American Legion Auxiliary News

The American Legion Auxiliary of C.K.R.T. Post is again asking for the names and addresses of Harrington area men and women who are serving in the armed forces overseas. As has become the custom each year at Christmas, a gift box will be sent from the unit to each serviceman or woman who is serving in the foreign field.

In order to do this, their addresses must be given to Mrs. William Outten. A phone call to her at 398-3276, or a post card addressed to her will be sufficient. The deadline for mailing packages is drawing near, and the addresses must be given this week.

William Comer be granted use of school facilities to initiate a creative dramatics class and to develop faculty entertainment in the North Elementary area in accordance with his request.

Tax-sheltered annuity programs were discussed, and it was decided some policy must be made to protect the Board.

Mrs. Marlene Hurd of Canterbury was hired as a clerk on a 10-month contract. Solomon Markowitz reviewed the different programs now underway in the elementary schools.

Melvin Luff reported on the various major and minor capital improvement programs in the district.

It was regularly moved, seconded and approved that Mr. Dodge from ILC be informed that rental fees for use of buildings in the Lake Forest District are a matter of policy and that the stated price for the use of facilities at Lake Forest North School would not be changed.

Delaware Farm Income

Delaware's 1970 cash farm income was four percent below the all time record level in 1969, according to Dr. Raymond C. Smith, chairman of the department of agricultural economics at the University of Delaware.

Smith provides an economic analysis of Delaware's crop and livestock production for 1970 in a recent publication assembled from newly released USDA figures.

The year's income drop was balanced by an increase in cash income from crops by \$3.26 million and a decrease of \$8.29 million in cash income from livestock and livestock products.

Cash income from corn, tomatoes, green peas, lima beans, watermelons, greenhouse and nursery crops, and snap beans all had substantial income increases. Asparagus, apples and soybean incomes decreased.

The number of broilers grown in 1970 remained at about the same level as the previous year, but broiler prices decreased from 16.6 cents per pound in 1969 to 14.8 cents per pound in 1970.

The dominant influence of broilers on Delaware's cash farm income is demonstrated by data for 1970. Broilers account for 51.8 percent of the cash farm income for the state. The decrease in cash income from broilers resulted in a reduction in income from Sussex County and for the state even though income actually increased for both New Castle and Kent Counties.

Hogs and turkeys had decreases in income while income increased for fluid milk, cattle and calves.

Farm production expenses continue to increase — this year by \$6 million. Expenses for livestock and for seed were the only production expenses that didn't increase. The biggest increases in expense were for feed, depreciation, fertilizer and lime, and interest on farm mortgages. The value of inventories in Delaware farms decreased by \$3.3 million.

As a result of these changes, Smith points out that net farm income decreased from \$64.1 million in 1969 to \$42.8 million in 1970. Net income per farm in Delaware continues to rank high in comparison with other states, however.

The number of acres planted in corn increased by 15,000 acres in 1970. The average yield for corn dropped from 78 to 74 bushels per acre, but total production increased by 430,000 bushels.

Soybean acreage remained constant at 162,000 acres in 1969 and 1970. With an average yield of 21 bushels per acre.

City Hires One Full-Time Policeman and One Part-Time

The City Council, at a special meeting Monday evening, with all councilmen present, hired one full-time patrolman and one part-time policeman.

It hired Richard Bradley, of Seaford, on a year's probation, for full-time patrolman at a starting salary of \$6000 per year. Bradley, who started Wednesday, has been a policeman at Blades and a part-time patrolman at Seaford and Rehoboth. Mayor Burton E. Satterfield, at a special meeting last Thursday, when Bradley and others were interviewed, said he wanted a guarantee of a full year's service.

The part-time patrolman employed was Robert Champion, 32, of Dover Air Force Base. He has been employed as a private investigator. Champion will work a maximum of 30 hours per week

and will start at \$2,500 per hour. He will also be on a year's probation.

In other business Monday night, the salary of Acting Chief Robert P. Faulkner was raised from \$115 to \$125 per week.

While nine applications were filed for last Thursday night's meeting, there were 12 filed when the council meeting convened.

They were as follows: Frederick Campbell, Dover, and Ralph Sharp, Rd 1, Harrington, both for police chief; Frank W. Wheeler, Felton; Harry E. Myers, Easton, Md.; John C. Hudson, Clayton; Richard Bradley, Seaford; Gary Edgar Crutchfield, Georgetown; John A. Wright, Wyoming; Robert Wesley Sommerville, Harrington; Robert Champion, Dover; all for patrolman, and Eugene Smith, and Mrs. Anna Hampton, Harrington, both for part-time police.

Of this number, Wheeler, Sharp and Crutchfield did not appear for an interview, while Sommerville was interviewed the previous Monday.

Mayor Burton E. Satterfield last Thursday night said those interviewed were the best prospects he had seen since he had been serving the city as mayor and councilman.

He added he favors cooperation by the police department with the city government and pointed out, "We haven't had it the last ten months."

The council awarded an emergency bid to Fry's American to put in a motor on the yellow police car on a bid of \$529.63. Fry agreed to do the work in two days.

At the meeting last Thursday night, on a motion by Councilman James Carroll, Third Ward, seconded by Councilman Jack Wyatt, First Ward, it was agreed to drop charges of insubordination against former Chief of Police Robert Martin. Also favoring the move was Councilman Jack Aptt, Fifth Ward. Councilman John T. Satterfield, Fifth Ward, said "No." Councilmen William Minner and George Vincent were not present.

Martin had been charged with insubordination in a confrontation with Minner who, Carroll said, had demanded an investigation of charges against the police engendered by dissension of the police and employees at the raceway where the police had gone to accompany money. Minner said the chief walked out on him from the talks.

Carroll said it was not up to Minner to demand an investigation but up to the Council as a whole.

Carroll also tried to get firing charges against Minner dropped, but lost when Councilman Satterfield left, leaving the council without a quorum.

Chief Martin, Cpl. Theodore P. Heby and Patrolman William Mintzer had turned in letters of resignation accepted at the council meeting Oct. 11. In general, they expressed dissatisfaction with the council.

Coming Events

Harrington Little League Auxiliary will meet Thursday, Oct. 28 at 7:30 p.m. at the First National Bank All mothers please plan to attend.

Marvin A. Hopkins

Marvin A. Hopkins, 18, of the Frederica - Harrington Road, was dead on arrival at Kent General Hospital, Dover, Sunday, of multiple injuries, suffered in a one-car crash. A volunteer fireman, he failed to negotiate a sharp curve on Kent 158 about two miles west of Dover.

Mr. Hopkins, a lifelong resident of Delaware, worked in the stockroom of Lowes, Inc., in Dover. He had attended Lake Forest High School and was a member of the Frederica Volunteer Fire Co.

He is survived by his parents Mr. and Mrs. James W. Hopkins Jr. of Felton; three brothers, William H. of Frederica, Denni J. and Perry P., both at home; a sister, Lana Sue Hopkins, at home; his paternal grandparents, Mr. and Mrs. James W. Hopkins Sr. of Felton; and his maternal grandmother, Mrs. Mary Carroll of Barkely, Md.

Services were held yesterday afternoon at the Berry Funeral Home, Main St. Felton. Interment was in Barratt's Chapel Cemetery near Frederica.

Greenwood Thief Gets Gun Shells

Thieves broke into Helen's Market in Greenwood last Thursday and stole merchandise valued at more than \$500 according to Delaware State Police.

The theft was reported after the owner, Mrs. Helen Gokmar, opened for business at 7 a.m. She said in addition to money, food, and rifle and shotgun shells, the thieves drank several cartons of milk as they ransacked the store.

Police said entrance was gained by taking out a pane of glass in a door.

UNICEF Fund Drive To Be Held Next Thursday

UNICEF collection will be made in the Harrington area next Thursday. All school children are invited to help with the collection by meeting at the Century Club at 3:15 p.m.

Former Assistants Accepts New Positions with Rt. Rev. Mead

The Rt. Rev. William H. Mead, Bishop of Delaware, has announced that his two former assistants have accepted new positions on his staff.

The Rev. Lester L. Dobyns will assume the position of director of program development and Dr. Canfield Hadlock that of financial officer.

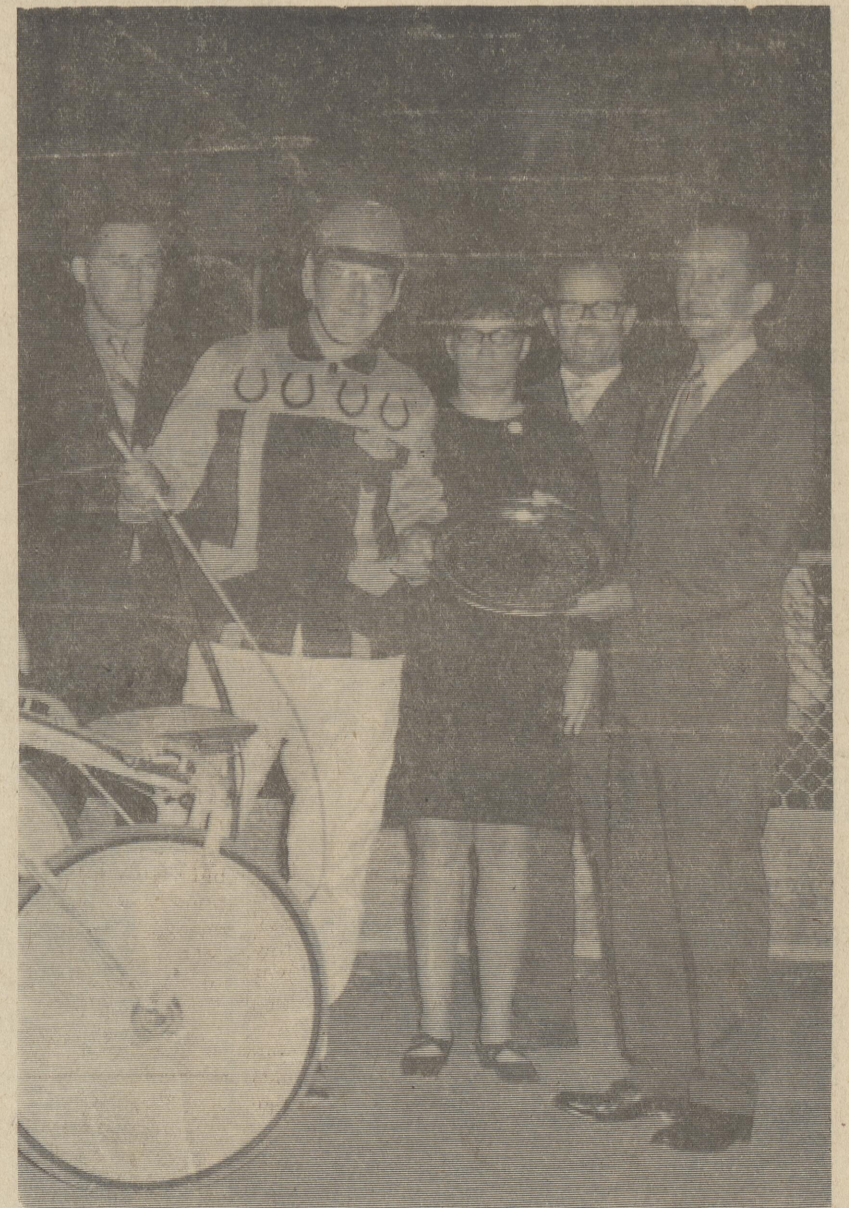

Dobyns will be working with the three divisions of Diocesan Council; namely, parish support, Clergy support and outreach (mission) developing specific programs of the church out of identified needs of the people. This position is a direct outgrowth of the successful \$2,493,000 drive completed last year to fund Resources for Leadership in the '70's and the subsequent demand on Diocesan Council to develop program.

This council is the governing body of the Episcopal Diocese between conventions and is composed of nine clergymen and nine laymen elected by convention.

Hadlock will coordinate all financial affairs of the Episcopal Diocese acting as consultant to Diocesan Council, the 39 Episcopal parishes and missions, the RL 70's program committee, trustees and the committee on the Advance and Development Funds (for new facilities).

Dobyns came to Delaware in 1969 from Detroit where he was executive director of the Association for Ministry in Higher Education, an ecumenical agency which he founded. He and his wife, Barbara, reside at 2308 Gray Wood Road, Northshire.

Hadlock also joined the bishop's staff at the end of 1969 upon his retirement from the DuPont Company where he was assistant to the production manager of textile fibers. He and his wife, live near Kennett Square, Pa. Mrs. Hadlock is the daughter of Mrs. Philip Cook and the late Bishop Cook, 4th bishop of Delaware.

KENT COUNTY COMMENTS

by JOSHUA M. TWILLEY
Levy Court President

The Kent County Levy Court is in process of preparing comprehensive property maps for the county. New Castle County and Sussex County have already commenced the project. When these maps are completed, property locations, exact acreages, neighboring landowners, location of utility easements, and highway frontage will be easy to see because each section of the county will be on a property map.

The maps will clear up questions of ownership, size, and location. Questions of title to property will be easier to answer and people buying and selling land will have a quick and cheap way to see what they are buying without going to the expense

of hiring a lawyer for that purpose. Last Tuesday, the Levy Court decided to reject the first bids which we received on this project because the low bidder had made an error in presenting his bid. Since the second low bidder was \$40,000 higher, a majority of the commissioners felt that it was not fair to the taxpayers to award the job to the second low bidder; nor was it fair to the second low bidder to overlook the fact that he had presented a proper bid when the low bidder had not.

New bids will be opened early in November and the project will be completed by February of 1973, at a cost to the county of approximately \$200,000. The taxpayers of Kent County will save many hundreds of thousands of dollars during the next ten years as a result of this project, and it will add a greater accuracy to all property records.

Howard Pritchett

Howard Pritchett, 59, of Felton, died Wed., Oct. 13, in Kent General Hospital, Dover, after a short illness.

Thad Hanover Looking For Second Win At Harrington Raceway

Thad Hanover is looking for his second straight win tonight in the "Greater Dover Chamber of Commerce" trotting feature at Harrington Raceway.

Charles Pitts, owner, trainer and pilot for the five year old son of Caleb has been assigned the number two posts in the B-2 and B-3 handicap. Thad has won two of his three starts here, finishing third in another.

Toughest competition should come from lane three where the good Cambridge owned, Joyce Nickawampus will leave with Federalsburg, Md's sulky ace Frank Abbott at the lines.

Faithful Ghost, the big gray Wayhousht gelding, looks for back to back triumphs with Joe Offutt in the bike

from lane four.

Also challenging for the Chamber of Commerce trophy will be Keystone Annabell with Eddie Taylor; Citan's Comet with Vinal Krby; Brown Rhythm with Grady Spears; Sporty Fourth with Ellis Myer and Spud's Boy with Alvin Lineweaver.

The president of the chamber will present the trophy.

In other action tonight, long time civil leader, former public relations man and chamber president Jack Moresse of Dover will present a trophy to the winner of the "Jack Moresse Feature", the sixth race. Citan's Express with J. D. Dennis Sr., aboard is the early trotting favorite in this one.

Post time tonight, ladies night, is 8 p.m. for ten races.

Dave Moore, 14, Trails Top Runners by 2 Seconds

DAVE MOORE, Chipman cross-country record holder.

Frederica's David Moore, a 14-year-old, eighth grade student, at W. T. Chipman Junior School, is only two seconds behind the best Lake Forest varsity runners, at this writing. Two Spartans have negotiated the 2.4 miles, hill-and-dale layout, at Killen's Pond State Park, in 13.49. Moore, who will be eligible to run varsity in 1972, has done 13.51 under slightly less favorable conditions. This great performance sets a new Chipman mark, breaking the old standard of 14.02, set by Howard Parker, last fall. Parker, who will be thirteen on August 25th, returned to the running game, after a ten month hiatus. He is currently at 14.43, after improving ten seconds, his last time out.

Barry Doherty, a third terrific prospect developed by Chipman coach, Jim Blades, is No. 2 on the fine seventh - eighth grade team, with 14.27.

Picture runner, Harry Benson, improved 41 seconds to 15.03 and Ron Berry, dropped 51 seconds to 15.05. Wayne Voshell, is in this neighborhood also.

Rick Wright (15.19), Kim O'Toole (15.20) and Lester

Blades (15.26) are the remaining harriers in the top 9. These kids can beat two or three lower Delaware varsity teams, already.

Seventh grader, John Moffett, a good bet for a varsity spot, in 1973, recently was tenth in 16.03, on an off day, for him. Other clockings were:

- 11. Ron Woods 16.04; 12. Charles Scott 16.20; 13. Stanford Smith 16.21; 14. Wade Brown 16.23; 15. Bob Mullane 16.30; 16. Jamie Simpson 17.11; 17. Eric Hamsher 17.15; 18. Ken Cerklefskie, 17.20; 19. Kevin Pec. 17.28; 20. Dave Dale 17.42; 21. John Morris 18.08; 22. George Gibbs 18.09; 23. Jim Chatham 18.22; 24. Chuck Cox. 18.51; 25. Bill McGinnis 19.19; 26. Mark Smith 19.54; 27. Dave Moffett 19.59

Cerklefskie, Mark Smith and Dave Moffett are working out on the course in order to pick up experience, for their debuts as team members, when they reach the seventh grade. All are nine years old and put many older runners to shame with their exploits. Cerklefskie has a year's head start on the other two. Smith' 19.54 was his very first effort while Dave Moffett cut off 2 minutes recently.

Harriers Nearly Upset Unbeaten Dover

Lake Forest's cross-country Spartans had unbeaten Dover High on the ropes but couldn't deliver the knockout punch. The visiting Senators rallied in the late stages of the 2.4 miles test and edged the Spartans 26-30.

Dover had never beaten a Harold McDonald coached team before. It's also the first time in 14 years of hill-and-dale tutoring, that the local leader had more than two defeats on his record, in one campaign. Lake Forest is 1-3, at this writing.

The Spartans were strengthened by the return of their captain, Bill Stubbs, who was the first Lake Forest runner to finish. Stubbs did a fine job since he was competing with a broken toe. Bill is seeking to regain his No. 1 ranking from freshman Vernon Bowers, who beat Stubbs

twice, at a time when Stubbs had ten good toes (or was it eleven?)

Rick Hamm cut 15 seconds off his lifetime best. Johnny Jackson joined the team, a week earlier, ran a good 15.10 without practice, then knocked a full 50 seconds off that mark against Dover, to grab ninth place. Larry Dill, in tenth, outsprinted McKim of Dover, to run 18 seconds under his previous best effort. Ron Moseley, a first-year prospect, was 38 seconds faster than previously.

Freshman Robbie Wyatt logged a good 17.53 in his first race. He'd been on the team only two days.

Rick Hoffman, a former Harrington cross-country runner, finished fifth for Dover. Without his fine effort, Lake Forest would have been a 27-31 victor.

Spartan Gridders Top Indian River 26-8

Indian River's visiting Indians were handled rather easily by Al Wood's Lake Forest Spartans, on Friday. The 26-8 triumph was the fourth in five starts for the Spartans. The locals tallied in every possible manner with the exception of the two point conversion. Frank Daniels kicked a 26 yard field

goal and is still perfect for the year on extra-point kicks. Norman Baynard tackled Indian River's Norman Empty in the latter's end zone to record a two-point safety. Baynard gets the "Hit of the Week" designation.

Herm McBride gained 121 yards in ten carries for the "Offensive player of the Week" nomination. Jim Dill battled down at least one aerial and intercepted two more to gain the "Defensive player of the week" pick.

Spartan quarterback, Lawrence Sorden, had a sore pitching hand, so threw sparingly and handled off with the other, or left hand. The first Lake Forest T.D. was notched on running plays by McBride, Neal Travis and Rick Porter.

Travis carried the final yard after McBride set up the score with a nifty broken-field jaunt of 21 yards.

A long, Lake Forest drive was kept alive by a roughing-the-passer penalty and a 13-yard sashay by McBride. Daniels drilled the field goal, when Indian River grew tough.

Lake Forest practically ended the visitors' hopes with a quick second-half tally. McBride took the kickoff thirty yards to the Spartan 40. Travis reached the 44, then McBride bulled 14 yards. Travis

turned the right corner, stepped out of a tackle, then tightrope 42 yards down the sideline into the end zone.

Jim Dill intercepted at Lake Forest's three to stop an Indian uprising. McBride dashed 50 yards down the sideline. Indian River dug in at the 34. Dill then got off one of several good punts he had Friday night, to put the losers up against their end zone. A return punt was muffed by a Spartan and lost. After a gain of 5 yards, Empty's elusive 42 yard dash put the Indians on the scoreboard.

Later, Bruce Burton downed a Dill punt at Indian River's two. Baynard then got Empty for the safety.

The final score saw Sorden throw to Dill.

Smyrna comes to Lake For-

est this Friday. The locals want to win and assure, at least a 500 season. Actually, they expect to better that mark. We think they will do it.

Letter To The Editor

From Where I Sit

I hear laughter — behold the laughter is against us not with us. The headlines and happenings at City Hall are what seems to be humorous. Since it involves my welfare and yours it sickens me to see men of given authority publicly looking back digging up dirt of ex-city employees — blind that they might uncover a vein of their own. Looking back instead of forward with a positive direction. Asking questions "do you think there have been too many arrests?" — instead of "where are our weak spots?" — "why do we have so many violations?" — "can we improve ourselves?" I, like you the reader have sat back and been stripped of our rights to have law and order practiced in our town.

Let us consider an old saying, "A man who is always satisfied with himself is seldom satisfied with others." I can understand a group of men finding fault with a man. But I cannot understand their finding fault with all men. Since my article two weeks ago we have watched as our chief was fired and resignations accepted from two others of the force leaving one acting chief. Last week there was a letter from California directed to the editor, pertaining to the "game of dirty pool" referring to the dismissal of Mr. Rogers. It took eight years for the city to discover him incompetent. Think about that! Then came the new force — they had new ideas. They used the same measures for everyone. They were right in there playing ball (town series) and they called "time out" to ask for more cooperation — more pay for overtime, some new equipment. The clock stopped — the coaches started yelling "Foul". The game was over — and we sat doing nothing. There is laughter.

What are we hiding in City Hall? Why do they get mad? Why can't the problems be ironed out instead of folded away? Is there still not two sides to each story?

From where I sit, I feel that no matter who or how many men are hired as replacements the problems still exist. True, new men can be manipulated for awhile but a man cannot function without some incentive to go on. "Buck passing" wears thin fast. Every man must have tools of his trade to work with. Every man's effort should be respected. What can we do?

Harrington Bowling League

Leah S. Wheeler

Snooky Collins set the pace for Taylor & Messick who continued their winning ways by overpowering Fry's American in three games. Rolling the league high series for the night, Snooky hit a grand 565 series, with a 200 game included, and Tom Brown chipped in with a fine above average effort to help the T & M combine retain their six game advantage over their closest rival, John Forbes and Bob Wyatt bowled very well for Fry's enabling them to squeeze one game out of the frontrunners.

Jarrell Fuel remains in second place, but by pin count only, Harold Melvin rolled a great 222 game and amassed a grand 555 series, and Martin Jarrell contributed a great effort for the fuelers as they bounced back, after losing the first game of the contest to Robbins Hardware to take the remaining games. Harry Brown rolled a great 206 game and 513 series and Frank Robbins contributed a grand effort for the hardware squad.

The Honey Dippers are making themselves well known, as they continue to move up the ladder. This weeks standings finds them breathing down the neck of Jarrell Fuel, as they are third in the standings in pin count only. George Elliott smashed the pins for a great 537 series and Sam Powell rolled very good for the Dippers as they squashed Butler's Fuel in all four games. The fueler's Larry Larimore bowled well in defeat.

The Spoilers remain in the thick of things as they trounced the cellar dwellers, T & M Rejects, to hold down fourth place. John Shaffer and Carl Wright were the big guns for the Spoilers. Ray Wright bowled very well for the Rejects in defeat.

McKnatt Funeral Home found themselves down from third to fifth place after dropping three games to Penn Central Tuesday night. It seems that no one could find the range for McKnatt's, while Ken Layton was scorching the boards with a 544 series effort for the rail-riders to give them the extra power they needed to overcome their opponents.

Wally's Garage received a grand 542 series effort from Larry Breeding and a good effort from Gene Wright, although they were only able to collect one game from Gallo & Stevenson. John McCloskey and Henry Jackimek, Sr. (532) proved to be the power getters for the construction boys.

Frank Collins led People's Restaurant to a three game conquest over Quillen's Mar-

ket with a grand 535 series effort with a great 210 game included. Bill Manship also added a great effort to Peoples' course. Don Wilson and Ralph Kemp bowled very well for the market team, enabling them to salvage one game.

This Week In The Garden

Autumn is the season of beautiful color and bountiful harvests. It is also the time to plant new shrubs and

trees, says Robert F. Stevens, extension horticulturist at the University of Delaware.

Don't overlook viburnums when selecting new plants. These shrubs can add color to your landscape from early summer to late fall, explains Stevens. You can get viburnums with red, orange or yellow berries, and some varieties produce a berry that turns black late in the season.

Tea viburnums are popular with many gardeners. The orange fruited plants are easy to grow and are available from most nurseries.

The Wright viburnum is another popular variety. This viburnum reaches a height of eight to nine feet, produces bright red berries and displays attractive reddish foliage in the fall.

An American cranberry bush will reach a height of 10 to 12 feet. This colorful viburnum produces clusters of large scarlet-red berries. The berries are edible and are often used in preserves.

Stevens says most viburnums produce attractive white flowers in the spring. These plants are also resistant to most diseases and are not easily damaged by insects. He adds, however, that for the best results viburnums should be planted in a well-drained

soil in a location where they will receive full sunlight.

Home gardeners should be thinking about protecting roses against winter freezes and cold, drying winds, warns Stevens.

Roses are temperamental. Some plants may be lost even if they receive the best protection.

One of the most common methods of protecting roses is to mound the plants with soil. A 10 to 12 inch mound of soil placed at the base of the plant will protect most roses.

Before mounding the plants, however, Stevens recommends removing all of the fallen leaves from around the roses. Some of these leaves may be infected with fungus diseases, such as blackspot, which could be carried over to next spring and summer.

Stevens also suggests cutting the canes back to 20 to 24 inches and binding the tops together with strong twine before putting the dirt in place. This will make it easier to work around the plants, and it will be simpler to pour the soil over the roses and let it fall in a cone-shaped mound around the base of the canes.

Don't remove too much of the plant. The major portion

of the pruning should be left until early next spring.

Fresh soil should be used to mound roses rather than soil from around the plants. If you dig around the plants, you may damage the roots or expose them to low temperatures which will result in damage.

FARM INCOME

(Continued From Page One)

acre in 1970, total soybean production decreased substantially from 1969's yield of 29 bushels per acre.

Average prices received for most crops were about the same or a little higher in 1970 than in 1969.

Delaware farmers produced an additional three million pounds of milk, 250,000 dozen more eggs and 75,000 more chickens in 1970 than in 1969. Hog prices were \$2.30 per cwt. higher, but broiler prices were 1.8 cents per pound lower.

Poems from Paradise Pastures

Members of the local Rotary Club, with their wives attended, last Tuesday, an Inter Club Meeting and banquet in the Nellie Stokes School at Camden honoring the 50th anniversary of the Dover Rotary Club where the speaker, Pierre duPont lauded the wide world Rotary movement in general. His remarks were along the lines of those of Paul Harris (founder of Rotary).

"It is not a miracle that Rotary has brought together good and influential men of all civilized countries? And is it not gratifying to know that there is a platform broad enough for all men to stand on? And is it not heart-warming to know that men of diverse faiths and allegiances can find so much in each other which is wholesome and good? Rotary is an integrating force in a world where disintegrating forces are far more numerous."

Richard Barros, Esq., plaintiff's attorney, whose address is 43 Green, Dover, Delaware, an answer to the complaint. To serve upon defendant a copy hereof and of the complaint, if the defendant cannot be served personally

Horses are continually plagued by internal parasites and as any horse owner knows they must be wormed regularly in order to maintain their health and vitality.

horse must run these eggs with his warm moist lips in order for hatching to occur. This stimulation is absolutely necessary; the eggs may lay on the hair for several months awaiting this process.

It Seems To Me by Janet Reed. Is this the year for a new winter coat? Why not make it? A coat is no more difficult than many other sewing projects, and it may give you more satisfaction than most.

Trying on ready-to-wear coats will give you an idea of new style trends. You may decide on a style you would not have considered otherwise. You'll see ideas, too, for interesting construction details you can use or adapt on your pattern.

Study proportions as you look at yourself. Do some collars seem too large? Which lengths and sleeve seem most pleasing to your figure? Where are pockets placed? Is a belt becoming? What width belt? Double breasted or single breasted style? Contrasting buttons or buttons the color of the coat? Store all these ideas in your head for possible adaptation on your pattern.

Consider the new fabrics used in coats. If you've wondered about a man-made fur, try on several different types. Some furs make the figure look heavier than others. There are subtle color differences that can affect becomingness. But among all the man-made furs, you can find a becoming one.

Plaids are tricky, too. Even large plaids when placed strategically on the figure can give the appearance of slimmness. Plaids can also be a disaster. Plaids will take extra time for planning, cutting and matching. They usually require extra fabric, too. A plain colored coating fabric with no nap will be easiest to handle and, in general, is becoming to more women. Some of these have interesting weaves for surface interest.

After trying on many coats and making a decision of what you want, the problem may be to find the fabric and pattern style. Fortunately, we have many fabric sources in Delaware today and a wider choice than a few years ago.

It's not too difficult to adapt a pattern. Find the style nearest to the one you want. Make it up in muslin first to check on fit and proportions. Look critically at yourself wearing the muslin coat to determine if the collar is too wide, or if the pockets are in the best place, or if you like the general appearance. You can change some features, or you may decide to change patterns.

One final point — buy the best quality fabric you can afford. Your coat will look better while you wear it, last longer and be easier to sew. It's a poor economy to buy cheap fabric.

However, price and quality are not necessarily the same. Expensive fabrics may be high fashion but fragile. Check, too, on the care the fabric requires. Some of the man-made furs require special cleaning and you will need this information to keep the coat in good condition.

Greenwood

by Pat Hatfield
The Greenwood Fire Company Ladies Auxiliary will hold its regular meeting on Friday evening, October 22. The time will be 7:30. At 8:30 there will be a household party and each member is urged to bring as many friends as possible. Anyone desiring an order but cannot attend, please call any auxiliary member.

We call your attention again to the Greenwood fireman's biannual supper which will be held on Saturday, Nov. 13. Serving time will be from 2 to 7. The menu includes baked chicken, dumplings and oyster fritters.

Also a much-needed event for the fire company to function is the annual fund drive. It is now in progress.

For the next month the Greenwood Fire Co. will be cleaning chimneys. Anyone desiring this service, just contact a fireman or come to the fire house on a Tuesday night. We are here to serve you. If you need us, call us, 856-6306.

Congratulations to Mr. and Mrs. Stephen Willey on the birth of a daughter on Oct. 9. The little girl weighed 6 lb. and has been named Ronica Lynn.

Mrs. Lester Workman joined the Farm Bureau Bus trip on Friday, Oct. 15, to Lancaster County and Wheaton, Pa., which was planned by the Kent and Sussex Agency and was very much enjoyed by her. She tells us about it thusly: "We toured through the Amish and Mennonite farms in the county and through the new Farmer's Market and Bakery. We took in a Flea Market and then on to a pretzel factory where we saw each step of the preparation, down to packing the pretzels into boxes for shipment."

About 2 p.m. we went to Strasburg and boarded the oldest train in the U.S. and rode to Paradise, Pa., in one of the cars that Barbara Streisand had used. Then we went to Wheaton, Pa., to visit President Buchanan's home. We rode over the oldest macadam road in the U.S., named for a Mr. Macadam.

We had a lovely family style dinner at one of the new Mennonite restaurants in that area. After dinner we visited a wax museum, and then wended our way home, after a lovely time."

Recent callers at the Lester Workmans were Mr. and Mrs. Jake Cannon, Mr. and Mrs. Emory Williamson, and Mr. and Mrs. Arthur Marvil.

Mr. and Mrs. Harry Fisher who are now in residence in their new home, were delightfully surprised at an open house party on Monday evening, sponsored by Mrs. Bobby Eskridge, Mrs. JoAnn Collins and Mrs. Dot Lofland.

Between forty and fifty friends, relatives and neighbors gathered at the new home bringing beautiful and useful gifts to celebrate the occasion. Refreshments of cake, punch and jello were served.

Mr. and Mrs. Edward Snyder of Long Island were weekend guests of Mrs. Helen Maloney.

Saturday afternoon callers at the Jacob Hatfields were Mrs. Pearl Watson and Miss Virginia Fisher of Milford.

Mr. and Mrs. Jacob Hatfield attended the Felton Fire Company supper on Saturday evening and went on to visit Mr. and Mrs. Charles Hatfield of Felton.

New Century Club Notes

The New Century Club opened this year's meetings with a covered dish luncheon on Tuesday, Oct. 12. Many varied and delightful dishes were there for us to enjoy. The Lake Forest School coral group favored us by singing three lovely selections, which everyone enjoyed very much.

Our next meeting will be held on Tuesday evening, Oct. 26 at 8 p.m. The program will be home life — topic, "Surprise From Hess" of Dover.

Ingwald B. Saboe

Ingwald B. Saboe, 62, died last Friday while visiting his daughter in Alexandria, Va. He resided at Rt. 2, Felton. He was born in Madison, Wisc., and was a retired auditor. His parents, deceased, were Hans Saboe and Margaret Bergedal.

Surviving are his wife, Lucille Saboe, two daughters, Mrs. Harold M. Orendorf, of Alexandria, Va.; Mrs. Howard Osten; a brother, Arthur Saboe, a sister, Mrs. Anne Connors, and two grandchildren.

Funeral services were held at the Demaine Springfield-Annandale Chapel, in Springfield, Va., Sunday. The remains were flown to Madison, Wisc., for interment in the Forest Hills Cemetery. In lieu of flowers, the family prefers contributions be made to the American Cancer Society.

Canterbury - Viola - Woodside

By Edna Massimilla 284-4186

There's a new singing group in the area called "Sunday's Child".

Although the teenage members have only made a few appearances thus far, there is great promise for their ability. Wayne Voshell of Viola, Billy Hart of Canterbury and Bruce Tribbitt of Felton supply the male voices. Debbie Duerr and Peggy Phelps of Felton sing along with their guitars, while Carol Barr of Andrew Lake accompanies with the flute, and Faye Neeman of Canterbury blends in with the organ. They recently played during the revival of the Felton charge; also for the Rally Day programs at Viola, Manship and Felton churches.

It's the end of an era for the Simpler sawmill of Felton founded by Clifford M. Simpler in 1935. Bill Myers, Jr., who has owned it since May 1970, says "The mill has been taken over by the times."

It served the state of Delaware for 35 years, furnishing materials for maintenance, but timber can no longer be purchased. The sawmill days are over, but the company will continue to operate a retail business for residential construction.

Congratulations were extended to William Joseph Fibelkorn Jr., of Woodside and Debra Lynn Conley of Kenton who were married Oct. 9.

Lake Forest High School students worked at their car wash at three locations on Saturday in Harrington, Felton and Frederica for the benefit of American Field Service.

MANSHIP CHURCH NEWS
Rally Day was observed during the worship service Sunday, and the following

church school students were promoted. From kindergarten to primary were: James D. Satterfield, Brian Hughes, Dotty Dill and Tammy Getz. From primary to junior were: Susie Hughes, Beth Hughes, Robin Dill, Julia Satterwhite. From junior to young adult Debra Schulties.

The Bible study group, taught by Mrs. Jeanette Dill, completed a course "Finding Your Way Through the Bible", and they are Donna Kemp, Clara Brown, Robin Dill, Veronica Johnson, Kim Dill, Jane Johnson, Beth Hughes, Julia Satterfield, Kay Sylvester, LeAnn Sylvester, Susie Hughes.

Four who are enrolled in the nursery department are James Donald Satterfield, Charles Franklin Satterfield, Edward Harry Dill, Sandra Lee Brown.

The WSCS met Oct. 14 jointly with the Administrative Board, in the Community Hall. It was led by Mrs. Harry Kemp, WSCS president. Plans were initiated for the annual Thanksgiving dinner and there will be a meeting for all who will participate Oct. 25 at 7:30 p.m.

Mrs. Hazel Walker of New Castle was a recent weekend guest of Mr. and Mrs. Lester Kersey of Viola.

Birthdays congratulations were extended to Mrs. Kersey Oct. 18. A surprise dinner party in her honor was held at Village Inn, Little Creek.
