

## NINTH DISTRICT DEMOCRATIC CLUB TO MEET JUNE 22

The regular meeting of the 9th District Democrat Club will be held at the American Legion Home in Harrington, Monday evening, June 22 at 7:30 p.m. Please note the change in the day of the week and the time. This meeting as usual, will be a covered dish supper. Please bring a covered dish. The change in the date and time was done in order that we could bring an outstanding Democrat to our meeting as featured speaker of the evening. We hope that all Democrats of the 9th District will attend to hear Robert F. Kelly.

Robert F. Kelly, a resident of Brandywine Hundred, serves as manager of Legislative Services in the Legal Department of the Du Pont Company in Wilmington.

In civic affairs, he is chairman of the Delaware State Emergency Resources Planning Committee which is now engaged in developing operational procedures to revitalize Delaware's economy in the event of nuclear attack or natural disaster in the State. He was named to this position by Governor Carvel earlier in the year.

Recently, at the request of the family of the late President, Mr. Kelly accepted the position as chairman of the Kennedy Library program in Delaware.

For twelve years, from 1949 to 1960, he was Administrative Assistant to United States Senator J. Allen Frear, Delaware. During his tenure on Capitol Hill, Mr. Kelly held the position of President of the Association of Administrative Assistants and Executive Secretaries of the United States Senate (1958-1959). He also served as President of the Delaware State Society of Washington, D. C., prior to joining the Senator he was Director of News and Special Events at radio station WDEL (NBC) in Wilmington.

He is a veteran of World War II having served as both an enlisted man and as a commissioned officer in the Corps of Engineers. Mr. Kelly is a graduate of Archmere Academy and St. Norbert College.

He is an active Democrat and in 1962 and 1963 served as general chairman of the state-wide Jefferson-Jackson Day Dinner.

Mr. Kelly and his wife are the parents of six children—three boys and three girls, including twin daughters.

In addition to Mr. Kelly's address we expect some other important announcements relative to the coming election.

All Democrats of the 6th District are invited to attend, also.

## Myers - Howard

Announcement has been made of the engagement of Miss Ruth Anne Myers, daughter of Mrs. Ivan R. Myers, of Baltimore, and the late Mr. Myers, to Maurice Benjamin Howard, son of Mr. and Mrs. Horace B. Howard, of Ridgely, Md.

Miss Myers is a graduate of Eastern High School, Baltimore, and is a senior at Salisbury State College.

Mr. Howard is a graduate of North Carolina High School and Salisbury State College. In September he will begin graduate study at Columbia University in New York.

## Boat Trips Will Be Feature of 17th Annual Delmarva Chicken Festival

Scheduled boat trips on the Tred Avon River as an event of the Delmarva Chicken Festival, June 18, 19 and 20, will be a feature new to the festival and unique in Talbot County. Boat trips on the beautiful Talbot County waters have long been talked about, and this will be a sampling to test for future commercial arrangements.

Six trips on each of the three days will be made leaving Easton Point promptly at 9 and 11 a.m., and 1, 3, 5 and 7 p.m. Each voyage will require about an hour and three quarters. Tickets will be sold on the festival grounds and at the entrance to the boat. Free bus shuttle service will be provided from the festival grounds (Easton High School) to the dock. Boat trip prices will be \$1 each for adults and 50 cents for children under 18; all under ten must be accompanied by an adult.

The original idea to take children under ten free has been found to be impossible because of the expense involved. The boat is licensed to hold 190 passengers, and in order to break even the committee has decided a

**MISS JOYCE DOWNING**, daughter of Mr. and Mrs. Fulton J. Downing, graduated from the University of Delaware, Sunday, June 7, with a B. S. Degree in Education. Miss Downing graduated from Wesley College in 1960 with an A. A. degree, attended Union College for a year, then transferred to the University. Beginning this fall, Miss Downing will teach the third grade at the Allen Frear Elementary School in the Caesar Rodney District.

## Planning For V.F.W. Convention About Completed

Veteran of Foreign Wars members were told here Monday evening that planning for the thirty-fourth annual state convention of the V.F.W. Ladies Auxiliary, slated for Rehoboth Beach, June 19-29, is about completed.

In a report made to State Commander Charles E. Muhlolland and other council of administration members, Convention Chairman David S. Hugg advised that planning for all major phases of program for the two-day joint conclave at Delaware's No. 1 resort have been completed and that only a few minor details in regards to the Friday evening parade and the Saturday evening banquet remain to be worked out.

The first event on the men's program will be the parade scheduled for 7:30 p. m. on the 19th. Bands, drum and bugle corps, military units, veterans posts and auxiliaries, and youth groups will be in the line of march. The parade, which will move eastward on Rehoboth Avenue, will be halted at the Memorial Bandstand where traditional public Memorial Services will be held.

Officers of both the men's and ladies departments, under direction of Department Chaplain Laurence Alsid, will participate in the Memorial Services. The Rev. Robert J. McCoy, V.F.W. National Chaplain, will give the memorial address.

Following the memorial services, officers, delegates and alternates of the men's department will gather in the Rehoboth High School Auditorium for the initiation.

(Continued on Page 8)

## Lions to Make Drive For Scout Building

The Scout Building Committee of the Lions Club met Monday night and formulated plans for a kickoff drive to solicit funds for the construction of a Scout Building to be used for all scouting activities and programs in Harrington.

The overall cost for securing land and erecting a building is estimated at \$7500. The funds are to be secured thru donations. The club has taken an option on land and, by action of the entire club, has appropriated \$2250 to kick off the drive.

A committee of Calvin Wells and Edward Taylor has been appointed to organize the fund drive. Anyone interested in offering their assistance to the drive are asked to get in touch with the committee.

## Merchants Group To Meet Tonight

The Merchants Committee of the Chamber of Commerce will meet tonight in the Fire Hall after a citizens meeting on water improvements.

The starting time of the retailers meeting is not certain but the citizens meeting is scheduled for 8 p. m.

The appointment of Miss Madelyn Sharp, as chairman of the merchants committee, was announced Tuesday afternoon by President Thomas H. Peck at the June meeting of the Chamber of Commerce at The Wonder R. The other members will include all retailers.

In other business, John Walls, Franklin Swain, and Thomas E. Clendening were appointed to the Picnic Committee for the annual picnic to be held in August at Riverdale. The affair takes the place of the regular meeting.

## Asbury Church To Fete New Pastor

On Monday evening, June 15, at 6:30 o'clock, in Collins Hall of Asbury Church a covered dish supper will be given by the church as a whole honoring the new minister and his wife, The Rev. and Mrs. Rollan E. Ferry. Each family who comes is asked to bring a covered dish and in a place setting for each member of the family. Beverage, rolls, and dessert will be provided by the committee. All members and friends of the church are invited to attend.

## Trinity Church To Sponsor a Vacation Bible School

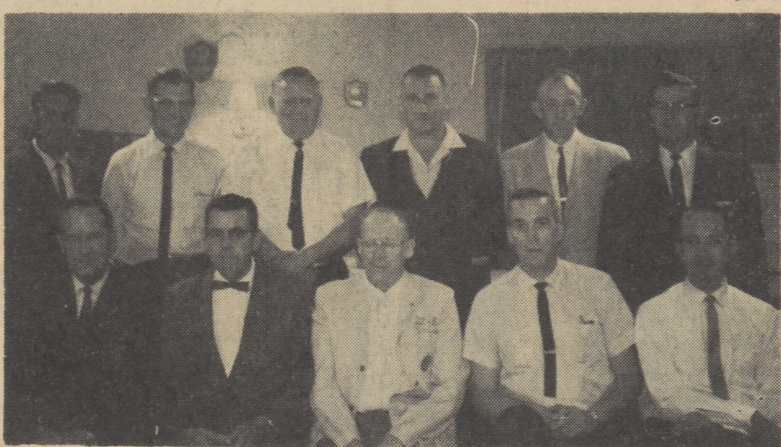

The Trinity Methodist Church of Harrington will sponsor a Vacation Bible School for all children from the age of four through fifteen beginning on June 15th at 9 a.m. The school will convene promptly at 9 a.m. and dismiss at 11:45 a.m. each day Monday thru Friday of the coming two weeks. The theme for Bible School this year is "God, My Country, and I". Christians remember the commandment that Christ fulfilled in His life, "Thou shalt love Thy neighbor as Thyself", and seek to apply this in their daily living. This theme will be developed each day under the subjects: "God is King of Heaven and Earth", "We Belong to God's Family", "God Gives Us a Place to Live", "God Gives Us People to Take Care of Us", "What God's Helpers Do For Us", "We Do Our Part", "We Do What God's Helpers Say", "We Pay Tax Money to God's Helpers", "We Love Our Home and Family", "We Pray for Our Family".

These themes for each day will be enlarged upon through worship, Bible study, crafts to demonstrate the truths we learn, songs to express the truths we feel in our hearts, and fellowship and spiritual sharing to share these truths with others. God has richly blessed with the following capable and dedicated teachers and helpers:

Kindergarten Dept.—Mrs. LeRoy Calhoun, Mrs. William Outten, and Mrs. Annice Keller.  
Primary Dept.—Mrs. Dale Dean, Mrs. Robert Jester, and Mrs. Eugene Anderson.  
Junior Dept.—Mrs. Lloyd Wilcutts, Mrs. Norman Clough, and Mrs. Gordon Warner.  
Intermediate Dept.—Mrs. Charles Poukish, Rev. Charles Poukish, Miss Vickie Hill, and Mrs. Bailey Minner.

The following people have agreed to serve as helpers: Miss Sylvia Outten, Miss Jeannie Antrips.

(Continued on Page 8)

**THE HARRINGTON LIONS CLUB** installed new officers for the year 1964-65 last Monday evening during their regular meeting at the Wonder R Restaurant, as follows: (l to r), sitting: Ralph Helm, of Ocean View, District Governor, District 22-D, who installed the officers; Alfred Mann, President; Elwood Wright, Vice-President; Robert Ricker, 2nd. Vice-President; Donald McKnatt, 3rd. Vice-President; (standing): Russell McCready, Secretary; Charles Greenhaugh, Nyle Callaway, Walter Messick and William J. Walls, directors; and Albert C. Price, treasurer. (Missing from picture): John F. Aptt, Tailtwister; Gary Harrington, Lion Tamer. — Price photo

## POLAN'S GRAND OPENING BRIGHTENS MAIN STREET

As The Harrington Journal went to press today (Thurs., June 11) crowds were attending the opening of Polan's 5c to \$5 Store on Commerce Street.

The main street was packed with cars and The Journal editor had to park his block down Railroad Avenue.

Store officials here for the grand opening yesterday were R. Keffer, general manager of the chain; Hugh Boyd, superintendent of all Polan stores; Bob Endress, store opener; Frank Dickson, Boyd's assistant, and Wilbur Geis, of Milford.

Also present yesterday was Ronald C. Paape, a Polan vice president, of Baltimore. He arrived by helicopter. Mayor Fulton J. Downing and his daughter, Frances, "Miss Harrington", were treated to a ride over the city.

Also present was Miss Cynthia Lynn Endress, of Milford, runner up in a Sweet Sixteen contest last week in Salisbury.

At a meeting of Polan officials Wednesday in The Hearth Room of Stone's Hotel, Keffer said: "We are glad to be in Harrington and I'm not worried about business for I am sold on Harrington and I am sure the public will be proud of the "People Puller Prices." The last was in reference to Polan's big grand opening this weekend.

Keffer also congratulated Boyd on the setup of the new store.

## McDowell to Seek Re-election

Congressman Harris B. McDowell, Jr., (D-Del.) announced his intention to seek nomination and re-election to the U. S. House of Representatives this year. In a speech before the Seaford Democratic Club at Seaford Monday evening, Congressman McDowell said:

"I shall seek the support of my fellow Democrats in my candidacy for nomination and re-election to the U. S. House of Representatives. I have consulted with party leaders and workers and other citizens from all parts of the State and I have been greatly encouraged by their endorsement of my record in the House and my concern for the welfare of all Delawareans.

"I respect and deeply appreciate their judgement and their counsel.

President John F. Kennedy once said that the United States is commissioned by history to be either an observer of Freedom's failure or the cause of its success. "I pledge to all Delawareans that I will continue to work vigorously for conditions at home and abroad which will encourage and promote peace and human dignity.

"The establishment of a rational sense of order in the world society is essential if our civilization is to survive—if it can be durable, creative, and meaningful for all peoples."

## Three Explorer Post #76 Members Receive Scouting's Highest Award

Three members of Explorer Post #76 of Harrington received the rank of Eagle Scout on Sunday, June 7, at Asbury Methodist Church. This is scouting's highest award and less than one per cent of the Scouts receive this honor.

The Scouts are John C. Greenhaugh, son of Mr. and Mrs. Charles Greenhaugh; Marshall L. Hatfield, son of Mr. and Mrs. Luther P. Hatfield; and Leonard A. (Artie) Taylor, Jr., son of Mr. and Mrs. Leonard A. Taylor, Sr. Each mother pinned the Eagle badge on her son who then gave his mother a miniature pin of the award.

The ceremony was conducted by Max Thomas of the Dover Air Force Base, who is chairman of the Leadership Training Committee of the Mid-Del Council, who emphasized that as an Eagle Scout, each boy has added responsibilities in scouting and that the Eagle badge signified that they had prepared for service to others.

Mr. Thomas was accompanied by his son, Mark A. Thomas, and Stanley Nelson, who is a member of the Leadership Training Committee. Mark, and Donald Wells, son of Mr. and Mrs. Calvin Wells, of Harrington, acted as honor guard to escort the boys and their parents to the front of the church for the ceremony.

Post Advisors Roland D. Hitchens and William Walls, with members of Explorer Post #76, attended the service in a group.

James McDonald, son of Mr. and Mrs. Harold McDonald, of Harrington, was also recognized as an Eagle Scout, who in addition to the above four boys had achieved this honor in 1958 under the leadership of Post Advisor Roland D. Hitchens.

Jimmy was commissioned a lieutenant in the United States Air Force, after his graduation from the University of North Carolina, June 1.

## Police Chief Resigns

Police Chief David Peterson has resigned and the City Council is scheduled to meet last night to consider a replacement.

City Manager Alfred G. B. Mann received Peterson's letter of resignation Wednesday evening.

Mayor Fulton J. Downing said Peterson gave no reason for his resignation.

## Chicken Barbecue To Be Feature At Chicken Festival

The thousands of persons who attend the Delmarva Chicken Festival, to be held June 18, 19 and 20 in Easton, Talbot County, Md., will have opportunity to sample chicken prepared in many different ways.

The world's largest frying pan will furnish fried chicken. "Chicken Specialties" will be a treat for all who desire them. And chicken barbecued will be a particular attraction, for it will be under the auspices of eighteen 4-H Clubs.

John W. Noble, the festival's general chairman, asked the 4-H to assume responsibility for the chicken barbecue. The group accepted and named Mrs. Thomas O. Meredith as chairman. She has the assistance of Allen M. Bradley, dealer in eggs, and Douglas M. Parks, Jr., Assistant County Agent. A special serving committee will consist of Mrs. Hackett A. Rice, Mrs. Henry D. Cannon and Mrs. William Schwaninger. The grounds chairman is Henry A. Spies, Jr., and the treasurer-secretary is Miss Mary Ruth Meredith.

The chicken barbecue will be the first step by six organizations toward establishing a Talbot County Agricultural Center. Proceeds from the Barbecue will launch the financing of this long-talked about facility, which, it is stated, will eventually be used by many organizations. The groups participating are the Farm Bureau, Grange, Future Farmers of America, 4-H Clubs, the County Homemakers Association and the Talbot County Horse Show Association. The movement is to become official, and incorporation articles are now being drawn up.

The chicken barbecue will operate every day of the festival, and ten hours each day. The meal served will include a half fried chicken on a platter, along with cole slaw, potato chips, pickle and roll. The Committee is recruiting a large and enthusiastic group to staff the entire operation.

The world's largest frying pan will be operated by the Lions Club of Easton, with Marion F. Lloyd as chairman of the committee, which has enlisted more than a hundred men.

The chicken specialties will be under the direction of Clyde S. Hartlove and Charles T. Marshall of Esskay Food Products.

The hundreds of persons who make up the Festival Committees state that the Festival will be entertaining, informative, and will have plenty of food, for the 40,000 men, women and children expected to attend. Committees have been at work nearly two years, and state that every conceivable angle has been covered and all will be in readiness come June 18.

## CITIZENS TO GET LOW-DOWN ON PROPOSED WATER IMPROVEMENT

### Legion Convention Slated for Weekend

The annual department convention of the American Legion will take place in Seaford, on the 13th and 14th of June. The Department convention headquarters will be in the Seaford High School—the Auxiliary will use the West Seaford Elementary School. The convention banquet will be held in the Seaford Fire Hall at 7 p.m. Saturday, June 13, and many other activities are planned. Senator William, Senator Boggs, Congressman McDowell and distinguished Legionnaires from New Jersey, Pennsylvania, Maryland and other areas will be present.

Of special interest is the convention banquet speaker. He is Thomas W. Miller of Reno, Nev., National Executive Committee member of the American Legion, Department of Nevada, one of the founders of the organization having presided over the Paris Caucus, March 15-17, 1919, at which time the Legion was formed.

In 1915, when Congressman-at-large from the State of Delaware, Mr. Miller was one of the active participants in the Military Training Camps Association, and attended the first of the Plattsburg Military Training Camps.

He enlisted as a private in the infantry when war was declared in 1917 and rose to the rank of Lt. Colonel. He was cited by General Pershing "for especially meritorious conduct in action," and by the Commanding General of the 79th Division, A.E.F., for "gallantry in action under enemy fire" and was awarded the order of the purple heart by the War Department.

Miller holds the distinction of having served as Department Commander of two departments, Delaware and Nevada. He has long been identified in the legislative activities of the Legion having served as chairman of the National Legislative Committee in the early 1920's, when the legislative programs of the Legion were formed. He is currently serving as chairman of the National Legislative Liaison Committee.

Mr. Miller has long been associated with the national conservation program, having been the originator of the Nevada State Park system and served as chairman of the Nevada State Park Commission for many years until his retirement.

The new well is especially needed because the present two wells, which would continue in use, operate at about 75 per cent capacity. City Manager Alfred G. B. Mann emphasized it would be too expensive to restore them to full capacity. Even then, they could not supply the increasing demand.

Also included would be a sleeve under the railroad tracks at Center Street. This sleeve could be used for water mains. The City plans to float a bond issue of \$90,000 to handle all improvements. This issue would have to be passed by a referendum; hence, tonight's meeting to inform the citizens.

This past April the city finished paying off its sewer bonds and has improved its financial position.

It is stated the improved water mains and well will furnish adequate water to all the community, even in times of drought such as at present. It has been pointed out the improved water system could give better fire protection and make the community more attractive to industry.

The regular classes in instrumental music will again be conducted by the Harrington Special School District beginning next Monday, June 15, and concluding with an outdoor concert on the new High School front entrance lawn on the Friday night of July 24.

These annual summer music classes are conducted by Melvin Brobst of the Harrington Music Department, and are a source of orientation for boys and girls who would like to begin instruction with band instruments, and also for those students who would like to continue with this instruction during a time of school inactivity.

Regular classes are held for beginners, intermediates, and advanced students. Rehearsals are also conducted by the Grade School Band on Mondays at 2 p.m., the Junior Band at 2 p.m. Thursdays, and the Senior Band rehearses each Thursday evening at 6:30 p.m.

Beginning next week, 42 beginners will take this instruction, and 70 others will continue their music training, making a total of 112 boys and girls enrolled in the summer music program.

WOODSFIRE

Local firemen extinguished a woodfire early Wednesday morning at Horn's Corner.

An important factor in the future of Harrington will be discussed this evening when a citizens meeting at the Fire House will be informed on contemplated improvements to the water system.

The meeting, to start at 8 o'clock, will hear the plan from the city government which will also hear questions and suggestions.

The city is expecting to speed improvements in the water system. The urgency of the betterment has been caused by the fact the State Highway Department will put in blacktop and curbing on Delaware Avenue and Center Street, both state-maintained thoroughfares, beginning in July.

The state does not like to have any of its roads torn up within five years after improvements. In any event, Mayor Fulton J. Downing told the Chamber of Commerce Tuesday, it is expensive to tear up a street to repair water mains, etc.

Delaware Avenue, he explained, had to be torn up several times a year because of leaks. Thus, he pointed out, installation of an 8-inch main the length of the street, with lead-ins to the curb (at city expense), should alleviate the problem and that it would be better to do the work before the state started.

The city could borrow the money for the Delaware Avenue project, but interest rates would be cheaper on a bond issue.

The Delaware Avenue project, however, is only a part of the proposed water improvements. Also included is an 8-inch main from Delaware Avenue east on Clark Street to East Street; an 8-inch main south on East Street to a point past the shopping center; hence a 10-inch main west under the railroad tracks to water tower; also, the 10-inch main would go from East Street east to a well at a point somewhere in the vicinity of Reed Street back of the Harrington Shirt Company.

The new well is especially needed because the present two wells, which would continue in use, operate at about 75 per cent capacity. City Manager Alfred G. B. Mann emphasized it would be too expensive to restore them to full capacity. Even then, they could not supply the increasing demand.

Also included would be a sleeve under the railroad tracks at Center Street. This sleeve could be used for water mains. The City plans to float a bond issue of \$90,000 to handle all improvements. This issue would have to be passed by a referendum; hence, tonight's meeting to inform the citizens.

Houston

Sunday School at 10 a.m., Robert H. Yerkes, Sr., general superintendent. Worship service begins at 11 a.m. with the prelude. Mrs. Agnes T. Webb at the organ. Call to worship by the minister, the Rev. H. Norman Nicklas.

the graduates. They had dinner at The Arsenal on the Green at New Castle. Eugene Sharp left Sunday afternoon from Philadelphia International Airport for a business trip to Chicago, Ill. Havad Smith, left early on Saturday morning for Amarilla, Texas, where he will be going to school for the next 30 days.

Mancus Foundation News

The monthly meeting of the Kent-Sussex Chapter of the Mancus Foundation was held on Wednesday evening, June 3, at the residence of Mr. and Mrs. Frank Rier, 417 Kings Highway, Milford.

After everyone had enjoyed a delicious buffet dinner, Miss Janice Ritter, president, called the meeting to order. Rev. Douglas Milbury gave the invocation. Rev. Milbury resigned his position as Chaplain to the Chapter after which William Curtiss was appointed to serve as chaplain.

Recently the chapter has received the following gifts for its bus fund: J. G. Townsend, \$10; Eugene Bookhammer, \$10, and Milford Jaycees, \$75.

The second annual rummage sale will be held this Friday and Saturday, June 12 and 13 in the property owned by George Reed which is located behind the Presbyterian Church at 4 S. E. Front Street, Milford. This year we are adding baked goods to our rummage sale.

The evening consisted of several musical selections by Fabian Watson and Joyce Sapp who were accompanied by Wayne Banning.

The annual picnic of the Mancus Foundation will be held Sunday, July 12, at Walter Martin's "Home of the Hobo" which is located on the Chester River at Crumpton, Md. Further details will be announced in the near future. Please let the president or secretary know if you are planning to attend by July 5 so that transportation arrangements may be made for those who need transportation.

The local chapter will not hold its regular meeting during July. Wednesday evening, August 5, the local chapter will hold a picnic for its members at Blair's Pond, near Milford. Details will be announced soon.

The Chapter will hold a hat sale during the latter part of September. Also an Afghan will be chanced off later in the fall.

Anyone desiring information regarding the Mancus Foundation or who rummage or baked goods which they would like to have picked up for the sale or plans to attend the annual picnic of the Mancus Foundation to be held July 12, please phone 684-8729 or 684-8854.

The meetings and activities of the Foundation are open to the public.

The graduates. They had dinner at The Arsenal on the Green at New Castle. Eugene Sharp left Sunday afternoon from Philadelphia International Airport for a business trip to Chicago, Ill.

Havad Smith, left early on Saturday morning for Amarilla, Texas, where he will be going to school for the next 30 days.

Delaware Music Camp Opens Sunday

Thirteen high school musicians from the Harrington High School will be attending the Delaware Music Camp when it opens at Wesley College, Dover, this Sunday, June 14.

They are Marianne Clarke, Deborah Swain, Cheryl Satterfield, Jeri Jarrell, Bonnie Tucker, and Elizabeth Trotta, who will be singing in the chorus, and Judy Burgess, Bill Knox, Donald Wells, John Greenhaugh, Daniel Smith, Nancy Taylor, and Tommy Simpler, who will be playing in the wind ensemble or in the orchestra.

The instrumentalists are having part of their expenses paid for by local organizations in the form of partial scholarships, they are the Harrington Century Club, the Lions' Club, and the Rotary Club. One of the students is being sent through a partial scholarship donated by a member of the faculty of the Elementary School who wishes to be anonymous.

The music camp will be the largest in its history. The chorus will number 133, the orchestra 136, and the wind ensemble 79. Dr. Robert Page of Temple University is returning once again to direct the chorus, the orchestra will be directed by Robert Staffanson who is regular conductor of the Springfield, Mass., Symphony Orchestra, and the wind and percussion group will be directed by James Thurmond, who is on the music staff of Lebanon Valley College in Pennsylvania.

The closing concert will be held Saturday night of next

week, June 20, in the Dover auditorium, at 7:30 p.m., to which the public is invited free of charge.

This will be Bill Knox's third year playing clarinet in the orchestra where he has played under Mr. William Smith, of the Philadelphia Symphony Orchestra.

Donald Wells, who is appearing as trumpet player in the music camp for the second season, will at the close of the Music Camp at Dover, be leaving for a five-weeks stay at the Union County Band and Orchestra Summer School at Roselle, N. J., conducted at the Locust School in that city each summer by Casimir V. Bork, son of Virgil Bork who is Donald's trumpet instructor and who lives at Bork Acres near Camden-Wyoming. This music school has been attracting hundreds of young musicians each year and was founded by Virgil Bork back in 1933.

4-H News

With Marlon MacDonald

Kenton returns to 4-H. Mrs. Betty Knotts, former 4-H member will lead a new club in the Kenton area. Members are: Laura Mae and Sue Ellen Alexander, Charles Everett, Earl, Gary, Keny, and Paul McNatt, Leonard and Richard Legar, and Preston Warren.

Preparations are underway for the State Dress Revue. A gala event being held June 27 at the Dover High School auditorium. 4-H girls will model garments of their own making. Do save the date.

Dover Diamonds 4-Hers received a third place in their flower show entry at the University of Delaware recently.

Participating in this event were Shawnee Puckett and Ava Willey.

Members carrying tractor projects should save June 23 for the Drive-off contest. This will be held at the Harrington Fairgrounds. All clothing and foods members should plan to participate in the judging contest on June 29 at Caesar Rodney School.

Fox Hall will have their annual project tour on Saturday, June 13. Under the leadership of Mrs. Ben Hollinger and Miss Thelma Ford the club will visit each members home to view their project work. Following the tour, committee members, Gordon Collier, Ray Davis, and Roy Collier have planned a picnic at Lake Como.

Flower Show Largest Ever

More than 500 ribbons were awarded in 202 classes at the 8th annual Delaware Flower Show, May 30 and 31, at the University of Delaware. More than 1300 entries in the junior division topped all previous years, according to Mrs. David B. Moore, show chairman. Adult exhibits in artistic, rose, horticulture and display categories were also larger than any other year.

Sweepstakes awards were presented in artistic and horticulture divisions to exhibitors receiving the highest number of awards. Mrs. Robert Holt, of Federalsburg, Md., was named sweepstakes winner in the artistic division. She also received the Award of Distinction for a preserved plant material arrangement. Horticulture sweepstakes winner was Mrs. Gerald E. Dolan of Newark.

Mrs. Huntington Jackson, of Kennett Square, Pennsylvania, won second place in the artistic sweepstakes; Mrs. William E. Smith, of Newark was third. Other horticulture sweepstakes winners were John D. Zech, of Wilmington, second; Mrs. A. F. Martin of Hockessin, third.

Novice class winner was Mrs. Bernard Chesler, of Wilmington. C. Clyde Behney, of Wilmington, was awarded the best rose in show prize for his specimen of Paris Match. W. R. James of Wilmington, received special

recognition in the begonia classes for his Angel Wing specimen.

More than 50 judges from six states participated in the judging. Ten junior achievement awards, more than in any previous year, were presented. Winners of this special award were Susan Dunham, Susan Owen, Joan Moore, Celeste Duhamel, Donna Burton, William Owen, Janice Madsen, the Green Meadow 4-H Club and the Capitol Juvenile Grange Club.

Trophies were presented in the junior division for each grade group. Sixth grade and under winners were Janice Madsen, first; William Owen, second; and Cathy McCormick, third. Trophies in the junior high class went to Johanna Knight, first; Joan Moore, second; and Betsy Scarborough, third. Winners in the senior high group were Beverly Wiebe, first; Kay Aist, second; and Nancy Newman, third. Standings were determined by number of ribbons received.

**Asbury Methodist Church Notes**

10:00 A. M. Church School. Caisles for all ages, Howard S. Wagner, supt.

11:00 A. M. Morning Worship Service conducted by the pastor. The sermon, "The Measure of Life." Anthems will be sung by the Cathedral and Crusador choirs. Nursery provided for preschool children.

6:00 P. M. The Methodist Youth Fellowship for all youth from twelve to twenty.

7:00 P. M. No evening worship for the balance of the summer.

Altar flowers this week will be presented by The Booster Class.

Friendly Greeters for this week will be Mr. and Mrs. Wm. J. Walls. Youth Greeters for student recognition will be Nancy Lee Taylor and Donald Mills.

A picnic will be held at the Lewes Beach Wednesday, June 17, for the Crusador and Chancel choirs. Cars will leave Asbury Church at 1 P. M. Transportation will be furnished. All members of the choir are urged to be present to start on time.

Student recognition day will be observed in our church this Sunday. Asbury Church is proud of its students and wishes success and happiness to all those who prepare themselves to live in our world with a higher education.

It is with pleasure that we present to those graduating from high school this year books of prayer. It is our hope they will bring comfort for every need of your tomorrows.

Father's Day will be observed in our church next Sunday, June 21.

Our summer choir will be singing again with us this summer. A special invitation is extended to high school graduates and college students to be a part of this choir. See Miss Nancy Taylor for details.

The youth group of Asbury Methodist Church will leave for the World's Fair on Wednesday

morning, June 18, at 5:30 A. M. If you have not made your reservation be sure to do so immediately.

Holy Communion will be observed on Sunday morning, June 28.

The pastor's sermon for the 11:00 A. M. service is "The Measure of Life." This service will be primarily conducted to senior high school and college students although there will be much food thought for every person who attends. The growth of the minds of the youth prepare for a mark in progress as God has intended for us to have. Special presentation of prayer booklets will be made to the senior high graduates of our church.

**Baptist Church News**

Sunday, 9:45 a.m. Sunday School. William Pritchett, S. S. Supt. A class for every age group.

Tuesday: 8 p.m. Meeting of the Board of Missions of the Peninsula Conference in Dover.

Wednesday: 12:30 p.m. Dover District Luncheon for all ministers and their wives at Camp Pe-Co-Meth, Centreville, Md.

**St. Stephen's Episcopal Church Notes**

Today, FRIDAY— 7 p.m. Physical fitness and weight lifting at high school.

SUNDAY— 8 a.m. Holy Communion. 9:30 a.m. Church school, nursery through Primary Department.

11 a.m. Morning prayer, Litany

of thanks and sermon. 12:15 p.m. coffee hour. 2 p.m. Leave St. Stephen's for 4 p.m. Evensong at Washington Cathedral.

MONDAY— 7 p.m. Physical fitness and weight lifting at High School.

WEDNESDAY— 7 p.m. Physical fitness and weight lifting at High School. 7:30 p.m. Healing service. 8:15 p.m. Meeting of Women of St. Stephen's.

Those who wish to go to the Washington Cathedral Evensong and Cathedral tour this coming Sunday should take a box lunch (which will be their supper). Plan to eat lunch at home, and be ready to leave St. Stephen's promptly at 2 p.m.

All softball fans should be preparing to support their church

softball league teams this summer. As soon as it is completed a schedule will be sent to all team heads. Those teams participating this year are: The Methodist Episcopal Church, The African M. E. Church, St. Stephen's Episcopal Church, St. Bernardette's Roman Catholic Church, Asbury Methodist Church and Trinity Methodist Church.

St. Stephen's is particularly fortunate this year to have as coach a very able new communicant who with his family moved here this past March from Camden-Wyoming, where they were

active in St. Paul's Church, Fred Mertz. Mr. Mertz is himself an excellent athlete and with the help of the largest turn out so far of men and boys from St. Stephen's, promises to give good competition to the other teams of the Church League of Harrington. The Vicar reminds all members of St. Stephen's of their responsibility to back this man who is giving of much of his time, as well as to back the men and boys of the St. Stephen's team.

**Distribution of 1963 Blue Cross and Blue Shield dollar**  
predominant share paid for members' care

Long-range planning • conscientious management • careful stewardship of funds • effective service from public-spirited citizens on the Board of Trustees, who volunteer their time and effort □ These unique operating principles enable Delaware Blue Cross and Blue Shield to maintain a prized record of economy. Members received a return in benefit dollars unmatched by any other health-care plan available. □ In addition, it was possible to increase cash reserves. These help your Blue Cross and Blue Shield to pay today's unavoidably increased hospital costs for you for months before a rate increase becomes necessary. □ Even the most disciplined office procedures plus complete physician and hospital cooperation cannot achieve success without the wise and prudent use of coverage by members. With your continued support, Delaware Blue Cross and Blue Shield will maintain its record economy through 1964—thus assuring you more for your money in the finest health care possible.

 Mrs. Arley Bradley, Mrs. Samuel Bradley and daughter, and Mrs. Barbara Saulsbury, visited Mrs. Lizzie Butler last Thursday evening.  
 Mrs. Barbara Saulsbury, Mrs. Florence Walls visited Mrs. Emma Bradley, of Lewes Tuesday.

**Delaware Food Market Report**  
 Frankfurters and ground beef are competing for the food shopper's dollar, as are eggs, for the top item on the shopping list this weekend. Grade A large eggs are averaging only 45 cents a dozen this week and what could be better than lots of deviled eggs or a fluffy omelet or any of the other delicious dishes made with eggs.  
 For those people who have a taste for a big juicy roast, now's the time to have one. There are many good buys in beef again this week with rib roast, eye of the round, round and chuck roast all being on sale. This beef is from grain-fed animals that produce meat of excellent quality.

KEITH S. BURGESS — Sports Editor

## Thinclads May Be Tough Again in 1965.

Last week we wrote of the feats performed by the senior members of Coach Harold McDonald's Henlopen Champion track team. This week we will tell of the accomplishments of the non-seniors and try to evaluate the prospect for another champion team next spring. We are writing this from memory without benefit of a team roster so we will apologize in advance for any names we inadvertently omit.

At the moment it appears that the most prolific point scorers will be Frank Cain, pole vaulter and middle distance men Dennis Rogers and Bob Smith.

Cain finished third in both the Seaford and Milford Invitational, was second at the Kent-Sussex Meet held at Delaware State College although Frank had an injured leg at the time, won the Henlopen Conference Championship breaking his old loop mark in the process and set a new school record of 11 feet without benefit of fiberglass.

Bob Smith won his heat in the 440 yard run in the huge Seaford meet with a fast clocking of 54.1 second only to see Richard Morris, of Wm. Henry grab first place in 54 flat in another heat. At Delaware State these lads ran in the same heat with Smith winning the lower Delaware championship with a first place time of 53.7 to 53.8 for Morris. Jim Schiff's H.S. school record is 53.6.

On May 6, at the Milford Invitational Smith was boxed in early and finished second to Rod Gibbons of Caesar Rodney in 53.8. Gibbons didn't get close to Bob at Seaford when the Lion had racing room. In the Henlopen title meet Smith took the 880 and set a new record for the Millsboro track in addition to lowering the league mark. The 440 was a 1-2 Lion finish with Smith first and senior Barry Fry second in the fastest quarter mile ever run by humans in Millsboro.

Dennis Rogers captured third place in the mile at Milford, won the Henlopen championship run and the Kent-Sussex mile and capped a great year by grabbing second place in the state championships at the University of Delaware. Dennis also had the best 880 time of the year for the Lions, proved to be a crack anchor man in the mile relay and, tossed the javelin over 140 feet to place in the Kent-Sussex meet.

Charlie Taylor, a veteran trackman, didn't come out for track this year until the season was almost over but proved to be better than ever with a 10.7 clocking in the 100 yard dash. Taylor, Raleigh Davis and Frank White, a Harrington lad, who starred for Wm. Henry this season, could give the Lions the best sprint corps here since Jim Schiff and Bob Wilson in the first year of track here in 1957.

Bob Smith and Henry Minner (55 flat) make the Lions tough in the 440. Smith and Rogers in the half, Rogers and Bob Matthews in the mile are talented performers. Matthews as a sophomore this season was 4 seconds faster than Rogers at the same stage.

The 2 mile run will be used in Delaware meets in 1965. However, lads running this race are through running for the rest of the afternoon. Harrington, with state champion teams in both varsity and junior varsity competition won't worry over this problem, since the cross-country distance is 2.4 miles and over rougher terrain than a quarter mile track. Boys like Marshall Hatfield, Roger Betts, Roger Redden, find the mile too short for them and they would fit perfectly into the two mile picture. In fact the Lions have close to thirty prospects for this event.

Richard Black, a key man in both the 880 and mile relay quartets, won the Henlopen Conference crown in the discus just when it looked like the entire Lion plate crew would graduate.

Wayne Horner, top junior high prospect and Willie Bonniwell are the chief hopes in the 12-pound shot put, after the graduation of the all-time Lion best, Joe Taylor.

Rogers, Tom Simpler and Marshall Hatfield head the javelin tossers. Artie Taylor, an 18 foot broad jumper, is back and should beat 19 feet next time. Glenn Smith had a squad best high jump this season of 5 feet and 7 inches. He is growing taller and jumping higher each year and may threaten George Pfeiffer's school record of 5 feet 9 inches. The loss of Randy Knox weakened the javelin, broad jump and high jump troops but help seems to be on the way in each department. Frank White is another 18 foot plus broad jumper. Frank Cain, Allan Jerread, Larry Garey, are good high jump prospects to aid Smith. Garey also backs up Cain in the pole vault and is the

top Lions hurdler. Dan Hicks (2.19) and Donald Miner (2.20) in the half-mile are coming up from this year's junior high team. These kids can do a good job at any distance from 100 yards to 2 miles and Coach McDonald can give them a job to do wherever circumstances show they are needed. Donald Wells is another handy lad to have around as he too can run short, middle or long. Larry Bonniwell, a freshman this year, may someday eclipse the performances of his brother, Buddy, a Lion stand-out of yesteryear in the 220, 440 and 880.

Coach McDonald came up with some fine prospects in the junior high sprint ranks. All of them will still be young enough to run junior high next year with the possible exception of Jim Simpler. This extra year of seasoning will greatly enhance the future chances of Jerry Cagle, Gordy Jarrell, Brett Wix, etc. Roger Moore and Nick Morris did well in the half mile and in shorter sprints on relay teams.

We predict another fine team for 1965 with the Lions repeating as Henlopen Champions.

### Legion Rifle Team Scores Victory in State Legion Rifle Championship

C.K.R.T. Post No. 7, American Legion fired this past Sunday at Bridgeville in the American Legion State Championship Match for High Power and Small Bore. The local post's team outshot the other legion teams from the state, nosing out Bridgeville for High Power Rifle by only 2 points.

The High Power Rifle Match (30 calibre) consisted of ten shots prone, ten shots sitting and ten shots standing from 200 yards. The local post will receive a 1st place trophy, and the shooters will receive 1st place medals.

The local team came in second to Bridgeville in the Small Bore (calibre 22) match. This match was fired from 50 and 100 yards, 20 shots in the prone position from each range. Harrington lost to Bridgeville by 42 points, although the C.K.R.T. will receive medals for 2nd place.

C.K.R.T. Post No. 7 team consisted of the following members: Harold Welch, Harrington; Robert (Bob) Young, Milford; Charles Painter, Smyrna; Terry Burchenal, Dover; and Charles Thuet, of Newark.

This was the first time the Harrington Legion Post No. 7, had sponsored a rifle team.

Jack Blades, State Marksmanship Committee Chairman for the American Legion said that this was the most successful meet held so far with more teams entered than in past years.

## Ten Locals in 3-Mile Chicken Festival Race at Easton

Ten Harrington boys are entered in the three mile foot race to be held at 2:30 p.m. in Easton, Md., on Saturday, June 20. All of the local lads are cross-country veterans from Harrington High's Delaware state champion varsity and junior varsity squads and have demonstrated the ability to handle such a grueling test.

Cups are to be given to the first three finishers followed by ribbons back to 15th place. The race will follow the parade route and will be held immediately before the parade. If the weather is good several thousand people will see the event.

Leading the Harrington challenge will be Dennis Rogers and Wayne Carson, fourth and fifth place winners in last fall's Delaware State varsity cross-country meet and Bob Matthews, junior varsity state champion. George Bonniwell, sixth place winner in the varsity meet, is another threat.

Others are Dan Hicks, Roger Redden, Frank Cain, Bob Dean, Donald Minner and Larry Bonniwell.

## First National and Moose Are Still Unbeaten

The First National Bank nine in the Senior Little League and the Moose Club in the Little League continued their all-winning ways in games played at the Moose Ball Park on Route 13.

The Bankers have had some close calls recently. They played a 5-5 tie with Shaw's and eked out a 7-6 victory in a replay of the tie game. First National also had a 9-9 draw with People's Bank. These two clubs will try again on Saturday night. People's will tangle with Shaw's tonight. (Friday).

Wednesday night Steve Motter put one out of the park and just missed duplicating the drive later. He also was the winning pitcher as First National downed the Merchants 13-5.

Moose Sports chairman Earl Yoder wishes to thank Henry "Smoky" White, C. E. McWilliams and James Fitzhugh for adjusting the lights on the ball field.

## V.F.W. CONVENTION (Continued from page one)

ial convention business session. The Friday evening session will be highlighted by the opening of nominations for officers that are to be filled at Saturday afternoon's election.

The ladies will hold their initial business session on Friday afternoon and both groups will have all-day sessions on Saturday. All business sessions of the men's department will be held in the high school auditorium and the ladies will conduct convention business in the Rehoboth Elementary School all-purpose room.

Saturday afternoon sessions of both departments will be climaxed by the election and installation of officers for the 1964-65 term.

The banquet that is the closing feature of these annual convales, will be held in the Rehoboth High School Cafeteria, June 20 at 7 p. m. National V.F.W. officers, members of Delaware's Congressional delegation and state officials are among those planning attendance at the banquet.

In other reports made Monday evening, Hugg also reported progress in the planning for Delaware's observance of the 20th anniversary of the signing of the G. I. Bill, and Membership by Chairman Clement J. Nevins, reported that the Department of Delaware has already equalled and passed its 1963 membership strength.

Commander Mulholland, presiding over his last pre-convention meeting, thanked officers and members for the support and co-operation that helped make possible a most successful team.

## TRINITY CHURCH (Continued from Page 1)

derson, Miss Sandra Whistler, Miss Carol Smith, Miss Vickie Hill, and Miss Phyllis Hobbs.

Christians cannot and must not underestimate the value of Christian teaching and example for our children. We know that the school and the state will not assume the responsibility of Christian education for our children. The responsibility belongs to you and me, every member of every Christian church. We urge all parents to support us in this important work with your prayers and active interest.

## "7 Faces of Dr. Lao" And "Gladiators 7" at Reese Fri., and Sat., June 12-13.

Painters are busy finishing the decor in the balcony, just one of many improvements concluded in the planned renovation of Movie Center.

Bolt the doors! Lock the windows! Dr. Lao is coming to town! MGM presents this Friday and Saturday, June 12 and 13, George Pals production, "7 Faces of Dr. Lao", the top feature in this week's all family bill.

Thrill to Tony Randall playing a one man band of monsters. Watch Medusa turn living flesh into stone. Hear the eerie music that drives women to frenzy. As the magazine, "LOOK," says, "Run for your lives. It's one big galaxy of fun and thrills."

Richard Harrison is the star of "Gladiators 7," the second attraction of this all color scope presentation.

Many of the finest pictures of the day hold forth at the Reese Theatre on Sunday and Monday. An example of this is the coming of Universal's "The Brass Bottle" starring Burl Ives and again Tony Randall, this Sunday and Monday, June 14 and 15.

For real enjoyment, "The Brass Bottle" is the unusual fun spectacle that will appeal to every member of the family. With Brian Keith in "The Raiders," the co-feature can expect the ultimate in fun and thrills.

## Sherwood Family Reunion Sunday

The Sherwood Family Reunion will be held Sunday, June 14, at 11:30 a.m. at Wheeler's Park. The rain date is June 21.

Each family is to bring a picnic lunch.

## DRIVE WITH CARE (Continued from Page 1)

tion against the possibility that young children will make sudden dashes across streets and highways, on foot or on bicycles.

It is also the time, he continued, for parents to remind children of all ages about the need for caution in outdoor play. This includes reminders about the extreme danger of running out on streets and highways, and the precautions to be taken in crossing all thoroughfares.

This is also a good time, he said, for reminders on where it is safe to go swimming and under what circumstances, and for a reminder on keeping out of abandoned refrigerators.

It is also, he said, time to caution children once again about the safe way to ride a bicycle.

## Two Sided Storage Cabinet Saves Work in Kitchen

A pass-through storage cabinet for dishes and small appliances, designed to cut work in the kitchen, was demonstrated recently by U. S. Department of Agriculture housing specialists at Beltsville, Md.

Katie Thomas, Kent County home economics extension agent, says placement of the cabinet between kitchen and dining area, with dishwasher under the counter in the lower section, makes easy work of putting dishes away. She points out that storage at point of use serves a double purpose in the new Beltsville kitchen. Setting the table requires a minimum of steps, since dishes can be removed from the cabinet on the dining area side.

The cabinet is at right angles to the sink counter, and acts as a

partial divider. The bottom shelf of the dish cabinet is at counter level so that heavy items, such as dinner plates and casseroles, may be stored at a height that requires the least energy. The top shelf for light weight pitchers and table decorations—is only 68 inches from the floor, still within comfortable reach of the average homemaker.

The corner space in the base cabinet is also reached from the dining area. Equipped with pull-out shelves and drawers, this space can be used to store table linens, place mats, and small ap-

pliances. The sliding shelf is a good place for an electric toaster and coffee pot—to be used there or on the table.

Information about the pass-through storage cabinet and other energy-saving features in the new Beltsville kitchen are available from the county extension office, 2nd floor post office building, Dover.
