Felton School News

In recognition of American Education Week, Felton School extends a special invitation to all parents and friends of the school to visit classes and observe the school program in action.

The Felton High School Band will be the guest of the University of Delaware at the football game Sat., Nov. 9. Along with a large number of Delaware high school bands they will parade to the stadium from the campus and participate between the halves in forming the word Delaware on the grid iron.

STUDENT COUNCIL
The prizes for the magazine campaign arrived last week and have been distributed to the students.

RECORD HOP
The sophomore class is holding a record hop on Fri., Nov. 8, from 7:30 to 11:00.

MRS. REYNOLDS HONORED
Mrs. Maude A. Reynolds, teacher of the first grade at Felton School for 40 years, was honored at the Delaware State Education Association Convention on Oct. 25, along with 16 other outstanding Delaware educators and lay citizens who have advanced public education in the state during the past 100 years.

SENIOR BAND NEWS
The Harrington High School Band will parade during the half time of the next two home football games. These games are as follows: Saturday, Nov. 16 at 2 p. m. with Laurel, and Saturday, Nov. 23, at 2 p. m. with John M. Clayton.

SENIOR CLASS
Shirley Hurd, Jean Reed, Thomasine Miller, Janet Paskey, Jane Grier, Edmund Bak, and Billy Wood, who are on the yearbook staff, are busy launching the 1958 ECHO. Tuesday and Friday the seniors will have their pictures taken for use in the yearbook.

MENU
Monday: Roast pork barbecue on roll, cut green beans, milk and apple sauce.
Tuesday: Vienna sausage, baked beans, milk and pineapple.
Wednesday: Hot veal sandwich, whipped potatoes, milk and peaches.

FELTON STUDENT IS 4-H STATE DELEGATE

Wallace Caulk will represent the 4-H Clubs of Delaware at the annual Southern States Cooperative meeting in Richmond, Va., on Nov. 7 and 8. He was selected for his honor by Wayne Bath, state 4-H club leader; Mrs. Margaret MacDonald, Kent County 4-H club leader, and G. M. Worriell, Dean of the School of Agriculture at the University of Delaware.

Caulk is the grandson of L. D. Caulk, who was one of the leaders in establishing the 4-H movement in Delaware. He has an outstanding dairy club record, having won for the second year in succession the county fitting and showing contest. He is president of the Junior Class at Felton High School, an honor student in the vocational agriculture course, vice-president of the Felton F.F.A. chapter, and the winner of the 1956 State 4-H public speaking contest.

A \$4,000,000 sugar cane plant, first of its kind in Ceylon, is to be built in the Gal Oya region, Colombo reports. It will go into production in 1959.

Harrington School News

SENIOR PERSONALITY
Louis Anthony Perrone Jr., Louis Anthony Perrone Jr., better known as Tony, son of Mr. and Mrs. Louis A. Perrone, Sr., was born November 22, 1940, in Harrington. Therefore Tony's school years were all happily spent in the Harrington School.

He has been secretary of the Student Council and Kent County Delegate to the 21st Annual National Conference of the National Association of Student Councils held at Roswell, N. M. He is a member of the Glee Club, vice president of the band, and vice president-treasurer of the Varsity Club.

His pet peeve: whispering in class while teacher explains lessons, and during lab sessions. His favorite pastime: listening to good music, especially selections by outstanding trumpeters. His favorite expression: "What an ingenious idea."

Post-graduation plans: Enrolling at the Peabody Conservatory of Music. A possible sojourn in Italy to visit relatives and to take a course in the Italian language.

Tony's ultimate goal is a musical career in the United States Navy.

SENIOR BAND NEWS
The Harrington High School Band will parade during the half time of the next two home football games. These games are as follows: Saturday, Nov. 16 at 2 p. m. with Laurel, and Saturday, Nov. 23, at 2 p. m. with John M. Clayton.

On December 13 the band and glee club will give their annual Christmas Concert in the High School Auditorium. The program is as follows:

- I Procession—Adeste Fidelis
1. Come to the Stable
2. Happy Christmas
3. Winter Wonderland
II Hand
1. Russian Choral and Overture
2. Marche Fantastique
3. Selections H.M.S. Pinafore
4. March Officer of the Day
III Childrens Chorus
1. On a Winter Morning
2. Greensleeves
3. Angels We Have Heard on High
IV Hand:
1. Washington and Lee Swing
2. Around the World
3. The Golden West
4. March of the Little Leader Soldiers
V Carols
VI Glee Club
1. The Heavens are Telling
2. Halleujah Chorus
3. Cantique de Noel
VII Recessional—Glee Club:
1. It Came Upon the Midnight Clear.

EIGHTH GRADE—Miss Morris
Wednesday, Oct. 30, we had our homeroom meeting. We elected a new Student Council representative, because Bonita Porter has majorette lessons on Tuesdays. Our new representative is Nancy Derrickson. Her assistant is Kenneth Gray.

Friday there were several people who went on the art trip to Washington, D. C. We are sure they had a nice time.

MATH CLUB NEWS

The meeting was called to order by Connie Biddle. The secretary read the minutes of the last meeting. Roll was called and two were absent. They were Eddie Layton and Bonita Porter. For new business we decided that Eddie Layton and Patsy Cox should bring in the news out of the newspaper. There was no old business. The meeting was adjourned.

SIXTH GRADE—Mrs. Mann
We the reporters, Linda Smith and Joseph Taylor, are sending in poems from Mrs. Mann's 6th grade. The winners' compositions are as follows:

Witch Time
When the moon is big and yellow, and the frost is on the ground,
You'd better watch your P's and Q's,

For there's witches all around.
Carole Jean Wirick
2nd Halloween
When the pumpkins shine so gayly;
And the ghosts are in the street,
Hold on to your pillow,
For it's time for trick-or-treat.

When the witch is on her broom,
And the cats are on the fence;
The moon is shining brightly;
It's Halloween; So don't be tense.
Stuart Alan Greenberg
3rd Halloween
Tonight's the night for Halloween,
Witches and goblins will be seen.
They'll sing and dance and play all night,
And fill you through and through with fright.
Carol Willis

4th Autumn
Now the Autumn wind is blowing,
And the grass is turning brown,
And the little birds fly southward
The scarlet leaves flutter down.

The trees are tall in splendor,
In their dresses of orange and gold,
The days are shorter than before,
And the chill, fall air is cold.
Barry Fry

FOURTH GRADE—Mrs. Tatman
Paul King is our newest classmate and we are glad he is in our class. He moved here from Dover. We hope he likes our school.

We had a very nice Halloween party, under the leadership of Mrs. Myrtle Wirick, our homeroom mother. We all dressed up and paraded through the halls before our party in the room. Everyone had a good time doing all the nice things planned.

FOURTH GRADE—Mrs. Quillen
The honor spellers for the month of October were: Gayle McDaniel, Jim Cain, Margaret Fyrie and Bill Dill.

The Halloween party was enjoyed by all. The success was due to well planned entertainment by the following committee: Cheryl Satterfield, Garfield Littleton, Margaret Fyrie, and Wayne Hendricks; refreshment committee: Bill Dill, Faye Pearson, Donald Draper and Mary E. Brown.

SECOND GRADE—Mrs. West
This has been a busy exciting month. We have done lots of new kind of work.

On October 23, we gave our assembly. We played Peter Rabbit. Many of our mothers and fathers came. We liked to give this program very much.

In the afternoon we got a treat. There have been a lot of us absent this month because of the flu.

Jerry Cagle has moved away. On October 31, we had a Halloween party. David brought us a Jack-O-Lantern. We all dressed up, and some of us were scary and some were beautiful. We like Halloween parties.

THIRD GRADE—Mrs. O'Neal
Our homeroom mother, Mrs. Hurd, gave us a very nice Halloween party. Many other mothers helped to make our party a success.

We played games, paraded in the hall and enjoyed the refreshments provided by the mothers. Everyone wore costumes and we had fun trying to guess who was who.

Grade 2—Mrs. Jerread, by Candace Peck
Mrs. Harrington, our homeroom mother, gave us a Halloween party on Thursday. We liked it very much. Fran and Sharon got a prize, and so did Gary Smith and Gary Minner. They liked them very much. We all thank Mrs. Harrington for giving us such a nice party.

FIRST GRADE—Mrs. Hopkins
Wednesday morning, Oct. 30, we went to the turkey farm near Andy's house. Andy's mother and little Billy were there to greet us and they helped us gather some feathers which we brought back to school. It seemed as though the turkeys all "gobbled" at the same time. We enjoyed our trip and wish to thank Mrs. Walls for her kindness.

We celebrated Halloween with a dress-up parade and lovely party. Mrs. Iris Brown, our homeroom mother, and several other parents served us delicious refreshments. Many parents and little brothers and sisters were present for our party. Many thanks to everyone who helped with our Halloween celebration.

FIRST GRADE—Mrs. Howard
Mrs. Howard's first grade enjoyed a trip to Peck's turkey farm Wednesday. We saw over 300 turkeys. On our trip back to school, Mr. Short gave us all a treat.

We all enjoyed our Halloween party we had on October 30. Some of our parents came to help us celebrate Halloween.

WHEELER'S TELEVISION CENTER

Harrington Phone 3541
Do you suppose that when people start going to the moon, and its coming fast, whether we will find other human beings there? Do you suppose that they too have homes like we have? Do you suppose they are intelligent like the people on earth? At least we have the opportunity of bettering ourselves.

For instance, are we holding back just a few dollars from making our homes more lovely and livable? There are many homes today that need a little face lifting and the cheapest and best way to do it is re-paper. You have looked at the paper on your walls so long that you probably think they are O.K. Your friends and neighbors can see where you need a change and sure enough when it is done you too will say why in the world didn't I do this before? Enough said, we have just gotten in several hundred rolls of

kitchen, bedroom and living room designs. Stop around and you too will be pleased. This is our last showing until spring, so come in now while our stock is complete. Whether you know it or not we only charge 2 cents a yard for border and 40 cents a double roll for ceilings. Your company will soon arrive for the holidays

so treat them with a lift up look as well as your own. Then you can sit back and eat that turkey with the blinds open or venetian blinds high instead of keeping them down to that, that, well you know what I mean. Come in quick, time is later than you think. We are here today, Smile, Smile.

**Social Security Notes**

Some people may have been disturbed recently by published reports alleging that the old-age and survivors insurance program was running into financial trouble. You can be assured that the program is financially sound, that there will be enough money to pay all future benefits, and that the facts about how the system is financed will show you that this is true, according to Myron Milbouer, manager of the Wilmington district office of the Social Security Administration. **Where the Money Comes From**

The old-age survivors insurance program is financed out of the social security tax contributions of employees and their employers, and the self-employed. These tax contributions go into a separate Trust Fund in the U.S. Treasury and that part of the Fund not needed for current expenditures is invested in inter-bonds. Mr. Milbouer stated today. The interest on these bonds is added to the Fund. In the 20 years since 1937, the CAS Trust Fund has grown to \$23 billion.

More than 10 million men, women and children, over 20,000 of them in Delaware, are now receiving monthly benefits and the number of beneficiaries is expected to grow steadily for the next 50 to 75 years. To cover the cost of making payments to all these people, Congress has written into the law a gradually rising schedule of social security taxes.

Under this schedule employed people now pay a social tax of 2 1/4 per cent of their wages up to \$4200 a year. A matching 2 1/4 per cent is paid by their employers. Self-employed people pay a tax of 3-3/8 per cent on their net earnings up to \$4200 a year. (A fixed percentage of this tax goes into the disability insurance Trust Fund to finance disability insurance benefits.) The amount of social security taxes is scheduled to go up slightly in 1960 and again in 1956, 1965, 1970, and 1975. With the \$23 billion now in the CAS Trust Fund and with the income from taxes paid under this schedule, plus interest on bond investments, there will be enough money to pay all future benefits.

During the fiscal year which ended June 30, 1957, income to the Trust Fund totaled \$7.1 billion. Of this year, \$6.5 billion was contributions and \$560 million was interest on the invested assets of the Fund. Benefit payments and administrative expenses totaled slightly less than \$6.7 billion. So the Fund increased by more than \$400 million in the fiscal year just ended.

The Trust Fund has increased every year since the program went into operation in 1937. Since the long range trend of the Fund is upward, it will continue to increase. But it has been anticipated that there will be periods when the margin of income over outgo would narrow—and that outgo might even exceed income—for a time before each increase in the tax rate becomes effective, Milbouer explained.

**A Temporary Halt**  
With the next change in the tax rate scheduled for 1960, a temporary halt in the growth of the Fund was expected some time before 1960. This temporary halt, it now appears, may take place a little earlier than anticipated, because benefit payments are somewhat higher than they were expected to be at this particular time. However, when the tax rate increases in 1960, the Fund will again start to grow.

Present benefit expenditures are running higher than expected largely as a result of the 1954 and 1956 amendments, which extended social security coverage to over 10 million people in occupations that were previously not covered. Many older workers in these occupational groups have become eligible and applied for benefits than were expected. But while the payment of the benefits to these additional people affects the short range situation of the Trust Fund, it has almost no significance at all when compared to total benefit payments over the years, and no effect on the long-range financial soundness of the program.

**The System Is Financially Sound.**  
Some published reports seem to have disregarded the strictly temporary nature of the present situation and have erroneously concluded that the Trust Fund growth has been reversed.

However, the Fund will start to grow again as soon as the 1960 tax increase goes into effect and will continue to grow for the next 50 to 75 years. With the income from taxes now scheduled in the law, and in the interest on investments, there

**Greenwood**

Mr. and Mrs. Lawrence Meredith, Mr. and Mrs. Charles Jones and Mr. and Mrs. Ralph Hynson attended the dinner for the Auxiliary Police and their wives at Delmar on Sunday afternoon. On the way home, the group stopped in Seaford and attended the Wesley Music Festival in the Seaford High School Auditorium.

The School of Prayer being held in the Avenue Methodist Church, Milford, this Friday evening at 7:30 p. m. and on a Saturday at 10:30, 2:30 and 7:30 p. m. Dr. Albert Day, Washington, D. C. will be the leader in this school. Dr. Day is well qualified to lead others in the study of prayer. Our ministers are asking that we push aside all other activities possible to attend one or more of these sessions.

Chaplin's Chapel Church will hold a Food and Fancy-Work sale on Fri., Nov. 15, beginning at 10 a. m. in the Greenwood Fire Hall. The money raised by this method is to be used toward the erection of a Sunday School building. Any assistance in this would be deeply appreciated.

Mr. and Mrs. Jacob Hatfield and Ellen, were among those from Greenwood attending the play presented by the Bridgeville Little Theatre Group on Friday and Saturday of last week. This year's presentation was a "mellodrammer" entitled, "Pure as the Driven Snow," and the group gave their usual excellent performance.

Mr. and Mrs. J. Burton Carter and Ellen motored to Ocean City, Md., on Sunday after church, having been called to the bedside of Mr. Hatfield's uncle, Mr. Charles Lloyd, who is very ill. Miss Florence Carlisle accompanied John Carlisle and Miss Bess Carlisle on a motor trip to Lancaster, Pa., on Saturday, stopping off at Bear, to visit Mr. and Mrs. Palmer Hatfield.

Mr. and Mrs. J. Burton Carter spent the weekend in Wilmington.

The Non-European Affairs Committee of the South African in Johannesburg, has not been able to decide whether to permit a native hostel to be built in the downtown section.

will be enough money to pay all future benefits. The old-age and survivors insurance system is self-supporting and it will continue to be self-supporting, Milbouer concluded.

**Hobbs**

Our W. S. C. S. was very pleasantly entertained by Mrs. Edward Pippin, Tuckahoe Neck, on Wednesday afternoon of last week. After business transactions there was a literary program after which the hostess served delicious refreshments. Mrs. Russell Stafford will entertain the ladies this month.

A Rally Day program is being prepared by our Sunday School teachers and scholars.

Mr. and Mrs. Harold Outten, rural Greenwood, were guests of Mr. and Mrs. Harry Murphy, Hallowe'en eve.

L. Hopkins, Thomas and Tommy Lee, of Easton, visited his parents, Mr. and Mrs. L. H. Thoams, Saturday afternoon.

Miss Ellen Butler, Washington, D. C., spent last weekend with her parents, Mr. and Mrs. Elmer Butler.

Mrs. Wm. Rowlens, having visited her daughter, Mrs. Charles Davis and family, returned to her Baltimore home this week.

Last Sunday afternoon, Mr. and Mrs. L. H. Thomas called on Mr. and Mrs. J. W. Keith, Centerville, and their visiting granddaughter, Mrs. Bernard H. Thomas and Holly, of Florida, and other guests, Mr. and Mrs. J. Burch, Baltimore; Mrs. Charlotte Perrone, New York; Mr. and Mrs. Robert Bishop and Douglas, Cordova; and Mr. and Mrs. Howard Dukes, Centerville.

Mrs. W. G. Holbrook entertained her bridge club Wednesday afternoon of last week.

Mrs. Mae Wright, Denton, having been sick at the home of her daughter, Mrs. Wesley Stafford for more than two weeks, was sent to Easton Hospital by her attending physician, on Wednesday of last week. We wish her a speedy convalescence.

Misses Ellen and Ann Butler and brother, Kenneth entertained Laurel friends last Sunday.

Mrs. Clarence Atkinson, Federalsburg, Rev. Vinton D. Shufelt, Ridgely, and Rev. T. J. Turkington, Denton, were visitors at the home of Mrs. Mae Wright and daughter, Mrs. Stafford, the first of last week.

Mr. and Mrs. L. H. Thomas were Sunday evening guests of Mr. and Mrs. L. Hopkins Thomas and family, Easton.

Wanda Fountain has been on the sick list, and also Mrs. Ervin Pippin.

India has a Shellac Export Promotion Council, its 10th for different products.

**Andrewville Farm Group To Hold Meeting Wed.**

The Andrewville Farm Bureau Discussion Group will hold its next meeting at the home of Mr. and Mrs. Hubert Cannon, Wednesday evening, Nov. 13, at 8 p. m. Plans for the annual covered dish supper near Christmas will be made.

About 15 ladies from the group attended the luncheon meeting held recently at the Caucus Room of the Alexander's Restaurant. After a brief business meeting, the ladies were conducted on a tour of the Latex plant. All the ladies were given a pair of gloves upon leaving the plant.

**Of Local Interest**

Miss Louise Bach, of New York City, is visiting Mr. and Mrs. William Cluley.

Miss Janet Cluley spent Sunday in Centerville, Md., at the home of Mr. and Mrs. William Holden Sr., as the guest of their son, Bill.

Mr. and Mrs. Victor Baumeister of Syracuse N. Y. visited Mr. and Mrs. H. D. Adkins a few days last week.

The Misses Viola Clendaniel and Madalyn Tharp are on vacation. Part of their itinerary includes Williamsport, Pa.

**All-new '58 DODGE**  
*Power Giants*

**4-WAY LEADERS OF THE LOW-PRICED 3!**

Here—for you to drive now—are the first trucks ever built that lead the low-priced three all four ways!

**Styling, power, payload, economy—Dodge '58 is definitely way out front.**

**New economy-engineered V-8's and Sixes give super performance, more miles per gallon (on regular gas).**

**New Full-Traction Drive makes "getting stuck" in mud, snow or sand almost impossible.**

**Check the 4-way leader before you buy—and get your Dodge dealer's special 40th-anniversary deal!**

**Drive a DODGE Power Giant today!**

**1 FIRST IN STYLING!**

All-new design! Sleek, yet rugged. Deluxe chrome grille and trim . . . modern twin headlights for safer night driving . . . sweeping, future-inspired lines . . . sparkling new colors and two-tone combinations.

**2 FIRST IN POWER!**

New Super-Torque '58 Power Giant V-8's deliver whopping 204 to 234 horsepower. Extra power cuts trip time, lets you pass more safely, reduces engine strain, assures long engine life.

**3 FIRST IN PAYLOAD!**

Advanced Dodge construction is extra strong, but without an ounce of load-robbing excess "fat". Lets you haul as much as 1/4 more, thus cut down on trips, on time, on gas, on tire wear.

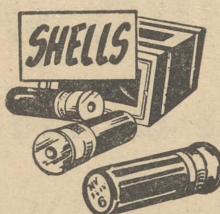

**4 FIRST IN ECONOMY!**

Most advanced of all short-stroke V-8 truck engines. Exclusive Power-Dome combustion puts extra miles into every gallon, andis power-stealing carbon deposits, slashes maintenance costs.

**Broadkill Beach Being Improved by S. H. D.**

The restoration and improvement of the beach front at Broadkill Beach is being completed this week under the direction of the State Highway Department, according to Joe S. Robinson, Bridge Engineer of the Department.

Mr. Robinson explained that this work was in the nature of an emergency operation in an effort to protect this beach area from the effects of any severe storm that may visit the area in the near future.

Broadkill Beach was badly ravaged by severe storms in recent years, and the beach front was practically completely washed away at some points, endangering the buildings located there in event of a severe storm.

Although the improvement of Broadkill Beach was a part of the program against beach erosion now in progress along the water front, it was planned to be done later, but the Commissioners of the State Highway Department, at a recent meeting, approved the suggestion of Mr. R. A. Haber, Chief Engineer, that the work be done now while the dredge, engaged in this work, was in that area.

Mr. Robinson and Mr. Vohnnie Pearson, under whose division the beach program is operating, reports that about 50,000 cubic yards of material was pumped from the Delaware Bay, about 2,000 yards offshore, to the Broadkill Beach.

Mr. Robinson said the material covered an area about 1,000 yards in length and that the beach was built up to about ten feet above mean low water. The material pumped on the beach covered an area about 50 feet in width along the beach, and then sloped off at the rate of one foot for each 18 feet to the low water mark.

The Bridge Engineer also explained that the repairing of the groins at Broadkill Beach is still a part of the program, and that this work would be done later.

It had been originally intended to have the work on the groins completed before the beach was improved, but Mr. Robinson explained that the huge dredge, operated by the American Dredging Company of Philadelphia, the contractors on this work, had completed the work at Lewes Beach earlier than had been anticipated, and it was decided to have the work done at the Broadkill Beach while the dredge was located in that area.

Mr. Haber explained that this beach improvement work has been made possible through a special appropriation for that purpose provided by the present session of the Legislature. He pronounced the work completed thus far as being very satisfactory.

The contractors will now move the dredge south along the ocean front, and start rebuilding the beach along the ocean near Indian River Inlet, by pumping more than a half million cubic feet of material from Rehoboth Bay.

Costa Rica has a new airline. Luxembourg is fighting inflation.

**S.H.D. to Receive 5 Bids This Week**

The State Highway Department will receive bids on five projects on November 6, with four of them providing improvement and modernization of existing highways and the fifth is a drainage project.

The improvement of S. E. Second Street and Causey Avenue, in Milford, is provided for in one project. S. E. Second Street will be improved from Walnut Street to Route 14, and Causey Avenue will be improved in the same manner from Lake Avenue to Walnut Street.

Another project provides for the improvement of Curtis Mill Road, at Newark, with that portion of the highway in Newark to be improved from curb to curb, with that section outside of Newark extended to a width of 24 feet.

The existing highway leading east from Bridgeville to State Route 42 will be widened to 22 feet, with the widening being placed on both sides of the highway.

On this project the Highway Department will use a soil cement base, 6 inches deep, for the first time since 1937 to take advantage of new developments as a base construction for a highway. The entire highway will be resurfaced with a 3-inch hot mix asphaltic surface.

The final highway project provides for the existing nine-foot road from Greenwood to Scott's Corner to be widened to 22 feet with the base course for the additional widening being constructed of soil cement, 6 inches deep. The entire roadway will be resurfaced with hot mix.

The drainage project is in Bridgeville and provides for the construction of storm water drainage along Laws and Edgewood Streets to relieve a storm water condition that exists there.

IN MEMORIAM
In loving memory of my dear
husband, father and grandfather,
Willard S. Jester, whom God called
home three years ago, today, Nov.
10, 1954.
A light is from our household
A gone;
A voice we loved is still.
A place is vacant in our home,
Which never can be filled.
Some think you are forgotten;
Though on earth you are no more.
But in memory you are with us
always;
As you always were before.
Sadly missed by wife, Mrs. Georg-
ia M. Jester, and children and
grandchildren.
1t, exp. 11-8b.

CARD OF THANKS
I wish to thank each and every
one for their kind expressions of
sympathy during our recent be-
reavement in the death of our
daughter and sister, Lillie Hubbard.
Your thoughtfulness will long be
remembered.
-Carrie Harris, Ben and
Agnes Cohee.

CARD OF THANKS
I wish to extend my appreciation
and thanks to friends, relatives and
neighbors for cards, flowers, and
visits, also to Dr. James and the
nurses for their wonderful ser-
vice during the stay of my hus-
band and Earl S. Minner, in the Milford
Memorial Hospital. Am deeply
grateful to the Revs. Renner and
Dill for their words of comfort.
Also to Dr. Hewitt Smith and
the driver of the Harrington am-
bulance and his assistant for their
quick service; also to all who do-
nated blood for him, and to the
good neighbors who have helped
harvest our fall crops.
-Mrs. Anna J. Minner

A NEW KIND OF CAR IS BORN!

Tomorrow at Your Pontiac Dealer's!

BOLDEST ADVANCE
IN 50 YEARS!

THE GOLDEN JUBILEE CAR!
It's a revolution on wheels - boldly planned
from the very beginning as a Golden Anniver-
sary showpiece for Pontiac and General Motors.
This one you really must see - here is a car unlike any
you have ever known! This Golden Jubilee Pontiac
is actually an all-new breed of cars - in four brilliant
series and 16 sleek models covering virtually every
price bracket.
In all of them you'll find engineering advances so
daringly different yet so basically sound that they will
trigger the next big change in automobile design.
You'll find a few of these ideas illustrated here, but
even they can't begin to tell the full story.
Why not be among the first to discover the newest.
When you meet this bold new Pontiac, you're in for
a driving thrill that is impossible to duplicate in cars
of conventional design. So make it a point to see your
Pontiac dealer soon and prove to yourself that no car
in history ever left yesterday so far behind!
Aero-Frame
STABILITY
Here is the biggest basic construction change since the
early days of motoring. Pontiac's revolutionary new frame
design is lighter, stronger, more stable than the
conventional box type used on other cars.
Quadra-Poise
ROADABILITY
Only the wheels know where the bumps are!
Pontiac's new suspension geometry ends dive,
sway and bounce to bring you the
smoothest ride, easiest handling you've
ever known!
Circles-of-Steel
SAFETY
Pontiac's completely new body construction
surrounds you with girder steel protection -
above, below, fore and aft. Now you can drive with
wonderful new peace of mind!
Ever-Level Air Ride\*
The most perfect suspension system ever designed - and Pontiac's
revolutionary Aero-Frame is specifically designed for it!
Air cushions on all four wheels literally float you over the
bumps... keep the car perfectly level regardless of load or road!
\*An extra-cost option.
Tempest 395
PERFORMANCE
Try Pontiac's new jeweled-action response.
Scores of exclusive engineering
innovations make Pontiac's hefty power
plant a miracle of smoothness...
and you can choose from four horsepower
ratings including Tri-Power Carburetion\*
and Fuel Injection\*.

"MY BACK IS KILLING ME"

—why put up with sluggish kidneys... when
relief is often so swift and easy to obtain?
If you suffer backache, dizziness,
lack of energy, restlessness, getting
up nights... the answer may be
3) De WITT'S PILLS. This famous
diuretic stimulant for the kidneys
flushes congestive waste mater-
ial out of kidneys; 2) increases cir-
culation of blood through the ure-
ters; 3) reduces irritation of kidneys
and bladder; 4) fights infection and
prevents reinfection of the urinary
tract.
No need to wonder when
De WITT'S PILLS are at work—
you can see. When "the blue comes
through" you know De WITT'S
PILLS are already in action.
Get De WITT'S PILLS today. No
prescription needed.

St. Stephen's Episcopal Church Notes

It is a great loss to St. Stephen's to have Donald Snow, superintendent of our church school, move from Harrington to Delaware City. Last Sunday our vicar expressed his appreciation and the thanks of the congregation to Mr. Snow for the work he has done in our church. We can understand that it will be much better for him and his wife and two little girls to be together, where his work is, but we shall miss them all. Mr. Snow held a post in our church organization that is not easily filled, and we had hoped he would be here to see the Sunday school progress further and increase in number under his guidance. All of us wish the family much happiness in their new home.

The Junior Teens Group will hold its first meeting next Sunday, Nov. 10, at 5 p.m. Advisers and chaperones will be Mr. and Mrs. Robert Creadick. It is hoped that all young people between eleven and fifteen years will be active in this organization.

Acolytes for the twentieth Sunday after Trinity were Kenneth Correll, Charles McNally, Robert Greer, William McColley, William Thompson, Ralph Wooters, Roy Porter and Gary Porter.

Ushers for the past Sunday were Messrs. Robert Baynard and Granville Hill.

Mesdames Robert L. Nelson and George A. Thompson represented St. Stephen's at the annual fall meeting of the Women's Auxiliary of the Diocese held at All Saints' Church, Rehoboth, Oct. 29.

The session opened with a service of Holy Communion, celebrated by the Rt. Rev. J. Brooke Mosley, Episcopal Bishop of Delaware, assisted by the Rev. Richard S. Bailey, of Rehoboth, and the Rev. Frank L. Moon of Lewes.

Mrs. Paul A. Kellogg, of Dover, as president of the diocesan group, presided at the meeting. Mrs. Howard Ennis, of All Saints' Church made a report on the Church Periodical Club. There was a roll call at the morning session.

Following the opening of the business meeting, the Bishop addressed the ladies on a most vital and timely subject, "Alcohol Education." It was the first public reading of the thesis which he, as a member of the eight-man commission on Alcoholism, appointed by the presiding bishop, helped formulate. The report, in its final draft, will be presented to the general convention of the Episcopal Church next year at Miami.

The mission of the church is to embrace alcoholics as well as unhappy and afflicted people and to bring new life to them and their suffering families, he stated. Alcohol is not an evil in itself, he continued, but the evil is in the misuse of it by men.

At the afternoon session the Rev. Layton T. Zimmer of St. Andrew's, Wilmington, reported on the recent provincial synod in Washington, D. C. Richard Swartout, a University of Delaware student, spoke on the purpose of the National Canterbury Association.

Coffee hour hostesses last Sunday were Mrs. Robert Nelson and Mrs. Gilbert Keim.

An impressive evening service at St. Stephen's that gave much evidence of enthusiasm and joy on the part of the whole congregation took place last Sunday, when six children and three adults were baptized by the Rev. John Symonds, Jr.

It was also the first service at which our new junior choir marched into the church vested, and sang the hymns and chants for Evening Prayers, as well as for the ministrations of Holy Baptism. It was a fine group, and the young people with their able director, Mrs. William F. Smith, deserve much credit and praise. The choir enhanced our evening service a great deal. This addition to our worship was also made possible by the unselfish contributions of Mrs. Walter Winkler and Miss Ann Perry as organists.

The persons who received the sacrament of Holy Baptism were Mrs. Karen Sue Carnahan, Sandra Lee Werner, Shirley Ann Werner, Mesdames Edna Mary Carnahan, Ethel Bessie Patrick, Ruth Emma Werner, and Michael Henry Carnahan, Gregory Allen Patrick and Larry Edward Nichols.

Their godparents and witnesses were Louise Vincent, Henry John Carnahan, Evelyn Cora Wooters, Robert L. Nelson, Ralph Wooters, Nettie Elizabeth Bickling, William Silver Bickling, Mae Wallis, Blanche M. Gualteri, Armand Gualteri, Thelma Louise Messick, Irvin Francis

Homemakers News

The Merry-makers Home Demonstration Club will meet Nov. 13 at 8 p. m. at the home of Mrs. Robert McNally with Mrs. Millard Cooper as co-hostess. "Bake Cookies for Christmas" will be the topic for the evening.

St. Stephen's Women's Auxiliary will hold its regular monthly meeting Tuesday, at 8 p. m. at the parish house. Important business will be considered. The collection of soft, stuffed toys for children at Stockley will be assembled and packed for mailing. The United Thanks offering will be presented on Nov. 17, and announcements relative to it made at this November meeting.

Services and activities for this week and next are as follows: Thursday, every member canvass meeting; Sunday, 8 a. m., Holy Communion, 8:35 a. m.; Breakfast Club, 9:30 a. m., Church School; 10:45 a. m., choir assembly; 11 a. m., morning prayer and sermon; 12:15 a. m., coffee hour; 5 p. m., Junior Teens' Group; 7 p. m., evening prayer; Monday, 7 p. m., Junior Choir rehearsal; Tuesday, 10 a. m., Holy Communion; 7 p. m., Acolytes, Guild; Wednesday, 8 p. m., Healing Service at Seaford.

Members of the Altar Guild who will serve during the month of November are Mrs. Walter Winkler and Miss Irene Ford.

Asbury Methodist Church Notes

Church School 10 o'clock, Howard Wagner, supt. "Many Gifts but One Spirit" will be the theme of the lesson in the Adult Department. Paul attributes all spiritual gifts to the same spirit. All of us are members of the same "Body of Christ" if we are Christians. Is one job, or function, or position more important than another? If we are all members of the same body, is one member any more important than another? Is the body complete without any of its members? These are some important and basic questions we hope to discuss.

Morning Worship 11 o'clock. "In God We Trust" will be the theme of the pastor's sermon on this Veteran's Day Sunday. The service will feature the singing of anthems by the Junior and Cathedral Choirs and a Junior Sermon by the pastor for the junior members of the congregation.

Evening Worship 7:30 the Chancel Choir will sing as their anthem "Hosanna" by Gregor. In recognition of National Education Week we will have J. C. Messner, supt. of Harrington School, as the guest speaker.

The MYF will not meet this Monday night.

The Choir Mothers Auxiliary will meet Tuesday night at the home of Mrs. Oscar Dickerson with Mrs. Iva Banning as co-hostess.

The Booster Club will hold its regular monthly meeting Tuesday evening at 8 o'clock in the class room.

The study course on The Book of Mark will be held Wednesday evening at 8 o'clock in the Junior Department.

The Choirs will rehearse on Thursday as follows: Junior Choir at 3:30, Chancel Choir at 6:30 and Cathedral Choir at 7:45. The altar flowers this Sunday will be provided by Mrs. Clarence Jarrell in memory of her mother.

Mr. and Mrs. William A. Taylor will be the Friendly Greeters for this Sunday.

The boutonnières for the ushers are provided this month by Mr. and Mrs. Ernest W. Dean.

A cordial and sincere welcome awaits all! 7:30 p. m. Monday night will be Junior Choir practice. All children from age 8-14 are invited. Ruth Clark is in charge. Nov. 13 special revival services begin. 7:30 p. m. each night Rev. P. O. Carpenter will bring the messages and Max and Barbara Hamilton will be in charge of the music.

Malaya, now independent, may become a larger trade partner with the United States, financial observers in Kuala Lumpur believe.

Compacting & Reshaping Travelway. Attention is called to the Special Provisions in the Proposal, Specifications and the Contract Agreement. The provisions of the Federal Aid Highway Act as amended are applicable to Federal-Aid Projects. The employment agency for these contracts shall be the Delaware State Employment Service whose offices are located at 601 Shipley Street, Wilmington, 135 South Bradford Street, Dover, and North Race Street, Georgetown. Performance of contract shall commence within ten (10) days after execution of the contract and be completed as specified. Monthly payments will be made for ninety (90) percent of the construction completed each month. Bidders must submit proposals upon complete forms as provided by the Department for bidding purposes. Each proposal must be accompanied by a surety bond, certified check, or money to the amount of at least ten (10) percent of the total amount of the proposal. The envelope containing the proposal must be marked "Proposal for the construction of State Highway Contract No. ...". The contract will be awarded or rejected within thirty (30) days from the date of opening proposals. The right is reserved to reject any or all bids. Prospective bidders who have submitted to the Department thirty (30) days prior to the opening of the proposals the complete forms "Contractor's Financial Statement," and "Experience Questionnaire," and who have been prequalified (twenty (20) days before the receipt of the bid may obtain one set of contract documents from the Highway Department Office, Arden Building, North Street, Dover, Delaware, upon the payment of five dollars (\$5.00). Contract documents need not be returned and the above payment will not be refunded. Make checks payable to the State Highway Department. DELAWARE STATE HIGHWAY DEPARTMENT By: J. Gordon Smith, Chairman R. A. Hobar, Chief Engineer November 4, 1957 Dover, Delaware 2L, exp. 11-15b
