

ROTARY CLUB BEAUTY CONTEST BEGINS TO RECEIVE ENTRIES

The Harrington Rotary Club has planned its annual beauty contest for May 12 in the field house of the Harrington School. This is the only fund-raising campaign sponsored by the Rotarians and all profits are used for community betterment.

A few days prior to May 12, 2000 programs will be distributed in the area. These will carry a picture of each of the former "Miss Harringtons", the names of the 1960 contestants in the order of their appearance and advertisements by local merchants.

At this time, young girls who have entered the contest are: Joann Dora Cornish, daughter of Mr. and Mrs. Willard Cornish; Patricia Ann Hackett, daughter of Mr. and Mrs. Elbert Hackett; Bonnie Lee Dickerson, daughter of Mr. and Mrs. Oscar Dickerson; and Jane Lynn Hughes, daughter of Mr. and Mrs. Benjamin Hughes Jr.

In conjunction with the Miss Harrington pageant, a "Little Miss Contest" will be held. This contest is open to all girls three years of age and not yet attending school. Contestants must be residents of the area for six months and will appear in party dress and play suits. Any juniors interested in this contest should contact Rotarian James D. Moore. The winner of the Miss Harrington project will receive valuable prizes from the local Rotary Club and will represent Harrington at the annual chicken Festival in Selbyville in June.

Harness Racing For 120 Days Gets House OK

A bill to permit 120 days of harness racing in Delaware was rushed through the House of Representatives Tuesday.

The measure, HB-540, would authorize 40 days of racing in each county. All or any part of the 40 days allotted to Kent and those allotted to Sussex could be assigned for use in New Castle County with the approval of the Harness Racing Commission.

At the present time, 80 days are permitted, with 20 assigned to New Castle, 40 to Kent and 20 to Sussex, and both the New Castle and Sussex days were raced last year at Brandywine Raceway. The Kent County harness racing days, which have been raced at Harrington, were doubled in a law signed last September (HB-403). The other two counties would have the same racing period at Kent under the new proposal which ran through the House.

Rules were suspended for the swift passage.

Rep. Charles C. King (D-Smyrna), the majority leader, introduced the bill, which was cosponsored by Rep. George W. Cain (D-Harrington) and Rep. Charles F. Richards (R-Dover). He said Brandywine Raceway plans to spend \$2,500,000 to prepare for competition which may develop in nearby Pennsylvania.

Speaker Sherman W. Tribbitt said the bill means "revenue for the state of Delaware." Rep. T. Lees Bartleson of Brandywine Hundred, where the raceway is located, said many people in New Castle County don't want more racing. He added: "It doesn't smell good."

The bill got 27 yeas, with two nays (Bartleson and Carmean), two not voting (Fifer and Manning) and four absent (Cain, Pawson, Pryor and Quigley.)

Rebekas Install Officials

The Rachel Rebekah Lodge held its annual installation of officers Fri., April 1. The officers installed for 1960-61 were: Josephine Wechtenhiser, Noble Grand; Jeanette Legates, vice grand; Cornelia Gillette, rec. secretary; Angie Potter, fin. sec.; Lillie Sullivan, treas.; Edith Massey, Warden; Charlotte Hutson, conductor; Virginia Clarkson, Chaplain; Elizabeth West, color bearer; Irene Wechtenhiser, R.S. to N.G.; Emma Passmore, L.S. to N.G.; Florence VonGoerres, R.S. to V.G.; Zita Hatfield, L.S. to V.G.; Katie Austin, Ins. guardian; Harry Speicher, Outs. Guardian; Elsie aBlow, right A. bearer; Eva Morris, left A. Bearer.

There were approximately 65 present for this meeting. There will not be a meeting on April 15 as it falls on Good Friday. The next meeting will be Fri., May 6.

Eye Shot Out At Harrington

Albert Fountain, 63, had his left eye shot out by a .22 caliber rifle bullet Tuesday night.

Louella Alserook, 45, of Thorpe Street, was arrested on a charge of assault with intent to commit murder by Harrington police. Taken before Magistrate L. Gooden Callaway, she was held under \$1000 bail for Superior Court.

Fountain is in fair condition at the Milford Memorial Hospital. According to police, Fountain went to Mrs. Alserook's home at about 8:30 Tuesday night and entered without her consent but without force. She was alone with a 15-year-old girl. She ordered him out but he would not go.

Police said he was apparently intoxicated, and when he arose from a bed upon which he was seated, Mrs. Alserook, who feared he was going to attack her, snatched the rifle from a corner and shot him in the face. The rifle cartridge was loaded with fine pellets which hit Fountain in the left eye and face.

Burgess to Head H.H.S. Alumni

Carrington H. Burgess, '25, co-publisher of The Harrington Journal, is slated to become president of the Harrington High School Alumni Association, it was revealed Monday night when, at a business meeting of the group at Harrington School, the Nominating Committee made its report.

Other nominations were as follows: vice president, Randall H. Knox Jr., '39; recording secretary, Mrs. Herman P. Minner '29; corresponding secretary, Mrs. James Rash '49; treasurer, George P. Tatman '26, and historian, Mrs. Luther P. Hatfield '43.

Election of officers will be held at the business meeting of the banquet and no nominations may be made from the floor.

The Nominating Committee is composed of Ellwood Gruwell '17, chairman; Mrs. Wallace Hanson '11, Mrs. Reynolds Kates '35, Thomas Peck '42, and Robert Taylor '56.

The names of other committees will appear in this newspaper when they have been named.

Suggestions were made, at the Monday night meeting, that the newly elected president appoint a historian for each class to compile information for the recording historian.

Reservations for the annual alumni banquet, to be held Sat., May 7, at 6:30 p.m., in the school cafeteria, should be received by April 30. No tickets will be sold at the door, it was emphasized.

H.H.S. Hosts Four Schools in Track

Coach Dick Jeffers' Harrington High track team will open the season by meeting Delmar, Millsboro, John M. Clayton and Bridgeville on the local field Friday afternoon. All of these schools are in the Henlopen Conference with H.H.S.

Harrington should have no trouble in winning this meet since Jeffers has several experienced performers. The Lions probably will do better in dual and triangular meets this year than in the past while faring not quite so well in the big invitational meets such as the Seaford and Milford Invitationals. The reason for this situation is the locals have more depth but not quite so many individual stand-outs.

Senate Ignores Bill As Labor Unit Waits

A body of labor delegates who waited through the regular interminable afternoon recess, went out disappointed after Republicans and downstate Democrats teamed up to defer a labor bill before it could be debated, in the Senate at Dover Tuesday.

The bill is HB 446, which would require that contractors on public works adhere to federal prevailing wage rates as set up for the region by the Bureau of Labor Statistics of the U. S. Department of Labor.

This has long been sought by organized labor in Delaware and Tuesday James J. LaPenta, vice president of the State Labor Council and labor's chief legislative lobbyist, was present, together with 30 or 40 delegates to the council's annual legislative forum being held in Dover.

Senator John E. Reilly Sr. (D-Wilmington), the majority leader, called the bill up as scheduled right after the recess, and without further ado, Senator Walter H. Simpson (R-Camden), who was chiefly instrumental in beating a similar Senate bill last year, moved for deferment.

Senator Reilly objected strenuously, saying that "this bill has been discussed three times here as a Senate bill. Now it's a House bill, passed by the House, before the Senate. The senator from Camden is a contractor, he knows what this bill does."

Lt. Gov. David P. Buckson, presiding, kept the business strictly to consideration of the

motion to defer, as provided by Senate rules but not always adhered to. The motion to defer was upheld by Republican Senators duPont, Simpson, and Spicer, together with Democrats Hoey, Mayhew, Price, Steen, Tull, and Cook. Voting against the deferment were Democrats Hickman, Reilly, Nechay, McCullough, Watson, and Republican Williams, Senator Correll, Republican, was recorded as not voting, and Senator Snowden, Republican, was absent.

Afterward, Reilly elicited a promise from Simpson that the Kent Republican would be ready to have the bill come to the floor in about three days.

The labor delegates are said to have suffered another disappointment Tuesday in the results of a long caucus held by House Democrats. The caucusing members, it was said, disagreed on HB-145, the wage payment bill. The bill was not called up for action in the House Tuesday after the caucus.

The eight crimes for which Kenton plead guilty took place between Feb. 6 and March 16 in Kent County. He faces charges for other crimes in Sussex County. The list of crimes, all breaking and entering except one petty larceny, follows:

Feb. 6, Building of Bernal Dean, near Milford; Feb. 19, Masten Lumber Co., Milford; Feb. 23, Ajax Distributors warehouse at Milford; Feb. 24, Minner's store at Masten's Corner; Mar. 4, Laws Church, near Frederica; Mar. 11, larceny of money from Dick's service station, Milford; Mar. 12, Boyd's garage, near Rising Sun; Mar. 16, Avenue Motel.

Improvement Underway On Liberty Street

Work is progressing on a project to improve Liberty Street from Delaware Avenue to U.S. 13.

Present work includes tree removal and improvement of drainage. The state highway project calls for the street to be also curbed and blacktopped.

Superior Court Has 'Field Day'

The largest number of criminal cases to be considered in the Superior Court in one day, within the memory of the oldest officials, took place at Dover Friday when a total of 18 cases were handled by the court.

In one matter eight charges were filed against one defendant while in several other instances two persons were charged with the same offense and one defendant had two charges filed against him. Action on one case was continued because of pending action in the Court of Common Pleas.

John Lee Kenton, 17-year-old youth who mostly has resided in the Milford area and has succeeded in establishing quite a criminal record during his young years, faced eight charges and entered guilty to all of them.

William Draper, court appointed defense counsel for Kenton, made a strong plea in behalf of the youth, pointing out that he was married last September and that a baby is expected in September of this year. He also said that objections by his wife's parents to the marriage will probably prevent her return to them.

Draper informed the court that Kenton was gainfully employed on a farm in Maryland until his associates learned of his past criminal record after which they made it difficult for him to remain there and he left in February.

Judge James B. Carey, on the bench at the time, informed Draper that had not Kenton received lenient consideration from the court on his two previous appearances, the marriage may not have taken place last September.

Judge Carey then sentenced Kenton to serve a year in jail on a petty larceny charge and four years on the remaining charges with the sentences to be served concurrently.

The eight crimes for which Kenton plead guilty took place between Feb. 6 and March 16 in Kent County. He faces charges for other crimes in Sussex County. The list of crimes, all breaking and entering except one petty larceny, follows:

Feb. 6, Building of Bernal Dean, near Milford; Feb. 19, Masten Lumber Co., Milford; Feb. 23, Ajax Distributors warehouse at Milford; Feb. 24, Minner's store at Masten's Corner; Mar. 4, Laws Church, near Frederica; Mar. 11, larceny of money from Dick's service station, Milford; Mar. 12, Boyd's garage, near Rising Sun; Mar. 16, Avenue Motel.

Board of Health Clinics

The 1960 Chest X-Ray program in Kent County opened Thurs., March 31. This free service, sponsored by the State Board of Health and the Delaware Anti-Tuberculosis Society, is offered to all citizens 15 years of age and over. All who have not been X-rayed for two years are urged to visit the mobile units.

The community schedule continues at Milford this week as follows:

Thurs., April 7—The Bridge, Walnut Street, 10 a.m. - 5 p.m.; Sat. April 9—The Bridge, Walnut Street 10 a.m. - 5 p.m.; Fri., April 8—The Bridge, Walnut Street, 1 - 8 p.m.

The Sakimas Tribe, No. 10, Improved Order of Redmen is in charge of arrangements with Mr. Frederick Jester serving as general chairman. Mrs. James E. Mills, hostess chairman.

The following week, the units will be in Georgetown and Millsboro.

Georgetown, Acme - Mon., Tues. and Wed., April 11, 12, and 13—10 - 12 a.m. and 1 - 4 p.m. Millsboro, Acme—Tues., Wed., April 12 and 13—10 - 12 a.m. and 1 - 4 p.m.

The week of April 18th, the units will operate in Selbyville, Dagsboro and Frankford.

Hartnett; Fifth, Catherine W. Cassey and Virginia Dennis; Sixth, Pearl Betts; Seventh, Samuel Bradley; Eighth, Harold Voshell; Ninth, Donald Kent Tenth, Averle Maloney.

FIRE COMPANY ACCEPTS BID FOR NEW TRUCK; PLANS STOCK CAR RACES

H.H.S. Nine Loses To Caesar Rodney

By Keith S. Burgess

Coach Bill Smith's Harrington High baseball team dropped its opening game to Caesar Rodney High 7-4 at Camden Friday. Harrington was held to three hits by Ray Dawson. The Lions tallied three times in the first inning aided by a two run triple by Leonard Masten. Jim Temple and Walt Lekites got the other hits off Dawson.

C. R. scored four times in their half of the first and added singletons in the second, third and fifth innings for their margin of victory.

Southpaw Don Rothermel went the route for the Lions and did not fare too badly allowing seven hits. The fact that three of these were triples brought about his downfall.

Coach Smith has only Temple and Collison back from last year's Henlopen Conference championship team. Bill Thompson, Don Butler and Jim McDonald are new baseball candidates.

The Greenwood game scheduled for this week will be played at a later date.

A veteran Milford High team will come here Monday afternoon for a non-loop encounter.

Migrant Committee Studies By-Laws

The Kent and Sussex Migrant Committee met last Tuesday at St. Stephen's Episcopal Church in Harrington.

The Committee on by-laws, with Capt. Allen Wentz, of the State Police as chairman, drew up and presented for study and action a set of laws.

A brochure of helpful information to the migrant was prepared by Mr. Henderson of the Department of Agriculture and the Rev. Perry Hill of Milton, to be ready for distribution to the migrants by May 1.

The possibility of having 4-H or scout groups for children who because of age are not eligible for the child care center, was discussed as well as the possibility for adult evening programs. Further study will be made along these lines.

The chairman asked for one or more volunteers from each church or organization represented to get together the week of June 20 to put the child care center at Mr. Annett's camp in Staytonsville in order, so that the summer staff can begin work.

A committee was also appointed to study the possibilities of establishing a child care center in Milton.

Dr. Sara Bishop was the speaker. The next meeting date was set for June 14 at St. Stephen's Episcopal Church, Harrington.

Austin Smith Has Heart Attack

Austin D. Smith, assistant coordinator of the Delaware State Game and Fish Commission, was described Tuesday as "making normal satisfactory recovery" after suffering a coronary occlusion early Sunday morning.

On Saturday he entered a dog in the Delaware Setter and Pointer Spring Field Trials at the Petersburg Wildlife Area. He was admitted to Kent General Hospital shortly after midnight Saturday. He is 65-years-old.

Duff Again Heads Civil War Club

Willis H. Duff, Felton, was Monday night re-elected president of the Round Table Club, the Civil War buffs, at a meeting at Legislative Hall.

Also named to serve were Dr. Maynard H. Mires, vice-president; Miss Ann Swift, secretary, and Col. Henry K. Roscoe, Jr., treasurer.

Four members of the Wilmington club conducted the program, which featured slides, music, a demonstration on how to load a smooth-bore rifle, and a description of a Civil War battle.

Farmington Auxiliary Notes

The April meeting and annual election of the Ladies Auxiliary will be held Mon., April 11 at 7:30 o'clock.

The Harrington Volunteer Fire Company, at its April meeting Monday night, gave the go-ahead signal to purchase a truck when it accepted a bid of \$10,483.

The vehicle will be a Ford cab over engine, to be purchased from Hollowell Motor Co., of Denton, for \$3887.16, with the body to be built by Oren Fire Equipment Company, for \$6956.15. The new truck is to be delivered 60 days after the chassis arrives at the factory in Roanoke, Va.

In other business Monday evening, the fire recorder's report revealed nine alarms for March, and 10 ambulance trips.

The company bought 12 pairs of rubber boots and three outside speakers for trucks.

It was announced that a Kent County Ladies Night would be held April 23 at Caesar Rodney School, Camden-Wyoming.

Walter Messick was named general chairman of a committee on stock car races, with Tom Brown and Franklin Hendricks as the other members.

The membership application of Garey Homewood was approved. Arnett Potter was named delegate to the Del-Mar-Va Convention at Pocomoke City, Md., May 10 and 11.

Memorial services will be held at the Plaza at Dover Sun., May 1. Color guards from all fire companies will be present, to be led by the Smyrna Fire Company Band to services from the Dover Fire House.

The company voted to buy a new banner and pole.

Delegates named to a county meeting at Camden-Wyoming were A. Price, Burton Satterfield, C. D. Mills, and Benjamin Moore.

Power Company Plans Extensive Improvements

Delaware Power & Light Company and its two subsidiaries plan to spend \$130 million on new construction during the five year period 1960 through 1964, George M. Nelson, company vice president announced Tuesday.

"This forward looking program," Mr. Nelson stated, "is a continuation of our long established policy of seeing that our facilities are always available to meet all the growing needs of the rapidly expanding Delmarva Peninsula."

Almost \$57 million of the huge construction program will provide for new generating units ranging in size from 66,000 to 150,000 kilowatts in capacity. Another \$23 million will be spent to extend service to new customers and to increase service capacities to present customers.

An estimated \$11 million is allocated for enlarging and expanding the company's 138,000 volt transmission network. The balance will provide new substations and a wide range of projects to meet future requirements for increased service throughout the Peninsula.

Mr. Nelson said: "This construction program is an expression of our faith and confidence in the future growth and expansion of the Delmarva Peninsula. It is a continuation of our policy of always meeting the needs of a growing population and expanding economy with ample service for everyone everywhere on the Delmarva Peninsula."

Population increases and greater use of the company's services present a challenge, Mr. Nelson pointed out, but in any challenge there is opportunity—an opportunity to serve and grow with the area we are serving.

Elva Rae Smith Student Teaches

Miss Rae Smith, daughter of Mrs. Eleanor Smith, 102 Commerce St., Harrington, is currently student teaching at Chagrin Falls High School (Ohio), under the direction of the Hiram College department of education.

This practice session is designed to orient the future teacher, in addition to providing experience with students.

Rae is a senior majoring in English and a 1956 graduate of Harrington High School.

Williamsville Methodist To Give Easter Service

A special Easter program will be presented at the Williamsville Methodist Church near Houston Sunday at 7:30 p.m. Parents with children to be baptized are asked to present them at this service.

Census Takers Find Population Larger, Younger

The census takers who are presently enumerating Delaware's population will find that "The First State" not only has a much larger population than in 1950, but one that is, on the whole, much younger, advises the Delaware State Development Department.

Basing its observations on recently released U.S. Census Bureau estimates of age distributions of American as of July 1, 1958, the state information agency points out that while Delaware's population gained an estimated 37.2 per cent between 1950 and 1958, the number of children under five years of age increased an estimated 67.5 per cent and the number of Delawareans between five and seventeen years of age increased an estimated 71.5 per cent.

The number in the age bracket 18 to 44, however, increased only 22.2 per cent in this period and the number from 45 to 64 increased 21.3 per cent. In the 1950 census, Delaware had a population of 318,000. In 1958, its population was estimated at 436,000. (The state's population was estimated at 454,000 as of July 1, 1959.)

During this period, the number of children under five in the state increased from 33,000 to 55,000; the number of youngsters five to seventeen increased from 61,000 to 105,000. Those Delawareans in the "prime wage-earning bracket," 18 to 44, however, increased only from 132,000 to 161,000, and the middle-aged bracket (from forty-five to sixty-four) increased from 65,000 to 83,000.

The number of senior citizens aged 65 and over increased from 26,000 to 32,000. In terms of the percentile distribution of age groups, more than one-eighth of Delaware's population is now represented by children under five, 12.8 per cent. Almost another fourth, or 24.0 percent are between five and 17. Some 37.0 per cent are between 18 and 44, 19.0 per cent are 45 to 64, and 7.3 per cent are above 65 in age.

In 1950, only 10.8 per cent of Delaware's population was under five and 19.2 per cent was in the five to 17 age group. On the other hand, 8.2 per cent were over 65 according to the 1950 census. On the basis of the foregoing statistics, the Development Department logically assumes that Delaware's big growth since 1950 has been in the lower age brackets with about three out of every eight of today's Delawareans being under 17 years of age.

When these figures are coupled with a longer life span and an increasing birth rate, it presages a tremendous growth in Delaware's population in the coming years, even if there were no migration into Delaware from other states. Such migration, however, is adding an estimated two percent to Delaware's population every year or 20 per cent every ten years advises the Development Department.

Greenwood

Saturday, April 2, a very pretty wedding took place in the Church of the Brethren in Farmington with the Rev. McDaniel officiating. Miss Shirley Krouse, daughter of Mr. and Mrs. Walter Krouse, of Farmington became the bride of Lee Gustison of Chestertown, Md. The bride wore a gown of white lace and carried an orchid with white daisies. The maid of honor, Miss Joyce Disserman of Greenwood, white and blue lace net and carried blue carnations and white daisies. The best man was David Tucker. Gary Lee Davis ushered. The organist was Miss Carol McDaniel. After a short wedding trip, the couple will be at home in Farmington. The bridegroom is employed at Outten Brothers, Dover.

Mr. and Mrs. Woodrow Draper and children are again in residence in their home in Greenwood.

Friday evening, April 8, let's all gather at the Greenwood High School auditorium and enjoy the minstrel which will be put on by the "Ag" boys. This is their 14th show and promises to be the best yet.

The 5th annual community Easter egg hunt will be held on Sat., April 16, at 1 p.m., one mile out of Greenwood on the Andrewville Road at Mrs. Edna Joseph's farm. Every child in the community is cordially invited to attend.

Friday evening, Mrs. Woodrow Draper and Mr. and Mrs. Allison Davis visited Mr. and Mrs. Lester Hatfield.

Mrs. William Howlett and Mr. and Mrs. Allison Davis recently attended a world book meeting at the new Dover Hotel.

The Greenwood Future Homemakers Club held a bake sale Saturday. With the money raised from this project, they are planning to send the club president, Judy Root, to the National F.H.M. Convention in Washington, D. C. from July 1 to 15.

Registration day for pupils entering the first grade of Greenwood School in September will be Tues., April 19, between the hours of 9 a.m. and 3 p.m. Parents who have not already filled in an information blank are requested to come to the school nurses' office on that day and register their child. Birth certificates must be presented. No immunizations or physical examinations will be done.

Each girl eligible for the beauty contest this year received a letter inviting her to participate. Eleven girls responded and were guests of the Greenwood Lions Club at dinner Wednesday evening. Miss Linda Wheatley of Bridgeville, who is Miss Welcome this year, welcomed the girls and Miss Sara Chalmers, the present Miss Greenwood, spoke to the girls. Movies were shown of last year's contests.

Nine little girls have signed up for the little Miss Greenwood contest already, and entries are still being taken. Call FI 9-4255 for your entry blanks.

Mr. and Mrs. J. Burton Case of Seaford were Sunday evening guests of the Jacob Hatfields for dessert and coffee.

Reducing Pills-Are They Effective?

Overweight Americans spend about \$100 million every year for reducing aids which don't actually trim off fat. Beware of any pill or treatment that says you can use their preparation and lose weight without dieting.

There is no safe drug known to medical science that can cause you to lose weight without altering your dietary habits. In fact, you'll find that many products that say you can lose fat without dieting include a low calorie diet in the package!

There are three types of reducing pills or drugs. The appetite depressants include sugar pills, caramels and other candies and the amphetamines.

There is one kind of caramel on the market that contains more calories than regular caramel and costs three dollars a pound! Another candy available is made of skimmed milk, lemon juice and vitamins. It costs seven or eight cents to produce and sells for three dollars, a 400 percent profit. The amphetamines are a drug which must be prescribed by a doctor.

Another type of reducing remedy is the thyroid extract which tends to increase metabolism and is prescribed only by physicians. As a protection to the public, thyroid products cannot be sold by druggists without a prescription. Unscrupulous door-to-door salesmen do not hesitate, regardless of side effects, to sell you thyroid extract or other potentially dangerous drugs that may increase metabolism.

The third type of reducing aid is the non-specific filler type, like methyl cellulose. A pill of this cellulose type taken with water is supposed to fill you up so you are no longer hungry. It swells in the intestines not in the stomach and may cause discomfort and in some cases, internal injury.

There are no short cuts to losing weight. Many "self-prescribed" pills and drugs merely cost time and money. They can even cost you your health. Medical guidance is important to almost everyone who needs to lose weight - even a few pounds. Restriction of food is the principle factor in reducing. Lowered calorie intake is necessary for anyone who wants to lose pounds. Exercise has a role in reducing, too. Your doctor can determine the kind and amount of exercise needed.

Seed for Soybean Varieties Plentiful

Seed for the Hill and Hood soybeans are now plentiful in Delaware, according to University of Delaware agronomist Frank B. Springer Jr. He said all seed houses have them as well as many farmers who produce certified seed.

Farmers can get a list of certified seed producers from their county agent if they want to get certified seed from a local producer, Springer said.

Hill is in the same maturity range as Dorman and it is expected to replace Dorman. Hill stands up much better than Dorman and yields slightly better, although the seed size is a little smaller.

The Hood bean is in the same maturity range as Ogden but it reaches maturity about 10 days earlier. This is an important factor, Springer said. Ogden is a little too late in maturing for some Delmarva seasons. Hood also yields slightly better and its seed quality is very good.

Another leading variety is Clark. Last year 17 of the farmers who competed in the Delaware soybean yield contest grew more than 40 bushels per acre. Of those 17, 10 did the trick with Clark beans.

Clark has been a high yielding variety but has been of poor quality at times due to Delmarva's weather conditions. With this quality problem in mind a new variety has been developed to replace Clark. It will probably be released this Fall, Springer said.

Varieties, of course, are not the only element responsible for good yields. There are about six factors involved in soybean production which contribute to high production. All these elements

- are essential:
1. Use enough lime to keep the soil pH around 6.0 or above.
 2. Use enough fertilizer—at least 200 pounds of 0-20-20 per acre.
 3. Select a recommended variety—Clark for 120 day season; Hill for 130 days; and Hood for 140 days.
 4. Plant on time—that means May 20 to June 15. (If you are planting after a small grain it will be later than June 15. You can still get a crop but it will not match the early planted beans.)
 5. Use enough plants. Control weeds.

"Suddenly Last Summer" At Reese April 7 thru 12

Once in a great while an unusual and controversial show hits the top and overnight becomes the "must see" dramatic hit of the year. Such a picture is "Suddenly Last Summer" with Elizabeth Taylor, supported by Montgomery Clift, scheduled for a six day engagement at the Reese Theatre, Fri., April 8 through April 12. Undoubtedly Elizabeth Taylor rises to the utmost by way of her performance and runs away with all acting honors. To see it is to witness one of the most unusual and sensational motion pictures of this year and any other year. "Suddenly Last Summer" has been nominated for the coveted Academy Award.

Another Movie Center great is listed for a six day engagement, Thurs., April 14 thru April 19, the big spectacle in human drama, based on the best selling classic by Lloyd C. Douglas, The story of Simon Peter of Galilee, "The Big Fisherman." Don't miss the great performance of Howard Keel in this big-big drama.

Mrs. Mayer, Dover, Mother Of the Year

Mrs. Bessie Ellegood Mayer, widowed mother of three outstanding children and long-time Dover civic leader, has been named Delaware Mother of the Year for 1960.

Mrs. Mayer was chosen from a large group of outstanding "First State" mothers by a statewide selection committee headed by Mrs. William N. Cann of Wilmington. Mrs. Mayer succeeds Mrs. E. Edward Thompson, of Rehoboth Beach, who was the 1959 Mother of the Year.

This honor automatically places Mrs. Mayer in the running for the title of American Mother of the Year, in early May, after being feted locally, she, along with Mother of the Year from each of the other 49 states, the District of Columbia and Puerto Rico, will be a guest of honor at the annual Mothers Conference in New York during which the identity of the American Mother for 1960 will be made known.

Mrs. Mayer was initially nominated for the honor by Mrs. J. Allen Frear, Jr., prominent Dover club woman and the wife of Delaware's junior U. S. Senator. The nomination was then enthusiastically endorsed by Mayor W. Edward Haman of Dover; Dr. Harry V. Holloway, prominent Delaware educator; Dr. Thomas C. Mulligan, a former superintendent of the Methodist Church, with supervision over Methodist churches of Kent and Sussex Counties; and others. Each cited the many accomplishments which they believed qualified Mrs. Mayer for selection as Delaware Mother of the Year.

The new Delaware Mother of the Year was praised for her exemplary life; for the manner in which she conducted her home and raised and educated three outstanding children; for her courage, cheerfulness, patience and understanding; for her religious activities; and for her participation in and support of the activities for public benefit.

Mrs. Mayer was particularly cited for her successful efforts in educating all three of her children through college level following the death of her husband, Henry Mayer, a former Mayor of Dover and civic leader. Each child, according to the nomination and subsequent endorsements, has attained a large measure of success in his or her field of endeavor, reflecting what was termed the "benevolent influence of a loving mother and a wholesome family life."

The children are: Elizabeth Ellegood Mayer, a Pratt librarian at Baltimore; Mrs. Mayer Tilghman, receptionist and social secretary to U.S. Senator J. Allen Frear Jr., at Washington, D. C.; and Harry Mayer Jr., Wilmington insurance executive, who, a few years ago, was designated as Wilmington's "Young Man of the Year." Three grandchildren also have been reported as having compiled outstanding records of accomplishment.

Mrs. Mayer was born August 9, 1880, at Cumberland, Md., and received her formal education at Salisbury, Md. She first came to Dover as a young bride and shortly thereafter became active in the affairs of church and community—an interest that she has maintained to the present.

Her religious activities include membership for 56 years in the Wesley Methodist Church, where she sang in the choir for 30 years and served as chairman of music for 15 years; 20 years continuous membership in the Women's Society of Christian Service; and active membership in the United Council of Churchwomen. In 1922, she personally organized

the Wesleyan Juniors, a society of the younger ladies of the Wesley Methodist Church.

A charter member of the Kent General Hospital Auxiliary since 1927 and its president since 1954, Mrs. Mayer organized the Kent General Junior Board in 1948 and the Surgical Dressing Group, there, in 1954. During 1927-28 she served as city and county chairman of the membership drive for the hospital.

Mrs. Mayer organized Dover's first Community Concert Association; served as its chairman for seven years, and is presently serving as honorary chairman of the same group. As a committee member she also helped organize the Theatre Guild in Wilmington and the Living Shakespearean Theatre in Stratford, Conn.

As an active Red Cross worker, she has awards of merit dated 1947, 1949, 1955, 1957, 1958 and 1959. She was special gifts chairman for the March of Dimes in 1955 and has also been active in the Women's Field army of the American Society for the Control of Cancer; the Heart Association, and in Red Feather Community drives.

Mrs. Mayer has been an active member of the Dover Century Club for 56 years and has represented this club in conventions of the General Federation of Women's Clubs on both the East and West Coasts in Costa Rica.

In 1958 Mrs. Mayer was presented with the first and only honorary membership as an Alumna of Wesley College and was cited at the time for "Fifty Years of active and dedicated service to humanitarian causes."

Her other affiliations include The Friends of Old Dover, Friends of the Dickinson Mansion, Dover Garden Club, Dover YMCA, Dover Service Coordinating Council, Dover USO and Better Government League.

Assisting Mrs. Cann in making this year's selections were: Mrs. E. W. Buchanan, Dover; Mrs. Joseph Ennis, Smyrna; Mrs. Jesse Loven, Odessa; Mrs. Paul Mitchell, Hockessin; Mrs. William Money, Laurel; and Mrs. George Till, Rehoboth Beach.

Delaware Booth at Pennsylvania Sportsmen's Show Big Success

Judging by the amount of interest shown by visitors to the State of Delaware booth at the Pennsylvania Recreation and Sportsmen's Show, held last week at Harrisburg, the "First State" can expect an unusually large influx of vacationists from Pennsylvania this spring and summer, reports the Delaware State Development Department.

The thousands of sportsmen and others, who visited the Delaware exhibit, eagerly accepted materials describing the state's many tourist attractions, and in many instances, sought additional information concerning Delaware's summer resorts, its fresh water and salt water fishing facilities, its museums and historic sites.

According to the Development Department the most popular items proved to be the Delaware Highway Map, made available by the State Highway Department; two new pamphlets prepared and distributed by the Development Department, "Adventure Out-of-Doors in Delaware" and "1960 Calendar of Events"; the colorful vacation brochure "Welcome to Delightful Delaware"; co-sponsored by the Delaware Travel Council and the Development Department; and an imprinted shopping bag bearing on both sides the invitation to "See the First State - First in '60'."

Other materials prepared by the Development Department, as well as literature describing the Delaware Memorial Bridge; Delaware State, Hagley and Winterthur Museums; "Old Dover Days," "A Day in Old New Castle," "Wilmington Garden Day, the John Dickinson Mansion, and historic New Castle, Dover and Milford were distributed.

The Delaware display occupied 200 square feet opposite the main entrance to Harrisburg's spacious Farm Show Building, and was prepared under the direction of David S. Hugg, of the State Development Department. It consisted of a large, two-paneled background, supported at each end by tall box columns. The large center section listed the state's major tourist attractions, which were depicted in eye-catching large black and white photographs. Colored transparencies, housed in the illuminated box columns, pointed up the scenic beauty of the State.

Mr. Hugg and his son, David, set up the display and manned it through Monday, when they were

relieved by Mrs. Raymond Coffman, a former Delawarean now residing in the Harrisburg area. M. Hugg returned to Harrisburg over the weekend to dismantle the display and return it to Delaware. It currently may be seen at the duPont Hotel, Wilmington.

In addition to vacationland and resort area displays, the Sportsmen's Show presented acres of the newest sporting goods and sports equipment, wild life and camping exhibits, special outdoor living projects featuring school children, and one of the largest boat shows ever held in the East.

Other attractions included archery, casting, field dog demonstrations, a junior rifle marksmanship school, a golf clinic, animal acts, a big game trophy exhibit and public trout fishing "for keeps". Visitors also saw new sports cars, exciting stage and water shows, and a full program of daily contests and exhibitions.

Spring Heralds Garden Season for Green Thumbs

The punctual arrival of spring is a signal for "green thumb" claimants to get out the seed catalogs and dust off the garden tools. For 4-H girls and boys, spring also marks the beginning of a gardening project that could bring rich rewards next fall. Among them are a \$400 scholarship, a wonderful week at the National 4-H Club Congress in Chicago, and a handsome wristwatch.

The specific 4-H award programs are garden and beautification of home grounds. Either one may be carried on in town

or on the farm. Any boy or girl between 10 and 21 years old may enroll in the program, according to the Co-operative Extension Service.

The grounds beautification work includes learning about landscaping, how to plant and care for flowers, shrubs, lawns, and to otherwise enhance the exterior of the home surroundings. Usually the entire family lends a hand on this project because it often involves painting and building.

In the garden problem, club members not only learn how to plan a useful and nutritious garden, but also about insect control, soil conservation and marketing. Club members find that a well-planned and cultivated garden contributes substantially to the family year-round food supply and therefore adds dollars to the food budget.

The projects are supervised locally by the volunteer 4-H club leader and the county extension agent. Members keep individual progress records, and each year enter them and their products in competition with other 4-H gardeners in the state. County, state and national winners are then named by the extension staff.

While the Co-operative Extension Service supervises the program work, the awards are donated by leading business concerns and private individuals. Awards in the garden program come from Allis Chalmers Manufacturing Co., Milwaukee, Wis. The home ground beautification awards are given by Mrs. Charles R. Walgreen of Chicago, a noted horticulturist.

Last year across the nation nearly 280,000 club members were enrolled in the garden program.

gram, and about half that number were reported for grounds beautification. Information regarding 4-H Club work may be obtained from the State Extension office or the County Extension agent.

'Fiscal Fiasco' Blamed on GOP By Senator Byrd

America has lost \$150,000,000 in output and 10,000,000 man-years of unemployment as a result of the "fiscal fiasco perpetrated by the Eisenhower-Nixon administration," U. S. Senator Robert C. Byrd (D-WVa) told 500 cheering Democrats in Dover High School Saturday night.

The scathing denunciation of the nation's present Administration highlighted the seventh annual convention of the Delaware Federation of Democratic Clubs. Prior to Senator Byrd's attack, the delegates elected Clifford E.

Hall of Selbyville, former state auditor, the federation's new president. Mr. Hall, now serving as accountant for the Joint Legislative Finance Committee, succeeds Russell Whitby.

Mrs. Ruth Haas of Smyrna was elected treasurer. Vice President Nixon, labeled "bright boy" by the West Virginia Democrat, was also accused of voting five times to slash soil conservation funds and against extension of crop insurance.

The Eisenhower administration was accused of spending almost \$500,000,000 in seven years topping the expenditures of 12 years under Franklin D. Roosevelt (\$374,000,000) and also exceeding the amount \$21,000,000 spent in the seven years Harry S. Truman was the nation's leader.

Senator Byrd was introduced by Harry Smith, state insurance commissioner, and other speakers included U. S. Senator J. Allen Frear Jr. and Rep. Harris B. McDowell Jr.

"...the most significant engineering advance" of 1960
... Motor Trend Magazine

Corvair named "CAR OF THE YEAR"

"Four-wheel independent suspension totally unlike any other U.S.-built car" . . . "air-cooled aluminum engine . . . not dependent on the properties of a liquid coolant" . . . a rear-mounted transaxle "allowing a flatter floor and a lower roofline. . . ." These are some of the praises heaped upon Corvair by the editors of Motor Trend—the world's largest general automotive magazine—in announcing their coveted Car-of-the-Year award. Other cars didn't even come close. The Motor Trend experts, who evaluated every make in the country, were unanimous in their decision, published in the April issue. But, unless you have personally driven a Corvair, you can't appreciate what this engineering achievement really means in combining compact car economy and agility with big for economical transportation car ride, room and sure-footedness. Harrington School Notes

First Grade—Mrs. Howard
 We are going to make Easter eggs, rabbits, and baskets for our classmates who are ill. Jack Kohland, Donald Moore, David Newnom, Kathy Miller, and Robert Goodhand have the mumps. We will be happy to see them back in school.

First Grade—Mrs. Grant
 Beverly Callaway's father is home from the hospital. Ginny Jo Richardson and Ronnie Rapp have the mumps. Brad Morris went fishing yesterday.

Renie Quillen brought some pretty daffodils to school today. Lindsay went to Easton yesterday.

Joanne Short is going to Philadelphia for Easter. Jimmie Russell, Mickey Chafin, and Gladys Kling are absent today.

First Grade—Mrs. Marvel
 Cheryl Klapp brought a pretty flower pot with some seeds planted in it. We are anxious to watch them grow.

Some of us are back after having the mumps but there are eight absent today. Donna Newcomb, Billy Walls, Richard Carter and Gene Pete have the mumps, but we do not know about Jimmie Fitzhugh, Ronnie Letterman, Bobby White and Chris Wetherhold.

Third Grade—Mrs. O'Neal
 Bobby Thompson visited in Greenwood Saturday. We all enjoyed the slides Mr. Cotter showed us of Brittany. He spoke French and answered in French. We want to thank him. We are anxious to see his pictures of Spain when we get to it in our reading.

Fifth Grade—Mrs. Brobst
 Last Thursday we had a visitor. She was Miss Delaney, who teaches at Rutgers University in New Brunswick, N. J. She stayed with us about half an hour. Then she went to the clinic room with Judy Burgess and Branda Neeman to interview them. She interviewed representatives from each fifth grade. We hoped she liked us.

Miss Long—Grade 5
 Last week we did many things. We collected insect cocoons, divided into groups for social studies, wrote book reports and made pictures to go along with them.

We divided into groups for social studies to study about different states such as: Delaware, New Jersey, New York, Pennsylvania, and Maryland.

Mr. Donovan—Grade 5
 A couple of weeks ago some children in our class started to bring in cardboard shoe boxes. Then they took white cardboard and cut it to fit the shape of the box. Then they would write something on the card to help them later on in school.

Last week our class went down to the ditch. We were looking for frog eggs. We didn't find any eggs. Leroy and Ed ventured off and found some fish.

Future Nurses Club
 Our president, Jean Grant, was given a portable mixer as a combination birthday and engagement gift by the members of the club. She wishes to express her thanks to those who had a part in buying this gift.

Before Christmas, the members of the Nurses Club gave a party at Stockley for the teenage girls in their cottage. A return visit is planned April 6 for a tour of the new medical center.

We also plan to visit Smyrna Welfare Home and Milford Memorial Hospital in the near future.

Home Economics Trip
 The 10th, 11th, and 12th grade classes of the Home Economics Department took a trip to Philadelphia Fri., March 25.

There was an interesting tour through the Borden Ice Cream Plant in Wilmington. There is approximately 12% butterfat in ice cream. The man in charge of the mix must know the exact amounts of fat and nonfat solids

in the milk products he uses each day. He gets this information from the plant laboratory. The man who has to figure the formula must know arithmetic. Weigh amounts of the ingredients are mixed in a covered tank. An automatic device in the tank stirs the mix thoroughly. Now the mix is pasteurized to insure the safety of the ice cream. Mixing and pasteurizing ice cream mix is done in large tanks which have a steam or hot water jacket to heat the mix.

Refrigerated tanks hold the ice cream mix at 30 degrees F. to 40 degrees F. until it is pumped to flavor tanks on its way to the freezers. In a continuous freezer, 200 gallons of ice cream is frozen per hour. A continuous freezer is a freezer that whips and freezes the ice cream so fast that large crystals have little chance to form.

About 250 million pounds of fruits and nuts are used in ice cream each year. The favorite flavors in the United States are vanilla, chocolate, and strawberry.

Temperature in the hardening room is below zero F., usually 20 degrees F. The ice cream is firm and ready for delivery within 24 hours.

Our next stop was Strawberry Mansion in Philadelphia. The British burned the original house but it was later rebuilt by its owners, William Lewis and Judge Joseph Hemphill during the early 1900's. The house is warmly furnished by early American and French Provincial furniture.

There was a choice of interesting tours in the afternoon that were taken such as:

The U. S. S. Olympics. 33rd annual week for the Blind Exhibit and program. Grand tour of John Wanamakers and Walking Tour of Philadelphia.

SENIOR PERSONALITY

Kaye Moore
 Kaye Moore, daughter of Mr. and Mrs. Klein Moore Jr., was born January 21, 1942.

Kaye has been in the Glee Club four years, Nurses Club one year, Varsity Club one year, Press Club one year and has played in the Senior Band for five years. She also played basketball for one year.

Kaye attends Pilgrim Holiness Church. Her favorite subject is shorthand.

Upon graduation Kaye plans to become a secretary.

Miss Morris—Grade 8

The meeting was called to order by the president, Marilyn Jarrell. The minutes of the last meeting were read by the secretary, Linda Smith, and were approved as read. Since there was no old business, we went right into the new business which was about the annual eighth grade trip. In our class there was the suggestion that we go either to Washington or Philadelphia. Philadelphia won by the most votes. There were several suggestions for places to visit: the Franklin Institute, Navy Yard, U. S. Mint, historical places, Tidewater Oil Refinery, Aquarium, and the International Airport.

From these we picked the Franklin Institute, Aquarium and the Navy Yard. Nothing is definite yet since the other classes have to decide and then compromise. The date we decided upon was April 29, which is definite.

The mothers who have volunteered as chaperones are: Mrs. William Hearn, Mrs. Jeff Larimore, Mrs. Randall Knox, Jr., Mrs. Clarence Jarrell, and Mrs. William Smith. From these two or three will be selected. We are all looking forward to the trip. The meeting was adjourned.

Asbury W.S.C.S. Notes

The Woman's Society of Christian Service of Asbury Church met Tuesday evening, April 5, in the Primary Department rooms. Mrs. Fred Greenly Sr. gave the devotions which opened the meeting. The topic for the program was "New Light for Town and Country". Mrs. Charles Peck Jr., Mrs. William Taylor and Mrs. Calvin Wells gave in-

teresting talks concerning the missions and homes and work being done in New England and in parts of the south by missionaries.

The business meeting was presided over by Mrs. Fulton Downing, president. She read letters of thanks from Mrs. Edgar Timmons, district president, and Mrs. Byron Gibson, spiritual life secretary, telling of their appreciation for the Day Apart service held in Asbury Church recently. Mrs. Downing also told the group of the certificate of recognition to the Asbury W.S.C.S. for completing the study course on "The Church's Mission in Town and Country."

The society will serve at a coffee hour following the union services of Trinity and Asbury Churches Sunday evening, April 10, in Asbury church.

The society will also have charge of the meals to be served at the antique show to be held by the Pathfinder's Class in the church April 27 and 28. Each member has been asked to do some one thing for this project.

The circle leaders have the lists of jobs to be done and will inform their circle members of their particular work. A little bit of work by each person will assure a big success in this undertaking.

The next meeting will be held May 3, with Mrs. J. Millard Cooper presenting the program and the pledge service.

Field Trip

Tues., March 29, the chemistry and physics classes made a field trip to the duPont experimental laboratories in Wilmington. The tour began with a moving picture which showed the many different types of work being done in the laboratories.

The students then visited some typical laboratories where the engineers and technicians explained their equipment and what was being done.

The Lavosier library with its thousands of technical books and periodicals written in English and in many foreign languages was very interesting. Many of the students found the glass blowing department interesting and amusing.

By far the most outstanding phase of the trip was the visit to the large Engineering Radiat on Physics Laboratory.

The trip was sponsored and conducted by Harry Rash, a former electrical engineer in the duPont laboratories, who now resides in our school district.

Asbury Methodist Church News

Last Sunday morning 204 men from ten Methodist churches in this area assembled at 7 o'clock a.m. for a communion service as the first service held in the sanctuary of Asbury Church since the remodeling began on March 14. Approximately 40 men of Asbury Church served breakfast for these men at 8 o'clock.

The pastor, the Rev. R. S. Gibson, was assisted in the communion service by: The Rev. Roy L. Tawes, superintendent of Dover District; the Rev. Nelson Benjamin, and the meditation was given by the Rev. Douglas Milbury, pastor of Calvary Methodist Church in Milford.

The first worship service will be at 9 o'clock with the Crusader Choir singing the anthem "Hosanna to the King" will be the theme of the pastor's sermon.

Church school at 10 o'clock, Howard S. Wagner is the superintendent. We have classes for all age and interest groups. This will be the final day for the pastor's class on church membership.

The second morning worship service at 11 o'clock. There will be a service of baptism and a service of reception of members during the service. The 100th person will be received into full membership and the 100 person will be baptized and received into the Preparatory Membership during the ministry of the Rev. Gibson. Anthems will be sung by the Chapel and Cathedral Choirs.

"Hosanna to our King" will be the sermon topic of the pastor. Altar Flowers will be by Mr. and Mrs. Edward Taylor in honor of their wedding anniversary. A nursery is conducted during the service for the convenience of those parents who have preschool children.

The Joint evening service between Trinity and Asbury Churches will be held this Sunday night at 7:30 at Asbury Church. The Chancel Choir under the direction of Melvin Brobst will present a musical program featuring solos by Jane Hughes and Bonnie Lee Dickerson and duet by Leonard Masten and Kenneth Hoffman. Some of the Palm Sunday anthems will be "The Palms", "The Holy City", "Hosanna", and others. The sermon will be by the Rev. Nelson Benjamin. Come and bring your friends. Women of the church will serve a coffee after the service. Everyone is invited to stay and enjoy the fellowship.

The Choir Mother's Auxiliary will meet Tuesday evening at 8 o'clock at the home of Mrs. Kenneth McKnat with Mrs. Robert Masten as co-hostess.

The Cherub Choir will meet Wednesday immediately after school instead of Friday. The Chancel Choir will meet Wednesday at 6:30 and Cathedral Choir at 7:30 instead of Thursday.

The Chapel and Crusader Choirs will meet at their regular time, Thursday at 3:30 o'clock.

The Joint Holy Thursday Communion Service for Trinity and Asbury Churches will be held at Asbury Church Thursday evening at 7:30 o'clock. The service will be conducted by the pastors of both churches. All the people of both churches are urged to attend this service.

The Community Good Friday three hour service will be held Friday at Trinity Methodist Church from 12 noon until 3 p.m. with the Rev. Nelson Benjamin as host pastor. The words from the cross will be as follows: First word, the Rev. R. S. Gibson, Asbury Methodist; second word, the Rev. Mrs. Lorraine Ottinger, Church of the Nazarene; third word, the Rev. John R. Symonds,

St. Stephen's Episcopal; fourth word, the Rev. William Smith, Farmington Methodist; fifth word, the Rev. Ray W. Kirwan, Houston Methodist; sixth word, the Rev. Hugh Johnson, Felton Methodist; and seventh word, the Rev. William Miller, Pilgrim Holiness. Everyone is invited to plan his work so as to be able to attend at least part of this service.

Pilgrim Holiness Church Notes

Sunday School 10 a.m. Classes for all ages including a nursery, under the guidance of competent teachers. In observance of Palm Sunday appropriate token will be given to all who attend.

Morning worship 11 a.m. Song by the Young People's Choir. Pastor preaching on the theme: "The Royalty of Jesus Christ."

Pilgrim Youth Service 7 p.m. Youth topic will be "No Fool in!" The purpose of the youth service will be to show the wisdom of accepting the Gospel of Christ at face value, even though many people think it is to be foolish and old-fashioned.

Evening service 7:45 p.m. An inspirational service with an evangelistic appeal. The Rev. Miller will preach on the subject "Personalities at Calvary". Matthew 27:36

Those who received awards and gifts last Sunday during the observance of Family Sunday are as follows: The couple married the longest, Mr. and Mrs. Homer Sherwood Sr., 50 years; the couple married most recently, Mr. and Mrs. Clarence Murphy; the couple with the youngest child present, Mr. and Mrs. Charles Depew and infant daughter, Pamela Ann; the oldest mother present, Mrs. Sallie Dickerson; the oldest father present, Austin Bright.

In addition to this fine group who were honored, there were eight couples present at whose wedding the Rev. Miller had officiated. They received a gift from the pastor in observance of this occasion.

Word has been received this week that the Harrington Pilgrim Holiness Sunday School has been named the Sunday School of the month for the second consecutive time. The awards is given to the Sunday School in the Eastern Conference that has the highest numerical gain over the same month a year ago. According to the district Sunday School secretary, there are 42 schools reporting at this time.

Notices of the evangelistic services that will begin on Thursday, April 21, are being distributed in our community and surrounding areas this week. A cordial invitation is extended to our many friends in this area to attend these services. The officials of the local church have extended a call to the Rev. J. A. Grout Sr., pastor of the Pilgrim Holiness Church in High Point, N. C., to serve as evangelist for the series of meetings. Music and singing will be under the direction of Wesley and Virginia Chatfield.

The Rev. Grout's many years of pastoral experience should greatly aid the spiritual tone of these services. Services will be held at 7:30 each evening through Sun., May 1.

A Small Garden May Be Enough

A small vegetable garden will produce a wealth of fresh vegetables if it is well planned and cared for, and you can do it with less work than a big garden will make for you.

County Agricultural Agent George Vapaa claims it's awfully easy to plant large vegetable gardens in the spring. But it's difficult to care for them later on and often large quantities of vegetables go to waste.

A garden 30 by 50 feet will supply most families with an adequate supply of fresh vegetables throughout the season. The small area requires much less weeding and back straining work.

To do the best job on a small plot, the agent said several things must be considered. He listed these items:

1. Grow the right crops. Plant only vegetables the family will

enjoy. Skip plants that need a lot of space such as pumpkins and watermelons. Include vegetables that taste best when picked fresh such as lettuce and sweet corn.

Develop the best possible soil. Use limestone every three or four years and add as much humus as possible. Manure, rotted leaves, peatmoss, compost or any other type of humus is very helpful.

3. Plant at the right time. Cool season crops such as lettuce, radishes, onions and cabbage should be planted as early as possible. Warm season crops like tomatoes, peppers, and cucumbers can be planted in early May.

4. Make succession plantings. As soon as one crop matures remove it and plant a new one. Plant only enough at one time to supply your family while a crop is at the peak of maturity. Ten to fifteen feet of leaf lettuce is enough for one planting. The same amount of snap beans will supply the average family for several days. By making several plantings of snap beans two weeks apart you can keep a good supply going for some time. You can also make several plantings of sweet corn to extend the season.

5. Fertilize heavily. Apply fertilizer before planting and as a sidedressing later on. Put on 30 to 40 pounds per 1000 square feet of garden, before planting, with a fertilizer ratio such as 5-10-10. Then put on about one pound per 50 square feet along the rows while the crop is growing.

6. Control insects and diseases with sprays or dusts.

Above all, Mr. Vapaa said, ev-

ery man should consider that its best not to start a garden any larger that his wife can take care of.

Chicks Delivered To Ag. Students

The twelfth annual Junior Broiler Growing Contest got underway last week with the delivery of 6400 chicks to 128 4-H Club members and vocational agriculture students, according to Ray Lloyd, University of Delaware extension poultry specialist.

Each contestant received 50 banded chicks donated by 14 hatcheries in Delaware, Maryland and Pennsylvania.

Mr. Lloyd said the contest will be completed June 1 with a chicken barbecue and awards presentation at the Kent-Sussex Fairground.

Prizes will be awarded to the top 20 contestants. First prize is a trophy and \$25. Second prize is \$20; third, \$15; fourth, \$10; fifth through tenth, \$7.50; and eleven through twentieth, \$5.

George Bringhurst, chairman of the Delaware Poultry Improvement Association, which helps sponsor the event, said the enrollment is 128 this year, 11 more than last year.

Each county is well represented. Bringhurst said. New Castle County has 28 contestants, Kent County has 43 and Sussex County has 36 entries.

Each contestant will select seven cockerels from their flock and these will be evaluated by the judges May 31.

Armed Forces Notes

Marine Pvt. Homer Smith, son of Mrs. Charles M. Smith, of Route 1, Greenwood, took part in a huge amphibious landing exercise, March 22, on Formosa's southern coast with units of the Okinawa-based Third Marine Division.

The exercise, termed "Operation Blue Star", called for the Third Marine Division to assemble in the area on March 20 along with units of the Hawaii-based First Marine Brigade and U.S.-Republic of China navy, marine and air force elements.

Purpose of the operation, which comprised over 18,000 Marines and 70 Navy ships, was to promote closer working relations between U.S. and Republic of China forces in practicing the conventional and vertical assault type amphibious landings.

Delaware Turns Out For Benson

More than 800 Delaware agricultural leaders turned out to hear Secretary of Agriculture Ezra Taft Benson, at the combined Grange-Delaware Poultry Improvement Association awards banquet at Caesar Rodney High School Thursday night, March 31.

Commenting on the growing diversification of Delaware's agriculture the Secretary said, "some of you are in the potato business, general vegetable farming, dairying, beef cattle production, and, of course, poultry production."

This indicated that Delaware farmers have learned to adjust to change, he said. "I think it is fair to suggest that you are not particularly desirous of having either government or the Teamsters Union meddle in your business."

Then, looking back to his early days in the poultry business Secretary Benson said, "when I was a boy we never gathered eggs. We hunted eggs—and it was an apt phrase. In the strawstack, the machine shed, and in many other difficult and unlikely places we would find them, oftentimes beneath a defiant hen who had her own ideas about the hatchery business. Egg production per hen was low, some 110 eggs per year."

In those days the nearest thing to a broiler was the "spring chicken" caught to order from the farm flock.

Now annual egg production per bird has risen from 110 to over 200 eggs per year and commercial broilers produce most of our chicken meat, Benson said.

The poultry industry is changing and it is finding some difficulty in adjusting, he said. "I am deeply convinced that it is better for farmers to make adjustments for themselves than for government to attempt to make their adjustments for them."

"You cannot run the farms of this nation from a desk in Washington," he said.

Speaking of last year's egg price problems he pointed to the merchandising campaign the department of agriculture helped carry out.

"But we did not, and must not, put the government into the poultry business. The government has been in that business before in 1950 for example."

That program cost 190 million dollars and failed to support egg prices.

"We are helping the poultry industry to help itself with constructive measures that give producers freedom to make orderly adjustments."

Discussing bills recently introduced in Congress, Benson said, "You should know that these bills provide for controls over the production and marketing of virtually every agricultural commodity, all the way from dairy products to poultry and eggs, greenhouse nursery stock, fruits and vegetables—even mint!"

The passage of such a bill would require the hiring of so large an army of bureaucrats as to stagger the imagination.

On the wheat problem he said, "the costly wheat surplus is our number one national problem in agriculture it reflects gross meddling by obsolete governmental law. To put it bluntly, we are in a mess—a \$1000 a minute mess."

Congress drafted the program and only Congress can correct the situation, he said. Until Congress acts, agriculture will be burdened with too much government, too much politics and too little common sense.

Dean George M. Worrlow of the school of agriculture, University of Delaware, was toastmaster at the affair which he said was the largest audience he had ever seen representing agriculture in Delaware.

Two University of Delaware students, Michael Timko, Harrington, a senior majoring in horticulture, and Jeanne Carback, Seaford, a junior in the school of home economics, were awarded \$100 Grange scholarships by Dr. John A. Perkins, president of the university.

Three FA members and three 4-H Club members were presented with silver pins by the DPIA for their poultry project work. Bruce Rickards, Frankford, was selected state FFA winner and James Justice, Laurel, state 4-H winner. Other county FFA winners were: John Herring, Newark, and Wayne Currey, Wyoming, County 4-H winners were: Lea Tammi, Newark, and Frederick Wiebel Jr., Hartly.

Miss Nina Lou Ringler, Miss Delmarva XII, and Miss Doris Jarmon, Delaware Grange Princess, presented Secretary Benson with a turkey, and several broilers. Miss Lea Tammi, New Castle County DPIA award winner, gave the Secretary a basket of Delaware eggs.

Veterans News

Applications from Delaware veterans, widows or orphans for benefits under the new pension law which becomes effective July 1, 1960 are not being received in the volume that was anticipated. Leon Fields, manager of the Wilmington Regional Office said.

Many veterans, widows or orphans of veterans may be entitled to increased payments or they may be entitled to benefits for the first time commencing July 1, 1960. Mr. Fields urged that they not wait until the last moment for filing their claims in order that all claims may be processed immediately so that the initial payment under the new law may be made by July 31, 1960. It is estimated that 500 veterans, widows or orphans of veterans will be added to the present rolls under the new Veterans Pension Law.

The present law requires that a veteran if otherwise eligible may receive a pension only if his income does not exceed \$1400 if he has no dependents or \$2700 if he is married or has a minor child.

The new pension law, which becomes effective July 1, 1960, increased this maximum to \$1800 if no dependents and \$3000 with dependents and established a various income levels below these limits, he said.

Similarly higher income limitations will be provided by the new law in the case of widows who may earn up to \$1800 if childless or up to \$3000 if they have dependent children. If there are children but no widow, the child's income can reach \$1800 annually, not including his own earnings and he will still be eligible for pension. Full details of income and other eligibility requirements as well as assistance in reopening claims may be obtained at any VA office.

Food is Biggest Business in U.S.

Food is the biggest industry in the United States, according to Florence Y. Smith, county home demonstration agent. She said food sales by wholesalers, retail stores and restaurants add up to \$70 billion a year. The average value of food consumed per person in 1960 was \$400 according to U.S. Department of Agriculture marketing service figures.

Food Prices Stable

They say everything is going up but County Home Demonstration Agent Florence Y. Smith says this isn't true of food. Food prices have gone up only two percent since 1952. The average increase in price of other cost-of-living items has been more than 14 per cent during this same period, Mrs. Smith says.

How to Kill Your Organization

Are you unhappy with the way your organization is being run? Are you hurt because they didn't make you president by spontaneous acclaim County Agent George Vapaa has some suggestions you can put into action that will show them all! Here they are:

1. Don't come to meetings.
2. If you attend a meeting, find fault with the work of other officers and members.
3. Never accept an office or assignment—it's easier to criticize than to do things.
4. If asked to give your opinion regarding an important matter, say nothing. After the meeting, tell everyone how things should be done.
5. Don't bother to help get new members.
6. When a banquet is given, tell everyone money is being wasted on blow-outs which make a big noise and accomplish nothing.
7. When no banquet is given, say your organization is dead and needs a can tied to it.
8. If you receive a bill for dues, resign from the organization.
9. Don't tell your officers how they can help you—but if they don't help, resign.
10. Get all the assistance your organization gives, but don't give it any.
11. Talk co-operation for the other fellow with you, but never co-operate with him.
12. At every opportunity threaten to resign. Then get your friend to resign also.
13. When everything else fails, cuss your officers.

The agent advises all members of organizations to read this list carefully. It takes time and patronage, he says, to be a good member. So if this is the list of rules you are following, go to your next meeting and help change them.

WE'RE MEETING THE CHALLENGE
... with 130 Million Dollars!

Year after year, we have met the challenge of supplying adequate and dependable service to meet all the needs of this rapidly growing area.

Now, in 1960, we're taking a long look — projecting a five-year construction program totaling some \$130 million. Of this amount, some \$57 million is allocated for new generating facilities ranging from 66,000 to 150,000 kilowatts in capacity. More than \$23 million will be spent to extend service to new customers and to increase service capacity to present customers. Approximately \$11 million will be allocated for the expansion of our 138,000 volt transmission facilities.

The balance will provide new substations and a wide range of projects to meet future requirements for increased service throughout the Delmarva Peninsula.

This forward looking construction program expresses our faith and confidence in future growth of the area we serve. You can be assured that — as in the past — we will meet all the needs of a growing population and an expanding economy with ample service for everyone, everywhere on Delmarva Peninsula.

Trinity Methodist Church Notes

Of course we want Trinity Church to be of help to our people every week; we want our church to be a constant source of spiritual strength to our people. But we feel that we are in a position to be of special help during the coming Holy Week.

Christmas Evans, the noted Welsh preacher, once stated that "prayer is the rope up in the belfry; we pull it and it rings the bell up in heaven." To know that the bell rings and that its music can flood our lives is a great comfort to all of us.

On Wednesday evening, 7 o'clock, we will conclude our series of mid-week Lenten prayer services.

The average attendance at these prayer services has been good. We are looking for a good turnout for this Holy Week prayer service. Great men of all ages, have found prayer to be a source of great strength and comfort, including our suffering Saviour.

Holy Thursday evening Trinity and Asbury will unite, at Asbury, for the Holy Communion service. We as Christian believers are asked by our Lord to meet together and to partake of those elements of bread and wine which are symbolic of his broken body and shed blood.

Good Friday the service of The Hours will be held, from 12 o'clock to 3, at Trinity.

Seven ministers of our Harrington area will take part in this service; The first word, "The Word of Forgiveness", will be given by the Rev. Richard S. Gibson of Asbury Church; the second, "The Word of Pardon", will be given by the Rev. Lorraine Ottinger, of the Church of the Nazarene; the third, "The Word of Love", will be given by the Rev. John R. Symonds, Jr., St. Stephen's Episcopal Church; the fourth, "The Word of Loneliness", will be given by the Rev. William H. Smith, Farmington Methodist Church; the fifth word, "The Word of Human Need" will be given by the Rev. Ray W. Kirwan, Houston Methodist Church; the sixth word, "The Word of Triumph", will be given by the Rev. Hugh Johnson, Felton Methodist Church, and the seventh word, "The Word of Reunion," will be brought by the Rev. William H. Miller, Pilgrim Holiness Church. The organists: Mrs. Richard S. Gibson and Mrs. Ernest Raughley.

The Easter morning sun-rise service will be held at Trinity Church at 6 o'clock. Special music will be provided and the message will be brought by the Rev. Richard S. Gibson. Millions of people will attend the church of their choice this next week; they will receive the strength for their lives in the many special and regular services. Life today has its worries. The hymns of the church, the reading of the Bible in church, the up lifting sermons all these can help each of us.

Palm Sunday, April 10, 9:45 o'clock, Church School. Classes for all ages. Everyone welcome. William Jester, general superintendent. Virginia Shultie, Primary superintendent.

11 o'clock, Divine worship. All three choirs will sing. The Senior Choir will sing two selections under the direction of Melvin Brobst. The Intermediate Choir will sing under the direction of Mrs. Nelson Benamin and the Junior Choir will sing under the direction of Mrs. Samuel Mackert.

Alfred Mann will sing a solo, "The Holy City."

The Sacrament of infant baptism will be administered by the Rev. Benjamin.

The flowers in the altar vases will be placed there to the glory of God, by Mr. and Mrs. John Minner. Mr. and Mrs. John Minner will be the greeters at the door.

6 o'clock. The Intermediate Youth Fellowship will meet with Doug Moore in charge of the business meeting and Mrs. Randall H. Knox Jr. will lead the devotions.

7:30 o'clock, United Lenten services will be held at Asbury Church.

The Chancel Choir, under the direction of Melvin Brobst, will present a musicale. The Rev. Benjamin will bring a meditation. A coffee hour will be held after the evening service.

Monday evening the building committee will meet with Mr. Clendaniel, architect. The meeting will be held at the parsonage at 8 o'clock.

The O.U.R. Class will hold their regular monthly meeting Tuesday evening. Time and place of meeting will be announced.

The choirs will practice on Thursday night.

Sun. (April 17, Easter), will be membership Sunday. New members will be received at the 11 o'clock hour.

St. Stephen's Episcopal Church Notes

The Senior Choir sang the Communion Service last Sunday with Philip Holson, soloist, singing "The Agnus Dei", by H. Wilan.

Acolytes last Sunday were Terry Porter, Frank Fowler, Ray Porter, Frank Welch, Billy McColee, Robert Eastman, Bill Thompson, Clyde Perry.

Flowers on the altar Passion Sunday were given to the glory of God and for the wedding anniversary of Mr. and Mrs. Granville Hill by Mr. and Mrs. Augustus S. Raughley Jr.

Miss Lois Keim and Robert Eastman Sunday afternoon gave reports to St. Stephen's youth group on the Senior HiConference held at St. Andrew's School in Middletown, April 2. These two were the delegates chosen to attend the meeting as representatives of the Episcopal Young Churchmen of Harrington.

Easter Even, Sat., April 16, is a traditional day for the ministrations of Holy Baptism. Anyone desiring baptism on that day, or wishing information concerning it, is asked to contact the vicar or the office secretary, Mrs. Edward Brown.

The annual interdenominational Good Friday service will be held at Trinity Church, 12 noon to 3 p.m. with the local Protestant churches participating.

A meeting of the convention committee of St. Stephen's was held at the parish house Monday, 7:45 p.m., with Ernest Killen as chairman.

The church will again be decorated with lilies for Easter. Anyone wishing to give them as a memorial for Easter Sunday should contact the office before Monday of Holy Week.

The Rev. John R. Symonds, Jr. attended the Golden anniversary of the White House Youth Conference in Washington, D. C., March 27-31.

The two general themes were: "The World Around the Young" and "The Young in the World." Mr. Symonds took part in a workshop dealing with "environment," and his group specifically considered the "Improvement of Suburban and Exurban Environment through Physical and Social Planning."

The first White House Conference on children and youth was called by President Theodore Roosevelt in 1909. The meeting has taken place again every ten years subsequent to this date. Its findings have been the motive force behind establishment of the Children's Bureau and Women's Bureau - both now in the Department of Health, Education, and Welfare. President Eisenhower was honorary chairman of the 1960 conference. Of the 7000 delegates one-fifth were youths.

Palm Sunday, service at St. Stephen's will be 8 a.m., 9:30 a.m., 11 a.m., and 7 p.m. Palms will be distributed to the congregation at each service.
