## Host Families Needed For AFS Students

AFS, American Field Service, has become almost a household word in the Lake Forest School District. For the past ten years there has been an AFS Foreign Exchange Student in the Harrington area.

Miss Toby Kristvendotter from Iceland was the first Exchange student, coming to live with Mr. and Mrs. William Taylor and their family near Paradise Alley.

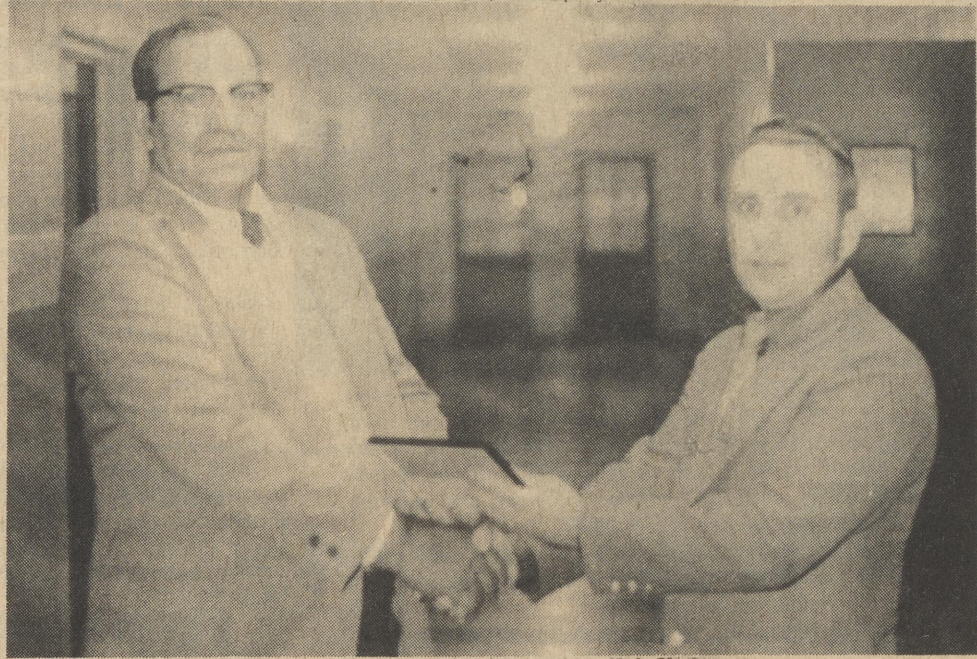

Since then there have been eleven students who have become members of the graduating classes of Harrington and Lake Forest High Schools.

Once again the Lake Forest Chapter of the American Field Service is asking for interested families to apply for a student for the 1976-77 school year. Mrs. Leon Kukulka, president of the chapter, is most anxious to provide the necessary information to any family in the Lake Forest District who might want to apply for a student. Mrs. Albert Mason of Harrington is also a liaison member who can provide information on applying.

AFS looks for host families with the ability to accept and appreciate others who are different in their cultures and values. The prime consideration for the selection of a host family is their concern for others and their capacity to handle the challenge of a different personality in their home.

This year Mr. and Mrs. Leonard Outten and their three children have taken into their family circle Francisco Morales of Ecuador. From all accounts it has been a mutually desirable situation with everyone enjoying the opportunities being experienced each day. Mr. and Mrs. Sam Shumar and their daughter, Barbara are also playing hosts to an AFS student, Hilary Robb of England. They, too, are having an exciting and challenging year together.

In the United States there will be over 2,600 host families next year. One or two of those families will be in the Lake Forest District, hopefully. Any interested families are urged to call Mrs. Kukulka or Mrs. Mason soon.

Henry "Smokey" White receives a life time membership in the Harrington Ambulance Squad from Kenneth Collins Saturday night during the Harrington Volunteer Fire Company's annual banquet. See officer pictures on page five.

## Some Additions For Lake Forest Athletic Program

## Evaluation And Athletics Discussed

The Lake Forest School Board met in a special session Tuesday night at the W. T. Chipman School to discuss next year's athletic program in the district and the evaluation scheduled for W. T. Chipman School the last three days of March. Principal Earl Griffin and teacher Bobbi O'Neal of W. T. Chipman presented the Board with the school's philosophy and objectives for the Board's approval, a step in the evaluation process.

If W. T. Chipman Junior High School meets the qualifications of the 12 to 15 person evaluation team of educators from the Middle States Association of Secondary Schools and Colleges, it will be the seventh junior

high school in the state of Delaware to do so. The process is a detailed self-evaluation done by teachers and staff of the school, taking several years. Following this, a team from the Middle States Association reviews the material prepared by the school, and closely scrutinizes the school during the normal working school days. This is scheduled for late March. Both Principal Griffin and

Mrs. O'Neal expressed confidence to the Board that Chipman was "in good shape" for the process. The results of the committee's findings when they inspect the school in March will not be officially known until January, 1977.

The Board endorsed the philosophy and objectives as set forth by W. T. Chipman.

The Board then went into executive session, lasting over two hours to discuss

## Harrington Begins Bicentennial Plans

The Bicentennial is alive and well in Harrington. Following last Thursday night's meeting of the committee chaired by Councilman William Shaw, and including Mrs. Nancy Green, Mrs. Jo Ann Clough and Mr. and Mrs. Samuel Butler, the City can look forward to at least two phases of celebration.

A tentative plan is shaping around Memorial Day weekend, which the committee hope will include a parade and a full day of activities for the City, with community organizations involved. The committee is contacting the many organizations at this writing to see what types of activities the organizations will be interested in being responsible for during the day.

Many ideas were aired during the meeting held at City Hall, another of which was the possibility of creating a City crest and offering it on a Bicentennial item for City residents. The committee expressed no desire to have the Bicentennial a money making project in the City, but such a cup, plate or whatever the committee decided would be appropriate to use in displaying the crest would be available at whatever cost would be involved producing the item. The possibility of a contest to create a crest was delegated to Mrs. Samuel Butler.

A third item discussed was the possibility of having a large parade as Harrington's state contribution to the Bicentennial sometime during Fair Week. More discussion about this and specific dates will be discussed at the committee's next meeting, which is scheduled for Feb. 2 at City Hall at 7 p.m.

It was the feeling of William Shaw, chairman, that for the Bicentennial to be a success in the community, many people will have to give of their time and effort.

## Publisher Is Recovering

Harry G. Farrow, Jr. 42, Publisher of *The Harrington Journal* underwent a special treatment for the removal of his tonsils on Monday at Peninsula General Hospital in Salisbury. The treatment is known as cryo surgery, a process whereby the tonsils are frozen for eventual removal. The doctor administering to Mr. Farrow was Elias Adamopoulos, a well known and recognized physician and surgeon from Salisbury. The treatment lasted for 25 minutes. Mr. Farrow returned home the same day, and was confined at home for a few days.

## Ministers Protest At Woodbridge Meeting

Last Wednesday night, a group of ministers headed by Rev. William Fleischer, Jr. and Millard Benner came before the Woodbridge School Board to protest the use of certain books and movies for class studies at Woodbridge High School. The group was concerned with the way in which movies were screened and how books were selected and reviewed. Superintendent Foster Flint referred the matter to Robert Sutton, High School Principal and assistant to Flint who explained that all movies are viewed privately before they are shown to the students. Sutton said "...we must rely on what the reviewers and publishers tell us about the books. We do view each movie before it is shown." Sutton also said that the books and movies are rated in the following categories like violence, language, and exposure (sexuality), said Sutton. In one portion of the movie in question a word was used which the ministers felt was objectionable. At another point in the movie, a young boy was looking at a magazine supposedly of a nude. It was not visible to the viewing audience. Sutton claimed that his committee reviews all movies and then makes the recommendation to the Student Council for their approval. Sutton went further to recite the formula used and that simply stated is to try to keep the textbooks out until they are checked out. He said that they try to make it educational...and that is their approach.

know who was on the committee and who made the suggestions. The book under attack was "Of Mice and Men". Dr. Beckert pointed out that classic books like "Ben Hur" and "The Red Pony" were also very gruesome books that reported horrible happenings. Beckert also concluded that he thought those books worse than "Of Mice and Men." Beckert said as a boy he was taught by his teacher "...for the student to envision the writer's mind at the time he wrote the book or the particular chapter in the book." "If the written material is one designed to excite or prurient in nature then take it from the shelves," said Beckert. Sutton added that it would be virtually impossible with the time allowed to review every book to the extent that we were required to read every page of the book. "We must rely on the reviewers and publishers of the books," said Sutton. Beckert suggested that a group be appointed to read the material and guide the administration. Rev. Benner

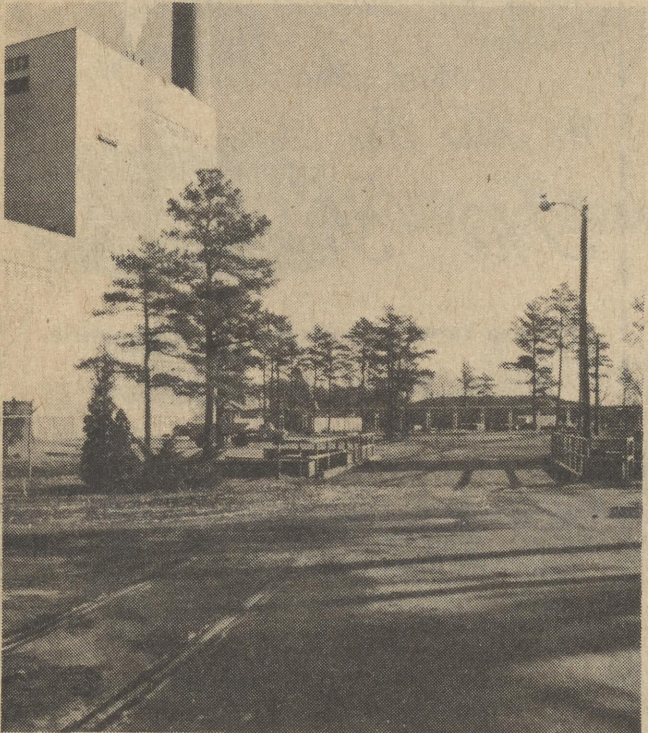

(Continued to page 7)

## Two Appointed

John E. Burris, of Milford, and John R. Butler, Sr., of Felton are two area men who have been appointed by Governor Sherman Tribbitt to serve on committees. Burris has been reappointed to the Unemployment Insurance Advisory Council for a three-year term, which began December 18, 1975. Butler has been named to the Governor's Committee on Hiring the Handicapped. His term began January 8.

Rev. Benner wanted to

(Continued to page 7)

This is the scene where the new Delmarva Power Indian River Power Station's 400 megawatt addition to its power plant will take shape.

## Power Station Expands

A lot of empty air space south of Delmarva Power's Indian River Power Station is about to be filled. Construction work for the utility's 400 megawatt addition to its lower Delaware coal-fired power plant is in progress.

The preliminary stages of the massive project include clearing land for the facility's substation and for the generating unit. Work is being performed by Gubert Associates, Inc., the general contracting firm for the job.

The unit, which will be coal-fired as is the existing 345 megawatt electric plant on the site, is scheduled for

1979 commercial service at a cost of approximately \$209,000,000.

The company plans a 211 ft. high building to house the new unit's boiler and turbo-generator. Those two pieces of equipment are on order from Riley Stoker Corporation and Allis-Chalmers Company, respectively.

Delmarva Power first announced its plans to build the addition to the Sussex County, Delaware generating facility on January 9,

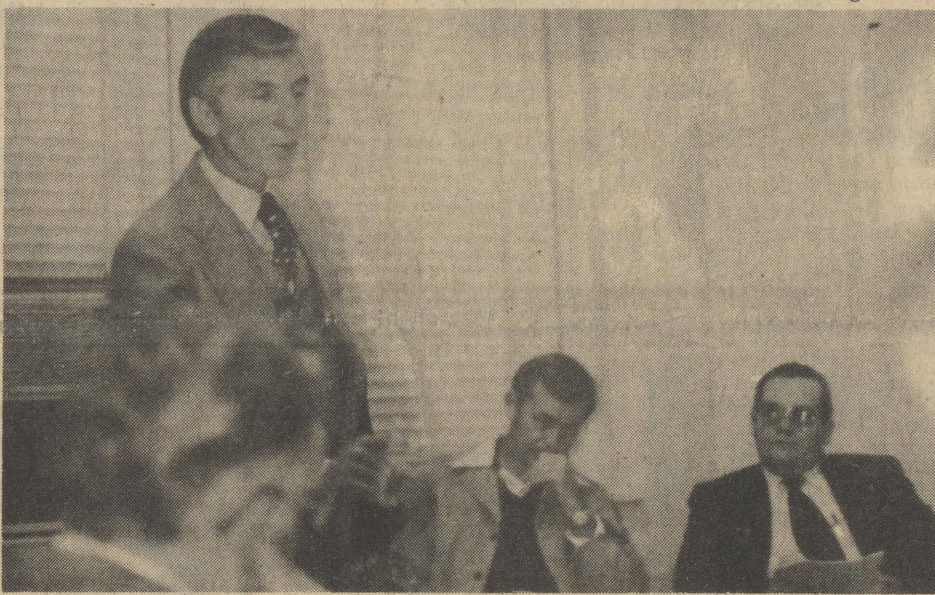

1974. Construction cutbacks announced by the utility in September of that year have delayed the actual start of the project for a year.

## ATTENTION

The City Council meeting will be Feb. 9 instead of Feb. 2

## To Contact Police

The phone in the police car for the City of Harrington 674-3066 has been disconnected. Call 674-3111 to reach the Harrington Police.

Ray Judy makes a point regarding transportation costs during the Woodbridge School Board meeting last Wednesday night. See page five for related story.

## Woodbridge Board Hears Protest, Report

Woodbridge School Board Allows Wage Increase, Hears Censor of Certain Movies and Books and Votes New Bus Pay Hike

The regular monthly meeting of the Woodbridge School Board was held last Wednesday night. The Board disposed of many items before them ranging from a minimum wage scale increase for employees in the district to discussion on the 8 percent cut ordered by Governor Sherman W. Tribbitt to a censorship by area ministers of certain movies and books and new pay schedule for the District bus drivers.

On January 1, the new minimum wage scale went into effect for Woodbridge which means school employees will receive as a minimum \$2.20 per hour.

The Board also heard from area ministers and parents regarding their growing concern for the use of certain books and movies which they feel should be more closely screened and reviewed before the high school students actually see them. See related article in this issue.

For the past several months, there has been a growing complaint regarding the pay for bus drivers and the use of their buses by

the Bus Drivers Association for Woodbridge School District when it related to short trips. The central issue before the School Board by the Bus Drivers was the extra-curricular trips, which were short ones and costly to the drivers. The Association proposed a minimum fee of \$25 and the approval of the mid-day formula. The Board passed this measure. See related article on page 5.

The Board received a medical report on Daniel Hostetler, the student who hit his head on the top portion of the bus door, and received a severe concussion. Pete Sizemore, Area Bus Transportation Supervisor, commented to the Board that "...there was no way a person could jump to the first step of the bus and as a result hit his head on the top portion of the door." "He could however hit his head... if he tried leaping to the second step of the bus, which is apparently the case," according to Sizemore. Hostetler was, at the time of the accident, destined to go to Milford Hospital. "When he began to lose consciousness, we sent him to Seaford (Nanticoke Hospital), commented Robert Sutton, high school prin-

(Continued to page 7)

## New Book Mobile For Kent County

Mrs. Christine Miller, with the Book Mobile area of the Division of Libraries since 1959 greets Mrs. Ann Kemp, a Harringtonian who uses the Book Mobile. Mrs. Miller explains some of the changes to Mrs. Kemp, who is among the many users of the Book Mobile here.

Here it is...in living blue and white...spacious and well-lighted inside with a red welcome carpet too...the long awaited new Book Mobile that replaced the 15 year old familiar two-toned green vehicle that was THE LIBRARY for many Kent Countians.

This vehicle, was purchased from Gerstenslager's of Wooster, Ohio for \$38,000, a federally funded purchase. In conversation with Mrs. Ruth Rusby, office manager of the Division of Libraries, she said the vehicle covers the entire Kent County area, which includes 44 stops and two schools as well. The Levy Court is under contract to the Division of Libraries to take care of the operational expenses of the Book Mobile, which amounts to \$30,000 yearly. What about the old faithful green vehicle? Mrs. Rusby reports [we] "will sell it, I don't know whether we'll sell it privately or at auction." So the Book Mobile is dead, long live the Book Mobile.

Chamber of Commerce president Leroy Calhoun inspects the spanking interior of the new book mobile that began servicing the Kent County area last week.

Mary Lou Wright of Vernon, also in the photo, is a substitute when one of the two regulars is not present. Tuesday she took the place of Mrs. Lois Landing, who is on vacation.

Fund Requests For Arts Council Needed

The Delaware State Arts Council announces to potential subgrantees that applications for funding of projects taking place between September 1, 1976 and August 31, 1977 must be in the Council office March 1, 1976.

Mr. and Mrs. Arthur Baker of Frederica and Frances Baker of Felton visited Mr. and Mrs. Emmitt Baker Sunday.

Mrs. Helen Rash visited Mr. and Mrs. Norwood Melvin and Mr. and Mrs. Laurence Tolbert in Hickman, recently.

Mrs. Howard Anthony was a weekend guest of her daughter and son-in-law, Mr. and Mrs. Lloyd Dimmitt...

Mr. and Mrs. Clarence Anthony were guests of Mr. and Mrs. Albert Vincent and sons, Sunday evening.

Mrs. Clarence (Ethel) Reed is convalescing at her home following surgery in Milford Memorial Hospital last week.

Mrs. Jean Longfellow Purse, a former Harrington resident, has undergone surgery and still remains a patient in Milford Memorial Hospital.

Mrs. Charles Morris observed her birthday Thursday, January 22. In the evening her visitors were, Mr. and Mrs. Bradford Morris, Mr. Joseph Ward and Miss Jennie Morris.

The most Rev. Bernard of Felton, House of Prayer Church, will render service at the Philadelphia Holiness Church February 14th. Loretta Hitchens visited Mr. Hilton Short of Berlin

On Wednesday, afternoon, January 21, the officers of the Greenwood Elementary-Woodbridge Jr. High School PTA hosted a buffet luncheon for their teachers and staff members. Approximately 60 people enjoyed the meal which included chicken salad, gloified rice, stuffed celery, watergate salad, various breads and snack crackers, a Jello salad and punch. Coffee and tea were also served.

The luncheon was held at the Greenwood Elementary School. The traditional school colors of green and white adorned the buffet table. The centerpiece was made of green carnations, white mums and white gladdiolas. Green and white candles were placed on either side of the centerpiece. Everyone who attended the luncheon agreed it was a very enjoyable occasion and expressed their thanks. The PTA usually has a planned activity every month.

Mrs. Dorothy Cannon entertained at dinner Wednesday Mrs. Frances Killen, Mrs. Ann Scott of Milford and Mrs. Helen Milder of Lewes.

Mr. and Mrs. Frank Mitchell visited Mr. and Mrs. Hubert Cannon Saturday night. Also Mr. and Mrs. James Cannon and family and Kelly O'Bier Sunday dinner guests.

The Bethel United Women will meet at the home of Mrs. Robert O'Bier on Monday evening Feb. 2 at 7:30 p.m.

Congratulations to Mr. and Mrs. Duane Anthony on the arrival of a new son born January 17th at the Milford Memorial Hospital. He has been named Brock Duane. Mr. and Mrs. Anthony have an older daughter, April.

Congratulations to Mr. and Mrs. Robin Breeding on the arrival of a new son born January 18th at the Milford Memorial Hospital. He has been named Jason Charles.

Mrs. Ann Calvert has returned home from the Milford Memorial Hospital.

Mrs. Jancies Finkbinder has returned home from the Kent General Hospital.

Recent visitors of Mr. and Mrs. Alton Breeding and Florence Walls were Mr. and Mrs. Kenneth Walls, Mr. and Mrs. Ronald Breeding, Mr. and Mrs. Jay Dinato and sons and Mr. and Mrs. Carl Baker and daughter.

Mrs. James Morgan visited Mr. and Mrs. Robin Breeding Friday afternoon.

Mrs. Jay Dinato is spending some time with her daughter and son-in-law Mr. and Mrs. Robin Breeding.

Mr. and Mrs. Ronald Breeding visited friends in Harrisonburg, Va. over the week-end.

Around Town

By Loretta Hitchens

George Riley of Lincoln visited the Browns at their home Sunday morning.

Mrs. Beatrice Jackson of Milton was the Sunday visitor of Rev. Loretta Hitchens. They attended the Sunday morning service at the Pentecostal Holiness Church near Harrington.

Elder Elwood Brown, Bishop Randolph Brown and Mrs. L. Hitchens visited Dickerson Chapel, Millsboro to enjoy the Old Ship of Zion Program, with Pastor Rev. Shields of the William Chapel Pentecostal Holiness Church, Bridgeville.

The most Rev. Bernard of Felton, House of Prayer Church, will render service at the Philadelphia Holiness Church February 14th. Loretta Hitchens visited Mr. Hilton Short of Berlin

Md. this past week. Mrs. Lulu Moore visited Elder Harry and Anna Sample Sunday at their home in Lincoln.

Freddie Walker and Miss Joyce Garrison of Millsboro will be married Saturday, January 31st at 2 p.m., at Dickerson Chapel with Rev. Robert Jackson performing the ceremony. Miss Garrison is the daughter of Rev. Loretta Hitchens of Harrington.

Mrs. Emma Mitchell of Greenwood called on Loretta Hitchens this past week.

Elder Harry Sample, pastor of the Phila. Pentecostal Holiness Church, Harrington and congregation, will soon visit the Church of God in Christ Holiness Church, Millsboro.

Senior Citizens News

By Sam A. Short, Jr.

Editors Note:

The following portion of last week's Senior Center News was overlooked by accident. It is therefore included in the article today.

The spot light falls this week on two of our out of town members who hail from Greenwood, Mrs. Ella Golt, and Mrs. Anna P. Tucker. Mrs. Golt known to all as Ella is a member of our Jolly Timers kitchen band as one of our Bazoooka players.

She is a retiree of the Devereaux School in Pa. and helps out in the ceramic department and with other duties at the center.

Ella has one daughter married to Harlan Cooper, a brother to the late Millard Cooper. She is a grandmother to the children of the Coopers.

She attends the Greenwood United Methodist church and is interested in civic affairs of their community.

Mrs. Ann P. Tucker, who moved to Greenwood from a farm out side of town owned by her husband. After his death she was a school teacher in Greensboro and also in Greenwood.

Ann has one daughter Mrs. Jean Ann Williams and a grandson. She is interested in the Civic affairs of her home town especially the 76 celebration the community is taking on. She has several years perfect attendance in Sunday School at the United Methodist Church she attends.

These two fine women are well liked and appreciated by all the members of our Center and deserve honorable mention for using and driving their own cars from

Greenwood to Harrington. Good Lunck, ladies, it is members like you who keep our Center going. Thank you a lot.

Monday, no band practice. So the men shot pool and the women made ceramics. Band will resume practice next Monday as usual. The directors of board is panning the two front rooms and putting acoustic ceilings on them.

Tuesday, the women worked on Ceramics in the morning and in the afternoon two of the fourteen members that are having birthdays this month attended the party and were served with ice cream and cake, while the members sang happy birthday to them. George Gooch then showed us a 2000 mile trip in Florida, the Sunshine State, including Tallahassee the capital, and Key West the southernmost point in the USA. The highlights were beaches of John F. Kennedy Space Center, the Parrott Jungle, the Lion Safari, the Seagaurum with wild animals roaming around such as Lions, giraffes and sea going seals and alligators. This was one of the prettiest films we had the privilege of witnessing.

Wednesday, Charlotte Pepper the blood pressure nurse visited the center checking on the blood pressure of the members. In the afternoon Bingo was the center attraction.

Thursday, The Frederica Center did not get to visit us this day on account of the weather. Mrs. Dora Taretsky is back in the hospital, the members wish her a speedy recovery of her ailment, and Betty Martin has gone to Philadelphia to one of the hospitals for treatment of her mouth.

Friday, Some of our members went to Milford for shopping and visiting our sick members in the hospital. Some of our bowling team bowled at the Milford lanes with Andy Anderson being top bowler with 264

pins, George Gooch 241, Dan Littmann 229, Fred Noel, 223, Marian Russum 208. These were for two games each - pretty good for senior citizens over 65, don't you think?

Members don't forget the county wide Carnival to be held at Dover from 10:30 to 3:30 Thursday, Jan. 29 come one, come all for barrels of fun.

New Phone Number

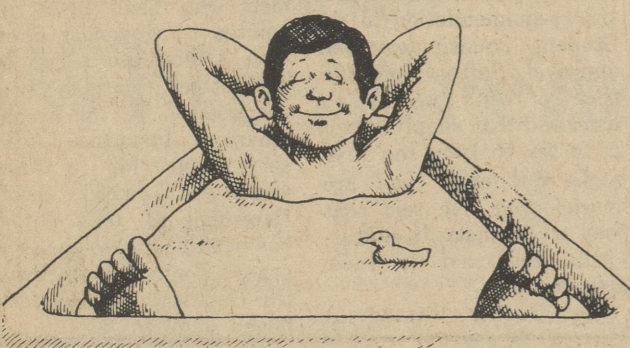

The main telephone number of the Kent Campus of Delaware Tech and Community College, Dover has been changed.

The former number, 678-4778, has been exchanged for 678-5321. The new number has been added to facilitate transfer of in-coming calls. Although the new number is in operation, the older one will not be phased out for several weeks.

# Woodbridge Board Hears Transportation Supervisor

Pete Sizemore, who holds the title of Area Transportation Supervisor for Woodbridge, Laurel, Seaford, and Delmar, came before the Woodbridge School Board meeting last Wednesday for two purposes: one was to discuss the so called eligibility of certain aged students to ride the buses free. This comes within the province of the State officials. Certain students will be permitted free bus transportation based upon their age and the distance from school. The old law regarding free bus transportation had been extended one year. "Beginning in September", Sizemore explained, "the new law will take effect." The K-through 6 students will get free bus transportation if they reside outside the 1 mile zone. The 7 through 12 students must reside outside the 2 mile zone. Sizemore went further to state that in the Woodbridge district some 40 students will be ineligible for free bus transportation (who are now getting it). "The old law will expire on June 30, 1976", according to Sizemore.

Once Sizemore had made his statements to the Board, Robert Messick, the Board member from near Farmington, shot back quickly "I cannot see the logic behind this reasoning, for it is not an extra expense like the State is trying to make out". Sizemore.... "I agree," Sizemore went further to point out that "...it cannot be an extra expense to him because his bus drivers would be passing these students on their way to pick up the other students." Messick said "...that it definitely would not represent any saving of money on the part of the State or anyone else." Messick made a motion that a letter be sent to the State Board of Education saying that "we don't agree with this". Dr. Beckert commented "...that if it doesn't cost anything why can't we continue to pick up the students. It doesn't make sense. The thing that troubles me is (when this new rule goes into effect) the situation where one of our kindergarten students is left standing out in the rain". Messick then wanted to know who was responsible for this new

legislation. He was told by Sizemore "Sen. Anthony Ciccone of New Castle County". Sizemore then commented that actually the bill sponsored by Sen. David Elliott of Laurel had more application, but according to Sizemore "...bill has been tabled by the Senate". Sizemore then pointed out that, in his view, the new legislation which Sen. Ciccone is talking has more application to New Castle County than it does in Kent or Sussex Counties. Sizemore said there were 40 students "all in the Greenwood area", who would be ineligible for free transportation beginning in September. Board member William Tull wanted to know from Sizemore "if restricting our routes will we save money". Sizemore answered "No". The Elliott Bill according to Sizemore would allow all students who lived 1 mile beyond the school to be eligible for free bus transportation. Messick said that the law should read "beyond city limits". Sizemore said this might be a problem in areas like Dover, where the city limits are spread out considerably.

The other matter which brought Sizemore before the Board was the question regarding the new proposal for bus pay. In the December meeting, the bus contractors had come forth with a new proposal for the School Board to consider. It meant doing away with mileage for short runs and proposing a flat fee which would be equivalent to what they would make if they made a 20 mile run. They were asking for a minimum charge of \$25.00 per trip. Ray Judy of Greenwood, representing the Bus Drivers' Association said the "drivers felt that a minimum charge was necessary to make it worth their time to take their buses out on short trips." Woodbridge owns a bus which is used by the District, and the bus drivers also realize that they are competing with the district bus. The short trips which the bus drivers are talking of are the so called field trips to someone's farm on the edge of town. According to Judy some of the bus drivers were turning in invoices for \$5.00. The drivers said that

it was actually costing them money when they made these short trips. Judy offered the following explanation and defense for the new proposal: at the November meeting of the Bus Drivers Association, the members voted to submit to the December School Board meeting a proposal for a new pay scale for contractors who were asked to make extra curricular trips. The proposal was to be based on the state mid-day formula with only one basic difference, and that difference was that the minimum price per trip should not be less than \$25.00. The mid-day formula now in effect calls for a minimum rate of \$15.00 for the first 20 miles and a per mile rate of 68 cents for additional mileage. What the bus drivers seek now under the new proposal is the minimum fee of \$25.00 and the rate of 68 cents per mile over the 20 mile figure. The drivers are also requesting lay over time of \$2.36 per hour.

Sizemore recited the percentage increase saying that the hike from 54 cents to 68 cents a mile represented a 26.4 percent increase. For the last two years, said Sizemore, Woodbridge was operating on a 49 cent mileage factor. The difference here is 39.4 percent. Sizemore told the Board to consider all points like license fee paid, insurance paid, depreciation of vehicle, etc. Sizemore also warned the Board that any decision contrary to the present rule would be a precedent setting one for the other school districts. Judy who then stated that "...there are many inequities in the old system". The chief objection from Judy's standpoint would be the short runs. The district bus driver gets \$10 for driving the bus where the drivers in the bus association all get the \$15, which covers gas, oil, depreciation, etc. The drivers were in effect turning in invoices for \$5 and \$6, because; the \$15 basic applied to 20 miles. The short runs were not amounting to that figure. Messick moved that the mid-day formula be followed, with the \$25 minimum fee.

Officers for the Ladies Auxiliary of the Harrington Volunteer Fire Company for the coming year and several Delaware Auxiliary visitors gather during Saturday night's annual banquet on the front row [l to r]: Fay Stayton - Asst. Rec. Sec.; Delores Collins - Asst. Fin. Sec.; Betty Taylor - Treasurer; Hope Minner - Asst. Treasurer. Back Row [l to r]: Doris Carelo - State Pres.; Janet Fisher - Kent Co. # Greenwood

By Pat Hatfield

News from Hickory Ridge Congregation Methodist Church: On Sunday evening, February 1 at 7 p.m. there will be a feature-length motion picture shown, based on the world-famous novel, "In his steps".

We are pleased to report that the goal of \$4000 for the Elmer Trice Fund has exceeded its mark. Mr. and Mrs. Trice are settled in their mobile home, which is completely paid. The people of Greenwood and surrounding areas have shown their generosity and concern for this elderly couple, which is deeply appreciated.

Please continue to remember those who are sick or shut-in. In Milford Hospital are the Rev. Richard Cople, Fred Scott, Watson Shew, Willis Rust, Mrs. Mary Hoch, and also Mrs. Ruth Wilkerson, Room 628B, Delaware Division Wilmington. Our sympathy is extended to the families of Mrs. Edna Schlabach, Norval Parsons and Walton O'Day.

Mrs. Ruth Wilkerson is a patient in Delaware Division, Room 628, Wilmington. We know that many of her friends will want to get in touch with her.

The Bicentennial Heritage Committee reports that there will be a display of quilts, old and new, plain and fancy, as a feature of the Bicentennial Soup and Salad luncheon to be held in the Fire Hall Wednesday February 25. The luncheon will be served by the ladies of Hickory Ridge Church as a part of their Bicentennial program.

Miss Kelly Ryan was an overnight guest of Hilary Keith on Friday.

children, and Hilary's house guest, Miss Kelly Ryan, enjoyed Friday evening dinner in Dover, in celebration of Hilary's eleventh birthday.

Mr. and Mrs. Walter Mills were Sunday afternoon visitors at the home of Mrs. Helen Workman.

Mr. and Mrs. Robert Shortall of Pot Nets were Sunday dinner guests of Mr. and Mrs. Edgar English. Sunday afternoon callers were Mr. Marshall Hart of Magnolia and Mrs. John Roast of Seaford.

Mr. and Mrs. Gary Davis and children and Mr. and Mrs. Gary Bollinger and

# Neville Is Promoted

William J. Neville has been promoted the post of Division Engineer for Delmarva Power at Exmore, Va. Prior to his promotion, Mr. Neville had been the Assistant Division Engineer in the company's Harrington Division.

Mr. Neville has been with the power company since 1965 and holds a Bachelor of Science Degree in Mechanical Engineering from Virginia Polytechnic Institute. The new position will bring Neville, a Cape Charles native, back to his starting place of employment with Delmarva Power. Mr. Neville had been Assistant Engineer in Exmore before joining the Harrington Division.

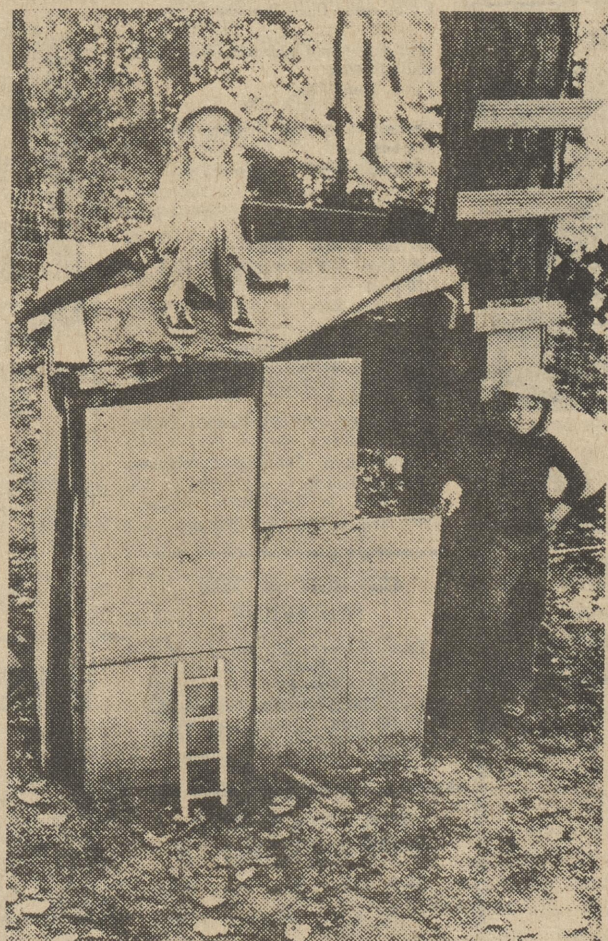

While residing in Delaware, Neville was a member of the Milford Avenue

United Methodist Church and the Lions Club.

Mr. Neville, his wife Dawn, and their two children will be moving from their home in Milford to the Exmore, Virginia area.

# Building or Remodeling?

If you are building a new home or remodeling, and, if electric heat is in your plans, please give us a call. Our Energy-Efficiency Team is anxious to help you. They are a group of experts ready to advise any residential, commercial, or industrial customer on the right way to install and use electric heat. It's a good bet that our Energy-Efficiency Team will save you money and electricity. Their service is free, of course.

# Greenwood PTA Hears Reading Tips

During their Monday night meeting, the Greenwood PTA heard reading tips from Marie Shockley, reading supervisor and project director for the Title I program in the Woodbridge School District. Although her remarks were for the gathered audience, they apply to any parent as the title of her comments was "Parents are Reading Teachers." Among her points were things parents could do at home to encourage their children to read. Included were: encourage the child to read, read to the child, praise the child, and especially let children see parents reading. Miss Shockley remarked it was important for the father to be seen reading, in order to dispel the theory that some children have that reading is for girls alone.

She also suggested that parents have a designated time during the day to read, have a place for the child to keep his books and to encourage reading for pleasure.

A question and answer session followed Miss Shockley's talk.

### Spartans Win Three More in Basketball

During the past week the Lake Forest Basketball team picked up two more victories, one over Holy Cross on Friday and the other one over Seaford on Saturday.

On Friday the Spartans avenged an early season one point loss to the Crusaders as they won 55-48. The Spartans fell behind early as Holy Cross led by the inside shooting of Pat Savini led 15-13 at the end of one period and 29-24 at the half. The Spartans took the lead in the third period and never relinquished it as they outscored the Crusaders 31-19 in the second half.

The big difference in this second game over the first was the Spartans defense. In this contest they were able to stop Holy Cross from getting the easy inside shot, especially in the second half.

In the first game between these non-conference foes this season Holy Cross's all-state guard candidate Dave Schellhardt scored 20 points and constant inside drives gave Savini easy inside baskets. It was different in this second match as Schellhardt was not allowed to penetrate and scored only five points on the night before fouling out. The Seaford game was alot tighter as the Spartans didn't clinch the victory until the fourth quarter. Again it was the Spartan defense which was the key as late in the game the Spartan defense came up with several steals.

Last night the Spartans tied Indian River for the lead in the Southern Division by winning their seventh game against only two losses beating Caesar Rodney 65-49. The Spartans were led by once again a balanced

scoring attack as Bill Moore scored 16 points and Sam Carey scored 15. Ron Shockley and Frank Coursey added eight points each.

This Friday the Spartans will face one of their toughest

contests of the season as they will take on 10-1 Cape Henlopen at home. The Cape is the defending state champions in basketball. Game time is 6:30 for JV and 8:00 for the big varsity tilt.

### Woodbridge 5 Lose To Milford

On Friday night, the Woodbridge Blue Raiders let opportunity pass them by once again. The Milford Buccaneers, who have been an up and down team all season, showed a rare bit of spark as they blew the Raiders off the court in the third period.

Woodbridge led at the half by seven points (32 to 27). In that disastrous third quarter, the Bucs out-scored the Raiders an unbelievable 40 to 4. Although the Raiders came back in the

fourth quarter to out-score Milford (17 to 16), the damaging third quarter had taken its toll.

Milford went into a man-to-man full court press in the third and fourth quarters. It proved to be the winning strategy, Louis Dexter paced the losers with 19 points getting most from the outside. Spank Neal ran in 18 points and pulled down about as many rebounds.

Woodbridge's next scheduled game is Tuesday with Seaford at home.

### Girls Scouts Take Cookie Orders

On January 23, Girl Scouts began to take orders for the cookies that help make Girl Scouting possible for 14,000 girls in the Delmarva Peninsula.

Each box of cookies purchased will contribute toward the further development of programs of educational value for girls in the three state area.

From January 23 through February 8, Girl Scouts will take orders in residential areas for five kinds of cookies. The varieties which sell for \$1.25 per box

cookies will be delivered to customers by the girls from February 24 through March 9.

The annual cookie sale, coordinated by the Chesapeake Bay Girl Scout Council, provides Girl Scouts with the opportunity to raise money to support their troop activities. Some of these activities include career exploration, environmental projects, community service activities, and outdoor program.

A portion of the profits also helps support ongoing services to troops, the maintenance and improvement of camp sites, and camp scholarships provided by the Chesapeake Bay Council. Profits also enable local Girl Scouts to attend national and international Scouting events.

The Chesapeake Bay Girl Scout Council has its business office in Wilmington, Del., and service centers in Denton and Salisbury, Md., and Lewes and Dover.

The Harrington Moose Lodge #534 won the district pool tournament held this past weekend at Harrington. Shown in the photo [seated l to r] are: Dick Crouse, Bob Carroll, Bob Faulkner, Garry Morris, Mike Graham and George Shaw. Standing [l to r] are: Sam Faulkner, Eddie Jones, Al Melvin, Louis Overstreet and Joe Dopirak.
