NO. 21

## Harrington Police Force Loses Two

HARRINGTON. Two Harrington police officers turned in resignations this week, according to Chief Ed Layton.

Officer James Woodruff's resignation became effective October 31. Woodruff, a relatively new member of the force, is leaving law enforcement to enter the business world with his brother in Dover. He cited the proximity of the business as well as financial betterment as reasons for resignation, according to Chief Layton.

Officer Robert Pasch will be leaving the Harrington force on November 30. Pasch, who was hired with Woodruff, will resume educational studies at Delaware Technical and Community College.

When asked about possible replacements, Layton said no action will be taken until the November council meeting. In the meantime, Layton is optimistic about the police coverage in the City. "Jopp and I handled it before (when Royce Purcell left) and I guess we can handle it again...we may very well have the two positions filled" by the end of the month.

## Local Man Wins \$10,000 In State Lottery

Raymond I. Blanchette is Harrington's \$10,000 lottery winner.

HARRINGTON. What most people dream about at one time or another happened to a Harringtonian last week. Raymond I. Blanchette traded 50 cents for \$10,000 when his ticket was one of those selected at the lottery drawing last Thursday.

Hearing about his win was a bit of a round-robin thing, since Blanchette was attending a Cub Scout pack meeting when the news was announced.

Robert Holloway heard the news at the local racetrack, relayed it to Blanchette's son, Ray, who went to the meeting to tell his father the good news. "I didn't believe it," mused Blanchette. After calling two radio stations and the News Journal, he confirmed the good news at the latter point.

"I usually play about five tickets a week...the regular Blue Diamond lottery ticket", remarked Blanchette. He bought his winning ticket at the Banks convenience store here. It is the only form of gambling he indulges in.

When asked about the windfall, he remarked there are "plenty of places to use it."

He is a senior laboratory technician at General Foods in Dover, with 38 years with the industry. He and his family have lived in the Harrington area for 13 years, where he had been a cornerstone in the activities of the local Scouting organization.

## Police Have Lead On Snow Sprayers

HARRINGTON. Reporting it was a "very quiet Halloween this year" the Harrington Police had only minor Halloween related incidents to report from their log this week.

Two teenage girls reportedly have been spraying artificial snow on some cars in the city. Chief Ed Layton said the department had a lead in the incident. Around a dozen cars are estimated to have damage from the artificial snow.

## Swine Flu Program Begins To Pick Up

The Swine Flu immunization program is limping along here in Delaware, with around 70,000 doses having been given as of October 28.

According to the Division of Public Health, "many of the state's larger industries, as well as hospitals, nursing homes and colleges will be offering the vaccine to their employees, patients and students in the near future."

Private physicians are not expected to charge for the vaccine itself, but may charge a small fee for its administration, reports Fred Breukelman, program director of the Office of Public Health Education.

Both the monovalent vaccine, which protects against swine flu, and the bivalent vaccine, which protects against two types of influenza and is recommended for 'high risk' and elderly patients have been distributed in Delaware.

The first day of clinics turned out 700 people. Hugh L. Blumen, public health advisor in charge of the swine flu program reports the clinic has begun to slowly pick up momentum.

Questions about the swine flu program may be obtained by calling the special toll-free Swine Flu Hot-Line from anywhere in Delaware at 1-800-292-7810.

For persons wishing to get the shot this week in the area, the following places dates are operating clinics

this week: Thursday, Nov. 4 at Bowers Beach Fire Hall, North Bowers Beach and the Greenwood School at Rt. 13 and Governor's Avenue, in Greenwood, Saturday, Nov. 6 at the Magnolia Fire Hall in Magnolia and the Seaford High School at North Market Street, Seaford, Wednesday, Nov. 10 at the West Milford Elementary School in Houston and at Woodbridge High School at 307 Laws Street in Bridgeville.

## 'Poetic' Justice Strikes Egger

HARRINGTON. One youngster got a bit of his own medicine Friday night, as he found out just how it felt to be the eggee instead of egger.

It seems that one of the Harrington police saw a youngster of about 12 years, with suspiciously oval-shaped bulges in his pockets. When the officer tapped at the bulges and questioned the youth about them, his agonized answer was "They're eggs!"

To add insult to injury (or a little more of poetic justice) this young fellow also got egg all over his soap, which was in the pocket with his squished eggs.

Exercising their voting privileges were these Harringtonians Tuesday. The lines moved steadily through the day here, but returns were not in at this writing. Here the citizens are going through the identification process before stepping into the voting booths. By 4 p.m. 707 of the 1350 registered voted at the Harrington Fire House location. According to Jonathan Hopkins, Kent County Department of Elections official, voting in Kent County was very heavy.

## Getting out to vote, 76 style

An unidentified woman voter receives instructions from Kenneth McKnatt, one of the helpers on how to close the curtain of the voting booth. Frequent questions on how to get out of the booths were raised, but were easily handled. The little red switch inside does the trick, as memories are recalled.

## Woodbridge Views Corporal Punishment

by Barbara Brown

Parent and teacher reaction to the suggested guidelines for the administration of corporal punishment by teachers was one focus of attention as the Woodbridge School Board heard reports from district principals at its October 27 meeting. According to the principals, parent response to the guidelines suggested in September was supportive, but light.

However, several minor modifications to the guidelines were suggested by various parent-teacher committees in the Woodbridge schools. These included a restriction against

administering corporal punishment in the head or neck area and a recommendation that any student receiving corporal punishment on a regular or repeated basis be referred to the guidance counselor. It was also suggested that substitute teachers not be given this authority but be instructed to refer any discipline problem that might require corporal punishment to the principal in charge.

It was the feeling of the board that the principals should compose one document encompassing the suggested additions to be presented to the board at its November meeting. If this document is approved by the board, it would be submitted for publication and public comment before the effective date on the guidelines. State law now allows the administration of corporal punishment by classroom teachers. (Continued on page 8).

## Stolen Dummy Found Swinging

HARRINGTON. On Halloween night, police received a report of a stolen dummy, taken from the front porch of Ruth P. Melvin of Delaware Avenue. The dummy was found swinging from the First National Bank clock on Commerce Street later that night.

Total value of the recovered

property included the dummy, of unknown value, one wig valued at \$20, and one half a pair of shoes, valued at \$10. The dummy had also gained a belt no one seems to wish to claim.

According to Chief Ed Layton, the dummy was last seen, swinging on its front porch.

## Felton Will Fence Tower

FELTON. In the absence of Mayor William Myers, who is recovering from hip surgery and the complication of infection, the Felton Council was headed Monday night by Councilman Don Jacobs.

The Council continued its action toward getting something done about the vandalized water tower. They voted to install a 6 foot high medium-gauge link fence around the base of the water tower. The fence, which was bid at \$1100 by Ken Stockslager of Camden, will include double gates and strands of barbed wire. The gates will be located near the utility shed so the possibility of enclosing it in the future will be easier.

The Council decided to have the fence installed before making a decision to have the water tower painted.

Councilman Joe Winger reported on being pleased with the bicycle registration held last month. He hopes to have a repeat of the registration in the spring.

Felton is in line to have new traffic signs, as well as replacing

some, according to Councilman Jacobs. These will be installed in the near future.

The council-sponsored teen dance has been scheduled for December 10. There will be a disc jockey for the evening and there will be no charge for the dancers. The dance will be held in the firehouse in town. According to the council, this will be the first attempt at a teen dance in Felton for about 15 years.

The Felton Town Hall may be due for a face lift, according to the Council. This will be discussed at the next meeting. It was the feeling of the Council to keep any possible expenditures at a minimum, although they seemed to feel that some work on the structure might be in the near future.

In response to concern about the water pressure, it has been inspected since the last council meeting, reported Councilman Bill DeLong, and the pressure was found to be good. According to underwriters, who check the pressure and flow, there has been no change in the past ten years.

## United Fund Reaches Half Way Mark

HARRINGTON. The local United Fund has reached its half-way mark, according to campaign chairman Gene Price. There are still days in which interested businesses may contribute, since the campaign concludes on Tuesday, November 9.

The goal for the Felton-Farmington-Frederica-Harrington area is \$2400, and within that area, the Harrington Senior Center and the

area Scout organizations receive direct financial assistance from contributions to the United Fund.

Those wishing to contribute, may contact Mr. Price at 398-4587 before Tuesday.

The slogan for the United Way campaign is "Thanks to you...it works for all of us" and it does through these organizations.

The Harrington Fire Company's annual fund drive has reached the half-way point. Contributions to the drive help keep the services of the fire fighting apparatus and the rescue vehicles in operation. There is still time to make a contribution.

# LOCAL INTEREST

by Edythe Hearn

Mr. and Mrs. William Hearn and Mrs. Alice Etherington attended the funeral of their cousin, Miss Helen Hearn in Pennsauken, N.J. Saturday.

A bridal shower was held at the home of Mrs. Robert McNally honoring Miss Jerrie Draper, who will be married at St. Stephens Episcopal Church Saturday, Nov. 13, to William F. Winkler.

Mr. and Mrs. Lewis Myers of Philadelphia were Sunday guests of Mr. and Mrs. Melvin Brobst.

Mr. and Mrs. John Curtis, Mr. and Mrs. Walter Winkler and Mr. and Mrs. Elmer Clink spent the later part of last week in Syracuse, New York attending the annual meeting of Agway Corporation.

Sunday guests of Mr. and Mrs. Robert Wix were Mrs. Barbara Porter of Greensboro and Miss Lillian Breeding of Baltimore, Md., Mr. James Tolman and twins of Felton, and Mr. and Mrs. Edward Collins. During the past week Mr. and Mrs. Willis Kates of Felton visited the Wix home.

Mrs. Pearl Brittingham visited Mrs. Harry Murphy Saturday afternoon.

Friends of Mrs. Elizabeth will be glad to know she is improving from her broken shoulder.

Stanley Dean was transferred from Kent General Hospital Friday evening to Jefferson Hospital in Philadelphia, Pa. where he will undergo open heart surgery Wednesday.

Mr. and Mrs. Kenneth Powowski and Mr. and Mrs. Trader visited Mr. and Mrs. Fred Fritz Sunday.

Clifton Dill visited with Mr. and Mrs. Henry Bullock Monday.

Raymond McCready is at home from Johns Hopkins but he will return there later this month for open heart surgery the first week in December.

Mr. and Mrs. John Camper displayed their famous wood carvings at the Smyrna Armory one day last week.

Mr. and Mrs. John Walls entertained the Card Club Saturday evening.

Mr. and Mrs. Marine Welch of Rehoboth will be leaving for Arizona to spend the winter. Wednesday afternoon Mr. and

Mrs. Samuel Welch, Mrs. Elsie Willy and Mr. and Mrs. Carroll Welch visited with them.

Friday evening Mr. and Mrs. Elmer Brown visited Mr. and Mrs. Fletcher Price and Saturday evening Mr. and Mrs. Brown and Mrs. Charles Coverdale attended the Ruritan Club supper.

Mr. and Mrs. Richard Jester of North Carolina and Mr. and Mrs. Clay Jester of Newark were

Saturday guests of Mrs. Bessie Jester. Sunday morning breakfast guests were Mrs. Laura Hudson of Millsboro and Rick and Donald Jester.

Joseph Ward was a dinner guest of Miss Jennie Morris Monday evening. The occasion was his birthday on October 31.

Mrs. Pearl Cooper entertained her bridge club Monday afternoon.

## Around Town

by Loretta Brown

Bishop Randolph Brown visited his brother Elwood Brown this past week at his home in Harrington.

Mr. and Mrs. William Morris of Felton were guests of R. Brown this past week.

Loretta Brown visited friends in Smyrna last Thursday.

Mrs. Ann Bright, manager of the Salvation Army Store in Harrington is well and out again and is on her job.

Mr. and Mrs. Harvey Stator of Cincinnati, Ohio visited her sister and family while on their vacation. Mrs. Viola Hickman of near Harrington.

Mr. and Mrs. Herring of Bridgeville visited friends in Harrington this past weekend.

## Senior Center News

by Cleota Willey

We had our last Bible Study this week with Rev. Huff. There will be a continuing study in November with Rev. Watson.

We are busy with work and plans for the Bazaar. The date is Dec. 2nd.

Mr. Fassahan was at the Center to show slides and to talk about home improvement. Also to explain how you can qualify for financial help for your home improvements.

The Swine Flu Vaccine was given at the Center on Wednesday afternoon. We had about 88 members and guests. There were around 60 or 65 vaccines given.

Mr. Reed Hughes of Felton was with us and showed his slides of Ireland.

Our Halloween party was a bit of fun. Some of the members were masked.

We were served sweet cider and doughnuts for refreshments.

There was a trip to Nichols and Pantry Pride this week for those who cared to go.

Our bowling lady and gentleman for this week were Marion Littmann and Elbert Stevens.

We are always glad to welcome anyone who cares to stop in either for a meal at lunch time, to play pool with the men or just to visit and chat for a while.

We are planning a trip to Cherry Hill around November 11. If interested call 398-3908.

**HONORED FOR SERVICE**-Mrs. Lola Gibbs of Camden/Woodside, recipient of special 4-H award for 40 years service as leader of Woodside Silverleaf Club. Mrs. Gibbs started the club in 1936 and has probably worked with 2-3,000 young people in it since then. Sewing machine in background was used to teach many of these how to sew.

## 4-H Honors Club Leader Of 40 Years

Mrs. Lola Gibbs started and at one time got as high as 70. Officially, 4-H serves kids 9-18, but Mrs. Gibbs has never been able to turn away the younger brothers and sisters who clamour to participate. So there are usually a number of 6, 7 and 8 year-olds in her group, as original members. Kent county 4-H'ers decided this record was something to crow about, and at their recent annual achievement banquet at Caesar Rodney Junior High School in Camden, they honored Mrs. Gibbs for her long years of service.

The former teacher says she has no idea how many young people she's worked with in 4-H during this time, but it has to be a lot. Silverleaf membership has often numbered 50-60

and at one time got as high as 70. Officially, 4-H serves kids 9-18, but Mrs. Gibbs has never been able to turn away the younger brothers and sisters who clamour to participate. So there are usually a number of 6, 7 and 8 year-olds in her group, as original members. Kent county 4-H'ers decided this record was something to crow about, and at their recent annual achievement banquet at Caesar Rodney Junior High School in Camden, they honored Mrs. Gibbs for her long years of service.

(Continued to page 8).

# Happenings

by Carole Glasspool

It was the weekend for "ghoulies and ghosties and things that go bump in the night" but good spirits were all you could find among Lake Forest School District band members and sports teams.

First the football team won on Friday, Saturday morning our W.T. Chipman band and our Lake Forest High School Band each took first prize in their respective divisions in the Milford Halloween Parade, Saturday afternoon the W.T. Chipman band was awarded a lovely trophy for participation in the Dover Halloween parade and Saturday night, oh boy, Dave Buck and the L.F. Soccer team were a happy group of hobgoblins as they beat Caesar Rodney's Soccer team 2-1 at Harrington.

With all that success, what more could you ask? Well, if you were a member of the band boosters you might be asking "How is it possible to lose \$200 on a dance to benefit the bands when there are 300 children district-wide involved in band?" Pretty good question, yes?

Anyway, the Band Booster Dance held in the W.T. Chipman Field House Saturday night was definitely a social smash! If you missed it, you missed a good time.

Cornstalks, pumpkins and autumn leaves set the scene and the music by Eastwind was fantastic and varied. They played the hustle, the bump, country and western, and noticing a few old timers in the audience (and I'm not saying who); they spent the last thirty minutes of the evening playing the '50's music.

Marlene Jarrell and Katherine McGinness handled the set ups and among those who danced the night away were Don and Carol McKnatt, Eddie and Dorris Moffett, Lee and Faye Dean, Don and Donna Claycomb, Joann and Norm Clough, Mr. and Mrs. Don Garey, Bill and Betty Reiden and LFHS Band Director Dale Burkhardt and wife Susie.

After the dance, quite a few of the dancers headed for Doris and Ed Moffetts for a sausage and eggs

breakfast. Meanwhile, all sorts of witches, spooks and monsters were invading the home of Katherine Brooks, Arnett Petroski's mother as G.S. Cadette Troop 365 of Felton held their Halloween party.

The twenty Cadettes and their guests had a fine time dancing, bobbing for apples, and spraying each other with shaving cream. The "sprayer" is blind folded which really can make things interesting. The "sprayer" is supposed to be able to move quickly. One "sprayee" I know got it right in the eye -- ouch that smarts!

Everyone was costumed and prizes were awarded to Karen Withers and Rhonda Whitt for scariest as monsters, Tammy Hinson for prettiest as a blonde temptress, and Diana Voshell and Laurie Glasspool for funniest as "Price and Pride," a well known TV Commercial.

The Haunted House held Friday and Saturday night of last week at the Viola Community building to benefit the Arthritis Foundation and the building itself was a tremendous success.

Congratulations to Kenny Johnson, of Harrington, a Spartan Soccer offense, for being top scorer in Kent and Sussex County soccer player!

Don't forget next Wednesday night, November 10 is College Night at L.F.H.S. from 7:30 to 9:30 p.m.

Call Carole at 284-9632 with your "Happenings".

Only 4.5 cents on a dollar that you contribute is used to raise funds. No other single appeal can match this efficiency. Your contribution works harder -- the United Way.

United Way it works.

# 4-H News

November 9 - Leaders' Meeting, 7:30 p.m., Substation

November 13 - "Make It With Wool" contest, Ag Hall, Newark, 9:30 a.m.

November 14 - International Foods Day, Substation

November 27-Dec. 3 - National Club Congress

Sussex County 4-H'ers really enjoyed Halloween this year! A pumpkin decorating contest started the celebration. Pumpkins of all sizes and shapes were decorated to fit three different categories. The categories were: Funny, Scary and Artistic. Some funny ones included a pumpkin in a bikini and one dressed up as a Russian spy. The Artistic category was very hard to judge. The 4-H'ers put a lot of time and creativity in their entries. Some Artistic pumpkins included one as Humpty Dumpty and one as a bat. In the Scary Division, 4-H'ers dressed their pumpkins up as black cats and witches. After all the entries were in, a panel of judges made the final decisions, and here are the results: Artistic 1st-Becky Inderbitzen, Cape Cadets; 2nd-Karen Messick, Bridgeville Live Wires; 3rd-Kim Knopp, Hollymount and James Williamson, Bridgeville Live Wires. Funny 1st-Allen Quillen, Hollymount; 2nd-Lana Ashley, Hollymount; 3rd-Carole Fleetwood, Bridgeville Wildcats and Caroline Robinson, Hollymount. Scary 1st-Travy Pavlik, Hollymount; 2nd-Mark Wagner, Hollymount; 3rd-Mark Baker, Hollymount.

After the contest, the pumpkins were donated to local hospitals and nursing homes as a community service. We would like to thank the Sussex County Links for sponsoring this worthwhile contest. It was a huge success and the participation was great. So, remember if you see a pumpkin in a bikini, don't be alarmed, it's only Christine Majchrzak, a 4-H'er, saying "Happy Halloween!"

Following the pumpkin contest the Links held a masquerade party. Firemen, black cats and the Three Little Bears were all there enjoying the fun. After a parade of costumes, everyone unmasked and the games

began! One of the games was very interesting. Ken McIlvain from Bridgeville acted as narrator, while the other 4-H'ers put a dead body together. Ken got excited a few times and fell off his stool but somehow they managed to finish the job. Following the games and entertainment, refreshments were served. Actually, it was kind of hard to sink your

teeth into them. A string from one end of the room to the other dangled with apples. The 4-H'ers had a contest to see who could eat an apple the fastest. It was a close race between Becky Vanderwende and Gail McIlvain.

The Links would like to thank those who came to the party. It was a lot of fun and a terrific way to celebrate Halloween.

College Night for Kent and Sussex County at Lake Forest High School on November 10, Wednesday is progressing slowly but surely.

The invitations were mailed on October 22; and due to press deadlines, this article is being written November 1. Therefore, the list of acceptances at this time is rather small. Of forty-eight colleges and universities in-

only five have declined and it is expected that by the end of this week we will have a great many more colleges accepting.

Many of the colleges and universities which have not yet responded did attend College Night at Lake Forest last year and have accepted New Castle County's invitation for November 11. Therefore, an affirmative response is an-

icipated from them.

College Night affords parents and students the opportunity to meet college representatives and obtain information and applications from them.

In many cases, this can save a trip to a college or at the very least reduce the amount of correspondence that would otherwise be necessary.

A listing of colleges that

have definitely accepted follows:

MacQueen-Gibbs-Willis School of Nursing, Memorial Hospital, Easton, Md.; University of Delaware-Newark, Del.(LN); Delaware State College-Dover, Del. (LN); Delaware Technical and Community College, Terry-Dover, Del. (L) Jeff Adams; Delaware Technical and Community College, Southern-Georgetown, Del. (L) Terry; Goldey Beacom College-

Wilmington, Del. (LN) Margaret H. Juhl; Brandywine College-Wilmington, Del. (LN) Ken Oswald; Beebe Hospital-Lewis, Del. (N); Salisbury State College-Salisbury, Md. (L); Washington College-Chestertown, Md. (LN) Ms. Maureen Kelley; Spring Garden College-Philadelphia, Pa. (LN) Dr. Lewis; Elizabethtown College-Elizabethtown, Pa. (N); Northeastern University-Boston, Mass. (L).

### Herbert Whaley Home Improvements

Herb Whaley - owner

Mr. Homeowner! Are you trying to get some improving done on your house but don't have the proper tools or the time to do the job right? Call HERB WHALEY HOME IMPROVEMENTS and have a PROFESSIONAL carpenter take care of those problems for you! Just phone 629-7856 and a complete estimate will be provided BEFORE any work is started!

Located at 1106 Airport Rd. in Seaford, this is one firm which does a truly professional job! Whether it's a small repair or a major room addition, this is one of the best outfits for the job! Don't put off having that work done any longer...call them and see just how little it costs to have it done properly!

With referrals from many leading contractors in town, this carpenter stands behind every job! The editors of this 1976 Review urge all homeowners to list their home improvement projects and then call HERBERT WHALEY HOME IMPROVEMENTS to see them through!

### Bill's Electrical Service

Bill Slatcher - Owner

BILL'S ELECTRICAL SERVICE located at 1605 Middleford Rd. in Seaford, phone 629-4871 for complete service.

This firm of recognized electrical contractors specialize in residential, commercial and industrial wiring. There are many jobs throughout this area that are tributes to their ability as electrical engineers.

This section of the country as a whole, has an added business advantage by having in its midst such a well known electrical establishment whose commendable policies and products of quality have gained for them an ever increasing business. This can be confirmed by the large contracts they are completing throughout this area in all fields of electrical wiring. They have the very best in workmanship and materials; therefore, you will be wise to consult them before you let your next contract.

We, the editors, take great pride in referring this firm to all our readers in our 1976 Review.

### Johnson And Son Used Cars

Frank and Ron Johnson - Owners

For many years, automobile dealers considered the "used car" business a sideline to selling new models. The friendly guys down at JOHNSON AND SON USED CARS on Stein Hwy. (just 5 miles East Seaford) in Seaford, phone 629-2587, totally reject this theory. They specialize in used cars exclusively, and, right now, they're dealing with a lower profit margin than anyone in an all-out effort to help their customers beat the current gas prices by offering great deals on good, used economy cars.

The kind of business that this respected firm does is the main reason for their large "family" of repeat customers. People return again and again when they need an automobile because they know that integrity, quality and value are passwords at this fine used car dealer.

Buy the safe way! Stop in at JOHNSON AND SON USED CARS and look over the tremendous values in quality used automobiles. The authors of this 1976 Review recommend this fine firm for better cars AND better values!

### Seaford Disposal Service

Ed Sellers - Owner

When service for which you cannot go window shopping such as Residential or Commercial rubbish removal service is needed, it then becomes more important to know the reputation of the firm with which you do business. SEAFORD DISPOSAL SERVICE located at South Shirley & Harrington Sts. in Seaford, phone 629-7370 is a firm with which you can do business with confidence and assurance of receiving satisfaction.

SEAFORD DISPOSAL SERVICE is owned by Ed Sellers and operated by Mr. Sellers. Serving homes & businesses with compactor pick-up service & containerized service. SEAFORD DISPOSAL SERVICE is licensed by the state & fully insured!

Ed Sellers knows the business perfectly and insists that each job be done to perfection. They employ only competent, well trained men who have the desire to please customers.

SEAFORD DISPOSAL SERVICE is favorably known for their prompt service and fair prices. Much of their popularity is due to the fact that they stand behind each and every job. That's the way they've done business for years!

The composers of this 1976 Consumers Message suggest that you consider this reliable firm. We're sure you will be pleased with any work SEAFORD DISPOSAL SERVICE does for you.

### Sipple's Service Station

Paul Sipple - Proprietor

Featuring complete repair service on all types of automobiles, SIPPLE'S SERVICE STATION is located at Rts. 13 & 16 in Greenwood, phone 349-5223. In addition to performing some of the finest repair work in the area, this community leader also offers their years of experience when it comes to advice on all of your mechanical problems.

Paul Sipple recently opened several new bays on the premises and invites all folks in for their repair service now with expanded facilities.

An automobile will not run forever without regular attention and an occasional repair. Every car owner should see a reliable repairman regularly to put his auto into first class shape. When you drive into this full service garage, you can rest assured that your car will be repaired in the shortest possible time and at the least possible expense. You must be satisfied with every job that comes out of Paul Sipple's shop. They feature Road Service, minor repairs, brakes, tune-ups, accessories, and Union Oil products.

While working on this 1976 Review, we, the compilers, wish to compliment this firm for their high level of service.

### MHSI Appoints Robins As Sales Manager

Maryland Harvestore Systems, Incorporated recently announced the hiring of Donald A. Robins as Sales Manager. Mr. Robins will be moving his family into the Frederick-Carroll County area in the near future.

According to James M. DeLong, President of

MHSI, Mr. Robins will have among his many responsibilities, the direction of all sales activities in Maryland and parts of West Virginia, Delaware, and the entire Eastern Shore with all salesmen reporting directly to him. With ten years experience in Harvestore sales and

farm feeding systems, including two years in the Maryland area, Mr. Robins is eminently qualified to serve the needs of livestock farmers in this area.

Egg protein is so near perfection that scientists often use it as a standard to measure the value of protein in other foods.

The Greeks were the first people to pursue mathematics as an art for its own sake.

### Greenwood Cabinet Works

"Custom Cabinet Designers"

For a kitchen that's a showplace of beauty and convenience, contact the GREENWOOD CABINET WORKS at Owens Station (out of Greenwood on Rt. 16 3 miles from the Dual Hwy. on the left) in Greenwood, phone 349-4370. This outstanding firm can renovate your existing kitchen or construct a beautiful new one in your new home! See the experts today and find out more about the distinctive designs available for YOUR kitchen. Much of their work can be viewed in the beautiful banks they have done in the area; everything from the teller booths to the woodworking.

Employing skilled cabinet makers to handle the installation work and featuring brand name products exclusively, this well known concern has won the approval of leading interior decorators and homeowners alike. They offer a huge selection of cabinets, hardware, built-ins, and everything else you need to make YOUR kitchen a work of art!

The writers of this 1976 Review suggest YOU call the GREENWOOD CABINET WORKS for your next kitchen!

### Dillard's Restaurant

We all agree that a top rated restaurant has 5 main requisites; first, good food & drink, second, faultless service, third, a good selection, fourth, a comfortable atmosphere, and last, but not least, reasonable prices. When we find a restaurant that offers these 5 things it is indeed a treat, and this treat is yours at DILLARD'S RESTAURANT conveniently located at Rt. 13 in Greenwood, phone 349-4027 and on the Dual Hwy. in Seaford. Phone number 629-4814.

This modern Family Restaurant is well known for its appetizing home cooked food. They specialize in Steaks, Chops, Chicken & seafood. You may make your selection from a wide variety of foods and be assured, regardless of your selection, it will be one of the best meals you have ever eaten. They also feature "carry-out service."

In this 1976 Review, we, the editors, feel that we can highly recommend this excellent restaurant and offer our best wishes for their continued success. DILLARD'S RESTAURANT welcomes you to pleasurable dining. Try them, you'll be glad you did.

### Dick's Body Repair

Dick Passwater - Owner

The personnel at this firm are specialists in body and fender work as well as auto painting. The place to have your car body rebuilt or painted is at DICK'S BODY REPAIR located on 1050 Dual Hwy #13 in Seaford. Phone number 629-7524.

The owner of this firm fully understands auto body and fender repair work. Whether it is a small or a large job, you will receive the same courteous treatment and professional workmanship.

This is one of the best known auto body repair shops in this section because of its excellent workmanship and service.

Most insurance policies now permit you to choose the repair shop you like the best. Select them to do your work. Their body work as well as auto painting is among the best done in this section. They have the "know how" that puts their work in a class by itself.

The narrators of this 1976 Review recommend you see DICK'S BODY REPAIR Shop for all work of this type.

### Nov. 15 Is Deadline For Supervisors Nominations

GEORGETOWN-- Monday, November 15th is the deadline for nominating candidates for the Annual Conservation District Board of Supervisors election.

Three requirements that candidates must meet are:

1. Be a Sussex County farm operator or landowner.
2. Receive the written endorsement of ten (10) other landowners or farm operators in the county and present this endorsement to the Sussex Conservation District Office, P.O. Box 8, Georgetown 19947, by November 15, 1976.

3. Reside in the Southwest section of the county (that area of the county west of a line extending along Route 113 from Georgetown to the Maryland border at Selbyville and south of a line extending along Route 9 (formerly Route 28) from Georgetown to Laurel and

then along Route 24 to the Maryland line).

The Board of Supervisors has nominated Kenneth K. West of Laurel as a candidate for the election.

"Tolerance is the only real test of civilization."

Sir Arthur Helps

### Seaford Chess Club To Meet

The Seaford Chess Club is now embarking on its second season. It meets every Thursday in the Seaford High School Cafeteria from 7 until 10 p.m.

The club has about 25

members. They are made up of both sexes, all age groups, and a wide range of abilities. Most are from Seaford, but some come from as far away as Milford, Easton and Salisbury.

Last year, club members engaged in tournaments with each other and with the Milford Chess Club.

So come on out and join the club. If you are an experienced player, or just a beginner, you will find some keen competition.

The Seaford Chess Club is sponsored by the Seaford Recreation Association. For further information call Paul Jagen at 629-3400.

JUST CLOWNIN' AROUND...This usually lovely bevy of ladies had their own form of surprise ready for customers at the Harrington Hi-Grade Saturday night. In the photo [from left to right] believe it or not are Cheryl Short, Becky Chalmers and Margaret Kinney. Margaret is a former Miss Harrington.

### Horse 'Mother Has First 'Child' At 15

Misty, 15 [plus] pony belonging to the C. Leslie Wix family of near Harrington, successfully gave birth to a colt Monday night. The mother, 90 years old computed on a one to six years basis for people, has a slight problem of producing enough milk at the moment, and Wix, shown in the photo, helps the equine infant along. Michael Wix is holding the colt, who might be named Kris.

Misty was a gift to the family for the couple's children. Beverly and Michael 12 years ago, from the children's uncle, Irving Brown. The Wixes are not sure exactly how old Misty is, but she is at least 15, and apparently going strong.

Sunday dinner guests of her grandmother Mrs. Jesse Fearins.

Miss Joyce Faye Porter of Federalsburg spent the weekend with her grandparents Mr and Mrs. Clarence Porter.

Mr. and Mrs. Dale Nagel of Denton were Sunday afternoon guests of his grandmother Mrs. Isaac Noble. Evening guests were Mr. Fred Coulborne of Federalsburg and Mrs. Manila Dukes of Liberty Rd.

Read The Classifieds

Even the adults get into the act at the Houston Halloween Parade. A few young ladies wait their turn to begin the march as one manages to get a big bubble from her gum.

Youngsters at the Houston Halloween Parade used their imaginations as a variety of goblins and ghosties turned out to parade in the afternoon hours of October 30.

### You Can Learn A Lot From Labels

Sometimes labels on processed meat or poultry products are confusing to consumers trying to get the most for their super-market dollar. The U.S. Department of Agriculture has set certain guidelines which help consumers understand labeling, says Marguerite Krackhardt, extension nutrition specialist at the University of Delaware. According to Ms. Krackhardt, even the way the name of the product is displayed tells the consumer something about what's inside. The first ingredient which appears in the name must be the one which makes up the greatest quantity of the product. For instance, a product labeled "Beef with Gravy" must contain more beef than gravy. On the other hand, if you see a product labeled "Gravy with Beef," you can be sure you're getting more gravy than beef. If there is a picture on the label, it must accurately portray the contents, says Ms. Krackhardt. For example, if eight slices of meat are shown on the label, there must be at least eight slices of meat in the container. If you've wondered why the words "serving suggestion" often appear on the label, it's because the product is being shown in a serving dish or with garnishes and other food products that are not in the package. The list of ingredients on the label further helps the consumer know what's inside. The ingredients must be listed in order of

their weight, from most to least. If you want chicken stew with more potatoes than onions, for instance, read the label. Obviously, if onions are listed before potatoes, that may not be the brand to buy. Natural spices may be listed simply as "spices." Flavors do not have to be listed by name—just as either "natural" or "artificial" flavor. The net weight statement gives you the weight of your food item in pounds and ounces. You can use this information to help you comparison-shop. Just remember, though, that a product weighing more for less money may not be the best buy, after all. If gravy is listed first, you may be paying more for less meat. You'll need to consider everything the label tells you. You'll often receive special preparation or storage directions from the label, says Ms. Krackhardt. "Keep Frozen" or "Refrigerate after Opening" or other instructions will help you keep the product safely and at top quality. The meat or poultry product you buy should also have been inspected by the USDA, and that information should appear somewhere on the label. The official round inspection mark tells the consumer the meat or poultry's been inspected for wholesomeness. Each inspected plant has an identification number. The letter "P" followed by a number identifies the poultry processing facility where the product was in-

spected. The letters "EST." stand for "establishment" and the number following it identifies the meat processing facility. Finally, don't ignore any date that is stamped on the product. It can represent one of four dates: (1) The "Pack Date," which tells you when the product was packaged; (2) The "Pull Date," which tells you the last day the retailer can sell the product as fresh; (3) The "Quality Assurance Date," which tells you how long the processor thinks the product will be at peak quality; or (4) The "Expiration Date," which tells you the last date the product should be consumed. Each date which appears on a product must be accompanied by a statement which explains the meaning of that date, says the nutrition specialist. Consumers can count on high quality if the product is properly handled and used according to the date indicated. Camels can go without drinking eight weeks in winter, then they imbibe as much as a hundred quarts in 10 minutes. A canary breathes about 108 times a minute! Plymouth was not the first settlement in New England. A colony was founded in Maine in 1607 - 13 years earlier—but didn't last. "A" is the first letter of every alphabet except the old German, in which it is the fourth, and the Ethiopian, in which it is the 13th! There are 100 billion stars in our galaxy. From the earth only about 6,000 of these are visible to the naked eye. "The business of life is to go forwards." Samuel Johnson

## Scout Fun Day Held

DOVER. The Mid-Del Cub Scout Fun Day was held recently at the Dover Central Middle School playground. Included in the day's activities were awards. Of

these Billy Zeman, of Pack 78 of Dover, Brian Davis, Pack 186 of Milford and Rodney Widrig of Pack 290 at Dover Air Force Base, Mike Stocklager of Pack 297, Wyoming and Ed Moran of Pack 622, Little Creek took patch awards.

Parade awards went to Pack 290 of Dover Air Force Base, Pack 141 of Felton, and Pack 116 of Milford, who placed first through third place respectively.

Eighteen packs were present, representing 400 to 450 Cub Scouts. Over 1200 people were present.

Howard Breeding of Woodside was presented an award of appreciation for constructing and maintaining the obstacle course for the last five years.

## LF Is Champion of Dual Cross-Country Meet

It's official. Lake Forest is the dual meet champion of the Henlopen Conference in cross-country. The Spartans shared this title in 1975 with Cape Henlopen and Caesar Rodney. Each had 9-1 records.

This time Lake Forest won it all by going undefeated in seven starts. Only Caesar Rodney was able to give the locals a stiff test. After a one-point victory over the Riders, Monday's 20-39 victory at Dover was about as certain a conclusion as one could ever expect in scholastic sports.

Dan Parker, front-runner for Lake Forest, was home ill. The "Canterbury Contingent" of Chris Palmisano, David Richter and Paul McLellan were prominent in the title-clinching win, with first, third and seventh place finishers, respectively.

Two "west of Felton" lads, Louis Thomas and Wilson Fry were fourth and fifth to put the icing on the cake. The only Senator to break into the top five was talented Kip McKenna, who turned in one of his best efforts to finish second. Richter, in third, according to Spartan head coach, Jim Blades, did a beautiful job. John Moffett, Herb Jarrell and freshman ace, Bill Mitchell, completed the top eleven finishers. Palmisano ran 2.7 miles in 15.16.

Kelly Woodward, a fine runner in 1975, reported late this season and is just starting to approach last year's form. Woodward and Craig Fry led Lake Forest's jayvees to a win in the day's second race. Pete Fraley, Randy Ramirez, John Nickle and Brian Eckenrode, put the finishing touches on the triumph.

Other Spartans to run well were: Ron Wilhelm, Dale Jarrell, Walt Willey.

The most common surname in the United States is Smith. Close to 2.5 million Smiths reside here.

Dave Kelley and Paula Mosley.

Maurice Coverdale, Frank Jenkins, Bruce Humphrey, Hank Edwards, John Veith, Dennis Voshell and Albert Burns were the top Chipman runners. These seven lads just might wind up as the Lake Forest varsity in a couple of years, representing their school in competition in the Henlopen Conference at the Salisbury, Md. Invitational, the Lake Forest Invitational, the Salesianum Invitational, the St. John's University run in New York City and finally in the Delaware State Championship meet.

Cross-country is the sport at Lake Forest that offers the slender, courageous athlete, the opportunity to travel extensively and compete with rivals from ten or twelve Eastern states.

Dennis Voshell and Bruce Humphrey have shown good improvement lately to rank with the better Chipman runners, who had vaulted into prominence earlier. Gary Ott, Mike Bishop, Mike Emory, Dave Weber, Bob Aycoth and Tom Silkworth have had some good outings also and may push some of the others ere long.

Next week the season ends with a bang. The Spartans have been outstanding all season and would like nothing better than to again win the Henlopen Championship Run (8 teams) on November 8th and to annex a fourth, straight, state championship on November 10th.

Both events are to take place at Killen's Pond State Park. This is just one more indication of the prominence and prestige that Lake Forest enjoys in the hill-and-dale sport.

Action from last Saturday's Lake Forest-Caesar Rodney soccer match.

## Lake Forest Upsets CR In Soccer

by Millard Ellingsworth III

Mr. Dave Buck must thank his weather man and some quick thinking for his soccer team's upset victory over Caesar Rodney last Saturday night.

The weather man had predicted rain for Friday, and Coach Buck was careful to pick the end of his home field that gets the least muddy when it rains for his Spartans to score on.

From the outset of the game the Spartan soccer team seemed to control the ball. Unfortunately, someone accidentally controlled it with his hands while it was in the goal area and CR received a penalty kick which goalie Kenny Quillen was unable to stop.

Being a little overconfident after a quick, easy score, all of Caesar Rodney's fullbacks were caught off guard at midfield when Joe Robbins chipped a thirty yarder over their heads to Kenny Johnson who sprinted downfield trailing the ball. One-on-one with the goalie, Johnson kicked the ball and the goalie grabbed it and fell to the ground. On impact, however, the ball bounced out of the goalie's hands and Johnson had a clear field to score the tying goal.

The half ended with the score still at 1-1. The end of the half also ended the dry weather that the crowd was enjoying. As Coach Buck had suspected, James Overstreet was

thrown out of the game for two alleged personal fouls and the Spartans had to play one man short. The Spartans fought a hard game but the missing man hurt the team and Sussex won 2-0. Kenny Quillen had eight saves and four shots at goal, Paul Miller had five, Joe Robbins four, Kenny Johnson three, Norman Kristic two, and Gary Kashner two.

The Spartans went to Dover on October 21 to play them for the second time this year. Again the Spartans beat them, this time 4-2. Kenny Johnson led the offense with eight shots at goal, two goals, and one assist. Paul Miller and Todd Gruwell each had one goal and Joe Robbins had an assist. Norman Kristic had four shots on goal, Joe Robbins two, and Paul Miller two. Kenny Quillen had six saves.

Three days earlier, Lake Forest had traveled to Holy Cross for an easy 4-1 victory. Paul Miller and Kenny Johnson each had two goals and Gary Kashner and Norman Kristic each had one assist. Paul Miller had eight shots at goal, Kenny Johnson seven, Joe Robbins three, and Norman Kristic, Gary Kashner and James Overstreet each had two. Goalie Kenny Quillen had five saves.

This victory pulled the Spartans overall record to 5-7. Before this game there were two other wins in past weeks to boost this record.

Their only loss in the past four games was against Sussex Central in which the game was played under protest. James Overstreet was

thrown out of the game for two alleged personal fouls and the Spartans had to play one man short. The Spartans fought a hard game but the missing man hurt the team and Sussex won 2-0. Due to an early publication date, the Business Bowling results normally in the paper will appear next week. Two weeks of bowling will be found in next weeks issue.

Whales are the best of all animal high jumpers, often leaping more than 20 feet in the air.

The bagpipe is not originally Scottish, but Persian.

The nearest star to earth (with the exception of our own sun) is Proxima Centauri, which is 25 trillion miles away!

## Sunny Side Up

Our amiable Abyssinian cat smells of Hai Karate in the morning and wood smoke in the evening-and not many cats can make that claim. He looks like King Tut's regal pet, and we worship him accordingly.

With my husband, cat-worship takes the form of a nuzzle-stroke-and-purr session at breakfast. Have you ever seen a grown man eating bacon and eggs with a cat on his lap and a napkin on the cat? By meal's end these two have exchanged enough chin and cheek rubs to transfer most of the aftershave-of-the-day to the cat. (Frankly, I think puss is partial to Old Spice.)

The wood smoke? When our friend saunters inside in the evening, his thick fur is redolent with rich smoke from a dozen fireplaces in the neighborhood. We feel the urge to toast marshmallows when we smell him. It will be

that way through the fall and winter, as long as the neighbors' wood piles hold out.

If your wood pile doesn't hold out, or if it doesn't even exist, chances are there's a supply of fireplace fuel conveniently delivered to your door each day. As a source of energy, newspaper logs are about as effective as wood --and the price is right.

Transforming the daily paper into a usable log is easy, but messy. It's definitely a garage or basement chore rather than an upstairs job. First, divide the paper into sections about half an inch thick, and fold them into half pages of 12 by 15 inches. Soak them a few hours or overnight in a tub of water with three-fourths cup of laundry detergent dissolved in it. The detergent will help the paper absorb water and reduce the amount of fine ash. (NOTE: black newsprint

does not make a bathtub more inviting--use a laundry tub.)

When the paper is well soaked, roll each section, one after the other, around a one-inch thick rod, squeezing out the excess water while you smooth the surface. Wear rubber gloves to avoid looking as if you've spent the day hauling coal. Slide the rolls off the rod and stand them on end to dry, tipping them a bit to allow air to circulate inside.

Your logs should be about 12 inches long and two to four inches in diameter. They are ready to burn when they are completely dry. This could take a few days, or a couple of weeks for thicker logs. Each log will burn at least half an hour, depending on the thickness.

One ostrich - the largest bird now living-weighs as much as 48,000 bee hummingbirds, the smallest birds in the world!

**SPARTAN SCOREBOARD**

Lake Forest quarterback Greg Shortell bootlegs around left end as Woodbridge's No. 89 pursues.

**Spartans Down Woodbridge**

by Millard Ellingsworth III  
Cheering filled the Woodbridge football stadium as the Lake Forest Spartan football team walked away with its first victory of the year 32-14.  
The game, which was played at Woodbridge, was their homecoming game and the Spartans did not for one instance lead them to believe that they would win.  
Woodbridge was the only victim for an otherwise winless Lake Forest team last year and the predictions were correct that they would fall prey to the Spartans again.  
Lake Forest received and returned the ball to mid-field on the first game play but was forced to punt it away. Woodbridge, likewise was unable to go anywhere with the ball but Lady Luck seemed to be sitting on the Lake Forest side as Milton Justice blocked the punt and put the Spartans in Woodbridge territory.  
Greg Shortell kept the ball on the first play for seven yards. He gave it to Mike Benson on the next play for a gain to Woodbridge's 16 yardline. Benson ran twice more for a first down before Ron Loper got the call for a five yard touchdown run, the first touchdown for Lake Forest since the first game of the season against Smyrna. The conversion attempt was no good.  
On the kickoff following the touchdown, the Raiders nearly lost the ball due to a case of slippery fingers but the ball rolled out of bounds before a Spartan could pounce upon it. The Lake Forest defense held the Raiders again and they were forced to punt it away.  
The Spartans traveled 36 yards to the Woodbridge nine yard line on the first play. Shortell rolled around end on a keeper with Benson training him. When Shortell got in trouble, he lateraled to Benson who gained the rest of the yardage. On the next three plays the Spartans pushed down inside the Woodbridge one yard line with the clock ticking out just as they lined up for the TD.  
A different end of the field had no effect on the Spartans play and Benson took the ball in for the score and then scored his own conversion to put Lake Forest in the lead 14-0.  
Again it was Woodbridge's turn but they managed to fumble the ball after several plays on their own 37 and it was recovered by Jon O'Toole. Shortell kept the ball on the first play and picked up 27 yards. In the next series of plays Lake Forest gained a first down but was half a yard short of the score. Mike Benson pushed over for the six points but the kick was blocked.  
Again, Woodbridge could do nothing with the ball and the Spartans got it on their own 38 yard line. Another short succession of plays highlighted the Spartans' fourth touchdown. First a five yard penalty against Lake Forest. Shortell threw a thirteen yard pass to Jerry Custiss and on the next play slipped in the backfield for a loss of five. Larry Smith caught a pass on the next play for 11 yards and Shortell handed off to Loper for nine yards after that. Another five yard penalty made it second and eleven. Shortell threw another one to Smith for six yards this time and then attempted still another one with this one being just a little long in the end zone. Benson got the call twice and gained 15 yards on a pitch-out and then nine more yards for the TD. The conversion attempt was no good.  
The final touchdown for Lake Forest was scored by Ron Loper on a one yard run after an 82 yard drive. The Raiders managed to score two last period touchdowns to end the game at 32-14.  
Individually for the Spartans, Mike Benson had 134 yards on 14 carries, Ron Loper 44 yards on eight, 63 yards on ten, and Bill Moore 18 yards on six, and Kevin Hutchins 31 yards on five. Shortell completed three of five passes to Larry Smith, two, one for 11 yards, one for six, and one to Jerry Custiss for 13 yards. Total yardage for the night was 356 yards, 326 on the ground.  
On tomorrow night's game, Coach Fleming commented "We have a pretty tough team in Sussex Central to play, but I think we have the capabilities to beat them."  
This writer predicts the Spartans to win tomorrow night by one touchdown.

**Meanest Man**

Lake Forest's meanest man of the week is Michael Quail, a junior on the football team.  
Coach Fleming reports Quail's playing during Lake Forest's win over Woodbridge was "very aggressive". He continued by stating the offensive guard and defensive nose man (middle guard) is "pretty big and has excellent speed for his size."  
The junior player was strictly an offensive player last year. Coach Fleming said Quail had spent a lot of time lifting weights last winter, which he feels improves the game.  
Quail is enrolled in the welding program at the Kent County Vocational School.  
"What nobody seeks is rarely found."  
Pestalozzi  
In 70 years, the human heart beats 2 1/2 billion times!  
"I hold that it is the duty of a man to see other lands but love his own."  
E.V. Lucas

**Hockey Coach Marks 3rd Year**

Born in Cedar Rapids, Iowa, Ms. Pat Dyal has coached varsity hockey for three years at Lake Forest.  
Although born in Iowa, Ms. Dyal attended John Dickinson High School in Wilmington and then went to the University of Delaware. At John Dickinson she played both basketball and softball for three years. She played basketball all four years while at the University and played volleyball for three years.  
Ms. Dyal also coaches the girls' varsity basketball team at the high school.  
She enjoys most summer sports especially water skiing and softball and is an amateur shutter-bugger in her spare time. Of the students at Lake Forest she comments, "I enjoy working with the students who are willing to commit themselves but there are just too few at Lake Forest who are willing to do it."

# RAIDERS LOCKER ROOM REPORT

## IT'S TOUCHDOWN TIME

Friday was Woodbridge annual homecoming as this float depicted the theme "Strike Down The Spartans."

### LET'S GO TEAM!

## Raiders Bow To Lake Forest In Homecoming Game

BRIDGEVILLE - The Woodbridge Raider football squad did not give their homecoming crowd much to cheer about Friday night except for the final minutes of the fourth quarter.

With 11:28 gone in the final period, Nelson Burbage, one of the standouts on the squad went over from the 7 yard line. Lewis Dexter directed his team down the field with Burbage carrying the ball during the drive climaxed by the 7 yard run.

Later Woodbridge forced Lake Forest to punt, and again displayed their courage to fight back and move the ball. In this series of plays, Dexter threw the ball frequently (he was 5 for 9 in the second half and 5 for 14 over the night) finally hitting his favorite target Spank Neal who ran 29 yards for the score. Dexter ran for the 2 points. In the drive Dexter threw also to Lydell Fletcher for 7 and 12 yards. It was the only pass all evening for Neal who was doubled and triple covered.

Lake Forest showed no pity on Woodbridge, who since the second game of the season have been rocked with injuries and expelled members from the squad. One of the more celebrated players to be expelled early in the season was Rocky Flemm despite his performance in the first game of the season when he ran for over 100 yards.

Since that time Coach Foster has had a frustrating season. The Raiders are one and seven now having beaten Col. Richardson early in the season for their first and only win.

Woodbridge's running attack could not get going until the second half. In the first half the running attack was divided between Burbage, Pettyjohn, Pennell and Dexter. There were 61 yards gained in 12 plays. In the second

half the Raiders held the ball 19 times and gained 158 for a grand total of 219 yards on the ground. Lake Forest racked up 189 yards on the ground with quarterback Gregg Shortell connecting on three of four tosses. Shortell played very well, and seems to be getting strength as the season progresses.

Lake Forest was 158 yards on 19 carries in the second half for their best performance and first win of the season.

Even though Woodbridge lost they put up a good fight with what players they have left after various injuries.

Scoring: Loper: 4 yd. run (kick failed) 1st quarter.

Benson: 1 yd. run (Benson ran) 2nd quarter.

Benson: 1 yd. run (kick failed) 2nd quarter.

Benson: 9 yds. run (kick failed) 2nd quarter.

Loper: 2 yd. run, 3rd quarter.

N. Burbage: 7 yd. run (Burbage failed) 4th quarter.

Neal: 9 yd. pass Dexter to Neal (29 yds.) 4th quarter.

## Woodbridge Hockey Team Finishes Season 4-7-1

Defeating Indian River and dueling Delmar to a standstill last week, the Woodbridge varsity hockey team wrapped up its '76 season with a record of four wins, seven losses and one tie.

The Woodbridge girls bested Indian River 2-0 last Wednesday. The very next day they faced Delmar in a match that concluded in a 1-1 tie. Rescheduled from earlier rained-out dates, the consecutive games came on the heels of last Tuesday's 7-0 loss to Seaford, making a tough season wind-up.

Coach Susan Weimer had nothing but praise for her girls for their performance in the last week and throughout the season. She explained that this has been a rebuilding year since Woodbridge lost a good, well-seasoned hockey team with the graduation of its 1976 seniors. She said the girls knew that this year they probably would not get to the state tournament. A lot of times, said Miss Weimer, that knowledge "can kill a team's enthusiasm." However, she feels the girls this year have played with excellent spirit, "really trying" and in the last few games, "really hustling".

Coach Weimer made specific mention of the six seniors who have played this season. Carla Vandewende, goalie; Mona Webb, wing; and Lori Curry, center forward, have played well the entire season. Coming in at the end of the season, Cindy Moore did a good job as fullback. Two seniors, Yolanda Blackwell and Mitzie Barnes, who were working with the team and according to Miss Weimer would have been very strong, were sidelined by injuries.

Looking ahead to 1977, Miss Weimer thinks the prospects are good for a developing hockey team next year. Several strong younger players are coming up. Particularly mentioned were freshman Jenny Davis, younger sister of Kelly Davis who made All-American for several years as a member of the Woodbridge team, and Joanne Conaway.

Working this year as assistant coach has been Mrs. Sue Breeding of Greenwood. Coach Weimer expressed appreciation for her help as well as some assistance at the start of the season from several of last year's seniors and last year's coach.

1976 has been Susan Weimer's first year as a hockey coach and her first year as a teacher. She teaches agriculture at Woodbridge High School where a new agriculture building is on the way to completion.

This season Woodbridge has been hard hit by injuries and Friday was no different as Mike Calvanesa is helped off the field.

Last Friday night Woodbridge crowned their new homecoming queen and the winner was Tracy Hamsted who was escorted by Kim Hitchens of Harrington.
