## Tax Delinquents Could Go To Jail

### Council Names Wilson Acting Manager

HARRINGTON-City Council here named Joan B. Wilson, a city secretary, acting city manager to replace Bobby Quillen, whose resignation was formally accepted Monday night. Quillen had asked for a leave of absence to campaign for state Senate and was denied leave.

Mrs. Wilson has been named acting city manager once before.

The Council voted to donate \$1000 to the Harrington JAYCEES to be used for their annual Christmas parade project. Council also donated \$125 to refurbish decorations which the JAYCEES have taken on as their responsibility during the Christmas season.

Mayor William Minner stated "We haven't really done a whole lot for the children of the City of Harrington."

Alderman Anna Hampton reported to council on the number of delinquent taxes on the city books. It was decided by council to follow the City Charter, in which is stated that warrants may be issued as a final resort for collection of delinquent taxes. A jail sentence of 30 days could be the result of non-payment.

Trick or treat night in the City of Harrington will be Saturday, October 30, from 7 to 9 p.m. Children 12 years of age may trick or treat on city streets here.

Trash collecting reverberations are still faintly being heard as a letter of refusal to pay trash collection was read from Mr. and Mrs. Ken Meredith.

The Merediths, who have been asked by the City to make repairs on their building on U.S. Rt. 13 and Liberty Street, will be hearing from city solicitor soon, according to council action. According to council, the time for Merediths to do something about their property has expired and the matter is to go to the hands of the city solicitor.

The search for a new city manager is now underway, with twelve applicants to date. A council committee of William Shaw, Dr. Vincent Lobo, Gary Homewood and Jack Wyatt will interview applicants for the job.

## Harrington Firemen To Hold Open House

HARRINGTON-Firemen here are hoping the skies will clear up and stay that way for their planned open house this Saturday.

Coordinator Aubrey Brown told the Journal there is a varied program planned for visitors at the fire house located on Mechanic Street.

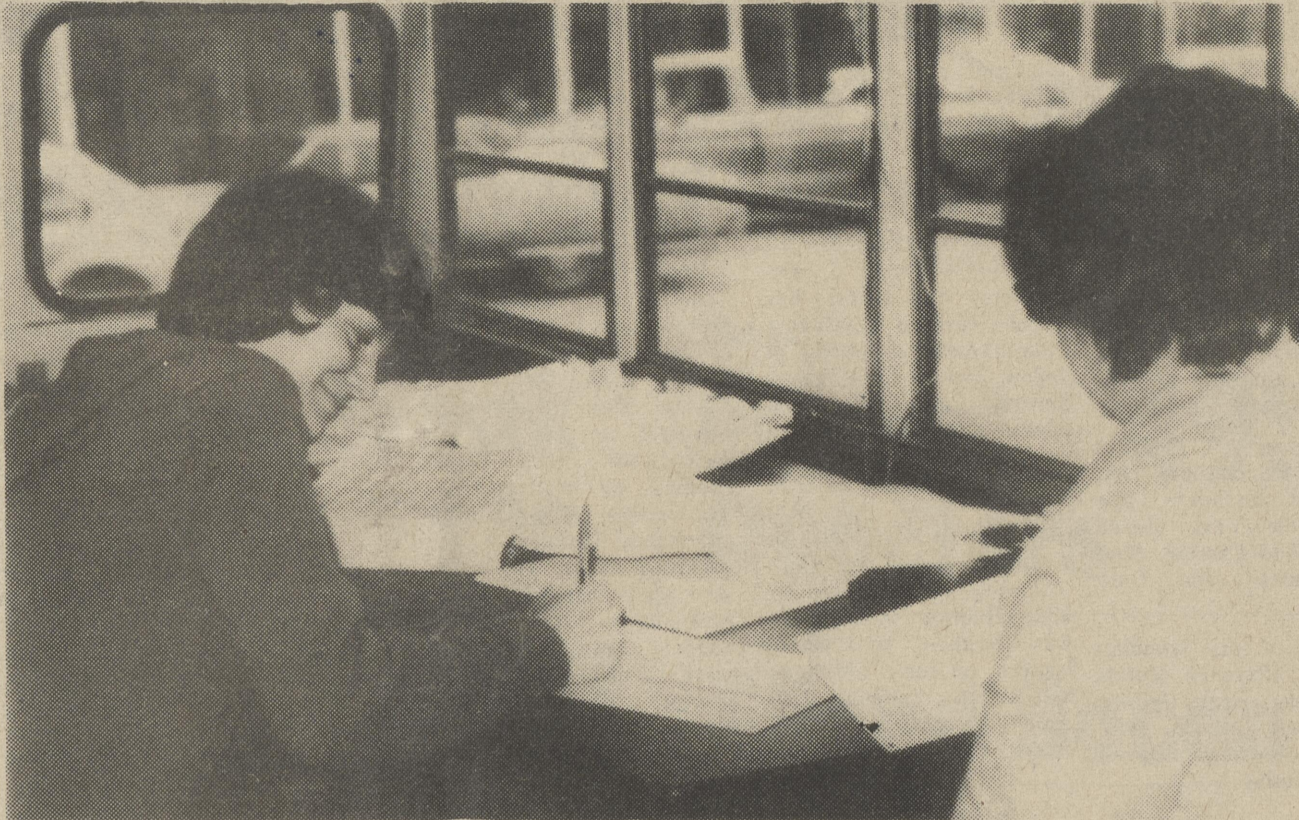

The afternoon activities begin at 2 p.m. Scheduled speakers include Chief Kline Kemp Jr. of the Robbins Hose Fire Company and the Delaware State Fire Commission and Reverend William Miller of the Calvary Wesleyan Church.

Numerous displays will be set up in the firehouse, which will be open for community inspection. There will be first aid demonstrations especially geared for the homemaker with small children; equipment displays, and members of the forestry department and Kent County Call Board will be available to answer questions.

Pure entertainment as well as an educational tour of the premises is planned.

Smokey the Bear will be on hand for the youngsters and music is to be provided by Jimmy Emberlane and the Entertainers Blue Grass and Country Music Band.

The Harrington company will be trying to recapture the plaque won

### A Little Red Tape for a Future Vote

Linda Fleming (left) takes advantage of the mobile registration unit during its visit to Harrington Tuesday. She, and thirty-two area residents came out in the misty afternoon and early evening to assure they will be exercising their voting right this November. For those who still wish to register, but missed the mobile unit, they may register at the Department of Elections located on south DuPont Highway, until October 16.

## Felton Views Building Permits and Tax Assessments

FELTON-Town revenue and how to dispense it occupied much of the Felton Council's monthly meeting.

While the council generally agreed the town is not in business to make money, they showed concern about how the services the town offers are to be paid for. Dwight Stevens remarked "Right now we're right to

the hilt...if we had to operate on what we collect in water...we'd be down the drain." The town, as do many, relies heavily on revenue sharing to pay its operating bills.

This comment was made during a discussion that revolved around tax assessments, some of which have been disputed by Felton residents, who claim inequities, and the town charter, which is still reportedly in the revision stage.

The new charter will reportedly clarify the town's means of collecting revenue.

The possibility of Feltonians having to file for a town building permit before construction or remodeling was discussed at some length. The question of how these permits would be made available to the public was considered and the wording was considered. It was suggested these permits would possibly be a way to keep the town's tax records up to date. A draft of a building permit will be presented at the next meeting.

A suggestion was made by councilman Donald Jacobs that the town tax collector monitor the building permits at the county office for assessment purposes.

The council left the subject open

## Register Bikes Saturday In Felton

FELTON-The Felton Town Council and Police Department are jointly sponsoring a "Protect Your Bicycle" day this Saturday.

Bicycles are to be brought to the Felton Fire Hall parking lot, on Railroad Avenue from 10:30 to 12 noon for registration.

It was the joint feeling of the sponsors that the registration will serve to protect riders from injuries resulting in bike accidents and to possibly help in the recovery of bicycles that are stolen.

The following items will be inspected and required for the safety of the rider: handle grips; properly adjusted and tightened seat and handle bars; wheels in satisfactory working condition; reflectors; brakes; chain tightness and chain guard; pedals; bell or horn; light or lights and mirror (optional).

According to councilman Joe Winger, tentative plans are underway for a future bike rodeo.

The registration Saturday is designed to keep the bikers and riders in Felton safe, according to its sponsors.

Members of the Felton Council and the police department are planning to have safety related materials to distribute to everyone who registers bikes Saturday.

## Felton Girl's Condition Improves

FELTON-Eleven year-old Jamie L. Scafe, was struck by a school bus near Canterbury last Wednesday afternoon.

It was reported by state police that the child got off the bus driven by James H. Morris, walked in front of it, then dropped a pencil. As she stooped over to pick it up, Morris reportedly turned the bus to the left, striking the child.

Morris was arrested for inattentive driving.

The girl was admitted to Dover Air Force Base Hospital and was flown to the Philadelphia Naval Hospital Thursday where her spleen was removed and surgical repairs were made to her bladder and one kidney.

As of Tuesday afternoon a spokesman at Lake Forest East Elementary, where Jamie Scafe is a fifth grade student, stated her father had reported the child's condition had improved and that it was hoped she would be removed from the intensive care unit soon.

before next year's tax lists are compiled. (Continued to page 4).

## Greenwood Council Praises Bicentennial Committee

GREENWOOD-The town council here Tuesday night went on record to formally thank the Bicentennial Committee of Greenwood for all the hard work they did for the community and for the events they had and the improvements they made to the town.

It was decided to announce that trash pick up will be on Wednesday morning. Citizens should have their containers out by 7 a.m. for pick up. It was reported 10 new fire plugs are now installed and will be painted the traditional red, white and blue colors.

It was also reported that more funds are being made available for additional street signs. The signs not

replaced last year will have priority when the installation begins.

Council discussed the complaints of citizens about the old shirt factory located on the corner of Minor and Church Streets. Complaints about tin being blown off the roof were taken up and the council agreed to look further into the matter.

The possibility of obtaining federal funds for running extended water lines in the town is being investigated.

It was also decided trick or treat night will be October 30, from 7 to 10 p.m. for children 12 years old and younger. Additional police will be on duty Friday and Saturday nights, on October 29 and 30.

## Former Agriculture Agent Dies

George K. Vapaa, Kent County's agricultural agent for 16 years, died last Thursday night at Kent General Hospital in Dover after a long illness.

Mr. Vapaa, 60, of 22 Lake Lane, Dover, was a New York City native who became known as "Mr. Farmer" in Kent and Sussex counties. His role as communicator about agriculture brought him widespread acquaintances and friends through newspaper columns, newsletters and other media. Mr. Vapaa was well known in the Harrington area, having taught in the former Harrington High School from March 1938 until August 1941 when he left to serve in the Army.

He returned to teach vocational agriculture again in 1945 until November, 1952, when he became the Kent county Agricultural agent.

A staff member of the Lake Forest School District who remembers Mr. Vapaa recalls he was "always on the go...he was very well liked...he always did a good job."

He retired Dec. 31, 1970, from the agent's post.

Mr. Vapaa held bachelor's and master's degrees from the University of Delaware, and did additional graduate work at Cornell and Pennsylvania State universities.

His memberships included a directorship on the Delaware State Fair board, the Delaware Valley Association agriculture committee, Greater Dover Chamber of Commerce, the Kent County Farm Bureau, Capital Grange of Dover and Wesley Methodist Church. He also served on the Kent County Community Ac-

George E. Vappa

tion Committee.

Mr. Vapaa, who received the distinguished service award from the National Association of County Agricultural Agents was honored after his retirement as Delaware's outstanding agricultural communicator by the University of Delaware's Cooperative Extension Service.

Surviving are his wife, Virginia G.; a son, George G. of Wilmington; a step-brother, Ray Jarvinen of Elkton, Md., and one grandchild. Services were at the Trader Funeral Home, 12 Lotus St., Dover. Burial was in Barratt's Chapel Cemetery, Frederica. The family suggests donations to Wesley Methodist Church in Dover, or to Easter Seals.

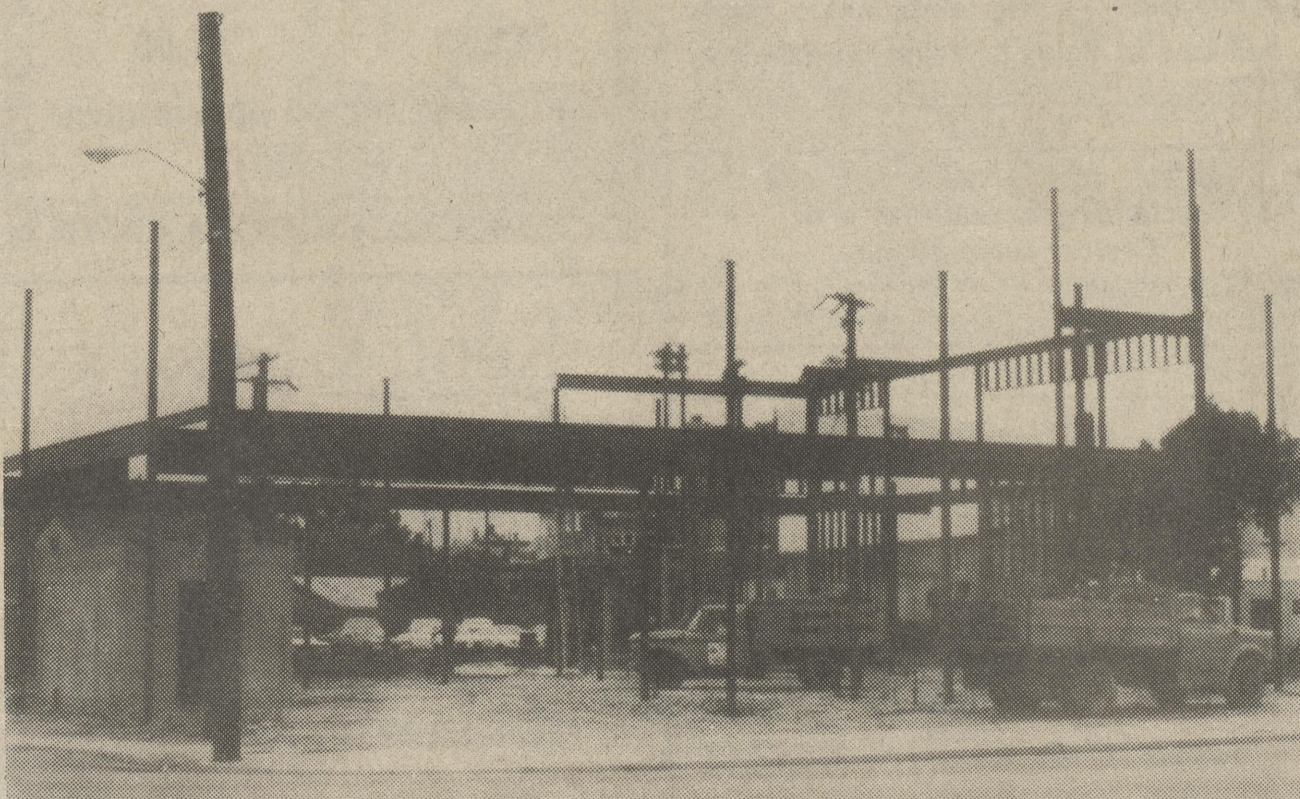

Mrs. Joan B. Wilson

## Chipman Schedules Open House

The Annual Open House for W. T. Chipman Junior School in Harrington will be held Wednesday night, October 13, from 7 to 9 p.m. All parents of seventh and eighth graders are invited to meet in the cafeteria at 7 for a brief introduction, to be followed by a typical Wednesday schedule of 10-minute periods.

Refreshments will be served in the cafeteria at 9 p.m.

## New Bank Begins To Take Shape

Construction in earnest has begun on the new Peoples Bank on Clark and Hanley Streets. The workers installing the foundation girders have created much interest from 'sidewalk superintendents' as the work progresses.

### Talent Show Set

The curtain is set to open at 7:30 p.m. Saturday evening, October 9 at the Milford High School Theater on the 2nd Annual Milford Elks Lodge Ladies Auxiliary Talent Show.

Twenty acts are slated to appear in the show and according to General Chairman Margie Rogers this year's show will feature a wide variety of talent including a puppet act, a trick dog and a comedian. Singers and instrumentalists from country, rock, pop and gospel music fields will provide much entertainment.

The auxiliary is particularly pleased that many young people have entered the competition and that the performers represent such a wide geographic area including Milford, Dover, Seaford, Harrington, Laurel, Milton and Georgetown.

A panel of three judges will determine the first, second and third place winners who will be awarded cash prizes.

All proceeds from the show will be earmarked for the Elks Lodge Building Fund. Tickets for adults are \$1 and may be purchased at the door the night of the show. Children under 6 will be admitted free.

### 'Spirit Parade' Route Set

An exciting "Spirit Parade" beginning at Lake Forest High School and ending with a football pep rally at W.T. Chipman Jr. High stadium will take place next Thursday evening.

The parade route will include Felton, Frederica and Harrington before terminating at the W. T. Chipman Jr. High Stadium.

The Lake Forest High School Band, cheerleaders and football squad will lead the parade through Felton and Frederica. The W. T. Chipman Band will form and become a part of the parade through Harrington. Fire companies from Harrington, Felton and Frederica will be represented by parading selected pieces of fire fighting equipment and crews. Local police will escort the parade through their respective communities.

The tentative itinerary is to depart Lake Forest High School at 3:30 p.m., arrive Felton at 4 p.m., arrive Frederica at 5 p.m. and Harrington at 6 p.m. The parade route will be the main street of each community. The bon fire and pep rally is scheduled to begin at 7 p.m.

Refreshments will be available at the Student Council refreshment stand. Buses will be available at Felton and Frederica to transport students to the parade sites and the pep rally. They will return students to the place they were picked up immediately following the pep rally.

Every citizen and merchant is encouraged to participate by turning out to view the parade, and if at all possible, by joining the procession.

### Miss Jerread Enrolled at Meredith Manor

Karen J. Jerread, daughter of Arleen Jerread, of Pine Appy Acres, R.D. 3, and a June 1976 graduate of Lake Forest High School, is now in attendance at Meredith Manor School of Horsemanship, Waverly, West Virginia.

Meredith Manor is an accredited school by the National Association of Trade and Technical Schools. The Riding Master Course at the school is equivalent to 64 college credits or two college years.

Upon graduation and the receiving of her diploma, Miss Jerread will be a qualified instructor, to teach both English and Western Riding, to train and show horses in either division, and also qualified to maintain and manage a complete stable operation. Should Karen wish to continue her education, she can enroll at Salem College, a private liberal arts college located in Salem, West Virginia and earn a Bachelor of Science Degree in Equestrian Studies usually a four-year programme, however the Bachelors Degree may be earned in three years, the riding master course being accredited as two college years.

### Attention Chippies

ATTENTION - ALL W.T. CHIPMAN "CHIPPIES"

### Sussex County 4-H News

Oct. 3-9 - National 4-H Week  
Oct. 9 - Kent-Sussex 4-H Parade, Milford, 1:30 p.m.  
Nov. 9 - Leaders' Meeting, Substation, 7:30 p.m.  
Nov. 14 - International Foods Day, Substation, 2 p.m.

Pumpkins filled with colorful marigolds, friendly smiles, and excited 4-Hers were only a few interesting sights at the 1976 4-H Achievement Banquet. Michael Hudson, president of the 4-H Junior Council, acted as Master of Ceremonies for the evening. Following the flag and 4-H Pledge, led by Sam Hopkins, Pam Knopp, Rydell Fletcher, Landy Correll, Katrina Cephas, and Sandy Carter, a delicious meal was served. Before the evening program, the 400 4-Hers, parents and leaders were led by Kim Knopp, Carla Parker, and Marian Hopkins in group singing.

Excitement filled the room as County Awards were presented! To qualify for an award, you must fill out a project record book. We interviewed a few 4-Hers and here is what they had to say: "Each year I fill out 5 project records. It's a lot of work, but I learn so much!" "The best part about 4-H is that nobody cares if you win or lose—we're all one big happy family!" "I'm so happy! It's my first real trophy—I know just where I'll put it..." As you can see, the 4-Hers are excited and proud of their accomplishments. The following members should be proud because they are all county winners. Those 4-Hers receiving an award in one project area were Heather Abbott, Mark Allen, Alphonso Blackwell, Yolanda Blackwell, Monty Bryan, Kenny Cannon, Carol Cox, Brenda Hudson, Michael Hudson, Eddie Justice, Gail Justice, Faith McIlvain, Gail McIlvain, Chris Majchrzak, Cindy Moore, Karen Moore, Amanda Nicholson, Mike Penuel, Ginger Pratt, Kay Pratt, John Reed, Christine Steele, Raymond Vincent, Keith Warrington, Melissa West, Tracy Wheelleton, Wendee White, Debbie Willing, Kenny Willing and Lou Ann Wilson Justice.

County Winners for two awards were Randy Baker, Dean Campbell, Janet Cannon, Sandy Carter, Tawn Crosby, Connie Eskridge, Ann Houtman, David Hudson, Sarah Hukill, Becky Inderbitzen, Michele Lasher, Kirk Messick, Mike Pavlik, Stacey Pavlik, Tracy Pavlik, Steve Short, Jacalyn Taylor, Renee Vincent and Jim Vanderwende.

4-Hers receiving three awards were Nora Cannon, Tami Gundry, Marian Hopkins, Pam Knopp, Carol Lookerman, Bobby Palmer, Rhonda Radish, Karen Taylor and Anne Vincent.

There were five 4-Hers who received four County Awards. They were Landy Correll, Jim Hukill, Kim Knopp, Earl Lookerman, and Steve Majchrzak.

The following 4-Hers did an excellent job in filling out their record books. Allen Messick and Carla Vanderwende both received seven awards, while Pam Correll received eight.

Nine special trophies were awarded to the following: learning the 4-H Way - Girls: Carole Fleetwood; Runner Up Girls: Christine Steele; Learning the 4-H Way - Boys: James Williamson; Runner-Up Boys: Lance Pavlik; Dairy Judging: Monty Bryan; Poultry Judging: Eric Conley; Field Crops Judging: Jim Vanderwende; Horticulture Display: Tracy Pavlik; Horticulture Judging: Mike Pavlik.

The Dairy Judging trophy was sponsored by William Vanderwende and Sons. A. W. Perdue and Sons sponsored Poultry, Field Crops and Horticulture trophies. The highlight of the evening was when the 1976 State Winners were named by Jim Baker, State 4-H Leader. 4-Hers have a trip to Chicago awaiting them. Those from Sussex who will be going are Nora Cannon - Consumer Education, Landy Correll - Woodworking, Pam Correll - Leadership, Marian Hopkins - Achievement, Kim Knopp - Health, and Allen Messick - Agriculture. A local leader is chosen each year to attend Club Congress in Chicago. Representing Sussex County this year will be Marguerite Moore from Milton. Afterwards, Ted Palmer

and Pam Correll presented Club, Junior Leader and Leader awards. Ten Sussex County clubs did the excellent job in receiving a blue seal. Among these were Bridgeville Live Wires, Bridgeville Pioneers, Wildcats, Broadkill, Cokesbury, Dublin Hill, Greenwood Hi-Flyers, Seaford Blue Jays, State Line and Sycamore. Receiving red seals were Blue Hen, Hollymount, Millsboro Hardy Helpers and Trinity Tigers.

Those 4-Hers receiving their Junior Leader Pins were Cecilia Godwin, George Godwin, Ann Houtman, Christina Basols, Johnny Penuel, Mike Penuel, Jeff White, Earl Lookerman, Kenny Wil Josephine Mack, Eileen Huey and Evelyn Messick.

Betty Layton, Margaret Harris and Betty Justice received their 15-year clover awards. Twenty year awards were won by Frances Millman and Micha Hudson. Dora Bell received her 25-year clover, while Franklin Melson received his 35. As you can see, these leaders have been rewarded in many ways. The experiences they share with 4-Hers are once in a lifetime!

Each year six new members are inducted into the Links' Association. The Links have a very important role in the 4-H program. They act as alumni, organizing many activities throughout the year. The chain will be strengthened this year by Jim Vanderwende, Pam Correll,

Carol Lookerman, Marian Hopkins, Jay Hukill and Nancy Knopp.

A special thanks should go to our Banquet Committee. This was our best achievement program ever! ling, Kevin Bell, Estella Higgins, Jo Ann McMillion, Doug Griffin, Ginger Pratt, Michael Lasher, Michele Lasher, Junell Latham, Mike Williams, Karen Taylor, Cathy Cordrey, Janice Grant, Tami Gundry, Brenda Hudson and Wendee White. Each Junior Leader should be congratulated on a job well done!

Standing behind every 4-Her is an understanding and helpful leader. Leaders receiving their basic pin were Jean Adams, Brinton Hopkins, Dorothy Lookerman, Becky and Danny Vanderwende, Michelle Tice, Craig Davis, Naomi Young, Pearl Baker, Angeline Smith, Debbie Collins, Carol Seaward, Mary Mitchell, Althea Sample, Roxie Young, Magoldie Susan, Blanche Gundry, Susan White, Linda Falch and Pat Wheelleton. Leaders receiving a five-year clover were Olivia Blackwell, Delores Reed, Winnie Vincent, Georgianna Hastings,

## Speedway Sets Two Racemeets

by A. G. Keller  
After two straight Sunday afternoon rainouts the management of Delaware's original half-mile oval has announced a full regular program for October 10th with gates opening at 12, practice 1, racing beginning at 2 p.m. It is officially scheduled for all respective divisions including Modifieds, Sportsmen, Late Models and Hobbies. The Adult gate admission will be \$3 instead of \$3.50. Efforts are being made toward solidifying the 1977 season with area competitors. However, for these two shows, fuel cars no injectors, no tire size

maximum will be permitted and remain in effect. Area fans can expect seeing cars from New Jersey and Pennsylvania making the Southern jaunt as many of their tracks have closed for the season. Sunday, October 17th has been tagged for the third annual expanded racing program featuring the Georgetown Bicentennial 76 event. Gates will open at 11 a.m. with practice beginning at 12 noon sharp. Anyone may sponsor laps or what have you for this enlarged card by calling Georgetown Speedway at 302-856-3389.

## Skeet Shoot Set

DOVER-The Dover Skeet and Trap Club is holding a "Polish Them Off" Open next Sunday. The first flight begins at 8:30 a.m. Each registered shooter will be firing at 200 'birds' in two categories. In the first category,

100 'birds' will be shot at with 28 gauge shot guns, in the second category each person will be using a 10 gauge shot gun. The skeet shoot will be held at the club's facilities at Dover Air Force Base. Call 674-4117 for information.

## Spartans Win 2nd In Soccer

Tuesday, September 28, the Lake Forest Spartan Soccer team extended their season record to 2-1 by defeating Dover High at the Chipman field. Shortly into the first half, Lake Forest scored

its first goal. Norman Kristic made a corner kick which Gary Kashner headed into the goal. With added enthusiasm, the Spartans went to score again, but the team wasn't playing the ball well.

Coach Dave Buck commented from the sidelines the team wasn't chasing after the ball the way they should have been. As a result of Spartan inefficiency, Dover was able to score two goals before the half ended.

Coach Buck must have talked to the team about their mistakes, because when they returned to the field, they were once again playing as a team. About halfway through the second half, a Dover player touched the ball with his hands while it was headed for the goal, and Lake Forest was awarded a direct penalty kick. Kenny Johnson took the kick, just barely squeezing it by the goalie to tie the game at 2-2.

With nine minutes remaining in the game Gary Kashner put the Spartans in the lead by booting one past the goalie. Dover only threatened to score once or twice during the rest of the game, with the ball remaining on their end of the field most of it. Gary Kashner had five shots on goal, Kenny Johnson four, Chris Gorve four, Joe Robbins two, Norman Kristic two, and James Overstreet one. Kenny Quillen had ten saves at goalie.

Despite a full day of rain, they traveled to Sussex Central to play last Thursday. According to Coach Buck and the team, conditions were ideal for water polo. Sussex Central's soccer field is shorter than a normal field, it is also part of a baseball diamond. This doesn't sound bad, except that it means the ball has to be played on two different surfaces: sand and grass. It has also been said that Sussex Central has the tallest pitchers mound in the state which is located in the middle of the soccer field. The area around second base was comparable to a lake.

Although the Spartans outplayed the Golden Knights, the field was an insurmountable obstacle. Coach Buck commented, "We outplayed them. The field really beat us." He also said the ball remained on Sussex's end of the field for the majority of the game. Evidence that the Spartans ran circles around Sussex is that they had 16 shots on goal to nine for Sussex. Kenny Quillen had seven saves.

Lime... the fertilizer stretcher

Lime stretches nitrogen supplies. Acid pHs slow down the reaction of micro-organisms in the soil. This results in the slower conversion of urea and ammonia forms of nitrogen to more readily available nitrate forms. It reduces the microbial breakdown of organic materials which release nitrogen to your crops. Proper liming makes more nitrogen available for healthy growth.

Lime stretches phosphate supplies. Low pH causes phosphate to be tied up in unavailable compounds of iron and aluminum. At pH levels of 6.0 or higher, iron and aluminum precipitate out, making them non-reactive with phosphate. So more phosphate is available for crops production.

Lime stretches potash supplies. Calcium, magnesium and potash can partially substitute for each other in the crop and on the soil colloid. If calcium and magnesium are low, more potash enters the exchangeable form on the soil colloid and less remains in solution form for crop uptake. With proper liming, less total potash is needed.

## Spartans Win In 13-Team Run

by Keith S. Burgess  
One of the interesting aspects of cross-country is the multi-team invitationals that give the athletes an opportunity to meet and compete with rivals from several states. In some sports competition is pretty much limited to Kent and Sussex counties. In 1976 Salesianum Invitational drew a record field of 25 teams from Delaware, Maryland, Pennsylvania, New Jersey and Washington, D.C. This plethora of harriers necessitated dividing the field into two divisions on the basis of enrollment. In Group II, Lake Forest's Spartans, coached by Jim Blades, turned in their top effort of the season. On Brandywine Creek's tough hilly near-three mile layout, the locals outran some strong teams to take the title by a big margin. This is the same location which saw the Spartans win their third consecutive state championship in 1975. Low score wins in cross-country. Lake Forest's 64 points thus insured a decisive victory over second-place Archbishop Carroll of Washington D.C. (87 points) and Wyoming High (114) of Reading, Pa. Cape Henlopen was fourth. Oxford, Pa., Tower Hill, Archmere, Dover Air, Haddon Heights, N.J. Devon Prep, Pa., Tatnall, Howard and Sanford Prep also ran. Dan Parker's 16.04 clocking was a Lake Forest record for the course. Parker finished third in the 91-runner test behind Lance White of Cape Henlopen and Jim Eppes of Devon Prep, Pa. Chris Palmisano's 16.25 gave him sixth place. Louis Thomas' 16.54 earned him 14th position. David Richter rallied strongly to pass two Archbishop Carroll runners in the late going to help the Lake Forest cause. Wilson Fry and Paul McLellan ran well finishing fifth and sixth for the Spartans. The local harriers won yet another trophy for the Lake Forest trophy case; Parker received a cup while Palmisano and Thomas won top-15 medals and the seven-man Spartan team was awarded lettered Salesianum Invitational T-shirts. Excellence in cross-country seems to pay off in the form of some fine souvenirs, both for the runners and their school. Paula Mosley was sixth in the girls' two-mile race, picking up another medal. Tom Ott, John Moffett, Ron Wilhelm, Pete Fraley, Craig Fry and Lee Turner ran well in a jayvee race, as did Bill Mitchell, Nathan Morris, Randy Ramirez, Brian Eeenrode and Dale Jarrell in a freshman 3-miler. Mitchell's time was 7th best of the 18-man Spartan contingent.

## Spartans Outrun Laurel, Seaford

Cross-country dual meet defeats are rare at Lake Forest. The Spartans lost only one on the way to the state crown last fall. Laurel was the first team to lose to the locals this campaign, as Lake Forest recorded a near-perfect 15-48 win. Danny Parker, Chris Palmisano, Louis Thomas, David Richter, and Wilson Fry finished ahead of Alan Dulis, Laurel's No. 1 harrier. Parker's 14.55 for the 2.7 mile Killen's Pond Course was a good effort in the absence of competition. Danny and Palmisano are always near the front. Louis Thomas' emergence as a top-flight runner, plus Dave Richter's ability to come-from-behind and give a good effort every race have made the Spartans strong once again. But four men alone can't do the job in cross-country. In big meets an up-close fifth man is an absolute necessity. Lake Forest is fortunate to have two hard working athletes, who are applying the clinching performances in the multi-team meets. These are newcomer Wilson Fry, who showed great potential as a freshman trackman in the spring, and senior veteran, Paul McLellan, who has worked hard and improved steadily since he took up the running game some three or four years ago. McLellan, Herb Jarrell, Tom Ott and John Moffett completed the list of top finishers. Jim Blades' Lake Forest cross-country team annexed dual meet win No. 2 with a 20-41 win over Seaford. The Blue Jays have a couple of good runners so Dan Parker and Chris Palmisano had to shake a leg to finish 1-2. Parker had 14.26 for the 2.7 mile Killen's Pond State Course with Palmisano lowering his personal mark here by 11 seconds to 14.38. After Cover of Seaford came Lou Thomas of Lake Forest and Blue Jay Ellis Cannon. Dave Richter, Paul McLellan, Tom Ott Thirteen-year-old W.T. Chipman School runner Maurice "Reese Cup" Coverdale ran the course in 16.27 this week. This is 27 seconds faster than he's done previously and is good enough to rank him at No. 8 on the varsity, if he was in the ninth grade. Imagine how good this 4 foot, 11 inch, 73 pounder is going to be when he runs varsity in 1978. Hank Edwards, John Veith, Mike Emory and Albert Burns are doing well, as are Tom Silkworth, Bob Aycoth and Gary Ott. and Herb Jarrell, Spartans all, rounded out the scoring. Freshman Bill Mitchell chopped 25 seconds off his personal best. In his third year of running, he continues to show great promise. Other strong freshmen are Nathan Morris (17.14) Randy Ramirez and Brian Eeenrode. Ramirez improved 34 seconds against Seaford. Eeenrode sliced off 38 seconds.

# RAIDERS LOCKER ROOM REPORT

1976 Woodbridge Raider High School Band

## Woodbridge Rolls Over Col. Richardson

Woodbridge High earned its first victory of the season by defeating Col. Richardson 41-6 Friday night in a nonconference game. Woodbridge used a varied offense and a rugged defense to roll up 202 yards rushing and 63 yards passing.

a 3 yard run made the first half score 34-0 with Dexter kicking both extra points.

In the 3rd quarter, quarterback Louis Dexter again teamed up with Spank Neal for a 4th down 22 yard pass to set up another touchdown when

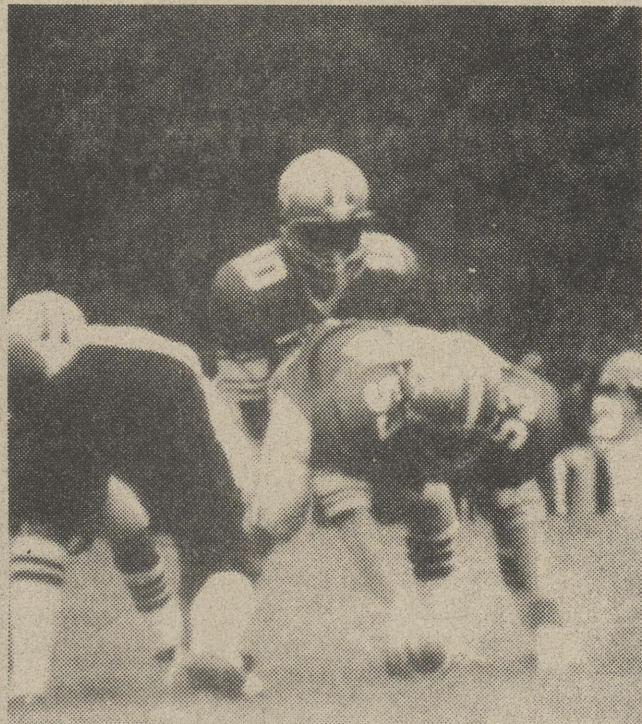

Paul Bennett got Woodbridge's first half explosion underway with a 14 yard touchdown run. Louis Dexter, who was 3 for 6 passing, behind the line blocking of a determined offensive line led by center Ralph Scott, sent a 37 yard touchdown pass to

he again found Spank Neal in the endzone for a 4 yard touchdown pass. With Dexter's extra point try good, the score was 41-0.

Col. Richardson didn't get on the scoreboard until 1:07 left in the game. The extra point attempt failed to make the final score 41-6.

Coach Jim Foster couldn't find enough praise for his offensive line and his special teams. Foster claimed the victory as a total team effort.

Coach Foster and his staff selected as offensive player of the week quarterback Louis Dexter and G. L. Jefferson as defensive player of the week.

The offensive Raider player of the week is Louis Dexter, #10, shown here in action.
