

Will Have Crest ... And Beards...

Yes, Harrington, there will be a crest for the City, as over thirty entries flooded City Hall, mostly last week. The entries were a response to the "Design-A-Crest Contest", a project created and sponsored by the Harrington Bicentennial Committee. According to Bernadette Butler, art teacher in the Lake Forest School District and a member of the committee, there are quite a few entries that are especially good. An announcement of the winning crest will be made in the near future, according to the committee, after which plans will proceed to have the crest prepared to be placed on a souvenir mug, which will be available later this year.

The committee, which will meet tonight (Thursday) at

City Hall at 7, welcomes residents of the community to attend and give their assistance to the plans being formed by the committee, which includes a day of activities May 31.

A new twist in the committee's plans is the sponsoring of a beard contest. Entry forms and details are available at City Hall. The grand prize will be the combined entry fees and will be awarded at a later date. The contest has begun, men, all interested should inquire at City Hall.

Mrs. Nancy Thompson, has accepted the Chairmanship of the talent show to be held on May 31. In conjunction with the Bicentennial Day celebration. Anyone interested in entering the talent show can call Mrs. Thompson 398-3541.

On Sunday members of the Harrington Volunteer Fire Co., assisted by Farmington Volunteer Fire Co. and the Delaware Forestry Service, battled a fire at Wheeler's Park here for two and one half hours. The cause of the fire is unknown.

The fire which began at Wheeler's Park, eventually spread to the wood along Raughley Hill Road. The Delaware Forestry Service cut a fire break around the woods to prevent the fire from spreading any further. There was an estimated 10 acres of wood damaged in the fire.

Greenwood Youth Critically Hurt

A four-year-old boy was critically hurt Friday when his older brother accidentally crashed into him with a motorcycle, State Police reported.

Cecil Swartzentruber of Greenwood was apparently riding a bicycle in the yard of his home at about 6:30 p.m. Friday, police said.

His brother Ralph, 15, was riding a motorcycle nearby when a piece of equipment flew off the cycle police said. The teenager

turned around to see where it went and crashed into his brother, police said.

Cecil suffered a cerebral concussion and broken right leg in the accident, police

said. He was taken to Milford Memorial Hospital and then transferred to Wilmington Medical Center

where a spokesman said Saturday night he was in critical condition in the intensive care unit.

Speaks To Business Leaders

Lloyd Wells of Chestnut Hill, Pa. (adjoins the City of Philadelphia, came to Milford Tuesday to speak to a group of business leaders of Milford. The meeting was held at the Shawnee Country Club.

The group known as The Mispillion Associated had sought out Wells and invited him to speak to representatives of the business community of Milford.

For some time now plans and studies have been reviewed and discussed regarding the business community of Milford as a whole and in particular home improvements could be made in order to attract a larger segment of the retail business from the surrounding area was talked about more frequently than ever before.

Will Participate In AFS Exchange Program

by Milliard Ellingsworth III

Lake Forest's chapter of the AFS and West Seneca Senior High School's Chapter (New York) are planning a short term student exchange.

Students from Lake For-

est will leave on Mar. 6 and return on Mar. 13 bringing 20 West Seneca students with them. Attending will be: Sharon Blackman, Karen Warren, Susan Thompson, Margaret Kinney, Barbara Machette, and out two AFS

students, Hillary Robb and Francisco Morales.

The students will stay with host families in New York and will participate in several activities. Although the list is not yet complete, several are a trip to Niagara

Falls, roller skating, ice skating and a musical of the school. The cost will be for round trip transportation to Buffalo of which the AFS of Lake Forest will pay two thirds of the \$50.75.

While the New York students are here, during the week of March 13-20, they will attend a tour of the Dover Air Base, a tour of North Bowers, the Island Field Site, the State Legislature, and trips to Lewes, Rehoboth Beach, a dairy farm, a poultry breeding farm, a horse back ride and hopefully the Marine biology lab at Cape Henlopen State Park.

The week will end with a hayride.

Mrs. Hazel Smith, AFS sponsor for Lake Forest, had this to say about the weekend: "This is a learning experience, not a vacation."

Schools Close

All schools of the Lake Forest School District will be closed on Friday, March 5 since this will be an inservice day for teachers and administrators.

Fair Attractions Named This Week

Freddie Fender, Danny Davis & The Nashville Brass plus a mystery guest who will be announced at a later date, will be among the list of star attractions appearing at this year's Delaware State Fair in Harrington.

This year's Fair, the 57th, will run from July 23rd through July 31st according to General Manager of the Fair, George C. Simpson.

The schedule of this year's show includes a free preview on Thursday evenings, July 22nd, before the Fair officially opens on Friday. That evening, horse racing fans will be able to pick a winner and cheer him across the finish line because the Delaware Development Fund Stakes races will be held in front of the grand stand free of charge to the public. These will be non-wagering races only. The James E. Strates Midway will also open for business.

The Fair will officially open Friday evening, July 23rd at 5 p.m. The night's entertainment will feature a giant demolition derby. "Smash for Cash" contests are open to the public. Write the Fair for entry blanks.

Saturday afternoon, July 24th and Wednesday evening, July 28th will feature Stock Car Races sponsored by the Delmarva Racing Association. This year's races will hold special significance for the drivers of these cars as each will be trying for the title of the first year ever, "Delaware State Fair Champion." Fair racing official, and Harrington resident, Walter Messick, a well known figure in stock car racing circles, feels that: "The added incentive in this year's races are sure to produce some very fast times even more exciting races than last year which were the best ever."

Fair officials say they are still negotiating with the first Saturday night's entertainer and hope to wrap-up a contract within the future.

Sunday evening, July 25th will feature top name motorcycle racing. This sport has been on the upswing in this area for the past few years and continues to draw more spectators each year. Warren Price, a Camden, Delaware motorcycle and car dealer and motor cycle racing aficionado, staged an extremely successful Grand National Motorcycle Race at Harrington last June and has been given the nod to put together a top card for this year's Delaware State Fair "Race the Champions."

On Monday evening, July 26th, "Hell Drivers," who have been appearing on that night for several years and have almost become a standing tradition at the Fair.

Will Write "Happening" Column

Mrs. Carole Glasspool, a Woodbury resident, will begin her new column entitled "Happenings" this week in the Journal. The column will be filled with items of interest about people and activities in the general area of Canterbury, which is a rapidly growing area with much going on.

A native of Monroe, New York, Mrs. Glasspool and her husband decided to adopt Delaware, having served a stint here while he was in the United States Air Force.

Now they live with their family of two children, Dan, 16, and Laurie-Anne, 12, in the Lake Forest School District, and are active contributors to the community.

Mrs. Glasspool is a homemaker and although "Happenings" is a new venture for her, she has many ideas for her column, and welcomes contributions. See her column and further details on page 2.

As in past years, Tuesday of Fair Week will be "Kids Day." All school children will be admitted free to the grounds and to a free grandstand show that should appeal to all ages.

Thursday, July 29th, has been declared "Bicentennial Day" at the Fair and although plans are still incomplete, it is known that a group of young singers and

dancers from Chicago, The Edwardians have been obtained, plus Ava Barber, a member of the Lawrence Welk cast.

Thursday, in addition to being "Bicentennial Day", will also fill the familiar role of "Senior Citizen Day", "Armed Forces Day", and of course, "Governors Day". Friday evening, July 30th will feature Freddie Fender.

Jacobs Is Top Vote Getter

Felton Incumbents Swept Into Office

Don Jacobs, a native of Pennsylvania and an employee at Lilly Co. in Dover, who was appointed to the Council to fill the unexpired term of William Haldeman a year ago last spring, was swept into office at Monday night's election. Jacobs was top vote getter with 101, which was unprecedented in that 147 voters came to the polls in what appeared to be a large turnout.

There were 437 votes cast from 147 voters for the seven candidates vying for the three vacant council seats.

Other incumbents returning were Mayor William Myers who was first elected to the Council in 1952, and Bill DeLong an employee of Swift & Co. in Felton who was seeking his second term as a councilman.

The four new comers were Mary Ann Stump, formerly a state federal job holder;

"...annexation played a big part in my deciding to run for office." He also stated later he felt the Town was in a position to come on now and now was the time take the big step forward to make progress.

Mary Ann Stump made some of the more interesting comments when she stated "...I feel there should be some women representation on the Town Council like there is in Bowers Beach." Other problems which were voiced, according to Mrs. Stump were the problem with the Town's water pressure, the making of the new Town Charter, and the tax assessment early last year which some of the Townspeople felt was decided unfairly. Mrs. Stump added she felt she was qualified, based on her background with the State and federal jobs which required her to make decisions from time to

Don Jacobs was top vote getter with 101 votes in Felton's Council election on Monday.

Fred Casper, employed at Dover's Reclamation Center, Gordon Rennie, a counselor at the State Prison, and Francis Morris employed by Ducat Poultry Co. of Felton and whose wife was recently appointed at the Tac collector for the Town.

The reasons given by the various candidates for office for the large number of candidates running for the elected posts were from growing interests in the Town to what they considered unfair tax assessments to annexation to the right to voice some criticism in the new charter being prepared.

When asked for his reaction to the election and why he decided to run, Fred Casper stated "...I am tickled to death they got it (Myers, Jacobs, and DeLong)". He went on to state

time. She added she felt "...Mayor Meyers was doing a good job." She told The Journal she would be a candidate in the next general election in the Town.

Don Jacobs said-after the election that the results of the election meant that those who were in there (serving on the Council) were doing a good job... enough to be reelected." Jacobs added that the annexation issue might have been the single reason so many candidates filed for election.

According to Councilman Joseph (Joe) Winnegar "...I feel something should be done about publically thanking the people for showing such great interests in filing for election and the voters showing a great interest in their turn out."

Joins Broadcasting Staff

Connor Broadcasting Company this week announced that broadcaster and publicist, Jack Renault, will join the staff of WWTR-FM, Bethany Beach.

Renault has been the "morning man" at WILM, Wilmington, for the past two years.

He came to Dover in 1965, following his discharge from the U.S. Army, to become News Director for WKEN. He was later a reporter for

the Delaware State News and from 1968 through 1972 handled public relations assignments for political campaigns and several harness racing tracks throughout the State.

He is a native of Brewer, Maine and a graduate of the University of Maine.

Renault is married to the former Patricia Anne Palmer, of Frederica. The couple have one son, James (JR), eight months old.

Mrs. Shirey entry was a bicentennial flag plaque which was made from 221 bottle caps. The caps were sprayed painted red, white and blue. Mrs. Piccolo presented a pin cushion made from tuna fish cans. The two categories selected for the contest were the bicentennial theme and decorative.

Happenings

by Carole Glasspool

The motif was bicentennial. The music was the great sound of Freedom in their final appearance together. This was the setting for a dance Saturday night at Lake Forest North Elementary School, Felton, sponsored by the Ladies Auxiliary of the Felton Little League.

Among the one hundred plus couples tripping the light fantastic, hustling, bumping or just enjoying the good sounds were hard-working Ladies Auxiliary President Rita Hart and husband Bill, League President Ralph and Sheila Schieferstein, Auxiliary Secretary Betty Ryder and spouse Ken, League Treasurer Watson and Betty Baker, the Dwight Stevens, Walt Moores, Jim Jacksons, Katherine McGinness, and Joe Do Pirak and wife Flo, the human dynamo on the dance floor.

All proceeds from the dance go to the Felton Little League which offers the little league baseball program to approximately one hundred and thirty boys from the Canterbury, Viola, Felton and Frederica area.

Incidentally, I'm told the Ladies Auxiliary could use a good deal more support in order to maintain good equipment and out fit all these boys with uniforms.

This is a truly fine program. Won't you lend your support?

While Little League supporters were busy on the dance floor Cub Scout Pack 141 members were being welcomed by Cubmaster Tom Milligan to their annual Blue & Gold banquet at the Viola Ruritan Club.

Thirty six cub scouts, their parents, and honored guests saw Cubmaster Tom Milligan present Brian Gladden, eleven year old Webelo Scout, with Cub Scoutings highest award, The Arrow of Light. Brian is the son of Mr. and Mrs. Paul Gladden of Felton. Brian's Webelo leader is Oscar Bishop.

Distinguished guests present included Council Unit Commissioner and Mrs. James Goldsmith and Mr. and Mrs. Joseph Gatt; Joe is the representative of the sponsoring Viola Ruritan Club. Also in attendance were, Ruritan President and Mrs. William Luff, Rev. and Mrs. Paul, Mr. and Mrs. Liston Webb, Mr. and Mrs. Howard Breeding, Mr. and Mrs. James Durrill, and Mr. and Mrs. Joshua Howerin.

Mr. Howerin, the assistant Webelo leader and former cubmaster, was the honored recipient of the Distinguished Merit Award, given by the Delmarva Boy Scout Council for his six years of outstanding service to Pack 141.

The evening concluded with the singing of God Bless America.

Mrs. Terry Whitley, Field Director of the Chesapeake Bay Girl Scout Council, has selected Cadette Troop 365 of Felton to represent the Council in a candlelighting ceremony at Legislative Hall in Dover on March 12.

The ceremony called "Fames of Freedom" will be performed by Girl Scouts around the world on that date. The ceremony commemorates the birthday of Girl Scouts and the bicentennial of the United States.

Troop 365, consisting of twenty girls, is led by Mrs. Robert (Ann) Morrow of Felton.

Mrs. Margaret Chambers of Viola, Co-chairperson of the Felton-Viola Bicentennial Committee, informs me the committee is sponsoring a raffle to raise money to restore the steeple to the Viola United Methodist Church in time for the bicentennial.

They are chancing off an original painting by artist Gene Briere. The painting depicts Mr. Briere's concept of how this area looked two hundred years ago.

The painting will be taken home by a lucky winner on June 26th. This is the date set for the Felton-Viola Bicentennial celebration.

Tickets can be obtained from any member of the United Methodist Women for a 50c donation.

Mr. and Mrs. Frank L. Wright of Flying Dutchman Trailer Court, Canterbury bid adieu to their son, Bruce two week ago upon his entrance in the United States Air Force. Bruce is now receiving his basic training at Lackland Air Force Base, Texas.

Please remember to night is College Night at Lake Forest High School.

Call Carole at 284-9632 so that we may report your "happenings".

Monday

Band practiced again with new selections. Our visitation at the Fletcher Nursing home was cancelled again on account of so many with the flu bug.

Tuesday

Ceramics and woodworking in the morning and in the afternoon some of the members went shopping at the Blue Hen Mall.

Mrs. Dorothy Graham is back again helping out in the ceramic department. Thank you once again for your wonderful help, we appreciate this your professional help.

Wednesday

The all day of games went over very well with the members participating in cards, checkers and shooting pool while some of our members went to hear Governor Sherman Tribbitt speak on public services concerning the elderly and what they can expect after retiring from active duty.

The members from here enjoyed themselves along with the other members of the different centers. Around 300 attended the session. A bag lunch was served to all attending.

Thursday

Twenty members of our center attended a party given to them by the Baptist Church here today with the lunch being served at noon. In the afternoon George Goodge showed a hour long film on Toscanini.

Friday

Bowling with Jim Koenick getting 297; Andy Anderson, 294; Elbert Stevens, 232; Fred Littmann 228; Marion Littman, 208 Five bowlers got over 200 pins out of none, which is a good average.

This was the last bowling day for Feb. next will be March 5. All ready over town people can be seen cleaning up their gardens getting ready for spring vegetables.

This week the spot light falls on another one of our own ladies, Mrs. Cleota Willey, the mother of our secretary who is now doing her duty as acting director.

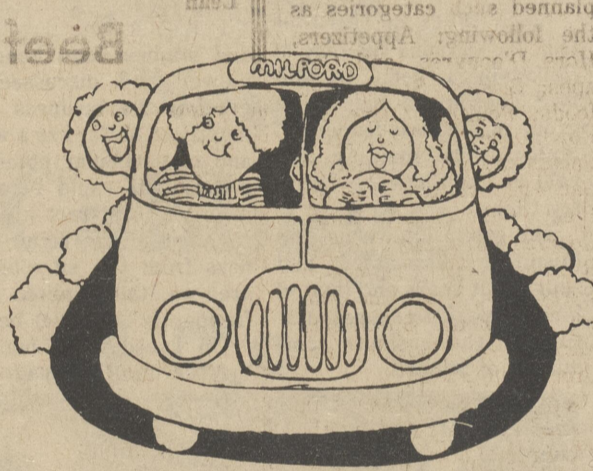

Cleota is a good seamstress, and has helped others. When it comes to sewing she excels in that department; she also helps out a lot in the kitchen and seems to feel right at home when she is doing something for others.

She, like her daughter Charlotte, gets along with the rest of the members all the time.

Why do so many women come to Milford, Delaware on Saturday Morning?

They come in car pools and sometimes even rented buses to save 40 to 75 per cent on the finest bedspreads, made to measure draperies and linens. They drive from miles around to buy the highest quality towels, rugs, sheets and pillowcases, pillows, piece goods, placemats and blankets at prices far below those found in department stores. If you haven't been there, you'd better come and see for yourself. Open the first and third Saturdays of each month/9 a.m.-2 p.m.

(...he had rooted in the mud too long for too many...for nothing.)

"...he had rooted in the mud too long for too many...for nothing."

This is opinion. For the past year or so, The Journal has been covering the Town Council meetings in Felton. I was truly surprised to see so many candidates file in the recent election held in the town. The demonstrates a true interest in the Town.

The veteran campaigner in the group is Bill Meyers, the outgoing Mayor. Meyers has been a member of council since the early 50's. As a member of council, he has always taken it upon himself to go far beyond "the call of duty." You might find him late at night working on a water pump for the Town or out on 8nday afternoon repairing a leak in the water line. Always on his own time serving his community as best he could.

Many time however, it might have appeared he overstepped his authority, and he drew criticism from his critis. Underneath it all however, they appreciated the service he rendered.

No person serving as a councilman or Mayor will ever be in a position to ease all sides...and particularly if you have been elected for so many times. The overexposure alone can tend to be one worst enemy.

Whether I agree with the Mayor's actions or for that matter, the actions for the councilman is of no great consequence. It is however to the townspeople of Felton. You should become more involved in Town affairs.

There is one gratifying thing about Monday's election. It was democracy at work - the people spoke. They didn't forget...however...because they had seen him working in those pumps and water leaks on his time.

Wasn't it true then that "...he had rooted in the mud too long for too many...for nothing" - and voters didn't forget!!!

African Trip (Con't.)

Mrs. Taylor is shown crossing a street during their trip.

Puerto de la Cruz in front of their hotel "The Media."

The days are long, and in this warm country siestas are commonly practiced. The shops are closed from 1 to 4 each business day, the shops open at 4 and remain open until 8.

In the capital city on Santa Cruz, there grows a tree "The Donagar Tree" which 3004 years old. It is the oldest known tree. The highest mountain peak under Spanish rule is here on the islands at 12,250 feet high.

The islands are becoming great tourists attractions. Many tourists have been coming from Europe to the islands for several years. Only in recent months have

the Americans been coming to the islands. The prices are beginning to attract the Americans. Ocean front rooms go for \$11 a day with breakfast included. Taylor said "these prices cannot hold fast."

Aside from tourism being a major industry for the Spanish Islands, the raising of bananas is a major cash crop. The bananas there are not as we here in the states know them. There the fruit is very small, and these bananas are shipped solely to Europe. The bananas to the States come mainly from South America.

Next week Taylor recounts some harrowing experience.

Business Leaders (Cont)

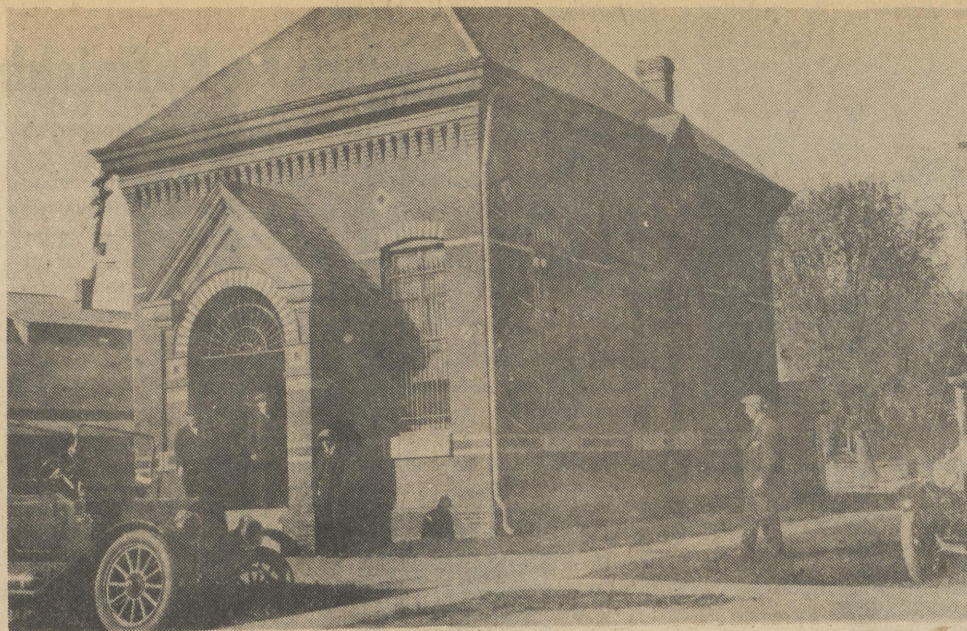

group heard Wells recount how Chestnut Hill, Pa. delat with this problem some 30 years ago. He pointed out 0 years ago. He pointed out to the business leaders that changes could not be accomplished over night, but a matter of "...long range planning."

Wells started out 30 years ago as a propriet9or of a hardware store in Chestnut Hill, which was so situated that parking was all but lost to him and his business. he started then to do something about the parking situation trying in a way to create more parking spaces in "... that downtown business district."

The best advice which Wells offered some 30 Milford merchants was to work toward a cooperative mission in planning "...a new

look to the community." Wells a graduate of the Wharton School of business of the University of Pa., told his audience that "...it is important to plant trees and flowers along the streets of the downtown section." "It is not always necessary that all merchants agree with each other," he added, but it is important to learn to respect the other merchant's views and respect what he is trying to do." The most important decision to make is the first one as it related to the type of architectural changes to "... go with".

Wells invited the group or representatives to come to Chestnut Hill and view their community in Pennsylvania, and the meeting concluded with a question and answer period.

Weekly Report

By Senator Joseph Biden

Usually, nothing is duller than the never-ending statistics turned out by Federal and State public agencies in endless columns of black and white numbers.

But a recent reading of a Delaware State publication provides some interesting insights into the way Federal housing money is being used in Delaware--and the way that money is used a lot to do with such important things as the state of the construction industry (hard hit by the recession) and jobs.

The publication involved in the 1975 annual issue of the "Quarterly Review," which catalogues every three months the production of housing in Delaware (it's published by the Division of Housing of the Department of Community Affairs and Economic Development).

In short, these statistics seem to indicate that operations of the Federal Housing Administration (FHA) has virtually come to a halt in Kent and Sussex Counties.

At the same time, the statistics show that the Farmers Home Administration (FmHA) apparently assisted more families in urban New Castle County in 1975 than it did in rural Kent and Sussex Counties.

The pertinent numbers are these:

In 1974, the FHA (which is part of the Department of Housing and Urban Development) insured 136 single family homes in New Castle County, two such homes in Kent County, and one home in Sussex County. In 1975, 48 single in FHA in New Castle County, but none in either Kent or Sussex Counties.

As for FmHA (which is part of the Department of Agriculture), the agency in 1974 provided assistance for 42 single family homes in New Castle County; 229 such homes in Kent County, and 187 single family homes in Sussex County. But last year, these figures were dramatically reversed. The agency provided assistance in 1975 for 242 single family homes in New Castle County, 36 homes in Kent County, and 63 homes in Sussex County.

The question, it seems to me, is why have both agencies -- and especially FmHA--cut back on housing programs in the rural parts of our State.

I asked that question, and others, in letters just written to officials of the two agencies involved.

Without prejudging the answers or the reasons, it

seems to me that we are witnessing here a serious breakdown in coordination between two jamor housing agencies. I think we have an obligation to find out what has happened, and why, and I hope both agencies come up with some constructive suggestions for improvements.

Open Letter to Chipman Parents

Dear Parents,

This week I have been reading a book at home entitled "Raising A Responsible Child." The authors are Dr. Don Dinkmeyer and Gary D. McKay, M.D. I highly recommend the book. There is something in it for everybody who has any contact with children. It seemed appropriate that I should share with you a little of this fine book. Following are some basic rules for helping children assume responsibility.

1. Avoid performing tasks a child can do for himself. This rule is often violated by parents who have high standards and treat their children as if they were incapable of meeting them. When a child is first learning to assume responsibility he may not conform to adult standards. The product is not as important as the effort.

2. Allow time for training. Many attempts to develop responsibility fail because of poor timing. The worst time to train a child is when definite time limits are in-p definite time limits are involved. A relaxed time is the best time to train a child.

Teens Dance For DYFH

Young people from throughout Sussex and Kent Counties are invited to participate in a 10 hour dance marathon to be held next month in Dover.

Sponsored by the Kent County Chapter of Delaware Youth for the Handicapped (DYFH), the dance is scheduled for Saturday, March 27 at the Dover Central Middle School Gym. All proceeds will help and handicapped children to summer camp.

In addition to a \$100 grand prize for the couple dancing will be offered. Couples are urged to register early and get sponsoring organizations actively involved in obtaining pledges for each hour of dancing.

"We hope to get as many contestants as possible," says Kent County dyfh president Shari Mays. "The more people and pledges we get, the more support we can give to handicapped campers."

Couples and organizations interested in sponsoring couples should contact Sheri Stephenson, 26 Lakeview Drive, Dover, at 734-5605.

Career Corner

By Buck Thompson

printed in the Journal for youths

Lithography (also called offset printing) is one of the most rapidly growing methods of printing. It is a process of photographing the matter to be printed, making a printing plate from the photograph, and pressing the inked plate against a rubber plate which in turn presses it onto the paper. Most of our magazines are printed by the offset method.

Several operations are involved in lithography, and each is done by a specialized group of workers. The main groups of lithographic workers are: camera operators, lithographic artists, lithographic strippers, platemakers and lithographic press operators.

About 81,000 skilled lithographic workers are found in commercial printing plants, newspapers and book and magazine printers. Some 5,100 annual job openings are anticipated throughout the next decade. Most jobs are in big cities, but some are found throughout the country.

A four-five year apprenticeship usually is required to become a well-rounded lithographic craftsman. Although apprenticeship programs usually acquaint the apprentice with all phases of lithography, they may emphasize a special craft, such as platemaker or press operator. You usually must be at least 18 and have a high school diploma, or its equivalent, to become an apprentice.

In high school, take courses in English, photography, mathematics, art and chemistry. Many high schools, vocational schools, technical institutes and community

colleges offer courses in printing.

Union wage rates in an August, 1974 survey were shown to vary by locale and employer. The minimum hourly rates range from about \$4 to \$9.85. Most lithographic workers are members of the International Printing Pressmen and Assistants' Union of North America.

Advancement opportunities are good. If you have what it takes to be a manager, you could gradually move to assistant to foreman/forewoman, and from there to general superintendent and then to estimator and later production manager of the printing company. However, college is usually needed for jobs in printing engineering and most types of management.

Career opportunities look excellent in this rapidly expanding field if you keep on top of technological developments.

Coming Events

March 15 - Monday at 7:30 p.m., will be an occasion of the regular monthly meeting of the Rising Sun Community Club, at the Clubhouse.

The Bicentennial Committee will feature displays and collections of the talents of various club members.

On display will be ceramic art, needlework, dolls, china and other talents of the club members.

Piano Concert Set At Del Tech South

The Sussex County Arts Council is sponsoring a piano concert by David Frease on Thursday, March 11 at 8 p.m. in the Theater West, Delaware Technical and Community College, Georgetown. The concert, supported by a grant from the Delaware State Arts Council, is one in a series the Council is planning in an effort to bring to the area the talents of local young Sussex Countians who are planning professional careers in eh arts.

David, the 20 year-old son of Mrs. Marilyn Denny, Ocean View, is a graduate of Groveton High School, Alexandria, Virginia. He is presently a junio at he Shenandoah Conservatory

of Music Winchester, Virginia, where he is working toward his B.A. degree with a major in piano, and, at the same time, toward a degree in Pinao Technology. He has been studying piano since the age of five, and along with his present study in piano, under Henry Black, he is also studying oran and violin. His repertoire is varied, both classical and modern. David has recently signed a contract to play with King Productions next summer at King's Dominion, Richmond, Virginia.

At the March 11 concert, Mr. Frease will also accompany a fellow student, John Brideson, and accomplished marimbist. The program is free to the public.

Fair (cont.)

He was recently nominated for two American Music Awards and his "country-rock" style singing has pulled most of his recent songs into the "million-seller" category. His most famous songs include: "Wasted Days and Wasted Nights", "Before The Next Teardrop Falls", "Secret Love", and "Since I Met You Baby".

Closing out the Fair on Saturday night will be Danny Davis & The Nashville Brass. Davis and his group have been named the "Best Instrumental Group" by the Country Music Assoc-

iation for six consecutive years.

General Manager Simpson in releasing these details stressed that the grandstand is just on aspect of the over-all Fair. He said the theme of this year's event would be "Education & Recreation For The Entire Family." He added that information pertaining to a pricing structure favorable to the family budget would be forthcoming at a later date. Ticket sale information can be obtained by sending a self-addressed, stamped envelope to the Delaware State Fair, Harrington, Delaware 19952.

AFS Weekend Is Hosted By Lake Forest

by Millard Ellingsworth III
February 27-29 were the date of this years AFS weekend.

The festivities started with an assembly on Friday afternoon in which most of the students were introduced and several told of their experiences. Three foreign students participated, including Catharina Melvin from Sweden, now staying in Salisbury, Md.; Ruth Paesch of Germany, staying in Dover; and Carl Ermanns of Belgium, staying in Cambridge, Md.

Five returnees, students who have been abroad, were present. Mark Payne of Laurel, who spend last summer in Finland; Rick Harter also of Laurel, who spent last summer in Germany; Bert Jicha of Millsboro, who spent last year in South Africa; Josie Trota of Salisbury, who also lived in South Africa last year; and Jesse Pipkin of Cambridge, who spent last year in Argentina, were the returnees.

Several of the hosts attended as well as the

Panamanian students, Alicia and Julio.

A covered dish dinner started off Friday night and was followed by roller skating and on Saturday by swimming, pizza and a dinner.

The local AFS is still looking for a host family for next year. If interested, contact either Mrs. Tilli Kulkulka at W. T. Chipman Jr. High (398-8197) or Mrs. Albert Mason at Lake Forest High School (284-9291 or 9292) for details.

A few of the "girls" pose as they prepare for the Bridgeville Lions Club 23rd Annual Variety Show which will be held in the Woodbridge High School Auditorium this Thursday, Friday and Saturday, March 4, 5, and 6. Show time each evening is 8 p.m.

Farmington

By Mildred Gray

There will be a meeting of the East Coast All Breed Horseman Assoc. held at the old Farmington School House on Sunday afternoon March 14th Starting at 2 p.m. Everyone interested. The Association is being planned around having fun with horses including trail rides, clinic and many other enjoyable things.

G. B. Langford is home on leave. He has been stationed in Texas.

Earl Thompson is in Milford Hospital suffering from a heart attack.

Mr. and Mrs. Lester Hatfield, Mrs. Ray Canow and Mr. and Mrs. William Newman enjoyed dinner Saturday evening in Dover at the Gold Key.

Mrs. Preston Beche has been in Salisbury and Baltimore Hospitals for test.

able contribution to the Greenwood Bicentennial Committee. It amounted to \$727.75. This money is being used by the committee to perform activities appropriate to the Bicentennial celebration.

The Club was also approved the purchase of glasses and eye examinations for two area residents.

Cheer Center News: Week Feb. 23-27: Our attendance has been very good this week. Most of our sick ones are back with us, including Mr. Mills and Mrs. Thawley.

The women have been quite busy putting materials together to make quilts and spreads. They seem to enjoy this work very much.

On February 25, all Senior citizens were invited to meet at Dover for the Governor's Bicentennial Public Forum on the Concerns of the Elderly. The primary purpose of this forum was to look over the past ten years of legislation covering older Delawarenas and to take oral and written testimony about their problems.

Governor Tribbitt welcomed the group and Director Eleanor L. Cain introduced the panel members.

A series of panel presentations followed covering the four areas of major concern to the senior citizens. There were income, and employment, housing and action programs, transportation, and health and social services.

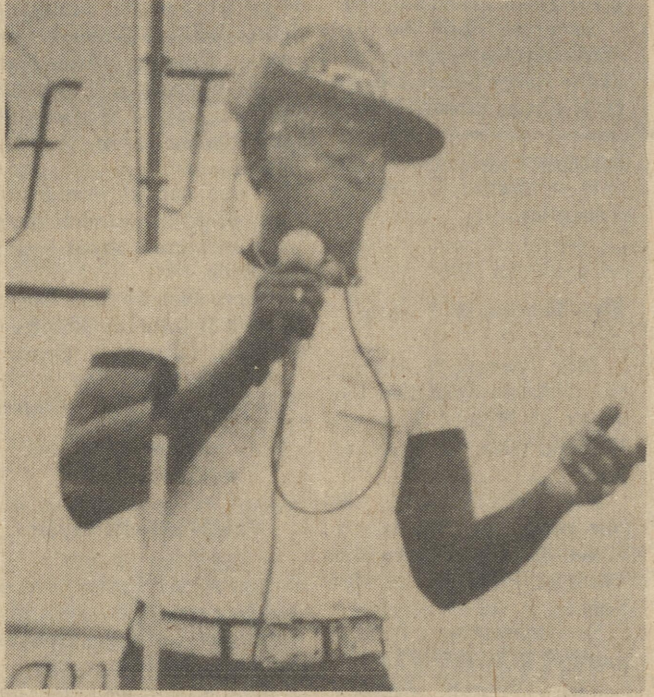

The grup had a chance to present their problems to the panel...now they await some answers.

It was a very worthwhile day spent at Dover. Out site was closed most all members attended the forum.

Two Panamanian students, Alicia and Julio, staying at Lake Forest and Caesar Rodney respectively, do a typical Panamanian dance.

Jesse Pipkon, (right) returnee from Argentinian, relates his experiences to Lake Forest students during assembly last Friday.

On a recent Sunday afternoon, Melvin Smith was pleasantly surprised with a birthday party and dinner, given in his honor by the family and held at the home of his daughter and son-in-law, Fay and Sim Chisenhall of near Greenwood.

Thirty-one were present, including his wife, Ruth, the host and hostess, Fay and Sim Chisenhall and children, Rebecca Lynn, Henry, Mark and Sarah Christine; Melvin and Roberta Wayne, Robert and Michelle Renee, of Georgetown; Thelma and Oscar Warrington, Sue Ann, Ronald and Carol, and Ronnie Garner of Lewes; Clayton and Ermadene, James and Gerome Stanley.

little Tammy Vincent, also Margaret Vanderwende of Dover, Melvin and Dolores, Donna Lee and Penny Smith of Greenwood, Mrs. Sallie Johnson near Greenwood; Mrs. Helen Rash of Harrington; Rich and Norman Melvin near Federalsburg.

An abundance of good food was served. "Smitty" admits it was the best birthday he ever had.

News from Greenwood United Methodist Church: On Sunday evening the charge began a series of five Sunday evenings of the study of the teachings of Jesus which is part of the preparation phase of the New Life Mission, April 4-8,

they enjoyed group singing led by Lion Rich Milne and Mrs. Jeanette McCreary, wife of Lion Paul McCreary, president.

Special guests were Mr. and Mrs. David Andrews and daughter, Tammy and her escort. Tammy has been selected to be a finalist in the Miss Delaware Teen-Ager Pageant to be held at the Dover Central Middle School in May. She will compete with contestants from all over the state, and she is being sponsored by the Lions Club.

Newest Lions Club members are Gary Davis and David Andrews. Dave was inducted at the Saturday evening party by Lion Lew Brumberg.

On Friday, February 20, a Zone social was held for our zone. The Greenwood Lions Club was represented by Lion Paul McCreary, Lion Dace Winski, Lion Bill Seibert and Lion Lew Brumberg, together with their lovely ladies.

According to the audit report of last year's Bar-B-Que, we have made a size-

#7 of a Series: the onshore impact of offshore oil

Will the East Coast need more oil refineries?

That's a critical question to many East Coast residents who are concerned about the environmental impact of oil exploration on the Atlantic Outer Continental Shelf.

A firm answer to that question can't be determined until exploration of the Outer Continental Shelf yields hard facts about the amount of natural gas and oil that exist.

But at present, even the most optimistic estimates have convinced Amoco planners that our present East Coast refineries at Baltimore, Maryland and Yorktown, Virginia could probably handle oil production from our projected Atlantic operations.

We would do it by substituting this new domestic oil for some of the foreign oil we now process.

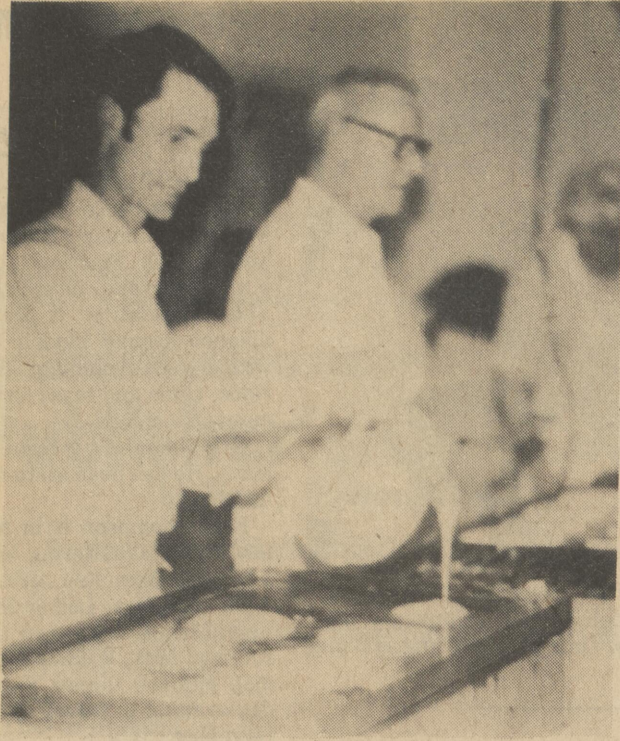

Most industry sources agree that any new Atlantic Coast offshore oil could be processed through existing refineries. Total East Coast refining capacity could be greatly increased without acquiring new land.

There's more to offshore oil than meets the eye. We want to enlist your understanding with forthright answers to any questions you might have. We'll be replying to these questions in future reports.

For more information, write Public Affairs Department, Amoco, 300 East Joppa Road, Towson, Md. 21204.

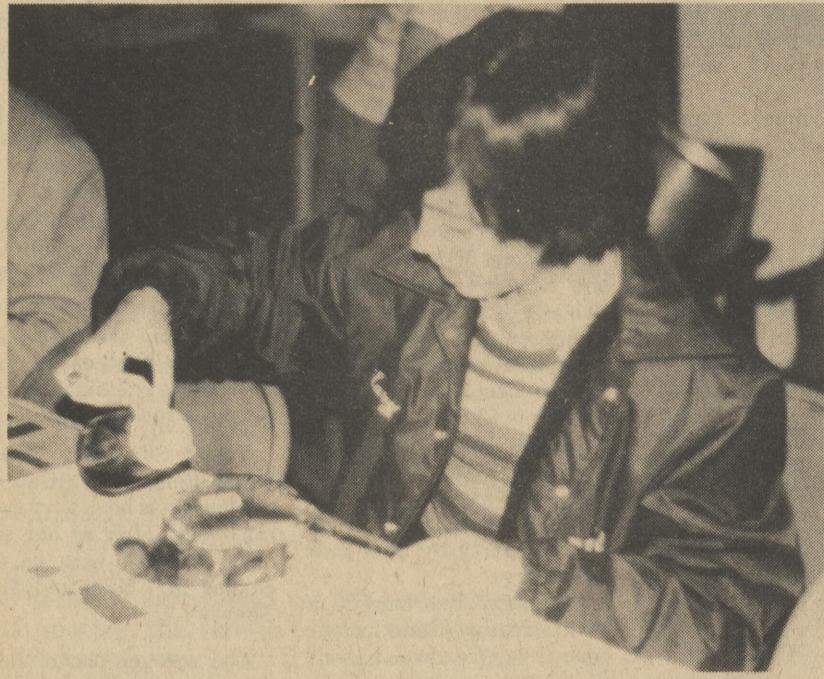

Our job is you.

Spartans Lose Playoff 72-67

by Milliard Ellingsworth III
"I was proud of them... every one of them. I was proud of them," reported Lake Forest Boys' Basketball coach, Buck Starkey after a nervewracking loss to Indian River Monday night. The match was to determine the Southern Division Championship.

Lake Forest played an outstanding game against the Indians, coming back and taking the lead in the beginning of the fourth quarter and losing it to Indian River in the last few minutes.

The first quarter score was 17-25, Indian River. Lake Forest was playing good defense but the Indians were hitting from outside consistently. Coach Starkey said of this "They don't give you a chance to rebound, it's through the net." Indian River was only able to increase its lead by one point in the second quarter, leaving the score 35-44, Indian River.

A problem which started in the second half, and may have cost the Spartans the game, was their inability to hit free throws. During the first half, they rarely missed one.

Another important factor was that Indian River's 3-2 zone held Sam Carey to only two in points in both halves. He usually averages about 12.

Something also fired the Spartans up in the second

half as they came back and tied the game from a half minute into the third quarter. Neal Smith had the tying points. After this, the score saw-sawed back and forth until Ron Shockley put the Spartans in the lead 55-54 from a third quarter 53-54, Indian River lead, in the opening seconds of the fourth quarter.

Again the score went back and forth until Indian River's Townsend, Mitchell and Powell capitalized on a few Spartan misses. Indian River froze the ball and used up the remaining time, leaving the Spartans with a 67-72 defeat.

Nearly everyone agreed with Coach Starkey, "...it was a hell of a ball game." Ron Shockley carried the brunt of the Spartan effort with 26 points followed by Bill Moore 14, and Neal Smith 13.

A quick look into the distant future shows that everyone will be back except Neal Smith and Charlie Scott.

Coach Starkey feels he has a good nucleus for a ball team but says that they'll be playing tougher teams next year since Lake Forest is moving to the Northern Division.

Lake Forest was upset by Sussex Central last Friday, which forced them into the playoff with Indian River.

The Spartans got off to a slow start and never quite regained their momentum. In the final quarter, they nearly gained the lead, but a few costly fouls put the game just out of reach 46-48. Sam Carey had 15 points while Neal Smith and Frank Carey both scored eight.

Earlier that week the Spartans trounced Woodbridge, 68-43. They took the

lead at the first quarter and never relinquished it. Bill Johnson had an outstanding 26 points. Neal Smith and Sam Carey both totaled eight while Frank Coursey

scored seven. The Spartans go to the state quarter finals Saturday night at 8 p.m. against Howard High School at Dover High School.

Spartan Wrestler Lane Lapinsky, who was the brightest spot for Lake Forest in the State Tournament last weekend, tries to reverse his opponent in the semi-final round.

Spartans Fail In Tournament

by Ray Blanchette

Unlike last season when the Spartans had great success in the State Wrestling Tournament, this season they suffered through one of their worst tournament performances as none of the three Spartans who qualified finished in the top four.

The tournament which was held last weekend at Newark High School, saw Spartans Lane Lapinsky, Rick Mertz, and William Jackson entered. Of these only Lapinsky could manage a victory in the first round as he squeezed out a 12-10 victory. Lapinsky the week before had qualified for the State Tournament by finishing second in the conference.

Rick Mertz, was the next Spartan to wrestle but unfortunately for Mertz he was in an extremely tough weight class. He also had to battle a bad thumb and eventually lost a 4-1 decision. Jackson was perhaps the best Spartan hope for a State Champion as he made it to the easier bracket but still lost a 4-2 decision.

Following this disappointing first round Lapinsky still had a shot at first and Jackson and Mertz still had shots at third. But all lost in this second round leaving only Lapinsky in the competition. Lapinsky almost

made it to the consolations but was again defeated.

For Jackson it was the end of a glorious season which saw him finish with an 11-0-1 record the best of any 138 pounder in the conference. It also featured a key victory over Mike Brittingham of Cape Henlopen.

For Lapinsky and Mertz it was a season where they were not expected to be top wrestlers in the conference but both did exceedingly well. Mertz still has two more years of wrestling for the Spartans while Lapinsky has one.

Lake Forest's Bill Jackson watches intently as he awaits the referee's whistle. This was to be Jackson's final match of his high school career as he lost by decision to Caesar Rodney's Duane Shuba, the eventual third place finisher.

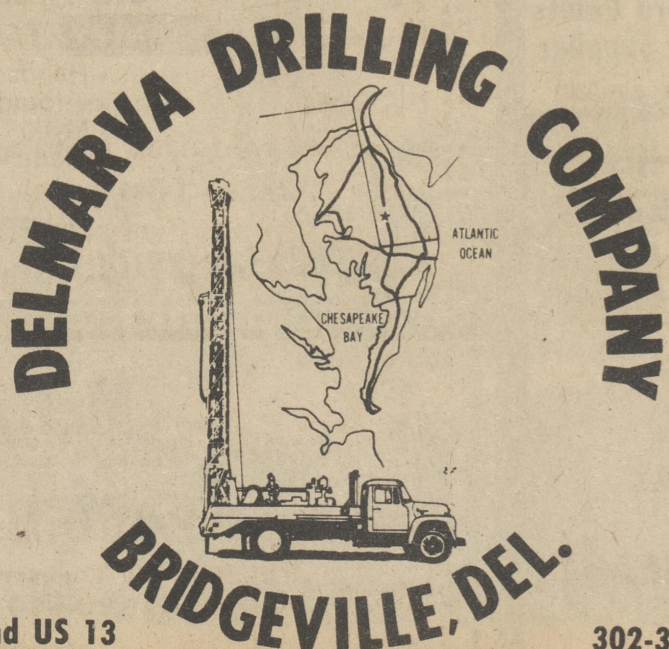

Mens and Womens Exercise Sessions are being offered at the Chipman Gym each Thursday evening from 7-

9:30 p.m. The Lake Forest Athletic Booster Club sponsors the activity, and asks one dollar donation per per-

son. Stay active and healthy, and get in shape for spring.

Bowling News

Lads and Lassies
by Terry Clegg

All I can say is, What a Night! It seemed to be winner take all as most teams had a four game win or a four game loss. After the second week of this, the final third of the season, four teams are fighting to stay in the top slot.

Moose I is leading the way but the Strikers, M and P's and 4 Aces are not far behind them. Ken Baker was the powerhouse of his Moose I team, rolling a 198 and 190 and Sharon Anderson kept up the pace rollin a 174.

These games must have given this team the shot in the arm they needed to take all four from the sinking Misfits.

Misfits Gail Lutz rolled a 182, Patti Friedline a 162 and Gary Singleton a 233 (high game for men). Although these were good games they were not good enough to take put any in their win column.

Next we have the Strikers. This team is not to be out done by their opponents either. Doris Fry rolled a 171 with teammates chipping in enough to take three from the No-Mads.

The M and P's finally bowling with all four original team members, took four from the campers. It was certainly good to see this team with their complete line-up as they have been in and out with illness and injuries.

They must have had a pep talk before bowling as all members were on, much to the dismay of the Campers. Mary Friedline with a 62 seemed to be the only one to be on for the Campers. Sam Lyons was out sick, we hope he is feeling better soon.

The 4-Aces are hanging in there and their three game win over Moose II certainly helped them. I don't usually print any game under 190 for men but Mike Edwards said he was unable to live with Joanie (his wife) since I have been putting her name in the column so I want to see his name in print too. MIKE EDWARDS ROLLED A 183!!! How's that Mike? Moose II may be three games out of first place but don't count them out.

They are far from being low man and may surprise you at the end of this third. Leroy Wheeler is starting to bowl like we all know he can and rolled a nice 195 game.

The Spares losing the second third by total pins only, have not given up their fight four this third either. The Spares and Mickey Moose had to roll on new lanes after theirs broke down.

This seems to throw most of them off their usual high games. The one exception to this was Jay Lewis of the Spares. Rolling a 207 and 221, Jay ended his night with a 603 series, (second high series, for men).

The Pinbuster's four game victory was lead by who else, Edna Mae Layton. Taking high game and high series second week in a row, Edna rolled a 197 (high game) and 163 for a 517 series (high series for men). Mike Fry rolled a 193, 201 and 217, high series (for men).

game blew the Dyo-mite team right off of their feet and they had no strength to make a come back. Cheryl Wingo bowled

a 163 game but none of her teammates could help her. The Goldiggers got their revenge Monday night as they took three from Friends Four. Mary Bergold's 160 and 160 and Doris Bucks 168 and 165 were enough to hold their team up as their male counterparts were not up to their usual standard. Junior Gallo rolled a 201 but the rest of his team seemed to be out in left field. Until next week, see you at the bowling alley!!!

Sixteen possible points! Yes, this is what the top runners will be after in the remaining four weeks of this bowling season. Very unlikely that any team will capture all of them, but each is hoping they'll have enough to be considered the third team to make the playoffs.

Jarrell's Fuel continues to plug away and remains 2 1/2 games in front of those desiring to exchange places with them.

I said, "Those". As you can see by the standings, there are four of them.

Jarrell's downed Big John's and allow only one loss, skimming by, as Big John's had a hard time

making average. Some one on Jarrell's correct me please, was that a 188 or was that an 88?

Burris pulled down three points tonight as they came up against McKnatt's Funeral Home. McKnatt's having one in the blind, proved to be still a tough team as they bowled a 968 game. Donald McKnatt showed he was very much alive as he set the paces with a fine 575 series.

All Captains are supposed to set the example for the rest to follow and Rich Dennis did just that tonight as he too bowled a fine 619 series which included one game of 244.

Business Bowling (cont)

Buck Thompson (1st mate) carried out orders as he too bowled a nice 569 series. Dallas Hayman (2nd mate) was snapping too, as he had a 555 series with a fine 215 game.

Food Rite, still making their bid for first, continues on as they took three big ones from Quillen's Market.

Bushey was the high game man, with a 205, however, Frank Collins led with the highest series. Quillens, unable to list any man as making his average, slipped a little more.

Du-A-Clean struck hard as they defeated Moose "B" all four points. Bill Brode paved the way, having a nice 203 game being backed up by Ira Glanden's 549 series. Moose "B" found themselves in trouble as they only had two men to surpass their own average.

Wally's Garage, a strong starting front runner, continues to drop steadily down and Robbins Hardware didn't help much as they took all four points.

J. Shulties did score a 200 game, but the team never got up to team average all night. Robbins, on the other hand, just squeezed by their own, which made the difference.

Moose "A", occupying eighth position, still strives to pull up as they took all four points from Taylor and Messick Carmine Gallo set the stride for Moose "B", having a 205 game and a 531 series. Taylor & Messick failed to meet team average as all men failed to obtain their won individual averages.

The Spoilers, bowling one in the blind, dropped three points to Fry's American, who also is still in contention

for first place K. Jester bowled a super 243 game leading his team, with consistent bowling from the rest. Leonard Outten sparked the way for the Spoilers, backed by Bruce Herrington and unable to get a flicker from the rest.

Butler's fuel, up against Penn Central, split the winnings two and two. Each team bowled men in the blind and had a hard time to have any man jump out with a big game.

Spartan Cheryl Lissy works her way past Ursuline Academy defenders in the State Championship semifinals. The Spartans lost 66-32.

Girls Bow Out Of Tournament

by Millard Ellingsworth III

Lake Forest High School's Girls Basketball team is southern division champs, but unfortunately failed make either conference or state.

Thursday night, the Spartans played Ursuline Academy and were beaten 66-32. Lake Forest's 12 first quarter turnovers contributed to their 23-2 first quarter deficit. After Ursuline scored eight points in the first three minutes of the second quarter and Spartans held them to those, scoring 19 of their own to close the difference to 10 points.

However, shortly into the second half, Cheryl Lissy who scored the Spartan first four points and a total of eight, reinjured her knee and didn't return. This was most obviously the Spartans second half problem as they only scored 11 points in the half.

Ursuline Academy continued to pile on the points and left the Spartans behind to try again next year. Anna Jackson led the high score with nine, followed by Laura Newnom with eight and sandi Carey with six.

Spartans Compete At Newark

by Keith S. Burgess

The sport of track and field was introduced at Harrington High in 1956, under Coach Dave Snow.

The first half miler at H.H.S. was Dwight Hackett who later became a fine, long distance runner and set several records in a brief collegiate career, at West Chester State.

A steady stream of excellent half milers gradually lowered the half mile school record, until Chris Wetherhold ran a 2.01.5, at Tower Hill in 1970.

Ron Mosely, now Delaware's No. 1 cross-country runner, was clocked in 1.58.2 in 1974, something like 20 seconds under Hackett's 1956 standard.

Chuck Carter, a senior at Lake Forest, won his heat in 2.02.2 at the Delaware State Indoor Championships held at the University of Dela-

ware, last week. he had been placed in the unseeded heat, since his real ability was known to only a few people. Only one runner from the seeded heat could beat the Spartan's time, so he captured the second place medal.

Carter has never competed in track except for this brief winter campaign, yet he's No. 3 on the alltime local list and could eventually prove to be better after one year, than any of his

predecessors, some of whom ran track for as long as six years.

Other Spartans to do well at Newark were Chris Palmisano, Wilson Fry, Paul McClellan, Craig Kashner, Danny Parker and Bob Mulane.

The latter had fifth place finishes in the pole vault (10-6) and the high jump (5-8).

Students Get Awards

Sixteen students from Woodbridge Junior High School entered the American History Contest sponsored by the Captain Johathan Caldwell Chapter of the National Society of the Daughters of the American Revolution. Captain Johathan Caldwell Chapter is located in Milford.

Essays could be on one of the following topics:

1. The reason for the Declaration and the resulting advantages to our country;

2. Why it is considered the most important of all American Historical documents; or

3. On a signer of the Declaration of Independence

The essays were required to be written in ink and have 600 to 1000 words. They judged of historical accuracy, adherence to subject, interest, originality, neatness and punctuation. A bibliography was required. Mrs. Morgan and Miss Craig

were the sponsoring teachers.

Each student received a certificate of appreciation and the school winner was awarded a medal. Claire Betz, school winner was awarded the medal. The following students were awarded certificates—Dawn Hall, Michael Ray Hasting, Jennifer Conaway, Ginger Pratt, Jennifer Torbert, Rusty Abbott, Faith Ann McIlvain, Claire Betz, Janice Kay Maddox, Myra Neal, Marybeth Lewis, Robert Cox, Jefferson Gray Scott, Colinda Kay Andrews, Linda Marie Todd and Rob Rider.

The awards were made on Friday morning, Feb. 27th in the Woodbridge Junior High School Auditorium. Mrs. Mary S. Cahall and Mrs. Velma Graham, members of Captain Johathan Caldwell Chapter, presented the awards.

Ruritan Club News

By Bruce Frazier

The Ruritan clubs of Delaware are members of Ruritan National with the national office in the Blue Ridge Mountain town in Dublin, Virginia—about 50 miles

south of Roanoke, Va. The Delaware clubs are banded together as Zone II of the Delmarva-New Jersey District. Withing the district, comprising the area of the state of New Jersey and the Delmarva Peninsula, there are 40 Ruritan clubs. Most of

the clubs are centered in the rural towns and communities performing their tasks of community service and goodwill in conjunction with other service clubs in the urban communities.

In this Bicentennial year it is appropriate that everyone become better acquainted with Ruritan club activities, since our country sprang from the rural areas. It is only fitting that all Ruritan activities be reported as everyone participates in bicentennial events in their communities. We will be reporting these events every month in this column.

VCF ruritan Club (Viola Canterbury-Felton)—will prepare and serve a ham and turkey and dressing dinner on March 6th, from 4 p.m. to 7:30 p.m. at their clubhouse on Ruritan Lane in Viola, DE. The price is \$3.75 with take-outs available at the same price. All meals for children will be \$2.

Burrsville Ruritan Club—will conduct an annual Auction on March 27 at Taylor and Messick's John deere Shop. Everyone is invited with food, produce, gardening and household articles to be auctioned to the highest bidder.

Cedarfield Ruritan Club—will again stage a Talent and Variety Act Show at the Milford Elementary School on March 12th at 8 p.m. with admission of \$1.25 for adults and 75c for children under 15. Anyone wishing to perform should contact Sam Mackert at 422-9842.

Ellendale Ruritan Club—will be having another turkey shoot on Saturday, Apr. 10th near the intersection of Route 16 and U.S. Route 113. The matches will be with 12-Gauge shotguns (shells provided) at still targets.

Kenton Ruritan Club—will continue to make and sell sausage for several more weeks. They retail the sausage in one and three pound packages at \$1.50 per pound. You can contact Paul Palmer at 653-7554 to place your order.

Andrewville Ruritan Club—has purchased several hundred dollars worth of equipment for a playground under the pine trees behind the ball park.

Cedarfield Ruritan Club—is sponsoring Troop 259 on the Chesapeake Bay Girl Scout Council

Caesar Rodney Ruritan Club—is again sponsoring in 1976 a team in the Camden-Wyoming Little League. They are also sponsoring Troop 109 of the Boy Scouts in Camden-Wyoming.

Lighted flag pole projects have been completed by two Ruritan clubs in observance of our bicentennial year. At Magnolia, the flag in front of the firehouse is lighted by the Magnolia Club, in cooperation with the volunteer fire company. The Caesar Rodney Club has lighted the flag pole in front of the Caesar Rodney High School.

Lime... the fertilizer stretcher

Lime stretches nitrogen supplies. Acid pH's slow down the reaction of micro-organisms in the soil. This results in the slower conversion of urea and ammonia forms of nitrogen to more readily available nitrate forms. It reduces the microbial breakdown of organic materials which release nitrogen to your crops. Proper liming makes more nitrogen available for healthy growth.

Lime stretches phosphate supplies. Low pH causes phosphate to be tied up in unavailable compounds of iron and aluminum. At pH levels of 6.0 or higher, iron and aluminum precipitate out making them non-reactive with phosphate. So more phosphate is available for crops production.

Lime stretches potash supplies. Calcium, magnesium and potash can partially substitute for each other in the crop and on the soil colloid. If calcium and magnesium are low, more potash enters the exchangeable form on the soil colloid and less remains in solution form for crop uptake. With proper liming, less total potash is needed.

Lime... for the good of it!

Liming always has been, and today is even more so, the most profitable fertility practice you can undertake. And right now is the time to do it!

New building choice.

Farmsted II.

Butler's new straight wall, all-metal farm building. (In the Farmsted I price range.)

Take 3 minutes to read this.

There was a time when a farmer's choice of pre-fabricated farm buildings didn't include a low priced, well-engineered, all-metal structure.

Then, in 1970, Butler gave farmers this choice with Farmsted I—a sturdy, durable, functional, attractive all-metal farm building, at prices competitive to pole barns.

And farmers no longer had to pay for more or settle for less than they needed in a farm building.

Now Butler offers you another choice—Farmsted II. Farmsted II brings you most of the engineering advantages of Farmsted I, at just a few more dollars. Plus the benefits of straight wall construction, including large double slide doors in either or both sidewalls.

The big double slide endwall door allows easy in-and-out movement of large machinery. For instance, the huge 30' x 15' endwall door in the 60-foot-wide Farmsted II takes a 4-row corn combine and a dual wheel tractor at the same time.

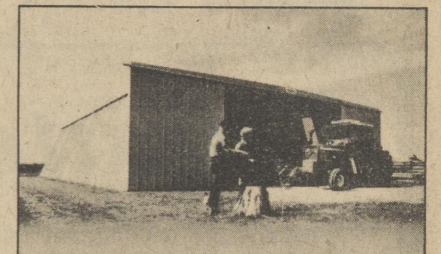

Options include: your choice of 5 finishes—Parchment, Antique Gold, Sage Green, Russet and galvanized. Also the option of windows, a walk-in door, and floor-to-ceiling Lite*Panels for plenty of natural daylight.

All Farmsted buildings adapt to grain storage; for example, the 48' x 75' Farmsted II holds 22,450 bushels.

Farmsted II is available in a broad range of widths, heights and lengths.

Take the time to fill out and

mail the coupon below—get complete information about the new Butler Farmsted II, an attractive, functional farm building at a reasonable price.

The choice is yours.

Farmsted I—the "best seller" all-metal farm building—still offers a whole lot of building for a little less money than the Farmsted II.

Slope wall Farmsted I or straight wall Farmsted II, you can't go wrong.
