

## CITY COUNCIL AUTHORIZED CITY MANAGER TO SUE FOR DELINQUENT TAXES

The City of Harrington is getting ready to turn the screws in the collection of delinquent taxes, it was disclosed Monday night at the November meeting of the City Council.

City Manager George S. Graham was authorized by the Council to sue for collection of delinquent taxes. He always has the right to collect taxes but has to have authority from the Council to sue.

The action came after it was revealed that tax collections were running behind last year, though collection has picked up of late. The manager added that some delinquent taxes of last year were coming in.

In other business of a short meeting, the Council agreed to extend water mains one block on Shaw Avenue, from Dixon Street eastward. The Council had received a request from Harold Fry for the extension. The work will be done when the weather is favorable and the Council thought this would be in the spring.

The group thought, also, that some other extensions might be made next year if property owners agreed to hook up to the mains.

The Council agreed to pay for the current for the annual Christmas lighting as has been its custom.

The group authorized the city manager to check on street lighting problems at Trinity Church, on Simmons Street, and on Second Avenue and to solve the situations as he saw fit.

Councilman Luther P. Hatfield said H. C. Brown, the City solicitor, had revised all ordinances but that he wanted Mayor Charles L. Peck Sr. and the Council to check them in his office at Dover before acting on them in a meeting here. The Council appeared favorable to the idea.

The Council will meet the first Wednesday in each month. The decision was made after Councilman William Smith said he had to be busy on Monday nights, the usual time for meeting, as secretary of the Moose Lodge.

## H.H.S. Repeats As Henlopen Harrier Champs

By Keith S. Burgess

Clarence Hackett lowered his course record by eight seconds as he paced Harrington High to the Henlopen Conference cross-country championship. Coach McDonald's Lions also were champions last year, which saw the sport contested by the league for the first time. Harrington's winning point total was 19 points compared to second-place Millsboro's 47. Milton recorded 63 for third and Lord Baltimore trailed with 112. The latter squad was making its inaugural effort.

The huge conference cross-country trophy will be retained by H.H.S. for at least another year as a result of the victory. Hackett, Ken Garey, of Harrington, and Bob Fox, of Millsboro, won individual trophies for finishing 1-2-3.

Garey and Fox sprinted side by side for 250 yards coming to the finish line. Garey has beaten Fox three times this fall with the victory margins being 1, 5 and 1 seconds. The Lions junior loped 10 seconds off his personal best for the 2.4 miles course.

Two H.H.S. freshmen, Dennis Rogers and Bob Smith, continued to sparkle as both shattered the 14 minute barrier for the first time and were fourth and fifth respectively.

Allen Wix and Milt Szmjda captured seventh and eighth spots, with Milt breaking his week old season mark by 27 seconds.

Harrington completely dominated the meet by finishing six harriers in the first eight holes. The locals are in fine fettle for the finale next Tuesday when the fourth annual Harrington Invitational meet will take place on the Killen's Pond course. Nine schools have raced here this fall with H.H.S. bowing to North Carolina and Easton and winning over Caesar Rodney, Milford, Milton, Millsboro, Lord Baltimore and Centerville. These teams plus Dover and South Dorchester, Md. have been requested to return Tuesday at 4 p.m. The public is invited to see Clarence Hackett make his final appearance for the Blue and Gold here.

## Notice of Change In Trash Collections

Because of the Thanksgiving holiday, the City will collect trash on the previous day.

## Harrington Teachers Active

The Harrington Teachers Association held their regular monthly meeting last Monday with Miss Jennie Morris, president, in charge. Reports were made by Mrs. William Smith, secretary, and Mr. William Horst, treasurer.

Saturday, Nov. 4, Mrs. Robert Baynard, a teacher of special classes, attended the reading clinic at the University of Delaware, when Sister Margaret Catherine of California, noted clinician, gave a talk on "One More Look at Phonics." The lecture was very well attended, and Mrs. Baynard reported that much was derived from the discussion that followed the informative address.

Last Saturday, Nov. 11, Leon Donovan, music teacher for the elementary grades, represented the faculty at a luncheon in Dover sponsored by the Delaware State Education Association to honor James M. Rosbrow for his contribution to the cause of education in the state. Joseph Brewer, president of the association was in charge, and the honorable Sherman W. Tribbett, speaker of the House of Representatives, brought greetings from the state legislature as a friend of Delaware education. A service award was also presented to President Brewer.

Tuesday, Nov. 14, Mr. Donovan also represented the faculty at a Kent County Education Association dinner meeting at the Smyrna Century Club to honor eight group and organizations for their contribution to education in Kent County.

## Mrs. L. Derrickson Dies at 88

Mrs. Lois R. Derrickson, 88, widow of Ernest L. Derrickson, died in the Messick Nursing Home Monday.

Services were held in the J. Millard Cooper Funeral Home Wednesday afternoon. The Rev. Olin J. Shockley, pastor of Asbury Methodist Church, officiated; interment in Hollywood Cemetery.

Surviving are three daughters, Mrs. Edgar Tucker and Mrs. Smith Carson, both of Harrington, and Mrs. C. Delaware Lightcap, Wilmington; a son, Augustus H., Lancaster, Pa.; 22 grandchildren and two sisters, Mrs. Charles Sawyer, St. Petersburg, Fla., and Mrs. John Denden, Wilmington.

## Annual University of Delaware Parents Day Expected to Attract 1,200

About 1,200 parents of University of Delaware freshmen are expected to attend the annual parents day which has been scheduled for Saturday.

The program will include a welcoming address by President John A. Perkins, meetings with school deans, departmental programs and conferences with individual faculty members.

Registration will be held from 9:30 to 10 a.m. in Carpenter Field House with the general session following in that location. Roy A. Adams, president of the Student Government Association, will preside and will introduce the president and other deans and administrative officials.

Meetings with deans will convene in several campus locations at 11 a.m. and departmental meetings, beginning at 11:45, will continue through 2:45 in the afternoon. Luncheon will be served to parents in both the Student Center and Kent Dining Hall. Instructors of freshmen will be available in their offices for individual conferences.

Residence halls and fraternity houses will be held at the Student Center. Parents also are invited to attend the University Drama Group production, "The Curious Savage," at 8:15 p.m. in Mitchell Hall.

Dr. Edward Ott, director of admissions, is chairman of the

## Harrington Band Half-Way Toward New Uniforms

The Harrington High School Band is currently on a drive to secure new uniforms in time for the spring concert and the Chicken Festival Parade in June.

The members of all the school bands just concluded the securing of names for the 1962 Lions' Club Calendar for which they retained all money collected in a 100% profit transaction. Money from this transaction amounted to \$271.85 which swells the band uniform fund to \$2041 which may be the half-way mark toward realization of new uniforms for the band.

While it was originally anticipated that new uniforms would cost about \$4000, a closer analysis reveals that the total needed will more likely be \$5000 instead which makes the effort more strenuous.

During the recent collection of Lions' calendar names, those students who filled their quota of 24 names or more are as follows: Peggy O'Neal, Gayle Fry, George Wyatt, Donna Faye Callaway, Marshall Hatfield, Denise Callaway, Jeannie Thomas, Billy Jester, Daniel Smith, Mike Wamsley, Claudia Neeman, Nancy Blades, Doug Mills, Jr., Sylvia Outten, Frank Welch, Jr., Ronnie Hughes. The leaders of this group are Jeannie Thomas and Frank Welch each of whom filled two and a half sheets or 60 names apiece.

Any individual or organization wishing to help in this very worthwhile project can do so by contacting Albert Adams, superintendent for the Harrington Schools, Mrs. James Moore, President of the Band Boosters Club, or Mr. Brobst, band director.

## Marydel Man Re-nominated For Soil Supervisor

Isaac Thomas, Marydel, has been re-nominated as a candidate for supervisor on the Kent County Soil Conservation Board. Mr. Thomas has served on the Board since it was organized in 1944 and is at present treasurer of the Board. He has been active in all phases of the conservation program and has served on several committees concerned with advancing the conservation of soil and water resources of the county and state.

Other interested farmers or landowners who may desire to be a candidate for election to the Board, may be nominated by ten or more farmers or landowners of the county.

Requirements that candidates must meet are as follows:

1. Be a Kent County farm operator or landowner.
2. Receive the written endorsement of ten other landowners or farm operators in the county and present this endorsement to the Kent County Soil Conservation District office, Dover, by December 4, 1961.
3. Reside in the Northwest section of the county known as the second Senatorial district, or the 3rd and 4th representative districts.

The two new pageant directors are none other than Seaford's first citizens, Mayor W. Joseph Williams and his wife, Kitty, who is a first-grade teacher at the Seaford Central Elementary School. Last June, Mayor Williams was general chairman of the 14th annual Delmarva Chicken Festival and National Chicken Cooking Contest, held at Seaford.

William, 49, is in his second term as Mayor of Seaford, is an official of the Bridgeville, Roofing and Supply, Inc., and at present is Zone chairman of District 22-D for Lions International. A World War II Air Force veteran, he is also a member of the Delaware State Housing Council and is co-chairman of his city's 1962 United Fund Drive.

He and Mrs. Williams have two daughters, Donna, age 7, and Kathy, 4. They live at 527 Phillips St., in Seaford.

As directors of the Miss Delmarva Pageant, Mayor Williams and his wife will be responsible for organizing the 20 to 25 preliminary community contests each year which are held to select community beauty winners who compete for the Miss Delmarva title in the pageant finals at the Chicken Festival in June.

The conference is designed to acquaint parents with the goals of the university and its expectations for the intellectual and cultural growth of its students.

## City Manager Attends School At U. of D.

City Manager George S. Graham spent three days this week at the University of Delaware, Newark, attending a school conducted under the auspices of the State Water Pollution Commission, City managers and members of street and sewer departments throughout the state attended.

The basic reason for the project was to bolster the funds of the Jaycees.

The Jaycees wish to thank the many patrons for their support of this project and hope that they will support other projects in the future.

## School Board Revises Schedule Of Fees For Use of School Buildings

At the regular meeting of the Harrington Board of Education held Monday evening, the board unanimously approved Sections I and II of a new Policy Handbook dealing with the Board of Education and the educational philosophy of the school. All previous policies which were in conflict with the newly adopted ones were rescinded.

The board also revised a schedule of fees for the use of the school buildings and in its place substituted the following policy:

(a) Profit-making organizations—A rate of \$10 per evening plus custodial charges is established for the use of any part of the building when no heat is required. A rate of \$20 per evening plus custodial charges is established during seasons when heat is needed. Additional charges are made for personnel when the cafeteria is used. See Paragraph c.

(b) Non-profit making organizations—No charge will be made for the use of the building for non-profit making organizations. A custodial charge will be made for each member of the custodial force who is called upon for extra services. If the non-profit making organization is serving a dinner, see cafeteria charges, paragraph c.

(c) Any organization using the kitchen for a dinner must use the service of a minimum of two of the regular cafeteria workers at the rate of \$15 each. Payment at the rate of \$15 each must be made to at least one member of the custodial staff for extra service. For use of the kitchen for purposes other than a dinner, one member of the cafeteria staff must be present at a rate of \$1.50 per hour with a minimum charge of \$5. Payment for services to the cafeteria and custodial personnel are to be made directly to the school which will reimburse the workers.

(d) Custodial force—Fees for custodial service other than at dinners shall be at the rate of \$5 per evening for each custodian used. School organizations conducting dances shall be charged \$5 for extra custodial work involved by the dance.

The board authorized Mr. Adams to seek funds under Public Law 874 for the education of those children whose parents are employed in the Federal Service.

It was announced at the board meeting that new academic award was to be set up at the end of each semester which a student in grades 7 through 9 who maintained a straight "A" average would receive a letter award similar to the Junior High School athletic award but with a reverse color scheme. A student in grades 10, 11, and 12 who maintains a straight "A" for the semester would receive a letter award similar to the varsity athletic award, but again with a reversal of color scheme.

## Miss Delmarva Pageant Directors Named

A husband-and-wife team from Seaford, have been named as the new directors of the Miss Delmarva Beauty Pageant, replacing Earl Hawk of Greenwood, former director who announced his retirement from the post last week.

Finals of the pageant are held each year in June as one of the most popular and colorful features of the annual Delmarva Chicken Festival.

The two new pageant directors are none other than Seaford's first citizens, Mayor W. Joseph Williams and his wife, Kitty, who is a first-grade teacher at the Seaford Central Elementary School. Last June, Mayor Williams was general chairman of the 14th annual Delmarva Chicken Festival and National Chicken Cooking Contest, held at Seaford.

## Jaycees Turkey Raffle Success

The Harrington Junior Chamber of Commerce staged a successful turkey raffle which ended with the drawing of three winners Thursday night, Nov. 9. The winners of the three turkeys were Mrs. Iva Banning, Harrington; William Dill, Felton, and Wilbert R. Downes of Wyoming. The drawing was done by Mrs. Oric Hobbs, of Harrington.

The basic reason for the project was to bolster the funds of the Jaycees.

The Jaycees wish to thank the many patrons for their support of this project and hope that they will support other projects in the future.

## Girl Pushes Wrong Pedal

A 16-year-old Farmington girl, being taught to drive by her father, panicked Monday when the car struck some loose sand on dirt Rt. 311, two and a half miles south of Harrington, and hit the accelerator.

The car bounded out of control and crashed into a tree, injuring the driver, her father and a young brother.

The boy, Christopher Allen Rust, five, was treated for a lacerated chin and a shoulder contusion by Dr. Addis of Harrington and released, but the father, Wilson Rust, 41, and the girl, Darlene Ann Rust, suffered contusions of the forehead and were admitted to the Milford Memorial Hospital for observation.

## Engineers Measure U. of D. Campus Length

Civil engineering students at the University of Delaware last week measured precisely the distance from the Memorial Library to Newark's Delaware Avenue in less than half a second.

A few years ago such measurements would have been impossible, explains Professor Thomas Brockenbrough, but electronic equipment today enables surveyors to accomplish amazing results.

The students used Cubic Corporation's Electropase system under the direction of Admiral Frank G. Johnson, after they had received instruction in the use of the equipment.

The distance, incidentally, is 847.26 feet, converted from a reading in centimeters. Dr. Brockenbrough said the maximum error in such a measurement is three millionths of the distance.

## 4-H Experts Rate Trip to Chicago

Two 17-year-old boys will be among Delaware's delegation headed for the 40th National 4-H Club Congress in Chicago, beginning Thanksgiving weekend. This event, which attracts some 1400 award-winning 4-H'ers is planned and conducted by the Co-operative Extension Service, the National 4-H Service Committee and more than 50 leading business firms.

Vaughn Elliott, of Laurel, has received top state honors for his achievements in the electric program, while Tom Rollison, of Maple St. in Houston, is winner of the health program award. Their records will be judged in national competition, the winners each receiving \$400 scholarships.

Young Elliott considers experience gained is ample reward. He nevertheless estimates that he has earned approximately \$300 from this project in the last four years.

Taking motors apart is fun, according to Elliott, and he admits hoping appliances at home will soon require repairs. This year he built a hotbed and a fruit dryer, which he used for

pears.

"4-H is one of our country's most constructive youth organizations," Elliott recently stated. As a result of his 4-H experiences, he claims to be able to

## Activated Servicemen Covered By Medicare Notes Blue Cross-Blue Shield

Telephones at Group Hospital Service have been ringing steadily since Delaware National Guard units were activated.

The main new question: "Should I keep my Blue Cross-Blue Shield coverage while I'm away, and what about my dependents?"

The choice of keeping or suspending Blue Cross-Blue Shield membership must be made by each subscriber with dependents.

H. V. Maybee, managing director of Group Hospital Service yesterday listed the following facts of interest to subscribers going into military service:

1. Dependents of military personnel are protected by the government program known as "Medicare" which provides for service in military and civilian hospitals.

2. The returning serviceman has 60 days in which to re-apply for Blue Cross-Blue Shield coverage in his group or on a direct-pay arrangement. Then coverage will be effective on the day following discharge from active military service.

3. If reapplication is made by a former subscriber within the

## LANG HEADS RETAIL MERCHANTS COMMITTEE OF C. OF C.; ANNUAL YULETIDE PROGRAM PLANNED

### Lions Observe Ladies Night

The Rev. Olin J. Shockley Jr., pastor of the Asbury Methodist Church, Harrington, presented a fine talk on his recent trip to Europe and the Holy Land, at the Lions Club first Ladies' night of the year. Through the medium of slides taken in the countries visited by the minister, the Lions and their wives were given a vivid description of the trip. Of special interest to all were the slides taken of the Holy Land.

About 76 Lions and their Ladies enjoyed the dinner served by the W.S.C.S. of Asbury Church in the Collins Building Monday evening.

Other guests included Mrs. Olin Shockley and Mr. and Mrs. Alvin Brown. The speaker was introduced by Lester Smith, program chairman of the evening.

President Curtis Melvin announced that the birthday calendar project was a huge success for the local high school band.

### New Kent County Demonstration Agent Appointed

The welcome mat's out for Mrs. Katie Collins Thomas who began her duties as Kent County Home Demonstration Agent on Nov. 1. Mrs. Thomas is a 1960 graduate of the University of Delaware with a B.S. in Home Economics. She is the daughter of Mr. and Mrs. Gilbert Collins of Middletown.

Mrs. Thomas was raised on a dairy farm and was an active 4-H member for 11 years. While in 4-H she was awarded a trip to the National 4-H Club Congress in Chicago as a state clothing winner. She was also selected to attend National 4-H Conference in Washington, D. C., and the National Youth Leadership Camp at Camp Minivanca, Michigan. She was a junior leader for four years and is now a member of Link, the honorary 4-H organization in Delaware. During the summers of 1958 and 1959 Mrs. Thomas worked in the state 4-H office assisting with statewide 4-H activities including camp, short courses and conferences.

Prior to accepting the position of Kent County Home Demonstration agent, Mrs. Thomas taught kindergarten at Newport News, Virginia.

At the University of Delaware she was a member of Kappa Delta Pi, Honorary Education Society, chairman of the Women's Executive Council and president of the University 4-H Club.

As Kent County Home Demonstration Agent, Mrs. Thomas will be responsible for the entire county Home Economics adult program.

She will meet with groups to teach new techniques in the various programs, will train adult leaders to teach groups, and will use radio programs, newspapers and circular letters to reach people who don't attend meetings.

### Soybean Clinic Feature of Annual Crops Show

Premiums totaling over \$400 have been announced by the Delaware Crop Improvement Association for its 53rd annual show. This annual Agriculture event will be held November 20 and 21, at the Capitol Grange Hall in Dover.

The crops exhibit includes nine classes for seed, grain, hay and silage. Entries close at 12:00 p.m. Nov. 20.

According to Dr. William Mitchell, University of Delaware Agronomist and Secretary of the Association, there will also be a 4-H Crops Judging event at 7:00 p.m. on November 20. Each County winner in this event will receive a scholarship to next year's 4-H Camp.

Other highlights of the two day crops show include a Farm-City Banquet on Monday night and clinic on soybean quality on Tuesday. The annual Awards Banquet will be held Tuesday night.

Robert W. Judd, managing director of the National Soybean Crop Improvement Council, will be the featured speaker at the awards banquet.

### Delaware Food Market Report

All kinds of meat are in generous supply. Poultry selections—turkeys, ducks and broilers—are priced lower than a year ago. Pork prices have edged down at the retail level. Beef continues to be plentiful.

Many of you will be buying your Thanksgiving turkey this weekend, so plan ahead. Most turkeys sold at the grocery stores now are frozen, so when you buy them make sure you think ahead. Be sure you allow enough time for thawing. A turkey which is thawed cooks more uniformly and it is much easier to stuff with dressing.

Turkeys take from 1 to 4 days to thaw in the refrigerator, depending upon the size of the bird. The bigger the turkey, the more time you need to allow. A 4 to 10 pound bird will require 1 to 2 days, a 20 to 24 pound one, 3 to 4 days.

Vegetable bins are brimming over with many good selections, as larger shipments from southern areas combine with near-by supplies. Cabbage, cauliflower, broccoli, Brussels sprouts, Eastern onions and potatoes, sweet potatoes and acorn, butternut, and Hubbard squash are among the most plentiful vegetables. But with weekend specials the following vegetables are also excellent buys. Carrots, beets, artichokes, celery, cucumbers, eggplants, lettuce, spinach and mushrooms.

A greater variety of fruits are available this weekend. Two unusual fruits, pomegranates and persimmons, are reasonably priced. Both are in season and at peak supply, so do try them. Apples, avocados, cranberries, pears, limes, oranges, grapefruit and bananas are all abundant and prices are low to medium. Plentiful grape varieties include Thompson Seedless, Ribers, and Emperors.

Egg prices have declined again. Both large and medium Grade A eggs are 4 to 8 cents a dozen cheaper and approximately 12 cents below last year's prices. Remember when buying eggs, select those that are refrigerated since the grade goes down after eggs have been at room temperature a day or so.

### Century Club Notes

Albert W. Adams, superintendent of the Harrington School, and William Horst, high school science teacher, were guest speakers at the November 15 meeting of the Harrington New Century Club. General topic for day was education. On this theme, Mr. Adams and Mr. Horst demonstrated some of the latest visual aid equipment being used in the local schools. Emphasizing the fact that no equipment can ever replace the class room teacher, Mr. Adams went on to show how the use of life-size models, motion picture projectors, microprojectors, overhead projectors, tape recorders, and teaching machines can be used to supplement the teachers work and to explain more fully the subject to the student. Mr. Horst showed a portion of a sound movie, using time elapse photography, a film strip that is one of the 460 currently in the library of the school, and a live specimen in the microprojector. Mrs. William A. Minner, education chairman introduced the speakers, and thanked them for bringing the interesting program to the club members. An exhibit of art work from the elementary grades were also displayed.

Mrs. Charles Peck, Jr., presided at the business meeting which followed. The members voted to make a \$10 donation for Christmas gifts for the Hospital for the Mentally Retarded.

A social hour followed. Those assisting Mrs. Minner were Mrs. Fred Wilson, Mrs. J. C. Messner, Mrs. Harry Quillen, Mrs. Harry Boyer, Mrs. Abner Hickman, and Mrs. Charles Jerread.

The next meeting will be held Tuesday afternoon, Nov. 28. Mrs. Arnold Gilstad, American Homes Chairman, has been most fortunate in obtaining the services of Mrs. V. L. Sweeney, interior decorator from Seaford for her program. Mrs. Sweeney is well known for her lovely work and will be demonstrating color, fabrics, design and all the other things that are to be considered in decorating a room. Members are reminded to mark their calendars now for Nov. 28.

### Mrs. Charles J. Luff

Mrs. Fannie B. Luff, 96, wife of Charles J. Luff, a former state auditor, died in the Mercy Hospital, Springfield, O., Sunday.

Mrs. Luff lived in the vicinity of Wyoming until she moved to Springfield two years ago.

Services will be held from the J. Millard Cooper Funeral Home, Harrington, Saturday at 11 a.m. Vicar John R. Symonds Jr., of St. Stephen's Episcopal Church, will officiate. Interment will be in Barratt's Chapel Cemetery.

Friends may call at the funeral home Friday evening.

### C.K.R.T. News

The annual visitation of officers from the Department of Delaware to the local unit of the Callaway - Kemp - Raughley - American Legion Auxiliary will be held on Tuesday evening, at 8 p.m. in the Post Home. Mrs. Jarvis Hurd, president, has asked that all members of the unit plan to attend. Mrs. Lawrence Aifele, department president, will be in attendance, with many members of her state staff.

Guests for the evening will be members of the Junior Auxiliary Unit, and Miss Kenna Jo McKnatt and Miss Janie Phillips who were representatives from Harrington at the 1961 session of Girl's State. Miss McKnatt and Miss Phillips will be bringing their report on the activities held in Dover at the end of June.

This is an ideal time to meet those dedicated women who direct the work of the American Legion Auxiliary, in the state. Members who are not familiar with all of the activities of the auxiliary are especially invited to be present.

Gifts for the Christmas shops at the veteran's hospitals may also be brought to this meeting. Any gift suitable for a veteran to send to his family for Christmas will be gratefully accepted. This project which has been carried on by the Auxiliaries for many years is surely one of the most important in the work of honoring veterans of all wars by service to them.

### "White Christmas" And K'toon Circus Showing at Reese

Yes, Mom & Dad should get set to bring the family to see the giant pre-Xmas program at Movie Center this Friday and Saturday, Nov. 17 & 18. Bing Crosby, Danny Kaye, Rosemary Clooney and Vera Allen, are the entertainers who appear in Irving Berlin's greatest of the great "White Christmas" in marvelous color. It's a happy entertainment for every member of the family. A number of surprises are in store along with a Giant Cartoon Circus. Of special note is the fact that all children are free if with parents. In all, it's a gusher full of happiness any family cannot miss.

One often has heard of extra special shows. One of that kind

is listed for Sun. & Mon., Nov. 19 and 20. Patricia Owens heads a cast of feminine stars in the exciting "Seven Women From Hell". Sidney Poitier, the celebrated movie star heads a great cast in "A Raisin In The Sun," adapted from the world famous stage play of the same name.

Rehoboth Beats H.H.S. Enroute To Loop Crown

by Keith S. Burgess

Coach Bill Santo's Harrington High football Lions were handed a horrendous walloping by Rehoboth's powerful unbeaten Seahawks at the resort town on Friday night.

Coach Frank Coveleski comes up with a good team year after year although Rehoboth's student body has on occasion been the smallest, numerically, in the state. The Seahawk's contests with Lord Baltimore and Seabville, two schools rated about even with H.H.S. in pigskin prowess, saw the Beachboys win handily and average about a touchdown per quarter. Coveleski has a reputation for being a merciful coach when a foe is outclassed but no mercy was shown as the haveless Harringtonians went down to the worst defeat in their history. It makes one almost wonder if someone said or did something, that made the veteran Rehoboth mentor angry.

The winner's 53-0 victory earned them the Henlopen Conference title. They have won or shared the title for the three years that it has been up for grabs.

Ken Simpler, one of the state's leading scorers, gained at will and scored twice on runs of 17 and 30 yards. Simpler also ran across four extra points. Doug Deloy made the end zone on sprints of 11 and 30 yards. Wayne Mitchell had a TD from 22 yards out and caught a pass for a 48-year pass-run score. Bayard Hendricks made the final tally on a journey of 36 yards.

The Lions' moments of glory were fleeting. It was encouraging to hold the juggernaut scoreless during the first quarter, yet by halftime the locals were four touchdowns behind. Jeff Adams got loose twice for long runs but was caught from behind each time.

Delmar's Wildcats will help Harrington ring down the curtain on another dismal season Saturday afternoon on the local gridiron. H.H.S. now has a record of one win, one tie and six losses in eight contests. Last year's record of 1-3 has been bettered but a loss Saturday would seem to indicate that the degree of improvement is slight to say the least.

The contest is difficult to evaluate when one considers comparative scores. Both Delmar and Harrington won by one touchdown from Lord Baltimore. But the Wildcats defeated the Lords after the Lords had beaten a North Dorchester squad that had clobbered Harrington. Also the Delmar team held Rehoboth to a one touchdown victory margin. However, the Lions could pull out the finale with efforts as good as they have displayed in a couple of titbits this fall. A couple of good bounces wouldn't hurt either.

Harrington 0 0 0 0-0
Rehoboth 0 26 7 20-53

Eagles Beat Bears In Little League Football

Another large crowd saw Tom Mulcahy's Eagles defeat the Bears 27-0 in a Saturday night arc-light test at the Moose Home. The Bears had played to a tie with the Colts, the league's third member, a week earlier.

A fast backfield and a rock-ribbed line featured the high-flying Eagles triumph. Wayne Melvin raced for three touchdowns and Jackie Redden tallied once. Felton's Willie Dill ran over three extra points. The Bears had trouble stopping a tricky triple reverse used frequently by the Red and White. It is a safe bet that the Bears and the Colts are being drilled to defend against such shenanigans this week.

The Colts will meet the Eagles Saturday night at 7:30 at the same location. The kids put on a good show and admission is free. This program should prove to be salvation of Harrington High football in a few years. The loop could very well add a team or two in '62 since interest is at such a high peak.

Joint Harvest Festival To Be Held

The congregations of Asbury and Trinity Churches will join with the Congregation of St. Stephen's for a non-denominational Harvest Festival to be held at 8 o'clock on Thanksgiving Eve at St. Stephen's Church. It is the thought of those preparing for this service that while thousands of Christians of all denominations are gathered in New Delhi, India for the third assembly of the World Council of Churches showing forth praise and thanksgiving to their one Lord, we in the local community would do well to do likewise at this great season of the year. The service will be a joint endeavor in every way with the clergy, choir members, acolytes, organists, and ushers being assembled from the participating congregations.

The service will be followed by coffee time with hostesses from Asbury, Trinity, and St. Stephen's serving.

The offering received will be divided in three ways and given to Asbury, Trinity and St. Stephen's to be designated by each congregation for some relief or mission project. In this way, the words of thanksgiving that we say and sing that evening will be translated into actions sharing our plenty with others.

St. Bernadette's Church Notes

There are fruit cakes for sale in the vestibule of the church, Mrs. Al Preziosi is in charge of the project. Help make it successful by giving Mrs. Preziosi your order. The cakes are packed in various gift containers: plastic jewelry boxes, ice buckets, casserole with matching cover, candy boxes.

The Catholic Youth organization is holding a bake in front of Trotta's Appliance Store, Saturday. There will be a variety of cakes, cookies and other baked goodies, all homemade. The time will be 10 o'clock.

The first dance will be held in St. Bernadette's Parish Hall this Saturday night from 9 thru 12 o'clock. Music will be provided by an orchestra from Baltimore, the admission price is \$3 per couple. Come and have fun.

Sunday afternoon, Nov. 19, the 14th annual Radio Play Contest, sponsored by the Diocesan Catholic Youth Organization, will be held in St. Bernadette's Hall in Harrington. The first play will be presented by St. Bernadette's; then will follow plays by St. Hedwig's and St. Anthony's of Wilmington; Holy Angels of Newark; St. Paul's of Wilmington, and then St. John's of Milford.

The first play will be presented at 2 o'clock and the others will follow at half hour intervals. Three men who are active in radio work will serve as judges for the contest. Their decisions will be announced Sunday afternoon but the trophies will not be presented until C.Y.O. Awards Night which is held early in June.

The public is cordially invited to attend the contest Sunday afternoon.

St. Bernadette's C. Y. O. have proudly received this coveted trophy on two different occasions. The play this year will be under the direction of William Kohel, ably assisted by Mrs. Joseph Brinster and Mrs. James Fair.

Teenagers Hold Record Hop

Teenagers of the neighboring communities gathered Saturday evening in the Farmington Fire Hall to enjoy a Buddy Deane record hop.

Kay Scott, Houston, and Sammy Minner, Harrington, were winners of the first dance contest.

Jitterbug winners were Debbie Cannon and James Adams of Harrington. Winners received record albums as gifts from Mr. Deane.

Farmington Auxiliary Notes

Members of the auxiliary met in the fire hall Monday evening. Reports were given on sales from miscellaneous articles at recent supper and the receipts of Buddy Deane dance.

Notice of the Kent County Association meeting Nov. 28 in Frederica was read by secretary. Ways and Means announced a "Watkins" party Nov. 20, with Mrs. Edna Fleischauer, demonstrator.

Rev. D. R. Saunders

Fish & Game News

Delaware's 1961-62 upland hunting season for rabbit, quail and pheasant will open Friday, Nov. 17, one hour before sunrise and run through January 6.

Hunters are urged to ask the landowner's permission before entering private land to hunt. It is not necessary to post land against trespassers. In posting land the sportsman is only being reminded of the law. The hunter's personal contacts with the landowner and his self-discipline are all-important since the bulk of the hunting will always be on private land.

The Commission owns and leases over 15 M acres of land which is managed for public hunting. A composite map of the areas is available upon request

### Felton School Notes

The second period physical education class has completed a tournament in badminton. In the single elimination affair Margaret Moore and Susan Roland played for the championship with Susan emerging as champion. Other participants were Peggy Hohorst, Margaret Wooten, Carolyn Warner, Ruth Weinberg, Sally Reynolds, Elizabeth Yocum, Bonnie Biggs, and Irene Somy.

The girl's hockey team played Harrington Oct. 31. They lost to a strong opponent 3-0. Nov. 7, they traveled to Dover Air Force Base where the score was 1-1 due to the efforts of an alert wing, Joanne Sullivan.

The whole team is to be congratulated on some fine efforts in play. The spirit and aggressiveness of the forwards and the skill and confidence of the defenses showed up in both contests.

#### SENIOR CELEBRITIES

##### Joanne Elizabeth Stayton

April 7, 1943

Joanne, daughter of Mr. and Mrs. Harold Stayton of Felton, takes part in softball, basketball, and majorettes. She helped with the prom of 1961 and the play of 1960. This year, she is a promoter for the 1961 play. Joanne has been in the band as a majorette for four years.

She is a business student and plans to go to business college for further learning.

#### James William Torbert

June 24, 1944

James, known to his fellow classmates as Jimmy, is the son of Mr. and Mrs. W. Russell Torbert of Felton.

Jimmy was treasurer of the 11th grade. He has served on the decorating committee for the prom of 1961. This year, he is helping with the play. He has been in all band activities since the seventh grade. He was in Junior Band for two or three years before the seventh grade and has been in chorus since the seventh grade. He has been on the safety patrol for three years.

He hopes he gets to go to college. His interests are boating and all water sports, roller skating and cars.

#### MENU—NOV. 20 and 21

Monday—Macaroni and cheese, stewed tomatoes, milk, cherries.

Tuesday—Submarine sandwich, buttered cut beans, milk, apple pie.

#### 4-H EXPERTS

(Continued from Page One) travel through almost any town in Delaware and eventually meet a 4-H'er he knows.

Tom Rollison's demonstration on artificial respiration has taken the top health award. His friend, Paul Purcell, assisted by playing the "victim" as Rollison demonstrated necessary steps and explained each action. He displayed two posters of his own creation to give a visual explanation.

Bandaging, knowledge related to convulsions, electric shock, how to stop bleeding and steps to take in case of shock and dislocation are a few of the proficiencies he has developed in this project.

Young Rollison's trip has been provided by the Eli Lilly and Company, sponsors of the 4-H health program.

The Westinghouse Educational Foundation, long-time sponsors of the electric program, have made Vaughn Elliott's trip to the National 4-H Congress possible. The firms also provide a total of 12 scholarships.

#### H.H.S. REPEATS

(Continued from Page 1) fore moving to New Castle County.

With interest at an all time high, a jayvee meet was held Wednesday afternoon at the request of some of the younger runners, who otherwise would have had to take a day off. The Lions took this one also with 20 points. Millsboro tallied 57 points to edge Milton (62) for second.

Randy Knox, whose previous harrier training has been limited to one workout four days earlier, surprised by running off and hiding from the rest of the field as he was clocked in 14:14, a time that would have gained him tenth place in the varsity meet. 22 Lions have been timed around the Killen's Pond layout since September. Only Clarence Hackett with a 13:47 could claim a faster second effort than Knox's. The writer in last week's journal stated that there were bound to be several more fine prospects in Harrington High's student body. Running is the sport that comes most naturally to many. This is the reason that some competitors can be a success overnight. Many other sports require the mastering of a multitude of skills before the desired result is achieved and sometimes this mastery proves to be impossible.

Albert Ratledge was a strong third in the second race, although just coming back after three weeks of inactivity. De-

spite the layoff he was one minute and six seconds faster than ever before. This defies explanation.

Bill Sollars chopped his time down by 31 seconds and Frank Welch sliced off one minute and 8 seconds. Erwin Rogers, Frank Cain, Larry Bonniwell and Dick Schreiber all were faster to enable the eight man jayvee squad to show eight new marks. Bonniwell, a tiny, 13-year-old eighth grader, ran 15:50 on a hot afternoon in early September. Unable to approach this time since he was beginning to wonder if he had really reached that figure, His relentless assault against the stop watch finally paid off as he was caught in 15:34. Watch this kid a couple of autumns hence.

Varsity meet:

1. Hackett	H.H.S.—12:33
2. Garey	H.H.S.—13:08
3. B. Fox	Mills—13:09
4. D. Rogers	H.H.S.—13:39
5. Smith	H.H.S.—13:56
6. A. Baker	Mills—14:04
7. Wix	H.H.S.—14:05
8. Smzaja	H.H.S.—14:08

16. Bullock	Milton—14:46
17. Bunting	Mills—15:10
18. Mitchell	Milton—15:29
19. D. West	Mills—15:22
20. Taylor	L. Balto.—15:52

Six more also ran.  
Jayvee Meet:

1. Knox	H.H.S.—14:14
2. Schmidt	Mills—14:32
3. Ratledge	H.H.S.—14:36
4. Sollars	H.H.S.—14:52
5. E. Rogers	H.H.S.—14:58
6. Zanko	Mills—14:59
7. Cain	H.H.S.—15:15
8. Brown	Milton—15:21
9. Owens	Milton—15:28
10. Welch	H.H.S.—15:29
11. Bonniwell	H.H.S.—15:34
12. Schreiber	H.H.S.—15:54

Seven more finished.

**Band**  
The Harrington High School Band under the direction of Melvin Brobst has planned a program on the playing field this Saturday at the Delmar game. The band will march, and in addition songs appropriate to Thanksgiving will be played. Money for the birthday calendars has been turned in by all band members. The band is proud of the 17 people who have completely filled their list of 24 names. At 25 cents a name, \$275 has been collected. All money will be put in the band fund for new uniforms.

#### Sophomores

The Sophomore Class of Harrington High School held its first class meeting Nov. 9. The following officers were elected: Nelson Reed, president; Joe Taylor, vice president; Nancy Blades, secretary, and Susan McDonald, treasurer.

#### Class Progress

Mrs. Graden's 10th grade English class is preparing five to seven minute oral reports about world happenings. The reports will be due Nov. 28.

The girl's physical education classes have started to play soccer. Although the game is rough most of the girls enjoy it very

much.

The next sport they will play is basketball, which is not quite so rough as soccer.

utes before the end of cooking time.

Cooking in aluminum foil is a high temperature method of roasting turkey. It gives a moist, juicy product in a shortened cooking time and splattering in the oven is prevented.

The skin of a turkey cooked in foil is soft and less brown. There is a tendency for the skin to tear and muscles to pull away from the bone.

Lay the turkey on its back in the middle of the foil. Place a small piece of foil over ends of legs and wing tips to prevent punctures to the outside foil. Bring the foil from one side up and over the breast of the turkey. Bring foil from other side up and lay it over the first piece. The overlap should be at least 3 inches. Don't use a lock fold (double fold) to seal edges—it's too difficult to undo when the turkey is ready for browning. Fold foil over the breast down at both ends of the turkey, pressing close to the body. Bend the foil from underneath the turkey up and over the top piece. The top of this last fold should be 3 inches or more above the bottom of the pan to prevent drippings from running over top of the fold. Large turkeys often have as much as three pints of drippings. Place turkey in a shallow, flat pan. Place in oven and roast according to the chart.

Time table for roasting foil-wrapped turkeys:

Unstuffed	Temp.	Hours
8-10	450°F	2 1/4 to 2 1/2
10-12	450°F	2 3/4 to 3
14-16	450°F	3 to 3 1/4
18-20	450°F	3 1/4 to 3 1/2
22-24	450°F	3 3/4 to 3 3/4

Place the spit in the rotisserie. Brush the turkey with soft fat or oil. Cook at 400 degrees F. or high, or 350 degrees F. for stuffed birds, until well-done. Follow equipment directions carefully. Allow 2 1/2 to 3 hours for 4 to 6 pound turkeys and 3 to 3 1/2 hours for 6 to 8 pound turkeys, with or without stuffing. When done, breast meat near the wing joint should be fork-tender and the drumstick meat soft when the thickest part is pressed between fingers. No basting is needed but if barbecue sauce pleases you, brush it on 30 min-

Place the spit in the rotisserie. Brush the turkey with soft fat or oil. Cook at 400 degrees F. or high, or 350 degrees F. for stuffed birds, until well-done. Follow equipment directions carefully. Allow 2 1/2 to 3 hours for 4 to 6 pound turkeys and 3 to 3 1/2 hours for 6 to 8 pound turkeys, with or without stuffing. When done, breast meat near the wing joint should be fork-tender and the drumstick meat soft when the thickest part is pressed between fingers. No basting is needed but if barbecue sauce pleases you, brush it on 30 min-

utes before the end of cooking time.

Cooking in aluminum foil is a high temperature method of roasting turkey. It gives a moist, juicy product in a shortened cooking time and splattering in the oven is prevented.

The skin of a turkey cooked in foil is soft and less brown. There is a tendency for the skin to tear and muscles to pull away from the bone.

Lay the turkey on its back in the middle of the foil. Place a small piece of foil over ends of legs and wing tips to prevent punctures to the outside foil. Bring the foil from one side up and over the breast of the turkey. Bring foil from other side up and lay it over the first piece. The overlap should be at least 3 inches. Don't use a lock fold (double fold) to seal edges—it's too difficult to undo when the turkey is ready for browning. Fold foil over the breast down at both ends of the turkey, pressing close to the body. Bend the foil from underneath the turkey up and over the top piece. The top of this last fold should be 3 inches or more above the bottom of the pan to prevent drippings from running over top of the fold. Large turkeys often have as much as three pints of drippings. Place turkey in a shallow, flat pan. Place in oven and roast according to the chart.
