Harrington Bicentennial Termed A Success

In spite of gray skies at the beginning, the City's Bicentennial celebration, the "Olde Towne Picnic" was an unqualified success as many Harringtonians turned out Monday to take part in the day's activities.

Held on the W.T. Chipman School grounds, the Memorial service fittingly began the day. It was well attended and considered moving by those present. The main address was given by the Rev. Bruce Shortell, vicar of St. Stephen's Episcopal Church.

Crafts demonstrations and many organized games for young and old followed throughout the day.

Among the games was the popular Jaycee and Janecee 'Dump Bozo'. The fishing pond, potato race, egg toss, sack race and three-legged races also kept the participants and spectators busy.

A bucket brigade and moving a barrel by hoses by the fire company provided a flurry of wet activity for a while.

The beard contest, although with only four participants, brought a variety of entries. John Powell won for having a full beard and Darcey Hamsher won for his Van Dyke. Also entered were Carroll Oakley and Howard Butler. Richard Shultie

was the judge.

Thirty two people participated in a dress review, in full costumes. A brief description of each costume was read as each person walked by. Many of the costumes were made by the local ladies.

At 4 p.m. the Bicentennial chorus sang for about fifteen minutes to a group of nearly two hundred. The group of singers under the direction of Ronnie Hughes and accompanied by Mrs. Thelma Miller, consisted of around fifty, mostly choir members from the local churches.

Following the chorus' performance, many had their picnic dinners, or took advantage of the chicken dinners on sale by Cub Scout Pack 76.

The day's activities concluded with a talent contest, which had 12 entries. Singing and dancing filled the field house, including a brief history of the dance in America's history, as depicted by a group from Asbury United Methodist Church.

Contest winners were Kay Brittingham, who played a guitar and sang. Second place went to Jill Oakley and Mark Stayton captured third.

Group winners were the Moose Hillbillies '76 who sang, followed by

the Sunshine 4-H Club, and three Stripes and a Star took third place. Mrs. Nancy Thompson was chairman of the talent show. Dennis Hazzard of WAFFLE radio station was the master of ceremonies for the contest.

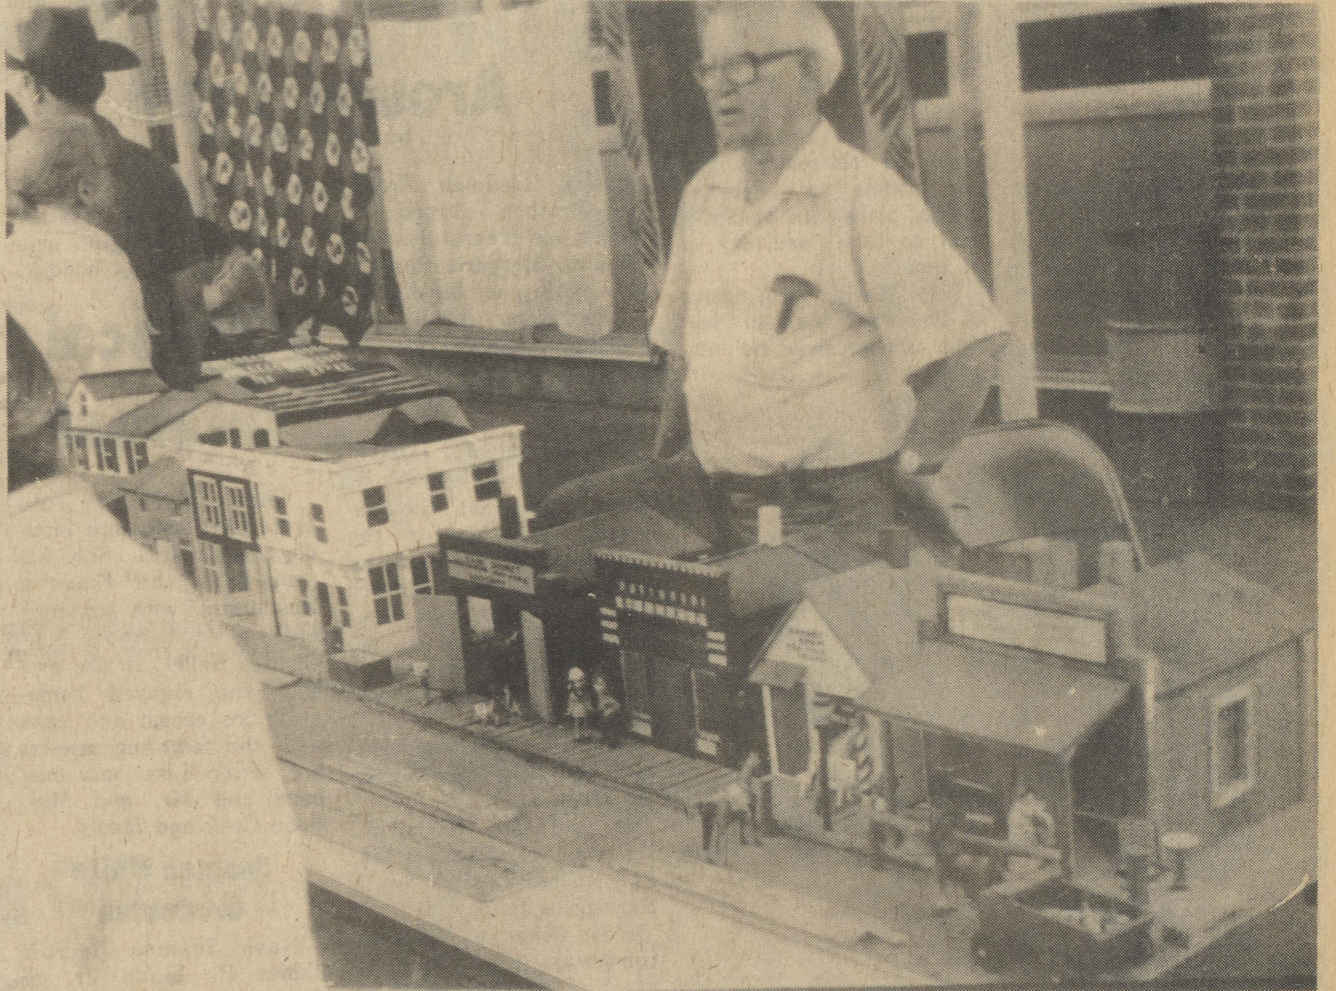

Those who attended throughout the day were heard commenting on the variety of activities and the success of the day.

Quillen Installed As Legion Head

City Manager George Robert Quillen was installed as commander of Callaway-Kemp-Raughley-Tee Post No. 7, American Legion, in ceremonies at the post home Saturday night. He replaces James Ralph Jr.

Other officers installed were as follows: Vice commander, Carrington H. Burgess; adjutant, Dale Roth; historian, Eugene Anderson; service and finance officer, William Lord; sergeant-at-arms, William Jarvis Hurd, and chaplain, Frank C. O'Neal.

Installing officers were from the Department of Delaware.

Elbert Stevens, resident of Harrington, was one of the exhibitors at the Harrington Bicentennial celebration, "The Olde Towne Picnic" held Monday here. Mr. Stevens has constructed scale model buildings of the City as it has been during past history...and had actual pictures of the City that he used as guides in making his display. Regrettably, the buildings shown here have made way for more modern buildings, but they provided memories from many and questions for those who are to young to remember the City as Mr. Stevens shows it.

Spartans Boast Three State Champs

by Keith S. Burgess

In twenty years of track and field, in this school district, the locals have managed to win an event, from time to time, in the Delaware Interscholastic meet, thus claiming a state champion. Last year, Harry Benson, was a state champion in the mile run. In 1974, Don Bryant, won the triple jump.

The 1976 Lake Forest Spartans, coached by Jim Blades, became the first local track team to boast more than one state champ, when three events were taken.

Chuck Carter, an amazing senior performer in his first season, won the 800 meter run, in a swift 1:57.6, then brought his team from behind to win the 3200 meter relay, in 8:07.5. Finally, an underdog Spartan 400 meter relay quartet, rated no better than fourth or fifth, scored a starting upset victory in 44.7 seconds.

In the meet held on Delaware State College's new all-weather track, the metric system was used for the first time.

Eight hundred meters is eight-tenths of a second shorter than the former event, 880 yards or a half mile, thus Carter's 1:57.6, equates to a 1:58.4 half mile, Ron Mosley (1974) holds the Lake Forest half mile mark, at 1:58.3.

Carter's anchor leg on the 3200 meter relay unit, was 1:59.3, as he passed front-running Eddie Parker of Cape Henlopen.

Sophomore Danny Parker's fine, opening leg of 2:05, left the Spartans off the pace, but herculean efforts by Craig Kashner (2:03) and Harry Benson (2 minutes flat) brought the Spartans into second place and set the stage for Carter.

Chuck ran a smart race in the 800 meters, staying in third place behind Fairchild of A.I. DuPont and McNair of Cape Henlopen, before kicking by both runners on the back stretch, to win going away.

Charley Scott, Grayson Barthlow, Mike Benson and anchorman, Tony Smith, upset the dope in the 400 meter relay. Smith, second in the 100 meters, got the baton in fourth or fifth place, but came on strong to win by two-tenths of a second.

Approves Stock Increase

1st National Bank approves increase of stock. Pictures, details of the stockholders meeting in next week's issue of The Journal.

A fourth state champion for Lake Forest, nearly came to reality, as senior Steve Saulsbury cleared the winning height, 12 feet 6 inches in the pole vault, along with two other athletes. However, he was placed third because he had more misses. Mike Morgan of Woodbridge the new state champ is from Harrington and lives in the Lake Forest district but only moved here a few months ago and is finishing his senior year, at Woodbridge.

Mike Benson was fourth in the long jump, while Dan Parker did the same in the 1500 meter run.

Chris Palmisano and Terry Pettyjohn were fourth and fifth in the 3000 meter jump.

The Spartan 1600 meter relay team of Ron Loper, Dave Richter, Craig Kashner and Charley Scott were fifth.

Lake Forest had earlier qualified entrants in ten events, then proceeded to score in each of those.

The Spartans tallied 63 points to finish third of seventeen teams, the best state meet finish ever, for a local scholastic track team.

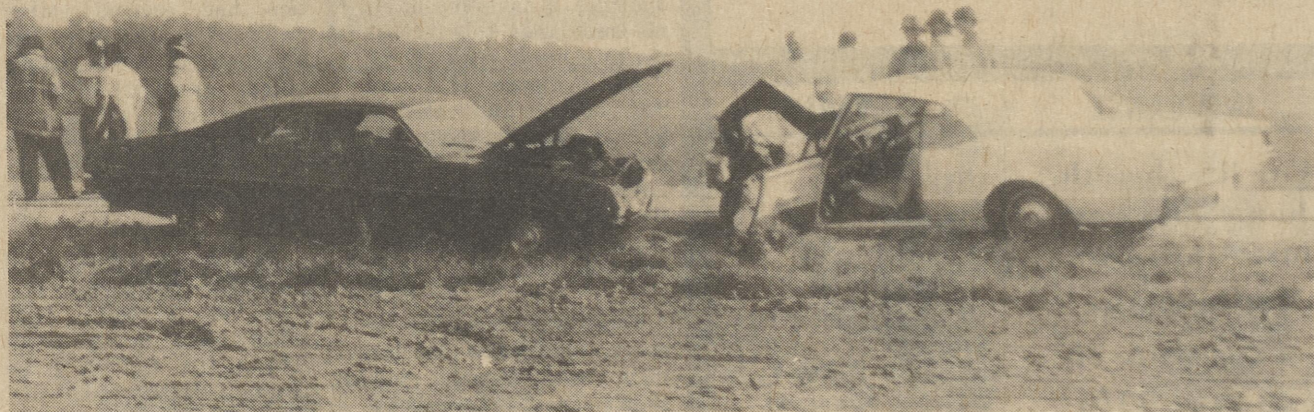

Pictured above are two of the four members of the State Champion 400 meter relay team. They are [l] Charlie Scott and Mike Benson. Absent are Tony Smith and Grayson Barthlow. The Lake Forest foursome captured the championship last Saturday at Delaware State.

Lake Forest senior Chuck Carter captured the State 800 meter run championship, of Division Two, in the State Meet held last Saturday at Delaware State.

The third Lake Forest State Champion was the 3200 meter relay team. They are [l-r] Chuck Carter, Harry Benson, Craig Kashner, and Danny Parker.

No one was seriously injured in this accident that occurred Monday afternoon around 5 p.m. west of Harrington on Delaware Rt. 14. The 17 year-old Harrington juvenile who was charged with careless driving was the operator of the Oldsmobile pictured in the right, that first hit the back left fender of a station wagon operated by Janet L. Schrieber, 30, of Denton, Md.

According to state police, Mrs. Schrieber blew her horn at the youth who was approaching her from the east on the wrong side of the road, both swerved but could not avoid hitting. The Oldsmobile continued in an easterly direction, swerved off the highway to avoid the third vehicle, driven by Mary Christopher 60, of Easton, Md., but both vehicles swerved in the same direction and collided head on on the shoulder of Del. Rt. 14.

Ms. Christopher was treated and released at Milford Memorial Hospital. Wright was also treated at Milford Memorial Hospital and held overnight for observation with a fractured right arm and a minor concussion.

Over 500 Scheduled To Graduate This Weekend

Three area schools will graduate over five hundred young people during the latter part of the week.

Lake Forest High School graduating seniors will hear an address by the Rev. Bruce Shortell, St. Stephen's Episcopal Church, Harrington. Commencement is scheduled for Sunday, June 6 at 5 p.m.

Two hundred and twenty nine seniors will receive diplomas. Among these are the four highest scholastic students: Valedictorian Kathy Delano, daughter of Mr. and Mrs. Leslie H. Delano, Felton; salutatorian Susan Elison, daughter of Mr. and Mrs. William C. Eliason, near Harrington; sharing a same average in a tie for third, Kathleen Grandfield, daughter of Raymond Grandfield, Felton and Martha Hayes, daughter of Robert P. Hayes, Fredrica.

U. S. Sen. William V. Roth Jr. is the commencement speaker at Woodbridge High School commencement ceremonies Sunday, June 6 at 4 p.m. at the football stadium.

Baccalaureate services will be held that morning at 10:30 at Union United Methodist Church.

At Woodbridge, top scholastics are valedictorian Ronnie Cain, son of Mr. and Mrs. Noah Cain of Greenwood and salutatorian, Willard Thomson III, son of Mr. and Mrs. Willard Thomson II, also of Greenwood. These students are the top two from a graduating class of approximately 109.

Rain dates for both Lake Forest and Woodbridge will be Monday, at 5 p.m. for Lake Forest and at 7 p.m. for Woodbridge.

Graduation ceremonies at Milford Senior High School will be held Friday, June 4 at 6:15 p.m. in Briggs Stadium.

Milford will hear its salutatorian Ruth Ann Warnell, daughter of Mr. and Mrs. Joseph Warnell, Milford, and Victoria A. Williams, daughter of Mr. and Mrs. Richard E. Williams, Jr., Lincoln, valedictorian during its graduation ceremonies. In the event of inclement weather, Mil-

ford's Commencement exercises will be held Saturday, June 5th at 6:15 p.m. Two hundred and thirty five are expected to receive diplomas at Milford.

Class Honors Teacher

Mrs. Macklin To Retire After 32 Years

The third graders in Mrs. Macklin's class at Lake Forest South Elementary School threw a surprise party last week. The occasion was in honor and special appreciation of their teacher who retires this year after thirty-two years in Delaware public schools.

Their teacher, Mrs. Lula R. Macklin, has spent the last sixteen of those thirty-two years teaching third grade in the Lake Forest School District. Prior to that she taught for fifteen years in Lincoln and one year in Maryland.

Commenting on those thirty-two years Mrs. Macklin said, "As I retire, I feel that I have given my best to my work and I hope that the results of this work will continue to live on in the children that I have taught as they mature and take their

mentary education in Seaford and Lincoln schools and her high school diploma from Howard High School, Wilmington. A 1943 graduate of Delaware State College, she holds a Bachelor of Science degree and has done extensive study at Columbus University and the University of Delaware.

Over the years she has been an active member of Metropolitan United Methodist Church, Harrington, serving in various offices there and presently as

treasurer.

She is a member and one of the original founders of Dover Alpha-Pi Chapter of the National Sorority of Phi Delta Kappa and has served that organization in many capacities. Other organizations in which she holds memberships include the National Education Association, the Lake Forest Education Association, the Delaware State College Alumni Association and the N.A.A.C.P.

Retiring teacher Mrs. Lula R. Macklin was honored at the Bicentennial birthday festivities at Lake Forest South Elementary School last Friday.

Concert Brings Praise

by Carole Glasspool

The following is written from the point of view of a member of the listening audience. I have absolutely no credentials to establish me as a music critic. C. G.

An audience of about 200 people was treated to an exceptionally fine concert performed by the Lake Forest High School Band and Choral Group at Lake Forest High School Thursday evening, May 27.

There was something for every conceivable musical taste - rock, classical, pop, show tunes, inspirational and folk songs.

The LFHS Concert Band directed by Dale Burkhard started the evening with a rousing rock number, Puddin' Stone, followed by Landmark Overture and a lovely medley of Olivia Newton John hits.

The Concert Choir directed by William Butler began their performance with America accompanied by the band after which Elizabeth Cline took over as a very able accompanist for the remaining three songs. "Somewhere" from "West Side Story" was simply beautiful followed by an American Work Song "Drill Ye Tarriers" and a ditty called "The Saw Took the Measels". On the latter, it was debatable who had more fun - the audience or the performers - but it was most definitely the humor high point of the evening.

Talented Tim Roe then took "Center Stage" to perform his own composition, a lovely love ballad, "I Wish", dedicated to Miss Vicki Smith. In addition to composing and vocalizing, Tim accompanied himself on the guitar. You really can't get much more "solo" in a performance than that. It was a beautiful, touching moment in the concert and probably received the most extended applause of the evening.

The Stage Band followed Time with two knock-out rock songs, Free Spirit and Black Magic Woman.

Following a ten minute intermission two classical pieces, Mozarts "Minuetto" and Bach's "Allegro" were ably performed by the Woodwind Choir.

The Band and Chorus then combined on a medley arrangement of Promises, Promises. The band had performed this number in the April concert and the middle portion had seemed rather awkward at that time. The addition of the chorus voices greatly enhanced this performance and gave the arrangement a much richer, fuller sound than it had as just a band number.

The mixed chorus and Ensemble took over at this time to perform four songs, Look to the Skies Above, It's A Gift to be Simple, Prayer and God Bless America.

Simple Song (from Mass) by Bernstein which required range of voice and real vocal ability was performed with great stage presence and expertise by Clinton Graham. If Clint was nervous at all, it certainly wasn't apparent to the audience. He received a prolonged applause which was richly deserved for even attempting such a difficult piece and then giving such an accomplished performance. It's easy to see why Clinton made All State Chorus.

The Concert Choir finished the evening with four inspirational songs. Perhaps because it is my own personal favorite, particularly enjoyed the arrangement and performance of "I Believe". It brought tears to the eyes and shivers to the spine and I doubt that I was alone. I certainly do not mean to fault any of the other numbers performed as they all were beautifully executed. This opinion was reflected by the audience who at the completion of the concert, gave the performers a standing ovation.

Special plaudits should go to Elizabeth Cline and Patsy Phelps who did such a fine job as piano accompanists, and to Dale Burkhard, Instrumental Director and William Butler Vocal-Choral Director both of whom attained the optimum in performance from their students.

One can only speculate that if all of these groups shined so fine in a gymnasium, how magnificent it would be to hear them perform in an auditorium with proper acoustics.

Bicentennial Day Was Community Effort

Citizens of Harrington who participated in the City's Bicentennial celebration were indeed part of a unique day in the City's history. It was one of the few times, probably in recent years, when a community-wide event drew so many people together.

The committee that planned that May 31st celebration deserve all the credit they have been given in the smooth execution of the day's activities. Joanne Clough, Bernadine Butler and Nancy Green had met with various members of the community since January and suggested organized and molded the plans into shape. The result was obviously a success.

Comments could be heard throughout the day that perhaps hint at the "Olde Towne Picnic" being an annual date. No doubt these ladies are not prepared to consider this at the moment, but one can hope that the idea will be in the foreground when they catch their breaths.

Already one of the ladies has suggested there may be a ball to continue the Bicentennial celebration and perhaps an historical society may be the resulting permanence of the formation of the committee.

One can only hope such will be case. We here salute the committee and the people who made the community Bicentennial celebration a success, and succeeded in making it a community involved project...quite an undertaking itself in this day of apathy...could it be the spirit of '76 has indeed come to our City?

GREENWOOD INTERN IN WASHINGTON-Gerald R. Pearson of Greenwood with Senator Bill Roth during a meeting in the senior Delaware senator's office in Washington. Mr. Pearson, a retired engineer, was one of three Delaware senior citizens who spent a week in Washington as senior interns in an annual Congressional program. Mrs. Pearson accompanied her husband. They met with Senator Roth to discuss the concerns of senior citizens, attended briefings at the White House and on Capitol Hill, and observed the Congress in action. Roth has served as host for Delaware senior interns for several years.

Is Concerned With School Discipline

Letter To Editor:

With regard to the growing concern throughout the State about the discipline problems in our public schools, we ask you to vote in favor of Senate Bill #27.

A group of 300 concerned parents attended a

Laurel School Board Meeting on April 14, 1976 and presented a statement which was signed by 500 persons, showing sincere concern over our discipline problems.

We requested an Advisory Committee to study the problem. As a result, the District Committee To Strengthen School Discipline was formed. Representatives from the Laurel School Board, school administrators, teachers, concerned parents and students comprise the committee, and it has been working to improve the system of administering discipline.

It is the summation of this committee that teachers need the authority to deal with discipline problems. However, this is not possible without changing the present law. In our school district, two polls have been in support of Senate Bill #27 (results follow).

1. Public Opinion - Conducted in several locations throughout Poll town of Laurel of May 8

"Are you in favor of giving teachers the power to take the disciplinary action necessary to control students?" 1590 - yes 80 - no

2. Questionnaire - Distributed by Laurel Education Association to teachers in Laurel School District in regard to giving teachers the authority to discipline.

65 - yes 3 - no 1 - undecided

In conclusion, lack of respect for the classroom teacher is appalling. Appreciation and respect for the opportunity to learn must be re-established in public schools in order to achieve equal education for all pupils.

THEREFORE, WE URGE YOUR SUPPORT FOR SENATE BILL #27, PRESENTED BY SENATOR RICHARD CORDREY, TO AMEND THE LAW DEALING WITH LAWFUL AUTHORITY OF TEACHERS OVER PUPILS.

Sincerely,
Janet Windsor

Mr. and Mrs. S. V. Bullock observed their 49th wedding anniversary yesterday.

TWENTY YEARS AGO

Fri., June 1, 1956

Elvia Rae Smith will give the valedictory address at commencement exercises at Harrington High School Friday evening, June 8, at 8 p.m. in the field house. Miss Smith is the daughter of Mr. and Mrs. William F. Smith.

Norma Jean Brown, daughter of Mr. and Mrs. Elmer Brown, is salutatorian.

Item on front page of 29 years ago: "Women Are Like Newspapers"

Because they have forms. Because they are bold face type. Because they are easy to read.

Because back numbers are not in demand.

Because they have a great deal of influence.

Because they are well worth looking over.

Because they are thinner than they used to be.

Because they carry the news wherever they go. Because they are not afraid to speak their minds.

Because if they know anything they usually tell it. Because every man should have one of his own and not run after one of his neighbors'.

Career Corner Career Outlook Shift

The need for farmers will decline considerably over the next decade, while the demand for workers in health care will outstrip supply according to a new report on Vocational Education and labor demand by the Conference Board of the U.S. Office of Education.

Most future jobs will result from replacement of present workers, and not from new economic growth, it said. According to The Conference Board, the number of jobs for electrical and electronic engineering technicians will increase 106 percent by 1985; air conditioning, heating and refrigeration mechanics by 104 percent; data processing machine repairers by 158 percent; health aides by 111 percent.

While not specifically relating job demand to the supply of students in the pipeline, it indicated competition for many jobs may be stiff due to increasing enrollments in some fields and the fact that some are better paid. Better paying fields, it said, include all technical occupations, electricians, plumbers and drafters.

HOW TO LOSE OUT ON A JOB INTERVIEW
A technical school recently asked 153 employers ways in which students strike out on interviews. Their response is enlightening, with the reasons listed below mentioned most frequently.

Poor personal appearance, lack of interest and enthusiasm, failure to look at an interviewer when conversing, limp, fishy handshake, late to interviews, asks no questions about the job, overbearing; "know it all" attitude, inability to express self clearly, poor voice, diction, grammar.

Lack of planning for career, lack of purpose or goals. **SCHOOLS REPORT THAT.....**

...graduates in heating were in especially heavy demand this fall as customers seek to insure that their heating systems are efficient and energy-conserving.

The fear of malpractice suits is making medical men - physicians and dentists - turn increasingly toward licensed health assistants as an added protection.

An article in the April 10 issue of Moneysworth magazine describes the present need for auto mechanics especially as Americans hold on to their cars longer and as cars become more complex.

America could use twice as many mechanics, according to a report by the Committee in Motor Vehicle Emissions of the National Academy of Sciences. But, the article said "industry experts say the problem is not a lack of auto mechanics but a lack of mechanics with the proper skills. A study by the National Institute for Automotive Service Excellence, a nonprofit organization, found that out of 400,000 mechanics, only 200,000 could pass one or more of the eight tests the Institute gives to certified mechanics.

Concerned With Reporting System

Letter To Editor:

Delaware Volunteer Firemen's Association "911" Emergency Reporting System

On Monday, May 17, 1976 an article headlined "Volunteer Firemen's Association is Stalling 911 in Delaware" appeared in the News Journal. The Volunteer Fire Service was highlighted as being the primary stumbling block to providing a 911 Emergency Reporting System within the state, which is not true.

The Volunteer Fire Service is opposed to:

1. Being left out of early planning discussions.
2. Being ignored as a major component of the emergency services system.

3. Not being consulted - when, in fact, it is the one emergency service within the State which conceived and implemented centralized reporting and has had the most experience.

4. Having people who know very little about the fire service operations arbitrarily attempting to make decisions for it.

5. Adopting a paper program - a program which looks good on paper but in reality is impractical.

The May 17 article quoted Herb Marsh of the Diamond State Telephone Company as saying "the 911 proposal has a long history of procrastination, etc." but to date, a proposal for 911 in Delaware has not been written by any Agency in Delaware nor have the costs, both initial and continued operating been defined.

On June 19, Pack 76 will be going on a trip to Hershey Park. The boys should be at St. Bernadette's at 7 a.m.

On June 26, Pack 76 will be participating in the parade to be held in Felton. Our float will also be in the parade. Time of the parade is 10 a.m.

Bicentennial Committee Thanks Everyone

The Harrington Bicentennial Committee would like to thank everyone who helped us with our celebration of "Ye Olde Towne Picnic" on Monday, May 31, 1976: first the Mayor and Town Council who helped us get started; Kent County Levy Court; Mr. Frank O'Neal and American Legion Post for the Memorial Service; Mr. Burkhardt and the Lake Forest High School Band; Nancy Thompson, Joan Oakley, and Marlene Jarrell for the talent show; Ann Miner and Mrs. Miller for the chorus; Ray Blanchette and the Cub Scouts for the food service; Jaycees, Jancees, Lions Club, Moose Lodge, Century Club, Girl Scouts, Merry Makers Club, Harrington Fire Company and Ladies Auxiliary, the Fire Police and Ambulance Squad; Chamber of Commerce, Mr. Ernie Wall, the judges, the dancers, but mostly the people who came - without whom it would not have been successful.

THANKS TO ALL

Mrs. Joyce Green of Maryland Springs, Md., was a recent visitor at the home

of Mrs. Jacob Hatfield. Medford Calhoun is in Kent General Hospital for surgery at this writing.

Mr. and Mrs. George Durig have had as their recent house guests for a week, her parents, Mr. and Mrs. Ted Wilson of Wheeling, W.Va.

House guests of Mr. and Mrs. Dale Patterson are her parents, Mr. and Mrs. Albert W. Smeal from Bloomsburg, Pa.

A correction on our parade news: The name of the Bridgeville Fire Co. was left out.

Phil Hopkins Retires From Norgas

Phil Hopkins

Northern Propane District Manager Phil Hopkins will leave behind a 28-year career in the LP-Gas business when he retires here June 1.

Hopkins started working for an Easton, Md., propane dealer early in 1936 as an installation man's helper. When the Protane Corporation purchased the business in 1940, he was made manager of the Easton district - which also happened to be the only one in Maryland at that time.

In 1943, Hopkins enlisted in the army, and after a 12-year stint, returned to the Protane Corp. as a wholesale representative.

He rapidly was promoted to Service Manager, then to Assistant Manager, and in 1965, was transferred to Harrington, as the district manager and manager there.

He was in that same position when Northern acquired the Protane Corp. in 1967.

He and his wife, Frances, plan to stay in Harrington, and do a little fishing and gardening.

Top winners in the Junior Broiler Contest are (l. to r.) fourth place winner Martha Klair, Hockessin; first place winner Maria Warren, Woodside; third place Bonnie Lee McClements, Hartly; and second place Marty Wright, Harrington.

Houston

by Margaret Thistlewood

On Saturday night, June 5th at 6:30 a covered dish supper reception for the minister and his family will be held in the Houston Church Fellowship Hall. Everyone is invited and bring a covered dish and your own place setting. If you go please call Mrs. Edna Sapp or Mrs. Pauline Morgan by Friday June 4th.

Mr. and Mrs. Charles Kane spent a few days last week with his sister Mrs. Ralph Bibb of White Plains, Maryland.

Mr. and Mrs. Wilbur Warner and granddaughter visited Mrs. Blanche Esenbrey and Mr. and Mrs. Wayne Eisenbry on Sunday.

Miss Rosanna Messick won first prize in her entry of the parade at Milford on Saturday.

Mr. and Mrs. C. Emory Webb visited Mrs. Grace Manlove and Mrs. Ruth Sapp at the Seaford Manor

House on Sunday.

Mrs. Edna Sapp was a dinner guest of Mr. and Mrs. John Lemmon of Milford who returned home Saturday after a week spent in California.

Dawn Calloway and Donna Blessing took part in the County Demonstration Contest held recently and both came home winners. Dawn won first prize with her demonstration on chocolate chip peanut butter bars and Donna got

third with her candlestick salad.

Mrs. Pauline Morgan and Mrs. Elizabeth Swartz of Dover spent several days last week with Mr. and Mrs. Charles Sutton of Alexandria, Va.

Commencement exercises for the Milford High will be held Friday evening, June 4th for the Senior

Class at Briggs Stadium. Congratulations to all the Houston graduates.

Annual Service Set For Old Drawyers Church In Odessa

The first Sunday in June will mark the regular annual service at Old Drawyers Church on U.S. 13, north of Odessa. In keeping with the Bicentennial observance, the Honorable William T. Quillen, Chancellor of the State of Delaware, will deliver the address on the history of the ancient church and its progress in the 268 years since the Presbytery responded to the request of "...some persons about Apokinimny ..." for the institution of religious services in their neighborhood.

The plot of ground on which the present edifice stands was purchased in 1711, and thereafter, the first building, a frame structure, was built, in 1773, on the same site, the present church was built, and when it was incorporated in 1788, it was called "The First Presbyterian Church in St. George's Hundred". The

sobriquet "Old Drawyers" is said to be taken from the stream which flows to the north and west of the churchyard.

With the growth of the nearby town of Odessa, the congregation declined, and in 1895, the Friends of Old Drawyers was organized to care for the ancient building and the churchyard. The building itself, in Georgian style, is an excellent example of Colonial ecclesiastical architecture. The interior features a carved sounding board surmounted by a golden dove, above a towering pulpit. The congregation worships from white, mahogany trimmed box pews, and around three sides of the church stretches a gallery, where in days past, slaves were permitted to worship. The appointment are the original ones which were built into the church at the turn of the nineteenth century.

Bunting, Breeding Display Great Talent

by A. G. Keller
Milton's Snookie Vent, Harold Bunting from Milford and Walt Breeding of Federalsburg brought an enthusiastic crowd of race fans to their feet several times in the early going of the Modified main in what was a fantastic display of driving talent. Bodie Bodenweiser of Georgetown driving the Lewes Dairy Market Special and Breeding with his Taylor & Messick-Smithville Farms Gremlin recorded wins number five in their respective Sportsmen and Modified divisions. Milford's Ronnie LeVere outgunned the field in Late Model Sportsmen feature competition behind the wheel of the Megonigal-Simplex Time Recording Co. Barracuda.

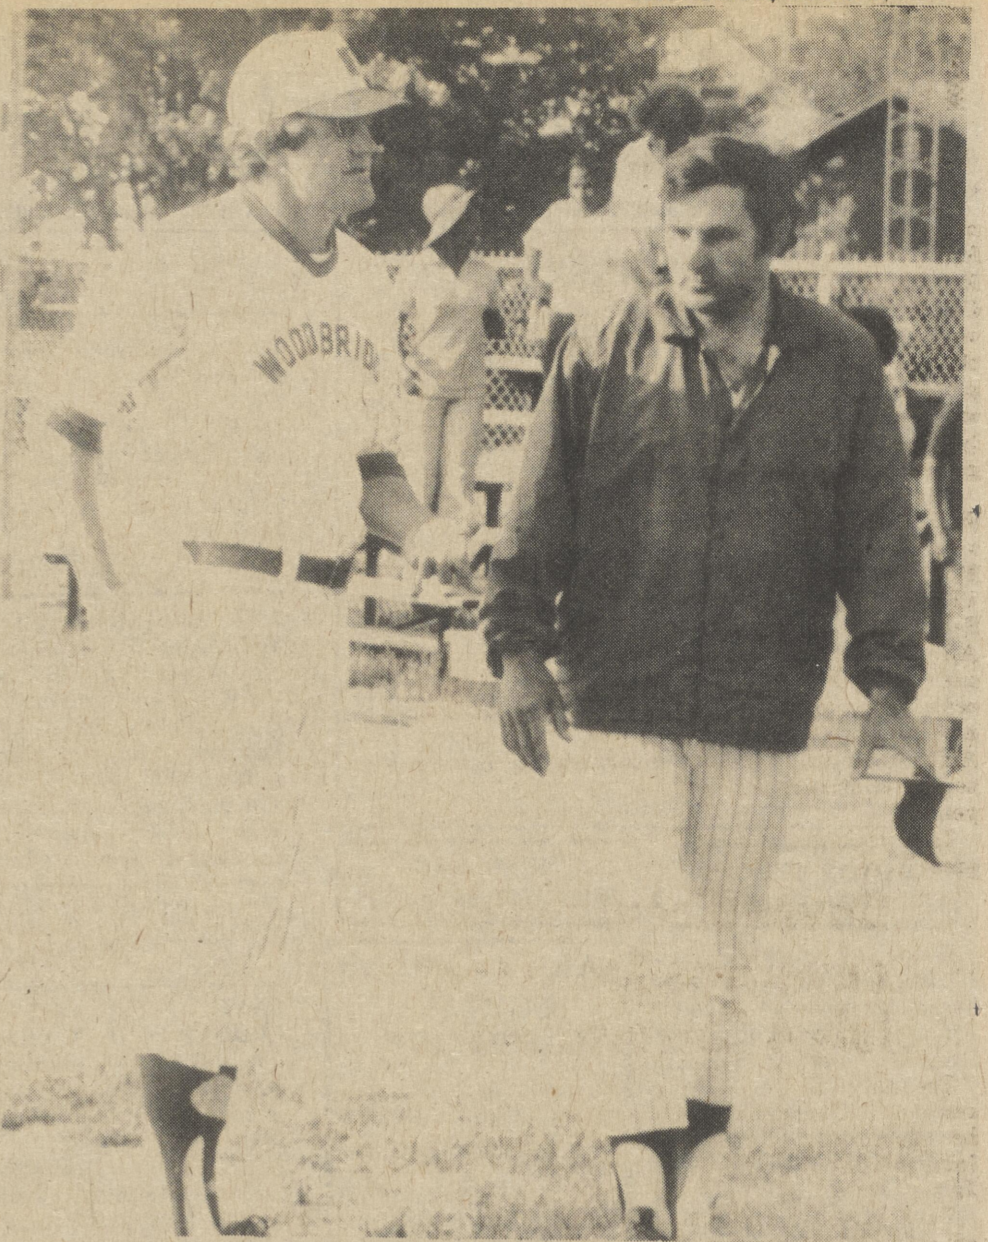

Vent and the H.R. Bailey Plumbing & Heating-Lewes Dairy Markets Gremlin had to settle for second ahead of Bodie Bodenweiser who anchored third in a much improved Absher Racing Team Vega. Paul Walker, Jr. brought home fourth for Coastal, Inc. Stan Busby of Bridgeville was fifth in the Modified finale driving a Mustang II for Covey's Car Care-Dillard's Restaurants and J.O.B. Const. Sixth overall went to Haines Tull from Seaford and Davis Trucking.

Richard Malnor, Nelson James, Fred Workman and Bodenweiser electrified the early laps of the Sportsmen main with definite three abreast action and a fourth challenger before

Bodenweiser was able to pull away with win number five. At the checkered flag Malnor was second in the Wilkin's Farm Service-Russell Repair Ford Powered Colt. James nailed down third for James F. Givens & Shore Roofing. Workman scored fourth for Rumpstich Machine Works and Milford Fertilizers. Larry Grier of Woodside was fifth for C & W Auto Parts of Dover.

Pittsville's Dave White had to settle for second in Late Model feature action behind the hard charging LeVere. Vernon Collins of Millsboro recorded his best finish on the season chauffeuring the Demhoff Furniture-Ray's Amoco Camaro to third at the wire. Fourth went to Milford's Bob Rodgers driving the Armstrong's Mobile Service Center Mustang. Kenny Robinson of Salisbury rounded off the top five driving the Expert House Movers-Florence Lessing Bicentennial Chevelle.

Memorial Weekend qualification heat winners were Richard Jarvis, Ocean City, Bodie Bodenweiser with two, Cordia Warrington V and LaVere. Abby Mitchell of Dagsboro kept Bunting's Garage number one in Hobby racing with win number four in six starts. John E. Martin III of Milton and Sam Davis of Seaford gave Mitchell a run for the money in second and third. The next official race date at Georgetown Speedway's is Friday, June 4th at 8 p.m.

Jym Van Sciver, left, tells Indian River coach after their game last Thursday, that the season is finally over for the Raiders. Woodbridge lost a possible tourney bid when they lost to IR 8-7.

Woodbridge Nine Loss Kills Tourney Bid

Bridgeville. Woodbridge Raiders led 5 to 0 at the end of the second inning of last Thursday's baseball game against Indian River. The team from the sea shore scored seven in the top of the third and went on to post an 8 to 7 victory over a surprisingly strong 1976 Woodbridge baseball team. The loss knocked the Raiders out of a play-off bid in the state tournament.

Kevin Dewey on his last outing against Dover, twirled a sparkling one hitter against a so-so Senator team. The splendid performance by Dewey earned him the starting role against Indian River in a do or die situation. Dewey pitched a commendable game setting the Indian River boys down in order.

In the top of the third, Dewey's curve ball was moving around the plate. Two sharply hit balls to third baseman Butler started the downfall for the Raiders. A line drive off the glove of Butler and a ground ball which he failed to come up with started Dewey to an early shower. As it was Dewey was knocked out getting relief held from high kicking and steady Rick Tull.

Dewey moved to third base and Butler moved to the outfield. Butler made a good running catch of a ball hit high down the right field line. Dewey on the other hand made a miscue at third base of a slow hit grounder which he just could not pick up. Dewey was tagged with the loss.

In that thunderous third Jimmie Vanderwende and hard hitting Clifton Hardesty had one a piece. Woodbridge ended the 1976 season with a 6-6 record, commendable for a team which was not expected to win many ball games this year.

inning, shortstop Dave Smith smacked a two-run standup triple as did catcher Bill Wingate. In the top of seventh it was Wingate who crashed a tremendous drive to deep left field high over the head of Barry Breeding. By the time Breeding had run down the ball which landed on the football field at the Bridgeville diamond, Wingate was in with a stand up triple. Tull held them and Wingate failed to score.

It was the decision of the ball club to start Dewey and save Tull for the play-offs..if the Raiders got that far. Except for the other performance by Dewey, Tull had pitched all of the other games. Tull, a proven athlete and stand-out quarterback for the Raiders, hit the longest ball of the day with a deep Cape Kennedy shot to right center field. The ball carried a short distance from the right center field fence. He went in with a stand-up triple. Had he not stopped at third, he most probably would have scored, for the throw to the plate was off its mark. Tull ended the day with two hits as did lead off speedster Mike Richards.

Woodbridge ended the 1976 season with a 6-6 record, commendable for a team which was not expected to win many ball games this year.

Many thanks to councilman William DeLong, Mayor William Meyers, Mr. Bill Tribbitt and Mr. Carhell those men worked very hard this week on the grass placing the flag-pole and seeing the side-walks were placed properly. The park really looks great.

The Adams, Simpler Ware, VFW Post held a very beautiful serving Monday in the park. The VFW Auxiliary donated an Selana Sherwood Pres. American Flag to the town, Mayor Myers accepted. Donald Pomell Jr., now serving in the U.S. Airforce played "Taps." A service is planned for next year.

Last week was the eight grade Prom at Chipman

Jr. High in Harrington. A guest time was had by all in attendance especially the following:

Queen Dee Ann Lloyd, daughter of Mr. and Mrs. Donald Lloyd, Felton; King Kevin Satterfield son of Mr. and Mrs. Burton Satterfield of Harrington. Music was provided by the Reflections.

Terry DeLong, daughter of Mr. and Mrs. William DeLong celebrated her 13th birthday last Thursday. Ice cream and cake was served a special guest (Taffey) beat Terry to her cake.

Monday - Game day: pool and band practice in the morning. In the afternoon several members went to Dover for ear and eye examination.

Tuesday - A busload of our members went on an all day shopping trip to Park City Shopping Mall at Lancaster, Pa.

Wednesday - Several of the members went to Dover for their weekly swim at the YMCA swimming pool. Others stayed at home for their favorite sport, bingo and painting ceramics.

Thursday - This was another busy day: From 10:30 to 12 we made flow-

ers. It was also National Day. At 1:30 we had a talent show, with group singing and a solo by Mrs. Elma Thorpe, a poem written by Sam Short was read by Mrs. Annabelle Morrow, a duet by our director Sabra Cello and George Goode accompanied by Mrs. Margaret Kirby on the piano and Mrs. Cello on her guitar, and a duet by George Goode and Miles Draper, and lastly, more singing.

The members thought this was a good thing and suggested we continue with it at least once every month hereafter.

Friday - It was bowling day again with only four of our team participating, 3 of them going over the 200 mark: Fred Littmann 338, Jim Koenecki 331 and Dan Noel, 221.

Gus Kramer was welcomed back to the center Thursday from the Milford Memorial Hospital where he underwent an operation.

The June 3rd trip to the circus is complete.

Why do so many women come to Milford, Delaware on Saturday Morning?

They come in car pools and sometimes even rented buses to save 40 to 75 per cent on the finest, bedspreads, made to measure draperies and linens. They drive from miles around to buy the highest quality towels, rugs, sheets and pillowcases, pillows, piece goods, placemats and blankets at prices far below those found in department stores. If you haven't been there, you'd better come and see for yourself. Open the first and third Saturdays of each month 9 a.m. - 2 p.m.

For Your Information

Dear friends,

If you will think of recent funerals you have attended, we believe you will discover that each one left with you a memory picture.

The flowers, the music, the message of the minister, the general arrangements - all these are a part of that picture.

It is our task - as we see it - to make that picture just as beautiful and satisfying as it possibly can be made.

Respectfully,

William C. Berry Jr.
