LF Board Members Urge Action On Additions

by Jim Cresson

LAKE FOREST--With state appropriations in the bag for the proposed \$1.6-million expansion at Lake Forest High School, board members told their architect, Monday, to push ahead with the plans and begin bidding as soon as possible.

At the regular school board meeting for August, board president E. B. Warrington Jr. summed up the Lake Forest position when he told representatives of Buchart Associates to "proceed with haste."

"We pushed our funding through the legislature, now we want to see some real construction during the winter," Warrington said.

However, there are still procedures to follow. According to Robert McCloskey, architect for the Lancaster, PA, firm, bidding will probably open in January and work should begin shortly thereafter.

If the meeting this month was any indication of the way the board and architects will be working on the expansion, Lake Forest tax payers can rest assured their money will be well spent.

For more than an hour board members debated among themselves and with the architects about the type of energy source to be used in heating and conditioning the eight new classrooms, auditorium, new science and industrial arts rooms, and gymnasium and locker room additions.

Not content to accept Buchart Associates' recommendations of total electric heating and air conditioning without first investigating all aspects of cost and feasibility, the board discussed using propane gas or even solar energy in an effort to keep costs down and classrooms warm.

However, after board member James Pizzadilli determined that air conditioning could only be provided by electricity, the school board agreed to go ahead with the architects' recommendation and use electric energy.

In the boundary dispute with Woodbridge, the Lake Forest Board consulted attorneys Brown, Shiels and Barros and were advised that the existing boundary lines could only be changed by a referendum and both school districts must approve conducting the vote.

Since the tax assessment of the 23 properties on the 150-acre tract in question is valued at a quarter of a million dollars, it is easy to see why the two adjoining districts wish to include the land.

However, the Lake Forest board agreed with president E.B. Warrington Jr. that it "doesn't matter who has been receiving the students and taxes, the real boundary exists."

And according to the real boundary, Lake Forest School District includes the disputed land just north of Farmington.

Clark's Corner Project Nears Full Occupancy

by Jim Cresson

HARRINGTON--Clark's Corner housing development, one of four Delaware State Housing Authority projects for low-income families, has opened its doors on county route 275 near the W. T. Chipman School.

The \$4.8-million project contains 50 dwelling units in eight buildings on a 10-acre site. Ground was broken for the development in August of last year.

Currently the housing authority has filled all but three of the townhouse-styled apartments and will have the remainder filled shortly.

According to Mrs. Lynn Gruwell who has been coordinating applications and settling tenants into their new homes, most of the Clark's Corner residents are from the Harrington area.

The housing authority reviewed 150 area applications for tenancy at the new project. Rent is determined

on a 25 percent basis of the total family income.

Although the area is already bustling with activity, Mrs. Gruwell says community orientation and organization are still in the future.

One residents become acquainted with each other and their new surroundings, the housing authority will initiate community meetings and a community organization to handle on-the-spot situations and government.

Aside from the 50 housing units, the Clark's Corner project boasts a central community meeting hall and kitchen for parties, a laundry room, project office and maintenance equipment space. Paved Parking areas are already marked and in use.

The state housing authority also maintains two similar housing projects in Smyrna and one in Camden for low-income families there.

Two Die Near Laws Church

FREDERICA--Two more fatalities have been added to the list of traffic deaths at the Laws Church crossroads on Canterbury Road.

The latest accident at the intersection occurred Friday evening about dark when according to police, a northbound automobile failed to stop at the intersection and pulled into the path of an eastbound motorcycle carrying two riders.

Dead on arrival at Milford Memorial Hospital were motorcycle driver Thomas Davis, 20, and his passenger Stanley Novak, 21. They were both airmen at Dover Air Force Base.

Admitted in serious condition at Milford Memorial was Alan Shapiro of Wilmington. Shapiro, driver of the car state police say ran the stop sign, suffered a fracture of the skull, internal damage and shock.

According to Troop 3 investigators

for the Delaware State Police, the motorcycle slammed into the left front wheel area of the automobile as it pulled into the intersection. Both cyclists were thrown into the car's windshield before landing at the edge of the Laws Church property.

Ambulances from Harrington and Bowers Beach transported the three victims to Milford.

A spokesman for the systems planning division of the state highway department said this week there have been an average of two traffic accidents a year since 1971 at the intersection, but these were the first fatalities in that time period.

Area residents know the intersection as a dangerous one, although clearly marked, and can recall tragic fatalities at the scene in years past.

A WREATH FOR THE CHAMPION was presented by Milford Jaycee horse show chairman Robert Massey, left, to a proud and smiling Mrs. John [Titi] Ferguson, owner and rider of Fergus Fell Doolie. Doolie received the wreath in honor of her selection as International Arabian Horse Association Legion of Merit winner for 1976.

New Bowers Mayor, Council Continue With Sewer Plans

BOWERS BEACH--At the first regular monthly meeting of the new Bowers mayor and council, Wednesday, plans rolled ahead for the proposed sewer line installation and council heard further requests for a new town park.

Newly elected mayor John King, who received the gavel from past mayor Phillip Tuthill, explained funding particulars on the sewer project.

According to King, the total cost of all studies and eventual construction of the new sewer system will be funded primarily by the government's Housing & Urban Development (HUD) department.

Seventy-five percent of total costs will be covered by HUD, while Kent County and the town of Bowers, respectively, will cover the remainder.

To the Bowers Beach homeowner, this will mean a yearly cost of \$150 per dwelling. An annual stipend of \$14 will be charged property owners who have land that could be developed and which would then be using the sewer system.

In the request for a town park, Mayor King and the council consid-

ered proposals for a park and playground for town young people and reported there remains a sum of \$250 credited to the Bowers youth council and still at their disposal.

The request for regular daily or weekly office hours at Bowers Beach town hall was also made at the meeting. Councilwoman Lorraine Moyer and outgoing mayor Tuthill both recommended opening the town office for the convenience of out-of-staters who may need fishing permits, boat permits, or general information while visiting the beach.

As Tuthill explained, "There is no need to make these guests of the town run all over the county for a simple permit when we could accommodate them right here."

Mayor King agreed the town hall should be open a certain number of hours, regularly, every week or weekend.

Bicentennial Issues Available

A few copies of the Bicentennial fair issue published by The Harrington Journal last month are still available.

Sparse Crowds See Arabians

FAIRGROUNDS--Contestants in the 6th Annual Delaware All Arabian Horse Show at the fairgrounds last weekend had themselves a busy time and plenty of the usual excitement surrounding a show, but they wondered where the spectators were.

The Arabian show, traditionally sponsored by the Milford Jaycees, has been a big crowd attraction in past years, but this year the stands facing show rings were virtually empty.

Perhaps it was due to the timing of this year's show. In the past, the Delaware show has been a main step towards the grand National All Arabian championships, and points accumulated here counted heavily towards a place in the sun at the New Mexico nationals.

This year, the national championships had already been held prior to the Delaware show, and much of the anxiety was lacking.

Nevertheless, 250 Arabian and Half-Arabian horses entered competition at the Fairgrounds

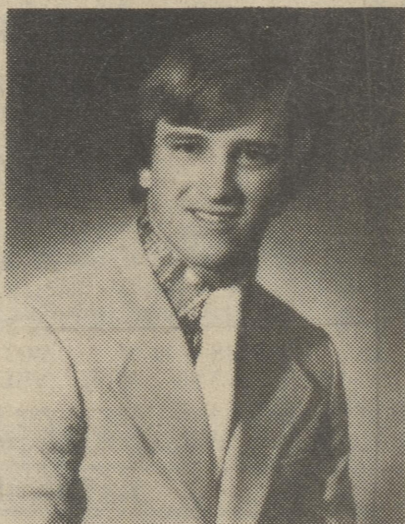

A highlight of the show was the award of the Legion of Merit to a mare, Fergus Fell Doolie, out of Fergus Farms, St. Michaels, MD.

Doolie is owned by Mrs. John Ferguson who has competed in shows all across the country. Last year Mrs. Ferguson and Doolie won the championship Half-Arabian native costume class in Region 15 competition of the International Arabian Horse Association.

Although the crowds were sparse during the three-day competition, the Milford Jaycees who sponsored the event put forth their usual fine effort in coordinating the many class competitions and judgments.

Proceeds from the show go towards Jaycee projects in the City of Milford and the State of Delaware.

Woodbridge Sends Two To All-Star Game

Bruce Justice

Pam Correll

NEWARK--Two Woodbridge High School graduates will be among the many 1976 high school standouts participating in the 21st Annual Delaware All-Star Football Game this Saturday.

Bruce Justice, son of Mr. and Mrs. Roger Justice of Bridgeville, will represent the Greenwood-Bridgeville area as a lineman for the '76 Gold Squad.

Justice, who missed much of the regular football season last year because of a leg injury, was picked for his ability at both offensive and defensive tackle positions.

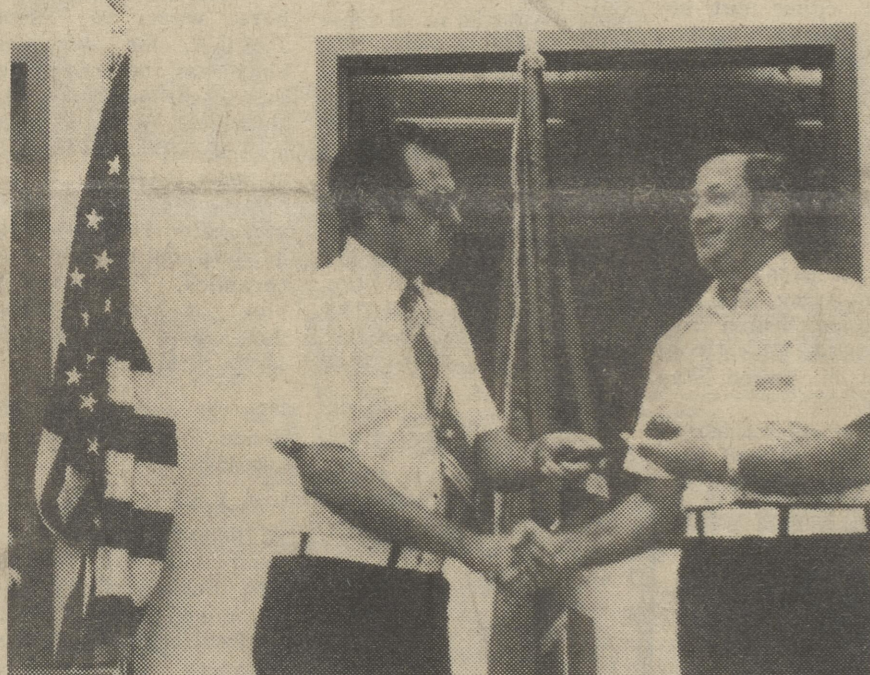

The stocky lineman has been undergoing training with other Gold Squad members at the University of Delaware Stadium in Newark where the big game is played.

Also in Newark this past week for training was Woodbridge beauty Pamela Correll. Pam was voted first member of the Gold Queen's court at the All-Star fashion show in Dover last month.

According to All Star committee chairman Francis Holleger of Milford, more than 15,000 spectators will be on hand, Saturday, as the Blue meets the Gold for the biggest benefit sports event in the state.

Proceeds from the game will go to aid the mentally retarded of the state. The game is sponsored by the Delaware Foundation for Retarded Children.

Tickets are \$4 and can be purchased from Lion's Club members or the Delaware State Police. Pre-game activities begin at 12:30 p.m.

THE GIVING OF THE GAVEL to past Lake Forest School Board president Albert C. Price by current president E. B. Warrington Jr. was the first order of business at the board's regular August meeting. Price served as board president last year and is still a member of the five-man board.

Locals Are Among State Ag Museum Board Members

As of July 30, Governor Sherman W. Tribbitt signed a bill creating a Delaware Agricultural Museum Board who will develop and operate an Agricultural Museum. The projected site for such a museum has been designated as Delaware State College. The Division of Historical and Cultural Affairs of the Department of State shall operate the museum.

Nineteen appointees to the museum board includes: Joanne O. Passmore, Townsend; William E. McDaniel, Newark; Douglas A. Gib-

son, Milford; Hon. Ruth Ann Miner, Milford; Nutter Marvel, Georgetown; Robert L. Lambden, Georgetown; on the executive committee, Walt Messick, Harrington; Edward McIlvaine, Millsboro; Edward F. Heite, Camden; William Brady, Newark; Bruce Frazier, Magnolia, Corbit Collins, Middletown; Edward F. Evans, Cheswold; Ralph J. O'Day, Seaford; O. Joseph Penuel, Milford; Hon. M. Martin Isaacs, Dover; Lawrence C. Henry, Dover; Dr. Luna I. Mishoe, Dover; Ulysses S. Washington, Dover.

Dog Show Is Biggest Ever

FAIRGROUNDS--The locally sponsored Mispillion Kennel Club Dog Show finished its 12th year last week with the most canine entries ever to show at the Delaware State Fairgrounds.

Among a field of more than 1,000 find dogs representing more than 100 different breeds, the one to win Best in Show was a real champion.

A six-year-old Bouvier des Flanders (cowherd of Flanders) named Taquin du Posty Arlequin, or Tacky, walked away with the coveted title after winning the working dog group in earlier competition.

It was the fifth straight Best in Show award for tacky, who is owned by Chester F. Collier of Irvington-on-Hudson, N.Y., and trained by handler Roy Holloway.

Not surprisingly for an MKC show, the New York champion competed against dogs from Connecticut, Virginia, Pennsylvania and New York in the final contest.

Traditionally the local shows draws dogs and their handlers from all mid-Atlantic states and many mid-west states. According to John Kunkle, one of the Mispillion Kennel Club founders, show entries have been on a steady increase since the first show in 1964.

Proceeds from the show benefit the Dr. William E. Spence Veterinary Scholarship for deserving Delaware veterinary students and both Kent and Sussex counties' S.P.C.A.s.

When you're "39 and holding" for a "few" years as Al Cole of Orchard Acres is, you're entitled to more than one birthday celebration. So, "Alpo" had two - one on Saturday and one on Sunday. The first was given by some friends complete with "Alpo's" punch and birthday cake, etc.; the second was given by his wife, Ruth in their Orchard Acres home for friends and family.

The highlight for Al, who will be forthwith known as "the one-eyed jack", was receiving his C.B. set, his "handle" is derived from his poker-playing-favorite wild cards, the Coles' German Shepherd, Tuffy, gets into the act, too. When "the one-eyed jack" gets a call from his son or daughter-in-law, they ask if Tuffy has his "ears up" - Tuffy, no matter where he is in the house, runs to the C.B. set. Who says you can't have looks and brains, too?

Speaking of looks and brains, too, Kevin Thomas

of Woodbury Acres will be off to Maine on Saturday taking his soccer expertise to a soccer camp for 9-12 year olds being held under the auspices of Eastern Nazarene College. Kevin will be a counselor there for the younger set and then will be matriculating at ENC near Boston beginning September 1st. Kevin will be missed around Canterbury for sure.

A short time back a social writer for that daily paper printed in Dover was bemoaning the death of social news in Dover during August.

She wrote a column speculating on what good August is unless you happen to be taking your vacation at that time.

This led me to do some reflecting on the month of August, also, as the "Happenings" phone hasn't been exactly ringing off the hook.

So August is more than just filling the gap between July and Septem-

ber. It is the month for all those people, who delight in doing so, to say to the younger set "Ha, ha, ha, it's almost time to go back to school".

The month when you try to figure out what to do with those 9,000 cucumbers you have left when you're already have given away 10,000 to everyone you know and a few people you don't know.

The month to figure out how to pay your property taxes.

The month to enjoy sweet corn, tomatoes and cantaloupe and enjoy them and enjoy them and en-----

And how about all the people born in August - what in the world would we do without all those fantastic Leos? And what about their "zodiacal opposites?" What would they do without their Zodiac mates?

My conclusion is that there's alot to be said for August; but socially speaking, "August, you're a flop."

Senior Center News

Week of August 12 by Cleota M. Willey

On Monday, as usual, was Kitchen Band Rehearsal. After lunch, Mrs. Kirby came in to play the piano for the gentlemen to rehearse.

After lunch on Tuesday, some of the members went to Dover Museum. On the way home, the bus broke down. What an end to a nice trip! Better luck next time, Ann.

Wednesday was quite an interesting day. Some of the members did reverse painting, others did ceramics, after lunch still more of the members went to Wilmington Dry Goods shopping. Those who didn't do either just enjoyed television.

Thursday evening the Senior Center gave Mr. Ernest Gleason a Retirement Dinner with about 70 guests present. Our out-of-town guests were Mr. and Mrs. Thomas Weyant of Dover. Mr. Weyant is Director of Kent County Office on Aging, Mr. and Mrs. Charles Gleason from Milford, and Mr. Ted Crawford of United Way in Dover.

We were entertained by some of our talented Center members. Mrs. Kirby

played the piano. Miles Draper, Mrs. Kirby, and George Goudge sang several selections. Mr. Weyant, Mr. Crawford, and Mrs. Frances Benson, President, Board of Directors, gave short speeches. Mr. Weyant presented Mr. Gleason with a special award from Kent County Levy Court. Our Board of Directors gave him an engraved plaque for his years of loyal service to the Center. The members game him special gifts, including a beautiful floral centerpiece, and a lovely decorated cake for this special occasion.

Mr. Gleason, enjoy your semi-retirement. Don't forget us!

Many thanks to all those who helped to make this as joyful as it was. Special thanks to those who worked in the kitchen and in all other capacities. Friday morning we were fortunate to have with us a group of young people from Dover Public Library, "Storybook Players." They presented their version of "Wizard of Oz," complete with stage, hand puppets, etc. A vote of thanks to this fine group, we all enjoyed having you. Friday afternoon was a bowling, shopping, and hospital visiting Day. Lucy Irvin, one of our members, is a patient at Milford Hospital. Jim Konienci was high bowler for the men. Marian Littmann was high for the ladies.

Week of August 16 by Cleota Willey

Sorry about the letter last week especially to our shut in who look forward to the paper.

We would like at this time to express our most sincere thanks to McKnatt Funeral Home for the use of chairs for Mr. Gleason's retirement dinner.

The Kitchen Band were together again for practice which normally lasts until lunch. After lunch there was a business meeting, which was adjourned early because of storm warnings.

The film that was to be shown on Tuesday failed to be delivered. We were entertained by ceramics and the pool table.

Wednesday some members went to Dover Y.M.C.A. for swimming. Bingo was the activity for the other members after lunch. Mr. Allen, a hearing consultant, was with us again today.

Mrs. Dorothy Graham was here Thursday with her help and instruction on ceramics. The group is now making hanging flower pots to be on sale just a little later.

In the evening was the Board of Directors meeting.

Most of the ladies were at the ceramic table again today with Mrs. Graham. Mrs. Selders of Farmington is busy making a quilt.

After lunch was Milford shopping and bowling. Some of the members also went to the dog show at the Fair Grounds.

Career Corner

Interior Designer- A Wall-To-Wall Challenge

by Buck Thompson

In home decor the interior designer's work is to enhance the beauty of the home's indoor space and to make it convenient and functional. Most important, the finished design should reflect the client's taste and needs.

Some designers specialize in projects you may not have considered:

offices, office building lobbies, restaurants, and other commercial establishments; private clubs; room settings for movies, tv productions, and stage plays; model rooms for furniture stores, window displays and advertisements; passenger accommodations on ships, trains, buses and airplanes; and

model apartments and homes in new developments.

The term "interior decorator" is sometimes used instead of "interior designer". Interior designers usually have more training and a greater range of job skills than interior decorators. What's more, designers are usually more involved than decorators in space planning and other interior design. Sometimes they completely redesign the interiors of old structures.

Decorators, on the other hand, usually concentrate on colors, fabrics, furniture and accessories - the actual interior "decorators have achieved success without formal training in interior design. But most employers today will accept only professional trained people for beginning jobs.

In most cases, the minimum requirement is completion of a 2 or 3-year course at a recognized institute specializing in interior design OR a 4-year bachelor's degree program with a major in interior design (or equivalent). Courses in selling, business procedures, and other business subjects are of great value.

New graduates usually begin as apprentices or

sales workers in retail stores, and gradually work their way to more responsible positions.

A mark of achievement in interior design is membership in either the American Institute of Interior Designers (AID) or the National Society of Interior Designers (NSID). Membership in these professional societies usually requires 3-4 years of post high school education with emphasis on design, and several years of practical experience.

Salaries for interior designers vary a great deal depending on skill, reputation, economic level of clients, volume of business, and so forth. Apprentices usually begin with very low wages. Even after several years of experience some interior designers earn only moderate annual incomes - in the \$5,000-10,000 range. Talented designers who are well-known in their communities earn up to \$20,000 a year and more. A few nationally recognized designers earn well beyond \$50,000 a year.

Employment of interior designers is sensitive to changes in the economy. When the economy slows down people tend to hire fewer interior designers. But in the long term, the

field as a whole is expected to grow due to the increasing availability of well-designed furnishings at moderate prices...a gradually increasing demand for interior designer's services among middle income families...and increasing use of design services for commercial projects.

If you want a challenging job in a creative field, interior design may be fine for you. But don't forget - you'll probably have to start in a low paying job and you'll face unstable earnings throughout your career.

Kent Levy Court Appoints Constable, Honors Three

by Barbara Brown

Kent County Levy Court hired a new special constable Tuesday as Clarence Coupe was sworn in by President William Paskey. Coupe will serve the High Point Trailer Park near Frederica. His hiring was in response to a request by resident of the trailer park concerned about vandalism and other problems.

On Paskey's recommendation the Levy Court also voted a Certificate of Appreciation to Don Jacobs of Felton for his services on the Kent County Water and Sewer Advisory board. Jacobs is resigning from that post.

Certificates of Commendation were to go to Frank J. Murphy of Woodside and James Schwartz of Dover who volunteered their equipment and time in the communications operations involved in tracking Hurricane Belle.

Murphy and Schwartz were cited by Elbert Goldner of the office of Emergency Operations. The two men operated amateur radio equipment which enabled the office to have up-to-the-minute information on the storm's whereabouts.

In other business the Levy Court struggled with problems relative to the provision of public transportation for the elderly and the handicapped. The problem is a particularly thorny one as it involves the question of whom is entitled to ride the four vehicles in the Kent County Te-Le Ride system. Buses were bought for the use of the elderly. However here is a question as to whether services could be extended to the handicapped, particularly to relieve volunteer fire companies in the provision of non-emergency ambulance service.

Although the question of who is to ride was left unresolved, Levy Court did vote to extend the current contract for the provision of transportation services with the Department of Transportation until such time as all problems can be ironed out and a new contract set up.

This second extension of the contract which expired, July 1, had the assurance of Bill Osbourne of the Department of Transportation that his department would agree.

This Saturday the Andrewville Ruritan Club will hold its annual Ice Cream Festival and battling it out in the second of four games scheduled for the evening will be the Cedar Field Ruritan and the Burrsville Ruritan Club. Above presidents of the two clubs, Donnell Calhoun of Cedar Field and Joe Little of Burrsville, discuss the upcoming battle. The first game which will begin at 5:30 and feature two girls teams. The second game will begin at 7 p.m. between the two Ruritan clubs. Third the All-Stars of the Andrewville League will take on the Harrington Moose All-Star team, at 8 p.m., with the winner of that game challenging the first place team in the Andrewville League, Delaware Electric Coop. Ice cream, cake, hot dogs and cold drinks will be on sale throughout the evening.

4-H Calendar

September 10 to 12 - Conservation Weekend, Cape Henlopen State Park
Sept. 25 - Achievement Banquet, Sussex Central High School
October 3 through 9 - National 4-H Week

The State Visual Presentation Contest was held during the week of the Delaware State Fair. The contest was on July 30th and the competition was really rough. The following 4-H'ers won first place in their division: Gail Justice - Food Preparation; Janet Cannon and Sue Cooper - Food Preparation team; Kim Knopp - Health; Dean Campbell - Photography; Lanny Correll - Woodworking; Mike Pavlik - Electricity; Steve Majchrzak - Vet. Science; Eddie Justice-Tractor; and Anne and Clay Vincent - Livestock team.

On August 2nd the Feeder Pig Round-Up was held at the Delaware State Fairgrounds. 4-H'ers had raised the pigs to market

size since early April. Their efforts culminated with well groomed, clean pigs. The 4-H'ers also had to lead their well trained pigs around the show ring. In the lightweight division: winning from Sussex County, State Line, - 4th place; and Eddie Justice, Sycamore, - 5th place. In the Heavyweight division, Eddie Justice, Sycamore 4-H club, took top honors. Eddie's hog was also selected Reserve Champion for the show. Congratulations to all 4-H'ers for such a fine job.

"4-H - Room to Grow" is the theme for National 4-H Week, October 3-9. Let's begin to think of the new year by asking friends and neighbors to join your club. It is a great program so come on and join! Clubs should also plan to participate in the window display contest, held during National 4-H Week. We are shooting for 100% participation this year.

The speed limit sign. It says 55 miles an hour. And it says it for some very good reasons. Like saving millions of gallons of gasoline and thousands of lives on the highways each year. But you know these reasons already. Everybody from the oil companies to the insurance companies have been talking about them for better than two years now. And some of you have been listening. Because some of you have slowed down. But there are still an awful lot of people who

seem to think the 55 mph speed limit is something they can take or leave. It isn't. It's a law. With tickets and fines and all the rest. Just like any other law. And just like other laws, it can do a lot of positive things. But it's enforcement that gives a law a chance to work. The 55 mph speed limit is a sign of the times. And for the times. And it's something we've got to start paying attention to. Not just because it's a good idea. But because it's the law.

Sign of the times.

It's not just a good idea. It's the law.

Greenwood

Ridge Congregational Methodist Church: Our prayers are with "Uncle Ray" Webb, who has been hospitalized at Milford for several weeks; also for Charles Booth, Mrs. Beatrice Drummond, and Mrs. Rhoda Jones. We ask your prayers also for Betty Gorski and Medford Calhoun who are ill at their homes.

The Rev. and Mrs. James Doughten, of the Greenwood United Methodist Charge, are vacationing. This past Sunday, in the absence of the pastor, the pulpits were filled by Leonard Chaffinch, lay leader.

Cheer Center News: Week Aug. 9-14 Our site manager, Mrs. Doughten, began her vacation this week, but we have with us our ex-manager, Mrs. Charlotte Shea. We do hope Mrs. Doughten enjoys this much-needed vacation.

The big event of the week was our trip to Georgetown by bus to the Annual Farm and Field Day. It was exciting seeing so many arts and crafts products. Most interesting for some people was the making of apple butter outside in a big iron pot like they used to do in olden times.

We all enjoyed the delicious watermelon that was served free to everyone in the afternoon. We had with us this week, Mrs. Eleanor Caine from Wilmington from the Department of Aging. She came to evaluate the Center. Monday wasn't the best day for that as all

For Your Information

Dear friends,

Following a bereavement, all notes of condolence should be answered personally.

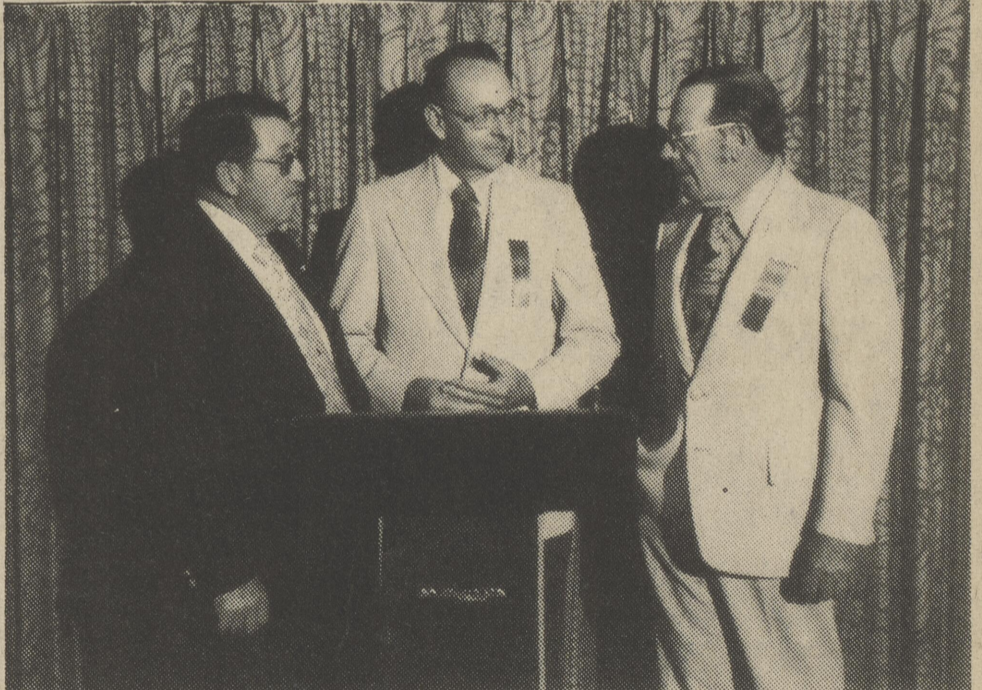

A note of gratitude should also be sent to each pallbearer, and to anyone who has been of special help.

While a personal note of gratitude for the clergyman's comfort and aid is proper, we feel it is preferable to visit the clergyman and thank him in person.

Respectfully,

William C. Berry Jr.

Fred Workman had his best night ever Wednesday winning the sportsman feature and finishing fourth in the modified feature.

Tull Takes Camp Barnes Benefit

by Charlie Brown

Haines Tull kept his winning streak alive Wednesday night by capturing the Camp Barnes benefit modified victory at the Harrington Raceway.

Tull wasted no time in catching Glen Wilson of Houston and began to work on getting by. Lap after lap Wilson held off straight away charges by Tull but Tull finally out-powered him coming out of the second turn.

The pressure was still on Wilson as Walt Breeding closed in to battle for second. Wilson's car got high in turn three and Breeding slipped quickly into second spot.

Breeding closed on the rear bumper of Tull but the Howard Davis Vega made no mistakes. Wilson finished third followed by Fred Workman, Charlie Swain and Donnie Joseph. Fred Workman in the Mills Bros. Ford finally put an end to a season of bad luck and won this first sportsman feature.

The number 30 coupe seemed to handle perfectly as Workman broadsided through the wide turns. He had little problem keeping a safe distance ahead of second place finishers Nelson James.

Bob Straight of Chester, Pa. finished a strong third

followed by Larry Grier of Woodside, Lloyd Sawyer of Wilmington, and Calvin Musser of Laurel.

Popular Dave White of Pittsville, Md., held off Kelly Hastings of Seaford to win the late model feature. Hastings was continuously able to close on White in the turns but White clearly had the most power down the straights.

Lester Nailor of Milford finished third followed by Bob Williams of Salisbury, H.R. Baily of Frankford and Terry Beheler of Georgetown.

Heats were won by White, Straight, Lou Johnson and Wilson.

Mrs. Harry Selders spent the day visiting with Mr. and Mrs. Seth Bake and friends from West Va. and Washington D. c. Mrs. Sylvia Taylor of near Greenwood also enjoyed the visit.

Some local folks did very well Sunday at the E.S.W. Horse Show Assoc. held at Gray Dawn Acres. Miss Karla Langford won are placed high several times. Lewis "Rob" Stlater Jr. also won his

share. Mr. ed Robichaud wealing cost won first large class and Master Leslie Bullard lead line class.

Mrs. Allen Arthur enjoyed shopping in Selbyville on Saturday.

Mrs. George Langford is on vacation from his job at Leggets Dept. Store. Mr. and Mrs. William Messick and Mr. and Mrs. William Logan enjoyed dinner Saturday evening at the Flagship in Seaford.

Woodbridge Begins Band Practice

WOODBRIDGE-The Woodbridge High School band began practice, yesterday, for its 1976 football halftime season shows. Under the direction of Richard Milne, third year band leader at Woodbridge, the 44 instrumentalists and 22 majorettes will go through an intense daily practice session from now until September 1.

Big 3 In Farm Imports Sugar, coffee, and meats accounted for about half of total U.S. farm commodity imports in 1975.

Although there will be the normal new trouts and regular instrumental practice, Milne said the bulk of the morning sessions will center around practicing the intricate band formations that comprise the halftime shows. Practice time is from 8:30 a.m. until 12:30 p.m. Interested Woodbridge High students are urged to attend.

Opportunity Knocks In Cross-Country

by Keith Burgess

For the first time in several years, the opportunity exists for new cross-country candidates to win a spot on the first team, prior to the start of competition late in September.

Jim Blades' Lake Forest High Spartan cross-country team, state champs for the last three years, have Dan Parker and Chris Palmisano, numbers 1 and 2 respectively, returning plus Dave Richter, No. 7.

Last year, senior Chuck Carter and Howard Parker cracked a veteran lineup in their first and only varsity cross-country seasons. The lanky twosome combined natural talent and hard work to achieve final season team rankings of No. 3 and No. 5 respectively.

A newcomer this fall should have a much better chance than did Carter and Parker. Although several experienced harriers return, there is a considerable time lag at present, between their first 1975

performances and those recorded by the top three returnees.

Dave Richter's fastest circuit of the 2.4 miles Killen's Pond State Park course was an excellent 13.21. Marcus Bray, Herb Jarrell and Paul McLellan are all approximately 30 seconds behind Richter and a whopping 72 seconds behind No. 1, Dan Parker. There is plenty of room for a talented hard-working novice or a determined veteran, to grab one of the four vacant positions.

However, one of the unique aspects of cross-country is that there is no "bench" as such. Everyone gets to compete at one level or another throughout the season.

Coach Blades will hold the opening workouts at 7 p.m. Wednesday, August 25th, at Killen's Pond State Park, as Lake Forest attempts to make 1976, an unprecedented fourth, straight state championship season.

Breeding, Tull Share Winner's Circle

by Charlie Brown

Walt Breeding in the Taylor and Messick Gremelin and Haines Tull in the Davis Trucking Vega shared the victory circle honors Friday evening when each driver captured a modified feature win in the "Twin 20" program at the Georgetown Speedway.

Breeding made it look easy in the first modified feature going to the front from the rear in short order.

Conflict arose between starter Bill Lawson and early leader Glen Wilson when Wilson spun after being tapped by Breeding in the fourth turn. Also involved in the chaos was Tull who struck the wall and was towed to the pits.

On the restart it was Breeding out front and pulling away while Wilson started in the rear of the pack and began making the long trek back through the field.

Breeding won handily followed by WayneCusick, Jimmy Clark, Ed Brown, Jr., Wilson, and Jerry West.

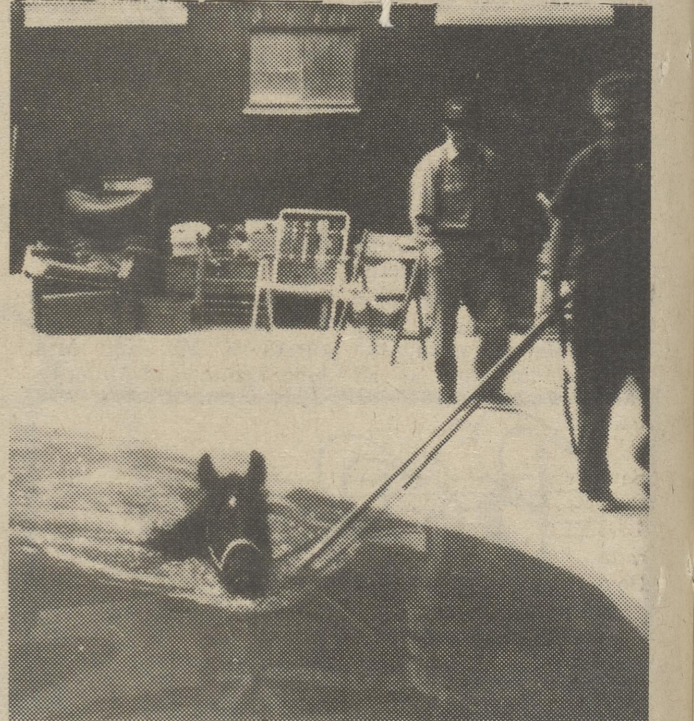

Haines Tull and his crew worked feverishly to repair his badly damaged

front end in time for the second feature. The field had just received the green flag when Tull came roaring out of the pits a half-stretch behind them.

Tull maneuvered beautifully through traffic and was soon locked in a four way battle for the lead between Bodie Bodenweiser, Walt Breeding and Bill Towers. Breeding developed mechanical problem ending his chances for a clean sweep, while Bodenweiser lost control trying to overtake a slower car and struck the front straight wall leaving Tull with the lead.

Bill Towers finished in the runner up spot followed by Jimmy Clark, Cusick, and P.J. Walker. Bodenweiser was not as unfortunate in the sportsman feature winning by a huge margin over Joe Ellingsworth. Lloyd Sawyer finished third followed by Cordia Harrington, and Charles Moore.

Willis Robinson of Sharptown got his first late model victory ever over Kelly Hastings. Ronnie LaVere was third and Bob Williams was fourth.

The Harrington Rotary was treated to a show at the Paradise Pastures swimming pool last week. The club watched Tom Clark's special brand of therapy as he leads horse around pool.

Alert to Parents!

When we ask you to please recognize the signs of cystic fibrosis and other lung-damaging diseases, we're not trying to alarm you. Look at it this way. If your child does NOT have CF or another serious lung-damaging disease, he has nothing to lose by checking with a doctor, or taking a simple diagnostic test. If your child DOES have CF, or another condition that could damage his lungs, he has a lot to lose by not having the chance for early diagnosis and prompt effective medical care. So, when you look at it like that... we hope you'll look at this and learn the following:

- SIGNS OF LUNG-DAMAGING DISEASE
1. Recurrent wheezing
 2. Persistent coughing/excessive mucus
 3. Pneumonia more than once
 4. Excessive appetite/poor weight gain
 5. Clubbing (enlargement of fingertips)
- Cystic fibrosis signs also may include: salty taste of the skin; persistent, bulky diarrhea; nasal polyps.
