Mayor Praises 'Olde Towne Picnic' Hears Sewer Woes

Harrington City Council listened to citizens, paid a few bills and praised the Bicentennial celebration during its regular Monday night meeting.

One property owner is having sewer problems and appeared at the Council meeting Monday night to try to get some action. A prospective resident, Thomas Melvin, who is in the process of purchasing a new home on the outskirts of the city limits on the Farmington Road, told the council there had been a city building permit issued three years ago for the property he hopes to live in but the sewer lines are too low to hook up to the City system. It would cost around \$3000 to install pumps to lift the waste into the City's system. According to Melvin, the City should take care of the problem, but the City is reportedly protected because the house was not completed within the 18 month period of time specified in the building permit. The city engineer is to look into the situation before the next council meeting.

Jim Stayton, representing Perry's Steak House, which proposes to build a restaurant for seating in the neighborhood of 200 near McCullough's Tire and Service Center on the northbound side of U.S. Rt. 13, says his group is having a problem with the proposed sewer for the restaurant planned for Harrington. He told council the situation had developed to where "We don't even know whether it will even be possible to put up a restaurant in Harrington."

The Dover-based business is requesting any financial assistance the City can provide. The proposed site is not within City limits.

It was reported the City paid off one loan, People's Bank made the city's general fund in 1974. \$7,633.33 was paid off.

Mayor William Minner commended the work by the Bicentennial committee and its Olde Towne Picnic held on Memorial Day and expressed the hope the day would become an annual event.

Other matters considered by the

Council included:

- making Norma Short a full-time city employe
- accepting the on-off site water and sewer system for the Clark's Corner Housing Project
- approving rezoning of one quarter of a tract of land owned by Howard Quillen from C-3 to M (light manufacturing) for a proposed factory for the stamping out of plastic washers
- donating \$100 to the Harrington Little League
- accepting the resignation of Richard Moore, part time policeman who has accepted full time employment with the Milford Police Department

- hearing request from Robert Eugene Price, Jr. for a rezoning of the Ralph Smith property on Dorman Street from C-2 to C-3 for the purpose of establishing a funeral home

- approving the installation of two street lights at Second Avenue and Center Street extended.

Housing Project Is Taking Applications

Applications of eligible low-income families in the Harrington area of Kent County to live in Clark's Corner, the newest housing development of the Delaware State Housing Authority, are now being received and acted upon in the Harrington Armory on Liberty Street.

The Housing Application Office opened May 24 and families who had

previously made inquiries to the Authority's office in Dover received letters inviting them to make appointments for formal application interviews. Any interested family may make an appointment for an interview by calling Ms. Carolyn Lewis or Ms. Lynne Gruwell in the Armory office at 398-4110.

The application takes about 45 minutes and will be followed by verification of the information given in the interview. For those who qualify after the project is filled, a waiting list will be formed.

Clark's Corner has 50 dwelling units and is located on County Road 275 near the W.T. Chipman School on the northwest corner of the city

just beyond the city limits.

There are eight buildings and a community building on the 10-acre site. Seven buildings are two-story wooden frame structures with brick veneer on the first floor and pre-finished natural hardwood siding on the second floor. One building containing for one-bedroom units for elderly is a single-story brick structure with gable ends of natural hardwood siding.

In addition to the four one-bedroom units and two 5-bedroom units, The community building contains laundry facilities, office and maintenance space, community meeting room and kitchen.

Is Murder Suspect

State police reported this week the arrest of a third suspect in connection with the slaying of a Milton civic leader in the fall of 1974.

Police said they were notified that Thomas R. Young, alias Tommy Tucker, 27, of Harrington was picked up Friday afternoon by police in Compton, Calif.

Charged as a fugitive on warrants of murder, robbery and possession of a firearm during the commission of a felony, Young is awaiting extradition to Delaware. Young is one of three men ac-

cused of killing Frank B. Snyder, 55, on Nov. 29, 1974. Snyder was found stabbed to death with a butcher knife lodged in his chest in the bathtub at his service station on Delaware 5 north of Milton. State police said whoever killed Snyder emptied his cash register of about \$100.

The two other suspects, John Preston Rooks, 35, and George L. Reynolds, 22, both of Milford have already been arrested and charged with the slaying.

Frederica Project Nears Completion

Last Wednesday night at the regular monthly meeting of the Town Council for Frederica and again this past Tuesday night, in a special meeting, the matter of the paving of the streets in the Town after the sewer lines have been installed was the top topic of discussion.

The installation of the sewer lines is nearing completion by Central Construction Co. of New Jersey.

Aside from the resurfacing of the streets subsequent to the completion of the installation of the sewer lines, the matter of laterals being installed at random positions throughout the Town is causing some concern with the townspeople.

As it was explained on Tuesday night, the streets "...do a lot of curving through out the community... and the laterals are bound to connect to the main sewer line at various positions". At the present time, some of the laterals connect in the "...middle of the sidewalk...back of the sidewalks". What the council members seek is some sort of uniformity.

Members of the Kent County Levy Court visited the Town Tuesday night to discuss the laterals and the resurfacing.

There are two streets in the Town, David and Market, which are state maintained streets. These two streets in their entirety must be resurfaced to State Highway specifications and will be resurfaced with asphalt. The remainder of the streets in the town will be resurfaced with tar and chip.

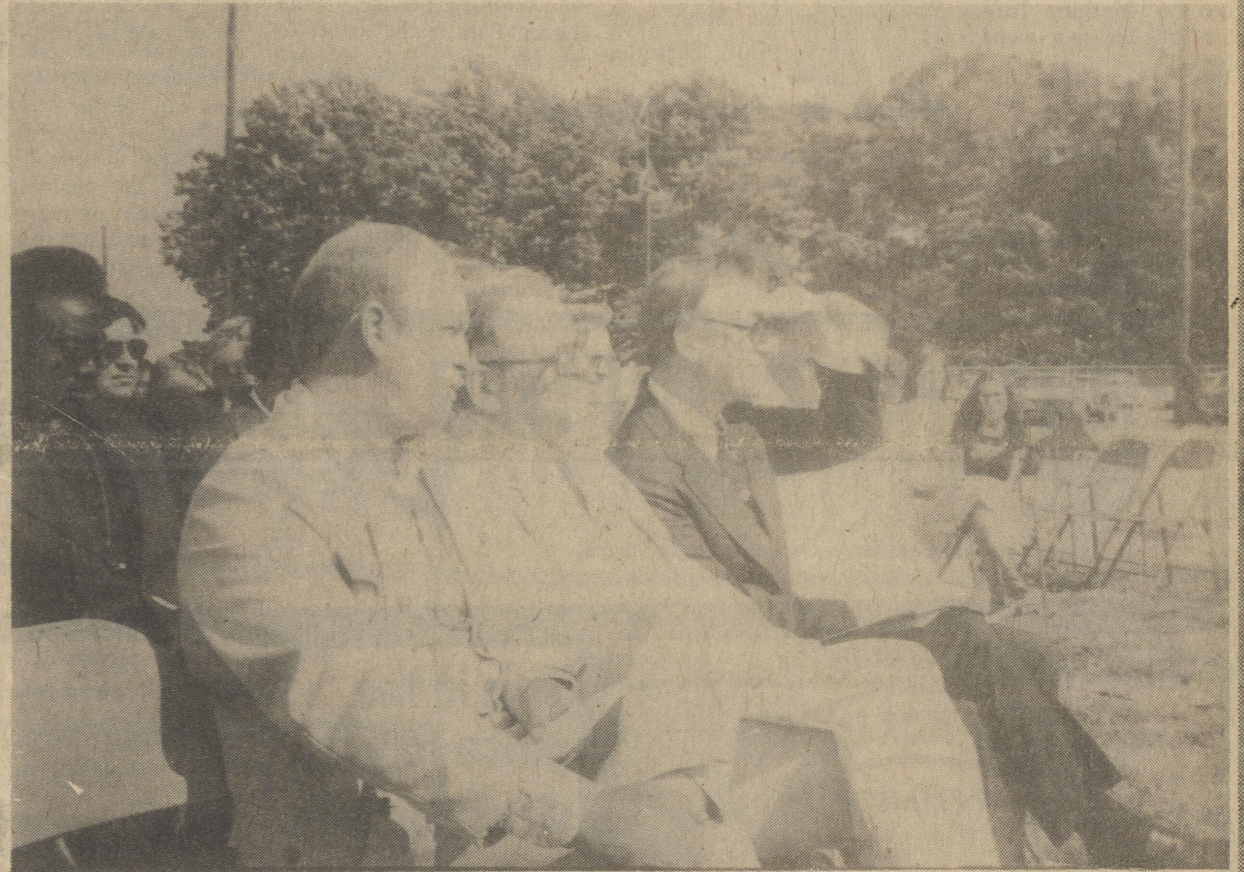

On hand for the meeting were Levy Court commissioner, Jim McIlvaine and County engineer Walter Fritz. Mayor George (Bud) Nashold said that he wanted to consult Watson Baker of the highway department as well.

Glimpses Of Graduation

At Lake Forest

These Lake Forest seniors sit in anticipation of the big event, receiving their diplomas. Two hundred and twenty nine students were awarded diplomas under sunny skies Sunday afternoon at the high school.

At Woodbridge

U.S. Sen. William V. Roth, Jr. appears to be giving a left handed hand salute to Ronnie Cain (out of picture) the valedictorian at Woodbridge Commencement exercises on Sunday as Cain delivered his speech. Roth on Saturday announced his plans to run again for the U.S. Senate. Others seated with Roth are left to right Kyle Ewing, Councilman in Bridgeville, Dr. Rudolph Beckert, M.D., Pres. of Woodbridge School Board, Roth, Dr. Foster Flint, Superintendent Woodbridge, and to his left not seen Robert Sutton, newly selected Assist. to the Superintendent.

Felton Seeks To Solve Trash Pick Up

For many months the Town of Felton has been served with complaints from the townspeople regarding the failure of their contracted trash remover, N.L. Wilkins. Mayor William Myers says that he has made several trips to Wilkins' place of business and discussed the matter with him. "Of late...there have been very little problems developing. I mean since they put two trucks on in the Town they have not missed many trash stops". Several houses have been omitted in the past, but frequent complaints by Myers and visits to Wilkins' place of business have lessened the problem somewhat.

The complaint which drew the fire at Monday night's meeting was the failure of Wilkins to empty the large trash containers. Councilman Joseph Winger said the one behind his store has not been emptied. According to Winger these containers were supposed to be dumped. "I guess that I will have to go back up there and see him (Wilkins) again, and see if I can't straighten out this situation," said Mayor Myers.

Over the past several weeks and months, work has been done on the street fixing the water mains. Webb Paving has been in the area and patched some of the holes. They have not completed the job and some time has expired since they were last in the Town. According to Myers "...they will be back for they will be looking for that check". The Mayor went on to say that no check would be surrendered until the work was completed.

The memorial park now has sod added and the Avon Club of Felton

donated the azalea bushes to the park.

Councilman Don Jacobs said that the new police car which had been ordered has arrived at Schwartz Motor Co. and is ready for delivery. The car arrived the latter part of May. The Mayor and Council authorized payment in full for the car.

The Mayor announced that the tax books should be ready to hand on the 14th of this month. "They should hang there for five days, which

would be the 19th and have the appeal night on the 21st, which is a Monday from 7 to 9 p.m.," said Myers.

In other business Joseph Winger said that Mrs. Sipple at the corner of Nile and North Streets has requested a street light for that area. It borders at the end of the Town limits. Myers agreed that they could look into it and if no problem arose as a result of this the Town would have a light installed.

Houston Council Grants Holt Extra Hours

The Town Council members last Thursday night granted their police chief, Al Holt, 30 extra hours for the months of June, July, August and September. It was further stipulated that a police log be kept as a further condition of the extra hours.

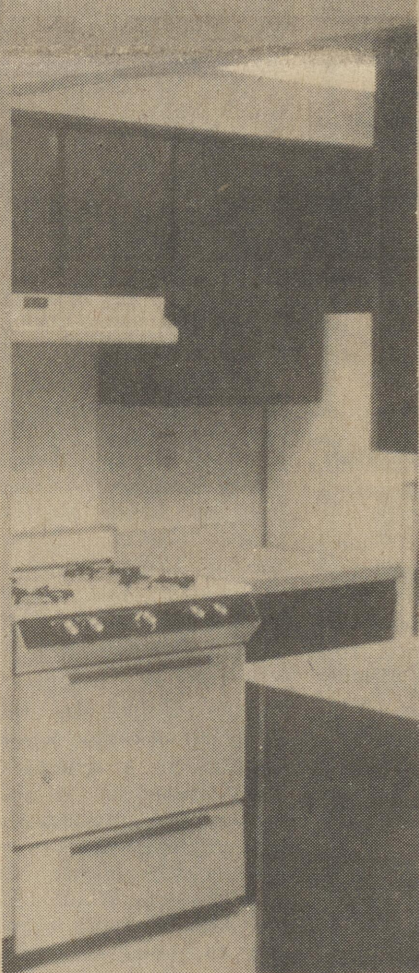

The detailed report or police log has been requested in the past, and forms were printed for the request but the forms are now missing. The extra 30 hours would give Al Holt a total of 100 hours per month for the months specified. He currently reports in around 70 hours a month. The radar unit which would be capable of catching speeders coming in different directions and which would have cost the Town about \$2,400 was also turned down.

A group calling themselves "The Peoples Place" from Milford came to the Council meeting seeking funds.

They requested \$300 a year. The request was considered by the Council, but it was tabled. "People's Place" handles emotional problems.

Councilman Harry Towers has been absent from Council for the past two meetings due pressing matters with the City of Milford where his is employed as a building inspector. At this meeting, Councilman Thomas Surdukowski was appointed acting Secretary for the Town meetings. He reported having received a letter from the State reporting funds available for a park for the Town. The request has been tabled because there is no park area available at this time.

There was a report that a great deal of trash has been collecting in the area of the old Libby plant and more recently the home of Mark VII. It was reported that most of it has been picked up.

This photo shows the interior of the kitchen in one of the eight buildings at the nearly completed housing project that has been named Clark's Corner, located northwest of Harrington. Interviews are being taken now for prospective tenants. See article and advertisement on page six for further details.

This building is the only one-story building at the Clark's Corner public housing project near the City. It has been designed primarily for the elderly. The other seven buildings are geared primarily for families. This is one of three public housing projects in Kent County completed or in final stages of completion this spring and summer.

"C'mon, good buddy, we got us a convoy" could be heard for miles around Richmond, Va. Memorial Day weekend as 6,000 vans converged on that city. C. E. and Alice Hinson of Canterbury were there in the "Dragon Wagon" for Van Fest '76. People attending slept in their vans and cooked out on barbecues - sort of like a giant two day picnic. Included in the festivities was a bikini fashion show and a van driving competition negotiated on a muddy, sloppy course. C.E. declined to participate in the latter he didn't want to get his "Dragon

Wagon" all dirty!

Phil and Winnie Wittboldt of Woodbury Acres have really had a busy three weekends. On Saturday, May 22nd daughter Denise celebrated her birthday and became engaged to Tom Pientowski, who is the manager of the Dover J.C. Penney Auto Store. Tom and Denise plan to be married in May of '77.

Then on Memorial Day weekend Winnie, her children and her mother, Mrs. Jane Anderson of Newark, were in West Virginia for the graduation of Winnie's cousin Pam Dean. Pam is the daughter of Mr. and Mrs. Howard

Dean, Gem, West Virginia.

On Sunday night, June 6, the Wittboldts entertained fifty people at an open house affair for their own bicentennial graduate, David. All of David's relatives and friends enjoyed a lovely buffet served amid bicentennial decorations.

Mrs. James Jefferson, Felton, advisor to the Thomas McKean Society of the Children of the American Revolution, and her children John and Jane attended the Milford Memorial Day services conducted by the Veterans of Foreign Wars. Representing the Thos. McKean Society in the placing of a wreath at the monument in the plaza were Miss Holly Marshall, Pres. of Milford escorted by John Jefferson of Felton. Mrs. Jefferson is interested in building the membership of the C.A.R. If you are interested in joining them, please contact her at 284-3152.

Drive Extended Extra Week

The annual membership drive of the Dover Community Concert Association has been extended for an additional week; and new members will continue to be accepted through June 9.

Memberships in the Association are \$12 for adults, \$6 for students, and \$30 for families.

One membership and card admits the holder to the following concerts: The New York Brass Quintet, the Joffrey II Ballet Company, violinist Gil Morgenstern, and duo-harpists Longstreth and Escosa.

In addition, the membership includes an invitation to attend-on a seating-available basis, but at no extra cost-three concerts of the Seaford Community Concert Association. The Seaford concerts are the National Folk Ballet of Yugoslavia, popular musician Stan Freeman, and the Cologne Chamber Orchestra.

When the campaign ends, no memberships are offered (to those living in the area at the time of the campaign) for another year. No tickets are sold to individual concerts. Admission is by membership card only.

Interested persons may join simply by sending the membership fee, with name (or names, in family membership), address and phone number to: the Dover Community Concert Association, P.O. Box 482, Dover, DE, 19901.

Plans Underway For A Two-Day Bicentennial Day In Bridgeville

Plans are underway in Bridgeville for a two-day old fashioned Bicentennial Festival Day celebration including a variety of activities for citizens of all ages.

The two-day event, which will take place July 3 and 4, is being sponsored by the Bridgeville Bicentennial Committee. In conjunction with the Festival Day the committee is selling memorial mugs made of a pewter-like material for \$7.50 each. The mugs, manufactured

by the Wilton Brass Company, are marked with a crest featuring symbols of the town's history. The mugs can be purchased from members of the Bicentennial Committee (Chairman Kyle Ewing, William Hartzell, Earl Willey, Barbara Slacum).

The Festival Days will get underway Saturday, July 3, with a tour of at least 15 Bridgeville homes and gardens. The tour will begin at the Town Hall and last from 11 a.m. to 5 p.m. There will be a

charge of \$1 for adults and 50 cents for students to help defray the cost of printing tour booklets. There will be no charge for preschoolers with parents. A light luncheon will be held at St. Mary's Episcopal Church, from 11 a.m. to 2 p.m.

Saturday evening at 8 p.m. the Delaware Bicentennial Chorus will give a free concert at the Union Methodist Church.

On Sunday, July 4, there will be an "old fashioned festival" featur-

ing displays of old coins, stamps, post cards, books, guns, cars, Indian artifacts, wagons, steam engines, stichery, swords, license plates and a flea market. Spaces for the flea market are available by contacting Charles Hawk 337-8100 or Dick Thomas 337-8100.

Other activities for the day will include a horse-shoe pitching contest, soft ball, volleyball, for adults. Children games include egg races, spoon races, horse rides, soft ball, sack

race, apple bobbing and for everyone a "kissing booth."

A major activity of the day will be the dedication of a monument memorial center, next to the Town Hall. The monument, which is now under construction, will be a memorial to the towns founders. The small park in which the monument will be located will have a circular walkway with benches and three flagpoles on which the national, state and Bicentennial

flags will be displayed. At the end of this year, the Sussex County flag will replace the Bicentennial flag.

The monument is being donated to the town by the Bridgeville Lions Club. The Bicentennial Committee plans to use the proceeds from the activities during the two days to help defray some of the costs for construction of the park.

The two-day festival will come to a close Sunday evening with a firework

display. That will begin at dusk. Rain date is July 5.

All Star Basketball Game Set

One June 11th, the 3rd Delaware High School All Star Basketball Game will be held at St. Marks R.C. H.S. Field House, Newark. This event is co-sponsored by the Delaware Inter-Scholastic Basketball Coaches Association, Easter Seal Society for Crippled Children and Adults of Delaware, and the Delaware National Guard.

Tickets can be picked up at any National Guard Armory or from any high school basketball coach or at the door. The price per ticket is \$3 per person. Mr. Hugh Martin Pres. of Easter Seal Society urges all interested persons to get tickets and plan to attend the game. All monies gathered will be

for the benefit of the crippled children and adults of Delaware.

The total monies collected in the Harrington area for the 1976 Easter Seal Society amounted to \$635.99, it was announced by Mrs. Harold R. Welch, Area Chairman. The efforts of the various groups supporting the program were the prime reason for its success. The breakdown of collections were as follows: Door to door solicitation \$294.98; Lily Parade Sunshine 4-H Club \$217.05; Lily Parade Blue Hen Chicks, V.F.W. Juniors \$123.96.

Bank Declares Stock Increase

The 1st National Bank of Harrington, which was founded in 1888, recently announced a new stock plan for the bank. Some 60 stockholders and their guests which represented more than 25 % of the total stockholders as well as some 8000 of the 9000 outstanding shares voted to increase the stock.

The stockholders of record as of June 23, 1976 will receive one share of stock for every share owned. It will be a one for one exchange. The exchange will be treated as a stock dividend. The stockholders also approved the issuance of 4,000 more shares for sale to the prospective investors of the Bank. There will be an

additional 1,000 shares authorized but unissued. Benjamin Hughes, Jr. President of the Bank voiced a bright outlook for the Bank in the coming years. He said the Bank had experienced its greatest growth over the more recent years.

The purpose of the stock dividend was to reduce the market value of each share of stock to afford more individuals a greater opportunity to become a stockholder in the Bank. The latest sale of stock was for \$135. The new issue will be offered at \$65 a share. The par value will remain the same. The proposed sale of 4000 shares of stock will increase the Bank's overall

capital structure which will in turn increase the lending powers of the Bank.

At the presentation ceremonies, David G. Jones, Cashier of the 1st National Bank gave an in depth growth and comparison for the Bank over the past five years. The Bank has had a greater growth than any of the other five National Banks within the State of Delaware. The latest dividend was \$3.95 a share in 1975.

Final approval of the stock plan will be required by the Controller of the Currency in Washington. This should take place sometime in mid-summer at which time it would be available to the general public.

Weekly Report by Senator Joe Biden

Each year, billions of dollars in Federal funds for a host of programs are disbursed to States and local communities.

Of these Federal grants, many are allocated on the basis of varying formulas that take into account different factors, depending upon the program involved. In many programs, however, it is customary that at least a certain percentage of the money available for grants is allocated equally among the States.

In recent months, however, there has been a trend toward attempts to cut back on the amount of funds for many programs that are allocated equally to the States, and to increase the percentage that is based strictly on population.

The most recent example is a provision approved by the House of Representatives in legislation extending the Land and Water Conservation Fund -- the program set up by Congress more than a decade ago to help States and local communities finance parks and other outdoor recreation facilities.

When the Senate passed this bill, it left intact the original formula, under which the first 40 per cent of the funds available are allocated equally among the States.

The House of Representatives, however, changed the formula in such a way that after the first \$240 million, 20 per cent would be allocated equally to the States, and 75 per cent on the basis of population; the other 5 per cent could be used at the discretion

of the Secretary of Interior.

For Delaware, this means we would lose \$1.4 million over the next three years.

Last year, the Senate overwhelmingly rejected an amendment (by a vote of 68 to 26) to change the formula.

This is not the first instance where attempts have been made to cut back on small states (like Delaware) when it comes to Federal programs. Last July, for example, there was an attempt to change the formula for allocating funds for water pollution control facilities -- which would have cost Delaware over \$23 million.

In many of these pro-

grams (such as the Land and Water Conservation Fund), most of the funds are already allocated primarily on the basis of population. Further cutting into the minimum amount that small States can expect would seriously impair our own parks and recreation programs. That is the reason I will continue to oppose efforts to change these allocation formulas.

Housing Project(cont.)

The community building will be used for tenant meetings, according to Moyer, as well as provide a central meeting place for tenants to receive social service information as well as being able to take advantage of extension programs available through the University of Delaware.

State Director of Housing Robert S. Moyer said the community building will hopefully be used occasionally by the Harrington community for various activities.

Moyer said the contractor will be finished in about two week and families could start moving into Clark's Corner about July 1.

The total County development is being built at a federally financed construction cost of \$4.8 million by Leon N. Weiner and Associates, Inc. of Wilmington. The architect is Benjamin W. Kitchen of Philadelphia. Through a cooperation agreement with Kent County, Clark's Corner will pay the county 10 per cent of the rents collected minus the cost of utilities for ordinary municipal services in lieu of taxes.

Rents are calculated on the basis of 25 per cent of total family income. Low income eligibility for these homes is set by the U.S. Department of Housing

Days of Our Years

TEN YEARS AGO

Fri., June 10, 1966 The Board of Education of the Harrington Special School District this week honored Mrs. Minnie Price Slaughter and Mrs. Mary Hughes Dolby with a testimonial dinner celebrating fifty years in public schools of Delaware. Over 100 members of the staff and faculty were present. Joseph Gott reported four hubcaps stolen from his car while it was parked across the street from the police station.

Mayor and Mrs. Luther P. Hatfield entertained at open house on June 5 in honor of their son Marshall's graduation.

Mr. and Mrs. Charles Rapp and son, Ronnie spent the weekend in Norfolk, Va. with her brother. Mrs. Vincent Lobo, Mr. and Mrs. Ted Layton and daughter, Lyn, and Malcolm Anders, are spending this week in Fenwick.

Mr. and Mrs. Gayle Smith are in Las Vegas on a business trip for General Motors.

Sam Knox, Ellis Myer and Steve Motter have been named All-Heaven Conference baseball players.

TWENTY YEARS AGO

Fri., June 8, 1956 J. H. Tyler McConnell, Democrat candidate for Governor in this year's election, received a standing cheering ovation at the Jefferson-Jackson Day Dinner held last Saturday night in the State Armory in Wilmington. Kent County Ninth Representative, District was represented by Committeeman Norris Graham, Senator Jehu Camper, William Minner, Lawrence Price, John Raughley, Robert A. Sausbury, Earl Sylvester, and Mr. and Mrs. Paul Welch.

Mrs. Evelyn Schanding wishes to announce the engagement of her daughter, Leah Ray, of Harrington, to LeRoy Wheeler, son of Mrs. Pauline Carter, of Rising Sun.

Bonnie Tucker has been ill with chicken pox. Felton: Mrs. Olive Bray, of Baltimore, Md., is the guest of Mr. and Mrs. Walter H. Moore.

From "Sixteen Years Ago" (Fri., June 9, 1950): Melvin Clayton Luff, of Camden, was among the 425 seniors who received degrees from the University of Delaware. He is the son of Mr. and Mrs. Clayton Luff, of Harrington.

of the tenants at the Harrington site will be a resident maintenance person.

Preference in selection of qualified applicants for the Harrington site is given in order to residents (1) of Harrington, (2) Lake Forest School District, (3) Kent County, (4) Delaware and (5) Out-of-State.

Under present law, workers not covered by a qualified pension plan may contribute, tax-free, 15 percent of earned income up to \$1500 into an Individual Retirement Account. My amendment would extend the coverage of the IRA to non-employed housewives whose husbands are eligible for the IRA.

Under the legislation approved by the Committee, individuals eligible to participate in this IRA program could set aside up to \$2000 a year for retirement. The plan could either provide separate \$1000 accounts in each spouse's name, or a \$2000 joint account.

Under current estimates, there are more than 9 million families who would be eligible to participate in this new pension program.

And I am hopeful that this plan will be extended to cover even more families before the bill is enacted into law. The House has passed a bill which gives workers participating in regular pension plans the opportunity to contribute to an IRA the difference between what his employer contributes and the \$1500 IRA allows.

This provision, if combined with my amendment could give an estimated 8 million husbands with inadequate pension plans the chance to make additional, tax-free pension savings for themselves and their wives.

A combination of these two measures would allow more than 17 million husbands with limited pension plans or with no pension plans at all to establish expanded retirement security for themselves and their non-employed wives.

I think this is a major breakthrough. For the first time we are giving recognition to the economic contribution the housewife makes to her family and to the fact she is entitled to more protection as she grows older. Nearly 60 percent of married women are not employed outside their homes and consequently are ineligible for retirement protection. As a result, the likelihood of being poor is considerably greater for elderly women than for men.

The IRA retirement program encourages people to save for their later years, so they don't have to depend on expensive Government spending programs.

I think that housewives should be given the same opportunity enjoyed by others to provide for their financial security in their old age.

The Rev. James Dough-ten, pastor of Greenwood United Methodist Charge is inviting members of the Woodbridge graduating class to worship with us in the Greenwood Church on Sunday morning, June 13.

Report from Hickory Ridge Congregational Methodist Church: The pastor has announced that we have purchased additional ground surrounding the church and tabernacle. Since he did not want the church to go in debt for this land purchase, he has obligated himself to pay what does not come forth in contributions. To date we have received \$849 towards the purchase price of \$3500. We are very grateful for all contributions. If you do send a gift, please specify that it is to be used for this purpose.

The Greenwood Lions Club made it possible for two of its members and their wives to attend the 54th multiple convention of district 22 of Lions International on May 26 through the 29th at Chalfonte Haddon Hall in Atlantic City. They were the president of the Club, Paul McCreary and his wife, Jeanette and deputy district governor, Lew Brumberg and his wife, Kathy.

The McCrearys and Brumbergs enjoyed four days of rest, relaxation and fellowship with close to 3,000 fellow Lions and wives from multiple district 22. The District governor's banquet and ball was also a highlight of the convention.

At the Awards Banquet the Greenwood Club was presented a trophy for Summer Activities in Region III. David Winski was presented an award for being a 100 percent secretary and Jake Hatfield, a pin for new members.

Lew Brumberg received a Deputy District Governor's Award, a District Gov. Appreciation award and a certificate of appreciation award from International president.

A new district governor was elected to succeed Don David from Smyrna Club. He is Jack Conaway from Capitol Trails Club.

A word of good luck to our local president elect, Bob Smith. May this coming year be an outstanding year for the Greenwood Lions Club.

Our Center took an active part in the Bicentennial festivities last Saturday at our new Plaza. We did very well selling our wares at the flea market during the day.

Mr. George Godge of Milford visited the Center

this week and showed a film on South Carolina which we all enjoyed.

Mrs. Watson, our nutrition person, gave us tips on home canning when she was with us at the center. She also gave us material for our reading and reference when needed.

We had our monthly birthday party on Thursday for our May members: Mrs. Beatrice Horner, Mrs. Margaret McDowell and Mr. John Edwin Dickerson. We sang Happy Birthday to them and extended our best wishes.

We are glad to report that Mrs. Everline and Mrs. Emma Elliott are visiting relatives at West Palm Beach, Florida.

We, at the Center, extend our deepest sympathy to the family of Antoinette Penn who passed away recently.

We are pleased to welcome a new member, Carrie L. Kleinbenn of Bridgeville to our Center.

Our latest new concerning our Mrs. Orath Thawley is that she may be able to return to her home in the near future.

Cheer Center News: Week May 31-June 4:

Take a good look at the Delmarva Power Mountain Range.

Your use of electricity follows a pattern of peaks and valleys. The peaks come at times when you demand the most electricity... like during the day when offices and factories are operating or during the summer when ocean resorts swell our population and air conditioning is in heavy use everywhere. It's our obligation to meet these peaks... so, we must have enough power plants to meet our customers' peak demands, now and in the future.

And that's the top of the Delmarva Power Mountain Range

In our next ad, we'll take a look at the valleys in our Mountain Range.

Spartans Capture Seven Events

by Keith S. Burgess
At Wilmington's Baynard Stadium Saturday afternoon, Lake Forest athletes won seven events in the Junior Olympic track and field championships and qualified nine athletes to compete in the middle Atlantic Championships, to be held at Willingboro, New Jersey, on June 19th.

Probably the best local effort was a 2.01 880 yard

run, by Chuck Carter, who is state champion in the 800 meter run, a comparable event. Carter, later anchored a winning 880 relay unit in 1.38.5. Other members of this quartet were Grayson Barthlow, Ron Loper and Jerry Custis. Carter's Crusaders was the teams title.

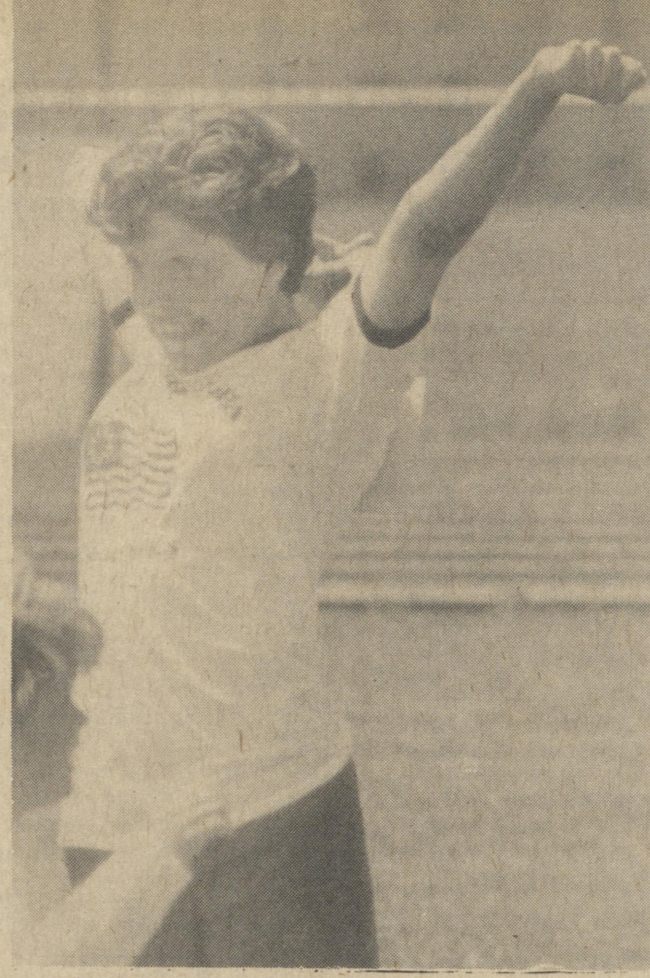

Also in the 16-17 Senior group, was first-place was a in the mile run by Harry Benson. Benson

clocked 4.39.2. He's a former state champion in this event.

Chris Palmisano was unpressed in the two mile run, winning in 10.27. Other winners were Joyce Ewing, 75 feet in the discus throw and Paula Mosley, 2.45 in the half mile.

Stacy Sams, competing in the 14-15 Intermediate Division, uncorked a lifetime best long jump of 19 feet, 1 1/2 inches. This jump was also better than the best Senior 16-17 leap.

Third places went to Ron Loper in the 440 and Debbie Hawkins in the 220. Fourth places were received by Hawkins in the shot, Jerry Custis in the hurdles and Dan Parker, mile run. Every athlete mentioned here was an award winner.

The Lake Forest Athletic Booster Club held its fourth All-Sports banquet, at the high school cafeteria, on June 2nd.

Cliff Chambers, Booster Club president introduced Jack Smith, a giant referee and ex-basketball player, who proved to be a very witty master of ceremonies.

Buck Starkey, Henlopen Conference Coach of the

year, in basketball, was presented with a silver bowl in honor of his achievement.

The Spartan cagers compiled a 14-6 log, finished tied for first place, in the Southern Division and played in the state tournament.

Pat Dyal's distaff hoopsters who also had a 14-6 mark, won the Henlopen

Special Olympics Are Held

by Jim Callaway
This past weekend over 500 special athletes from throughout the state gathered at the Delaware State College football stadium to participate in the sixth annual Track and Field Special Olympics.

The first Special Olympics in Delaware held six years ago fielded 100 participants. It was started through a seed grant from the Delaware Jaycees who still provide man-power and funds to this activity. It has since grown and branched out into swimming, basketball, and bowling.

Special Olympics was founded nationally by the Joseph P. Kennedy, Jr. Foundation to provide improved physical fitness training programs for the mentally handicapped. Its purpose, to quote Eunice Kennedy Shriver, is "First, it gives them a chance to develop and test their strength and coordination-to learn skills, to follow rules, to stretch the outside limits of their capabilities-physical, social

and intellectual. Second, it provides an opportunity for individual competition and for team play. It offers vital experiences in winning and in losing-but most of all in trying. Third, it develops confidence and self esteem not only among the Special Olympics athletes but in parents, brothers and sisters, friends and neighbors."

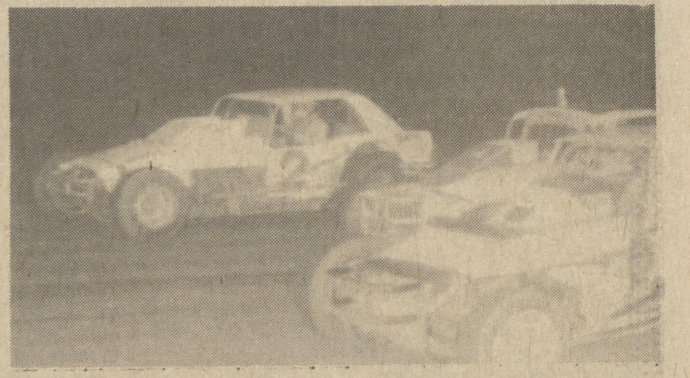

Woodbridge Holds Banquet

Woodbridge High Schools' sports banquet, held June third, could almost have been designated as Kelly Davis Night. If our account is correct, this graduating "thorn in the side" to other Henlopen Conference distaff sports teams, picked up around seven awards, for outstanding participation in hockey and softball.

[Continued to page 9]

The oath said at the beginning of the games by the athletes themselves sums up the spirit of the

Special Olympics, "Let me win, but it I cannot win, let me be brave in the attempt."

Bill Towers of Harrington, number two on the far outside, races past two opponents in an earlier race. Last Friday Towers captured the Modified main event over Jack Sapp in his Tower's Gulf Mustang.

Towers Captures Modified Event

by A. G. Keller

Ed Brown, Jr. of Cambridge and his Brown's Used Cars Pinto concluded what he started Memorial Day in winning his second Modified feature in a row with a solid triumph from the thirteenth lap to the checkered flag. Haines Tull from Seaford had the Howard Davis Engineered Davis Trucking-H. & H. Transportation Vega in the high speed groove scoring second over Bridgeville's Stan Busby chaffering the J.O.B. - Dillard's Restaurants-Convey's Car Care Mustang II who was third.

Milfordian Harold Bunting nailed down fourth driving the Warrington Bros. Special Vega. Walt Breeding was fifth for Taylor & Messick-Smithville Farms. Bill Towers of Harrington had the Towers' Gulf Mustang race-ready in super style in the regular Modified main going away a winner in fine style over Jack Sapp of Milford who was second behind the wheel of the Marshall Baker Engineered-Geo. Adams Const.-Todd & Son Exxon Gremlin. Haines Tull was third making it a strong evening for Davis Trucking. Walt Breeding recovered from a spin to

get fourth with Paul Walker, Jr. taking fifth in the Coastal, Inc. Vega. Milton's Snookie Vent was sixth overall for H.R. Bailey, Plumbing & Heating-Lewes Dairy Markets.

Sportsmen feature racing saw Bodie Bodenseiser return to the winner's circle after a one week absence but not before Fred Workman and Clem Horvath gave the Lewes Dairy Market Special a royal run for the money through the midway point of the race. From the eighteenth lap on it was all Bodenweiser and win number six. Nelson James brought the James F. Givens-Shore Roofing Mustang home second over Larry Grier of Woodsie who was third for C. & W. Auto Parts. Fourth went to Salisbury's Joe Ellingsworth and his Salisbury Spring Works-Buck's Radiator Gremlin.

Mel Joseph, Jr. from Georgetown put together a string run in Late Model Sportsmen feature racing winning in the Banjo's Performance Center-M.L. Joseph Const. Cougar. Kenny Robinson of Salisbury had the Bicentennial Chevelle in second at the checkered flag. Lester Nailor of Milford had Lee Nailor's Chevelle running in the third spot over Bob Williams who was fourth driving the William's Racing Team Chevelle.

Jack Sapp, Bodie Bodenweiser with two, Joe Ellingsworth, Mel Joseph, Jr. and Vernon Collins were preliminary winners on the evening. Abby Mitchell won the Hobby Race for Bunting's Garage. H.R. Bailey Plumbing & Heating of Frankford has made it possible to expand the racing purse for Friday, June 11th while two lucky adult fans will take home a super gift from a drawing to be held during the intermission.

Kelly Davis Heads Awards Winners At Woodbridge (cont)

Miss Davis did participate briefly in basketball, but spent the winter months in Pennsylvania, where she's a skiing champion.

Ron Tull, president of the Woodbridge Boosters' Club stated that more than 200 boys and girls participate in athletics, at Woodbridge. This is a fine showing for a small school.

Mary Ann Hitchens, a Milford native, now a member of the athletic department at Delaware, gave an inspirational address, stressing enthusiasm and the necessity to avoid complacency in athletics. She's proud of the girls' program, at Del-

aware and invited Woodbridge athletes to "Come on up!"

Joe Purzycki 1974 Woodbridge football coach, who in 1975 led Caesar Rodney to the state grid title, went over the Woodbridge Athletic program for 1975-1976, touching on some of the Blue Raider exploits and dwelling on athletes he remembers well.

Purzycki spoke of quiet-type, team leaders he's known who lead by example rather than loud rhetoric.

Football coach, Jim Foster, praised second-team Henlopen Conference pick, Dan Custer, who won the Raider Pride Award, quar-

terback Rick Tull and Blue-Gold, All-Star game pick, Bruce Justice.

Others mentioned were: Leroy Tingle, out most of the season with injuries; a top defensive player, Benny Hickman; plus Kevin Conaway, Dave Waddler, Gary Baker, Cliff Hardesty, Anthony Cuffee and Chuck Hopkins.

Kay Smith, coach of three sports, led the Blue Raider hockey squad to a 13-3 mark, the best ever at the Sussex County School. Co-captains Kelly Davis and Pam Correll were All-Conference picks, Miss Davis for the fourth, straight year. Kelly received an award as "Most Outstanding" and another for Sportsmanship.

Sheila Clarkson was chosen as "Most Improved." All-American Awards went to Davis and Correll. The final honoree in hockey was Christine Higgins.

Miss Clarkson was Most Improved, in basketball, as well, with Helena Conaway and Terry Rider getting the nod, as the most outstanding players.

Pam Correll won Honorable Mention on the All-Henlopen squad and also captured the Sportsmanship Award. Terry Rider made third team, All-Conference.

Basketball coach, Jym VanSciver, introduced Spank Neal and Louis Dexter, as his best cagers.

Wrestling mentor, Gary Bottiger tabled Mike Fields as most improved grappler. Alonzo Frisby was introduced as Wood-

bridge's first wrestler to win all his dual meet matches. Frisby was 12-0. Leading in takedowns was Mike Richards, who had 49, in his career.

Cheerleading Coach, Pat Doughery, designated Cheryl Baker, as the most outstanding football cheerleader, with Linda Miller and Jo Anne McMillian taking the same honors for wrestling and basketball respectively.

Bill Degnan's track and field Raiders were second in Division II at the state meet.

Chuck Hopkins was state champ in the 300 meters, intermediate hurdles, with Mike Morgan winning the pole vault.

Sprinter Rick Murray won the top track award while weightman Spank Neal and Morgan were chosen as the best field event performers. Freshman Greg Rowe, shot and discus took the most promising underclassman trophy.

Jym Van Sciver's baseballers posted a 6-6 record with several one-run losses. Cliff Hardesty, catcher, led in runs batted in and was charged with just one error. Rick Tull, pitcher, had a brilliant 0.88 earned run average and batted .333.

Tull and Hardesty were MVP picks, while "Most Dedicated" was hard-working Kevin Dewey, who was the author of a one-hitter at Dover.

In softball, Miss Smith's Southern Division Champs had a sparkling 13-3 log. Co-captains were Kelly Davis and Joni Zerolles.

Miss Davis led in batting with a .400 plus average and was awarded the "Most Outstanding" title. The Coaches Award went to Pam Correll and the Spirit Award to Carol Lockerman.

Joni Zerolles was the "Most Improved" pick. This writer would like to thank Miss Zerolles for her help in identifying the Woodbridge Athletes.

Kelly Davis, was chosen to receive the Women's Sport Magazine, Female Athlete of the year trophy.

Miss Davis the presented Coach Kay Smith a gift from her grateful charges.

Willard Thomson was honored for achieving the highest scholastic average by an athlete.

The Booster Club thanked the Lions and Kwanis Clubs for their help, then ended the gala evening by athlete announcing final awards to Kelly Davis, Outstanding Female Athlete and Rick Tull Outstanding Male Athlete.

Cheryl Lissy, left, and Wayne Voshell, right received the Mike Adams award last Wednesday night at the Athletic Awards banquet at L.F.H.S. The award is given each year to the outstanding athlete of the respective sexes. High School Principal William Griffin center made the presentation.

Booster Club All-Sports Banquet Awards Many Stars (Cont)

Southern Division, played in the state championship tourney. Miss Dyal received a silver bowl, too.

Dr. Robert H. Smith received a special award as "Fan of the Year" for his unstinting support of the Lake Forest Athletic program.

Dave Buck's girls' track team tabulated yet another winning season. Maxine Harris, a sophomore, lowered her school mile run record to a very respectable 5.37.8.

Denice Johnson set

school records in the 110 yard hurdles (16.7) and the high jump (4 feet, 8 inches). A mile relay mark of 4.30.1 was set by Dorie Johnson, Paula Jackson, Karen Singleton and Paula Mosley.

Bill Falasco's Spartan baseball team, got their act together in time to end the season with a four-game winning streak and a 6-6 record for the season. Neal Smith, one of Delaware's top hitters, led the surge. Wayne Voshell and Lester Blades were

other potent stickmen. Frank McCullough and Mike McGinnes were two of Lake Forest's better hurlers.

In track, Lake Forest made its best showing ever in the state tournament at Delaware State. The Spartans returned state champions, in Chuck Carter, in the 800 meter run, the 3200 meter relay team of Carter, Harry Benson, Dan Parker and Craig Kashner and the 440 meter relay quartet of Charley Scott, Grayson Barthlow, Mike Benson and Tony Smith. Head coach, Jim Blades gave credit to his assistant, Jim Fleming, for doing a fine job with the sprinters and hurdlers.

Other track feats were school marks set by Bob Mullan in the high jump (5-11-1/4) and Steve Salisbury, pole vault (12-7-1/4).

In cross-country, also coached by Jim Blades, Lake Forest repeated, as Henlopen Conference champions and won the state championship, for the third straight season. Each harrier received a trophy. Earlier, the top seventeen boys received championship jackets. Blades also received a silver bowl.

Tom Muehleisen, retiring wrestling mentor, had a Henlopen wrestling champ, this winter in 117-pound Rick Mertz, a recipient of a Booster Club

trophy.

428 boys and girls competed for Lake Forest this year. 139 boys and 104 girls won varsity letters.

Football coach Jim Fleming coached Lake Forest's initial first-team All-State performer, in Wayne Voshell, who was picked as "Most Valuable" for 1975 grid Spartans.

Top football cheerleader was Kathy Fournier, while Selena Mertz won the same designation for both soccer and wrestling.

Kevin Peck was soccer coach Dave Buck's most able player, as Lake Forest's booters had their best campaign, to date.

Cindy Loper was chosen for the field hockey award and for the basketball cheerleading award.

Ron Shockley was basketball MVP. Bill Jackson was chosen as best Spartan matman.

Others picked as most valuable to their sports were: Girls track, Anna Jackson; Tennis, Margaret

Kinny; Baseball, Neal Smith; Girl's softball, Cindy Stevens; Track, Chuck Carter; Girl's basketball, Cheryl Lissy; and cross-country, Dan Parker.

Dick Crouse, sports chairman of the Moose Club, presented trophies to the Most Improved Athletes. Anna Jackson, track and basketball and Mike Benson, track and football were the recipients.

These are two of the most coveted awards, at

The Mike Adams Award, the most prestigious of all, goes to the top male and female senior athletes.

All-stater Wayne Voshell and multi-talented, Cheryl Lissy were the winners.

The Booster Club did its usual outstanding job. Cliff Chambers now turns over the gravel to Bill Morris, the new prexy. We wish to extend our congratulations to everyone connected with this excellent presentation.

Neal Smith

Rick Tull

Four Named All-Conference

Lake Forest and Woodbridge baseball teams have named five players to the Henlopen Conference. From Lake Forest: Neal Smith (.520) OF; Wayne

Voshell (.364) utility SS; and George Luff (.387) honorable mention, were named. From Woodbridge, Rick Tull (.340) (5-4) was named to the pitching position.

Smith turned in a spectacular hitting season for the Spartans. He ended the season according to his Coach Bill Falasco with a .520 average. This was unofficial according to Falasco, because of a certain conference practice. This practice which is followed is for the home team to keep the statistics. In some cases, Smith had not been awarded hits when the L.F. score-keeper had done so. The .520 average if official would have led the Conference. All players are graduating seniors. Smith plans to enter Wesley College in the fall.

Tull pitched in 10 of the 12 games. He pitched 57 innings, 77 strike-outs; 11 walks (4 intentional); 7 earned runs with an ERA of .088. Coach Van Sciver at Woodbridge commenting on Tull's performance said "...Rickie did an outstanding job for us this year even though he did not always get the support in the field". Van Sciver was referring to the many errors committed behind Tull. "His best performance was against Milford when he tossed a three hitter," said Van Sciver. Tull plans to enter the University of Delaware in the fall and play baseball next spring.

THE BATH BARN

A Home Decorating Center

We have special soap for Dad, whether he be fisherman, sailor, hunter, tennis nut, or just plain DAD.....Or how about a beach towel of his own. Ours are big enough for even the biggest of Dad's to stretch out on Or better yet, why not both!!

We specialize in everything for the bath--from tubs to soap.
