

Referendum to Be Held for Bond Issue for High School

The Board of Education of Harrington schools will hold a referendum in early November for a bond issue to finance a high-school building, it was voted unanimously Thursday night, Sept. 11, at a meeting of the group.

The referendum is scheduled for Nov. 8. The bond issue will be for \$400,000 to match \$600,000 as the State's share in the one-million-dollar building. The program was authorized by House Bill No. 296, as amended.

The school district has, in post-war years, been pressed for space, despite the fact it has built an elementary school and a field house in that period.

Considerable interest has been shown in a trades and industry building for Kent County schools. The board voted to accept the school if Harrington was selected as the site.

The board had another long meeting, not adjoining until well after 11 p.m. This is the second marathon meeting they have had since it passed a motion in the summer to hold meetings to two hours.

Other business was as follows: Fifteen schools have been contacted about organizing cross country teams and response has been favorable. The board voted to reimburse Coach Harold McDonald \$100 for duties as coach of the sport. Cross country participants will be carried by Burgess and McDonald in the school car and in Burgess' car.

It was reported that a fire tree and a hedge at been taken out at the Pierre S. duPont School. It was voted that the school receive a television set and be enrolled in a TV school program. The kitchen and all-purpose room at the school will be renovated. Mrs. Tue was hired to work on a part-time basis in the kitchen and as a secretary.

The bid of Ken Meredith & Son, for seeding, rolling, and liming the grounds of the duPont School was accepted. Bid was \$900. The Meredith firm was also authorized to remove an elm stump and a dead tree from the high-school grounds.

It was motioned that the field house be used Wednesday evenings.

The superintendent, J. C. Messner, was authorized to purchase insurance for the school car.

The board will hold a special meeting, to discuss the referendum, on the first evening the harness races in progress here, are called off because of rain.

Of Local Interest

David Martin, Kenny Paul Outten, and Robert Gary members of the FFA attended the Eastern Exposition of Poultry in Springfield, Mass., last week. They were accompanied by John Curtis.

The Women's Benefit Association will meet Oct. 9 at the Odd Fellows Hall for a covered dish supper. All members are requested to be present.

Mr. and Mrs. George Russell Hands and family have moved to Ellendale.

Mrs. Norman Oliver entertained her bridge club Saturday evening.

Mrs. Leon Porter entertained at lunch Thursday, Mrs. Frank Vincent and daughter, Sandy, of Milford and Mrs. Keith Burgess and son, Matt.

Mrs. Keith Burgess celebrated her birthday Wednesday.

H. K. Lane of Centreville visited with Harrington friends Monday.

Mrs. H. C. Austin attended the funeral of her sister-in-law, Mrs. Eula Gardner of Portsmouth, Va., last week. The funeral services were held in Suffolk, Va.

The Delaware Volunteer Firemen Auxiliary 21st annual Convention will be held in Smyrna Sept. 19 and 20. All members are requested to attend.

Miss Elaine Downing has been granted a fellowship to the University of Pennsylvania Graduate School of Social Work in Philadelphia by the Children's Bureau of Delaware. While working for her masters degree in social work, she will be employed as a child welfare worker by the Children's Bureau in Wilmington.

Miss Joyce Downing will enter the Freshman Class at Wesley College Tuesday.

Herb Ryan and granddaughter, Rosalie Ryan, of Bridgeville spent last Thursday with Mr. and Mrs. William L. Cain at Big Stone Beach.

Breeding Murder Trial Due In October, Jurors Set

The trial of Clayton Edward Breeding, 29, of near Hickman, charged with the kidnap-kill of Mrs. Ruth Ellen Cannon, 19, of Burrsville, Md., last June 30, is on the docket for the October term of Caroline County Circuit Court for which 48 jurors have been picked.

Breeding's court-appointed attorney, Marvin Smith, has announced that Breeding is pleading innocent in the grounds that he was insane at the time of the crime and is insane today.

Breeding, an ex-convict, was found fit to stand trial after a mental examination at Spring Grove State Hospital.

Governor Proclaims Maryland Land Week Oct. 5-11

Governor Theodore McKeldin, of Maryland, today declared the week of October 5 to 11 as Maryland Land Week.

In proclaiming Land Week the Governor stated that "since the dawn of civilization, man has loved and respected his land. Now as in the intervening years, the roots of our growing strength are deep in the good earth."

All of our citizens—rural and urban—depend on the soil for our food and for the fibres we put to a thousand uses. The soil helps determine our type of water supply and even possesses an influence on the weather and climate.

"Damage or destroy a healthy balanced soil and nature starts a whole chain of disastrous consequences. We must be wise in the use of this greatest resource and those related to it," he continued.

Maryland is proud of its fertile land and the accomplishment of such agencies as those in the Soil Conservation Districts. In order to continue our progress, we must halt the destruction of land, which still goes on as a result of abuse, misuse, erosion and lack of proper drainage, he said.

The governor urged all citizens to take an interest and to participate in the activities in observance of Land Week.

Following the signing of the proclamation, it was presented by the governor to Dr. T. B. Symons.

Henderson Beats Greensboro in Semi-Finals

Henderson made it two straight Sunday by outlasting Greensboro 5-2 and earned the privilege of defending their league championship in the finals of Mar Del League play. Greensboro outthit the finalists 12-10 but failed to bunch them for run production.

Watson went all the way for Henderson while Blades was called on to bail Loder out in the eighth. Extra base wise Hoch tripled in the eighth for Henderson and teammate eProd doubled in the sixth. Chance had a double in the fifth for the losers. All the extra base power went for nil since there was nobody aboard.

Next week Henderson opens the finals at Kenton and expect to start their fireballing ace Carl Watson. Henderson has had considerable difficulties with Kenton this year dropping 3 out of 4 in regular season play. General manager John Raughley, however, feels confident they can take the finals in orderly fashion.

Roy J. Honey

Roy J. Honey, of Dover, is candidate for re-election as recorder of deeds on the Democratic ticket. Long active in politics, he was formerly a boat inspector. Assisted by his capable wife, he manages the largest office force in the Kent County courthouse.

Rotary To Study Conference Rules

Russell E. Wilson, past president, chairman of public information and chairman of the Dover Rotary Club bulletin committee, has been appointed to serve with seven other past-presidents and three past-district governors on a committee for the 764th District of Rotary International to make a study of the rules of procedure for the district and to report the recommendations to the next district conference which will be held in Atlantic City next spring.

This committee was appointed by Herbert W. Lets, immediate past-district governor and member of the Rotary Club of Bridgeport, N.J., and includes Rotarians representing 11 different clubs throughout the 764th District which comprises 55 clubs in Delaware and Southern New Jersey.

William E. Matthews, past-district governor and member of the Smyrna Rotary Club, has been selected to serve as chairman of the committee. Other past-district governors are Frank J. Quigley of Atlantic City and Harold Woodward of Salem, N.J. The committee will meet in the near future to proceed with this study and prepare a report which will be submitted at the district conference of Rotary International.

J. Ward Hurley Will Head Seabees On Cuba Tour

Chief Warrant Officer J. Ward Hurley of Dover, Training Officer of Seabee Division 43, of Wilmington, has been designated officer in charge of 32 Seabees that have been ordered to active duty with Mobile Construction Bat. No. 1 at Guantanamo Bay, Cuba.

The 32 Seabees are from the Fourth Naval District, and include Chief Petty Officer John Seacord also of Dover. The group has been assigned to specialized advance base work and they will leave the Willow Grove, Pa., Naval Air Station. They will be in service for at least 16 days.

Hurley, who has had 16 years of service with the Seabees, both on active duty and as a reserve, is a member of the Kent County Levy Court and he requested a leave of absence from that body in order to fill his Seabee assignment.

He is also currently the Republican candidate for Representative in the General Assembly from the Second District but has announced that any further campaigning on his part will have to await his return from active duty with the Seabees.

Mr. and Mrs. Robert Wix were Sunday afternoon visitors of Mr. and Mrs. William L. Cain at their home at Big Stone Beach.

The WCTU will meet at the home of Mrs. Georgia Jacobs on Commerce St. on Tuesday, Sept. 23.

Krazy Daze Sept. 26-27

Krazy Daze, some call it. Crazy Daze, others call it. It's all the same. Following the success of the trade days of these names late last September, the Retail Merchants Committee of the Chamber of Commerce was inspired to hold a similar event annually.

Krazy Daze will be held Friday and Saturday, Sept. 26-27. A host of bargains in merchandise will be advertised in six page circulars in Kent and Sussex Counties and in Caroline County, Md., not to mention The Harrington Journal.

More merchants are advertising in this year's event than have advertised in recent years in an event of this nature.

Many merchants have been preparing several weeks for the gala bargain days, with every effort made to see that top-quality merchandise is made available at prices well below normal.

Burris Work Is Near Completion

The last link in the removal of the Burris Processing plant from Fifth and McColey Sts., to its newly constructed modern chicken processing plant on the Rehoboth cut-off adjoining its transportation terminal there, is now being molded with the laying of a sewer line from the sewerage disposal plant. George and Lynch are the contractors placing the line which will provide service to all firms and residences in the area.

Completion of the line will enable Burris to cease its operation in the residential section of the city in accordance with orders that had been handed down by the Zoning Board of Adjustment.

The sewage line is expected to cost in the neighborhood of \$40,000.

ATTENTION TEEN TIMERS

Be sure to watch this paper next week for the date of the opening dance for Teen Timers.

This will be a big affair, so be sure to catch the date and keep it open for the dance.

"6500 Prizes Worth Over \$65,000 Offered In The Next 12 Weeks by Local Acme Markets"

Acme Markets announced a new contest called "Cross-Out" whereby Acme Markets is to give away 6500 prizes worth over \$65,000 in the next 12 weeks.

Every family in the area has been mailed a card, and Mink Stoles, Westinghouse Electric Dryers, Gruen Watches, Mixers, Perculators, Knife Sharpeners, Bath Scales, etc., will be given away to hundreds of people.

This exceptional program has had phenomenal success in Chicago, New York, Boston, St. Louis, Detroit, Los Angeles, to name a few cities in the United States and Canada where the people have enjoyed the game.

According to Acme Market and the promoters of the game, Product Pictures Advertising Company, New York, over 50 percent of all the families in the area will play the game. It is simple and easy.

The player takes a card that has been mailed to the house, or one that can be picked up in the store free. There is no charge for a card—just ask the checker. Each week in the Acme ad in this newspaper there will be published thirty numbers. Check your cards, all that you have, and if you can get five numbers in a row—up, down or diagonal—you have won a prize.

You then just turn the card over to see what you have won. It may be a mink stole or it may be a watch, but whatever it is, you'll get it in a few days. Mink stoles will be offered by local furriers. They can be seen in their windows or their store. Go in and take a look at them.

Winners' names will be published from time to time in the Acme ad in this newspaper.

It isn't a contest where only a few are winners, but in every store there will be winners continuously.

Any questions that you have can be taken to the store manager, who is fully familiar with all of the program and wants you to win.

KENT & SUSSEX MEET OFF TO GOOD START; PROSPECTS GOOD

Widow of Slain Policeman Fails in Suicide Attempt

The widow of a slain policeman, tried to join him in death Monday night, in Salisbury.

Physicians said Mrs. Henry T. Stephens who gave birth to a daughter last Wednesday, 10 hours after the funeral of her husband, will recover. She was reported progressing favorably Tuesday.

Police who investigated the suicide attempt, said Mrs. Stephens slashed her wrist and swallowed a quantity of sleeping pills before she was discovered by a sister, Miss Alice Insko, a registered practical nurse.

Doctors explained the woman was in deep shock as a result of the recent experience, coupled with the post natal condition which leaves many mothers depressed.

Meanwhile the campaign to raise funds is clipping along at \$1.00 per day. The grand total reported Tuesday was \$7,200, and it was announced the committee administering the drive is looking into the possibility of setting it up as an annuity rather than disbursing it in a lump sum.

"Contributions are coming in from as far away as Washington and North Carolina," said Mark Gollner, executive director of the Chamber of Commerce. He is serving as treasurer of the drive.

Mrs. Stephens and her daughter are receiving free medical care at Peninsula General Hospital. Hospital employees have contributed \$140 toward the general fund.

Stephens was shot to death Sept. 6 by a check passing suspect, Johnnie Brown, 37, who faces trial in Salisbury this week. He has been indicted for murder.

TAYLOR IN HOSPITAL

J. Edward Taylor was taken to Milford Memorial Hospital early Tuesday morning with a kidney ailment.

Plans Completed For Carvel Dinner Friday Night

Plans have been completed for the huge testimonial dinner which will be given at Laurel Friday night for former Gov. Elbert N. Carvel by the fellow citizens of his hometown.

Harold H. Keller, the general chairman, in announcing the program, said a capacity group is expected to attend the event on the Laurel-Millsboro Highway. He said many times the number of tickets actually sold could have been sold had space been available.

For that reason, he said, the diners were limited to residents of Laurel and the surrounding area with only a few exceptions.

Dr. John Roscoe Elliott of Laurel is to be toastmaster and the Rev. Harry Mayfield, pastor of St. Philip's Episcopal Church in Laurel which the former governor attends, will deliver the invocation and benediction. Joseph Ellis, mayor of Laurel, will deliver the address of welcome.

Song leader will be Eryl Byasse who, with his wife, will later sing a duet. Eddie Drew, organist, will furnish the dinner music.

Those scheduled to make brief remarks include Howard Furniss of Milford Lions International Councillor and former resident of Laurel; State Senator John Reilly of Wilmington, the majority leader in the Senate; Mrs. John Hazzard of Wilmington and Rehoboth; Atty. Robert Tunnell of Georgetown; Democratic National Committeeman William Potter, and Harry S. Smith of Georgetown, state insurance commissioner.

Miss Barbara Carvel will play a piano solo in honor of her father. The main speaker of the evening will be U. S. Senator J. Allen Frear, Jr., of Dover.

The dinner honoring the former governor has been arranged by a bi-partisan committee.

Grass Fire

The Harrington Fire Company extinguished a field fire Wednesday afternoon in front of Fair View Farm on the Frederica road.

PIPELINE FOR NATURAL GAS REACHES HARRINGTON ON WAY TO SALISBURY

H. H. S. Preps For Opener

by Keith S. Burgess

The Harrington High football team, coached by Dick Jeffers and Wm. A. Smith, is drilling daily for the opening game with St. Andrews at Middletown on Sept. 27th at 2 p. m. The locals new blue and gold uniforms will be worn for the first time.

The team journeyed to Dover Wednesday night and Bridgeville comes here this afternoon for practice scrimmage, which will enable Coach Jeffers to get a better idea of the potential of his team.

Seven starters are back from last year's eleven. Younger players who are improving are Lyman Rash, Edgar Wheeler, George Pfeiffer and Walter Leikes. K. P. Outten has been converted to an end to fill the vacancy created by the ankle injury of John Taylor. Taylor hopes to be back soon. His is the only injury of any consequence thus far. Two brothers out for football for the first time have nailed down the guard posts. Oscar and James Melvin are both seniors and have size and speed. Other operatives who are being counted on for extensive use are Geo. Balderson at fullback and Dave Martin at tackle. Tackle is perhaps the best fortified spot on the team as Martin and Jim Collins, his counterpart on the other side of the line, weigh in at a total of 400 lbs.

On Saturday, Oct. 4, the home opener will be played with Lord Baltimore as the opposition. Most of the local fans will get their first chance to see the parkas donated to the team by the Lions Club.

Receipts from motor fuel taxes for the month of July were the largest for any single month since that form of taxation has been in effect in this state. It is also the first time that these taxes exceeded \$800,000 for a single month.

According to a report released by James J. Deputy, Secretary of the State Highway Department, and Administrator of the Motor Fuel Tax Division, the receipts for July, which were received during August, totaled \$804,544.08.

The previous high record for a single month was July of 1957, when \$799,768.81 was received from these taxes, the receipts for July of this year being \$3,475.27 in excess of that amount, and were an increase of \$104,096.06 over July of 1956 and \$128,132.29 more than was received during July of 1955.

The taxes received for the month of July of this year represented the sale of 16,090,881 gallons of motor fuel, an increase of 95,505 gallons over the amount sold during July of last year.

Five distributors reported sales in excess of a million gallons and of this number three reported sales in excess of two million gallons. These five concerns accounted for \$488,315.18, or 61 percent of the taxes received for the month of July.

These five concerns, with the amount of taxes they turned in, and the amount of motor fuel sold, were Atlantic Refining Co., \$105,078.23, in taxes and 2,101,564 gallons sold; Esso Standard Oil Co., \$144,338.59 in taxes and 2,886,771 gallons sold; Gulf Oil Corporation, \$113,800.27 in taxes and 2,276,005 gallons sold; Sun Oil Company, \$53,267.80 in taxes and 1,065,356 gallons sold; The Texas Company, \$71,829.29 in taxes and 1,436,585 gallons sold.

Cub Scout News

The pack meeting of the Cub Scouts Pack 76 will be held Sunday afternoon at Petersburg leaving the school 1 p.m. There will be a cook-out following the meeting.

The pack committee will meet Fri., evening Sept. 19 at the home of Mr. and Mrs. Howard Dill.

Following U. S. -Pakistan talks in Washington, Karachi leaders expressed disappointment at the extent of American aid and at America's evident unwillingness to become involved in India-Pakistan disputes.

After 2 years of work, Australia's first tunnel through the Snowy Mountains, the great dividing range from the seaward side to the inland, has been completed at a cost of \$42,890,480. A group of American contractors handled the job.

Decision by Shell Oil Co., which handles about 50 per cent of Israel's oil products business, to pull out of Palestine, was blamed in Tel Aviv on Arab pressure. The action was reportedly taken because of rising danger to Shell's oil interest in Arab States.

An aircraft in rain-making experiments caused a cloudburst in Queensland, Australia, that made a river rise 17 feet in two hours, Sydney learns.

A pipeline for natural gas has reached Harrington and is expected to reach its destination, Salisbury, early in November.

Work on the Eastern Shore Natural Gas Company's line is being completed at the rate of more than a mile a day as some 200 employes of the Buchanan Pipeline Company, of Birmingham, Ala., labor to complete the new enterprise which is expected to change the face of lower Delaware.

The pipeline being run down the spine of the Delmarva Peninsula will lower rates to the consumers, according to the company, and make available 25 billion British thermal units of energy to homes and industry every day.

Target date for opening the valve at Parkesburg, Pa., to let the Texas gas into the system is Nov. 1.

This is in order to beat the winter season of heavy consumption since the five utility companies which will draw from the pipe will have to convert their customers' equipment to natural gas.

So far, Tidewater Oil Company, American Latex Company, in Dover, the municipal power plant in Seaford, and four gas companies have contracted to buy an initial 7,000,000 cubic feet a day. Added to this is 4,000,000 feet a day the line will transport for Delaware Power & Light Company.

When the line's capacity of 25,000,000 feet is reached, the annual wholesale bill to its customers will be in the neighborhood of \$50,000,000.

From the Delaware and Chesapeake Canal, near Summit Bridge, the line runs 30 miles north to Parkesburg. From the canal, a six-inch main was laid on the Pennsylvania Railroad right-of-way to below Dover whence it has been laid on the right-of-way of U.S. 13.

Headquarters and control center will be in Dover. Since it was organized two years ago, the main office has been in Salisbury.

The Dover building will have 24-hour-a-day automatic metering and control of the 120-mile trunk and its branches.

Stone & Webster Service Corporation has done the engineering and is supervising the construction. E. H. Smith and Associates are surveyors.

The four founders and officers of the Eastern Shore are C. C. Harrison III of the Philadelphia investment-banking firm of Harrison and Company, president; George Daniel of Salisbury, associated with the Citizens Gas Company there, executive vice-president; R. E. Daffron of Philadelphia, vice president and treasurer, and David B. Sharp Jr., of Philadelphia, vice president and secretary.

The steel pipe is made at the Sparrow's Point, Md., plant of Bethlehem Steel Company and wrapped and coated with a coal-tar preparation in the adjoining plant of the Pipeline Service Company.

The pipe is being buried at least 30 inches, and deeper in some places. Where it goes under roads, it is encased in a 12-inch pipe and will be about four feet under the paving in order to get its minimum 30 inches under ditch along road shoulders.

Moisture is one of the most difficult problems in the high pressure transportation of gas. At least 500 pounds pressure, water freezes at 60 degrees and vapor turns to snow which is swirled along until it hits a sharp bend where it piles up and eventually plugs the line. For this reason, sharp corners are avoided.

However the gas is dehydrated at Parkesburg by running it through a bed of desiccant material.

Bubbled Through Oil
At each service point, the gas is bubbled through oil to get rid of dust and then a device cleans the oil vapor out of it.

In the beginning, a certain amount of rust builds up from water that got in when the pipes were piled up at construction sites.

To get rid of this, a circular brush, called a rig, is run through the pipe by gas pressure until the line is scoured clean.

Elkton Gas Company, which now buys wholesale from Delaware Power & Light, is the first customer on the line. The other
(Continued on back page)

Letter to the Editor

Dear Editor:

Would you please print this article the week of September 15? It will be important to your readers, particularly the women of your community and oblige Mrs. G. Marshall Townsend.

Mrs. Edward Dorey of Millsboro, Dover District secretary of Missionary Education and Service of the Woman's Society of Christian Service will preside at the two seminars on missionary education, one being held in Asbury Church, Harrington, on Tuesday, Sept. 23, for Zones 2, 3, and 5 and reservations for the luncheon for that day may be made with Mrs. Mark Willey, Harrington, or by phone Harrington 8815 before Sept. 21. The second seminar will be held in Bethel Church, Lewes, on Tuesday, Sept. 30, for Zones 1, 4 and 6. Reservations for luncheon for that day may be made with Mrs. Dorothy Givan, Quakertown, or phone 2051 before Sept. 27. Both will cost \$1.25.

The theme for the day will be "Prepare Ye the Way." Courses presented will be "Isaiah Speaks" by Mrs. Earl Sylvester, "Concerns of a Continent" by Mrs. Arthur Benjamin, "Middle East Pilgrimage" by Mrs. Isaac Scott and "Understanding Other Cultures" by Mrs. Henry Graves.

New literature may be obtained for the fall work in program books for monthly meetings, which Mrs. Donzel Mildey, vice-president, will present. Mrs. Ray Mears will arrange a worship center of interest for each general meeting. A Spiritual Life drama will be presented by Millsboro Grace Church titled "Behold Your God." Literature and luncheon tickets may be obtained as early as 9:30. Nursery facilities will be provided for pre-school children. Each society is asked to send a good representation and if one day is not suitable to attend the other seminar.

Micro-Midget News

The Blue Hen Micro Midget Club would like to say we do not have pari-mutuel windows at the track but we do allow side bets and match races.

One thing we do have now, is plenty of seats. It has taken all year for the club to get set up. Now is the time to come out, all or most of the mistakes have been taken care of, and the racing cars are faster.

It seems as though Pat Fry will do anything to make the headlines. If he can't win the next thing left to do is turn over, this he did. That, I've been told, is why the car is numbered 101. It's the same backward, upside down and inside out. The race was stopped and restarted with Pat coming in third, all he needed was a good shaking up. This car is owned by Jim Cain. Pat didn't have all the luck Saturday night. Harry Porter from Wilmington in his car No. 8 had his share, after breaking a hub in the third heat race. Some fast mechanics had him ready for the consolation race to win a place in the feature. This didn't help much, as in the 23rd lap of the 25-lap feature race his right rear tire went flat and had to pull out of the race. After the race Harry found the trouble, a needle valve from the carburetor of Car 111 was sticking through the tire. This slowed one car up and took out the other. It's as we say some people have all the luck.

This all goes with the good racing held at the Blue Hen Speedway every Saturday night at 8. If you all want to see Walt Schiff's car go, you had better get there early as it makes a habit of blowing up before the races get started.

Now here are the results of the races Saturday night, Sept. 14:

1st Race—1, Hollowell in car X; 2, Vincent in car No. 71; 3, Collison in car No. 12; 4, W. Lane in car No. 72.

2nd Race—1, Jarrell in car No. 2; 2, C. Parsons in Car 5; 3, Mintz in car No. 30.

3rd Race—1, Brown in car No. 9; 2, Gray in Car No. 1; 3, Fry in car No. 101.

Consolation Race—1, Spearling in car 111; 2, J. Lane in car 49; 3, H. Porter in car 8; 4, W. Lane in car 72.

Feature Race—1, H. Brown in car 9; 2, Joe Gray in car 1; 3, Bob Murray in car 11; 4, Spearling in car 111; 5, G. Jarrell in car 2; 6, Hollowell in car X; 7, Mintz in car 30.

The most aggravating thing about the younger generation is that a lot of us no longer belong to it, remarked British writer Wilfrid Hyde White in London. Mademoiselle Tapetu Teerevauva, 21, is the latest of many Tahitian entertainers to leave Paapeete for employment in Honolulu. She is a Hawaiian cabaret.

"You cannot mechanize the chap who walks along the street and delivers letters," asserted Ernest Marples, British Postmaster-General.

Conservation Leaders to Report On Watershed

William R. Ratledge of the Soil Conservation Service of Newark, and E. H. Talbert, State Drainage Engineer, Georgetown, will be the principal speakers to present a report on the Upper Nanticoke River Watershed Project Sept. 25 at 8 p.m. in the Greenwood High School Auditorium.

Mr. Ratledge, assistant State Conservationist, will explain how Public Law 566, which established the Watershed program can be used by landowners to help correct minor flood problems and improve the drainage of their land. He will point out the financial assistance that will be available.

Mr. Talbert will review some of the problems that must be solved such as development of working groups, securing rights of way and securing local funds. Ideas on how these problems may be solved will be suggested by Mr. Talbert.

The Upper Nanticoke River Watershed is the second project of its kind to be approved for Delaware by the Federal Government since the enactment of Public Law 566 in 1954. The other project was the Bear Hole Watershed near Roxanna of which the construction phase will be completed early in 1959.

Advisory committees composed of 5 members each and will be selected, at the meeting, from each of the five sub-areas in the watershed. These committees will meet with and advise Soil Conservation technicians and the State Drainage Engineer whenever the need arises.

Of Local Interest

Mr. and Mrs. E. A. Richardson are spending the weekend at Rehoboth.

Mrs. Curtis Melvin is spending this week in Wilmington visiting with Mrs. T. P. Rust.

Mr. and Mrs. Milliam Kohel and family, visited with Mrs. Kohel's parents, Mr. and Mrs. C. C. Clogg of Berlin Saturday.

Lee Kukulka, son of Mr. and Mrs. Leon Kukulka celebrated his 9th birthday by having a few friends in for ice cream and cake Saturday.

Mr. and Mrs. Frank Messick and son, Douglas, of Queen Anne,

Hobbs

After a two months vacation our W.S.C.S. will meet with Mrs. Dawson Fountain next Wednesday afternoon, Sept. 24, at 2 o'clock. The ladies will be serving an oyster and ham supper on Sat., eve., Oct. 18.

Friends are glad to see James Hilliard home from Easton Hospital where he was a patient for 10 days.

Miss Ellen Butler, Washington, D. C., spent last weekend with her parents, Mr. and Mrs. Elmer Butler.

Mr. and Mrs. W. B. Reynolds, of St. Michaels, were last Wednesday guests of Mr. and Mrs. L. H. Thomas.

Mrs. Naomi Turdelle, of Chester, Pa., visited Mr. and Mrs. Ervin Pippin one day last week.

Mrs. Stella Carroll, Mrs. Ethel Collison, Mrs. Grace Thawley and granddaughter, and Mrs. Thelma DeFow called on Mrs. T. H. Towers and Mrs. L. H. Thomas last Thursday afternoon.

Mr. and Mrs. Lawrence Christopher and Keith, of Federalsburg, were Sunday guests of Mr. and Mrs. Wesley Stafford and family.

Mr. and Mrs. L. H. Thomas visited in the Neil Edgell home, rural Seaford, Sunday afternoon, also called on Mrs. James C. Hardesty, who has been ill for many weeks.

Mr. and Mrs. John T. Wesner, Sr., are occupying their home recently purchased from Joseph Fluharty.

Mr. and Mrs. Ervin Pippin were last Wednesday overnight guests of Chester, Pa., relatives.

Hickman

Worship service Sunday at 9:30 a.m. by the Rev. Donald Liddicoat. Church School at 10:30 a.m.

Our W.S.C.S. was held in the community church house on last Wednesday evening. After the business meeting refreshments were served by the hostesses, Mrs. Frank Hollis and Mrs. Freddie Torbert.

Mr. and Mrs. Francis Fountain and Mrs. Annie Fountain of Philadelphia were spending a few days with Mr. and Mrs. James C. Fountain. Mr. and Mrs. Edgar Stringfellow also of Philadelphia were Sunday visitors.

Mrs. Clarence Breeding visited her parents, Mr. and Mrs. Olin Melvin Saturday.

Mrs. Frank Hollis of Milford spent part of last week with Mr. and Mrs. William Croil.

Mr. and Mrs. Jesse Trotta and Michael of Harrington were Sunday guests of her parents, Mr. and Mrs. Floyd Messick.

Mr. and Mrs. Isaac Noble entertained dinner Sunday Harry MacCauley, Mrs. Addie Stuart of Wilmington, Woodrow Passwaters of Denton, and Mr. and Mrs. Wilmer Nagel and son, Dale, of Federalsburg. Evening visitors last week of the Noble's were Mr. and Mrs. Marshall Andrews of Greenwood, Mr. and Mrs. William Croil and house guest, Mrs. Frank Hollis, and Mrs. Irvin O'Day.

Mr. and Mrs. Donald McDonald and son of Denton were Saturday visitors of her parents, Mr. and Mrs. Paul Messick.

Mrs. Frank Hollis of Milford was a Thursday visitor of her sister, Mrs. Ella Breeding.

Motor Registration Expires Sept. 30

Officials of the Motor Vehicle Department are urging owners of motor vehicles who have registrations expiring Sept. 30, to have these motor vehicles visit the inspection lanes as early as possible in the month.

Because of the large number of registrations that will expire Sept. 30, these officials point out that the motor vehicle owners who wait until the end of the month to attend to this matter, will find quite a jam at the inspection lanes.

The inspection lanes are not expected to be extremely busy during the next week or ten days and this will mean that the motor vehicle owner will not have to spend much time at the lane awaiting inspection.

As has been the practice, it is possible for the motor vehicle owner to have the inspection made now, hold on to the inspection card, and purchase a renewal of the registration near the end of the month, if they so desire.

Records of the Motor Vehicle Department reveal that there are a total of 44,672 motor vehicle registrations, of all types, expiring Sept. 30, one of the largest quarterly expirations in the entire year.

Of the motor vehicle registrations expiring Sept. 30, 25,701 are in Wilmington and New Castle County, 10,290 are in Kent County and 8,681 are in Sussex County.

Thus far there have been a total of 2,584 of these vehicles inspected and approved at the inspection lanes, leaving 42,088 to be handled at the inspection lanes during the remainder of the month.

When the heat recently reached 91 degrees in London, some dogs in a championship show and many locked in closed cars by their masters, died from the heat.

Farm Placement News LABOR CONDITIONS

After a weekend of crews either leaving or threatening to leave before their present commitment is completed, it becomes very obvious that greater effort will have to be made to use those crews remaining to the greatest extent possible. As we all know, much of this problem has been caused by the low market and an exceptionally wet summer. This extended digging period has caused many crews to dwindle in size and coupled with this situation, several crews have made commitments for other states at about this date and are now leaving to fill those contracts even though the present job is not complete. Whether this is right or wrong, placing fault on anyone is not going to finish harvesting the potato crop. This office in the past two days has contacted both Virginia and states to the north of us to try to locate any crews which might be ready to travel in either direction, but unfortunately met with no success from either source for the present time. It would seem at the moment that the best solution, though at it a best not good, is to keep the present crews working full time on one farm or another. If any employer would notify this office of any days that his crew is not working, we will make every effort possible to place them with employers seeking help. We think this will be of help to both employers because as long as the crews have fairly full time employment, they will not be as likely to wander from one state to another. It now appears that it will be practically impossible to replace a crew that has left with another permanent one unless some unforeseen event takes place, so in the meantime we should like to reemphasize the importance of our previous suggestion.

PIRATING

During the past couple of weeks, we have had several reports from employers about other crew leaders or persons from other labor camps or states stealing from their crews. Though this is a very bad situation, to the best of our knowledge the only recourse we know of under present Delaware laws is to have the

offender arrested for trespassing, which admittedly is small compensation for the loss of employees and in some cases, advanced money.

CURRENT ACTIVITIES

Fair weather coupled with lateness of season caused slight increase in digging potatoes. Lateness of season coupled with other contract commitments caused a decrease in agricultural workers. As of mid-September, there were 5147 seasonal workers employed. Of this number,

3373 were harvesting and 1774 in food processing. Local workers totaled 2027, Southern migrants 2621, and Puerto Ricans 499. There are no foreign workers in Delaware.

Three giant American luxury liners are to visit Port Moresby, New Guinea, next February, and natives have been urged to get busy making souvenirs to sell to tourists.

Pursuant to the provisions of Section 244 of the Delaware General Corporation Law, notice is hereby given that the capital of the above corporation has been reduced from \$77,260.56 to \$76,000.00 by the transfer of \$1,260.56 of its capital surplus to earned surplus. A Certificate of Reduction of Capital was filed with the Secretary of State of Delaware on September 12, 1958 and on the same date a certified copy thereof was left with the County Recorder of Deeds for the completion of the record in his office, all in accordance with the provisions of said Section 244 of the General Corporation Law.

LOYD KETCHAM OLDSMOBILE, INC. By W. R. Brown, President exp. 3t 10-3 exp.

NOTICE

The Delaware State Highway Department in the construction of PA-1, the interstate freeway connecting the Delaware Memorial Bridge and the Maryland State Line, will use a portion of the Delaware State Hospital lands at Farnhurst.

A portion of the lands contains an old cemetery formerly under the jurisdiction of the County of State of Delaware. In 1933 the Cemetery therefor was transferred to the Delaware State Hospital.

In this old cemetery, commonly known as a "Potter's Field" are the remains of approximately 2,400 bodies. The most recent burial known occurred approximately in 1923. A search of available State and County records fails to uncover any information relative to the names of the deceased. All the headstones are numbered—therefore, the Department and the Delaware State Hospital are unable to determine any identification.

Information concerning the identity of the deceased is sought in the absence of such information, the Department plans to cover the cemetery area with earth and gravel. There is no excavation planned in this area—the existing burial spaces will not be disturbed.

Should anyone be aware of or request the movement of any particular relative or friend known to be buried in this Cemetery, every effort will be made for such removal and location in an adjacent area.

Information and/or inquiries may be addressed to the Delaware State Highway Department, Dover, Delaware. Prompt consideration will be given to all replies received on or before October 1, 1958.

Harrington School Notes

ART NEWS A great deal of enthusiasm and interest is being shown over Marvin Smith's exhibit of boxes and trays and baskets made out of lollipop sticks. The objects are now being shown in the cafeteria corridor. Frances Wilcox has her first fall showing of paintings in the Northeast corridor of Harrington School.

Miss Wilcox, now a senior, is one of our talented artists. She is well known for she has contributed many paintings in the past for school exhibits. Her water colors, which are being shown now present an aspect of outdoor scenes that caught her fancy. They are rich in color with a certain amount of whimsy.

Art Club The Art Club met for its first fall session. Officers were elected. Randy Knox as president; Frank Welch, vice-president; Frank Cain as secretary and Sandra Walls as reporter.

The Art Club presents a figure drawing class, using volunteer models from the club group. Other activities are a trip to Washington and because the tour is expensive, the group agreed to have a skating party and rummage sale in order to defray expenses.

Press Club The Press Club Officers are: President, Betty Lee Fry; vice-president, Vivian Webb; Secretary, Thelma Collins; treasurer, Geraldine Reed; Scrapbook, Patsy Jack. The members are: Grace Anthony, Thelma Rae Camper, Thelma Collins, Vivian Webb, Sandra Minner, Sandra Kates, Lois Rash, Jewel Bradley, Betty Jean Bradley, Bonnie Lee Satterfield, Anne Perry, Joan Welch, Patsy Jack, Geraldine Reed, Betty Fry, Frances Tharp,

Jane Hughes, Betty Lee Hendricks.

Art Report

The Junior High School Art Club elected Randy Knox as president, and Frank Welch, vice president, of the club. Also, they elected Franklin Hendricks, secretary of the club and Sandy Walls, reporter. To raise money the club decided to have a rummage sale and also to have a skating party at Dover. With the money we earn, we are going on a trip to Washington.

The Art Club is quite popular, there are 29 members in it. In the Art Club we will do only figure drawing.

Library News

There are 13 members in the Library Club this year. The meeting was called to order and we elected officers. The club president is Joyce Webb; vice president, Evelyn Hopkins; secretary, Connie Spicer; treasurer is Patsy Bradley; scrapbook chairman, Kay McDaniel. On the bulletin board committee are: Patsy Bradley, Penny Caserta and Janice Ralph. Patsy is chairman Betty Teed is the program chair-ma. The reporter for the first six weeks is Shirley Ellers; second six weeks is Betty Dobraski and the third six weeks is Mary Rinaldi. Social Committee members are: Carol Stubbs and Janice Cox. Janice is chairman. The sponsor is Mrs. Cahall.

The meeting was adjourned at 9:50.

Student Council Dance

The student council is sponsoring a dance Sept. 19, in the school auditorium. The dance will last from 8 to 11. Prices are 35c and 55c. Everyone should dress casually. Only students who have dance cards and their guests will be admitted.

Mrs. Brown—Grade 2 There are 13 boys and 12 girls in Mrs. Brown's second grade. They are very glad to be back in school, to learn their tables and learn to add.

Mr. Donovan—Grade 5 We plan to plant grape fruit seeds in the room. If they grow well, we want to put them in individual pots for Christmas presents.

Mr. Cotter's Room

Med., Sept. 3, we elected officers, and are as follows: Jane Phillips, president; Carol Ann Moore, vice president; Charlotte Rapp, treasurer; Sandra Tatum, secretary. We also elected Pat Crissan as our Student Council Representative with Becky Moore as her substitute.

F. F. A.

Robert Gary, Kenneth Outten, and David Martin will be going to Springfield, Mass., as a result of having won at the University of Delaware in poultry judging. The members of Mrs. Purse's sixth grade had an election on

Mrs. Purse-Sixth Grade

Friday afternoon. We have been studying how to conduct a meeting and elect officers in our English work. Sharon Walls served as temporary chairman, while we voted. The following people were elected:

Ralph Larimore, president; Glenn Smith, vice president; Frances Downing, treasurer; Ronnie Hughes, secretary; Cheryl Warrington, news reporter; Larry Garry, news reporter. At our next meeting we will decide about our class dues. Jeanne Lee Anderson Class Reporter Mrs. Mann-Sixth Grade Friday, Mrs. Mann's room elected officers for the class club. The following are the officers

Road Accidents Fall Off in Some Categories

There was a reduction in the number of accidents taking place on Delaware highways, involving damages in excess of \$100, reported to the Financial Responsibility Division of the Motor Vehicle Department, during August, in comparison with the record for the same month during the previous two years.

The records reveal there were 525 of these accidents reported during the month of August this year, 27 less than the number reported during the same month of year and a decrease of 95 over the number reported for August of 1956.

Of the accidents reported during August of this year, 360 were in Wilmington and New Castle County, a decrease of 26 over August of last year, 69 were in Kent County, a decrease of 19 over August of last year and 96 were in Sussex County, in increase of 16 in comparison with August of last year.

Of the drivers involved in the accidents reported during August of this year, 201 were from other states and 132 had no insurance. There were a total of 177 persons injured in these accidents.

Damages resulting from the accidents reported during August were less than the amount of damages reported for August of last year but more than the damages reported during August of 1956. The damages reported during August of last year were \$262,935, while for August of last year the amount of damages reported were \$290,421 and during August of 1956 the amount of damages reported were \$243,865.

During the month of August a total of 104 motorists had their operational and registration privileges suspended in this state for failure to comply with the provisions of the Financial Responsibility laws.

BE WISE—ADVERTISE SHOP AND SWAP IN THE WANT ADS

elect: Mike Wamsley, president; Rusty Jack, vice president; Betty Jane Masten, secretary, Gale Umphlett, treasurer.

We enjoyed having our first meeting and hope to have many more throughout the year. Reporters Rusty Jack Bobby Smith

3 Candidates For Naval ROTC

John Taylor, James Schiff, and Donald Garey are candidates for Naval ROTC. Applications are now available for the Navy's 13th annual competitive examination for its nation-wide regular NROTC college training program, according to a recent announcement by the Navy Department. The mental examination is scheduled for Dec. 13, and is open to all high school seniors and graduates who can qualify.

The deadline date for receipt of all applications is Nov. 15, the Navy stated. Male citizens of the United States between the ages of 17 and 21 are eligible to apply for the Navy College Aptitude Test. Persons attaining a qualifying score will be given the Navy's rigid midshipman physical examination next February. From the pool of the qualified candidates remaining in competition, approximately 1800 young men will be selected for appointment as midshipman and will enroll in one of the 52 colleges of their choice where a Naval Reserve Officers Training Corps Unit is located.

The regular NROTC is maintained for one purpose to train and educate young men for ultimate commissioning as career officers in the Navy and Marine Corps. Successful candidates will start their Naval Careers in colleges and universities across the country in 1959. After a normal college education and substantial Navy training, graduates will be commissioned as regular officers in the Navy or Marine Corps, for active duty with the United States Fleet, throughout the world. For those who qualify and apply, assignment to flight training will open new careers in naval aviation.

In addition to the normal college curriculum, midshipmen in the regular NROTC will study a planned course in naval science. All tuition, fees, and books will be furnished by the Navy, plus an annual retainer pay of \$600 for a maximum of four years. Regular NROTC midshipmen will spend part of three successive summers on training cruises with various fleet units.

Applications for this program leading to a career in the naval service are available from Alan Rutledge counselor of Harrington High School, or from the nearest U. S. Navy Recruiting Station.

Mr. Rutledge has been provided with specific information concerning the NROTC program and will furnish information bulletins to any interested student.

St. Stephen's Episcopal Church Notes

Church School sessions will be resumed Sunday, Sept. 21, when all pupils, parents, and teachers and other interested persons will attend opening exercises in the church, 9:30 a.m. Pupils will be assigned to classes and will have their first sessions at the Parish House following the brief church service.

Last Sunday after eleven o'clock morning prayer the following adults met in the Parish House, with the vicar and church school superintendent, to receive assignments as members of the teaching staff of St. Stephen's Sunday School: Mesdames William Hearn, Gilbert Keim, Granville Hill, Clarence Reed, Lillian Rice, George A. Thompson and Messrs. Robert McNally and Leon Porter. Mrs. James Coady, Mrs. Robert McNally, and Mrs. Wright Peersoll will also be members of the faculty.

Church materials include students' books, teachers' guides, "take home" packets, activity sheets, class record books, roll placards, etc., mostly supplied from the Episcopal Fellowship Series.

Flowers on the altar Sunday were given to the glory of God and in loving memory of Christopher Quillen by G. Robert Quillen.

The following boys served as acolytes on last Sunday: Roy Porter, Charles McNally, Billy McColley, Bobby Greer, Bill Thompson.

The calendar planning group met at the Parish House Sunday, after the service of Evening Prayer, to draw up a schedule of events in the coming church year.

An executive meeting of St. Stephen's Women's Auxiliary was held Tuesday evening Sept. 9, at the home of Mrs. Robert Creadick, president of this church organization for the session '58-'59. Besides the president, Mesdames Robert Baynard, Archie Ford, Granville Hill, and Eleanor Smith were present, and as a group worked out tentative plans for the fall and winter meetings of St. Stephen's Ladies Auxiliary. They planned the programs for each month, as far as possible, subject to a few changes. It was decided that the first meeting of the auxiliary would be on Tuesday evening, October 21, 8 p.m., at the Parish House.

Ushers on the 15th Sunday after Trinity were Messrs. Clyde Perry and Earl McColley.

THE INFRA-RED CAMERA

The Air Force has developed an infra-red camera which can reach backward into time for a picture, says the Miami Herald.

A copyrighted story from Eglin Air Force Base said a reconnaissance plane took a picture late at night of an empty parking lot and came up with a picture of cars which had been parked on the lot hours previously.

"Test officials... explained that the camera absorbs heat rays, emitted by solid objects, instead of light rays," the newspaper story read, adding that equipment is used which can distinguish thousands of a degree of heat.

We hope the use of such a camera will be strictly controlled. Police, of course, could use it to who broke open the safe and who was responsible in the automobile accident.

In private life, however, use of the camera would be catastrophic. With it, erring soul mates could check on one another and, with a picture worth a thousand words, what kind of a rebuttal could the accused offer?

HERE WE GO AGAIN

With the 13th annual harness meet of the Kent & Sussex Raceway getting under way here this week, we heard a discouraging rumor—there will be no parimutuel harness racing here next year.

We heard the rumor Sunday morning from a resident on U. S. Route 202, not far from West Chester, Pa. When we replied that the race meet had been profitable and that the proceeds went to the Kent & Sussex Fair, our informants said that Brandywine Raceway, near Wilmington and not too far from our source of information, would apply for 20 more racing days in the 1959 Legislature and that, if the days were granted, it would eliminate Harrington as the additional days would be in our normal racing period, from the middle of September to October. Of course, we could race in the early spring, before the Delaware-Maryland circuit usually gets under way, but that would be unprofitable, as it has been proved.

If Brandywine opened its meet earlier, it would conflict with Delaware Park, though the park races in the daytime. Brandywine would also compete with one of the Baltimore tracks. As it is, it competed this year with Ocean Downs after Kent & Sussex Raceway gave it ten days, with the sanction of the Legislature, it had received from Delmarva Racing Association which does not race since it has no track.

Our informant, a businessman, says it is common knowledge in his section that Brandywine will apply for 20 more racing days next year. This would make 60 days for Brandywine which, with 50 days for Delaware Park, would make 110 days' racing in the Wilmington. The transfer of Harrington dates to Brandywine has some support in this area, mainly from those directors of the local track who own stock in Brandywine.

This maneuver would presuppose that Brandywine would pay the Kent & Sussex Racing Association for release of its dates. This was what it offered to do in a previous attempt to get our dates. Some doubting Thomases, at that time, inquired: "Just how long would Brandywine pay us after parimutuel harness racing was killed here?" Could the local fair association afford the expenses of a long, drawn-out court suit?

The local track is paid for and it pays no dividends on stock, all profits going to the Kent & Sussex Fair Association. Any business in that shape is in good shape indeed. Heretofore, the backers of a switch have advanced many reasons why the switch should be made. They have advanced no reasons why Harrington shouldn't continue racing.

We must keep continually an eye on Brandywine and the Legislature and those who would sell us down the river. Eternal vigilance is the price of safety.

AN OUNCE OF PREVENTION

State Fire Marshal William R. Favinger this week urged Delawareans to practice safety in the home, pointing out that a majority of fire losses occur there.

Mr. Favinger cited statistics that show that in the United States there are nearly 800 home fires a day or approximately one fire every two minutes. These home fires, according to Mr. Favinger, are the leading killers of children and second only to falls as killers of the elderly.

The Fire Marshal pointed out that many fires start in bedrooms and kitchens, and offered the following as safety precautions to be taken:

PRECAUTIONS AGAINST FIRE IN BEDROOM:

1. Never smoke in bed. You might fall asleep, drop your cigarette. Toxic gases from the fire that might result could render you unconscious before the heat awakened you.
2. Don't string electric extension cords around any room. Never run cords under rugs or over nails where they will wear, causing short circuit, possibly fire.
3. If you use a portable oil or gas heater, be certain there is ventilation in the room and turn it out before going to bed. Many people are suffocated every year because they used unvented oil or gas heaters in tightly-closed rooms.
4. Place portable heaters where they cannot easily be tipped, tripped on, or overturned.
5. Do not use lighted matches to search dark closets. Use a flashlight.

PRECAUTIONS AGAINST FIRE IN KITCHEN

1. To prevent a grease fire in your stove, clean out your oven and under the burner regularly thus avoiding an accumulation of grease, and keep grease containers away from your stove. If a grease fire does start while you're cooking, cover the burning pan with a large flat cover using a long handled fork or smother it quickly by sprink-

ling ordinary baking soda or salt on it.

2. If you use a gas range, keep it clean and make sure window curtains or hanging towels don't blow over flames.
 3. If you use an oil or kerosene stove: Keep main storage of oil outside. Never refill when the stove is lighted. Keep stove clean and free of dirt at all times. Don't use as fuel either gasoline, crankcase oil or any oil containing gasoline.
 4. Make it a habit to disconnect your electric iron immediately when interrupted by a phone call, the door bell or caller.
 5. Never keep flammable or explosive cleaning fluid, such as gasoline, in the house. Use safe cleaning fluids only! Never clean with gasoline.
 6. To prevent those mysterious fires caused by "spontaneous ignition" never put oil rags or cloths saturated with furniture polish paints or wax in closets or cupboards. Instead, get rid of those which you will need again, and keep the others in covered metal containers. Keep your waxes and floor mops in cool open places, such as the porch.
 7. Never throw flour, uncooked cereals or dust from a vacuum cleaner or dustpan into a stove fire, or into an incinerator. Dust is explosive. Wrap up dust and dispose of it safely.
- Other precautions suggested by Mr. Favinger are:
1. Keep ash-trays handy and use them. Make it a habit.
 2. Snuff out your cigarette or cigar in an ash-tray.
 3. Never toss a lighted match away. After using one, hold it a second, then put it in an ash-tray. Don't toss it into a wastebasket. Matches that seem out sometimes aren't.
 4. When emptying ash-trays, make sure every cigarette is out. You might even sprinkle water over the butts, or empty them in the toilet; never in a rubbish-basket.
 5. Never strike matches or carry lighted matches or candles in closets, attics, or other confined places where clothing or combustible materials are kept.
 6. Inspect your living room before going out or going to bed. Make sure no cigarette has dropped between the chair or sofa cushions, or onto carpet, or any other place where it could start a fire.
 7. Never smoke in bed.
 8. Always — always keep matches out of reach of children.

Veterans News

QUESTIONS AND ANSWERS

Q—My GI schooling was interrupted more than a year ago when my father was sick and I had to take a job. I understand I may now continue my schooling under a liberalization of VA's regulations. What do I have to do?

A—You should receive soon an application form from the VA. Fill this out completely and return it. VA will send you a certification authorizing you to return to school.

Q—One of our neighbors is a widow of a Confederate veteran and is, I believe, eligible for a pension under a new law. I would like to help her get her pension. How can I do that?

A—Your neighbor will be required to fill out and return an application form which may be obtained from any VA office. If it appears from the completed form that she is eligible, she will receive payments automatically.

Q—I am a Korea veteran with a noncompensable dental condition resulting from an injury received while I was in service. Do I have to apply for outpatient dental care within a year from my discharge or can I get treatment at any time?

A—You may apply at any time and receive as many treatments as are needed for your condition.

Q—I have been ordered to support my two children, who are in legal custody of my former wife. Can I get a GI loan to buy a house for them to live in?

A—No. VA requires that you certify that you intend to reside in a house bought with a GI loan. The court order that you must support the children does not alter the fact that you do not intend to live in the house yourself.

Trinity Methodist Church Notes

The Intermediate Choir rehearses Thursday, Sept. 18, from 7 to 8 p.m. This time may be changed later, but is on Thursday now. The director is Mrs. Florence Kent, and young people who are interested may attend if they are in the 8th, 9th, or 10th grades.

The Senior Choir meets at 8 p.m. Thursdays. They sang an anthem by Beethoven last Sunday and for Sept. 21, next Sunday, they sing again. For Sept. 21 the prelude is "Autumn Mood" by Tschalkowsky, and the postlude "Song of Triumph" by Rasmley. The pastor preaches on "Autumn." The altar flowers will be given by Mr. and Mrs. Ellwood Gruwell.

The first meeting of the Official Board after the summer, when there were no meetings, is due for Mon., Sept. 21, at 8 p.m., at the church.

The First Quarterly Conference a group meeting, is scheduled for Tues., Sept. 23, at 8 p.m. at Asbury Methodist Church in Harrington. Trinity is a member of this group. The leader will be the Rev. Roy Tawes, superintendent of the Dover District of the Methodist Church.

Every Friday in the church, from 7 to 8, the boys and girls of ages 12-14 meet under the direction of Mrs. C. R. Cox and Mrs. Jack Redden for the Intermediate MYF.

Last Sunday morning, Miss Ann Anderson gave a talk on her missionary training. She is a student at the Philadelphia Bible Institute, now a college, preparing for mission work.

Armed Forces Notes

National Guard Specialist 3rd Class Gerald A. Donovan, 20, son of James C. Donovan, 3 American Ave., Dover, fired with the Delaware National Guard Rifle team in the recent National Rifle and Pistol Matches at Camp Perry, Ohio.

The annual month-long competition attracts many of the nation's top marksmen.
National Guard Warrant Officer Junior Grade Harold R. Welch Jr., 31, whose wife, Romaine, lives at 203 Center St., Harrington, fired with the Delaware National Guard rifle team in the recent National Rifle and Pistol Matches at Camp Perry, Ohio.

Welch is the son of Mrs. Elsie M. Richards, Milford.

4-H Dairy Judges And Tractor Driver in Contest

the National Dairy Show. In 1956 Ray won the Levy Court trophy for good by winning the Fitting and Showing contest for the third time.

The dairy judging team is made up of winners at the dairy judging contest at the Kent-Sussex Fair.

The dairy judging contest will consist of judging six classes of four animals each. A cow and heifer class in each of three breeds will be judged. The breeds will be Jersey, Guernsey and Holstein-Friesian.

Representatives from ten states will participate in the various contests being held.

Save Time and Strain

Back strain, as it occurs in connection with vacuum cleaners, can be reduced.

Research carried out at the Rhode Island Experiment Station indicates the best way to clean under low furniture is to kneel on one knee so you can see and reach the area to be cleaned. This method uses the strong leg muscles. When you bend over half a dozen times accomplishing the same amount of work, you are putting an unnecessary strain on your back.

The study showed the need for about four feet of "vacuum maneuvering" space in front of any item of furniture that stands close to the floor. The kind of furniture controls the exact amount of space needed of course.

Cleaning conveniences should be considered when buying new furniture. Furniture built to the floor or with considerable clearance under it would be the two top choices.

The study also showed that many women often try to push the cleaner as far as they can reach. Bending, stretching, and back strain can be saved by keeping the stroke within easy reach, stepping back and forth with each stroke.

Jobs For College Graduates

Does a college graduate have a good choice of jobs? Dean George M. Worrlow, school of agriculture at the University of Delaware, says agricultural graduates have plenty of opportunities in the field of agriculture.

Land grant colleges and universities graduate about 8500 young men and women each year while there are about 15,000 jobs open to them.

Dean Worrlow said there are about a quarter-million scientists serving agriculture and more are needed every day. The farm equipment industry alone needs 2,000 men annually and the farm building industry needs another 1500 college graduates per year. The dairy manufacturing people say they need 1000 graduates in dairy manufacturing each year while the agricultural schools are graduating only 150 students who are majoring in this subject.

There are more than 500 distinct occupations open in agriculture and related industries and businesses, Dean Worrlow, said. College training in agriculture

pays off in dollars and cents too. The average college graduate can expect to earn about \$100,000 more in a lifetime than a high school graduate. This is a pretty good return for the money invested in a college education.

Delaware H. D. C. Tackle Home Safety

"Home sweet Home" isn't always the safe haven it's cracked up to be...

That's why Delaware home demonstration clubs are conducting a drive this month to promote safety in the home...

Miss Middleton, who is with the Agricultural Extension Service, believes that homemakers should apply safety engineering principles in managing their homes...

The kitchen is a good place to start looking," emphasizes Miss Middleton. Electric cords snaking out to trip somebody...

Pots and pans have a particular fascination for toddlers, Miss Middleton points out. Small children don't hesitate to reach up on a range or table...

Miss Middleton made her statements in support of the drive initiated by the state's home demonstration clubs. The drive is sponsored by the safety committee of the Delaware Home Demonstration Council...

Implement Shields Protect Operator

The best power take-off shield made gives no protection if it is not used, observes county agent, George Vapaa.

When loose clothing merely touches a revolving shaft or coupling, an operator may be mangled instantly.

Recently, manufacturers have been equipping power driven implements with non-removable power-take-off shields.

Farmers who don't have standard power-take-off hitches or shields should see their local implement dealer.

Shielding homemade equipment for safety is a special problem that each user must solve individually.

All of the officers of the Lewes Memorial Commission were re-elected at the annual meeting called for Wed. Sept. 10...

C.K.R.T. Auxiliary Notes

Committee chairmen and plans for the public supper Saturday, Sept. 27 were the main topics discussed at the first meeting of Callaway-Kemp-Raughley - Tee Auxiliary Unit No. 7 held recently at the Post Home.

The public supper will be a Fried Chicken supper beginning at 4 p.m. Saturday, Sept. 27 at the Legion Home. Tickets will be available from auxiliary members or may be purchased at the door.

Mrs. Dale Roth, new unit president, announced that the C. K.R.T. Auxiliary now has 81 paid members, consisting of 57 senior members and 24 junior members.

It was with a great deal of pride that Mrs. Roth displayed the Katherine Dillon Membership Award loving cup which was presented to the unit at the Auxiliary's State Convention in June.

The following list of chairmen for standing committees was then announced by Mrs. Roth: Americanism, Mrs. William Smith; Child Welfare, Mrs. Leonard Taylor; Civil Defense, Mrs. Robert T. Jester; Community Service, Mrs. Norman Brown; Constitution and By-Laws, Mrs. Kenneth Aiken; Education and Scholarships, Mrs. James O'Neal; Junior Activities, Mrs. Harold Melvin and Mrs. Alfred Hopkins.

Other committee heads are: Kitchen Committee—Mrs. Gooden Callaway; Dining room—Mrs. Tom Clendenning and Mrs. Clarence Black.

Asbury Methodist Church Notes

Church School 10 a.m., Howard Wagner, superintendent. "Justice for the Needy and Neglected" is the theme of the adults lesson.

The First Quarterly Conference of the year will be held at Asbury Church Tuesday evening at 8 o'clock for all the churches in Quarterly Conference Group No. 2.

The Crusader, Chancel and Cathedral Choirs will rehearse Thursday at 3:30, 6:30 and 7:45 respectively.

The Cherub Choir will rehearse Friday afternoon at 3:30.

The District Laymen's banquet will be held Monday evening, Sept. 29 at Lewes Methodist Church.

The friendly greeters will be Mr. and Mrs. Charles Greenhaugh.

Concrete Barnyard Good Investment

A concrete feed and loafing yard for cows is a good investment for any dairyman, according to Charles Blendt of Smyrna, who has been expanding his concrete platform.

He said a paved barnyard can bring the greatest possible gains from the least feed. Citing as an example a test at the Iowa Agricultural Experiment Station, George Vapaa, the county agent, reports that steer calves fed for 60 days on concrete gained an average of 146 pounds a head.

Paved barnyards conserve most of the fertilizer value of manure the agricultural agent added. This value is mostly in liquid nitrogen that is lost unless collected and stored properly.

Considering that the average farmer spends about 50 percent of his time doing chores around farm buildings, Mr. Vapaa said a paved yard can add to labor saving because cows will take less time to clean before milking.

Mr. and Mrs. Roy Smith and Mr. and Mrs. James Smith attended the funeral of Mrs. Elizabeth Smith in Pensuaken, N. J., last week.

Mr. and Mrs. James Smith were recent callers at the home of Mr. and Mrs. Alvin Redden of Lewes.

Mr. and Mrs. Charles Conaway entertained the crowd at a picnic lunch at Camp Ontonka on Sunday.

Mr. and Mrs. Leroy Baker and Eva took Jean to Wilmington Sunday. Jean will begin her studies at Goldy Beacom.

Leroy Baker is recovering from his recent illness.

Dickie Davis is slowly recovering from his recent operation on his knee and is grateful for his cards and gifts that helped him in many ways.

Mr. and Mrs. Jacob Hatfield and Ellen motored to Newark on Saturday, having lunch with Mr. and Mrs. Ronald Case and attending with them the wedding of Miss Carolyn Phillips to Richard Harris of Bridgeville.

Mrs. Emil Gerardi, Mrs. Cora Calhoun, Mrs. Medford Calhoun and Mrs. Donald Chalmers and children spent Thursday in Newark with Mr. and Mrs. Millard Calhoun.

Mr. and Mrs. Roy Hill of Georgetown spent Sunday with the Medford Calhouns.

Mr. and Mrs. Harry Swain visited Mrs. Swain's brother and wife, Mr. and Mrs. Harry Leager of Dagsboro for lunch and dinner.

Sympathy of our community is extended to the families of the young people who met with the tragic accident Thursday evening; namely, the McIlvain family, members of the Trivitt family in Greenwood, the Leon Trivitt family and the Nanney family of Seaford.

James W. Hurd

James Wilbur Hurd, 26, son of Benjamin and Susan Hurd, near Felton, died Thurs., Sept. 11, at his home.

Services were held at the Berry Funeral Home, Sunday afternoon. The Rev. Larry Renner, pastor of Felton Methodist Church, officiated.

Interment was in Mt. Holly Cemetery, Sandtown.

The deceased is survived by several nieces and nephews.

Mrs. Joseph C. Curts

Mrs. Emma Cooper Curts, 80, died Thurs., Sept. 11, in the Jarvis Nursing Home, Felton, where she had been a patient for the past three years.

A native of Denton, Md., she was the daughter of Bassell and Susan Davis Cooper. Her first husband, Alfred Parris, died in 1909 and she later married Joseph C. Curts, who died in 1950. They resided here.

Prior to going to the nursing home, Mrs. Curts lived with a nephew, William S. Cooper, near Felton.

Funeral services were held at the Boyer Funeral Home, Sunday afternoon, in charge of the Rev. Larry Renner, pastor of Felton Methodist Church. Interment was in Hopkins Cemetery, near Felton.

Besides Mr. Cooper, she leaves several other nieces and nephews.

Of Local Interest

Miss Peggy Jean Moore, daughter of Mr. and Mrs. Preston Moore, entered the University of Delaware where she will be a member of the Freshman Class.

Mr. and Mrs. Bret Mears and daughter, Jane, and Mr. and Mrs. Earl Nichols, of Claymont, spent the weekend visiting Mr. and Mrs. Marvin Smith and family and Mr. and Mrs. Ernest Smith and Mrs. Golda Smith.

Miss Emily Collison of Wilmington was a recent visitor of Mrs. Elizabeth Harrington and family from here. All motored to Rehoboth, and had dinner at the Henlopen Hotel.

Mr. and Mrs. Ernest W. Dean returned Saturday from a week at Rehoboth.

Mrs. J. Millard Cooper entertained the Martha Circle of Asbury W.S.C.S. at her home on Center Street Wednesday evening.

Mr. and Mrs. Charles W. Steele of Merchantville, N. J., were visitors of Mr. and Mrs. W. W. Sharp Friday.

Asbury Ever Ready Class Sponsors Show

The Ever Ready Class of Asbury Methodist Church School sponsored its annual flower and curio show in the Collins Hall of the Church Wednesday evening with its usual success.

Ladies prize—a tie, each receiving 17—Miss Rosanna Mesick of Houston, Mrs. William B. Hill near Laws Church. Men's prize, Sherman Hignutt; girl's prize, Virginia Jo Richardson; boy's prize, Scott Hill.

A musical program was then rendered with Mrs. R. S. Gibson accompanying each number.

Vocal solo, "Lilies of Galilee", Roger Betts; "In the Garden", Bobette DeVroy; "He's Got the Whole World in His Hands", Michael Stayton. Vocal Duet—"The Master Hath a Garden", Louis Larimore, Marilyn Jarrell.

Moving pictures in color were then shown by William Irvin showing scenes from the Tom Thumb Wedding in Asbury Church June 19 of this year.

Mrs. Kendall Wroten and Mrs. Clarence Raughley were the judges.

Time to Rogue Soybean Fields

Now is the time to rogue those soybean fields where the seed is to be used as certified seed, reminds county agent, George Vapaa.

A few volunteer stalks of corn and some healthy curled dock plants could cause trouble at processing time. In addition, if you have a few off-type plants, these can be pulled and disposed of now, reducing the danger of contamination of your seed.

Mr. Vapaa adds that a little time spent now can almost insure against the disappointment of a field not passing inspection later.

Merrymakers HDC News

The Merrymakers Club met on Tuesday Sept. 9, at the home of Mrs. Walter Winkler with Mrs. Mary Fair and Mrs. Phyllis Greenhaugh as hostesses.

A demonstration on aprons was given by Virginia Winkler and Mary Martin.

A committee was selected to serve at the USO in Dover on Wednesday, Sept. 24. A Halloween party was discussed with further details to be made at the next meeting which will be held at Mrs. Thomas Pecks home Oct. 8.

Miss Nancy Torbert, who was graduated from the University of Delaware in June, is teaching second grade at Caesar Rodney School.

Mr. and Mrs. Walter Moore were Sunday visitors of Edgar Charles, Newark, and Mr. and Mrs. Clarence Little, near Newark.

Mr. and Mrs. Harry Carlisle, Jr., of Salisbury, were Sunday dinner guests of Mr. and Mrs.

"The Song of Bernadette" at the Reese Theatre

Through the courtesy and cooperation of Mr. Harrington arrangements have been made whereby St. Bernadette's Parish will once again present in the Reese Theatre "The Song of Bernadette." The picture will be shown Wednesday evening, Sept. 24. The regular prices of 60c and 25c will prevail. Tickets can be obtained from any of the members of St. Bernadette's parish.

The picture, starring Jennifer Jones, recalls our Lady's appearances at Lourdes just one century ago. Beginning Feb. 11, 1858 the Blessed Mother appeared at eighteen times to little Bernadete Soubirous at a lonely grotto near the town of Lourdes in the French Pyrenees. At that time many a person thought that science was all powerful; that science made God unnecessary. During one of Her apparitions Our Lady revealed a spring and some remarkable physical cures have been worked there during the past hundred years.

The public is cordially invited to enjoy Hollywood's version of the important events that took place at Lourdes just one century ago.

OSWALD STANTON

Oswald Stanton, 78, of Viola, died Saturday night at his home here.

He was born in Maryland and lived at Robert's Station until three years ago when he moved to Viola.

Surviving is his wife, Janie Stanton, a son, Wilson T., of Felton, two daughters, Mrs. Edward Chambers of Viola, Mrs. Arthur Jester of Harrington, six grandchildren, two great-grandchildren.

Services were held from the Berry Funeral Home, Felton, Tuesday afternoon. Burial was in Barratt's Chapel Cemetery.

Mr. aid Mrs. Jimmy LaVere of Felton Heights are receiving congratulations upon the birth of a daughter at Kent General Hospital, Wednesday morning. Mrs. LaVere is the former Miss Ethel Reed.

Fish & Game News

Registration For Ducking Blinds On Primehook Public Waterfowl Hunting Area

The Primehook Marsh Wildlife Area was recently purchased by the Game and Fish Commission. It consists of 300 acres of fresh water marsh located between Primehook Beach and Broadkill Beach approximately 12 miles southeast of Milford.

Registration for blinds will be held in the Lincoln Community Building, Lincoln, Delaware, on the following days: September 29, 30 and October 1 from 5:00 p. m. to 9:00 p. m., and Saturday, October 4th, from 9:00 a. m. to 5:00 p. m.

A representative of each party desiring to hunt will apply in person on any of the designated registration days. Hunters are advised that they will have equal chance of being assigned the days they desire regardless of which day they register.

Duck hunters are advised that this marsh is almost impossible to walk and difficult to travel by boat. All hunters who wish to hunt this area must have a boat and motor, preferably a small narrow marsh - type boat.

The Delaware Board of Game and Fish Commissioners has announced special rules for duck hunters wishing to hunt its Woodland Beach Wildlife Area.

A. On the Central portion of the area, hunting will be only from blinds built by the Commission. The procedure here will be as follows:

1. A registration will be held from Monday, September 29 through Sunday, October 5.
2. Blinds will be allocated to parties of two or three on a daily basis.
3. Each party may apply for as many as five days of shooting.
4. A representative of each party desiring to hunt will apply in person at the headquarters between 9 a. m. and 6 p. m. on any of the designated registration days.
5. This registration will cover the period November 8 through December 6. After December 6 hunting here will be unregistered, but from State blinds only.

B. Sportsmen desiring to hunt the northern and southern portions of the area will have to build their own blinds and adhere to the following rules:

1. Hunting is to be from stake blinds or boat blinds only. No jump shooting.
2. Stay well clear of private blinds along the West boundary of the area.
3. Maintain a reasonable distance between blinds within the areas.

Maps and tide tables of all units of the area are available to the headquarters building upon request.

Delaware Food Market Report

Produce displays are taking on an autumn look as Concord grapes, sickle pears, coconuts, Brussels sprouts, cauliflower, broccoli and winter squash begin to come in.

The school lunch box continues to get a break. The prices of apples, peaches and pears are lower than average now.

Broiler-fryers rate top billing on the market list again this week. These chickens can be bought in many different ways - cut up for frying, cut to broil, cut Southern style for frying, whole (excellent for roasting)

The September meeting of the WSCS was held in the church on the 8th with the president, Mrs. Paul Hughes, presiding.

Felton W.S.C.S. Notes

Mrs. Mamie Adams, worship leader, read, "Christ's Message."

Rev. Renner announced a Group Quarterly Conference to be held here in the church, Sept. 24th at 8 p. m., and Oct. 6th a Ministerial Conference at 10 a. m.

The cost of the new dining room tables were taken care of by the recent supper and with several tables being donated.

The Oldest Bank in Delaware. All deposits insured up to \$10,000 by the Federal Deposit Insurance Corporation.

Women's Clubs Meet at Newark

The fall conference of the Delaware State Federation of Women's Clubs was held Wed., Sept. 10, at the University of Delaware, with the Newark New Century Club acting as the hosts club.

Mrs. William J. Storey, president of the Delaware State Federation of Women's Clubs, conducted the sessions and also assisted at a workshop for club officers.

A brief keynote address was given by Dr. Gordon Godbey, director of University Extension, University of Delaware.

Stephen Galatti of New York, director of the American Field Service, and John K. Conant, the New Castle County chairman of the American Field Service, explained the work the service is doing in more than 40 countries of the world.

There were 12 concurrent workshops for the state topic committees. These were explained by Miss Elizabeth H. Peach, dean of departments.

In the afternoon, Mrs. Joseph M. Perkins, of Eastland, Tex., treasurer of the General Federation of Women's Clubs, delivered an address "Federation—A Symphony."

The conference was concluded with capsule summaries of the workshops and the collect.

Attending from Harrington were the following: Mrs. Norris C. Adams, Mrs. Edsel Broce, Mrs. Annie Laurie Clark, Mrs. Fulton J. Downing, Mrs. James Fair, Mrs. Arnold B. Gilstad, Mrs. C. Sharp Harrington, Mrs. Loren B. Harrington, Mrs. Abner Hickman, Mrs. Joseph Konesey, Mrs. Floyd N. Nasser, Mrs. Oscar J. Nemesh, Mrs. Allen B. Parsons, Mrs. Charles L. Peck, Jr., Mrs. Ernest Raughley, Mrs. William W. Shaw, Mrs. C. Larry Simpson, Mrs. William M. Simpson, Mrs. Chester E. Wilcox, Mrs. Samuel M. Williams.

Houston

Sunday School at 10 a. m. with Robert H. Yerkes, Sr., general superintendent and Alvin Brown of the junior department. Mrs. Charles Pearson of the cradle roll.

Worship service at 11 a. m. will be held in the sanctuary of the church. The work has progressed sufficiently to make it possible to resume services there. It is probable that some of the equipment will not arrive in time for this service, but it has been ordered and will be here in time for the official re-opening service which will be held as soon as the new Sunday School building is ready for occupancy.

The regular monthly meeting of the M. Y. F. will be held in the Fire Hall, Friday, Sept. 19, at 8 p. m.

Robes for the senior choir have been ordered and should be received very soon. Announcement will be made as to the time for beginning the rehearsals.

Mrs. Minnie Armour has been in the Milford Memorial Hospital for over a week with a broken leg and her condition is improving at this time.

William Davis is in Milford Memorial Hospital with a blood clot in his leg at this time he is doing fine.

Mr. and Mrs. William Grunden of Milford are receiving congratulations on the birth of a son, Monday morning in Milford Memorial Hospital. This is the Grunden's third child; all boys. Mrs. Grunden will be remembered as Miss Mary Ellen Sapp of Houston.

Miss Janice Sharp, daughter of Mr. and Mrs. Eugene Sharp left Sunday afternoon for Wilmington and expects to enter Goldey Beacom College Monday, where she expects to take a general course. Janice graduated from Milford High School in June.

Mr. and Mrs. C. Walter Wharton and Mr. and Mrs. Oley F. Sapp spent last Sunday afternoon visiting Mr. and Mrs. Edward Horton at their home at Rehoboth.

Jerry Shoemaker has returned to his mother in Washington, D. C., after spending the summer with his grandparents, Mr. and Mrs. Elmer Dawson.

Mr. and Mrs. Roger J. Pelletier of Plymouth, Mass., spent a week at Bowers Beach at the residence of Mr. and Mrs. Samuel Martin. They called on Mrs. Cora Case in Milford, who is the grandmother of Mrs. Pelletier, the former Ruth Williams, daughter of Mr. and Mrs. Dale Williams of Wyoming where the Pelletiers spent a week.

JOHN SAXON'S "RELUCTANT DEBUTANTE" AT REESE SEPT. 21-22-23. NEW "ANDY HARDY" SEPT. 19-20.

"Get more out of life—Visit Movie Center Often." It's true. More people than ever are taking advantage of the super entertainment offered by Movie Center. Meet your friends—get out of the house—enjoy yourself with your friends and neighbors. It's the American way of life.

Another big super weekend treat is in store for Delaware and Maryland theatre fans this Friday and Saturday when Lee presents the all new "Andy Hardy Comes Home" with Mickey Rooney and son Jose Ferrer in "The High Cost of Living" as the co-feature.

One of the biggest combination shows of the season is listed in an advertisement in this newspaper for Sunday, Monday and Tuesday, Sept. 21-22-23. John Saxon, Sandra Dee, Rex Harrison, and Kay Kendall are the featured stars in "The Reluctant Debutante." Time says: "Joyous Entertainment." Will Rogers and Maureen O'Sullivan in "Wild Heritage", a story of the old west. Cinemascope and color feature this presentation.

One of the real treats, "The Song of Bernadette" with Jennifer Jones will be shown Wednesday, Sept. 24 as a benefit for St. Bernadette's Catholic Church. Tickets at regular prices are on sale now.

B. & P. W. Club Adds Members

To start the ball rolling for the 1958-59 season, the Harrington Business and Professional Women's Club held a tea Sunday afternoon for members and prospective members, at the home of Mrs. Mildred Minner, our club president. The affair was very gained five members and several more likely prospects.

The regular monthly meeting for September was held on Monday evening at The Wonder R. Our legislative chairman, Mrs. Frieda Cluley, was in charge of the program and had as her guest, Representative Clifford Simpler of the State Legislature. Representative Simpler spoke briefly on the workings of our Legislature. Then followed a question and answer period with Mr. Simpler providing some very

Greensboro

Micro Midget News

The Choptank Micro Midget Racing Club had its biggest day of the season so far Sunday.

In the first heat six cars were entered. Car No. 19 owned and driven by Bill Tribbet of Greensboro, took the lead in the second lap and held it to the finish but was hard pressed by Car. No. 9 driven by Brown of Harrington.

The second heat had five cars entered. It was a close race by car no. 49 driven by Paul Legates of Harrington and car 7 driven by J. Porter of Harrington with each one holding the lead in every lap until the finish with car 7 winning the checkered flag.

The third race of the day was something new at the speedway which was the "Choptank Special" with six cars entered all owned and driven by members of the Choptank Speedway. This proved to be an exciting race with car no. 111 owned and driven by Buddy Spiering who started in scratch position and went on to win the race.

The fourth race, the consolation of Harrington driving car 3D.

The feature race of the afternoon with 11 cars entered got off to a good start with car 7 holding the lead until the 15th lap when car 3D moved up on the 19th lap and held it to the finish.

The main event of the day to the fans and ladies of the crowd was the powder puff derby. (Powder Puff means lady drivers).

There were seven powder puffs entered in the race. They were Mrs. Elsi S. Marvel driving car 12, Mrs. Doris Lane driving car 72, Mrs. Betty Shulties driving car 111, Mrs. Shirley Tribbett driving car 38, Mrs. J. Porter driving car 101 and Mrs. E. Wilson in car 181. The powder puffs got off to a flying start with a few thrills and spills. After a pile up in the fourth lap they were all restarted again ending up in a flying finish with car 12 driven by Mrs. Elsi S. Marvel taking the checkered flag. This itself was a great day for car 12 carrying its first checkered flag at the Choptank Speedway. The rest of the powder puffs finished in this order: Second place went to car 111 driven by Mrs. Betty Shulties, third place went to car 72 driven by Mrs. Doris Lane, fourth place went to car 181 driven by Mrs. E. Wilson, fifth place went to Mrs. J. Porter in car 101 and sixth place went to Mrs. Shirley Tribbett driving car 38.

Of Local Interest

The Rachel Rebekah Lodge will meet Friday evening. All members are requested to be present.

Mr. and Mrs. W. R. Massey were guests of Mr. and Mrs. George Goldner of Wilmington Sunday. Mr. and Mrs. Albert Stevens and Mr. and Mrs. Leslie Walker were also guests.

LOOKERMAN ST. DOVER, DEL.

Wedded in Pennsylvania

Mr. and Mrs. John Drew Pearson Jr., after their wedding in Lansdowne, Pa., recently.

John D. Pearson Jr. Takes A Bride

John Drew Pearson Jr. was wedded to Miss Sandra Joanne Quammen in Lansdowne, Pa., Sat., Sept. 6. The ceremony was performed by the Rev. John W. McKelvey in the Lansdowne Methodist Church.

Mr. Pearson is the son of Mrs. Dorothy M. Milley, of Harrington, while the bride is the daughter of Mr. and Mrs. Norman G. Quammen, of 59 W. Stewart Ave., Lansdowne.

The bride wore a gown of tulle with nylon tulle over satin and carried wide bud chrysanthemums. She wore a Juliet cap of pearls and an elbow-length veil. She was given in marriage by her father.

Matron of honor was Mrs. Elmer F. Evans Jr., sister of the bride, of Brookhaven, Pa. Her gown was of plum-colored silk taffeta, with matching hat. She carried orange and brown chrysanthemums.

Bridesmaids were Miss Joan Ciampaglia, Millbourne, Pa., who wore a dress of emerald green silk taffeta and carried orange and brown chrysanthemums; and Miss Joan Langman, Long Island City, N. Y., who wore gold silk taffeta with matching hat.

Best man was John Conrad, of Arlington, Va. Ushers were Maurice Pearson, brother of the bridegroom, and Linwood Teinann, Seaford.

After the wedding a reception was held at the church.

After a honeymoon to the Pocomos, Mr. and Mrs. Pearson left for Lafayette, Ind., where he will attend Purdue University. He had attended Miami University two years. Mrs. Pearson attended Wesley Junior College, Dover.

GAS LINE

(Continued from page one)

three utilities are now supplied with liquid gas by train or tank truck. They are Dover Gas Company, Sussex Gas Company in Seaford, and the Citizens Gas Company in Salisbury.

American Latex will use the gas as fuel for its diesel engines. Tidewater will use it as a raw material in various hydrogenating processes.

Col. C. B. Shaffer, head of the Delaware State Development Department, said the state had been turned down as a location by at least four industries during the past few years because it did not have facilities to supply natural gas.

In Harrington, Cahall's Gas Service Company applied to the City Council at its September meeting for a franchise to supply natural gas to the community. The application is still being studied.

SURPRISE PARTY

A surprise birthday party was given in honor of Mrs. Mildred Smith at her home on the Harrington-Milford road Monday evening.

Those who were present to help Mildred celebrate were Rev. and Mrs. Miller and girls, Carolyn and Kathy, Mr. and Mrs. John Mervine and sons, Billy and Mickey, Mr. and Mrs. Kline Moore and daughter, Carol Ann, Mr. and Mrs. Homer Sherwood and children, Marilyn and Gerald, Mr. and Mrs. Raymond Brown, Mr. and Mrs. Carl Pearson, Mr. and Mrs. Howard Perdue and daughter, Charlotte, Mrs. Jame Melvin and Beatrice Goodhand.

After gifts were opened and refreshments served they all departed wishing Mildred many more happy birthdays.

Cancer Crusade Attains All-Time Record Funds

Franklin D. Drumheller, Delaware Division chairman for 1958, Cancer Crusade, today announced a total of \$130,011, the highest figure ever reached in a cancer drive in Delaware.

The next high was 1957—\$127,752. Breakdown of returns show a total for New Castle County of \$85,787.34; Kent, \$11,378.56; Sussex, \$12,201.89; received at the national office to credit of Delaware Division, \$1,046.48; trust funds and legacies, \$19,596.97. Drumheller thanked the county chairman, Harvey Smith, George Elinger and James Goslee, Jr., and the thousands of volunteers who conducted the fund-raising and educational drive for their tireless efforts.

More than 7500 workers took part in the state-wide Crusade. "We are very grateful to the press and radio stations for their co-operation in keeping the public informed of the latest developments in research early detection, diagnosis and treatment and for urging support of our programs," Drumheller said.

The American Cancer Society is a voluntary organization supported entirely by contributions. Funds received in 1958 will be used to continue the work in the Society's new year, which started Sept. 1. Services offered by the Delaware Division, in addition to the nationally conducted research program, are: assistance to needy cancer patients with hospital expenses, drugs, visiting nurse care, homemaker service, sickroom equipment and dressings; detection centers for women 25 years and over; a year-round educational program to help the public understand the nature of cancer; and a professional information service for doctors, dentists, nurses and technicians.

Odd Facts

"Miss Britain," Miss Iris Walle, aged 21, took "Miss Ghana," Miss Monica Amekeofia, on a shopping tour in London while the Gold Coast girl was enjoying the trip she had won.

The Ghana News Agency has been formed in Accra and linked with London by teleprinter. It claims to be "an entirely independent news agency with an identity of its own."

An oil well is to be drilled in 80 feet of water in the Persian Gulf, 65 miles from Doha, in the Sheikdom of Qatar. Two wells drilled near the shore have proved "dry."

Argentina will build a \$100,000,000, 700,000-kilowatt hydroelectric power plant in El Chocón on the Rio Limmay, with a transmission line to Buenos Aires, some 815 miles away.

N. R. Penny, who recently bought a farm near Brits, South Africa, has named it "The Coppers."

MD. LAND WEEK

(Continued from page one)

chairman of the Maryland Land Week Committee. Dr. Symons was formerly acting president and director of Agricultural Extension Service at the University of Maryland.

Dr. Symons thanked the governor on behalf of the committee and the people of the state for "this important contribution to the preservation of our natural resources."

Present for the proclamation signing ceremony were several members of the Maryland Land Week Committee including Fred Bull, secretary of the committee and University of Maryland extension conservationist; Mrs. John Young, Westminister, president of the Associated Women of the Maryland Farm Bureau; Mrs. Robert S. Fletcher, Magnolia, vice president of the Maryland State Council of Homemakers; Randall Spoorlein, New Windsor, president of the Maryland Farm Bureau; Ray Armstrong, Lothian, Maryland Association of Soil Conservation Districts.

President Spoorlein expressed the hope that the Maryland Farm Bureau organization will co-operate 100 percent with the Soil Conservation supervisors in achieving the aims of a successful Land Week observance.

Armstrong stated that the Soil Conservation District supervisors are charged with the responsibility of arousing the people of their districts to the importance of Maryland Land Week, especially the conservation of our water and soil resources.

Speaking for the Associated Women of the Maryland Farm Bureau, Mrs. Young said that the county presidents of that organization will be urged to celebrate Land Week on a county level. This will be done through various activities including window displays and flower displays all with a conservation emphasis.

County Homemaker's Councils will be asked to celebrate Land Week by encouraging women and children to take part in the weeks activities, Mrs. Fletcher said.

Wright-Baker

The wedding of Janice Lelia Wright, daughter of Mr. and Mrs. Maurice W. Wright, Harrington, to Charles Francis Baker took place Sept. 7 at 2:30 p.m. at the Bethel Church, Andrewsville.

The bridegroom is the son of Mr. and Mrs. Francis Baker of Harrington. The Rev. William H. Smith of Farmington, officiated at the ceremony.

The church decorations included palms, candelabra, white gladiolus and pompons.

The bride was escorted by her father. She wore a floor length gown of lace and tulle. The V shaped neckline of the lace bodice was edged in lace scallops and the long sleeves pointed over the wrists. The tulle skirt was tiered with an overskirt of lace. The finger-tip illusion veil was edged in lace. It was fastened to a Juliet cap.

She carried a bouquet of white pompons and fern.

The matron of honor was Mrs. Doris Larimore, Harrington, sister of the bride.

of the bride. She wore a dress of white lace over shrimp colored taffeta. The neckline was draped in a piece of shrimp colored chiffon which fell to the back hemline. She carried a nosegay of white carnations.

The bridesmaids were Misses Patsy Baker, and Eleanor Baker, of Harrington, sisters of the bride-groom. They wore matching dresses in turquoise and carried carnation nosegays.

The flower girl, Barbara Ann Larimore, Harrington, niece of the bride, was dressed in white nylon and carried a basket of white pompons and pink carnations.

Ring bearer was Master Larry Larimore, Harrington, the nephew of the bridegroom. Charles Cain, Harrington, was the bridegroom's best man. Ushers were Donald Cain and Eugene Porter of Harrington.

Mrs. Mabel Collison was pianist and Miss Rosalie Trotta was soloist.

The bride's mother wore a rose lace dress with navy accessories. The bridegroom's mother was attired in a light blue lace dress with navy accessories.

After a wedding trip to the Pocomos Mts, the couple will make their home at Andrewsville.

The bride is a graduate of Greenwood High School. The bridegroom graduated from Harrington High School.

Greensboro High Returns 3 Regulars For Soccer Team

Greensboro High will have three regulars from last year's team on hand for the opening game this season.

Halfback Richard Hayman, fullback Earl Tribbett and halfback Tom Bennett are the returning players around which coach Granville Diffie hopes to build a winning combination.

Greensboro lost 12 players through graduation, including Raymond Wood, Allen Boyd, Wes Fortney, Raymond Hayman, Jim Coulby and Larry Pearson.

Returnees with some experience include John Coffee, Dewey Fortney, Howard Smith, George Zlock, Lee Turner, and Ronald Hudson.

Greensboro finished in third place last season but they won their last five games and four of these were by shut outs.

The Hornets will open with Federalsburg at home on Sept. 26th.

Milkmen in Calcutta now have a strenuous life. Because so many have mixed their buckets of milk with hydrant water, customers insist on the cow being milked at their doorstep.

Of 10,000 million letters and parcels handled by the London Post Office annually, one-third are incorrectly addressed, a survey showed. This costs \$840,000 a year in "detective work."

Miss Patricia Ineson, a field officer for the Red Cross in Northern Nigeria, has charge of an area of 284,000 square miles. She has traveled 25,000 miles in the last 15 months, Lagos reports.

As a result of a land boom in the Esperance area of Western Australia, two new towns are expected to appear there, Perth reports—one near Young River Station, the other near Duke of Orleans Bay.
