Charged With Attempted Murder

Crisanto C. Gonzales, 29, of Milton, has been charged with attempted murder and first degree burglary in connection with a burglary at the home of a 95-year-old Bridgeville man last June, according to State Police. Police said Gonzales was arrested in the Milton area last week. They said Gonzales allegedly tried to climb through a window into the home of William H. Elliott Sr., 95, of Del. 18, four miles west of Bridgeville. Police said Elliott was awakened by the sounds in the next room and went to the window with a shotgun where he began to argue with the intruder and shoot at him. The burglar reached in and grabbed the gun from Elliott, according to police, and began firing back at him. Police said Elliott returned fire with a .22 caliber rifle and the burglar fled after he ran out of shotgun shells. Gonzales was arraigned at Magistrate Court 3, Georgetown, and committed to the Sussex Correctional Center, Georgetown, in default of \$20,500 bail. Police said one of Gonzales' eyes had been removed at Delaware Division Hospital, Wilmington, due to a bullet wound received in the incident last year.

City Gets Project Update

Harrington Mayor William Minner and Council heard from City engineers of Richardson, Associates, Monday night during a meeting in which they were updated on the City's various water and sewer projects. Among these was an update of the Environmental Protection Agency project, which is the water infiltration project. The firm is in

the process of drawing up specifications for correcting the problems and this will be the problems. The City heard its position on a community development request for a grant which will finance a study for overall drainage for streets, lighting and water to developed area and an aeriz photo. The grant is in the process of reaching final approval.

Tom Draper, president of Milford Chamber of Commerce dinner listens as Senator William Roth responds to questions posed during an open question session following a Milford Chamber of Commerce dinner Saturday night.

Senator Joe Biden could be saying "Uncle Sam wants you"...what he did say was that "You want more government," one of the senator's many remarks during the Milford Chamber dinner Saturday night.

300 Attend Chamber Dinner

More than 300 were in attendance Saturday night at the Milford High School where the annual Milford Chamber of Commerce dinner was held. The crowd turned out to hear from Delaware's three men in Washington, Senators William Roth and Joe Biden and Representative Pete duPont. All responded to questions posed by the audience and by Tom Draper, the local Chamber president who had a list of questions people had sent in. Senator William Roth led off the two hour program, whose general comments were an expression of opposition to many new federal programs, stating they "take control away from the

local level." He felt every area of federal activity "has to be reviewed and take a comprehensive view every four years." Roth expressed the need for everyone to display self-discipline in an effort to curb federal expenses. Roth said he would like to see Congress act on catastrophic insurance legislation this year, which would protect persons where there is a major illness. Senator Roth's remarks were brief since he and his wife were scheduled to be in the receiving line at the Kent County Bicentennial Ball. Chamber President Tom Draper addressed the group and began what became the format of a question-answer

Water, water everywhere . . . but not in Harrington Thursday

It appears everyone is trying to think of a solution to the problem here, when a construction hitch put a cramp in the City's water supply for about six hours Thursday. The contractor installing a ten inch line on Mispillion Street to the new Turnkey project west of the City loosened a valve in the digging process, resulting in

a loss of pressure. Water service resumed around 6 p.m. that evening. City Manager Bobby Quillen stated "We appreciate the attitude of the citizens' understanding the inconvenience caused by the unforeseen occurrence."

Building Plans Stated At Woodbridge Board Meeting

During the Woodbridge School Board meeting last Wednesday night, Dennis Harcum, assistant Ag teacher at Woodbridge presented a diagram drawing of the proposed new shop or ag building at Woodbridge. The original measurements were 24' x 64'. The building was to be located just to the east end of the greenhouse and adjacent on the west side of the tennis courts.

The other major points of the building included two classrooms and two large doors (12' x 12' and 12' x 18') for the moving of large farm pieces of equipment through for maintenance and repair. There was to be provided an area for steam cleaning. Harcum presented a plan on Wednesday which called for an additional 24' in length or now 44' x 88'. There will be a "loft" or storage area over head. The added dimensions Harcum argued would give him two classrooms in which to work under better conditions. The original cost for the proposed building which has

been approved by the Department of Public Instruction (DPI) was to cost between \$15,000 and \$17,000. With the addition of the extra foot it will mean that the building will now cost about \$23,000. This will include just the "so-called shell with a concrete floor." It does not include finishing the building.

Harcum told the Board the need for better classroom provisions was greatly needed. The building the Ag Department will be abandoning will be taken over by the custodians at the school for the storage of their equipment and supplies.

Noah Cain, long time Ag Teacher at Woodbridge, had high praise for the School Board and the Administrators who have made every effort to provide the Ag Department with this facility. Board members William Tull and William Vanderwende pointed out during discussion the classrooms, which originally called for positioning on the far end of

the building or extreme east end, would be in the wrong positions, for "...you would find students on rainy days or otherwise walking through the shop area to get to the classrooms," according to Vanderwende. Both felt the classrooms would be

Bicentennial Plans Progress

On Thursday, Feb. 19 the Bicentennial Committee met at the Town Hall to discuss the up coming Bicentennial celebration for the City of Harrington.

Along with the Design-A-Crest contest advertised in this paper, the committee is also sponsoring a beard growing contest.

Rules and entry blanks are at City Hall. The current plans are now for a one day celebration, May 31, 1976 at the W.T. Chipman School grounds starting at 10 a.m. with a memorial service.

The day will cover many events, including shows, games, and contests. A complete schedule will be published as soon as it is completed.

Schools Close

All schools of the Lake Forest School District will be closed on Friday, March 5 since this will be an inservice day for teachers and administrators.

Chance For Posterity . . . Design A Crest . . . For Harrington . . .

The newly formed Harrington Bicentennial committee is looking for all members of the Harrington community with imagination.

The committee is conducting a contest for the design of a crest the city can use as a design for a Bicentennial souvenir, and possibly also for a flag.

The crest should be a simple design, containing pictures of things that symbolize something about Harrington, arranged in a harmonious composition.

As an example, the flag of Delaware contains a design with two figures on a diamond shaped background, with several other details.

A \$50 savings bond will be given to the person who designs the winning crest.

The deadline is Monday, March 1, but may be extended to the following Monday. All entries can be sent to the Harrington Bicentennial Committee, in care of City Hall, Harrington, Del., 19952.

People may enter as often as they like.

The committee hopes many members of the community will enter this contest and enjoy the pride one can feel from this kind of experience.

The winner's name will enter the annals of Harrington history. They may not get another chance like this for another hundred years.

Thanks To Joan Oakley

In a previous issue, an article appeared about local medal winners who were involved in the Special Olympics held at the University of Delaware. The article and pictures were supplied by Mrs. Joan Oakley, of Commerce Street. Mrs. Oakley, a swimming instructor at the YMCA in Dover, has been involved in the coaching program for these students and it was through her efforts the young people were given the credit they deserve.

Francisco Morales Visits Harrington Rotary Club

At the Harrington Rotary meeting Monday night, Francisco Morales, an 18-year-old AFS student from Ecuador, visited with the group and told about his native country.

His host parents, Mr. and Mrs. Leonard Outten of Harrington, were also present.

About twenty Rotarians and wives listened as Francisco gave a talk accompanying a descriptive slide presentation of views in and around his home city Ibarra, which has a population of approximately 50 thousand people. It is bordered by mountains.

The size of the community and the absence of hills and mountains were first impressions that Francisco recalls upon first arriving here.

The 18 year-old has enjoyed the various sports at Lake Forest, of which basketball and soccer are the only two with which he is familiar. He was a member of the Lake Forest soccer team this season.

"I like the people" remarks Francisco, of his reactions to his surrounding. He also has a fondness for turkey, which was served during the Monday night dinner meeting.

The youngest son of a jeweler, he is not decided about his future, although at the time of his interview with *The Journal*, he was considering taking up medicine, a profession followed by one of his brothers. An older brother is also a jeweler, another brother is studying architecture His sister is in the process of obtaining a master's degree in education.

Francisco also spoke of the culture in his country,

much of which is reflected in the magnificence of Ecuador's churches. Ninety per cent or more of his country is Catholic.

The Indian population of the country are also involved in the culture, being responsible for many handsome creations, some of which were circulated for inspection during the meet-

Mi Tierra

by Francisco Morales

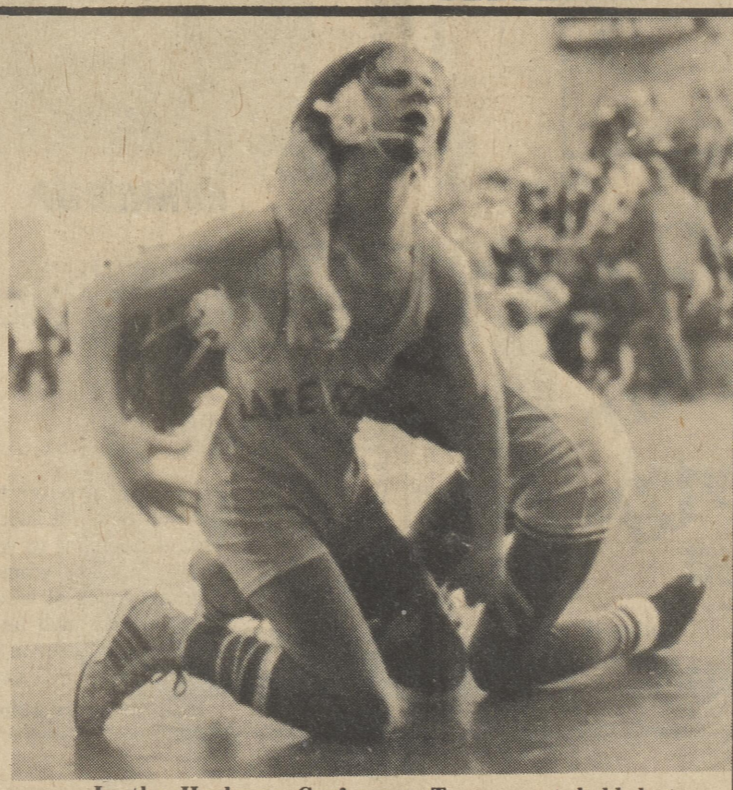

In the heart of South America, we find Ecuador with its delightful climate and irregular topography. Bordered on the west by the Pacific Ocean, Ecuador stretches south from Colombia to Peru. This wonderful country is crossed by two ranges of the Andes. Between lies a plateau where most of the tillable land is found.

Quito, the capital city, is guarded by the world's highest active volcano, Cotopaxi. Here is Quito is where the most important events have taken place that are devel-

oping daily the history of a nation that started its existence only a few centuries ago. When the sun shines we see the creative imagination of the primitive people. Those who visit Ecuador fall in love with it when they see the architecture of the churches, the contrast between the old and new. Quito, the museums, the streets, the folklore, and above all, the kindness of the people. Many people have said-- "Ecuador is the entrance to America." "Ecuador is

Observes Birthday

Mrs. Anna Elliott was pleasantly surprised on Saturday evening, Feb. 21 when she arrived at Todds

Community Building where she thought she was attending a musical program. Six-

ty-three relatives wished her a happy birthday. She was presented a beautiful

orchid, the first of many lovely gifts. The occasion was planned by Mrs. Elliott's nieces and nephews.

Senior Citizens News

Monday

The Kitchen did not practice this week nor did we get to visit the Fletcher's Nursing Home because of so much sickness.

Tuesday

The birthday party went over big this month with seven members attending. Several members displayed Hobbies that were very interesting.

Wednesday

Several members from the Frederica Center visited our center today and witnessed the electric skillet cookery program and in the afternoon helped us play brown bag bingo.

Thursday

A bus load from our center visited the County Wide President's day at Dover and were nobly entertained by the Dover High Band students.

A piano duet with a trumpet player with Tom Oconner at the key board was very much enjoyed by all

attending. The members reported a very excellent time.

Friday

On this day the members who like a game of pool enjoyed several games in the morning and in the afternoon nine bowlers went to the Milford Lanes. Fred Litmann was top man with 296 pins; Jim Konecki, 262; Dan Noel, 259; George Gooch, 258; Marian Rissum, 218; Betty Martin, 208. That is a good average, six out of nine getting over 200 pins for two games. Keep it up, guys, you're getting better.

This week the spot light falls on another one of our Felton members, Mrs. Houston Short, known to all as Anna Mae. This fine lady I should be able to say a lot about, being her name is Short. So what I'm going to say is good.

She and her husband just last month celebrated their 55th wedding anniversary, taking a trip to Florida

visiting their son who lives there. They have a daughter, I believe they say, living in Dover.

Anna Mae is very well liked by the members who know her. She visits the Nauman, Betty Hacker, and week and helps out in making ceramics.

She attends church regularly. We are proud of our rural members and know they are proud to be with us, that is what makes a perfect organization with the gathering of good friends. This is the spice of life.

Judi Melvin Howard Represents Montgomery Ward

Judi Melvin Howard of Harrington has been named field/sales representative for the Harrington-Felton area. Mrs. Mary Keller, manager of the Ward's store in Milford, made the announcement earlier this week. Mrs. Howard's duties will be mainly in the area of rendering estimates on carpeting, fencing, kitchens and similar items coming into contact with most of the 150,000 items which Montgomery Wards markets.

Mrs. Howard is a 1968 graduate of Harrington High School and a 1970 graduate of Del-Tech in Georgetown. She may be reached for further information after 3:30 at 398-3077.

Considers Merchants Association

During its monthly meeting, the Harrington Chamber of Commerce members discussed the possibilities of reinstating a retail merchants association for the City. Robert Taylor, who lead the meeting after President Leroy Calhoun excused himself because of illness, heard comments regarding the proposed association.

Plans are underway by the Chamber to take the necessary steps in informing the area merchants of the proposal, a move the Chamber hopes will help spur consumer interest, as well as make the activities of the local Chamber more interesting to the local businesses.

...he possesses that certain pazaz, and he probably could have bailed out the Hamilton Bank if they had called him.

Two weeks ago the Hamilton Bank of Hamilton, Tennessee went bankrupt. To practically all the citizens of Hamilton as well as the entire world--life went on as usual, and no one really got upset about it all.

I thought it fitting to pull on this example because of our situation here in Delaware regarding the Farmers Bank. Some of the media have really had a field day, and for the most part the stories have either been stale or not wholly true.

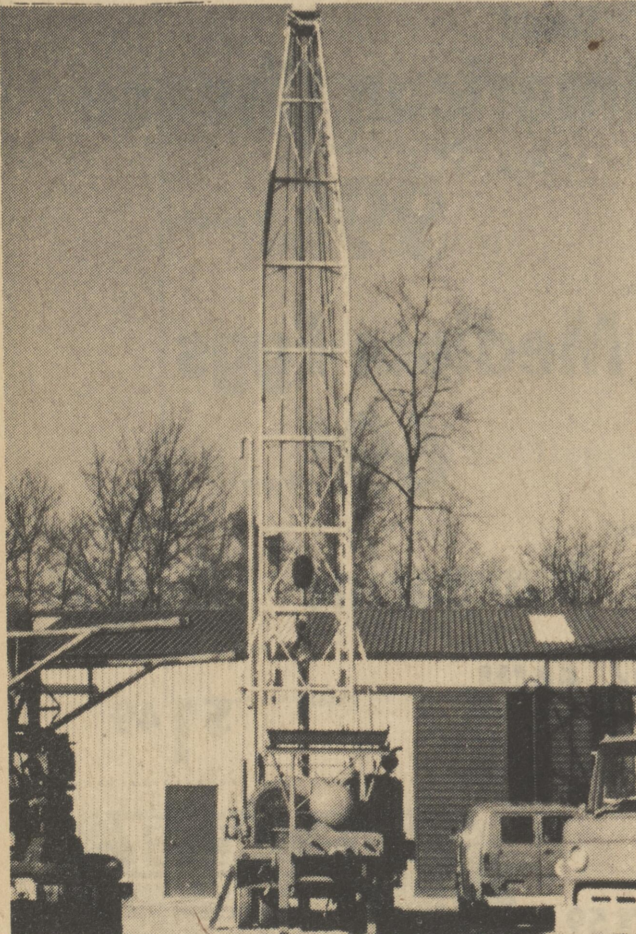

There are a couple of interesting points coming out of the Hamilton situation. One...it was the third largest bank in the history of the U.S. to go under, and secondly the issue of whether "the Board of Directors of the Bank should disclose all regarding the Bank's affairs to the general public...or for that matter to stock-holders."

With the situation at Farmers, the Bank has had it from all sides...from the politicians as well as the news media. The hue and cry for Farmers sculps went out...but this will soon die and die hard.

For two years while I was employed by Farmers, I worked under him and I feel that I know something about him. Those who have been associated with him know him to be an able person capable of working the Bank out of its present difficulties.

When Ed Hagemeyer came to Delaware and the Farmers Bank in the '50's, he found a banking community as well as a social community in Delaware that was both conservative and clannish. He broke through both, however, and began to take on more and more duties at the Bank.

He came back however with a great determination to become Senior Vice-President and Trust Officer. Today he commands it all. I think by this time you would agree that there is "a person" at Farmers today with that little extra.

Need a 50 foot hole drilled to a depth of 1000 feet? Or perhaps one of smaller diameter to go 2500 feet? Delmarva Drilling of Bridgeville has a new drilling machine that can do the job.

Career Corner

By Buck Thompson

printed in the Journal for youths

If you ever visited the General Motors Plant near Wilmington, you've seen mass production at work. Each assembly line worker puts one part in place or makes one small contribution to every car on the line.

For mass production to succeed, all the assembled parts must fit in place exactly. Special precision tools are needed to make these identical parts. Who makes the special tools? Tool and die makers.

Tool and die making are actually two separate crafts, grouped together because of their close relationship. Tool makers construct and repair the metal cutting tools used in machines such as engine lathes or drill presses. They also produce metal jigs and fixtures (used to hold metal which is being stamped or drilled), molds, instruments, and precision measuring devices.

Tool and die makers are not specialized machinists. They are highly skilled, creative workers. They usually work from blueprints prepared by tool designers and draftsmen, which tell the exact shape, size, and metal content of the tool to be made.

Tool and die makers usually train in a four to five-year apprenticeship. Others combine trade or technical school with on-job training. In either case, additional years of work experience may be necessary before the craftsperson is considered fully skilled.

The biggest numbers of tool and die makers work in plants producing manufacturing, construction and farm machinery equipment. Auto, aircraft, and other transportation equipment industries also employ these craftspeople. Others work in small tool and die shops and in companies making electrical machinery.

Since the machinery, transportation equipment, electrical parts, and metal working industries are expected to expand, experts predict a continued and growing need for tool and die makers. However, technological advances in metal working are expected to increase the output per craftsperson, causing the demand for tool and die makers to grow somewhat

more slowly than the metal working industry itself. In addition, new electrical discharge machines and numerical control machines could require fewer of the special tools, jigs, and fixtures made by tool and die makers.

A skilled tool or die maker may advance to a supervisory position. Sometimes the job opens a path of executive positions in the metal trades. Tool and die makers with selling ability might become machine-tool salespeople.

Testimonial:

"Congratulations to the Harrington Journal for providing space and having a 'Career Corner' by Mr. Buck Thompson." The February 19th issue in particular reflected the obvious interest in letting our future business leaders of tomorrow in on the facts of the retail sales field. Being in the retail community myself and working with the local Distributor Education Program, I fully support this type of article which reflects the inherent need in going youth of today a valuable job and career explanations.

Open Letter to Chipman Parents

Dear Parents, I am sorry that I did not remind you of the course in "Family Communication" being offered on Monday nights at Milford High School as part of the continuing education program.

your child, I hope you calls and, in some cases, your visits have been helpful. I am glad when I can be of service, and I want to feel free to ask for my services. If I cannot handle the matter myself, I can get in touch with others on the staff to help me. We try very hard

to work together, for we want to provide the most help that we can for every one of our students. Please help us to help you to keep you child. Until next week... Sincerely, Sarah S. Webb Counselor

Teens Dance For DYFH

Young people from throughout Sussex and Kent Counties are invited to participate in a 10 hour dance marathon to be held next month in Dover.

Sponsored by the Kent County Chapter of Delaware Youth for the Handicapped (DYFH), the dance is scheduled for Saturday, March 27 at the Dover Central Middle School Gym. All proceeds will help and handicapped children to summer camp.

In addition to a \$100 grand prize for the couple dancing will be offered. Couples are urged to register early and get sponsoring organizations actively involved in obtaining pledges for each hour of dancing.

"We hope to get as many contestants as possible," says Kent County dyfh president Shari Mays. "The more people and pledges we get, the more support we can give to handicapped campers." Couples and organizations interested in sponsoring couples should contact Sheri Stephenson, 26 Lakeview Drive, Dover, at 734-5605.

Panamanian Students Visit In Delaware

Fifty-nine Panamanian high schools students are studying in Delaware in an exchange program organized by the State Department of Public Instruction and the Newark School District.

Robert Zaetta, state supervisor of modern foreign languages, said many of the students are from David, Panama's third largest city. Four teachers are accompanying them, led by Osvaldo Anderson of David. The students arrived here February 14 and will remain until March 28. They will attend public schools and live with volunteer host families that include a son or daughter who is learning Spanish.

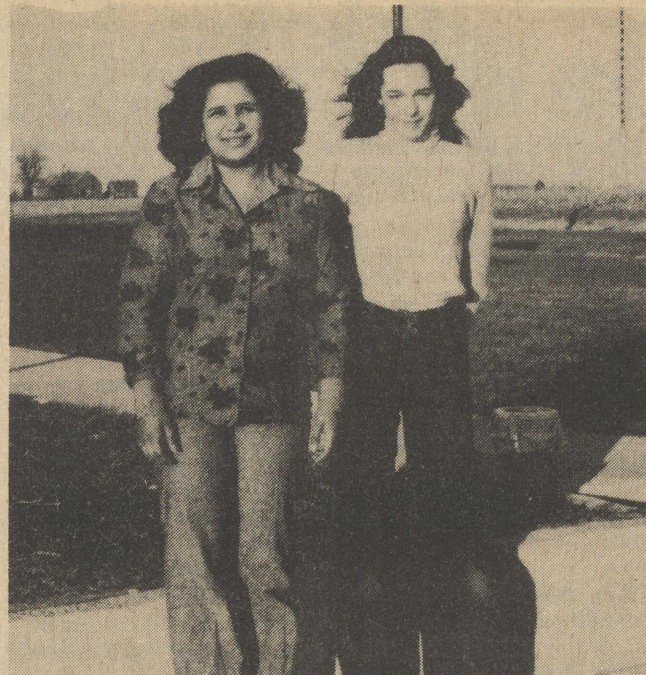

13 of the students will attend schools in Newark District; 9 in Stanton; 4 in Alfred I. duPont; 1 in Claymont; 4 in De La Warr; and 1 in Conrad.

Downstate high schools receiving the visitors are Smyrna, 3; Dover, 5; Caesar Rodney, 11; Lake Forest, 1; Laurel, 2; and Seaford, 5.

The exchange calls for Delaware students to visit Panama this June.

The program revives an annual exchange that began when Delaware and Panama were paired for such events under the Alliance for Progress.

Assisting Dr. Zaetta on the project is William H.

Alicia DeFed, 15, of Panama [1], is shown with her American hostess, Carol Biggs, also 15, of near Felton. Miss DeFed is attending Lake Forest High School as part of a language exchange program. She is one of a group of Panamanian students in Delaware this month.

Bohning, coordinator of foreign languages for the Newark District.

Alicia E. DeFed is the Panamanian student in the Lake Forest School District. The 15 year-old miss is staying with the Robert Biggs family of near Felton. Their 15 year-old daughter, Carol, is a second year Spanish student, and she more or less serves as guide-hostess for her visitor.

Alicia follows Carol's schedule during the school day, or that of her friends. She participates during the Spanish classes and is scheduled to speak before the Spanish Club while here.

During a brief interview with **The Journal** we learned Alicia, who arrived last Sunday, has been making the rounds teens would expect to make, including attending a wrestling match, bowling and a visit to Pappy's

(where she happened to discover a Panamanian who worked there...small world).

Carol Biggs said the family plans to take Alicia roller skating, but she seemed apprehensive when they first showed her the skates.

What does she hope to take back to her country? American clothes, including blue jeans, which are not available there. She also plans to take back American records.

The families of hostess and visitor are similar since both are involved in some phase of farming.

Will Carol be one of the exchange students to visit Panama in June? She remarked she wasn't sure. "I'd have cold feet, but I'd go."

Dies Playing With Gun

An 8-year-old Bridgeville boy was killed by his father's shotgun last Thursday, state police said, and the boy's 10-year-old brother was held as a delinquent. According to police, Willie Lee Edwards Jr., who lived in Sussex 524, four miles east of Bridgeville, was pronounced dead on arrival at Seaford Memorial Hospital, Seaford shortly after the 3:30 p.m. shooting. State police said Edwards had returned home from school with his 10-year-old brother. The pair went to their father's bedroom, police said, and were "playing" with his 12-gauge shotgun, when it fired, hitting Edwards in the upper back. He was a student at Woodbridge School in Bridgeville. Survivors include his parents, Mr. and Mrs. Willie Lee Edwards Sr.; a brother, Derrick; a sister, Yolanda Mae, and his paternal grandmother, Josephine Edwards, all of Bridgeville; his maternal grandmother, Frances

Miss Dickey Engaged

Rev. and Mrs. Kenneth M. Dickey of Greensboro, Md. announce the engagement of their daughter, Virginia Ellen, to Melvin Lee Wells, Jr., son of Mr. and Mrs. Melvin Lee Wells, of near Salisbury, Md. The wedding will take place in St. Paul's United Methodist Church, Greensboro, Saturday, April 3, at 2 p.m. A reception will follow the ceremony in Wheatley Hall. No formal invitations are being sent, but friends and relatives are invited.

4-H Club News

reported by Dale Jarrell

Bruce Betts lead the club in the Pledge of Alligance and 4-H Pledge. Mike Everline read from the Bible. A poem was read by Bobby Vincent. Dale Jarrell led the club in singing a song. A health report was given by Donna Shulties on "Eyes." The safety report was given by Karen Butler on "Fire Fighting."

The club won first prize in the Kent County 4-H Talent Show. The club voted to send \$25 to Panama, which will be used to purchase rabbits, that will be used for food. Demonstrations were given by Mike Everline on "The Broiler" and Lisa Bostic on "Get Reddy, Get Set."

Scout News

During the months of November, December and January much research was done for badge requirements. Special thanks to Miss Linda Kates who gave a class on macrame. On Saturday, November 26., Ruth Ricker, Lizzie Way and Mrs. Evans attended an Inter-Council Patrol leaders Workshop in Georgetown.

The Harrington Christmas Parade on Dec. 6 represented a good turn-out of our marching troop. December 10th, elections were held and are as follows: "Hot Lips Patrol"-Leaders, Lori Sapp; Assistant, Hope Benson; Stephanie Lang, Janie Powell, Ruth Ricker and Lizzie Way. "Hot Stuffs Patrol"-Leader, Theresa Smith, Assistant, Cathy Marsan, Darlene Buchanan, Kathy Coppock, Hope Evans and Faye Kates. "7-6-5-4-3-2-1 Blow Your Whistle Patrol"-Leader, Kibbie Way, Assistant, Alicia Jackson; Suzie Asbury, Cheryl Cerklefskie, Becky Marsan, Shannon Swafford and Liz Weeks. Troop Scribe elected was Fay Kates and Troop Treasurer was Kathy Coppock. Our Candlelight Rededication Ceremony, Christmas

Party and the making of our Christmas craft on Dec. 17 proved to be a very busy night for all scouts. On Monday, Dec. 22, our troop and Junior Troop #257 gathered together for Inter-troop Christmas caroling during the evening. Both troops met afterwards at the Trinity Methodist Church with Pixie Troop #332 and #684 for playing games, hot chocolate and cookies. Special thanks to Miss Rhonda Melvin and her assistant Miss Heather Billings for her accomplishment on the guitar during the caroling. Friday, Jan. 2, our troop traveled to the Capitol Skating Arena in Dover, for an Inter-Unit scout activity with Junior Troop #492 of Greenwood. Due to the disbandment of Jr. Troop #257, Scouts Regina Benson, Sharon Burton, Katrina Draper and Patricia Draper attended their first meeting with us Jan. 28 as new transfers. Badges earned recently are - Sign of the Arrow - Lizzie Way; Dancer - Cheryl Cerklefskie, Becky Marsan, Cathy Marsan, Kibbie Way, Lizzie Way, Liz Weeks; Drawing and painting - Thersa Smith; My Home -

Faye Kates; Water Fun - Lizzie Way; World Games - Ruth Ricker and Shannon Swafford. March Events - March 7 Girl Scout Sunday, March 12 Girl Scouts 64th Birthday, March 20 Mother-Daughter Banquet at Rehoboth Convention Hall.

We'd like to introduce you to 3 well known characters...

The Sun, The Wind, and Old Man Winter

You and your home probably already know them, because all year 'round they try to get inside and ruin the heating or cooling for which you're paying good money. It takes more than just four walls to keep these Characters outside!

Good insulation is just like wrapping your home in a snug blanket that holds your temperature inside - and keeps The Sun, The Wind, and Old Man Winter outside!

Spartan Rick Mertz, top, tries to pin Woodbridge's Mike Richards in their semi-final match, of the Henlopen Conference Tournament. Mertz avenged an earlier season dual match defeat to Richards by beating him 9-6. Mertz went on to capture the 115 pound championship.

Spartan Mertz Is Conference Champion

by Ray Blanchette

In the Henlopen Conference Tournament held last weekend, the Lake Forest Spartan wrestling team qualified three men for the State Tournament to be held at Newark High School this weekend. The Spartans were led by surprise first place finisher Rick Mertz. Bill Jackson and Lane Lapinsky will also represent Lake Forest.

Mertz, who was seeded fourth in his 115 pound weight class behind Mike Richards of Woodbridge, Dave Dulin of Smyrna, and John Moses of Milford, had to be one of the bigger surprises of the tournament. Only a sophomore, Mertz started his win streak in his preliminary match by a quick 34 second pin over Terry Rayfield of Laurel. In the quarterfinals he met Caesar Rodney's Mark Bivins and easily captured his second straight victory, by an 11-4 margin.

Mertz then had the tough job of having to wrestle once beaten Richards of Woodbridge in his semi-final match. Only one week ago Richards had defeated the Spartan by a 9-8 score but Mertz got the better of him in the end of that match and almost pinned him.

Mertz avenged the earlier loss by winning a 9-6 decision with what he termed a "couple of lucky breaks." At the same time Mertz in the finals with Smyrna's Dave Dulin, who had beaten him earlier in the season. Mertz stated "I should be able to beat him."

Evidently Mertz really had confidence in that statement as he did just that. It did take a last second reverse to win the match which was called by the referees on the sideline following the final buzzer.

It was not a disputed call and the fact that Mertz really did win was evident.

Last season Rick was the 98 pound varsity wrestler for the Spartans. He broke into the varsity lineup this season at the Milford Invitational when Jamie Simpson was suffering from poison ivy. However, Mertz still managed a third place in the tournament and no one from that time on was able to move him out of the Spartans' top twelve. By virtue of Mertz winning the 115 pound title it marked the second straight season a Spartan had done so. Finishing second were Bill Jackson and Lane Lapinsky. The latter, the 101 pounder, was the number two seed in the Conference Tournament by losing only twice on the season.

After Lapinsky enjoyed his first round bye, he quickly got moving in his quarter-final match, scoring a second period pin over Caesar Rodney's Ed Roloff. He then came up on one of the tournament's surprising wrestlers, Mike Fields of Woodbridge.

Fields began his move to the semi-finals by pinning his first opponent Fred Abbott of Seaford in a quick 2:43. Then in one of Friday's larger upsets he decided third seeded Marvin Lee of Dover Air 4-2 to set up his match with Lapinsky. The two had not met during the dual meet season, since the

Spartans met the Raiders, it was Ken Correll who held down the 98 pound varsity spot.

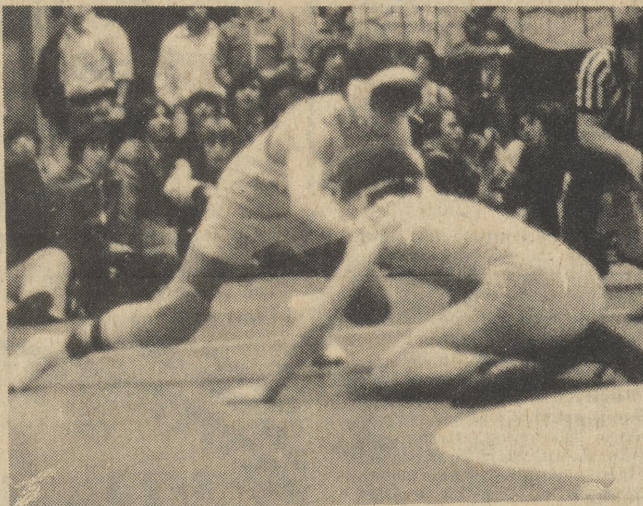

It was again the Spartan who came out superior over the Raider when Lapinsky pinned him with only nine seconds left in the match. Then in the finals Lapinsky met John Doney, who only three days earlier had defeated him in the two teams' last regular dual meet of the season.

Again Doney started out on top with the first period takedown and put Lapinsky on his back to pick up two more points. Late in the second period the Spartan reversed his opponent to close the score to 4-2 and tried gallantly for the rest of the period and the entire third period to put him on his back but was unable to do so. Lapinsky, like Mertz, still has more wrestling to do for the Spartans before his career is over as he is only a junior.

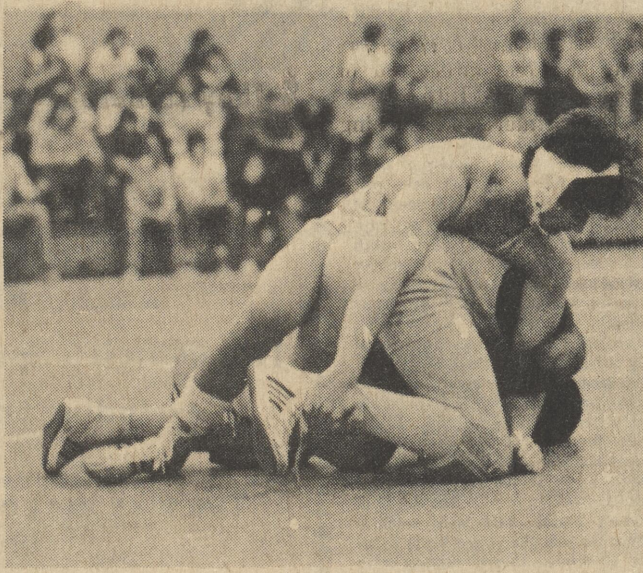

As for Lapinsky's defeated semi-final opponent Fields, he still had one last shot at making the State Tournament field, but began what was to be a disappointing night for Raider matmen in the consolation by losing a hard fought 6-4 decision to Smyrna's Jim Riffe, the fourth best 98 pound wrestler of the season.

Bill Jackson was the top seeded man in his weight class by virtue of his outstanding win over Mike Brittingham of Cape Henlopen on Wednesday. After his opening round bye, he

One of Lake Forest's second place finishers in the Henlopen Conference Tournament was Lane Lapinsky. Lapinsky is pictured trying for the takedown in his final match against Cape Henlopen's John Doney. Doney captured the 101 pound crown by beating Lapinsky 4-2.

Spartan Bill Jackson [top] works Cape Henlopen's Mike Brittingham in a match for the top seed in the Henlopen Conference Tournament. Jackson beat Brittingham by an 8-4 score. The action took place in last Wednesday's Cape Henlopen-Lake Forest match.

eked-out a 2-0 decision over Keith Hastings of always tough Sussex Central. In the semi-finals he met upset minded Gary Romos of Dover Air.

Ramos had not wrestled Jackson during the regular season as he decided to move up a weight class rather than wrestle Jackson.

The night before Ramos had defeated Cape's Brittingham by a 2-1 score and also had his sights set on knocking off another higher seeded wrestler in Jackson. Ramos came close but in the end it was again Jackson who showed superior knowledge and strength as he won a 4-3 decision. This left Jackson with but one more match to achieve his long goal of being a conference champion which he had worked so hard for. It was just not to be this time as Smyrna's second seeded Harry Virdin knocked off Jackson by a 12-4 score.

The Woodbridge team also had several people who made it closed to qualifying for the state tournament but fell just short. Already mentioned was Fields but the two top seeded wrestlers in their respective weight class as Mike Richards and Alonzo Frisby, also lost. Richards, who as already mentioned was defeated by eventual champion Mertz, lost his consolation match to third seeded John Moses of Mil-

ford as he was pinned 57 seconds into the final period. Frisby who was top seed at 107, made it to the semi-finals where he was defeated for the first time this season by Clemon Sturgis of Indian River by only a single point, 6-5 and then proceeded to be pinned in the finals.

Other wrestlers who participate in the tournament from Lake Forest were Louis Hendricks, John Mofett, Tim McCombs, Chris Grove, Terry Thomas and

Dena McCombs. Other wrestlers to participate from Woodbridge were Bill Rust, Mike Rust, Jim Johnson, Davis Orbb, Dan Cuter, Rocky Flem, Matt Reynolds and Le Roy Tingle.

Of the twelve top seeded six went all the way to win Conference Titles while the other six were upset. The complete list of champions included John Doney of Cape Henlopen (98), Darrell Boone of Smyrna (105), RICK MERTZ of Lake Forest (112), Steve Bastinani of Sussex Central (119), Wayne Taylor of Indian River (126), recipient of the meet's outstanding wrestler award, Chris Rincon of Caesar Rodney (132), Harry Virdin of Smyrna (138), Mike Barrs of Dover (145), Marty Dixon of Smyrna (167), Tyrone Gibbs of Cape Henlopen (185), and Joe Booth of Sussex Central (hwt.).

Bowling News

Lads and Lassies
by Terry Clegg

Monday night proved to be less than what many bowlers hoped for as all were having trouble getting good games.

After the first night of the final third of the season, we find the Strikers tied for first place with Mickey Moose and the 4-Aces; each team having won four games.

Nelson Kenton lead the way for the Strikers rolling a 191 and Mike Hastings added a 190. The Dy-No-Mites seem to have last their blasting powder and lost all four games.

Joe Doperak seems to be the only one to get a few good games. All in all, it proved to be a bad night for them.

The night proved to be bad for the Campers too, as they lost all four to the Mickey Moose team. Gene Wright put the bite on his team's opponents, rolling a 218 game.

The 4-Aces crushed the No-Mads' dreams of winning games as they took all four. Joan Edwards rooled a 165 and her teammates games were enough to help her out. None of the No-Mads could get going to night. All bowled under

their averages which is really unusual for this team. Better luck next week!!! The Misfits winners of the second third, seem to be taking it easy as the Moose II took three games from them.

Gail Lutz of the Misfits rolled a 173 and 161, Patti Friedline had a 160 and Gary Singleton a 195. He certainly has cooled his heels this week.

Moose II's bowlers did not have many high games but their captain, Leroy Wheeler, rolled a 214 and two other nice games to keep his team out eh winning side. Looks like this team is tired of being in the basement and is digging its way out.

The M and P's, hoping tohave all four team members bowling next week, took three games from the Pinbusters.

Donna Thistlewood, subbing for the M and P's this week, got the team moving as she rolled a 174 and 183.

Al Melvin put his bowling skill to work and rolled a 193. Edna Mae Layton would not give up without a fight and proved that with her 184, 176 and 160 (520

series) high game and high series for women. Her partner, Mike Fry, had a nice 219 and 199 game. Friends Four and Moose I had a head on collision tonight with Moose I coming out less injured than their opponets.

Both teams fought for each point tonight as all games were close. Friends Four took one game and handicap gave three to Moose I. Sharon Anderson rolled a 173 and Ken Baker a 198, this helped Moose I in points.

The Spares and Goldiggers found themselves deadlocked tonight with two wins and two losses each.

Martha Vogan's 176 and Jay Lewis' 246 (high game and high series for men) too the third game and total pins with Goldigger Doris Buck's 170 and sub Jean Browns 169, enabling their team to take the first and second games.

All in all, it seemed to be a downer for most bowlers. Let's hope we can all get going next week. It's this third or nothing. Until next week, hang in there teams!!!

Harrington Business Bowling

by Rich Dennis

And so ends the first half of the last third with just five more bowling nights remaining.

The action tonight brought about a lot of slipping and sliding, especially in the top ranks where pressure is constantly being applied by those desiring to take their place.

We have a new front runner now, the old reliables trying desperately to maintain a high standing in this last third.

Jarrell's Fuel tried in vain to take everything from Quillen's Market and almost did but were shy 1/2 a game.

Chester Short took high game of 220 for his team, but Harold Melvin was a little Harold Melvin was a little more consistent and took high series for the same team with a 520.

Quillen's Market, unable to get motivated dropped from 3rd to 6th position kind of like a sidding board, hard to get up, but very easy to come down.

Moose "B" dropped down three positions before even reaching the top as Burris Food continues to climb up with the top runner.

Ron Keily paved the way with a 212 game and a 563 series. Chip Shaw for Moose "B" fired a 202 game and a 559 series. Both teams had one in the blind.

Wally's Garage, last week's 1st place team, got grease on their shoes and couldn't get a foot hold tonight 3rd position.

Moose "A" put that grease there, as they took all four points and move up two places.

Al Melvin put on the steam for Moose "A" with backing from all concerned. Wally's just couldn't designate anyone for the rest to follow.

Food Rite, the second place holders last week, moved down into fourth, as Big John's Son took three big ones. Mike Kohel and Manny Robinson were the ones to keep up with for Big John. However Bushey was the only one interested in trying for Food Rite.

Fry's American is inching their way up the ladder every week and this week was no exception, as they took three points from Penn Central. It seems that no one on either side was hot, just warm.

Dur-A-Clean struggles to push back to the top as they took four points from McKnatt's and pushed themselves four spots closer. Pop and Son were the big guns for Dur-A-Clean, Ira and Gary Glanden, however, Gary carried the bigger gun with a very fine 232 game and a 532 series, while pop had a 208 game. No one on

McKnatt's managed to get into the 500 series bracket. Robbins Hardware, who had started hitting good the last couple weeks, got hit as Taylor and Messick took three. George Collins, the famed anchor man for T & M had a fine 200, 213 and 197 game.

Second Alumni Basketball Game Set

On March 2 at 7 p.m. in the Lake Forest High School Gym, the Annual Alumni Basketball Bame between

graduates of old Felton and Harrington High Schools will be held.

The first one was held last year and Felton came out the winner in both boys and girls games.

Since that time the men and women of Harrington have been waiting for

revenge.

Come see the old men and women relieve their youth on March 2. The activity is sponsored by the Lake Forest Athletic Booster Club. Admission is \$1 for adults and 50c for students

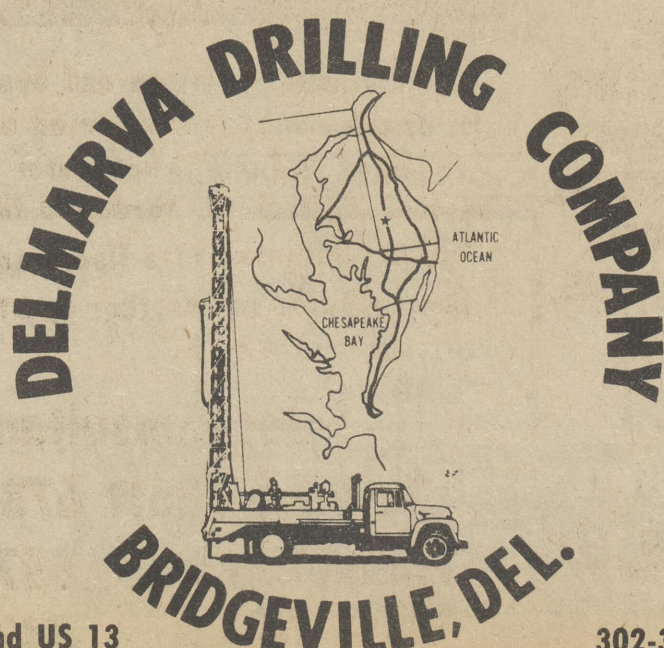

Mens and Womens Exercise Sessions are being offered at the Chipman Gym each Thursday evening from 7

9:30 p.m. The Lake Forest Athletic Booster Club sponsors the activity, and asks one dollar donation per per-

son. Stay active and healthy, and get in shape for spring.

Girls Win Southern Division Lose Conference

by Millard Ellingsworth

Last week, in their final regular season game, the Lake Forest Girls' Basketball Team earned the right to play in the division playoffs. They won!

Saturday night, the Spartans met Indian River at Sussex Central to decide who would play the undefeated Milford team Monday, the 23rd.

Lake Forest made a fast jump leading the Indians 3-0 early in the first quarter. Indian River soon added several points for themselves and took a lead that they refused to relinquish until the final seconds.

At half time, the Indians led the Spartans 26-19. This did not seem too discouraging except that Cheryl Lissy had re-injured her knee in the first half and no one knew if she would play again.

When asked before the game if Cheryl's knee was okay and if she would play, Coach Dyal answered, "It's not okay, but she's going to play."

Fortunately, Cheryl was all right and returned in the second half. The Spartans outscored the Indians in the third quarter 16-13. This placed Lake Forest within four points of Indian River.

With two minutes to go, the Indians were in the lead by five points. A basket by the Spartans, on Indian turnover, and another basket for Lake Forest brought the Spartans within one point and the Lake Forest crowd to its feet.

After Indian River inbounded the ball, Cheryl Townsend, Indian River's top scorer, fouled Anna Jackson and fouled out of the game. Anna received two free throws. After missing the first one, she made the second to tie it up 46-all with slightly more than a minute left.

Again, on inbounded the ball, Indian River fouled a Spartan, Cheryl Lissy, who sank two shots which proved to be the winning points.

And still again, the Indians fouled Cheryl allowing two more shots which clinched the game for Lake Forest.

Cheryl Lissy led the Spartans with 21 points and Anna Jackson followed with 16.

Earlier in the week, Lake Forest beat Laurel 42-36. Anna Jackson had nine points, Viv Sudler 12, Cindy Dukes nine, and Laura Newnom eight. Lissy had re-injured her knee again.

Unfortunately, Monday night saw the Lake Forest High School Girls' Basketball team beaten out of the Conference championship by Milford High School at Caesar Rodney.

The girls got off to a good start, with Milford leading only nine-six at the first quarter work. Milford outscored the Spartans 10-7 in the second quarter, making the half time score 19-13. Lake Forest couldn't quite seem to put together an offense in the third quarter, scoring only two points to the Buccaneers' 11.

In the fourth quarter, a light of hope landed on the Spartan bench as Lake Forest scored eight points before Milford scored any at all.

The Spartans continued to score and narrowed the Buccaneers' margin to four points about halfway through. Milford called a time out and apparently decided that at this rate, they couldn't hold on, so they froze the ball every chance for the rest of the game. This action brought out the aggressiveness of the Spartan girls and they fought for the ball, unfortunately committing several fouls. This continued for the last three minutes and Milford took the Henlopen championship with a 38-31 victory.

With the Spartan wrestling team's loss to Cape Henlopen last Wednesday night the Lake Forest team finished their season at 2-10, tied for last place in the Southern Division with Laurel.

In the final match of the season the Spartans were beaten, 38-23, but in the match most Spartan fans came to see the 138 pound match between once tied Bill Jackson of Lake Forest and

Mullane Sets School Record

by Keith S. Burgess
Bob Mullane, a senior, using the comparatively new, Fosbury Flop method, set a new Lake Forest high jump record, when he recently cleared five feet, 10 1/8 inches, at Widener College's indoor track, at Chester, Pa.

The old standard of 5-10 was established last year, by Kevin Wooters.

Mullane was second at Widener. He recorded a first and a second with two more 5-10 efforts, in meets held at Laurel.

Coach Blades expects Mullane to jump six feet or better before graduation.

In the Henlopen Conference Winter Track Championship meet held on Laurel's all-weather, composition track, Lake Forest made an excellent showing.

The Spartans were sixth with 17 1/2 points, but were only 2 1/2 points behind third place Milford.

State mile Champion Harry Benson of Lake Forest, was ailing and did not compete, possibly costing the Spartans a third place finish behind Division I state Champion, Dover High and Division II titlist, Cape Henlopen.

Mullane's medal-winning efforts (2nd high jump, third pole vault) paced the Spartans. Dan Parker a sophomore distance star, was clocked in a fine 4.486, for third place in the mile run.

Senior ace, Chuck Carter, recorded an excellent 2:25.8 in the 1000 yard run, an

unfamiliar event to him. Carter just missed second place.

Chris Palmisano, another prospective record-breaker, missed third place by an eyelash in the two-mile run.

However, the Spartan junior's 10:28.8 was his second best eight-lapper ever.

Fourth place finishers in the mile relay for Lake Forest were Dan Parker, Paul McClellan, Craig Kashner, (a 2.03 half miler) and Chuck Carter; all ran very well, indeed.

Paul McClellan, Tim McCombs, Grayson Barthlow and Cliff "Sugar Bear" Ayres were fourth in the distance medley but never were only a second out of first place. Ayres, third after running 1000 yards earlier nevertheless, ran his anchor mile in five minutes flat. It was his lifetime best clocking and was the fastest anchor leg in the event.

McCombs, a sophomore, was fifth in the high jump with a 5-6 clearance, his top effort to date.

Good performances were turned in by John O'Toole, 37 feet 12 inch, in the 12-pound shot put and freshman, Wilson Fry, 1:28.6 in the 600 yard run.

In a quadrangular test at Laurel a week later, Lake Forest had a fun afternoon with much success.

Harry Benson and Dan Parker were 1-2 in the mile run and teamed with Paul Mullane and Chuck Carter to win the two-mile relay.

High winds made fast times impossible but Carter

won the half mile in 2:09. Chris Palmisano was the two mile winner in a relaxed 10:58.

Improving middle distance star, Craig Kashner, was runnerup in the 440 (57.8). Wilson Fry, who can be a star athlete if he sticks with the three running sports, dipped under 60 seconds in the 440. That's moving for a freshman tyro

in a high wind.

Grayson Barthlow and Mark Todd were second and third in the 60, then joined Fry and Pete Hinson in a good mile relay effort.

Sabrina "Beany" Pizzuto and Jody Dunlap, a pair of comely Spartan distaff sprinters, were declared co-winners in a girls 60 yard dash, after they won their heats in identical clockings.

Pizzuto, Dunlap, Valerie Davis and Gwen Cullop then outdistanced quartets from Laurel and Seaford, as did another Spartan foursome of Karen Hall, Sharon Morris, Kathy Hampton and anchorperson, Paula Mosley.

Bob Mullane's 10-6 pole vault is a new high for him. He's a little more than a foot short of David DeMora's Lake Forest pole vault record. Mullane would like to graduate in June with two school records. One down and one to go!

Coach Blades has the nucleus for a good track team this spring, but as usual must get some more candidates to fill the many events (17 or so) on today's track program. Track gives more athletes a chance to compete than in most scholastic sports.

Spartans Lose, Jackson Wins Clutch Match

by Ray Blanchette

once beaten Mike Brittingham of Cape Henlopen.

Brittingham had defeated Jackson in the Milford Invitational in December and ever since Jackson's tie in the Seaford match, he had been pointing towards this match. Jackson had overwhelmed all his other opponents, during the season.

It looked as though the match might end in a tie as going into the last minute of the final period the two wrestlers were tied at four all.

The match was then broken o

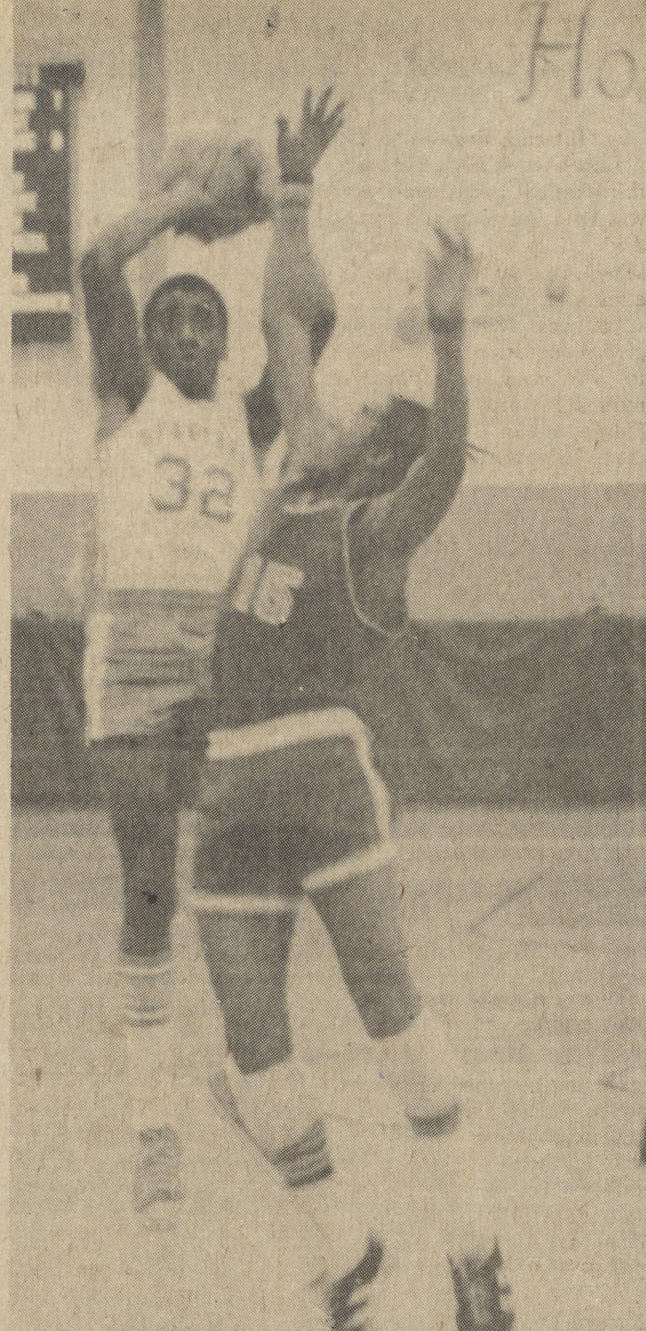

The match was then broken open as Brittingham was penalized one point for stalling and when he argued even more Jackson was given more points for an 8-4 lead. In the end the match was classified as a disquali-

fication as when the final buzzer sounded Brittingham started swinging at Jackson.

In another match the fans came to watch Cape's undefeated John Deoney, who managed to outpoint the Spartans once beaten Lane Lapinsky by a 6-4 margin. Other Spartan winners were Rick Mertz, Dean McCombs and Louis Hendricks Hendricks who, with his pin, became a letter winner this season.

The Spartans will have to replace Jackson and Dean McCombs next season being the team's top seniors.

With the returning nucleus, coaches Tom Meuhleisen and Elliott Workman should be back up to challenge the Big Three as they have so ably done for the years they have been coaches.

Spartan Frank Corsey attempts to put two more points on the scoreboard for the Spartans during first quarter action Friday night against Delmar. The Spartans won 54-50.

Spartans Squeak Out Two Wins

by Millard Ellingsworth III

After winning two close calls against Laurel and Delmar, last week, Lake Forest remains on top of the Henlopen Conference's Southern Division.

Tuesday night, the Spartans played the Bulldogs at Laurel. Laurel High was able to gain a two point lead at the first quarter mark but the Spartan assured themselves of a half-time lead with a 17 point second quarter.

Seventeen was again the number for the third quarter as both teams stayed point-for-point.

Although the Bulldogs outscored the Spartans in the fourth quarter, four points by Billy Moore in the final minutes brought them from behind and gave them a 55-52 victory.

Moore, who has a 7.6 points per game average, scored eight points for Lake Forest, the last four proving to be the most important. Sam Carey paced the Spartans with 30 points followed by Ron Shockey with 17.

Lake Forest squeaked by Delmar Friday night 52-50. The Spartans got off to an extremely slow start while

the Wildcat defense held them to three first quarter points.

Then the Spartans found their spot and hit for 14 points in the second quarter and also played good defense in holding the Wildcats to six points. At half time Lake Forest was only behind by four points, 21-17. A quick basket and two foul shots by Herbie Jarrell tied the score early in the third quarter, which the Spartans also dominated.

Lake Forest's offense fell off some in the third quarter as did their defense, allowing Delmar to nearly tie up the game and take it away. But, fortunately, the Spartans retained control and made their season record 12-4.

Billy Moore led the Spartans with 17 points followed by Sam Carey's 15 and Herbie Jarrell's eight.

If the Spartans can remain in control, they have a tough conference championship game to play, either against Dover High or Cape Henlopen, which previously beat them. Both are presently tied for first in the Northern division.

Chipman Boys Are Undefeated

This year's W.T. Chipman Boys Basketball team has the distinction of being undefeated, a first for a Chipman team. To date their record is 12-0, with two games left on the schedule.

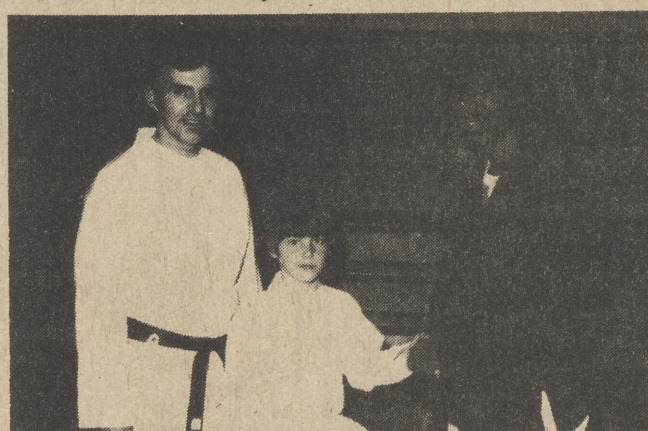

Bill Falsaco is the coach of this unique team and is in this third season, having previous records of 7-7 in his first season and 9-5 last year. Top scorer on the team is Reggie McRae, who is averaging about ten points per game but there are several others who are averaging between six and nine to lead a well balanced scoring at-

tack. Other players on the team are Jack Back, Kenny Baynard, Marvin Burton, Eric Cane, Doug Caskey, Darrell Curry, James Evans, James Faison, Leroy Garey, Randy Hammond, Vincent Harrison, Quinton Hendricks, Randy Maloney,

Doug Poore, Mark Smith, Kenny Sudler, and Charles Thomas.

So far this season the Chipman team has defeated Laurel 30-17, Milford 38-16, Woodbridge 52-33, Delmar 45-17, Seaford 35-18, Woodbridge 44-25, Caesar Rodney 31-18, Selbyville 46-31, Sussex Central 48-23, Smyrna 42-18, and Delmar 29-17. Their toughest outing was against the Selbyville team because up until the time Chipman beat them they too had been undefeated.

This undefeated squad will play a benefit on March 12 at the high school starting at 6 p.m. They will oppose the freshman team at the high school or the junior varsity squad.

Glenn Homewood is shown being congratulated by Mike Brown of Smyrna. Dr. Vincent Lobo presented the yellow belt to Glenn. The yellow belt is the first color awarded for advancement in karate. Mike Brown is the proud owner of the black belt which represents the highest level of proficiency. Dr. Lobo holds the brown belt which ranks second only to the black belt.

Vocational Fair Held

by Millard Ellingsworth III
Lake Forest High School's third annual Vocational Fair was held February 12, from 3:30 - 9 p.m. at the high school. It seemed to be quite a success.

"It was started only to give recognition to students in the vocational departments," said Ms. Jane Moore, one of Lake Forest's three home economics teachers.

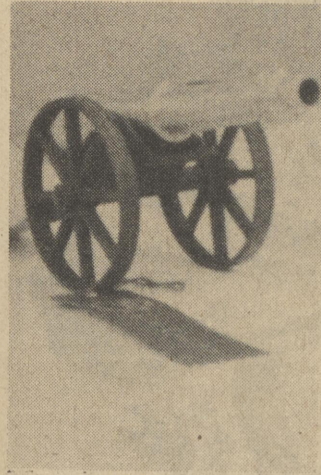

at the teachers. FHA sponsored a cake raffle and a gold first toss while HERO sponsored a doughnut eating contest. FFA had a root beer drinking contest and an x-rated film program. The commercial foods classes sponsored a lunch counter which served everything from pizza and chili to peanut butter and jelly sandwiches.

There were many exhibits by the students that were judged and awarded first, second, or third place ribbons and \$1, \$.75 or \$.50 cash prizes, respectively. The entry fee was \$.25. The exhibits were in the areas of: art, home economics, agriculture, industrial arts, and business. Each of these areas was broken down into classes and then into groups if necessary. The first place winners in each group were:

Art-pastel-Theresa Fluhr; embroidery-Margaret Kinney; posters-Vanessa Powell; pen sketching-Karen Jerread.

Home Economics-cottong garments-Zena Graham; tailored garments-Jody Dunlap; wool garments-Janet Russel; suit-Debbie Wolf;

(Future Farmers of America). Fair chairperson was Karen Stephens, while all vocational course teachers were advisors.

Tom Knapp's welding masterpiece

The fair has now become a money maker for its three sponsor organizations FHA-HERO (Future Homemakers of America - Home Economics Related Occupations), OEA (Office Education Association), and FFA

The variety of games and attractions was sponsored by different groups, OEA sponsored: a string art booth, bingo, air animal pond, guess the number, dart throw (at administrator's pictures), a fortune telling booth, a softball throw, and a sponge throw

At the top of the fair was the talent show at which Lake Forest students competed for cash prizes of \$25, \$15 or \$10. There were 14 contestants who were judged on poise, talent, audience appeal, and difficulty of act. First place was won by Anna Jackson who played her guitar and sang "If You Love Me."

Susie Thompson did a twirling routine to the music of "Stars and Stripes Forever" and captured second place.

Vera Coleman won third place by acting and singing a past from "The Wayfaring Stranger."

Kathy Hampton and Sharon Morris were awarded on honorable mention by the judges for their part from "The Stage Door."

Gerald Howard, left, accepts award for being selected by the Milford Jaycees as the Outstanding Young Law Enforcement Officer for 1976 from Terry Pikus, co-owner of Lou's Bootery.

Receives Outstanding Award From JAYCEES

Gerald Howard of Harrington was honored Tuesday night by the Milford Jaycees as he was recipient of The Outstanding Young Law Enforcement Officer for 1976. Cpl. Howard is a member of the Milford Police Department.

He joined the MPD in 1969 and, except for a two year enlistment in the U.S. Navy, has been a member since that date. During his tour of duty he saw three tours of Viet Nam. Howard is married to the former Judi Melvin of Harrington.

His background in police work is extensive. He is a graduate of the Dover Municipal Academy, the Northwestern University Traffic Accident School, a graduate

of the self defense school in Dover, the originator of the K-9 Corps for Milford P.D., and recipient of two diplomas for the training of K-9 dogs.

Howard has been selected by the 1976 Bicentennial Committee for Who's Who in American Law Enforcement by the American Federation of Police. He is also a member of the Fraternal Order of Police in Delaware.

Howard is a native of Bethany Beach having graduated from the Lord Baltimore School (now the Indian River School District). He is Mastor Mason, Franklin Lodge in Georgetown, and a Senior Steward in that Lodge.

AFS Weekend Set

A very special weekend is in store for students at Lake Forest High School as 15 AFS Foreign Exchange students, returnees and host brothers and sisters congregate here on Friday morning.

Mrs. Leon Kukulka, Chapter President and Mrs. William Smith, AFS Club Sponsor at the High School, have completed all of the plans for the weekend visit. The guests are expected to arrive on Friday morning about 10 a.m. at W.T. Chipman Junior School for a visit in the classes there; and in the 5th and 6th grades also. By lunch the students will be at the high school where they will join members of the AFS Club for the noon meal and to present an assembly for the entire student body.

A dinner in their honor will be held in the L.F.H.S. cafeteria at 5:30 followed by a visit to the roller rink in Dover. After this they will return to their host homes where they will spend the weekend.

On Saturday the students will be the guests for lunch with Mr. and Mrs.

Joseph Somy of Frederica. The Somy family were hosts to the exchange student Jean Sloan from Australia two years ago.

Dinner on Saturday will be with the host families before going by bus to Delaware State College for swimming. Afterwards a visit to Shakey's Pizza Parlor is on the agenda.

Departure will be from Chipman School on Sunday after coffee and donuts. Members of the AFS Chapter and the AFS Club will take part in the activities during the weekend.

Applications are still being accepted for anyone who wished to be a host family for an exchange student during the 1976-77 school year. Mrs. Albert Mason may be called for further information.

Anyone having questions about the program may call anyone in the chapter for answers to their questions.

Coming Events

College Night Set At LF

A college night has been scheduled for Lake Forest High School, Thursday, March 4, from 5:30 to 9:45 p.m.

The project, which is being initiated by the Lake Forest Guidance Department, chaired by Daniel Newman and a group of interested parents, has involved inviting a group of colleges, who will have representatives available to personally answer questions by attending parents and students.

Mrs. Elva Warren, a member of the group planning the night, stressed the importance of having as many parents as possible attend the program.

The format will be as follows:

5:30 College representatives arrive and report to the cafeteria for a brief orientation by the principal. Students will also arrive at this time and report to them for a brief orientation.

6 to 6:25 p.m. Session I. (Students and parents will attend their first college choice of the evening.)

6:30 to 6:55 p.m. Session II. (Students and parent will attend their second college choice of the evening.)

7 to 7:25 Session III. (Students and parents will attend their third college choice of the evening.)

7:30 to 7:55 p.m. Session IV. (Students and parent will attend their fourth college choice of the evening.)

7:55 to 9:30 p.m. Session IV. (Break time and movement of representatives, parents and students to the gym and assigned areas for the general session.)

The attending colleges include: University of Delaware - Newark; Delaware State College - Dover; Delaware Technical & Community College - Dover; Delaware Technical & Community College - Newark.

Chipman Polled

In early February a group of 65 students from the seventh and eighth grades were given a student opinion survey. The students were chosen by selecting every eighth individual from the official school roster. The students received no advance notice of the survey. The form and procedures advocated by Middle States Accreditation Association were employed.

Among those areas receiving a preponderance of favorable responses were the administration, the attitudes and efforts of the teaching staff, minority or racial relations and relationships among students. It was apparent the students surveyed felt there was no drug problem at the school and that violence was a rarity.

Items receiving frequent negative comments were those easily anticipated. As is the case with institutional food service, the cafeteria received its share of complaints. Problems associated with long bus routes were mentioned. Generally, criticism centered on areas not readily alterable by quick staff action.

More hot water for less cold cash... with a Texaco Fuel Chief Water Heater.

Texaco's oil-powered heaters produce hot water for bathing, dishwashing, laundering - faster than you'd normally ever use it - at a fraction of the cost of old-fashioned water heaters. They're the very latest - fully automatic, glass-lined and compact in design.

Call us to call on you to analyze your hot water needs at no obligation.
