VOTE 'YES' TOMORROW ON BOND BILL TO IMPROVE CITY WATER SYSTEM

A referendum will be held tomorrow afternoon to float a bond issue of \$150,000 to make extensive improvements in the city water system. Enough has been written in this newspaper giving the details of the proposed improvements; however, in gist, they call for an additional well and the installation of a number of 8-inch and 10-inch mains.

The location of these mains was printed in this newspaper; also, we published a map, copies of which are available without charge.

The improvements to the water system would have many benefits, some of which are as follows: 1. More water and more pressure, especially desirable in case of fire. 2. Make the community more attractive to industry. Persons seeking industrial locations do not have to come here first: they have reports from our state offices telling of the condition of our water and sewer systems. 3. More water is needed because of the use of more appliances using water. 4. The drought of the past summer, makes one realize the need for more water and pressure. 6. More water means more money for the City since the City owns the water system.

Too much of the water rentals have been used for City expenses; otherwise, these funds could have easily taken care of the improvements. However, the City did not want to raise property taxes, so we have a bond issue.

The property taxes have not been raised for some 14 years and have not come anywhere near paying for the increased call on City services. Thus, water funds and municipal aid funds have been called in to help out. More water, more money. It's that simple.

From 1949 to 1964, the City's income has increased 29 per cent, compared with an increase in expenditures of 123 per cent.

A question, justifiably asked, is: "Where will the money come from to pay off the bonds?"

The answer is: "From water sales."

Last Friday night, the City Council voted an increase of capitation taxes from \$4.15 to \$10, and inaugurated a sewer fee which will be 50 per cent of the water rental. These measures will go into effect regardless of the outcome of tomorrow's referendum.

In any event, passage of the referendum would not cause an increase in property taxes. An amendment to the Charter, secured thru an act of the General Assembly, would be necessary for that. As it is, property taxes are legislated for routine expenses and payment and interest on bonds and loans; but the property taxes now do not begin to meet the expenses they are supposed to meet. Only the municipal aid funds and water rentals have prevented the City from going deeply into the red.

The passage of the referendum will give the City plenty of water for sale, among the many benefits, and without an increase in property taxes, the only thing to do tomorrow is to vote "yes."

Do not depend on someone else to do your duty for you.

If the referendum passes, the Delaware Avenue water improvement project would be paid from the sale of bonds. This would enable the City to borrow when needed. If the issue doesn't pass, the City will have exhausted its borrowing power, limited to \$50,000 by legislative act. Furthermore, the interest rate on bonds is lower than bank interest and annual payments on the bond issue would be about the same as at the bank.

The bond issue will be paid off in 15 years.

Every taxpayer will get one vote for each tax dollar, or part thereof. Thus, those who pay only capitation taxes, also can vote. Voting hours are from 1 p. m. to 8 p. m., D.S.T., at the City Hall.

Chairman Named For Heart Fund Tournament

State and local chairmen were announced Thursday for the Heart Fund Bowling Tournament to be held in Delaware from November 8 to 14.

Mrs. William E. Steward, 2007 Dell Lane, Delaware Manor, Wilmington, will direct the competition in New Castle County, while Mrs. Winifred Lynch of Milford, will head the organization in Kent and Sussex Counties.

Mrs. Louis Fidance, president of the Wilmington Women's Association, and Mrs. Thomas Wittland will serve as vice chairman for New Castle County. Mrs. Steward represents the Wilmington Women's Bowling Association, co-sponsors of the tournament along with the Delaware Bowling Proprietors Association. Mrs. Lynch, vice-president of the Delaware Heart Association and Sussex County Heart Fund chairman, founded the bowling benefit five years ago as a county tournament.

The tournament, which began in Sussex, developed into a two-county competition and this year for the first time is being staged throughout the state.

Under the state co-chairman is an organization of local chairmen who will contact the league bowlers in their respective bowling centers. Entries will be solicited during the week of November 1-7, and bowlers will compete for trophies and prize money the following week.

Under the tournament rules, a bowler may enter as many times as the number of leagues

"Trick or Treat"

"Trick or Treat" for UNICEF is once more the theme of the annual fund drive of the United Nations Children's Fund. In Harrington, the drive will be conducted on Friday afternoon, October 30, beginning at 2 p. m. Children of the town will meet at the Harrington New Century Club to be given identifying tags and coin boxes before being driven to different sections of the community for the house-to-house canvass. On their return to the clubhouse, they will be served refreshments.

The committee in charge of the drive is a combined one from Asbury and Trinity Churches, but all churches in the town will be participating by sending helpers and urging their children to attend. Mrs. Oscar Gillette and Mrs. Samuel Williams are general chairmen. Chairman of drivers will be Mrs. W. W. Sharp; refreshments, Mrs. Marvin Richardson, Mrs. Norman Brown, Mrs. Elwood Shultie, Mrs. Charles Poukish, Mrs. Williams; publicity, Mrs. Charles Rapp. Mrs. Frank O'Neal, Jr., Mrs. William A. Minner, registrars, Mrs. Albert Price, Mrs. James Rash, Mrs. Ellwood Gruwell, Mrs. Richard Shultie, treasurers, Mrs. Earl Sylvester; tags, Mrs. Jack Redden, Miss Norma Frost, Mrs. Gillette; clean-up, Mrs. Melvin Wyatt, Mrs. Gruwell, Mrs. Williams and Mrs. Gillette.

UNICEF is a chance for all to serve in the important work of feeding the hungry children of the world. The money is used for medicines and vitamins, as well as to conduct classes in nutrition education. UNICEF

What Citizens Think of Water Pressure

The water supply for the City of Harrington is in a condition where something must be done to give our citizens water for their use and fire protection that they deserve; we have an excellent water tower and two good wells which are approximately 20 years old. The demand in the dry season exceeds the capacity of these two wells. The proposed plan for which the taxpayers will vote on the Bond Issue tomorrow covers a new well doubling our present capacity and extension of the mains which are so urgently needed.

The new mains do not cover all of the town, which

would be impossible under this budget; but they will increase the water in other sections of town by the loop tie-in with the present mains which is especially true in Harrington Manor.

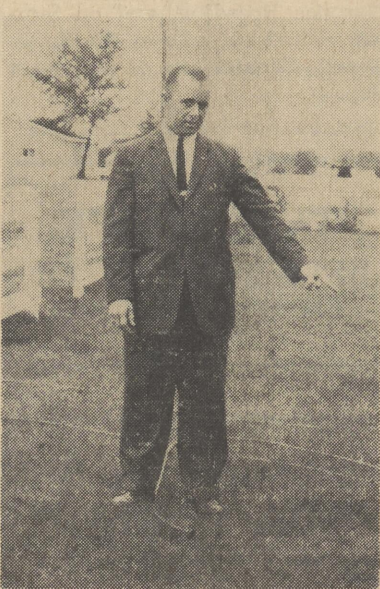

Because of emergency repairs on Delaware Avenue this past summer and the

low income from taxes, it was necessary for Council to increase our revenue by raising the head tax and putting on a sewer use fee.

Something we would like the taxpayers to realize is that this Bond Issue can be paid off with no increased taxation or rates because with the low rate of interest from the bonds, this Bond Issue can be paid off as easily as paying off the present notes for the incurred debt of the emergency work performed this past summer.

For your comfort and fire protection, we hope you will vote for the proposed Bond Issue on Saturday, October 24th.

Fulton J. Downing

Gentlemen: As a member of the fire company and a property owner, I sure do feel that the size of these water mains should be increased to at least 8" mains so that we as members of the fire company can continue to provide for the citizens of Harrington the fire protection they are entitled to. I realize that the proposal of water main changes and new well is costly. But, believe me, a bad fire in one of these areas, where there is a 4" line would be a lot more costly in damage than this proposed water system.

TERRY TO VISIT HERE

Charles L. Terry, Democratic candidate for governor will visit local Democratic campaign headquarters at 8 p. m. today. They are located on Commerce Street between Harrington Dry Cleaners and Raughley Insurance Service.

Big Eggs Mean Big Chicks According to U. of D. Research

Do chickens hatched from small eggs perform as well as those from normal or large eggs? This question was studied in a research project at the University of Delaware and reported in a publication released by the University entitled "The Effect of Hatching Egg Size on Subsequent Broiler Performance." Daniel H. Palmer, research associate in poultry science in the school of Agriculture says that during periods of egg scarcity, Delmarva hatcherymen have used small hatching eggs to meet the demand for

State Planning Office Gives Info' On Property

For the first time, information on all real property owned in the name of the State of Delaware or one of its Agencies has been compiled in a central inventory. The Delaware State Planning Office, after more than a year of study and work announces the release of its "Report on Inventory of State Property." The report is embellished with color maps and charts.

Property held by special school districts was also included in this inventory which reflects the real property holdings of the State as of January 1, 1964. This report was based on records and maps compiled by the Delaware State Planning Office, and by keeping these records up to date, the office has information on the current holdings of the State.

In announcing the release of the report, John A. Bivens, Jr., Director of the State Planning Office said, "In addition to providing a central store of information on State land and buildings, this inventory will be helpful in the Comprehensive State Planning process in Delaware. It will play an important role in the preparation of a State facility plan and in assessing the effects of State facilities on community development patterns. This inventory has proven invaluable in assisting other State agencies in site location problems, and it also has served us quite well in the preparation of the State Six Year Capital Improvement Program and Annual Capital Budget. This permits an overall evaluation of State land acquisition needs."

The study reports 54,566 acres of State owned land in Delaware in January, 1964, and it documents this information by listing the State's properties for each county. The publication reveals a similar percentage of each County is under State ownership. State property amounts to 4.4% of the area of Kent County, 4.8% of New Castle, and 4.1% of Sussex County.

The State Highway Department lands of more than 25,900 acres used for highway rights-of-way, administration, or operational purposes constitute the largest use of State owned land. This does not include the Public Beach Lands of nearly 2,700 acres administered by the State Highway Department which were included among the conservation or recreation lands in the inventory. Almost 94 per cent of the lands controlled by the State Highway Department are in highway rights-of-way. Conservation and recreation are the second largest users of State owned lands and account for approximately 21,775 acres. The State Forestry Department

Capitation Taxes to Be Raised; Sewer Usage Fee to Be Started

Capitation taxes will be raised and a sewer usage fee inaugurated, it was voted unanimously Friday night by the City Council. Five of the six councilmen were present. The meeting took the place of the regular one, of Oct. 7, when not enough councilmen were present for a quorum.

The capitation tax will be

raised from \$4.15 to \$10, for 1965. The rate is voted on each year.

The sewer fee will be 50 per cent of the present water rent and was added to meet budget expenses for the year of 1964-65.

A councilman said Tuesday the sewer fee would also be used to maintain and improve

the sewer system. Part of the proceeds, he added, from the sewer fee and the capitation tax could be used to aid in paying for the bonds to be voted tomorrow in a referendum to improve the water system. The sewer fee, and the increase in capitation tax, however, will be inaugurated regardless of the outcome of the voting.

Improvement of the sewer system would have to go along with the improvement of the water system.

Other Business

In other business Friday night, the Council voted as follows:

Adopted the budget for the fiscal 1964-65 year.

Denied request of Peninsula Oil Company to move bulk tanks for fuel oil from the south side of south U. S. 13 to Harrington Manor. The proposed move was prompted by inability to purchase land for a retaining wall requested by the state fire marshal.

Accepted a deed from Mr. and Mrs. Jehu Camper for a portion of Dixon Street from Liberty Street to Gordon Street, and voted a letter of thanks to be written.

Agreed to rezone a lot on Dorman Street, between Liberty Street and Center Street, to permit building of a store for Earl Quillen. The lot is owned by Lewes Dairy and was formerly occupied by a frame building housing Harrington School before 1912.

Voted Brown & Brown, city solicitors, be contacted, and the City be guided by its opinion, on delinquent taxes in the hands of Magistrate L. Gooden Callaway for collection.

Agreed to build a catch basin on property of Kirby & Holloway Transport, on U. S. 13, south, to drain into city tile.

Incentive Payments May Solve Farm Labor Problem

The way in which a hired farm worker performs his job affects the profits on that farm. Yet the hired man's earnings are seldom related to work he actually does or the profits made on the farm. Although many farmers have considered the possibility of some kind of incentive payment plan to reward hired workers for superior performance, few have actually tried such a program. W. T. McAllister, extension farm management specialist at the University of Delaware, thinks they should.

McAllister points out that failure of a few plans has caused many farmers to shy away from the idea completely. Instead of jumping to the conclusion that all incentive programs are bad, he thinks farmers should look at the reasons why they have failed and see what can be done to change the rules and make them more effective.

By definition, an incentive plan is a payment in cash or goods, made immediately or deferred, which is above and beyond the normal basic wages and privilege. There is no set formula for establishing a standard for an incentive plan for farm workers. Each farm operator has had to devise his own.

McAllister says this lack of formal guidelines plus attempts of some farmers to substitute an incentive plan for reasonable wages, good working conditions

Stolen Car Wrecked

State and local police arrested two juveniles Monday on a charge of stealing and wrecking a car Sunday evening. They are being held for Family Court.

The car, belonging to John Morris, was stolen early Sunday evening on Clark Street, near U. S. 13, and was found wrecked late the same night about two miles north of Harrington.

Police said the car was going west on Route 290 at a high rate of speed and ran off the road trying to make a left turn. The car slid down an embankment into a ditch causing damage estimated at \$200.

The car was deserted when police arrived and investigation revealed it had been stolen.

Women of Asbury To Conduct Evening Service

The Woman's Society of Christian Service of Asbury Church of Harrington will join more than 1,700,000 Methodist women throughout America this week in observing their annual "Call to Prayer and Self-Denial." The call is sponsored by the Woman's Division of the Methodist Board of Missions, the national body under which 36,000 local Women's Societies of Christian Service function.

During the observance of the call, Methodist women gather in their churches for a "Quiet Day" service of prayer, meditation, and hymns. The theme for the 1964 program is "Recognition, Renewal and Response."

The service for the women of Asbury will be held at 7 o'clock on Sunday evening, October 25, in the sanctuary of the church. Leaders will be Mrs. Fulton J. Downing and Mrs. Mark Willey. Rev. Rollan Ferry, minister of the church, will also take part in the service. Music will be provided by the Chancel Choir under the direction of Melvin

Delaware Homemakers To Attend National Convention in Hawaii

Two Delaware women will attend the annual convention of the National Extension Homemakers Council October 25 to 30 in Honolulu, Hawaii, according to Mrs. Alice M. King, state leader of home economics extension.

Mrs. William Conard, of Dover, president of the Delaware Home Economics Extension Council, will serve as Delaware's official delegate. She will present a report on the Delaware organization's activities. Mrs. Clyde Campbell of Hartly will also attend.

One of the highlights of the convention will be a "first day" ceremony introducing a commemorative postage stamp which salutes American homemakers. The five-cent stamp is also a tribute to the 50th anniversary of the passage of the Smith-Lever act, legislation which opened the way to improved home life throughout America by providing home economics experts to advise feed women on better ways to feed and clothe their families.

Today there are some 4000 home economists working through the Cooperative Extension Services in the 50 states.

Five Winners Announced in 4-H Program

Five Kent County 4-H Club members have been named to receive the highest state honor a Delaware 4-H'er can receive—a trip to National 4-H Club Congress. Winners were announced by James O. Baker, state 4-H leader at the annual Kent County 4-H Achievement Banquet in Dover, Saturday, (October 17th).

Clifford Hudson, 17, son of Mr. and Mrs. Dan Hudson, of Frederica, is the top 4-H poultryman in the state for 1964. Hudson is a member of the Paradise 4-H Club and has carried projects in poultry and field crops. He joined 4H four years ago as a result of the state Junior Broiler Contest. He entered the contest as a non-club member, but before the eight week junior broiler program was over, he had helped in reviving the Paradise 4-H Club in his home community. Hudson had 3000 chicks including broilers and layers. He sells his own eggs to route customers and retail stores. He was a 1964 recipient of the Delaware Poultry Improvement Association's Youth Award.

Harvey Thomas, 19, son of Mr. and Mrs. Francis Thomas, of Marydel, is the state winner in field crops. He is a nine-year 4-H club member and has carried projects in field crops, garden, swine and poultry. Thomas works with his father in farming some 500 acres in Kent County.

Sam Dixon, III, 17, son of Mr. and Mrs. Sam Dixon, Jr., of Clayton, is a Club Congress trip winner in boys agriculture. He is a seven-year member of the Chestnut Grove 4-H Club and has carried projects in dairy, tractor, swine and poultry. Dixon has been a county winner in tractor driving contests and finished second in the state tractor operators contest in 1964. He is an extensive dairy farming operator with his father.

Connie Moore, 18, daughter of Mr. and Mrs. Joseph P. Moore, of Dover, is the state winner in clothing. A seven-year member of the Chestnut Grove 4-H Club, she has carried projects in clothing, foods and health. Miss Moore is a frequent participant in county and state dress revues and has made more than 80 different items of clothing during her 4-H career.

Saturday evening a beautiful wedding took place in Todd's Chapel, when Miss Ruth Ann McDowell, daughter of Mr. and Mrs. Robert McDowell, became the bride of James Taylor, son of Mr. and Mrs. Bonnie K. Taylor, of Williamson, N. C. The bride was given in marriage by her father in the double ring ceremony performed by the pastor of the church. She wore a white gown of nylon taffeta with chapel train, long pointed sleeves and sweetheart neckline. The bodice was brocaded and embroidered with sequins and seed pearls. She carried a bouquet of white camellias. Her only attendant was her younger sister, Miss Virginia Lee McDowell, who wore a short gown of red velvet with matching pill box and veil and red satin slippers. She carried red and white carnations. The bridegroom chose his brother, Alton J. Taylor, as best man.

The ushers were James McDowell, brother of the bride, and her brother-in-law, Jack O'Bier. Mrs. Kathryn Cople played the wedding music. Mrs. Lester Taylor sang, "Whither Thou Goest" and "The Lord's Prayer." The bride's mother chose a green ensemble with matching pillbox hat and white accessories. The bridegroom's parents were unable to attend.

A reception immediately after the ceremony was held in Todd's Community House where the decorations were the traditional white wedding bells and dozens of dark red roses.

Associational messengers of our group attended the Eastern Associational meeting at Delmar. This is an annual meeting to review work done last year and to make plans for the upcoming year and to elect associational officers.

Wed., Oct. 21, will start the revival and will continue until Nov. 1, including Saturday evening. The Rev. Lewis P. Vehaun will bring the messages.

He was born in Spartansburg, S. C.; a graduate of Furman University and Southeastern Theological Seminary. He was pastor of the Canaan Baptist Church, of Spartansburg for eight years and is now pastor of the First Baptist Church, of Fruitland, Md.

Mr. and Mrs. Max McIlvain have returned after spending two weeks in Texas. There were sev-

eral names brought before us who are ill. Let us remember all in prayer. We are happy to report the sister of our pastor, who has been gravely ill hospital in Ohio, is greatly improved.

We had several visitors at both services Sunday.

THURSDAY— 7-11 p.m. Work at race concessions.

Evening, Cub Scout Halloween party.

Old St. James Church, formerly known as Old St. James, Stanton, but now Old St. James, Mill Creek Hundred, is actually celebrating its 250th Anniversary tomorrow, Saturday from 2 to 6 p.m. and Sunday from 2 to 4 p.m.

Old St. James, a beautiful relic of early Colonial days in Delaware, is still active and has a growing congregation. It is located on St. James Church Road near the Midway Shopping Center which is between Newark and Wilmington. Signs will be posted to direct visitors. Guides will conduct all visitors through the old Grave-Yard and Church and many of the early documents and relics of the church will be on display.

The Vicar finds it necessary to undergo abdominal surgery this week. However, he has been able to arrange so that with a few exceptions St. Stephen's can continue during his absence very

much as she has done when he was here. Father Hinks will be in hand each Wednesday evening at 7:30 for the healing service. This will not be a service of Holy Communion, but will include Holy Unction and the Laying on of Hands. Father Hinks has already expressed not only willingness but a desire to be called on by any members of St. Stephen's, in case of emergency, and it is so good to have him always so willing and ready to help. We are delighted to announce that also on All Saints Day which is November 1st, Father Hinks will be here to celebrate Holy Communion and to preach. All of those who have loved ones who have gone on to their new lives, should find a blank on the rear table on which to request special prayers for them at that service. This is a beautiful custom of St. Stephen's. Certainly this is an appropriate way to memorialize our loved ones and to share with them in their new life.

There will be no 8 a.m. service during the Vicar's absence. However, except for Nov. 1, each Sunday morning during this time, Holy Communion will be celebrated at the 11 o'clock hour. Celebrants will be either the Rev. Victor Kusik, rector of St. Mary's in Bridgeville, or his assistant, the Rev. John Rhein. Again the vicar wants to express his appreciation to all three of these ministers who are so willing to help St. Stephen's in any time of need.

**Trot Lines at
 K & S Raceway**

Claiming races at K & S are producing some of the best races. Claiming races are very popular with the running horse people and just in the last year or two have become popular—acceptable may be the better word—with the trot people. In claiming races, the owner or trainer sets a value on his horse and enters it in with others of the same or similar value.

If any qualified owner wishes to purchase one of the horses, he deposits the money before the race with the clerk of course. After the race is over he gets the horse, but does not get any of the winnings in the race he was claimed from. If a horse comes out of the race lame, or, even drops dead, the horse belongs to the new man.

Bobby Hobbs brought down nine horses from Liberty Bell and will race two or three of them. Olin Davis will race some of his better pacers from now to the end of the meeting.

Citan's Prince, winner of four trots, has been retired for the season. Bobby Webb looks like a shoo-in for the driver's title, both on percentage points and number of wins. He was the leading race-winning driver at Ocean Downs this year. He will winter at Rosecroft.

George Mahoney has arrived for the winter and is busy breaking yearlings for Cabbage Brown and associates every morning.

Sam Matthews has stopped with the good three-year-old Flash Forever, winner of two straight in the paces. There are a

pair of weanling sons of Danny Direct 1:59 4/5, the pacer Henry Cluke used to race, in the Paul Vineyard barn.

Olin Davis drew the rail with Joe Reward in Friday's 9th race and with Gail Reward in a race carried to Saturday. Frances Elaine Workman, of Berlin, Md., sold her good 3-year-old Robjob to Mike Gale, of Baldwin, L. I.

The proposed race for lady drivers did not come off. The Delaware Harness Racing Commission nixed the venture to the dismay of six ladies who were ready to drive.

The Open trots are the best trotting events ever held here in at least the past dozen years. Gypsy Boy won the last one in 2:06 2/5, but did not come very close to Averill's Dick's 2:05 win a few years ago.

Keen's Firecracker paid \$3.10 Monday night, the lowest win price of the meeting. Freddie White was up behind the claimer. So Long's Lad, the 14-year-old pacer who will not be permitted to race at pari-mutuel meetings next year, is one of the most amazing horses on the grounds. He can pace better than 2:07 right now.

The CKRT American Legion Post and Ladies Auxiliary will award a blanket to the winning owner in the 8th race Friday. Gordon and Marcia Dickerson arrived Monday night to take over the program work for the balance of the meet. They have been handling the program at Freehold which closed Monday afternoon.

One of the horse owner felt he was getting a bad deal after his horse had drawn the six hole three or four consecutive times. So he was permitted to help with

the draw . . . and guess what? He drew the six hole for his own horse.

Presiding judge John DuCharme of Spencer, Iowa, knows what horse racing is all about. He raises 'em on his own farm and races them at the Chicago tracks in the Delmer Insko string.

Bob Carter is doing a superb job keeping the track in perfect shape, not too hard and not too soft. Just right for those fast miles.

**Cross-Country
 Team Wins
 Triangular Meet**

The Harrington High cross-country Lions won their 14th straight meet on Thursday afternoon at Killen's Pond, as they defeated Greenwood and Lewes. Harrington's low score was 15, Greenwood was second with 48 and Lewes trailed with 65.

Unbeaten Dennis Rogers was clocked in 12.15 for the Killen's Pond grind. Gerry Garey was second in personal record time of 12.23 compared to his previous best time of 12.35. Dan Hicks, who has a 12.22, fell back a little this trip but took third place.

Marshall Hatfield and George Bonniwell were fourth and fifth. Bob Cook, of Lewes, was sixth and was the only visiting harrier to finish ahead of any local runners.

Roger Betts, Don Wells, Bob Smith and Roger Redden filled the next four positions.

Clarence "Lightning" Allen, Earl Yoder, Don Huey and Rick Huey were next across the finish line to enable Greenwood to beat out Lewes for second place.

Nick Morris continued his winning ways as he was timed in a swift 13.23 to capture the jayvee race first place. Harrington was the winner with 16 points. Greenwood took second with 49 points. Lewes was third with 70.

Senior Henry Minner came in second hile junior Dan Adams was third in his first trip around

the Killen's Pond course. His time of 13.50 was very creditable since Adams had only one work-out and one race (at Caesar Rodney) prior to Monday's test.

Dennis Spicer edged the fast-closing Tom Bragg of Greenwood to take fourth place. Bragg, a fine freshman prospect, was timed in 14.07. This is almost a minute faster than he ran here three weeks ago and was only two seconds slower than the best Greenwood effort in the varsity run.

Eighthgrader Oscar Matthews and freshman Lester Green finished sixth and seventh. Frank Spence of Greenwood was eighth.

Eleven-year-old Roger Hicks had a 15.19 in tenth place. Forester Frank De Ford was eleventh. Aubrey Brown broke his record for the fourth time this fall as he knocked off four seconds. Kemp and Doug Wilson were close to their seasonal bests.

Coach Harold McDonald is a patient in Milford Memorial Hospital and may not be able to return to the team this season. He has the best wishes of his 26-man squad for a quick and complete recovery.

Bill Kramedas, a former P.S. duPont High miler, is handling the Lions. Kramedas ran a mile in 4.59 at a time when such a clocking was considered very good and many races were won in 5.10 or higher.

Of Local Interest

The Lower Kent County Republican Club will meet Wed., Oct. 28, at 7 p.m. at the New Century Club. This is a business meeting, not a covered dish. All Republicans and interested people should attend.

The mothers of the Youth Choir of Trinity Church held its first meeting Tuesday evening. New officers for the year were elected as follows: president, Mrs. Irene Outten; vice president, Mrs. Irene Dean; secretary, Mrs. Virginia Harris; treasurer, Mrs. Mary Tucker; publicity, Mrs. Clara Wilcutts. Meeting adjourned till next month.

FARM LABOR
 (Continued from Page 1)

and satisfactory housing, have caused many plans to fail.

He lists these basic principles of a successful incentive program:

The incentive should be large enough to encourage the worker to do a better job.

It should be a simple plan that both hired worker and farmer can compute and know exactly what is earned.

An incentive plan must be economically sound, that is the payments must be made from extra income earned by the incentive program.

It must be based on performance that the hired man can have some influence over, but it must not hamper the employer in making good business decisions or encouraging unecological practices.

Incentive payments can not be a substitute for reasonable wages. They must be considered as a way that a hired man can earn more, and develop more interest in the farm business.

The University's School of Agriculture has a publication titled, "Incentive Payment Plans for the Hired Man." Copies are available from the mailing room, Agricultural Hall, University of Delaware, Newark.

Other interested friends of veterans are invited to participate with their donations of a gift or money.

Mrs. Frank O'Neal, child welfare chairman for last year reported that 9 bags of clothing were sent to the "Save the Children Foundation" in the early summer. A note of thanks from the foundation was received and read.

The next meeting will be on November 17, 8 p. m., post home. Anyone wishing transportation may call Mrs. William Minner on the day of the meeting.

The refreshment committee for November will be Mrs. Norman Brown, chairman, Mrs. Gooden Callaway, Mrs. Paul Callahan, Mrs. Eugene Anderson and Mrs. Russell Blades.

WOMEN OF ASBURY

(Continued from Page 1)

Brobst. Ushers will be Mrs. Donald McKnatt, Mrs. Melvin Wyatt, Mrs. Ethel Bull and Mrs. William A. Minner.

Each woman who participates in the call to prayer and self-denial is asked to save over a

period of time and then make a sacrificial gift to aid in several designated projects. These offerings have enabled buildings to be built and work to be done in the mission field which could not have been done otherwise. Women also are asked to offer personal prayers for workers in mission projects for which they will give. The call to prayer and self-denial is one of the oldest observances for Methodist women, dating back to 1887.

As spiritual life secretary, Mrs. Downing has planned and will direct the program.

**Social Security
 News**

An urgent warning to all social security beneficiaries to beware of confidence men posing as representatives of the Social Security Administration was issued today by Joseph B. O'Connor, Regional Director of the U. S. Department of Health, Education and Welfare.

O'Connor said his office has recently received a number of complaints concerning the operations of men, both singly and in groups, posing as representatives of the Social Security Administration so as to gain admittance into the home of social security beneficiaries. The impersonators have represented themselves as being doctors, "check-up" men, or "information" collectors sent by the Social Security Administration to determine whether monthly benefits should be paid, should be continued, or perhaps should be increased. This hoax was recently used to drug and rob elderly people. Other cases have been reported where nothing was actually stolen but the impersonator was after personal and confidential information for his own purposes.

**"THE NIGHT OF THE
 IGUANA," at Reese
 Oct. 23-24-25-26**

Different matinee for children, Sat., 2:30 to 4:30.

Undoubtedly the most talked about picture of 1964 is Tennessee Williams' "The Night of The Iguana," with Richard Burton, Ava Gardner, Deborah Kerr and Sue Lyon. Critics everywhere praise this as being the tops in exciting dramatic entertainment.

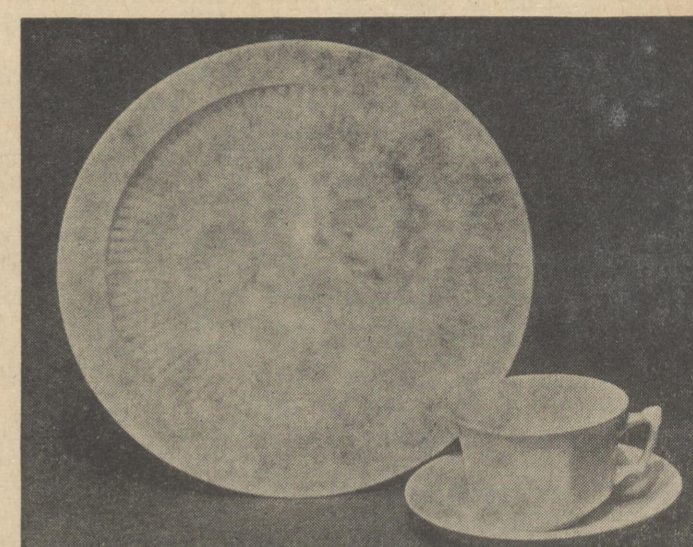

This exciting picture plays the Reese Theatre for a four day engagement, Friday, Saturday, Sunday, and Monday, Oct. 23, 24, 25, 26. The complete time schedule may be found in the special Reese Theatre advertisement in this newspaper.

"The Night of the Iguana," is adult entertainment and for that reason the management is presenting a special children's matinee Saturday afternoon at 2:30 P. M. thru 4:30 P. M. The ever thrilling "King Kong vs. Godzilla" is the main afternoon feature only with assorted cartoons and comedies. A real big joy splash for the children.

Now! '65 Chevrolet

If what you see moves you, wait'll you take the wheel
 (V8's with—CRRR!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority

of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous Jet-smooth ride smoother and more stable than ever.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.

INSTRUCTIONS TO VOTERS

MANNER OF VOTING

When a voter presents himself for the purpose of voting, the election officer shall ascertain whether his name is upon the register of voters, and if his name appears thereon and is not challenged or a challenge be decided in his favor, one of the election officers to be stationed at the entrance of the voting machine shall announce the name of the voter and permit him to pass through the entrance to the booth of the voting machine for the purpose of casting his vote. Each judge shall then stamp or write the word "VOTED" in the column opposite the name of the voter in the Books of Registered Voters in his possession. No voter shall remain in the voting machine booth longer than three minutes, unless for good and sufficient reason he be granted a longer period of time by the election officers in charge. When the voter has cast his vote the voter shall at once leave the room. If he refuses to leave after a reasonable period he shall be removed by the election officers. No voter after having entered and emerged from the voting machine booth shall be permitted to re-enter the same on any pretext whatever. Only one voter at a time shall be permitted to enter the voting machine booth. Added 49 Del. Laws, Ch. 18, § 1, eff. Mar. 20, 1953.

INSTRUCTING VOTERS ON ELECTION DAY

Any voter requesting instruction shall be given such instruction by an election officer with reference to the sample ballots posted in the polling place. In case any voter, after entering the voting machine booth, shall ask for further instructions concerning the manner of voting, two election officers of opposite political parties shall give such instructions to him; but no person assisting a voter shall in any manner seek to influence his vote. After giving instructions and before such voter shall have registered his vote, the persons assisting him shall retire and such voter shall then register his vote in secret. Added 49 Del. Laws, Ch. 18 § 1, eff. Mar. 20, 1953.

DETERMINATION OF RESIDENCE OF VOTER

In all questions of residence arising under the provisions of Article V of the Constitution of this State, if any person, having resided within this State, actually removes to another place out of this State, with an intention of remaining there for an indefinite time, as a place of present domicile, he shall lose his qualifications of residence within this State, notwithstanding he may entertain a floating intention to return at some future period. The same principle shall be applied to removals from one place to another within this State.

ASSISTANCE TO BLIND OR PHYSICALLY DISABLED VOTERS

Any person who shall be physically unable to operate the voting machine by reason of defective eyesight, or the loss of use of one or both hands, or inability to walk with safety without assistance, as manifestly renders him or her unable to operate the voting machine, or to reach the polling place alone with safety, shall be permitted to bring with him or her into the election room and booth any elector or two electors, if the nature of the disability to walk to the polling district for the purpose of rendering the necessary assistance to vote. No voter shall receive any other assistance in voting than that permitted by this section.

NUMBER OF PERSONS PERMITTED IN BOOTH AND VOTING ROOM; CONVERSATION IN ELECTION ROOM

Not more than one person shall be permitted to occupy any voting booth at one time. No person shall remain in or occupy a voting booth longer than may be necessary to prepare his ballot and in no event longer than three minutes. No more than one person for each booth in the room, other than the election officers, shall be permitted to enter or be in the election room at any one time, except as in this chapter provided. No voter or person offering to vote shall hold any conversation or communicate with any other person than an election officer while in the election room, except as in this chapter provided. No election officer, challenger or any other person within the polling place, during the election or counting of ballots, shall electioneer or engage in any political discussion.

CHALLENGERS; APPOINTMENT AND POWERS

Each of the political parties, acting through their respective county committees, may appoint and credit some suitable person as a challenger to stand without the door or entrance of the room in which the election is to be held, and by the side of the passage. If any political party fails to appoint a challenger, the Inspector and Judges shall make such appointment. The challengers shall be changed and their places filled in like manner during the day. The challengers shall be protected in the discharge of their duty by the election officers. The challengers, chosen for any general or special election, shall be peace officers of this State and shall have the same powers for preserving the peace as election officers have.

PERSONS PERMITTED TO STAND WITHIN 30 FEET OF ENTRANCE

One challenger designated by each political party shall be entitled to stand at the side of the passage and near the entrance to the room. No other person shall remain within 30 feet of the entrance except as provided in this chapter.

REMOVAL OR DESTRUCTION OF ELECTION SUPPLIES OR EQUIPMENT OR VOTING MACHINE

Whoever, during the general election—(1) removes or destroys any of the supplies or other conveniences placed in the booths or delivered to the voter for the purpose of enabling him to prepare his ballot; or (2) removes, tears down or defaces the cards printed for the instruction of the voters; or (3) destroys or removes any booth, railing or other conveniences provided for such election; or (4) tampers with, disarranges, defaces or impairs in any manner the use of or destroys any voting machine or the ballots on the face of a voting machine, shall be imprisoned not less than six months nor more than one year.

INDUCING ELECTION OFFICERS TO VIOLATE ELECTION LAWS

Whoever induces or attempts to induce any election officers to violate any of the provisions of this title, whether or not such election officers violate or attempt to violate any such provisions, shall be imprisoned not more than 5 years.

Mr. Sports Editor

We of the Harrington High School Alumni Association and our community as a whole are proud of our high school football team. The Harrington Lions sit on top of the Henlopen Conference with a five win and 0 loss record to date.

Coach Frank Glazier and his assistants, James Hawpe and William Muelheisen are to be commended on developing this fine aggressive team. The boys are giving the Harrington fans plenty to talk about and making other communities take notice.

As president of the Harrington High School Alumni Association, I urge all members to attend the Lions Homecoming game on Friday night, Oct. 30. John M. Clayton will clash with our Lions at the Harrington High Stadium at 8 p.m. The game will be preceded by a gala homecoming parade and appropriate half time ceremonies. Let's all attend and help boost the team to the championship.

Thomas H. Peck, President Harrington High School Alumni Association

Lion Gridders Win Streak at Eight

Who was that shaggy guy headed for church Sunday morning? That was Frank Glazier, head coach of those rambunctious Harrington High Football Lions. Frank is banking the barber's money these days since his boys have made him promise not to get a hair cut until they lose a game. They don't want to break up a winning combination.

The Lions added victory No. 5 this season and No. 8 in a row over two seasons by easily defeating Milton 27-0 in the Sussex County rain on Saturday. The locals did not use two or three key men, who were not up to par, but still had enough horses to blank a team that had scored in each of its first three games.

Quarterback Larry Garey raced for touchdowns on runs of 44 and 23 yards in the first period.

Chuck McNally scored from the ten yard line in the second period and Wayne Porter plunged across from the one in the fourth quarter. McNally ran across the extra points on the Garey tallies and Larry repaid the favor on the McNally T. D.

The Lions in five years of Henlopen Conference football competition had a total of only seven victories. With five in the bag already this fall, it now looks like Harrington will equal or excel five years' worth of victories in only one campaign.

The locals are in a most advantageous position because while the Lions were off and pacing to a 5-0 record the rest of the teams were taking turns in helping to eliminate one another. At present H.H.S. can lose one game and still win the title outright.

Bridgeville, the present second place team, couldn't beat a Lions 8-1 final goal because they have lost one, to Harrington and played a tie with John M. Clayton. 7-1-1 is the best they can hope for.

Millsboro plays only eight games because a 1963 commitment to play non-league Gunning Bedford of Delaware City must be honored. They don't meet Dover Air so 7-1 is the best they can possibly do.

Delmar, currently in fourth with a 2-1 tally can't better 7-1 either because a 1963 contract to play Laurel in 1964 keeps them from meeting Milton.

Selbyville, Rehoboth, Milton and Lord Baltimore are completely out of the title picture. John M. Clayton is not much better off with a win, a loss and two ties in four games.

The Lions must not get complacent about the remainder of the schedule. John M. Clayton and Dover Air are tough foes and Frank Covalesskie's Rehoboth eleven is improving rapidly as the Seahawks often do late in the season. We can't get excited about Selbyville, though that football sometimes takes some strange bounces.

The Lions bye couldn't have come at a better time. Since there is no game this weekend that means the locals will have had two weeks to get the injured in shape again and at the same time sharpen up the offense and defense for the invasion of John M. Clayton's Bears, who will furnish the opposition on Homecoming Day, the following Friday night. This could be the most crucial game on the schedule. A victory for Harrington might fire up the locals and inspire them to victories in the remaining three contests.

Lion Harriers Best Milford for 15th Straight Win

Harrington High's cross-country team defeated Milford by a near-perfect score of 15-46, Monday afternoon at Killen's Pond to run their all-winning skein to 15 straight. The Lions have not tasted defeat since 1962. Last year the locals won ten meets including the state title meet at Rockford Park, Wilmington.

Dennis Rogers was the individual winner in the good time of 12:10 for the 2.4 mile endurance test. Gerry Garey continued his sensational running as he ran the layout in 12:17, six seconds better than last week. Garey now has an iron grip on the No. 2 rung of the Lions' ladder. Dan Hicks, erstwhile No. 2 with a 12:22, did not run against Milford. Bob Smith and Roger Redden did not compete, either. The doughty Garey has matured as a cross-country runner in the short span of six or seven weeks. Running against seasoned performers, who are older and with as much as five years experience, Garey has topped the efforts of all his teammates except Rogers, who is known as one of the finest harriers on the peninsula with at least two course records to his credit. The H.H.S. record for a junior is 12:10 set by Rogers last year. Garey will own that one soon. Hicks' 12:22 is an H.H.S. sophomore record. Nick Morris ran a terrific 13:06 in the jayvee race to log an H.H.S. freshman mark beating a fine effort by Hicks in 1963. Eighth-grader Oscar Matthews was clocked in 14:06 which is swifter than Morris' best race of last fall. So it now appears that Roger's best final clocking of 1964 will be beaten by Garey in 1965. Garey's will be excelled by Hicks in '66. Morris will top that in '67. Oscar Matthews will set a new school record in 1968 which will last until Louis Kemp cracks it sometime in the fall of 1969. This is all supposition of course, but it could happen since the six boys mentioned have a lot of ability and courage and each new crop seems to be even better than the last.

Against Milford, Roger Betts, George Bonniwell, Marshall Hatfield and Ellis Myer strolled across in a tie for third place. Betts was 15 seconds faster than his best 1964 trip around the course.

Dan Adams, Bob Matthews, Larry Bonniwell and Don Wells waltzed to a four-way tie for eighth place in 13:23. Adams, a team member for only five days, was on the Killen's Pond layout for only the second time. 27 seconds faster on his second trip he already ranks as a first-rate prospect. Adams and Garey are 1964's bright, new discoveries just as Ellis Myer and Marshall Hatfield came suddenly into promise last season. There must be something in the water hereabouts.

Morris, Henry Minner, Oscar Matthews, Lester Green and seventh grader Louis Kemp (8th place) made up the winning jayvee quintet (20-35.) Kemp's 15:12 down from 15:24 is the 10th such new mark for this tough, 12-year-old since he started cross-country last month. He has been the team leader in this phase of the game all fall. Louis is only seventh grade record held by Roger Hicks and 13 seconds off his 1964 goal of 14:59. Care to bet he won't make it?

Jack Warrington, a 15:40 runner in his first workout, couldn't approach that figure since until Monday. The long seventh-grader outpointed Bramble of Milford in 15:47 and is now getting back in stride.

Prospect Church Notes

A Junior Choir has been started at Prospect for ages 10 to 13. Plans for a homecoming service are being made for Nov. 15th. The laides of W.S.C.S. are holding a bake sale in front of the Fairlane Trading Store, in Harrington this Saturday morning, Oct. 24th.

The next W.S.C.S. meeting will be held in the Sunday School rooms. Mrs. Albert Wright will be hostess.

Forester Harriers Lose to Caesar Rodney, 18-43.

Coach Gene Carlisle's Greenwood High cross-country Foresters were beaten in a dual meet with the Caesar Rodney Riders on the Greenwood 2.3 miles course. The Foresters are showing improvement each week. Since most of the team is composed of freshmen, sophomores and juniors they should start to move near the end of this, their first season and be especially tough next autumn.

Clarence "Lightning" Allen has taken over the No. 1 spot on the Greenwood squad. Against C. R. he finished fourth behind the Riders' Bruce Rhodes and Tom Baker, who finished holding hands in a tie for first. Ricky Jester, a former Harrington resident, was third and Cabbage Brown, Jr. was seventh for the Riders.

Earl Yoder of Greenwood was sixth. Ricky Huey and Don Huey nabbed 10th and 11th places for the host squad.

Gary Smith Wins State Shoot Title

Gary Smith, 13, is the new Delaware State all-gauge champion. Competing in the Delaware State Skeet Championship at Louviers Skeet Range, Milford Crossroads, Newark, the youthful Harringtonian busted 98 out of a 100 to win the junior title for shooters under 17. It developed that this score was not tied or beaten all day as senior, sub-senior and other groups fired. Gary thus became the youngest state champion in either skeet or trapshooting in Delaware history. This feat may never be matched.

Harriers Nip N. Caroline In Race Of Unbeatens

The Harrington High School crosscountry team ran its two-season winning streak to sixteen by downing previously undefeated North Carolina 23-33 at Killen's Pond on Wednesday afternoon. The Marylanders had beaten Easton, Elkton, Caesar Rodney, South Dorchester, Md. and St. Michaels, Md. among others this fall.

Dennis Rogers won his sixth race in six 1964 starts. His time of 12:10 for 2.4 miles is very good when one considers the fact that he had to buck a stiff wind for much of the way.

North Carolina veteran, Alfred Boyle, was pushed hard all the way by H.H.S. tyro, Gerry Garey, before his strength and experience prevailed against the younger runner. Garey held on to beat out the Bulldogs No. 1 harrier, Fred Spence, for third place.

Sophomore Dan Hicks, junior Ellis Myer and senior George Bonniwell finished within four seconds of each other to give Harrington the nod. Bonniwell ran his best race all season and is approaching his all-time top effort.

Marshall Hatfield and Roger Betts were right behind Bonniwell as the locals placed seven runners in the first twelve positions. This is always hard to do against the perennially tough Marylanders.

The Lions battle Corpus Christi of Elsmere on the state course at Rockford Park, Wilmington, on Monday and travel to Seaford on Wednesday. The upstate team doesn't figure to extend H.H.S. but they have one harrier, Jim Fry, who has the ability to make Dennis Rogers extend himself. He holds one decision over Rogers in three meetings. Seaford put up a good effort in a losing cause against Harrington here in early October. They could be even harder to handle on their home layout.

Bill Kramedas, who is leading the Lions while Coach Harold McDonald is in the hospital, now has a modest three-meet winning streak on the books. We hope it reaches nine in a row. That would mean a second straight state title for H.H.S.

In the jayvee test, won by North Carolina 22-37, two hard-running freshmen ran side by side for the last mile before Kitchener of North Carolina just nosed out Harrington's talented Nick Morris. This may become a hot rivalry for the next three years. Since North Carolina's team had no runners in the seventh and eight grades it was a foregone conclusion that they

would win the jayvee test. The Lions were competing only for the valuable experience they would get plus the advantage of getting in a real, good workout. Practically every Lion in either race acquitted himself nobly as good clockings were turned in despite the wind.

Morris, Henry Minner, Oscar Matthews, Lester Green, Roger Hicks, Aubrey Brown and Doug Wilson have nothing to apologize for. Hicks, freckles and all, caught Goldsboro senior, Joe Hendricks, at the top of "Heartbreak Hill" and went on to trounce the visitor by almost a minute. Hicks is 4 ft. 6 and 11-year-olds. Hendricks is 6 ft. 2 and 17-18 years old.

Jack Warrington was the big surprise of the day for Harrington. A month ago he was clocked in 15:40 on a day that Louis Kemp hit a new low, one second faster. Kemp has been steadily improving ever since while Warrington could not break sixteen minutes again until a few days ago when he managed a 15:57. Louis reached a double goal against North Carolina when he finally surpassed Roger Hicks' seventh-grade record of 15:04 and also got under 15 minutes (14:59). But to the amazement of everyone, close to the team, Jack Warrington was home in 14:51, a whopping 51 seconds faster than he had been able to do before. He apparently has discovered the secret of success in cross-country. Coaches will tell anyone who cares to listen that the boys, who start young in sports, will generally be better than those who come out later. Hence, we have Pop Warner Football, Little League Baseball, Biddle League Basketball, etc.

Harrington's youth program in cross-country promises great things for future Lion Harrier squads, when seventh-graders like Warrington, Kemp and Hicks can run fifteen minutes or better for 2.4 miles with 5 1/2 seasons of competition yet to go before graduation day in 1970.

Bears Defeat Colts, 25 - 7

Les Simpson's Colts put up a much better show this week but the speed of Bill Morris' Bears eventually enabled the Bruins to take a 25-7 decision.

The Colts kicked off to start the game. The receiver, Gordon Jarrell, was tackled by John Christopher and fumbled. Rick Welch recovered for the Bears. Gary Minner put the Bears back in business by recovering a bad pass from center. Steve O'Neal gained 8 yards on an off-tackle smash. Minner added 7 more as he dashed through a hole in the Colt line to the 31. Mike Adams,

on a quarterback keeper, rolled out to the 21. O'Neal swept right end to the 2 yard line. Newnom and Hurd stopped O'Neal for no gain. Adams picked up a yard before Tribbett slammed over center to score the first touchdown. O'Neal turned right end for the extra point.

After the kickoff, the losers tried three plays and picked up only two yards. Minner dropped Christopher on fourth down to give the Bears possession on the Colt 41.

Jarrell made a nifty, broken-field run of 20 yards before being stopped by the last man, John Christopher. Minner gained five yards but the Bears were penalized five yards, one play later. Jarrell made another fine run and reached the five yard line. Adams rolled out around right end and sidestepped a would-be tackler to score touchdown No. 2 for the Bears. The Colts stopped a line plunge on the extra point try.

Chuck Hurd returned the kickoff from his own 29 to the 43. John Christopher carried to the middle stripe. The Colt offense broke down at this point and the Bears took over on downs at the Colt 35.

Newnom broke through to stop Adams behind the line. A backfield-in-motion penalty was refused. James Cohee intercepted a pass and brought the leather out to the 43 only the see the officials set the Colts back to the 21 for clipping. Christopher picked up six yards around right end but fell down on the next play to lose most of it. The same runner swept right end, shed tacklers like water, broke into the clear and outran everybody but Ken Tribbett, who bounced off the back of the big guy's legs at the 10 yard line. Christopher bulldozed across for the extra point and the Colts trailed by only 13-7 at half-time.

The Colts started the second half under a full head of steam. Christopher passed complete to Newnom on the Bear 39 for a pickup of 11 yards. Rick Welch carried to the 32 and Christopher reached the 25 for yet another first down. Two plays failed before Christopher chalked up a first down by picking up 10 yards on two tries.

John later reached the nine yard line before fine defensive work by Tribbett, Adams and Minner halted the drive. If the Colts had gone on in to score the whole complexion of the game might have been changed.

Jarrell swivel-hipped his way 10 yards to the Bear 19. Shortly after the fourth period started, the Bears iced the contest when Jarrell took a handoff from Adams on a reverse play and dashed 66 yards around left end

to add six more points to the winners' total.

The Bears later added their final touchdown, when Jarrell punted from midfield to the Colts 19 yard line. A Colt fumble was recovered by the Bears. Jarrell tallied from the eight yards out to end the scoring.

Next Sunday afternoon the undefeated Bears take on the undefeated Eagles at Harrington High's football field.
