

### Milford, State Highway Department To Meet On Proposed Bypass March 19

A wary Milford City Council agreed Tuesday night to meet with the State Highway Department March 19 on the proposed Milford bypass — over several councilmen's reluctance.

Council has been asked by highway department officials to meet in special session regarding the controversial proposals.

Several councilmen indicated they have no desire to meet with the department.

The highway department plans call for a bypass from U.S. 113 south of the city to Delaware 14, Milford residents, particularly businessmen, along Route 14 which skirts Milford, oppose the bypass in favor of dualization of present Route 14.

According to Mayor Alfonso E. Humes, highway department officials said they want council approval of the Route 14 plan.

But said Councilman Calvin Ball, "Mr. Miller (William J. Miller Jr., director of operations of the highway department don't want to put no road down 14."

"Whatever we do on this thing we're going to be wrong," Ball said.

Councilman Charles A. Bradley suggested the highway department already has its mind made up.

A city official later said the department may be trying "to pass the buck" to the city on the project.

Council also received a request for \$150 to help finance opening of the Milford Youth Center. No appropriation will be made until Mayor Humes obtains more information on the project, it decided.

Council learned from Edgar Hare Jr., state welfare director, that employable persons on relief may be used by the city on work projects.

The projects must not involve any task normally done by city employees, he said.

The city plans to put the men to work cleaning up the Old Union Cemetery off Route 14, among other projects.

The highway department has informed the city it will install street lights at several major intersections along U. S. 113 within the city limits. Milford must maintain the lights and supply current, council was told.

### Farmington Fire Company to Hold Open House

The Farmington Fire Co. and its members will have open house on Friday, March 1, at 8:00 p. m. The public is invited to attend from all areas.

A film will be shown entitled "Our Obligation." This is a very educational film for the whole family in fire safety.

The Deputy Fire Marshal of Kent County, J. B. Roys, of Smyrna, will be the guest speaker. Granville T. White, of Laurel, who is conducting fire school at Farmington, will cover the most suitable type of fire extinguishers for the home.

### Four Injured In Felton Crash

In a crash at 2:20 p. m., Sunday, six persons were taken to Milford Hospital after two cars collided on a curve on Route 12, six miles west of Felton.

Police said the car of Frederick W. Hickman, 38, Greensboro, Md., went out of control on a curve and struck a car operated by John W. Leonard, 28, Seabrook, Md.

Four of the six occupants of the two vehicles were admitted to the hospital. The other two were treated and released.

### Farm Bureau Has Wheat Plan

When the American Farm Bureau federation at its annual meeting threw down the gauntlet to the administration on the coming wheat referendum, this became the dominant news.

Almost overlooked was the fact the Farm Bureau had a wheat program of its own. In fact, some of the proponents of the certificate plan, which will be the plan to be accepted or turned down in the referendum have charged that the Farm Bureau only opposes, but has nothing to offer in the way of a program itself.

The Farm Bureau naturally refutes this charge in view of the fact it did adopt a resolution recommending a program at the same time it determined to oppose the certification plan.

The certificate plan is a 2-price system for handling wheat. The secretary of agriculture would announce the amount of wheat needed for domestic food use and exports. From this figure he would fix a national bushel allotment. The allotment would be divided among farmers. Farmers would get certificates covering the difference between the market price and a support price of about \$2 a bushel. All wheat not covered by bushel allotments would be acreage allotments with penalties for overplanting. First application of the certificate plan would be on the 1964 crop.

Proponents of the certificate plan say farmers in the referendum, which probably will be held in May or early June, will be choosing between \$1 wheat and \$2 wheat. The Farm Bureau insists the choice is between going down the road to government regimentation or a gradual elimination of product-market prices as the balance on controls and a return to wheel between production and consumption.

The Farm Bureau proposal involves an extensive cropland retirement program. A similar program was recommended in 1956, the Farm Bureau says, but Congress, although it passed the Soil Bank act that year, didn't follow the lines as suggested by the farm organization. As a result, the Farm Bureau says, the program wasn't as successful as hoped.

The Farm Bureau contends that the crop land retirement program it now is proposing, coupled with its price support recommendations, would bring about the needed adjustment in agriculture — without government controls over what the farmer can or cannot do.

Provisions of Program  
This program would provide that:

Cropland acreage may be retired voluntarily for periods of not less than three years on a competitive basis plan with premiums for the retirement of whole farms.

Land retirement under the program must be in addition to land ordinarily left idle or fallow if less than the entire farm is retired.

Retired land must not be harvested or grazed during the period of the contract.

Land to be retired must be designated well in advance of

### 3 Houses Burnt At Fire School

Seven fire companies burnt three houses Sunday afternoon in a fire school at Farmington. Granville White, Laurel, was instructor.

About 150 firemen took part from the fire companies of Greenwood, Ellendale, Slaughters Beach, Harrington, Houston, Felton, and the host company, Farmington.

Luther P. Hatfield

### Luther P. Hatfield Appointed Tele. Co. Associate

Luther P. Hatfield, of 201 Simmons Street, Harrington, was appointed engineering associate with the Diamond State Telephone Company in Dover.

Hatfield is a member of the Harrington City Council, Harrington Lions Club, Asbury Methodist Church, and is a former president of the Harrington Board of Education.

He began his telephone career in July of 1946, has served in various craft and management capacities, and joined the engineering Department in 1954.

Hatfield is married to the former Miss Zita Zimmerly, and they have one son, Marshall, 15.

### World Day of Prayer Begins Today

The 77th World Day of Prayer observance will be held in hundreds of thousands of services throughout the world Fri., March 1. The local observance will be held at 7:30 on that date in the Harrington Baptist Church.

The program will be a combined effort of women from the Baptist, Episcopal, Trinity and Asbury Methodist Churches of this community, plus the representative from the Greenwood Methodist Church. The Rev. Frank Baynard, pastor of the Clayton Methodist Church, will bring the message.

Under the direction of the United Council of Church Women the theme this year will be "More Than Conquerors." The service was written by participating women in Korea. The unnamed women from Korea who fashioned the words of the service from the comforting assurances in the Bible, had in mind the tensions of the world today. This world-wide prayer fellowship will be held in 150 areas on six continents of the world, sometime during the entire 24 hours to girdle the world with prayer.

The service is open to all who wish to participate.

### F. V. F. Co. Holds Training Program

A fire training program was held Sunday, Feb. 24 at Farmington by Farmington Volunteer Fire Company.

The training instructor for this program was Granville T. White and Farmington Fire Chief Jack Bradley.

There were over 100 firemen present from Kent & Sussex County. The following companies were there: Harrington, Houston, Felton, Greenwood, Ellendale, Slaughters Beach and the host company, Farmington.

After the training program was over, the Farmington Ladies Auxiliary served refreshments.

### W. O. T. M. Notes

We had four co-workers to travel to Baltimore Feb. 16, to take part in ritual of the Mooseheart endowment and at the mid-winter conference in conjunction with the men of Maryland, Delaware and District of Columbia. They were: Etzel McCready, Sr. Regent; Eleanor Semans, guide; Roberta Wolkoski, Moosehaven chairman; Susie Reed, escort.

We have also been invited to New Castle March 10 to do enrollment at Green Beanie Day in honor of the graduate regent. We also have district meeting at Cambridge the same day so plan to attend one or the other. We are also having a dinner March 24. Watch the paper for menu.

Broiler production is expected to average about six per cent above 1962 in 1963.

### Freedoms Roll-Call Participation Urged By Carvel

Noting that "freedom is a privilege that must be earned constantly and everlastingly protected," Governor Elbert N. Carvel this week urged all Delawareans to "participate in every phase" of the current Freedoms Roll-Call of the Freedom Foundation.

In a statement issued at Dover, the chief executive noted that "despite our oft-expressed pride in our heritage, we sometimes become too complacent, too smug, and take our hard earned freedoms too much for granted."

Continuing, Governor Carvel pointed out that while "we talk about our freedoms and proclaim that we are willing to fight to preserve them, should occasion require... most of us, as individuals, actually do little to guarantee these freedoms for the generations yet to come."

After noting that "it is not always easy for the average individual to know what, specifically, he can do to help," Governor Carvel cited Freedoms Foundation as "an organization dedicated solely to the task of preserving America's freedoms" and advised that "one of its functions is to detail ways whereby individual citizens can help to maintain the American Way."

Governor Carvel then endorsed the annual Freedoms Roll - Call as "an intensive campaign to reinvigorate all Americans in the spirit of Free Enterprise and the ideals of our Founding Fathers" and urged all our support of the current campaign.

The full text of statement follows:

"We Americans pride ourselves and rightly so, on being a free people. Freedom, we tell ourselves, is part of the great heritage of America, a proud distinction which sets us apart from many other nations less favored.

Despite our oft-expressed pride in our heritage, we sometimes become too complacent, smug, and take our hard earned freedoms too much for granted.

"We talk about our freedoms and proclaim that we are willing to fight to preserve them, should occasion require. Yet, most of us, as individuals, actually do little to guarantee these freedoms for the generations yet to come.

"True, it is not always easy for the average individual to know what, specifically, he can do to help. However, there is an organization dedicated solely to the task of preserving America's freedoms, and one of its functions is to detail ways whereby individual citizens can help to maintain

### Youth Art Month Starts Today

Governor Elbert N. Carvel this week commended the Delaware Association for Art Education for its sponsorship of Youth Art Month and urged Delawareans to participate in the month-long observance which begins March 1.

In a statement issued at Dover, the chief executive noted that "knowledge and understanding of art through actual use of the various art media can play an important role in the education of our youth," and pointed out that "while few of our boys and girls are likely to become artists of note, all will benefit from early opportunities for creative expression."

After pointing out that "art provides the opportunity for people of all ages to express their individual feelings," Governor Carvel noted that "in children, it stimulates the development of good judgment, understanding and appreciation." Governor Carvel also advised that "through their early experiences, young people are better able to meet adult problems intelligently and to understand the life and cultures of their contemporaries in all nations.

### Kent Wants Planning Unit

Enabling legislation will be drafted to permit Kent County's Levy Court to set up a planning commission.

The Levy Court met with John A. Bivens Jr., state planner, and George Vapaa, county agriculture agent, to discuss zoning and planning proposals in Kent County.

It was agreed at the meeting Bivens would offer specific proposals to the Legislative Reference Bureau for a bill authorizing a general planning and zoning measure for the county.

### Old-Time Fiddlers Contest June 17-22

"Old-time fiddlers of Delaware" take notice!

You are invited to participate in the National Old-Time Fiddlers' Contest and Festival to be held in Weiser, Idaho, June 17-22. And at the invitation of the Hon. Robert E. Smylie, Governor of the northwestern state!

In a recent exchange of correspondence between the chief executives of Idaho and Delaware, Governor Smylie asked Delaware's Gov. Elbert N. Carvel to extend an invitation to "all old-time fiddlers of Delaware" to participate in the Weiser contest and festival which he advised is to be part of Idaho's current Territorial Centennial celebration.

Governor Smylie noted in his letter that he understood that "Delaware has many excellent old-time fiddlers" and pointed out that "there are no restrictions upon sponsorship or financial assistance of a fiddler by any state or local entity." The Idaho chief executive also called attention to the fact that a total of \$1,375 in cash prizes will be awarded in the contest with \$500 cash and a trophy going to the first place winner.

The Idaho governor also told Gov. Carvel that "if the winner of the 1963 contest is from Delaware I will personally send you a hundredweight of genuine Idaho Russet potatoes."

Gov. Smylie also informed Governor Carvel that the City of Weiser has, in the past, hosted many Northwest fiddling contests, and is making extensive preparations for the occasion including recreation of "a real wild west and old-time atmosphere."

In making the invitation public, Gov. Carvel advised that prospective Delaware entries may obtain additional information by writing Gov. Robert E. Smylie, Honorary Chairman of the National Old-Time Fiddlers' Festival, c/o The State House, Boise, Idaho.

### Felton Alumni Scholarship Drive Short of Goal

The Felton Alumni Association campaign for funds to finance their annual scholarship drive will officially draw to a close this week.

Though contributions are coming in daily, the percentage of contributors is slightly less than that of the corresponding period last year.

Contributions are accepted at any time of the year, but the Association urges members to make their contribution by March 2, if possible.

4-H members this is a good way to add fun to project work. News is trickling in from all over Kent County that 4-Hers are busy preparing for our March 16th Talent Show at the Capital Grange. Kent County Blue Hens gave me a preview of their group entry under the leadership of Mrs. Ned McPherson. Entries are due in your 4-H office by March 4th.

Two parents nights were held recently. Chestnut Grove club of Dover received their new members in a ceremony. Oak Grove Blue Hens, East Dover, held a covered dish supper for their parents. Eddie Bergold and Larry Pepper gave their talks that they had entered in the Public Speaking Contest.

Recently a mother suggested that 4-H wasn't too available to urban youth. 4-H is for all youth. We have new prospects that anyone can pursue. Those in 4-H realize that project work is the means to an end. Leader-citizens are the end product of 4-H through our projects members have opportunities to develop themselves. Many of our local 4-H leaders were yesterday's 4-Hers. Join 4-H today as a member or adult leader.

### Four SBA Loans Made in Delaware

Four small businesses in Delaware received business loans totaling \$210,000 from the Small Business Administration in the last three months of 1962. Edward N. Rosa, Regional Director of SBA's Philadelphia office, announced recently. The four companies presently employ 63 people, and will add a total of 10 employees to their work forces as a result of the loans.

The Small Business Administration is authorized to make loans to qualified small businesses for the improvement of existing land and buildings; the purchase of new machinery, equipment, facilities, supplies or materials; working capital; and debt payment.

The maximum maturity for a regular business loan is 10 years, except loans for construction purposes, which may have a maturity of 10 years plus the estimated time required to complete construction. The interest rate on SBA's direct business loans or on the Agency's share of a loan made in participation with a local bank, is 5 1/2%.

However, in redevelopment areas designated by the Area Redevelopment Administration, the interest rate on small business loans is reduced to 4 percent. This new rate now applies to Kent and Sussex Counties, which have recently been declared eligible for redevelopment assistance.

In addition to its loan programs, SBA offers extensive procurement and technical assistance and management and research assistance. As part of its management services to small businessmen in Delaware, the Agency is co-sponsoring a Tax Management Conference, which will be held in Wilmington on March 14. The Conference is being presented by SBA, in cooperation with the Internal Revenue Service and the Delaware State Department of Public Instruction. Tax experts from the Internal Revenue Service will instruct workshop sessions on small business tax problems, and guest speakers from both Government and industry will address the group.

Information on the services which SBA provides for small businessmen in Delaware is available at the Agency's Regional Office, 1015 Chestnut St., Philadelphia, 7, Pa.

Loans issued to Delaware firms are as follows:

Henry G. Graves & Son, Inc., Georgetown, \$80,000; emp., 15, transit mix concrete.

M & H Lumber Co., Washington St., Milford, \$45,000; 27 emp., lumber products and piling.

Wilkie Furniture Co., Milford, \$25,000; emp. 18, ret. new and used furniture.

Hopkins Granary, Inc., Milton, \$60,000; emp. 3, grain dealer and broker.

### Carvel Urges Improvement Of Homes

Gov. Elbert N. Carvel this week endorsed the current Home Improvement program of the National Home Improvement Council and urged all Delawareans to participate by planning now for the improvement of their properties during 1963.

After noting that "there are few domestic matters of more importance than the preservation of the \$500 billion worth of property in this country," Governor Carvel pointed out that "in 1960, there still remained eleven million substandard houses in this nation and many more in need of alteration, expansion, or repair."

He also pointed out that "many of these structures are basically good houses, which only need some minor improvements to remodel them to acceptable modern living standards," and advised that "if all houses that today lack basic facilities were brought up to minimum standards within a 10-year period, 3 1/2 to 4 billion dollars would be added to the national economy."

In urging Delaware participation in the current year-long home improvement program, Governor Carvel pointed out that "serve many purposes including greater employment, stabilization of real estate values and making our state more attractive to industry and to tourists."

### Red Cross Drive Begins Today

The 1963 fund drive to carry on the humanitarian services of the Red Cross begins today, Friday, March 1, in Delaware.

The goal of the intensive month long campaign in the state is \$329,488.

A large army of volunteers will launch an appeal to enroll Delawareans in the world-wide organization which is dedicated to the tradition of mercy.

This year's appeal is tied to the slogan, "Always There... with Your Help."

James C. Stewart, manager of the office buildings division of the duPont Company, is campaign chairman. His chief assistants are volunteer leaders, all prominently identified with business, civic and communal activities throughout the state.

This year the American Red Cross and some 90 sister societies mark the centenary of the world-wide Red Cross movement.

"In the past one hundred years, the red cross on a field of white has become one of the most widely known symbols of hope for the hopeless and help for the helpless," Mr. Stewart said.

He underlined the urgency of this year's appeal and said it was vitally important that the Red Cross reach its goal. He said that disasters in Delaware and elsewhere have caused a heavy depletion of Red Cross funds.

When the worst storm in Delaware's history struck without warning last March 6, the Red Cross was ready," Mr. Stewart said. "The Red Cross provided shelter for the homeless, food for the hungry, clothing, medical and nursing care and rehabilitation assistance in the period afterward while victims waited to return to normal living."

He said Red Cross disaster recovery assistance totaling \$68,911 was given to 141 Delaware families. He emphasized that all Red Cross disaster relief to the affected families and individuals is an outright gift.

Stewart stated that in Delaware last year the Red Cross handled 1,987 separate cases involving servicemen, veterans and their families. The Red Cross assisted with family counseling, rapid communications service and emergency financial aid.

A total of 8,817 persons throughout the state were awarded Red Cross certificates in 698 courses in first aid, water safety and small craft.

Nursing services trained hundreds of women in home nursing and gave courses in home care of the sick and injured.

Food, clothing, medical care and housing were provided for hundreds of victims in 23 disaster-type operations.

Gray Ladies and Men devoted 11,610 hours to the sick. High School and Junior Red Cross students sent thousands of gift boxes to disaster sufferers and hospitalized patients throughout the world. Women of the Motor Service daily transport patients to hospitals and clinics.

### DEMOCRATS TO MEET

The Ninth District Democratic Club will hold a covered-dish supper at the American Legion Home, at 7:30 p. m., Tuesday.

Several thousand dollars worth of equipment for the home and outdoors is now being exhibited at the local Armory as the Harrington Lions open their second annual Home and Garden Show. Mayor Fulton Downing officially gets the show underway by cutting the ribbon on Friday, March 1, at 5 p. m. Both WKSB, of Milford, and WJWL, of Georgetown, will be on hand for radio coverage of the event. The Harrington High School Band under the direction of Prof. Melvin Brobst will play for the opening ceremony.

The show continues on Saturday from 10 a. m. to 10 p. m. Sunday the hours will be from 1 p. m. to 6 p. m. Admission is free and door prizes will be drawn regularly during the entire show. Registration at the door will entitle everyone to participate in the door prize drawings. Free coca cola will be served during the show.

Chairman Curtis Melvin announces that Hallett's Rug and Upholstery Cleaning, of Dover, have joined the following exhibitors at the show:

Dover Air Base, Taylor Marine.

### FARA Officials to Speak in Dover March 1st

Congressman Harris B. McDowell, Jr., (D-Del.) announced Wednesday that he has completed arrangements for speakers and participation by top Federal Area Redevelopment Administration (ARA) officials at an afternoon conference to be held in Dover, today on the economic development opportunities in Kent and Sussex Counties.

The conference will be held at the Dover High School Auditorium, Del. and Pennsylvania Avenues, in Dover and begins at 1:30 p. m. The conference is open to all and all citizens and community leaders are urged to attend.

Kent and Sussex Counties were designated as areas eligible for federal assistance under a provision of the Area Redevelopment Act which requires that eligible areas be distributed as widely as possible among the states so that experience under the program will cover as many different circumstances as possible.

Speakers for the conference include Harold W. Williams, Deputy Administrator, ARA; Ward Miller, chief, Northeast Division, ARA; Gordon E. Reckord, assistant administrator for planning and research, ARA, and Harold Brown, assistant to the administrator of the Small Business Administration.

Federal experts in such areas as tourism, recreation, agriculture, and business management will also speak and be available for consultation during the conference.

Congressman McDowell explained that federal assistance under the Area Redevelopment Act is based on detailed planning and programming of economic development at the local levels. To be considered for ARA financial assistance, Kent and Sussex Counties must form local board-based committees representative of citizens engaged in the fields of education, local government, agriculture, labor, business and finance. These committees, Congressman McDowell further explained, will be responsible for preparing an economic development program which can be reviewed by the appropriate state agencies and if approved, sent to the Area Redevelopment Administration for further consideration.

ARA assistance may be given in the form of long-term loans to help new and expanding industries; technical assistance, research projects, and job retaining programs, including subsistence payments for jobless workers while they are being trained for new jobs.

Projects available for aid under the ARA program include direct Federal works already authorized by the Congress such as

HELEN GRAMPP

4-H Conference Delegates Named

Four Delaware 4-H Club members have been selected to represent the state at the 33rd National 4-H Conference to be held in Washington, D. C., April 20 to 26, according to James O. Baker, state 4-H leader.

The quartet includes Helen Grampp, Dover; Jean Ann Tucker, Greenwood; George Nickle, Newark, and Franklin Melson, Bridgeville.

Their selection is announced in conjunction with National 4-H Club Week which will be observed March 2 through 9 throughout the country.

The delegates were selected on the basis of their 4-H records, leadership abilities and citizenship activities, Baker said. The four will attend a citizenship workshop where they will study American heritage and analyze the responsibilities that go along with it. In conjunction with this, they will also visit the Smithsonian Institute and the National Art Galleries and will tour many of the historical shrines in Washington.

Helen Grampp, daughter of Mr. and Mrs. Chris Grampp, is a nine-year veteran of 4-H club work. During this time, she has received many 4-H honors, highlighted by a trip to National 4-H Club Congress in 1961. Helen served as a counselor at the Delaware state 4-H camp last year and is a freshman at the University of Delaware.

Jean Ann Tucker, daughter of Mrs. Carl Tucker, is a senior at Greenwood High School and has been a 4-H member for nine years. She has carried 33 4-H projects for which she has received 10 county medals. In addition, she enters county demonstration and judging events each year and has gone on to several state contests. She is now serving as junior leader of her club and is president of the Sussex County 4-H Council.

Franklin Melson, son of Mr. and Mrs. Franklin Melson, is also a nine-year 4-H'er. He has carried 20 different projects and has earned 12 county medals for outstanding work. He attended National 4-H Club Congress in 1961. Frank has participated in demonstration contests for three years and has judged field crops or vegetables on the state level nine times, earning several awards for his work. A freshman at the University of Delaware, he serves as junior leader of his club.

George Nickle, Jr., has been active in 4-H club work for ten years, during which he has won several county awards and a state award in his home grounds beautification projects. He also has taken part in the Delaware Flower Show, the state fair and the county. Also active in school and community events, he attended a White House conference in Washington, D. C., was national chairman of the student branch of the March of Dimes, and last year was one of the twin city exchange students students from Newark to LaGroz, France. The son of Mr. and Mrs. George Nickle, he is a freshman at Appalachian State Teachers College, Boone, North Caro-

FREEDOM ROLL-CALL

(Continued from Page One) The American Way. Its name: Freedoms Foundation, a non-profit, non-sectarian organization, headquarters at Valley Forge, where, during the winter of 1777-1778, this nation's struggle for freedom received its most severe test.

"Each year, during the month of February, the Freedoms Foundation conducts its annual Freedom Roll-Call, a period dedicated to an intensive campaign to reinvigorate all Americans in the spirit of free enterprise and the ideals of our founding fathers. The 1963 Freedoms Roll-Call is now underway and will continue throughout the remainder of this month.

"The theme of the current Freedoms Roll-Call is 'Plant The Seeds of Freedom and Help Them Grow' and is aimed especially at awakening the parents of the country to a realization that they must help plant the seeds of freedom in the minds and hearts of their children (the future voters) in their everyday life, at home, if the American Way is to survive. Participating in this Roll-Call are celebrities from all walks of American Life, who, through newspapers, radio and TV, are joining Freedoms Foundation officials in urging support of this worthy program.

"I heartily endorse the 1963 Freedoms Roll-Call and urge all my fellow-Delawareans to participate in every phase of this many-faceted annual appeal. Freedom is a privilege that must be earned constantly and everlastingly protected."

FARA OFFICIALS

(Continued from Page One) public buildings; flood control, river and harbor projects; roads and trails; and reforestation. Help under ARA programs is also extended to newly initiated projects, acceleration of current construction including the improvement, renovation, and repair of existing works and extends to existing Federal financial assistance programs such as airports, hospitals, waste treatment systems and community facilities.

"BARABBAS" at Reese March 1-4

According to the management of Movie Center great and unusual preparations to usher in the grand presentation of "Barabbas" with Anthony Quinn, Silvana Mangano, Arthur Kennedy, Katy Jurado, Jack Palance and Ernest Borgnine are all set for the four day engagement, this Friday, Saturday, Sunday and Monday, March 1-2-3-4.

"McCall's Magazine" says, "Breath-taking." New York Journal American says, "Sweeping Grandeur." Time Magazine says, "Illuminating Experience." In fact all critics agree, "it's the entertainment that begins where the other big ones leave off."

"Barabbas" is being brought to Harrington at great expense. It is hoped that full co-operation from the schools, church, and organizations is forthcoming. To miss it is to sacrifice the greatest experience of the year.

With the announcement that

"Jumbo", MGM's great extravaganza with Doris Day, Stephen Boyd, Jimmy Durante, and Martha Raye, follows on March 8-9-10-11, the greatest of entertainment is assured theatre fans.

DSC TO HOLD

(Continued from Page One) Agency and Robert F. Reissig, Manager of Professional Personnel Relations, Defense Electronic Products Division, Radio Coproation of America will give remarks at the first session. Julius A. Thomas will give a summation of the highlights of the Career Conference at the closing session schedule to begin at 3:00 p. m.

WHEAT PLAN

(Continued from Page 1) planting time when less than the whole farm is offered for retirement.

Rental payments may be made in cash or in kind at the option of the producer, but in order to avoid disrupting markets for current production, grain released through payments in kind must be valued at not less than 115 per cent of support price levels.

Producers retiring less than entire farms must be permitted to use any unretired acreage as desired, except from crops under acreage allotments and or marketing quotas.

Subject to Limitation The percentage of cropland that may be retired in any one county must be subjected to limitation to avoid disrupting local communities.

The program must be administered to meet the particular needs of the various farming

areas in order to encourage maximum efficiency and to assist farmers with small acreage of cropland.

Signups in this program must be terminated as soon as surpluses have been eliminated and reasonable balance in agriculture has been restored under a market price system.

Beginning with the 1964 crop year, wheat allotments and marketing quotas to be terminated. The support price for wheat be set at the higher of the average world price of wheat during the preceding three marketing years or 50 per cent of the parity.

Proper premiums and discounts be applied to the wheat loan rate to reflect supply and demand conditions of milling and baking quality at the market place.

The Farm Bureau believes its program would favor the traditional wheat growing areas in that the market would prefer the bread grain from these areas. It charges that programs of the past and the current programs have badly distorted wheat production and pricing patterns of the various classes and grades of wheat, because government guaranteed prices have prevented the market from functioning.

If farmers don't give the certificate plan the necessary

two-thirds majority in the referendum, the Farm Bureau then will press Congress for enactment of its program. Farm Bureau believes one of its strongest arguments will be that if its program should be put into effect, farmers could plant as they pleased on land not in any retirement program without checking with a county ASC office for permission.

FENCE TALK

With George Vapaa

"The appointment of a planning commission and the preparation of a comprehensive master plan are fundamental before a program of zoning should be started in the lower counties." These were the recommendations of the Delaware State Grange at its last annual convention.

People should have a chance to study the growth of our area. They should be able to offer suggestions for discussion, and in other ways help to guide this growth constructively.

We should ask ourselves these two questions: (1) What kind of a community do we want to live in? (2) What are we willing to do to achieve it?

Population growth pressures are bound to come. Planning and zoning are tools of government to preserve an orderly manner of

growth. Farm show crowds at Harrisburg this year were the largest in history. And Delaware farmers helped to swell attendance at this midwinter show. This in spite of the trend to fewer farmers and larger farms.

Salesmen, usually the most skeptical of crowds, were impressed with the buying intentions of the visitors. This does not necessarily mean that farmers are flush with money. It simply indicates that today's farmer must spend more money on machinery to cut down on labor costs. This gives him more time for headwork instead of hand work to run their farms.

So to spend his money as smartly as possible, he just has to

go to the show to keep ahead of new developments in his business. A farmer that I went with was looking over new liquid manure spreaders for his dairy operation.

Too, it is surprising how many old friends and technical farm experts, you recognize and trade information with. The new developments often lead to new friends and new knowledge so essential to "keep up" these days.

The Delaware Swine Carcass Show, at Lewes, March 4-6, is open to any breed or cross breed within the live weight range of 180-220 pounds. If you're interested in entering a carcass in the show, let us know at the County Extension Office on the second floor of the Dover Postoffice.

Bank—or Department Store? It's hard to tell which the picture shows, isn't it? Actually, it shows the lobby of a commercial bank, in which an assortment of wares is exhibited—because they illustrate goals attainable through use of bank services. Banks often feature displays like this, giving their premises the appearance of department stores. In another way, America's commercial banks are department stores—of financial services. Under a single roof, the customer finds an assortment of useful credit services, and handy facilities for safeguarding possessions, transferring funds, and practicing thrift. Bargains abound. Cost is low on loans for all sound purposes; safe deposit protection costs pennies weekly; the benefits of a checking account cost little or nothing; the unique advantages of a bank savings account are yours plus interest. A century seems a short time indeed for commercial banking to have reached the state where it can offer the average American this all-around financial service. It was just a century ago—in 1863—that President Abraham Lincoln signed the National Currency Act. By creating a national currency, the Act created a key growth catalyst for economic advancement. And by providing for Federally-chartered banks, to join the existing state-chartered banks, it created the "dual banking system" that has so greatly augmented that advancement. An anniversary marks not only an end but also a beginning. As America's commercial banks look back on their record with pride, they look forward to a new century of progress—through service.

**IN MEMORIAM**

In loving memory of our dear daughter, Mary Louise Barto, who passed away February 29, 1960.

My heart still aches with sadness and secret tears still flow. What it meant to lose you No one will ever know.

Still in memory you are with me As you always were before. They say time heals all sorrow And helps to forget. But so far time has only proven How much I miss you yet.

When I am all alone, For memory is the only thing That grief can call its own. Although I can not grasp your hand Your face I cannot see. But let this little token show You will always be loved by me. To sit and talk with you awhile To be with you the same old way. Would be my fondest wish today. Please God keep her in your loving arms.

Deeply loved and sadly missed by Mother and Dad, Mr. and Mrs. George W. Simple. It 3-1 exp.

**L. O. O. M. News**

Funeral services for Pilgrim William Fleischer Sr., of Farmington, were held last Tuesday evening, Feb. 19, and Wednesday afternoon, Feb. 20.

A Moose service was held Tuesday evening at the Fleischer Funeral Home in Greenwood by Pelgrims John Morrison and Earl Kelley, of the Salisbury Lodge; Merrill Vandrevende, who has a Fellowship Degree; Rich Wilson, Watson Shew and Earl Yoder, all of Harrington Lodge. Clifford Bozeman, who is a past Governor of Easton Maryland Lodge and Women's Chapter attended the services.

Pallbearers for Brother Fleischer were Pilgrims, John Morrison and Earl Kelley, both of Salisbury Lodge; Pilgrim Eugene Lamont, of Wilmington Lodge; Fellows, Preston Shockley, of Salisbury Lodge; Merrill Vandrevende and C. E. McWilliams, of the Harrington Lodge.

A Moose burial service was held at the grave by Governor Thomas Carr, of Harrington, and secretary Watson Shew, of Greenwood.

An enrollment ceremony was performed on Tuesday night, Feb. 26 by the Harrington Lodge No. 534 Degree Staff.

Enrolled into our order were Edgar Brown, of Harrington, who was sponsored by William West, of Harrington and Grover T. Harvard, of Dover, who was sponsored by Governor Thomas Carr.

Our wheel chair has been returned to our lodge and is available to anyone who has need of it.

## Felton School News

**Music Department**

The Music Department has added a new instrument for use in the band. It is a new sousaphone, which is made out of fiber glass. This is a very new material which is used primarily to prevent damage and make the instrument lighter when used in parades. The instrument is white in color which should blend well with the green uniforms. The new sousaphone is being purchased by the Felton Music Boosters Club.

**Sports News**

The Felton Green Devils lead the Western Division of the Hellen Conference in basketball. Their leadership came after a tough battle, having lost two of their first three games. This year's club lists only one senior and shows great promise for continued improvement. At this writing, they have a record of eight straight victories and over-all record of eight wins and two losses.

The Jayvees also have done well and have a record of four wins and one loss.

**Building and Field Improvements**

The State Board of Education has included in the new school construction bill a request for \$9,000.00 of state funds to match an appropriation of \$6,000.00 local funds for continued improvements to the Felton School building and grounds.

The Certificate of Necessity will specify alterations and additions to the existing facilities for fencing the school grounds, athletic field equipment, a sidewalk, additional furniture, and equipment for instructional purposes and the school cafeteria and for modifications to the exit-light system as required by the State Fire Marshal.

The local funds portion of the new construction program will be provided from tuition, federal funds received under Public Law 874, and local tax receipts for school improvement purposes. No additional bond issue or increase in taxes will be required to finance the district's share of the building program. State funds have also been requested in the bill for capital improvement for schools to permit restoration of roofing in the original section of the school plant, additional screens and smoke doors, corridor replacements, and boiler system improvements.

Early passage of these bills would permit an early start this summer on these necessary improvements.

**Student Makes State Chorus**

The first week of March will be a busy one for Linda Buffkin, a member of the Felton High School Chorus. She will spend three days in Atlantic City attending the Eastern Division Music Educators' Conference. Sometime ago, Linda was chosen by a state committee of music educators to participate in the choral group of high school students from the New England and Middle Atlantic States. Monday evening, March 4, this choral group will present a concert of music under the direction of Helen M. Hosmer, Crane Department of Music, State University College of Education, Potsdam, N. Y.

Following these wonderful three days, Linda will then journey to Seaford for another two days of singing. She will take part in the Delaware State Chorus. Friday evening, March 8, the chorus will perform under the direction of Dr. John Raymond, head of the music department at Lafayette College, Easton, Pa.

Linda is a junior at Felton. Upon graduation from high school she expects to major in elementary education and minor in music at the University of Delaware.

**Senior Personalities**

Robert Allen Steele  
January 26, 1945

Robert is the son of Mr. and Mrs. Albert L. Steele, of Felton. He has been very active in the high school band since seventh grade, Kent County Band, Delaware State Band and played a part in the play of 1962. Robert loves the outdoors and hunts often. He is an academic student and plans to attend the University of Delaware after graduation.

Robert Lee Stubbs  
October 11, 1945

Robert resides at the home of Mrs. Myrtle Brittingham, of Felton. He is an active member of the safety patrol and is a senior candy salesman. Robert has a very interesting hobby of motorcycles. He takes the general course and plans to take up mechanics or cabinet making after graduation.

Irene Somy  
August 14, 1945

Irene is the daughter of Mr. and Mrs. Joseph Somy, of Frederica. She is a member of the yearbook staff and participated in the play of 1961. She also played basketball for three years. For two years, she was on the hockey and softball teams. Irene's hobbies are reading, dancing, and sports. She takes the scientific course and plans to go into nursing training after graduation.

**Welding Students**

Twenty students were presented with certificates at the last

meeting of the adult class in welding at the Felton High School, Wednesday evening. The certificates were presented by Virgil M. Jarrell, chairman of the board of school trustees. Before presenting the certificates, Mr. Jarrell commented that due to the increased use of machinery in farming and in other industries, arc welding is becoming more and more important to the maintenance of this equipment.

**Magazine Campaign**

The Felton chapter of the F.F.A. voted to conduct a sales campaign for the Farm Journal magazine. This campaign will begin immediately and run through March 4. Individual members will compete with each other for prizes of F.F.A. merchandise such as the official F.F.A. jacket, raincoat, fatigue jacket, belt, necktie, etc. Anyone desiring to subscribe or renew their subscription may contact some member of the chapter.

**Control of Crabgrass Studied**

What effects do various chemicals and time of application have on crabgrass control in an established lawn?

This was the concern of C. E. Phillips who conducted research at the University of Delaware School of Agriculture. The results are published in the "Progress Report" entitled, "Chemical Control of Crabgrass in Lawn Turf."

Phillips found that Daathal and Zytron gave the most satisfactory control of any chemicals when applied before crabgrass emergence.

Results also showed that Trifluralin, CPA and CPA plus CMA gave excellent crabgrass control when applied as "early post-emergence" granular materials.

As a "summertime crabgrass killer", a Trifluralin - DSMA combination was the most promising.

Additional information may be obtained by writing to the University of Delaware, Agricultural Experimental Station, Newark.

**Dairy Herd Improvement Meetings Set**

A series of three Dairy Herd Improvement Association (DHIA) dinner meetings, sponsored by county associations, will be held in Delaware March 5-7.

The New Castle County meeting is scheduled for the Pender Grange Hall, Glasgow, at 7 p. m., March 5. Similar meetings will be held in Kent County on March 6 and Sussex County, March 7.

Speakers at the New Castle County meeting will be Dr. Irving F. Fellows, an agricultural economist at the University of Connecticut, who will present an illustrated talk based on a study he did on the dairy industry in California, and Dr. Wilbur R. Hesselstine, Extension Dairyman at the University of Delaware at the University of Delaware, Newark.

**Swine Carcass Show at Lewes**

The Delaware Swine Carcass Show will be held March 4-6 at White Packing Company, Lewes. The show is open to any breed or cross bred within the live weight range of 180-250 pounds.

Glen Keen, Pennsylvania State University livestock specialist, will judge the carcasses on the 6th. Carcasses will be on exhibition from 6-9 p. m., on March 6 at White Packing Company at which time Dr. Keen will discuss the placings.

The 1962 Grand Champion was owned by Vernon Lane of Federalsburg, Md. It was the most uniform carcass and showed only 1.1 inches of backfat for its 30-inch length and contained over four square inches of loin eye muscle. The Reserve Champion was owned by John Curtis of Harrington.

Further information may be obtained from any director of the Delaware Swine Producers' Association, County Extension Office or from the state livestock specialist at the University of Delaware, Newark.

**H.H.S. Publishes Paper**

Early December found Gloria Schaper, sophomore of Harrington High School, eagerly planning for a school newspaper. Much time was spent concerning the paper before any action was accomplished. Under the sponsoring of the guidance counselor, Allan Rutledge, and through the help of other interest teachers, a staff was formed.

The first edition, entitled "Name Me," was published Dec. 21, 1962, with great success.

"Name Me" soon found a name submitted by Sharon Goodhand—"Echoing Halls."

The initial success of the newspaper has been due to the untiring efforts of the entire staff. Much credit should be given to the entire school for its co-operation in getting this newspaper underway. The 1962-63 staff is as follows:

Editor-in-chief, Gloria Schaper; assistant editor, Peggy Edgar; business manager, Kenny Garey; secretary, Lynn Bennett; typing editor, Bobette DeVroy; assistants, Nina Hitchens, Doris Wenchtenhiser, Warren Bader, Nancy Callaway, Gale Umphlett, and Marilyn Sherwood; senior reporter, Lyn Layton; junior reporter, Bobette DeVroy; sophomore reporter, Anne Hoffmen; freshman reporters, Dan Adams and Pat Oady; girls sports, Bonnie Tucker; boys sports, Richard Back and Ron Hughes; art, Frances Downing; cartoons, Dennis Simpson and James Reese; poetry, Henry Minner; roving reporter, Marilyn Sherwood; club reporter, Linda Richardson; Dear Leo column, Gale Umphlett and Nina Hitchens.

**H.H.S. Publishes Paper**

Early December found Gloria Schaper, sophomore of Harrington High School, eagerly planning for a school newspaper. Much time was spent concerning the paper before any action was accomplished. Under the sponsoring of the guidance counselor, Allan Rutledge, and through the help of other interest teachers, a staff was formed.

The first edition, entitled "Name Me," was published Dec. 21, 1962, with great success.

**Dairy Herd Improvement Meetings Set**

A series of three Dairy Herd Improvement Association (DHIA) dinner meetings, sponsored by county associations, will be held in Delaware March 5-7.

The New Castle County meeting is scheduled for the Pender Grange Hall, Glasgow, at 7 p. m., March 5. Similar meetings will be held in Kent County on March 6 and Sussex County, March 7.

Speakers at the New Castle County meeting will be Dr. Irving F. Fellows, an agricultural economist at the University of Connecticut, who will present an illustrated talk based on a study he did on the dairy industry in California, and Dr. Wilbur R. Hesselstine, Extension Dairyman at the University of Delaware at the University of Delaware, Newark.

**Swine Carcass Show at Lewes**

The Delaware Swine Carcass Show will be held March 4-6 at White Packing Company, Lewes. The show is open to any breed or cross bred within the live weight range of 180-250 pounds.

Glen Keen, Pennsylvania State University livestock specialist, will judge the carcasses on the 6th. Carcasses will be on exhibition from 6-9 p. m., on March 6 at White Packing Company at which time Dr. Keen will discuss the placings.

The 1962 Grand Champion was owned by Vernon Lane of Federalsburg, Md. It was the most uniform carcass and showed only 1.1 inches of backfat for its 30-inch length and contained over four square inches of loin eye muscle. The Reserve Champion was owned by John Curtis of Harrington.

Further information may be obtained from any director of the Delaware Swine Producers' Association, County Extension Office or from the state livestock specialist at the University of Delaware, Newark.

**Control of Crabgrass Studied**

What effects do various chemicals and time of application have on crabgrass control in an established lawn?

This was the concern of C. E. Phillips who conducted research at the University of Delaware School of Agriculture. The results are published in the "Progress Report" entitled, "Chemical Control of Crabgrass in Lawn Turf."

Phillips found that Daathal and Zytron gave the most satisfactory control of any chemicals when applied before crabgrass emergence.

Results also showed that Trifluralin, CPA and CPA plus CMA gave excellent crabgrass control when applied as "early post-emergence" granular materials.

As a "summertime crabgrass killer", a Trifluralin - DSMA combination was the most promising.

Additional information may be obtained by writing to the University of Delaware, Agricultural Experimental Station, Newark.

**Delaware Food Market Report**

March menus must be versatile—this is the time of the year when people's mealtime hankering tend to vary from casual interest to really hungry—according to weather changes. Then there are also Lenten menus to be planned. This Month's Plentiful Foods list is filled with the kind of variety that menu planners need to satisfy everyone's appetite.

"Versatile Eggs" are in the feature spot of the U. S. Department of Agriculture Plentiful Foods list. They have earned this name because they can so easily be mixed and matched with many foods making them the "back bone" of many meatless meals for Lent. Due to the seasonal increase in egg supplies, March is also called "Egg Month." Be sure to put eggs on the shopping list and check them for good buys.

Whole and cream style canned corn is another plentiful food. It, too, can easily be fashioned into a host of flavorful prize-winning dishes. How about serving a light-as-a-cloud corn souffle made extra special by adding grated, nippy cheddar cheese to the egg whites at mixing time. Why not try a corn and tuna casserole which boasts the goodness of whole corn kernels and bite-size bits of tuna in an onion-enhanced cream sauce.

Other foods listed as being abundant in March are carrots, potatoes, red tart cherries, pork, rice, sweet potatoes, cottage cheese, and peanut butter. All of these foods will help make menu planning a pleasant task.

This week's prices are up a bit on many fresh vegetables as a result of more bad weather in growing areas. Very heavy rains in Florida, Arizona, and California, plus cold in Texas, have slowed up shipments at increased costs of celery, lettuce, cucumbers, eggplant, green peppers, summer-type squash, and turnips. Artichokes are lower in price this week. The following vegetables are also reasonably priced: beets, carrots, spinach, kale, green onions, parsnips, radishes, snap beans, and mushrooms.

Peaches from Chile are new this week and more honeydew melons are available. Chilean plums and nectarines have dropped in price as supplies increased. Strawberries from Florida are in good supply as the harvest is now in full swing. Bananas, rhubarb, Anjou pears, Emperor grapes, and apples continue to be plentiful.

Prices on a number of cuts of beef are lower. This decline in prices usually follows lower wholesale and live animal prices. Larger marketings of beef expected in late winter are now occurring. Some veal cuts are also lower in price. This is also true for pork.

**Hobbs**

Sunday afternoon Mrs. Louise Sharp and Dawson Fountain motored the following M.Y.F.'ers to the suburbic get together at the Barn, Camp Pe-Co-Meth: Wanda Fountain, Marie Fountain, Sandy Layton, Linda Stafford, Billy Towers, Tommy Towers, Ricky Sharp, Chas. O. Davis and Dale Stafford.

Commission on Missions from each of the four churches on the Bursville charge met in Union Church Sunday evening. Mrs. Louise Sharp was chairman of our church here (Ames). Service consisted of devotions and planning for the new conference year.

Mr. and Mrs. Paul Maloney accompanied by Mrs. Sadie Maloney and Mr. and Mrs. Bertha Maloney, recently visited Mrs. Mollie Horsey and Frank Howard in Deer's Head, Salisbury.

Miss Mary Robinson, of West Chester, Pa., visited her sister, Mrs. Redmond Long and nieces, Mrs. Paul Stafford and Mrs. Frank Willoughby, last weekend.

Last Saturday, Mr. and Mrs. Kenneth Butler, Wayne and Perry, rural Salisbury, visited his parents, Mr. and Mrs. Elmer Butler.

Mrs. Hilda Maloney and Charlie, Mrs. Shirley Trice and Mrs. Bessie Elwanger, have been on the sick list.

Misses Ellen and Ann Butler, of Washington, D. C., spent last weekend with their parents, Mr. and Mrs. Elmer Butler.

Mr. and Mrs. Benson Towers motored to Hagerstown one day last week and were accompanied home by their daughter, Barbara, a student in the Hagerstown Legal Secretarial School.

Clifton Fluharty, a 15 day patient in Easton Hospital, returned home Saturday.

Mrs. Paul Stafford and children, Allen and Laura, spent Monday of last week with her mother, Mrs. Redmond Long.

Rev. Olin J. Shockley Jr., pastor of Asbury Methodist Church, spoke at the Harrington New Century Club Tuesday afternoon. Using as his topic "Religions of the World," Mr. Shockley told of the four major world religions, Christianity, Buddhism, Mohammedanism and Hinduism. He pointed out the main beliefs of each and told something of the origin of the religions.

Mrs. Arnold Gilstad was chairman for the day. Mrs. Charles Poukish gave the Bible reading. An added feature of the afternoon was a display of paintings by the members of the art class which has been held in the club house this winter. Those whose works were exhibited were Mrs. Donald Dell, Mrs. Robert Stauffer, Mrs. Albert Price, Mrs. Clarence Jarrell, Mrs. George Graham, Mrs. Abner Hickman, Mrs. Fulton Downing and Mrs. Gilstad.

The committee members assisting Mrs. Gilstad were Mrs. Charles Rapp, Mrs. Harry L. Boyer, Mrs. L. R. Beauchamp, Mrs. Harry D. Adkins, Mrs. R. B. Harrington, Mrs. Ernest Raughley and Mrs. Poukish.

In the absence of the president, Mrs. Harry John Dill Jr., vice president, conducted the business meeting. Invitations to reciprocal teas at the Avon Club, Felton, March 13 and the Smyrna New Century Club March 14 were read.

The next meeting will be on March 12. Jack Smythe, editor of the Delaware State News will be guest speaker for the "Communications" program. Mrs. William A. Kohel is chairman.

**QUESTIONS and ANSWERS**

Q—What is the present maximum amount of a GI home loan the Veterans Administration will guarantee?  
A—That part of a GI home loan guaranteed by the government may be up to 60 per cent of the amount of the loan or not more than \$7,500. The limit on direct loans made when no loans from private lenders are available is \$15,000.

Q—How does one get the free American flags for use at the funerals of veterans?

A—These free burial flags are used to drape the casket during funeral service of a deceased veteran with wartime service, discharged under conditions other than dishonorable, or with peacetime service for at least one enlistment unless discharged or released from duty for disability incurred in the line of duty. They are then presented to the next of kin. Flags may be obtained from VA offices and some post offices as well as from U. S. State Department offices overseas.

Q—Can any wartime or peacetime veteran get a free physical examination from the VA?

A—To be eligible, he must have been discharged or retired under conditions other than dishonorable and must need the medical or physical examination to apply for certain Federal benefits. For example, the VA gives medical examinations for determination of the presence of a condition claimed to be service-connected, for Government life insurance purposes, and when application is made for hospital or domiciliary care.

KEITH S. BURGESS — Sports Editor

### "Sports Odds And Ends"

Milford's Don Mears is leading all high school basketball scorers with 347 points in 16 games for an average of 21 plus per contest. It looks like the Buccaneer ace will stay there after all results are in. Mears has won two cross-country letters at Milford High. Since basketball is his first love, he uses long distance running in the fall as a conditioner. Any basketball player or wrestler, who does not play football, could do better in the winter sports if he shows up in top shape from an autumn of running uphill and down dale.

Harrington High's girls varsity, in the midst of one of the best seasons in history, is well represented at both home and away contests by the parents of the girls involved. This, of course, helps them to play better. The boys' team isn't doing quite as well so naturally they are not drawing as much parental support.

Tom Williams, of Felton, dropped from 3rd place to 4th in Henlopen scoring as Dave Baker, of Selbyville, jumped from seventh to third with 182 points. Williams trails by a point but has played one less game than Baker. Bruce Henry, of Greenwood, holds a share of fourth place as he has netted 181 points in thirteen games, also. Jeff Adams, of Harrington, played out of conference but dropped only one notch from sixth to seventh. Dave Wood, of Felton, is in 10th place with 154 points in 13 games. George Reible made a big jump as his 21 points against Greenwood moved him from 21st to 15th. Bob Wright, of Greenwood, is 19th with 143 markers in 13 tilts.

### Lions Win At Delmar 60 - 50

Coach Bill Smith's Harrington High basketball Lions won their fourth Henlopen Conference game in thirteen starts Friday night at Delmar. The winless Wildcats played the Lions on even terms for the first half and again during the fourth quarter. A 23-13 third quarter won the contest for Harrington. The winners' scoring was led by Jeff Adams with 18 points, followed by Bill Adams (11), Wayne Collison (10), and Tom Milspaw (10).

### Unbeaten Holy Cross Drub Lions 66-31

Dover's Holy Cross High School, loser of one game last year and winner of 15 games this season, made Harrington High victim No. 16 Tuesday night at Dover. The Crusaders won going away. The Lions scored eighteen points in the final period compared to thirteen for the first three quarters. But even this good output didn't help as the Capitol City powerhouse added 27 tallies. Barry Fry and Jeff Adams divided 20 points to lead the losers.

### Felton Wins Division Title At Greenwood

George Reible's 21 points and Dave Wood's 14 tallies led Joe Kern's Felton High Green Devils to the Western Division pennant in a Henlopen Conference game played at Greenwood Tuesday night. The Foresters, 1962 division titlists, put up a stiff fight before finally yielding to a 14-7 Felton edge in the last period.

Felton will now face Eastern Division winner, Rehoboth, for the league championship. The game has been scheduled for Wed., March 6, at Selbyville. The game will start at 8 o'clock.

The Seahawks have a victory over Felton, scored several weeks ago. However, the Green Devils have come on by leaps and bounds since that time. Bruce and Dave Henry and Bob Wright accounted for the bulk of the losers' point making with 16, 14 and 11 markers, respectively.

### Felton Wins Crucial Cage Tilt

It's practically all over but the shouting in the Western Division of the Henlopen Conference. Felton High's Green Devils solidified their position atop the standings by beating back the bid of runnerup Bridgeville. Joe Kern's charges downed the Mustangs 57-42 at Felton and now possess a 10-2 record while the losers are 9-4. Bridgeville could gain a tie only in the unlikely event that Felton would lose to both Greenwood and winless Delmar. At this writing it looks like Felton and Eastern Division champ, Rehoboth in a march contest for the loop crown.

Bridgeville took a one point lead after one period but the Green Devils went to town in the next two stanzas to build a big 44-27 bulge at the start of the final chukker. The Mustangs could whittle four points off this margin though they turned in their best scoring effort of the night.

### Rub-a-Dub-Dub; The Girls We'll Drub, Says Faculty

Those of you brave enough to wander into Harrington High School's field house Monday evening, March 4, at 7:30 p.m. will be fortunate enough to see the greatest basketball rivalry of the season. The Felton vs. Harrington rivalry will appear to be Bidy League compared to the intense rivalry shown on Monday night. Yes, people of Harrington, you will have to be brave to be here. You will surely leave with an extreme stomach ache brought on by an acute attack of laughter. The Harrington School Faculty promises you hundreds of laughs as they meet the challenge of the girls' varsity team. The Faculty sports an "undefeated, untied, and unscored upon" record this season. The girls enter the contest with a fairly good record themselves—10 wins and 3 losses—but they haven't met the stiff competition that the faculty promises this year.

The faculty team boast such high school and college stars as Janet "Epidemic Needle" Melvin (man, can she ever inject the ball into the basket); Bobbie O'Neal, Doris Fry, Mike Mock, the husband and wife sharpshooting team of Hazel and Bill Smith, Jay Brumbley, James Hawpe, Violet Testerman, Bill Horst, Bill Santo, and (captained) by Bill Kramedas, former Olympic basketball player with the Greek All-Stars. The faculty is lucky to have as their coach, Allan Rutledge, that all-time guidance great.

As an added surprise, faculty cheerleaders will be on hand to cheer on their team. This is a treat you won't want to miss. To let you in on a little secret though, we hear Jennie Morris is the cheerleader captain. Don't miss this great entertainment extravaganza. Admission is only 25 cents for students and 50 cents for adults. At these prices, it is a real bargain.

### Girls' Bidy Basketball News

The first games Saturday morning of the Girls' Bidy Basketball teams saw C. Walls' Cubettes swamp L. Wheeler's Jetsons 24-6, and M. Tucker's Red Lions took the measure of J. Harrington's Blue Birds to the tune of 9-2. Debbie Reed, of the Cubettes, had game scoring honors having scored 12 points. Teammate Cindy Kohel was a close second with 10 points. Sue Perry had 2 points to round out the total.

Nancy Broce was high scorer for the Jetsons with 4 points and Cherry Holloway had 2 points. In the Red Lions versus the Blue Birds contest the Red Lions had a balanced attack which saw 4 points made in the first half and 5 more points in the second half against 2 points for the Blue Birds in the first half. The Blue Birds were not able to score at all in the second half and had to settle for the lonely 2 points, which were made by Leslie Jones. Bonnie Hopkins paced the winners with 4 points and Andy Walls and Debbie Aiken each had 2 points. Tillie Kukulka was held to only 1 point.

In the second contests the Red Lions proved too much for the Jetsons as they beat them by a score of 8-4. Nancy Broce was the only scorer for the losers making all 4 points. Andrea Walls paced the winners with 5 points. Bonnie Hopkins added 2 points and Debbie

### Bonniwell Wins Tourney 123 Pound Title

George Bonniwell, fifth best 123 pound scholastic grappler, in Delaware last year, served notice that he is rounding into top shape as he won the 123 pound championship of the 10-school Delaware Independent Wrestling Tournament. The mat extravaganza was held Friday and Saturday at Tower Hill School, Wilmington.

Mike Mock's Harrington High Lions made a tremendous showing. Though hurt by the loss of George Jerred due to injuries and the reduced effectiveness of Bob Smith, because of buristis, the locals captured fourth place and qualified Bonniwell, Lewis Starkey, Larry Garey, Jim Cain and David Greenly for the Delaware Scholastic Championships to be held at the University of Delaware in March. With one possible exception Harrington had the least experienced squad in the tourney.

Host Tower Hill won the team title with 98 points. Delmar and St. Andrews tied for second with 67 points. Harrington compiled 45. A. I. duPont, 44; Claymont, 32; Millsboro, 31; Tatnall, 26; Sanford Prep, 18, and Friends School, 10.

Bonniwell won a lopsided match from Whitney of Tatnall Friday night. Saturday, he wrestled twice more during the day, winning each time. Saturday night he beat Dugger, of Tower Hill, for the title. Lewis Starkey finished second in the 168 pound class as he dropped a 2-0 decision to Gary Yanta, of Delmar, in the finals, in overtime. Starkey has pinned Yanta twice this season. The loss was the first of the season for the Lion but will not affect his dual meet victory string since the defeat came in a tournament. There are probably several reasons behind the upset. One important factor is the grueling battle Starkey had with Paul, of St. Andrews in a semi-final match. Lewis had to really put out to win. Yanta was undoubtedly fresher for the climatic tussle.

Jim Cain, who says he wrestles better against strangers, surprised by downing Dinton, of A. I. duPont and Rabinowitz, of St. Andrews, Friday. Saturday he lost once but won his other matches including the finale against Rodgers, of Millsboro, which made Cain third at 106 pounds. David Greenly drew eventual 98 pound champ, Forwood of A. I. duPont, in his first match and lost a decision. David won the rest of his bouts and got the third place medal when he edged Klotz, of Millsboro. Larry Garey, at 115 pounds, won from Claymont and Tatnall grapplers Friday. Saturday, Larry won and lost in the afternoon

George Bonniwell carried the fight to his man in the 123 pound bout and eventually won a 5-4 verdict on riding time.

Ron Melvin pinned McGee of the visitors in the unlimited or heavyweight class to cap a good showing by a young, green team against a more experienced squad. In an abbreviated jayvee clash the Riders came out ahead 28-26. Local winners were Mike Walmsley and Allen Breeding by decisions and Neil Sherwood and John Petrosky by falls.

Raleigh Davis put up a good showing in defeat. He and Petrosky are something to watch when they get their rivals down. They frequently wear the opposition down with the sheer fury of attack. Neither has been a wrestler for more than a few weeks. Watch out for them next winter.

### Melvin, Starkey Pin Rider Foes

Caesar Rodney High School's wrestling team defeated Harrington High's matmen here Wednesday night. The locals did very well especially when one considers that Harrington has had only one year of competition in the mat sport.

David Greenly, a freshman, put up a terrific fight in the 98 pound class as he lost a decision to a muscular, jockey type. Jim Cain dropped a 9-6 duke in the 106 pound division in a fast moving match that saw the tide change quickly several times. Larry Garey and George Jerred wrestled to draws in the 115 and 141 pound classes, respectively. Jerred was hampered by rib injuries.

Lewis Starkey's impressive win streak had another addition as he pinned his rival with but 23 seconds gone in Round 2.

Gayle Fry was decided in the battle of 180 pounders but did well against an older adversary. George Bonniwell carried the fight to his man in the 123 pound bout and eventually won a 5-4 verdict on riding time.

### H. H. S. Girls Beat Delmar; Air Base

Coach Harold McDonald's Harrington High girls defeated Delmar going away Friday night and the Dover Air Force Base team here Tuesday afternoon. Delmar fell by a score of 27-15 and the Dover team bowed 43-18.

The locals have a 9-3 record going into tonight's finale with Greenwood here. The visitors edged Harrington by one point at Greenwood in a revious encounter. McDonald says a victory would give H.H.S. a winning percentage higher than any previous Lions team.

High scorers at Delmar were Nancy Blades, Chris Coady and Linda Smith. Against the Air Base scoring leaders were Smith, Jeanie Thomas, Coady and Blades.

### B. Carroll & Sons To Hold Farm Equipment Sale

The largest farm equipment sale ever held on the Del-Mar-Va Peninsula will be conducted at the Delaware State Fairgrounds Wednesday, March 6. The sale will be in charge of the well-known firm of B. Carroll & Sons, of Dover, Del., Crawford J. Carroll. These auctioneers are widely known for their conduct of the larger sales in the area.

Included in the offerings will be approximately 500 pieces of farm equipment. The sale lists more than 50 tractors and many other useful items of interest, including household appliances, garden tractors and tools. The sale has been arranged through the cooperative efforts of the farm equipment dealers of the Del-Mar-Va Peninsula. It is expected to attract thousands of interested farmers from five states.
