By Sam Short

The Methodist Men of Asbury Church held its regular monthly meeting Sunday, Nov. 2, with the President Carl Hill conducting the breakfast meeting.

There were 25 members present with two visitors. Donald McKnatt and his committee served the breakfast of scrapple, eggs and coffee.

After the breakfast was served the meeting was continued by the president and Cliff Miller stated it would soon be time to start thinking about our annual venison dinner and asked if any one getting more deer than they can use for themselves, and would like to donate it to us, see him or Sam Short. Mr. Miller's phone is 284-4019 and Sam's is 398-8045.

It was mentioned that some of our members that had been attending lately would be notified by card by our secretary for the next meetings and each of the members there said they would contact the ones they could personally and ask them to start attending more often.

Jack Dill the program chairman then introduced the Rev. Kersey of our sister church, Trinity, who gave us a very good down to earth talk on the subject Door Keeper of our spiritual life.

He stated we were all human beings and our impressions should be on a spiritual level with a handshake, a word of encouragement and a little help for the less fortunate.

He then gave a memory thought for the morning by reading the 10th verse of the 84th Psalm.

He stressed Christianity all the way through his talk and said this was the best way to spread the word of Christ and create new interest by witnessing for Christ every day.

We are glad that Mabel Schlachach, who had surgery a week ago is now doing fine. Remember the November blanket drive for relief.

Greenwood United Methodist Church

Special evangelistic services will be held at the Greenwood United Methodist Church, November 16 through 23. Services will be held each evening, including Saturday, at 7:30 p. m., beginning Sunday the 16th and continuing through Sunday the 23rd, with services at 11:15 a. m. and 7:30 p. m.

Robert W. Wheatley, a layman and business man from Sharptown and truly a man of God and a very dynamic speaker, will be bringing the message at each service.

There will be special inspirational music each evening. On Sunday, Nov. 16, Jim and Margaret Prouse, of Salisbury; Monday, Gospel Quartet and Trio from Greenwood; Tuesday, Mount Pleasant Quartet from Crisfield; Wednesday, Mary Ann Terrell and Meredith Carmine, a duo from Salisbury; Thursday, the Davis Family from Salisbury; on Friday, Greenwood Mennonite Youth Chorus; Saturday evening and Sunday morning, Cavalier Trio from Wilmington; Sunday evening, Fellowship Trio from Hebron.

The Rev. Charles Walz, pastor of the Church, invites everyone to attend these services.

On Sunday the Medford Calhouns and Mrs. Doris E. Hudson attended the reunion of Mrs. Calhoun's family, the West reunion, held in the Trinity Community House near Laurel. They all attended the church there as children. A very delicious dinner was served at 3 and enjoyed by all. The program chairman had prepared a very nice program. A prize was given to the oldest and the youngest member present and to each member of the original family.

At the end of the program it was decided to hold the reunion again next year on the first Sunday in November and at the same place. There were 44 members present this year.

A BIG CATCH FOR A SMALL BOY—10-year-old Chris Wyatt, son of Mr. and Mrs. Melvin R. Wyatt, 201 Simmons St., proudly displays his game bagged on opening day of duck hunting season near Slaughter's Beach. The Canadian goose weighed 7 1/4 lbs., 35 inches long and had a 4 1/2 foot wing spread. He also shot two mallard ducks.

Sunday dinner guests of Mr. and Mrs. Nelson Meredith were Mrs. Violet Bringham of Viola; Mrs. Virginia Ray, Bridgeville; Mr. and Mrs. Nelson Meredith Jr. and family of Wilmington and Mr. and Mrs. Donald Lynch and family of Selbyville.

Mr. and Mrs. David Keith and children were Sunday dinner guests of Mr. and Mrs. K. C. Jones of Dover.

Mrs. Margaret Baker spent the weekend with her sister and family, Mr. and Mrs. W. W. Chandler and her mother, Mrs. Rose Hitzelberger of Hadonfield, N.J. There they were joined by Mrs. Hitzelberger's two sisters and three brothers and celebrated Mrs. Chandler's birthday.

Mrs. Fay Seibert of near Greenwood and Harrington has been kind enough to tell us about her participation in a Home Economics Extension program.

The Craft Workshop of the Kent County, Delaware Cooperative Extension Service of the University of Delaware, held their annual exhibition of Christmas decorations and ideas made by their members, on Tuesday, Oct. 28, in the Capitol Grange Hall on Governor's Avenue in Dover.

Twenty-six clubs from small communities and Dover displayed over one hundred beautiful hand-made projects. The ladies who attended the exhibit were asked to bring a sandwich and the Grange ladies served excellent coffee and delicious home-made cake.

vertical strips with fancy curls at the bottom of the legs. Plump, little feet (top of can) were upholstered in colorful fabric, a work of love and artistry.

There was an old jewelry tree made from a conical styrofoam form with odds and ends of jewelry pasted all over it, then sprayed with antique gold gilt, a real fun project that anyone can make and display at Christmas time.

Several types of artistic pictures, one a real original, a tree trunk with many branches cut out of pale, pink velvet, pasted on a rich wine velvet background. The branches of the tree were decorated with old ivory lace, medallions, buds, flowers and wreaths cut out of doilies and old dress lace. There were all types of containers and boxes, cut to many shapes. These could be used for gloves, jewelry, etc.

There were fancy portholders made from pieces of colorful felt, trimmed with Wright's metallic gold rickrack, and a few sequins. These are certainly different for the person who has everything, like the mink-trimmed cap opener that has been seen.

Many Xmas aprons were displayed made of gay plaids, fancy - stitched, white nylon aprons, trimmed with five vertical strips of red satin ribbon with little bells on the end of each ribbon.

An angel's doll house was there, the angel's baby made from plastic detergent bottles, a lovely gift for any little girl. There was also a pastel multicolored macaroni Xmas tree and slews of other things.

At 12:30, Mrs. George Leathrum, chairman in charge of arrangements and decorations, introduced Mrs. Fay Seibert of Harrington who proceeded to show the ladies how to make boutique (lavishly decorated) mas bells. White, pink, gold, red, green satin balls were decorated with silver or gold metallic rickrack, gold braids, velvet ribbons, sequins, and multicolored plastic and glass

completely covered with rayon taffeta, and seam binding in orange, violet or turquoise. These were trimmed with metallic braid, velvet ribbons, plastic crystal beads or rhinestones and sequins. Velvetized balls were covered with colorful jeweled braid, pearls of all sizes and sequins.

The next demonstrator, Mrs. Mori, made a plastic wreath with cut strips of green plastic attached to coat hanger circle with decorations and sprayed gold. Little colored Xmas balls were placed here and there for color. Mrs. Kohler covered coat hangers with yarn. Mrs. Garton had an assortment, including the pink velvet tree mentioned above.

This is an annual program open to members and friends of the Extension Clubs. The University of Delaware subject matter specialists provide, through leadership training, monthly programs for the clubs. To Mrs. Jean H. Cranston, Kent County Extension Home Economist and Advisor to the clubs, goes the thanks for this Christmas display and to Mrs. George Leathrum of the Chestnut Grove Club and committee for the arrangements, and to the people who gave patterns for the sunbonnet, tiger lily, gingham rose, flower patterns for flowers, made from osage orange, the thorn apple. These are all gifts to remember, and a most enjoyable day was spent with the Extension Club women and friends.

By Francis J. Webb, Asst.

The Delaware Dairy Princess contest will be held Friday, Jan. 2, 1970, at the Holiday Inn, Dover, starting at 11 a.m. The dairy princess contest is an effort on the part of interested dairy organizations and the University of Delaware Cooperative Extension Service to select a representative from the state to compete in the American Dairy Princess contest in Chicago next June. This is in conjunction with American Dairy Association's program to promote dairy products and to publicize the dairy industry in every part of the nation. The rules for the state contest specify that the contestants be between 17 and 25 years of age, be a graduate of

a high school, reside in Delaware, and now living or have lived on a dairy farm, whose parents produced milk for a commercial market. When selecting the princess the judges' decisions will be made on the basis of four categories: the contestant's personality and charm, grooming, beauty of face and figure, and poise. All four categories are of equal value. The girl selected to be "Delaware Dairy Princess" will receive \$300 in cash and an all expense paid trip, for her, and a chaperone, to the American Dairy Princess Contest in Chicago. There she will compete for a \$2,000 scholarship, a complete wardrobe and the title of "American Dairy Princess." Each of the other contestants will receive an appropriate consolation award.

**It Seems To Me**  
By Janet C. Keed

Do dresses of knit fabrics require a lining or undering? Since knit fabrics differ greatly and since each woman has different fashion ideas, the answer is an individual one. The weight of the knit will make a difference. In general, the heavier the knit the less likely you'll need a lining. Some women dislike the extra weight a lining adds, while others like the comfort and support of the lining fabric. If the dress and the lining fit properly, you shouldn't be aware of extra weight when you wear it. The polyester double knits are so delightfully washable and wrinkle resistant that a lining seems unnecessary. Yet, you'll find some very expensive ready-to-wear polyester knits with linings attached. A soft knit fabric may tend to cling to the figure, although heavier knits are not as likely to. If your figure is one that can take it, you may like this effect. If not, a lining gives the effect of a heavier fabric. A soft knit, with a crisp underlining, can be made up in styles with crisp lines. Without the underlining, you would need to select softer styles. An underlining or lining usually is made of a woven fabric which is more rigid than a knit. Many of us like the comfort that comes from the natural stretch of a knit fabric and the woven lining restricts this somewhat. Then, too, you'll get a more flexible fit from the knit fabric. I've seen some knit dresses that the wearer would never have gotten into if the fabric had not stretched—or had a rigid lining. On the other hand, a lining provides a guide for pressing to shape should the knit fabric shrink in dry cleaning. And it also helps keep a stretchable knit in shape as the dress is worn. If you decide not to use a lining or underlining, consider wearing a firm, taffetized trikot slip. These are made especially to wear under knits and come in various skirt styles to correspond to the skirt you are wearing. Only you can decide if you want to go to the extra effort of inserting a lining or underlining in your knit dress. There is no single answer.

Applications for the contest may be secured from our County Extension officer in Dover. Pruning of evergreens, woody plants and most all types of ornamental shrubs and vines and should be part of a regular maintenance program. You should prune to improve the health of your plants, control size and shape, increase the flower display, and remove over crowded stems or branches. To improve the health of your plants cut out dead, diseased, or damaged wood at any season of the year. Prune your shrubs so they keep their natural shape unless you use them as formal hedges. When you prune avoid damaging other shoots and branches. Spring flowering shrubs produce the blooms as growth from the previous year. If you prune these shrubs in the winter months, you will remove many of the flower buds that would produce flowers the following spring. These plants should be pruned as soon as the flowers fade in the spring before new growth starts. On the other hand, summer flowering shrubs produce their blooms on wood that has been produced the same season. These shrubs should be pruned in the dormant season, usually in early spring before growth begins. Broad-leaved evergreens go into the dormant period with their swelled flower buds already formed should be pruned immediately after flowering. Those that produce flowers on new wood may be pruned anytime during the dormant period, or if they bear fruit, after the fruit ripens. Vines usually need pruning to limit growth, to their stems and branches, and to remove dead wood. All vines with the exception of clematis, should be pruned in the dormant season. The spring flower clematis should be pruned after flowering. Small pruning cuts of less than 1 inch in diameter usually heal quickly if they are smooth

Attention: Women of St. Stephen's: The united thank offering will be presented at the 10:45 a.m. service of divine worship next Sunday. Please notice that this is a departure from former practice. Notice is being given in advance of the annual parish dinner and meeting which will take place this year on Thursday evening, November 20. At the annual meeting three new vestrymen are elected for the coming year, reports are made by the various officials of the church, and the budget for the coming year is adopted. Attention: Men of St. Stephen's: There will be a men's Corporate Holy Communion on Advent Sunday, Nov. 30 at 7:30 a.m., followed by breakfast in the parish hall at 8:15 a.m. Every man of the St. Stephen's church family is urged to be present. It would be good if each man sponsored a boy for this occasion. Please notice that the service is one half hour earlier than usual due to the shortness of time before Church school. Please let the parish office know if you plan to attend no later than Tuesday, Nov. 25. We still have on hand about 7 boxes of Christmas cards which sell for \$2.50 a box of 20. We're placing these in the vestibule in plenty of time so that those who desire them can get them. Those who buy the cards are asked to give their money to Miss Janet Harrington, our church treasurer or in her absence to the vicar. This year confirmation at St. Stephen's will fall on January 11. It is, therefore, important that we get started

and at an angle so water does not stand in them. But you should treat wounds over 1 inch in diameter with an asphalt wound dressing. This is now available in a spray can for clean handling. If you would like more information on pruning of trees, shrubs, and vines just call or write the Kent County Extension office for the pamphlets. All of you dairymen and other interested persons should keep in mind our annual Delaware Open Barn Events starting on 10 a.m. on Wednesday, Nov. 5. You are all invited to visit the herds and farms of Mr. and Mrs. Carlton Blendt, Townsend, and Mr. and Mrs. Fred Stites, Dover. Come on out from 10 a.m. to 3 p.m. and talk with these people—and see how they handle their dairy herds. One other reminder for beef growers. Delaware beef cattle tour is set for Thursday, Nov. 11. For those of you in Kent county there will be a group assemble at the Extension Office at 9 a.m. on the 11th and we'll proceed from there to the first tour stop. For more information call the Kent County Extension office.

## Lake Forest Wins State Cross-Country Title

Coach Harold McDonald's Lake Forest cross-country won the Delaware Interscholastic Cross-Country Championship on Monday afternoon. It was McDonald's turn to win. He had coached Harrington High teams to the state title in 1963 and 1968. However, we don't think this ultra-successful leader will have to wait until 1972 to win the big one again. This 1969 title group has no seniors. Their success this autumn should bring a host of new candidates in 1970.

Dan Rincon, the Dover Air High runner, who entered school in Delaware on October 8th, gave Spartan, Chris Wetherhold, his first defeat of 1969. For the third straight year, Wetherhold had to be content with runner-up honors. Chris trailed Jeff Brokaw the best scholastic harrier in Delaware history, in both 1967 and 1968. Brokaw is 2½ years older than Wetherhold.

tinny Parker stayed together for the last quarter of a mile, to put Lake Forest in the winner's circle. Bill Stubbs was the remaining harrier of the state champ septet.

The huge trophy won by this gallant group goes into the trophy case at Lake Forest High to keep company with one earned by the Spartans for winning the Lake Forest Invitational. If this team can win the Henlopen Conference title and accompanying trophy on November 12, this first Lake Forest team will have had a most prolific year.

Wetherhold, Morris, Bostick and Hitchins received individual awards.

The jaycee Spartans did a fine job also, finishing second to Bob Behr's Tower Hill Hilliers. Tower Hill requires all healthy male students to either play football or run cross-country. This assures both of the squads plenty of candidates.

Dan Bell finished second, Ricky Hamm was eighth and Gunnar Dale was tenth to run the Spartan's total trophy board to eight.

Billy Walls was being groomed by Coach McDonald for the state jaycee individual title. Three weeks ago, he suffered a serious knee injury in a touch football game in gym class. He was on crutches, at first and could not practice. Displaying great fortitude, he competed with his knee being tightly strapped and finished 13th, a great clutch effort! If one more Spartan had crossed the finish line fairly soon, the jaycees team title would have come south, also. Wall's injury indicates that it might be smart to have athletes exercised from gym, if they desire, during that period, in which they are participating in a sport. This is done in other states.

Rincon, on the other hand, is a 16-year-old junior, as is the Spartan. It appears that the Falcon is a natural runner, who logs more practice miles, than most anyone in the area, hence his quick success. This transfer student can help Wetherhold greatly and vice versa. Each would have little competition in the area but for the presence of the other. If they go at each other, hammer and tongs, in track and cross-country, for the next two years, each boy could improve to the point, that both could have their pick of athletic scholarships. A dozen colleges have already shown great interest in Wetherhold.

Lake Forest scored a low of 550 points to win handily over runnerup Alexis L. duPont High of Wilmington.

Rincon broke Brokaw's record for the course of 13:38 set last year, with 13:34.6. Wetherhold's 13:50 is the third best time ever recorded on the rugged 2.6 mile course on Polly Drummond Hill, Newark. The pair ran together for 2.3 miles with Rincon opening up an 80-yard lead, near the end. Aaron Price of Cape Henlopen (Lewes) was a distant third with Laurel's Ty Griffin in fourth.

Brad Morris and Sam Bostick, the determination twins, didn't think they had the ability to get in the top ten and thus win a trophy. But, this gutsy pair put out 1000 percent and finished seventh and ninth.

Danny Hitchins hasn't been consistent this year and finished 25th in the recent Lake Forest Invitational. But this time Danny gave it all he had, stayed close to Morris and Bostick, cut loose with a nice kick at the end to nip Tatnall's Mac Davis for the tenth place. With four Spartans in the top ten, only one more had to finish up close to give Lake Forest the coveted state title.

Freshman, Jackie D. Parker, is a money player," always at his best in the state meet, when a top performance is needed most. Jackie passed teammate, Jerry Scott, and spurred the big guy into picking up the pace. Scott, a lanky 6 feet, 4 inches, and the

## Lake Forest Wins Own Invitational

The first trophy is in the trophy case at Lake Forest High School. The Spartans won the 12th Annual Invitational Cross-Country Meet, ease, as surprising first-year Laurel, was 44 points back in second place.

Only eight teams competed this year compared to 12 in 1968. It is anticipated that a dozen schools will be running in this meet in 1970.

Coach Harold McDonald was again the mentor of the winning team, with his star runner, Chris Wetherhold, picking up his third straight invitational first-place trophy. Team scores were Lake Forest 62, Laurel 96, Caesar Rodney 103, Milford 106, Cape Henlopen 117, Middletown 145, Dover Air 148, Dover 164.

Are you one of those persons who says "I have never seen a cross-country race, but I want to get out there and see one?" If so, you missed a great, dramatic duel, last Wednesday.

Wetherhold had beaten the best croc of Delmarva harriers in history, by margins of 19 seconds or more, in dual meets this autumn. Dan Rincon, a 5 feet 4 inch, 110 pound junior, from Dover Air High, was entered in the meet, after hav-

ing arrived in Delaware in early October.

Rincon had competed for a high school in Tucson, Ariz., in 1967 and for Penn Central High, Pru, N.Y., in 1968. His credentials were impressive but unsubstantiated.

## Pitts Heads For Dover Downs

Charles Pitts, who commands one of the larger stables and is now one of the leading drivers at Harrington Raceway took his, then wife to be Francis to Brandywine Raceway 13 years ago on their first date. They both dug the racing scene and each other.

Pitts who was born in Chester, Pa., and now lives in Harrington heads an 11-horse stable at the Kent County oval lead by the good Roy Abbe, who is racing in Invitational

Company. Charles also races at Liberty Bell and has made the best in his care, Preble Adios, a constant 2:05 pacer.

The pride of his stable is a little gal named Bally Dear, a recent purchase at an Ohio sale. Charles just started breaking Bally Dear and says "she's a natural born pacer."

The Pitts also have other standard bred interests. They own Rippling Good (1:58 1/5). Last year this fine animal sired 36 mares. These foals will be two years old in 1972. It's a long time to wait to see if Rippling Good will produce like his daddy, Good Time, by the Pitts, are look for great things.

The Pitts also own broodmares.

The Pitts stable will be active at Harrington between now and the closing night of November 8th and then they will head for Dover Downs which opens Monday, November 10th.

ing arrived in Delaware in early October.

Rincon had competed for a high school in Tucson, Ariz., in 1967 and for Penn Central High, Pru, N.Y., in 1968. His credentials were impressive but unsubstantiated.

Rincon took the early lead and led the powerful Wetherhold 1.2 two miles, as the classy field fell gradually behind. The halfway point was reached in six minutes, the two-mile point in 10.12, these are sensational times. The two juniors were neck-and-neck for the last four-tenths of a mile, with Wetherhold inching out to a narrow victory in the last 100 yards. The winning time was 12 minutes flat thus breaking the Spartan's old course record by 24 full seconds. Rincon clocked 12:06 and friends, he is for real.

Talented runners like Laurel senior, Ty Griffin, Cape Henlopen 9:55 two-miler, Aaron Price; Caesar Rodney's Jim Waldbuss; Cape Henlopen's Emory Howell, a 4:37 miler and 2:03 half miler; were from 33 seconds to 57 seconds behind the flying leaders.

Spartan's Brad Morris and Sam Bostick, a hard-working dependable duo all fall, siced one second marks by 24 and 19 seconds respectively to set up Lake Forest's team triumph.

Jerry Scott and Billy Stubbs clinched the team trophy, by nabbing 17th and 18th spots.

Scott ignored a sore leg to cut off six seconds. Stubbs dropped 20 seconds. Freshman whiz, Jackie D. Parker lopped off 21 seconds.

## harness racing nov. 10 - jan. 3 post time 8:00 p.m.

The reserve race was won by Lake Forest with 24 points. Middletown was second, Chipman School's harriers, coached by ex-West Chester State harrier Jim Blades, narrowly missed beating the upstate for second place. Another Chipman team ran well in fourth place.

Penn Bell, Rick Hamm and Gunnar Dale were 1-2-3 for Lake Forest, each in his fastest trip yet around the 2.4 mile layout.

13-year-old Don Woods and Ned Parsons had record ef-

foris in sixth and seventh places. Other personal bests were logged by Chris Adamo, Ron Harmon, Terry Jarell, Kevin Wooters, Kevin Lyons, Toni Lyons, Jim Long, Gary Archy and Alan Welch.

People's Restaurant and the Spoilers fought to a two-two stalemate Tuesday night, but it was good enough for the restaurant boys to regain sole possession of first place. Norman Clough was the big gun in pacing People's back to the top spot with a grand 216 game, amassing a very great 531 series, with Frank Collins coming through with a very good 534 series and Cloyd Bushey chipping in with a real fine 209 game and above average performances from the rest of the team members for a real fine team performance.

The Spoilers countered with a fine defensive effort from Carl Wright, who bowled a very fine series and Richard Wilson and Leonard Outten who came through with good series performances. People's must come on strong against next week's opponents to win the first third title, nevertheless, however, the outcome, this team has put on a superb showing since the beginning of the 1969-70 bowling season.

Taylor & Messick came up against a formidable foe this week when they clashed with McKnatt's. McKnatt's has had its share of trouble this third, they were able to come through with a

winning performance to knock last week's league leaders from the top spot. George Collins put on a fine effort, as did Tom Brown to enable the farm boys to keep one game out of first place, by helping to win the first game of the contest.

Harry Jack rolled a very fine 525 series, including a great 214 game and Robert Gary came through with a good above average performance to lead McKnatt's to their three-game victory. For Taylor & Messick it was a reminder of the championship tilt against McKnatt's at the end of last season that saw this same McKnatt team ruin their chances of taking a championship title.

Penn Central which has been quietly watching on the sidelines, took advantage of a below par showing by Gerardi Bros. to move up from fifth place position. After losing the first game of the match, the railroaders came on strong to easily swamp the furniture boys the final three games. Marion Brown rolled a great 534 series, with Paul Baker contributing a real fine series and William Lord chipping in with a grand 217 game for Penn Central's fine showing. Francis Dill and John Forbes bowled good above average performances in a losing cause for Gerardi Bros., who slipped from third to fifth place. Tho Penn Central cannot possibly win this third they have proven they are a threat this season and should not be underestimated by their upcoming opponents.

Butler's Fuel is also finishing well this third, sharing
