Before, during and after scenes to the left view the scenes view the happenings revolving around the City Council's decision last month to pass a no parking ordinance on East Commerce Street here. Downtown merchants, l to r, Ann Bright, Burton Smith and Henry Bareford, were among the merchants who expressed unanimous negative views about the ordinance at Monday's meeting. Around 8:30 a.m. Tuesday, the signs came down.

Those controversial parking signs fall to some people power in Harrington at Monday's Council meeting. See related story below.

Alumni Banquet Is Well Attended

The Harrington High School Alumni Association held its 19th annual reunion Saturday night in the W. T. Chipman School cafeteria and fieldhouse.

Classes from 1903 to 1969 were represented by approximately 400 members.

President Richard Black, class of '65, welcomed everyone to the banquet and then turned the podium over to Lake Forest Foreign Exchange student, Jenny Milne, of New Zealand. Jenny gave the invocation, followed by the serving of the dinner by Hazel Johnson, class of '38, and her staff.

Following the meal, Mr. Black introduced the guests, then started a short business meeting. Vice President Michael Kohel, class of '66, continued the meeting by reading the annual historian's report. Mr. Kohel then presented attendance awards to the class of 1910 for greatest percentage in attendance, and the class of 1965 for greatest number present.

An award was presented to Lt. Larry Garey, U.S.A.F. for coming the longest distance. Lt. Garey lives in Indian Springs, Nev.

This year's reunion honored the class of 1915, 1925, 1935, 1945, 1950, 1955, and 1965 for their 60th, 50th, 40th, 30th, 25th, 20th, and 10th anniversaries respectively.

The meeting was then turned over to Eugene Porter, class of 1954. Mr. Porter proudly introduced "The Tiderunners," a barber shop

quartet as the entertainment for the evening.

Following the entertainment, Mr. Porter got the program back on a serious note by awarding three scholarships in the name of Zita Z. Hatfield, Mary H. Dolby, and Mel and Charlotte Brobst, to three well deserving students.

Angela Minner received the first scholarship in the amount of \$600. Next, Elizabeth Lynn Parker received the Mary H. Dolby scholarship in the amount of \$600. Alan Welch received a \$600 scholarship in the name of Melvin and Charlotte

Brobst. The Executive Committee then honored Mr. and Mrs. Brobst with an anniversary cake.

The alumni association was proud of the \$1800 it awarded and thanked all members for their generous contributions to the fund.

Past President Ronald Hughes then came forward to lead the association in the singing of the H.H.S. Alma Mater followed by the benediction. The ceremonies were then moved to the Chipman fieldhouse socializing and dancing to the sounds of "Generation Gap."

Hatfield Scholarship award and Allen Welch, son of Mr. and Mrs. Raymond Welch, winner of the Mr. and Mrs. Melvin Brobst Scholarship award. Each scholarship was worth \$600.

Raceway Closes Biggest Meet Ever

Harrington Raceway closed its most successful meet ever Saturday night, May 3rd. The average handle for the 25 nights of racing was \$143,674 and the average attendance was 2,785. This represented increases of 18.4 percent and 34 percent, respectively over last year's spring meet.

"Haeta Lodge" FROM THE Harrison Stable of Lewes recorded the fastest time of the meet when he paced 2.03 on April 20th. He went on to capture three wins in a row and picked up \$5,850 in purse money, to

make him the largest money winner of the season.

"Judge G" proved to be the fastest trotter when he trotted in 2.05 3-5 last Saturday night for young Jackie Parker. "Rebel Heart" was a three time winner and the largest money winner for trotters with \$4,600 in earnings.

"Jackson S." of the Ellis Myer stable captured the most wins during the Meet, making it four in a row this past Saturday night enroute to winning the President's Trophy.

"Herbie C" 3 year old colt, of the Herb Cain Stable, had most wins with three in a row. "Sassafra Stella" was the fastest 3 year old filly when she paced in 2.06 4-5 Friday night for Jack Parker.

Two national season's records were recorded here when "Lindsay Minbar" of the Moffitt Stable of Chestertown, Maryland, won in

2.08 2-5 on April 23rd, and came back the following week and lowered his record to 2.07 4-5. This makes him

the fastest 2 year old in the country on a half-mile track. Jimmy Porter of Goldsboro, Maryland, drove home the most wins of the season when he visited the winner's circle 17 times. J.D. Dennis, Sr., a local reinsman, was the winner of the Universal Driving Rating Award with a mark of 436 percent.

Racing will resume at the Raceway September 5th when it opens for a 42 night Meet.

The state of Delaware received \$113,940 from our 25 day meet.

Local Man Hit By Truck And Dies

A young Harrington man, the father of two children, was killed near Bridgeville Sunday, when he was hit by a truck as he walked along U.S. 13.

State police said Darrell R. Murray, Jr., 22 of 22 Clark St., Harrington, was dead on arrival at Nanticoke Memorial Hospital in Seaford after the 12:10 a.m. accident.

Richard Lee Moore, 29, of the Bridgeville Trailer Park, was treated for leg cuts. He had been walking with Murray, police said.

Murray and Moore were walking north on U.S. 13 about a mile south of Bridgeville when they were hit by a northbound pickup truck driven by Kenneth Lee Hutchins, 47, of rural Laurel.

No charges were immediately filed. The death was Delaware's 33rd highway fatality so far this year, compared to 25 in the same period last year.

Murray worked for the Service Master Co. He is survived by his wife, Bonnie Lee; two daughters, Joy and Julie, both at home; his parents, Darrell R., Sr., and Grace Murray of Harrington three brothers, Marcus, Donald and Michael, all of Harrington; three sisters, Sharon Dalious, Lorraine Murray and Terrie Murray, all of Harrington; and his maternal grandmother, Mabel Hurd of Harrington.

Servoces were Wednesday afternoon at 2 at the Berry Funeral Home, N.W. Front St., Milford. Burial was in Odd Fellows Cemetery, Milford.

Council Reverses Decision On Parking

The council meeting room and adjacent room were filled at the Harrington City Council meeting Monday night as local merchants kept their word to protest the no parking ordinance passed at the April Council meeting. In essence, the ordinance, which was never adhered to, prevented all parking on East Commerce Street, from McKnatt Funeral home to the corner of Clark Street. The step was taken, according to city officials, to alleviate the existing potential hazard of trucks using the narrow main street.

Merchants, however, during the short-lived no parking period, said the ordinance directly affected their businesses, and if it were to continue, may have had a long range detrimental effect on the downtown business.

Each was given a turn to express views before the Council reconsidered the ordinance. After hearing all negative reactions from the merchants present, the Council unanimously voted to rescind the ordinance. A committee composed of Earl

McColley and Jack Wyatt, councilmen, and J. Edward Taylor, Bob Taylor and Burton Smith volunteered to study the downtown traffic and parking situation during the month of May. They are to present a report at the June meeting.

Other business of Council included formally donating \$100 to the Harrington Little League; receiving an alderman's report of \$1409.80 received in various delinquencies from the citizenry through the alderman and hearing a report from Police Chief Ed Layton of 76 arrests, 85 written warnings and 37 complaints through the month.

Discussion about catch basins on Short Street, now being worked on to correct water drainage problems, were discussed. The catch basins, according to inspections by councilmen, appeared to be too high to work. Two representatives from Richardson and Associates, Guy Winebrenner and Terrance Haskins, both engineers, were present to

answer questions concerning the Short Street problem and the Grant Street condition.

A drainage problem exists on Grant Street, according to councilmen who had line at the city's treatment plant was made by Lee Beecham, of Richardson and Associates. It seems the sewer treatment plant, which involves treatment of waste through lagoons is no longer completely satisfactory. Councilman William Griffin, after listening to the report on the possible phases and the expenses inspected the area, which the engineers felt could be eased through installing junction boxes and several catch basins in order to aid the removal of waters.

It was also reported by Winebrenner and Haskins, final negotiations are in progress regarding the HUD project on the west side of town. The sewer plans seem satisfactory, according to the two men's report. They said tentative plans are to begin work on the project in the next two months.

Felton City Council Declares Clean Up

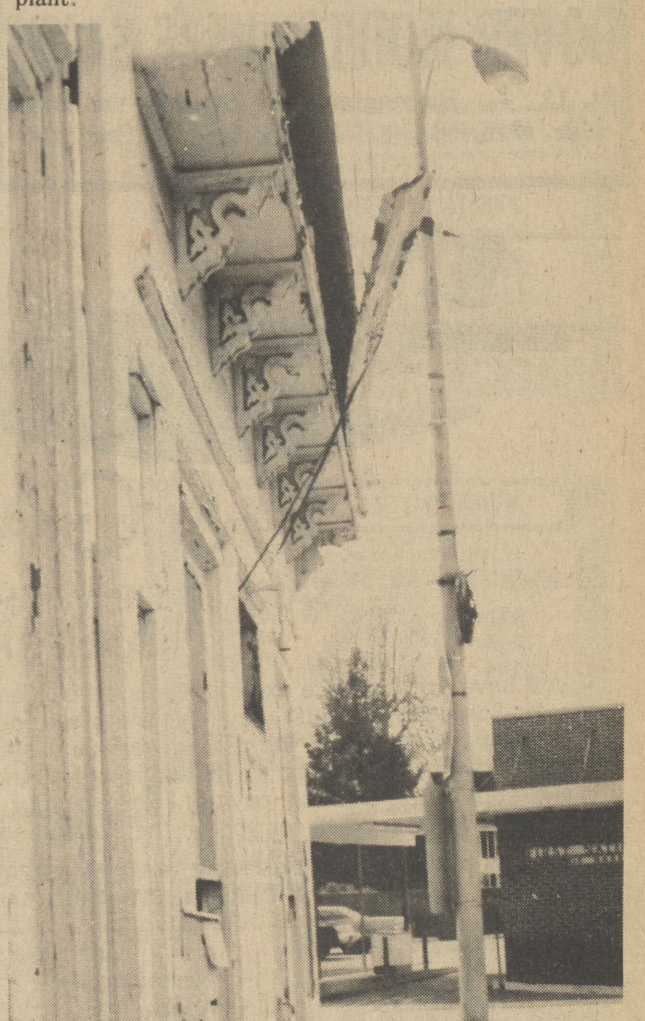

At Monday night's meeting of the Felton Town Council, Mayor William Myers declared May to be clean up month for the Town of Felton. At last month's meeting, trash pick up in the town was discussed, and a trash fee of \$2.25 was to be assessed against each pick up location.

Two items from past meetings were still being discussed at the May meeting. They were the deplorable condition of railroad crossing near the Post Office. The crossing is approaching the point where traffic cannot cross safely. Mayor Myers indicated that he had contacted people at the Penn-Central Railroad, but his efforts to get something accomplished about the railroad crossing failed. He indicated he had con-

tacted the State Highway Department and it appears that sometime in June either the Highway Department will resurface the crossing or oversee the resurfacing. The other item had to do with the damages to the water tank by vandals. Vulgar words had been painted on the water tank, which require the Town to paint over the words. The matter was forwarded on to the insurance company handling the claim. The estimated damages were approximately \$660, but the insurance company agrees to pay only \$246.60. They have raised as their defense that the law could be broken again as it relates to this matter. The Council voted to accept the insurance company's proposal rather than fight it through the courts.

Mayor Myers announced the matter of revising the Charter of the Town is in the hands of the town's lawyer. He could not predict when it would be completed.

Mrs. Robert Hemphill informed the Council that she is a member of the bicentennial committee, and that she recently completed research on the town's history. This was also forwarded to Dr. Harold Hancock, who has been commissioned by the Levy Court to compile and write a book on Kent County for the bicentennial year. Mrs. Hemphill informed Council that her research has encouraged her to compile the research matter into book form. She suggested the book and artifacts which various citizens of the Town have collected

Monday, April 28th, members of the center witnessed a film entitled Beyond All Barriers, loaned to us by the Bell Telephone Co. It involved communications around the world and was enjoyed.

Tuesday, Mr. Alfred Holt, instructor of the State Fire School, Dover, and who now lives here, talked to us about ambulance training of the persons who had charge of taking care of the sick and injured in communities.

He also stated in case of any emergency, never to panic, and to give the proper instructions in reporting the cause and the proper place at all times where help is needed.

In case of fire, report it in the proper location then leave, and close all doors when leaving the house. Cold water should always be used on second and third degree burns.

Members of the center went shopping in Dover Tuesday afternoon.

Coming up: Today the center visits the Dover Antique Show. Anyone are needed for the center. You do not have to be 60. We will pay 10c per mile.

Monday, May 12, George Goodge from Milford as our guest will present a travel-log. Ten members will be celebrating birthdays May 13th.

Wed, May 14, a film strip will be shown on nutrition. Be there to see it.

May 16th at 5:30 p.m. Robert Taylor will show us pictures on fire fighting and the best way in distinguishing room fires, and this will be our open house meeting.

We have already some signers for the Pocomo White Beauty View Resort for June 11-13th. Total cost is \$64 if you are to go.

Twenty six members attended the RSVP Appreciation dinner, Friday, May 2nd, and heard Governor Tribbitt give a talk about the senior citizen and whereas he had declared Friday, May 2 as Delaware Senior Citizens Day.

"... the major cause but not the sole cause ..."

As the unemployment rate climbs to eleven per cent plus, our leaders still will not admit the drastic situation which exists with our economy at present. The fact of the matter is that our great nation really lacks sound leaders and leadership at this time.

With unemployment on the rise... so is inflation probably at a faster rate than unemployment. I have always felt that the major cause of inflation was brought about by the demands of labor unions.

As the demands of labor unions have increased... and usually the demands are directed at pay raises rather than better working conditions... the products are increased in price to the consumer.

It is my belief that we as a nation would be more comfortable economically and otherwise if we would adopt an attitude of isolationism as it relates to foreign affairs.

In order for a nation... our nation to be strong and remain strong... it must be strong from within. We need therefore a strong domestic building policy whereby our many tax dollars are directed for federal aid for housing, medical care, care for the elderly, and education.

In rebuilding our economy by domestic spending, we need also to take a long slow look at our tax structures. This is an area that is drastically overdue for revision.

Although in labeling labor unions as the major cause of inflation, I will readily admit that by and large the methods employed by labor unions are to be praised.

I am in favor of putting the people back to work... and again I call upon those over 65 to sound their appeal. Maybe that's the group which should be unionized...

Felton

(Continued from page 1) and Council accepted the proposal and appointed Councilman Dwight Stevens to coordinate this matter between Mrs. Hemphill and Council.

Pete duPont Reports

In view of the problems currently facing the American automobile industry, I was deeply troubled when recent Congressional hearings brought out substantial testimony to indicate that certain foreign auto manufacturers were dumping cars on the American market in violation of the Anti-Dumping Act.

Therefore, I have joined with several other Congressmen in sponsoring legislation requiring an immediate investigation by the Secretary of the Treasury to determine the existence of Anti-Dumping violations by foreign auto manufacturers.

ough investigation, the Secretary of the Treasury will report back to the Congress for appropriate action.

At a time when our economic situation has placed a great deal of hardship on millions of American families through no fault of their own, it is intolerable to take more jobs away from American workers through direct violation of our laws.

If the report shows that violations of the Anti-Dumping Act have taken place, I will ask Congress to move swiftly to stop these unfair and illegal practices so that jobs in the American auto industry can be protected.

Thoughts ...

by Senator William Roth

The Vietnam war was, without question, one of the greatest tragedies in our 200-year history.

It was tragic because we lost 50,000 American lives and vast amounts of our hardearned resources without bringing freedom to the people we sought to aid.

It was especially tragic, I believe, because it cast doubt in the minds of millions of Americans about the viability of our democratic system, and has raised doubts throughout the world about our will to provide world leadership in the future.

I was saddened that there were those in the halls of Congress who would not have lifted a finger to help evacuate those loyal Vietnamese who fought bravely and courageously on our side.

It also deeply concerned me that some were unwilling to provide even minimal military supplies for the sole purpose of negotiating a safe evacuation to save human lives.

Who in the future would trust or believe us if we appeared not to care in the slightest degree what happened in South Vietnam?

I was opposed to any major rearmament of South Vietnam. Nor would I have supported American involvement. The cause of freedom would have been ill-served by an American torn spiritually and physically for a lost cause.

I was disappointed and angered at the lack of good-

will and aid on the part of the United Nations. For an international organization established for noble purposes, it has turned into a dreary, irresponsible institution, unable even to act in times of humanitarian need.

What is past is past. The important question is where we go from here.

To reassure the free world of our leadership, we need a reassessment of our foreign policy and a rededication to the cause of peace and freedom. Americans have become deeply disillusioned with our foreign policy, and disillusionment breeds further weakness at a time when we need to be strong.

Only in that way can we serve the cause of freedom and our best interests.

Only in that way can we be credible to our allies and restore our own self-confidence.

Russ Dill rounds first base after looping a ball to center field for a single in game this week with Seaford. Lake Forest won 1-0 for their sixth straight win without a loss. First base coach is Bob Dill, JV baseball coach.

Spartans Walk By Bluejays 1-0 RECORD Is NOW 6-0

By Ray Blanchette

Following a week's layoff the Spartan baseball team came back from their long rest to defeat the Seaford Blue Jays, 1-0. Rodney Wyatt gained the victory by pitching over six innings of two-hit ball with six strikeouts before Russ Dill came in and saved the victory. The only score of the game was tallied in the fourth inning by Greg Hobbs without benefit of a hit. Hobbs had walked, stole second, reached third on a passed ball as Wayne Erme struck out, and then scored on a wild pitch. The Spartans' offensive attack was led by Dill who had two hits. Wayne Voshell and Neil Smith had

the only other Spartan hits. Lake Forest is still tied with Smyrna for the Southern Division lead with 6-0 records. Asked about his pitching performance Wyatt said, "I throw mainly three different pitches, fastball, curve and a drop. On good days I also throw an inshoot and a slider. As far as our upcoming opponents, they are all about the same, so we are just going to take them one at a time. Everyone sees Smyrna as the team who has good hitters and the team we must beat for the division title. I think our pitching and defense will give Smyrna's hitters all they want to see." As for comparing both pitchers who worked for the Spartans, catcher Jeff

Chambers had this to say: "Russ is a harder thrower than Rodney. They both have an assortment of pitches and they both have excellent control. Russ, along with his fastball which I think is tops in the conference, has a good curve and slider. Rodney is one big reason why the team has done so well because he has filled the gap that was desperately needed." "This team is the best all-around team that we ever played on at Lake Forest in my three years here," said shortstop Wayne Voshell. "We have a team that could well win the conference and go undefeated at the same time. I feel our only problem, if any, could be over-confidence."

Taylor and Messick In Softball Win

Taylor and Messick's perennially strong softball team beat Hess 7-3 in a game played at Canterbury last Tuesday night.

The Kent County Slow Pitch Softball League contest saw Don Adams record three hits in three at bats

for the winners. One of the hits was a home run. Adams batted in three runs.

Girls Do It Again

by Keith Burgess

Lake Forest High's strong girl track team, coached by Dave Buck, now own a 5-1 record after easily outpointing Dover and Dover Air at Dover High.

The Spartans tallied 79 points to 35 for Dover Air and 22 for Dover.

Cheryl Lissy won the low hurdles and long jump for Lake Forest. Denise Johnson was third in the hurdles. Anita Jo Redden and Jody Dunlap were second and fourth, respectively in the long jump.

Paula Mosley, a freshman, is burning up the tracks from Dover to Salisbury in the 880 yard run, as her brother, Ron did for Lake Forest last spring. She's still undefeated and might get the school record soon.

Karen York, another frosh, joined the team Monday after attracting attention Saturday by easily com-

pleting 14 miles in 2 and one half hours in the local AFSWalkathon.

York had traffic problems, was bumped and jostled and finally knocked down by a falling teammate. Momentarily stunned, she recovered in time to record a good 3.05, for fourth place.

The outstanding performance of the afternoon was Debbie Duerr's 6.101 clock in the mile run. Debbie fought off a strong challenge by a Dover Air rival, to miss the school mark by one-tenth of a second. Maxine Harris was third.

Safety belts are necessary for rear seat passengers too reports the Delaware Safety Council. They prevent rear seat passengers from being thrown forward into the front seat area.

When a candle flames irregularly, melts a lot of tallow, and burns up too fast, some people say there is a thief in the candle.

Anna Jackson's school-record throw in the discus - 83 feet, 1 inch - was of equal stature to Duerr's great effort. Beverly Mack and Kathy Wheatley also scored in the discus. Mack and Joyce Ewing were first and fourth in the shot put.

A 1-3-4 Lake Forest finish in the 440 saw Karen Harris, Patsy Watson and Paula Jackson dominate the event.

Anita Jo Redden, Denise Gygrnyuk, Jody Dunlap and Nina Adamo were second in the 440 relay but set a school record of 55.5.

Buck's 880 medley relay Ateam loafed in winning it's

heat and were upset by the B team of Mosley, Karen Hall, Jackson and Harris. Wednesday Lake Forest is at J. M. Bennett High in Salisbury, Md., seeking to avenge its lone defeat.

Spartans Vie In Relays

by Keith Burgess

Practically every thincad team in the Diamond State ran in the Dover Relays Saturday night. Lake Forest's Spartans recorded some fine individual efforts, but like eight or nine other squads present, could not threaten Delaware powerhouses like Dover, Salesianum, Cape Henlopen and Woodbridge, led by the premier dashman of all time, in this state, Jim Weal.

The Spartan 880 relay team of Charlie Scott, Greg Pritchett, Tony Smith and John Pickett finished in front in its heat, with a good 1:35.4. Only four of the near-thirty teams could run faster.

With Blades' top half miler, Kit Tilghman, on the sidelines, the Spartan two mile relay quartet came in seventh. Fourth place was a possibility with Kit running.

However, all four locals, in this relay, set lifetime 880 marks with freshmen Dan Parker and Dave Richter clocking 2:14.1 and 2:13.5, respectively. Craig Kashner had 2:11 and Harry Benson 2:08.6. Benson just missed catching the Dickinson anchorman, giving LF second in their heat.

The mile relay quartet had four substitutes competing, but did very well with sprinter Charley Scott's first quarter ever (56.6) leading the way to a

The local distance medley team turned in solid performances with Craig Kashner's 2.10.2 half mile effort, lowering his lifetime best,

for the second time, in one evening. Harry Benson's mile went in 4:49.2, on the wet track. Dan Parker's fine 3:32.8 three-quarter mile leg and Ron Dunlap's 55 second

quarter, completed the race. Joe Voshell's 10:40.3 two-mile clocking was good for sixth place.

At or near the top of the Spartan performances was Rick Loper's five feet, eight

inch high jump. This equalled the five-year-old Spartan record, which was increased to 5-9, by Kevin Wooters two days earlier.

Business Bowling Sees Taylor and Messick as Champs

On April 14 the Taylor & Messick squad bowled against the Spoilers in the first set of rollofs to determine the champions of the Harrington Business Bowling League. Kenny P. Outten rolled a 208 game and 548 series to lead Taylor & Messick to a three-point win over the Spoilers. Bruce Herrington rolled well for the Spoilers to squeeze out one point.

In the second contest on April 15 the Spoilers were matched with Fry's American and easily took three points from their opponents when Jack Sapp had a 205 single and a 544 series, and Bruce Herrington, who set the pace with a 233 game and 598 series. Carl Wright had a 207 game and above-average series. Jerry Heyman rolled a 539 series and Leroy Wheeler contributed a 206 game and 575 series for Fry's American.

Taylor & Messick and Fry's American met April 16 for the final showdown for the championship and the former team lost no time in gaining a commanding lead as the T & M squad swept all four points and the title. Kenny P. Outten had a 207

game and 596 series and Snooky Collins added a 206 single and 566 series, and George Collins added a 201 game and 570 series for the winners. Donald Jester had a 537 series and John Forbes added a 213 game for Fry's. Trophies will be presented at the annual banquet to be held in the Farmington Fire Hall Saturday, May 17, at 6:30 p. m.

Hogsten Resigns As Athletic Director

It was learned on Tuesday afternoon that James Hogsten the Athletic Director of Lake Forest School District will terminate his position as Director at the end of this school year. No reason was cited for this decision. Hogsten taught at Harrington High School prior to the consolidation of the school districts when Lake Forest emerged as the name of the new consolidated school district. His tenure prior to and since consolidation would be approximately 8 years. He has been the Athletic Director for

approximately 4 years. In addition to holding the position of Athletic Director, Hogsten is also a member of the faculty as a driver's education teacher. He will remain on the faculty as a driver's education teacher. The position will be advertised.

Gov Appoints Former Major Leaguer

Forrest "Spook" Jacobs

Forrest (Spook) Jacobs of Milford has been appointed to the State Athletic Commission for a three-year term. Jacobs is a native Delawarean from Cheswold.

He spent 16 years in organized baseball, breaking in at Thomasville, N.C. of the North Carolina State League in 1946. Thomasville was a member of the Dodger

Organization. He spent 8 years in the minors. When he was 29 years old his contract was purchased by the then Philadelphia Athletics. He joined the A's in 1953, and played second base. He later moved with the team to Kansas City to be traded later to the Pittsburgh Pirates. He finished his playing career as a player manager with Chattanooga in the AA League.

Like a lot of other major leaguers, Jacobs played winter baseball in Cuba, Venezuela, Panama, and Puerto Rico. This covered a period of 10 years.

While with the A's, Jacobs had as teammates Joe DeMaestri(ss), Don Bollweig (1st), Jim Finnigan, Bobby Shantz(P), Alex Kellner,(p), Gus Zernial(LF), Elmer Valo (RF), and Joe Astroth(C).

Jacobs has a life time batting average of .302 with over 2,000 hits. This was in both minor and major league play. His highest major league average was .258 while with the A's. This was

the second best average on the team. The following year the A's paid him \$6,000. "A far cry from today's salaries", said Jacobs. His highest average while in the minors was with Hollywood (Calif.) when he hit .368.

Jacobs lives in Milford with his wife, Bobbie, and their two sons, Robert who is a student at Virginia Wesleyan where he plays baseball, and Tommy who is a junior at Milford High School where he plays varsity basketball.

Jacobs owns and operates the Milford Bus Terminal.

This crowd of clowns capered during Saturday program.

This Group Really Clowns Around

by Ray Blanchette

Fun, excitement, and lots of laughs! That's what Clowns Unlimited, a unique show directed by Bill Comer was.

Held Saturday, May 3 at three different times, it featured fourteen assorted

numbers. With the entire cast dressed like various clowns and all in clown makeup, they danced and acted to various musical selections.

Given in an informal atmosphere, the show was designed to simply entertain youngsters, which it did. Between the acts, Mr. Comer, dressed in clown garb, was on stage to aid the transition between acts.

All proceeds from the show will be used to pay for the sound equipment used in productions such as the recent smash hit, Hello Dolly, which was produced at Lake Forest High.

Wooters' School Mark Helps Rout Indians

by Keith Burgess

Indian River's visiting trackmen were overwhelmed 112-29 by Coach Jim Blades' improving Lake Forest High Spartans in a track meet held at Chipman School, Harrington.

The Spartans' second win of the campaign saw Kevin Wooters double with a high hurdles victory and a new Lake Forest record of five feet, nine inches in the high jump. The old mark of 5-8 was made by Dan DeMora in 1970.

Indian River's only victory was in the shot put. Freshman Doug Warrington, one of three promising Spartan weightmen, had a personal best throw of thirty-five feet, nine inches.

A Spartan sweep of the mile run was led by Harry Benson in 4:51.9, Dan Parker, 4:53.3, and Dave Richter, 5 minutes flat, followed.

Tony Smith annexed the 100 in 10.7, while Greg Pritchett took the 220 in

24.3. This duo united with Charlie Scott and John Pickett to sweep the 440 and 880 relays in 46.8 and 1:36.7, respectively.

Bob Loper racked up a 24.3 low hurdles win, with Bob Mullane getting thirds in both hurdles events, plus a second in the high jump.

Matt Burgess' third straight discuss victory led a 1-2-3 Lake Forest sweep, the first this season. Jerry Thompson was runnerup with two-miler Joe Voshell showing his versatility, by spinning the platter 104 feet 8 inches, for third. Burgess and Thompson threw 123-10 and 119-5, respectively. Jerry's throw was a personal record.

Steve Saulsbury (9-6) and Voshell (8-6) were 1-3 in the pole vault.

Sophomore leaper Mike Benson and teammate George Moore traded victories, as Benson won the triple with Moore second,

only to reverse themselves in the long jump. Ron Dunlap and Mike Quail had thirds in the horizontal jumps, with Rick Loper doing likewise in the high jump.

Ron Dunlap (57.2), Bob Kashner and improving Larry Cooper shut out the Indians in the quarter mile. Kit Tighman(2:11.6) and Craig Kashner went 1-2 in the half.

Joe Voshell's good 10:58.4 clocking captured the two mile run. Paul McClellan's third place finish was a good effort also.

Too much looseness or free play in the steering wheel is a danger sign that needs to be checked by a mechanic warns the Delaware Safety Council.

Russell Rash Back Driving In N.Y.

Local reinsman Russell Rash has returned to Roosevelt Raceway for its current campaign. Rash in a recent race at Yonkers while driving a horse named Soaky Tiger experienced the horse

choking on the track. The horse was in a pocket during the race and when let out vaulted across the track hitting the outside rail. The blow split Rash's driving helmet throwing him to the

track. He spent the next few weeks recuperating at the home of his parents, Mr. and Mrs. Benny Rash, near Felton. The horse died on the track. It was insured for an estimated \$125,000.

Handicapped Scout Troops Plan Campout Here

Troop 278 is one of a kind Scout Troop in Mid-Delaware as it is comprised of handicapped boys. Desiring to again prove that being handicapped isn't a real handicap, the Troop members have invited other handicapped troops to join them at Killen's Pond near Felton on May 16th for a weekend of participating in fun and skill events. Eight Scout Troops from New York and Pennsylvania have already accepted the invitation to come to Delaware.

The twenty events will range from cooking over open fires, in timber-hitching a rope to logs in order to pull the logs, to demonstrating first aid knowledge, to fun games including shooting out candles with water pistols and in finding their way blindfolded through a rope maze.

Handicapped boys living in Kent County or Maryland, Maryland, can contact Len Zerhusen in Dover at 736-6529 for information regarding Troop 278.

Hospital Fair Is Planned For Next Weekend

17th Annual Hospital Fair will be held May 17th, beginning at 10 A.M. on the grounds of Milford Middle School.

Special features will be The Puppet People presenting five 15 minute shows for young audiences. Admission will be 50 cents. Shows will be held 11:45 A.M., 1 P.M., 3 P.M., and 4 P.M. at the tennis courts on the Middle School grounds.

Other special attractions will be a performance of "Captain Billy" by the Children's Repertory Theatre of Wilmington on the evening before the fair, May 16th. The show will be a space age fantasy, presented at the Milford High School Auditorium. Admission is \$1.00. Fifth to eighth grade students will hold a dance during the evening of the fair, from 7:30 to 10 P.M. Master of Ceremonies will be "Mark C" disc jockey at WTHD.

Fifteen booths and games are already planned for the Fair.

Arts and crafts booths offer many hand worked items, including kitchen corner, knit and crochet, candle crafts and creative crafts. Food chairmen offer the ever popular chicken platters, hamburgers, hot dogs, cokes, candy apples, snow cones, lemon sticks and pizza. Hospital nurses offer their famous fudge.

This year's proceeds help purchase the mammography equipment for the radiology department at Milford Memorial Hospital.
