A.F.S. Fair Today At Local School; Everyone Invited To Attend

GET READY! It's almost here — The AFS Fair, Today, (Friday, May 10) at 11 o'clock the bands will play, the children will dance and sing at the AFS Fair to be held at the Harrington School.

Mrs. Leon Kukulka, general chairman for the affair, has completed most of the final plans for the big day. All will be in readiness when the elementary students are excused from class on Friday.

Since no food will be served in the cafeteria on Friday, the children may buy hot dogs and sodas or Sno-cones at the fair, as well as cake and cupcakes.

The schedule of events is as follows:

11 a.m. — Elementary school dismissed to eat and visit concessions.

12:30 p.m. — Elementary school children to Field House for one half hour music program.

12:30 p.m. — High school dismissed to eat and visit concessions.

1 p.m. — Elementary school

School Election Here Tomorrow

There will be three candidates for a single post in the election tomorrow for the School Board. Voting will be from 2 p.m. to 9 p.m., D.S.T., at Harrington High School.

Candidates will be Albert C. Price, Donald Garey, and James Temple.

Frederica School District Seeks Tax Increase

The Frederica School Board will seek voter approval tomorrow of a 5-cent property tax rate increase and a \$7 boost in the capitation tax.

Superintendent William E. Cline said the additional money is needed to cover a 20-per-cent loss in funds for federally impacted areas this year because of federal budget cutbacks.

If residents approve, the district's tax rate will be increased from 10 to 15 cents per \$100 assessed valuation and the capitation tax will rise from \$7 to \$14.

Last year, Cline said, the school received some \$30,000 in federal impacted area funds under Public Law 874. This year, the amount will be \$22,500, he said.

Delaware 4-H'ers Attend Conference

Four Delaware 4-H'ers were among 220 delegates attending the National 4-H Conference in Washington, D. C. last week.

Sally Pierson, Wilmington; Bonnie Layton, Georgetown; Robert Reed, Greenwood, and Henry Retz, Middletown, were selected to represent Delaware on the basis of their 4-H activities, leadership abilities, citizenship and community service, according to state 4-H leader James O. Baker.

Highlight of the week-long conference was a personal greeting from Mrs. Lyndon E. Johnson at a White House reception in the State Dining Room and a tour of the executive mansion. The First Lady particularly complimented 4-H'ers on their leadership in national beautification.

Other highlights of the conference included an address by Vice President Hubert H. Humphrey; a tour of Washington's memorials, including the tomb of the unknown soldier; a visit with Delaware Senator Caleb Boggs; and dinner in the senate dining room.

Delegates met in group discussion sessions throughout the week to consider ways in which 4-H'ers can help solve local, national and international problems.

The conference was designed to help delegates learn more about the important national issues and problems facing America and to help increase understanding of democratic values and citizenship responsibilities.

Driver Education Classes Welcome Guest Speakers

The Driver Education classes of Harrington and Greenwood High Schools have been fortunate to have guest speakers on the topics of law enforcement, car sales, and car insurance during the past three weeks.

During the week of April 15, Sgt. Jackson Esham, of the Delaware State Police stationed at Troop 5, Bridgeville, gave a very meaningful lecture on the various phases of law enforcement. Sgt. Esham reviewed the material he covered during a first semester visit and then introduced some new material concerning law enforcement.

During the week of April 22, three representatives of the I. G. Burton Chevrolet - Oldsmobile dealership of Milford gave the classes some sound advice concerning the purchase of new and used cars. Representing the new (Continued on Page 5)

Fair To Honor Military Beginning Next Year

The directors of the Delaware State Fair last Friday night, agreed to designate "Military Day" in conjunction with Governor's Day beginning next year.

The committee was charged with making plans for the affair Thurs., July 31, 1969, as they would necessitate preparation one year in advance, since the governors of the 13 original states are to be invited as guests of the association.

Harrington Teen Nabbed in Chase

A Harrington area teenager, who police said drove his car in excess of 120 miles an hour to elude pursuing troopers, faces a series of charges in Kent County Family Court.

The chase which originated at 1:23 a.m. Tuesday at U.S. 13 and Delaware 14 when a car ran a red light, ended 11 miles away in a dirt pit at Killen's Pond.

State police said the 16-year-old youth was charged with driving 100 miles an hour in a 25-mile zone in Houston, with failure to halt at the command of an officer, with extinguishing the lights on his car, and with the consumption of alcohol while under age.

Asbury Choir To Participate In Concert of Choirs

350 Children will join together Saturday evening, May 11 at 7 o'clock in the Seaford High School auditorium to sing under the direction of Mrs. Nancy Poore Tufts. The Music Committee of the Peninsula Conference of the United Methodist Church is sponsoring the event. Children will be coming from the entire state of Delaware, as well as from the Eastern Shore of Maryland, to a rehearsal at 3 o'clock and the evening performance.

Mrs. Tufts, a musician, lecturer and author, has contributed to children's choir singing for many years. She has conducted festivals at the National Cathedral in Washington, D. C., Michigan State University, among others, and is the founder-director of the Potomac English Handbell Ringers. Since 1960 she has served as chairman of music and program co-ordinator of the National Capital Christmas Pageant of Peace.

Presently she is organist-choir director of the Good Shepherd Lutheran Church in Alexandria, Va.

Tickets are not required for the performance.

The Crusader Choir, of Asbury United Methodist Church, Harrington, under the direction of Mr. and Mrs. Thomas Clarke will take part in this program.

Since retirement he maintained Journey's End as his home while traveling.

His widow is the former Ida Estelle Howeth of Tilghman, whom he married in 1911. She is his only immediate survivor.

Mr. Jones was a long-time Mason, belong to Coates Lodge in Easton and to the Valley of Baltimore & Chesapeake Consistory, No. 1417. He was a Shriner and member of Boumni Temple, Baltimore.

Frank F. Quillen Auctions Kentucky Yearlings at \$300,000

Frank F. Quillen, local auctioneer, sold 68 yearlings for the Kentucky Thoroughbred Sales Company at Freedom Hall, Louisville, Ky., Thursday, May 2. The Inaugural Derby Week Sale was the first such sale in the memory of buyers and breeders who filled the 550 reserved seats.

A Never Bend colt sold for \$45,000. A Candy Spots filly brought \$18,000, the second highest price of the evening. A Swoon's Son filly, Derby Queen brought \$14,500. Mark Leach, president of Kentucky Thoroughbred Sales Company, sold eight yearlings for a total of \$113,700 an average of about \$14,200. The remaining 58 yearlings sold for a total price of \$160,200, or an average of \$2,762.

The auction was decorated for the occasion, with strips of live bluegrass and evergreen shrubs and trees lining the way from the entrance to the auction ring.

Assessment Board Head Files For Levy Commissioner

An official of the Kent County Board of Assessment, who retained his post only after a court battle, has filed for Levy Court Commissioner.

Harold Powell, of Hartly, president of the assessment board, seeks the post from the 28th Representative District, subject to the wishes of the voters in the Democratic primary in August.

He retained his assessment-board post after a court battle with the Republican-controlled Kent County Levy Court which sought to displace him when it took over after the last election.

The Levy Court, the county's administrative body, will have a new makeup. Because of another reapportionment of representative and senatorial districts, there will be six of the former districts instead of five as in the last election.

Cong. Morton to Address GOP Dinner in May

U. S. Rep. Rogers C. B. Morton of Maryland's Eastern Shore will be the principal speaker at the Republican Party's major fund-raising dinner on May 20.

State Rep. W. Laird Stabler Jr., chairman of the party's annual \$100-per-plate event, announced that the dinner would be held at the Nur Temple Mosque on the duPont Highway.

Morton, the brother of Kentucky's U.S. Sen. and former GOP National chairman Thorton Morton, is well known to many Delawareans. He represents the First District of Maryland, which presently covers almost half the area of the entire state.

Morton, who serves on the Committee on Interior and Insular Affairs, conceived the basic (Continued on Page 5)

Ex-Pastor Thomas Jones Dies at Tilghman Home

The Rev. Thomas C. Jones, 90, a retired Methodist minister, died at Tilghman, Md., Sunday at his home, Journey's End, after a short illness.

Mr. Jones was a native Eastern shoreman, born in Denton, Md.

He was educated in Baltimore public schools and Baltimore City College; Randolph-Macon Academy, Front Royal, Va., and the theological School of Vanderbilt University, Nashville, Tenn.

He was ordained deacon of the Methodist Church at Winchester, Va., in 1905, and an elder in 1908 at Roanoke, Va.

After World War I Mr. Jones served at Denton for seven years and later in Baltimore for another seven years.

He was then lent to the Florida Conference to help build a congregation at Orlando. He returned to Easton and for three years was pastor at the Old Calvary Methodist Church.

Mr. Jones later went to the Wilmington Conference and

RICHTER, THOMAS TO SEEK COMMISSIONER RE-ELECTION

Two Republican Kent County Levy Court commissioners expressed intention to seek re-election this fall at a press conference Tuesday morning.

They are Levy Court President Glenn A. Richter, of the 30th District and Isaac Thomas of the 33d District.

Richter said that considerable progress towards self-rule had been made during his two-year term as president.

Among achievements he claimed were countrywide planning and zoning, progress towards a countrywide sewer system and establishment of a county merit system.

"The sewer studies have brought us to the point where it (the sewer system) will soon be a reality," Richter said.

"We have one landfill in operation and more planned," he added.

"All these accomplishments were achieved without a tax increase."

Richter is a retired builder and developer. He is a member of the Optimist Club. He lives in Dover.

Thomas is a Hazletville dairy farmer. He said that drainage for the farmers was his number one concern. "In the past year, we've gotten two multimillion dollar projects working," he said.

The sewage pipeline, Thomas said, is not moving too slowly.

Such an expensive project should not be begun without great consideration, he said.

He said he believed "we can make further improvements in our fiscal setup."

Thomas, a member of the House of Representatives in 1941, is also chairman of the Kent Soil and Water Conservation Service, director of Delaware Production Credit Association, overseer of Fruitland Grange, treasurer of Kent Pomona Grange, and a member of the Masons, Farm Bureau, and state Chamber of Commerce.

St. Stephen's Episcopal Church Notes

Calendar for week May 10-26

SUNDAY—8:30 a.m. Mother's Day breakfast. 9:30 a.m. Church school. 10:45 a.m. Morning prayer, the sacrament of baptism, sermon. 12 noon Coffee hour. MONDAY—12 noon Delmarva clergy luncheon. 6:30 p.m. Girl Scouts. 7:30 p.m. Meeting of Women of St. Stephen's. TUESDAY—3:30 p.m. Brownie Scouts. 6:30 p.m. Boy Scouts. 7:30 p.m. Kent County Community Action Agency meeting. WEDNESDAY—7:30 p.m. Healing service. 8:30 p.m. Choir rehearsal. THURSDAY—6:45 p.m. Church Club of Delaware dinner and meeting, Hotel DuPont. FRIDAY—8 p.m. Prayer group of Order of St. Luke. SATURDAY—7:30-11 p.m. Canteen Dance.

This morning at the 10:45 service it is the privilege of the vicar to administer the Sacrament of Holy Baptism to little six month old Brett Kleckner. Brett and his parents, Mr. and Mrs. Richard Kleckner, live in Wilmington, but are returning to St. Stephen's for this occasion. Mrs. Kleckner, the former Linda Humes and her husband, Dick, a former state trooper in this area, are very well known in Harrington. Friends will want to share with them their joy at the christening of their small son.

It will be noticed in the calendar that there is no 8 o'clock service of holy communion planned for this coming Sunday. This arrangement has been made so that the mothers and fathers who attend the Mother's Day breakfast can have plenty of time for that function and still be part of the church family at the 10:45 hour. Surely each of these parents will want to be present at the Holy Scriptures study class at 9:30 anyway.

Advance notice is given that on Rogation Sunday, May 19, St. Stephen's will be host to a group of people from her companion church, Ascension Church in Claymont. The service will be interrupted by a motorcade to the Walter Winkler farm on the Frederica Road, where the service will continue. A covered dish dinner will be served afterward on the lawn at the Winkler home.

This coming Sunday, May 12, is the last day on which clothing can be brought in response to the United Clothing Appeal. Everyone who gives clothes should see that they are clean and in good repair and should try to contribute 10 cents per pound of clothing. This will help with handling and shipping. The clothes should be the serviceable

type and should not include toilet shoes and such. All articles should be packed in sturdy cartons and securely tied. This clothing will be used by Church World Service for needy people throughout the world. Those who are not contributing through other sources are invited to bring them to the office at St. Stephen's between the hours of 9 and 1, Monday through Friday. The Women of St. Stephen's are reminded of their regular monthly meeting which will be held on Monday, May 13, at 7:30 p.m.

Delaware Food Market Report

by Anne Holberton

Vegetables belong to the good things of life, for they provide many of the finest flavors we know. This is certainly true when you taste fresh green beans cooked just to the tender point or new cabbage freshly shredded. These are just a few of the vegetables that are in fair to good volume this weekend. This is a welcome change from the past few weeks when supplies have been small and quality only poor to fair.

Artichokes are in season now and prices are quite reasonable. Quality looks good, so do try artichokes soon, especially if you have never eaten them; for they are delightful. They are easy to cook and all you need for seasoning is lots of melted butter combined with salt to suit your taste and lemon juice. Pull the leaves off the artichoke and dip the plump end into the butter. New Jersey asparagus is appearing on the market in good supply and what's even better news, Delaware crops are large and quality good. When shopping check the bunches since asparagus is being sold by the pound and in many stores by the bunch,

which comes in 1 1/2 pounds as well as in the traditional 2 1/2-pound bunch. Cucumbers are now moving in much heavier volume and retail prices are back to normal. Have you ever tried cucumber soup? It's delicious! Salad greens—escarole, endive, romaine, parsley, leaf lettuce and head lettuce—are all nice quality with some items lower in price than others. Radishes, green onions, and celery are reasonably priced. Other selections include broccoli, corn, cauliflower, egg plant, mushrooms, squash and potatoes. The best quality tomatoes and peppers continue relatively high.

Pineapple and strawberries are the fruits to check, for both are in good supply and excellent in quality. Banana imports remain steady but slightly higher prices may be expected this week. Valencia oranges, from Florida remain in only fair supply and will remain so during the summer months, for these oranges were badly damaged by mid-December freeze. Cantaloupes, watermelons, and lemon supplies are increasing. Don't forget to check apples and pears; storage supplies are adequate and of good quality.

At the meat counter, pork is a good choice as prices are slightly lower than last week. The cuts to check are loin roast, smoked ham and chops. Bacon, however, is going up in price so check and compare before you buy. Prices for beef continue to be near last-year levels and poultry prices remain fairly low.

Asbury Methodist Men's News

By Sam Short Jr.

Vice President David Welch opened the meeting of the Methodist Men for its May meeting and breakfast with 18 members present and the Rev. John Jones gracing the table.

On the arrival of the president, Donald Garey, Dave then turned the meeting over to him, he asked the secretary to read the minutes of the last meeting. The treasurer's report was also given.

The nominations of the new officers were given by the chairman of the Nominating Committee, J. Edward Taylor, as follows: Ed Welch as president, Carl Hill, vice president; Sam Short Jr., secretary, and Earl Nelson, retaining his office as treasurer for 1968 and 1969.

A new chart of the kitchen committee was made up by Garey and Carl Hill and was presented by Don for the coming year.

Carl Hill brought to the attention of the group he thought it would be appropriate some time in the near future to have a Ladies Night and all the men bring their wives and the dinner be served by the club or a catering service whichever was decided and C. D. Mills asked for a committee be appointed and the president then appointed the Mills as chairman, with the help of Dave Welch, Norman Toadvine and Millard Cooper, to get it started.

It was brought up at the meeting that the baseball season is now on and Garey appointed Sam Short as chairman with the help of Jack Dill and J. Edward Taylor, to get up bus loads, as was done last year to attend some of the games.

The Rev. Jones then introduced the Rev. W. J. Halliburton of the Baptist Church as the speaker. He spoke on religious revivals, and their attendance figures at the churches in general.

Mark Willey's committee served the breakfast, with Ed Graef as chef, serving ham and eggs.

The University of Delaware Equestrian Club will sponsor a horsemanship clinic on Friday and Saturday, May 10 and 11.

Miss Sandy Chamberlain and Miss Doris Dachowski, instructors at St. Timothy's School for Girls in Stevenson, Md., will conduct the clinic.

Friday's session will begin at 8 p.m. in the University's Student Center. Two slide-illustrated lectures will be presented. The first, entitled Efficient Stable Management, deals with feeding, cleaning, worming and costs. The second lecture offers instruction on training young horses.

Saturday's session will be held at the home of Mrs. Eunice Marvel in Landenberg, Pa. Beginning at 9:30 a.m. intermediate and advanced riders will receive instruction in riding over flat terrain, caavalets and jumps.

Miss Dachowski trained young horses, worked with foaling mares and was Whipper-In for the well-known Segfield Hunt in North Carolina. She received her Horsemaster's Certificate at the Rolling Green School of Horsemanship in Maine and then joined its staff for 2 1/2 years. She taught hunting, polo, cross country, showing, dressage and shoeing.

Miss Chamberlain, also received her Horsemaster's Certificate from Rolling Green. She has taught at Intermont Junior College in Virginia and at Rolling Green. She has trained young horses, hunted and worked with foaling mares.

The two girls recently bought Fox Brush Farm in Red Lion, Pa. where they intend to operate their own school of horsemanship.

Reservations may be made by contacting Mrs. Evelyn Miller in Agriculture Hall at the university before Thursday, May 9. Fee for the two-day clinic is \$5. Those interested in Friday only may register for \$1.50.

MOTHER

Mother, oh Mother, I'm dreaming of you,
Mother so tender, and mother so true,
Back in the years, I am taking a trip,
Here at the wheel of my memory ship.

Well do I know that it's only a dream,
Wafting me gently on memory's stream,
But it's a journey I love now and then,
Mother, oh mother, I am with you again.

Once more I feel your soft hand on my brow,
Close to your bosom I seem to be now,
While you are rocking and murmuring low,
Words that are fatal to juvenile woe.

Now comes the sandman to take me away
For a brief sail on slumberland bay,
Mother, oh mother, I am dreaming of you,
Oh, how I wish that my dream could come true!

Poems from Paradise Pastures

By W. Cliff Miller

- MOTHER'S DAY -

"A MOTHER IS"

A mother is a part of home
No matter how far from there we roam;
Our thoughts return to her loving face
And the warmth and strength of her fond embrace.

A mother is; "the ears that listen"
With heart understanding and eyes aglisten;
So proud to be a part of our lives
Yet loosening the strings of her "apron ties".

A mother is the hand of God
Reaching from heaven to earthly sod;
Giving of time, patience and service
Often to us as we least deserve it.

My mother is and always will be
A part of my life and memory
For what was then, still is now
So I bow my head and make this vow;
My children also lovingly show
The joy that comes from a heart's overflow
Of having a "Mother Is".

Seven Receive Excellence In Teaching Awards

Seven University of Delaware faculty members received \$1,000 Excellence in Teaching Awards Thursday morning during the traditional Honors Day convocation on the central campus mall.

Acting President John W. Shirley, who made the presentations, said that this year's awards were given to young faculty members with no more than five years of full-time teaching experience on the basis of outstanding classroom performance, contribution to curricular development and effective advisement of students.

Funds for the awards are provided by the Christian R. and Mary T. Lindbach Foundation and the University of Delaware Alumni Association.

Honored for their outstanding performance were Dr. John L. Burnmeister, assistant professor of chemistry; Mary Anne Early, assistant professor of medical-surgical nursing Dr. W. Bruce Finnie, assistant professor of English; Edeltraut Gilgenast, assistant professor of languages and literature; Dr. William B. Moody, assistant professor of education; Dr. Denis T. Raihall, assistant professor of business administration, and Dr. T. W. Fraser Russell, assistant professor of chemical engineering.

Dr. Burnmeister joined the Delaware faculty in 1964 after receiving his Ph. D. from Northwestern. During the 1967-68 year he has received two research grants and a National Science Foundation Travel Grant to participate in two conferences in Japan. At both the 10th International Conference of Coordination Chemistry and the Symposium on the Synthetic and Stereochemical Aspects of the Chemistry of Coordination Compounds he delivered original papers.

Miss Early was an instructor in nursing at the Delaware Division and assistant director of nursing education at the Memorial Division of the Wilmington Medical Center. She holds master's degrees in education and nursing from Delaware and the University of Pennsylvania, respectively. She joined the Delaware nursing faculty in 1965.

Dr. Finnie joined the faculty as instructor in English after receiving his Ph.D. from Ohio State University. He was promoted to assistant professor in September 1966.

Miss Gilgenast, a Delaware alumna and former P.S. duPont High School language teacher, holds her M.A. degree from Middlebury College in Vermont. She was a Fulbright scholar in Munich, Germany, in 1953-54 and has received grants to participate in NDEA institutes at Colgate and Stanford.

Dr. Moody has been a member of the courses and curriculum committee in education, an advisor to Kappa Delta Pi and is faculty sponsor of Russell B dormitory.

Dr. Raihall held a University of Pittsburgh graduate fellowship while working toward his M.B.A. degree. He received his Ph.D. from Pennsylvania State University and has participated in two Savings Banking seminars on fellowship grants.

Dr. Russell is a native of Moose Jaw, Saskatchewan, Canada. He received his bachelor's and master's degrees from the University of Alberta and his bachelor's and master's degrees from the University of Alberta and his doctorate at Delaware. Since joining the faculty, he has been awarded a National Science Foundation Initiation Grant in 1966 and a University of Delaware Research Foundation Grant in 1965.

Other faculty members were recognized by election to national honor societies. These included Dr. Charles N. Lanier, professor of economics and business administration, to Beta Gamma Sigma; Dr. Charles H. Bohner, professor of English, and Miss Elizabeth F. Crook, associate professor of music, to Kappa Delta Pi; Dr. Harry D. Hutchinson, associate professor of economics, Dr. Bertram F. Levin, associate professor of economics, Dr. Herman E. Michl, H. Rodney Sharp Professor of Economics, and Dr. Laszlo Zsoldos, chairman, department of economics, all to Omicron Delta Epsilon.

Elected to Phi Kappa Phi were Dr. Wayne E. Craven, Henry F. duPont Associates Professor of Art History, and Dr. Franklin C. Daber, director, university marine laboratories.

Dr. Florence L. Geis and Dr. Frederick A. Masterson, both assistant professors of psychology, were elected to Psi Chi.

university, will lead the workshop on money management for low-income families on Friday, June 21.

Problems confronting unwed mothers and methods of rehabilitation will be aired by Mrs. Harriet Goldstein, assistant director of the Association for Jewish Children of Philadelphia. The two-day session takes place Monday and Tuesday, June 24 and 25.

Emanuel Kenny, chief social worker for the Veterans Administration Hospital in Coatesville, will lead the workshop on the fatherless family on Wednesday and Thursday, June 26 and 27.

Registration materials may be obtained from the Extension Division at the university.

Protect Family From Tornadoes

Tornadoes are rare in Delaware, but they do happen occasionally, says Thomas H. Williams, rural civil defense specialist at the University of Delaware.

A tornado is a short, local storm with violent winds rotating at very high speeds, explains Williams. Storms are visible as funnels extending toward the ground from the dark, heavy clouds of a thunderstorm. Twisting winds of the funnel have speeds estimated at over 300 miles per hour and sound like the roar of a jet.

Tornadoes form several thousand feet above the earth's surface, usually during warm, humid, unsettled weather and in connection with thunderstorms. Upon reaching the ground, they usually cut a path of destruction about 400 yards wide and seldom more than 16 miles long before lifting. Generally speaking, tornadoes come from the southwest and move in a northeasterly direction at 25 to 40 miles per hour.

A tornado can occur in any part of the United States at any time of the day or night, says Williams. But here in Delaware they usually happen between April and August from 3 to 7 p.m. However, tornadoes have also been sighted in Delaware in January, March, September and October.

The effects of a tornado are devastating, he adds. Violent, twisting winds uproot large trees or twist them off at the ground. Buildings are torn apart and spread like kindling. People and farm animals are whirled through the air and dashed to the ground. Cars are overturned and bridges ripped from their foundations. It is not unusual to see slivers of wood and glass driven into boards and posts and injury or death from flying debris is not uncommon.

To help protect your family the havoc of a tornado, understand the meaning of tornado reports and know what to do if a tornado strikes, advises Williams.

A tornado watch means that conditions are ripe for a tornado to develop within a defined area. Be alert. Tornado warning means that a tornado has been sighted within an area. Take shelter.

If you are on the farm when a tornado strikes, open windows on the north and east side of the building to allow for sudden air pressure change, then go to the southwest corner of the basement or to an underground protection area. If no below-ground shelter is available, lie flat on the floor near an inside partition and keep away from windows. Do not run outside.

In open country, move away from the tornado's path at right angles. If there is no time to escape, lie flat in the nearest depression, such as a ditch or a ravine.

In the city, seek indoor protection in a designated shelter, in a strong reinforced building or in the basement of a frame structure. Keep away from all

windows. If you are in a school, factory or plant, stay away from windows; keep near an inside wall or remain in an interior hallway on the lowest floor. Avoid gymnasiums, auditoriums and other areas with long roof spans and few supporting posts.

It is important to remain calm in the face of a tornado, says Williams. Getting excited only increases the danger. People have been killed by running outdoors and into the path of the storm. Keep abreast of the latest advisory information by tuning in a local radio or television station.

A Greening We Will Go

Beat the high cost of eating—have a good-tasting weed for dinner. Why limit yourself to supermarket vegetables when nature offers a tremendous variety for nothing?

Young milkweed tastes like spinach; chickweed makes an excellent pot herb, and believe it or not, properly boiled skunk cabbage is delicious. Young pokeweed—cut just above the ground—can be cooked the same way as asparagus, and Irish moss is good in soup, jellies and custards.

Wild plants and weeds have just as many vitamins and minerals as the common greens, according to Marguerite Krackhardt, extension food and nutrition specialist at the University of Delaware. But if you take up the economical and healthful hobby of weed eating, check unfamiliar plants for poisonous varieties, she suggests.

If you don't like tramping through field and wood for an

evening meal, look in your backyard for tasty greens. Here you'll find a "lion-tooth"—like leaf that has been used as a vegetable since ancient times—the dandelion. Although today dandelions are regarded as pesky lawn weeds, they still are a perky addition to any salad.

Pick leaves before the flower blooms, or they'll be too bitter for eating raw. Miss Krackhardt says older leaves can be boiled with several water changes to get rid of the bitter taste, but young tender leaves are far superior. Cooked dandelions are good with lemon, vinegar, butter, or sour cream. A favorite dish of the Pennsylvania Dutch is a dandelion and bacon salad cooked with a cream custard.

But don't stop with the leaves of the dandelion; the dried roots can be a substitute for coffee and the yellow buds make a unique wine.

Weed eating can have a surprising advantage for the parents of vegetable haters, adds Miss Krackhardt. Offer children develop a keen interest in eating vegetables if they once hunt and pick their own greens.

So, why not go a-greening some warm spring day soon?

 Dated April 4, 1968.

VA around the first of April. Was this a mistake? Will I have to return the VA check?

A—The amount of the VA pension check which you received around the first of April was no mistake. And you won't have to return it. On March 28, 1968, President Johnson signed Public Law 90-275 which specifically protects pensioners like yourself from any reduction in their VA benefits due to the recent hike in Social Security payments. This is true not only for 1968 but also for 1969. For information as to how your higher Social Security income may affect your VA pension beginning in 1970, check with your nearest VA office.

legislation creating the Assessee National Seashore in 1965. He also drafted the original bill to authorize a long-range study of the entire Chesapeake Bay basin and the construction of a working hydraulic model of the Bay and a technical center.

First elected in 1962 to the 88th Congress, Morton also serves on the Committee on Merchant Marine and Fisheries and the Select Committee on Small Business.

Morton, a graduate of Yale University, is an Army veteran of World War II and a pilot who uses his plane to better cover his large district. He and his family live near Easton, Md.

The May 20th event will begin with cocktails at 5:30 p.m. and dinner at 7. All of Delaware's major GOP officials, officeholders and candidates normally attend the dinner, which provides a major source of funds for the upcoming campaign.

Others working on the dinner, besides Stabler, are: Mrs. E. Norman Veasey, vice chairman, arrangements; former Lt. Gov. John W. Rollins, treasurer; Mrs. Edward Parker, assistant treasurer; Mrs. Robert S. Applegate, co-chairman, Wilmington; Conrad Maxmin, co-chairman, rural New Castle County; former State Sen. Walton H. Simpson, co-chairman, Kent County; and Clayton L. Ringler, co-chairman Sussex County.

QUESTIONS AND ANSWERS

Q—I was retired from service for a disability and now the VA has awarded me compensation. Can I draw both?

A—Only if your retired pay is the greater benefit and you waive that is give up, an amount equal to your disability compensation.

Q—If I attend school half-time for six months in an institution of higher learning, how much of my eligibility to G. I. bill education and training benefits will be charged against me?

A—Three months of your eligibility will be charged against you.

Q—I served for two years in the Army from April 1955 to March 1957. Am I entitled to hospitalization benefits from the Veterans Administration?

A—Yes. But if it is not for a service-connected disability, hospital care from the VA is on a bed-available basis. The veteran must also affirm his inability to defray the cost of hospitalization.

Q—May I borrow on my G. I. insurance to help pay college expenses for my son? How much may I borrow?

A—If you have a permanent plan G.I. insurance policy you may borrow up to 94 per cent of the cash value of that policy. The interest charge on this loan is 4 per cent.

Q—I understand that the veteran pension law President Johnson signed recently raised the amount of income a veteran may receive and still be entitled to a pension from the Veterans Administration. How much was the limit increased and when does it take effect?

A—Effective Jan. 1, 1969, income limitations, which govern financial eligibility for VA pensions and dependency benefits, will be raised \$200 for all beneficiaries. This increase is particularly important to "old law" pensioners since it will mean that the recent Social Security income hike will cause no loss in VA payments.

Q—How will the \$100 increments in the new Veterans Administration pension structure which goes into effect next January affect pension rates?

A—Basically, the \$100 increments in the new VA pension structure will mean that the maximum VA pension and dependency and indemnity compensation benefits will go to veterans, widows and parents with the lowest income. For example, under current law, the monthly VA pension for a veteran with one dependent and an annual income of \$1 to \$1,000 is \$100. However, the re-structured pension program will provide payments ranging from \$120 a month for an income of \$500 or less to \$109 a month for an annual income of \$900 to \$1,000. And VA monthly pension benefits will be reduced an average of only \$3 or \$4 for each \$100 increase in income up to the new ceilings.

Q—My Social Security check went up in March—enough to put me over the income limit for the amount of pension I get from the Veterans Administration. Yet, I received a pension check in the same amount from

cap, with added-money increased from \$20,000 to \$25,000, will headline the first Saturday program of the meeting on June 1. The Brandywine, open to 3 year-olds and older, is at one mile and one sixteenth. The following Saturday, June 8, the \$25,000-added Kent Stakes, for 3 year-olds running one mile and one sixteenth on the main track, will be the main attraction.

In an interesting switch, the popular Montchanin Handicap distance races have been transferred from the main track to the turf course. The first of the Montchanins will be raced at one mile on Fri., June 7, and will be open to horses which have started for a claiming price of \$10,000 or less since October 1, 1967. The Montchanin opener will carry a purse of \$6,500.

Delaware Park will distribute \$499,500 in overnight and stakes awards during the May 30-June 12 span; a record outlay.

Horsemen may obtain copies of the first condition book through the racing secretary's offices at Aqueduct, Garden State, Pimlico and Churchill Downs, or by contacting Delaware Park, Box 6008, Stanton, Wilmington, Del. 19804.

sign to check for; it's easy to see as it sparkles in the sun.

Homeowners can control aphids with two per cent Di-Syston granules or dry fertilizer mixes containing Di-Syston, says MacCreary. Systemic sprays such as Cygon and Meta-Systox-R are also available. Other effective aphid killers are contact insecticides such as spectracide, malathion and lindane.

Most of these chemicals should be used on ornamental plantings only, he cautions. If aphid control on fruit and vegetable plants becomes a problem, check with county agents in Newark, Dover or Georgetown or contact the department of entomology and applied ecology at the University of Delaware.

Clendening participated in the A. Ph. A. golf tournament on the famous "Blue Monster" course at Doral Country Club, at Miami, and also had the opportunity to go deep sea fishing in the Gulf Stream. The latter sport proved to be more successful this time as two large Bonita were caught. A sailfish was hooked, but not boated.

CONTROL APHIDS ON HOME PLANTS

(Continued from page 1)

Aphids are often the predominant insect pest on many trees, ornamental plantings and garden flowers in Delaware, says Donald MacCreary, extension entomologist at the University of Delaware.

Feeding by these insects may weaken plants and cause leaf curl and wilt. In addition, several plant diseases causing viruses are transmitted by aphids.

Aphids often go undetected until excessive damage is done because they are small and don't move around unless disturbed, explains MacCreary. And in many cases, aphids are the same color as the plant on which they are feeding.

These sucking insects usually feed on stems or on the underside of leaves, he adds. Their feeding often causes leaves to curl around them as in the case of the peach tree.

Be particularly suspicious of plants that have flies and wasps flying around them, advises MacCreary. Aphids secrete a sweet, sticky substance called honeydew that attracts flying insects.

Lady beetles on plants may also indicate that aphids are at work since these orange beetles with black spots feed on aphids. The honeydew is also a good

It Seems To Me

By Janet C. Reed Have you ever fallen in love with a gorgeous fabric, struggled to create a garment of distinction, and finally faced the fact that the material looked far better on the bolt than it did on you? It's easy to get carried away with the beautiful colors, prints and textures in the stores today. But fabric on the bolt and fabric on you are two different things! Fabrics for clothing are not used flat but are shaped to body. A patterned fabric must retain its effectiveness when seamed and darts, gathered or draped. It must look as well in movement as lying quietly. This can be difficult to visualize. Stronger fabric patterns, with hard and definite outlines, present the most difficult styling problems. Most dress styles today have fairly simple lines and comparatively few seam lines. They can take a bold patterned fabric better than a style with many seams or details. But can you take it? Have someone hold up the fabric so you can see it from a distance. Is it as pleasing as it is close up? Does it appear spotty or does the design have great value contrast? Do certain colors stand out more than others and give a vibrating impression? The more intense the color, any color, the more overpowering it can be. It takes a strong personality and dramatic personal coloring to carry off some of today's bright, bold prints. Soft, bulky fabrics that feel so good to the hand and look delightful can add pounds to the apparent size of the figure. When you buy fabric for your own clothes, hold it up to yourself in front of a full length mirror, and ask yourself: Does the color emphasize my personal coloring or does it make my coloring look faded? Is the fabric design bold or spotty? If so, do I have the figure and personality to carry it off? And do I have the designing skill to place the design so it does the most for my figure? Does the texture seem to add to my apparent size and can I take it? Before you rush to buy, think what you have in your wardrobe that you wear most often. What colors and fabrics make you feel well dressed? What colors bring you the most compliments? This may give you a clue to your best fabric choice—if you can get by all those bolts of beautiful fabrics in the store.

Wilmington Woman Wins Art Contest

Mrs. Galen W. Jordin, Wilmington, won first prize in the statewide extension art contest held recently in Dover during State Day. Her winning watercolor painting, "Winds Across the Dunes," will be entered in international competition as the Associated Country Women of the World convention in Michigan this fall. Second place honors went to Mrs. Warren Baker, Middletown, for an original floral needlework design. Mrs. Leo J. Osika, Dover, received the third place ribbon for her oil painting, "Scene in Sussex."

Five honorable mention awards were also presented by Mrs. William R. Money, Laurel, cultural arts chairman of the Delaware Home Economics Council. Mrs. Mary Wennberg, Glasgow, received two green ribbons, one for a primitive style oil painting, "Fantasyland" and another for a black woman rug. Mrs. Earl White, Bridgeville, Council president, won honorable mention for a black pottery vase, while Mrs. Arthur McDaniel, Newark, received a green ribbon for her oil painting, Mrs. William Gardner, Newark, was awarded honorable mention for printed chinaware. Contest judges were Miss Jane Gardner, retired University of Delaware art professor; Mrs. Grace McFarren, Wilmington Gallery of Circulating Art; and Mrs. James Gervan, State Supervisor of Art Education. Approximately 50 entries from home economics extension club members throughout Delaware were on exhibit State Day. The annual meeting for Delaware homemakers was sponsored by Delaware Home Economics Clubs.

with Jean H. Cranston How should you care for Frozen Foods in an emergency? If you know or suspect that power will be off in your house, set the freezer control at its coldest setting right away. Lower temperature of freezer and food will delay thawing if power does go off. If the freezer stops operating because of power outage or any other reason, try to find out how long it will be. If normal operation will not be resumed before the food will thaw, use dry ice to keep the food cold or transfer the food in insulated boxes to a locker plant or other low-temperature storage space. If the trouble is freezer breakdown, your neighbors may have enough space in their freezers to solve your problem. A fully loaded freezer usually will stay cold enough to keep foods frozen for a couple of days; in one with half a load food may not stay frozen for more than a day. If dry ice is put in the freezer soon after it goes off, 50 pounds should keep the temperature of food in a 20 cubic-foot cabinet below freezing for 3 to 4 days; in a cabinet with half a load or less, for 2 or 3 days. Work quickly when you put in dry ice. Place it on thick cardboard or boards on top of the frozen food or on shelves—not directly on the packages. Handle dry ice with care. Be sure the room is well ventilated when you use it. Never touch dry ice with bare hands. Do not open the freezer door while the freezer is not operating except as a part of the food-saving procedure.

Class will meet on Tuesday, 8 p.m. The Senior Choir will rehearse on Thursday, 8 p.m. The pastor is to conduct morning devotions over Radio Station WTHD this coming week, Monday through Friday at 11:15 a.m.

Concert Choir, Chamber Singers Final Concert

A program devoted entirely to the music of 20th century composers will be presented at the University of Delaware on Tues., May 14, at 8:15 p.m. The Mitchell Hall concert, open to the public without charge, will feature the Concert Choir and Chamber Singers in their final concert of the 1967-68 season. Joseph B. Huszti, director of choral music, will conduct. Special feature of the performance will be Prokofiev Sonata No. 2, Opus 14, for piano played by the choir's accompanist, George Broske, 217 School Lane, Mt. Joy, Pa. Huszti described the program as one of the most ambitious yet undertaken by the combined choral organizations. A Stravinsky Mass, composed in 1948 and sung in Latin, will be presented for the first time in this area. Another part of the program, "Four Motets for a Time of Penitence" by Francis Poulenc, was presented earlier this year by the combined Delaware and Temple University choirs in a Washington concert. The 77 mixed voices also will sing sacred songs by Charles E. Ives, Howard Hanson and Jean Berger; Carols of Death by Paul Hindemith; the Reincarnations of Samuel Barber and Hindemith's five songs on the old texts. Soloists, selected for "Sweet Sunny" from "The Tall Kentuckian", will be soprano Virginia Hughes of New Castle and baritone David Lutz of Robesonia, Pa. Miss Hughes and Lutz will be joined by alto and tenor soloists, Mary Woodmansee of Newark, and Thomas Meehan of Wilmington, for the Stravinsky Mass. Included in the orchestral accompaniment for the Mass will be trumpeters Maurice Steinberg and Charles Rau; trombonists Jon Woods, Robert Streckfuss and Ken Warner; oboists Milton Markley and Charles Leaseure, and bassoonists William Woodward and Marlo Comer.

Art Exhibition At U. of D. May 10

Three works by art professor Julio Acuna will be exhibited in Recitation Hall, May 10-30, in conjunction with Alumni Spring Reunion Day at the University of Delaware. An acrylic and two ink drawings have been purchased by the Women's Reunion Class of 1937 in honor of Professor Emerita Harriet T. Baily. Miss Baily traveled to New York to select the works personally from Acuna's most recent major exhibit, "The Bagatelles," now being shown at the Zegri Gallery, 10 East 8th St., in New York. Miss Bailey has been associated with the university since 1928 when she joined the faculty of Women's College. She retired in 1956 as professor and chairman of the art department of the university. She is an honorary member of the class of 1937. Works purchased for the university's permanent collection include Bagatelle with two figures in acrylic and two ink drawings, Bagatelle of the Easter Hat and Bagatelle of a Praying Angel. Acuna's last one-man show in New York "Les Figures Fantastiques" is being shown concurrently in the 1912 Room of the university's Student Center. Many of the paintings had been sold since it was presented in November 1966, but most of the owners have loaned them for the exhibition. The public is invited to view the works on display in Recitation Hall and in the Student Center.

Award Worrilow Scholarship

A junior in the University of Delaware's College of Agricultural Sciences has been awarded the first George Worrilow—Alpha Zeta scholarship. Joseph DeMesse, Jr., son of Mr. and Mrs. Joseph J. Demesse of Wilmington, received the scholarship at the annual Alpha Zeta dinner dance. The scholarship fund, established by the Delaware chapter of Alpha Zeta, national agriculture honorary fraternity, is in honor of Dr. George Worrilow, vice president for University relations and former dean of the College of Agricultural Sciences. In ceremonies announcing the establishment of the fund, Alpha Zeta chancellor Eugene Pratt, Middletown senior, read a testimonial citing Worrilow for his "long and outstanding contributions to Delaware agriculture." Qualifications for the scholarship include membership in Alpha Zeta, proven leadership abilities on and off campus, participation in academic and civic affairs, high intellectual caliber and financial need.

Asbury W.S.C.S. Notes

"I PLEDGE" — more time in reading God's word, more time in prayer, a sunnier disposition, to be a willing worker for God, my best effort to put first things first, and my gifts to support the Woman's Society of Christian Service. With these words the members of Asbury Methodist Church Woman's Society of Christian Service dedicated themselves to the work of the organization for the coming year.

Mrs. Charles L. Peck, Jr. was in charge of the service at the May meeting of the society. Assisting her were the Circle leaders, Mrs. Marvin Richardson, and Mrs. Edgar Graef. Music was supplied by Miss Joan Mason who sang "My Task" accompanied by Miss Aleta Mason at the piano. An hour of fellowship followed.

The May meeting was also the meeting during which the awards for attendance during the year were presented. This year the Mary Circle received two awards, one for the most members in attendance and one for the most new members during the year. The Martha Circle was second highest in attendance.

Mrs. William Sharp, Membership Cultivation Secretary, had prepared a most interesting presentation of the new membership record this year. A series of 24 candles in candleabra were lighted by the several Circle leaders, as the names of their new members were read. The total of 24 members was the highest recorded at the recent annual district meeting of the W.S.C.S. Mrs. Sharp praised the leaders for their work in obtaining the new members.

The Mary Circle, with Mrs. J. Louis Hopkins and Mrs. Carroll Welch, leaders had 9 members. Martha, with Mrs. Fred B. Greenly and Mrs. George B. Mahoney, 6; Deborah, Mrs. Oscar Gillette, 2; Dorcas, Mrs. Guy Winebrenner, 4; Esther, Mrs. Earl Thomas, 2; Lydia, Mrs. Peck, 2; Rebekah, Mrs. Charles Greenhaugh, and Mrs. H. Hayward Quillen leaders, 2. This gives the Asbury Society a total of 187 members.

Mrs. Audrey Schreck, president, announced that three delegates and Mrs. John Edward Jones will attend the annual Conference of W.S.C.S. in Whatcoat Methodist Church, Camden. On July 15-19 the School of Missions will be held in Wesley College, Dover. Anyone wishing to attend should call Mrs. Schreck.

The Rev. Jones thanked the Circle leaders for their assistance during the past year at the Sunday evening family night services.

The June meeting will be held on June 4, with Dorcas Circle in charge and Miss Heba Baker presenting the program.

Senior Center News

There was a nice turn-out for the monthly birthday party. Mabel Kemp was able to join us for a belated birthday but Betty Lee Lyons missed the party due to illness. Mrs. Virginia Clarkson received two birthday cakes, one from Clendening's Pharmacy and the other from Lillie Sullivan. Mrs. Arta Masten's sister sent in another cake just to be sure there would be enough for everyone. Jennie Morris donated the ice cream, and Mrs. Katie Austin received two potted plants, one from Ethel Bull and the other from an admirer. Most of the girls either brought in a plant to exchange with a friend or brought in their excess plants to share with friends. This year we will enjoy watching our fellowship gardens grow. Music was furnished by Reba Smith and Mrs. Passmore's daughter, Hilda. Mrs. Orella Wilson gave a reading, Virginia Clarkson her birthday prayer while Ruth Vincent sang a song and led the group singing.

Thurs., May 9, will be our second class in ceramics. It is not too late to join us. Come in, become involved and wonder where the time and your aches and pains have gone. Lessons and firing are free to all members.

Remember—We are operating a booth for the AFS Fair at school on Friday, May 10th. Come out, lend a hand or just bask in the sun and watch the fun. Need transportation? Call the center.

Ready to travel? Monday, May 13th at 8 a.m. we will be leaving the Center for a day at Longwood Gardens. We hope to return by 4 or 5 p.m. The only charge will be \$2 for the bus fare and you are to take your own box lunch. A movie will be shown at 10:45 and from there the bus will take us to the picnic area for lunch. There will not be a conducted tour so you can walk and rest as you like.

On Tuesday, May 14th, Girl Scout Troop 679 with their leader, Mrs. Kenneth Roberts will be at the Center as near 3 p.m. as possible for a half hour of entertainment in honor of senior citizens. Do come out and enjoy these refreshing young girls that will be our mothers of tomorrow.

A most important date to remember—May 28th—The Commission of the Aging is holding a state celebration at the Dover Armory in Dover in honor of senior citizens. Anyone 55 years or older is invited to attend. We will be leaving the Center at 10 a.m. and returning approximately 4 p.m. Transportation will be available. If you live within a 10 mile radius of Harrington and interested in attending, call 398-3908 or 398-8674 for reservations. You will be expected to bring your own box lunch and refreshments will be available at the Armory. The Governor of Delaware and the Mayor of Dover will be there to welcome you and a military band will furnish music. Lunch will be at 12 noon. After lunch several tours will be

offered. Some of which are the Governor's Mansion, Dickinson House, Old Court House, Dover Museum. Due to the time element, the tours made by our group will be selected by the director. It is hoped that at least 100 senior citizens from our area will be in attendance.

We sure miss Mary Cooper, Edna Outten, Lucy Knipper, and Ethel Stubbs and hope their health will soon permit them to rejoin us.

Exchange Student Returns To Poland

Zofia Ostaszewska, a Polish agricultural exchange student, returns to her home this week after a year of training in broiler production at the University of Delaware's Georgetown Substation.

Mrs. Ostaszewska has studied all phases of the broiler industry and has been feeding and caring for four flocks of birds. Her training also included studies in laboratory techniques at the substation and at the University's Newark campus. She has also made several field trips to study the area's commercial broiler industry first hand.

The research portion of the Polish trainee's program has been under the supervision of George Chaloupka, research associate at the College of Agricultural Sciences substation division. Field trips, extension activities and over-all training were under the direction of Ray Lloyd, extension poultryman at the University.

Mrs. Ostaszewska holds a Master's degree in agronomy from the Wrocław College of Agriculture in Poland and is one of 18 Polish agriculturalists who have been studying in the United States since last May.

Purpose of an exchange program is to share agricultural techniques, build bridges of understanding and friendship across national boundaries and to advance the well-being of all people by promoting good will and increasing the basic necessities of a good life.

The program, sponsored by the Brethren Service Commission, Church of the Brethren, has brought 176 Polish agriculturalists to the United States since its inception 10 years ago.

FENCE TALK

with George K. Vapaa

Fishermen and farmers should get together, says Isaac Thomas, chairman of the Kent Soil and Water Conservation District. Most farm ponds are stocked and have a good crop of fish. It is just good management to harvest the fish crop.

Perhaps we need a little directory to tell people which farmers are willing to sell fishing privileges. The directory to include farmer's name, address, telephone number, directions to the farm, fees charged, etc. Our Extension Service will be happy to put the directory together, if enough pond owners are interested.

We also suggest that a "Certified Fish Pond" organization be formed. This group would establish minimum safety standards against the obvious water hazards, insurance protection for liability, business management suggestions and for other matters.

Many public fishing sites are over-fished. But most private ponds are not fished at all. Some people are willing to pay a fee to be assured of a catch. Isn't this reason enough for a private pond owner to cash in on his fish crop?

Telephone 736-1448 if you want more information on this proposal. We can draw on the talents of Fred Mott and his Soil Conservation Service staff, and the resources of Norman Wilder and the Delaware Game and Fish Commission. And if someone wants to diversify into a recreation farm type business, such as farm campsites or vacation farms, we can add in the help of the other agencies represented on the Kent County Technical Action Panel.

Quotable Quote. "Today, farmers who do not practice conservation are noticed. Ten years ago it was those who practiced soil and water conservation."—Lynn

PACK 76

The Cub Scouts of Pack 76 held their monthly meeting, Fri., April 26. There were some awards presented and one Webeled graduated into Boy Scouts. There was a small ceremony for Raymond Blanchette, who was welcomed to Boy Scout Troop 79 by Scoutmaster, Neil Russell and SPL Ronald Letterman.

Also, the pack would like to remind the parents that Cub Scouts cannot receive awards unless their parents are present at the pack meeting. There were some boys eligible for awards Friday night, but could not receive them, because their parents were not present.

At the March pack meeting, we held a Pinewood Derby Race to see which boys from Harrington would be eligible to compete with the whole district in Felton on April 20.

The Harrington winners were as follows: Den 1—first, David Letterman; second, Richard Cerleskie. Den 2—first, Billy Leonard; second, Darrell Jester. Den 3—first, Clinton Graham; second, Danny Littleton.

Webeled Den — first, Richard Shulties; second, Michael Gray. The above boys participated in the big race at Felton High School and Richard Shulties was the champion and received a nice trophy.

The next committee meeting for Pack 76 will be held Monday evening, May 13th at 7:30 p.m. at St. Bernadette's Parish Hall. We urge all interested parents to attend this meeting as we need new ideas and more help for next year.

Fire Company Report

By Al Price

Artie Taylor was elected a member of the company, after serving the last three years as a junior fireman, upon reaching the age of 21. The chief will determine his active membership status.

Chief Harold Fry reported that a large group of small children residing in the area near the fire house are coming upon the apron and into the building during a fire alarm. With these children placing themselves in grave danger as the firemen and equipment are responding to a fire alarm, he requested the parents to refrain from allowing these youngsters to come within 100 feet of the fire house during an alarm.

President George VonGoerres informed the members that the Kent County Volunteer Firemen's Association meeting will be held in Harrington on Wed., May 15th. All members are requested to aid our ladies auxiliary in preparing a dinner for this affair and making other necessary preparations to host the firemen of the county.

He appointed Fred Wyatt and Artie Taylor as delegates to this meeting to represent our company.

Fire recorder's report for April—12 alarms (8 rural-4 city); traveled, 168 miles; 10 1/2 hours in service, 228 me in service, total man hours, 213 1/2; property involved, \$10; loss \$10. Ambulance secretary-treasurer's report for April—23 trips, 56 men in service, 37 hours in service, 93 man-hours in service, traveled 1017 miles.

Summer Institute At U. of D.

Disruptive forces affecting healthy relationships will be the topic of a summer institute at the University of Delaware from June 17 to 21.

The special institute will consist of five workshops for practicing social caseworkers, teachers, settlement personnel and others interested in a greater understanding of family disruptions.

Workshops will be offered in five areas of concentration: the uninvolved mother, disturbed parent-child relationships, the alcoholic in the family, money management, and resolving marital discord. Each participant may select any three areas. Each workshop will last five hours.

The institute is sponsored under the auspices of Title I of the Higher Education Act of 1965 and carries no academic credit.

Registration forms are available upon request from the Division of University Extension and will be provided during the June 17 registration period in Carpenter Sports Building. Fee for the course is \$12.

Track Lions Feast At Dover Air

Coach Harold McDonald was unable to be with his track Lions at Dover Air High last week, but obviously had his charges mentally prepared for the Falcons, who had trounced all previous Henlopen Conference competition, except Milton.

Milton had come from behind on the last event to nip the Falcons in a squeaker.

David Adams directed the Lions to a stellar performance, a 75-34 rout, which saw Harrington set two new school records and tie another.

Mentioned briefly in last week's Journal were the new marks in the shot put (Bill Webb), the half mile (Chris Wetherhold), and Ken Tribbett's record-tying 100 yard dash.

Freshman Wetherhold's 2:04.6 880 was done at the expense of Gutekunst, a much older, veteran half miler, who was the Henlopen Conference champion last year. The Falcon was fresher since Wetherhold had already won the mile earlier in the afternoon. Chris made his move on the backstretch of the second lap and won by 25 yards.

Tribbett's 100 triumph was followed by another in the 220 and an anchor leg on the 880 relay quartet, which clocked 1:37.4, the fastest yet this spring. Ron Morris, Tolbert Harris and Jerry Cagle handled the first three 880 relay chores.

Bill Webb's mighty heave of 44-9 was followed by a fine discus throw of 115 feet, and a high jump effort, which gave H.H.S. two third places.

Greg Stebbins, of Dover Air, is having a fine year in the 440. He's done very well since an opening loss to Henlopen champ, Wayne McCabe, of John M. Clayton. Yet Ronald "The Champ" Morris and John Swain both trounced him. Morris in 54.4, Swain in 54.5.

Roger Jarrell, like Wetherhold, trains 12 months a year. He transferred here from Caesar Rodney and showed very little at first. Roger has lowered his two mile mark several times and dropped from 11:17 to 1:08.8 in winning at Dover Air. His competition was furnished by teammates, Danny Hitchens and John Brown. Hitchens cut his time from 11:24 to 11:19, passed former Lions Ellis Myer and Marshall Hatfield on the all-time H.H.S. list and now ranks fourth behind Wetherhold, Jerry Cagle (1966) and Jarrell. Brown ran a strong race to finish third in personal record time.

Nick Morris' 10-4 leap in the pole vault was reportedly a new field mark at Dover Air.

The Lions have now beaten six schools to remain undefeated, have set five school records and tied a sixth, with more likely to fall. This has been done with a young team featuring numerous freshmen and sophomores.

Pole Vault-1, N. Morris, H-10-4; 2, Coulter, DA; 3, Thompson, H

The junior high Lions captured a 50-16 victory and for the second straight outing lost only the 8-pound shot of eight events contested.

Jim Deputy won the 50 and 100 yard dashes with Donald Parker getting second in the latter.

Fred White annexed the 220 with Billy Walls the runnerup in his fastest furlong yet.

Norman Baynard's fine leap of 16 feet, 7-1/2 inches, took the broad jump and upped his own mark by more than a foot.

Steven Gannon still hasn't mastered the "roll" type of high jumping but won with an old-fashioned "scissors" jump. Perhaps, he will learn to roll this summer. He has the spring in his legs to be a fine jumper some day.

Track Lions Feast At Dover Air

Jim Redden's 808 win in 2:28.3 is his fastest clocking ever. 12-year-old, Jackie D. Parker excelled his previous best with 2:37.1 for third. Another seventh-grader and a newcomer to track, Kenny Stubs, ran his best 880 yet.

Dwight Ross and Mike Derickson were second and third in the shot.

The winning 440 relay team was made up of Fred White, Tommy Clarke, Randy Cagle and Jim Deputy.

Felton Record Is 7-0

Joe Kern's Felton High tosses are only four wins away from a perfect season after downing unbeaten Milton 6-4 and Rehoboth 9-0.

After five scoreless innings, Felton touched Harris of Milton for three runs in the sixth and three more in the seventh.

Trailing 6-0, the Warriors shoved across four runs, in the bottom of the seventh, before Bob "Red" Dill shut the door.

Milton's Jesse Millman had three hits off Dill but the rest of the losers could come up with only one more.

Dill led the Green Devil batsmen with a home run and double. Chris Moore had two hits as Felton totaled nine baseknocks.

Lions Ground Seahawks, Lose To Millsboro

Rehoboth High's baseball Seahawks were victimized by a 11-7 score, here, last week, but Coach Bob Young's Lions were the victims, when Millsboro edged the Lions 6-5 in an extra inning, on the local field, Monday.

Harrington tallied 4 runs against the Seahawks to lead 4-0 after three frames, Rehoboth finally got to freshman righthander, Dave Newnom, as they rallied for four runs in the fourth and fifth stanzas. The Lions came back with seven runs in the fifth to ice the verdict, although Howard Brown gave up three runs in the seventh.

Each team had 10 hits with Chester Scott having three for the Lions. Dale Motter, John Winkler and John Brown hit safely twice each.

Harrington led 3-0, 3-1, 4-1, 4-3 and 5-3 over the Blue Devils but finally were tied in the sixth inning, with the visitors getting the clincher in the eighth.

Despite being out 8-5, the Lions looked like winners most of the way. Gordy Jarrell, a tiny pullhitter was hitting sharply every time up and got two of Harrington's bingles. The Lions now show two victories and three defeats.

Greenwood Loses To Millsboro, 6-3

After a 6-3 loss to Millsboro, Greenwood salvaged a split, as John M. Clayton forfeited to the Foresters because of a lack of players. Greenwood remains at .500 with a 3-3 log.

The losers trailed 3-0, rallied to tie in the fourth but saw Millsboro pull away thereafter. Millsboro out hit the Foresters 8-5, with Robin Breeding accounting for two Greenwood safeties.

H.H.S. Softball Team Bows To Rehoboth, 16-9

The Lionesses played against a strong opponent, Rehoboth, last Wednesday afternoon, and came out on the short end of a 16 to 9 verdict.

Local scoring was done by: Terry Dixon, Andrea Walls, Freda Gray, Bea White, Juanita Garey, Diane Carroll, and Debbie Reed, one run each, and Shirley Larimore, two runs.

The fifth game for the Lionesses was with Millsboro at home. Millsboro trounced the locals by a lopsided 20 to 5 victory.

The Lionesses had a three game winning streak broken by Rehoboth, and adding their recent loss to Millsboro, now own a three win, two loss record.

Scoring for the locals against Millsboro were: Freda Gray, two runs; Terry Dixon, Andrea Walls and Diane Carroll, one run each.

Harrington Bowling League

Leah S. Wheeler

Tuesday evening, at the Farmington Fire Hall, the members and their wives of the Harrington Bowling League gathered for their annual banquet. After enjoying a scrumptious roast beef dinner, awards were presented to the following:

Ace team members received trophies for third place finish in the finals. The members are: N. Clough, C. Bushy, I. Hoffman, J. Sapp, R. Gray, S. Smith, and A. Young.

H. Wheeler, D. Jones, D. Jester, R. Finkbner, K. Layton, P. Fallon, and F. Dill, members of the second place team, Kent Gas, received their trophies. Kent Gas also received a trophy for third high team series, and a second place trophy for high team single game total.

McKnett Funeral Home received trophies for being the champions this season. Members are: R. Garey, H. Jack, D. McKnett, J. Madenspacher, D. Garey, and H. Brode.

Robbins Hardware was awarded the first place trophy for the high team game series of 2707. Taking the second place trophy was Jarrell Fuel with a fine 2648 team series. A tie developed for third place with Taylor & Messick also getting a trophy, along with aforementioned Kent Gas.

Jarrell Fuel rolled a 1011 high single team game to take the first place trophy in that division. Third place was captured by Taylor & Messick with a fine 954 series.

K. Layton received the individual high game award, second high average award, third high series award and the most improved bowler award.

Joe Bogden was awarded trophies for second place high individual game, and second high

series. George Collins received the third place trophy for high individual game.

Dallas Hayman won first place trophies for high series and high average. Ralph Gray received the third place trophy for high average.

Herb Rollins was awarded the second place trophy for most improved bowler.

Tom Brown was awarded the sportsmanship award.

After presentation of awards, the new officers were introduced to the audience. They are: president, David Ryan; vice president, Daniel Pearson, secretary, LeRoy (Hank) Wheeler; treasurer, Don Wilson.

This writer also received a very nice publicity award and would like to thank the members for their thoughtfulness. Without the help of Tom Brown and my better half, who saw to it I received the data by which to write from I could not have contributed too much to the news. So as the final chapter closes it's so long until next year.

R. Morris Sets 440 Mark, Chris Runs 4.39.4 Mile

Harrington High's record busting Lions were at it again in the 19th annual Milford Invitational Track Championship on Tuesday afternoon.

With six new school records and a tie of another in the bag already, the locals established two more new standards. Ronald "The Champ" Morris blazed one lap in 52.9 seconds, to take the quarter mile run, in the 15-team meet. This erased Dr. James Schiff's nine-year old mark of 53.6, set in the only 440 that Schiff ran. The Cambridge, Md., dentist still holds the 220 record and a share of the 100 mark.

The improving mile relay team won a thriller from the favored Dover quartet in 3:36.3. In last season's meet, Ron Morris, Jerry Cagle, Dan Hicks, and Jim White ran 3:36.5.

At Milford, Ron Morris led off and handed the baton to Tolbert Harris. The latter had been mistakenly placed in lane three by an official. This caused both Morris and Harris to run extra yards. Harris kept the Dover runner on the outside going around the final turn, then handed off to Cagle. Jerry also ran a smart race and fought off a blue-clad Senator on the last

curve. Dover took the lead on the baton exchange with their anchorman moving out three or four yards ahead of John Swain. The Lion ran a perfect relay leg. He closed the gap on the backstretch, then suddenly jumped his rival as the home-stretch beckoned. Sweeping on by, he gave H.H.S. fans a giant thrill as he snapped the tape, a victor by several yards, in the last variety event on the program. The Lion four is capable of lowering their new record even further in the big meets ahead on superior upstate tracks.

Chris Wetherhold, an old-time great in Harrington High athletic annals as a youthful freshman, took another giant step at Milford. Competing in the mile run in an oversize field of near-thirty runners, he finished second to Dover's fabulous 17-year-old, Mike Patterson. Despite traffic problems, the hard-running youngster reeled off a mile in 4:39.4 narrowly missing Harry Knott's seven-year-old H.H.S. record of 4:43.8, set when Knotts was senior. Chris passed Bob Smith (4:48), Dwight and Clarence Hackett (both ran around 4:41 or 4:42) and Dennis Rogers (4:40) on the all-time H.H.S. mile list. He seems certain to get this mile mark this season, to go with the two-mile mark (10:15.3) and half-mile (2:04.6) records he already holds. Colleges already drooling over the kid's swaying track feats are Delaware, Maryland, and Washington College. With the best part of 1968's schedule left, plus three scholastic seasons yet to go, this kid's potential staggers the imagination of even such a track nut as this writer.

Harrington's 880 relay team tied for third in the 880 relay with John Brown a two-miler, running a creditable 220 yard leg.

Nick Morris and several other pole vaulters cleared 10 feet, 6 inches. The winner was decided on the number of misses each vaulter had during the competition. Three jumpers had less misses than Nick so he was placed fourth.

Other pointscorers for H.H.S. were: Ken Tribbett, 4th in the shot, 100, Bill Webb, 5th in the shot, John Swain, 5th in the 440.

Sophomore Roger Jarrell ran 11:10 for 2 miles for sixth place. Freshman Danny Hitchens hit a new low of 11:18, as he beat a couple of veterans, James, of Bridgeville, and John Martin, of Lewes, for the first time.

The Henlopen Conference, of which Harrington is a member, does not hold competition in the javelin, the low hurdles and the high hurdles. Since Harrington had no chance to score points in these three events, it's fifth place finish in a field of fifteen teams is an excellent showing. Large schools that finished behind H.H.S. were Lewes, Smyrna, Caesar Rodney, Georgetown and the much larger Maryland schools, Wicomico, of Salisbury, and Cambridge.

Actually the Lions were only eight points out of second place and could have easily captured the runnerup position except for a couple of bad breaks.

Coach Harold McDonald is kept busy these days keeping the
