

GEORGETOWN RACEWAY NOT TO RACE UNTIL BANKRUPTCY SUIT IS CLEARED UP

The State Harness Racing Commission Monday night decided not to permit racing at Georgetown Raceway until a pending bankruptcy suit against the track "is cleared up."

The harness track is scheduled to open its meeting Nov. 15. Commissioners and their legal counsel, Attorney General David P. Buckson, refused to speculate on whether Monday night's decree would postpone or cancel Georgetown's racing season.

The bankruptcy action was filed Friday by the Farmers Bank of the State of Delaware and announced Monday morning.

It is within our power we will open on Nov. 15 as scheduled." He also said, as he has before, that the track would not be in financial trouble if relief it requested from the commission and General Assembly had been granted.

"We're the newest track, and we didn't have any assets or anything," he said. "We didn't start out with anything."

Among the legislative acts Georgetown officials have requested are a reduction in the state's share of the mutual handle, a reduction of the admission tax and permission for the track to retain proceeds from unredeemed mutual tickets.

Judy Burgess Chosen Member of Hockey Team

Miss Judy Burgess, a freshman at Roanoke College, Salem, Va., has been chosen a member of the first field hockey team of the Blue Ridge District and will compete in the Southeastern tournament in Washington, D. C., Nov. 18, 19.

Members of the district were chosen Saturday at the Blue Ridge field hockey tournament held at Hollins College, near Roanoke.

Outstanding players in the Southeastern tournament will then be invited to compete in the National field hockey tournament at Goucher College, Towson, Md., Nov. 23-26.

Dallas Green To Speak At Local Baseball Banquet

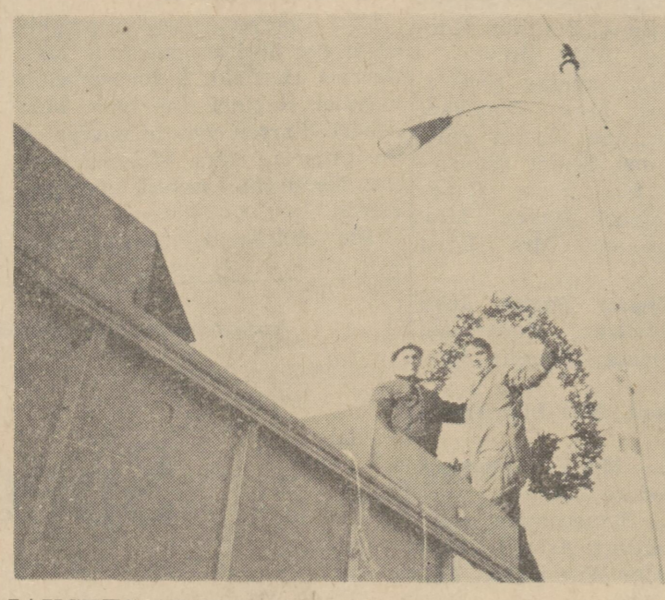

The annual banquet of the Harrington Baseball League will be held Saturday evening, Nov. 18, beginning promptly at 6:30 at the high school cafeteria.

Guest speaker will be Dallas Green, pitcher for the Phillies. All members of the Senior, Little and Minor Leagues, their families and coaches and managers are urged to attend, as this banquet is for them only. Please bring a large covered dish and \$2 per family, to defray expenses.

For the first time, since its beginning it was voted to present awards to each member of the winning team in the Senior and Little League divisions, so all these members please try to be present.

Help is needed on the decoration committee, of which Chester Short is chairman. Anyone desiring to help please make it known to either Mr. Short or Leah Wheeler, banquet chairman. The job of the committee is to set up tables and decorate the high school cafeteria, Fri., Nov. 17, and to help in cleaning up after the banquet the following night.

JAYCEES AT WORK — This past weekend the Harrington Jaycees were active, assisting the Chamber of Commerce Christmas Committee chaired by David Jones. The entire club furnished its full support and placed the newly purchased Christmas decorations on the poles on Commercial and Clark Street. The garland around the pole will be put on in the near future. The electrical work is to be done at a later date.

High Court Rules In Favor Of Ousted Board Member

The state Supreme Court Tuesday opened the way for the return of Democratic control over the Kent County Board of Assessment by ruling in favor of an ousted Democratic member.

The member, Harold E. Powell of Hartly, was succeeded by Republican J. E. Leo Scanlon in January shortly after the Republicans assumed control of Kent County Levy Court.

Scanlon's appointment shifted the balance on the board in favor of the Republicans because of the two other members on the board, one, Franklin T. English, was a Republican, and the other, James B. McIlvaine, was a Democrat.

Shortly after the Republicans gained control over the board, six Democrats who worked for the board were fired and Republicans were hired for their jobs.

Three Vestry Meetings To Be Held

Three regional vestry meetings to discuss issues raised at the recent General Convention of the Episcopal Church in Seattle will be held in Kent and Sussex Counties during November.

Bishop Mosley, the Rev. Canon James Birney, diocesan program director, and two delegates to the convention will participate in the discussion.

The date, place and area covered by each regional meeting follows:

Millsboro, Nov. 12, 3 to 4:30 p.m., St. Mark's Church—Georgetown, Selbyville, Rehoboth, Lewes, Milton and Indian River. Bridgeville, Nov. 13, 3 to 4:30 p.m., St. Mary's Church — Seaford, Delmar, Laurel and Harrington.

Dover, Nov. 21, 7:30 to 9 p.m., Christ Church — Milford, Middletown, Camden, Smyrna and St. Andrew's School.

The Singing Zims At Greenwood Pilgrim Church

The Zim family of Womelsdorf, Pa., will be at the Greenwood Pilgrim Holiness Church, Sat., Nov. 18 at 7:30 p.m. and also on Sun., Nov. 19, for services at 10 a.m. and 2:30 p.m.

For more than 20 years, Mr. and Mrs. H. W. Zimmerman have opened the doors of their large farm house to children who needed a home (at this time they have 26), providing a Christian atmosphere and training for them. They conduct an interesting service of music and song, and varied dialogues. The public is invited. The Rev. Eta Clough is the pastor of the Greenwood Church.

Annual Thanksgiving service—10 to 11 a.m. Guest speaker: Miss Esther Elliott, violinist, missionary from Africa.

Notice Of Meeting

The November meeting of the Sussex County Chapter of the Delaware Association for Retarded Children will be held on Nov. 13 at 8 p.m. at Christ Lutheran Church, Shipley St., Seaford.

Lang Anderson the assistant director of the Daytime Care Centers will be the speaker. He will be assisted by some nurses and aids from the Professional Staff of the Daytime Care Centers.

Kent Share Raised For State Home

Already burdened by an estimated \$50,000 budgetary deficit at the end of this fiscal year, Kent County Levy Court Tuesday received word the county must pay an additional \$38,000 share for the State Home at Smyrna.

The Levy Court president, Glenn A. Richter, told the court they had no choice but to pay an additional \$38,000 a year requested by the State Home because state law requires payment.

Meanwhile, county legislators from the county are backing a veto override of H.B. 261 by the Senate. The bill, which would shift the financial burden for the home to the state, was voted by Gov. Charles L. Terry Jr.

A veto override easily passed the Republican-controlled House last week, but according to Richter, two Democratic votes will be needed to get the measure through the senate.

In other action, Levy Court commissioner William C. Holden told the court that the Dover Chamber of Commerce is considering paying ambulance operator William C. Torbert, \$4,500 to continue his commercial ambulance service.

Getaway Week At Local Raceway

It's getaway week at Harrington Raceway, where pari-mutuel harness racing rings down the curtain on a 60-night meeting on Saturday.

A torrid driver's race still is in sharp focus as the competition heads for the wire. Art Bier holds a comfortable lead in the Universal Ratings with a .421 mark, but still could be overhauled by Abe Stoltzfus (.347).

Harrington-bred pilot J. D. Dennis owns a commanding advantage in the dash wins department with 29, but is being hard-pressed by Bier with 23.

Bier counts eleven seconds and a dozen thirds to go along with his 23 wins in 75 starts. Stoltzfus, his closest competitor, shows 19 wins, 21 seconds and 10 thirds in his 93 outings.

Trailing Bier and Stoltzfus in the Universal Ratings are Townsend reinsman Sam Gravenor at .307, Woody Truitt at .302, Dennis at .287, Fred Pusey of Salisbury at .277, Bob Watkinson at .277, and Milford pilot Vinyl Kirby at .217.

Following Dennis and Bier in the dash wins division are Stoltzfus with 19, Truitt and Paul Myer with 15 each, and Kirby with 12.

Top track marks of the season are shared by pacers Lil's Ace and E. De P., both of whom chalked up 2:04 4-5 marks.

Social Security Office Closed Today

In observance of Veterans Day, the Social Security Office at 230 West Lockerman Street will be closed all day, Fri., Nov. 10.

Veterans Day Tomorrow

On Sat., Nov. 11, the entire nation will observe Veterans Day 1967. Although the date was observed originally as the anniversary of the World War I armistice, the observance of Veterans Day 1967 is in no way a consecration of the memory of any past armed conflict.

The observance of Veterans Day 1967 will be more than an expression of esteem by America for her veterans. It will be even more than a demonstration of appreciation for a new generation of gallant Americans who serve the nation's purpose today.

Yes, Veterans Day 1967 will bring home to millions of Americans the fact that freedom is not free!

"The inescapable price of freedom," said Gen. Douglas MacArthur, "is the ability to preserve it from destruction."

How valuable is freedom? Ask the millions from Central Europe to Southeast Asia, to the Caribbean, who have fled the tyranny of godless communism. They seek that freedom—that individual dignity—which was bought by the courage of our Nation's founders and retained by heroism in equal portion to their courage by succeeding generations of Americans.

More than 20 million living Americans, from personal experience, know the price of our precious freedom.

No one hates war more than the war veteran. But that same veteran knows that the lofty goals of freedom, an honorable world peace, and recognition of individual human dignity cannot be attained while there are forces seeking to dominate the world through acts of aggression.

The observance of Veterans Day must be an expression of national unity—a message clearly understandable to those forces of aggression seeking signs of internal weakness. The citizens of Harrington can do their country a vital service by flying their flags on Veterans Day, and the day following.

In so doing, we will not only honor our veterans—our champions of freedom—but also acknowledge the price which must be paid on demand for our freedom. Let us further resolve by our participation in Veterans Day 1967 that our precious freedom shall be preserved and that we shall persevere in our defense of freedom's cause until that day dawns on a world blessed with an honorable peace.

Harrington Judges Fine 2 Del. Drivers

Judges at Harrington Raceway Tuesday night levied \$10 fines against drivers Bill Jarrell of Clayton and Don Witt of Harrington.

Jarrell was reprimanded for failure to declare a proper driver by the designated time and Witt for failure to drive when programmed in the third race last Friday night.

LEGION TO DISTRIBUTE TO SCHOOL BROCHURES ON FLAG

Veterans' Leader Urges Display Of Flag

State Commander George R. Haley of the Veterans of Foreign Wars, this week urged all other patriotic Delawarans to join with the state's 5,000 V.F.W. families in public display of the American Flag on Veterans Day — Saturday, November 11th — and in participation in traditional Veterans Day ceremonies at the Delaware Memorial Bridge Plaza this Sunday afternoon, Nov. 12th.

In a statement issued from the V.F.W.'s state headquarters in the V.A. Hospital Building at Brack-Ex, Commander Haley traced the background of Veterans Day, noting that the November 11th observance initially commemorated an armistice that brought an end to hostilities in World War I and that, as Armistice Day, it provided an opportunity, or fover a quarter of a century, for Americans everywhere to honor the services rendered to this Nation by those who served in World War I. Comdr. Haley pointed that following World War II, the Congress of the United States redesignated Nov. 11 as Veterans Day in order that a grateful nation might honor all those who served in all of its wars past and present.

Widespread display of American Flags before homes and places of business on this November 11th would, according to the V.F.W. leader, provide evidence that "patriotic American—unlike the draft-evading, fuzzy-thinking, law-defying minority element that has been much in the news during recent weeks—still appreciate the sacrifices made in the past by America's fighting men and particularly appreciate similar sacrifices being made today by brave Americans fighting in the jungles and swamps of far off Viet Nam."

Commander Haley also noted (Continued on Page 5)

Alumni Meeting Set For Nov. 14 at School

There will be a regular meeting of the Harrington High School Alumni Association, Tues., Nov. 14 at 8 p.m. in the high school cafeteria.

"Back Our Boys In Vietnam"

A parade to "Back Our Boys in Viet Nam" will be held in Wilmington Sun., Nov. 19, it was announced last week.

The announcement came from John W. McDowell, Jr., a former Marine, who is a veteran of the Viet Nam war and Lawrence M. Sullivan, New Castle County Register of Wills and the Wilmington Jaycees' "Young Man of the Year."

"The parade is strictly non-political in nature and in no way reflects either support or non-support for current war policy," the pair stated. "Its sole purpose is to let our servicemen know we, the civilian populace, appreciate and support the sacrifices they are making to protect our freedom."

Many organizations have been invited to march in the 2 p.m. parade on what the two leaders are labeling "Viet Nam Sunday." They said that the event will be held rain or shine since "there are no rain dates in Viet Nam."

The American Legion, Veterans of Foreign Wars and Jewish War Veterans are among the groups expected to participate, according to the announcement. They said that a city permit has been obtained for the parade and that there will be a review stand located in front of the Public Building.

Citizens are being asked to drive with their headlights on during the course of this date as an expression of support for our fighting men, McDowell and Sullivan said.

Albert Chisenhall

Albert Chisenhall, 71, died Wednesday at his home near Greenwood after a long illness. He was a native of Buckhorn, Ky., and was a member of the Buckhorn Presbyterian Church. Surviving are his widow, Mrs. Irene Chisenhall; six sons, Ralph and Fred, both of Cincinnati, O., and Jim, Eblen, Jessie and Philip, all of Greenwood; a daughter, Mrs. Eva Asbury, of Bethel, O., and 20 grandchildren.

Services were held last night at Fleischauer Funeral Home, Greenwood. Additional services and interment will be tomorrow at Buckhorn, Ky.

The Harrington Legionnaires met Thurs., Nov. 2, at the CKRT post home with Commander M. M. Stuart presiding.

Several important matters were decided. Of particular interest to Harrington was the decision to buy and distribute to elementary and junior high school students, brochures teaching the proper respect for the American Flag, making copies available to high school students where desired. For high-school students there were ordered Liberty Bell T-shirts with the words, "Freedom Is Not Free". These distributions are being made in an effort to express to the students the costliness of their freedom and a finer sense of patriotism.

The post made donations to the Hospital for the Mentally Retarded and to aid Legionnaires and their families whose property in Texas was damaged by Hurricane Beulah.

It was announced that district of which Post 7 is a part, District No. 3, will have a local evening consisting of a buffet dinner and dance Sat., Nov. 18, at the Walter Fox Post No. 2 in Dover. The buffet dinner will begin at 7 p.m. and the dance will follow at 9 p.m. Those interested in tickets should call Larry Rensch at 736-6781 by Nov. 13.

It was also announced that the next meeting which will be at 8 p.m. Nov. 17 would consider much special business. All members are urged to be present.

With permission from the high school, copies of The American Legion magazine will be made available at the library.

Everyone is urged to display their American Flag tomorrow, Veterans Day. Anyone not having one, should see Leonard Horleman or Earl Quillen.

Planning Com. Appoints Planner For Kent County

The Kent County Planning Commission at its regularly-scheduled meeting Tuesday morning, announced the appointment of a new planner for the County. He is Robert W. O'Brien, 33, presently working with the New Castle County Department of Planning.

Mr. O'Brien, who majored in Political Science at the University of Delaware, is a native of Delaware and has been a top-level Planner for New Castle County, in charge of sub-divisions at the Department of Planning.

Most recently, O'Brien has chaired all the meetings of the Sub-Division Advisory Committee and has had extensive involvement in the comprehensive plan for New Castle County, which will be essentially the same type of work expected of him in drawing up the comprehensive plan for Kent County under the recently-passed Kent County "Home-Rule" Bill; legislation very similar to that which made planning possible in New Castle County.

Before joining the New Castle County government, O'Brien conducted and participated in land-use studies and surveys in all three counties in Delaware while working with the Division of Urban Affairs of the University of Delaware, from June, 1962, to March, 1964.

O'Brien, who is married and has two children, will begin his duties in Kent County on January 1. The position, as drafted by the Kent County Planning Commission, pays a salary of \$13,200 per year.

The Kent County Planning Commission and the Kent County Levy Court have jointly expressed great satisfaction on successfully acquiring the services of this Delaware-born and educated planner, who is highly qualified for his new position.

Acne ---

Acne Teen Problem Can Be Helped

Something can be done about acne.

Acne, says a pamphlet of the American Medical Association, is a very common condition afflicting the skin of most people during the teen years.

The fact that acne is so common does not mean that nothing can be done about it, the AMA advises. Waiting to "outgrow" your acne can be a serious mistake.

Acne consists of blackheads, pimples, and sometimes deeper, boil-like blemishes. It can be seriously disfiguring at the time of life when young people are most sensitive about their appearance. The blemishes can lead to se-

rious and permanent scarring. Justification of parts of the skin to the influence of maturing endocrine glands, the glands which produce hormones. The imbalance in hormone secretions will correct itself in time.

It is true that there is no instant and permanent cure for acne. There is no one-shot cure, no magic pill. And acne is not a disease of dirt, even though patients are told to wash thoroughly and frequently. Washing removes the oils and clears plugged oil glands, keeping blackheads to a minimum. Certain foods may be a factor, but a change in diet alone will not clear up acne.

Thorough cleansing, a diet prescribed by your physician and medical care are all needed to cope with acne. Treatment is an individual affair and the patient must not assume that medicines prescribed for a friend will be best for him.

Your physician likely will warn against picking, scratching, popping and squeezing of pimples. In some patients small doses of antibiotics or other drugs may be helpful. In others, ultra-violet light may be administered. Your family physician or dermatologist (skin specialist) can determine your specific needs.

Mrs. William Hearn

The regular monthly meeting of the directors of the Harrington Senior Center was held on Thursday at the New Century Club house with Mrs. J. M. Cooper, president of the board, presiding. Ten of the fourteen directors were present. The Center is progressing nicely. Mrs. Mildred Minner, executive director, reported a membership of 55 with a total of 240 senior citizens attending the center during the month of October. Donations from the Rebecca Lodge and the Felton Avon Club have been gratefully received. There is a need for volunteers to transport those citizens who do not drive and who are incapable of walking to the center. Do your spirits need a lift? Then visit your center any Monday, Thursday, or Friday and see the happiness, feel the warmth and comradeship that is developing there. You will be pleasantly surprised at the work that is going on and the things that are being accomplished by one of the most valuable groups of citizens in our community. You will come away from your visit feeling exhilarated—ask anyone who has dropped in at the center.

Students of the Delaware Army National Guard Academy's Officer Candidate School and Noncommissioned Officer School received special training last weekend (Oct. 28) in use of chemical riot control agents.

The training was held at the Academy training area, at Greater Wilmington Airport, New Castle, Delaware.

Active Army personnel, at the request of the State, provided instructors, equipment, and a demonstration team from the Ground Munitions Laboratory, Edgewood Arsenal, Md.

Attending the three-hour demonstration and practical exercise were approximately 25 officer candidates of the year-long officer candidate course, which begins and ends with a two-week active duty tour in successive summers, and is conducted on 12 weekends through the year.

Also in attendance were 50 non-commissioned officers in the Guard's second Non-Commissioned Officer School course, conducted in four weekend sessions over a four-month period.

During the monthly sessions, the officer candidates and non-coms stay at the academy throughout the weekend, and the program includes daily inspection of quarters and equipment, which must be maintained to the usual standards of such schools.

Saturday's chemical agent training was an "extra" added to the curriculum of both schools and was held on a Saturday other than the normal session of either school.

Capt. Philip I. Berdine of the Reserve Forces Section, Office of the Chief of Staff, First U. S. Army, Ft. George G. Meade, Md., conducted the chemical agent training, assisted by SFC Henry H. Jenks, also of First Army Headquarters.

Weapons and agents were demonstrated by Joseph Stier and Tom J. Beavers, Dept. of the Army civilian employees of the Ground Munitions Laboratory, and Pvt. Jimmy C. Puffenberger, of Co. A, all from Edgewood Arsenal, Md.

In another phase of the special training for present and prospective National Guard leaders, the Delaware Guard's 249th Ordnance Co. (DS), commanded by Capt. Stephen Manista, carried out an hour of practical exercises in squad and platoon level riot control formations under the observation of the officer candidate and non-commissioned officer students.

The student leaders, most of whom have completed or are conducting such training in their own training methods.

Asbury Methodist Men's News

By Sam Short Jr. Chuck Wright, of Milford, a student at Wesley College, spoke at a breakfast meeting of the Methodist Men Sunday morning. Taking as his subject "Preparing Teenagers for Witnessing to Christ in Their Daily Living," from the Chapter in the New Testament of St. John.

Five members from the Felton Church attended the meeting. They are thinking of starting an organization.

Earl Nelson, the Methodist Men's treasurer, reported he had turned the proceeds of the auction sale over to the church treasurer.

Cliff Miller informed the group it was time to be thinking about the venison dinner if we were to have one this year. It was put to a vote, and the group decided to go ahead. Mr. Miller said he would have the venison.

Howard Wagner and his group provided the breakfast. Charles Peck is the chairman of the group to serve the December breakfast.

IN MEMORIAM

IN MEMORIAM
In loving memory of our Mother, Grandmother and Great-Grandmother, Mary M. Banning, who passed away November 13, 1966.
November - comes with sad regrets it brings back the day we will never forget.
The blow was hard and the shock severe
Our hearts still ache with sadness our eyes shed many a silent tear of one we loved and will never forget.
As we start another year,

FENCE TALK

with George K. Vapaa

Treated sewage water for farm irrigation? Jim Flood, administrative aide to Senator J. Caleb Boggs, sent me a report of some research facilities at Pennsylvania State University. N. C. Vasuki, of the Water Pollution Commission in Dover, suggests that this sort of a study is in progress for Kent County.

Our water resource problems are complex. Multiple uses of the available supplies must be developed. The answers will not come easily. But careful planning will help to bring along our needed changes in a more orderly fashion.

I suggest that the disposal of treated waste water can be very practical for irrigation purposes. For Kent County, Mr. Vasuki thinks that we might have a problem on the order of ten million gallons per day within twenty years. A disposal level of two inches per week would require 126 acres of ground for the continuous disposal of one million gallons of waste water per day. Or better than 1200 acres and up to 3000 acres for the efficient disposal of ten million gallons per day.

These figures are probably based on overhead irrigation systems. However, the use of an underground system using perforated plastic pipe might be more efficient for the long pull. Dr. William Mitchell, at the University of Delaware, is coming along with some practical answers and methods to use in subsurface irrigation.

Such a disposal system would be most efficient in a single large tract of land of let's say 3000 acres. If we are talking about the use of this land for fruit or vegetable production, a logical choice, then several farmers, or a corporate farm structure is called for. It could, in effect, be an outdoor factory to gain the benefits of other technology as well.

This calls for a restatement of the general needs of a competitive agriculture for the years ahead in Delaware. First, relatively large, contiguous tracts of prime quality crop land. The farm businesses must be large enough to justify supporting industries - fertilizer, machinery, supplies, credit sources, and sales outlets. A recognition that commerce, industry, housing and agriculture can live in harmony with planning. For us on the Delmarva Peninsula as a whole, this means an effort to protect our air, water and soil resources. Good stewardship of our heritage? Can we afford to attempt less?

Some borrowed notes on County planning: Elected public officials (should) develop public policy with planning.

Their decisions on the use of land use resources are political. Planning seeks first to identify goals and objectives, and compares them with the present state of affairs.

Land use planning is comprehensive; the needs of man with regard to land; transportation and the movement of people and goods; the social needs of man. The planning and public policy job is dynamic, ever changing, and requires teamwork.

Locally, leadership and pride in the community are the catalysts. A program cannot move without these.

No natural resource has ever boundaries. The politician must understand the importance of planning. Planners must understand the importance of politics in planning.

The steps in arriving at a planning decision: 1) To establish goals. 2) To search for alternatives—choices.

3) To study how each alternative might work out. 4) Choosing the best or most satisfactory alternative.

This information comes from Russell G. Parker, Livingston County Agent from New York State. He does not say where he made these notes, but I gather it must have been a speech somewhere. Don't you wish you too might have heard this talk?

Dairy feed costs can be cut with urea, a man-made chemical that supplies nitrogen. This nitrogen is changed to protein by bacteria found in the cow's rumen or stomach.

Cost conscious dairy farmers find corn silage the best source of roughage today. But silage is too low in protein. Urea can be used to supplement other sources of protein, or it may be used as an additive to silage.

The details are explained in a new bulletin by Dr. W. R. Hoeselme and Dr. George F. Haenlein. Copies of this University of Delaware bulletin are available free from our Extension Service Office, telephone 736-1448.

It is important that several rules be followed. Here are a few of them:

- 1) Do not use over 1 per cent or 20 lbs. of actual urea per ton of concentrate mix. 2) Thorough mixing is essen-

tial. Lumps of urea can poison cattle. 3) Do not feed rations with urea to calves under 4 months of age. 4) Use only "feed" grade urea. "Fertilizer" grade may contain harmful additives to keep the urea free flowing. 5) Review the feeding rules at regular intervals. Urea can save you many dollars if used wisely.

Q — I understand that there are circumstances under which the Veterans Administration will, in lieu of foreclosure, accept a deed directly from the veteran when he has become delinquent on a G. I. loan and the lender requests acceptance of the deed in lieu of foreclosure. If the VA would sell a home acquired in this manner and incur a loss, is the veteran then indebted to the government in the amount of this loss?

A — No. Ordinarily the consideration for the deed in lieu of foreclosure is a release of the veteran from all liability. If, however, instead of the VA approving or accepting a voluntary deed, foreclosure action is completed and the proceeds of the forced sale of property are insufficient to cover the outstanding indebtedness, the VA must then make good on its guarantee to the lender. Whatever amount the VA pays out on the guarantee becomes a debt on the part of the veteran to the government.

Q — A friend has recently been discharged from a VA hospital because of "MHB." What does this mean? A — This means "maximum hospital benefit." In other words, in the opinion of the hospital officials the patient has been treated to the point where further hospital care would not bring additional improvement to his condition.

Q — I have a service-connected disability but am being treated in a VA hospital for a non-service connected ailment. Will my compensation be increased during hospitalization? A — Not under the circumstances you describe. Compensation is increased only if treatment is given for service connected disabilities and then only if hospitalization continues for more than 21 days.

Q — Shortly after I was separated from service I converted my G. I. insurance to a permanent policy. I have kept it in force all of these years. May I borrow on this policy? A — In a word, YES. Here's the story! You should contact the VA office to which you have been sending your G. I. insurance premium to find out the "cash value" of your policy. Through this same office you can then arrange to borrow up to 94 per cent of the cash value of your G. I. insurance policy. The interest charge on this loan will be four per cent. Of course, if there is already a loan on the policy for a lesser amount, you may borrow only the difference between the amount of this unpaid loan and the 94 per cent cash value of your policy. The unpaid amount of a loan could be deducted from proceeds to a beneficiary.

Q — My son was lost at sea during World War II. I would like to have a memorial marker to put in a private cemetery. Will the Army furnish one? A — Yes. Application for the memorial marker should be made to the office of Chief Support Service, Department of the Army, Washington, D. C. Application forms are available at all VA offices.

Q — I draw a disability pension from the VA. I have just received an unexpected income as an inheritance. Must I report this now to the VA or may I wait until VA sends an income questionnaire at the end of the year? A — You should report the income promptly when received. This will allow the VA to determine your correct payments for the balance of the year and eliminate any possibility of an overpayment being charged against your account.

Q — My pension as the widow of a World War II veteran was discontinued last year when I received an inheritance of \$4,000. Will I ever be able to get this pension restored? I have no children. A — Your pension may be restored at any time your income does not exceed \$1800 during a calendar year.

Q — May a son or daughter continue to receive benefits of \$130 per month under the War Orphan Program, if he or she marries? A — Yes. Marriage is no bar under this program. The age limit was raised recently from 23 to 26.

Q — I have just received my VA educational assistance check for a full time program as a married veteran with four dependants. The amount was only \$150, the same as I got last year. Is this because I did not apply for the new rates? A — No application is needed. The higher rates for educational assistance apply October 1, 1967, the date that Public Law 90-77 becomes effective. Because payments are made at the end of the month, your money for October should reach you in early November. Your allowance as a veteran with four dependents will be \$195.

Q — I have just received my dividend check on my National Service Life Insurance policy. This surprised me because I have not paid premiums on this policy for the past nine months because a waiver of premiums has been in force. This waiver was granted because I am considered to be totally disabled and unemployable. Has a mistake been made? Will I have to refund the dividend? A — No. The payment of this dividend to you is proper. Dividends on participating government life insurance policies are payable even though the policy is on a waiver of premiums.

Q — Is a veteran penalized if he pays off a G. I. home mortgage loan before it is due? A — No. A G. I. loan may be prepaid without penalty at any time. Pre-payments may be made in the amount of the monthly installment or \$100, whichever is lesser, or in any larger amount.

Q — Under what conditions can a peacetime veteran be admitted to a Veteran Administration Hospital for treatment of a non service connected disability? A — Veterans who were discharged or retired for disability incurred or aggravated in line of duty, or have a service connected disability, may be admitted to VA hospitals for disease or injury not related to their military service, if beds are available. Peacetime service after Jan 31, 1955 is considered as wartime service for purposes of hospitalization and domiciliary care.

Q — I am the widow of a World War II veteran. I understand that I may be entitled to a higher pension because I am in need of help to get around the house. Is this true? What must I do to get this increased pension? A — A provision of the Veterans' Pension and Readjustment Assistance Act of 1967, which

went into effect October 1, says that "if any widow is entitled to pension . . . and is in need of regular aid and attendance, the monthly rate of pension payable to her shall be increased by \$50." To obtain this pension you should call or write the Veterans Administration office nearest you. It would help if you could send the VA a letter from your doctor explaining why you need regular aid and attendance.

Q — I am a World War II veteran. Does the new G. I. Bill which went into effect on October 1, 1967 extend my eligibility for a G. I. home loan to July 25, 1970? A — Not necessarily. The Veterans' Pension and Readjustment Assistance Act of 1967 extended the final cutoff date for certain veterans to July 25, 1970 — your deadline for using G. I. home loan entitlement depends upon your date of discharge from service and the length of time you served in the Armed Forces. The formula for computing the deadline for your entitlement is 10 years from date of discharge, plus one year for each three months of wartime active duty. If your entitlement expired under this formula before July 26, 1967, it is not extended by the new law.

If you were discharged from the Armed Forces for a service connected disability, you have until July 25, 1970 to use your G. I. loan benefit.

Widows of World War II servicemen or veterans whose deaths were due to military service received the same extension.

Q — I have a \$10,000 National Service Life Insurance policy. I would like to preserve the proceeds of this policy to provide a college education for my children in the event of my death before they reach college age. Can I make some arrangement with the Veterans Administration under which they will hold the money until the children are ready for college?

A — If you have an endowment policy, you might like to consider changing it to a life plan. In this case you would receive the difference in reserves in cash at the time you make the change, and, in addition, at the time of your death the face value of the policy would still be payable to your beneficiary.

You may name a trustee as beneficiary and make provisions in the trust agreement for the proceeds to be used to educate your children. The matter of a trust agreement should be discussed with your attorney or bank officer.

The VA cannot be responsible for seeing that the provisions of a trust agreement are carried out.

The maximum age limit for sons and daughters of veterans entitled to Veterans Administration educational financial assistance has been raised from 23 to 26. The liberalization became effective Oct. 1 and is provided in a new law signed by the president last August 31. Eligible for this help under the War Orphans Educational Assistance program are the sons and daughters of veterans who died or were permanently and totally disabled as the result of a service-connected injury or illness. Leon Fields, manager of the Wilmington VA Regional Office, said this week.

They may receive grants from the VA up to \$130 a month for 36 months of approved, full-time college or vocational training. Lesser grants are paid for three-quarter or half-time training. While an 18 to 26 age limit generally applies, a young person may begin school before age 18 and, in certain instances, continue after age 26.

Marriage is not a bar to this benefit, Mr. Fields said. Generally, benefits under this program are for students enrolling in colleges, universities and technical schools. Below college-level courses may be taken only in schools which offer specialized training that will fit a student for a vocational goal.

A person entitled to assistance under this program who is handicapped by a physical or mental disability may receive specialized training. Specific information on eligibility, how to apply, specialized training, schools, educational costs and related matters may be obtained from any VA Office.

Around Home

With Jean Cranston October is cheese month. Why not try cheese and fruit combinations—such as—Cheddar cheese and Jonathan apples; Swiss cheese and Stayman Wine-sap apples or Green Finger grapes; Blue cheese and Anjou or Bosc pears; Brick cheese and Tokay grapes; Gouda cheese and Golden Delicious apples; Provolone cheese and Bartlett pears. If you plan to use cheese in cooked dishes, remember to use a low temperature and cook as short a time as possible. Excessive heat and overcooking cause fat separation, stringing, and toughening of the cheese. Storage and care of all cheese is important.

Hard cheese such as Cheddar, Swiss and Parmesan may be kept for several weeks. Soft cheese such as cream, cottage and Neufchâtel is highly perishable and should be used within a few days after purchase. Cheese should be refrigerated at 35 degrees - 40 degrees. It can be wrapped in the original wrapper for refrigeration. Cut surfaces should be covered tightly with wax paper, foil, or plastic to protect the surface from drying out. Tightly covered refrigerator dishes are excellent for storage, especially for strong smelling cheese. For its most distinct flavor, cheese should be served at room temperature. Cream, cottage, and Neufchâtel cheese should be

chilled when served. Try this Nippy Cheese Spread: Blend together—1 - 3 oz. pkg. cream cheese 2 cups shredded Cheddar cheese (1/2 lb.) 1/4 cup Roquefort of Blue cheese Cover and store in refrigerator several hours before serving. Makes 1 1/2 cups spread.

26 Delaware 4-Hers Named State Winners

Twenty-six Delaware 4-H club members were named 1967 state winners in the National 4-H awards program, according to James O. Baker, state 4-H leader. Six state winners received merchandise prizes while the remaining twenty will attend National 4-H Club Congress in Chicago, November 25-30.

Without exception, the 4-Hers who earned state honors have an outstanding record of accomplishment, Baker states. Attending national congress is the high point in a 4-Hers career.

Dolores Tinley, 19, daughter of Mr. and Mrs. Albert Tinley, Dover, is the state achievement winner. Active in 4-H club work for nine years, she attended National Congress in 1966 as the leadership winner. A member of Links, honorary 4-H society, Miss Tinley was selected as dairy princess in 1965 and won the Reddy Foods contest in 1966. She attended the Older Youth Conference in West Virginia and has served as camp counselor and junior leader. She has served her local club in all elective offices and earned numerous county and state awards. A graduate of Dover Senior High School, she plans to become an industrial designer.

The state 4-H agriculture winner is Susan Comegys, 15, daughter of Mr. and Mrs. Albert Comegys, Hartly. Active in 4-H club work for six years, she was in the 1967 dairy princess court. Miss Comegys won numerous county ribbons in judging and demonstrations competitions. She took part in steer, poultry, dairy, foods, food preservation, clothing, public speaking and talent show projects and served as secretary of her local club.

Robert J. Gibson, 17, Newark, will attend the 4-H Congress as state automotive winner. The son of Mr. and Mrs. Jesse H. Gibson, he earned honors in poultry judging and placed third in 1966 in the Ford safe driving incentive program. He participated in junior broiler, photography, gardening, feeder pig, electricity, safety, handicraft and public speaking projects.

Fifteen-year-old Nancy Harvey, daughter of Mr. and Mrs. James F. Harvey, Middletown, took top honors in the 4-H beef program. Active in 4-H for four years, she received many honors in the beef program, including reserve grand champion and reserve Hereford in the 1965 and '66 junior market show, first prize in fitting in 1966 and second in showmanship in 1965. She received the Joe Mitchell award for outstanding work in her first year of 4-H. She has taken part in sheep, horse, veterinary science, clothing, foods and dress revue projects.

Winner in the breads category is Janice Harrison, 17, daughter of Mr. and Mrs. James R. Harrison, Goldsboro, Md. Active in 4-H work for seven years, she won first place honors in the 1967 soil judging contest, second place in the 1967 Reddy Foods competition and first place in state crop judging. She earned awards in the soil and crops judging contest for four consecutive years. In 1963, she received the top honors in the junior broiler competition.

Virginia Gibson, 16, is the 1967 state winner for clothing. The daughter of Mr. and Mrs. Jesse H. Gibson, Newark, she has been active in 4-H work for six years. In the honor court of the state dress revue for five consecutive years, she has also won many county medals in poultry and food preservation judging. A junior at Newark Senior High School, she plans to become a teacher.

The state dress revue winner for 1967 is 17-year-old Ann Melson, daughter of Mr. and Mrs. John Melson, Bridgeville. Active in 4-H club work for seven years she has served as secretary and president of her local club, treasurer of the county 4-H council and reporter for the state 4-H conference. She earned numerous awards in judging and demonstration contests.

Earl Passwaters, 15, son of Mr. and Mrs. Earl Passwaters, Bridgeville, won the state 4-H electric award. Active in 4-H for six years, he has served his local club as president for four years and vice-president for two years. He earned the Delaware Poultry Improvement Association poultry awards in 1967 and, in 1966, was first in the state poultry judging contest. He won awards on the county and state level for an electric motor. The 4-H electric awards program is designed to help develop leadership talents, teach about electricity and the proper care and use of equipment.

State entomology winner is Cheryl Y. Hoyt, 17, daughter of Mr. and Mrs. Rylyn Hoyt, Ellendale. Active for six years in 4-H club work, she earned blue ribbons at the Delaware State Fair for her collection of 65 insects in 11 orders. She has served as president of her local club for three

years, and participated in foods, clothing, birds and entomology programs. According to Miss Hoyt, "the purpose of the entomology program is to learn the life history and habits of insects, not just to stick an insect on a piece of paper."

Henry Retz, 17, son of Mr. and Mrs. Henry Retz, Middletown, is the state field crops winner for 1967. Active in 4-H work for four years, he has served as president of his local club. The 1967 state tractor-driving winner, he was also a member of the New Castle County soil judging team that won in state competition and earned honors for his corn entry at the annual Delaware Crop Show.

State winner in the 4-H foods program is Danny Seymour, 17, son of Mr. and Mrs. Dale F. Seymour, Hockessin. Active in 4-H club work for seven years, he has served as president, vice-president, treasurer and reporter for his local club. In 1966, he was the state 4-H winner in the dog program; he also took top honors in the 1966 state foods demonstration contest. Seymour earned blue ribbons for food exhibits for three years and represented Delaware in 1967 at the Tennessee 4-H roundup. He has taken part in electric, dog-husbandry, photography, public speaking and talent contest programs. A graduate of Stanford Preparatory School, Wilmington, he is now attending Culinary Institute of America, New Haven, Conn.

Seventeen-year-old Lynda Roach, daughter of Mr. and Mrs. Paul Roach, Townsend, is the state winner in the foods preservation program. She has been active in 4-H club work for five years and has served her club as vice-president and reporter. She won the Joe Mitchell award in 1962 for outstanding work in her first year as a 4-Her, was a member of the state dress revue honor court for two years and was the 1966 state winner in Favorite Foods. She has taken part in clothing, foods dress revue and style revue programs.

State health program winner is Patricia G. Hopkins, 16, daughter of Mr. and Mrs. William Hopkins, Lewes. Active in 4-H club work for six years, she was the 4-H scholarship winner in 1967 from the American Institute of Cooperation. She won top honors in the 1965 state egg judging contest and participated in the 1967 Northeastern Poultry Producers Council egg judging contest and visual poultry foods presentation competition. Placing second in the 1967 state public speaking contest, she also earned county medals for public speaking and food judging.

Donna C. Connell, 15, daughter of Mr. and Mrs. Donald Connell, Newark, is the state home economics winner. She has been active in 4-H club work for six years and served her local club as vice-president, secretary, treasurer and reporter. In 1965, she took top honors in junior foods judging competition and in 1966 was second alternate in senior foods judging. The 1966 state winner in dog care program, she earned many county medals for soil judging, vegetable judging and dress revue. Home economics winners are required to demonstrate their achievements in home related projects such as clothing, canning, foods, nutrition, home improvement and management.

The home improvement winner for 1967 is Chris Wiebe, 17, daughter of Mr. and Mrs. Walter Wiebe, Wilmington. She has been active in 4-H club work for seven years and served as president, vice-president and reporter of her local club and as a junior leader. She earned state honors in demonstration and judging contests and county awards in foods, favorite foods, home improvement, public speaking and dress revue programs. Included in the home improvement awards program are the principles and materials involved in making a home more attractive and convenient.

Eleanor E. Hertz, 19, daughter of Mr. and Mrs. William K. Hertz, Wyoming, earned top state honors in the horse award program. Active in 4-H work for five years, she has been a junior leader and served as reporter of her local club. She earned trophies for horse showmanship, trick riding and for the grand champion pleasure horse and blue ribbons for her singing. She also placed first in 1967 state public speaking competition.

The state winner for horticulture is Dale Moore, 16, son of Mr. and Mrs. Andrew Moore, Jr., Bridgeville. He has been active in 4-H club work for six years and served as 4-H camp squire in 1966 and chief of the Cherokees in 1967 and as local club vice-president. A state judging winner for three years, he also earned numerous county medals. The horticulture award program is designed to help 4-Hers learn to care for and manage a garden and market the produce.

Eighteen-year-old Charles R. Ebling, son of Mr. and Mrs. Roland Ebling, Townsend, is the leadership winner for 1966. Active in 4-H club work for seven years, he was a delegate to the 1967 4-H National Congress in Washington, D. C., the National Agricultural Youth Institute in Nebraska and the Governor's Conference on Adolescent Needs. He was named Purina Youth of the Year in 1967 and Outstanding Dairy Youth by the Interstate Milk Producers' Cooperative. Ebling was the 1965 state tractor driving contest winner, 1966 crop judging winner and dairy judging winner for three years. He has served as president of the citizenship club and president and treasurer of his local club. He is a freshman at the University of Delaware College of Agricultural Sciences, majoring in dairy science.

The state photography winner is Debbie Fieldhouse, 15, daughter of Mr. and Mrs. Donald Fieldhouse. Active in 4-H club work for three years, she has participated in clothing, home improvement and photography projects. A county winner for two years in photography, she earned numerous awards in photography shows and has been asked to be official photographer at county and state 4-H activities.

The state winner in swine project for 1967 is Elizabeth Roach, 15, daughter of Mr. and Mrs. Paul Roach, Townsend. She has been active in 4-H club work for five years and served as president and treasurer of the junior club. She was the state winner for livestock judging in 1965 and 1966 and placed third in the state favorite food competition in 1964. A junior leader, she also received awards in land, livestock and foods judging, dress revue and birds projects.

State winners in citizenship, dog care and training, dairy, poultry, sheep and public speaking 4-H award programs are also named; however, these winners receive merchandise prizes instead of a trip to National Congress, according to Baker.

Beverly Luicks, 17, daughter of Mr. and Mrs. John Luicks, Camden-Wyoming, received a certificate as state winner in citizenship. Active in 4-H work for seven years, she is a member of Links, honorary 4-H organization, and attended 1966 National Congress as foods preservation winner. Selected as dairy princess in 1967, she was the presiding chairman and discussion leader at the 1967 State 4-H Conference. She served as treasurer of junior council in 1965-66, attended Older Youth Camp in West Virginia, and the Tennessee state 4-H conference.

Eighteen-year-old Marie Hildebrandt, daughter of Raymond C. Hildebrandt, Felton, received a watch as state winner in dog care training. She has raised prize winning coon hounds, collie and beagles.

Receiving a watch as the state dairy winner is Edna Dixon, 17, daughter of Mr. and Mrs. Samuel Dixon, Jr., Clayton. Active in 4-H work for eight years, she was dairy princess in 1966, Holstein girl in 1965, squire of the state 4-H camp in 1965 and chief in 1966.

Kenneth D. Speicher, 15, son of Mr. and Mrs. Howard L. Speicher, Bridgeville, won a watch as the winner in the poultry program. Active in 4-H club work for six years, he was named Delaware 4-H boy of the year in 1966. He attended the Junior Egg Fact Finding Conference in Kansas City and is a winner of ribbons at the Delaware State Fair and county 4-H medals.

Seventeen-year-old Mary Anne Foster, daughter of Mr. and Mrs. Edward Foster, Newark, received a watch as state winner in the sheep program. She has been active in 4-H club work for eight years, winning county and state livestock judging honors and honors in dress revue. She served as secretary of her local club.

Gary Simpson, 20, son of Mr. and Mrs. F. G. Simpson, Houston, received a watch as state public speaking winner. Active in 4-H work for ten years, he attended the 1963 National Congress as state agriculture winner. He was a member of the 4-H dairy judging team, competing in Richmond, Va., in 1963, and attended the 1965 Delaware Council of Cooperatives. A junior at the University of Delaware, he is majoring in animal science.

The awards and trips to National Congress are provided by industrial sponsors. More than 1500 4-H members from the United States, Puerto Rico and Canada are expected to attend the National Congress.

Grow Plants Indoors With Artificial Light

Bring the magic of spring-time gardening into your home for long winter nights. It is now practical and easy to grow house plants, even flowering house plants, under lights, according to Robert F. Stevens, extension horticulturist at the University of Delaware.

Many kinds of plants can be grown satisfactorily with only two 40-watt fluorescent lamps. African Violets, Gloxinia, Episcia, African Violets, Gloxinia, Episcia, orchids, Impatiens and many other flowering plants do well under artificial light.

The list of foliage plants that will grow under these conditions—evergreen, dumb cane and Philodendrum need very little light—only about 50 foot candles—only is almost endless. Chinese maintain a healthy condition and grow. You can even root cuttings and start seeds with

this method, according to Stevens. Expose plants to 12 to 16 hours of light per day, he advises.

Use either cool white fluorescent lamps or special plant growth tubes; you can also use incandescent light in addition to the fluorescent lights. However, don't use incandescent bulbs alone because they create too much heat and do not provide the proper light quality.

Sussex 4-Hers Top Honors at Beef Sale

Sussex County 4-Hers took a clean sweep of top honors in the Delaware Junior Beef Show and Sale. The annual event was held October 27 in the Carroll Sales barn at Felton.

Seventeen-year-old Robert Reed, son of Mr. and Mrs. Lee Reed, Greenwood, exhibited the champion Hereford and grand champion steer and took first place for showmanship. The Hotel duPont bought the 971 pound heavyweight Hereford for \$75 per hundredweight.

Howard Mills, 15, son of Mr. and Mrs. Howard Mills, Milford, had the reserve champion Hereford and reserve champion steer, which also took first place in the lightweight Hereford class. The entry of Joan McColley, daughter of Mr. and Mrs. William McColley, Milford, won first place in the Angus division.

Other beef winners include Susan Comegys, 15, daughter of Mr. and Mrs. Albert Comegys, Hartly, who earned second place honors in showmanship and in the heavy Hereford class. Miss Jay Gooden, daughter of Mr. and Mrs. Dan Gooden, Wyoming, placed second in the lightweight Hereford class.

Third place winners include Shirley Reed, 11, Greenwood, in lightweight Hereford class;

Nancy Harvey, 15, Middletown, in showmanship competition; and M. J. Webb, 15, Greenwood, in the heavyweight Hereford class.

Buyers from Maryland, Delaware and Pennsylvania, paid an average of \$33.36 per hundredweight for the steers, not including the grand champion. Five winners in each class were also awarded cash premiums.

Sponsored by the Cooperative Extension Service at the University of Delaware, the program is open to 4-H club and FFA members with beef projects.

Elterich Named To U. of D. Staff

Dr. Joachim G. Elterich, newly appointed assistant professor of agriculture and food economics, will study farm labor problems in Delaware in addition to teaching courses in farm management and production economics. The appointment was announced by Dr. Raymond Smith, department chairman.

Delaware, as well as U.S. agriculture is faced with serious problems in finding and keeping qualified labor on the farm and in processing plants. Elterich will study present methods of hiring, training and providing incentives for agricultural laborers. The farm laborer is becoming more expensive all the time, especially in Delaware where

higher paying jobs in industry are an attractive alternative. Elterich points out. If higher farm wages are the rule, then laborers must be more productive and more skilled to justify the money they earn. By evaluating the attitudes and needs of the workers, Elterich hopes to help farmers find ways to make working on a farm more attractive.

Born in Dresden, Germany, Elterich is a graduate of the University of Bonn, with a doctor of philosophy degree from Michigan State University, East Lansing. He served as extension agent in Bad Godesberg, Germany, and did farm management and production economics research at the University of Bonn. Elterich is a member of the American Farm Economics Association.

Steve Welch Leads Lions' Victory Rally

By Charley Miller - Keith S. Burgess

This writer was nursing a cold and sore throat, so Charley Miller took down the facts, at the John M. Clayton game. Our thanks, Charley.

Harrington received the opening kickoff and threatened immediately, as Jerry Cagle raced from his own 38 to the Clayton 35, on the first play from scrimmage.

The Bears held at the 30 and were again in hot water, when Jack Redden intercepted a third down pass at midfield.

After two short gains, a Lion bobble wound up in the hands of a Bear on the H.H.S. 40. A Clayton move gained two yards but Cagle caught a runner for minus two. A J.M.C. punt was fielded by Jarrell at the two yard line but the little guy was downed at the one.

In trouble, backs to the wall, the Lions were equal to the task and got the "heck" out of there, by means of a Redden sneak, a three yard gain by Jim Harris and a most welcome sortie around right end by Welch, for a first down at the 14. Clayton then stopped the charge and forced a kick which came out to the Lion 35.

The host team made the end zone in six plays with the T.D. coming on a one yard rush by Chandler, early in the second period.

Trailing 6-0 Harrington drew even in four plays. Wayne Melvin returned the kickoff 17 yards to his own 42. The first two Lion efforts didn't draw any blood but a screen pass to Welch got a bucketful. The Lion's top candidate for the All-Henlopen team sallied down the right side on a 60 yard T.D. jaunt.

It took J.M.C. only five plays to recapture the lead. The kickoff was returned to the Clayton 44. A 12 yard pass completion was the only appreciable gain in the first four down but a McCabe-to-Melson throw then covered 40 yards to paydirt.

H.H.S. got a lift when Clayton fumbled a short kick on the Lion 30. A pass to Welch clicked 7 yards, Harris ran for six yards, then two plays later, added nine more on a draw, to get to Clayton's 44. Harris circled left end for 20 yards. The Lions penetrated to the 15 yard line before penalties helped the home club hold.

Penalties then pushed the Bears back to the 9 yard line. Cagle pilfered a pass on the 23. Four Lion throws didn't help as Welch caught the second toss for eight yards but the defense picked off the final one at the half.

The Bill Muehleisen locker-room lecture again paid off in spades. His Lions rallied for four second-half touchdowns, while holding the Bears to a singleton, although that tally made the locals nervous, for it narrowed a Lion bulge to one point.

Harrington dropped kickoff receiver Melson on his eleven yard

see Page 4 for other Sports Items

line but lost much of that advantage by being off side, one play later.

After 10 plays, Steve Welch and Co. showed the Sussex Countians how to play some football. Welch brought back the punt 22 yards, then burst off tackle on a 44 yard touchdown journey. A penalty on the extra point attempt gave Cagle the opportunity to run into the end zone for the go-ahead point. Harrington 13, J.M.C. 12.

Harrington's next tally was a real struggle. Clayton threw from its 38, but Welch batted the ball into the yearning arms of Wayne Melvin at midfield. A 15 yard penalty levied on the play moved the ball to the Bear 35. Welch ran for 5, then 3. Redden lost one but Welch, on fourth down, made a first down by two inches. The Bears were apparently zeroing in on Steve, for a throw to Oscar Matthews III gained 16 yards down the left side. Starting at the Clayton nine yard line, Welch hit to the one in two tries, but an inopportune infraction set the Lions back to the eleven. A ground play lost. Matthews speared a Redden throw in the end zone. Redden ran across the point, which was to prove to be the winning one.

The Bears moved from their 20 to the Lion 47 before the defense broke up the passing game with Gary Minner and Redden narrowly missing interceptions.

Welch gathered in the punt and returned it 38 yards to Clayton's 49. Matthews caught a pass for 15 and Jerry Cagle ran for 10 more before losing the pigskin on a fumble. Miller's notes read "Rotten call! Slow whistle!" This apparently took away a possible score from Harrington and, in effect, gave one to the home team because, three plays later, McCabe connected with Dale on a scoring pass-and-run play of more than 60 yards. Melson ran the extra point but H.H.S. still retained a one point edge.

Matthews carried the kickoff 18 yards to Harrington's 42. Clayton held but roughed up the Lion punter giving the Kent Countians possession 4 yards into Bear country. Welch picked up 10 yards, then 15 more. Harris turned the corner for 10. Welch scored on an eight yard draw play.

Sniffing the always sweet aroma of impending victory, the Lion defense rose up and threw the Bears for minus four, minus four and minus seven. Cagle compounded the issue by stealing a pass after a fake kick on fourth down and returning the oval to the Clayton four.

J.M.C. held the Lions at bay for four downs but a face mask penalty put the ball one yard out. Redden scored from there. H.H.S. 32, J.M.C. 19.

"Speedy" O'Neal (Miller's description) tackled the kickoff returner at the J.M.C. 30. Clayton was at midfield as the final whistle blew.

Milton invades tonight (Friday). The Lions (5-3) will be after a win to guarantee a winning season.

Bill Johnson Wins Kent Amateur Title

Harrington's Bill Johnson, of Shawnee Country Club, carded a 36-hole total of 151, one shot off the tournament record, to win the Kent County Amateur Golf Championship Sunday on the Maple Dale C.C. course near Dover.

Johnson's final round of 75 gave him a seven-stroke edge over the rest of the field. Maple Dale's Jim Bradley finished second with 158. Dick Ward and Sam Moore, both of Garrisons Lake, were third and fourth respectively, and Hank Tracy of Maple Dale was fifth.

Johnson's total barely missed erasing the tourney record of 150 set by Robin Sutton, formerly of Maple Dale, and Jay Smith of Rehoboth Beach. Smith, the defending champion, was unable to participate in this year's tournament.

Scott Mahrenhold, a 15-year-old from the host course, won the First Flight title with 160. Gene Marcus of Garrisons Lake took Second Flight honors with 169. Ted Burfeind of Maple Dale and Jim Porter of Garrisons won the Fourth and Fifth crowns respectively.

Seventy golfers, the largest in the tournament's history competed in the two-day event.

Lion Harriers Win 8-Team Finale

Chris Wetherhold's course record effort paced Harold McDonald's Harrington High cross-country Lions to victory in the eight-team Harrington Invitational, on Wednesday afternoon at Killen's Pond.

The tenth running of the Invitational saw balance pay off for the Lions. Captain Nick Morris, Danny Hitchens, Bob Rash and Jack Warrington turned in their fastest races of the season. Roger Jarrell was only one second off his personal best.

Wetherhold lowered his old course record 10 seconds to 12.49. Lewes' powerful 18-year-old Barry Lambertson also surpassed the old mark. Ironically, Lambertson won last year's Invitational over a different layout in the same time, 12.49.

Larry Connors of Corpus Christi High, Elsmere captured the third place trophy with an excellent 13.03. The first half of the grueling 2.4 miles, hill-and-dale, endurance test saw seven runners running in close contention. Wetherhold, the first freshman to win this downstate thindlad extravaganza, then moved steadily away, to record the victory and pick up his third handsome trophy in eight days.

The hotly-contested event had representatives of seven of the eight teams finish in the top ten. Greenwood's team was formed late in the campaign, so the young and green Foresters could not be expected to have a runner up close to the front.

Action was fast and furious in the homestretch with 56 entries in the meet. At one point, thirteen runners crossed the finish line in fifteen seconds, to account for positions 10 through 22. Danny Hitchens, the Lion's No. 3 runner was right in the middle of this congested throng, battling with Fleming of Milton for 13th place. The Warrior is almost a foot and a half taller, than the diminutive Lion and held a slight lead, but Hitchens stuck right to him for almost 100 yards, before edging out to a one yard margin, at the end. A recent illness probably set Danny back about five positions.

Bob Rash chopped off 15 seconds and Jack Warrington was 17 seconds better. This pair and Roger Jarrell gave Wetherhold, Hitchens and Morris the help they needed to record another fine season.

Harriers End Tenth Winning Campaign

Coach Harold McDonald's Harrington High cross-country team defeated Milford 15-48 at Killen's Pond on Monday afternoon, to end ten years of the harrier sport at H.H.S. The 1967 team won eight, lost two and tied one, for what would be a superb year at practically any other cross-country school on the Delmarva Peninsula.

Yet, this is only the second season, that Coach McDonald's Lions, have incurred as many as two defeats. The 1961 squad was beaten twice. In 1965, 1962 and 1959, the locals lost once each year. Fully half of the campaigns, five in all, saw the Lions record spotless slates. These happened in 1958, 1960, 1963, 1964 and 1966. The overall record is a brilliant 72 victories, 7 defeats, 1 tie.

Harrington had the first six finishers led by Chris Wetherhold, a flying freshman, who was undefeated in all eleven dual and triangular meets, setting new course records on seven occasions. At least two college coaches have already expressed interest in this hard-working 14-year-old.

The next five Lions to cross the finish line established seasonal low times. Senior team captain Nick Morris was runner-up followed by Roger Jarrell, Bob Rash, Jack Warrington and Bob Smith. This group improved from 5 to 12 seconds each over the rugged 2.4 miles Killen's Pond layout.

Wetherhold Is Second In 48-Entry Wilmington Race

It must be getting near trophy-case-building time at the Ray Wetherhold ranch in Harrington Manor. Son Chris Wetherhold, 14, won two handsome trophies in four days last week, to add to an already impressive collection. After finishing second to a 17-year-old at Rockford Park, Wilmington, in the Delaware High School Varsity Cross-Country Meet on Wednesday, Chris competed in the State Junior championship run there on Saturday. This latter test was limited to runners 15 and under. Tom Cleaver, Brandywine High School's No. 1 varsity runner, finished 40 yards ahead of the H.H.S. freshman. As luck would have it, Cleaver was only a few days short of his 16th birthday. This gave him a bulge of almost 1 1/2 years on the young downstater, not to mention that Cleaver was running on his home course, which gave him yet another advantage.

At any rate sometime in the next few days, Cleaver will reach his 16th birthday, leaving Wetherhold at 14, as the best harrier in the 14-15 age group in Delaware. He also would rank in the top ten scholastic runners in Delaware of any age.

Of the 48 entries in the race, 11 were from Harrington. This is the kind of participation that keeps H.H.S. strong, year after year.

Every Harrington entrant did well with Bob Rash and Jackie D. Parker making the next best local showings.
