

(EDITORIAL)

AND WE STATE OUR PREFERENCES

Just about everybody knows this is a newspaper that favors the Democratic party. It has taken this stand for nearly 40 years and is one of the three Delaware newspapers which states its political allegiance in N. W. Ayer & Sons Directory of Newspapers and Periodicals. The remainder of Delaware newspapers call themselves non-partisan, or independent. However, the name is not the object.

We have been disappointed in the performance of the Eisenhower Administration. It has not tackled the nation's problems with vision and vigor. It has originated no constructive measure of importance, and has spent most of its time attempting to burnish the legislation passed by the Democrats.

Personally, we think Ike is a good boy but that doesn't mean he should be re-elected. In the field of foreign affairs, where his administration was supposed to be the strongest, it has also been disappointing, thanks largely to Secretary Dulles. This talk of peace, when there is no peace, is doing nothing to enhance the prestige of the United States.

Ike is not a leader. He could tell the boys what to do on the battlefield, but handling politicians is a horse of another color.

In Adlai Stevenson, we believe the United States would have a President in the liberal tradition who could give this nation and the whole free world the fresh, vigorous leadership we need.

In the campaign for vice-president, we support Estes Kefauver. He is running against Nixon. Nuff said.

For governor, we like J. H. Tyler McConnell. He knows business and he knows law and he will certainly need his knowledge of both in heading the state government. We do not believe he will be a front man. We believe he will be a capable leader. We have met him and heard him speak on several occasions. He has impressed us with his sincerity and his objective thinking. He has been calling a spade a spade and has an ace or two in the hole.

For lieutenant governor, Vernon B. Derrickson, Dover, He is chairman of the Kent County Democratic Committee. The owner and operator of a hotel chain, he was an aide to Elbert N. Carvel, former governor and a member of the Public Service Commission. He attended Mercersburg Academy and Duke University where he studied law.

Congressman Harris B. McDowell, Jr., has done a good job and has not shied away from doing his duty when it came to investigating the scandals in veterans' housing in Dover and Wilmington. Having been an active farmer for many years, he knows what the farmer is thinking about nowadays. He is beginning to learn his way around Washington and that experience will serve him in good stead. He is a fighter and far from bashful.

Getting back to the state level, we believe Clifford E. Hall, the incumbent state auditor, deserves another two years. Unfortunately, we believe, the two-year terms of the office of auditor and state treasurer are too short. Hall has proved himself a hustler and if there is one thing we like, it's a hustler.

Mrs. Edna Brasure, of Milton, should make a good candidate for state treasurer. She has been a school teacher and an active worker in civic affairs and political circles. She gets around. We believe she will continue to conduct the affairs of the office on the high plane on which they have been conducted by State Treasurer Dickerson and his popular deputy, Andrew C. O'Neal, of Laurel.

The Kent County Democratic ticket looks good and is good. Bill Paskey is back in there again, this time for prothonotary. He knows his way around Dover and, evidently, the voters think so too, for Bill has served as representative, sheriff, and comptroller. Thomas Hughes, from the nearby Felton community, is up for sheriff, with Roland Trader back again for coroner.

Clarence Dixon seeks the post of register of wills on his maiden voyage. Fred Williams, of Hartly, former sheriff, a mild and unassuming man with a host of friends who believe in his ability, deserves the support of the voters, and will get it, in his race for commissioner from the Second Levy Court District, which includes the Third, Fourth, Sixth, and Ninth Representative Districts. Capable Clem Bowdle seeks a similar post from the First Levy Court District, while Emory N. Lynch runs for re-election from the Third Levy Court District. Incumbent Lynch's experience in the Court should prove invaluable to the newcomers.

Allen J. Cook's experience as representative and sheriff should make him a good candidate for state senator from the area around Kenton. Peter Nechay, running for the same post in the Fourth Senatorial District, which comprises the Sixth and Ninth Representative Districts, both of which come into Harrington, has the experience gained as representative from the Sixth District to back him up. The electorate appears to be pleased with his performance in the Lower House.

We feel qualified to speak out for four candidates for representative from districts into which this newspaper reaches to considerable extent. George Cain is on his maiden voyage in politics, as candidate from the Ninth. As a prosperous farmer, he should be a good representative of agriculture in the Lower House. Elmer Betts, a farmer from the Sixth, and David Robbins, a farmer from the Eighth District, are candidates who will make sure that agriculture is not overlooked in the legislation. Elsewhere in this newspaper, we have a correction of Mr. Robbins; we said last week he was a candidate from the Tenth District. Now, two runners on the Democratic team cannot occupy the same base. It so happens that the Tenth already has a capable candidate, Harry Mayhew, the incumbent.

We may get an adverse comment or two because this editorial is on the front page. It is customary for newspapers to carry front page editorials on special occasions. The two Wilmington dailies carried front page editorials for the Republicans last week, and that is what reminded us of the idea. Some of the nation's leading dailies carry front page editorials regularly.

"When Knighthood Was In 'Flour'"

Ike Parks brought in this picture of the Harrington Milling Company in 1922. The mill, now owned by John Parks, was owned by Murphy & Hayes. Frank Langrell is seen leaning on the fender of the Packard. Morris Ketchline is between the auto and the White truck. On the front fenders of the truck are: left, Len Cordray; right, George Swain, who still works for the mill. On the radiator is a child of Arlie Thomas who is standing on the left running-board. Ed Harriett is on the right running-board. On top of the cab is the late Isaac W. Parks, who gave the picture to his son, Ike. Driving the delivery wagon is the late George Johnson. Those still living are Ed Harriett, George Swain, Arlie Thomas and child, and Len Cordray.

REPUBLICANS STAGE WELL-ATTENDED RALLY HERE

One of the largest, most enthusiastic crowds to attend a political rally in Harrington for a number of years, greeted Republican candidates last Wednesday evening at the Harrington Legion Hall.

David P. Buckson, Republican candidate for Lt. Governor, was the principle speaker and assured the crowd that he has always opposed any effort by selfish interests to close the Harrington Race Meet and as long as the people of Harrington wanted the meet Mr. Buckson said, "I think they are entitled to it."

The Republican candidate for Lt. Governor explained that ever since he was a boy he has attended the annual Kent & Sussex Fair and is interested in seeing it become a bigger and better fair each year.

Mr. Buckson's hobby of driving harness race horses has made him a familiar figure in the Harrington area.

Mr. Buckson said that he has assisted in every way to prevent all action against the Harrington Race meet, "which is more than my opponent can say," he concluded.

In addition to Mr. Buckson, Governor "Cale" Boggs, candidate for re-election; Hal Haskell, candidate for U.S. Representative; Dale Wheatly, candidate for State Auditor and Mrs. Vera Davis, candidate for State Treasurer, were at the rally.

JAMES RUST

James Rust, 77, of Harrington, died Tuesday at the home of his sister, Mrs. Cora Powell, who operates a nursing home at No. 1 E. Milby St., Harrington. He and his wife, Mrs. Bessie Raughley Rust, have both been patients there for the past 30 days. She is much improved.

He was born in Farmington, the son of Isaac and Letitia Masten Rust and had resided in that community all his life. He worked for the Pennsylvania Railroad for about 50 years and retired as a crossing watchman 12 years ago.

Funeral services will be held at the Boyer Funeral Home, Harrington, tomorrow afternoon at 2 o'clock with services in charge of the Rev. Richard O. Bailey, pastor of Salem Methodist Church, Farmington, assisted by the Rev. John R. Symonds, pastor of St. Stephens Episcopal Church, Harrington. Interment will be in Hollywood Cemetery.

Besides his wife, he is survived by his sister, Mrs. Powell; four brothers, John W. of Greenwood; Clarence of Farmington; Jefferson of Woodside, and Willis of Harrington; a sister, Mrs. Elizabeth Burris of Odessa, and several nieces and nephews.

Friends may call at the funeral home tonight.

GIRL SCOUT NEWS

Intermediate Girl Scout Troop No. 131 have begun its fall meetings. The troop meets each Wednesday from 3:45 to 5 p.m. at Harrington School. The girls have divided into patrols with Michele Jack as one patrol leader, Dawn Hopkins as secretary, and Nancy Harrington, treasurer. Patrol two has chosen Jackie Russum as its leader with Maureen Riley as secretary, Carol Jean Wirick as treasurer. Names for the patrols are being decided upon.

During one meeting William Ruzo, a retired shoemaker, told of his life in Czechoslovakia and helped the troop with its work on international friendship. The discussion was in the form of a question and answer period and proved very interesting.

"Child Care" was the topic last week when each Scout learned the proper way to dress and undress a baby, to carry a baby, to diaper and to feed a baby. Each girl brought a doll and practiced on it.

CHARLES E. VARNEY

Charles E. Varney, 77, civic leader and hospital administrator, died Sunday in the Milford Memorial Hospital after a short illness.

Mr. Varney, a native of Denver, Colo., but a long-time resident of Milford, was serving as business administrator of Milford Memorial Hospital at the time of his death. Previously, he had been owner of the Milford Ice and Coal Company.

Funeral services were held from his home on Church Avenue Tuesday at 11 a.m. with the Rev. Robert E. Green, pastor of Avenue Church, officiating. Interment was in Odd Fellows Cemetery in Milford.

Train Schedules Revised; Star Route Added

Two passenger trains made their last runs here Saturday; two others took their place, and a star mail route was added.

The revised schedule now calls for the following, according to Eastern Standard Time which went into effect Sunday: A southbound train at 3:20 a.m., and a northbound train at 8:10 p.m.

A star mail route from Wilmington to Pocomoke City, Md., is as follows: Southbound from Harrington at 7:55 a.m. and northbound at 3:27 p.m.

GOC Post Crys For Recruits

The Harrington G. O. C. is making a plea for you to give only two hours one day a week to spot airplanes.

The situation has grown much worse and the threat of war is now greater with our western countries than it was when our spotting station was put in service.

With Russian's long-range bombing and her new type jets, they are no farther away from our shores than from Alaska to our state of Virginia.

Her guided missiles are in production and one of them launched on New York, Washington, or any city, could throw the whole U.S.A. into a state of confusion and frustration.

Did you know that Delaware with its distance from the waters surrounding it, is the state that our national capitol, Washington, depends on for its protection.

If you want to give only two hours one day a week to serve your country, we have a good spot to offer you.

Won't you consider this and admit it is your duty to do this? If so, contact Sam Short the supervisor.

Phone 8983, day or Chauncey Messick 3639.

We will hold a meeting in the First National Bank building, Thurs., Nov. 15, and we would like you to come to hear why you are needed.

C.C.D. Members Visit Washington

Four members of St. Bernadette's Executive Board of the Confraternity of Christian Doctrine along with their pastor left Harrington early Saturday morning and drove to Washington to attend some of the sessions of the Tenth Regional Congress of the Confraternity of Christian Doctrine. The Congress was held at the Mayflower Hotel. Those representing the Harrington parish included Messrs William Kohel and Robert Nelson and Mrs. Leon Kukulka and Mrs. William Lord.

Among the speakers whom the local group heard during the day were two who were already known to them. One was the Most Rev. Joseph H. Hodges, D.D., the Auxiliary Bishop of Richmond. Two years ago Bishop Hodges visited his classmate in the seminary, the Rev. John A. Corrigan, and sang the first solemn Mass to be offered in the new church in Milford. The other speaker recognized by the group from Harrington was Sister Marietta, M.S.S.H., now stationed in Anderson, S.C. During the past summer Sister was in charge of St. Bernadette's religious vacation school.

While in the nation's capitol the group was able to spend some time and lunch with the Rev. Henri I. Foltz, the Director of the C.C.D. in this diocese, and the Rev. Mr. Thomas Peterman, a student at the Catholic University of America.

JEWELRY PARTY

On Friday evening at 8:30 p.m. in the American Legion Home, the C.K.R.T. American Legion Auxiliary Unit will give a jewelry party. A large display of costume jewelry will be shown. The public is cordially invited to attend. Refreshments will be served.

CORRECTION

Last week's issue of this newspaper carried a picture of David H. Robbins, Democratic candidate for representative from the Eighth District. The Journal stated he was candidate from the Tenth District. The Journal regrets the error. The Democratic candidate from the Tenth District is Harry Mayhew.

Levy Court Candidate

Emory N. Lynch

Emory N. Lynch, Jr., who resides on U. S. 113 near Lynch Heights, is the Democratic candidate for commissioner from the Third Levy Court District, comprising Representative Districts Eight, Nine, and Ten.

Mr. Lynch is running for re-election, being a member of the present Levy Court which has produced an enviable record in handling the fiscal affairs of Kent County.

Lions Present Flag to Cub Scouts

The flag ceremony opened the Cub Scout Pack meeting held in the Harrington School Friday evening. The Pack welcomed a visitor, Mr. Sheets, Cubmaster of the Felton Cub Scouts.

The Cub Scouts of Pack 76 of Harrington was honored when William Outten, president of the Lions Club, presented Randall Knox, Jr., chairman of Pack 76, with a Scout flag. The flag, which carries out the traditional blue and gold colors, centered with the Boy Scouts of America insignia, with blue lettering reading Cub Scouts Pack 76, Harrington, Delaware.

The following awards were presented by Cubmaster Robert Masten: Rennie French, wolfe badge, gold arrow, 2 silver arrows; Randy Knox, lion badge; Doug Moore, bear badge, silver arrow; Roger Brown, bear badge, silver arrow; Stuart Greenberg, bear badge, gold arrow, lion badge; Richard Black, silver arrow; Herbie Barlow, lion badge; Denner stripes; Billy Dill, Wayne Carson, assistant denner, Mike Wamsby, Richard Black, den chief cords, John Masten, Roger Wix, and service star, Gary Harris.

Den 6 with Den Mother, Betty Melvin and her assistant, Mrs. Dickerson, marched their boys out with Indian feather and head band to receive their bobcat pins and membership cards. Those receiving pins, Jack Dickerson, Bobby Matthews, Mike Kohel, Marshall Hatfield, and James Cain. Those having birthdays and receiving new books were, Bear, Ronnie French, Henry Minner, and Richard Black. The Pack sang happy birthday closing the presentations.

The theme for the month was carried out in each den by making Halloween masks. The scouts served their parents cider, cookies, and apples, which brought to a close an enjoyable evening.

The next committee meeting will be held Nov. 16 at the home of Mr. and Mrs. Harold Fry.

Turkey is to have a new textile college, probably at Izmir, with the aid of American technical "know-how."

The historic Harrington Milling Company, the community's first, is dispensing with the major part of its functions with its owner, John Parks, moving to his native North Carolina because of the ill health of his parents.

The huge mill on Vernon Road discontinued its feed business Wednesday and has been advertising all feed, poultry equipment, and paint at cost or below.

However, Carroll Welch, Jr., who has been with the firm seven years, is continuing a seed cleaning business, and will also buy Black Wilson soybeans and lespezea.

The feed side of the mill is being rented to the Carl Springer Supply Company, a large wholesale building supply company, of Wilmington.

Mr. and Mrs. Parks have already moved their furniture to North Carolina, but Mr. Parks has been spending some time in Harrington for the final steps in the letting of the building.

He was a prominent Rotarian, interested in civic affairs, including Scout work.

The mill was purchased and enlarged around 1880 by Ezekial Fleming who also operated a large sawmill and a wagon factory. It was said that Fleming, the father of Mrs. Elizabeth Holt and Miss Laura Fleming, supplied ties for the Pennsylvania Railroad. They are the last of 13 children.

In the twenties, the mill also manufactured flour. In those days Harrington had two grist mills. The other, known as Fleming Mill, was at the end of Weiner Avenue. It burned many years ago, but its concrete foundations can still be seen at the entrance to the Harrington Ice Company.

Mr. Parks came here in 1939, and had operated the mill since that time.

MRS. ELMORA CONAWAY

Mrs. Elmora Conaway, 79, widow of Fred Conaway, died Friday, Oct. 26, in the Governor Bacon Health Center in Delaware City after an illness of several months.

Mrs. Conaway, who lived at 8 Ward Street, Harrington, was a member of Asbury Methodist Church in Harrington.

She is survived by a daughter, Mrs. Frank Delong, Harrington; a grandson, Don Conaway, Fenwick Island; and two sisters, Mrs. Mollie Isaacs and Mrs. Edith Hammond, both of Harrington.

Funeral services were held at the J. Millard Cooper Funeral Home, Monday at 2 p.m., with the Rev. Richard Gibson, pastor of Asbury Church, officiating. Interment was in Hollywood Cemetery near Harrington.

W.S.C.S. Notes

The W.S.C.S. of Asbury Methodist Church will have their next meeting Tuesday evening at 7:30 at the Collins Building. The topic for the evening will be "United Nations—A Good Trustee." The leader will be Mrs. William A. Minner. Hostess Circle for the evening will be the Deborah Circle headed by Mrs. A. B. Parsons. The program will be a short one due to election night.

Mr. and Mrs. Edgar Dill entertained the Merry-maker Home Demonstration Club of Harrington at their home Saturday evening with a Halloween party. The members of the club were accompanied by their husbands. Everyone came masqueraded. Games were played and refreshments were served. A grand time was had by all.

Fire Company Makes Temporary Change In Telephone Numbers For Nights, Sundays and Holidays

The Harrington Volunteer Fire Company has made a temporary change in telephone numbers for nights, Sundays, and holidays. Persons desiring to call for fire trucks or an ambulance are requested to telephone Harrington 8327, the home of Fire Chief Doug Mills, during nights, Sundays and holidays. The day telephone numbers will remain unchanged at Harrington 3530 or 3511. The Mills number will be used until Nov. 17 when Dr. Hewitt F. Smith will have returned from a Florida vacation. His telephone number, 8032, will then be used for night calls, etc.

Trinity Methodist Church Notes

Sunday, Nov. 4, we have Sunday School at 9:45 a.m. At 11, morning worship includes songs by both the Junior and Senior Chorus; the sermon is on "Loneliness." The MYF meets at the church in the evening at 6:30, Mrs. Darby sponsor. The evening services at 7:30 feature a hymn sing and sermon on "The Vision of Punishment and Reward."

Monday, Nov. 5, at 10:30 in the morning in the church, the regular weekly prayer meetings resume. These are sponsored by the W.S.C.S. and are directed by Mrs. John Walls.

The Loyal Workers Class meets at the church in the evening, Monday.

Tuesday evening the regular monthly meeting of the W.S.C.S. will be held at the church. It is to be preceded by the final session of the W.S.C.S. credit course in "Paul's letters to the local churches," which starts at 7 and ends at 8:30. This credit course session is postponed from Monday, because of the Loyal Workers meeting.

Thursday the choir rehearse as follows: 6:45 p.m., Junior Choir (director, Mrs. Eleanor Smith); 7:15, Vesper Choir (Mrs. Smith); 8 p.m., Senior Choir (director, Melvin Brobst). The name "Vesper Choir" has been selected for our youth group, because it is going to sing in the evenings.

Flowers on the altar are given for the month of November by the O.U.R. class members.

The MYF voted to send \$25 for missions, money which they secured from their recent rummage sale. Monday the officers and sponsor, Mrs. Darby, met with Asbury officers at the latter's parsonage and laid plans for the subdistrict MYF banquet here at Trinity Dec. 17. The MYF is also going to give a Christmas basket locally.

structures dating back before World War II which will have to be replaced if the camp is to continue as a state center for summer youth activities.

The 4-H goal is for the clubs of each county to build their own cottages. Each county cottage will be named for that county's 4-H clubs and will have a plaque on the door.

The arrangement whereby the 4-H clubs take over all of Camp Barnes the last two weeks of August is being made permanent through an agreement with the Police Chiefs Association, Bath reported. An official treasurer is being appointed in each of the state's three counties to accept contributions for the Camp Barnes 4-H building program.

Leaders of many of the clubs enrolled in the campaign report that they have already made plans to meet individual 4-H club goals by scheduling such fund raising stunts as scrap iron and paper drives, food sales, dances, gleaned corn fields after harvest and others.

Delaware Will Observe Farm City Week Nov. 16-22

Plans have been set in motion for the observance of Farm-City Week in Delaware, Nov. 16-22.

Meeting at the University of Delaware School of Agriculture, representatives of cooperating groups reviewed a schedule of events that will involve almost every farm group in Delaware, most Kiwanis clubs, and many other groups and individuals in the effort.

Kiwanis is sponsoring Farm-City Week nationally in an effort to bring about closer ties and greater understanding between farm and city people. Cooperating organizations in Delaware are Grange, Farm Bureau, Delaware School of Agriculture, Delaware Council of Cooperatives, State Chapter of 4-H Links, Agricultural Extension Service, churches, schools, service clubs, and many other groups.

Among the events planned are joint service club luncheons and dinners, with farmers as guests, and featuring talks on agricultural subjects. Tours of farms and manufacturing plants will be conducted, as well as church services devoted to the farm-city interdependence theme.

A special joint service club dinner will be held in Dover Nov. 19 at the Capitol Grange in the setting of the annual crop show, sponsored by the Delaware Crop Improvement Association.

The University is supplying interested groups and individuals with special information packets on Delaware agriculture. Copies are available through county extension offices, or directly from the School of Agriculture, Newark.

Greener Pastures Judges Complete Inspection of 114 Farms

The 3-man judging committee for Delaware's 1956 greener pastures program, has just completed their final rounds inspecting the 114 farms entered this year. Winners will be named and honored at the annual banquet of the Delaware Crop Improvement Association Tuesday evening, Nov. 20, at the Capitol Grange Hall in Dover.

Members of the committee are William Mitchell of the agronomy department at the University of Delaware; Delmar J. Young, of the University's dairy department; and, the agricultural extension agent for the particular county where each farm was located. The Committee visited each farm three times during the past growing season.

Tabulation of all the points listed on each farm score card has not yet been completed, reports dairy specialist Young, but he said that nearly 25% of the entries this year achieved an excellent rating for their grass and forage program. On one of these farms, the judges found that 47% of the total digestible nutrients needed for a herd of 35 high-producing cows came from pasture. Another farm visited had at least some grazing available to the herd all 12 months of the year.

Judging of the greener pastures program, says Young, is based on excellence of each farm's fertilization program, varieties and types of grass mixtures used, yields, management of cattle on pasture, preservation of forage, and efficiency of the feeding program for pasture and roughages.

Stressing the importance of the greener pastures program, Young pointed out that recent research in many states has shown that feeding costs with pasture

totaled only 30 cents per hundred pounds of total digestible nutrients. For alfalfa hay, they were 50 cents; for silage, \$1.10; for home grown grains, \$1.50; and, for commercial grain mixtures, \$4.50.

Young also said that research had shown that improvement in forage brought about by such programs as the greener pastures contest had resulted in improved herd health, better herd fertility, increased milk production, larger cattle, reduced feed costs, and a longer average useful life for the cattle in the herd.

Asbury Methodist Church Notes

Church School 10 o'clock, Fulton J. Downing superintendent. "Wounded for Our Transgressions" is the title of the lesson based on the "Suffering Servant" passage of Isaiah chapter 53.

Morning worship 11 o'clock. "Christ for All" is the title of the pastor's sermon. The Junior and Cathedral Choirs will sing special anthems for the service. The pastor will give a Junior Sermon for the benefit of the children.

The MYF will meet at 6:30 o'clock in the Chapel with Peggy Graph in charge of the devotions. The MYF hayride has been postponed from Nov. 2 to Nov. 9.

Evening worship 7:30 o'clock. The Chancel choir under the direction of Melvin Brobst will sing the anthem "Be Joyful in the Lord." The singing of your favorite hymns and a question and answer period will be features of the service.

The Commission on Education and the Official Board will meet following the services tonight.

Last Sunday night the WSCS was in charge of the evening service as the climax of the week of prayer and self-denial. Mrs. Hedgecock, Mrs. Stokes, and Mrs. Sharp spoke on the need for leadership training in Sumatra, Sarawak, Burma and the Philippines. It was a very impressive service. The offering will be used for training leadership in these countries to equip the natives to take over the places of leadership in the native churches.

The choir will rehearse Thursday afternoon and evening as follows: Junior choir 3:30, Chancel choir 6:45 and Cathedral choir at 7:45.

Last Friday evening the Pathfinders class met at the parsonage for their October meeting and the Halloween party. The class had a very good time playing games, etc. Following the business meeting and the playing of games the cohostesses, Mrs. Gibson and Mrs. Thomas Clark, served sweet cider and apple-sauce cake.

Phyllis Warren and Neil Bodenstein were married in the church last Sunday afternoon.

INSTRUCTIONS TO VOTERS

MANNER OF VOTING

When a voter presents himself for the purpose of voting, the election officer shall ascertain whether his name is upon the register of voters, and if his name appears thereon and is not challenged or a challenge be decided in his favor, one of the election officers to be stationed at the entrance of the voting machine shall announce the name of the voter and permit him to pass through the entrance to the booth of the voting machine for the purpose of casting his vote. The Judge shall then mark an x in the appropriate box, as provided on the registration card. This is to show that the voter has voted. No voter shall remain in the voting machine booth longer than three minutes, unless for good and sufficient reason he be granted a longer period of time by the election officers in charge. When the voter has cast his vote the voter shall at once leave the room. If he refuses to leave after a reasonable period he shall be removed by the election officers. No voter after having entered and emerged from the voting machine booth shall be permitted to re-enter the same on any pretext whatever. Only one voter at a time shall be permitted to enter the voting machine booth. Added 49 Del. Laws, Ch. 18, § 1, eff. Mar. 20, 1953.

NUMBER OF PERSONS PERMITTED IN BOOTH AND VOTING ROOM; CONVERSATION IN ELECTION ROOM

Not more than one person shall be permitted to occupy any voting booth at one time. No person shall remain in or occupy a voting booth longer than may be necessary to prepare his ballot and in no event longer than three minutes. No more than one person for each booth in the room, other than the election officers, shall be permitted to enter or be in the election room at any one time, except as in this chapter provided. No voter or person offering to vote shall hold any conversation or communicate with any other person than an election officer while in the election room, except as in this chapter provided.

No election officer, challenger or any other person within the polling place, during the election or counting of ballots, shall electioneer or engage in any political discussion.

CHALLENGERS: APPOINTMENT AND POWERS

Each of the political parties, acting through their respective county committees, may appoint and accredit some suitable person as a challenger to stand without the door or entrance of the room in which the election is to be held, and by the side of the passage. If any political party fails to appoint a challenger, the Inspector and Judges shall make such appointment. The challengers may be changed and their places filled in like manner during the day. The challengers shall be protected in the discharge of their duty by the election officers. The challengers, chosen for any general or special election, shall have the same powers for preserving the peace as election officers have.

INSTRUCTING VOTERS ON ELECTION DAY

Any voter requesting instruction shall be given such instruction by an election officer with reference to the sample ballots posted in the polling place.

In case any voter, after entering the voting machine booth, shall ask for further instructions concerning the manner of voting, two election officers of opposite political parties shall give such instructions to him; but no person assisting a voter shall in any manner seek to influence his vote. After giving instructions and before such voter shall have registered his vote, the persons assisting him shall retire and such voter shall then register his vote in secret. Added 49 Del. Laws, Ch. 18 § 1, eff. Mar. 20, 1953.

DETERMINATION OF RESIDENCE OF VOTER

In all questions of residence arising under the provisions of Article V of the Constitution of this State, if any person, having resided within this State, actually removes to another place out of this State, with an intention of remaining there for an indefinite time, as a place of present domicile, he shall lose his qualifications of residence within this State, notwithstanding he may entertain a floating intention to return at some future period. The same principle shall be applied to removals from one place to another within this State.

ASSISTANCE TO BLIND OR PHYSICALLY DISABLED VOTERS

Any person who shall be physically unable to operate the voting machine by reason of defective eyesight, or the loss of the use of one or both hands, or inability to walk with safety without assistance, as manifestly renders him or her unable to operate the voting machine, or to reach the polling place alone with safety, shall be permitted to bring with him or her into the election room and booth any electors or two electors, if the nature of the disability manifestly requires more than one, such as a total disability to walk to the polling district for the purpose of rendering the necessary assistance to vote. No voter shall receive any other assistance in voting than that permitted by this section.

REMOVAL OR DESTRUCTION OF ELECTION SUPPLIES OR EQUIPMENT OR VOTING MACHINE

Whoever, during the general election—(1) removes or destroys any of the supplies or other conveniences placed in the booths or delivered to the voter for the purpose of enabling him to prepare his ballot; or (2) removes, tears down or defaces the cards printed for the instruction of the voters; or (3) destroys or removes any booth, railing or other conveniences provided for such election; or (4) tampers with, disarranges, defaces or impairs in any manner the use of or destroys any voting machine or the ballots on the face of a voting machine, shall be imprisoned not less than six months nor more than one year.

INDUCING ELECTION OFFICERS TO VIOLATE ELECTION LAWS

Whoever induces or attempts to induce any election officers to violate any of the provisions of this title, whether or not such election officers violate or attempt to violate any of such provisions, shall be imprisoned not more than 5 years.

WALTER A. HANDSBERRY CLERK OF THE PEACE IN AND FOR KENT COUNTY

Letter to the Editor

A Trip to The West
By Harrow G. Farrow
(Continued from Last Week)

Wednesday I went to Chincoteague Island to look up a fellow for a boy in Milford. He had moved but the landlady got in touch with his mother-in-law and she gave his new address and phone number and I called him that night when I returned from the session. We planned to meet the next night but he later found out he had to work.

When the session opened, Patricia Munsel sang the Star Spangled Banner and later Irving Berlin introduced his campaign song "Ike For Four More Years."

That night Frank duPont had invited us to dinner at the Mark Hopkins. I had heard so much about the view from the top of the Mark so after the dinner I decided to go up and have a look. I asked anyone if they would like to go along, and Senator Vera Davis and Miss Olive Hurley went with me. It really is quite a view.

The next morning Miss Hurley learned of the death of her brother. It did not dawn on me that I knew him until she was ready to leave for her plane and then I learned it was Bill and I was really shocked.

Thursday was the wind-up of the convention and the Cow Palace was jammed to the rafters to see our President and Vice-President. Senator Vera Davis introduced Miss Patsy Maloney to us and she went with us for the session. She is related to Governor Bogg and is working in San Francisco. She was so happy to see so many people from Delaware. Her seat was in the balcony and she seemed so very interested in the proceedings that I went up and brought her down to sit with us and she was quite thrilled. She even took the Delaware Banner home with her.

One thing that struck me funny was the fact that when the convention was over around 7 p.m. it was still daylight when we came out of the Cow Palace and yet I realized it was 10 p.m. home and night. It was hard to believe.

That night when I went to dinner, the restaurant was quite crowded and a young man who was waiting for a table spoke to me and asked where I was from.

He then introduced me to his mother and as the next available table was for more than two they invited me to join them. While we were eating I learned he was chairman of the hospitality committee for the convention and was also Deputy City Attorney. I congratulated him on the manner in which they had treated the visitors, as they certainly thought of everything for our comfort and pleasure.

Left the morning after the convention was over and drove to Bakersfield, Calif. On the way through the San Joaquin Valley I saw trucks hauling what I thought were hugh potatoes, and there were also gondola car loads of them sitting on the railroad sidings ready for shipment. Some of the trucks were turning into factories, which I later learned were sugar refineries, so then I knew they were sugar beets.

I called Lee Wix on the phone and he invited me to have breakfast with him and his family the next morning. He met me and took me out to his ranch and invited me to go with him to his fishing camp in the Sierra Mountains, 240 miles from his home. We left around noon and took his two oldest daughters with us, they are seven and four.

After driving across the desert and mountains all the rest of the day, we finally arrived in Bishop, Cal., where we decided to eat before we finished the drive. On the front of the menu there was a picture of Lee's cabin and the lake and he was quite surprised when he saw it.

On our way back to the cars we saw a truck load of burros. They use them on the pack trails through the mountains.

When we arrived at the lake we had to park our cars on one side and go by boat to the cabin. It is Lake George, Mammoth Lakes, and it is 9000 feet above sea level. It is a beautiful place and very peaceful and quiet, no phones, but plenty of water. The water supply is a mountain stream in which he just lays a pipe, and it is really cold.

The snow had broken the railing on his front porch so the next day we spent repairing it. The air is so heavy it is hard to get used to and believe me I really loafed. Early in the morning I had tried my luck at fishing, but it was the same old story. That night we had charcoal broiled steaks and they sure were delicious. Lee prepared them over a fire in front of the cabin and we sure did enjoy them.

Monday, Lee and I went to T J Lake and he caught fish but I still went empty handed. This lake was 280 feet higher than the one at his cabin and we were above the snow and it was even hard to get your breath.

Later in the day we drove to the Devil's Post Pile, high granite pieces that resemble piles of poles stacked along the top of a canyon. There was a chipmunk peeping over the top of some rocks laying on the path and I took his picture. As soon as I snapped the camera he ran away. We had seen quite a few of them but this was the first one that had sat and posed for us.

On our way back to the cabin we stopped and took a ride on a ski-lift. I did not intend riding it but the children wanted to go so I could not very well back out. When we reached the summit we were 9940 feet up and the view from the top was grand but I was glad to get back on the ground again.

I had intended going on down to southern California to see Bill

McCabe near San Diego, but Lee showed me such a good time I stayed longer with him than I should have and had to head for home when I left the next day.

Crossed the Amargosa Desert and in one place I drove 38 miles and there were only four slight curves and I met only 11 cars. I did not stop at Death Valley as Lee had told me it was too hot at this time of the year. Saw the Atomic Energy Commission Base at Mercury, Nev., and Camp Desert Rock and Indian Spring Air Base. They were the only signs of habitation for miles.

Stopped at Las Vegas, Nev., and tried my luck with the rest of the suckers, and like them, wound up on the short end. Everything is wide open 24 hours a day and every place seems to have a crowd. There are slot machines in the restaurants and stores as well as in the casinos. It is fun to watch but more fun to try to win. Once I looked out and thought it was still daylight but when I looked at my watch and saw it was 10 p.m. I realized it was the bright lights on the outside that made it look like day.

The next day I stopped to see Hoover (Boulder) Dam and Lake Mead. The first person I saw was a lady who had been feeding nickels to the one-armed bandit next to me in Vegas. She and her husband were sightseeing also. Did not have time to visit Grand Canyon but did stop in Flagstaff. The temperature was 38 that night.

One thing I liked in both Nevada and Arizona was the red

asphalt roads. They made driving easier on the eyes as the sun is so very bright crossing the desert.

I had hoped to see some jack-rabbits running but only saw one alive and it was sitting under a bush, the rest I saw were killed on the highway.

In both California and Arizona it is necessary to stop at inspection stations near the State lines for fruit and vegetable quarantine.

Drove in to see the Petrified Forest and unless you actually see them, it is hard to believe that the trees have turned to stone. The colors are beautiful. Drove along the rim of the Painted Desert, and it is certainly well named. The colors are like different shades of paint.

Ran into a wind storm crossing New Mexico and it certainly made driving difficult, but did not relieve the heat.

There are still many Indians in the west and near Gallup, N. M., there are a number of adobe (mud) huts along the road where they sell their wares. If there is a white flag flying from the hut there are Indians inside, but when the hut is empty, there is no flag. The Indians also work on the railroad, at service stations and stores.

Drove over the Turner Turnpike from Oklahoma City to Tulsa and it saved nearly an hour's drive as Route 66 is very crooked between the two cities. It is the longest turnpike west of the Pennsylvania and Ohio Turnpikes.

Went to the Will Rogers Memorial in Claremore, Okla. It made me feel like I was visiting the grave of an old friend.

While in Claremore I stopped at the Mason Hotel to see the largest gun collection in the world. There are over 10,000 guns. They are all over the walls of the lobby, coffee shop, former dining room and upstairs halls; also bull horns measuring up to nine feet, and Indian darts.

After crossing the Mississippi at St. Louis I drove past a harness track near Belleville, Ill. I would have liked to have stopped but it was late and I thought I had better find a place to stay and when I did I was afraid I could not find my way back, so I passed it up.

Delaware cars were certainly few and far between. I did not see one from the time I left the Ohio Turnpike going west until I was east of Somerset, Pa., on my way home.

Drove 8,270 miles and was in 22 states and British Columbia. When I left home I had driven in all but six states and now I have driven in all 48, plus Mexico, Nova Scotia, New Brunswick, Ontario, Quebec and British Columbia Provinces, Canada, and Chincoteague Island, Va.

Delaware Hospital Lists
Higher Rates for Services

The Delaware Hospital will raise its room rates and delivery charges on Nov. 1.

Richard R. Griffith, director of the hospital, said the action is being taken because of rising costs and mounting deficits.

Room rates, in nearly all cases, will go up \$4 a day.

The rate for semi-private rooms will go from the present \$12 a day to \$16, while the ward rate, currently \$9 and \$10 will be made uniform in all wards at \$14.

The private room rates at present range from \$15 to \$19 a day. They will get an across-the-board boost of \$4 to make the range from \$19 to \$23. The hospital has 42 private rooms that will be \$19, it has 26 that will be \$21 and 12 that will be \$23.

The charge for the regular nursery is currently \$2 a day and will be boosted to \$5 a day. For the premature nursery, the charges are currently \$9 and \$10 and will be made uniform at \$10.

The delivery room charge will go from the present \$15 to \$18. While these rate changes were announced for Delaware Hospital, it is expected that Wilmington General Hospital will soon post similar charges, since officials of both hospitals have said that their rates do not cover operating expenses. If all three do raise their rates as expected, Group Hospital Service, which pays hospital bills for about two-thirds of all the residents of Delaware, will undoubtedly have to raise its rates, too, in time to make its income match the higher expenses.

The hospital director pointed out that the Memorial Hospital has had an operating deficit of \$386,221, he reported. This means that actual operating expenses have exceeded the amount of living and in prices of all materials, has resulted in a higher cost for services, equipment, and supplies of all kinds. The increases in wages and prices were bound to produce higher rates for hospital services, he said.

Fastest "News Service"
in Town!

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast?

No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town... Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fair talkers—and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it—but facts are facts. The Windys of this world aren't only quicker news spreaders

than our paper... they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab—don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

NEWLY WEDS

MR. AND MRS. ROGER MINNER

Betty Stanton Weds Roger Minner In Manship Church

The Manship Methodist Church was the scene of a lovely candle-light wedding Friday evening, Oct. 12, at 8, when Miss Betty Stanton, daughter of Mr. and Mrs. Roland Stanton, of Felton, became the bride of Roger Minner, son of Mr. and Mrs. Dennis Minner, of Houston.

The double ring ceremony was performed by Rev. Larry Renner, pastor of the church.

The bride, given in marriage by her father, wore a waltz length gown of white chantilly lace and nylon tulle over slipper satin with a bouffant skirt. The fitted lace bodice featured a victorian collar and long tapering sleeves. Her fingertip veil of imported illusion fell from a crown of pearls in a leaf design. She carried a white bloom with a white orchid and streamers of snapdragon blossoms.

The maid of honor, Lenora Hughes, Felton, wore a ballerina length gown of blue iridescent taffeta, styled with a tulip neckline and fitted bodice. Her headband was of blue, white and pink flowers. She carried a colonial style bouquet of blue and white pompoms with pink rosebuds.

The bridesmaids, Mrs. Jane Foskey of Georgetown and Mrs. Dolores Warren of Milford, wore gowns styled identical to the honor attendant in gold with matching headbands. They also carried colonial style bouquets of yellow chrysanthemums and gold pompoms.

Janice Minner, niece of the groom, was flower girl. She wore a gown of blue taffeta and net and carried a miniature bouquet similar to the maid of honor's.

Tommy Minner, nephew of the groom, was ring bearer.

The groom's best man was Donald Deputy, Houston, and the ushers were William Minner and Robert Minner, brothers of the groom.

Ronnie Jester, cousin of the bride, Felton, sang "Walk Hand in Hand" and "Because". He was accompanied at the piano by Sara Brasure, Georgetown.

The bride's mother wore a dress of periwinkle blue lace with pink accessories and a corsage of pink rosebuds.

Following the ceremony a reception was held at the community hall of the church, after which the happy couple left on a honeymoon to the Skyline Drive, Va. They will reside at their home near Milford.

Weekend guests of Mr. and Mrs. ...

Like so many Delawareans I have been appalled and sickened by the deplorable spectacle of our Democrat controlled General Assembly for the past 2 years. Greedy politicians have quarreled for the spoils, delayed, ripped and rerepped in flagrant disregard of their duties and the needs of the state. Their prolonged session has caused unnecessary expenses to the taxpayers of this state, interfered with the proper administration of state affairs, and was used by the Democrats entirely for political purposes. We can not remove this blot from our state history, but let us prove beyond reasonable doubt that this flagrant disregard to election duty will not be tolerated. Vote Straight Republican November 6th. Thank You. **DAVID P. BUCKSON FOR LT. GOVERNOR** —ADV.

Robert J. Nelson and family were Mrs. Nelson's parents, Mr. and Mrs. Louis J. Selzer of Short Hills, N.J.

Mrs. R. S. Melvin, mother of Mrs. Olin T. Perry, has been quite ill for the past week.

Girl Scout News

Thursday, Oct. 25, Girl Scout Troop No. 142 had their Halloween party at Nancy Taylor's house. Each girl brought a guest and we all dressed like ghosts. First we guessed who was who. Then, Beverly Larimore read the story "John Brown's Body" after which we passed his ruins around. Next, we lapped up milk like cats, then we dunked for apples which was followed by refreshments and dancing. The party began at eight o'clock and was over by eleven.

Monday, Oct. 29, Girl Scout Troop 142 had their meeting at Viva Reed's house. The girls are now doing handwork. Some are making Christmas stockings, some are making samplers and others are knitting. The meeting was adjourned and Mrs. Reed served refreshments.

The next meeting will be held Monday evening at 7 o'clock at the home of Mary Jane Swain.

St. Stephen's Episcopal Church

An important addition to our program at St. Stephen's is the Sunday evening service, which was started last week and will be held each Sunday at 7. This service, we hope, will especially appeal to the young people of the church, but it is for all ages and for anyone interested. Last Sunday evening Ronnie Corell, acting president of the Episcopal Youth Group, read the lessons, and Robert Greer served as accompanist.

After the service of evening prayer, a number of young men and women met at the vicarage to organize a teenage group of church people. Ronnie Correll served as acting president and Janet Cluley, as acting secretary. A program for the year was discussed and formulated and committees drawn up. Some of the topics suggested for discussion include the Christian attitude on dating, hot-rodging and delinquency, teenage crime, love and romance, engagements and marriage, Christianity and political activity, the Christian attitude on drinking, ideas on dancing. Some of the social activities planned for the year are skating parties, hay rides, dances, picnics. This Episcopal youth organization will meet each Sunday after evening prayer.

Sulky Slants

By MRS. DAVE (PAT) SMITH

What a lonesome sight to behold. Horses and horse trailers are going out so fast. It seems, when the season closes, everyone is in a hurry to get it all over.

Even the last night of racing it was just the same way. But not the public. The stands and club house were filled, the ramp was packed.

Dave closed with a bang. Started Janet's Girl last Wed. night, she won. Came back Friday night and won again in 2:06.

Why she is always a long shot, I don't know. But the first time \$27.10 to win, Friday, \$17.80. Where was I? Home asleep. Was cold so I didn't go over to watch either race. In fact I don't go to paddock any more in fall.

All the talk up here, and I guess is, will they race at Seminole Park in Florida? I rather think they will. Glen Gibbons, our race secretary has been engaged if they do race.

We have been invited to race there if it opens. I hear they have 235 head to winter there. Have spent over a million dollars to fix up the place. Years ago, Dave's brother, Lee, raced there.

There are several stables from here going down there. We will know in a couple days if we go there. When you have someone else's horses you never know. After all we have six for Dr. Huber and all 2-year-olds except Janet's Girl.

Manges will be on his way to Harrington and seems glad to be coming back. But with a new bunch of horses this year, not the Bennet's, but just as good.

ASBURY WSCS NOTES

The WSCS of Asbury Methodist Church will meet Nov. 6 at the Collins Building.

The topic for the evening will be "The United Nations-A Good Trustee." The leader of this discussion will be Mrs. William A. Minner. Mrs. Mark Willey will preside over the business meeting.

The Deborah Circle will be hostess. The next meeting is scheduled for Dec. 4.

Increase of Accidents in Damage Excess of \$100

There was an increase in highway accidents, involving damage in excess of \$100, during September of this year as compared with the same month of two previous years, according to a report prepared by Mrs. Hattie Tarburton, director of the financial responsibility division of the Motor Vehicle Department.

However, the report indicates that while these accidents show an increase for Wilmington and New Castle County, there is a decrease for both Kent and Sussex Counties.

There was a total of 564 of these accidents throughout the State during September, according to the report. This number is an increase of 54 over September of last year and 80 more than took place during September of 1954.

Of these accidents 416 took place in Wilmington and New Castle County, an increase of 87 over September of last year and an increase of 100 over September of 1954.

In Kent County 68 of these accidents were reported, which is 18 less than the record for September in both 1955 and 1954. Sussex County had 80 of these accidents, a decrease of two over September of last year and two less than September 1954.

Of the drivers involved in the accidents during September of this year, 246 were from out of state, 183 had no insurance and 204 persons were injured in the accidents.

Damage resulting from the accidents in September of this year totaled \$235,005, as compared with \$194,315 for September of last year and \$200,395 for September of 1954.

What's wrong with this picture?

Easy. There's only one telephone in the house, and it's a long climb from the utility room, where she spends so much time.

Easy, too, to remedy this annoying situation! For 85¢ a month you can have a second telephone wherever it will save you the most steps... kitchen, basement, den or bedroom. Just call the Telephone Company Business Office and ask about an extension telephone.

NOW! You can afford WARM FLOOR HEATING in every room!

JUST LIKE A FURNACE... BUT WITHOUT ALL THE COSTLY DIRT COLLECTING PIPES AND REGISTERS

SIEGLER has TWO heatmakers working together on ONE fire to heat every room in your home!

HEATMAKER No. 1 50% MORE HEATING AREA than ordinary heaters

PLUS HEATMAKER No. 2 The powdered-air, inner heat tubes. Room air is forced through the heart of the hottest fire... and poured over your floors.

PLUS HEATMAKER No. 2

QUICKLY GETS TO THE BOTTOM OF THE COLD FLOOR PROBLEM

But ORDINARY HEATERS cannot and do not give you warm floor heating in every room because they waste heat up the chimney and on the ceilings.

Sieglers is not a space heater that wastes heat forcing you to live in one or two rooms with cold floors.

Sieglers is not a central heating plant with expensive installations!

SIEGLER is the revolutionary method of WARM FLOOR HEATING in every room! BUT WITHOUT PIPES AND REGISTERS!

SIEGLER PAYS FOR ITSELF AGAIN AND AGAIN WITH THE FUEL IT SAVES.

AND LOOK - don't let BTU Ratings confuse you! There is BTU INPUT... there is BTU OUTPUT, but what keeps your family warm is BTU USE/PUT... the working BTU's that heat your home! In BTU USE/PUT Sieglers OUTHEATS 'EM ALL! A 50,000 BTU Sieglers gives more USABLE HEAT than much higher rated ordinary heaters. A 75,000 BTU Sieglers furnace-volume heater can only be compared to a central heating plant.

Harrington School News

Senior Personality
Irene Mildred Brown, better known as Teenie, was born Aug. 14, 1939. She is the daughter of Mr. and Mrs. Edgar Brown. Irene was born near Harrington and has attended Harrington High School during her entire school life.

Irene is taking the commercial course and her favorite subject is shorthand. She is a member of the Glee Club and Drama Club.

Irene plans to be married after graduation. Her pet peeve is conceited people.

Home and School Meeting
The first home and school meeting will be held Wednesday, Nov. 7, instead of Oct. 31 so that this meeting will not conflict with the U.N.I.C.E.F. Halloween party which has been planned at the Century Club.

Nov. 7 is also the opening night of the second annual book fair in the auditorium of the Harrington High School. An art show has also been planned this year in conjunction with the book fair. Mrs. Virginia Waters, remedial reading specialist for the Dover Special District Schools will be the speaker. Mrs. Waters has also taught at the University of Delaware and has had wide experience as classroom teacher and elementary school librarian. She will have many practical suggestions to offer as the speaker for the first meeting of the home and school association.

Book Fair & Art Show
The books for the second annual book fair at the Harrington School have been selected. The fair will be open to the public Nov. 7, 8, and 9th from 2-4 and 7-9. There will be books for all ages and all interests. Orders will also be taken should anyone desire to buy a copy which has already been sold.

There will be a wide selection of titles in both fiction and non-fiction. Of special interest will be Bibles (Black or White bindings), cook books, basic kits of shells, basic kits of minerals, game and party books, and Roberts Rules of Order. There will also be book markers, book plates to indicate ownership, plastic book jackets, books of etiquette, landscaping, flower arrangements, and dictionaries.

An art show, under the direction of the art department, will be held at the same time.

The art exhibit is unusual, as it combines the masters prints, which were purchased last spring and the Harrington High School students work.

The prints were chosen largely from French collections. However, well known masters from many European countries are re-

presented. The exhibition will be presented on the main floor in the high school corridor.

The frames were made in our own school with the help of Paul Grant. Picture molding was used, but a touch of greyed-tone has helped to take away the monotony of the sameness of the material.

Student's art work varies in medium, material, and technique. Admission free.

1956 D.S.E.A. Convention
The business session of the convention, held Wednesday evening, in the Harlan School auditorium, will mark the beginning of a two day annual meeting of the Delaware State Education Association.

The plans for the convention provide for full television coverage of the address by Mrs. Eleanor Roosevelt from 9:30 to 11 a.m. Thursday.

For the final Friday afternoon session, talks will be given by the Democratic and Republican candidates for Governor of the State of Delaware.

Senior Art Club Trip
Oct. 12, the Senior Art Club went to Washington, D. C. for the day.

The ride to Washington was interesting and upon arriving in Washington, the club visited the Washington Monument. Some climbed to the top by the many flights of steps, while others preferred the elevator.

Next stop for the bus was lunch and afterward came a visit to the F.B.I. Here our club was divided into groups and led through the building on tour of all the laboratories of the F.B.I. One interesting stop was in the demonstration room where we saw an F.B.I. expert fire a magnum revolver and a tommy gun.

Then we visited the Tomb of the Unknown Soldier at Arlington and were just in time for the changing of the guards.

The Whitehouse was next and we toured its many rooms. Among them the Red Room and the Blue room.

Last, we visited the Franciscan Monastery and visited the many shrines in the huge Catholic Church, each shrine more beautiful than the one before.

The club arrived back in Harrington at 8:30 p.m. and all agree they had a wonderful time.

Junior Art Club
Twenty-six junior high art students and guests boarded the bus at 7 a.m. last Friday on a tour to Washington, D. C.

The bus ride was uneventful. We sang and made a lot of noise talking back and forth.

Pennsylvania Avenue is always exciting, especially, when in sight of the Capitol, White House, and Washington Monument.

New comers eagerly ran up to the top of the monument, but the seasoned students took the elevator. We puffed our way back to the bus.

After lunch we hurried to Arlington Cemetery to see the changing of the guards at the tomb of the Unknown Soldier.

Best of all was the guided tour through the F.B.I. building. Here we learned about the futility of breaking the law. The F.B.I. always get their man, sooner or later.

The Smithsonian Institute was fun. We roamed through several buildings. Old model airplanes fascinated the boys, and the girls seemed to linger at the wax figures of president's wives eyeing the fashion and headress of days gone by.

The Franciscan Monastery was our last visit. Within the church are reproduced a number of the sacred shrines of the Holy Land. Outstanding were the Catacombs which gave us some idea of those in Rome. We saw many more shrines and well known grottos that are reproduced in and surrounding the Monastery.

F. H. A.
Tuesday morning the Harrington Chapter of the F. H. A. met in the Home Economics room with Patsy Bonniwell presiding.

A motion was made and passed that the State and National dues be sent to the state advisor, Emily A. King.

Suggestion of the years activities were presented by various members. The following are some of the ideas discussed: covered dish supper, contributing to the national fund drive, a community project, and a bake and dance in cooperation with the F.H.A.

The committees are:
Fund drive, Jean Martin, Helena Calloway, Phyllis Vincent; covered dish supper, Mary Baker, Buff Jory, Norma Jean Evins; community project, Doro-

thy Messick, Maureen Boyer, Mary Jane Teed; publicity, Iris Lee Warrington, Freda Kemp, Phyllis Curtis; merit, Joyce Evins Buff Jory, Margaret Teed; delegates, Patsy Bonniwell.

Officers for 1956-57 are as follows: President, Patsy Bonniwell; vice-president, Dorothy Messick; secretary, Phyllis Curtis; treasurer, Norma J. Evins; historian, Phyllis Vincent; parliamentarian, Freda Kemp; reporter, Helena Calloway.

GRADE 1
Fran Drapp had a birthday Monday. We sang happy birthday to her.

Diane Harrington's birthday was Thursday. Her mother came to school and gave a lovely party for all the children.

Some of the boys and girls have their new reader, "Under the Sky."

GRADE 5
Mrs. Brobst
The boys and girls in Mrs. Brobst's room had their assembly Thursday morning.

GRADE 6
Mrs. Mann
Mrs. Mann's Rabbits are studying Egypt. We drew some pictures of Egypt. We drew a map of Africa showing Egypt, the Nile River, and the surrounding countries from which the Nile River gets its source.

Carole Smith, Sandra Whisler, Wanda Minner, and Kaye and Faye Needles drew a Halloween picture on the blackboard.

Our room went to see Mrs. Brobst's assembly Thursday morning.

We played a hockey game against Mrs. Purse's room Tuesday. The score was one to nothing in favor of Mrs. Purse's room.

GRADE 10
Mr. McDonald's 10th grade gave Lois Graden a farewell party Tuesday. Lois is leaving Harrington and moving to Chester, Pa. She has been a resident of Harrington for six years. We will all be sorry to see her leave. We hope she will have as much success in Chester as she has had here.

GRADE 8
The meeting was called to order by our president, Billy McColey, Wednesday. The secretary read the minutes of our last meeting. We discussed the party which we are going to have Friday night.

Next we discussed the amount of dues we should pay for the year. This money is for the trip the eight grade takes later on in the year. We decided upon 15 cents for each person each meeting with \$2 as the total for the trip.

my beef for the prices are much lower. For example: round steaks from this beef, cost between 60 to 70 cents a pound, whereas in top quality beef it sells for 90 to 1.20 a pound. For thrifty buys this week chuck roast and ground beef remain the two outstanding items.

The fresh produce counters are piled high, with a wide variety of vegetables to choose from. The best buys are found among beets, cabbage, cauliflower, carrots, most greens-except spinach, onions, sweet potatoes and Irish potatoes. Brussel sprouts are becoming more plentiful, and lettuce is better this week.

Apples, pears and tokay grapes continue to dominate the fruit counters. Cooking apples have dropped again in price. However, delicious apples are steady in their price. Pears are not only reasonable, but there are five kinds to choose from. Tokay grapes are averaging 15 cents a pound. All in all fruit salad seems a natural now.

Greenwood

Mr. and Mrs. George Pitman and Mrs. Allison Davis motored to Baltimore Monday.

The band boosters of Greenwood School will meet Thursday evening, Nov. 1 at 8 at the school.

Mr. and Mrs. Hartley Flombsbee of Woodlyn, Pa. and Mrs. Graydon Hurst of Wilmington, were supper guests Sunday at the home of Mr. and Mrs. Allison Davis, and attended the home-coming service at Epworth.

Mrs. Myrtle Calhoun, Mr. and Mrs. Howard Calhoun and Mrs. Hazel Zych and children attended a birthday luncheon at the home of Mrs. Ruth West and Mrs. Norma Lee West at Laurel. They also attended the homecoming at Concord Sunday and at Epworth Sunday evening.

Mr. and Mrs. Earle DeFord and children motored to Georgetown, Pa. Sunday and spent the day with Mr. and Mrs. Lewis Chance. They arrived in time to attend Sunday School with the Chance family, and report that they have a fine Sunday School there with 201 present.

Mr. and Mrs. Ronald Case and Karen were Sunday dinner guests of the Jacob Hatfields.

Mr. and Mrs. J. Burton Case of Harrington and Mr. and Mrs. Clayton Downes of Rehoboth were Saturday evening guests of Mr. and Mrs. Arthur Laughery.

The best protein buys this week are eggs, cheese and chickens. Egg prices continue to drop since hens are laying more eggs. Grade A medium took the drop in price to sell now at an average price of 50 cents a dozen.

When choosing eggs this week, remember, Grade A large weigh 24 ounces to the dozen. Grade A medium weigh 21 ounces. Then compare the price of each to get the best value for your money.

Supplies of broiler-fryers are still big and quality good. These young and tender chickens are prepared in 3 styles: fryers, Broilers, and delightful little roasters. At the present prices, prepare them in many interesting ways and eat them often.

Turkeys remain at last week's price with the exception of heavy toms, they went up a little in price this week.

Economy beef is arriving at the meat counters in big supply now. This economy beef comes from grass or range fed cattle which grades U. S. Good or U. S. Standard. It contains less of the fat which makes for full flavor, and it is more lean. This of course means it should always be cooked by moist heat. Check with your butcher for this economy beef.

Organization Meeting For Harrington Alumni Association

To be Held at Harrington School

An organization meeting for a Harrington Alumni Association will be held at the Harrington School cafeteria Thur., Nov. 8 at 8 p.m. There have been many expressions of the need for this so let's get off to a good start with a large attendance.

The Harrington School has provided a list of graduates dating back to 1887 with the exception of 1925 to 1929 inclusive, and there is hope of getting these before the meeting. Bring your

address book along so that a mailing list can be started of each class.

Officers for the Alumni Association will be nominated and a committee appointed to set up by-laws. Everyone should have several candidates in mind.

The by-laws and organizations of the Felton and Milford Alumni are available and it is planned to have a member of each of these present for the information they can give us.

Everyone that can help make Harrington Alumni Association a success is invited to attend Nov. 8.

Colombia has opened its newest airport, the Barrancabermaja project, Bogotta learns.

Train lighting dynamos, imported for the last 100 years, will be made soon in India.

NEW ALFALFA INSECT PEST THREATENS DELAWARE FARMS

Already plagued with a formidable array of insect pests, Delaware farmers may have another serious contender on their hands before long, warns Dr. Richard Darsie of the entomology department at the University of Delaware.

He reports that the spotted alfalfa aphid, which two years ago was no further East than Missouri, has now reached as close home as Chesterfield county, Va., just 120 air miles from Delaware farms.

Darsie is afraid that this pest is headed for the Diamond State and warns alfalfa growers to be on the lookout. The spotted alfalfa aphid is a soft-bodied insect, oval in shape, and about one-sixteenth inch long. Its body color is yellow, with rows of brown spots cross-wise on the abdomen.

The Republican Party favors the establishment of a central purchasing agency, a modernized system of accounting, and many other fiscal improvements contained in professional studies submitted by Governor Boggs to the 118th General Assembly and ignored by that Democratic body. We need this legislation and we can get it with a Republican administration. Vote Republican on November 6th. Thank You.

Vera G. Davis for State Treasurer -Adv.

One way to detect the pest before it actually destroys alfalfa plants is to look for quantities of a sticky substance, called honey dew, on stems and leaves. Later on, a black fungus growth on the honey dew will give the alfalfa a dark appearance. Often, a large number of cast-off insect skins may also be detected.

Darsie says that farmers in other states have been using phosphate insecticides to fight the spotted alfalfa aphid. He urges any Delaware farmer who suspects it has hit his fields to collect some samples and send them to him at the Department of Entomology, Agricultural Experiment Station, at Newark.

Mrs. Louis Martin To Address Home Demonstration Clubs

The Kent & Sussex Home Demonstration Clubs will have Mrs. Louis Martin as their guest speaker at their Home Demonstration Achievement program, Thurs., Nov. 8, at the Metropolitan Church in Harrington, at 8 p.m.

Mrs. Martin of Eden, Md., is the wife of the Martin family which has a dozen children, all of whom went to college. This was featured in national magazines. The Home Demonstration Clubs are particularly interested in the Martin family as it is a family member of the Agricultural Extension family. Mr. Martin a recently retired Maryland Extension Agricultural Agent was the first Maryland Agent for his group.

Mrs. Martin is a home economics graduate of Hampton Institute, Va., and has been going to college again at Maryland State College studying family relations. She is an outstanding homemaker and religious and civic leader. She was named the Afro's 1955 Mother of the Year.

There are 11 of the Martin children with college degrees, three with Master Degrees and some working toward a Ph.D.

Among other highlights of the program will be special music by the Harrington Mill Chorus under the leadership of Mrs. Ester Hackett, presentation of a dress revue by Mrs. Regina Kiah, exhibits and club achievement reports. Other club members who will take part during the program will be Mrs. Lydian Neal, Mrs. Alphonso Evans, Mrs. Alberta Gibson and Mrs. Lillian Smiley.

Veterans News QUESTIONS AND ANSWERS

Q-If I sell my GI home, and get relieved from liability to the Government, will my entitlement for another GI loan automatically be restored to me?

A-No. Relief from liability of your present GI loan would not automatically entitle you to another loan. Veterans may have their loan entitlement restored only under certain unusual circumstances, such as losing their homes through fire or flood; condemnation by the Government, or being forced to change locations because health or job transfer.

Q-If I add the total disability income provision to my National Service Life Insurance term policy, will the rates be based on my present age, or on the age that my premiums are figured on?

A-The rates would be based on the age that determines your regular premium, and not on your present age.

Q-Is it possible for a young man or woman to pursue a regular high school education under the War Orphans Schooling program?

A-No. Regular high school training is prohibited by the law. To enroll in school below the college level, the young person must have completed or quit regular high school, and the below college course must be one that fits him for a vocational goal.

A-May I attend a foreign trade school under the Korean GI Bill?

A-No. The only courses outside the United States permitted under the Korean GI Bill are those offered by approved institutions of higher learning.

Kent Home Doings

by Charlotte L. Swanson, Home Demonstration Agent

Nov. 8 is an important day for Kent County Home Demonstration Club members - that's the date for the 1956 achievement

day program. The place is the Capital Grange Hall, in Dover, the time 10 to 3.

The program for achievement day will be an interesting one for everyone. Do you like a fashion show? You will see one featuring dresses which were made in the project schools last spring. Did you always want to travel? You will hear reports of trips to Texas and the near East.

Mrs. Francis Raughley, president of the Kent County Home Demonstration Council, will preside at the meeting. Group singing will be led by Margaret Black - always a favorite with Delaware homemakers. A report of the National Home Demonstration Council meeting which was held in Texas will be given by Mrs. Clyde Campbell, Hartly.

The activities of the Home Demonstration clubs for 1956 will be summarized and reported in a panel discussion by Mrs. Robert Mercer, Milford with health chairman, Mrs. Leonard French, Milford; safety chairman, Mrs. George Meyer, Dover; citizenship chairman, Mrs. Clifford Clark, Kenton, and family life chairman Mrs. Harvey Fifer, Dover.

A former Kent County Home Demonstration scholarship recipient, Mrs. Mary Ann Simpson Teats, will talk to the group about her activities since her graduation from the University of Delaware in 1955. Mrs. Donald Quast, Dover, will discuss art appreciation.

Highlights of the program will be a slide talk by Mrs. Duane Lynn, of Milford, on a recent tour of the Near East and a fashion show featuring garments which we made in the project schools last spring.

Exhibits of things which have been made by Home Demonstration club members in the past year will be shown. Luncheon will be served by the Capital Grange. Make your reservations through your club president right away.

Locality Election Boards Named In Agriculture

Five community election boards were named today to carry out elections for community committees in Kent County for 1956 as a part of the agricultural stabilization and conservation program. They are as follows:

Community I (comprising Rep. Districts 1 & 2) Arthur Short, Smyrna, Stanley Stachecki, Dover, Claude Hoffman, Dover.

Community II (comprising Rep. Districts 3 & 4) James Mitchell, Smyrna, Albert Barthelmeh, Clayton, John Webb, Sr., Goldsboro.

Community III (comprising Rep. Districts 5 & 7) L. D. Caulk, Wyoming, Harvey Fifer, Dover, Baxter McKee, Dover.

Rep. Districts 6 & 9) W. Anstine Stafford, Harrington, Hubert Cannon, Harrington, Charles Cohen, Goldsboro.

Community V (comprising Rep. Districts 8 & 10) Charles West, Milford, Gladys Mack, Felton, Donald Jester, Milford.

Following instructions by the State ASC committee, community election boards will now prepare a slate of 10 eligible persons for community committees in each of the senatorial districts of the county. In addition, any group of 10 or more eligible voters has the right to petition for additional nominations prior to Nov. 23. Interested groups should contact any members of the county election board whose names appear below. Actual voting in the community elections will be by mail, and all ballots must be received in the county office by Dec. 7. The com-

munity election boards will then meet, count the ballots, and determine the persons elected. The new committees will take office on Jan. 1, 1957.

County and community election boards in the agricultural stabilization and conservation programs serve without compensation. Represented on the county election board is the president of the Kent County Farm Bureau, Roland Garrison, Dover; the Pomona Grange Master, Francis Raughley, Dover; Soil Conservation Service Unit Conservationist, Fred Mott; the Supervisor of the Farmers' Home Administration, Fred Rickards; and the County Agricultural Agent, George Vappa. Former Resident George Wolfe Reveals Far East Experience

Three years ago George Wolf was working on the Bob Nelson farm in Whiteleysburg. Since then he has been practically half way around the world. After leaving this area, he went to a Trappist Monastery in Kentucky and from there escorted two monks to Hong Kong. There George helped the monks establish a dairy farm. As a reward for his gratuitous services to the Trappists, George was made an honorary Trappist monk - the first such person in the history of this ancient and strict religious order.

After completing his tasks with the Trappists, George became affiliated with the National Catholic Welfare Council. For slightly more than a year now George has been stationed in Karachi in Pakistan and expects to remain in this post for some time in the future.

At the present time he is bringing to a close a short vacation that he spent with his parents in Garwood, N.J. Along with his father and mother he paid a short visit to Harrington and attended the parish meeting in St. Bernadette's parish house last Thursday evening. Besides renewing friendships with those with whom he had been previously associated, he was also able to explain to the parishioners his many activities since he left this area. He expects to leave this country and return to his far away post early in November.
