LEGION TO OBSERVE MEMORIAL SERVICES SUNDAY

Callaway-Kemp-Raughley-Tee Post No. 7, American Legion, will observe memorial services in church and at Hollywood Cemetery.

There will be a joint memorial service at Asbury Methodist Church Sunday at 11 a. m., with the post and its auxiliary having been invited. The groups will meet in front of the church at 10:45 a. m. and enter the church in a body.

The post and its auxiliary will conduct memorial services at Hollywood Cemetery at 10 a. m., Tuesday, Memorial Day.

The high-school bands, Girl and Boy Scouts, and a firing squad from the local guard unit will parade with the Legion and its auxiliary.

The parade will begin promptly at 9:45 a. m., from the place of assembly at the old Hammond Farm.

There will be an installation of unit and post officers Sat., June 3, at the Legion Home on U. S. 13. Social activities begin at 6:30 p. m., followed by a covered-dish supper. Each couple is requested to bring a covered dish. The remainder will be furnished.

The installation of officers will be handled by L. Gooden Callaway, commander of the Department of Delaware, and Mrs. Clyde Tucker, president of the state auxiliary of the Legion. Both are members of the local post.

H.H.S. 2nd In Six Team League Track Meet

By Keith S. Burgess

Coach Jim Hawpe's Harrington High Track Lions finished second in the Henlopen Conference title meet held at Millsboro on Wednesday afternoon. The locals had won this meet for the first three years of the league's existence and missed by a scant seven points in their bid for four straight victories.

Millsboro, the new champion, was aided greatly when a Harrington runner fell on the rough track during a key race, the 440 relay. Two or three questionable rulings in other events also hurt the Lions.

Harry Knotts was a double winner in the 880 and the mile setting a new conference record in the former. Bob Gillette is the owner of a new league mark in the javelin and also had the best discus toss.

George Pfeiffer won the high jump with a leap of 5 ft. 9 in. This ties the Henlopen meet standard and is a new H.H.S. school record. Pfeiffer was second in the broad jump.

Bill Porter missed winning the shot put by a margin of 1 1/2 inches. Kenn Hoffman was second to Gillette in the javelin. Dwight Hackett was second to Knotts in the 880.

In the junior high section the locals were landslide winners as they wound up unbeaten for the second straight year.

Barry Fry set new conference marks in winning the high jump and 220 yard dash. He also ran on the winning 880 relay team with Richard Schriber, Charles Taylor and Lamar Beene. Schriber leaped 17 ft. 7 1/2 inches to set a new broad jump standard. Taylor was second in the 50 and 100 yard dashes.

Bob Smith again breezed home first in the 880 as he outclassed Cox of Milton, who had finished ahead of the Harrington eighth-grader in Smith's only losing effort this year.

Wayne Carson ran a strong race in finishing third. Carson was in contention all the way instead of making a late bid as in his earlier starts. Smith's time cut 12 seconds off the league mark.

Ron Melvin was second in the junior high shot put.

Milford Sailor Will Attend Postal School

Ronnie Richard Wyatt, 19, completed his recruit training at the Naval Training Center, San Diego, Calif. He is home on leave with his parents, Mr. and Mrs. James C. Wyatt, 217 S. Walnut St., Milford.

Ronnie will return to the West Coast and commence eight weeks of special training in the Navy Postal School. After this course he hopes to be assigned to the U.S. Iwo Jima, a new carrier to be commissioned in August.

Ronnie was enlisted by Chief J. T. Filip and is aiding the Dover Navy Recruiting in his recruit campaign.

Biggest Year Ever For Milford Hospital Fair

The fair committee wishes to thank all those who contributed their time, energy and support to Milford's Fourth Annual Hospital Fair Sat., May 20. Because of the increased interest and enthusiasm of all who participated, the day was a huge success and receipts far exceeded previous years. The funds turned over to the fair committee to date indicate a profit of about \$3500 which will be used for operating room equipment, the chosen project for this year's fair.

Clear weather prevailed and at 10 a. m., the flag was raised by two Senior Girl Scouts, Miss Bonnie Hoey and Miss Carolyn Ricker. The Milford High School Band played the National Anthem and several other selections following the ceremony.

Two new food booths were introduced this year and proved very popular. Donuts and gingerbread men sold out completely (200 gingerbread men were made by Mrs. Kiel's Home Economics Class). Pizza Pete continued to bake his pies for the youngsters at the Sneaker Hop until after 10 p. m. The barbecued chicken was "rained out" last year, if you recall. This year all of the chicken was cooked and sold—over 700 platters.

The new booths constructed for the fair were a treat to see and added much color to the festivities. Musical entertainment was plentiful. Miss Starr Jewell's organ selections set a grand mood. The Diamond State Twirlers drew a large audience to watch their exhibitions of square dancing and the little first graders were adorable as well as talented. Some very fine local talent was on display at the Stepladder Art Exhibit and a good number of paintings sold. As usual, the pony rides and games attracted young and old providing fun, prizes and exercise.

Little Miss Ann Fisher, daughter of Mr. and Mrs. W. Paul Fisher of Marshall Street, Milford, won the title of Miss Milford Hospital Fair. The beauty contest inaugurated this year for the first time will be repeated again. Mrs. Hallett Vinyard was the winner of the oil painting to be done by Mrs. Vincent M. Acko. From the gift shop, Mrs. Donald Howie won a flower arrangement.

All of the booths surpassed the efforts of previous years in what they had to offer as well as the returns on their sales. It is very rewarding to those who contributed their time and energy to this community endeavor to see it so well supported and enjoyed by all.

Reapplication Necessary to Get Surplus Food

Edgar Hare Jr., director of the Department of Public Welfare, announced Monday that all people who have been receiving surplus foods, other than persons getting public assistance or relief, must reapply every four months if they want to keep on getting the surplus foods. At the end of four months their names Matthews Community Center, etc. make another application if they still want the foods.

Mr. Hare stressed that this does not apply to persons getting public assistance or relief. They automatically get their food cards as long as they are getting relief. However, if they go off relief they must apply for surplus foods if they want them.

All persons not on relief who applied for surplus foods during the month of February must apply again not later than June 20 if they want to get surplus foods in July and later months. They may reapply at the same place where they applied in February, or they may go to almost any church in the state, or to any fire company in Kent County, or in Wilmington to the Red Cross, Salvation Army, Catholic Welfare Guild, Peoples Settlement, Kingswood Community Center, Christina Community Center, West End Neighborhood House, St. Matthews Community Center, etc.

All people who intend to reapply for surplus foods are urged to do so promptly. Reapplications must be received by the Department of Public Welfare not later than June 23, 1961 to be processed for July food distribution.

The Old And The New of Greenwood Little Misses

The new queen, Robin Lynn Willey, four-year-old daughter of Mr. and Mrs. Morris Willey, will represent Greenwood in the Delmarva Chicken Festival in Seaford, June 15-16-17.—Photo by Samuel Mackert.

Wear A Poppy - America's Silent Tribute To Her Heroes

The American Legion Auxiliary announced today that 1961 Poppy Day will be observed here Friday and Saturday, May 26 and 27. The traditional Wishing Well will again be placed on Commerce St. Friday morning to begin the program.

Auxiliary Poppy Chairman, Mrs. Don Dell, said the annual observance is held to honor the more than 500,000 Americans who died, and the nearly 1,000,000 Americans who were wounded, in both World Wars and the Korean Conflict.

"Memorial poppies, made by disabled veterans of this country's past three wars, will be worn both as a memorial to our war dead, and as tribute to the disabled."

The American Legion Auxiliary said Poppy Day has one basic purpose—to provide a personal means of honoring the nation's war dead. Volunteer workers from the Auxiliary and Junior Auxiliary have donated their time to hold this annual program. Watch for these workers and buy and wear a Poppy.

Auto Stunt Drivers To Open 42nd Fair

The 42nd annual Kent-Sussex County Fair will open on Saturday night, July 22 with a "Thrill Show." Opening on Saturday night, presenting a show Sunday afternoon and evening breaks the 41 year precedent of past years when the fair got under way on Monday.

One of the nation's top auto daredevil acts, Jack Kochman hell-drivers, will be the featured attraction for Saturday night at the Fair. The 28-stunt hour and forty-five minutes performance will include such classic, high speed thrill maneuvers as the bone-crushing "t-bone" crash, the two-wheel drive and the famed reverse spin.

High spot of the program will be a ramp-to-ramp "flight" of a standard model 1960 convertible, which will hurtle over 70 feet through the air.

The Kochman coterie of 22 persons includes five of the nation's top stunt drivers, a team of acrobats, mechanics, clown and ramp assistants.

The program features nine 1960 stock model cars, old automobiles used in crash and rollover maneuvers, three trucks and a giant flatbed trailer. Equipment used in the performance is valued at over \$100,000.

Kochman's stunt driving program seen by over one million persons at close to 200 shows annually, was originated in 1942 when Jack Kochman took over management of the driving display from the late "Lucky" Teetler. From a clown with nerves of steel to an announcer with a machine-gun delivery—the Jack Kochman Hell Driver performance is a blend of a variety of skills.

Mr. Pierson said that Delaware health officials have been aware for several weeks that more new cases of TB than usual were being uncovered. A similar situation throughout the state was revealed earlier this week at the annual meeting of the National Tuberculosis Association in Cincinnati.

4-H Short Course June 18-21

A chicken barbecue will be one of the many highlights of the 1961 4-H Short Course, held annually on the University of Delaware campus, June 18-21, according to Jim Baker, State 4-H Club leader.

On the more practical side, classes will include money management and science sections as well as food preparation, sewing, livestock, entomology and leadership classes, Baker said.

The program is especially designed to offer training to older 4-H Club members interested in (Continued on Page 8)

School Board Has Busy Meeting

At the regular May meeting of the Harrington Board of Education of Harrington Special School District held Wednesday evening, the following business was transacted:

1. Approval of a policy by which no requests for room assignments would be honored except in cases of emergency, or special conditions, and approval of publishing assignments at the opening of school in September.

2. Approval of a policy by which each senior class will designate the school account to which any of its remaining funds will be donated after all of its bills have been paid.

3. Approved the formula in HB 153 for the method of computing school bus driver reimbursement, but disapproved the section of the bill which removed control of the transportation contracts from the State Department of Public Instruction.

4. Authorized the superintendent to ask for bids for a fire escape to be built on the 1912 building.

5. Approved the purchase of playground equipment.

6. Approved the school calendar for 1961-62.

7. Accepted the bid of Mrs. Thomas H. Brown for the purchase of the Kesler Farrow house on the ground recently purchased by the school district.

8. Authorized the preparation of specifications and request for bids on repair of roadway and improvement of the playground area and screening of the windows of the field house.

9. Approved the school budget for state and local funds for the 1961-62 school year.

10. Authorized the advertising of the Frank O'Neal house to be sold to the highest bidder.

Legion Pool to Open Tomorrow, If Weather Permits

The new swimming pool of Callaway-Kemp-Raughley Tee Post No. 7, American Legion, will open this weekend, weather permitting.

Pool membership fees are now due. Membership with pool privileges for a Legion member is \$35. Social membership dues are \$50. These dues can be paid on an installment plan, with one-half now and the remainder payable on or before the last day of June.

Any information regarding pool membership can be secured from the Pool Committee comprising L. Gooden Callaway, Leonard Horleman, Benjamin Hughes, and Mrs. Gladys Hurd.

Greenwood to Build Post Office

The post office department is asking for bids to build and lease to the department a Post Office at Greenwood, according to Congressman Harris B. McDowell Jr.

The building will be on the southeast corner of Market and Hill Streets. The size of the location is 82,220 square feet; a loading platform will contain 300 square feet. There will also be a paved parking area.

A lease to the successful bidder will be for ten years, with five five-year renewal options. Bids will be opened June 26.

Peggy Jean Moore Makes Society At U. of Delaware

Miss Peggy Jean Moore, daughter of Mr. and Mrs. Preston Moore, of Harrington, was elected to the Kappa Delta Pi, an honorary fraternity devoted to the interests of scholarship particularly in education. Miss Moore is in the Junior Class at the University of Delaware.

Peggy Jean was valedictorian of the class of 1958 at the Harrington High School where she pursued a commercial course. She is majoring in elementary education at the university. To be selected for this honor denotes the excellence of scholarship, especially so to be chosen in the junior year.

Rt. 14 Crash Injures Two

Two motorists were injured, one seriously, in a head-on collision on Route 14 less than a mile west of Harrington Monday.

Most seriously hurt was Charles Harris, 37, of Harrington, who suffered deep lacerations of the face and mouth. He is in the Milford Memorial Hospital.

Earl Knotts, 55, also of Harrington, was treated at the same hospital for lacerations of the face and contusions of the chest. Both were taken to the hospital in the Harrington Fire Company ambulance.

State police said Harris was traveling east on 14 and was on the wrong side of the road when his car collided with Knotts' vehicle, going in the opposite direction. Both cars were badly damaged, police said.

Lumber Office Is Ransacked

The office of the Felton Lumber Co. was ransacked Sunday night, but a clerk said "very little is missing."

The intruders removed a lock-latch on the rear door and then smashed a window to get inside the office.

State Police at Bridgeville were investigating.

Delores Brown Qualifies For Training Program

Delores Brown, daughter of Mr. and Mrs. Thomas E. Brown, has been selected for the DuPont academic stenographer training program at Goldey Beacom School of Business. This is a highly competitive program. One hundred fifty-one applicants from a four-state area competed for this year's selection. Miss Brown was one of the 30 chosen for the program. To be elected, the applicant must have pursued a college preparatory course.

The DuPont academic stenographer training program is designed to recruit and train well-qualified stenographers and secretaries for employment by the DuPont Company. Selected applicants work four hours a day in nearby company offices and attend Goldey Beacom four school weeks.

The girls are paired — one works in the morning while her partner is in school. In the afternoon, they reverse their occupations.

Miss Brown will graduate with honors from Harrington High School June 13.

Webster Improved After Second Operation

Edwin Webster, chief clerk in the local office of the Pennsylvania Railroad, underwent a second operation Friday in a hospital at Nassawadox, Va. He is much improved as of Wednesday.

Sarah Graef Weds Sgt. Dilmus Brown

In a candlelight setting of palms, white gladiolus and white chrysanthemums Miss Sarah Margaret Graef became the bride of Staff Sgt. Dilmus C. Rogers in the Chapel of the First Methodist Church, Denton, Md.

The bride is the daughter of Mr. and Mrs. Edgar I. Graef, Staff Sgt. Rogers is the son of Mrs. Myrtle E. Rogers and the late William David Rogers of Birmingham, Ala.

The double ring ceremony was performed Saturday, April 29, at 2 p. m. by the Rev. Otto Brewer, pastor.

The bride, who was given in marriage by her father, wore a ballerina length gown of white nylon lace. It was fashioned with a scalloped sabra neckline and long pointed sleeves. The bouffant skirt featured a wide back insert of white satin with a large bow and scalloped hemline. Her matching lace Mantilla was held by two small satin bows and she carried a sheath of white roses, gladiolus and baby's breath with lace and satin streamers tied with lovers knots and entwined with sprigs of ivy.

The bride's matron of honor and only attendant was Mrs. Brooks Lee Sterling of Salisbury, Md. Her ballerina length gown of maize silk chiffon was styled with a sleeveless bodice. A matching stole was caught in front to form a cowl neckline. She wore a white quilted headband with a circular veil and carried a nosegay of white pom-poms centered with deep green pom-poms.

Staff Sgt. M. D. Riley of Kearney, Neb., served the bridegroom as best man. Ushers were Staff Sgt. H. S. Williams of Cheyenne, Wyo., and Edgar Lee Graef, brother of the bride.

Mrs. Genevieve R. Palmer of Denton played the wedding music and accompanied the soloist, Kenneth Hoffman, who sang "Because" and "The Lord's Prayer."

The bride's mother wore a ballerina length shirtrwaist dress of Dior blue silk chiffon with hot pink accessories and a purple orchid.

A reception was held at the home of the bride.

The bride is a graduate of Wicomico Senior High School, Salisbury, and is employed by I. C. Isaacs and Co. of Milford.

Staff Sgt. Rogers is currently stationed at Dover Air Force Base.

They expect to leave in July for Germany where Staff Sgt. Rogers will be stationed. Until then they are at home at 308 Weiner Avenue.

Some 450 persons had made reservations, thru Wednesday evening, for the fifth reunion of the Harrington High School Alumni Association which will feature a banquet and dance tomorrow evening at the school.

The banquet will begin at 6:30 p. m., in the cafeteria, with the doors to open at 6 p. m. Donald Kent will be host.

The banquet will open with an invocation by Albert W. Adams, superintendent of Harrington schools. Seniors Dwight and Patricia Hackett will lead the group singing. Selections will be given by the High School Choral Ensemble, accompanied by Melvin L. Brobst.

For the first time, an attendance banner will be placed on the table of the class, excepting the honored classes, having the greatest attendance. The banner will not be in the permanent possession of any one class.

Another first, for the alumni association, will be the awarding of a scholarship which, this year, will be for \$200. The name of the recipient will be revealed at the banquet. The association hopes to award a scholarship annually.

Classes to be honored are the Senior Class, with 49 members, for the largest senior class in the history of the school.

The other honored classes are those of 1911 and 1936.

The dance will follow in the Field House at 9 o'clock. Lou Parris' orchestra will furnish the music.

Memorial Day Parade To Be Held Here Tuesday

The annual Memorial Day Parade will take place next Tuesday, May 30, immediately following the ceremonies at the Hollywood Cemetery, and will form at the Shopping Center at approximately 10:45 a. m. and will move shortly thereafter. All units are requested to report at that time.

The parade through town will consist of the following: Harrington patrol car, color guard, Grade School Band, Cub Scouts and Boy Scouts, Junior High School Band, Brownies and Girl Scouts, Senior High School Band. Other units who care to join in the parade are cordially invited to do so in order to make the procession an impressive one. All units will be in charge of their respective leaders.

In case of rain, the parade is cancelled.

24 High Schools Enter State Track Meet

Entries have been received from 24 high schools and 21 junior high schools for the 46th annual Delaware Interscholastic Track Meet at the University of Delaware on Saturday.

Jimmy Flynn, Delaware track coach and meet director, said a record number of 389 athletes have been entered in the two divisions.

The number will be pared down considerably by the first race on Saturday afternoon, however. The seeding committee of the Delaware State Track Coaches Association met Wednesday night at 7:30 p. m. in Carpenter Field House to pick the top 12 entries in each event.

Trials will begin Saturday at 10 a. m., followed by the finals at 1 p. m.

High school entries received are Claymont, Dickinson, P. S. duPont, Harrington, William Henry, Howard, William C. Jason, Laurel, Milford, Millsboro, Caesar Rodney, Seaford, Wilmington, John M. Clayton, William Penn, Alexis I. duPont, Mt. Pleasant, Tower Hill, Conrad, Archmere, Newark, Brandywine, Dover and Salesianum.

Rocket Success

On May 17, the Harrington Science Club successfully launched a solid-fuel rocket. The rocket was fired at 2:15 p.m. Motor burn-out was at T13 seconds, and about 12,202 millimeters up. The maximum velocity was 6,080.00 millimeters per second. The rocket traveled 15,240 millimeters into the troposphere and the point of impact was about 15,000 millimeters downrange.

F.F.A. to Elect Officers

The present F.F.A. officers of the Cyrus McCormick Chapter are going to serve as a nominating committee who will present a slate of nominees to be voted on at the next meeting.

Also, the boys are going to Garland Lake on a picnic after the last day of school.

Sophomores Write Essays

Description is necessary when writing book reports, essays, and also when speaking. This is what Mr. Fox is teaching in his 10th grade English class. The class is writing descriptive essays on various subjects.

Bands to Play Memorial Day

The three bands, Senior High, Junior High, and Grade School of Harrington High are working hard in order to prepare for the Memorial Day parade on Tuesday, May 30. The day will begin at the cemetery. There the Senior Band will play. Then the Senior Band goes to the Shopping Center where the parade forms. The parade will then go on through town as it has done in previous years.

Dance Success

The dance sponsored by the Nurses Club of the high school was a social success if not entirely a financial one.

Records supplied the music and Bonita Porter did imitations with the records.

Solar Energy and Green Plants

"Solar Energy and Green Plants" has been the subject of study for Mr. Horst's 9th grade classes. As an assignment the students were to keep a chart about weather conditions including the temperature, relative humidity, barometric pressure, and the weather. The students were to keep this record for a week to see the changes from day to day. The week is from May 19 to May 26. Along with this the students were to draw the hygrometer.

Pfeiffer Wins Rodeo

George Pfeiffer, a senior at Harrington High School, won first prize in the car rodeo Sun., May 21, back of the school. George won a large trophy.

Billy Parker placed second and Robert Eastman placed third. They both got smaller trophies.

All students who were eligible had to have their licenses.

First Grade—Mrs. Marvel

Angelika Larrimore showed us pictures of the Pan-American Jet which brought her from Germany to New York last winter. One picture was of the interior of the plane and the stewardess was serving food. Angelika explained how a button was pushed and the table would come down in front of the passengers. She could push another button and the seat would go back for a bed. It was interesting to hear her tell about fastening the safety belt when they were going to land.

Angelika had a book of "Snow White and the Seven Dwarfs" and she could read part of it in German.

Rosemary Carter brought some tadpoles and we hope they will live so we can see them grow legs and maybe turn into frogs.

John Curtis brought a top satellite launcher and we counted down for him to fire.

St. Stephen's Episcopal Church Notes

Mesdames Frank Fowler, William Hearn, Robert Nelson, Walter Winkler, and George Thompson attended the annual spring meeting of the Episcopal churchwomen, Diocese of Delaware, at All Saints' Church, Rehoboth, on May 18.

The session began at 10 a.m. with Holy Communion celebrated by the Rt. Rev. J. Brooke Mosley, bishop of Delaware, assisted by the Rev. Richard S. Bailey, rector of All Saints', and the Rev. Quay D. Rice, of St. Martin's-in-the-Field, Selbyville.

The Rev. William H. Kryder, rector of Calvary Church, Williamsville, N. Y., spoke on "Ecumenical Relations." He stated that attempts to bring about unity go back many years, but progress has, of necessity, been slow. He cited the United Church of India as an example of unity, where Methodists, congregationalists, Presbyterians, and Anglicans have joined to form a single church.

Bishop Mosley installed new Diocesan officers: Mrs. H. Gibbons Young, personnel chairman; Mrs. Robert Mapes Dodge, vice-president, Sussex County; Mrs. M. Davis Truax, treasurer; Mrs. Lewis B. Flink, United Thank Offering custodian; Mrs. H. E. Clendaniel, Christian Education chairman.

Mrs. Eldridge Y. Prettyman, Milford, president of the Episcopal Churchwomen, urged any parishes that had not already participated in the migrant fund drive to contact Mrs. Mosley or Mrs. Latham for information.

Each church of the diocese with representatives present at the meeting answered the roll call and announced the amount of its May pledge, which sum will be sent to the Rt. Rev. Richard R. Emery, Bishop of North Dakota, for his work with the American Indians.

Following the business meeting, luncheon was served at the Memorial House.

Flowers in the sanctuary on Whitsunday were given to the glory of God by Mr. and Mrs.

Andrew Subashi.

The Honorable Elbert N. Carvel, Governor of Delaware was guest speaker at St. Stephen's on Whitsunday. Following the 11 o'clock service, an informal reception in his honor was held in the parish hall.

Two new flags carried in the procession last Sunday were dedicated by the Rev. John R. Symonds, Jr.

These flags, gifts of Archie and Mae T. Ford, former communicants of St. Stephen's, were given to the glory of God and in loving memory of the donors' mothers as follows: The American flag, Sarah Jane Ford, 1860-1939; the Episcopal Church flag, Elizabeth Agnes Toner, 1859-1931.

The congregation of St. Stephen's is offering congratulations and good wishes to Mr. and Mrs. Andrew Subashi on the birth of their son, Timothy Andrew, on May 16, at the Staten Island Hospital, Staten Island, N. Y. Congratulations are also in order for the maternal grandparents, Mr. and Mrs. Thomas Clendenning, and to Master Eddie Subashi, brother of the new baby.

Among those who served as acolytes last Sunday were Franklin Fowler, William McColley, Billy Porter, Robert Eastman, Charles McNally, Walter Rogers, Dennis Bradley, Tim Strohl, Roy Porter, Frank Welch, John Creasy.

"Coffee time" hostesses scheduled for May 28, Mrs. John French and Mrs. David Ryan.

On Trinity Sunday, May 28, there will be Holy Communion at 8 a.m., holy communion and sermon at 11 a.m., Evensong at 7 p.m., church school at the usual time, 9:30 a.m.

At Camp Arrowhead on Rehoboth Bay, June 18 to June 22,

Felton School News

Memorial Day Services

Traditional services in observance of Memorial Day will be conducted on the south campus at Felton School on May 30. The high school band, under the direction of M. Ross Evans, will lead the parade of civic, service, and veteran organizations. The parade elements will assemble on High Street, each of Church Street, for the parade to the school grounds. The route of march will follow west on High Street to Walnut Street, south on Walnut Street to Main Street, then east on Main Street to the school grounds.

Organizations scheduled to participate in the parade and the ceremonies include the V.F.W. Post 6009 and its Auxiliary, Felton Fire Company and its Auxiliary, Felton Boy Scouts, and Felton Cub Scouts.

The Memorial Day service, at a simulated grave will be conducted by Felton Veterans of Foreign Wars under the direction of Commander Robert Sherwood. Organizations participating in the parade will present floral tributes, and the firing squad will salute the dead of past wars. Miss Joyce Kemp and Albert Gerardi will sound taps. The high-light of the ceremonies will be the presentation of a new fifty-star flag by Commander Sherwood to Student Council President, Robert Edwards. The high school band will play the national anthem as the new flag is hoisted and the assembly stands at attention.

Legion Jr. Aux. Officers Installed

An initiation service was conducted on Saturday evening at the American Legion Post Home, Harrington when 17 members of the Junior Auxiliary of the American Legion Auxiliary were welcomed into the membership. Many of the girls have been members for several years, but had not participated in the initiation service before. Mrs. Clyde Tucker, state auxiliary president, conducted the program. Those who received the initiation were: Bobbie Creadick, Sue Ellen O'Neal, Debbie Schepp, Diane Smith, Peggy O'Neal, Nancy Callaway, Joy Anderson, Angela Minner, Debbie Swain, Jeanne Lee Anderson, Karen Minner, Sharon Hopkins, Bonnie Tucker, Bonny Matthews, Branda Hurd, Pat Smith and Sylvia Outten.

A dinner was served to the group at 6:30 by their Junior Advisor, Mrs. Don Dell and Mrs. Jarvis Hurd, president of the senior group. Assisting with the dinner were Mrs. Tucker and several of the mothers.

April Shows Decrease In Auto Accidents

There was a decrease of one in the number of accidents, involving damage in excess of \$100, reported to the Financial Responsibility Division of the Motor Vehicle Department during the month of April as compared with the same month of last year.

The reports indicated that 430 of the accidents reported during April took place in Wilmington and New Castle County, a decrease of four over the same month of last year.

Kent County had 40 of the accidents, a decrease of 9 over April of last year, and Sussex County had 65, an increase of 12 over the same month of last year.

Of the drivers involved in the accidents reported during April, 145 were from out of the state and 125 had no insurance. There were a total of 195 persons injured in these accidents.

Damages reported as resulting from the accidents in April totaled \$199,455, a decrease of about \$22,000 over the damage reported during the same month of last year.

During April 121 motorists had their operational and registration privileges suspended in this state for failure to comply with the Financial Responsibility laws.

John M. Darling

John M. Darling, 97, died May 12 at the home of his daughter, Mrs. Wilson Holden.

Born near Felton, Mr. Darling lived in this area most of his life and was a farmer. He is survived by another daughter, Mrs. John Gorman, Kennedyville, Md.; two sons, Elijah, of Viola, and Kennard, of Harrington, 27 grandchildren, 37 great-grandchildren and 6 great-great-grandchildren surviving.

Funeral services were held May 15 at 2 p.m. in the Boyer Funeral Home, Harrington.

Farmers Plotting Weather

Seventeen farmers scattered over Kent County are helping the Extension Service of the University of Delaware and the Soil Conservation Service of the Department of Agriculture gather weather data. The object is to learn how weather facts can provide better hay and lower cost potatoes and corn, says George Vapaa, the agricultural agent.

Fourteen of the farmers will try to establish the pattern of rainfall in the county as it relates to the quality of alfalfa hay. These names are: Charles Blendt, Smyrna; James L. Mitchell, Smyrna; George Fischer, Smyrna; Samuel Dixon, Clayton; A. Bailey Thomas, Dover; William Parker, Harrington; Reynolds Robbins, Frederica; David Robbins, Milford; Isaac Thomas, Marydel; Francis Thomas, Marydel; Woodrow Haas, Wyoming; Dwight Shuster, Clayton; G. Wallace Caulk, Woodside; Ellwood Gruwell, Felton; Samuel R. Tome, Dover.

Cows Affected By Hot Weather

Everybody is uncomfortable when the Weather Bureau discomfort index hits 79. "Everybody" include the cows, Kent County agent George Vapaa says. In fact, summer shelters for dairy herds should be designed to keep the discomfort index, which is a measurement of the combination of heat and humidity, at 75 or less, Mr. Vapaa says.

A three-year study at the University of Missouri on the effects of temperature and humidity on Holstein cows—in U.S.D.A. climatic laboratories—showed that when temperature and humidity are too high, feed consumption and milk production drop.

The study indicates the minimum shelter requirements needed to maintain milk production during a hot summer.

Cows should be kept where the temperature - humidity combination produces a discomfort index of 75 or less. Such a discomfort index gives a maximum range

George Bringhurst Dies Suddenly

Funeral services were held Saturday for George M. Bringhurst, 57, chief poultry and egg inspector of the State Board of Agriculture, who died suddenly at his home at Viola Wednesday night.

The Quaker service at 2 p.m. was from the Berry Funeral Home in Felton. Burial was at Barratt's Chapel cemetery.

William C. Torbert Jr., Kent County coroner, said Mr. Bringhurst died of a heart attack.

Survivors include his widow, Mrs. Viola M. Bringhurst; two brothers, Dr. Louis Bringhurst, West Chester, Pa., and Joseph Bringhurst, Fairfax, Wilmington; and two sisters, Mrs. Burt Glidden, Denver, Pa., and Mrs. T. Clayton Cleaves, Dover.

Mr. Bringhurst was a member of Union Lodge No. 7, AF&AM, Dover; the Delaware Consistory of Wilmington; and the Dover Kiwanis Club. He was a past president of the Dover Club as well as a past lieutenant governor of the Seventh District of Kiwanis.

He was also a director of the Delaware Poultry Association.

As a boy Mr. Bringhurst resided on Fleming Street, in Harrington, where his father was a physician. The family later at Felton.

Soil Acidity Corrected By Liming, Says Agent

Are there robbers in your field? Many farms harbor a thief called "soil acidity." Is this their hidden on your farm, stealing your money?

County agent George Vapaa, stressed the fact that too many farmers let the soil acidity thief steal their money when they could kill him by applying lime. "The acidity problem is serious in Kent County because few farmers are using enough lime," Mr. Vapaa said. "Many soils are so acid crop yields are low."

Let's take a look at lime—the means for stopping soil acidity. What happens if there isn't enough lime in the soil? Your crops will not grow normally. Acid soils never rest; they work night and day taking away your profit and threatening your future.

Just how does liming pay? It pays you in many ways: It adds organic matter, it increases the tilth of your soil, it makes for more and better crops, and healthier and more profitable livestock. Limestone used according to soil test directions can return better than \$8 for every \$1 spent; with some crops lime make the difference between success and failure.

No individual can steal profits from your soil—but soil acidity can. You will profit by testing your soil today and applying the amount of lime needed to bring it up to the proper pH. Stop acid soils from robbing you of your profits.

Mr. and Mrs. Harry Kolb of Wilmington and Mrs. Elizabeth Wilson of Harrington were Sunday guests of Mrs. Anne Sharp.

Mrs. Raymond Lewis and Mrs. William Duerr visited Johnnie Cahall at the Delaware Hospital last Saturday.

There was a large attendance at the farewell party given for the Rev. and Mrs. Johnson Monday evening.

Armed Forces Notes

Cadet Robert N. Gilliam, 24, son of Mr. and Mrs. Lionel C. Gilliam, 838 E. Loockerman St., Dover, will be graduated June 7 from the U. S. Military Academy at West Point, N. Y.

Cadet Gilliam will be commissioned a second lieutenant in the Air Force and will receive a bachelor of science degree. At West Point he was active in chapel acolytes, glee, Hi-Fi, camera and French language clubs, the rocket society, and was a member of the staff of Howitzer, the academy's yearbook. He was also active in baseball.

Appointed to the academy by Senator John J. Williams (R-Del.) Gilliam was a cadet sergeant during his senior year.

Gilliam is a 1955 graduate of Dover High School and attended Georgia Institute of Technology in Atlanta.

Specialist Five Elmer L. Mosley Jr., 25, whose wife, Delores, lives at 2125 N. Second St., Fort Smith, Ark., participated in Exercise Mayflower, a Seventh U. S. Army medical field training exercise in the Stuttgart-Munich area of Germany May 6-13.

Mayflower was designed to test the combat readiness of surgical and evacuation hospitals, medical clearing companies, wheeled and aerial ambulance units and Seventh Army medical support units. In order to add realism to the training, make-up men prepared "patients" to simulate burns, traumatic amputations and other battlefield injuries. During the exercise, 1,000 "patients" were evacuated more than 150 miles from the point where they received their "injuries."

Specialist Mosley is assigned as an X-ray technician at the 128th Evacuation Hospital, which is regularly located in Stuttgart. He entered the Army in November 1952 and arrived overseas on this tour of duty in August 1960.

Mosley, whose parents live on Route 2, Milford, is a 1952 graduate of Delaware State High School, Dover.

Recruit Carolyn L. Drummond, daughter of Mr. and Mrs. Lawrence A. Drummond, Denton, completed eight weeks of basic military training at the Women's Army Corps Center, Fort McClellan, Ala., May 17.

Recruit Drummond received drill and physical fitness training and instruction in Army history, traditions and career fields. She is a 1960 graduate of Greenwood High School and attended the University of Delaware in Newark.

Court Frees Bus Driver

Melvin C. Staten, 57, Milford, was dismissed in Court of Common Pleas Wednesday on a charge of driving a school bus without chains or snow tires on a snow-covered road last Dec. 15.

He had snow tires on one set of the dual rear wheels but only standard tires on the other. He claimed roads generally were cleared and that the coverage with ice or snow of the side road where he was driving was spotty.

Judge Ernest V. Keith ruled that while technically it might appear the man was guilty, a fair interpretation was that Staten was doing all a normal person would have done under the circumstances—driving cautiously with heed to the conditions and changing to snow tires after receiving such advice.

Deputy Atty. Gen. George R. Wright prosecuted the case. Max Terry was attorney for the defendant.

Educators Plot Project At Seaford

The Board of Education of Seaford Special School District is requesting a certificate of necessity from the State Board of Education for a gymnasium.

The amount is \$435,000, land \$60,000, and changes in the high school cafeteria serving line, \$31,000. The cost of the program would be financed from 40 per cent local funds in the amount of \$210,400 and 60 per cent state funds in the amount of \$315,600.

The superintendent at a recent meeting informed the board that since the last meeting when alternate plans were presented for gymnasium facilities, the State Board has approved a gymnasium of the desired size at a separate location from the existing gymnasium.

He also pointed out that from the standpoint of accessibility to the junior high school, use for athletic contests and elimination of scheduling difficulties and other administrative problems this plan would be the preferred one.

Following the April meeting of the Board, a request was made to the State Board for authority to purchase 40 acres of land for the school district. Only 10 acres was approved based upon the understanding that this will be all the land required for the building needs of the district. The Seaford Board, therefore, decided by common consent that an appeal should be taken to the State Board to request the purchase of additional land adjacent to the high school and Central Elementary School.

Kenneth Bryson was elected to the French position created in the junior high school. It was pointed out that at present the following vacancies exist: First grade special teacher; elementary physical education; reading; elementary music; industrial arts, and a chemistry-physics position.

The superintendent pointed out that considerable difficulty is being experienced in trying to fill vacancies.

Oscar W. Allen Jr., board member, presented a sketch of an out-door bulletin board estimated to cost approximately \$500. He also indicated that the Class of 1956 has approximately \$225 available to be applied towards the construction of such a board.

A motion was carried to accept the donation and that other classes be contacted to determine interest in participating in the project.

The Board approved that the summer school be held from June 26 through Aug. 4. A motion was also passed to honor the request of the American Legion baseball team for the use of the high school baseball field for the 1961 season.

Church Cellar Issue in Court

A question of whether a little church near Frederica has a basement developed into a major issue in a trial in Court of Common Pleas Wednesday.

Judge Ernest V. Keith announced that he will visit the church to learn the answer before he gives his decision.

Elmer Lester Mosley, 49, near Milford, was before the court on a charge of driving an automobile without a license. A state police officer identified him as the driver.

Mosley however, denied he was driving. He claimed a woman, whom he did not identify, was at the wheel when the car was spotted and followed by state police to the yard of a church along the Thompsonville Road.

Police testified Mosley left the car in the yard and hid behind a fallen tree. They saw no woman but told the court that the defendant when found and arrested said his brother was driving.

Mosley Wednesday testified that when the car came into the churchyard, his woman companion went into the church. But one of the arresting officers said he searched the church thoroughly in their hunt for Mosley but saw no one.

Police testimony, brought out by Deputy Atty. Gen. George R. Wright was that there appeared to be no basement in their recollection—that a person could see under the church building.

Herman C. Brown, representing Mosley, then put his client back on the stand. Mosley insisted there is a basement and that it is big enough to serve suppers in and has a lavatory. Further, he told the court, the heating system is in the basement.

What Mosley was indicating was that the woman claimed by him to have been the driver of the car could have been in the basement when the police searched the church.

Houston

The general conference is over and we are glad to welcome the Rev. Ray W. Kirwan and his wife back in our midst again.

Sunday School at 10 a.m. Robert H. Yerkes Sr., general superintendent; Alvin Brown, supt. of the Junior Department; Mrs. William Scott of the Cradle Roll, and Carl Prentice, supt. of missions.

Worship service begins at 11 a.m. with the organ prelude, Mrs. Agnes Webb at the organ, accompanied by John Clark at the piano.

Call to worship by the pastor, the Rev. Ray W. Kirwan, who will offer prayer and deliver the sermon.

The Chancel and Senior Choirs will sing special numbers. We are sorry to learn Mrs. George Marvel has been in the hospital under observation for several days.

Mrs. Jenkins is still a patient in the hospital and her condition is slightly improved.

Franklin Morgan was detained at his home for several days last week due to a severe attack of tonsillitis.

William Blessing Sr. is improving and able to leave his bed for a short period each day.

Recent callers of Mr. and Mrs. William Blessing Sr. have been, Mr. and Mrs. Harvey Scott, of Little Creek; Mrs. Laura Roop, and Floyd Morgan, Ridgely, Md.; Mr. and Mrs. Raymond Dean, Harrington; Mr. and Mrs. F. QUESTIONS and ANSWERS

Q—I am a nonservice-connected World War II veteran. Can I be admitted to a VA hospital?

A—A war veteran requiring hospitalization for nonservice-connected illness or injury may be admitted to a VA hospital if a bed is available and if he signs an affidavit that he is unable to pay for hospitalization.

Q—Do veterans with mental illness have a special priority for admission to VA hospitals?

A—No. But veterans with service during World War II or the Korean Conflict who developed an active psychosis within two years from the date of their separation from service are deemed to have incurred the disability in active service. Therefore, they are in the first priority group for VA hospitalization.

Q—I have just heard that my GI insurance will pay another dividend this year. When will I get it?

A—A "special" GI insurance dividend will be paid in 1961, between July 1 and September 4. VA advises waiting as correspondence will delay payment.

Q—My son was killed in World War II. I have now lost my business and have no income. I did not apply for compensation earlier. A I entitled to compensation now?

A—Yes. Contact your nearest VA office.

Delaware Food Market Report

June is the month for graduations, weddings, picnics and parties, vacations, Father's Day, and of course, June is Dairy Month too. This is the 25th year members of the dairy industry will celebrate June as Dairy Month. The nation's dairy herd will join in this celebration, the oldest such festival for any food, by producing more milk per cow than in any year in history and possibly setting a new all-time record of 125,000,000,000 pounds of milk before this year ends.

There is and will be plenty of milk—both whole and specialty milks for dieters and others; different types of cream, ice cream, butter, domestic and foreign-type cheeses—fresh, cured and processed, and whole or flavored dry dairy products; along with other dairy items.

Now is the time to enjoy these excellent foods in full measure. Lean heavily on them for June menu needs. This is the time of the year when light, easy-to-eat dairy dishes are exceptionally welcome. They'll assure the family of a needed quota of nutrients essential to good health.

Large supplies and low prices combine to make broilers a top choice for June meals—indoors or outdoors. Shoppers will find markets crowded with fully 25% more of these versatile birds in June than a year earlier. Continue to check this meat during June, as many markets will feature them at the same low prices of the past two weeks.

Potatoes are the last food appearing on the plentiful foods list issued by the U.S. Department of Agriculture for June. This vegetable is eaten more by Americans than any other vegetable. According to the latest reports, about 100 pounds are eaten each year per person—that's a lot of potatoes. This June, good-sized crops from several producing areas will load vegetable counters. Florida potatoes will still be in evidence with supplies increased by harvests in California, Arizona, Alabama, North Carolina and Virginia. Prices are very low for this season—be sure to check this vegetable when shopping.

A heavy volume of fresh corn is now on local markets. More fresh corn, than is expected at any time during the year, will be marketed in the next 2 or 3 weeks. Prices are now at summer time low—quality for the most part is excellent. Most of this corn has been hydro-cooled which helps to seal in the sweetness and make it taste "garden fresh."

The Peninsula conference has made a change in the minister for the Magnolia charge, which includes Bowers, taking the Rev. Charles Burge from this charge and assigning him for the Townsend charge. We regret to see the Burge family leave us but, such is to be expected in the life of a minister.

The Rev. Taylor MacHood will be moving, with Mrs. MacHood, to occupy the parsonage made vacant by the moving of the Burge family.

The Methodist Youth Fellowship are planning another car wash Saturday at the Magnolia School. The one previously planned by this group had to be cancelled due to bad weather and they are hoping for good weather this time and plenty of business.

Have your car at the school on Saturday between the hours of ten and two and they will shine it up for you.

The chairman of the covered dish supper, Mrs. Sara Case, has announced that the affair cleared \$80 to be added to the treasury of the Woman's Society. Mrs. Case, with Mrs. Amy Reed, Mrs. Emma McIlvaine and Mrs. Frances Hart appreciate the support

received in sponsoring this affair.

"Be Safe Today and Alive Tomorrow"

The Safe Community Is A Better Community

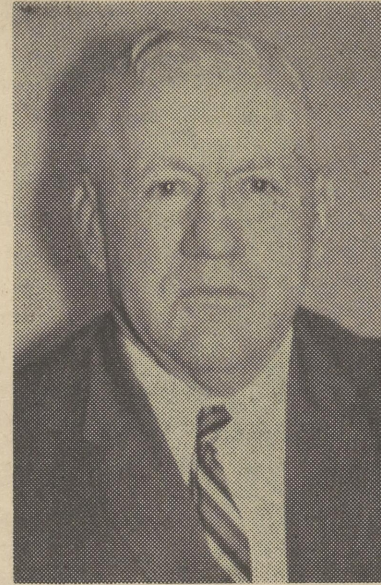

Much of the tragedy, heartbreak and terror of mangled bodies and broken hearts and homes could be averted if each one of us would individually make an effort to be cited as an example of safe, sane and sensible driving.

The State of Delaware requires each person who operates a motor vehicle to be first subjected to an examination to determine whether he is possessed of the proper knowledge and capabilities for operating said vehicle, but it is up to the individual to use his license with proper regard for his safety and the safety of all others.

We know that the future of our community depends upon our children. They are the future governing-bodies, our doctors, lawyers, etc. In a few years they are the ones to whom we will be addressing our pleas for caution, but at the present time their lives are in our hands — Let's not deprive them of the privilege of living to enjoy the pleasures and opportunities that we are striving to provide for them.

Reckless driving does not necessarily mean only speeding. It is constituted of infringements of numberless regulations depending upon weather, visibility, condition of the street or road being traveled, traffic regulations in each particular vicinity, use of proper signals, etc. It is up to the entire lot of us to be vigilant and alert at all times in order that the lives of those who are too young to be cautious for themselves, too aged or feeble to avoid the speed sometimes faced, or those who are too preoccupied with matters of some sort or other, may not be taken by us in a moment of recklessness.

We individuals, in spite of our intelligence and constant advancement, still play "follow the leader", or in other words, gauge ourselves by the actions of others. So, if each one of us will set an example, before long it will bear fruit, and our community will be known as the spot where the driver gives the other fellow the "BRAKES".

USDA Reduces Down-Payment Requirements For Storage Equipment

The U.S. Department of Agriculture has announced that farmers will be able to borrow up to 95 per cent of the delivered and assembled cost of equipment to keep grain stored in proper condition, under the mobile dryer loan program, according to William Brady, State Administrator of the Agricultural Stabilization and Conservation office.

The purpose of this action is to encourage proper and safe storage of grain on farms and to help strengthen economic activity in farming areas.

Under the mobile dryer loan program, which was started in 1949, farmers may borrow from the Commodity Credit Corporation to finance the cost of drying equipment such as mobile mechanical dryers, air circulators, ventilators, tunnels and fans for conditioning storable crops, Brady said. The new provisions will enable farmers to borrow up to 95 per cent of the cost of this equipment. Previously, loans were limited to 75 per cent of the cost of equipment.

Equipment loans run for three years from the date the loans are taken out. Loans may be repaid in three annual installments with the first installment due on the date of the loan's first anniversary. Interest is at a rate of four per cent per year.

A similar action reducing down-payment provisions under the farm facility loan program enables farmers to borrow up to 95 per cent of the outlay for storage bins costing 40 cents or less per bushel of capacity. For facilities costing more per bushel, farmers may borrow up to 95 per cent of 40 cents per bushel, or 80 per cent of the cost, whichever is greater, but not more than 50 cents per bushel of capacity.

The action enabling farmers to borrow a substantially larger part of the cost of storage structures and equipment is part of an effort to obtain ample and adequate storage facilities on the Nation's farms.

The loan can be applied to ear-corn construction also.

This is of particular interest to Delaware corn producers with

James R. Nichols

Services for James Raymond Nichols, 71, were held Sunday at 2 p.m. from the Fleischauer Funeral Home, Greenwood.

Interment was in Blooming Cemetery.

Mr. Nichols died Thurs., May 18, at his home at Greenwood, after a six months illness.

A native of Marshy Hope, he worked at the American Viscose plant at Marcus Hook for about 20 years before retiring on disability in 1937. He had made his home in Greenwood since then.

He is survived by nine daughters, Mrs. Nettie Bickling and Mrs. Blanche Gualtieri, of Trainer, Pa.; Mrs. William Bail of Linwood, Pa.; Mrs. Evelyn Wooters, Mrs. Doris Jenkins, Mrs. Ethel Patrick, Mrs. Edna Carnahan, all of Harrington; Mrs. Thelma Messick of Stanton, and Mrs. Ruth Werner of Ridgely, Md.; and two sons, Raymond Nichols of Greenwood, and Clarence Nichols of Harrington.

Twenty-one grandchildren, one great-granddaughter, and several nieces and nephews also survive.

small corn acreage, Brady said. The improved loan provisions should increase storage facilities on farms. Corn producers signed up in the feed grain program can make use of the loans to build storage for price support corn. The increased activity will be reflected in other segments of the Nation's economy by increasing the use of steel, wood, and other materials.

More than 4500 loans have been made under the mobile dryer loan program since its beginning in 1949 through January 31, 1961. A total of \$9,555,000 has been loaned for the purchase of grain drying and conditioning equipment for use on farms. Of this total, more than half or about \$5.3 million has been repaid by farmers.

Loans on storage facilities and on conditioning equipment are made to farmers through the county Agricultural Stabilization and Conservation (ASC) offices, Brady said.

H.H.S. Edges Felton in Extra Innings, 5-4.

by Keith S. Burgess

Coach Harold McDonald's Harrington High Baseball Lions won a thriller from Felton Thursday afternoon by a score of 5-4. Three extra innings had to be played before a decision could be reached. The Lions have a 4-7 record which is an improvement over last year regardless of how they fare in the finale against Lord Baltimore here today (Thursday).

Felton was handed four gift runs in the second inning when a Lion infielder failed to cover a base. Harrington tallied once in the second and tied it up in the fourth as Ken Hoffman blasted a long double to clean the sacks.

Neither team could score again until the bottom of the tenth. George Pfeiffer, who had a base hit in the second inning and then fanned twice, led off with a single. Roger Wix and Leonard Masten then hit safely to bring in the winning run.

R. Wix led Harrington's 12-hit attack with 4 safeties in as many trips to the plate. Masten also had a perfect day at the dish with 2 for 2.

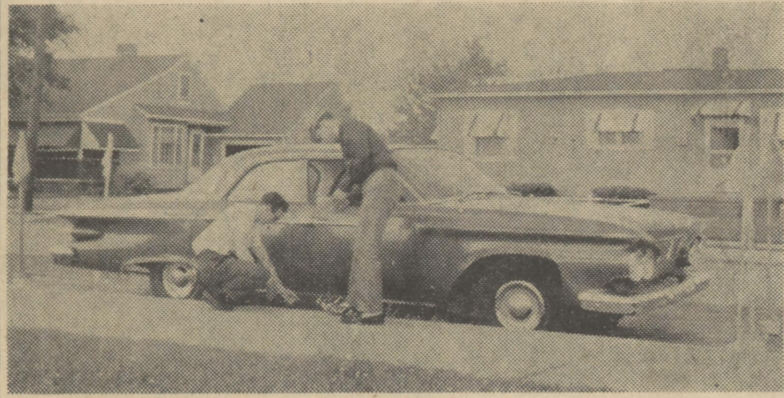

Dick Collins, a diminutive southpaw, scattered seven Felton hits to gain the triumph.

TEENAGE ROAD-E-O WINNERS—Victors in the Teenage Road-e-o Contest, sponsored by the Harrington Junior Chamber of Commerce at Harrington schoolgrounds Sunday afternoon, were the following (left to right): Billy Parker, second; George Pfeiffer, the winner, and Bob Eastman, third. The winner will represent Harrington at the state contest in June at a location to be named.

PARKING CONTEST—Jackie Jones, left, and Ray Wetherhold take measurements in the parking contest of the Jaycees Road-e-o Contest Sunday afternoon at the schoolgrounds. In the competition, contestants also had three problems in driving. A written test, at the beginning, counted for 50 per cent of the contest. Judges included Chief of Police Ernest Kohland, and Corp. George Scholz, of the Delaware State Police. Cars were furnished by local automobile dealers.

Baptist Church News

This week our lesson in Sunday School will be, "Self-discipline—Why?". Classes begin at 9:45 a.m., with classes for all ages.

Morning worship service begins at 11 a.m. Training Union is at 6:30 each Sunday evening followed by evening worship services at 7:30 p.m. In the absence of our pastor, our speaker for this Lord's day will be Lt. Robert Inlow of Dover Air Base.

Bible study and prayer services each Wednesday evening at 7:30. William Pritchett will be in charge of the service this week.

Baptists believe that in bringing about the change in regeneration, the Holy Spirit uses ideas which are already lodged in the mind—it is by truth that men are made free and alive. But the truth does not effect the spiritual change working alone. If a block of marble and a sculptor's chisel and mallet were shut up alone in a studio for a hundred years, at the end of a hundred years there would only be a block of marble, a chisel and a mallet. But when Michelangelo uses a mallet upon the marble there presently appears a "Moses", or a "David", or some other sculptor having in its pose and curves the marks of the genius of the sculptor. And in order that truth may become effective for the transformation of a sinful man, it is necessary for the living spirit of God to use it upon the man; but, on the other hand, it is necessary for the man to know the truth.

They were in Barratt's Chapel, Frederica, with the Rev. Robert L. McKim, minister of the Dover Presbyterian Church, officiating. Interment was in Barratt's Chapel Cemetery.

Mr. Rodriguez was killed Monday when his car fell off a jack and crushed his chest. The accident occurred in the driveway of the home of his parents, Mr. and Mrs. Nicholas Rodriguez, on Woodside Road, a mile and one-half west of Rising Sun.

Lower Kent County Republican Club Holds Meeting

The monthly meeting of the Republican Club was held Wednesday, May 17, with an impressive talk by Paul Mabery, a member of the faculty of Wesley Jr. College, Dover.

Mr. Mabery brought to our attention that during off year elections there should be just as much hard work done by each person, to bring about the rights for which we believe. Therefore, we should all be working and spreading the real meaning of being a Republican and to be ready to give facts and to stand up for what we believe.

An interesting fact was the real difference between the two major parties of today. In what our present government is calling Socialism—in this effect is a farce and if continued will bring America into bondage. We all have God-given talents and should be used to their fullest. Mr. Mabery stated that people who need help should always be given, but not free give-aways, and paying large number of substantiative against our beliefs.

A covered-dish picnic is planned for our June meeting and all members should keep June 21 free. Mrs. Winkler, Mrs. Brown, Mrs. Nelson, Mrs. Creadick have been appointed in charge of this

affair. At the conclusion of the business—refreshments were served by Mrs. Rose Cain and Mrs. Florence Fleming.

Mrs. Charles H. Dill

Funeral services will be held Saturday for Mrs. Lulu May Dill, 71, of Felton who died Wednesday, following a lengthy illness. She leaves her husband, Charles H. Dill, a son Charles G. Dill; a daughter, Mrs. Virgil Jarrell, of Viola, and four grandchildren. She is also survived by six brothers: Raymond and Clyde Rentz of Detroit; Fred Rentz, Felton; Leslie Rentz, Smyrna; Carl Rentz, Frederica, and Clifford Rentz, Dover. She also leaves a sister, Mrs. William A. Wilson of Felton.

Services will be held from the Berry Funeral Home at Felton with the Rev. Charles Adkins and the Rev. Larry Renner officiating.

Interment will be at Barretts Chapel, Frederica.

Friend may call Friday evening at the funeral home.

Girl Scout News

The Peninsula Girl Scout Council, Inc. is pleased to announce that the long awaited Shower House at Camp Todd in Denton, is under construction and will be completed for the established camping season beginning June 25.

The Council is indebted to every Girl Scout and adult who participated in the 1961 Cookie Sale because the profits provided the funds for the shower house. In addition, renovations will be made to the barn at Camp Todd so that it may be used for proper storage.

The architects for both the shower house and the barn renovation are George, Wiles and Buhr of Salisbury, and the contractor is Donald Trice of Denton.

4 - H SHORT COURSE

taking a more active leadership roll in their local 4-H Clubs.

While on campus, 4-H'ers will have the opportunity to experience living in college dormitories, eat at the student center, take part in assemblies, swim in the college pool and take part in recreational activities.

Some 14 classes will be offered this year, Baker said. All classes are aimed at furthering the individual's abilities and providing an opportunity to learn to serve their local clubs and communities better.

Other features of the Short Course will be three State 4-H contests, the talent show, dress revue and public speaking contest.

Baker urged 4-H'ers to contact their County 4-H agent if they wish to attend the short course this year.

The climate couldn't be better for buying a new JET-SMOOTH CHEVROLET

(and that's the car more people are buying!)

The wish-I-had-a-Chevy season's here! Summer's in sight. Horizons are brightening. Vacation plans are percolating. It's the most rewarding time of the year to stop by and talk buy with your Chevrolet dealer. ■ And why not do more than just talk? Take a Jet-smooth Chevy out on the road. That wonderfully gentle ride you'll feel is what we're so proud of (Full Coil suspension and a chassiful of other

road tamers are responsible). Inspect the advantages of the finely built Body by Fisher (none can match it in Chevrolet's field). Look over the full selection of models and compare the prices (18 Six and V8 Jet-smooth Chevis are priced below comparable competitive models*). ■ So now you know why more people are buying Chevis than any other make. Just one other thing—check the sweet trade-in allowance your Chevrolet dealer can offer you now. See how easy it is to blossom out in a new Chevrolet?
