**Senior Personality - Frank David Bradley**  
 Frank David Bradley was born April 5, 1936 near Harrington. Frank is a member of the FFA. He has taken part in the high school band for the past four years. With apologies to the poet, Milton, we state that Frank is full of "quips, and cranks, and wanton wiles nods, and becks, and

wreathed smiles." His classmates will surely miss those side remarks. Frank is the PEI of the National Guard. After graduation he plans to become a farmer.  
**Edward Smith Hobbs**  
 Edward Smith Hobbs was born in 1934 at Harrington. He has always attended Harrington School and is taking the vocational course. He has been a member of the band for nine years. He was vice-president of the band in 1952-53. His favorite sport which he has played for the last four years, is baseball. His dry humor can surely keep us laughing, especially on a night bus home from New York. Ed owns a promising, young race horse, Maryland Downes, which he is training himself. After graduation, Edward plans to work on his father's farm.

**Freshman Dance**  
 The Freshman Class held a dance Friday night in the auditorium. The gym was decorated in pastel colors with streamers at the end and hanging from the basketball nets. "Class of '57" was pinned on the curtains. Homemade refreshments were sold. The climax of the evening came when a parachute filled with balloons and confetti descended on the dancers. \$86.10 gross was made.  
**Senior Odd Day**  
 Friday, May 21 was Senior Odd

Day. All the seniors were dressed as the funniest characters imaginable. At the beginning of the assembly, the seniors paraded into the auditorium to the music of the band. Wayne Cooper served as master of ceremonies. They had the class poem by Nancy Langrell. The Seniors then sang their class song, written by Gladys Mae Hill. Dale Sullivan read the Juniors' prophecy for the Seniors. At the end of the assembly everyone stood and sang the Alma Mater. The Seniors then paraded through the grade school and were very much appreciated by the younger children.

 President, JoAnn Brown, Harrington; vice president, Ronnie Stevens, Smyrna, and secretary-treasurer, Shirley Kates, Harrington. After the election of officers, a discussion concerning segregation was brought forth. Smyrna asked that the first meet-

ing of the Kent County Council next school term be held at their school.

**Jayvee Baseball**  
 The Harrington Jayvee Baseball team completed its season with a record of 7 wins and no defeats. Last Wednesday they defeated Caesar Rodney 18-6 and closed their undefeated campaign with a close win over Felton on Friday 7-6. The boys had to come from behind and make up a 5-1 deficit in the Felton game. Trailing 5-4 in the sixth inning, Porter and Wilson singled and Link blasted a triple to deep left. Link scored a moment later with what proved to be the winning run when Temple laid down a perfect squeeze bunt. Jack Porter al-

lowed but five hits in posting his fourth triumph of the season. The team averaged 15 runs per game and had a batting mark of .366. Bob Wilson led the team with an average of .500, Porter was next with .464.

**Why Poultry Buyers Pay a Premium for Broilers Protected with SULFAQUINOXALINE**

Poultry buyers pay premium prices for quality broilers. Don't let coccidiosis cheat you out of higher returns for your birds. Your first step is to purchase a quality feed containing preventive levels of SULFAQUINOXALINE. Exposed birds protected with SQ feather uniformly, without delay, and have better shank color. Market weights as high as 12 per cent above those of unprotected birds have been reported. This type of top-quality finish brings greater profits. Production costs are cut as much as 9 per cent when you prevent coccidiosis with SULFAQUINOXALINE. This is because deaths and stunting are drastically reduced. Feed efficiency may be increased by an average of 6 per cent. You can feed SULFAQUINOXALINE right up to marketing time. Used successfully in thousands of flocks, SQ is the only product effective against all dangerous poultry coccidia. Don't take a chance; SQ may make the difference between profit and loss. Tell your dealer you want feeds containing SULFAQUINOXALINE.

### 5 Teams Tied For Lead in Mardel League

Frederica	2 1 .667
Lewes	2 1 .667

Wyoming	1 2 .333
Ridgely	1 2 .333

The Mar-Del Baseball League was tied in knots Sunday as five teams shared the lead with 2-1 records after Sunday's action on the lower Delaware front.

Viola visited Henderson and was dropped from the unbeaten ranks, 1-0, in a mound duel by Harry Semans and Henderson's Tom Tucker. The winners joined in the five-way tie with Felton, Lewes, Frederica, and vanquished Viola.

Lewes whipped Wyoming, 3-3, at home, cuffing three Wyoming hurlers for 14 hits. Felton got into the first-place act by belting Ridgely, Md., with manager Cliff Chambers getting the win in relief of Bill Millman who pitched to two men but had to retire with an ailing arm.

Frederica topped Harrington, 7-1, behind the combined three-hit pitching of Bob Knight and Hal Rothermel. Knight, working the first six frames gave up two of the hits, fanned 12 and aided his cause with three hits.

From where I sit... by Joe Marsh

**"High-Priced" Mistake**

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week. One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$149.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go!"

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red sold that suite for the real sale price, of course.

From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a bargain to be more careful in the future.

**Live wire that really looks it**  
(One reason why Buick is such a big success this year!)

**ITS** sports-car lines tell you there's lift and spirit here enough for any man. Even standing still this glamor car looks alive.

And that look-of-tomorrow styling that's part and parcel of every new Buick — that sweeping panoramic windshield with the dream-car slant — all that says there's action here, and plenty of it.

But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water.

It's the livest of the live wires—the highest-voltage Buick in the line.

It is instant on getaway, a joy in cruising, a breeze on hills — and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs.

It is, in fact, a 200-horsepower performance car, and priced far below it — the highest-powered car at its price in the land.

With this great-powered good-looker setting the pace — and with equally impressive SPECIALS, SUPERS and ROADMASTERS adding to the excitement — is it any wonder Buick today is outselling every other car in America except two of the so-called "low-price three"?

Come in and try one of these gorgeous new Buicks. With the prices we're quoting, you can make the buy of the year this very week.

WHEELER'S TELEVISION CENTER

Yes, Decoration Day is about here again and let's not forget it is a day to remember the ones that fought and died to give us our liberties. I know there are lots and lots who think it is just a holiday and much planning is being done to make it a pleasant one. Only let's not forget what Decoration Day stands for. While you are planning for your outing, this happens to be a long holiday and to keep up with the times, take along a portable radio-one that you can take down on the beach—in fact, keep it in your own room or take it back to school when you if you are going to College.

with a shoulder strap. Mighty smart to have one. I might say we have just received a couple thousand rolls of new wallpaper for kitchen and bedrooms as low as 20 cents a roll. During this Saturday we are still giving away with all purchases of a full room of paper border free. This will go off June 1, so now why not decorate that room for Decoration Day and your whole family will celebrate. Did you listen to Betty Furness the other evening on TV about electric fans. Well, if you didn't let me tell you. We are going from winter into summer with a very short spring. That means you will be needing fans very soon, and I want to tell you we have them. Also air conditioners. Did you know Philco has sold more air conditioners than any other make sold. This is proof that the public knows a good thing when it sees it. So why not you, you, you and you buy the

most popular air conditioner made—Philco. Continued Drop in and see what we have to offer in air conditioners. Did you say that refrigerator of yours was on its last legs or about ready to fold up? Before it lays down and draws its last gasp, trade it in on a brand new Westinghouse or Philco. You will marvel at the low cost of operation as well as keeping-quality of foods. There are so many new features in the new 1954 refrigerators that I simply could not explain them without a personal contact. Come in now if interested. Yes, there is still time for us to install that new gas range at a no charge for installation. This applies until June 1, then the lid is on again at regular installation price. We sell gas by the meter or by the tank, so select whatever service you desire and we will en-

deavor to please you.
