. and Mrs. George Faulkner, Sr., Mr. and Mrs. George Faulkner, Jr., and the youngest son, Robert, all pitched in and started to work. George, Jr., laid the blocks, while the rest of the family helped make concrete, carried the blocks, and lent a hand with the trowelling. The men did most of the woodwork.

will save \$1500 in labor costs by doing the work themselves.

power at the plate. Gene Hands a Yankee fan. big guns for Hickman.

Wyoming is expecting keen these parts of the country. Horses time. opposition from the 4th place Millsboro nine, a real competitor in the final weeks of the season. After securing righthander Al Beebe they began to find the range and have been a constant threat. The hard-hitting of Howard Mitchell has also been a big measure towards the success of the Sussex team. Pilot Michaels will call on the same line-up that has carried him through the season. Charley Rodriguez, Reds Minner, Nolan Cooper and Harold Bennett will cavort around the infield while in the outer gardens Drex Cox, Johnny Williams, and Aib Berry loom as starters with Harold Hopkins and Earle Quillen expected to see see action. Hard-hitting Bill Rash will be behind the plate for Wyoming with Jimmy Carroll as his understudy. On the mound the runner-up tossers are well stocked. Freddie Clemence, Hiram Godwin, Bill Millman and Ray Richards will be available for duty. Richards holds two victories over the Millsboro tossers with Clemence winning another as they rolled up a 3-1 edge for the season. Allen Beebe tripped Wyoming in one clash with Bill Millman going down to defeat. Millsboro is expected to line-

up with Bob Thompson at 1st, Paul Ellingsworth at the keystone, Howard Mitchell, short, and Tony Georgiana at third. Rogers, Brittingham and Davis will room the outfield. Manager Chet Windsor will be behind the plate to handle the tosses of Al Beebe with lefthander Freddie Atkins in reserve.

Howard Mitchell is the big threat at the plate for Millsboro although Bob Thompson has been hitting hard of late and the return of Tony Georgiana will improve the Millsboro attack.

The scene of the semi-finals series will change on the following weekend with Clayton at Hickman and Wyoming the attraction at Millsboro.

Plant Southern States COVER CROPS And Profit 4 Ways!

Prevent Excessive Soil Erosion -Cover crops hold the fertility of your soil by preventing erosion. They save you untold dollars in lost fertility.

Enrich the Soil-Cover crops can be used as green manure. In this way they add organic matter and increase the fertility of your soil. This practice will cut your future fertilizer bills.

Save Feed - Southern States cover crops provide good late fall, winter or early spring pasture. Help keep your feed costs low.

Increase Future Yields-Cover crops keep your fertile topsoil in place. They add valuable plant food to the soil and prevent soil erosion and the loss of available plant food ... cover crops assure you of greater yields.

Harrington, Del.

TRAIL BLAZERwith plenty on the ball

Harrington, Del.

Tow long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. It's packed with horsepower-high, wide and handsome-more horsepower than normal drivers will ever use in full.

And-if you're up to date on modern features-you'll find that this bonnet is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. No Buick engine has ever been built in any other way.

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: Buick has been stepping up compression ratios for years.

But Buick has blazed one trail which other engines still haven't followed-don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there is a comet - rolled into a swirling ball by a special turbo-top piston - touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine - and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us

Life Expectancy Progress in extending the averrapid in the industrial population than in the population as a whole.

Memorial Day

In 1868, General John A. Logan ordered that May 30th be set aside each year to decorate the soldiers' graves with flowers. Logan was commander in-chief of the Grand Army of the Bepublic.

Lots of Morses

One thousand electric motors with a combined capacity of about 30, 100 horsepower, are used to power

A HAPPY HOMECOMING -- When you serve

The finest strawberry preserves money can buy - - fresh from our modern kitchens - - offered this week at a sensationally low price. Made of luscious, sweet, red, ripe Strawberries and sugar - - nothing else added. It's smant to stock up - - get several jars at this unusually low price.

You Save 8c a jar on these extra delicious cherry preserves. Glenwood Currant or Apple

Specially priced this week - - regularly 19c a glass - - Buy 2, save 9c Ideal Old Fashioned

Made from an old Pa. Dutch recipe. Reg. price 22c a lar. Supreme in Quality and Value - -

Supreme Children love Supreme Bread because it's soft, not "dry" and tastes

good -- and parents like that saving of up to 4c a loaf. Spread it with Louella Butter and Ideal Strawberry Preserves. A New Virginia Lee Bakery Treat

Butter and topped with sliced toasted nuts. It's a delightful taste treat that makes you reach for a second piece. Gold-N-Snow Cocoanut Layer Cakes • 79°

Here's a delicious, sweet Coffee Cake made with famous Louella

on party-line telephones, too

Little courtesies, like offering your seat to a ady, help to make life happier.

Consideration for the other fellow is the basis of good party-line telephone service, too. If you are always courteous on the telephone, you're sure to find your party-line neighbors the same. Remember the three R's of partyline courtesy - Relinquish the line as soon as possible when you hear others try to use it; Replace the receiver gently when you find the line in use; Regulate your calls so that others may use the line in-
