NO. 45

Local Girls Compete For Title

Saturday night, April 19th, will see the crowning of a new Miss Harrington and Little Miss Harrington. The beauty contest, in its twelfth year, is sponsored by the Harrington Lions Club. This year all proceeds will benefit the Wt. Chipman Band's drive to raise money for badly needed and overdue new uniforms.

Adults will be paying a \$1.50 admission fee and students will pay 75c to watch five area teen age girls and nine petite misses vie for the two crowns. Entered in the contest for the title of Miss Harrington are: Selina Mertz, Margaret Kinney, Delores Kukulka, Cindy Jarrell, and Cheryl Short. All are Lake Forest

students and all are members of the junior class there.

In competition for the title of Little Miss Harrington are the following: Kelly Adams, age 4, daughter of Mr. and Mrs. David Adams; Melissa Beene, age 5, daughter of Mrs. Brenda Beene; Dawn Collins, age 4, daughter of Mr. and Mrs.

Alfred James Collins; Kellie Draper, age 5, daughter of Mr. and Mrs. Wayne Hendricks; Stephanie Lynn McCullough, age 5, daughter of Mr. and Mrs. Robert McCullough; Lisa Woods, age 4, daughter of Mr. and Mrs. James Woods; Anne Marie Jarrell, age 5, daughter of Mr. and Mrs. Alvin Jarrell; Victoria

Swain, age 5, daughter of Mr. and Mrs. Jack Swain. Escorts of the younger misses will be Jimmy Green, son of Mr. and Mrs.

Joe Green and Mike Collins, son of Mr. and Mrs. Kenneth Collins.

All former Little Miss Harringtons are scheduled to be in attendance, starting from 1957.

The contest begins at 7:30 p.m. and is held in the W.T. Chipman Auditorium.

David Jones, Cashier of the First National Bank of Harrington auctions off stock in the Peoples Bank and the First National Bank of Harrington which was in the estate of Christina Climer. Peoples Bank stock ranged in price from \$195 to \$221. The First National stock ranged from \$135 to \$141.

Annual AFS Walkathon Next Saturday

It's time to get out the hiking shoes and the ten-speed bikes to take part in the annual AFS Walkathon. This year the 15-mile trip will be held on Saturday, April 26 and will begin at Lake Forest High School, where the course will wind through the rural area, to terminate at Killen's State Park.

The Walkathon begins at 9 a.m. from the high school and there will be six rest stops along the way. At the end there will be refreshments and a large birthday cake to celebrate the birthday of the 1975 AFS exchange student, Jennie Milne. She will be celebrating her birthday on April

30, and the AFS Chapter and Club thought this would be a very appropriate way to help her celebrate.

Mrs. Leon Kukulka, president of the local chapter, has announced that for the first time in the history of the chapter, two foreign exchange students will be attending Lake Forest High School and living in the district in the fall. This, of course, will mean additional funds will be needed for the project. A good turnout for the Walkathon will assure the necessary money.

Mr. and Mrs. Leonard Outten of Harrington have been notified they will have a boy student from Ecuador next year, and Mr. and Mrs.

Samuel Shumar of Frederica have also been approved as AFS hosts for the coming year. They will have a girl student. Names and further details will be forthcoming.

This past year the Lake Forest Chapter also sponsored Valerie Blackman as a full-time exchange student for a year in South Africa.

The Walkathon will be conducted much in the same way as in the past, with students in the W.T. Chipman and Lake Forest High School obtaining sponsor cards from Mrs. Kukulka at Chipman and Mrs. Hazel Smith at the high school. The students then ask to be sponsored by friends and neighbors for ten cents per

mile on the walk. At each of the rest stops the cards are validated so that the walkers then can prove to their sponsors that they did walk the entire 15 miles. Transportation will be provided to and from the high school.

The AFS Exchange program has been far-reaching in the district. Each of the students from foreign lands has brought something of

international understanding to the school and community. The effort is a worthwhile one and deserves district-wide support. If you don't walk, sponsor a walker.

Jaycees Prayer Breakfast is Sunday

Mayor William Minner and members of the City Council of Harrington will be honored at the Harrington Jaycees Annual Prayer

Breakfast Sunday, April 20th, held on the second

floor of the Fire Hall. Breakfast will be served promptly at 7:30 a.m. by the Ladies Auxiliary.

The Honorable Richard R.

Wier jr., Attorney General of the State of Delaware

will be the guest speaker. Mr. Wier has a distinguished record in the areas of community service and the legal profession.

Tickets for the breakfast are available from any Jaycee or from Lee Dean at

Taylor's Hardware. Tickets are \$2 and are also available at the door.

The Jaycees are proud to honor Mayor Minner and City Council for the time and effort they unselfishly give the town.

City To Have Clean Up Days

The City of Harrington will have clean up days April 21, 22, and 23, according to a statement from City Hall. On these three days, the city flat bed truck will be available to pick up yard trash, tree limbs (trimmed so the street employees can handle them) and other trash that cannot be picked up by the trash packer.

The debris must be in areas accessible to a street or alley. If the amount of trash to be hauled is more than one half a truck load, a fee will be charged.

This is the time to get properties cleaned at a minimal cost. Remember, when citizens from other towns criticize our city they are criticizing us, not buildings or vacant lots—it is the people who live here.

Track Records Shattered Here

After two weeks of racing at Harrington Raceway, two new records have been established for the spring meet. On Saturday night a record number of 3591 fans attended. On the following night, a record mutual handle of \$203,148 was wagered.

In the eleventh race Sunday night Afton Dear and John Childress produced the fastest race of the spring in the time of 2.05

3/5. In the qualifying races Friday, Bard and Ellen Ludwig's two year old Bret Hanover colt, Committeeman, showed a field of older horses his speed and class in the time of 2.11 2/5. This is the fastest official time for any two year colt in the country at this time.

As of Sunday night the attendance was up 27 percent and the pari-mutual handle was up 11 percent over last year.

Another Delaware first is in the making, as the Lake Forest 116 Players put the finishing touches to the Thornton Wilder play 'Our Town', which they are scheduled to present here April 24 through the 26th.

The Players will be providing two firsts in Harrington, a dinner theater and one that is completely done by students. Members of Miss Leila Smith's drama class from Lake Forest High School will be acting in and carrying out various behind the scenes activities, while members of the high school commercial foods class will prepare the meals to be offered during the three evenings.

If things had gone according to plans, as Miss Smith told the Journal, the community would have had its view of the play last year, since rehearsals began last January. Several roadblocks prevented the first attempt, which, among other things, included Miss Smith breaking her leg...

in the past a favorite expression to wish someone about to tread the boards in front of the footlights. But the play was not to be in 1974.

About thirty are involved in the upcoming production, most of which are girls. For those familiar with the play, it may be of interest to note the lead, usually played by a

male, will be rendered by a girl.

Why 'Our Town?' Miss Smith replies she thinks 'It's perfect for the community and will speak to the community.' She sums up the theme of the play as simply appreciating life every minute it's lived. She says it is a 'warning to appreciate life every minute.'

Members of the cast are: Teresa Smith—stage manager; Tim Row—George Gibbs; Suzie Hughes—Emily Webb; Leonard Deeden; Michele Smith; Kathy Hampton; Donna Hinznam; Donna Kemp; Ron Wertman; Cindy Roland; Cassandra Thomas; Karen Harris;

Maxine Harris; Margie McClellan; Debbie Williams; Patti Mullane; Nichole Huff; Joyce Ewing. Donna Kemp is assistant student director to Miss Smith and Kevin Gruwell has charge of the curtain and stage crew. Also assisting is Gloria Dill.

On Thursday and Saturday nights, chicken and dumplings will be the menu, while ham and sweet potatoes will be offered Friday night. The buffet-style meal will open at 6:30 p.m. The seating will be cabaret style, basically for four persons. The curtain is scheduled to rise at 8:15 p.m. nightly. Held in the Lake Forest South B Auditorium, loc

Held in the auditorium of the Lake Forest South B School, the price of dinner and theater is set at \$5 per adult and \$3.50 for children under 12.

Miss Smith said if this effort is a success, she hopes the dinner theater will be an annual event.

Mark E. Love Will Address Harrington Chamber of Commerce

The monthly meeting of the Harrington Chamber of Commerce on the 22nd of April at the Fairgrounds Restaurant will feature Mark E. Love as the guest speaker, according to

Chamber President Richard T. Johnson and Secretary Robert E. Taylor.

Love is the 32-year old former Penn Central Railroad employe and consultant who is heading a group of investors desiring to

purchase the Delmarva Line of the Penn Central Railroad. If the group is able to close the purchase, the new railroad company will be called The Eastern Shore Railroad. Love has been very out-

spoken and optimistic about being able to finally purchase this line. A great deal of red tape lies ahead for them, and it is somewhat unlikely their group will be able to purchase the line unless a few laws are

changed. Love will explain the process surrounding the bankrupt railroads in the Northeast at the Chamber meeting. He will also be bringing slides concerning the Delmarva Line as well as slides of the floating

barge at Cape Charles. It was also announced that one of the principal investors in this new company to be formed will be coming with Love. His name is Martin Dyke, an investment banker.

Love was formerly employed by the N.Y. Central Railroad and joined Penn-Central when they merged. He was used primarily as a consultant by Penn-Central, and studied the Delmarva Line of Penn-Central in order to make recommendations. He is on

record as saying that if his company purchases the Delmarva Line, he 'will keep all lines on the peninsula open.. and not just the productive ones.'

This new company will endeavor to pursue vigorously the freight business which is available on the peninsula. Love feels that a private group can successfully run the railroad on a profit-making basis.

The public is invited to attend the chamber luncheon at 12:30 in the Fairgrounds Dining Room.

Ordinance Says No BB'S

The Chief of Police here reminds citizens of the Delaware Code, Section 1445, title II. According to the code, 'It is against the law for children under 16 to have in possession a BB gun.' The Harrington ordinance prohibits the discharge of any fire arms in the city limits, which includes BB guns. There is a fine of up to \$100 for offenders.

Race Is Saturday

Governor Sherman Tribbitt will present the trophies and awards at the Delaware Mini 500 Bicycle Race April 19th. Mayor Crawford Carroll and Jr. Miss Delaware will assist the Governor but will ride the pace bike.

Thirty teams came out Saturday, April 12th in the bad weather for the time trials for the race. The fastest qualifying team, O.B. Williams Wheelers, finished the mile in 2.52

minutes-one bike exchanging hands four times, each rider cycling 1/4 mile. Teams are composed of four riders and a pit crew of two. 180 Kent Countians participated in the time trials aging from 16 years to 46.

The Delaware Mini 500 Bicycle Race is co-sponsored by the Greater Dover Chamber of Commerce and the Dover-Kent County YMCA. Proceeds will be (continued to page 4)

Callis-Thompson, Inc. has leased property to open another branch at 1456 DeSoto Road, Baltimore, Maryland.

The company started operation at Harrington in 1953. Ten years later, in 1963, it opened a branch in Pennsylvania, now located at Colmar, to cover the Eastern Pennsylvania and northern New Jersey area. The Baltimore branch will permit the company to offer its services in a large area west of the Chesapeake Bay.

Going My Way ?

These ducks look like they're ready for flight... in a way they are...they will be part of the gathering at the world championship wildfowl carving competition to be seen at the Fifth Annual Ward Foundation Show next Saturday at the Salisbury Youth and Civic Center.

Of Local Interest

by Edythe Hearn

Miss Michelle Dimmitt entertained Miss Lynn Silberstein and Miss Sharon Stachicki at dinner two evenings last week.

Mrs. Heien Rash and son Jimmie visited Mr. and Mrs. Ernest Rash in Dover Sunday.

Mr. Ernest Brown of Denton visited his sister and brother-in-law, Mr. and Mrs. Howard Anthony Friday afternoon.

The Ladies Auxiliary of the fire company here will serve the Mayor-Jaycee Prayer Breakfast at the fire hall Sunday morning at 7:30 a.m.

Miss Jean Price was initiated to membership in Kappa Delta Pi, an Honor Society in Education, at the University of Delaware, April 14.

Individuals are invited to become members of the Society by vote of the chapters because of high records and an exhibited professional attitude which would enable one to grow in the field of education.

Miss Price is the daughter of Mr. and Mrs. Albert C. Price of Harrington.

Mr. and Mrs. Edward Taylor were Sunday dinner

guests of Mr. and Mrs. Joe Green and family at a Rehoboth restaurant where all helped in the celebration of the Taylors' wedding anniversary.

David Martin returned to his home last Thursday after surgery in Milford Hospital recently.

Mrs. Alex(Leah) Anthony is now out of intensive care and is improving in Milford Memorial.

The Merry-makers Home Demonstration Club met last Wednesday evening at the home of Mrs. Arthur Hoffman in Dover, with Mrs. Jeff Larrimore as co-hostess.

Mr. and Mrs. Charles Rapp spent the weekend with her brother, Mr. and Mrs. H. John Johnson, in Norfolk, Va.

Several ladies from town attended the musical tea held at the Methodist Manor Home in Seaford Thursday afternoon. They also visited Mrs. W.W. Sharp, Mrs. Kessler Farrow and Miss Helen Peterson, all former Harrington residents as well as visiting Mr. and Mrs. Norman Walters of Centerville, Md. at the home.

Harry G. Farrow, Jr.

... a committee was formed to solve the parking problem. The question was who could solve the parking problem? The smartest person in the town! But ... who is the smartest person in the ...

Several months ago there appeared in this column my opinion regarding the parking problem in the downtown sector of Harrington. After spending the best part of every day for the past year in and around this area, I began to notice the traffic congestion in the downtown sector. As a matter of fact, I witnessed one accident and several "narrow-escapes." With this in mind and several discussions with those in and around City Hall, I, on my own, drew the simple deduction that parking should be eliminated on the east side of Commerce Street. My opinion has proven to be a "mermaid" ... half wrong and half right.

To eliminate the parking on one side of Commerce Street would as a natural result allow the traffic ... particularly the trucks ... to pass in safety. With cars parked on both sides of the street it is sometimes impossible for vehicles meeting each other to pass in safety. Many times one or the other is forced to stop and let the other pass.

On other hand, if parking is removed from one side of Commerce Street it is likely to encourage patrons to stay away from the business district and not frequent the stores and businesses along that sector. The absence of parking would work a hardship on the would-be customers. It therefore calls for a balancing of the equities.

It would appear now after seeing the new ordinance in effect that keeping the parking as it was before in order to keep and retain the downtown business might be the lesser of two evils. We need the downtown business above all, and if retaining the parking means protecting the businesses that are here, then it is obvious that we should retain the parking.

If it is decided that the parking should be retained, there should be a shorter time limitation placed on the parking. Many of us have been guilty of parking in front of our businesses from opening to closing. This issue is no simple matter, for where are the people to park? There are three parking lots in the town ... two owned by banks and one by the fire company. If these entities were to enforce and restrict parking to their own customers for banking purposes as it pertains to the banks and the fire company restrict parking for use of firemen only, there would not be any places in which to park.

Now this matter therefore is for the smartest person in the town. BUT WHO IS THIS PERSON? We are forced to endure the traffic congestion until "the smartest person appears."

Days Of Our Years

Ten Years Ago Friday, April 16, 1965
Twenty Years Ago Friday, April 15, 1955

Donald McKnatt was elected president of the Harrington H.S. Alumni Association at its meeting Tuesday evening. Other officers elected were: Mrs. Mary Tatman Tucker, v.p.; Mrs. Jane Hughes Moore, corres. sec.; Mrs. Patsy Jack Garey, recording sec.; Mrs. Zita Zimmerly Hatfield, historian and William Manship, treas.

The telephone company will begin work on Delaware's state-wide three-channel educational television system. Some \$2,500,000 will be invested by the telephone company for the project.

Greenwood - On Friday evening, April 2, Miss Geraldine Seely, daughter of Mr. and Mrs. Fred Seely, of Seaford, became the bride of John Williamson, son of Mr. and Mrs. Emory Williamson.

Felton - Mr. and Mrs. Vaughn Warren returned home Friday after a week's vacation in Savannah, Ga., and several other places of interest.

Hickman - Mr. and Mrs. Donald VanVorst are receiving congratulations of the birth of a baby boy born recently. Mrs. VanVorst is the former Patricia O'Day, daughter of Mr. and Mrs. Irvin O'Day.

Master Dennis Wheeler, son of Mr. and Mrs. Leroy Wheeler, observed his birthday Wednesday.

Judy Burgess will celebrate her 16th birthday Friday. Also celebrating birthdays during this week are: Sharon Walls, Patty Jopp, Janet Anthony, Tom Lord, Daniel Smith and Michele Jack.

Mr. and Mrs. William Polk of Harrington gave birth to a boy recently. The child was born at Milford Memorial Hospital.

Jay Bullock will go to Ohio after his graduation from the University of Delaware in June to work on the Panhandle division of the Pennsylvania Railroad.

Reese Theatre will feature "The Long Gray Line" with Tyrone Power and Maureen O'Hara today through Monday.

Erection of the Kent and Sussex Fairgrounds' new grandstand will start next week. T. Brinton Holloway, general manager of the fairgrounds, said yesterday.

Mr. and Mrs. William Earl Thomas announce the engagement of their daughter, Mary Ellen, to Cadet William M. Wix, the son of Mr. and Mrs. Robert J. Wix Sr. A June wedding is planned.

A yellow Pomeranian, shown by Nina Alena Reed, won the prize for being the best-groomed dog on the boardwalk at Rehoboth during the Easter parade.

Enginman Walter Lekites returned on the first of this month, after 42 years' service on the Delmarva Division.

Houston - Dorothy Minner, of Wilmington, is spending this week with Mr. and Mrs. Franklin Morgan and her mother, Mrs. Laura Minner.

Farmington - Pfc. Leslie Dennis of Camp Gordon, Ga., visited Mr. and Mrs. William Messick Sunday afternoon.

A Botany all-wool flannel suit is selling for \$65 at Levis.

Masten's - Mrs. Carrie Bailey, of Milton, Joann Hill, of New Castle, and Mrs. Imogene Bailey and daughter, Pat, visited Mr. and Mrs. Fred Minner Saturday.

Weekly Report of

Senator Joseph Biden

This week, the new Senate Budget Committee on which I serve reached agreement on our first recommendations for ceilings for Federal spending for the coming year.

While still tentative, the Committee is now considering a budget of up to \$366 billion—a figure that I strongly feel should be cut further in several areas, including military spending. The deficit that would result from such a budget is far too high.

But my point in writing this column is not to deal with the figures involved, but with the process the Congress is now going through. For the first time, Congress is engaged in an attempt to set priorities for Federal spending—targets—we call them—that will guide the Appropriations Committees of the House of Representatives and the Senate as they consider spending bills this year.

Under the Budget Control Act of 1974, we established a system which, I hope, will serve to bring some order out of the chaos of Federal spending. For too long, Congress has allowed the President to choose the priorities for Federal action, embodied each year in his proposed budget. Meanwhile, in a helter-skelter approach, Congress has gone ahead and passed its own appropriations bills, with no attempt to set its own rational, meaningful ceilings.

When the new system is fully in operation next year, the new law will provide a mechanism to insure that Congress not only sets spending ceilings, but holds them. What will happen is that in the spring, we will vote on spending targets. These will be used as guidelines by the Appropriations Committees of the House and Senate as they consider the regular appropriations bills over the summer months. Finally, in the fall, the Congress will review what is done with individual appropriations bills, and either modify them to bring them in line with the spending priorities and ceilings established in the spring, or (if conditions have changed), modify the ceilings upward or downward.

That is a greatly simplified version of the way the process will work. But it suggests the significance of what is involved: a rational, unified approach, by Congress, to the expenditure of the taxpayers' money.

And that, I feel, is one of the healthiest things that has happened in Congress in many a year. I'm pleased to be a part of this improved fiscal oversight in the Congress.

Pete duPont Reports

From what I've written in the past, I am sure you are aware of my strong favorable feelings towards the School Lunch and Child Nutrition Programs. As you may remember, last year when the Department of Agriculture proposed phasing out all commodity purchasing by the Department, I testified before the Ad Hoc Subcommittee on Commodities Purchasing telling them of the negative effect such a cash-in-lieu of commodities program would have here in Delaware. I have also stated that I will not support the President's proposal to combine all of these most worthwhile programs into a block grant to states with reduced funding.

Major controversy has arisen, however, over provisions for placing a ceiling (either 25c or 35c per meal) on the amount of money each student is expected to pay for his meal. Such a ceiling would mean that no student—no matter what his family income—would pay more than 25c or 35c for a school meal. Because the full cost for these meals is substantially higher than these ceilings, this would mean that the Federal government would be subsidizing these lunches out of the taxpayers' pockets at an additional cost of between \$450 million and \$1 billion per year.

Although I strongly support free and reduced meals for students whose families fall in the low and middle income range, I cannot support ceilings which will mean that the American taxpayer could be subsidizing the lunch of a student whose family income exceeds \$50,000 annually for example. I think this would be a waste of your money at a time when we can little afford to tolerate unnecessary government spending.

I continue to support the School Lunch Program and its free and reduced price lunches for low and middle income students. I am hopeful that a compromise can be reached which will help those students who need help, but which will not waste your tax dollars on students whose families can afford to pay the full cost. It is one piece of legislation we should be able to take care of before the beginning of June.

Thoughts....

Senator Wm. Roth

Despite substantial outlays of Federal funds to strengthen our law enforcement agencies, crime has continued to rise.

According to statistics released by the Delaware State Police, crime in Delaware last year increased by 42 percent over the previous year. In Sussex County, it was up 25 percent; in Kent County, 14 percent. New Castle County reported a 49 percent increase.

There are many facets to our crime problem, but one element is often overlooked. Arrest statistics indicate that about two-thirds of the crime in this country is committed by repeat offenders, many of whom have been arrested time after time.

One major problem in removing these individuals from our streets is our easy bail system. The hardened criminal with a long arrest record often receives the same consideration as the first offender.

After he is apprehended, he may be quickly freed to commit more crimes, and often he does just that.

No one should have to walk our streets in fear. It is the criminal who should be made to fear the wrath of the law.

Support the Spartan Spirit.

Obituaries

R. Claude Fisher

R. Claude Fisher, 74, of 24 David St., Frederica, died last Thursday in Milford Memorial Hospital after a long illness.

Mr. Fisher's wife, Elizabeth M., died in 1972. He is survived by a daughter, Edna Mae Thomas of Frederica; a grandchild and two great grandchildren.

Services were Monday afternoon at 2 at the Berry Funeral Home, N.W. Front St., Milford. Interment was in Barratt's Chapel Cemetery, Frederica.

Frederick K. Parkhurst Sr.

Frederick K. Parkhurst Sr., 84, retired Dagsboro merchant, died March 12 at the Emily P. Bissell Hospital near Wilmington after a long illness.

Mr. Parkhurst's wife, Della, died in 1966. He is survived by a son, Frederick Jr. of Greenwood; 10 grandchildren and 21 great-grandchildren.

Interment was Wednesday in Dagsboro Memorial Cemetery.

Madelyne B. Kennedy

Madelyne B. Kennedy, 68, of 611 S.E. 2nd St., Milford, died last Tuesday in Milford Memorial Hospital after a long illness.

Mrs. Kennedy was a retired school teacher. Her husband, Robert C. Kennedy, died last May. She is survived by two daughters, Nina Jo Watson of Milford and Roberta Korona of Magnolia; a son, Richard A. of Milford; three brothers, Omar Boulden of Newark, Bryan Boulden of Philadelphia and Bennett Boulden of Cecilton, Md.; two sisters, Florence Smallwood of Baltimore, Md. and Hilda Gifford of Clavert, Md.; eight grandchildren and a great-grandchild.

Services were Friday afternoon at 2 at the Edward Fellows and Son Funeral Home, Cecilton. Burial was in Bethel Cemetery, Chesapeake City, Md.

George R. Reed

George R. Reed, 57, died Saturday, April 12, in Milford Memorial Hospital after a long illness.

He was a retired civil service worker at Dover Air Force Base. He is survived by his wife, Mabel; a daughter, Jeanne Parker of Greenwood; his mother, Addie M. Reed of Wyoming; a brother, Franklin of Boston, Mass.; four sisters, Helen Walls of Ingleside, Md., Vermie Sheppard of Wyoming, Anne Goldstrom of Camp Hill, Pa., and Ruth Wadkins, of Dover; and three grandchildren.

Services were Wednesday afternoon at 2 at the Torbert Funeral Chapel, Bradford and Reed Sts., Dover. Burial was in Odd Fellows Cemetery, Camden.

William Macklin

William (Brink) Macklin, 81, of Church St., Felton, died last Wednesday at the Kent General Hospital, Dover, following a short illness.

He was a retired employe of the state Department of Highways and Transportation. He is survived by his wife, Ida; a son, Cmdr. Jack E., of Jacksonville, N.C.; a daughter, Maude Vogeler of St. Petersburg, Fla.; a sister, Maude Barton of St. Petersburg, Fla.; and two grandchildren.

Services were Sunday afternoon at 2 at the Berry Funeral Home, Main St., Felton. Interment was in Barratt's Chapel Cemetery, Frederica.

Beulah F. Moore

Beulah F. Moore, 85, of Felton, died Thursday at Scott Nursing Home, Smyrna, after a long illness.

Her husband, James S., died in 1967. She is survived by a brother, D. Vernon Ford, of Smyrna.

Services were Sunday afternoon at 2 at the Faries Funeral Chapel, 29 S. Main St., Smyrna. Burial was in Odd Fellows Cemetery, Smyrna.

People believe that finding a knife will bring bad luck.

It Seems To Me

by Janet Reed

If you are trying to make your money stretch farther these days, you have a lot of company.

Clothing seems to be one of the easiest places for many families to cut expenditures. Most of us have more clothes than we really need to protect us from the elements. We buy clothes for many other reasons, but if we must economize, we can get along with less variety.

We can wear our clothes longer. It's fairly easy to get another year's wear from most clothing items before you discard them. You may tire of clothes, but if they are stored for a season, they look better when you bring them out again.

Fashion changes haven't been radical in recent years. Besides, no one pays slavish attention to fashion any more, so it's easy to get another year's wear from most items.

If the clothing budget must stretch, it's apt to be the homemaker who adjusts first. Children who outgrow clothing must have replacements. Dad's clothes, too, will come before new ones for mother if he is the sole breadwinner and must present a businesslike image at work.

Sharpen your shopping skills to make money go farther. Curb impulse buying. Credit cards tempt you to buy items you don't need. Plan your wardrobe needs to help coordinate expensive accessories. Today's versatile separates enable you to have a number of changes with a few clothing items, but this takes careful planning. And with a plan in mind, you won't be as tempted to buy on impulses.

Invest in basic clothes of good fabric. These can be worn for many seasons. Fads and high fashion are likely to be expensive and have a short life as well.

Good quality fabric gets more expensive all the time, but buy the best you can afford. Good fabric wears well, cleans well and will look good for the life of the garment. Good fabrics can even be remade into garments for other members of the family or restyled for current fashion.

You pay for the labor of making a garment regardless of fabric quality, so you will have a much better investment if you can spend slightly more for good fabric. If you know fabric quality, you'll be able to pick out the best bargains among sale merchandise.

Buying at sales may be fun but probably you won't save much money in the long run. It's too easy to

buy something you don't really need, or something that requires other purchases to go with it. If you are really trying to save, you had better stay completely away from sales unless you have very strong will power.

Keep clothing items in good condition. They will look better and wear better, and you won't be as tempted to buy new things. Keep clothes mended and learn to do inconspicuous repairs. Mending is almost a lost art but it can be satisfying to put clothing back in use after a skillful repair job.

Follow care directions for every garment. Care directions are included on textile items now, so it's up to you to get the most for your money by following these directions.

Making clothes for the family may save you a great deal of money if you have the time, skill and energy to sew. This way, you provide the expensive element in clothing, which is labor.

American Institute of Banking

Kent County Chapter

The American Bankers Association

Kent Chapter Hosts Conference

Bankers From Southeastern United States Convene In Dover For Work Session

Editor's note: The information appearing on this page was written for and by members of the local American Institute of Banking. The local members are hosting delegates from District IV, of which Delaware is a part. They will be meeting in Dover, beginning tonight, and have planned activities throughout the weekend. We would like to take this opportunity to welcome all visitors and to wish all concerned a successful workshop and banquet.

Russell E. Rosenberger

National AIB President Visits

National President of the American Institute of Banking, Russell E. Rosenberger, will be in attendance at the A.I.B. Convention hosted by the Kent Chapter of the Institute, April 18, 19, and 20th.

Rosenberger is a vice-president of the Philadelphia National Bank of Philadelphia. For several years, Mr. Rosenberger has been involved in the A.I.B. educational programs and has served the institute's President for the past year, being elected by the membership at the National Convention last year in Baltimore, Md.

His attendance is especially noteworthy because he is the first National President to ever attend an A.I.B. function in Kent County.

Eleven Will Receive Awards

Eleven Past-Presidents of the local chapter, A.I.B., will receive Life-time Memberships in the American Institute of Banking Saturday, April 19 and will be presented by President, David G. Jones. They are: Gerald W. Chandler, Linda VanSant, Raymond Westrod, Donald McClane, Gerald F. Layton, William Kershaw, George Harrington, James Lorenzen, Bernard Lynch, Leslie Wix, and E. Richmond Steele Jr.

David G. Jones, Executive Vice-President of The First National Bank of Harrington and President of Kent County Chapter American Institute of Banking, announced recently that bankers from six states had chosen Dover for their annual Vice-Presidents' Workshop and District Public Speaking contest.

The headquarters for the affair is the Ramada Inn of Dover, where events begin tonight. On hand will be bankers of all levels of responsibility, including men and women who are new to banking to bank presidents.

Work sessions will begin at 7 a.m. on Saturday, April 19, with guests lists that include Edward R. Gavenus, past President of the Institute and Russell E. Rosenberger, the National President of the American Institute of Banking.

It is surely an honor for our chapter to have been chosen as host chapter for this most important event,' said Jones. 'My officers and Directors have been planning for months in order to make the weekend a worthwhile learning experience for A.I.B.'ers.

Peggy Lorenzen

New President Is Elected

The Kent County Chapter A.I.B. has elected Peggy Lorenzen as its President for 1975-76. She is to take office Sunday, April 20, during ceremonies to be held at the Ramada Inn of Dover.

Mrs. Lorenzen is Assistant Secretary and Branch Manager of The Wilmington Savings Fund Society, the Dover office. She has been involved in banking for nearly ten years, all with W.S.F.S. After being elected Treasurer of A.I.B. in 1972, Mrs. Lorenzen proceeded to move through the chairs as Vice-President in charge of Membership to Vice-President with over-all responsibility of Education in Kent County for 1974-75.

Other officers elected include: H. William Jones with Bank of Delaware as Vice-President; Robert Cooker-2nd, Vice-President and Constance Quillen, Farmers Bank as Treasurer.

Special Studies Are Conducted

One of the goals of the American Institute of Banking is that of specialized education for those engaged in banking. In addition to formal classroom education, forums and seminars are sponsored to help provide a well-rounded educational program. Topics covered are applicable and pertinent to all phases of banking.

Two forums were held in Kent County this year; one in the fall and one in the spring. The topics covered for the fall forum were Counterfeiting and the Jurisdiction of the FBI in Bank Related Crimes. This forum was timed to correspond with the Christmas season, because it is noted by bankers as a high crime one. The spring forum dealt with U.S. Savings Bonds.

This was timed to coincide with the U.S. Treasury Bicentennial celebration and the Bond Program. All forums were conducted by qualified professionals, thus giving all participants first-hand information on the subject matter.

1975 Is Institute's 75th Anniversary

In May of this year bankers from all parts of the United States will meet in Minneapolis, Minnesota to celebrate the 75th anniversary of A.I.B. Like banking, AIB sprang from human needs. It is truly an American product...reflecting individual initiative, self-reliance, voluntary cooperation, and teamwork.

Conceived in 1898 when Joseph Chapman, a teller in the Northwestern National Bank of Minneapolis, brought together 30 bank employees for a class in Commercial Law at the University of Minnesota, approved by the American Bankers Association at its Richmond Convention in 1900, AIB has met the test of the marketplace.

Today the Institute has 260,000 members...140,000 annual course enrollments (over three million since the first enrollment)...another 75,000 annually in seminar attendance...3,000 teachers...1,200 courses...600 local chapters, study groups, and study teams.

The Institute spreads from the Atlantic to the Pacific (even beyond)...3 1/2 million square miles of AIB influence...reaching all 50 states, Washington, D.C., Puerto Rico, the Virgin Islands, Guam, and Santo Domingo. Through correspondence study, AIB stretches to Europe, Asia, Africa, South America, and Canada.

In 1965 President Lyndon Johnson, a former AIB teacher at the Houston Chapter, referred to the Institute as 'the greatest adult education program in the world.' AIB has also been cited by a Carnegie Foundation study as having 'stamped itself on its field more indelibly and more successfully than any other.'

The historical mission of AIB has been constant-to build American banking by helping to develop the people in it, locally at the grass roots. Our enduring task is: 'Development of banking's human assets to enhance the ability of America's bankers and banks to serve effectively and profitably the needs and desires of the American public.'

Public Speaking Contest Is Set

District IV A.I.B. Public Speaking Contest will be held on April 19 at the Ramada Inn in Dover, Delaware, with thirteen contestants participating.

District IV is comprised of Delaware, Maryland, Virginia, the District of Columbia, North Carolina and South Carolina.

Speakers in the district contest are winners of their local chapter contest, held prior to February 15 each year. The winner of the District IV contest will represent the district at the National Convention, to be held this year in Minneapolis, Minnesota in May.

The national public speaking contest for the A.P. Gianni Educational Endowment prizes dates from 1926, when A.P. Gianni, President of Bank of America National Trust and Savings Association, presented \$15,000 to the A.I.B. His gift was made to help advance a national public speaking contest.

First held in 1927, the primary objectives of the National Public Speaking Contest are: (1) to improve practices, to broaden purposes, to increase usefulness of banking by stimulating research in banking and economics; (2) to obtain better public understanding of the relation of banking to other human activities and interests by stimulating public discussion of subjects related to banking; (3) to encourage the practice of public speaking by men and women in banking.

The Administrative Committee for the A.P. Gianni Educational Endowment has selected the general theme and sub-topics for the National Public Speaking Contest for 74-75, as follows: General Theme- AIB in Perspective; Chapter Contests- AIB and Its Heritage; District Contests- AIB and Its Contributions; Semi Final and Final Contest- AIB and Its Potential.

The entire country has been divided into twelve districts. Each district is entitled to have one representative in the final contest.

The following people have won either chapter contests, or have been appointed to compete for District IV winner: Ruth Ellen Bollinger, Carroll County Bank, Baltimore; Mary Upchurch, Southern National Bank, Central Carolina; James Golson, First Union National Bank, Charlotte; David Holton, Wachovia Bank and Trust Co., Durham; Rose Ann Smith, Bank of Delaware, Kent County; David Powell, First National Bank of Christiansburg, New River Valley; John Lemacks, Davis National Bank, Pee Dee; Donald Gobble, First

And Merchants National Bank, Richmond; Gloria Plummer, Citizens Trust Bank, Tidewater; James Hicks, North Carolina National Bank, Wake County; James Didden, National Capital Bank, Washington; Willard Bullock, Delaware Trust Co., Wilmington; James Wise, Roanoke.

Four To Attend National Convention

Four people from the Kent County American Institute of Banking will serve as delegates from Kent County at the seventy-fifth Annual Convention of the institute in Minneapolis, Minnesota on May 26-29.

Those attending are: David Jones, President, with The First National Bank of Harrington; Peggy Lorenzen, First Vice President, with Wilmington Savings Fund Society; James Lorenzen, Public Speaking Chairman, with Bank of Delaware and H.

A.I.B. Is School Without A Campus

'An uncommon school without a campus.' That's how the American Institute of Banking, which has three chapters in Delaware, describes itself.

The Institute, an educational division of the American Bankers Association, organized to provide bank men and women an opportunity to acquire broad and comprehensive education and training in banking, is observing its 75th national anniversary this year.

There are more than 600 chapters and study groups in the 50 states grouped into 12 districts. The Kent County Chapter is in District Four, comprising Delaware, District of Columbia, Maryland, North Carolina, South Carolina and Virginia.

David G. Jones, president of the Kent County Chapter and Executive Vice-President of the First National Bank of Harrington, said the general objective of the anniversary celebration is 'to build better banker understanding and appreciation for the American Institute of Banking as an educational division of the American Bankers Association.'

The Institute has grown from a few bank clerks who wanted to broaden their knowledge of banking to one of the largest business-sponsored adult educational organizations in the world,' he said.

'For the 12 months ending last June 30, enrollments in A.I.B. courses totaled over 140,000 bank employees nationwide. That's an impressive figure. Our chapter had 110 enrollees. In taking advantage of the opportunities for self-improvement, bank men and women have significantly

improved the quality of banking, and this is reflected in quality service to the public.'

The A.I.B. was founded in response to a need on the part of young bankers to know more about the business they had chosen for a career. The first indication of a desire by bank clerks to join forces for educational purposes was in 1899 in Minneapolis, the Institute's 1975 Convention site (May 25-28).

About the same time there was a stir of interest in banking education in other parts of the country, notably Buffalo and Louisville. A petition seeking an 'Institute of Bankers,' which would offer facilities for study and training, was submitted to the A.B.A. a year later. In 1900 the A.B.A. authorized the organization of an institute of bank clerks and appropriated \$10,000 for the first year. The Constitution and Bylaws for the new organization were officially signed on March 23, 1901. The present name was adopted in 1907.

The Kent County Chapter was chartered in 1962 with 147 members representing ten area banks.

Over the years the local chapter, which now has 260 members, has provided instruction for more than 1200 enrollees. Presently enrolled in A.I.B. courses are 125 bank personnel.

Classes are taught by professionals--bankers, attorneys, certified public accountants, college professors, high school teachers and other qualified persons. The classes are held in banks, high schools and vocational schools throughout the Kent County area.

There are more than 45 courses--something for everyone from beginning employe to senior executive--in the curriculum. The courses are divided into five fields of study--Foundations of Banking, Banking Functions, Management and Supervision, Language and Communications, and General Electives.

Tuition is modest and so is the cost of textbooks. Most banks have tuition refund plans which reimburse employees for nearly all the tuition costs for successful course completion.

The Institute offers four certificates: Basic, Standard, Advanced and General. Each represents a different level of academic achievement. The first three, however, must be taken in order. Credits may be applied toward college credit where chapters have reciprocal arrangements with area colleges. College credits may be applied toward A.I.B. certificates.

The A.I.B. here has awarded many certificates over the years. This year 13 Basic, two Standard, and one General certificates will be awarded to area bank employees.

Does A.I.B. training pay off? 'Yes,' says Peggy Lorenzen, Chapter Vice President. 'Of course, completing A.I.B. courses or earning certificates isn't a guarantee of a better job. The chances of advancing one's career are greatly enhanced. But satisfaction comes to an individual in personal development and in expanding one's range of knowledge.'

Old Dover Day Set

Old Dover Day will be held Saturday, May 3, and will consist of the traditional house and garden tour of Dover's historic homes and buildings, plus festival events like the maypole dance on The Green, the parade of carriages, colonial games and sports, and special musical presentations throughout the day.

This year's old homes tour includes the Eden Hill Farms, The Old Academy, The LeFevre Residence, The Bradford-Loockerman House, Murphey House, Old Christ Church, The Manter Office, The McDowell-Collins Store House, The Old Carriage House, The Holloway Residence and Doll Collection, The Barros Residence and China Collection, Herrick House, Loockerman Hall, Aspendale, Great Geneva, The Camden Friends Meeting House. A special feature will be the Governor's House where Georgia Marshall will perform on the harpsichord between 2:30 and 4 p.m.

In addition to the maypole dance on The Green, which is directed by Mrs. Marion Tracy, there will be a total of four other children's dance programs during the day at various locations. The dance program at 11 a.m. will be performed at Christ Church by The Little School; the dance program at the Bradford-Loockerman Gardens at 11:30 a.m. and the dance at Great Geneva at 1

p.m. will be performed by students from the Country Day School. The dance program at 3 p.m. at the Governor's house will be performed by the Wesley Nursery School.

Colonial games and sports will be held on Capitol Square on the west front of Legislative Hall for the benefit of children wishing to learn recreational activities of the colonial period times. They will be sponsored by volunteers from the Light Infantry Company of Dover.

Old Dover Day has been sponsored for forty years by the Friends of Old Dover. Tour tickets cost \$5 per adult, \$3.50 per senior citizen, \$2 per student, and \$3.50 for groups of twenty five or more who buy tickets in advance. For more information or tickets contact Ticket Chairman, Friends of Old Dover, P.O. Box 44, Dover, DE 19901.

Sickel Cell Anemia

Of every 400 black Americans, only one has sickle cell anemia, but 120 have high blood pressure—which can lead to heart attack or stroke. It only takes a few minutes for your doctor to tell. Contact the Delaware Heart Association for more information. Call 654-5269 or 856-7386.

On Friday, April 18, schools of the Lake Forest School District will dismiss their pupils at 1 p.m. in order to provide time for administrators and teachers to participate in conferences and inservice programs.

KEITH S. BURGESS, Sports Editor

Girls Track Is Improving

by Keith Burgess

Lake Forest's track persons lost once more to a powerful James M. Bennett High of Salisbury, Md. in the Spartan 1975 opener, but made their best showing yet against the Maryland invaders.

Dave Buck's charges dominated the track events with five victories, but lost a well-contested meet by falling behind in the field events.

Versatile veteran, Cheryl Lissy, took the 80 yard hurdles in 12.1 seconds, got thirds in the long and high jumps and anchored the 880 yard medley relay team to victory. Brenda Teat ran the 220 leg of this relay followed by Paula Mosley 110, Eileen Ryan 110 and Lissy 440.

Mosley, ninth grade, reeled off an excellent half mile victory in 2.50. Nita Giddens had a good 3.02.

Lake Forest swept all three places in the 100 yard dash and mile runs.

Brenda Teat and Nina Adamo tied for first in the century (12.5). Phyllis Clark almost got up for a triple dead heat, missing by one-tenth.

Karen Singleton annexed the mile in 6.27.9, with Debbie Duerr one-tenth back. Maxine Harris was third.

Beverly Mack hurled the iron ball 30 feet, five inches, to win the shot put. Mary Lou Tilghman had a good 25-3 effort.

Mack threw the softball 165 feet two inches to get second place with Eileen Ryan, a tiny battler, firing 162-3 for third.

Novice Jody Dunlap, like Mosley, is a sister to a male Spartan track star. She took second place with a 6.9 50 yards effort.

Denise Johnson, a graceful High Point Trailer Park blonde, looks like one of the best new prospects to come along since Bowers' Cheryl Lissy. Johnson excelled in

two technique events, by edging veteran hurdler, Nina Adamo for third place.

Adamo is merely a former state champ hurdler. Johnson then cleared the same height as Lissy (four feet two inches) in the high jump.

The Jackson sisters, Paula and Anna, recorded thirds in the 440 and discus, respectively.

Interest is high in the third year of girls' track here. Buck has depth this year and is having success in finding events that suit more and more of his athletes.

Bowling

by Leah S. Wheeler

bowling results for the second half roll offs and championships will be in next week's paper, with pictures of the top rollers.

School Menus

LAKE FOREST SCHOOL DISTRICT

Monday, April 21st

Grilled cheese sandwich, applesauce, buttered green beans, eggless chocolate cake, milk.

Tuesday, April 22nd

Macaroni with meat sauce, lettuce salad, Italian bread and butter, jello, milk.

Wednesday, April 23rd

Flying saucer, vegetable soup, fruit juice, moondrop cookie, milk.

Thursday, April 24th

Meat loaf and gravy, mashed potatoes, buttered peas and carrots, homemade rolls and butter, peach halves, milk.

Friday, April 25th

Fish platter, macaroni and cheese, stewed tomatoes, corn muffins and butter, fruited jello, milk.

KENT CO. VO-TECH CENTER

Thursday, April 17th

Chicken rice soup, Combination sandwiches, lettuce, pickle, onion, applesauce cake.

Monday, April 21st

Fish fillet, french fries, stewed tomatoes, corn bread and butter, rice pudding.

Tuesday, April 22nd

Chicken noodle soup, chicken salad sandwich, fruit salad, peanut cookies.

Wednesday, April 23rd

Beef stew w/ vegetables, creamy cole slaw, biscuit and butter, sliced peaches.

Thursday, April 24th

Fried chicken, Mashed potatoes & gravy, buttered peas, cranberry sauce, roll and butter, chocolate pudding.

Friday, April 25th

Orange juice, beef bar-b-q on roll, buttered corn, relish tray, lazy-dazy cake.

Pritchett Sets New Mark

Track Men Downed by Tough Teams

by Keith Burgess

Steve Saulsbury pole vaulted nine feet, Jim Harris ran 440 yards in 59 seconds, both new bests.

Caesar Rodney probably expected easy pickings against the Spartans, after hearing of the Dover victory. But Lake Forest gave the Riders a stiff fight before losing 81-60.

Greg Pritchett, Charley Scott, Tony Smith and John Pickett swept the 440 and 880 relays. Smith and Pickett were second and third in the 100.

Kevin Wooters reached a new high-five feet, six inches in the high jump. Rick Loper was next with 5-4. Wooters and Walt Bishop were second and third in the high hurdles.

George Moore won the long jump and had a third in the triple jump. Ron Dunlap was runnerup in the latter event and in the 440.

Matt Burgess captured the discus event with his best throw ever, 127 feet. He hopes to get the school mark soon, which is 132 feet, eight inches.

Harry Benson's 1975 debut saw him record a 4.48 mile, 2.12 880, plus a fine 440 in the mile relay.

Bob Loper and Bob Mullane held C.R. to a 5-4 edge in the low hurdles, by finishing 2-3.

Terry Pettyjohn's 10.37 two-mile, his top eight-lapper ever, was good for third. Paul McClellan again improved here, as did fellow Catnerbury-ite, Craig Kashner, with a fine 56 second quarter mile.

Kit Tilghman's best half mile yet-2.08 was one-tenth second out of first.

Freshman Mike Quail's first varsity point came in the high jump. Two other frosh can't miss being future stars, if they stick to the shot put. Doug Warrington and John O'Toole have good size, enthusiasms and lots of time to improve. Both have thrown near 35 feet in the 12-pound shot already, not too far out of the scoring column. Both could win varsity letters in 1976, with

school record performances of 50 feet possible in their last two seasons. When they learn the technique, which is a bit tricky, watch out!

Lake Forest's third appearance came in the Bridgeton, N.J. relays, Saturday. The locals brought home eight medals with the freshman 440 relay and varsity distance medley quartets each finishing third.

Kevin Pritchett, Mike Quail, Ron Loper and Grayson Barthlow made up the freshman group.

The varsity unit competed in a field of thirteen teams, which was supposed to be split into two heats, but was not. A snafu resulted which probably cost Lake Forest a second place.

Kit Tilghman's opening half mile leg and Ron Dunlap's 440 stint saw each Spartan kick by several rivals in the closing stages. Speedy Greg Pritchett ran a fine 220 yards, but had to plunge like a fullback the last five yards, to get the baton to veteran miler, Harry Benson. The officials had allowed two other runners into Lake Forest's lane. Benson ran a gritty mile to enable the Spartans to get their third place medals, beating ten other teams.

Jim Blades has his Spartans showing fine improvement. They will cause problems for other Henlopen rivals, it says here.

BODY'S LARGEST ORGAN

Skin is the largest organ of the human body. According to the World Book Encyclopedia, the skin of an adult weighs about six pounds.

CONSUMER CORNER

Choosing A Lawn Mower

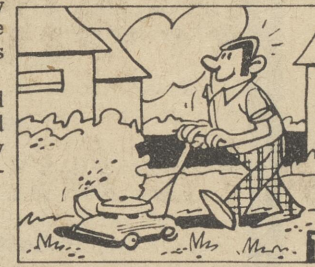

If you're like many people, you know the time has

come for you to stop struggling with your old, man-handled reel-type or ancient power lawn mower, to turn over a new leaf and get a new grass cutter that can cut your work in half, but, you may not know what to look for to make sure you're putting the best blades to your grass blades.

1. Be sure to buy a brand of mower that's been around long enough for you to know the company and their pro-

duct are reliable on sales, and service.

2. Look for heavy-duty construction, so you can be more sure of getting a lawn mower that will last longer.

3. Check out the position of the grass bag. On the side it could cause hang-ups going around corners and into small spaces. You're better off if the bag's in the back, between the handles.

4. Size up the size of the bag. It's a good idea to get one that will hold between 2-1/2 and 6 bushels, depending on the amount of grass you'll have to stash.

5. Don't be a sucker for work. A powerful vacuum action can clean your lawn while you mow, you can stop raking and start relaxing.

Perform a death-defying act.

Reduce if overweight.

Golfers Swing Through South

Two foursomes of golfers from Harrington recently invaded the golf courses at Wilson, N.C., the Dunes Course at Myrtle Beach,

and the Country Club of Goldsboro, N.C. Included were Tom Clendening, Bill Taylor, Hayward Quillen, Joe Konesev, Charles Greenhaugh, Eddie Taylor, Dave Adams, and Bob Nolte, a guest of Tom Clendening.

They reported the greens and fairways were in good shape and played 18 holes of golf for five days on five different courses. Clendening reported having seen Bill Sollars, formerly of Harrington, who now resides at Conaway, S.C. Clendening also talked to Harry Tee, another former Harringtonian now living in Myrtle Beach and working as a hospital pharmacist there.

Brobst Cited For Published Article

Melvin Brobst, a retired music teacher from Lake Forest School District, was cited for his achievement in having a short article published in the March issue of *The Rotarian*. A general request world-wide was solicited of Rotarians to send in their definition of a hero. Hereafter is the text of Brobst's article:

It is widely believed that events beget leaders, and leaders become heroes. The Washingtons and Lincolns of history showed perseverance and aptitude that solved their nation's dilemmas.

Men who have greatness thrust upon them don't always become the heroes, but many do. U.S. President Franklin D. Roosevelt, largely on his own initiative before World War II, authored lend-lease to countries besieged by the Hitler menace—an action of heroic proportions. His effort in providing aid to Britain without waiting for Congressional action also had all the earmarks of heroism.

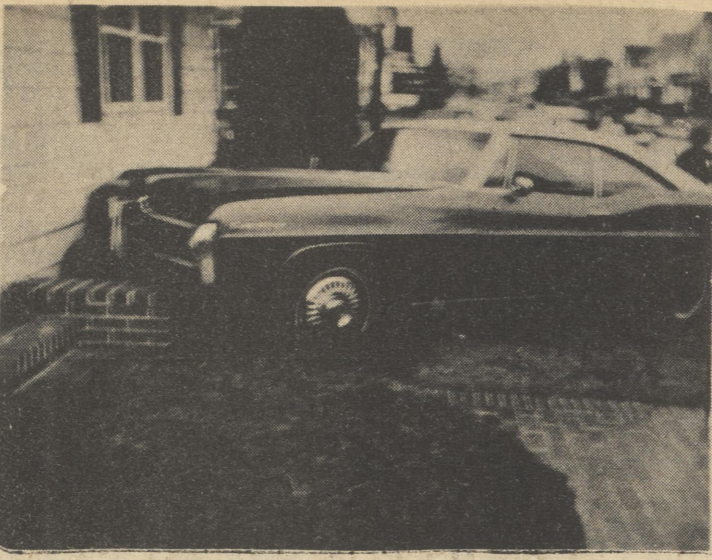

The decision of Harry S. Truman to drop the first atomic bomb (while still condemned by many) also required the courage of a heroic leader.

The little men—the common people who help in time of need—they too are heroes. The coward who runs at a time of crisis may have his reasons, but the one who remains and offers assistance is heroic in his own way.

Yes, we need heroes today, as much as in the past; we hope each generation will be able to provide them.

Melvin L. Brobst, Rotarian
Formerly, music teacher
Harrington, Delaware

Brobst told Rotary Monday night that he had received a long distance phone call from another Rotarian (a perfect stranger) a Mr. M. Frank Brobst of Windsor, Canada, echoing his sentiments as related to the article. The Canadian Brobst phoned around 11 p.m., which was an earlier time in Canada, and asked to speak to 'Dr. Melvin Brobst...is he there?' Brobst of Harrington was about to hang up, thinking it was a prankster, when the Canadian Brobst got his story over. M. Frank Brobst is an 84 year old retired bio-chemist from the University of Wisconsin, now living in Canada. Since that phone call, the Brobsts have exchanged letters.

Emma Howard of East St., Harrington was forced off Commerce St. where it intersects with Mispillion St. and came to rest against the front of McKnatt Funeral Home. Considerable property damage was done to the car and to the house.

People once believed that a sudden feeling of light-heartedness would lead to an equally sudden death.

It is said that Alexander the Great invented shaving so that the enemy could not grab his soldiers by their beards.

Senior Citizens Family Trees Are Studied In Class

By Sam Short

At the birthday and membership meeting at the center held last Tuesday afternoon, trips for the coming spring and summer were discussed and a questionnaire was passed around for the members to sign which they would prefer to take. More about this in the future.

A good representation was present at the party, and a correction on the program is in order as decided. The Open House advertised for Blair's Pond the last Friday, will be held instead the third Friday, April 18th at the center. So come and bring two friends and a covered dish. Entertainment will be furnished by Mr. Norman Toadvine, who will talk about taxidermy. Dinner is at 5:30 p.m.

Twenty-one members of the center visited the Frederica Center Wed. the 9th. A good time and a good dinner were had by those who attended.

Mr. Bob Mulrooney from the Cooperative Extension Service University visited the center Thursday afternoon April 10th to advise the members on the planting and caring of gardens and house flowers.

Clean Up Day was last Friday, with members bringing their rakes and lawn brooms and the out-

side grounds were cleaned up and all the rubbish was hauled away.

Last Friday bowling was held at Milford lanes with 15 members participating.

Elbert Stevens got back in winning with 318 pins, with Jim Konienci 298, Andy Anderson 240, and George Goode 236 in two games rolled.

On Monday, April 21st our kitchen band will entertain the Milford Cente Come out to hear us.

April 24th, Friday will be Nationality Chinese day and we will have as a guest Michael Rich, who is a lawyer to speak to us.

Genealogical research has been so popular at the Kent Campus of Delaware Tech and Community College in Dover that another class will be held again for another 15 week session, reports Dr. Gary Frank Petty, the Director stated.

In genealogical research class the student is encouraged to trace his own family tree, in combined workshop-lecture series, taught on

Thursdays from 10 to 12 noon, at the Wesley Church Education Building on Lookernam Street. The course is conducted by Mrs. Louanne Barrett.

The first section of Genealogical Research, which included over twenty students, has been completed, but public interest in the course has made a second course possible. The classes will start April 17.

The class is of particular interest to senior citizens, who may waive the \$30 regular tuition cost and pay only a \$3 registration fee for the entire course. Registration will be held at 9:30 a.m. on Thursday, April 17, one-half hour before the first scheduled class. Interested persons may contact Kent Campus at 1679 South State Street, Dover, or call 678-4778.

If you don't know paprika from peppercorns

Cooking with herbs and spices is an easy way to add flavor and distinction to everyday meals. Yet many homemakers know surprisingly little about these aromatic fragrances and pungent flavors created by Mother Nature, and used for centuries to enhance the natural good taste of food.

Herbs and spices include a great variety of plants from tropical and temperate regions, according to Marguerite Krackhardt, extension nutrition specialist at the University of Delaware. Properly defined, herbs come from the leafy parts of plants. Some popular herbs are parsley, bay leaves, thyme and rosemary. Spices may be made from any other part of the plant, such as the seeds, buds, bark, or roots. Two familiar examples are cinnamon and nutmeg.

Many herbs and spices are sold both in whole form, and in ground powder form. Whole spices will keep their flavor indefinitely, while ground spices retain maximum flavor and aroma only about six months, says Ms. Krackhardt. Herbs and spices are best purchased in small quantities, and stored in air-tight containers in a cool, dry place. Storage in a warm area may hasten the loss of flavor; dampness can encourage caking, color change, and infestation, cautions the specialist.

Many are timid about using these flavorings because they don't know how much to use. Everyone has tasted dishes that were too heavy on the curry, and sometimes the stuffing in the Christmas turkey contains an over-abundance of sage. There is no rule for the correct amount to use,

since each herb or spice differs in its effect on certain foods. But if a recipe is not available, Ms. Krackhardt recommends starting with one-quarter teaspoon of spice for each pound of meat, or pint of liquid. If necessary, this amount can be increased to taste. However, when using red pepper, curry powder, chili powder, or garlic powder, be conservative—start with one-eighth of a teaspoon.

Many books contain information about herbs and spices, with suggestions for their use. The U.S. Department of Agriculture has also

compiled a complete list of herbs and spices, plus the

foods for which they are best suited. For a free copy of the list, write to the Mail Room, Agricultural Hall, University of Delaware, Newark, DE 19711.

4-H News

The evening was started by the group singing, led by Lisa Bostic and Connie Harrington.

The Ready Foods Contest had several participants from the group. They were: Cheryl Kennedy, Karen Butler, Donna Shultie, Barbara Miller, Sheila O'Day, Alan Buckley, Sharon Buckley, Mike Everline, Lisa Bostic and Connie Harrington. The club will be represented at the state contest by: Mike Everline, Connie Harrington and Lisa Bostic.

A report on the Governor's Democratic Club dinner was given by Lias Bostic. The making of Easter favors and distribution of them to area nursing homes was reported by Sheila O'Day.

An Easter Egg hunt was held for the children of the Day Care Center. The club did the dyeing and hiding of the eggs for the hunters. Jerrie Draper told about the hunt and read the thank you note received from the Center.

The Easter Seal Drive was reported on by Sharon Buckley.

On April 12 many girls will show their sewing ability during Dress Revue. Those entered were: Sheila O'Day, Cheryl Kennedy, Abby Betts, Connie Harrington, Lisa Bostic, Barbara Miller and Jerrie Draper.

On April 15th Mike Everline, Dale Jarrell, Doug Crouse, Connie Harrington, Lisa Bostic, Sandy Crouse,

type crabapple, asks Lighty, when you can buy trees today with much larger, fuller flowers in pure whites and delicate shades of pink.

When you consider that you're investing in a plant that will give you many years of pleasure, the small extra cash outlay to buy the best on the market is money well spent.

Alan Buckley, Jerrie Draper, Duane Hammond and Cheryl Kennedy took part in the Horticulture judging.

Home Managing judging is to be on April 24th with Connie Harrington and Lisa Bostic entered.

Karen Butler will participate in the Clothing judging on April 29.

Bike Poster Contest entries are due April 30th.

Demonstrations at the meeting were given by: Sheila O'Day on how to make banana nut bread, Jerrie Draper on how to model at dress review and Lisa Bostic on ceramics.

Mrs. Everline told us about Camp Barnes and as a result, we voted to donate \$25 to the camp. It's time to start thinking about the hospital fair again, as were reminded by Jerrie Draper. Meeting was adjourned by Connie Harrington.

Travel For Less Now

According to Mrs. Norma Meredith, local Greyhound bus agent, inflation has not prevented the possibilities for Delawareans to get out and travel this year. Trips to Miami, Cape Canaveral or Disney World in Florida, on the New Orleans, Atlanta, anywhere one wants to go, can be done in a 15-day trip, with transportation costing as little as \$87.50. The new twist is the Greyhound 15-day Ameripass.

According to Mrs. Meredith, the Ameripass can be used anywhere through the United States and Canada. If anyone is lucky enough to have a month free for travel, a fee of \$175 will take the traveler where he wants to visit. For two months, the cost is \$250.

The 15 day pass is a special one, says Mrs. Meredith, and will be sold only through May 30. The passes, however, are good for year-round travel.

Some people say that putting a letter in a friend's left hand will end the friendship.

Some North American Indians conciliate the animals which they kill and eat.

Spring Flowering Plants-

Quality Isn't Always Costly

Sometimes the difference in cost between the finest and the most ordinary plants is only a matter of a few pennies or dollars. This is especially true of some of our spring flowering trees and shrubs like forsythia, quince and crabapple.

Take, for instance, forsythia. On recent drives through the countryside, you probably noticed considerable variation in plantings of this popular shrub. Some were a delicate light yellow. Others were a rich, shining yellow; while still others were a deep gold. Not only that, but some types were graceful and arching in habit, while others were stiff and upright.

With all this choice, says Dr. Richard W. Lighty, coordinator of the Longwood program at the University of Delaware, it just doesn't make sense to settle for any old clump of forsythia for your yard. Instead of accepting the gift of some well-meaning neighbor or relative who offers cuttings from the old-fashioned cultivar in their garden, plan to spend a couple of dollars at the nursery and select the type you really want. Any good nursery will offer you a number of choices.

There's one variety called Beatrix Farrand which has large, deep yellow flowers

and stiffly arching branches. Another, called Spring Glory, has light yellow flowers of medium size on gracefully arching branches. Or maybe you'd like Lynwood (sometimes called Lynwood Gold)—a handsome forsythia with bright gold flowers on very erect, upright branches. You're not even limited anymore by the size of the plants. The dwarf variety, Bronxensis, grows to a height of only 18 inches.

With flowering quinces and crabapples a similar situation exists. The difference between old cultivars and newer varieties in flowering quinces will cost you only a few dollars, says Lighty. That difference in outlay will give you a plant with blooms that are a far cry from the modest old japonica we still see around so much. In contrast to that familiar old standby you can have the large, semi-double pink or salmon blooms or the rich single reds of Cameo, Phyllis Moore and Spitfire—all handsome new varieties.

A similar situation exists with the flowering crabapples on the market today, though because propagation is a more complicated process, prices will be higher. Buy why settle for the rather ugly grayish purple blooms of the old

Lime... for the good of it!

Liming always has been, and today is even more so, the most profitable fertility practice you can undertake. And right now is the time to do it!

You've read more than once about the extreme importance of proper liming. How it helps your crops get more from the nitrogen, phosphate and potash you apply. How it counters the acid build-up that can result from high-nitrogen fertilization programs. And how lime helps build and maintain productive fields in other ways.

It's the right time to spread and Agway trucks are ready to roll. If you don't have a soil test to guide you, bring a representative soil sample (one pint) to Agway for a quick, free pH check. Then get the lime put down.

LIME

LIME

Lime... the fertilizer stretcher

□ Lime stretches nitrogen supplies. Acid pH's slow down the reaction of microorganisms in the soil. This results in the slower conversion of urea and ammonia forms of nitrogen to more readily available nitrate forms. It reduces the microbial breakdown of organic materials which release nitrogen to your crops. Proper liming makes more nitrogen available for healthy growth.

□ Lime stretches phosphate supplies. Low pH causes phosphate to be tied up in unavailable compounds of iron and aluminum. At pH levels of 6.0 or higher, iron and aluminum precipitate out, making them non-reactive with phosphate. So more phosphate is available for crops production.

□ Lime stretches potash supplies. Calcium, magnesium and potash can partially substitute for each other in the crop and on the soil colloid. If calcium and magnesium are low, more potash enters the exchangeable form on the soil colloid and less remains in solution form for crop uptake. With proper liming, less total potash is needed.

Girl Scout News

National Girl Scout Sunday, March 9th, Ruth Kates, whose name was previously omitted, attended the services at the Asbury Methodist Church with our troop.

Our meeting of March 19th consisted of completing several requirements on our camping badges and reviewing our final evaluations of Camp Todd. Girl Scout Troop 879 also welcomed Kathy Coppock as a new transfer member into our troop from Maryland.

On Wednesday, March 26th, we had former members of the disbanded G.S. Troop 686 as visitors to make joint plans for an upcoming trip in May.

April 1st began with 2000 Girl Scouts of Delaware traveling to Delaware Park, Wilmington, to attend the opening day ceremony and tour of the American Freedom Train. Each troop of Unit 11 was eligible to take a certain number of scouts who traveled by bus from Milford. Those who attended were: Suzie

Asbury, Cheryl Cerklefskie, Hope Evans, Alicia Jackson, Faye Kates, Ruth Kates, Rebecca Marsan, Carole Muehleisen, Ruth Richer, Shannon Swafford, Kibbie Way and Lizzie Way. Also attending were Mrs. Jean Cerklefskie, co-leader and Mrs. Barbara Evans, leader. Mrs. Doris Kates assisted with transportation.

Due to the Easter vacation, no meeting was held April 2nd.

The meeting of April 9th began as the Blazers Patrol performed the Flag Ceremony. Following the open troop discussion, 12 scouts gave reports of the Freedom Train trip. The G.S.I. Patrol elected new patrol leader-Rebecca Marsan and Assistant Patrol leader-Elizabeth Way.

Badges completed in March and thus far in April are: troop camper-Suzie Asbury, Darlene Buchanan, Alicia Jackson, Faye Kates, Stephanie Lang, Becky Marsan, Cathy Marsan, Carole Muehleisen, Lori Sapp, Shannon Swafford, Kibbie Way and Lizzie Way; backyard fun-Suzie Asbury, Carole Muehleisen; drawing and painting-Faye Kates; gypsy-Carole Muehleisen; housekeeper-Shannon Swafford; observer-Mia Butler; sewing-Carole Muehleisen; water fun-Cheryl Cerklefskie and the Sign of the Arrow-Carole Muehleisen and Shannon Swafford.

Reminder to all scouts-mail in registrations for summer camps now if planning to attend.

Mrs. William E. Horner has been visiting her sister, Mrs. Abrahams of Pa. this week. The latter has been ill.

Several women have finished their pillows, which are very attractive. Two members are working on a hassock.

Week of 7-11: This week has gone quickly, but we haven't been too busy with projects. Attendance has been good.

The Center was very sorry to learn that one of our

Brownie News

Tuesday, March 25th, troop 684 completed their project, a pillow made from face cloths. We then had a party. Two scout parents, Mrs. Norma Donato and Mrs. Barbara Testerman made our dessert.

Tuesday, April 1, four scouts, Deanna Aptt, Debbie Edgar, Faith White and Beth Reed, with Mrs. Aptt went to Milford, where they were met by other troops from unit 11, where we boarded a bus, and traveled to Wilmington where they saw the Freedom Train. The ceremony began when the group was introduced to Governor Tribbitt and members of his cabinet. After the ceremony, the Freedom Train was officially opened. We saw many historical exhibits. It was a memorable day for the Girl Scouts. The Freedom Train began its journey in Delaware and will continue through the United States as part of the Bicentennial.

April 2, Wednesday, we went to Salisbury, Md. to tour W.B.O.C., the local television station there. We were met by Miss Debbie Prinicipio, who gave the tour, and from whom the scouts learned much. After the tour we visited the park and zoo. Those attending were: Deanna Aptt, Beth Reed, Faith White, Michelle White, Denise Donato, Allyson Coppock and Linda Hawkins. Mrs. Linda Hawkins and Mrs. Aptt. Guests were Mrs. Barbara Evans and daughter Hope.

During our April 8th meeting, an Investiture Ceremony was held for Hilda Benson, who was welcomed to the troop and to Girl Scouts. Troop 332 was also invited to join in some fun and songs.

Each scout made a rug out of samples given by Paul Calloway.

members, Medford Calhoun, had to return to the hospital for more treatment. It was nice to have Doris Hudson with us this week. She has been missed. We will be glad to have the Calhouns back.

Greenwood

by Pat Hatfield

The Second CYC Honor Council was held on Sunday evening in the Greenwood U.M. Church. A very nice program was presented by the children and their directors, and a film strip explaining the program was shown. A small play entitled 'The Good Samaritan' was presented with Lynda Cox as narrator. Another skit entitled the 'Ten CYC's' was given, James McMillion and Richard Pearson had solos.

The Bannerette, those who received the most points were David Holdren, Ted Durig and Andy Davis and the Cadets, Austin McMillion, Cindy Davis and Pam McCreary.

On Saturday, the CYC's went by bus to the District CYC Rally in Greensboro, Md. Sixty young people represented the CYC in Greenwood; and, winning the highest percentage of attendance, brought home the district banner which they may keep until the next rally in September.

Congratulations to Stephen McCreary, for obtaining new customers for his Wilmington Evening Journal route, he won a trip to Philadelphia to the baseball game, a T-shirt and \$4.50. His dad accompanied him on Sunday to the game.

Wednesday guests of Mrs. Paul McCreary were her sister, Mrs. Vivian Cahall

and children, Andy and Charlotte of Churchill, Md. The McCrearys' Sunday guests were Mr. and Mrs. Leonard Hughes of Cambridge, Md.

Mr. and Mrs. Stanley Cahall were guests at the ceremonies and reception on Saturday for Mrs. Pearl Townsend who was selected Delaware's Mother of the Year. Mrs. Townsend assumed her title in ceremonies in the Governor's office and was later a guest of honor at a reception at the Governor's mansion.

My apologies to the Senior Citizens for not getting their activities in last week's issue. Here it is, with this week's.

Cheer Center News: 3-31-44: Attendance at the center has been rather small this week due to the weather. We hope next week will be a normal one.

Mrs. Betty Eastburn and Miss Warrington from the Georgetown office visited with us the last part of this week.

The main subject of conversation among the members has been the wedding of the daughter of our manager, Mrs. Charlotte Shea. She is to be married at 4 p.m. Sunday afternoon at Todd's Chapel.

Our pianist, Mrs. Delema Smith, will play for the wedding.

Presenting the Winning Team- Mother Nature and the Electric Energy Saver

SPRING - A great time for you and Ma Nature to form a penny-pinching, budget-saving team. Just for season openers, she'll reduce the light and heat portion of your electric bill as the days grow longer and warmer. That's a good start. And, on most days, she'll be happy to dry your clothes - FREE.

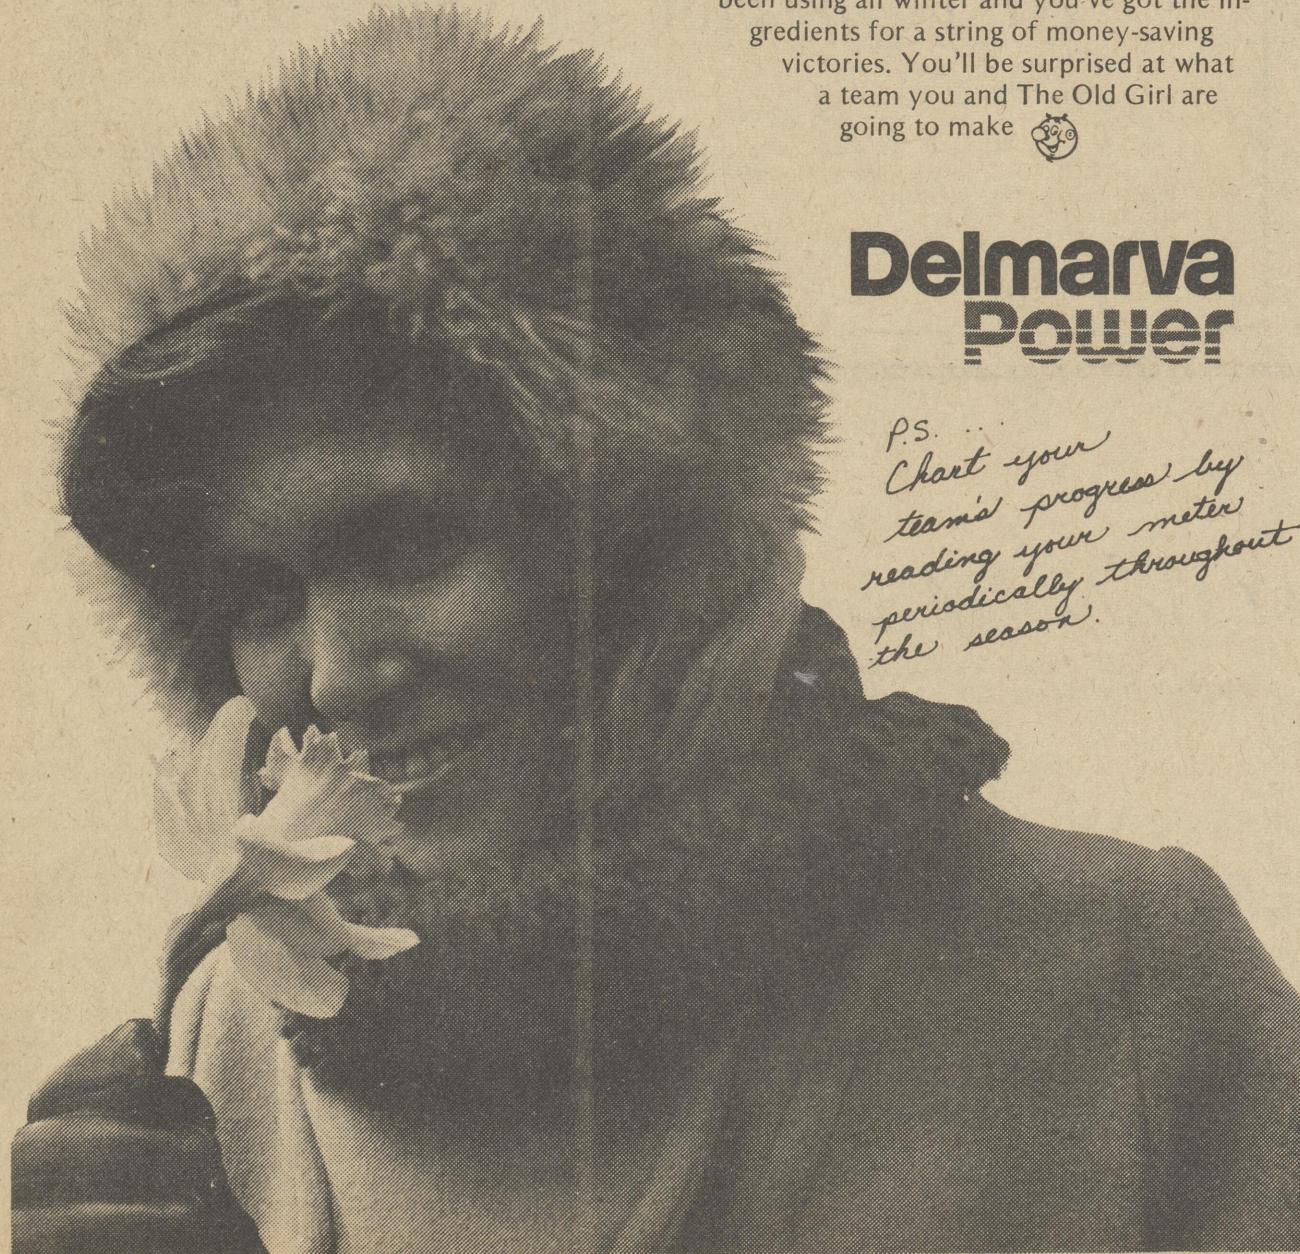

REMEMBER, the biggest users of kilowatt-hours in the average home are:

- ELECTRIC heat
- water heaters
- air conditioners
- clothes dryers

Add this to the energy-saving practices you've been using all winter and you've got the ingredients for a string of money-saving victories. You'll be surprised at what a team you and The Old Girl are going to make.

Delmarva Power

P.S. Chart your team's progress by reading your meter periodically throughout the season.

Prices Effective April 17-18-19 We Reserve the Right to Limit Quantities
