

Business Association to Ask City to Improve Water System

The Executive Committee of the Harrington Better Business Association will appear before the City Council, at its July meeting, with a request for an improved municipal water system.

At the same time, the committee will offer to work with the Council in formulating plans for the project.

The need for an improved water system, especially apparent in hot weather, was pointed out at the June meeting of the business association Monday night in The First National Bank Building which will henceforth be its regular meeting place.

Low pressure, the need of more water, and the possibility of expansion of building construction in the community, were some of the factors leading up to a motion to appear before the Council.

An additional water tank was one of the items mentioned as being urgently needed. This feature, it was pointed out by Fulton J. Downing, the association's president, would supply more water, give more pressure through current mains, and would make for a more efficient use of the pumping system. The fulfillment of the project would entail a bond issue, it was felt.

In a busy session, Mr. Downing also appointed many committees, as follows:

Retail-Clarence Collins, chairman, Samuel A. Short Jr., J. Edward Taylor, Roland H. Stayton, William Shaw, Franklin Tucker, William A. Wheeler, and Michael Hudak.

Membership-Carrington H. Burgess, chairman; Clarence Collins, Arnold Gilstad, Ernest Killen, Charles Peck Jr., William Minner, and Charles Jeread.

Industrial-Samuel Williams, chairman; Carrington H. Burgess, John Parks, Arnold Gilstad, and Joseph Callis.

Agriculture-Charles Peck Jr., chairman; Walter Messick, Gayle Smith, Jesse Trotta, and Dewitt Tatman.

Advertising and publicity-Carrington H. Burgess, chairman; Arnold Gilstad, and Samuel A. Short Jr.

Health and sanitation-Dr. Hewitt Smith, chairman; Dr. W. T. Chipman, Dr. Robert Smith, and Mayor Ernest Killen.

Public service-Samuel A. Short Jr., chairman; Mayor Ernest Killen, J. Edward Taylor, Arnold Gilstad, Joseph Callis, and Kesler M. Farrow.

Finance-Theodore Harrington, chairman; Harold Wagner, Arnold Gilstad, and Mayor Ernest Killen.

Stake Racing For First Time At K & S Fair

It was announced by T. Brinton Holloway, secretary of the Kent & Sussex County Fair, 40 of the top two-year-old pacing colts and 17 of the top trotting colts in the country were eligible to compete for the richest 2-year-old purse ever raced on the Eastern Shore. Holloway stated the pacing division of the stake would go for over \$8000. Although no betting is permitted at the fair, crowds gather to admire good horse flesh and enjoy the competition which is afforded by the best colts in the business.

Such top drivers as William Haughton, Delvin Miller, Earl Avery, Olin Davis, Johnny Simpson, Wendell Wathen and many others have colts eligible to these two stakes.

The Kent and Sussex Fair at Harrington, July 26 through July 31 will feature 12 events of harness racing with purses totaling \$25,000 including the stakes.

Racing will be conducted each afternoon at the fair. Tuesday, July 27 will see the two-year-old trotters go for the purse of \$5000. Wednesday, two-year-old pacers will race for a purse of \$8000. A Governor's Day Pace is scheduled for Thurs., July 28. On this traditional day, Governor Boggs and his staff will be the guests of the fair management.

Mr. Holloway stated that much interest has been displayed in stake racing for two-year-old and three-year-old harness horses. This has prompted the fair board to adopt this type of racing as a feature of its annual festival.

Beginning in 1955 the program will include both 2-year-old and three-year-old stakes.

Did anyone say women aren't Mrs. Ann Elizabeth Warren

Mrs. Ann Elizabeth Warren, 85, 27 N. New St., Dover, died at the home of her son-in-law and daughter, Mr. and Mrs. Oscar Draper, near Farmington, Wednesday morning, June 16, after an illness of 19 months.

Lightning Strikes Twice at Home Of Edgar Stubbs

Maybe lightning doesn't strike twice in the same place, but it can come close to it. This could well be the credo of Edgar Stubbs, who lives on the Masten's Corner road just north of town.

Lightning struck twice at his home early Sunday evening. The first time, about 6 o'clock, it killed a horse, cow, and heifer, which were under a shed, without leaving a mark on the shed. A little later, another stroke knocked out the top of a tree in Stubbs' front yard. Stubbs said he was milking in an area between those visited by the lightning.

Lightning also struck a milk house on the farm of Nelson Stubbs on the Masten's Corner road. At other places in this community, lightning damaged wiring.

T. C. L. Holds Annual Hardening Night At Lewes

Evergreen Forest No. 49, T.C.L. held its annual Hardening Night Ceremonial in Lewes on Wednesday night June 9. Evergreen was signally honored with a visit from Supreme Tall Cedar John R. Hollinger and Junior Deputy Supreme Tall Cedar Lewis F. Robinson who were making their first official visits of the year in their respective Offices. District Representative Harland A. LeCompte of Cambridge officially received the Supreme Forest Officers.

The Forest was also honored by a visit of the Rangers of Penns Grove Forest No. 51 and its Scribe Earl F. Witaker.

At 8 p. m. the Supreme Forest Officers, Penns Grove Rangers, Officers, Units and "Green Tops" of Evergreen paraded through Lewes.

Grand Tall Cedar Charles E. Saunders opened the meeting at 8:45 p. m. with about 400 present. There were many visitors from Chesapeake No. 115, Eastern Shore No. 53, Brandywine No. 20, Penns Grove No. 81, Penn No. 21 and Atlantic City Forest No. 11.

The Supreme Tall Cedar made an excellent talk pointing out the prospects for the year ahead and outlining the objectives of the Supreme Forest, the greatest of all being our national objective, muscular dystrophy. The Tall Cedars are putting their combined efforts into a research program to find a cure for this dread disease.

Senior Deputy Supreme Tall Cedar Robinson assured Evergreen that with such fine spirit and enthusiasm the Forest would continue to grow in the future.

A floor show, furnished by Taylor & Smith of Philadelphia provided entertainment and the Stewards served refreshments.

Evergreen's Officers, Band and Rangers will participate in the Delmarva Chicken Festival Parade to be held in Georgetown on June 23.

Chicken Festival Next Week

Last minute planning for the multiple details in connection with the Delmarva Chicken Festival, just one week away, is keeping committees and chairmen of the several outstanding events on the hop. With the National Chicken Cooking Contest, both the Senior and Junior Divisions on a nationwide basis; the beauty pageant to select Miss Delmarva and an amateur talent show, with talent from the three states on the peninsula and 26 personable beauties to vie for the beauty queen title; an outstanding poultry equipment show; a new feature—the square and folk dance program and what will probably be the largest and best festival parade yet, the arrangements for entertainment of national figures and dignitaries and the many details to be worked out for the events as a whole, no grass will be growing under the feet of the committees on arrangements. The festival will start out with opening ceremonies Monday, June 21, at 1:00 p. m. with 2nd Army Band on hand to add color and music. The formal opening of the equipment show will follow opening ceremonies and the selection of Miss Delmarva is set to begin at 2:45.

The National Jr. Cooking Contest will take place on Tuesday, June 21, beginning at 9:30 a. m. and to date there are 60 entries. The announcement of winners will be made at 2:00 p. m. and the Junior winner will be crowned by Gov. Theodore McKeldin, of Maryland. The National Senior Chicken Cooking Contest which has 124 entries will begin at 9 a. m. on Wednesday. The national winner will be announced at 3:00 p. m. and the queen or king will be crowned by Gov. J. Caleb Boggs, of Delaware.

Thirty of the entries in the Senior Contest are from states outside the Delmarva area. There are 10 men entered in the contest, one coming from California, one from New York. In the Junior Division, there are five boys entered—one from New Jersey, one from Virginia, three from Delaware.

The largest collection of prizes ever to be offered in the Chicken Cooking Contest has been set up for this 1954 event. Not only the business firms on the Delmarva Peninsula, but many nationally known firms have contributed prizes, so that there will be some prize for everyone who is entered and participates. The trophies to be presented to both the Senior and Junior winners are being contributed by the Poultry & Egg National Board.

The Harrington entry in the Kent-Sussex Junior League defeated Ridgely on Monday evening by a score of 6-1. Bob Collins who relieved Jack Porter in the first inning allowed but two hits the rest of the way, fanning 12 in the process.

The boys played errorless ball and made nine hits, two each by Wilson, Link R. Collins and Collison. This team sponsored by the Lions Club, is coached by Harold McDonald.

Harrington Lions Edge Greenwood Rivals in Pony League

Billy Gray's one-hit pitching featured the local Lions 3-2 victory over Greenwood last Monday evening on the losers' field. Gray had a no-hitter going until the sixth inning when Hatfield of Greenwood lined a sharp single into centerfield. Billy Manship made a great attempt but could not get his glove in control of the ball.

The Harrington infield play was outstanding in that there was but one miscue charged against them. Johnny Taylor, Jim Schiff and Jim Collins all dropped perfect bunts down the first base line, resulting in a two-run rally for the Lions. The win enabled the local boys to gain on the league leaders.

Drive For Funds For Pushmobile Track

The "Push-a-Buck" drive, sponsored by Pushmobile Track, Inc. as an assist in raising some of the funds needed to build the permanent Pushmobile Derby track near Newark is catching on throughout Delaware.

This was disclosed by John G. Leach, a trustee of the corporation, who is general chairman of the drive to give all Delaware the project.

S. Hallock duPont, president of the non-profit corporation organizes an opportunity to share in the sole purpose of planning a "shrine for kids" on land provided by Mr. duPont on a long-term lease basis, said that of particular significance, indicated by the early contributions, is the fact that the \$1 donors represent every county in the state, as well as the State's bigger communities including Wilmington, Newark, Dover, Georgetown, Smyrna, and others.

Recently Gov. J. Caleb Boggs added his "wholehearted endorsement" to the program which includes as a first aim the construction of the pushmobile derby race course across the road from the Louviers Office Building of the duPont Company near Newark.

This track, in its early stages of construction, will be ready for the annual classic sponsored by the Delaware Association of Police on Saturday, August 21.

Entrants in the annual race classic, for the current year at least, will be limited to boys who are residents of Delaware. Future plans call for extending the opportunity to boys of nearby states in some fashion.

All boys of Delaware, between the ages of 11 and 14, are invited to join in the eighth annual classic which will be run over the first permanent three-lane race course which is expected to be second to none in the nation.

The "Push-a-Buck" drive was launched after officers and trustees of the corporation received inquiries from persons living in all sections of the state offering their help in the project.

Fundamentally all contributions are limited to \$1 so that every Delawarean may participate on an even basis with his neighbor.

The drive leaders are not conducting a house-to-house campaign or an organized effort in business establishments or industrial plants.

J. Henry Topkis, secretary-treasurer of the corporation, pointing out that "there has already been magnificent response," emphasized that "our appeal is hinged entirely upon voluntary contributions."

Any donor should send his or her \$1 to Pushmobile Track, Inc., c/o J. Henry Topkis, secretary-treasurer, Post Office Box 121, Wilmington, Del.

DOVER ADOPTS BUSINESS TAXES, WILL TRY NEW TRAFFIC RULES

Some streets were designated as one-way and no-left-turn rules were adopted for a 30-day trial starting July 1 at a Dover city council meeting Monday night which also saw the passage of an ordinance imposing license fees on local businesses.

The licensing ordinance, applying to all trades, businesses, and professions, goes into effect July 1. It provides flat rates for some and percentage rates for others.

The rate for manufacturers and contractors is one one-hundredth of 1 per cent of gross receipts during the year preceding June 1 and for merchants and bottlers it is the same percentage of aggregate cost of merchandise purchased for resale during the year preceding June 1.

For other lines which do not come under the two other headings, such as physicians, dentists, barbers, eating house keepers, attorneys, engineers, accountants, undertakers, and numerous other ones, flat rates are fixed ranging from \$3 to \$10.

The operator of a taxi or bus business must pay \$5 for the first cab or bus and \$2 for each additional one. Among those assessed the \$10 fee are: Showman amusement conductor, amusement park operator, cleaner and dyer, dairyman, finance acceptor, floor show operator, and operators of pool rooms and bowling alleys. Attorneys, doctors, dentists

SCRATCH OUT a Major Threat to Broiler Quality

USE SULFAQUINOXALINE

Don't let coccidiosis outbreaks ruin your chances of marketing premium birds. Supply SULFAQUINOXALINE at preventive levels in your feeds. See how coccidiosis losses from stunting and deaths will almost disappear.

Exposed birds protected by continuous feeding of SULFAQUINOXALINE bring higher returns due to more uniform feathering, yellower shanks, greater market weight, and finer over-all finish.

You also gain through lowered production costs and greater feed efficiency when exposed birds are protected by SQ.

Experience with hundreds of millions of broilers has proved SULFAQUINOXALINE the safest, most effective anticoccidiosis agent available. It is the only coccidiostat on the market that combats all dangerous poultry coccidia.

All these benefits of SQ cost you less than 1 cent per bird. Why take chances? Tell your dealer you want feeds containing SULFAQUINOXALINE.

What happens to your betting dollar at Delaware Park:

RETURNED TO RACE-GOING PUBLIC 89.31%

Maintenance and other operating expenses—2.04%
Salaries and wages paid to employees—1.93%
3.50%—State's share
3.22%—Paid to horsemen in purses

1953 mutual betting receipts—\$37,977,548=100.00%

Returned to race-going public	\$33,916,579	equals	89.31%
State's share	1,329,214	equals	3.50%
Paid to horsemen in purses	1,225,000	equals	3.22%
Salaries and wages paid to employees	733,281	equals	1.93%
Maintenance and other operating expenses	773,474	equals	2.04%
Dividends to common stockholders	nothing	equals	0.00%
Total	\$37,977,548	100.00%	

Regarding "Paid to horsemen in purses," much of this expenditure goes for salaries to hundreds of grooms and others employed by the horsemen. Naturally part of the income is spent in Delaware.

Regarding "Salaries and Wages paid to Employees," the bulk of this income is spent in Delaware because most of the recipients of the wages and salaries are residents of Delaware.

Regarding "Maintenance and other operating expenses," Delaware business houses and supply firms are the beneficiaries of the purchases made by Delaware Park.

Regarding "Dividends to common stockholders," there is no other stock, such as preferred stock, nor any bonds, debentures or other indebtedness.

WHEELER'S TELEVISION CENTER

What a wonderful rain we had just at the time when it was needed so badly. So many things that are growing in our fields and garden will yield so much more.

During the season when things are so plentiful it's just the time to store these things up, and how can you do it? With a freezer of course. When speaking of a freezer think of the name Philco, for either chest or upright and you will get a freezer that is economical in cost, as well as operation. Fill it and this winter sit back and eat the things that cost you so little. Take the idea from a squirrel, store your winter foods away when it is so easy to attain. These little creatures are not so dumb at that.

tion, for several years is being told this week in most all newspapers and that is, of course, is being done by the leader in Refrigeration Philco. Yes, I said Philco. The price of \$166.95 for a refrigerator with a freezer. All the way across the top is almost unbelievable, yet it is true. This price is made for people to buy and even the Scotchman is ashamed not to buy at this price. Most anything can happen when Philco says, we are going to sell refrigerators, and refrigerators they sell, and don't overlook the one and only refrigerator that you can open the door from either side.

This cool weather that we are having for the last few days can be yours, at the turn of a switch when you let us install a Philco Air Conditioner. Mighty nice to be able to sleep and rest on the warm and hot days and nights

ahead. A few days spent for this comfort is well spent and will continue to give you comfort for several years, in fact Philco gives you a guarantee for 5 years. Start it off and the cost is easily assumed each month.

I want to tell you here that we are assuming that many of you have been putting off buying an electric range account the cost of installation.

Listen to this and weep later, if you don't take advantage of this offer. During the next week, we will install any Philco range free of charge whether you have service for ranges or just lights.

This will be saving you from \$25 to \$75. Better think this over and act quick.

We are here today

County Court to Open July 6

The July term of the Kent County court will convene on Tuesday, July 6, instead of the first Monday in July, the usual time for the term to open, because the Fourth of July holiday will be observed on Monday, July 5.

In order to keep the records straight, the court will be opened on Monday, July 5 and immediately recessed until the following day without any business being considered.

Traffic Deaths Show Decrease

The grand jury, which will have five new members at this term of court, will convene on Tuesday, July 6, to consider any cases that Col. William J. Storey, who is continuing to act as deputy attorney general for Kent County, will have to place before them.

The indications thus far are that there will be only a very few cases to be submitted to the grand jury at the July term.

There will be no civil cases listed for consideration at the July term and Prothonotary John P. LeFevre reports that the criminal docket has only a few cases to be acted upon that have been continued from previous terms of court. The petit jury will be summoned to report for duty on Wednesday, July 7, in event there are any cases to be heard before a jury.

Fourteen of the participating states showed decreases in the numbers of deaths this year. They were Alabama, Arkansas, Florida, Mississippi, North Carolina, South Carolina, Tennessee, Texas, West Virginia, Virginia, Maryland, New Jersey, New York and Rhode Island.

Two states, Georgia and New Hampshire, held even with the toll of a year ago while the eight states of Kentucky, Louisiana, Connecticut, Delaware, Maine, Massachusetts, Pennsylvania and Vermont reported increases.

In announcing the holiday figure Burke said, "This is an auspicious start for our 1954 Slow Down and

Wheeler's Park Campaigns For Supervisors

Wheeler's Park is now open for the season, without cost to the public, but is in need of supervisors. As in the past, this service has been provided by contributions of the various civic organizations.

Clubs or public-spirited citizens who wish to aid in this worthwhile project should see W. A. Wheeler or Grover A. Lord.

School Board To Meet Tonight To Settle Bids

The Harrington Board of Education will meet this evening to complete the final steps preparatory to accepting bids on the construction of a field house.

The acceptance had been delayed thru a technicality in the bids.

The board will also meet Tuesday to complete the work on the bond program for the field-house project.

Robert Moore and Betty Lee Wix have a perfect-attendance record at Harrington schools of 11 years, it was revealed Wednesday. Leon Minner and Mildred Kemp, both of whom graduated last week, have a record of ten years.

REESE THEATRE SIGNS CONTRACTS TO INSTALL ALL TYPES OF SOUND

Upon recommendation of the newly formed Central Committee of the Community of Friendly Neighbors, the Reese Theatre, located at Harrington, has signed contracts to install all the modern sound systems used in the presentation of motion pictures.

This massive installation will necessitate the closing of this theatre one day a week, on Wednesday, as previously announced.

Veterans News

QUESTIONS AND ANSWERS
Q — I have a Korean GI term insurance policy—the kind that doesn't pay dividends. Would it be possible for me to convert it to a permanent form of insurance.
A — No. Under the law, non-participating term insurance policies issued to Korean veterans may not be converted to permanent plans.

Q — I am a disabled World War II veteran, and I'd like to take vocational rehabilitation training under Public Law 16. If I'm eligible to train, would I be allowed to take a four-year law course?
A — No. The law would allow you to take only a course that you could complete by July 25, 1956, the date the Public Law 16 training program comes to an end. You would have to enroll for a course that you could finish in two years or less.

Q — I am a World War II veteran taking GI Bill training at night. I have a job that normally doesn't require me to travel, but have to take a three-week business trip, and therefore interrupt my training. Will I be permitted to resume my GI training when I get back? Or is this the kind of interruption that's not allowable?
A — You will be permitted to resume your GI Bill training when you return from your trip. VA considers such a temporary interruption as one caused by a "valid reason," so long as it doesn't last for more than four months. If it did last longer, you would be required to show VA that you couldn't possibly have resumed your training earlier.

Q — Does the August 20, 1954 deadline for starting Korean GI Bill training apply to all Korean veterans?
A — No. The August 20 cutoff date applies only to veterans separated from service before August 20, 1952. Veterans separa-

ted after that date have two years from separation to begin Korean GI Bill training.

STATEMENT OF W. P. SADLER, MARKET ADMINISTRATOR, ANNOUNCING MAY MILK PRICES

Despite indications that more consumers in the Philadelphia area are drinking more milk during the present annual June Dairy Month than last year, there is still need for more extra glasses of this cool, high food-value summer beverage to be drunk in order to use up the present large supply. W. P. Sadler, Market Administrator, of Federal Order No. 61, which regulates the marketing of milk in the Philadelphia area made this statement today in announcing the price to be paid to farmers for milk during the present month and in releasing the new price for the coming quarter as determined by the formula under the Order.

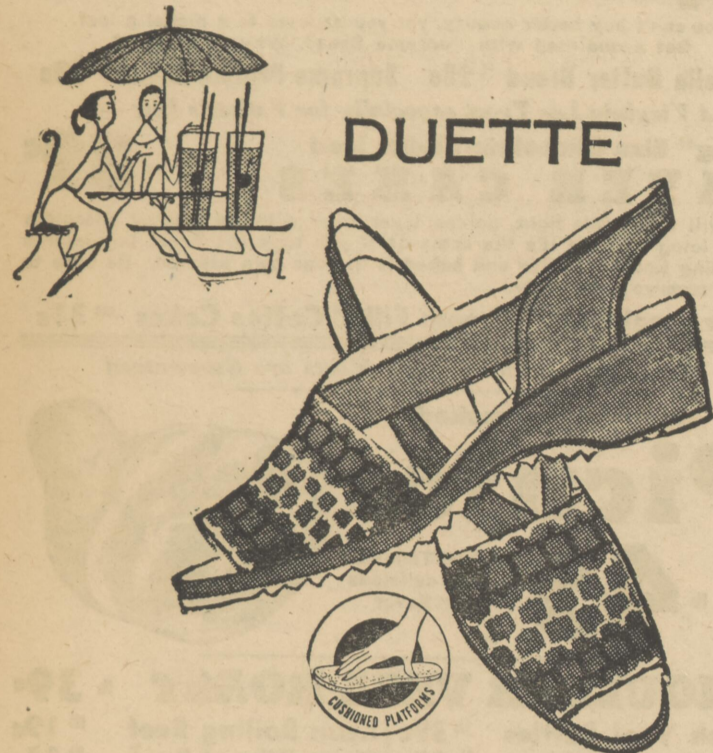

In urging folks of all ages to drink more milk, Market Administrator Sadler pointed out that individuals never outgrow their need for milk or dairy foods. Milk is one of the best sources of calcium, protein and vitamins. "All of the vitamins known to be needed by man are found in milk. Milk does more for the body than any other food and does it more cheaply," he emphasized, adding that milk has been cheap all year and still is one of the best food bargains.

During May, handlers under Order No. 61 reported 113.6 million pounds of milk received from producers of which 79.0 million pounds, or 69 per cent, were used in fluid form at the Class I price of \$5.24 per hundredweight. The rest, 34.5 million pounds, was manufactured at the Class II price of \$3.06 per hundredweight. The average return was \$4.54 per hundredweight, 6.5 per cent less than the average return of \$4.861 per hundredweight for May one year ago.

As determined by the formula under the order, the price to be paid to farmers for Class I milk delivered to Order No. 61 per hundredweight of 4% milk, f.o.b. Philadelphia. This represents the normal seasonal increase of 40 cents per hundredweight and is equivalent to the decrease from producer price that became effective for the present quarter (April, May and June).

Invisible Coating
A manufacturer has devised an invisible coating you can spray on the insides of windows to prevent fading of drapes, furniture, and floor coverings. Screening out rays of the sun that cause damage, one application is said to last 6 months despite repeated window washing. You can spray it on lamp bulbs, too, to prevent lamp shade fading.

Use a Sturdy Ladder
If you must climb, use a sturdy stepladder—boxes and chairs are for trapeze artists.
