

The Reverend John Edward Jones

The Rev. J. Edward Jones To Retire After 42 Years

Born in Wilmington, Delaware May 26, 1910, his interest and commitment to be a minister of the Christian faith was a decision he made when he was fifteen years old. His father had died when he was eight, and it was an uncle, the Reverend John A. Clark, a pastor of the then Wilmington Conference, who had a great influence and was a guide for the young Jones to follow.

After a brief stint as a clothing store assistant, the Reverend Jones received his first appointment. It was a supply pastor, recalls Jones, in Williamsburg, Maryland. That was in 1933.

Several important things were to happen in 1933, including marriage to the former Inez Kille of Penns Grove, New Jersey. The young couple didn't have very much, recalls Jones, especially because of the Depression, and when they married, there was no money for a honeymoon. Rev. Jones remembers he had something like seven dollars left after he had purchased the ring for his bride. Members of his church at the time had taken care of refreshments, flowers and other trimmings, which had included a liberal strewing of rice all over the parsonage. After the guests had left, he remembers asking his wife "What shall I do with the rice?", which they were cleaning up. She replied that they would "collect it and put it in a pan because (we're) going to eat it."

In the fall of 1933 Jones also began college at Washington College in Chestertown, Maryland.

In 1934 the Joneses had moved to take charge of a church in Cheswold and it was there their first child, also John Edward, was born.

The second child, Ethel May, was born in 1940.

Reverend Jones remarked during the interview with the Journal he had decided to try to stay at a church for about four years and his goal was fairly well adhered to in the earlier years of his ministry. Following Cheswold, he was to go to Nanticoke, Maryland, there for one year. Then at Roxanna, Delaware, he was to spend four years, where one of his proudest accomplishments was to build a new church. "There was nothing there but a pile of ashes," recalls Jones, following a fire. The church was Sound Church. A Sunday school addition was also added to the church at Roxanna while he was there.

The next move was at Brack Ex, Delaware. He was also chaplain at the old workhouse there, he recalls. He had four different sermons for prisoners weekly and also visited and counseled while serving as the chaplain, in addition to having his own church.

From there to Berlin, Maryland and back to Millsboro, where a church was built and paid for during his three year stay. "Chicken money was big at that time,"

Jones stated, and "people were wonderful and still are" with their contributions.

His longest stop before Harrington came from 1954 to 1961, when he was pastor of Harrison Street Church, Wilmington. There he also was chaplain of the Half-Way House.

He next served two years in Cambridge, Maryland, prior to coming to Harrington in 1965. He recalls it was on his birthday. While pastor here, the church has had several remodeling phases, and a new parsonage was built.

What does he value most from the long association with the ministry? The friends he has made over the years and the young men he has helped directly or indirectly into the field of ministry over the years.

He has served in numerous capacities over the years within the Conference, including serving on boards of Evangelism, Education, Conference Qualities, Conference Relations and the Board of Missions.

Locally he has been active in the Harrington Volunteer Fire Department, has been on the Board of Directors and was Chairman of the Board of the Harrington Senior Center, and is now an advisor.

He is also a 32nd degree Mason.

Hobbies? Perhaps one should say an avocation: the circus. Rev. Jones has been a circus fan, and quite a

2 Year Associate Degree To Be Offered

Nursing Program Set For Del-Tech

A two-year associate-degree nursing program will be offered at Delaware Technical and Community College Southern Campus, starting in September, according to acting Campus Director Stephen J. Betze and Lois M. Stude, nursing coordinator.

The State Board of Nursing granted initial approval for the program during their May 9th meeting. The Stanton Campus is the only other DT&CC facility to offer an associate-degree nursing program.

Admission to the first-year of the ADM program is open to high school graduates or the equivalent. Applicants must complete the college's Comparative Guidance and Placement program and the National League for Nursing's Pre-Nursing and Guidance Examination. Evidence of good physical and mental health must be verified by appropriate medical examinations. Licensed practical nurses who meet admissions criteria will be considered for advanced placement on a space-available

basis in 1976, the second year of the Southern Campus program.

First-year students will have courses in personal and community health, advanced reading-study skills, anatomy and physiology, vocational relations, medical-surgical nursing I, II, III, obstetrical and pediatric nursing, including growth and development. In addition to classroom and clinical experiences at local hospitals, students will spend one month at Delaware State Hospital for training in psychiatric nursing.

Second-year clinical and classroom studies include sociology, English, psychology, advanced physiology, professional relations, political science, advanced medical-surgical nursing I and II, maternal-child nursing, advance psychiatric nursing. Those interested should submit an application immediately. The closing date for receiving applications is June 9. The college has a brochure describing the nursing program which will be sent on request, or those interested are invited to stop in to talk with a counselor in the Office of Student Services, or call the college at 856-5290.

Mr. Stoltzfus Is Graduate

Warren L. Stoltzfus, son of Mr. and Mrs. Llewellyn Stoltzfus, Route 3, Harrington, graduated with a Bachelor of Arts in History. He will anticipate completing graduation requirements in December, 1975, and participated in the April commencement activities.

The Goshen College of 1975 represents 24 states, three Canadian provinces and six foreign countries. Goshen College offers three degrees, bachelor of arts; bachelor of science in education and bachelor of science in nursing. The school's curriculum is organized into 24 departments making available about 400 courses to students.

Goshen is a four-year liberal arts college in Goshen, Indiana. It is owned and operated by the Mennonite Church and has approximately 1,250 students enrolled during the school year.

More Tax Reductions For 1975

While the IRS is computing everyone's tax rebate for 1974, it is also busy gearing up to handle the other benefits of the recent Tax Reduction Act for taxpayers in 1975.

The Act gives taxpayers the following benefits:

--increase in the percentage standard deduction and low income allowance.

--a new \$30 tax credit for each taxpayer, spouse and dependents;

--a new earned income credit - in the nature of a negative income tax - of a maximum \$400;

--a 5 percent tax credit - maximum \$2,000 - on the purchase of a new home;

--a \$50 cash payment to Social Security recipients; and

--a liberalized child care deduction.

Because the Act is intended to be an anti-recession device, all of the above benefits - except child care deduction - are in effect only for 1975. The tax cut is expected to bring \$70 million to Delaware.

There are also several tax saving benefits for businesses worth \$4.8 billion nationally. The total savings to individuals is estimated to be \$18.1 billion.

In addition to the tax rebate, most taxpayers will have more money to spend because less tax will be withheld from their pay check after April 30.

Employers will be using new withholding tables, scheduled to take effect on May 1, to figure each employee's tax to be withheld. The new tables reflect the lower rates because of the following reductions in income tax provided by the new law.

Local Man Elected To State JAYCEE Slate

This past weekend the Delaware Jaycees held their annual convention at the Sheraton Inn, Dover. During this time the new state officers were elected. James Beanson, of Mill Creek, was elected president of the state organization. Thomas MacDonald of Wilmington and Fredrick Bender of New Castle have become Internal and External Programming Vice Presidents, respectively. National Directors include Martin Donovan of Georgetown and Patrick Lathbury of Lewes. Tony Smith of Georgetown, Orville Mills of Lewes, Robert Murphy of New Castle and William McDonald of Talleyville were elected as Vice Presidents of their districts.

Two Harrington men were also elected state officers. Charlie Brown returned to his second term as State Chaplain, while Ed Welch, the past president of the Harrington chapter, was elected a district Vice President.

During the Inaugural Dinner and Awards ceremony Saturday, the Harrington Jaycees received several presentations. The most treasured award was that of Harrington being recognized as the most improved chapter in the state. They also received awards for their Christmas parade project and membership recruitment activities.

At the Sunday Board Meeting the State Jaycees voted to donate \$1,000 to the Home for the Mentally Retarded at Stockley. This money will be used to fund a weekly bowling program for the residents. Also, \$1500 raised by the annual sweet relish sales project was donated to the Special Olympic Foundation for the mentally retarded to help carry out its activities.

Those attending the conference from Harrington were Ed Welch and Cheryl Klapp; Jim and Shelly Callaway; Durrand and Sue

Mrs. Hemphill appointed by Levy Court

Mrs. Edie Hemphill of Felton was sworn in Tuesday during Levy Court proceedings as a member of the County's Parks and Recreation Commission. She will serve a three year term, which will expire June 8, 1978. The Commission meets the 1st Thursday of each month. Director of the Commission is John Crossley.

Mrs. Hemphill is married to Robert A. Hemphill. They have one child, Robert A., Jr. who is a student at Holy Cross. The Hemphills own and manage The Owl's Nest Tavern and Package Store in Felton.

Local AFS Chapter Meets, Elects Officers

The Lake Forest Chapter of the American Field Service elected officers for the coming year at their regular meeting on Wednesday evening. Mrs. Leon Kukulka was re-elected to the office of President. Mrs. Robert Bennett of Canterbury will be Vice-president; Mrs. Russell Knauth, Treasurer, and Mrs. Albert Mason, Secretary. Other committee chairmen will be appointed by the president in the near future.

Money from the Walkathon is coming in rather slowly with only about half being turned in at this time. Mrs. Kukulka and Mrs. William Smith, advisor of the AFS Club will be reminding the students to get their money from their sponsors within the week.

Money prizes of \$10 and \$5 for students bringing in the most money will be awarded at Chipman School and the high school. Other trophies for the first walkers, and runners will be presented at the Awards assemblies in each school.

Mr. and Mrs. Samuel Shumar of Frederica have received notification that

their AFS student next fall will be Miss Hilary Jean Robb of Preston, England. She is expected to arrive in the states the first week in August. She will join Ferandes Morales of Equador, the other AFS student at Lake Forest High School next year. He will be staying with Mr. and Mrs. Leonard Outten and family in Harrington.

New Store Planned For Houston

At the recent Town Council meeting in Houston, it was announced that a new self-service grocery store will be opening on the corner of Pine and Mill Streets in the town. The store will sell gasoline on a self-service basis.

The state of properties in poor condition as well as those delinquent in taxes were other topics of discussion.

Retirement Fete Held For Mrs. Jeanne McDonald

Webster's Dictionary defines "retire" as to "withdraw from one's occupation ... to conclude one's working or professional career." This definition of "retire" is so contrary to the personality of Jeanne McDonald, R.N., who has served in several capacities during the past twenty-six years at Milford Memorial Hospital, that it seems contradictory to say she is retiring on May 16th. Fortunately, Webster also defines "retire" as "to win permanent possession of (as a trophy)."

This definition is more suitable, as Jeanne McDonald has certainly won permanent possession of the respect and affection of all who know her and have worked with her. This was evident at the reception held in her honor by the hospital in the School of Nursing Lounge on Friday, May 9.

Joseph B. Ahlschier, president of Milford Memorial Hospital presented Mrs. McDonald, who has been personnel Director for the past five years, with a diamond

wrist watch in appreciation of her years of devoted service to the hospital.

Jeanne Kelly, a native of Phillipsburg, New Jersey, graduated from the Easton Hospital of Nursing, Easton, New Jersey, and went directly to the Cornell Medical (now New York Hospital) for post graduate work in obstetrics. She remained there as supervisor of obstetrics for a short while. It was in New York City that she met and married Harold McDonald. The new Mrs. McDonald then worked part time for four years in obstetrics at New York's St. Barnabas Hospital. In 1945, Mr. McDonald had an offer from the Selbyville school system and the young couple moved to Delaware. In 1949, Jeanne McDonald, R.N., started to work part time at Milford Memorial Hospital and continued on that scale until 1954. She then worked full time until 1964 on the night shift, 11 p.m. to 7 a.m. In 1964, Mrs. Donald was appointed the Inservice Coordinator, an innovation for the hospital at that time.

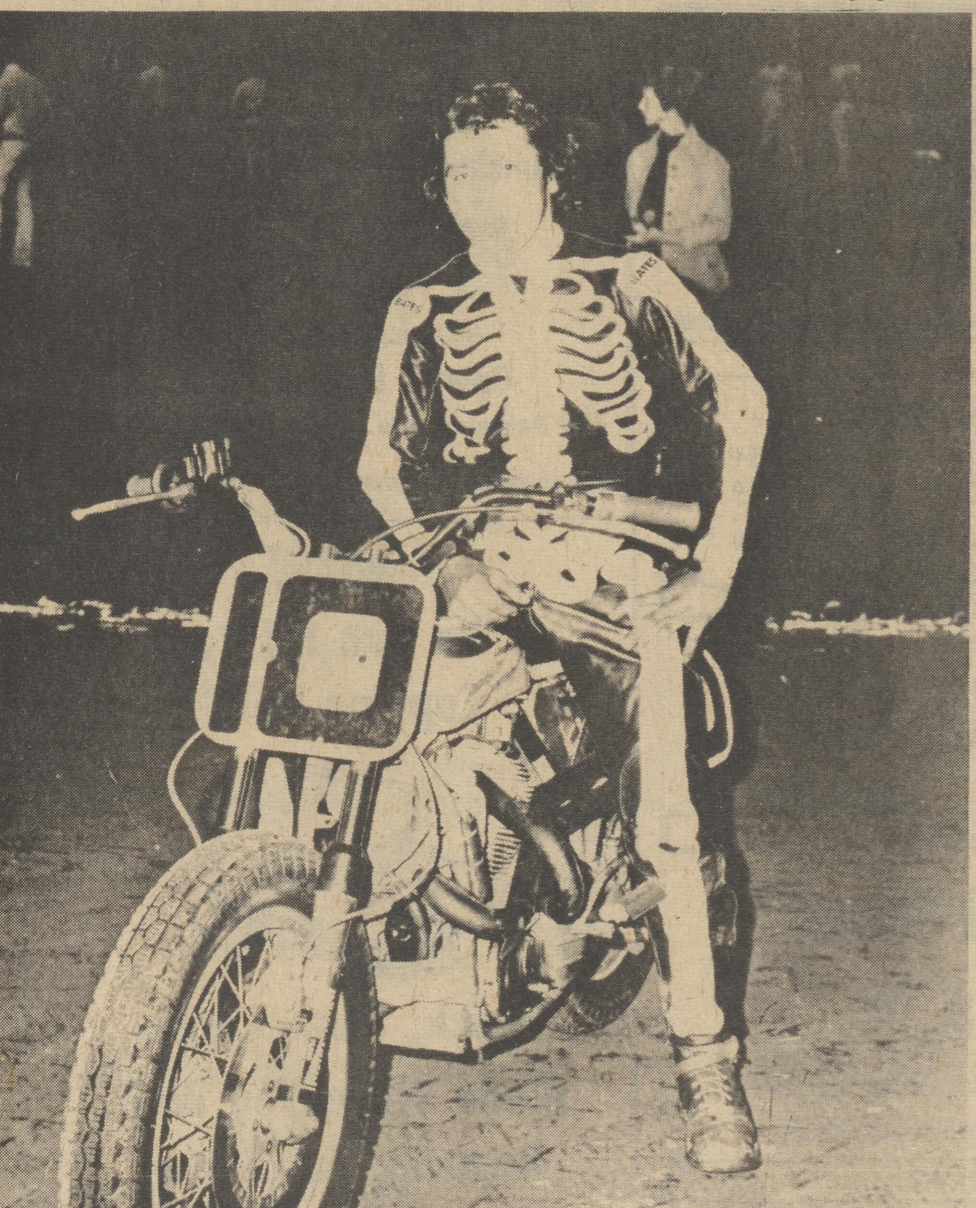

Joseph B. Ahlschier, President of Milford Memorial Hospital, presents a framed resolution to Mrs. Jeanne K. McDonald, R.N., at a reception prior to her retirement from Milford Memorial Hospital following 26 years of service there.

At that time the hospital had no formal personnel department. Mrs. McDonald was made Director of Personnel - and, again, it was her planning and hard work that created the present personnel policies.

Mrs. McDonald is past chairman of the General Duty Section of the Delaware Nursing Association, a post she held for four years. Mr. and Mrs. Harold McDonald, who now live in Harrington, plan to do some

traveling after her retirement. Mr. McDonald retired from the Lake Forest School faculty three years ago. Their children are James J., a Captain in the Air Force stationed in Germany for the past three and a half years, and Susan Deutsch, who, with her husband, lives in Palmyra, New Jersey. Sometime in July, James and his wife are due to return to the U.S. and the McDonald family will then have a reunion.

David Aldana, long a top competitor on the AMA National Champion circuit, will appear at the ILC CYCLE CLASSIC at Harrington fairgrounds June 14 sporting these protective riding leathers emblazoned with the outline of a skeleton.

"Lots of people have been staring like I was crazy or something," said Aldana, "but it's not big deal. It's just an idea I've had for years I finally got around to doing."

"... no man can wear the suit which fitted him as a boy—we need statesmen who will plan for the next generation."

In recent days we have again witnessed the taking of one of our ships on the high seas—by once again "a second rate country." The first such occurrence was with the U. S. Destroyer Pueblo by North Korea. We all remember that disgusting affair. We did nothing then and I seriously doubt if we will retaliate now.

Should we have learned a lesson from the North Korean incident? I think so! You would have thought President Ford, who was a Congressman when the Pueblo was captured, would have formulated some ready-made answers if the situation came up again... which it has. I will tell you something else... it will continue to come up unless we do something about it.

It is one thing to turn the other cheek. It is another to suffer a humiliating defeat as we did in Viet Nam regardless of whether the cause was right or wrong. Would a confrontation cause a third World War? If handled properly, it could be avoided. A retaliation is necessary to bring back the status quo in order to prove to them and the world that we do have some spirit left within us. One retaliatory move (and make it stick) would be enough to let them know what can and cannot be permitted.

Our nation is very complex, to be sure. This is possibly due to the many differing people and their party affiliations. This fact will always be true. With this in mind, one wonders if maybe the process of our government isn't obsolete. Our form of government is the very best, but many times I suspect that we need changes in the process of government. This need is based on current observations. The decision-making ability of our governments today, both state and federal, is not swift enough at times to meet the current crisis. Couldn't something be done about this?

This judgment is based upon the fact that our government at the federal level has grown to such size that its vast size makes it unmanageable at all times. In short, we sometimes have too much government for what we get out of it. Many times our leaders are drawn into foreign affairs, and this being the case, one has need of a large government. Is this essential? On the other hand, our leaders are not always completely informed on the matters which face our government. They could not have been completely informed at all times as it relates to the Viet Nam War. That's obvious!

Changes are needed, and it is about time we started doctoring up our domestic situation before we apply the cure to the entire world. It is clear that no man can wear the suit which fitted him as a boy. The crises which affect us at home will take some time to resolve to our complete satisfaction. We should not be concerned about the next election... as a politician would... we need statesmen NOW... who are concerned about the next generation.

From The Frying Pan...

Last Monday night the Harrington City Council unanimously voted to do away with an ordinance they had almost unanimously voted for during the April Council meeting. This ordinance prevented parking on the east side of Commerce Street from Misspillon Street to Clark Street, which is also the downtown main business section of the town. Setting up a howl of protest and showing up in numbers at last week's meeting, the local merchants viewed the ordinance as damaging to business, as it obviously was.

The reason given for needing the ordinance initially was to alleviate the danger created by the now narrow streets being traveled by tractor-trailer trucks and general congestion in that part of the city. Trucks use Commerce Street constantly because it is also Delaware 11.

With the safety of the citizenry as its main concern, Council passed the ordinance. Now conditions are back to where they were before. The merchants appear to be satisfied, but parking is still at a premium downtown, the streets are cramped and the trucks have neither shrunk nor have they slowed down.

Leaving things the way they were is not the solution nor should it be allowed to be such. The situation is hazardous and needs immediate attention, with a solution that does not compromise the safety of the citizens and yet will be acceptable for the economy of the city.

A committee is studying the situation and will submit their recommendations at the June Council meeting. Councilmen Earl McColley and Jack Wyatt with citizens J. Edward Taylor, Bob Taylor and Burton Smith have volunteered to serve on this committee. They are trying to rectify a situation that has existed for over 20 years and is not improving.

Have a suggestion? Let them know. Everyone will be affected directly or indirectly.

Days Of Our Years

Ten Years Ago

Friday, May 14, 1965

Robert Holloway and Roland Hitchens won seats on the local school board in Saturday's election. Some 1219 voters turned out.

Leonard Masten, son of Mr. and Mrs. Leonard Masten of Harrington, presented a graduation recital last Wednesday evening at Bridgewater College, Bridgewater, Va. He is a tenor.

A record reservation of 528 alumni are expected to be on hand at its ninth banquet Saturday night, according to this year's association alumni president, Thomas H. Peck.

Mr. and Mrs. William E. Hearn celebrated their 33rd wedding anniversary Monday, May 10.

Nancy Blades of the Peninsula General Hospital School of Nursing and NaNCY Harrington of Goldey Beacom School of Business spent the weekend with their respective parents.

Marilyn Jarrell and Carole McNally of the University of Delaware, spent the weekend with their parents.

Felton: Jimmy Blades and Margaret Wooten were chosen King and Queen at the Junior-Senior prom, held at the school Saturday evening.

Hobbs: Sharon Stafford was a recent weekend guest of her aunt, Mrs. Harold Scott.

Mr. and Mrs. Richard Collins of Harrington became parents of a boy April 29 at Milford Memorial Hospital.

Harrington Lions are 5th in a 13 team meet at the Milford Invitational last Wednesday.

Felton's Green Devils continue to come up with runs as they are needed. Jim Blades gave up ten hits and six runs but saw his mates make up the same amount of safeties count for nine runs. The final score over Millsboro was 9-6 in favor of Felton.

Pete duPont Reports

I couldn't agree more with my colleague Rep. John Anderson of Illinois who recently said, "If we are to have a Government staffed by the highest quality administrators, the impartial hiring procedures which make up the merit system must be allowed to operate untrammelled."

Articles over the past several years have revealed Congressional tampering with the civil service. Such activities only serve to undermine confidence and trust in the governmental system.

Recently, the Civil Service Commission issued a ruling forbidding referrals by its own Commissioners. To do one step further, I am co-sponsoring legislation to outlaw political recommendations as well. I firmly believe that Congress should take the initiative and make it clear that we are committed to fair, effective Civil Service appointments.

The legislation I am co-sponsoring would work in the following manner: all appointments, assignments and so forth of competitive service personnel will be made without reference to any recommendations by elected or political officials. Furthermore, any statements made on behalf of a candidate must be returned to their source, marked as a violation of the law. In addition, neither the job-seeker nor congressional or other political office holder may request or furnish recommendations.

However, in order that endorsements based on specific work experience with an employee still be rightly permitted, statements concerning work performance, character or residence may still be requested and supplied through the competitive service hiring authorities.

At this critical time we need the best people in government. Since competition encourages the best people, let's not have politics interfere with the selection process.

Matt Burgess prepares to hurl the discus.

Burgess Gets 5-Year Discus Goal

In 1971, big Mickey Chafinch was a versatile, three-sport athlete, at Lake Forest High. He threw the shot and discus, played baseball and football. He elevated Lake Forest's discus standard to 132 feet, 8 inches, in May.

That same spring, Coach Jim Blades called to a W. T. Chipman eighth grader, Matt Burgess. "Here, Matt, see what you can do with this" or words to that effect and showed him the basics of the discus.

The Chipman student mastered the intricacies of the spinning platter and began a five-year odyssey to attain the Lake Forest discus standard.

After a 75 foot throw in 1971, Burgess tossed 87 feet, 11 inches, in his first meet at Milford, as a freshman. He couldn't beat that until he reached 91-6 in a summer rec meet at Dover.

As a sophomore, he threw 107 feet and earned a varsity letter from Coach Ed Webster.

He opened his junior season under Coach Craig Jantz with 121-10 at Caesar Rodney. But like his freshman year, he couldn't equal his first meet throw all season long.

1975 opened with Burgess' third new head coach in three years, Jim Blades back again after a two-year hiatus and the leader who

started the whole chain of events.

Now 5 feet 10 inches and 150 pounds, Matt was much larger than his eighth grade statistics, but he was still much smaller than most of the competition. Weightmen are called "whales" even in the Henlopen Conference some have exceeded 300 pounds.

Bettering 120 feet, in each meet but one the "little guy from Lake Forest" began the final record assault. He won several meets, reached 127 feet, then 129 feet, 11 inches, then really popped one when it counted most, in the conference meet Friday at Milford.

His supporters watched from the grandstand, 200 yards away, as the athlete intently watched Tom Kincaid, head official, read the tape. Suddenly the head and hands shot skyward at the announcement of 134 feet, 8 1/2 inches. The five-year search was over. A goal had been worked for and finally attained.

First place went to Milford's 6-1, 214 pound Marvin Smith. Runnerup Greg Cannon of Seaford is 6-0, 235. Third was Dave Crimmins of Seaford, 6-2, 206. But 150 pounds of Spartan coordination was 1000 percent satisfied.

Perhaps infected by the excitement surrounding the whole championship competition, Lake Forest's other

two throwers responded with personal bests.

Big Jerry Thompson, who is improving steadily of late, spun the discus 127 feet plus, to better his previous top of 123 set at Seaford. Jerry almost hit the scoring column at Milford.

Rangy Billy Moore is loaded with natural talent. Only a freshman, he can do well in practically any sport.

He hasn't mastered the discus technique yet, but upped his personal best to 104 feet, 5 inches. If he can reach 107 feet this campaign he will be one year ahead of Burgess' pace. His fine baseball ability may curtail his track participation and could cost him an eventual opportunity to get on the school-record board in the Lake Forest High School lobby.

YOUR PEACE OF MIND AND HEART IS OUR FIRST CONSIDERATION

Thoughts... by Senator William Roth

The Senate has approved a budget resolution which would set the level of Federal spending in the next fiscal year at \$365 billion.

This amounts to a staggering \$1 billion a day, with a deficit of \$69 billion for the year. To put it another way, the Government will be spending \$42 million an hour, 24 hours a day, 365 days a year.

In the past I have supported a limited degree of deficit spending solely to get the economy moving again and put people back to work, but the line clearly must be drawn somewhere. By any reasonable yardstick, this enormous deficit is inflationary.

I believe we must make every effort to reduce waste in the Federal bureaucracy, hold the line on spending programs, and exercise more discipline in our spending decisions.

Supporters of more and more Federal spending claim that a larger budget deficit is necessary to create more jobs and to provide more Government services. But I believe it is this type of economic thinking

that has been primarily responsible for the economic problems and high unemployment we are experiencing today.

The key to this nation's health and prosperity is the productivity of our economic system. For years, the United States was the most productive nation in the world, with a standard of living that was the envy of every other country on earth.

But over the past 15 years, unrestrained Government spending and borrowing has eroded private industry's ability to attract funds for the capital investment needed to create jobs and increase production. Indeed, the budget approved by the Senate would send the U.S. Treasury into the capital market with a vengeance, absorbing such a huge portion of the available money that interest rates, many economists predict, will go sky high.

Massive amounts of private capital investment are essential to the creation of meaningful jobs. But once the Federal Government

gets done borrowing enough money to finance the huge deficit now proposed, there is not enough money left for building factories and expanding production, which creates new jobs.

One result of many years of budget deficits, with Government controlling more and more of the available supply of money, is lower economic growth and fewer jobs.

Increasingly, the Congress has tried to solve virtually every national problem by creating well-intentioned, politically appealing, but very costly programs.

I believe the taxpayers of this country have had enough of extravagant spending programs. The growing disenchantment with Government is in part due to the heavy and growing burden of taxes.

The taxpayers know that we can no longer afford to throw money at every conceivable problem in the hopes that it will go away. It is time that Congress also realized this.

outgoing for taxpayers who do not itemize their deductions, the law allows now a 16 per cent standard deduction from adjusted gross income for a maximum of \$2,300 for single persons - or head of household - and \$2,600 for couples filing jointly. It had been 15 per cent with a \$2,000 maximum.

2. Low Income Allowance: To adjust for inflation and to keep low income persons from having to pay any tax, the low income allowance for 1975 is raised from \$1,300 to \$1,600 for single persons and from \$1,300 to \$1,900 on joint returns. Single individuals would not have to pay income tax if they earned less than \$2,350 - \$1,300 plus \$750 personal exemption. Joint filers would not be subject to tax if their income is less than \$3,400, while married persons filing separately must file if their income is \$750 or more.

3. Personal Exemption Tax Credit: \$30 for each exemption claimed can be deducted from our 1975 tax bill - except blind and aged exemptions. Thus a married couple with three children would receive a \$150 tax credit.

4. Earned Income Credit: To help low income workers having an adjusted gross income of less than \$8,000 and maintaining a household with a dependent child, a credit will be given against 1975 taxes. It will amount of 10 per cent of a taxpayer's first \$4,000, the credit will be phased down to zero at \$8,000 income.

The IRS urges employees to check their tax withholding as soon as the new tables become effective May 1, to avoid too much overwithholding or underwithholding.

Legion Auxiliary To Have Speaker

Mrs. Gay Enterline of Dover will be guest speaker at the May meeting of the CKRT American Legion Auxiliary next Tuesday evening, May 20, at 8 p.m. The meeting will be held in the Post Home. Mrs. Enterline will be speaking and showing slides of Camp Lenape. This is a special camp for handicapped children which will be held from July 21 to August 15 at Killen State Park. It is a day camp held each of the four weeks from Monday to Friday.

It is the hope of the Auxiliary that they can provide some of the assistance that these boys and girls will need to attend and enjoy Camp Lenape. Mrs. Enterline will answer any questions concerning the program. All members, both Senior and Junior, are invited and urged to attend, as well as any interested persons in the community. This is an ideal summer occupation for teenagers who would like to give of their time to help others.

Several From Here Take Part In Spring Sing

Darren Dell, Tommy Lord, Mrs. Pat Lord and Mrs. William Minner took part on Saturday in the Spring Sing Fest held at Humanities Auditorium, Delaware State College in Dover. The Children's Choir Festival brought more than 500 choristers, directors, chaperones and members of the Music Committee of Peninsula Conference to the all-day session.

The activities began at 11:30 when the group gathered to eat lunch in the Parking Lot before assembling in the auditorium. Mrs. Helen Kemp Faculty member of West-

minster Choir College, Princeton, N. J., was the director. Rehearsals for the evening performance took most of the afternoon with only a brief break for some fun-learning things like drums, modern dance, puppets, and guitar playing. The day was sponsored by Peninsula Conference, United Methodist Church but brought members of churches from many other parts of the area. Darren and Tommy are members of Crusader Choir of Asbury United Methodist Church. The concert at 6:45 p.m. was attended by many parents and friends of the young singers.

UMW Meet, Hold Protest March

A protest march was held at the May meeting of United Methodist Women of Asbury Methodist Church last Tuesday evening. Led by the president, Mrs. Edward Taylor, a group of six members paraded around the meeting room to bring to the attention of the UMW the change in names of some committees of the Methodist Women's organization. Although it was only in fun, the members got across their messages very well. The United Methodist Women, formerly the Women's Society of Christian Service, not only have a new name but are widening their scope of activities and service. Mrs. Barbara Brown was leader for the program. Mrs. Mark Willey led the devotions. The annual School of Missions will be held July 14 - 18 at Wesley College and the School of Missions weekend will be July 11 to 13 at Wesley. Anyone wishing information may call Mrs. Taylor. A committee was appointed by the president to arrange for a scholarship to Camp Pecometh next summer. Mrs. Kenneth Outten, Mrs. Hayward Quillen and Mrs. William A. Minner will serve on that committee. The June meeting will be arranged by Mrs. Guy Winebrenner with the Mary Circle, leader Mrs. Howard Wagner, as hostess. Special guests will be George and Lila Chasen, former Harrington residents whose daughter and son-in-law are serving as missionaries in Japan. The Chasens have just returned from a visit with their daughter and will show slides and talk of their visit there.

**Meet Jackie ,
A One-Girl
Track Team**

Jackie Guyton, now a California resident, was a one-girl track team in the 1974 Kent-Sussex Counties junior high track meet. She scored in several events to tally all of W. T. Chipman School's points.

Jackie Wilson, who lives between Canterbury and Woodside, caused history to

repeat itself when she scored 19 points for Chipman Saturday at Dover High.

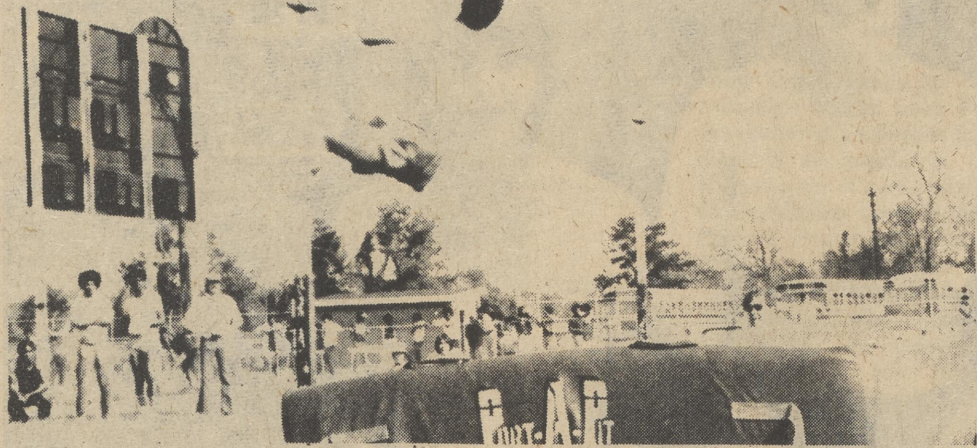

The eighth grader was second in the 100 in 12 seconds flat, second in the

220 yard dash, both excellent clockings and won the long jump (14 feet, 7 one-half inches).

Mrs. James [Patsy B.] Carter, center, of Andrewville was the winner of the grand prize at the giant Foodrite Store sale. The grand prize was a hind-quarter of beef.

Holding the beef is Dennis Spicer, left, meat cutter and Jimmie Fitzhugh, right, meat manager at the Harrington Foodrite Store.

Guy Ramsey of Dover Air high jumping at the Conference meet of 6ft. 8in for a new state record.

It Seems To Me

by Janet Reed

Here a tuck, there a tuck, everywhere a tuck, tuck! Or so it seems when you observe the fashion scene. They are important fashion details today.

Tucks are used to give fullness, as well as for decorative detail. You'll find them in neat rows at shoulder or shoulder yokes to release fabric fullness at bustline. Or they may be used at the waistline for hipline and bodice fullness. Sleeves may have tucks at the shoulder to release fabric into a fuller sleeve.

No matter where tucks are incorporated into the design of the garment, they must be sewn perfectly to avoid the homemade touch. They require straight stitching, a balanced machine stitch and perfect spacing.

The most professional and easiest way to tuck fabric is with the tucking attachment to your sewing machine. Follow the directions for perfect, evenly-spaced tucks. If you don't have a tucking attachment, fold fabric through center of tuck on the exact straight grainline.

Use the presser foot to guide stitching an equal distance from the fold.

Experiment with stitch size and thread before stitching tucks into the garment. Heavier thread in contrasting color provides a further decorative detail. A slightly longer stitch can be used with heavier thread.

Leave enough thread when you start to stitch so that the ends can both be pulled through to the wrong side and tied. If the stitching for all the tucks does not quite begin on an even line, a stitch or two can be pulled so that they are all even.

Tucks are effective on striped fabric. Tucks in the center of a stripe can break up spaces into a more interesting variation. Gives you ready-made stitching lines, too.

For a subtle trim, tuck a piece of fabric with tiny tucks about an inch apart. Collars, cuffs, pockets can be cut from the tucked fabric. Spaces between the tucks can be varied, or tucks can be graduated in size, or tucked in both crosswise and lengthwise directions, or on

the bias. Once you start using the tucking attachment you'll find many ways to vary the process.

**Community Concert
Members
Now Sought**

Memberships are available this week for the 1975-76 concert season of the Dover Community Concert Association.

The Association's annual membership drive runs through Saturday, May 17. Headquarters is in the Wesley Educational Center, on the Plaza in downtown Dover. Office hours are 9:30 a.m. to 4:30 p.m., and a

special telephone number for information about the series is 678-8050.

After hours, information may be obtained by calling Membership Chairwoman Polly Simpson at 734-3702.

Six concerts have been announced for the coming season—three in Dover and three in Seaford. Highlighting the Dover series will be a January 2, 1976, performance of the Broadway musical "1776"—an appropriate beginning of the Bicentennial year for con-

certgoers. Other concerts include a chamber orchestra of musicians from the Marlboro Music Festival, on February 3, 1976, and opera bass-baritone Simon Estes, on April 1, 1976, both in Dover. Seaford concerts will be: Duo-pianists Wittmore and Lowe, October 9, 1975; the beaux Arts Trio, November 10, 1975; and the Norman Luboff Choir, March 14, 1976.

A membership in the Dover Community Concert Association entitles the holder to attend all six concerts. No tickets are ever sold to individual performers, and no memberships will be sold after the drive ends. Season memberships are \$10 for adults, \$5 for students, and \$25 for families. Special patron, benefactor and sponsor memberships also are available.

**Canning Supplies Will Be
Adequate This Year**

"There should be sufficient supplies of dome lids and other canning needs this year to meet the canning demands of homemakers," says Marguerite Krackhardt, extension nutrition specialist at the University of Delaware. Manufacturers indicate that dome lids will be available on a regional basis across the United States as the growing season advances. So they should soon make their appearance in Delaware stores and markets. "However," cautions Ms. Krackhardt, "if homemakers buy in 'panic' and then hoard lids, the supplies may not reach everyone who wishes to can fruits and vegetables this year."

The nutrition specialist advises homemakers to buy just the number of jars and

lids they'll need for this year's canning. She points out that saving lids for next year is not a wise practice, as they should be "freshly bought" each season.

For Delaware homemakers who are not familiar with freezing and canning techniques for fruits and vegetables, Ms. Krackhardt has compiled the information into four fact sheets, available free from the Delaware Cooperative Extension Service at the University. They are: (HE-39) FREEZING VEGETABLES; (HE-40) FREEZING FRUITS; (HE-43) CANNING VEGETABLES; and (HE-44) CANNING FRUITS.

For the fact sheets, write to Mail Room, Agricultural Hall, University of Delaware, Newark, DE 19711. State the name(s) and number(s) of those you want.

knowledgeable one, since childhood. He recalls the circus coming to town, only a few blocks from his home in Wilmington, and when the circus came to town, his mother never made him go to school. He and his friends would never be far away from watching the preparations, and would get jobs if they could to help pay their way into the big top.

Included in the sights he viewed under those big tops was the Buffalo Bill Wild West Show.

The Joneses plan to live in Wilmington, upon retiring, but Reverend Jones will continue on a part-time basis to serve as an assistant minister at an area church there.

People once believed that if a candle burned with a blue flame there was a ghost in the house.

**TOWN AND COUNTRY
TOPICS**

It is usually quite difficult to determine why a given shrub or tree fails to bloom. Most often, the problem is physiological, that is, attributable to environmental factors or sometimes due to mismanagement. Anyone of several or a combination of factors may be to blame.

The nitrogen to carbohydrate ratio is often to blame. Too much nitrogen fertilizer encourages vegetative growth at the expense of floral development. One can reduce the amount of nutrients being taken up by root pruning. To do this, insert a spade vertically into the soil at various places in a circle around the plant within the outer perimeter of the branches. About one third of the roots should be severed.

Sometimes a deficiency of phosphorous will inhibit blooming. To correct this problem, dig a shallow trench around the plant and

mix a cupful of super-phosphate, 2 cups of bonemeal, or a cupful of 0-20-20 for every 3 feet of soil taken from the ditch, and return the soil.

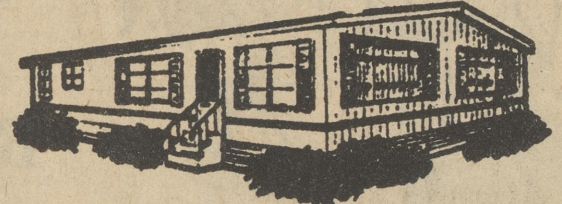

Often shrubs and trees which prefer a sunny location fail to bloom in the shade. Even shade tolerant plants bloom more profusely in a well lighted situation.

Competition with adjacent tree and shrub roots for moisture and nutrients will discourage blooming. If the plants were placed too deeply, the roots may lack a sufficient depth of soil and oxygen.

Pruning at the wrong time of year will remove flower buds. If remedial pruning is done right after blooming this will not happen.

A lush growth of suckers at the base of the plant will limit bloom. Prune the vigorous suckers to the ground.

Trackmen Lose At Seaford

by Keith Burgess

Lake Forest's track Spartans are rated about ten points inferior to John Hollis' Seaford Blue Jay combine, but an "off" day by several locals, ballooned the victory margin to 85 1/2-55 2/3.

Jim Blades' charges took all the relay races and long distance events but fared poorly in the weight events, jumps, hurdles and sprints.

Tony Smith, Charley Scott, John Pickett and Greg Pritchett won the 880 relay in a swift 1:35.3. Pritchett's game leg prevented him from winning or getting second in the 220, his specialty. Ron Dunlap replaced Greg in the 440 relay, a LF win in 46.3.

Seaford's track is a fast one. Junior Harry Benson, freshmen Dan Parker and

Dave Richter, with no meaningful competition from the Blue Jays, recorded 4:48.4, 4:49 and 4:50.1, in the mile run. A sub-five minute mile is a goal many high schoolers never reach. It's routine at distance-rich Lake Forest. Parker and Richter should surpass Chris Wetherhold's great 4:28.4 school mark around 1977.

Kit Tilghman (2:07.8) and Craig Kashner (2:09) set personal marks, for a 1-2 880 finish. Joe Voshell's easy two mile run victory saw the Spartans lose six easy two mile run victory saw the Spartans lose six points by the absence of ill Paul McClellan.

A Spartan romp in the mile relay was engineered by Harry Benson, Dave Richter, Craig Kashner and Kit

Tilghman in 3:41.2.

Runnerups efforts were turned in by Ron Dunlap, 4:40; Tony Smith, 1:00; Charley Scott, 2:20; Bob Mullane,

Rick Loper, high jump; George Moore with a fine leap of 39,9 1/2 in the triple jump. Moore, a senior, is in his first year of track. He has great jumping ability.

Third place point-scorers were Bob Loper, low hurdles; Steve Saulsbury, pole vault; Mike Benson, triple jump; Jerry Thompson with a lifetime best throw of over 123 feet in the discus.

Freshman Ron Loper turned in an excellent 440 clocking of 55.9. The Cooper twins, Larry and Barry, did 56.5 and 56.9, respectively.

Spartans Take First Loss

On Monday the Lake Forest Spartan baseball team's chances for an undefeated season went down the drain as the Spartans lost 3-1 to Smyrna.

Not only did this loss dent the Spartans' previously unblemished record but also dealt the locals' chances for winning the Southern Division a severe blow. Lake Forest now trails Smyrna, 8-0, with an 8-1 record.

The game was scoreless until the fourth inning as Russ Dill and the Eagle pitcher Rich West were hooked up in a pitcher's battle. Then Smyrna suddenly struck for three runs in the fourth. They came on a Don Dickerson two run homer as he found a fast ball to his liking and then Bob Stump followed with a solo and very controversial home run. According to several players and notable observers the ball was 20-30 feet foul, but the umpire ruled it fair.

The Spartans picked up their run in the top of the fifth but amid several other controversial calls could manage no more during the day.

The week before the Spartans tuned up for this battle by routing Dover 10-5 and smashing Indian River 14-3.

Against Dover the Spartans took a 10-0 lead in the first four innings before the Senators scored one run in the sixth and four in the last of reliever Bill Jackson. The Spartan offensive attack was led by Glenn Jarrell, Wayne Voshell, Wayne Erne, and George Luff who had two hits each. Erne also drove in three runs while Dill and Luff had two apiece.

In smashing the Indians Dill led the way by hitting a homer and a pair of singles while pitcher Rodney Wyatt was coasting to the victory, notching seven strikeouts along the way. Dill also scored five runs and along with Voshell had three hits apiece. Neal Smith, Greg Hobbs, Bill Jackson and Rodney Wyatt each had two hits.

The Spartans next game is Friday at home against Woodbridge. Game time is 4 p.m.

Winners in the Kent and Sussex Counties meet at Delaware State College Saturday were l to r: Bev Mack, winner in the shot put and discus events; Cheryl Lissy, winner in the 50 yard low hurdles; and Karen Harris, winner in the 440 yard run.

Girl Trio Takes Honors In Kent - Sussex Meet

Lake Forest's Beverly Mack won two events in the Kent-Sussex championship meet held at Delaware State College on Saturday.

Dave Buck's Spartans won the downstate championship and qualified some 15 girls to participate in Saturday's Delaware girls' state championship meet, set for 8 a.m., at Baynard Stadium in Wilmington.

Mack's wins came in the

shot put (30-10 1/2) and discus 85 feet, 5 inches. Anna Jackson was second in the discus.

Cheryl Lissy won the 80 yard hurdles in 11.8 with Denise Johnson third.

Paula Mosley (2.45) and Nita Giddens went 1.2 in the half mile run.

Nina Adamo was second in the 100 and 220 yard dashes, with Brenda Teat third in the former.

Karen Harris annexed the 440 in 66.9. Debbie Duerr and Maxine Harris came in second and third in the one mile run.

In a second-place 440 relay effort, the Spartans clocked 2:01 in an 880 medley relay victory. Phyllis Clark, Karen Hall, Teri Lissy did the honors. Cheryl Lissy was second in the long and high jumps.

Spartans Clout Seaford

Dave Adams' Lake Forest High School girls softball team had on their batting shoes in their game last week.

The Spartans banged out 25 hits in a 28-12 rout of Seaford. The win evened Lake Forest's record at 3-3.

Winning pitcher, Paula Clendaniel, had 5 hits and batted in six runs. Reliever Beverlyh Mack had four hits, as did Becky Chalmers and Debbie Wheeler. Wheeler drove in four runs.

Lake Forest tallied 9 runs

in the first frame, 6 in the second stanza and 5 in the last inning.

Bob Dill's Lake Forest High Jaynee baseball team usually wins easily, but had to come from behind at Dover last week to win 6-5.

The local junior varsity nine achieved a 5-0 record after Billy Moore's double drove in two seventh-inning come-from-behind runs.

Moore had three RBI's. Gary Manaraze doubled and chalked up two runs; batted in.

Crafts Festival Set For The Weekend

The fourth "Queen Anne's Craft's Festival" is being sponsored by the Rotary Club of Centreville, Maryland. The main purpose of the festival is to provide a different educational experience for our residents and visitors to our county and to perpetuate the art of old hand-crafting.

The festival will begin on Saturday, May 17, 1975, at 11 a.m. and run until 6 p.m. It will also be open on Sunday, May 18, 1975, from 12 noon to 5 p.m. The festival will be held at the Queen Anne's County 4-H Park which is located about six miles south of Centreville, Md., on Maryland Route #18. Admission will be \$1 per adult and 50c for children of school age. Refreshments and meal service will be available on the park grounds during the festival hours.

More than sixty crafts-persons have agreed to be present for the festival days to demonstrate their drafts.

Below is a partial list of crafts which will be demonstrated: sand cast molding, stained glass sculpture, woodworking, candlemaking, weaving, wood carving, lapidary & scrim-

shaw, tinsmith, doll repairing, egg decorating, oyster shell jewelry making, farriery, broom making, furniture refinishing, chair caning, batik, rifle making, ceramics, decoupage, charcoal art, clocksmith, candy making, freehand drawing, steam engine demonstration, Indian artifacts, lamp shades, herbs, leatherwork, creative stitchery, pewter ware, funnel cake making, kit craft, glass blowing, chair rush weaving.

The participating crafts-persons are coming from the following states: Maryland,

Virginia, Pennsylvania, Delaware, North Carolina, and South Carolina.

Spartans Vie in Loop Track Finals

by Keith Burgess

Jim Blades' Lake Forest track Spartans continue to show improvement as the campaign wanes. Lake Forest scored in six events for a total of 13 points in the Henlopen Conference Championship meet held at Milford Friday and Saturday.

Matt Burgess' school-record throw in the discus on Friday of 134 feet, 8 1/2 inches, gave him fourth place and four points. The old mark of 132-8 was set by Mickey Chafin in 1971.

Harry Benson's sixth place in the mile saw him clock 4:42.6. Dan Parker's 4:46 time is the second-best frosh effort in 20 years of track here.

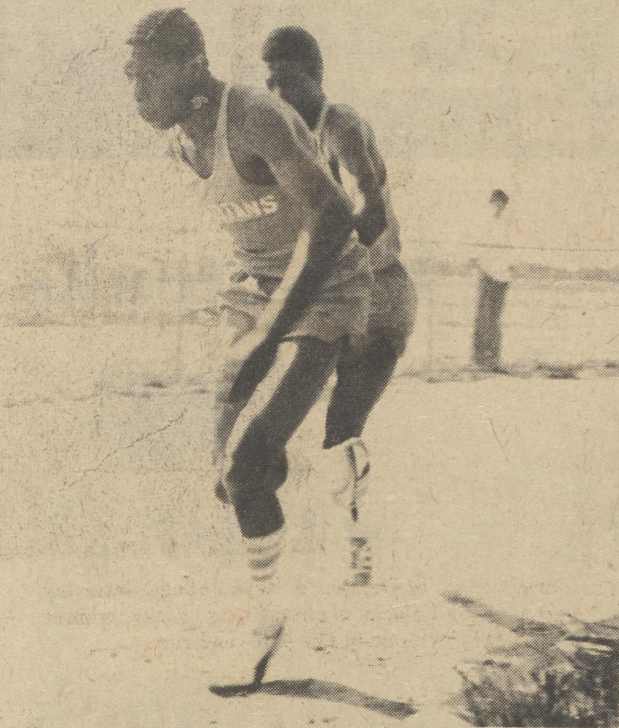

The 440 and 880 relay units achieved fifth place finishes though hampered by Greg Pritchett's sore leg. Tony

Smith, Charley Scott and John Pickett were the other members as five performances of 46 flat and 1.34.2 resulted.

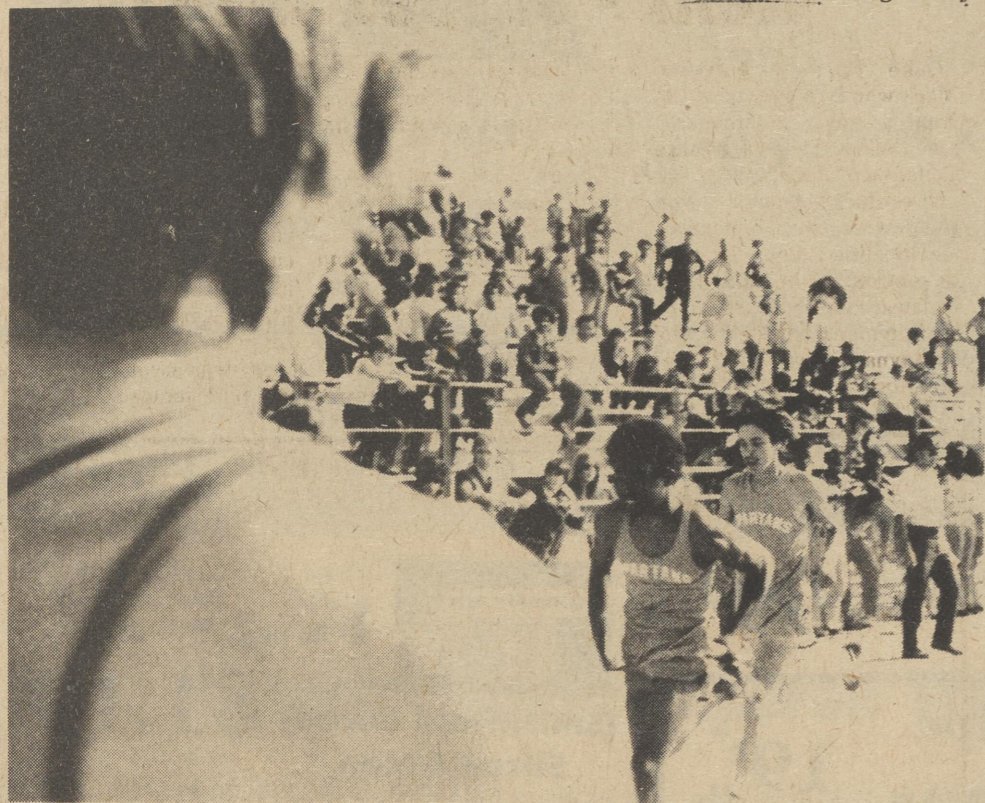

Kit Tilghman's great homestretch drive gave him a best-ever half mile of 2:06 and fifth place after an earlier placing in fourth position.

The two mile relay unit was fifth in 8:48 behind Tilghman, Benson, Parker and Craig Kashner. Kashner's 2:09.1 and Parker's 2:10.5 were top Spartan efforts here.

George Moore and Mike Benson did 19-7 1/4 and 19-5 1/2 in the long jump for their longest-ever leaps. Mike had a personal best in the triple jump, too, while Ron Dunlap's 52.5 quarter is his best ever.

Girls Set 5 School Marks

by Keith Burgess

This writer has long maintained in vain that the installation of an all-weather track would soon pay for itself indirectly by an increasing number of Spartan boys and girls who would be entering college with full or partial athletic scholarships. All-weather tracks are usually constructed from a combination of asphalt, cork and rubber. Meets are rarely rained out, practice sessions can often be continued between showers and a hard rain today will be but a memory tomorrow. We've seen dirt tracks rendered unusable for a week or two during the rainy season. A smooth, swift composition track helps every trackman improve.

James M. Bennett High School of Salisbury, Md., has two of these layouts. Lake Forest visited there last week, seeking revenge for the only loss its girls' team had suffered. The absence of key performers, Phyllis Clark, Madalin Hoff and Beverly Mack spoiled the upset hopes, but Dave Buck's girls set five Lake Forest records.

Bennett's coach stated that the two Lake Forest meets gave them their only significant competition this year. Nina Adamo had a part of two records. She scorched 100 yards in 11.8, then outclassed one of Bennett's top sprinters in the opening 220 leg of the 880 relay. Anna Jackson and Barbara Richter held off a Bennett comeback attempt, then Brenda Teat, the 220 winner, ran the anchor leg for a 1.54 time.

In a stirring, all-Spartan homestretch duel, senior Debbie Duerr, freshman Maxine Harris and sophomore Karen Singleton, kicked hard to clock 6:06.2, 6:07.2 and 6:09.8 in the mile run. The old Lake Forest standard of 6:10 had been held by Singleton who returned to action after missing a week because of illness.

Karen Harris, the 440 winner, and Patsy Watson, third in the 440, ran two legs on the school-mark setting mile relay quartet. Newcomer Karen York, running 440 yards for the first time, gamely fought off a sus-

tained drive by Bennett's third runner. Anchorperson freshman Paula Mosely held the lead to finish in 4:36.3. The final mark was set in a losing effort in the 440 relay by Anita Jo Redden and Denise Gygrnyuk, sophomores, and freshmen Karen Hall and Jody Dunlap, a pair of speedy little blondes. Cheryl Lissy was first in

the 50 yard low hurdles and third in the long jump, high jump, 110 yard hurdles. Paula Mosley, Debbie Duerr, Cindy Martin, Nita Tiddens, Karen York, all broke 3 minutes in the 880 to qualify for the Kent-Sussex meet. Joyce Ewing and Anna Jackson were third in the shot and discus, respectively.

FANCY THAT!

The finest quality silver is, surprisingly, not sterling. It's fine silver, used by silversmiths and for money reserves. It is .999 fine, that is, 999 parts of silver to one of another metal. Sterling, on the other hand, contains 92.5 percent silver; the remainder is copper.

Lake Forest High School junior and senior class members and their invited guests take part in the Grand Promenade prior to the Junior-Senior Prom which was

held at the high school last Saturday night. They are viewed by parents and friends as they proceed into the transformed gymnasium.

Lake Forest High School Choral Concert Set

The Lake Forest High School Mixed Chorus groups will be featured in its spring concert on Friday, May 23, at 8 p.m. in the gym. The two vocal units will perform a program consisting of musical works from most periods of history. Included will be selections by Bach, spirituals, folk songs, and rock music. An entire section will be devoted to works from George Frederick Handel's "Messiah". These selections will be performed by the 160 plus

members of the combined groups and will feature solos by soprano Susie Hughes and baritone Matt Burgess. The choirs are under the direction of James Perry. The accompanists are Zosimo Buendia and Elizabeth Cline. A select group of band members will accompany the combined groups during the "Hallelujah" chorus by Handel. The public is cordially invited to attend. Admission is \$1 for all ages.

The Greenwood Alumni Association held the Annual Banquet Saturday evening, May 10, in the school cafeteria. Larry Cannon, president of the Association, headed the ceremonies. Charles Parks welcomed the group and the Rev. William Fleischauer gave the invocation. Mrs. Raymond Vincent presided at the Memorial Services for the death of six members of the Association who had passed away during this last year. The Class of 1925 held a reunion with three members present; the class of 1950 held their 25th reunion with ten present; class of 1955 held their 20th reunion with nine present; 1960 had 6 present; 1965, ten present. The member traveling the longest distance was Mrs. Frances Stokes Owens, class of 1926, who came from Florida. The oldest alumnus present was Mrs. Kathryn Kubeck, class of 1908. The person wearing the oldest class pin was Mrs. Virginia Conaway, class of 1913. The classes of 1950 and 1965 received prizes for having the largest number present. Following the dinner there was a Hobby Show, headed by Miss Grace Porter. Mr. Edwin Unger, class of 1925, presented slides of Anartica. The evening ended with a dance entertained by "Brandy". Terry Blake Bowden, son of Mr. & Mrs. Burton Bowden, who now reside in Panama City, Florida, has joined the Army Air Force and will have his training in Lackland Air Force Base in Texas. He will then enter school to study for

security police. His wife is the former Sheila Gerolman, Oak Road, Seaford. She continued as Inservice Coordinator until 1970. CHEER CENTER NEWS Week May 5-9 The most exciting thing that happened at the Center this week was the trip to Florida by Mrs. Beulah Cain, our cook to visit her mother for Mother's Day. It was a surprise visit for her mother. She will be back with us on Monday. Mrs. Peggy Eastburn from the Georgetown office visited with us during the week. Our Current Events leaders were at the Center on Tuesday to conduct their session on the World's News. The Harrington Senior Center invited our Center to visit with them to play Bingo Wednesday Afternoon. It was lots of fun and Mrs. Horner won Bingo the most number of times. Remember to circle your calendar for two events coming up. The Greenwood United Methodist Church will sponsor its Annual Strawberry festival beginning at 3 p.m. on the church parking lot on May 31. And on June 7, the Greenwood Young Adult Class will hold a Yard Sale on the church parking lot. If anyone has clothing, furniture, or miscellaneous articles, they wish to donate, please contact Joan Patterson, 349-5139. Mr. & Mrs. Kenneth Muller of Mineola, New York, were guests of her parents, Mr. & Mrs. Edward Snyder, for Mother's Day. Sunday evening callers at the Jacob Hatfields and

Brownie News

Troop 684 with the help of Mrs. Appt, leader, and Mrs. Hawkins has completed many projects. From April 8th through 15th we made waste baskets out of egg cartons given to us by Miss Oda Baker. On April 22 we planted several kinds of flower seeds in small containers that later can be transplanted in the yard. Scout Beth Reed had a birthday April 24th. On Tuesday April 29th, we made hanging baskets for our Mother's Day project. On May 6th we celebrated scout April Testerman's birthday. Mrs. Testerman

furnished the refreshments for our party. On May 17th, we will travel to Lewes Beach for the day. We are practicing for our Fly-Up Ceremony with Troop 332. Junior Troop 879 will also take part. The ceremony will take place at Wheeler's Park on May 20th Tuesday afternoon from 3 to 5 p.m., weather permitting. If there is rain it will take place at Trinity Church. A picnic will follow. All Fly-Ups to be must have a green Junior hat. Parents - Please see that your scout has transportation to and from the park.
