

A warm autumn day on Sunday brought the ducks out on Haven Lake in Milford.

L.F. Open House Held Tuesday

With weather threatening all Tuesday evening, the open house at Lake Forest High School nevertheless was a success. William E. Griffin, principal, pointed out to the large audience gathered that many new programs had been added to the school curriculum. Federal grants have been extended to the Commercial Foods program (\$13,000) as a three-year grant and to the Business Department (\$15,000). An additional \$8,000 has been promised for the additional two years. This is to include in the Commercial Foods Department a fully equipped commercial foods lab. The program is designed to train students for jobs in the food service field.

The English department has been expanded to include courses in mass media, drama and additional journalism work. The Agricultural department has had the greatest expansion during the past year with the addition of a Vocational Agricultural Building (60'x80') where students and teachers designed and constructed their own classrooms and offices. A 20-foot addition was made for a paint shop as well.

Additional programs in education relating to learning disabilities, social and learning problems have been given a great deal of consideration. The state has provided two additional teachers to establish the vocational programs. The Driver's Education Program has also been updated.

In conclusion, Mr. Griffin pointed out that the biggest problem was lack of space. The building was designed to house

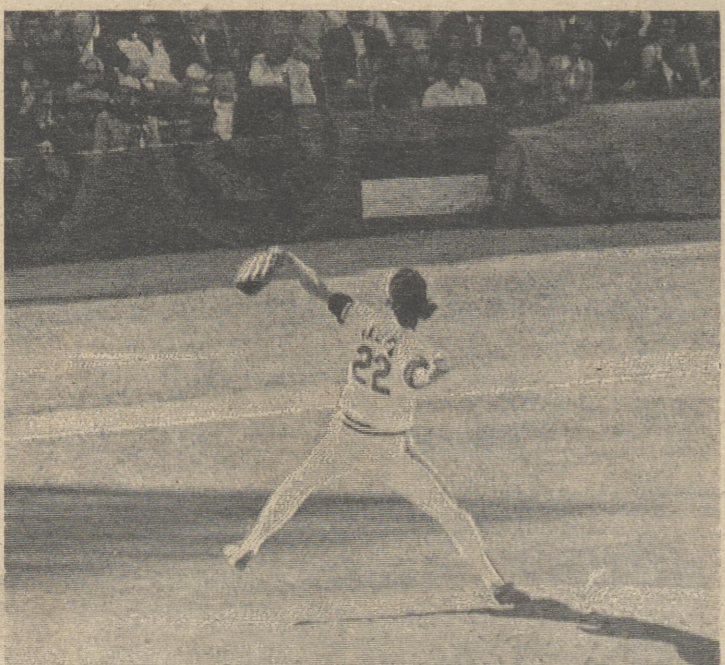

Suicide Victim Near Harrington

Marvin B. Snow, 32, of U. S. 13 north of Harrington, was pronounced dead on arrival at Nanticoke Memorial Hospital Saturday. Cause of death was listed as a suicide. He was survived by his wife, Shirley Snow.

Gun Control Film At Legion Home

The general public is invited to view a film on gun control at 7:30 p.m., today at the post home of C.K.R.T. Post No. 7, American Legion on U.S. 13. Admission is free.

William Wharton, of Greenwood, a member of the National Rifle Association and of C.K.R.T., will provide the film.

Jim Palmer taking aim at home plate in Memorial Stadium, Baltimore, during the playoff game with the Oakland A's. Photo by Ralph Billings.

UNICEF Campaign In Harrington Scheduled For Thursday, Oct. 24

The annual campaign for UNICEF in Harrington will be held October 24, 1974, Thursday, immediately following the dismissal of school at the Century Club on Dorman Street. Everyone is welcome.

UNICEF, created in 1946, helps 111 countries, but 40 of them are in Africa. Did you realize that Africa is almost 4 times the size of the United States. There are approximately

158 million children living there. Just 5c will cure one child of Trachoma, 50c will protect seven children from Malaria for a year and just \$1.00 will protect 80 children from Tuberculosis.

Last year, 101 of our children and approximately 35 mothers helped with this needy cause. Registration and tagging of the children before they leave the premises, distribution of UNICEF boxes, driving, counting money and the refreshments are all a part of this job. We hope more will support this drive financially or with your presence. Several Brownie Troops and the Sunshine 4-H group have helped in the past and are going to help again this year. This also helps them towards earning a badge. Won't you PLEASE help us help others this year.

Greenwood Lions Donate To P-TA

On Thursday evening, October 10, the Greenwood Lions Club donated \$470.00 to the PTA during open house at the Woodbridge Junior High School.

The donation was presented by Zone Chairman for Multiple District 22D and also Greenwood Lions Club President Lew Brumberg, Jr. In his speech to the audience, one Chairman Lew Brumberg urged that a strong PTA, active service clubs and the administration, united, would result in a more sound educational program in the district.

Following the presentation, the evening was spent by the parents visiting their children's various teachers. Refreshments at the conclusion of open house was provided by the PTA.

Governor Cites Former Resident

Mike Bakota, formerly of Harrington, rescued John Miller, a truck driver from Pennsylvania, last Thursday from the waters of Garrison's Lake. The driver was ejected from the cab of his truck when the vehicle failed to make the sharp curve at Garrison's Lake. Bakota was in traffic trailing the truck and had the accident before him.

On Oct. 11 Governor Sherman W. Tribbitt sent Mr. Bakota a letter of accommodation, praising him in his efforts to save the trucker Mike Bakota is the son of Betty Louise Bakota, formerly Draper, and paternal grandson of Miles Draper and the late Pauline Draper of Delaware Avenue, Harrington.

Singing Group In Rehearsal

The Community Singers, Inc., have begun autumn rehearsals for the annual free Christmas concert scheduled for Sunday afternoon, December 2, in the Dover Middle School. The first half of the program will be very light musically with such numbers being done as "Winter Wonderland" arranged by Chas. Boutelle and Harvey E. Gaul's "Carol of the Russian Children", accompanied by Mrs. Charles W. Paradee, Jr. of Dover. The Christmas Oratorio No. 12 by Saint-Saens featuring five vocal soloists accompanied by the Newark Symphony Orchestra under the direction of Harley Hastings, will comprise the second portion of the program. Another concert is planned for Newark on Tuesday evening, December 3. Time of both performances will be announced at a later date.

Mixed chorus rehearsals are held every Wednesday evening from 7:30 to 9:30 p. m. in the social hall of the Wyoming Methodist Church. Men are needed, and a free nursery is provided for small children.

Chipman School Open House On Tuesday, Oct. 22

The annual W. T. Chipman Junior School Open House will be held Tuesday evening, October 22 at 7:10 to 9:00 p. m.

Everyone will meet in the cafeteria promptly at 7:10 for some general comments and a brief presentation of music by our chorus and a sectional band group. Following this part of the program, parents will visit classes to meet staff members and receive brief descriptions of individual courses. The evening will conclude with refreshments in the cafeteria from 9:00 to 9:30.

Parents of all Chipman students are cordially invited to participate in this program.

Food Rite Celebrates First Anniversary

This week marks the first anniversary of the Food Rite store located in Harrington's Quillen Shopping Center. The location now occupied by Food Rite was formerly an Acme Market.

Food Rite is an individually owned franchise type business and not a corporate owned supermarket as one is used to seeing. The owners, Donald Dadds and Sterling Mock, of Centerville, Md., have been very pleased with the acceptance of their store by the Harrington shoppers.

Sterling Mock (L.) and Donald Dadds are shown in their Harrington Food Rite store in Quillen's Shopping Center. These businessmen are celebrating their 1st Anniversary Sale this week. See supplement in this newspaper.

Retirement Years Being Shortened By Heart Strokes

If you are nearing retirement or even just beginning to plan for it, those plans should include good health so your retirement may be an enjoyable one.

Each year retirement is cut short for many people because of a stroke. Many of these strokes could have been avoided if the victim had only changed his pattern of living during the middle years.

But how does one know if he is a potential victim of stroke? The Delaware Heart Association reports that we now can identify a candidate for a stroke through a certain profile. Could this be you?

- Male, 40-65 years old.
- Overweight.
- Moderate to heavy smoker.
- High cholesterol.
- High blood pressure or diabetes.

If you can see yourself in the above profile, take steps now to change your pattern of living. Help yourself to enjoy good health during mid-life, and insure retirement years that are full of vigor.

The Delaware Heart Association suggests the following steps to help reduce your risk of a stroke:

- 1) See your doctor regularly to detect and control high blood pressure, high cholesterol and diabetes. High blood pressure, for instance, can be a deadly and silent killer. Undetected and untreated it can lead to heart attack, stroke or kidney failure. Yet high blood pressure can easily be detected during a medical checkup and controlled with modern drugs.
- 2) Stop smoking. It can be done. Breaking your own smoking habit will be one of the most important steps you can take to assure your health and well-being in mid-life. To help you stop smoking, ask your Heart Association for its leaflet, "How to Stop Smoking," and inquire about smoking clinics in your area.
- 3) Don't overeat. Perhaps the whole family pattern of eating will have to be changed to accomplish this. To help plan nutritious, low-fat meals, ask your Heart Association for its leaflet, "The Way to a Man's Heart."
- 4) Enjoy some form of regular exercise every day. Walking or jogging or just working

in the garden are excellent. For advice, ask your doctor; for information ask the Delaware Heart Association. In Wilmington phone 654-5269; in Georgetown, 856-7386.

Each year retirement is cut short for many people because of a stroke. Many of these strokes could have been avoided if the victim had only changed his pattern of living during the middle years.

Speaker Warns Of Police Takeover

"Why Washington Wants to Control Our Police" is the title of a talk to be given by Timothy Heinan at the Sussex Central Senior High School auditorium in Georgetown on Saturday, Oct. 19, at 8 p. m.

Mr. Heinan, who was formerly a police undercover operative for nearly two years in the intelligence unit of a large metropolitan police department, is being sponsored by the Citizens for Better Government Committee as a continuation of their program of focusing attention on matters of national concern. The public is cordially invited to hear this important message.

Reception Given To Dr. and Mrs. M. V. Woodall

On Sunday, the Milford School Board gave a reception to honor and introduce Dr. and Mrs. Michael V. Woodall to the Milford community. Dr. Woodall is the new superintendent of the Milford School District.

The Woodalls have moved to Milford recently from Charleston, S.C. John (Jack) Walls, chairman of the school board, and his wife Sandy as well as Charley West, former chairman, and his wife Lorraine were with the Woodalls in the receiving line. Refreshments were served and catered by the cafeteria workers of the high school, for the several hundred people who attended the affair.

Invitations were extended to leadership throughout the community in religion, social, fraternal, newspapers, radio, legislative and educational fields.

Dr. Woodall succeeds Dr. Charles McLaughlin, who resigned the superintendent's post in June.

Make a card file of the school that give the kind of training you want where you want to take it and put the information in the directory about the school on each card.

The next step is to gather all the information you can about the school. Call the school or write for descriptive material which the schools all have available. Examine these materials to find out about courses, faculty, facilities, and costs.

Also talk to people who have had some experience with the schools. Sometimes guidance counselors in the public schools are helpful. Counselors working rehabilitation programs know even more about local trade and technical schools usually. If possible, contact some former students who attended the school and ask them about it. Inquire from area employers what their experience is with people who have had the training.

Harold Brode

Harold is presently serving his second term as ambulance captain of the Harrington Volunteer Fire Co. He is responsible for the condition of the two ambulances presently in service and the drivers and attendants of the ambulance squad.

Harold indicates that with the new ambulance purchased in 1974, and by retaining the previous ambulance, his crew is able to give faster, more efficient service than ever before. He is dedicated to the job of saving lives and providing excellent emergency transport service.

Harold realizes that in order for his squad to function properly it must have sound financial support, and he asks for the community's support of the fire company's 1974 fund appeal.

Harold Brode

Harold is presently serving his second term as ambulance captain of the Harrington Volunteer Fire Co. He is responsible for the condition of the two ambulances presently in service and the drivers and attendants of the ambulance squad.

Churches Give To Draught Relief

A gift of \$112 for the relief of draught-stricken sub-Sahara countries was made this month by parishioners of St. John's Church, Milford, St. Bernadette's Church in Harrington also gave \$46.

The money was given through the Catholic Diocese of Wilmington, which has received over \$10,000 so far from all churches in its province in Delaware and the eastern shore of Maryland.

Donations of about \$600 for aid to victims of Hurricane Fifi in Honduras also have been made, the diocesan chancery office reports.

Organic materials (like cooking fat) clog plumbing and septic tanks, causing sewage overflow. Throw them out, not down your sink.

Century Club Has Luncheon

The Harrington New Century Club held a covered dish luncheon on Oct. 8 at 1 p.m. Mrs. Joseph L. Brinster presided and Mrs. Fred Greenley, Sr., gave the blessing. Forty members were present.

Mrs. Brinster presented Mrs. George Maloney, chairman of the program. Guest speaker was Mrs. Sandy Thompson, a representative of Delmarva Power & Light Co., who discussed "Energy Conservation in the Home." She showed slides pertaining to heat loss in the winter and pointed out ways to help on conserving energy. Among these were drawing drapes at night and opening them in the day, placing refrigerators away from heat ducts, cleaning refrigerator coils frequently, prepare three or four oven dishes at the same time, washing clothes only when you have a full load, and cleaning lint vents every time the dryer is used.

The Hospitality Committee consisted of Mrs. Charles Rapp, Mrs. Clarence Billings, Mrs. Abner Hickman, Mrs. George B. Maloney, Mrs. James Moore and Mrs. Daniel Wiseman.

The fall flower display was beautifully done by Mrs. Ridgley Vane, and Chairman of the decorations was Mrs. Francis Winkler. Advertising was done by Mrs. John S. Harrington.

We wish to thank Mrs. Terry Johnson for the wonderful job she did on the program books for the Century Club and for making the arrangements for the shopping trip to Peddler's Village.

The next club meeting will be Oct. 22 at which time we will take a trip to Peddler's Village, located in Lakaskan, Pa. Cost of the trip is \$5.50 per person. Bus will leave the old Acme parking lot in Milford at 7:30 a. m. and leave the Harrington New Century Club on Dorman Street in Harrington at 8 a. m. For reservations call 398-8542 or 398-4361.

Oysters are graded according to size as standards, selects and extra selects.

The flavor of an oyster is strong enough that the product can be extended with starches such as macaroni, noodles, spaghetti, potatoes, rice, bread crumbs or cubes.

After halftime the Bulldogs

Action Friday night at Laurel between Milford High School and Laurel High School, which Milford won, 40-6.

Milford Football

By Ray Blanchette

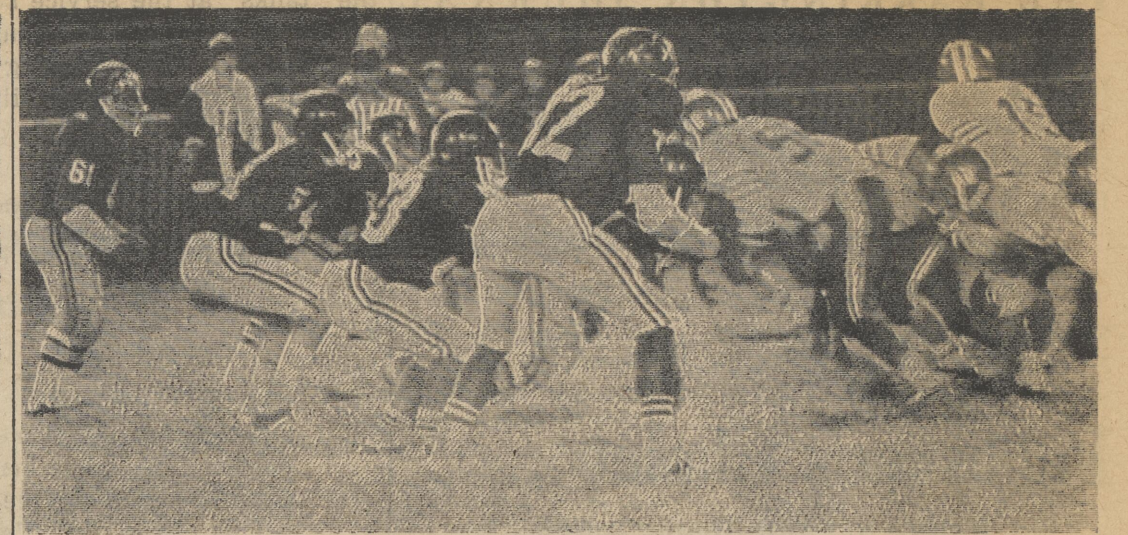

Milford, 4-0, continued their drive for the Northern Division Championship with a 40-7 thumping of Laurel, last Friday.

After the opening kick-off which left the Buccaneers on their own 18, quarterback Keith Betts broke through the line for a 77 yard gain before being tackled on the 5. On the next play Nathan Weaver scored.

Later in the first period Milford was deep in their own territory and they fumbled, a fate that had kept them from running up the score a week earlier against Woodbridge, and Laurel recovered. Laurel scored the touchdown and with the conversion had an upset-minded 7-6 lead.

The lead was not long lived, as in the second quarter the Buc Don Johnson scored on the three yard run. Two more second quarter fumbles kept Milford from taking more than a 14-7 lead at halftime.

After halftime the Bulldogs

Action Friday night at Laurel between Milford High School and Laurel High School, which Milford won, 40-6.

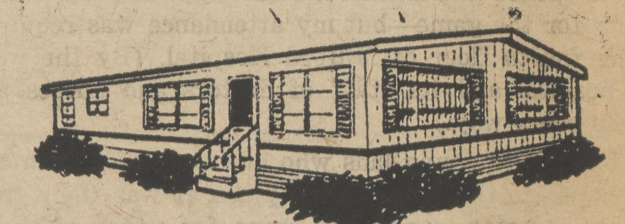

were quickly taken care of as the Buc scored 13 points in each of the final two quarters. Betts led the way scoring on a one yard run and passing for a 46-yard touchdown pass. Curt Beulah who has rushed over 100 yards each game this season again did. Marvin Smith also rushed over the 100 yard mark and added icing on the cake by returning an interception 55 yards with just over a minute to play.

Milford dominated the entire game having 410 yards total offense to Laurel's 109. They also out rushed them 365-63 and out first-downed them 16-7.

The Buccaneers now lead their division by 1 point over Caesar Rodney and oppose Sea-

ford (1-3) next week as a tune-down with Sussex Central the up for their home field show-following week.

HARRY G. FARROW, JR., Publisher

"... if it would help any, Mr. Griffin... I was a lot younger than they are when I struck out for Ebbets Field..."

Growing up on the Eastern Shore, as I did, automatically inducts you into the world of baseball—or maybe it was at a time when baseball was far more popular than it is today.

Last week things were beginning to happen in my household from many angles and in many respects. The most important incident was that my wife gave birth to another son on the day the playoffs in the American League opened in Baltimore. You might say that I had tickets for the game—but my attendance was required on the fourth floor of Milford Hospital. (By the way, this hospital and its staff of doctors and nurses are tops in every way.)

I sent two young lads who are associated with the newspaper to the game in my place. It was their first time to a major league ball game for either of them. It must have been a great thrill, and I was glad to have given them this opportunity.

It brought clearly to mind one of my experiences with similar facts. It was the fall of 1949, and the (Brooklyn) Dodgers were in a hot pennant race... as usual... this time with the (St. Louis) Cards. My friend and teammate, Jay Bullock, who was formerly of Harrington and now living near Baltimore, and I were able to get tickets for the Dodgers-Cards game. It meant traveling to Ebbets Field in Brooklyn, which was a considerable hike for two young boys. (I hadn't turned 16 and Jay was barely 17.) Both of our fathers were railroad men and therefore were able to get passes to ride the train. I was more impressed about riding the train than riding with Jay, for he had quite a reputation in driving a car. A few months before this he had managed to put his mother's 1939 Chevrolet two-door sedan in the ditch near one of the hairpin curves on the Vernon Road west of Harrington and at the same time taking down several feet of Jeff Larimore's wire fence. The crash caused the front windshield to shatter, thereby cutting Jay's face rather badly. With this background for me to study about, I nevertheless climbed aboard, for it meant going to a ball game. The 1939 Chevrolet had been patched up by then, and we left very early in the morning for the trip to Ebbets Field. I will never forget it as long as I have peace of mind.

It was a long ride but we made it in plenty of time before the game started, for Jay was driving. The feeling that I had the moment I entered Ebbets Field and thereafter throughout the game is something that cannot be expressed. It was an afternoon game, but the stands were filled to capacity. I remember the band that played for the "Bums." It was all real, and it was happening before me.

They used to say that "everything happens at Ebbets Field," and how true the saying. It rained several times during the game and each time there were long delays before the game resumed. The game was so important that the umpires would not call it for any reason. During the rain delays there was always fights in the stands. As I remember, it was always a different bunch each time. We thought that we would get to see Rex Barney (who is the public address announcer at the Oriole games now and who I see sometimes at the Orioles games), but instead we saw Don Newcombe pitch the entire game. Other players that day for the Dodgers were Campanella (who hit a home run), Hodges (1st), Robinson (2nd), Reese (ss), Cox (3rd), Furillo (rf) and Snyder (cf). I cannot remember the left fielder. Our seats were back of third base adjacent to the Cards bullpen where we were able to talk to Jerry Stalley and Freddie Martin, who had just returned from the Mexican League and had been reinstated by the American League. I can remember only a few of the Cards like Moore, Schoendienst, Marion, Krawolski, Musial and Garagiola. I also remember Musial making an error in center field, but the grounds were so wet and really unplayable that it was understandable. The thrill of going to the game and the after-effects really caused me to forget for the time being about Jay's driving. He must not have been that bad at chauffeuring. It wasn't my first major league game, but I shall long remember it as a great experience.

The point is the fact that it is very difficult to keep young boys from going to a ball game. I am real glad that I gave them this opportunity.

The Economic Council recently met in Washington to discuss and find ways in which the inflationary problem could be curbed and brought completely under control. The results of this conference were what most people and some politicians thought would be recommended. Those recommendations in whatever prose or text would be directed again at middle America. I would have thought that this government would soon realize that middle America is carrying this country, and they cannot carry any more burdens, for what they have to cope with now is making it very hard for them to meet their payments.

I would have thought that considerable consideration would have been given to finding ways of putting a windfall tax on the oil companies in order to better raise revenues to run the government. I feel in doing this, coupled with a freeze on prices of gas and oil at

the "tanks" at the service stations, would be a whole lot more practical than penalizing the middle class of Americans. I am wondering if the Council gave any consideration to this proposition?

THAT'S MY CHOICE... WHAT'S YOURS?

Poems from Paradise Pastures

By W. Cliff Miller

IT'S A BOY

Someone has just come to our house,
Someone has come here to stay.
Gilmore's so happy he's dancing with joy.
All he can say is, "I'm glad it's a boy."

Welcome has awaited the stranger
Who comes to brighten our lives;
You can hear Margo croon:
"He'll be President soon"
Since that cute little stranger arrived.

Days of Our Years

Ten Years Ago

Friday, Oct. 16, 1964

A deer jumped through a window of the Hub Restaurant, Dover. It was unjured but was killed by a car near Court Street a few minutes later.

Kent County Deputy Sheriff William James, formerly of Harrington, has resigned his post to work for an insurance firm.

Ernest W. Dean, 81, of Harrington, died last Friday at Milford Memorial Hospital after a long illness. He was a retired telegrapher of the Pennsylvania Railroad.

Kent & Sussex Raceway will extend its harness racing program through Saturday and possibly through Oct. 31. Unseasonably cold weather has forced cancellation of four nights' racing.

The final registration of persons desiring to become voters will be held tomorrow from 7 a. m. to 8 p. m., it was announced this week by the Kent County Department of Elections.

Robert J. Wix, rural mail carrier, was presented a wristwatch by his fellow employees on his retirement after 4 1/2 years service.

September traffic over Delaware Memorial Bridge was up 14.4 per cent, Gen. Mgr. Frank J. Horty reported this week. During the month 1,186,661 vehicles crossed the span, compared to 1,037,599 in September of last year.

Miss Oda Baker entertained her bridge club Monday evening. Mr. and Mrs. Gary Smith left last week to visit the former's relatives in Belote, Kas, before going to Okinawa for 2 1/2 years.

Mrs. Smith is the former Mary Jo Pitlick, daughter of Jack Pitlick.

Twenty Years Ago

Friday, Oct. 15, 1954

Mrs. Frank Tharp was elected president of the recently organized Band Boosters Club.

Frank Griffith, 74, of Farmington, died Sunday night. He was a lifelong resident of the Farmington area.

According to Jesse A. Harman, president of Harman Oil Co., Inc., Benjamin T. Vandewende of Harrington has been promoted to acting general manager.

Shadowland Frozen Food Lockers, Denton, will celebrate its 10th anniversary with an open house Friday and Saturday, Oct. 15-16. Owner is Gilbert Rue. Upon his retirement, Rue subbed as an Intertype operator for this newspaper and now lives in Florida.

Mrs. Caroline Gingerich Bender, 85, of Greenwood, wife of the late Valentine Bender, died Friday, Oct. 8. She had 13 children, of whom eight survive.

Mrs. Harvey Winkler of Wilmington is visiting her sister, Mrs. Frank O'Neal, Sr., for a few days.

Mrs. James R. Seward and Mrs. Robert Nash of Centreville, visited Mrs. Charles Rapp Tuesday.

Mr. and Mrs. Sidney Burtman of Crisfield, Md., spent the weekend with Mr. and Mrs. Howard Martin.

Philip Resnick, a Harrington Journal Intertype operator, was

married in New York Sunday. The Resnicks will reside here. Mr. and Mrs. Leon Kukulka celebrated their sixth wedding anniversary this week.

June Thompson is back in school after being ill for two weeks.

Lee Clarkson spent Sunday with his father, William L. Clarkson and family.

Letter To The Editor

October 10, 1974
Felton, Delaware

This letter is being sent to all business, civic and social organizations in the Lake Forest School District who may, (or whose members may) have an interest in scholastic sports.

Specifically, we want to spread the word that we have an Athletic Boosters Club. No, this is not an appeal for money; it's an appeal for people. We need warm bodies to attend our meetings, to contribute a little time, and to come up with ideas to help support the Lake Forest athletic program.

The Lake Forest Varsity football team recently won its first game in a year and a half. There can be little doubt that this long drought is, in part, the result of a lack of community interest and support.

The Athletic Boosters Club meets in the High School Faculty Lounge on the third Thursday of each month at 7:30 p. m. Our next meeting will be on the 17th of October. We urge you to have your business or organization, or club represented at the next meeting; and if you have members who are parents of Lake Forest students, please urge them to attend. The more people, and the greater interest we have, the better we can support our teams.

Please, We Need You!
The Lake Forest Athletic Boosters Club

Letter To The Editor

WORDS OF APPRECIATION

Harrington Journal:
On behalf of our president, Mrs. Edward Steiner, and the Milford Memorial Hospital Women's Auxiliary, I would like to

Postcard scene looking south on Commerce Street, Harrington about 1900. Building on extreme right is old Dickerson Hotel (now First National Bank of Harrington). Next to it is Sharp's Pharmacy (where First National Bank of Harrington has drive-in window). Carrington Burgess recently told the publisher he remembers when Harrington had dirt streets — seeing is believing. Anyone having similar postcards please contact this newspaper for their printing.

Post-Game Report

By Ray Blanchette

A two-game win streak on a Lake Forest football team is a new experience. Since I have been playing here these are the only two games I have been able to play and come out on the winning side. All I can say is that it feels real good and that I wouldn't mind extending it a little farther. This opinion by team captain Russell Dill seems to sum up the attitude of the entire team following the second straight win.

Many factors can be sighted in the improvement of the team and of each individual. "When we play as a team with the offense moving the ball, the defense hitting harder, causing the turnovers, this keeps our spirit up," according to Wayne Voshell. And while speaking of turnovers, Mike Shortell, who recovered two fumbles against the Cape, says, "The offense is improving with practice and Lester (quarterback Blades) is becoming more confident. The defense will stay tough."

"It was just a matter of winning a game and getting the

team rolling," said Blades. But enough about last week! The Spartans go for three straight this week against Woodbridge. The concensus seems to be Woodbridge is a fast, tough team, as Wayne Erne put it. "With big guys on the line, and big, fast Jim Weaver in the backfield to stop. It's not going to be an easy time this week, but it can be done," says Dill.

The feelings of the squad is best summed up by defensive cornerback Mike Shortell: "By watching the films we can see that with every game we improve, and this builds up our confidence."

If you own a trail bike, learn where the proper trails are located—and, use them. Tires that go off the trail cause erosion. Erosion pollutes, killing fish and plants.

Dispose of excess pesticides and their containers according to instructions on the label.

When you take photographs, pick up used film packs. The packs form litter and some chemicals in the packs can poison animals.

Veterans Administration

Questions and Answers
Q-How many veterans and Servicemen have received education benefits under the three GI Bills?
A-Nearly 15 million have trained, beginning with the enactment of the World War II original GI Bill. The cost of all three GI Bills through April 1974 was \$29.6 billion.
Q-What state pays the highest bonus to its Vietnam era veterans?
A-According to information available to the Veterans Administration, North Dakota's \$1,600 is the highest maximum bonus paid in 16 states and Guam.
Q-Does the recent law which extended GI Bill benefits from

eight to 10 years for veterans separated from service between 1955 and 1966 apply to me? Because I was discharged in 1965 before the current GI Bill was passed, my eligibility had already expired as of May 31, 1974 - eight years after the bill was passed.
A-If you hadn't used all your benefits by the former May 31 deadline, PL 93-337 (July 1974) extended them by two years.
Q-About six million veterans were released from military service between 1955 and 1966. Is it true that all these veterans now have two additional years to use GI education benefits under recent law?
A-Yes. Those who have not already used their full eligibility have until May 31, 1976. Veterans who pursue farm cooperative, flight, apprenticeship

and on-job training have until Aug. 30, 1977, to complete training. Naturally an other than dishonorable discharge is required.

Mosley No. 2 At Del. State
Ron Mosley in 1973 led Lake Forest High School to the 1973 state cross-country championship with a third-place finish. In track he won several titles and set a Spartan record of 1.58.2 in the half mile.
Now a freshman at Delaware State College, Mosley is continuing his fine running. On a team composed mostly of upperclassmen, the Harrington freshman has been No. 2 Hornet in two meets, including a recent 15-50 perfect score victory over Lincoln University at Oxford, Pa.

Slaughter-Bramble Wed Sept. 14

Miss Robin Ann Slaughter, daughter of Mr. and Mrs. James Mason Slaughter, Easton, Md., became the bride of Ronald Lee Bramble, son of Mr. Homer F. Bramble, also of Easton, and Mrs. Anna L. Toadvine, Greenwood Saturday, September 14.

The double ring ceremony was held in St. Michaels Catholic Church and was performed by the Rev. Edward M. Aigner. The bride was given in marriage by her father.

Mrs. Dennis P. Callahan, Easton, was matron of honor. Bridesmaids were: Mrs. William John Cannon, Jr., Easton, sister of the groom and Miss Caroline Jo Welsh, Cumberland, Md., cousin of the bride. Flower girls were Miss Holly Dyott and Miss Hope Dyott.

The best man was Mr. William John Cannon, Jr., brother-in-law of the groom. Master David Bramble, Queene Anne, nephew of the groom was the ring bearer.

Ushers were Mr. H. Wayne Bramble, Queen Anne, brother of the groom and Mr. James Mason Slaughter, Jr., Easton High School.

A reception was held at the Elks ballroom, Easton, Both Mr. and Mrs. Bramble are graduates of Easton High School.

After a wedding trip to the Pocono Mountains, Pennsylvania, the couple are residing on Chapel Road, Easton.

Senior Center Activities

By Sam Short
 Six members of the Kitchen Band visited the Fletcher Nursing Home in Felton Monday, Oct. 7th and entertained the patients with several selections on their improvised kitchen instruments.

A bus load of the members motored to Dover Tuesday afternoon, Oct. 8th to purchase their needs of Ceramic Greenware from a store that is closing out their stock, but found it closed and they stopped at the Busy Bee store on Rte. 13 and got what they wanted.

Our treasurer Ernest Gleason is back again to work. Good luck, Ernest, we're glad to have you back in your chair again.

Albert Stevens was our high man in bowling this week with a score of two games of 290 pins, with Andy Anderson rolling 265 and Jim Koniecki and Ann Brenning right behind with 239.

"The Fall Foliage" trip to Lancaster, Co. Pa., is shaping up nicely, for Thursday, Oct. 17th. Our bus is filled.

Wednesday, Oct. 23rd, a change in our food program will be instituted. The meals will be cooked in Smyrna and sent down to us, and anyone wanting their meals at the Center must call in a day ahead or you won't be able to get one.

These will be the good old days in 1995 so make the best of the ones you have now.

Thursday
 Southern Fried Chicken, candied Sweet Potatoes, buttered Green Beans, homemade Biscuits, blushing Pears.

Friday
 New England Boiled Hom, boiled Potatoes, Carrots and Cabbage, under the Sea Salad, Chocolate Chip Vanilla Pudding.

Monday
 Chopped Beef Steak with mushroom gravy, Potato Puffs,

Cole Slaw, Mandarin Oranges.
 Tuesday
 Turkey with Gravy, Filling and Cranberry Sauce, Mashed Potatoes, Tender Peas, Oatmeal Raisin Cookies.
 Wednesday
 Meatball Stroganoff on Noodles, Buttered Mixed Vegetables, southern Cornbread, Sliced Peaches.

Thursday
 Breaded Veal Cutlets with Tomato Sauce, Buttered Succotash, Apple Sauce, Fudge Brownies.

Dale Redden
 Dale Redden, 22, died Saturday in St. Petersburg, Fla., of accidental drowning.

Mr. Redden, formerly of Milford, was a food service operator for the Veterans Administration Hospital in St. Petersburg. He is survived by his parents, Allen R. and Lois of Milford; a brother, Allen J., of Dover; two sisters, Gail Morris and Bonita Jo Jester, both of Milford; his maternal grandmother, Ella Drews of Milford; and his paternal grandmother, Essie Redden of Harrington.

Services were held Sunday at the Lofland Funeral Home, Milford. Interment was private.

Eddie L. Pennington

Eddie L. Pennington, 26, of 10 Market St., Frederica, died last Thursday at the General Division, Wilmington, after a long illness.

He worked at the Chrysler Corp. in Newark. He is survived by his wife, Mary A.; a son, Philip W., at home; two daughters, Deanna R. and Lori L., at home; his mother, Virginia Pennington, Frederica; and two brothers, Lester M., and Herbert A., both of Frederica.

Funeral services were held Sunday afternoon at the Berry Funeral Home, Milford. Interment was at Barratt's Chapel Cemetery, Frederica.

TOWN AND COUNTRY TOPICS

America's greatest blessing is its abundant food supply. No other country enjoys a table set with such nutritious, high quality food, priced to make it available to all. For many Americans, the food problem is too many calories instead of not enough.

We spent only 15.7 per cent of our after-tax income for food in 1973, the lowest of any place in the world. (This in spite of the rapid increases in food costs, the last 18 months.) And we require only 6.3 hours of labor out of a 40-hour work week to pay the food bill. Other countries spend as much as 70 per cent of their pay to fill the family grocery bag.

Only 4.5 per cent of our people farm the land and produce the world's highest standard of living. In some countries 70 per cent of the people are tied to the land and still have starvation level diets. Half the world's people work their hearts out from dawn till dark and still can not produce or earn enough food to eat. This is why our food remains the world's best value.

Food prices increased 14.5 per cent in 1973 over 1972 and is expected to increase 14 per cent more in 1974. However, food is still your best buy.

Wages have increased at a rate 2.4 times faster than the increase in food prices during the past 20 years.

In most of the other industrial nations of the world the price of food is increasing at a much faster rate than in the U. S.

The cost of everything we buy is higher than it was five, 10 or 20 years ago. Because food purchases are a cash item paid every week, increases are highly visible. The truth is that the cost of food has increased less than almost anything else purchased by the American family. In the last 10 years (1962-1972) prices have increased as follows: food, 30 per cent; auto repairs, 45 per cent; home maintenance, 56 per cent; public transportation, 63 per cent; doctors' bills, 64 per cent; postal costs, 73 per cent; auto insurance, 81 per cent; hos-

pital room, 165 per cent. The farmer's share of the market basket of food purchased by the average family was only 39 per cent (June, 1974). That's equal to the 1967 level and lower than it was 25 years ago. In other words, out of every dollar spent for food, the farmer gets only 39 cents. Where does the other 61 cents go?

When you look at your cash register slip at the supermarket, ask yourself, "How much of this is really spent for food?" About 28 per cent is spent for things that aren't food. Cosmetics, records, cigarettes, clothing, magazines make the food bill seem higher than it really is.

Most Americans now buy large amounts of "built-in-maid service." Prepared foods are convenient. They save work at home, but they do cost money. It is estimated that 70 per cent of all sales at the supermarket are products that didn't exist 10 years ago. That is one of the major reasons that grocery bills are higher than they used to be.

Two-thirds of your grocery bill goes to pay for the cost of marketing. These include freezing, canning, baking and other processing. Marketing also includes trucking costs as well as the cost for displaying and selling. Labor costs are the largest single item in the marketing bill and now make up over half of the total cost of food. Retail food chains also make a profit of about 10.8 per cent on their sales. So when the food bill goes up, don't think all the increase goes to the farmer. On the contrary, when many food items were going up in price, the amount paid to the farmer was actually going down. The price of farm products actually dropped 14 per cent in the first few months of 1974 when the cost of food was going up. Cattle prices dropped 29 per cent in five months and egg prices dropped 43 per cent in three months, yet the price of these items in the store keeps going up.

Farmer cooperatives have

It Seems To Me

By Janet Reed

Sparkle for the ho'idays! Glitter fabrics will tempt you to make a special outfit for holiday parties. The glitter fabrics are easy to sew and you can make a handsome outfit with comparatively little effort.

These fabrics look best in a simple style so this further simplifies the sewing required. Choose a long or short dress, or pants or party pajamas, or a top to wear with a plain skirt. Add a jacket to the bare-top look for versatility.

You can choose a glitter knit with a subtle sparkle or make a more dramatic entrance in a fabric with lots of shine.

Before choosing the knit consider the stretchiness, the fabric weight and the texture. Some of the knits stretch so much you can merely sew a tube and provide your own shaping as you wear the dress. If you don't have the nerve or figure for that, look for patterns designed for stretch knits, and compare the stretchiness of your fabric with the knit guide on the pattern envelope.

Many of today's styles need lightweight fabrics to give the drape and movement associated with fashionable garments. If the style is one that requires a fabric with more body, choose one of the heavier knits.

Some knits feel harsh to the touch and could irritate the skin. A lining of a soft, stretchable fabric such as nylon tricot will add comfort without interfering with the desired stretch of the glitter knit.

Use the same sewing techniques you use for other knit fabrics. Press with care because some of the sparkle comes from

fibers easily damaged by heat. Press a swatch of the fabric first as a precaution.

If you are traveling for the holidays and need an outfit for party wear, the glitter knit is ideal. It is one of the most practical fabrics for evening wear we have had in a long time.

Here and There

By Edna Massimilla

Congratulations to our publisher and editor, Harry and Margaret Farrow, on the birth of their second son, Christopher Todd tipped the scales at eight pounds, seven ounces on Oct. 8. John David is now big brother.

Happy Birthday, twins! Michael and Tom Price received congratulations on Oct. 11. Both of these young men have been Viola residents, but now Michael, a Wesley Seminar student, lives in Seaford with his wife, Betty, and serves as pastor of three United Methodist Churches in that area. Tom is studying law at a western university.

Best wishes to Martha H. Allen of Viola and Dwayne Thomas Curtis of Flint, Mich. Their engagement has recently been announced.

Magnolia United Methodist Church School teachers will sponsor a covered dish supper at 6:30 p. m. Saturday, Oct. 19, in the fellowship hall.

Looking Ahead—Nov. 3 is a breakfast date at Magnolia. The Rev. John Massimilla and Mr. Clifford ones will be co-chefs at 7:30 a. m. in the church hall.

Both men and women are invited.

There will be a bake sale at Little Creek Church on Saturday starting at 10 a. m. with lots of homemade specialties . . . and members are asked not to forget to bring the kids to the Halloween party on Oct. 31.

Another new baby in Harrington—Mr. and Mrs. Darryl Murray have a daughter born Oct. 1.

Lots of changes can be noted at a 10-year high school homecoming, Marianne Cluley Dantinne and Rebecca Harrington Grant received awards for having the most children. David Cox was the M.C.

Debbie and Mike Fisher, who were married Aug. 3, are now living in St. Petersburg, Fla. The bride is the former Dennis Harris of Canterbury and Mike is a

former resident of Felton. He is studying law at Stetson University in Florida and she is employed at the Pasadena Hospital in St. Petersburg as a secretary. Debbie's parents, George and Hazel Harris, plan to visit the newlyweds over Thanksgiving by pickup truck to bring bikes and other items from home they will need.

Felton United Methodist Church hosted a workshop on Oct. 9 to explain the functions of the pastor-parish relations committee.

Birthday congratulations to Bessie Wright on Oct. 15, and Dorothy Shreppler will celebrate her birthday on Oct. 31.

It's a baby girl for Mr. and Mrs. Irvin M. Ambrose of Magnolia. She was born at Kent General Hospital on Sept. 26.

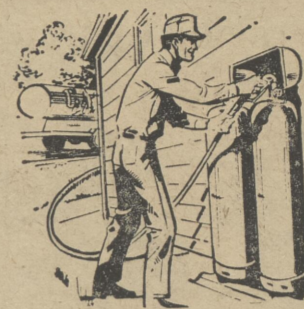

Teens are talking about the metric system which will be used soon. Can you picture seeing football fields marked in meters instead of yards? Marian Lowe, geometry teacher, says "even in elementary school students are learning it."

Filter-tip cigarettes can be harmful to cesspools and even the largest city sewage processing plants. Put them in ashtrays, not drains and toilets.

Accumulated wire coat hangers can be tied in bundles and returned to your cleaner for reuse. If you throw them out they add immensely to the garbage problem.

The female shad fish weighs more than the male.

"Are electric rates going up in other places too?"

Electric rates are going up just about everywhere. They have to.

The inflationary spiral is affecting the costs of all goods and services, including the costs of making electricity.

In many places, fuel prices have more than doubled in the past year alone.

Interest rates have increased dramatically which makes raising money for construction more costly than ever. But your electric company still must undertake the necessary expansion, if you're to have all the electricity your community will need. So the money must be borrowed in spite of soaring interest rates.

You've heard about environmental control in the making of electricity, but did you know it's costing upwards of 1.5 billion dollars a year? This has to affect your electric bill.

Name it and it's gone up. Construction costs. Labor. Equipment. Supplies. Almost everything that is needed to make electricity.

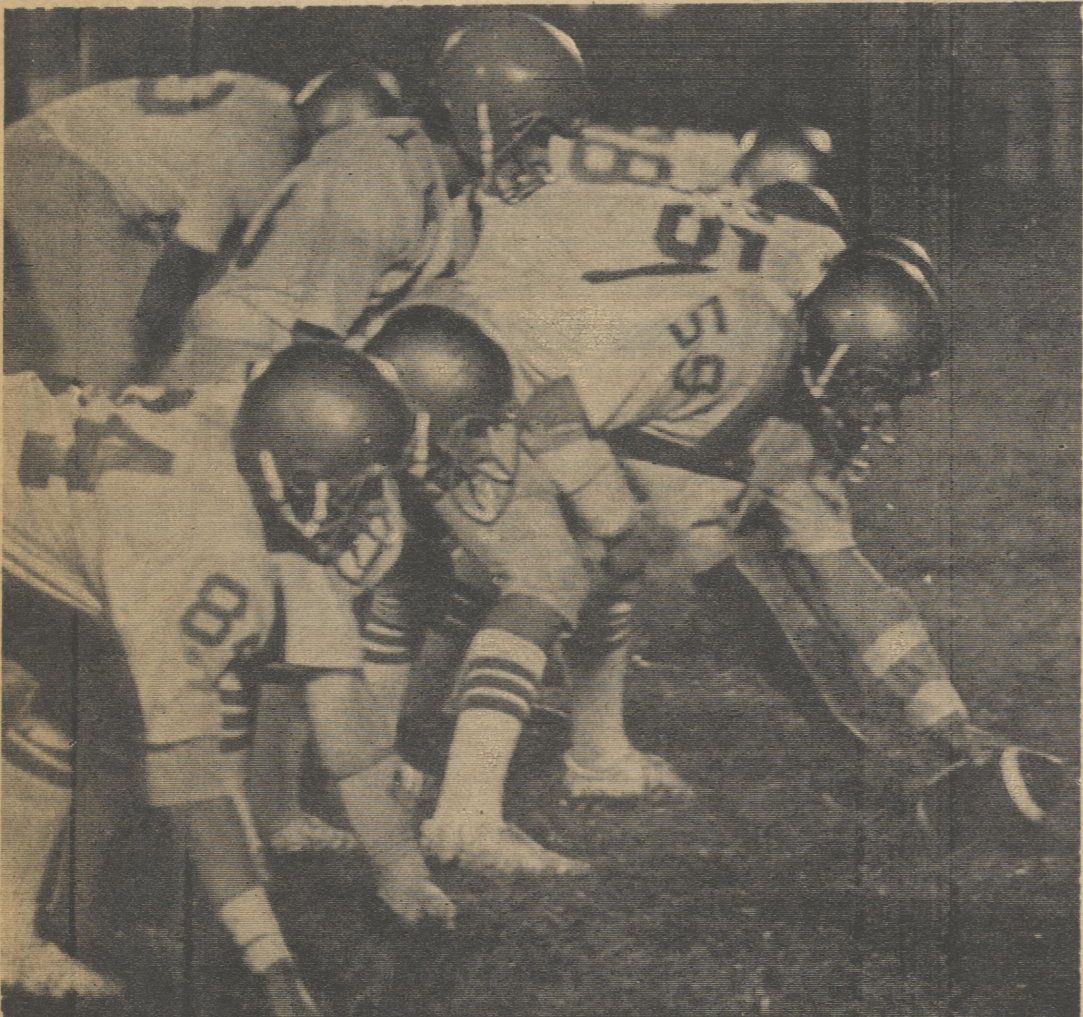

Electric companies are caught in the same inflationary cycle as everyone else. Although we continue to find more efficient ways of doing things, the cost of electricity, like everything else, is going up *wherever* you live.

SPORTS

Lester Blades brings the Lake Forest Spartans to "set" for the winning touchdown against Cape Henlopen Friday night, which the Spartans won, 7-6.

L.F. Wins Two in Row

For the second straight week the Spartan defense got tough when it had to be carry the Lake Forest High School eleven to a 7-6 win over Cape Henlopen High.

The Spartans had the only scoring chances of the first half as both sides featured stellar defensive play. Good punts by Russell Dill kept the Vikings pinned deep in their own territory and Lake Forest's scoring opportunities came as a direct result of Dill.

After an unsuccessful drive late in the second quarter, Dill

was forced to punt, but the Cape fumbled and the Spartan had the ball on the Vikings' 26. Lake Forest drove to the 12 where a Lester Blades pass was picked off. The Vikings fumbled it right back and Dill recovered with 2:13 to play in the half. Following an incomplete pass, Blades was again intercepted.

Similar to last week's win over Dover Air, the Spartans' opponents took the lead in the third quarter on a touchdown pass and the Vikings led, 6-0. Once again the Spartans ral-

lied in the fourth quarter on a long drive to take the lead. It was a 65-yard drive capped by a John Pickett two-yard run with just over 2 1/2 minutes to play. The kick by Dill was good and the Spartans took a 7-6 lead.

Again resembling last week's script, the trailing team was not about to give up. The Vikings had apparently scored on a long touchdown pass only to have it nullified by a penalty. From there the Spartan defense, led by Dill and Anthony Smith, held on to win.

Shawnee Stages Tournament For Granddads And Grandmothers

What started as a bright warm Sunday morning tapered to a heavy overcast and finally rainy day at Shawnee Country Club while the Old Granddad and Swingin' Grandmothers Tournament was being held. There were approximately 30 members entered, according to Wes Barrows, club pro.

In the Old Granddad tournament the following were winners:

- Low net — Lou Pikus (38-39 for 77, hcp., 11—for total 66).
- Runnerup—Jim Carnright (42-47 for 89, hcp., 22—for total 67).
- Second runnerup—John Scott (38-41 for 79, hcp., 11—for total 69); Jim Gilmore (42-41 for 83, hcp., 14—for total 69).
- Low medalist—Norm Hopkins (39-37 for 76, hcp., 7—for total 69).
- The Swingin' Grandmothers match witnessed the following winners:
- Low net—Ellen Grier (44-40 for 84, hcp., 13—for total 71).
- Runnerup — Marion Yonker (50-48 for 98, hcp., 25—for total 73).
- Closest to pin—No. 3, Adele (Beep) Barnard, at 22'9"; No. 7, Lucy Davis, at 1' 3/4".
- Harrington members participating in the tournament were Norm Hopkins, formerly of Harrington, as low medalist (69); Bill Walls, tied for 5th with 48-46 for 94, hcp., 22—for total of

72; Tom Kremiski with 41-41 for 82, hcp., 7—for a total of 75.

All of the greens are open and playable at this time.

LFHS Harriers Finish Second In Tri-State Meet

Jim Blades' Lake Forest cross-country team, a defending state champion group, competes on a different level than most local scholastic teams.

By season's end the Spartans will have competed against rivals from 10 or more states. Last Thursday in the Salisbury State College Invitational cross-country 2 1/2-mile run, Lake Forest placed second to a powerful Washington, D. C., area team in the third annual event at Salisbury's City Park.

Surratsville, Md. High Hornets have been dominating competition in the nation's capital area but were surprised by the calibre of competition here, particularly that from Lake Forest, Dover Air and Christiana High, a Class A school from the Newark, Del. district.

Watching almost 50 athletes pile out of the Lake Forest bus, the Surratsville coach stated: "That's the way to be strong in cross-country. Get plenty of people out."

Runners totaling 107 from 16

Delaware, Maryland and Virginia schools started. No. 1 Spartan, Joe Voshell, was tripped and fell in the center of the mob, thus preventing him from taking his expected place in the final standings. Nevertheless, he managed to finish 14th, a most creditable performance under the circumstances.

Harry Benson, a junior like Voshell, finished sixth. Freshman Spartan sensation, Danny Parker, was eighth, with junior Terry Pettyjohn ninth. Senior Kit Tighman in 25th place completed the Spartan scoring.

In the jayvee test, Lake Forest showed its depth by easily outpointing Surratsville and a dozen other schools.

Freshman ace David Richter won this race for the second straight year, negotiating 2 1/2 miles in a record 14:21, erasing the old standard of 14:46 he set as a novice in 1973.

Ed Thompson and Craig Kashner were second and third, followed by a trio of Hornets from Surratsville.

Steve Sausbury, Paul McClellan, George Gibbs and John Moffett finished off the Hornets by coming across in a blue wave.

Lake Forest took home six of the 15 individual trophies, leaving the other 15 teams with nine among them.

Team scores: 1—Surratsville, Md., 42; 2—Lake Forest, 62; 3—Dover Air, 88; 4—Christiana, 90; 5—J. M. Bennett, Salisbury, 118; 6—Dover, 145; 7—Cape Henlopen, 247; 8—Queen Anne's, Md., 258; 9—Wicomico, Salisbury, 312; 10—Stephen Decatur,

Md., 315; 11—North Carolina, Md., 344; 12—Indian River, 333; 13—Easton, Md., 344; 14—Onancock, Va., 349; 15—Northampton, Va., 362; 16—Mt. Michaels, Md., 397.

Harrington Bowling League

By Leah S. Wheeler
McKnat Funeral Home took a shellacking at the hands of Taylor & Messick as the T. & M. squad put the team back on top in the standings by gathering all four points. Tom Brown and George Langford bowled good games and series, and George Collins added a fine 206 game and 538 series for the winners. Harold Brode rolled a 538 series also, with Ken Garey adding a fine effort for McKnat's.

The Spoilers are tied for first place as they took three points from Dur-A-Clean on Jack Sapp's 215 game and 542 series, along with good efforts by Bill Morris and John Shaffer. Mark Murray and Bill Brode set the pace for the losers.

Big John's Son remains in the thick of things although they dropped three points Tuesday night to the Harrington Moose. Jim Carroll and Mike Kobel enabled the losers to salvage one point. Lee Dill rolled a 237 game and 526 series for the winners.

Ron Kelly bowled a 547 series and Richard Dennis added a 210 single and 526 set as Brothers Five and Jarrell Fuel battled to a two-two tie. Chester Short and Howard Brown were outstanding for Jarrell.

Butler's Fuel and Fry's American rolled to a two-two stalemate as Ralph Butler scored a 215 single and Charlie Brown and Larry Larimore added good games for the Fuelers. John Forbes, Don Jester and Jerry Hayman led Fry's.

Quillen Market's Dennis Pase had a 207 game and above-average series, although the team could get only 1 1/2 points against People's Restaurant. Norman Clough rolled a 203 and a good series for People's.

The T. & M. Rejects moved up the ladder as they took four points from Penn Central on Junior Bishop's 212 game and good efforts by Jimmy Messick and Ricky Welch. Bernie Coffman bowled well for the Railroaders.

Gene Wright had a 544 series add Wally's Garage split four points with Robbins' Hardware. Jeff Robbins had a 224 single and 548 series for the losers.

"Those that are last shall be first." Little Laurie Gibbs of W. T. Chipman cross-country team moves along at one pace . . . never faster . . . never slower. She is also quiet as a mouse . . . watch out, boys, for she may slip by you one of these days.

Lake Forest Cross-Country Team Extends Season Record To 4-0

Lake Forest's cross-country team defeated Caesar Rodney, 22-33 at C. R. on Monday to boost its record to 4-0, the only perfect log in the loop.

Chip Kane, C.R. coach, started his entire seven-man squad set personal bests for the nearly 2.7-mile course, but it wasn't enough as Harry Benson, Terry Pettyjohn, Joe Voshell and Dan Parker finished 2, 3, 4, 5. Kit Tighman (7th) was the final Spartan scorer.

Dunham, of the host squad, set a new course record of 13:05. Benson was only six seconds off the old standard, with Pettyjohn, Voshell and Parker finishing within 10 seconds of Benson.

Lake Forest was the jayvee test, 27-30, behind Bob Mullane (2nd, 14:25), Craig Kashner (3rd, 14:27), George Gibbs, Paul McClellan, Herb Jarrell, Cliff Ayres, Charles Scott, John Moffett, Eugene Butler, Steve Hampshire, Kelly and Rick Woodward, Tom Ort, John Nickle and Ed Hatfield.

Jeff Kashner, one of four Cruising Kashners on the squad, led W. T. Chipman School with 15:25, followed by Ken Sudler, Terry Phelps, Mack Miller, Bill Mitchell, Chris Rosario, Gary Kring, Charles McDougall, Larry McCombs, Shawn O'Toole, Quenton Hendricks, Sylvester Jones, Doug Caskey, Pete Rager and Laurie Gibbs.

Joe Voshell, second from left, of Lake Forest, "running with the pack" during Tuesday's meet with Caesar Rodney's harriers.
