

.....Prepare ye the way of the Lord.....

"... For unto you is born this day in the city of David a Savior which is Christ the Lord."

Greening The Church: A Beautiful Tradition

As the Christian world prepares to observe and celebrate the birth of Christ, they will carry out many special activities within their churches and homes. Locally, most churches are involved in offering special musical services during the

Christmas week. At St. Stephen's Episcopal Church in Harrington, which is planning a candle-light Christmas Eve service at 11:00 p.m., one of the traditions of the season was completed Sunday afternoon. This was the greening

of the church. Members of the congregation filled the church with symbolic evergreens and placed candles in the windows as well as in the candle holders elsewhere in the church. The evergreen is symbolic of immortality and the candles symbolize Christ, the light of the Christian world. When the greening is completed, the altar will be surrounded by greenery and poinsettias, which are placed in memory of various persons. As one enters from the back

of the church, one sees the nativity scene, the focal point of the setting. Each custom and tradition is significant. One of the most meaningful and beautiful is the greening of a church.

"I am the way, the truth and the light.."

Evergreens symbolize immortality.

Christmas Caroling: An Ancient Custom

Christmas caroling is almost as old as Christmas itself - though not in the form we know it.

An early historian wrote that in the Second Century the bishop of Rome urged his people to sing "in celebration of our Lord." Christmas hymns go back to the Fifth Century, when most of them were written in Latin.

St. Francis of Assisi is regarded as the father of caroling as we know it, according to World Book Encyclopedia. In 1223, St. Francis placed a creche (miniature Nativity scene) in a hermitage in Greccio, Italy.

After this many churches began displaying a Nativity scene at Christmas, and soon the people began acting out the Christmas story. The actors composed carols to sing with their Nativity plays and after the plays they would stroll down the street, singing. In that way, street caroling was born.

Joseph Mohr, a pastor in Oberndorf, Austria, composed "Stille Nacht," or "Silent Night," on Christmas Eve, 1818. Franz Gruber, the local schoolmaster and organist, composed the music the same day, and the hymn was sung for the first time at Midnight Mass that

night. Charles Wesley, brother of John Wesley, wrote "Hark! The Herald Angels Sing!" in 1739. Phillips Brooks a noted Boston clergyman wrote "O Little Town of Bethlehem" in 1868 after visiting Bethlehem.

Though not a carol, Handel's "Messiah" is a Christmas tradition. It first was performed in Dublin in 1742. "Joy To The World," written in the early 18th century by Isaac Watts, was set to the music of a segment of the "Messiah." "While Shepherds Watched Their Flocks By Night," written in 1703 by Nahym Tate, was set to music taken from "Siroe," an opera by Handel. No one knows who wrote "The First Noel." It first appeared in print in 1833 in a book called "Christmas Carols Ancient and Modern," and is believed to be very old.

The author of "God Rest Ye

(Continued to page 2)

Meeting Set

The annual Citizens Meeting for the City of Harrington will be held Friday, January 9, 1976 at the Harrington Fire House at 7:30 p.m.

Get Ready For Metrics

During the past few weeks the U.S. Senate and House of Representatives have both passed the Metric Bill that will make the International Metric System of Measurement the predominate system of measurement in the United States within 10 years. This is a big step in the direction of becoming international in measurement, and for all practical purposes, only awaits signature by President Ford.

This move will leave only three countries in the world on customary systems of measurement and will keep the U.S. from being excluded from foreign trade in

many industrial markets around the world.

For the past three years the offices of science and mathematics of the Delaware Department of Public Instruction have worked toward the implementation of the metric system in the schools in Delaware. The impact of the programs have been felt as students are now being introduced to metric in the elementary schools and utilized it throughout their school experience. Delaware has also been involved in a 5-State Metric Consortium to develop metric materials to make the public as well as the students aware of the implications of "going metric."

Morton Melvin Honored

"Word has been received that Morton Melvin, formerly of Harrington and well known in the Harrington-Milford area, has been selected to be published in the 1976 Bicentennial edition of Maine's Most Prominent People.

In telling Morton of this honor, the society advised, "Your success in the community has earned you the right of public recognition among your peers, the who is of who in Maine."

It will be remembered that Morton patented the Memco Incinerator sold throughout the world for pathological use, and also trade marked and produced the first snowmobiles made in New England, in addition to being President of Memco Corporation.

Morton lives with his family, Elizabeth (formerly of Milford) and their children, Susan and Kevin; Susan is a junior at the University of Maine and Kevin is a senior in High School. He plans to

enter the family corporation, which is presently studying solar heating possibilities.

They reside in Jay, Maine on Spruce Mountain Road, at Meadowbrook Ranch, where Morton and Kevin raise registered Herefords.

Trash Pick-Up

Trash will be collected in Harrington on December 29 and 30 next week. Normal collection dates will resume following the holidays.

The thermometer at the First National Bank in Harrington on Friday morning tells the story. According to Chester H. Short of the Post Office the temperature got as low as 13 degrees in the night. The drop in the temperature caused area residents to turn up the heat and wrap up.

Warm wishes to our readers and advertisers for a happy holiday season.

Elmer and Hazel Trice of Greenwood lost their home and most of their possessions Thursday night. Mr. Trice's wife is an invalid. They are both in their 70's living on social security and he also operates a tomato stand in the summer months.

The insurance company cancelled their insurance about a year ago. Rev. William Fleischauer of Greenwood has asked area churches and organizations to assist the Trices at this time of need. The Trices are currently sharing a house with another family. Fleischauer wants to raise \$3,800 so as to enable the Trices to obtain a used trailer. Most of the Trice's money goes for medication for Mrs. Trice. For

further information, call William Fleischauer at 349-4568 or contribute to the account set up for the Trices at The Greenwood Trust Company.

Authorities Attempt To Identify Victim

A statement from the Medical Examiner's Office establishes that the body found near Dewey Beach on the 11th of December was that of a black female in her 30's, 5'3" to 5'5" in height, and 120-130 lbs. Her left upper tooth was partially broken, several teeth had been filled, gold capped, and extracted, and additional dental work was needed. Found with the remains were a silver dinner or cocktail ring with one diamond, a gold "Scared Heart" relig-

ious medallion on a gold chain, and a gold ID bracelet engraved with the name "Eleanor". The death has been ruled a homicide, but the exact cause of death is pending. Delaware State Police believe the crime was not committed locally, but the body was brought there for disposal and may be from as far away as Philadelphia. Considering the degree of decomposition, it is likely that the murder was committed from six months to a year ago.

Metz Named To ASC Board

James S. Metz, of near Magnolia, a well-known Kent County farmer, was named to the County Agricultural Stabilization and Conservation (ASC) Committee by delegates to the ASC county convention held at Dover on December 9, 1975.

The delegates also elected George Wilson, Jr. of Smyrna and Homer W. Torbert of Frederica as first and second alternates to the committee. Metz was elected for a 3-year term and alternates Wilson and Torbert were elected for one year. All will take office on January 1, 1976.

In addition, Mr. Metz was elected Chairman of the Committee and Paul W. Carter of Felton was elected Vice-Chairman for 1976. J. Heyman Roosa, of Milford will serve as the regular member of the three man committee.

Mr. Metz comes to the committee with over 20 years experience in the administration of federal farm programs, having served as reporter, community committeeman and alternate to the County Committee.

He is well aware of the problems of Kent county farmers and consumers and is interested in conservation

of our natural resources while, at the same time, concerned about the production of ample food for our country and for exporting throughout the world.

E. T. Horsey, Smýrna, the 1975 vice-chairman of the county ASC committee was not eligible to be re-elected to the committee because of the 3-term limitation that a farmer may serve.

During Horsey's long service to Kent County farmers, as both a community and county committeeman, he was instrumental in the development of wildlife conservation practices which were added to the list of Soil and Water Conservation practices already in use.

The county ASC committee is responsible for local administration of government farm programs such as feed grain-wheat programs, commodity and facility loan programs, Conservation programs and others.

Live Christmas Trees Need Special Care

With the price of fresh-cut Christmas trees continuing to climb, many people are considering a longer-lasting alternative - the live Christmas tree that can be planted after the holidays and enjoyed for many years.

Success with a live Christmas tree depends on several factors, however. Dr. Charles Dunham, extension specialist in horticulture at the University of Delaware, recommends the following precautions to avoid disappointment.

First, be sure the tree was properly dug with a sufficient root ball for the size of the tree. The bigger the tree, the bigger the root ball required.

In addition, the root ball must not be allowed to dry out. Soak it thoroughly before the tree is brought inside to be decorated. Then try to keep it moist while it's in the house. Since it's difficult to keep the root ball moist enough indoors, the tree should be left in the house for as short a time as possible, then soaked again thoroughly as soon as it is taken out of doors again.

Dunham recommends planting the tree in its permanent location as soon as convenient. But if planting immediately is not possible, store it out of doors, or for a short time only in an unheated garage or porch.

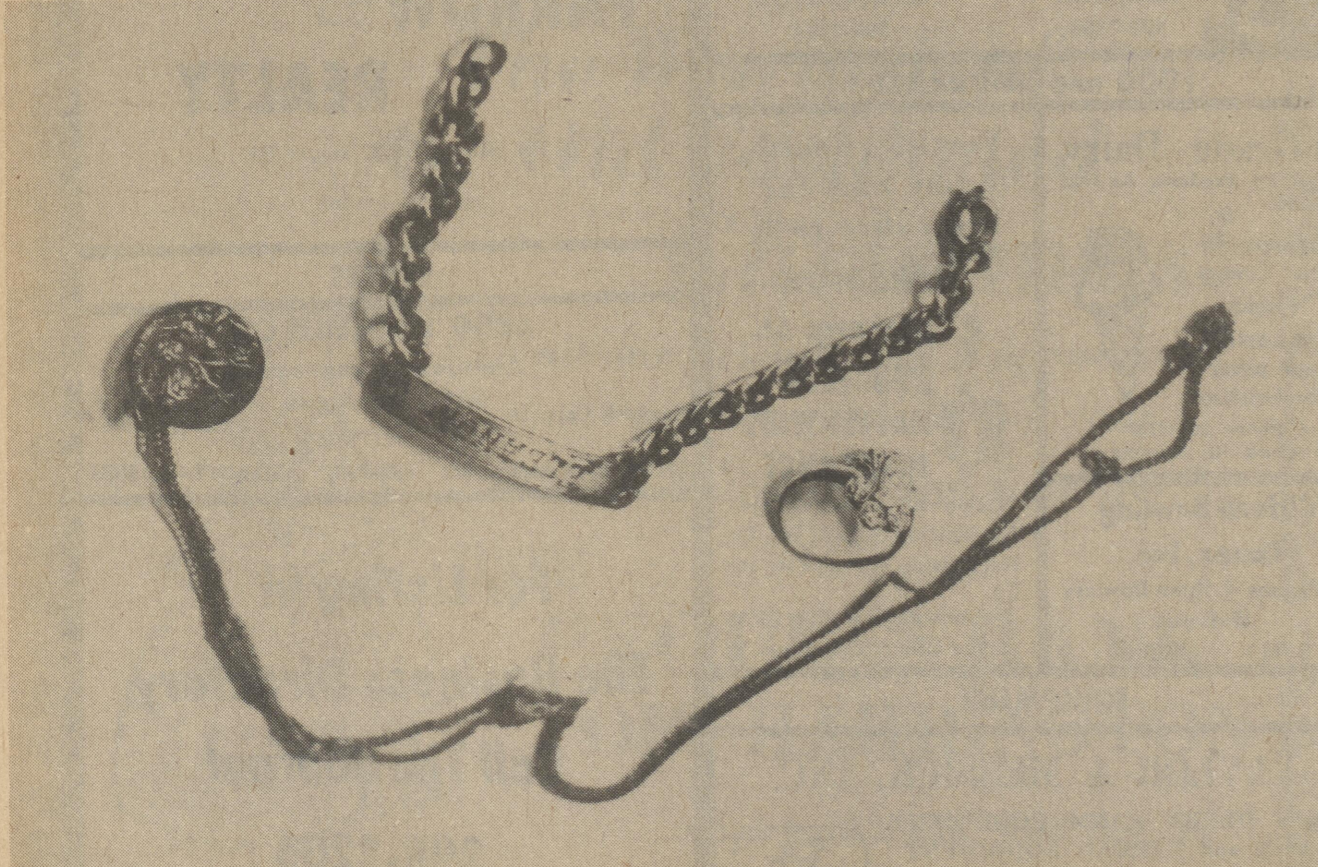

With care, trees can be

kept until spring. If you wish to postpone planting until then, several measures should be taken to avoid winter damage. Place the tree in a sheltered area out of doors. Mulch all around the root ball with peat, wood chips or sawdust so that the roots are protected from freezing, thawing and drying out. Natural rain and snow will usually keep the ball moist.

In the spring be sure the tree is planted at the same depth at which it was growing originally. Pack the soil firmly around the root ball, water thoroughly, and stake the tree.

The best way to support evergreens, according to Dunham, is with three large stakes driven into the ground at equal distances around the tree. Stakes should be 2" x 2", and about four feet long. A wire from each stake should be attached to the tree. First, however, wrap the trunk with burlap or a piece of old garden hose to keep the wire from cutting into the bark. The tree should be supported by stakes for at least a year.

Finally, help your living Christmas tree survive the following summer by making certain it receives plenty of water. Dunham advises watering weekly whenever natural rainfall is insufficient to maintain soil moisture.

These items of jewelry are a few clues the Delaware authorities are using in an attempt to identify the remains of a body found near Dewey Beach last week.

The authorities feel the deceased may have lived as far away as the Philadelphia area.

Mr. and Mrs. Jehu Camper visited the Fletcher Nursing Home in Felton Wednesday to show some of their wood-carvings to the patients.

Mr. and Mrs. David Winkler and son are now at home after recently spending several days in Florida.

Walter and David Winkler spent several days enroute

to and from Nebraska this past week. They were on a business trip.

N.Mr. and Mrs. William Hearn were Sunday evening dinner guests of Mr. and Mrs. William Etherington in Lincoln.

Mr. and Mrs. Joseph Potenzano are spending some time with Mr. and Mrs. Maurice Harrington. Mrs.

Members of the second and third grades of Lake Forest South Elementary School visited the Harrington Senior Center Thursday to carol the members. The group was led by Donald Banschbach.

'Tis The Season To Be Careful

An unsafe Christmas cannot be considered a Merry Christmas reminds Ronald Jester, extension farm safety specialist at the University of Delaware's Substation in Georgetown. Think Safety this Christmas as you decorate, entertain, travel and buy gifts, especially for children.

Adhere to fire safety rules as you light candles and decorate with electric lights. Turn off tree lights when you retire for the night.

Remember that holly berries and mistletoe contain poisons that can produce severe vomiting.

Be a responsible host and do not urge alcohol on guests who have indicated they have had enough.

Know your limit—drinking and driving is dangerous. Drive carefully and be alert for young pedestrians and cyclists.

For further information contact Ronald Jester at the University of Delaware's Substation at Georgetown or your county agent.

Senior Citizens News

By Sam A. Short

Monday, This was a busy day getting ready for the coming Christmas dinner for Wednesday trimming and decorating the dining room for the occasion.

In the morning from 10:30 to 11:30 the jolly timers practiced more Christmas songs.

Tuesday, The members that had their birthday this month celebrated and were honored with ice cream and cake by the center, and in the afternoon the 3rd, 4th and 5th grades with their director and teachers honored the center with songs and good wishes for a happy Christmas.

Wednesday, 73 members of the center attended the Christmas dinner that was catered by Mrs. J.D. Moore and the visit of old Santa Claus with a gift for every one. Everyone enjoyed the find food that was prepared by Mrs. Moore.

The blood pressure nurse visited the center and took the members pressure just before dinner was served.

Thursday, crafts and ceramics were worked on and painted this day and at noon the children of the first and second grade of Chipman elementary school visited

us and sang Christmas songs.

Friday, The Rev. Wayne Grier visited the center with a Christmas story in the morning and in the afternoon our bowlers bowled with Elbert Stevens top bowler with 291 pins. George Goodge 262, Bette Martin 229 Dan Noel 271 Andy Anderson 209 and Marian Russum 201.

We have two new members to join us last week Mr. and Mrs. Reed Hughes. Welcome to our group both of you.

The spot light this week falls on one of our longest members to be a member of the center. Ernest Gleason our book keeper and consultant on many things.

Ernest is a charter member and has been doing his work free grants this past year which should not have to be done by anyone.

He is a member of the St. Burnadetts Church in the Harrington Manor and attends regularly.

In the past years he has done many tax returns for different ones of our community. He is also a member of the American Legion and taught school at Browns

Neck when he first started teaching. Later he went to Wilmington and worked there until he retired and moved back to Harrington.

Thursday Christmas day the center will be closed all day and all day Friday, so we wish you all a Merry Christmas to one and all.

Monday band practice again and in the afternoon Poetry, Music and lots of entertainment.

Tuesday Sit-ical Fitness, Shrink Art, and shopping.

Wednesday Looking toward the New Year with Bingo in the afternoon.

Thursday News day, Happy Holiday to you all.

Monday, Dec. 22 Jolly Timers and Carol Rehearsal. Christmas Music at Country Rest Home.

Tuesday, Dec. 23 County-Wide CHRISTMAS PARTY at Dover 11 a.m - 2 p.m.

Wednesday, Dec. 24 Sit-ical Fitness Program by George Goodge and Christmas Cheers.

Thursday, Dec. 25 MERRY CHRISTMAS ALL

Greenwood

By Pat Hatfield

The Rev. Miss Eta M. Clough reports that the Christmas Program at Greenwood Wesleyan Church will be held on Sunday, Dec. 21 at 7 p.m.

The Annual Watch Night Service will be held on Wednesday, Dec. 31, Beginning at 10:30 p.m. The speaker will be Mr. Wayne Shelt, a student at Kentucky Bible Institute, Jackson, Kentucky. Other visiting singers and ministers will take part in the Watch Night Program. Everyone is welcome.

Mr. and Mrs. Gary Bolinger have been welcoming many friends at Open House for several weekends at their new shop, 313 Main Street, Bridgeville.

Cheer Center News: Week 8 - 12. The spirit of Christmas has surely entered into the hearts of our members. It is very evident in their conversations, and by the wearing of beautiful handmade corsages, and the happy smiles on their faces.

Christmas is a happy time for the old as well as the young.

On Dec. 8, the Sussex County Area Advisory Council visited our Cheer site at Greenwood and held their regular monthly meeting. We were quite pleased that they chose our Center to hold this meeting.

On Dec. 9, Mr. Goodge of Milford was our guest on Tuesday and showed films on the Virgin Islands. They were beautiful and much enjoyed by all. Also Mrs. Pierce, the Public Health nurse came to take our blood pressure. We all appreciate this service very much.

News has reached us that several of our members are hospitalized. These members are Ida Spruitt, Blanche Horner, Medford Calhoun, and George Abraham. Also we have Ida Pernell and Dora Cade sick at home. We hope all our sick friends will be back very soon as we sure miss them.

Our manager, Mrs. Doughten, has this to say about our Center...Our site has been beautifully decorated for Christmas by our members and friends. We especially thank Belle Allen, Alfred and Clem Smith, and our Craft Director, Beulah Cain for their concentrated efforts in this area. Since it is the time of the year that many of us stop for a moment to count our blessings, we would like to extend our appreciation and thanks to elema Smiht, William Horner, and William Anderson, who provide luncheon music each day at the Cheer Center for our enjoyment.

We are expecting a good attendance for our Christmas party scheduled for Dec. 23. All members who have not been in regular attendance are invited to come in and join us in this happy occasion. Please call 349-5237 as soon as possible if you plan to attend. To all of our wonderful friends and the organizations that share in this project with us we wish the most yuouus and blessed of holidays. Evelyn Doughten, Site Manager."

TAC Schedule

This is the schedule for the TAC teams for the week of 29 December 75.

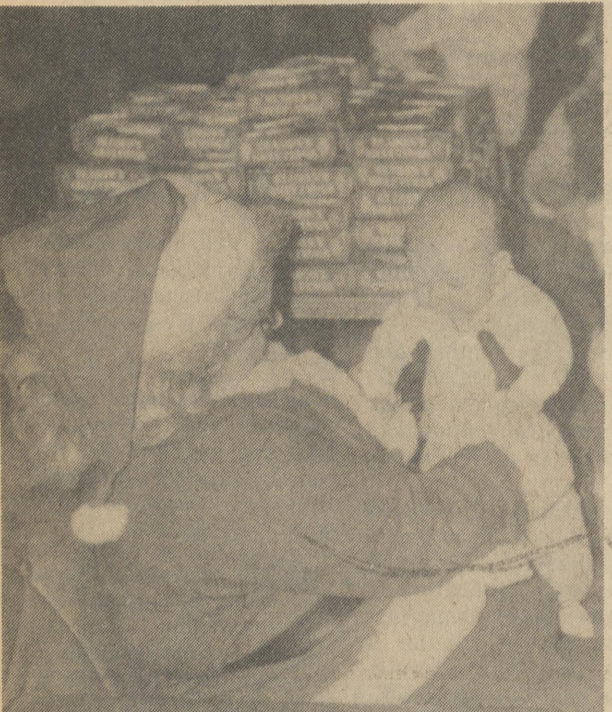

Kent and Sussex County 12-29 Del. Rt. 42 east of Kenton. Del. Rt. 9 north of Leipsic. U.S. Rt. 13 south of Smyrna.

1-1 U.S. Rt. 13 south of Harrington. Del. Rt. 16 west of Greenwood. Cty. Rt. 32 east of Scott's Corner.

1-2 U.S. Rt. 113 south of Lincoln. Del. Rt. 16 west of Ellendale. Cty. Rt. 619 west of Milford.

1-3 Cty. Rt. 19 west of Thompsonville. U.S. Rt. 113 north of Little Heaven. Cty. Rt. 35 south of Frederica.

1-4 Del. Rt. 18 west of Five Points. Del. Rt. 1 south of Argo's Corner. Del. Rt. 16 east of Milton.

Mrs. Santa Claus bounces a young lad on her lap at the annual Moose Party staged Firday night at the Moose Home in Harrington.

Moose Lodge Holds Christmas Party

The annual Christmas party at the Harrington Moore Lodge was held December 19 with 300 in attendance to participate in a covered dish dinner, followed by visits from Mr. and Mrs. Sana Claus, with entertainment by Joe Tribbitt and the Country Boys. Of the number present, 154 were children.

Helping to make the evening a success were Mrs. Samuel Lyons, who led the carol singing.

Chairwomen for the annual event were Terry Clegg, Mary Bergold and Linda Porter. Committee members included Bill and Mary Shirley and Elizabeth Emory. Also helping in the program was Mrs. Samuel Lyons who led caroling.

MAY we join those who sing out the praises of this joyful season to thank you for your continued patronage. Merry Christmas.

From The Management, Sales Staff, and Service Department at Webb's Ford, Lincoln & Mercury, Inc. "... Our Goal All Year ... No Unhappy Owners."

Our Christmas Greetings!

Wrap up the season with our good wishes for love, peace and joy

Harry G. Farrow, Jr.

"...for whom is freedom of the press invoked".

It has been stated that you never play poker with a man named Ace, or eat at a place called Momm's, and you never invest in anything that eats or needs painting.

These are all cut and dry formulas...time tested and proven. It is so easy to follow these rules, but the decisions for day to day living are far from the norm sometimes. They require more thought and deliberation. Still your decisions must come fast as though you were shooting from the hip.

As a law student at Washington & Lee University, we were taught law under the modern formula. That was the so-called case law. You learn law by studying decided cases. Certain facts always point up certain issues which render the same decisions. When you hear a set of facts, you can base your decision on decided cases. Some facts have rendered the same decisions for centuries.

As you all rightly know, we had no prior experience in the newspaper field, and therefore, our decisions were sometimes slowly made. Running a newspaper for the most part is like the law. What you are dealing with in the newspaper? What do you print? Well...you always print the truth, which is based on well researched factual information, and above all, you never editorialize in your news articles. What are the freedoms (press) under the 1st Amendment of the U.S. Constitution? Freedom of the press is not to be construed with "power of the press" or rampant and total disregard for the facts. Freedom of the press also means among other things, permitting the use of discretion by the owners of the paper in deciding news priorities.

It is this type of decision making in the newspaper business which on a day to day level is sometimes quite difficult to accomplish...or in some instances for the general public to understand or accept. In other words it could appear in the minds of some to be arbitrary. It isn't, however...and it would not be to the reader who had all the decision-making facts.

When crimes are committed in the area, these happenings are important to the reader. It would cause some to be more cautious. "A word to the wise should be sufficient", stated by a former platoon sergeant. As I view it, I don't have any right to keep news of this importance out of the paper. I always viewed freedom of the press in this context to be a privilege of the reader...the general public. The public has a right to know. Keeping it out is not aiding in the apprehension of the criminal...or for that matter writing about crime in the paper is not causing more crimes to be committed.

When the newspaper reported the City did not have 24-hour police protection, this was reporting a fact. The general public was entitled to know it. Maybe some action should have been taken on the matter then. It was also brought out at the Chamber of Commerce meeting, for the benefit of concerned merchants. This was a warning to set up protective devices "...a word to the wise should be sufficient." It wasn't a signal to the criminal world to "move in". The two burglaries which have taken place recently in the City have been at a time of the day when crimes of this nature take place...about 4 a.m.

There are those who say these things should be discussed in executive session. No...no...no!! These matters are public in nature, and the elected officials are duty bound to report these matters to the public so that they can seek ways to protect themselves.

We should be made aware of crime going on around us. Not many of us are aware of it however, and as a result, we make the same mistakes others have made. It is our duty to the readers, the general public, to report the news...and above all to report the truth. We cannot and should not keep the information from the taxpayers of the community. Before you make your decision...ask "...for whom is freedom of the press invoked".

Christmas Spirit of 1975

In city squares and parks and shopping centers throughout the U.S.A. decorated community trees will glow with the Christmas spirit between now and the Twelfth Night or Epiphany, January 6, marking the end of the Christmas Holiday Season.

Lighting tree ceremonies have begun. One of the outstanding events took place on the evening of December 18 in Washington, D.C., when President Ford pushed the button to light the living National Community Christmas Tree on the Ellipse, near the White House.

The 1975 Christmas Pageant of Peace program at the Ellipse will have a Bicentennial theme with music and pageantry depicting some of the activities of the colonies during the Revolutionary period. Christmas in 1775 bore few resemblances to Christmas as it will be celebrated 200 years later, points out John W. Dixon, Texas industrialist and President of the Christmas Pageant of Peace Committee.

Christmas was controversial in that year of mounting tensions. The City of Boston was under British seige. Colonial Christmas celebrations were outlawed for a time in Massachusetts. Ordinances urged that Christmas be kept with "more solemn humility" and the rugged climate and hardships sapped much time and energy of those early settlers. In Virginia, communities were few and scattered, and the threat of Indian attack made holiday travel hazardous or impossible.

The second and third grade students of Mrs. Torbert's and Mrs. Tingle's classes at Bridgeville Elementary School sing that English Folk Carol "We Wish You A Merry Christmas" at the Bridgeville Elementary on Friday at the Bridgeville School. The various grades performed many familiar songs concluding with the Mexican "The Pineta".

All of these factors kept Christmas a much simpler celebration than its counterpart in 1975. Yet, Christmas then appealed to all the senses just as it will this December - 200 years later. Although some may embellish the quiet colonial history of the celebration, isn't it timely to ask ourselves: Is the Christmas spirit alive and well at the deeper level of caring and sharing among neighbors?

Our troubled world is in dire need of more men and women of goodwill. As night follows day, there will be an outpouring of sentiment and concern for the needy, the lonely, the sick and despondent. And, as recently editorialized by the PHILADELPHIA EVENING BULLETIN, "Lest it fade into forgetfulness, this heightened awareness of people - young and old - needs to be reinforced and sustained throughout 1976, the Nation's Bicentennial year." This is the time to move the Christmas spirit into a spirit of mutual cooperation by national leaders, politicians, business, labor, community and religious leaders. Gifts of time and involvement on behalf of people who are in need is really what the season is all about.

What better way to express the spirit of the season than by giving gifts in much larger packages than could ever be tied with ribbons and bows? (Prepared by the Christmas Pageant of Peace, Inc.)

FROM THE FRYING PAN...

The Frying Pan hasn't seen a great deal of activity in 1975, but the Bicentennial year should provide ample fuel to draw it out occasionally. Enough time for that in the coming year.

This is the time to reflect upon a commodity that has withstood the ravages of inflation through the centuries...the milk of human kindness. It is not a product that spoils if left out in the sun, nor does it freeze in cold weather. It may be found at any time and often in unexpected places. It may involve sharing an art collection, a beautiful voice, or a crust of bread to someone (or something) down on luck. It never seems to disappear from the market entirely, although it is more apt to be witnessed around Christmas. It cannot be bought or sold, for that matter. Whatever its components, we would be in a sorry state without it.

When taking inventory during the holiday season, remember, someone is always in need of that kindness. Whatever is needed in the human diet to see it flourish, let us say a prayer that it is never removed.

A joyous holiday season to all our readers and advertisers.

Margo Farrow

Men In Service

Airman Donald L. Pommell Jr., son of retired USAF Technical Sergeant and Mrs. Donald L. Pommell Sr. of R.D. 1, Felton, has graduated at Sheppard AFB, Tex., from the U.S. Air Force aircraft mechanic course conducted by the Air Training Command.

The airman, who learned to maintain and service multi-engine jet aircraft, is being assigned to Dover AFB, for duty with a unit of the Military Airlift Command. Airman Pommell is a 1973

graduate of the Lake Forest High School and attended Delaware State College.

Days of Our Years

Ten Years Ago

Fri., Dec. 24, 1965

A/1C Gary K. Smith and Mrs. Smith are the parents of a boy, born Dec. 12, on Okinawa. Mrs. Smith is the daughter of Mr. and Mrs. Jack Pitlick.

Capt. and Mrs. William Wix and family arrived Sunday from Ft. Leavenworth, Kan., to spend the holidays with their parents, Mr. and Mrs. Robert Wix and Mrs. Earl Thomas. Miss Jeanne Thomas of the University of Delaware is also spending the holidays with her mother.

Terri Kohel will enter Milford Memorial Hospital on Monday and will undergo a tonsillectomy.

Daniel Voss, son of Mr. and Mrs. Ernest Voss, of Harrington, was admitted to Delaware Hospital last Thursday for an ear operation.

Mr. and Mrs. Jack Dill spend last weekend in Richmond, Va.

Sunday, Dec. 26, will mark the opening of the new educational unit at the Pilgrim Holiness Church located on Delaware Avenue, according to an announcement made this week by the pastor, the Rev. William H. Miller.

Mr. and Mrs. Lewis Wroten are the parents of a boy born Tuesday night in Milford Memorial Hospital. Mrs. Wroten is the former Patricia Bonniwell, daughter of Mr. and Mrs. William Bonniwell.

Fry's Service Station was broken into during the weekend. Cigarettes and cigars worth \$24 were reported taken.

Andrewville: Mr. and Mrs. Kenneth Prettyman and family visited their parents, Mr. and Mrs. Walter Paskey.

The Felton Council Monday night appointed Elijah S. Harrington to serve in the place of deceased councilman Harold Palmer until the next city election.

Hobbs: Elmer Butler, supt. of our Sunday School for the past several years, cleaned the grass and weeds off our church yard last week.

Lion harriers won the Henlopen Conference title for a perfect record in loop title meets, with individual winner in Gerry Garey. He, Nick Morris, and Bob Matthews were placed on the first All-Henlopen team in history.

Mr. and Mrs. Leslie Wix and family moved into their new home on the Farmington road last weekend.

Twenty Years Ago

Fri., Dec. 23, 1955
Louis Carl Zych, 32, of Greenwood, was killed instantly Thursday, Dec. 15

when his car was struck by a Pennsylvania Railroad passenger train at Barwick's Crossing, one mile north of Greenwood. The victim was thrown from the car and was pronounced dead at the scene by Dr. C. Greylock Noble of Greenwood.

The residence of Mildred Rust, of Farmington, was damaged by fire Tuesday morning. Farmington Fire Company, assisted by the fire companies of Harrington and Greenwood extinguished the blaze. Loss to the house and contents was estimated at \$1500.

Houston: Miss Nancy Thistlewood has been quite ill with a severe case of tonsillitis since Sunday, and has been unable to attend school for two days.

Acme prices: turkey, 17 to 22 lbs., 47 cents per lb.; freshly ground beef, 3 lbs. 95 cents.

Grover Brown, a senior at a college in North Carolina, is spending the holidays with his brother and family, Mr. and Mrs. Cabbage Brown.

Ann Howard and Robert Scotten, freshmen at the State College in Salisbury, Md., are home for the Christmas holidays.

Andrewville: Mrs. Harold Bradley and children left Dec. 10th to join her husband, Harold, who is stationed in Germany while serving in the Army.

Felton: Mr. and Mrs. Lee Harrington have returned from a visit with their son and family, Mr. and Mrs. Jay Harrington and sons, Michael and Jackie in Trenton, N.J.

The new daughter of Sgt. and Mrs. Joe Melvin, of Omaha, Neb., has been named Sandra Ellen. The new baby is the granddaughter of Mr. and Mrs. Ingwald Saboe.

Mrs. H. Clyde Miller is spending the Christmas holidays with relatives in Norfolk and Richmond, Va.

For the weekend at Reese Theatre: "The Beast With 1000 Eyes" and "King Dinosaur", mightiest monster of them all.

Counselor's Corner

By Dan Newman

Question: Where is the Money?

1. Basic Education Opportunity Grants: This is a grant program federally funded and available to eligible students at approved institutions, such as two and four year colleges, proprietary schools and schools of nursing.

2. Supplemental Educational Opportunity Grants: These are federally funded grants for students with exceptional need. They range from \$200 to \$1,500 a year. Students apply through the college's financial aid office.

3. College Work-Study Program: Provides federal funds for jobs for eligible students generally at the minimum wage. Students apply through the college's financial aid office.

4. National Direct Student Loans: Can total \$2,500 or \$5,000, depending on the type of school and years of study completed, or 10,000 if you go on to graduate school. Loans are at three percent interest with ten

years to repay. Apply through the college financial aid office.

5. Guaranteed Student Loans: Loans that are available up to \$2,500 a year at seven percent interest, with up to ten years to repay. Depending on income and the recommendation of the college's financial aid office, you may qualify for federal payment of interest while attending school. Apply through the financial aid office, and local financial institutions starting at those with which you have an established relationship.

6. State Grants and Loans: Aid that is available in a variety of forms in most states. Contact your high school guidance office or write: The Department of Education, Dover.

7. Other Programs: These include aid from colleges themselves, foundations, corporations, community and specialized organizations. Check with your college financial aid officers, high school counselors, and the library for references to these sources.

Quit Smoking Clinic Offered

Have you quit smoking? Would you like to help someone else "kick the habit"? The Kent County Unit of the American Cancer Society is sponsoring another Smoking Withdrawal Clinic at Del-Tech, Kent Campus and needs individuals to serve as group leaders. Complete training and assistance will be provided. Interested? Call the local ACS office at 734-7431 between 9 a.m. and 1 p.m. for

complete details. The stop smoking program will begin January 29, 1976 and conclude on February 24, 1976. Sessions will be held from 7-9 p.m. on Tuesdays and

Thursdays. There is a \$5 registration fee, which is refundable. If you want to serve as a group leader or want to stop smoking, contact the Dover office of the American Cancer Society at 734-7431.

Have a merry season full of love. Serving you is a joy for us!

Woodbridge Annual FFA Banquet Held

At the annual FFA banquet held this year at Smyrna, the Woodbridge High School Chapter headed by Department Faculty head Noah Cain and his assistant Dennis Harcum won several awards.

Agribusiness: 2nd place team: Individual Records: Carla Vanderwende (3rd), Jim Emblotin, (6th), and Ronnie Cain (9th); Agrinetic Crop Service: 3rd Place Team, Individual Records Jeff Wheatley (3rd), Doug Corey (4th); Chapter Pro-

cedure: 1st Place Team: State award plaque (\$100) Jeff Tennesfoss, Ronnie Cain, Pam Correll, Carla Vanderwende, John Wilkerson, Ricky Welch, Paul Cahall, Randy Willey; Dairy Cattle Judging: 1st place team: Individual awards, Jim Vanderwende (1st), Ronnie Cain (2nd), Carla Vanderwende (3rd); Horse Judging 2nd place team: Individual Records: Mike Morgan (2nd), Lewis Slater (4th) Livestock Judging - 4th place team, Individual records - Chris Slabaugh (5th); Dairy Products 4th place team. Individual records: Jeff Wheatley (7th), Doug Griffin (9th), senior public speaking Terry Rider (4th) (\$28); Tractor Trouble Shooting 6th place team: Ed Kielbasa, Keith Elliot; Vegetable Culture: 4th place team: individual awards: Pam Correll (5th), Randy Willey (10th).

The projects conducted recently within the chapter were: Citrus Fruit Selling Program won by Mike Richards (40 cases) second: Lottie Adams, and Pointsetta Sales Program won by Pam Correll, second Bill Rust.

These three girls from Woodbridge High School recently returned from a 4-H Convention in Chicago. They are (L to R) Carol Lockerman, Yolanda Blackwell and Cindy Moore.

PTA Honored

The elementary school teachers at Bridgeville and North Bridgeville Schools on Thursday and Friday were honored by the mothers and members of the Bridgeville PTA with a Christmas social-tea at the respective school.

Barbara Slacum, President of the Bridgeville PTA, reported approximately 18 teachers were received at

Bridgeville Elementary and an equal number at North Bridgeville. The teachers were also given a present which was tied on the branches of the Christmas tree gotten especially for the purpose. Dr. (and Mrs.) Beckett, President of the Woodbridge School Board, and David Winski, Principal of the Elementary schools were also on hand.

The Bridgeville PTA through the efforts of Mrs. Slacum and others is a very active group.

Rotary Tours

The Harrington Rotary Club traveled to St. Michaels Saturday, December 13 for a tour of the Maritime Museum there. After the tour of the museum the members and their guests dined at the Quarter Deck.

Those in attendance were Mr. and Mrs. Leon Donovan Sr., Mr. and Mrs. Leon Donovan Jr., Mr. and Mrs. Howard Wagner, Mr. and Mrs. Melvin Wyatt, Mr. and Mrs. Leon Porter, their son and daughter-in-law, Mr. and Mrs. Richard Johnson, Mr. and Mrs. Mark Willey, Cliff Miller and daughter Betty Clark.

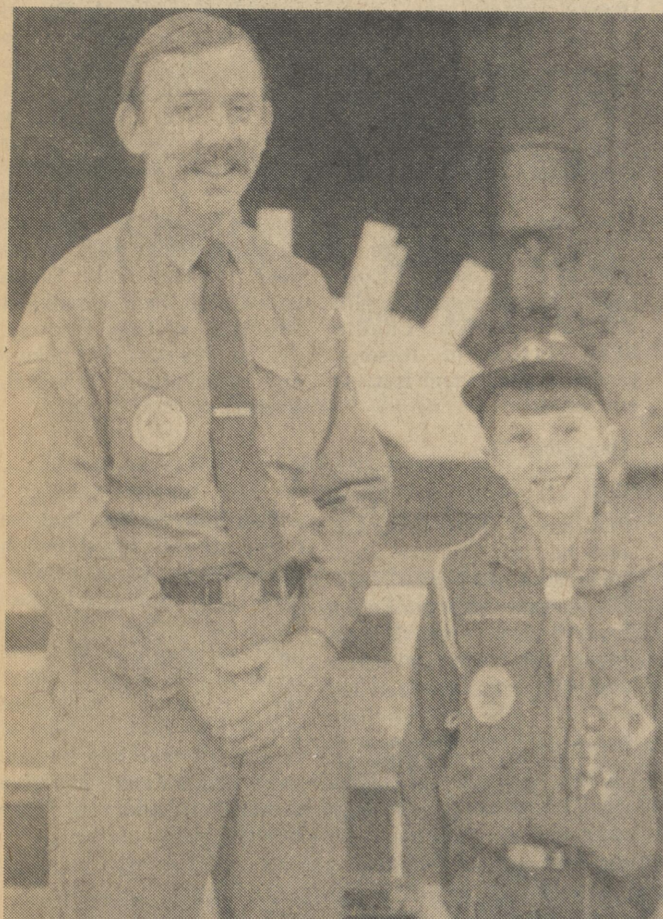

National Contest Winners

The state winners in the national "Make It With Wool" contest have been announced by Janet Reed, state Cooperative Extension Leader in Home Economics. The Delaware contest winners in each category and age group include: Pre-teen skirt, Beth Heller, Wilmington; pants, Debbi Ellis, Wilmington; and jumper, Wanda Woods, New Castle.

ca Davis, Wilmington; and coat, Jocelyn LeComte, Wilmington.

The Junior Winner in the contest, judged best for accessorizing and fit, as well as sewing ability, was Ann Griesinger. She entered a camel-color wrap coat, belted at the waist. The Senior Winner, based on the same requirements for her rust-

colored, single-breasted coat, was Jocelyn LeComet. These two over-all winners will travel to West Virginia for the regional "Make It With Wool" contest, which precedes the national event.

Receiving a Citizens Award, a highly coveted cub scout award, is Jeff Gustafson, right, from Weblos Leader Warren Bader at the Pack 76 award ceremonies at St. Bernadette's Church Thursday evening.

In a ceremony, marking the graduation from Cub Scout to Boy Scout is Joey Wyatt, left center, who is being received by Boy Scout Dean Chief Sam Lamphier, right center. Others in the picture are Mrs. Wyatt left rear and Jim Goldsmith, right, area coordinators. The ceremony took place at the Cub Scout awards ceremonies on Thursday evening.

Some members of Cub Scout Pack 76 Harrington are pictured at the annual Christmas Party and awards ceremonies Thursday night at St. Bernadettes Church Harrington. These in the picture are back row L to R Ray Blanchette, Bill Bader, Richie Sapp, Jim Goldsmith, Scott Holland, Joey Watkinson, Jeff Mulheisen, Warren Bader; center row Richard Siki, Joey Wyatt, Scott Bader, Stacey Rothermel, Michale Cole, Jeff Minson, J. Stafford; front row Dennis Dean, John Donato, Scott Dill, Jerry Wyatt, Jeff Gustafson; Kevin Willink, Tommy Lord.

There are many youth from 8 - 19 in our country who would like to be 4-H'ers. Our only limiting factor in providing this program is finding adult leaders!

Karen J. Jerread, of rural Harrington, was awarded a certificate and a trip to Chicago recently because of her accomplishments in the National 4-H Veterinary Science Program...

Town and Country

The poinsettia is a very interesting and cherished emblem of the Christmas holiday period. It is truly American tradition because this tropical plant is native to Mexico.

In terms of its modern use, the plant was discovered by Dr. Joel Poinsett of Charleston, S. C., in 1828. He was serving as our first minister to Mexico...

The best location for your poinsettia is in a sunny window, but the leaves should not be allowed to touch the cold window pane. The plant grows best at temperatures between 70 and 75 degrees during the day...

Paul Ecke has carried on the work of his father and further improved this unique flower. He has developed new varieties which hold their foliage longer, and may be grown at lower temperatures than their tropical ancestors.

Poinsettias are now available in red, pink, or white. With proper care in the home, the blooms will remain attractive for about a month.

Your poinsettia plant must receive adequate, but not excess water. Apply water when the soil feels dry. Soak the soil completely to the bottom of the pot.

setias may become yellow and drop prematurely if the plant receives insufficient light, excess water, is exposed to drafts, or receives insufficient nitrogen fertilizer.

You may save your plant for growth another year by allowing the soil to dry out when half of the leaves have fallen. Store the plant and pot at a cool temperature as near 50 degrees as possible...

For more specific information on saving your poinsettia, write or call the Kent County Extension Office, P.O. Box 340, Dover, Delaware 19901 or call 736-1448.

St. Stephen's Episcopal Church, Raughley Hill Road, will hold Christmas Eve Service to start at 11 p.m. There will be two anthems, carols, and a lesson. Everyone Welcome. The Rev. Bruce Shortell

Lake Forest's Rick Mertz [right] finished third in the 112 pound class.

Woodbridge star wrestler Alonzo Frisby [left] stands in the second place spot in the 105 pound weight class.

Spartan John Moffett [top] rides his opponent from Dover Air in route to his quarter final victory. Referee is Harry Rigby.

Dover Downs

Announces Schedule

Track officials at Dover Downs announced the harness racing schedule for the week of Christmas.

Saturday night, December 20th will be the last night of racing before the mandatory Christmas break which will extend through Friday night, December 26th.

Dover Downs will resume harness racing on Saturday, December 27th and will then run continuously through Monday, January 5th.

Tuesday, January 6th will mark the first dark Tuesday in the revised Dover Downs schedule for 1976, and each Tuesday will be dark for the remainder of the meeting which will conclude on March 27, 1976.

Raiders Squeak By

"We were longer winning last year," said a jubilant Woodbridge Coach, Jim VanSeiver after Friday night's victory over a fumbling Dover Air team. Dover Air continued to give the ball over in turn overs to Woodbridge. In the final quarter, Woodbridge put on half court press causing Dover Air to turn over more. Woodbridge however continued to make mistakes through out the game, but managed to come out the winner. We had a poor shooting average from the line (4 for 14) and we must have been...like point 0 five from the floor. It was terrible...yet we won. I don't understand it."

The understanding came like a miracle. With a half court press on, Dover Air became confused bringing the ball up the court. With less than a minute to go,

Louis Dexter drove to the top of the key once and pumped one up which rimmed the basket out to the right. Dover Air cleared the boards and drove down court, and missed their shot. Dexter again got the ball and drove in from the right

man in the corner who immediately passed back. The problem was that he telegraphed the play. Miracle worker Nelson Burbage intercepted the pass. Buttoned hooked around the Dover Air Falcon's guard and raced for the basket

score. He belly-flopped onto the court very hard. He laid there for quite awhile after the final whistle as Woodbridge cheerleaders and fans stormed onto the court. It was not official at this time, for the Dover Air Coaches and players mobbed the scorer's table. They

were protesting the game was over Burbage scored. It did not stick however. The next games are Alumni on the 22nd and Seaford Tournament on 29th and 30th and regularly scheduled game on Jan. 2 at Smyrna.

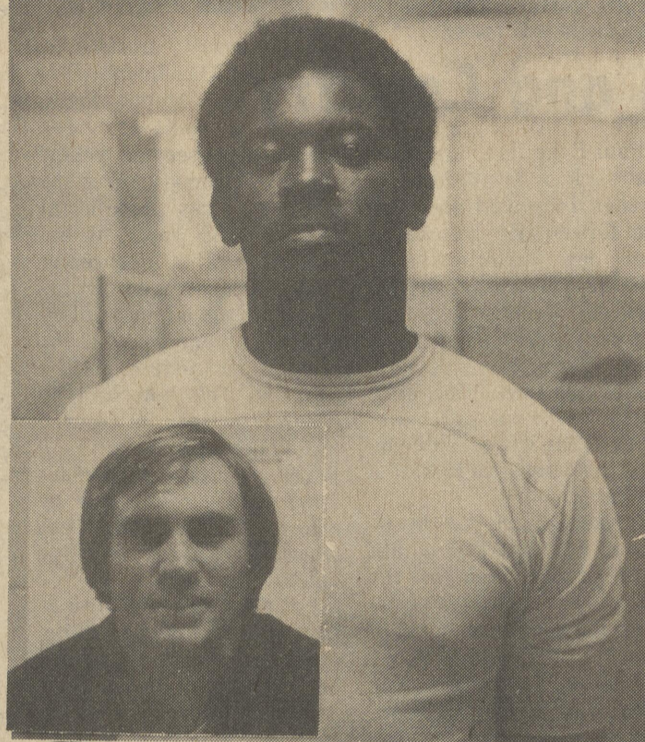

Woodbridge Wrestling

Coach Gary Bottiger of Woodbridge is preparing his team for the 1975-76 season. The first real test will come this weekend at the Invitational Tournament at Milford. The program started in 1969 at Woodbridge and has grown since. There are 28 out for the wrestling team this year. The first dual meet is with Seaford on January 7.

Bottiger said that he was looking forward to the Milford Tournament for last year Woodbridge had two first place winners. This year's captain is Mike Richards. He won last year at Milford beating Ware of Lake Forest who later went on to State Tournament. A rib injury after the Milford Tournament knocked him out of competition.

Others on the team this year are: Alonzo Frisby, Jr., Kevin Baker, Jim Johnson, Rocky Flem, Mike Fields, Trevor Willey, Mike Rust, and Paul Cahall.

Bottiger attended a wrestling clinic at Cherry Hill, N.J. this past October. The clinic was held by the olympic champion Dan Gable.

Nathaniel [Spank] Neal, a junior at Woodbridge H.S. was selected to the Bulletin first team [offense] on the Delaware All Scholastic team this weekend. Neal lead the Henlopen Conference with the most TD's, and also played defensive end as well. Coach Jim Foster of Woodbridge praised his pupil by saying that "...Spank is a dedicated ball player. He is a very easy boy to coach, and he gives you a 100 percent each game. He is also very well liked by his fellow players. I know Spank will come out next fall determined to do just as good of a job as he did for us this year".

SPORTS

KEITH S. BURGESS, Sports Editor

Keith Burgess Named Coach of the Year

Keith S. Burgess, sports editor of THE HARRINGTON JOURNAL was a surprise choice as Track and Field Coach of the Year at Wednesday night's Delaware Sports Club awards banquet at the University Whist Club, Wilmington.

This award is usually given to a professional coach. Al Chirnside, a track club official, stated that Burgess helps recruit, transport, encourage and publicize young athletes in the sports of track and cross-country.

The club stated that the enthusiastic amateur works with youth during the off-season and turns them over to the professional coaches, who take them on to greater

heights in the spring and fall.

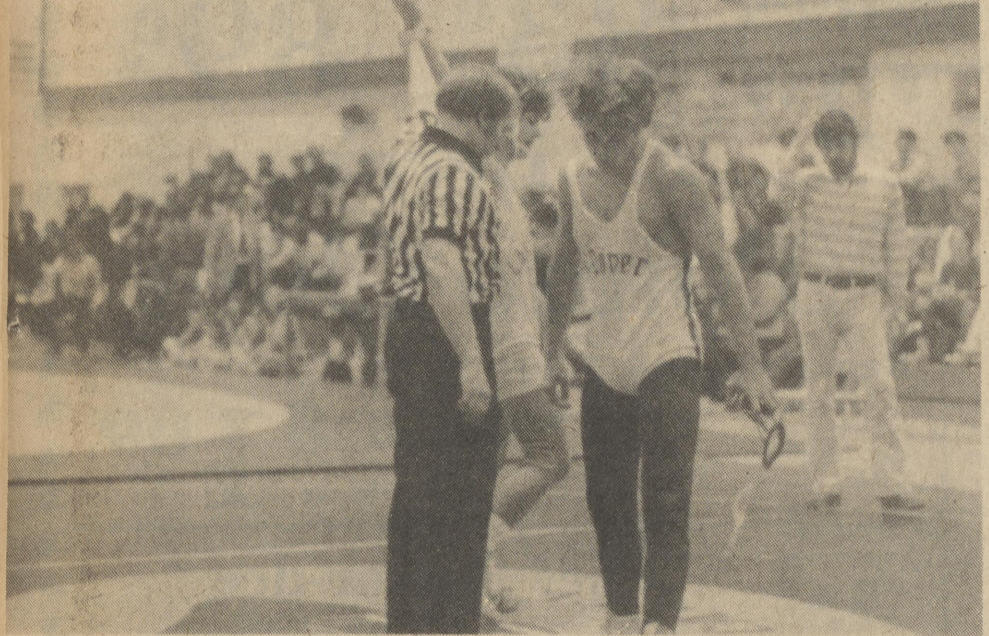

Burgess was lauded for two decades of track work with state youth and was credited with helping to introduce cross-country as a high school sport in lower Delaware.

Dan Rincon of Rodney Village, Dover, was named sports club long-distance

Baltimore Marathon. Rincon was fourth of some 400 runners. World record holder, Ron Hill of England, was second.

Indian River's Brad Morris, a graduate of Delaware State College, was named Track Athlete of the year. He holds the state-resident 440 mark of 46.7, anchored the Hornet's mile relay team and was a finalist in the NCAA indoor championships.

Harold McDonald, lower Delaware's first scholastic cross-country coach, was a former winner of the "coach of the year" award. McDonald's teams won cross-country state titles at Harrington High in 1963 and 1966 and at Lake Forest in 1969.

Lake Forest's William Jackson gets his arm raised by the referee which signifies victory in his quarter final match. Jackson finished third at 138 pounds. Spartan coach Tom Muelheisen stands in the background.

Three Finish In Top Three

On Saturday night three area wrestlers, two from Lake Forest and one from Woodbridge, finished in the top three of their respective weight classes at the second annual Milford Invitational Wrestling Tournament.

The first grappler to gain a spot in the top three was also the highest finisher of the three in Woodbridge's Alonzo Frisby. Frisby placed second in the 16 team invitational by winning his opening three matches before losing in the final. In the first match he pinned his Dover Air opponent, Abel Hampton, late in the second period. He then followed this victory with a 9-2 decision win and an 8-1 decision win, putting him in the finals against Ed Bailey of J.M. Bennett.

Bailey wasted no time in jumping in front of Frisby and finished him off midway through the second period by pinning him. A couple of seasons ago Lake Forest's John Moffett defeated Bailey for the J.M. Bennett Invitational Championship and when this happened Bailey told his coach he would never lose again. Since that time Bailey has yet to lose in a dual match.

For a wrestler who wasn't even going to be in the tournament until a couple of days before, Rick Mertz came through like he had been wrestling 114 for a long time. Mertz, a sophomore at Lake Forest, was listed behind James Simpson but Simpson contracted poison ivy and Mertz capably stepped in. He won his opening two matches by decision with scores of 12-6 and 7-1. However, in the semi-finals he was pinned by the eventual second place finisher Dave Dulin of Smyrna.

Although this meant he couldn't finish first, Mertz still had a chance to finish in the coveted top three and he did just that by holding on to a 4-3 lead against a J.M. Bennett wrestler. Before the regular season starts Simpson will probably move down to the 105 pound weight class and Mertz will handle the varsity chores at 112 pounds. Last season Mertz starred for the Spars

Three Area Wrestler Place in Top Three

ans in the 98 pound weight class.

The third area wrestler to finish in the top three was William Jackson, who like Mertz finished third. Jackson gained the consolation by winning his first match in the 138 pound class over Drew Hunsinger of Milford 3-2. Last season Hunsinger defeated Jackson in a dual meet when they both were wrestling at 145. In his second match Jackson won easily by a 10-2 decision.

Then in the semi-finals he was defeated by the eventual second place finisher Mike Brittingham of Cape Henlopen by a 6-4 score.

In the consolation round Jackson won a hard fought 1-0 scoring the only point on a well-manuevered escape. Jackson dedicated himself to wrestling all summer and was also a star in soccer. He on the same pace that eventual conference champion last season Alan Welch when he

finished third in last season's Milford Invitational.

Another Spartan who did well was junior John Moffett who finished fourth in the 132 pound weight class. He missed finishing third when he was defeated by a much more experienced wrestler Chris Rincon of Caesar Rodney.

Other champions in the tournament included Joe Booth and Steve Bastianelli of Sussex Central, Marty Dixon and Bob Watson of Smyrna, Ed Bailey and Tony

Banks of J.M. Bennett, Tyrone Gibbs, Joe Doney, and Randy Johnson of Cape Henlopen, Ralph Maniscal, and Tom Murphy of William

Penn, and Mark Neilson of Seaford. Bastianelli recorded all four of his victories on pins and has yet to be defeated in Delaware.

Next week the Spartans will participate in the J.M. Bennett Invitational in Salisbury, Md.

Spartans Upset By Laurel

Lake Forest boys varsity basketball team was handed its first loss of the season by Laurel last Friday, Dec. 19. Prior to the meeting, both teams were undefeated this season. Each had a record of 3-0. Laurel emerged as the victor of this battle of the unbeaten by a score of 53-51.

Starting for Lake Forest were Juniors Sam Carey, Bill Moore, Bill Johnson, Ron Shockley, and Frank Cassey. Herbie Jarrell substituted for Bill Moore early in the first quarter when Moore left with a pulled ligament. Moore returned later in the game and along with Neal Smith substituted frequently in the second half.

During the first quarter Laurel was able to use their fast break very effectively. However, by the end of the first half Lake Forest had a slight edge, 29-26. At the end of the third quarter,

Lake Forest had increased its lead to 42-32. In the fourth quarter, Laurel got back in the ball game. The lead changed hands several times during the final minutes of the game, with the advantage being one or two points for either team. Lake Forest was plagued by many costly turnovers and they missed several crucial foul shots late in the game which crushed their chance for a win.

After his team's first loss, Coach Starkey was very disappointed. Starkey felt that his players just didn't execute their plays properly and that they failed to respond to Laurel's comeback in the fourth quarter.

Starkey is still hopeful for the season ahead and thinks his team will go far. Buck said, "We didn't win three ball games by being a bad team."

High scorer for Lake Forest was Sam Carey with 14 points. Frank Corsey and Bill Johnson made double figures with 10 and 12 points respectively. Ron Shockley scored 7, Herbie Jarrell scored 6, and Bill Moore made 2.

This year's Varsity Basketball Cheerleaders are Gail Coston, Sherry Morris, Sheri Swain, Vanessa Quail, Cindy Loper, Karen Gyrynuk, Kathy Fournier, and Cheryl Gutes.

J.V. Boys Victorious

Lake Forest's J.V. Boys Basketball Team defeated Laurel's J.V. last Friday by a score of 55-48.

At the end of the first half, the score was tied at 16 all. Lake Forest's determination enabled them to pull the game out of the fire in the fourth quarter. A great deal of the credit for the win should go to Lauren Burriss, Jerry Custis, and Phillip Bowers for their outstanding play late in the game.

Phillip Bowers was leading scorer for Lake Forest with 17 points. Lauren Burriss and Jerry Custis also hit double figures with 16 points and 14 points, respectively. Rounding out the scoring for Lake Forest were Edward Scott, 4 points, Edward Spruance 2 points, and Jerry Mack 2 points.

Girls Lose First

The Lake Forest girls basketball team played host to Woodbridge last Tuesday, December 16. The Woodbridge girls proved to be very inhospitable guests as they defeated Lake Forest by a score of 45-39.

Woodbridge was able to dominate the entire first half of the game with a combination of their fantastic shooting from the field and their defense's ability to hold Lake Forest's high scoring Cheryl Lissy to 2 points for the entire first half. The second half proved to be a different story as Lissy came roaring back to score 22 points, and the entire team began playing the type of game they are capable of. However, Lake Forest was unable to pull off the upset as time ran out with Woodbridge emerging as the victor.

Scoring for Lake Forest was as follows: Cheryl Lissy, 24 points; Laura Newnom, 7 points; Sandy Carey, 4 points; Cheryl Short, 2 points, and Debbie Crouse, 2 points.
