2. Allow county employees to engage in political activity.

Ike Thomas helped create the Merit System, and opposes the threatened return to the political spoils system.

Ike Thomas believes the fire companies and local police deserve more than "moral support." He favors increased county support for these public servants where a surplus is

4. A full-time county man-

Ike Thomas believes the county should get more work for the dollar from the employes we now have, before employing a county

5. Improved trash disposal.

Ike Thomas has repeatedly been thwarted by Democrats in his efforts to improve landfills, which he helped institute.
