OTHER COMMUNITIES NEED MEDICAL FACILITIES MORE THAN HARRINGTON, SAYS SEARS

The Sears-Roebuck Foundation does not think it could assist the community in securing another physician, it was revealed Tuesday at the February meeting of the Chamber of Commerce at The Wonder R.

In a reply to J. C. Messner, member of the Chamber's Community Betterment Committee and superintendent of schools, the foundation declared: "... your situation is such that you already have two doctors in the community and as such it is our feeling that with our limited staff we must concentrate our efforts on communities having no physician or at best an elderly physician who is ready to retire."

Efforts to secure another physician have been made by the Harrington Lions Club. The foundation, however, made a medical economic survey of Harrington.

Richard Adams Receives National V.F.W. Post

Richard F. Adams, Felton, has been appointed national aide-de-camp to John W. Mahan, Helena, Mont., commander-in-chief of the Veterans of Foreign Wars. The announcement was made at V.F.W. National Headquarters in Kansas City, Mo.

In making the announcement, Commander Mahan said: "I deem it a great honor to have Mr. Adams serve on my personal staff. He has long been a tireless worker for the Veterans of Foreign Wars and I am confident that he will carry out his assignment as national aide-de-camp with the same enthusiasm. Our organization is fortunate to have men of his caliber standing ready to serve," Mahan concluded.

PROCLAMATION

WHEREAS, World Day of Prayer will be observed this year in many places throughout the world where humble peoples, living against a background of universal tension and uncertainty, will bow their heads and lift up their hearts to Almighty God in prayer;

WHEREAS, The Church Women of Harrington will join on this occasion with church women in communities throughout the nation and the world to form an articulate and inspiring chain of human prayer;

WHEREAS, The troubled peoples in less fortunate nations than ours, and indeed, even in our own beloved country, need Divine Guidance as never before, especially as this is stimulated through prayerful communion;

NOW, THEREFORE, I, Charles L. Peck, Sr., Mayor of the City of Harrington, Delaware, do hereby proclaim:

FEBRUARY 13, 1959

as
WORLD DAY OF PRAYER
and I urge our citizens to observe this day by attending February 13, 1959, wherever possible, World Day of Prayer services, or pausing for a minute of prayer at high noon to ask God to give us, in all our humility, the wisdom and courage to meet and successfully solve the profound and profound problems of our times.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the City of Harrington to be affixed at City Hall, this 10th day of February, 1959.

Attest:
KATHRYN SIMPSON,
City Clerk
CHARLES L. PECK, SR.,
Mayor
City of Harrington, Delaware

Thomas John Ryan

Funeral services for Thomas John Ryan, 82, who died in the Milford Memorial Hospital Wednesday night, Feb. 4, where he had been a patient for nine days, were held at the Boyer Funeral Home, Harrington, Saturday morning, Feb. 7, at 10:30 o'clock, in charge of the Rev. William H. Miller, pastor of Pilgrim Holiness Church, Harrington. Interment was in Hollywood Cemetery, Harrington.

He had no known relatives and came to Harrington several years ago where he was employed at the Kent and Sussex Fairgrounds and had made many friends here.

C. OF C. APPROVES ROTARIANS' IDEA OF RECREATION FACILITIES

The Chamber of Commerce, at its February meeting at The Wonder R Tuesday, proved amenable to the establishment of recreational facilities and appointed a committee to work with the Rotary Club, the originator of the idea.

The two service clubs would like to enlist the aid of other civic organizations in building a rink for roller and ice skating and one that could be modified into a swimming pool. Use of facilities would be made available by membership. The Chamber voted to explore the plan, with the Rotary Club, and appointed a committee of Madalyn Sharp, William Outten, and Theodore Reed for the project.

Officers of the New Century Club, Harrington, make plans for Annual Friendship Dinner. Seated, left to right, Mrs. William Shaw, Mrs. Tharp Harrington, Mrs. Charles Peck, Jr. Standing: Mrs. Millard Cooper, Mrs. Walter Winkler, Mrs. Joseph Konesey and Mrs. Floyd Nasser.

Heart Fund Drive To Be Held on Sunday, Feb. 22

The local Heart Fund Drive for 1959 will be under the direction of Mrs. Nell Clendingen. The drive will originate at the Harrington Fire House Sunday, Feb. 22 at 1 p.m. It is believed that all Church, Civic and service organizations have been contacted. Anyone desiring to help will be more than welcome—please report to the Fire House at the designated hour.

Residents are urged to be prepared to greet these volunteer workers with a generous contribution for this most worthy cause.

The 1959 slogan is "Help your Heart Fund to Help Your Heart." There are many ways in which this non-profit association accomplishes this objective. The heart fund campaign is comparatively new in Delaware, having originated about 10 years ago. The first Kent County drive was held in 1955. Since that time, great strides have been made in this heart warming enterprise locally, state-wide and nation-wide. Kent County has shared with

World Day of Prayer To Be Observed Tonight At Asbury Church

World Day of Prayer Service will be observed tonight, Feb. 13, at 7:30 p.m. at Asbury Methodist Church.

The purpose of this day is to unite all Christians in a bond of prayer to pray for all the peoples of the world, and to make an offering for Christian Missions at home and abroad.

In the United States, the day is sponsored by the General Department of the United Church Women of the National Council of the Churches of Christ.

The offering is used for international mission work. At home it aids agricultural migrants, low-income farming communities, and Indian Americans. Abroad, it includes: education for Christian leadership, Christian literature for women and children, pilot projects for village children, rehabilitation and village improvement, and friendly relations with foreign students.

Teen Script with Barb Payne

What have you done for your community lately? I imagine the ordinary question would probably be, "What has the community done for me?" The fact is, as you're doing for your community it is doing for you.

The saying you've probably heard several times, "God created all men equal," still holds true no matter how much more modern the world becomes.

Milford, Dover, and Greenwood were built up the same as Harrington. It's up to the people in a town to hold its name up and make it what it is.

Everyone should participate in their own town's organization, back up your fellowmen, and act like you're proud to be a part of it.

When the community is given a chance to advance—grasp it—don't turn it away. If you feel that there is lack of interest, do something about it besides complain.

Our land and life was given to us—lets give a little of our life to the land and all our life to our giver.

Asbury Seeks Repeat Pastorate For Mr. Gibson

A request has been forwarded by the Pastoral Relations Committee of Asbury Methodist Church to the Rev. Roy L. Tawes, superintendent of Dover District, Peninsula Conference, that the pastor, the Rev. Richard S. Gibson, be returned for another year with a substantial increase in salary. This invitation will be formally tendered at the Quarterly Conference of the church April 6.

The Rev. Gibson is completing his third year as pastor of Asbury Church and in that time the church has made more rapid growth in many lines. The trustees have certain improvements which may be made in the coming year to accommodate the expansion.

The Men's Class (called Bookers) of the church school has recently painted the interior of the Collins Building with voluntary labor under the leadership of Ernest W. Dean.

Century Club Notes

Mrs. Brinton Holloway and Mrs. John Pitlick Jr., combined their programs at the Harrington New Century Club last week to present a most interesting afternoon to members and their guests from the clubs of Smyrna and the Round Table Club of Wyoming-Camden. The topic for the afternoon was communications and hobbies and souvenirs.

Words of welcome to the visitors were given by Mrs. W. W. Shaw, president, who presided at the business meeting. She announced that Mrs. Thomas Clendingen needs volunteers to help with the Heart Fund Drive, which will take place Sun, Feb. 22. The program on communication

Friendship Dinner To Be Mon., Feb. 23

The 12th annual Friendship Dinner will be held in the Harrington High School, Mon., Feb. 23.

These friendship dinners were pioneered by Mrs. Earl Sylvester in 1947 when she was president of the Harrington New Century Club. In the beginning, three clubs participated; The Century Club, The Rotary Club, The Lions Club. In 1953 the Business and Professional Women joined in the Friendship Circle. It is hoped that as the dinner continues, other clubs will join the group.

The affair is usually held during Brotherhood Week in February, which seems a fitting time to have them, since the idea is to promote fellowship and friendship in the organizations of Harrington. Dr. Park Huntington, well known minister and philosopher, will give the address of the evening.

H.H.S. Cagers Lose To Greenwood, Win Over Felton

By Keith S. Burgess

Friday night on the Greenwood court the charges of Coach Dick Jeffers were defeated for the second straight time. The final score was Greenwood 57—Harrington 48. The contest was not as close as the score might indicate. The Foresters built a four point margin at halftime into a comfortable 16 point bulge at the end of three quarters. The locals were able to get within nine points of the Sussex Countians by employing a full court press and outscoring them 15-8 in the fourth quarter.

Don Garey and Bill Manship led the Harrington scoring with 17 and 13 points, respectively. Manship showed improvement in the rebound department. The H. H. S. four shooting was the best of the season. 16 were made in 24 attempts. Despite this, Greenwood outscored the Lions at the penalty line with 21 for 39. The overabundance of fouls caused some Harringtonians to remark that, in their opinion, the arbiters were "calling 'em a little close."

Harrington looked better than in the previous outing at Milford

EVANGELISTS

The Rev. and Mrs. H. L. Runkle of Ashley, O., are engaged for revival services at the Pilgrim Holiness Church, Greenwood, Feb. 18 - Mar. 1. The Rev. Runkle tells the story of God's grace that lifted him from the depths of sin, from "Prison to Pulpit." Services nightly 7:30; Sunday morning 11 a.m.

School Board Meets Citizens

The Board of Education met Thurs. Feb. 5, with a representative citizen's group to discuss the many problems facing our school.

Highlighted was the dramatic rise in school population. The best way to understand this is to compare the present graduating class of 35 students with average first-grade enrollment for the last several years which is averaging more than 90.

An interesting point made by former board member, T. Brinton Holloway, was that by rejecting the last referendum in Harrington, the taxpayers, in effect, paying state taxes to build better schools for other communities, while failing to grab their fair share of the available appropriations.

It was finally decided to invite local organizations to appoint an advisory committee to study the school's needs and come up with specific recommendations.

Kent Democrats Pick Derrickson To Lead Again

Vernon B. Derrickson was re-elected chairman of the Kent County Democratic Committee at its organization meeting in the Kent County Court House Tuesday night. He has been county chairman since 1948.

Mrs. Ann Walls, Maryland, was re-elected vice chairman, Max Terry, Dover, re-elected secretary and Walter A. Handsberry, Leipsic, re-elected treasurer. There were no contests for any of the offices.

Committeemen at large named are: Linden Doughten, Smyrna, first senatorial district; Charles G. Moore, Hartly, second senatorial district; William G. Bush III, Moore's Lake, third senatorial district; Norris Graham, Harrington, fourth senatorial district, and Charles Bostick, Felton, fifth senatorial district.

The advisory committee selected comprises: Richard Handsberry, first representative district; Harvey Opydyke, second; State Senator Allen J. Cook, third; Donald Carey, fourth; Mrs. Beatrice Hubbard, fifth; Edgar Kates, sixth; Frank Webb, seventh; William M. Paskey, eighth; Norris Graham, ninth, and Paynter Reynolds, 10th.

Members of the county committee were named at a primary election last month.

The meeting Tuesday night voted overwhelmingly against a proposal that members of the committee be elected at the regular pre-general election primaries instead of at a special primary in January.

A motion was approved calling upon a committee, appointed previously to revise the county committee rules, to make its report within 60 days after which Derrickson is to call a special

Watts-Holt Engagement

Mr. and Mrs. Richard E. Watts, 326 West Summit Avenue, Elm- their daughter, Lenna Lee, to Mr. Hurst, announce the engagement of their daughter, Lenna Lee, to Mr. and Mrs. Walter E. Holt, 144 Hazel Road, Dover.

Miss Watts is the daughter of the former Miss Alice Lee Richards of Harrington, and is the granddaughter of the late Mr. and Mrs. Enoch S. Richards.

Miss Watts, a graduate of Tower Hill School, is a junior at the University of Delaware.

Mr. Holt graduated from Dover High School and the University of Delaware, where he was a member of Delta Tau Delta fraternity. He is doing postgraduate work at the Art Center School in Los Angeles, Calif.

No wedding date has been set.

March of Dimes Drive Extended

The 1959 March of Dimes for Harrington, Farmington and vicinity has been extended to Feb. 20. Approximately \$1000 has been received to-date which is well under the \$1400 average for the last ten years. Of the \$1000 received to-date \$350 was contributed by three persons. If you have not contributed won't you please do so and be a part of this great cause in an effort to help the children who cannot help themselves? All contributions are deductible from both Federal and State Taxes.

School Has Many Fire Hazards, Says Fire Marshal's Report

An inspection of Harrington schools, by William R. Favinger, state fire marshal, accompanied by Chief C. D. Mills, of the Harrington Volunteer Fire Company, and Luther Hatfield, president of the Board of Education has revealed many fire hazards.

A letter from Favinger to J. C. Messner, superintendent of Harrington schools, included the following suggestions, express or implied:

1. Suggest electrical inspection of old building by Middle Department Inspector.
2. Install fire doors to stairways not so equipped. Also repair of existing doors so all will remain closed at all times.
3. Replace wooden door to boiler room with fire door.
4. General cleanup of boiler room.
5. Install proper extinguishers in boiler room as none was in evidence. (20-pound dry powder recommended)
6. Install emergency switch to boilers at entrance to room.
7. Gasoline mower stored in room in basement containing all types of inflammables. This room in cluttered condition and located between the exits from two basement classrooms.
8. Exit doors from basement classrooms to outside should open outward.
9. Store all inflammables in metal containers or cabinets.
10. Panic bars on doors from cafeteria difficult to operate. It took extra strain by Chief Mills to even open them.
11. Automotive shop a general fire hazard with heater standing in corner of room and not protected by fire resistive walls.
12. Not sufficient extinguishers in this shop.
13. I would definitely recommend immediate attention to the above as conditions are conducive to a possible tragedy in event fire occurred in this portion of building while school was in progress.

CITY COUNCIL APPROVES PAYMENT OF \$1000 FOR DUMP SITE

GUEST SPEAKER

Dr. John M. French Pre-Easter Services Begin Sunday Evening

The first in a series of six pre-Easter services sponsored by the Protestant Churches of Harrington will be held at Asbury Methodist Church this Sunday evening at 8 o'clock.

The guest speaker will be Dr. John M. French, superintendent of Salisbury District of the Methodist Church. "How Deep Shall I Drink?" will be the theme of Dr. French's sermon.

Dr. French is a well-known preacher throughout the peninsula, and a native of the Eastern Shore. He began his ministry at Cordova, Md., in 1934. He has served pastorates at Epworth, Wilmington, and New Castle, before becoming superintendent of Salisbury District in 1956. Dr. French was pastor of First Methodist Church, Denton, for 13 years.

Dr. French received his B.A. degree from Washington College, Chestertown, Md., M. A. degree from the University of Delaware, S.T.B. degree from Temple University School of Theology, Philadelphia, Pa., and D.D. degree from Washington College in 1951. Dr. French has been vice-president of Maryland and Delaware Council of Churches since 1953. He is a Mason (Knight Templar) and (Past Master) and a Rotarian.

These Union Services will be held each Sunday evening, Feb. 15 through March 22. Services will be held in a different church each Sunday evening at 8 o'clock. The churches participating in these services are: Asbury Methodist, St. Stephen's Episcopal, Pilgrim Holiness, Church of the Nazarene, Seventh-Day Adventist, and Trinity Methodist.

Well known clergymen representing these various denominations will be the guest speakers speaking on the general theme "Crisis in Our Time."

Members and friends of these churches are urged to attend each of these services. Watch your paper from week to week to see where the service will be held each week.

Ghana now has its own currency.

The City Council, at its regular February meeting Thursday night, Feb. 5, agreed to buy the Tobias Townsend property for a dump to replace the present one on U. S. 13.

The meeting was the first regular one, of 1959, for the new Council, and was the first regular meeting to be held on Thursday. Heretofore, the meeting night was the first Monday in the month.

The Council agreed to buy the dump site after it had been surveyed by Richardson Associates, of Dover, and after the Herman C. Brown, the City solicitor, had agreed it would be all right to make the purchase.

Total price was \$1000, for some 28 acres west of town. The next move will be to clear the land. The purchase of a new dump site has been in the making a couple years. It started after the Chamber of Commerce had mentioned that the present site was a detriment to the community. The Council then bought another tract, west of town, but did not use it as a dump when a protest was made.

Other business, The Council changed water rates, on broiler houses, from Commercial Exceptional Users, to Commercial (rate 1) at \$15 per quarter, after a complaint by Mark Warren.

Howard Perdue and Gary Harrington asked for the extension of a sewer main on Shaw Avenue, but no action was taken.

A letter was received, from the Business & Professional Women's Club, asking that a wooden ballot box, with lock, be used during municipal elections. The letter stated the usual ballot box was made of cardboard.

At the annual meeting of Kent County firement here, Jan. 21, several visitors were given tickets for illegal parking on Dorman Street. The fines have been paid by a local source.

The Council voted to pay \$4,802.36 to Tri-State Concrete, Seaford, as partial payment on the sewer being installed in Harrington Manor.

It also agreed to maintain the present Zoning Commission of William W. Shaw, William Humes, and William Minner.

The Council voted to borrow \$2500 from The First National Bank, and \$2500 from The Peoples Bank.

Jack Closser Heads Democratic Club

Jack Closser, of near Andrewville, was elected president of the Ninth District Democratic Club Friday night at a covered-dish supper at the American Legion Home.

Other officials elected were as follows: 1st vice president, Leon Donovan; 2nd vice president, Lawrence Price; secretary, Peggy Girardi; treasurer, Mrs. Jonathan Hopkins; directors, 1st Election District of the Ninth, Mrs. Kathryn Simpson, Norris Graham, Mrs. T. Brinton Holloway, John Minner, and Mrs. Jehu Camper; 2nd Election District of the Ninth Representative District, Mrs. James Wilson, Mrs. Kathryn Cannon, Mrs. Ruth Anne Messick, and Elwood Wright.

The Nominating Committee was composed as follows: Price, Graham, Ralph Tatman, Walter Voss, and Ernest Killen.

Mrs. Maude Hill, 79, of Harrington, and Edgar Smith, 73, of Felton, were awarded cakes for being the oldest persons present.

Mrs. James Wilson headed a committee in the charge of the supper.

Franklin Hendricks, outgoing president, announced before the election, he would like to see the post given to someone else, and thanked the members for their support.

Closser, the incoming president, has been active in the work of the club and of the Democratic party.

American Legion "Back to God" Month

The month of February has been set aside by the American Legion as "Back to God" month, in honor of the four chaplains of various faiths, who gave their lives so others might live in freedom, during the sinking of the troopship U.S.S. Dorchester in 1943.

The members of the C.K.R.T. Post 7 American Legion will attend services at the Trinity Methodist Church Feb. 15 at 11 a.m.

Micro-Midget News

The bank, on the backstretch of the Blue Hen Raceway south of town, will be moved, it was revealed Monday night at a meeting at which the president, Stanley Clark, presided.

John Porter, track caretaker, will do the work.

In other business, it was brought out that the State Highway Department will give the Micro-Midget Club all the old snow fence it needs.

It was decided to incorporate the club, with Clark, Bob Murray, and Clarence Billings being given the authority to sign the incorporation papers. Mr. Knapp explained incorporation and its cost.

The club agreed to have George Reed and Dickie Sapp get insurance for the club, and also agreed that all cars be on the track for inspection April 5, weather permitting.

The club agreed to buy paint so Jarrell Brothers could paint the concession stand.

National Guard Notes

Battery B 193rd AAA Bn (75 mm Gun) Del ARNG held its regular Monday night drill Feb. 9. The first hour of instruction was on the Code of Conduct, given by Lt. Leonard E. Greenly, assisted by Lt. Earle E. Worthington. SFC Grank D. Brandley and Lt. James H. Young gave a class on convoy control during the second hour.

At the last formation, 15 minutes of physical training was given by Lt. Young, this training is intended to improve physical fitness.

Thursday night the rifle team had a practice firing in preparation for the match next week.

Any young man, 17 years or older, ex-service men, are invited to visit the Army any day or on any drill night. Parents and any interested persons are also invited to visit the Army at any time.

BASKETBALL
Felton girls lose in last eight seconds to John M. Clayton 43-41. After leading almost the entire way the local girls bowed to a strong Clayton girls team which had only been beaten once this year and had a 10 game win streak. Evelyn Walters with 22 points and Josephine McCloskey with 13 points again furnished the scoring punch but both girls tired as the game concluded and the 4th quarter scoring was weak. The three guards played well but had some very good shots to guard against on the Clayton team.

Friday night the local girls will travel to Greenwood for a return game.
The girls record now is 5 wins and 3 losses. Two of the losses were by a combined total of 5 points which makes a very fine season this far.

Greenwood

The Greenwood Band Boosters Association, which has re-organized and is functioning again this year, wishes to announce that they are missing eight uniforms. They cannot account for this loss unless perhaps students having been graduated have failed through neglect to turn in their uniforms. The band is in need of these uniforms which represent quite an outlay of money, so let's help them to be recovered.

Miss Vickie Woodall was an overnight guest of Ellen Hatfield Tuesday. Sunday afternoon and evening Miss Linda Wilson was Ellen's guest and accompanied the Hatfields to Prime Hook Beach to visit Mr. and Mrs. J. Burton Case of Harrington who were spending the day at their beach home there.

Friday afternoon and evening, Ellen Hatfield was a guest of Linda Wilson and family for dinner and the basketball games.

Sunday after church, Mr. and Mrs. Lawrence Wilson and Mr. and Mrs. J. J. Sasser went to Onancock, Va., to enjoy dinner at the famous Taylor Restaurant there. Mr. and Mrs. Joe Dennis, Jr. and family were Sunday afternoon guests of Mr. and Mrs. Art Miller in Seaford.

The Parent-Teacher Association of the Greenwood School will hold its next meeting Monday evening, Feb. 16 at 8 o'clock in the Greenwood High School auditorium. The program is being planned by some of the students. The parents are urged to attend because at the last meeting a motion was presented to disband. This may be carried through if the parents do not show more interest.

John K. Dean

John K. Dean, 70, died at his home, near Andrewville, early Friday morning, Feb. 6. He had been sick for about two weeks.

He was born in New Jersey, the son of Samuel and Martha Myers Dean.

He moved here in 1935. Funeral services were held in the Holcombe Funeral Home, Flemington, N. J., Monday, Feb. 9, and interment was in Rosemont Cemetery, Rosemont, N. J.

He is survived by a sister, Miss Anne Dean, Trenton, N. J.; a brother, William Dean, and a son, Harry F. Dean, Long Island, N. Y. Arrangements were in charge of the Boyer Funeral Home, Harrington.

Mrs. Margaret T. Poore

Mrs. Margaret Thomas Poore, 79, died in the Milford Memorial Hospital, Wednesday night, Feb. 4, where she had been a patient since Monday night.

She was born near Farmington, the daughter of John Raymond and Mary Thomas.

She married Jacob Poore and lived near Farmington until his death in 1933, after which she moved to Harrington. For the past eight years she had resided with her son-in-law and daughter, Mr. and Mrs. Edgar Layton, No. 12 High Street, Harrington.

Funeral services were held at the Boyer Funeral Home, Harrington Saturday afternoon at 2 o'clock in charge of the Rev. Chester E. Wilcox, pastor of Trinity Methodist Church, Harrington, assisted by the Rev. William H. Miller, pastor of Pilgrim Holiness Church, Harrington.

Interment was in Hollywood Cemetery, Harrington.

She is survived by eight children, John Raymond Poore, Wilmington; Harry Poore, Elsmere; Mrs. Elizabeth Tracy, Milton; Mrs. Edna James, St. Louis, Mo.; Mrs. Lottie McGoldrick, Sharon Hill, Pa.; Mrs. Margaret Melvin, Harrington; Arlie Poore, Elsmere, and Mrs. Laura Belle Layton, Harrington; 16 grandchildren; 21 great-grandchildren; 4 great-great-grandchildren; two brothers, John and Herman Thomas, both of Milford, and a sister, Mrs. Fannie Palmer, Frederica.

Long Dry Spells Costly

Dairymen who let their cows stay dry for three or four months each year can expect to get 800 to 1000 pounds less milk according to George Vapaa, Kent County agent.

Of course, a dry period is important to a cow. It gives her time to rest, replenish her body reserve and grow the calf she is carrying. But six weeks to two months is plenty of time for all of these things, he says.

She breeders and cows with short lactation periods are the ones that usually stay dry too long, he adds. If possible, such cows should be taken out of the herd. Certainly heifers from these cows should not be kept for herd replacements, because such tendencies are inherited in many cases.

Dairymen will be well paid for the time they spend studying their records to find cows that stay dry too long. Locating such cows is easy for farmers who keep WADAM, OS or DHIA records. Call the county extension office, RFD#field 6-1448 for more information on these record-keeping programs.

Last Sunday evening Mrs. R. S. Gibson and nine members of her Cathedral Choir participated in the Church Music Festival held at Bethesda Methodist Church in Salisbury. This program marked the climax of the Church Music Institute held there Friday, Saturday and Sunday. This institute is held each year in the interest of better music in the local churches. Choir directors, organists and other interested persons attended classes under the direction of Dr. J. Edward Moyer, professor of music at Wesley Theological Seminary, Washington, D. C.

Zwaanendael Museum Notes

The Zwaanendael Museum will be open to visitors on Lincoln's and Washington's birthdays from 12:30 to 5:30 p.m., the regular holiday hours, it is announced by the curator, Mrs. Dorothy L. Givan.

The jewelry exhibit arranged early in December and the display of miniature china, a part of the Christmas exhibit, are being continued during February.

Although the weather has been severe, Mrs. Givan reports that many visitors have continued to stop at the museum. Also during the winter months many school children, generally the lower grades, and Brownie and Scout Troops are brought as units by their teachers or leaders as part of their introduction to Delaware History. These groups are always given special attention, including a directed tour of the museum with explanation about the exhibits of interest to their particular age group.

Among such units to visit recently have been Cub Scout and Brownie Troops from Milford, Georgetown and Lewes, the Lewes Kindergarten Class, a fourth grade from Bridgeville, a second grade from Lewes and a special education class from Milford. The staff of the museum is always pleased to receive them for their eagerness to see and learn is amazing.

The regular visiting hours at the museum are as follows: weekdays, Tuesdays through Saturdays, 10 a.m. to 5:30 p.m., Sundays and holidays, 12:30 to 5:30 p.m., closed on Mondays.

Biddy Basketball Bits

The Biddy Basketball League played a total of four games Saturday afternoon at the Harrington High School field house. The public is invited. Game time is 1 o'clock. No admission charged. The games are played two at a time on the cross-courts. The boys in the league are in the 9-13 age group. Several men of the community are giving up their Saturday afternoons to make this program possible.

A few more parents attended Saturday's games, as the boys continue to show improvement. Bill Minner's undefeated Warriors lead the league. Ted Layton's Hawks clung to second place despite an overtime 18-16 defeat by Jack Swain's Falcons.

Biscayne 4-Door Sedan shows the Fisher Body beauty of Chevrolet's lowest priced series for '59.

CHEVY'S NEW HI-THRIFT 6

More miles are back in a gallon of regular-grade gas—up to 10% more—and Chevy's new Hi-Thrift 6 engine puts them there. It also gives you more "git" in the speeds you drive the most.

Here's an engine that always seems able to coax extra miles out of a tank of regular-grade gas. In fact, if you're one of those drivers who keep tab on things like gas mileage, you'll soon see for yourself that this new Hi-Thrift 6 gets up to 10% more miles a gallon.

Another thing you'll like about this 135-h.p. 6 is the

extra pep it gives you for-passing and climbing hills. This is due to higher torque at normal speeds.

It may be hard to believe anything that looks and moves like this '59 Chevy can be such a stickler for economy. But—whether you pick the Hi-Thrift 6 or a vim-packed V8—this is just one more reason Chevy's the car that's wanted for all its worth. Stop by our dealer's and see.

The smart switch is to the '59 Chevy!

Bill to Limit Absentee Vote Offered House

The privilege of absentee voting would be limited to registered Delaware voters who are out of the state because of service in the armed forces of the nation or in the public service of the state under a bill introduced Monday in the House of Representatives.

The proposal, HB-116, presented by Rep. Edgar T. English (D-Greenwood) would change the present absentee voting law which also permits the use of absentee ballots by persons who are sick, physically disabled, or who are out of the state because of their business or occupation.

There were complaints after the last election of abuse of absentee voting rights, and some election officials believe the present provisions leave room for fraud. For one thing, there is no way of checking on those who say they will be away on business. Sometimes there is a suspicion the voter is really away on vacation and the law does not provide for absentee voting by vacationers.

In New Castle County, 562 absentee ballots were cast at the last election. Among the voters using them, 235 claimed they were ill, 146 said they were going to be away on business, another 146 were servicemen and their wives, and 34 were students. Election officials in Wilmington have pointed out that 23 women from a rest home in that city all used absentee ballots in the 1958 election, although they all went out to register in person in 1956. Not only that, but 22 out of the 23 voted Republican.

In Sussex County, 564 absentee ballots were cast at the last election, and there was talk that the number was large enough to indicate a loose situation.

It will be recalled that Mr. English, sponsor of the measure to limit absentee voting, was declared elected by a narrow margin when a court threw out 15 absentee ballots. Three other bills which would make changes in election arrangements were introduced Monday by Rep. Russell D. F. Dineen (D-Wilmington) who introduced a series of them earlier. One of the three, HB-103, provides that voters be registered in the offices of the Department of Elections in each county on from three to 14 days in election years, between Sept. 1 and the third Saturday in October.

At present, voters may register in their own election districts on three specified days. The bill would provide opportunities for registration at the offices of the departments in addition to the three days in the districts.

Another measure, HB-111, would permit the departments to select clerks and officers of election who do not reside in the election district to which they are assigned to work. They would have to reside in the same representative district, however.

In HB-108, Mr. Dineen proposed that the primary election law be changed to give the departments of elections authority to select the officers and clerks for primary elections. If the primary contest involves only one party in an election district, all the election officials would be of that party; otherwise they would be divided "equally as possible."

Tipsy Driver In Kent Jailed

A Viola man, arraigned for his ninth charge of operating a motor vehicle while under the influence of liquor, was committed to the Kent Correctional Institution for 270 days in default of fines for his latest tipsy driving offense, driving during revocation of his license, and failing to report an accident.

Ernest Hill, 51, the defendant, was arrested by state police Sunday when his car ran off the right side of Route 14, a mile west of Harrington, swerved to the left side and then into a ditch. He was uninjured.

State troopers said he had been arrested once in Maryland for drunken driving and seven times previously in Delaware on a similar charge. He had been acquitted once of the charge in this state and had been fined \$750 on one occasion and had served six months in default of that fine, they said.

Hill was arraigned before Magistrate L. Gooden Callaway of Harrington on his latest charges and was fined \$500 and 90 days with an additional 90 days in default of the fine on drunken driving charge, \$100 and costs of 60 days for driving during revocation and \$50 and costs or 30 days for failing to report the accident.

St. Stephen's Episcopal Church Notes

St. Stephen's Men's Club will meet Thurs., Feb. 19, at the Parish House.

A new church school instructor has been added to the teaching staff at St. Stephen's. Pupils and teachers are happy to welcome Mrs. Andrew Subashi, who will have charge of a sixth grade group of boys and girls.

The Rev. John R. Symonds, Jr., attended a clergy conference at Memorial House, Rehoboth, Monday and Tuesday of this week. Leader of the conference was the Rev. J. Keith Russell, Bishop of the Upper Nile, British East Africa.

Friends at St. Stephen's gave a surprise shower Tuesday evening, Feb. 3 in honor of Mrs. Gilden Jones. Many gifts were arranged on an attractively decorated table. After the honoree opened the packages, refreshments were served and games were enjoyed by the ladies.

The February meeting of St. Stephen's Women's Auxiliary will be Tuesday, the 17th, at 8 p.m. A member of the Denton auxiliary will be the guest speaker. She will give some interesting facts about the triennial convention of the Protestant Episcopal Church held at Miami, Fla., last fall.

Flowers on the altar Sunday were given to the glory of God and in loving memory of Margaret Bland, by Mr. and Mrs. Granville Hill.

The Kent-Sussex Devotional day was held at St. Paul's Church in Camden, Feb. 4, beginning at 10:30 a.m. Mesdames George Johnson, Earl McColley, Robert McNally, and Robert Nelson represented St. Stephen's at the meeting.

Holy Communion was celebrated by the Rev. Samuel Wysong of Camden and a meditation on prayer was given by the Rev. Paul A. Kellogg of Dover.

In the afternoon a meeting was held at St. Paul's Parish House. A farewell gift of luggage, was presented to the Rev. and Mrs. Paul Kellogg, who will leave Dover, after almost nineteen years in Delaware, for Puerto Rico.

Mr. Kellogg will be pastor of the English speaking congregation of the Cathedral of St. John the Baptist in San Juan, where there are both English and Spanish speaking communicants. His title will be Canon in Residence.

Mr. Kellogg has been rector of Christ Church, Dover, since 1940. Mrs. Kellogg has been president of the Diocesan Women's Auxiliary for the past three years. Many good wishes of their friends will give some interesting facts journey and in their new work.

The afternoon speaker at the Devotional Day meeting was the Rt. Rev. J. Keith Russell, Assistant Bishop of the Upper Nile, in Uganda. He gave interesting details about the life and work of the women in his area of the church.

Mrs. Robert McNally represented St. Stephen's at the annual Epiphany meeting held at Trinity Church, Wilmington, Jan. 29.

In the short business meeting the ladies adopted a budget for the year 1959. Mrs. Paul Kellogg turned the gavel over to Mrs. Eldridge Prettyman of Milford, who will fill the unexpired term of Mrs. Kellogg, as president of the Delaware Auxiliary.

"The Long Stride" was shown at this meeting; a film giving the highlights of areas in which the United Council of Church extends much-needed aid. Mrs. Kellogg was presented a gold cross from the Episcopal Women of Delaware, a gift usually bestowed upon outgoing presidents.

The sum of \$100 was given in memory of Mrs. Carol Colell, to be used in the field of migrant work.

The afternoon speaker was the Rev. Jones B. Shannon, author of the article "Religious Revolution on the Campus," which appeared in a recent issue of The Saturday Evening Post. His talk emphasized the need of more religious leaders on the campus.

Acolytes who served on Quinquagesima Sunday were Frank Welch, Charles McNally, Roy Porter, Billy Carter, Bobby Greer, Bill Thompson.

Acolytes who served on Theological Education Sunday were: Terry Porter, William McColley, Charles McNally, Roy Porter, Billy Carter, and Bill Thompson. An offering to help support the eleven seminaries of our church was presented on Sexagesima Sunday, Feb. 1. The offering from St. Stephen's was sent to the vicar's seminary at Alexandria, Va.

A "reservations racket" affected passengers wanting berths on Indian trains at Calcutta during the recent Pujā religious holidays. Scalpers bought up whole trainloads of berths for resale.

State-Owned Beach and Camp Lands Expected to Attract Larger Crowds

The state-owned beach and camp lands between Rehoboth and Indian River Bays and the Atlantic Ocean, used by an estimated 435,000 persons in 1958, are expected to attract even larger numbers of campers, picnickers, sun-bathers and fishermen in 1959 reports the Delaware State Development Department.

While the areas around Indian River Inlet and the "Delaware Dunes" have become increasingly popular each year, much of the anticipated increase in 1959 use is expected to result from a marked improvement in facilities. Another factor that should affect the popularity of the areas is the fact that, despite improvement of facilities, the 1958 rates are to remain in effect.

The State Highway Department, which administers the areas, has established the "season" to include the period May 23 to September 13.

They Key Box Road tenting area, lying between Delaware Rte. 14 and the ocean, is being increased in size and will eventually provide 230 tenting spaces, more than double that of previous years. Inasmuch as camping at the Indian River Inlet tenting area, south of the Inlet and east of Indian River Bay, is to be restricted to rentals of one month or longer, the Key Box Road area will be the only state-owned beach area where weekend or single day camping will be permitted.

Camping rates for 1959 are as follows: \$2 per day; \$12 per week; \$40 per month and \$100 per season. Otto Zacharias, of Lewes, will again serve as manager for the state-operated beach and Camp areas. An office for rentals and the providing of information, will be maintained on Key Box Road.

Sanitary facilities will consist of daily-serviced chemical toilets at the two tenting areas and at the Indian River Inlet trailer park. The trailer park, incidentally, will open May 1 and continue to be used through September 30.

Concessions, offering food, soft drinks, ice and bait, will be operated in the various areas under lease from the Highway Department. Concession stands on public lands at Dewey Beach will be operated by the Dewey Beach Lions Club as a civic and group project under a special agreement between the service club and the Highway Department.

Recommended Soybean Varieties

It's about the time of the year when farmers start to get anxious to get the plow out and get the growing season underway. It is the same urge that home gardeners have about getting out into the garden only it is on a little bigger scale.

For the farmer that is starting to figure what he is going to plant, Frank Springer, agronomist with the University of Delaware, has some information and suggestions about soybeans.

For last season beans, Springer recommends the new Hood variety as his first choice with Ogden second. Hood is available in limited quantities and you should order early if you want to try it, Springer says.

Hood is a yellow bean and yields slightly higher than Ogden, six percent higher in Delaware tests over the last five years.

Both these varieties are for use south from Harrington.

Of the early season beans, Springer picks Clark as the first choice with Wabash second. Clark is the highest yielding variety in the state and is also the most popular.

Quality has been poor when Clark is planted before June 15, Springer said. For both quality and high yields Clark should be planted before June 25 and after June 15.

Wabash is a good early maturing bean and can be planted earlier than Clark. It can be planted as soon as June 1st and still maintain good quality.

Springer said soil tests should be taken and fertilizer recommendations based on the tests. If the soil test shows the need for lime it can make an important difference in yield as soybeans respond well to lime applications. The soil pH should be at least 6.0.

For farmers who can not take the time to test their soil an application of 30 pounds of an 0-20-20 fertilizer should be applied per acre.

Springer added that it is always wise to inoculate your soybean seed with a standard inoculant.

4-H to Open In Washington

The National 4-H Center in Washington, D. C. will open officially June 16, according to an announcement by the Board of Trustees of the National 4-H Club Foundation.

State 4-H Club leader Sam Gwin, said a formal dedication ceremony will open the Center on the date set, whether construction of the center is finished or not. The dedication ceremony will be co-ordinated with the National 4-H Conference held in Washington at the same time.

Funds for the purchase and development of the center were donated by business groups, 4-H Club members and other friends of 4-H. The center was purchased Feb. 9, 1951 for approximately \$375,000, and is now being remodeled for a cost of nearly \$850,000.

When construction is completed, Gwin said the center will serve as a working monument to the 4-H movement and a leadership and citizenship training center for 4-H members everywhere.

The National 4-H Foundation was created by the extension service in 1948 as a private educational body to: 1) Plan, conduct and handle funds for programs of international education such as the International Farm Youth Exchange; 2) Acquire and develop a National 4-H Center, and arrange for and provide opportunity at the Center for training of individuals in educational programs; 3) Provide fellowships and scholarships for professional improvement of Extension workers.

Poultrymen Plan For Festival

Kent County poultrymen will meet to begin plans for the Delaware Chicken Festival Thurs., Feb. 19, according to Ed Laramore, of Wyoming, the vice president of the Delaware Poultry Improvement Association. The meeting will be held in the small cafeteria at the Caesar Rodney School starting at 8 p.m.

Poultry promotional activities will reach a peak during the June festival and all producers are urged to take part.

The meeting will also be concerned with growing and marketing problems as the growers may wish to discuss them, he adds. There will be a rundown of tours and other events scheduled for broiler, egg and turkey producers. The Junior Broiler growing project is also to be continued in 1959. Kent County youngsters have been winning a fair share of the top prizes.

Meeting plans also call for light refreshments and a film. Everyone with an interest in the poultry industry is invited to attend, conclude Mr. Laramore.

The Keeper of The Records

Who pays the bills in your family? asks Miss Patricia Middleton, home management specialist with the agricultural extension service at the University of Delaware. Not, "Who earns the money to pay the bills," but who actually sees to it that the check or money order or cash gets to the bank or landlord, the insurance company and the department or drug store, when it is due?

In many homes, Miss Middleton says, it is the wife who keeps track of the due-dates for payments of all kinds of periodic family bills nowadays, just as she is solely or largely responsible for the day in, day out spending for food and a dozen other family expenses.

Along with these responsibilities, the wife in many families is the keeper of many records. It is she who files bills, receipts, cancelled checks and other evidence of mainly financial transactions, whether she keeps them all in one special drawer or puts them carefully in one or more marked folders or envelopes.

If she does her job efficiently, she has reason to preen a little at income tax time. For it is then that she can produce the all-important documentation that will back up legitimate deduction claims when she and her husband sit down with their tax return forms.

Doing her share of the all-around job of managing family money comes naturally to many women these days, Miss Middleton said.

More girls than ever before are learning about family money management in high school and college courses, for one thing. And more girls are getting practical money management experience both through living on their own when they go to work, and through handling business records on the job.

But whatever her previous experience—or lack of it—here's one angle every wife should consider: in addition to sharing in major financial decisions affecting the family, by handling details of the family's ordinary finances a wife can save her hard-working husband time and energy every week and every month—and perhaps make a more relaxed and even healthier man of him!

Wool Promotion Will Continue

Kent County wool and lamb producers will help carry out sales promotion and advertising programs for wool through deductions from payments for the 1958-59 wool marketing year, according to county agent George Vapaa.

The program comes under the National Wool Act, and is carried out under an agreement between the Secretary of Agriculture and the American Sheep Producers Council. The current program of deduction to finance sales promotion was approved by more than a two-thirds majority vote in a referendum held in 1955.

Mr. Vapaa says rates of deduction will continue at one cent per pound from unshorn wool payments and five cents per 100 pounds of live weights from unshorn lamb payments. These are the same as the rates during the past three years.

The wool incentive payment program as originally authorized was to run for four years through March 31, 1959, and the 1955 referendum covered those four years.

The National Wool Act of 1954 was extended last summer by the Agricultural Act of 1958 for three more years beginning with the 1959 marketing year and through the 1961 marketing year which ends March 31, 1962.

A producer referendum will be held in the fall of 1959 to determine producer approval or disapproval of continued financing of the program by deductions from their wool payments for three more years.

Only Unshorn Lambs Eligible for Wool Program Payments

Lamb producers should keep in mind that only unshorn lambs will be eligible for lamb payments under the wool program, R. Harry Wilson, chairman of the Kent Agricultural Stabilization and Conservation County Committee, at Dover, advised today.

The program, which was set up under the National Wool Act, provides incentive payments on unshorn lambs made on per-hundred-weight basis. The payment is calculated on the basis of the shorn wool incentive payment, the average weight of wool per hundred pounds of lamb, and the value of lamb wool in relation to shorn wool.

Payments on lambs sold between April 1, 1958 and March 31, 1959 will be made this summer when the average yearly prices received by growers can be determined. Lambs sold after March 31, 1959 will be eligible for payment under the 1959 program which runs from April 1, 1959 through March 31, 1960.

Chairman Wilson explained that the lamb payment is made under the wool program in order to encourage the normal marketing of lambs with the wool on. Without this payment, there might be unusual shearing of lambs in order to obtain the incentive pay-

ment on shorn wool. Lamb producers are urged to keep full sales contracts and other records pertaining to the purchase and sale of unshorn lambs, since these records are required in the application for payment.

Delaware Has Increase in Flyers Says Del. State Development Department

More and more Delawareans are taking to the air according to the Delaware State Development Department.

Basing its findings on recently published reports of the Civil Aeronautics Administration, U. S. Department of Commerce, the Development Department points out that the number of active privately owned airplanes in Delaware increased from 189 to 219 last year and the number of licensed pilots resident in the state jumped to a 1691 total.

Much of the increase in number of privately owned planes and in licensed pilots is attributed to the fact that Delaware now has 19 airports, eleven of which are open to the public. A \$437,000 building program—\$221,000 of which is from Federal funds—is reported underway at the state's airports.

Two of the state's airfields have runways over 7000 feet long, capable of handling the largest planes, and three other have runways more than 3000 feet long, advises the Development Department.

Bill Asks Bonds Of \$10,000,000 For Dirt Roads

The Senate Monday received a bill which would authorize the sale of \$10,000,000 worth of state bonds to finance further hard-surfacing of dirt roads.

Four years ago, at the request of the State Highway Department, the state appropriated \$10,000,000 for the resurfacing program and last September, Richard A. Haber, chief engineer, announced that the funds would be exhausted by next June.

By that time, Haber said, a total of 650.28 miles or roads, mostly in Kent and Sussex Counties, will have been surfaced.

Senator Harry E. Mayhew (D-Milford), one of the bill's four sponsors, pointed out that as a bond issue this one will not provide an immediate tax burden for the state. Other sponsors are Senators Curtis W. Steen (D-Dagsboro), Jesse F. Watson (D-Townsend), Lemuel E. Hickman (D-Frankford), and Harvey B. Spicer (R-Georgetown).

The bill would provide that the bonds be issued over a three-year period, and that the bonds sold in any one year should not exceed \$3,500,000.

Five proposed constitutional amendments relating to the judiciary were handed up by Senator John E. Reilly, Sr. (D-Wilmington), with the co-sponsorship of Senator James H. Snowden (R-Wilmington).

One (SB-29) would allow the General Assembly to provide that civil cases involving less than \$1500 exclusive of interests and costs shall be heard without a jury.

Senator Reilly explained that this is first to avoid undue court congestion. The second reason, he said, is economic. A jury trial entails a \$600 expense to the county, and claims not in excess of \$1500 "may not warrant an expense in excess of the real value of the claim."

The second (SB-30) would amend Article IV, Section 2, to provide that there shall be "seven other state judges" rather than "six" in addition to the three Supreme Court Justices. This amendment, Reilly explained, "does no more than reflect the actual situation since . . . the General Assembly may already provide such additional vice chancellors as the General Assembly may see fit."

The third, (SB-31) would amend Article IV, Section 3, to require the Governor to give the president of the Senate 10 day's notice before submitting any name for confirmation as a state judge, notifying him who the appointee will be. Reilly explained that this was to maintain the political balance. "The amendment is geared to the previous amendment to reflect any additional judges appointed pursuant (thereto)."

The fourth (SB-32) would amend Article IV, Section 6, would provide that Superior Court judges act as board of canvass in general elections. The constitution now provides that the Chief Justice of the state shall

provide this service, but since the enactment of a separate Supreme Court the Superior Court judges have handled this job.

The last, (SB-33) strikes out references to capital punishment, since there is no capital punishment under the laws of the state.

Senator Watson introduced a bill (SB-27) which would amend the laws relating to absentee registration and voting of members of the armed forces and others.

The bill is sponsored by the Department of Defense, which is trying to get state to make absentee voting regulations uniform across the country.

The major change in the law for Delaware is that it would include "civilian employees of the United States serving with the Armed Forces of the United States . . ." among those eligible for absentee registration, and makes certain procedural changes to effect the required uniformity.

Senator Wilmer F. Williams (R-Roselle) introduced a resolution commending the observance of the week of Feb. 12-19 as National Defense Week, sponsored by the Reserve Officers Association of the United States. The resolution (SCR-6) was approved without dissent.

Before Monday's Senate session convened, Senator Reilly let it be known that he intends to introduce a bill to repeal the legislation passed in the last session, abolishing the death penalty.

He said he supported the position taken last Thursday night by the directors of the Delaware Association of Police.

"Our courts have always tempered justice with mercy and the fact that the death penalty exists as final judgment will not change the approach of our courts to justice."

The DAF action, and Reilly's announcement, were triggered by the fatal stabbing of a four-year-old boy in Wilmington's Warner Theatre last Thursday.

Politics reared its head Monday at the outset of the Senate session, when a Republican sharply criticized a Democratic state employe for using state facilities to further her party goals.

Shortly after the Senate convened at 1:30 p.m., Senator Walton H. Simpson (R-Camden) read a statement in which he accused Mrs. Hattie Tarburton, an employe of the Motor Vehicle Division, of using a State House telephone for a strictly party matter.

Senator Simpson said: "I should like to read an advertisement that appeared in the local paper last week.

"The Kent County Women's Democratic Club will hold a bake sale on Saturday, beginning at 9 a.m., in the Acme Market of the Du Pont Highway, Mrs. Hattie Tarburton, chairman, has announced . . . Anyone in the Dover area who wishes to contribute baked goods or money may contact Mrs. Tarburton, REfield 4-5711."

"Does it seem right that a person on the state payroll should on state time be working directly for the Democratic Party?"

"How far will the Democrats go in misuse of office to further their party goals at the expense of the taxpayers? Is this the good

management and business-like approach to the affairs of the state of Delaware that the Democrats promised just prior to the November elections?

"On this floor a couple of weeks ago, the statement was made 'To the victors belong the spoils.' Are things beginning to spoil? Aren't things beginning to smell just a little when our State House number is used so brazenly by a Democrat Party official for strictly party business?"

There was no reaction from Democratic senators.

The Senate also passed Senate Joint Resolution 4, opposing an increase in federal gasoline tax, with 13 yeas, Senator Simpson voting no; Senators Harvey W. Spicer (R-Georgetown) and Curtis W. Steen (D-Dagsboro) not voting. Senator Calvin R. McCullough (D-Holloway Terrace) was absent.

QUESTIONS AND ANSWERS

Q—I received my discharge nearly three years ago, at which time I was eligible for complete separation. Instead, I re-enlisted immediately. It's almost time for my second discharge. I realize if I have to use my earlier discharge as the base date, my three-year deadline for starting GI training will be over when I come out. Can I use my second discharge as the base from which to figure my training deadline?

A—No. Since you were eligible for complete separation at the time of your earlier discharge, you might have stayed out of service, your three years in which to start training must be based on that separation—not the one you are expecting.

Q—I understand I can make extra payments on my GI loan without having to pay a penalty charge. Suppose I do, and later on find I am hard-pressed for money.

Could the extra money I had paid in be used for current payments?

A—If your lender agrees, yes. Extra principal already paid may in that case be re-applied to regular payments in order to prevent the loan from going into default.

Q—Does VA grant pensions based solely on age to veterans of World Wars I and II, or the Korea conflict?

A—No. Age alone is not a sufficient reason for pension. Pensions generally may be paid to war veterans, permanently disabled from non-service-connected causes, whose incomes do not exceed \$1400 if single, or \$2700 if married or with a minor child.

Kent Home Doings

Study the undercover secrets before you buy an innerspring mattress, says Florence Y. Smith county home demonstration agent in Kent county.

Every innerspring mattress has a coil spring unit covered with a protective layer if sisal or felted cotton and is padded with felted cotton. But each manufacturer has his own construction methods for better quality and less expensive mattresses.

Look for natural resiliency as you shop for various price ranges. Resiliency is need in the steel of the coils, in the steel bands and helical springs which join coils in some units, and in the padding.

Remember, you are expecting the mattress to support considerable weight for eight hours a day over a period of years.

Examine the padding and pro-

ing compensation for a service-connected disability. Is there any limit on what I can earn and still get my compensation payments? A—There is no limit. Regardless of your earnings, your service-connected compensation is not affected and will not be reduced. Ceilings on income apply only to pensions, paid to veterans for total and permanent nonservice-connected disabilities.

A—No. Age alone is not a sufficient reason for pension. Pensions generally may be paid to war veterans, permanently disabled from non-service-connected causes, whose incomes do not exceed \$1400 if single, or \$2700 if married or with a minor child.

House Passes Bill to Elect School Boards in County

The bill to make all school boards outside Wilmington elective rather than appointive—as some in New Castle County are at present—was passed by the House of Representatives Monday after the most spirited debate of the present session.

The vote for the bill was 26, with one Republican—Rep. Harvey P. Fifer of Rising Sun—joining the 25 Democrats present. Two Republicans voted no. Two were recorded as not voting. Two answered present. One Democrat was absent.

The bill—HB-79—does not affect Wilmington. It is expected that a separate bill will be forthcoming to change the method of selecting the Wilmington school board. All school boards in Kent and Sussex Counties are elective, as are a few in New Castle County.

The bill would make them all elective, but appointed members already in office would serve out their terms. It was introduced by Rep. Chester Gove, (D-Townsend), and co-sponsored by Rep. F. Earl McGinnes (D-Forest Brook Glen).

Fight on Passage

The fight on passage of the bill was centered on a move by Rep. Margaret R. Manning (R-Marsheλλον) to have action deferred pending preparation of a bill to give the voters of each school district a choice, by means of a referendum, on whether they want their school board elective or appointive.

The Democratic majority quickly dispensed with Mrs. Manning's motion to defer by tabling it on a voice vote, but the debate continued. "All we are asking," she said, "is time to present a bill to allow free choice in each district." Mr. McGinnes thought the question a fundamental one to be decided by the legislators and that people should not have to go through a referendum to get the right to have an elective school board.

He read a school publication which reported Judge Andrew D. Christie, who appoints school board members, said New Castle County may be the only county in the nation where school officials are appointed by an official who is himself appointed.

"Let the people in the district choose," urged Rep. Harry G. Lawson (R-Wilmington).

Mr. McGinnes Monday displayed a report noting that school boards in New Castle County, except for Wilmington, Claymont, New Castle, Rose Hill-Minquandale and Middletown, are appointed. In the case of special school districts and Wilmington, the law requires that not more than half the members be of the same political party. Mr. McGinnes said this bi-partisan approach has been ignored in the appointments in state board units. He showed that in 88 appointments in 20 districts, there are 47 Republican school board members, 17 Democrats and 24 "declines." Eight districts have no board members registered as Democrats.

The bill was one of three passed by the House which Monday received 14 new bills, one substitute, and one concurrent resolution. One of the other two bills passed was HB-37, which eliminates the requirement that a school election be held if only one candidate has filed. This will save several thousands of dollars in unnecessary election ex-

Caesar Rodney School Notes

Caesar Rodney Honor Society Holds Honors Day
Recently the Honor Society of Caesar Rodney School observed Honors Day, a day to honor those students in grades seven to 12 who obtained a 90.0 average for the first semester of the school year.

The students were pinned with an honor identification by the members of the National Honor Society.

Those students who wore honors for the day were:

Grade 12—Wayne Callaway, Gladys Cameron, Mary Jo Cuthrell, Joyce Darling, Eileen Errera, Eugene Grace, Naomi Killen, Jack Murray, Clem Noble, Marjorie Papen, John Parker, Doris Plumm, Patricia Rutter.

Grade 11—Carole Analore, Marilyn Bickling, Gloria Donato, Margerie Fortney, Carolyn Tibber, Peggy Holland, Carol Patlan, Betty Pugh, Thomas Potter, Marilyn Wild.

After years of effort, foreign trout are being acclimatized in the mountain streams of New Guinea, Port Moresby learns. The Highlands people hope to attract anglers from overseas as tourists.

Mr. Fifer handed up HB-110, which would require every school district to install a flashing red light within 150 feet of each roadway entrance to the school building. The light would be required to be in operation when the school building is occupied by the pupils.

Mr. Fifer also introduced HB-109, labeled as a bill to increase the penalty for putting trash, rubbish or garbage within 100 feet of a public highway. Act on the penalty, making it not less than \$50 nor more than \$250 for each violation. The present law makes the penalty not less than \$50 for each violation and makes each day a separate violation.

Mr. Tribbitt and Mr. King introduced HB-114, which would redefine "dependent" under the income tax law to include anyone under 26 regularly attending an institution of education.

In HB-107, introduced by Rep. William E. Graves (D-Georgetown) any person arrested would be granted the right to contact an attorney or a relative within 30 minutes of first being detained or arrested.

A substitute bill was brought in Monday by Mr. Latina for HB-36, on leaves of absence for school employees elected to the General Assembly. The substitute merely specifies that the employee must be granted "such leave of absence without pay as is reasonable and necessary to perform his duties in the General Assembly." The original added that one-twentieth of the monthly salary was to be deducted for each day of leave taken, provided that the total deduction did not exceed the salary of a mem-

Farmer Advisors Named For Kent County

Twenty-five Kent County farmers are serving as advisory committee members for the Delaware Crop Improvement Association during 1959, says George Fischer, vice-president. These people help plan the program of the organization and will assist in promoting the activities during the season.

Delaware Food Market Report

By Anne Holberton
Agricultural Extension Service,
University of Delaware

With the Lenten season here, it is good to know the cold-storage holdings of fish products are at a much higher level than they have been for the past several months. It is reported there are especially big supplies of halibut, ocean perch, salmon and shrimp on hand as well as a good supply of fresh crabmeat, fish sticks and oysters.

Flocks of chickens are bigger than they were last year, and hens are laying heavily right now. Result: lots of eggs, and more coming! This certainly is a welcome break for the food budget, because egg prices are still sliding. Grade A large eggs have dropped to 53 cents a dozen (average). According to a report from the Poultry and Egg National Board, two eggs supply as much as thirty percent of the essential daily nutrients for adults.

Eggs are a "Best Buy" nutritionally as well as price-wise, so find new ways to serve eggs often.

Vegetable supplies are better this week, and prices are beginning to settle down. Quality has

certainly improved on such vegetables as cauliflower, broccoli, snap beans and loose tomatoes. Cabbage is back down in price. Carrots and egg plant seem to be the only vegetables that are up in price.

The meat picture is about as it was last week. Pork and lamb remain in big supply and prices are more reasonable on these meats. Chicken has dropped again in price and is on the best buy list. More high quality beef will be appearing as local markets during the next month. Also, prices will be a bit lower, but "special" will remain the best way to buy beef economically.

Many new foods and new ideas are appearing on grocery shelves. Have you seen the new bottled blackberry syrup that is made from fresh berries and put up in North Carolina? This syrup is designed for pancakes and waffles but is equally good on ice cream.

There is a new chicken stock base which is a fine grained powder that dissolves instantly in hot or cold water now available. This is a natural to have on your pantry shelf to make soups, gravies, soups and the like.

Keep your eyes peeled for a new taste treat: turkey sausage—and for a new canned fish product: tuna frankfurters. These two new products may be served

in a bun or sliced or chopped for salads and casseroles, or ground for sandwich spreads.

More and more Italian type cheeses such as mozzarella, ricotta and provolone are being made in

America. Their increasing availability is putting them among our most popular foods.

Trinity Methodist Church Notes

The World Day of Prayer is observed Friday evening at 7:30, in Asbury, by all the co-operating churches. Trinity is among them. The program is in charge of Mrs. Floyd Nasser.

Trinity Intermediate MYF will meet Sunday at 6. This group is composed of young people 11 through 14. The leader is Mrs. Jack Redden, assisted by Mrs. Randall Knox Jr., and Frances M. Wilcox. This represents a change in time, so remember—Sunday at 6 p.m.

The annual Lenten Communion will be held at Avenue Methodist Church in Milford, at 7 a.m. Sunday, followed by breakfast served by the Methodist Men, at 8.

Sunday School at 10. We expect the American Legion members to attend Trinity Church morning worship at 11 this Sunday. This is also the first Sunday in Lent. The Senior Choir sings an anthem, "Ave Verum", by Mozart, and a quartet sings, "A Brotherhood Hymn". This quartet is composed of Miss Shirley Kates, Miss Kaye Moore, Mr. Brobst, and Mr. Knox, accompanied by Mrs. Arnold Gilstad. Prelude on the organ by Mr. Brobst, "I Come to Thee" and postlude "Under Christ's Banner." The pastor preaches on "Dedication—To What".

There will be no evening service at Trinity, but all are urged to attend the Union Pre-Easter service, held Feb. 15 at 8 p.m. in Asbury. The speaker is superintendent of the Salisbury District of the Methodist Church, Dr. J. E. French.

Monday, 10 a.m., weekly W.S.C.S. prayer meeting, led by Mrs. John Walls.

Thursday, choir rehearsals: Junior at 6:45 and Senior at 8 p.m.

To welcome you at the church door next Sunday will be Mrs. William Nichols and Mrs. Wilbur Jacobs. Flowers for the church altar are given by Mrs. Katie Boyer.

The O.U.R. class met at the parsonage last Tuesday evening and among other things are planning a covered dish supper to be held Saturday, Feb. 28, at 6:30. Bring a covered dish and a donation of 50 cents.

THE VENISON DINNER at Asbury Church last week, sponsored by the Booster Class of men as a fellowship get-together for the entire membership, was the sixth and largest since its inauguration in 1952. Some 175 persons partook of the sumptuous repast which consisted of some 35 covered dishes, in addition to the venison and baked ham. W. Cliff Miller furnished the venison, which was cooked by his wife. Entertainment was furnished by Alexander-Dean's-Tin-Pan-Band of musical saboteurs who put on a half-hour of numbers which met with much applause. This outfit, organized for its own amusement, has attracted outside interest. It recently put on its skit for the benefit of the State Welfare Home at Smyrna, and has an engagement next month at Milford. In the band are, (left to right): E. W. Dean, W. Cliff Miller, Tommy Clarke, The Rev. Richard Gibson, Albert Price, and Samuel A. Short Jr.

Coach Dick Jeffers' Harrington High basketball team got back in the plus column at Felton Tuesday night winning 64-59.

This was another of those sea-saw battle, that keep the fans in a lather all the way. Coach Jeffers' Lions seldom win by much as evidenced by the fact that H.H.S. has scored only seven points more this year than the combined opposition. Nevertheless, a winning season is virtually in the bag, as their record now stands at 8 wins and 3 losses with 7 more to play. Not since 1942 has a local team done so well.

The score at Felton was tied at 59-all with 90 seconds to play when Phil Holson was fouled. Phil made the first one. Bill Manship tipped in the missed second try for two more points putting the game on ice.

Manship finally came through in the fashion everyone knew he was capable of, as he canned 24 points, the year's high for the team.

Don Garey continuing to play good ball was next with 17, of which 12 came in the 4th quarter. Holson played one of his better games and contributed 11 markers. John Taylor, K. P. Outten and Jack Porter were credited by Jeffers as having played an important part in the triumph. The local Jayvees lost 38-26. Sam Minner was high with 15 points for Harrington.

The Lions take the court next against Delmar Tuesday night here.

other localities in obtaining the benefits derived from the funds thus obtained.

A few of the many accomplishments are:

1. A cardiac camp, Fairlee Manor, has been established near Chestertown especially for children suffering from heart disease.
2. As much as forty pints of blood have been obtained for one surgical patient by your Heart Association.
3. The association is supporting Dr. Ottaker Pollak in new heart disease research at the Kent General Hospital.
4. Oxygen and wheel chairs have been provided where urgently needed.
5. Literature and pamphlets have been provided for education in heart diseases.
6. Visual aids and films have been provided for nurses training.
7. Surgical treatment has been provided for the indigent.
8. A cardiac rehabilitation program has been started this year with the object of preparing cardiac patients for return to gainful employment as early as possible.

Your heart dollar has been well spent in Delaware during the past ten years. In order to continue this great work and increase productive research at least \$100,000 is needed by the Delaware Heart Association this year.

Please help your heart fund to help your heart. Sunday, Feb. 22, 1 p.m.

Jack and Bean Stalk Had Nothing On Stanley Hearn

Jack and his giant bean stalk had nothing on Stanley Hearn, 15, of Laurel, when it comes to growing vegetables.

For his outstanding garden endeavors and fine produce, Hearn was chosen 1958 state winner in the 4-H Garden program. His award was a trip to the National 4-H Club Congress in Chicago.

The Laurel High School sophomore has carried garden projects three of his six years in 4-H work. He won 12 blue ribbons for garden produce, and a medal for vegetable judging at the Kent and Sussex-County Fair. His vegetable judging also won Hearn a scholarship to the 4-H Short Course in 1956.

The Allis-Chalmers Manufacturing Co. was donor of his award.

tions was most interesting with several of the women trying their talent at broadcasting the news, weather and fashion. The tape recordings of their efforts were then played back to their delighted listeners. Those who broadcast were: Mrs. Shaw, Mrs. Earl Field and Mrs. William Draper, of the Round Table Club; Mrs. Charles Peck Jr., Mrs. Ridgely W. Vane, and Mrs. Ernest Raughley, of Harrington. Mrs. Holloway then introduced Herbert Griffith, owner of the radio station W.K.S.B. in Milford. He spoke of the interesting phases of the work and in turn presented Borden Smith, program director at the station. Mr. Smith complimented the club members on the fine work that they are doing in many projects they they undertake each year. He also said that radio definitely has its place in the home as a source of entertainment and information to the busy housewife who does not find the time to sit down to read or watch TV. Mrs. Borden Smith, chairman of communications of the Milford New Century Club was a guest also.

The lovely display of hobbies and souvenirs included salt cellars, cruets, Hummel figurines, examples of Chinese, Mexican and Japanese work, vases and horsers.

A beautifully appointed tea table was the center of attraction during the social hour which followed.

The next meeting will be held March 3 with Mrs. William Simpson presenting the program on Conservation. The Feb. 17 meeting will not be held because of the nearness of the Friendship Dinner which will be held Feb. 23 at 6:30 in the high school.

Club members will be interested in the fact that Edward R. Murrow will visit the General Federation of Club Women President, Mrs. Chole Gifford on his "Person to Person" show Friday evening, Feb. 20.

The plans as submitted by Lawrence Jarrell, building committee chairman, call for a two-story cement block building with a brick veneer front to match the existing architecture of the church.

The lower floor will contain a fellowship hall with a kitchen and pantry. The upper floor which will be on the same level as the floor of the present church sanctuary will contain classrooms with folding curtains, a stage, cloak room, lavatories, and a pastors study. The building will be 80 feet by 32 feet. Walton Simpson, contractor of Camden, will be in charge of construction.

March 31 a general visitation census will begin in the community at which time pledges will be sought toward the building program. Construction is expected to begin in the spring.
