NO. 31

## Two Elected Here; Nine Votes Cast

In a no contest election here Tuesday, nine people voted to return councilman William Shaw from the fourth ward and newcomer Gary Homewood to represent the second ward, formerly held by William Griffin. Three votes were cast for Shaw and six for Homewood.

Councilman Shaw, who is chairman of the Bicentennial Committee which holds its first meeting tonight at 7 p.m. at City Hall, states he would like to see some

changes made during the coming years. He remarked he "would like to devote the Council's energy to rewriting the Charter."

Newly elected councilman Homewood is chairman of the City's Planning and Zoning Commission. He was not at home when the **Journal** learned of his victory.

There were no write-in votes cast.

The councilmen will be sworn in to office at the February council meeting.

## Citizens Flock To Frederica Council

by Linda J. Biles

On Monday, January 12, the Frederica town council met with the people of Frederica to discuss the problems of the sewer construction.

The main complaints ranged from ruts in the driveway from the heavy machinery turning around, mud and pipes to the doorsteps of the Jackson Street residents, leakage of water from the water main lines, roads being left so they were

unusable, compaction tests not being made, to ruts, stones, and tree stumps left in the Church yard at the A.M.E. Church on Jackson and St. Agnes Street.

Citizens were concerned that the specifications weren't being met, in particular that of the compaction test.

According to the highway department, there is a specification that all compaction tests must be 8 inch lifts or 95 percent. The contractor's, Central Construction, specification, according to the contract, is 90 percent compaction. The compaction test are analyses by Ambrick Testing Laboratories for the Kent County Inspection Team, Justin and Courtney Engineering. The inspection team has agreed to another inspection of the parts of the town already finished accompanied by two of the town council members.

A potentially serious problem was brought to the attention of the town by the fire chief, Willard Betts. He doesn't think the streets are safe enough to take the

[Continued to page 4]

Ira "Jim" Woodland, new Frederica councilman.

Council and guests listen, respond.

Citizens listen, remark.....

Construction Work Continues.....

Oh, for the good old summer time...

The lower Delaware scene could be summer if we wished hard enough to get rid of the mid 20 temperatures that have been here recently. Also absent from this scene in the outskirts of Frederica are any swimmers or leaves on the trees.

## Large Gathering Hears Drew Choir

By Melvin Brobst

Last Monday night Trinity Methodist Church, Harrington, was the scene of a religious concert by Drew University's Theological School Choir, capably directed by Lester Berenbroick, himself an organ specialist with tours in England and the continent as well as in this country to his credit. The Harrington concert was arranged by the Rev. Wayne Grier of Trinity Church, Salem, Bethel, and Prospect, who was a member of the group last year while a student at the university.

Approximately ninety percent of the young people are college graduates and are bound for the ministry or related music they produce.

The program opened with an organ prelude, Voluntary in A major of William Selby, capably performed by Mrs. Holly Jagger. This was followed by a dramatic gathering of the men from the group singing their way from various sections of the sanctuary in the opening number "Come Holy Ghost, Our Souls Inspire", a plain-song from the 9th century.

"Lift Thine Eyes" from "Elijah" by Mendelssohn, sung by the young ladies with liturgical dancing by Judith Bennett. This was followed by "Jesu, Joy of Man's Desiring" by J. S. Bach by the entire group and merits special mention. For the traditionalist, this first section of the program was worth just being in the audience.

The second part was devoted entirely to a Jazz Liturgy composed by Leigh Wm. Pezet from Jersey City College and now of Drew. This was music of today, and must be viewed through this aspect of contemporary music. Well-written, well-

performed, and conducted by the composer, it followed the Kyrie, Gloria, Sanctus, and Agnus Dei in text but included saxophone solos by

Mr. Pezet, piano accompaniments by Mrs. Patricia Pezet, with Mr. Harold Dean Truleau on percussion. All this caused one member of the audience later to exclaim that "it certainly was different, but I guess I could get used to it." For those unaccustomed to today's sounds in a religious surrounding, it was different, but the music still reflects faith in today with a new setting. Guitar accompaniments were provided by Alan Jagger, Tom Hunt, Linda Tyler and Robin Hansen.

Two soloists bear mentioning. Mr. Truleau sang an unaccompanied rendition of the spiritual "Calvary" that accented African culture in Afro-American music and was devotedly sung. The solo on the glory and birth of

Christ sung by lovely Minoo Fararoorer from Shirze, Iran, and sung in her native tongue was especially appealing.

The hour and a half program concluded with the rousing "He is Alive, and I Love Him!" composed by

[Continued to page 2]

## Elections Set For Greenwood

The Town of Greenwood will hold its Town election on Saturday. Three of the Town Commissioners are up for re-election. They are Floyd McDowell, current President of the Town Commissioners, Hubert Passwaters, and Paul Webb. The election will be held from 2 p.m. to 6 p.m. The incumbent candidates are unopposed for their seats.

## Houston Council Meets

The Houston Town Council early in their meeting on Thursday night took time out to acknowledge the fact that they had intended to notify Chief Al Holt after last month's meeting of their planned program of cutting costs before the story was printed in **THE JOURNAL**.

The economy moves discussed in the December meeting a way affected Chief Holt. The Council felt they should try to cut back in all areas, which in effect cut back Holt's hours. They had

discussed a 70 hour month for Holt.

On Thursday night, Chief Holt pointed out their earlier discussions on the subject which amounted to approximately 120 hours per month. Broken down further, it would mean about 30 hours a week. The Council in the December meeting proposed a log for Police Chief Holt which was to show the date, time on, odometer reading, departing town, time, destination, purpose, and time return. Holt said at

the Thursday night meeting that the log as proposed would take up too much time. He requested the use of another one which he presented. Holt turned in 66 hours for December. The Council voted to continue with the former procedure until the entire Council could be present. Councilman Gary Evans was absent in the December meeting, and Thursday night Councilman Harry Towers was called out of town on an emergency. [Continued to page 5]

## Harrington Report of Progress

It seems just a few weeks ago that we all met here at the Annual Town Meeting for 1975. As most of us know, the older we get, the faster time seems to pass—and in this past year was a real speed demon. It did not pass without some accomplishments for the City, however. We have made considerable progress in our community and, hopefully, we will continue to upgrade and improve the City in the Bicentennial Year of 1976.

Some of the accomplishments of the past year have been very evident—a new police car, a new trash truck, and a new street sweeper. All were much needed and all have been most satisfactory in their performance.

Last year, we also hired a new City Manager, Robert Quillen, who has been most efficient and competent in the job. I'm sure that his knowledge of the town and his acquaintance with many of the citizens in Harrington have greatly contributed to his value in the position.

Other tangible (visible) assets are the new carpet in City Hall, the paint and new curtains in the Council room. All curbs have been painted yellow and standardized in length. A number of old buildings have been condemned and are in the process of being demolished. Some have been completely torn down or will be in the near future.

Permission was given to the Peach Blossom 4-H Club to paint the town fire plugs red, white, and blue as a Bicentennial Project for their Club.

Many of the streets in town have been resurfaced or are undergoing repairs at the present time. A complete sewer system evaluation survey is also being completed. It is hoped that we will soon be able to provide ample sewer facilities throughout the community.

Recently, permission was granted to Walter Messick to establish a museum to house his antique farm machinery collection. This will undoubtedly be a great attraction for visitors to the town.

At the regularly scheduled Council meeting this past Monday night, approval was given to extend the time for the adoption of the new budget for 1976, until the February meeting. This is to give the Finance Committee members a chance to find additional funds to try to match the skyrocketing costs of the operation of the City. A full report from that Committee is expected in February.

Several interested citizens of our town were appointed recently to serve with Councilman Shaw on the Bicentennial Committee. They are most anxious to have any suggestions from others in Harrington as to activities that can be planned for this year. Many talented people are citizens of Harrington, and their skills could be displayed during a Bicentennial celebration. Let's get on with these plans immediately.

I would like to thank all of the employees of the City for their service during the past year. My appreciation to members of Council for their dedication to duty and their attendance at the Council meetings. By working together, we can accomplish the goals and objectives to make our community a place to be proud of.

Thank you,  
William A. Minner

## \$4000 Trice Fund Has Been Reached

The Harrington Journal learned Monday that the \$4000 goal needed to help the Elmer Trices of Greenwood has been met.

According to the Rev. William Fleishchauer of Greenwood, the goal to provide the elderly couple with a used trailer to replace the home they lost was met this week.

Last month the Trices, both in their 70's, lost their home and most of their possessions in a fire a week

before Christmas. Mrs. Trice is an invalid and the couple has been living on social security and whatever Mr. Trice takes in from operating a tomato stand in the summer months.

Now, thanks to the community support and assistance, the Trices do not have to be concerned about a home. Their friends, neighbors and no doubt people they do not know have assisted the couple in their time of need.

## Bridgeville Council Reorganizes

BRIDGEVILLE TOWN HALL. The Town of Bridgeville following last week's Town election in which Kyle Ewing was elected to fill the seat previously occupied by Allen Jones, as the law requires, held their reorganization meeting. On Monday night the following

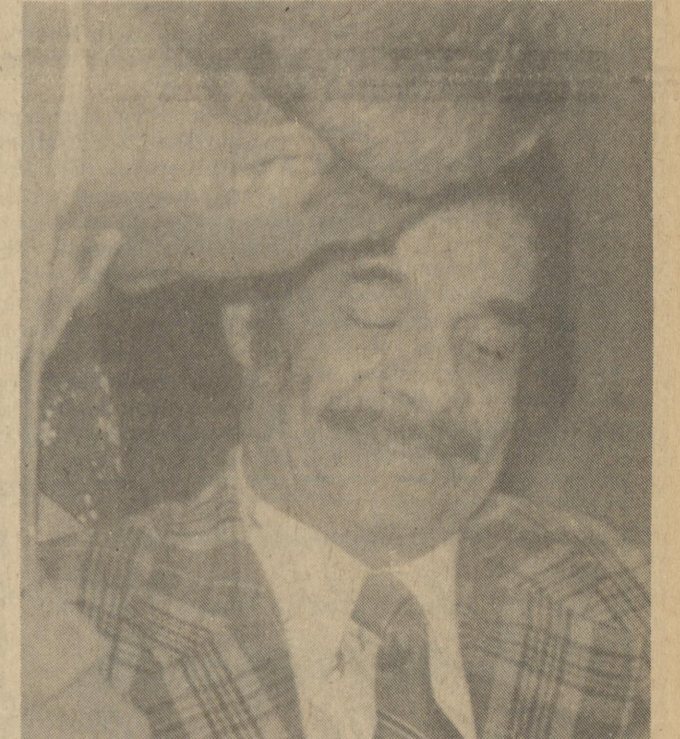

were appointed to fill the various committees and department heads: Mildred Brown, Town Treasurer; Norman Powell, President; Dennis Shrader, Town Solicitor; Charles W. Smith, Chief Zoning Officer; T. Jeff Gray, Jr., Secretary; John K. Simons, Water & Sewer Commission; Earl Willey, Street Commissioner, and Kyle Ewing, Police Commission.

Richard Thomas of the Bridgeville Fire Company was present at the Town meeting on Monday night to protest the new electric rate of Delaware Power which was a result of a Public Service Commission ruling. The new ruling stops fire companies in the State from enjoying the benefits of the municipal electric rate. They must now pay the commercial rate.

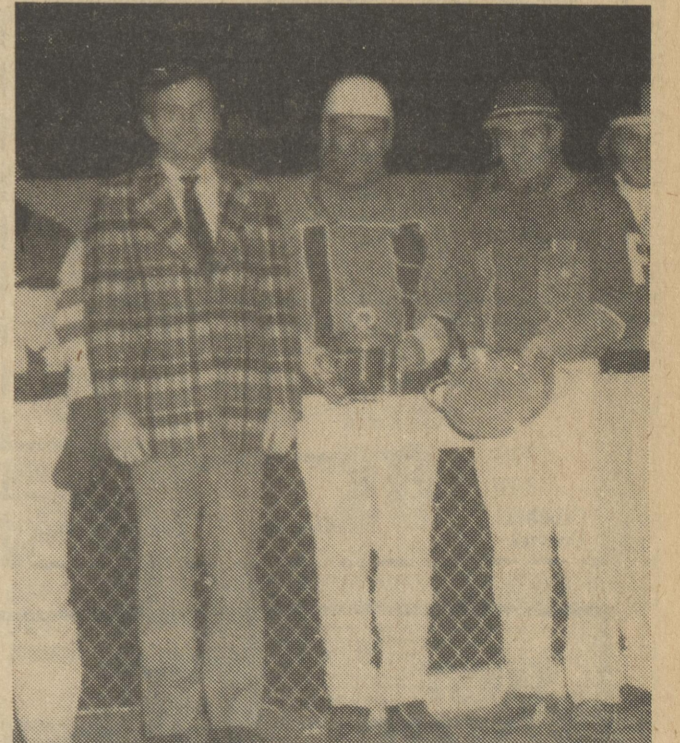

Previous bills for the Bridgeville Fire Company have been sent to the Town of Bridgeville with the Town's bill...only earmarked plainly each month what the fire hall's bill amounted to. This will not be the case in the future. The fire company will receive their own billing at the commercial rate. Thomas reported that their previous bills had run about \$200 per month, and this most recent one under the new rate was over \$500.

President of the Town Commissioners Norman Powell

[Continued to page 4]

Roy Campanella, famous catcher for the Brooklyn Dodgers during the 50's was in attendance at the Millford Rotary Banquet Saturday night. See page 9 for story.

Pictured above are (L-R) John Kiddle, president of Dover Downs, Jack Parker Sr. and Jack Parker Jr. The Parkers, from Harrington were the winners in a father-son race held at Dover Downs last Sunday.

## Capture First Father Son Championship

Jack Parker Sr. and Jack Parker Jr. of Harrington captured the Father & Son Driving Championship at Dover Downs Raceway Sunday.

The Father & Son com-

petition took place in four races on the 10-race program with eight father-son teams going for the championship.

Parker Sr. won the sixth (continued to page 8)

# Greenwood

By Pat Hatfield

Mr. and Mrs. Paul McCreary did a lot of holiday visiting, including Mr. and Mrs. Samuel Lloyd of Sutersville, Md.; Mr. and Mrs. Edward Sutton and family and Mrs. Verne Ross of Chestertown, Md.; and Mr. and Mrs. William Cahall of Churchill, Md.; and Mr. and Mrs. Fred Maurers of Ellendale.

Recent guests at the McCreary's for dinner were Mr. and Mrs. Leonard Hughes of Cambridge, Md; and Mr. and Mrs. Jacob Bishop and Dale of Felton. Weekend guests were Mr. and Mrs. Walter Roberts and children of Allentown, Pa.

January 7 report from Hickory Ridge Congregational Methodist Church is as follows: Our attendance on Sunday morning has improved, and the evening service was well attended for the film, "Mindbenders".

For over a year we have had Bible study on Sunday evenings. Now that has ended and we will have regular Sunday evening services. Some films are also scheduled of the evening services. On Jan. 18, Sunday evening a film, "In God We Trust", will be presented. This will be most appropriate for our Bicentennial year.

We are sorry to report that Mrs. Betty Gorski is ill in Milford Hospital. Mrs. Marie Dickerson is doing well after surgery. Lester Draper is suffering from pneumonia at Milford Hospital. Mrs. Catherine Hitchens, Mrs. Beatrice Drummond and Richard Morgan are recuperating at home.

Mrs. Allison Davis is reported slightly improved at Milford Hospital. Little Garth Bollinger is very ill in Milford Hospital.

## Andrewville

By Florence Walls

There will be a hymn sing at the Bethel United Methodist Church on Sunday evening, Jan. 18 at 7:30 p.m. The guest singers will be the Loving Gospel Ares.

Mr. and Mrs. Tucker Wells of Fredrick, Md. were weekend guests of Mr. and Mrs. Robin Breeding.

Mr. and Mrs. Elver Ryan had a family dinner last Sunday.

Mr. and Mrs. Hubert Cannon were dinner guests of Mr. and Mrs. Robert A'Bier and daughter on Sunday.

Mrs. Wallace Ryan and children, Kelly, Kris, Kirk and Mrs. Evelyn Scarborough visited Mrs. Ryan's sister and brother-in-law, Mr. and Mrs. A. T. Roberts, Jr. near Baltimore, Md. on Saturday. Later they attended the Ice Follies in Baltimore, Md.

Mr. and Mrs. Tucker Wells of Fredrick, Md., Mr. and Mrs. Ronald Breeding of Seaford and Mr. and Mrs. Robin Breeding were dinner guests of Mr. and Mrs. Alton Breeding.

The community extended their sympathy to Mrs. Marion Harris and daughters and other relatives of Mr. Larson Harris who passed away last week. Mr. and Mrs. Harris year ago lived in our community and kept the Andrewville store.

Miss Abby Wright visited her uncle and aunt, Mr. and Mrs. James Morgan last week.

Mrs. Joseph Calvert is a patient in the Milford Memorial Hospital on Friday. We hope she has a speedy recovery.

Mr. Howard Biles is a patient in the Veterans Hospital, Elsmers, Del. We hope he will soon be out.

## Crops Meeting Set

The Cooperative Extension Service is presenting its 1976 Agronomic Crops Meetings in three locations. The same program will be held:

January 21 -- Clayton Fire Hall 9:30 a.m. - 3:30 p.m.

January 22 -- Delaware State Fairgrounds Restaurant Harrington, 9:30 a.m. - 3:30 p.m.

January 23 -- Georgetown Substation Meeting Room 9:30 a.m. - 3:30 p.m.

Highlights will be presentations on our soil test reporting system and corn and soybean fertilizer recommendations.

Mrs. Margaret Baker arrived home on Saturday evening after visiting her son and family in Moor Park, California. She enjoyed visiting many places of interest while there, Disneyland, Knox Berry Farm, and touring the Universal studios. She saw how television shows are produced and saw Lucille Ball's dressing room. On Wednesday she visited Mexico.

Students at Sussex Vo.-Tech and some of the 44 food baskets they delivered to families in the annual Christmas Food Drive Project.

## Students Deliver Food Baskets

The D.E.C.A. Chapter and Student Government of Sussex Vo.-Tech., Georgetown, provided 44 Christmas baskets for the annual school Christmas Food Drive Project, "People Helping People." Santa and his helpers delivered the food baskets to families of lower Sussex County on December 19 and 22.

The 33 shops at Sussex Vo.-Tech. hold the annual food drive to help make Christmas more cheerful for

less fortunate families in the county. Diesel Mechanics did an outstanding job in the drive, providing a total of 800 canned goods. The Masonry Shop avidly supported the project with 529 cans of food and Distributive Education made a notable effort by contributing 286 cans to the cause. The Future Farmers of America gave an abundance of fruit. Well over 1,600 canned goods in all were donated to the "People Helping People"

project of Sussex Vo.-Tech. students. Also making contributions were local families and businesses. Thanks go to: Rapa Brand Scrapper, Cannon Foods, King Cole, Townsend Brothers, Burris Foods and Acme. Also thanks go to Social Services in Georgetown, Mrs. Mary Hearn, Mr. Edward Boyer, and everyone else who made personal donations of mittens, eggs, fruit, raw vegetables and toys.

Miss Janet Louise Jackson

### Miss Jackson Is Engaged

Mr. and Mrs. Robert C. Wilson of Harrington wish to announce the engagement of their daughter, Janet Louise Jackson, to Mr. Rich-

ard Wayne Collison also of Harrington. Miss Jackson is a senior at Lake Forest High School. Mr. Collison is a graduate of Lake Forest and is presently employed by Consolidated Thermoplastics in Harrington. No date has been set for the wedding.

### Delaware Dairy Day Meeting Set

The annual Delaware Dairy Day meeting has been set for Wednesday, January 28, at the Camden-Wyoming Fire Hall, according to Dr. W. R. Hesselstine, program chairman. The event begins at 10.

Topics of interest on the morning program include "Inputs to High Production Efficiency," a talk by Dr. Darwin Braund of Agway, and "The Meaning and Use of USDA-DHIA Sire Data" by Dr. Frank Dickinson of the DHIA Division, USDA.

At noon, a buffet lunch will be served by the Women's Auxiliary at the fire hall. The cost will be \$4. The afternoon's program includes a talk by Professor William S. Gaunya, "The Miracles of Milk Secretion and Mastitis Prevention," and "How It All Works at Kilby's, Inc.," by William Kilby, dairyman.

Two door prizes will be given, one a free DHIA test.

For more information, dairymen can call W. R. Hesselstine at the University of Delaware, Department of Animal Science, at 738-2523.

As our nation approaches the 200th anniversary of its birth as an independent country, it is a time to

### Begins Rehearsals

Rehearsals for the spring season of the Delaware Choral Society will begin Tuesday, January 13. Any interested singers in the community are welcome to join.

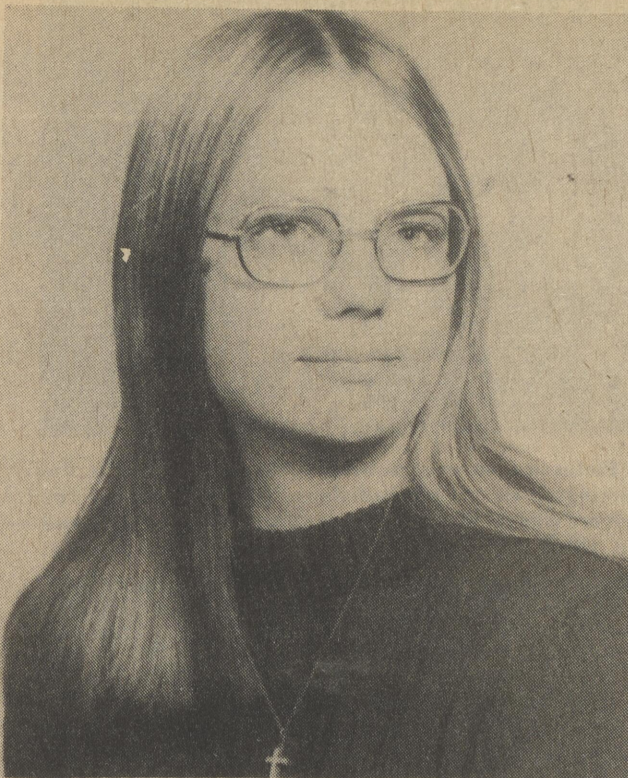

Rehearsals are from 7:30 to 9:30 p.m. each Tuesday in the Social Hall of the Dover Presbyterian Church, 54 S. State St. Dover.

The Choral Society's spring concert, which will be presented both in Dover and in Sussex County on the last weekend in March, will feature the Mozart "Requiem." Accompaniment for the concert will be a chamber orchestra.

Exact dates and locations for the spring concert will be announced later.

Dr. Peter McCarthy, coordinator of choral music at the University of Delaware, is director of the Delaware Choral Society. Rehearsal accompanist is Kathryn Coppel of Milford.

The 60-voice chorus is composed of singers from throughout the state, and is devoted to performing classic works of choral music. New singers are always welcome, and no auditions are necessary. The group is supported by membership dues, donations and matching grants from the Delaware State Arts Council.

Miss Ella Faye Phillippi

### Miss Phillippi Is Engaged

Mr. and Mrs. James Phillippi of Harrington announce the engagement of their daughter Ella Faye Phillippi to John W. Sharpe, son of

Mrs. Margaret Sharpe of Milford. Ella is a senior at Lake Forest High School. No wedding date has been set.

### Mrs. Hewitt Smith Remarries

Word has been received that the former Mrs. Hewitt (Marty) W. Smith was married on Dec. 20 in Florida to B. Lyle Appleford, Jr. a retired attorney.

After the wedding, the Applefords took a cruise through the Caribbean Island and part of South America.

### Lake Forest Student's Paper Focuses On Parallel Governmental Problems In 1776 and 1976

The following paper was on the winning entries from Lake Forest H.S. to the County level in the Voice of Democracy contest by Susan Eliasson. Miss Eliasson is a senior at Lake Forest and resides with her parents, Mr. and Mrs. William Eliasson of the Canterbury to Milford Road.

There were six entries from Kent County of which Lyndia Gaston of Smyrna took first place. Each high school winner was awarded a certificate and a \$25 bond. Miss Gaston was given a \$50 bond in addition to a certificate. The theme of Miss Eliasson's paper was drawing a parallel between the colonial forefathers and their problems of government and the government leaders today.

reflect on the ideals and achievements of our colonial forefathers and how they parallel today's strivings. The colonists were fighting to establish a free and independent government, strengthened by its principles of equality and justice. Today, the fight is to maintain and strengthen these principles through such legal processes as the Equal Rights Amendment and

Also this is a time to examine the development of the United States as a world power. In its infancy, the United States was under the supervision of many mother countries, but, most notably, England. During its rebellious adolescence the United States exhibited its need and demand for self-sufficiency and became a separate entity. From this beginning as a young, upstart nation, the United States has gone on to become an adult and respected

global power.

This is also a time to reflect and be thankful for the proud heritage, both ethnic and legal, that is ours to carry on. The civil rights guaranteed to us in the Constitution are the most extensive provided for any people. Although enjoyable, these rights also carry an inherent responsibility to use without abusing, to enforce with fairness, and to safeguard from opponents.

In order to fully appreciate the advancement that the United States has made one need only to review the indignities and intolerances suffered by colonists when they chose to do such horrible things as speak their minds or write an editorial in the local paper. Perhaps that is the greatest of the Bicentennial men-or-a-bel-a, the right of free expression.

Finally, as one of many Bicentennial Seniors, I feel a kinship to the nation. Each

of us embarking upon a new era in our history. As our country begins its third century and I my third decade we are filled with the bright hopes and high ideals of all youth. That may be the secret of the United States and its success - the idealism and vitality it gains from its youth. This idealism and vitality coupled with the realism and wisdom of age has provided the secret of the Fountain of Youth - old enough to respect the traditions yet young enough to see the flaws and the corrections. That should be the theme of our national Bicentennial.

Our bicentennial heritage encompasses all these things: ideals, achievements, and development. The ideals of our youth and the achievements of our old will further the development of the United States in our second 200 years to equal that of our first.

### Houston Council (cont.)

Mrs. Franklin Morgan, the Town Treasurer, is still out sick. She was not present during the December meeting.

Mayor Leonard Rollison reported that the Houston United Methodist Church where the Town meetings

are held was broken into on December 16th. It was termed a burglary and vandalism. Papers in the Town's filing cabinet were scattered

in various areas of the church. Chief Holt is continuing to investigate the matter. There were no clues or leads mentioned at the Town meeting. The Town will need a new file cabinet to replace the one which was destroyed by the vandals.

Mayor Rollison reported he had received checks from Municipal Aid in the amount of \$5,000 and Revenue Sharing in the amount of \$600.

This money will be used, as the occasion arises, to pay town bills. Councilman Charles Hayes made a motion that in order for all future bills of the Town to be honored for payment they must be signed for at the time of acquisition. The point was raised as it regards gas and oil for the police car. This motion was followed by another to apply for a Texaco credit card.

Texaco also has a plan which was cited whereby the Town will get a 13 cent refund for state and federal taxes on every gallon purchased during the year. This plan by Texaco only applies to municipalities and fire companies. Hayes reported that this would be a better way in which "to keep a check on things".

Before the meeting ended, a motion to pay bills for the month of December in the amount of \$660.33 was made and passed. The next council meeting was set for the 5th of February, at 7:30 p.m. "The meetings are open to the public," said Mayor Rollison.

### Mrs. William Elliott Wins PTA Tree

The Bridgeville sponsored chancing of the "Jeweled Christmas Tree" was won by Mrs. William P. (Jane) Elliott of Laurel. She is a sister-in-law of State Senator David Elliott. The Journal was informed that Mrs. Elliott gave the win-

Miss Victoria Paige Dominy

### Miss Dominy to Marry

Mr. and Mrs. Charles R. Dominy of Shelter Island, N. Y., announce the engagement of their daughter, Victoria Paige, to John Howard Melling, son of Mr. and Mrs. Clayton Melling of Manaroneck, N. Y.

Miss Dominy is a graduate of Cornell University, N. Y. and holds a Master's degree

from the State University of New York at Stony Brook. She is a biology teacher at Lake Forest High School.

Mr. Melling is a graduate of Widener College and is the director of the career education program at W. T. Chipman Junior School in Harrington.

An August wedding is planned.

### Farmington

By Mildred Gray

Miss Leslie Smith arrived home Sunday afternoon from spending the holidays with relatives in London, England.

Mr. Lester Hatfield, son Ronald and daughters Mrs. Mary Lou Hurd and Mrs. Ruth Ann Hamstead and children attended the Ice Follies at the Civic Center in Baltimore, Saturday evening.

Mr. and Mrs. William Messick were dinner guests of Mr. and Mrs. Howard Workman Saturday evening.

Little Scotty Knox is home with pneumonia. We wish him a speedy recovery.

Mrs. Irene Legates attended the Ice Follies at Baltimore Civic Center Saturday evening.

### Kent General

Father Son Win

(Continued from Page 1)

race, the third of the series, behind Mark Dean, this victory giving the Parkers the team lead. They cemented their hold on the championship by finishing Lee Daniels of Clayton, Delaware led off the event with a win in the second race behind Toast Time, an eight year old Scotch Byrd gelding owned by Mel Thompson of Wyoming. The 5th race, which was the second in the championship series, went to Jack Parker, Jr. driving Field Reagh, a 12 year old gelding by Field Dixie owned by Richard Dixon of Centerville, Md.

The third race in the series, the sixth race, was won by Jack Parker, sr. driving track record holder, Mark Dean. This win by the elder Parker gave their team a lead which could only be relinquished by a win in the last race by the second place team of George and Jim Fortna, coupled with a less than fourth place finish by the Parkers.

The Parkers held firmly in control however, as the eighth race, the final event in the series was won by Al Sheats, Jr. behind Lincoln's Heir, a seven year old gelding leased by William Grove of Byrons Road, Md. Jack Parker, Jr. finished fourth and Jim Fortna fifth in that final event.

The final order of finish for the Father & Son Championship is as follows: Jack Parker Sr. & Jr. (Harrington) 109pts.; Lee & Mark Daniels (Clayton) 69 pts.; George & Jim Fortna (Johnstown, Pa.) 63 pts.; All Sheats Sr. & Jr. (bear) 56 pts.; Frank & Don Milby (Cordova, Md.) 43 pts.; J.D. Dennis sr. and Jr. (Harrington) 33 pts.; Bernie & Joe Offutt (Woodsboro, Md.) 32 pts.; John & Sam Belote (Bridgeville) 30 pts.

Members of the boys winter track team at Lake Forest are [front row l-r] Pete Hinson, Mark Todd, Cliff Ayres, Chris Palmisano, Wilson Fry, Lee Turner, [back row] Kevin Thomas, Paul McClellan, Dan Parker, Bob Mullane, Don Lloyd, Dave Richter, Bill McGinnes, and Grayson Barthlow.

Members of the 1976 girls winter track team are [l-r front row] Patty Irish, Gwen Cullop, Judy Dunlap, Karen Hall, [back row] Paula Mosely, Sabrina Pizzuto, Kathy Voshell, Kathy Hampton and Valerie Davis.

Laurel Victory Disputed

On Friday night, Woodbridge lost a wrestling match to Laurel 31 to 30 on a disputed situation which netted the loss to Woodbridge and the win to Laurel. The dual meet was held at Laurel. Coach Gary Bottinger said he will lodge a protest.

The dispute arose out of a situation where the two clocks were not official. At one point one clock showed :50 sec. remaining and the other showed 1:50 remaining. Bottinger said the time was not official "...because the timers must be at least

21 years old, and there they were students." When time ran out of the one clock, the buzzer and referee's whistle stopped the match, when in two incidences the Woodbridge man had his Laurel opponent pinned.

Woodbridge had pins up to that point in the match (187 lb. class with Mike Fields, (100) Fisby (107), Richards (114) and Johnson (134). The disputed match was between 187 pounders LeRoy Tingle of Woodbridge and Horsey of Laurel. Horsey almost pinned on two different oc-

casions when the "Freak buzzer" went off was the eventual winner. Bottinger needed the win in the 187 pound class against Laurel to win the dual meet, for his heavy weight was injured. He planned to forfeit the heavy weight class.

Woodbridge won their first dual meet on the season against Seaford 29 to 24. Woodbridge got pins from Mike Fields (100 lb.) and LeRoy Tingle (187 pound).

Woodbridge

Bowling News

With just one week remaining in the second third of bowling competition, Burris Food remains still on top by three games. The Spoilers put on their walking shoes tonight as Burris just acted like a carpet and got walked all over. Burris took the first game with a 934 team game. They then returned to the frozen food locker and never got thawed out again. Leonard Outten, Spoilers anchor man, and a good one at that, pulled down a 586 series to muster up their three winning games.

Running in third slot and still having a chance at first slot was attired tonight for Wally's Garage, as they dropped three games to Jarrell's Fuel. D. W. Ryan tried to get his men to hang on to the consistent four game winning streak, but got no one to listen to him. Harold Melvin blazed the way for Jarrell's Fuel with a nice 222 game by Chester Short.

Moose "B" continued to stay in the top bracket, as they hijacked Butler's Fuel for every thing. T. Freer and Chip Shaw were the top guns for their team as no one on Butler's Fuel wanted to get in their way. I think Ralph's after Earl's horse. Taylor & Messick ploured Big Johns under as they away with all four points. George Collins, another fine anchor man, proved why as he mustered a 567 series. Sam says, "we're consistent, we were all in the 400 series."

Moose "A" having a little trouble getting bowlers, did manage to take three pints from Quillen's Market. Moose "A" just bowled constant team average and Quillen's just couldn't seem to maintain theirs.

Dur-A-Clean, still throwing on the steam picked up four points tonight from Fry's American. Ira Glanden needed the win for Dur-A-Clean with a fine 609 series backed up by Bill Brode's 586 series. Jerry Hayman, bowling a 560 series just couldn't get his men to assist him to down Dur-A-Clean.

Penn Central, pulled two points from McKnatts and McKnatt's pulled two points from Penn Central. This is a

case of not winning but certainly having a great time. Food Rite was mugged tonight as robbers or was it Robbins captured three points. Robbins just bowled with in their team average as Food Rite dropped 103 pins in the first game below theirs and only managed once to rise above their average. A better thirds' coming Frank.

Calvary VI 14 14
Trinity II 13 15
Magnolia 11 17
Trinity I 9 19
High Games for Women: Carol Martin, 167, 161; Ruby Twilley, 206; Laura Martin, 167; Mary Steen, 169, 170, 178 with High Series 517.
High Games for Men: Stan Steen 190; Russell Sensenig, 191; Bailey Minner, 214 with High Series 522; Nelson Kenton, 207.

With four weeks of bowling left before ending the second third, Friends Four has a three game lead over the second place team. Even with Carmine Gallo's 604 series, their duel with the No-Mads proved to be a tug-of-war, with each team having to settle for two games apiece. The Spares had their troubles too, losing three games to the Dy-no-mite team. Earl Vagan helped all he could with his 231 game but the Dy-no-mites seem to have a little something extra to give them the push they needed.

Mickey Moose is making their climb back up to the top, taking three games from the Misfits. Lee Dill's 194 and Gene Wright's 192 help the team gain the three games they needed to get them out of the basement. Even though it was a bad night for the Spares and Misfits, their one game win kept these teams tied for second place.

Moose I will not give up their fight for first place, as they walked away with three games under their belt and put themselves only four games out of first. The Strikers, having their problems this second third, took one game and hope to make a comeback next week. The Pinbusters seem to be relaxing after winning the first third as the Goldiggers took command and also three games from them. Sam Lyon's 203 and Reds

Church Bowling

Table with columns for date, team, and score. January 9, 1976. Lutheran St. Johns 20 8, 17 11.

Spartan Ron Shockley drives the baseline against a Holy Cross defender in a game played at Holy Cross and won by the Crusaders 64-63, last Friday.

Friedline's 209 seem to give the Campers the kick in the pants (they seem to have needed to get them started) as they took three games from Moose II.

Leroy Wheeler tired to keep his team with a 204 as did Leah Wheeler with her 181 but the team just couldn't muster up enough strength to keep it going.

The M and P's have finally gotten themselves together, split two and two with the 4 Aces. Both teams have had their problems but seem to be giving it all they have.

Table titled 'Lads and Lassies' showing team standings for the week of January 12, 1976. Lists teams like Friends Four, Spares, Misfits, etc. with scores.

High Individual Games Women 160 and over: D. Fry - 182; L. Wheeler - 181; C. Melvin - 180; P. Friedline 176; M. Bergold - 175; G. Lutz - 173 & 174 (506); L. Cooper - 160, 161 & 169; J. Edwards - 166; D. Moffett - 165; E. M. Layton - 163; H. Gallo - 162. High Individual Games Men 190 and over: E. Vogan - 231; C. Gallo - 211 & 225 (604); M. Wingo - 212; G. Singleton - 212; R. Friedline - 209; L. Wheeler - 204; S. Lyons - 203; A. Melvin - 198; J. Rettig - 196; L. Dill - 194.

Raider Girls Win Two More

Since the holidays, the Woodbridge Varsity girls basketball team has defeated Delmar and CR. The Woodbridge team now stands 4 and 2 overall and 2 and 1 in the conference. Coach Kay Smith said that her young team is coming along just fine at this point. She added that the Conference this year is weaker than it normally is, and that her team fairs a little stronger than the overall conference. The Woodbridge team is shooting a poor 30 percent from the floor and 40 percent or less from the foul line. With a few breaks however, Coach Smith says that she might have a chance at the play-offs. The last three games have been scores of: Lake Forest 36 Woodbridge 25; Woodbridge 36 Delmar 27; Woodbridge 29 and CR 22. The next game is Friday at Sussex Central away.

Thanks

This will be the last article we will write on the 1976 Lake Forest state championship cross-country jacket drive, unless we have to acknowledge (we hope) some last-minute donations next week. Contributions were made this week by Donald McKnatt, Lake Forest District School Board president Albert C. Price, Hayward and Amanda Quillen, all of Harrington.

## Campanella, Holst, Highlight Banquet

By Ray Blanchette

Highlighted by the appearance of Hall of Famer Roy Campanella and major speaker Art Holst, the Eighth Annual Milford Rotary Club Banquet was a big success. The banquet was held at the Milford High School cafeteria Saturday night, January 10th.

Campanella, who was also invited last year but couldn't make it, was a ten year star for the Brooklyn Dodgers before a tragic accident in 1958 ended his career and left him paralyzed. Before tragedy struck, Campanella hit more home runs than any other catcher has in the major leagues, was named the league's Most Valuable Player three times, and led his team to five World Championships. Master of Ceremonies By Saam was quick to point out that if it hadn't been for dramatic home runs by Dick Sissler and Bobby Thompson, Campanella might have led his team to seven titles in ten years.

was fitting that we went in together because he was the only other player to also win the MVP award three times." Campanella closed by mentioning the great

The rest of the guests dwelled mainly on one thing, losing, as most had recently been just that until lately. By Saam started it by stating, "I've probably announced more losing games than any other person."

First to come to the podium was announcer, Bill Campbell, who is now involved with a winning team, the Philadelphia 76ers, after several seasons of also broadcasting losers. Nate Beasley of Delaware was next and talked about his "lack of appreciation" for Delaware's 8-3 season and is looking forward to hopefully playing professional football.

Major league catcher John Wockenfuss, a graduate of Dickinson High in Delaware, and now a member of the Detroit Tigers, was next. Wockenfuss had a message mainly intended for young people but it applies to everyone, "never give up", "I'm glad I didn't." He could have given up easily as he spent 8 and one half seasons

The next two guests were Tony Taylor of the Phillies and Tubby Raymond, football coach at the University of Delaware. Saam likened Taylor to "the Liberty Bell

Tubby Raymond

and Independence Hall" as greats in Philadelphia. Raymond was forwarded a great compliment as Saam stated "Athletic director Dave Nelson (of Delaware) and Coach Raymond make as good a unit as there is in the United States."

Bob Boone, a Stanford graduate, and now Phillies catcher, talked about the trades which the Phils made at the winter baseball meetings where they acquired pitchers Ron Reed and Jim Kaat. Boone stated, "I'm looking forward to working with the new pitchers and my battle with John Oates for the number one catching spot."

Tom Breshner, a Navy assistant football coach, was the final speaker before the two main guests. "Consistency of concentration is important and you're never too old to learn" were Mr. Breshner's major thoughts.

The banquet was attended by over 400 people. The great array of talent at the head table was organized by Forrest "Spook" Jacobs, a former major league ball player and now owner of the Milford Bus Center. Later in the year the Rotary Club will give two five hundred dollar scholarships to deserving athletes.

Art Holst

night the Dodgers gave to him after they moved to Los Angeles as 93,103 people packed the Coliseum.

During that ceremony the lights were doused and the 93,103 people each lit a match and prayed for Campanella. He said he will always remember that night and "it was fitting that 93,000 people were there because I wore number 39." Campanella's speech began and ended to standing ovation.

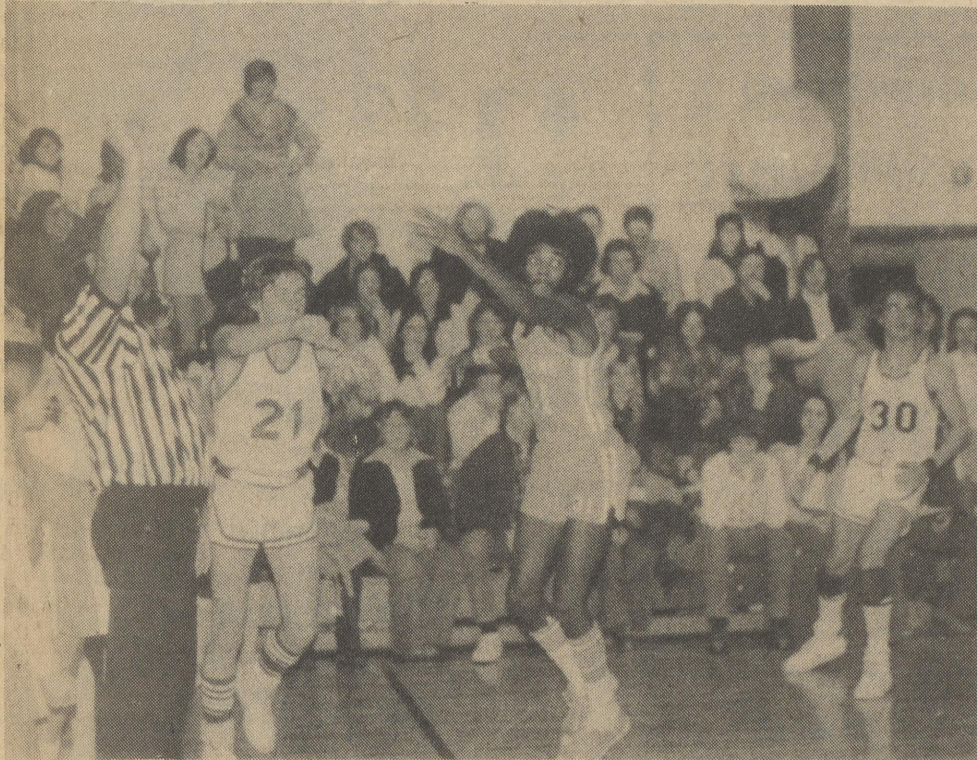

The main speaker was Art Holst. Mr. Holst is an NFL official who was involved in the Dallas-Minnesota game where Drew Pearson caught a controversial touchdown pass, and a linesman was hit in the head by a bottle. However, he talked very little on this subject.

His main remarks covered what he felt the world needs. According to Holst "problem solvers" are needed since there are already "problem finders." "What we need is men of creative nature, people who are willing to stand up and be counted." Mr. Holst used several examples from his experience as an official which has spanned eleven seasons. Holst was very humorous but got his point across, "Be yourself."

John Wockenfuss

in the minors but next season will challenge Bill Freehan and Milt May for the number one catching spot. He will long be remembered for a play in the minor leagues where he hit the pitcher in the head trying to throw a runner out who was stealing. When asked about the play he stated, "he told me to throw it back to him but when I did he turned his head."

Holy Cross's Dave Schellhardt gets the inbounds pass for the Spartans. The Crusaders scored a 64-63 victory over the Spartans at Holy Cross last Friday.

## Crusaders Nip Spartans

By Ray Blanchette

Led by the scoring of 5-9 inch Dave Schellhardt and center Pat Savini, the Holy Cross Crusaders defeated Lake Forest 64-63 last Friday at Holy Cross in a non-conference game.

Schellhardt led the Crusaders to an early lead with his quick moves and accurate passing to the six foot five inch Savini. The Spartans attempted to run with the Crusaders and only the hot outside shooting of cen-

ter Sam Carey kept the Spartans close as the Crusaders led by three, 30-27, at the half.

In the third period the Spartans still didn't settle down and play their patterned offense. As a result

the Crusaders stretched their lead to 49-43. The Spartans managed to come back and even take the lead. But, with 23 seconds remaining on the clock and the score tied, Crusader John

Bolte hit two free throws and a couple more by Schellhardt sealed the victory.

Savini led all scorers with 24 points while Frank Coursey led the losers with 23. The Spartans outshot Holy Cross from the foul line hitting 17-21 while Crusaders hit only 14-21.

By virtue of Indian River's defeat of Laurel Friday the Spartans are now in a three way tie for first place in the Southern Division with a 5-1 record.

Art Holst

### Rec League

This year's defending basketball champs, Harrington Business, started off the new season by winning their first two games.

Harrington defeated Scott Paper 31-23 and also defeated PPG 34-23.

High Scorer for business in both games was Durand Dennis with 18 and 20 point highs.

Thanks go to this week's sponsor - Quillen's Market.

Campanella stated that baseball helps him accept being paralyzed and confined to a wheelchair because "In baseball you had to learn to lose as well as win." Mr. Campanella was quick to tell youngsters to keep up their grades. "You can't play sports forever, but education will last forever. I never thought I would reach the Hall of Fame. The first year I was up for election to the Hall Stan Musial was also. It

## Spartan Wrestlers Lose Opening Two

By Ray Blanchette

Following much the same format in each match, the Lake Forest wrestlers dropped their opening two matches 30-21 and 36-25 to Caesar Rodney and Dover respectively last Wednesday and Saturday.

Against the Riders last Wednesday at Caesar Rod-

ney the Spartans jumped out to a quick 12-0 lead as Lane Lapensky quickly started things with a 1:13 pin. Jamie Simpson and Rick Mertz followed with 5-1 and 4-2 decision victories respectively.

It was here the Riders started their comeback as

Darrel Gravatt won by pinning Alex Lapensky in the final period. Two more straight pins, one each by Gary Taylor and Chris Rincon catapulted the Riders to an 18-12 lead. The Spartans failed to fold as Bill Jackson and Larry McCombs won decision victories to knot the score at 18 all. The Riders then scored twelve points in the next three matches to clinch the victory. Heavyweight Dean McCombs saved some respect for the Spartans as he won an 8-3 decision.

In the match against Dover at Lake Forest the Spartans again took a quick lead as they opened up a

15-0 lead. The Senators began their comeback as they won the 119 pound match by a pin and Andy Scrafford decided Louis Hendricks at 126, 8-0. This closed the lead to 15-9 and the same margin stayed as Spartan John Moffett and Don Mosely of Dover, drew. Bill Jackson the put the Spartans further ahead as he won a very close 5-4 decision.

It was here where the Senators started their rampage when Senators Mike Barr, Bill Mosely, Rich Judd and Josh Williams won by pins. Dean McCombs then won his second straight match as he pinned his opponent in the first period.

## Winter Track Starts

Twenty-eight Delaware high schools fielded track teams at the Delaware High School Track and Field Coaches Association Meet, held Friday night at the Widener College Fieldhouse, Chester, Pa.

Bob Mullane, a versatile Lake Forest senior, won the third place medal in the pole vault by clearing 10 feet. Bob also cleared 5 feet, 6 inches in the high jump. Both jumps would be good efforts in the spring. In mid-winter they rate as excellent performances.

Harry Benson and Dan Parker ran well, finishing near the top of a huge mile field. Benson's 5:00.5 clock just missed third place. Parker had a 5:05. The Spartans had trained only three or four days after a training break of five weeks.

Chris Palmisano's 10:50 two mile and Paul McClellan's 2:27 half mile were good outings, also.

Pete Hinson steadfastly held his ground at the start of the 50 yard high hurdles while all five of his rivals eventually were disqualified for repeated false starts. Pete then calmly negotiated the timbers, unopposed, in

8.6 seconds.

Wilson Fry, a freshman tyro, surprised by running 440 yards in 63 seconds in the mile relay. He's a real prospect. Craig Fry, a year younger than his brother, ran well in the same race.

Mark Todd, a freshman sprinter, made his first start and was timed in 6.4 seconds for fifty yards without starting blocks. Veteran Grayson Barthlow had a 6.2 effort. Other locals to do a good job were: Cliff Ayres in the 880 yard run, John O'Toole and Bill McGinnes in the shot put and Kevin Thomas, high jump.

Paula Mosley, a diminutive, distaff runner, didn't beat any of the boys in her heat, but ran very well with an estimated under 1.50 clocking for 600 yards.

Other girls out for winter track include: Kathy Hampton, Valerie Davis, Patty Irish, Gwen Cullop, Karen Hall, Jody Dunlap, Kathy Voshell, Sabrina "Beanie" Pizzvto.

David Richter, Chuck Carter, Graig Kashner, Kelly Woodward, Steve Salisbury, Don Lloyd and Doug Warrington are other boys who are expected to be in action soon.

## Del-Tech Wins

Del-Tech-South of Georgetown won a non-conference basketball game against Bergen County College of New Jersey and five of the winning team's cagers are from Harrington.

Lawrence Sorden was game high scorer with 27 points in the 116-81 victory. Don Bryant had ten points. Jerry Scott and Mitch Travis had four points, each. Tom Carey was the fifth local to see action.

# Buyer's Guide

A Guide To Good Shopping In The Greater Dover Area

To be given away — **FREE**

19" Diagonal

100% Solid State

Color Portable

This very fine color television set (can be seen at Lowe's) will be given to the person whose name is picked out at random from among the names left in boxes which shoppers will find at the places of business advertised in this issue of Buyer's Guide. Boxes to receive the names will be available only at the places of business advertised in this Buyer's Guide. One prize ballot per person can be deposited at each place; no purchase necessary. The winner will be notified by mail and the name of the winner carried in the next issue of Buyer's Guide. See that your name is deposited in as many places as possible!

## Inside:

For values of all kinds, look in the pages of this special Buyer's Guide, published with dollar-saving values for you in mind.
