Father Corrigan Transferred To New Castle Parish

At the Mass in St. Bernadette's Church Sunday an announcement was made that the pastor, the Rev. John A. Corrigan, had been transferred to St. Peter's Church in New Castle. The transfer will take place on Fri., May 29.

Father Corrigan had been the pastor of the local parish since May 23, 1952. Previous to his coming to Milford he had been an assistant pastor at St. Peter's parish in Wilmington. Soon after his arrival here a plot of ground was purchased in Harrington for the first Catholic parish here. Ground was broken late in 1952 for the church and in September of 1953 the new church was dedicated as St. Bernadette's by the former Bishop of Wilmington, the late most Rev. Edmond J. Fitzmaurice.

Early in 1954 ground was broken in Milford for the new Church and Rectory at Seabury Avenue and School Place. On Thanksgiving in 1954 Milford was privileged to have two Bishops in the city. The Most Rev. Edmond J. Fitzmaurice dedicated the new church and a classmate of Father Corrigan, the Most Rev. Joseph H. Hodges, celebrated the first Mass in the new church.

During Father Corrigan's stay in Milford, he was pleased to witness two ordinations take place in St. John's. At the time Father James Peterman was ordained a priest by Bishop Fitzmaurice, his younger brother, Thomas, received the first two minor orders - that of Porter and Lector - a ceremony held usually only in a Seminary Chapel.

Two years later Father Thomas Peterman was ordained a priest by Bishop Cartwright. Two other notable events took place during Father Corrigan's tenure of office - the 50th anniversary of the founding of St. John's parish in Milford and the 25th anniversary of Father Corrigan's own ordination to the priesthood.

Father Corrigan was born in Wilmington and received his early education in St. Patrick's School in that city. His preparatory studies for the priesthood were made at St. Charles College just outside of Baltimore. The final years of his preparation were spent at St. Mary's Seminary in Baltimore.

Besides being pastor of the Milford and Harrington parishes, Father Corrigan also served as assistant director of the Catholic Youth Organization and as a regional director of the Confraternity of Christian Doctrine. The latest honor that Bishop Hyle conferred upon him was to appoint him as a member of the Liturgical Commission of this

C. Services will be Saturday at 2 p. m. at the J. Millard Cooper Funeral Home here where friends may call an hour before the funeral.

BELLE EVERETT RETAINS POST; DUKES SEEMS SHOO-IN CHAIRMAN

Delaware's Democrats, avoiding a threatened fight over their national committeewoman, predict more harmony this week in selecting a new state chairman.

A move to oust State Treasurer Belle Everett as national committeewoman failed at their Little Convention in Dover Saturday. The Kenton woman was named to her third term by acclamation.

The 60 Sussex delegates voted in caucus to support Mrs. Rosellen Johnson of Laurel for national committeewoman, but found their support in other counties had drifted away before they could even place her name in nomination.

During numerous pre-nominating meetings about the national committeewoman, a threat to block Gov. Elbert N. Carvel's nomination for U. S. Senate was made by Samuel J. Fox, of Leipsic, who warned that if Mrs. Everett was left out of the post she has held for eight years the governor might "be left home in August."

In August, Democrats will hold their "big" convention to nominate candidates for governor, lieutenant governor, senator, congressman, auditor and treasurer. Carvel is expected to announce his senate candidacy this month and he has no apparent opposition.

Potter said Saturday that he has not made up his mind about seeking the Senate seat held by Republican John J. Williams. Conway, chairman of the Alcoholic Beverage Control Commission, said Dukes will be his successor. Four years ago Conway defeated Dukes for the chairmanship.

In the aborted committee-woman fight, Mrs. Johnson got the unanimous vote from Sussex after garnering the majority of that county's delegates in a three-way contest with Mrs. Virginia Dickerson of Milford, and Mrs. Mabel Lambden, of Georgetown. Mrs. Lambden and supporters of Mrs. Dickerson voted to make it unanimous for Mrs. Johnson and at that time there was hope that support from New Castle might be sufficient to put the Sussex candidate across.

The lower hundreds of New Castle stuck with Mrs. Everett. So did Kent and Wilmington. Mrs. Everett was nominated by Kent Chairman Vernon B. Derricks, who called on the delegates not "to kick anyone out."

Benjamin Ableman seconded Mrs. Everett on behalf of Wilmington and House Speaker Sherman W. Tribbitt did the same for the lower New Castle hundreds. Then New Castle County Chairman Francis A. Dolan seconded Mrs. Everett's nomination, and moved nominations be closed. She was elected by acclamation.

"Saint Joan" To Be Presented At Asbury Church

Bishop's Company will appear under the sponsorship of the Asbury Methodist Church here Thursday at 8 p. m., presenting highlights from George Bernard Shaw's classic play, "Saint Joan." The play deals with problems and questions that lie heavy on the conscience of the modern world.

"Saint Joan" is the story of the simple country girl who through the inspiration of her own faith, crowns a king and saves France for its historic identity in history. Fearless when she believed she was serving God's purpose on earth, she led her nation to victory and herself to martyrdom. The light of her brilliant achievements has shown through the centuries as an inspiration to anyone whose concern with conscience becomes a motivation in life, the sponsors say.

The Bishop's Company, founded in Los Angeles in 1952 by Phyllis Beardsley Bokar, has achieved eleven years of consecutive national touring in the houses of worship in the 50 states and five provinces in Canada. It has appeared in more than 6000 churches of all denominations and has a performance record of only two performances missed (because of weather) in its nearly one million miles of touring.

The role of Saint Joan will be played by Pat Maniccia. Sharing honors for the evening will be Jerry Vonne and John H. Dutt.

Former Harrington Youth Killed When Plane Crashes

Maurice Pearson, 29, of 17 Dot St., Milford, was killed when his rented light plane crashed and burned near Harrington, Saturday evening.

He was pronounced dead at the scene by Dr. Hunter Addis, a physician who owns the land on which the crash occurred.

Dr. Addis was driving a tractor on his farm when he heard the crash about 7 p. m. He said Pearson died of a fractured skull and had third degree burns of the lower half of his body.

The cause of the crash is being investigated by the Baltimore office of the Federal Aviation Agency.

The accident occurred in a wooded area in the Addis property which adjoins the farm owned by Pearson's stepfather and mother, Mr. and Mrs. Clarence Willey. They were eating dinner at their home when their son was killed.

Pearson was performing acrobatics, witnesses said, flying low and buzzing the ground in an Aeronca-Tri-Champ.

The plane was owned by Willard Jackson, owner of Milford Air Park. An airport spokesman said Pearson rented the single engine plane and crashed a short time after taking off.

Council Has Pumping Station Pit Cleaned

The cleaning of the pit at the sewer pumping station was completed this week by the Pittsburg Pipe and Tank Cleaning Company.

During this job, portable pumps had to be used to by-pass the pumping station. This was done by plugging the main sewer line and pumping out of the manhole in the street into a special connection into the four mains to the disposal plant.

A large vacuum tank truck was used to remove the sand that had accumulated in the pit to a depth of about three feet. Numerous other items were removed by hand including a rake, a shovel, knives, forks, hand tools, nuts and bolts, metal hooks, balls, boards, bricks, stones, etc.

This job was necessary as the sand had accumulated to a depth where the pumps were picking it up and thereby being damaged.

Veterans News

QUESTIONS AND ANSWERS

Q—When a veteran is entitled to a VA domiciliary, will the VA pay his travel there?

A—Yes, as a rule, for the initial admission.

Q—Is it true that those servicemen who hold on to their GI insurance in-service premium waiver may be depriving their dependents of certain benefits?

A—In some cases, keeping the in-service premium waiver could be detrimental to the interests of dependents should they become beneficiaries. They would be unable to receive Dependency and Indemnity Compensation under the law if the insured died with the waiver in effect. Since it differs for individuals cases, each serviceman should check to see how his family will be affected.

Q—Has World War II entitlement expired for GI home loans?

A—Not for all World War II veterans. Entitlement may be used for ten years after discharge plus one additional year for each 90 days of active wartime duty. However, all World War II entitlement does expire on July 25, 1967.

Delaware Food Market Report

If one can rightfully say there is a time for merry-making, let it be now! The pleasant days of spring are filled with moments of fun and excitement for everyone. There are picnics, hikes, pool parties, or the relaxing backyard get-togethers for family and neighbors—and all call for food, delicious, tantalizing food. With today's markets chocked full of good food, this job of serving the best at a moments notice can be done without too much work or money.

Again this week, beef is abundant. With the warmer weather, quick cooking cuts of meats (steaks, etc) are seen on special less often. Long cooking cuts such as roasts are on special sale often. But, what's better than kabobs broiled over charcoal. This can easily be done by buying round roast, cubing it, marinating the pieces overnight in your favorite combinations of oils, lemon juice, and seasonings. The tender eye section of chuck roast can also be done this way. Hamburgers take on a new life when sharp cheese and seasoning is placed in the center as a surprise filling.

Many poultry items remain plentiful with prices low enough that they cannot be over-looked. Don't forget when you are cooking chicken, it must be done but don't cook the juices out of it. The breast requires less time to cook than the dark pieces and it will all get stringy if it's over-

cooked. Most fresh vegetables lend themselves to quick meals and many are in good supply this week. If you are outside cooking, corn on the cob is a grand idea of course, a big green salad is a must, so toss together Iceberg lettuce, some Boston lettuce, young tender leaves of spinach, and watercress. Don't over-look tomatoes, radishes and spring onions. All of these vegetables are reasonable this weekend. Others to choose from when you shop are beets, carrots, celery, cabbage, broccoli, eggplant and potatoes. The fruit picture remains much as it has been with watermelon leading the list of best buys. In many places, a dollar will buy a large melon, so far quality is good to excellent but do look them over to get the best. Remember a yellowish ting on the underside is a sign of a riper melon. Local rhubarb is in now and it won't be too long before strawberries from local areas will be plentiful. Avocados, oranges, and bananas are still in

CITY PLANNING IS A MUST

The appointment of a planning commission for Harrington is a must and will probably get underway after Mayor Fulton J. Downing and City Manager Alfred G. B. Mann attend a conference on planning at Rehoboth soon.

The duties of a planning commission entail an especially important item—the inventory.

In other words, a survey will have to be made to see what the city has—houses, commercial buildings, land, costs of buildings, rental costs, value of land, miles of streets, storm sewers, sanitary sewers, telephone facilities, facilities for electric, labor costs, school facilities, churches, taxes.

Condition of buildings and appearance of buildings and vacant lots.

After the inventory is made, the citizens can take a good look at it and determine what improvements need to be made and how to go about it.

As Mayor Downing so aptly phrased it at a recent meeting, the improvement of the community will help everyone, regardless of whether or not industry comes in. Nevertheless, it will make the community more attractive to industry.

Before the mayor appoints his planning commission, we suggest he get in touch with members of all civic groups and ask for their support. An inventory of the community will take a long time and involve considerable expense. However, much expense can be eliminated by volunteer local help. And after a planning commission is appointed, subcommittees can be appointed by civic groups.

HOW TO AVOID TV COMMERCIALS

We realize that commercial TV has to have advertising revenue but it has cluttered the public's airways with its advertisements, many of which are objectionable. (We know we are stupid but we do not like to be constantly reminded of it.)

Mrs. Esther Peterson, special assistant to President Johnson, exclaimed, "I think the average viewer is both offended and annoyed by the barrage of commercials that are hurled at him during the station breaks. I, myself, have counted as many as 10. This clutter—there is no other word for it—destroys the continuity of the program, as well as whatever effectiveness the commercials might otherwise have."

Now, when one reads a newspaper or magazine, one does not have to read an advertisement unless one so desires. At our house, one does not have to see or hear a TV commercial unless one so desires.

We have a remote control device, costing less than \$2, and which is easily installed. We sit in our comfortable rocker and hold the switch in our hand. The second a station break is announced—click—off goes the picture and the sound. After from three to five minutes—click—and the intelligent part of the program is resumed. Incidentally, we do not shut off all the commercials—only those which experience has taught us are stupid, too long, or too frequent.

When the Reese Theatre advertises "Engagement Extraordinary" one can expect the utmost in entertainment. That "utmost" in unusual entertainment is the special presentation of the picture all America is talking about. It is the picture every newspaper in the land praises to the sky. It is the picture the New York Times, Life, Look, the Saturday Evening Post put at the top of the list (in big type) for every man, woman and child to see.

The ultimate in motion picture production, Otto Preminger's "The Cardinal," plays the Reese Theatre this Sunday and Monday, May 24 and 25, with one complete show each evening at 8 p. m.

Everyone is urged to see it at the beginning as the running time of this great motion picture is three hours. "The Cardinal" is the story of a young American—his personal and professional conflicts—starting with his ordination as a priest and ending with his elevation to prince of the church.

This coming Thursday night, May 28, at 8 p.m. the Bishop's Company of Los Angeles, Calif., will perform George Bernard Shaw's "St. Joan" in the nave of Asbury Methodist Church.

We congratulate Asbury on bringing to Harrington not only an especially fine religious production, but a thing of great cultural value as well. The Vicar urges all members of St. Stephen's and their families except very young children, to attend, and it is hoped that everyone in Harrington will do so. Only in this way can any organization bring to our town such fine entertainment. Asbury has had to guarantee a substantial amount to the Bishop's Company and it is only through the free-will offering that this amount can be paid. Let's all attend.

Kent Home Doings

With so many soaps and detergents on the markets, the busy homemaker often has a difficult time deciding which one is right for her purposes, Katie Thomas, Kent County home economics extension agent remarks.

Both soaps and detergents are good cleaners, she says. The greatest difference between the two is how they behave in hard water. Soap reacts with the minerals in hard water to form a curd, which lessens cleaning action. Detergent cleaning power is also reduced in hard water, but no curd is formed to add to soil-removing difficulties.

Boath soaps and detergents can be classified as light-duty and all-purpose. Light-duty products are recommended for dishes, silks, woolens and lightly soiled fab-

rics; all-purpose, for general family washing, heavy soil, and household cleaning.

All-purpose soaps and detergents have added materials which help remove soil, soften water, prevent soil from being redeposited, increase fabric brightness and protect your washer, she says.

Soaps are available only as beads or flakes; detergents come in a bead, powder, tablet and liquid forms. Liquid detergents are particularly useful for washing in cold water and for pretreating heavy soil, the home economist says. Tablets and powdered detergents packaged in soluble plastic offer the convenience of being premeasured. Powdered soaps and detergents cost from five to seven cents a load, while liquid and pre-measured detergents cost from seven to 12 cents a load, she reports.

Lions' Track Team Set Five Records In Winning Henlopen Championship

Coach Harold McDonald's Harrington High track team won the Henlopen Conference Championship Track Meet held at Millsboro on Wednesday night. The rampaging Lions tallied 73 points and exactly doubled the score of second place Millsboro. Ten of the 12 teams in the conference participated. Delmar and Felton were absent.

Harrington won the first two conference meets held in 1959 and 1960. Millsboro triumphed the next two years, while Rehoboth edged the comebacking Lions 51-49 at John M. Clayton last year. Wednesday night's victory gives the Lions a third leg on and permanent possession of the original Henlopen Conference trophy.

H.H.S. continued their record-shattering spree as the locals set three new league marks and two new records for the Millsboro oval.

Randy Knox and Bob Smith were double winners. Smith had a hand in four of the five new standards. He won the 880 yard run in 2:08.9 for a new loop best and a new Millsboro track record. His 54.2 in the 440 was the fastest yet on that oval. Smith teamed with Barry Fry, Richard Black and Dennis Rogers for a new conference mark of 3:47.4 in the mile relay. The old record was set by H.H.S. last year.

Knox trailed in both the broad jump and the javelin but fought the good fight and ultimately prevailed with a throw of 144 feet 2 inches in the javelin and a career-best leap of 19 feet 7 inches in the broad jump.

Frank Cain leaped 10 feet 11 inches for a new Henlopen record in the pole vault. The old mark was 10-6 set by Cain and George Bonniwell in 1963. George tied for fourth with a jump of 9 feet 3 inches. Bill Adams and Maull, of Rehoboth, shared second place. Adams also anchored the Lions' 880 relay team to a surprise second place finish despite a severely gashed foot, cut on a broken bottle in a meet five days earlier.

Tom Lord showed the finest form of his career in the 100 yard dash as he won two trial heats and then finished a close second in the final to Millsboro's Dick Messick. Lord's 10.6 was his best century ever. He trumped Bridgeville's highly-touted Bob Callaway twice and now ranks behind only Jim Schiff (9.9) and Bob Wilson (10.3) on the all-time list of H.H.S. sprinters.

Dennis Rogers outlasted Pemberton of Dover Air High to easily win the mile run in 4:54. In the 880 yard Dennis was placed in the slow heat and although he won easily in 2:14, his time earned him only third place behind the clockings of Bob Smith and Millsboro's Tapman in the fast heat. A Rogers-Smith duel in the fast heat might have seen Harry Knotts' school record of 2:06.4 go down the drain.

Raleigh Davis, Charlie Taylor, Richard Black and Bill Adams upset the pre-race dope in the 880 relay by taking second place. Black, in addition to his great work in both relay races, tabbed the upset of the evening by winning the discus with a throw of 110 ft. 4 inches. Scott, of Selbyville was the favorite with Joe Taylor and Ron Collison, of Harrington, picked for second and third. Collison hurt his hand at home and could not throw. Scott and Taylor couldn't beat Black, who only recently started to fool around with the plate.

Taylor finished third and then won the shot put with a heave of close to 43 feet. Ron Melvin was fourth.

Barry Fry was boxed in early

in the 440 but got out in time to catch Bunting, of Millsboro with a great stretch drive for second place behind Smith's 54.2. Fry holds the loop mark of 54 flat set last year.

Ten of the Lions will compete in the state meet at the University of Delaware Saturday afternoon.

Felton Wins Eight Straight Game

Felton High's defending Henlopen Conference champions continued their dogged pursuit of unbeaten Dover Air High as the Green Devils downed Lord Baltimore 6-2 at Felton on Monday afternoon. The victory was the winners' eighth straight after an opening game loss to John M. Clayton and left them one game behind the streaking Falcons.

Will Dill was the winning pitcher as he gave up only three hits and fanned ten Eagles.

Bill Green had three of Felton's six hits. Felton had a 6-0 lead before the Eagles broke the scoring ice in the sixth inning.

Monday afternoon at Selbyville, Harrington banged out 11 hits and trounced the Rebels 13-2. Rennie French doled out five hits and had a 11-0 lead before Selbyville could score. Frank Collins and Bob Rouse paced the victory by hitting safely on two occasions each. Rouse has been the surprise of the year as he came from out of the blue to win a regular's job. Sam Knox and Collins accounted for 5 RBI's between them. Twelve Lions got into the contest as H.H.S. upped its record to 3-6 with two games to play.

H.H.S. Nine Wins Two Games

Coach Jim Hawpe's youth movement started to pay dividends this week as his baseball Lions journey to southeastern Sussex County twice and returned victorious each time.

Thursday the locals defeated Lord Baltimore 8-3 at Ocean View behind the pitching of Rennie French and Walt "Steve" Perdue. Perdue halted an Eagle rally in the fourth inning to preserve the win for French.

The Lions broke a 1-1 tie with four runs in the top of the fourth and added three insurance tallies in the sixth and seventh.

The Eagles were held to four hits, while the Lions had six. Rusty Jack had two hits in three tries. Mike Wamsley batted in two runs.
