## Retirement Dinner

Monday night Lake Forest School District superintendent Albert W. Adams was the honored guest at a retirement dinner given in his honor. Adams has served as the school district superintendent since consolidation in 1969 and was also superintendent of the Harrington Special School District from 1960 till 1969. Above Mr. Adams tears into a gift from the Lake Forest Education Association while his wife Bertrice Christine Adams looks on. Adams will officially retire as superintendent on July 1. # State Police Plan Bus Passer Crackdown

The Delaware State Police and the Department of Public Instruction will launch a special project this week to enforce the laws on passing school buses.

## Governor Releases School Study

Governor duPont has released the 1976 School Facilities Planning Study, which details the current and projected enrollments for the state's school districts.

The study, which was prepared by the Office of Management, Budget and Planning, predicts that total school enrollment will decline by 15.8%, or 19,011 students, by 1981.

## duPont Plans Newsletter

A newsletter from Governor Pete duPont will be distributed beginning this week to homes throughout Delaware as a part of the Governor's plan to keep the citizens of the state informed.

passes the bus illegally. The check will begin with bus routes in the Capital School District and spread to other areas of the state later.

The action follows a survey of public and non-public school bus drivers taken by the department in March. Leon Hart, state supervisor of pupil transportation, said 358 bus drivers reported a total of 1477 violations during the week, an average of nearly one per day for those buses. Approximately 850 buses reported no violations.

Drivers on a two-lane highway going in either direction must stop for buses with red lights flashing, Mr. Hart explained.

"As the bus slows down, an amber light flashes a warning, which means that the bus will soon stop to pick up or discharge stu-

dents. When they see the amber light, drivers should either prepare to stop or pass the bus if they can't stop.

## Chambers Wins School Board Seat

E.B. Warrington, President of the Lake Forest School Board announced at the close of Tuesday's School Board election that W. Clifford Chambers had won the vacancy seat created by the incumbent, Jame Pizzadili, who decided against seeking another term to the Board. Chambers will take office effective July 1st to serve a two year term. Warrington also announced that all votes were as good as cast

# Houston Asks State For Street Repairs

Houston Fire Hall. The Houston Town Council agreed on Thursday night to inform the State of the need for street rehabilitation on State maintained streets like Broad and School Streets in the Town of Houston. Councilman Ted Yerkes said "...if something isn't done about correcting the cracking along sides of Broad Street in certain areas and filling the pot holes in front of the post office (on Broad Street) that the pot hole is going to get larger."

The resurfacing of Wharton St. and Sunset Avenue was discussed, and Councilwoman Connie Morgan, in making the report on streets, buildings and condition of lots, requested a vote on the matter. Councilman Ted Yerkes persuaded council

to have the two streets surveyed to see where the Town limits end, the State's authority picks up. Yerkes said "...no need paving the state's portion of the street." President of the council, Tom Surdukowski, said he would see to the survey and report back to council.

Certain owners would be notified to cut the grass on the vacant lots. Other notices of condemnations of abandoned houses and buildings would be dealt with legally. The property in the Nan and Randell Johnson estate on Pine and Railroad Avenue would be subject to condemnation as would the Clinton Marvel property on School Street.

Police Chief Tom Francovic was rehired as was Pauline Morgan as Town Treasurer and Tax Collector.

## City Council Considers Proposal

# Federal Funds Available For Purchase Of Park

Wheeler's Park Harrington's private park owned by William A. Wheeler, and up for sale, could become a municipal park for the City of Harrington, if the Mayor and Council would agree to buy it. The proposed sale of the 30 acre tract, complete with trees, trails, and a cleared playground and picnic area, was announced last week by Mr. Wheeler who started the park as a hobby back in 1927 and who says, at age 88, he "just can't handle it any-

more". If Harrington would buy the park, Federal assistance is available in the form of a 50 per cent grant of Federal funds from the Land and Water Conservation Fund Program for the Acquisition and Development of Parks. According to Ray Wilkie, state administrator for such funds, Delaware's allotment of the fund is far from used up and money is available. He says that step one of a Harrington move to obtain Federal funding under the

program, would be the submission of more Detailed information and would come only after preliminary approval of the initial detailed information by a state committee which rules on the merits of applications.

On the basis of information supplied by The Harrington Journal, and on the basis of his own knowledge of Wheeler's Park, Wilkie also said the park would "probably qualify" for funding under the program.

The time required for step 1 and step 2 of the application is less than 90 days.

Wilkie presented additional details at the Tuesday night meeting of the City Council and Council expressed considerable interest in the idea, agreeing to pursue the matter actively, but citing the fact that, in Mayor Callahan's words, "Harrington just doesn't have the money."

What the Mayor referred to is the fact that additional indebtedness by the City would exceed the City's legal debt limit.

On Council agenda items, the Council accepted the financial, Alderman's and the Police reports. It agreed to pay \$1,000.00 from revenue sharing funds toward the trash truck, and then from anti-recession funds, agreed to pay \$1,236.59 for sewer plant and pump work. Lesser bills for gasoline were also approved for payment.

Council shot down a request by Gilbert Hayes of the Downing Oil Company for permission to store canned oil in a house trailer next to existing oil facilities on grounds that trailers are illegal in Harrington.

There was a brief discussion. (Continued to page 2).

## On 2,500 Fan Night

# Raceway Closes Spring Season

Harrington Raceway closed its 28 day Spring harness racing season Saturday night and better than 2,500 fans were on hand to bid adieu to downtown Delaware racing until next September.

The historic racing oval opened its doors on March 27th and while good weather prevailed most of the season, the last few days were hampered by rain and dampened the otherwise excellent attendance at the track.

Average attendance at Harrington was just over 2,100 per day, which was approximately 75 fans short of the number that passed through the turnstiles last Spring. The average handle was down approximately 4 percent for the season in comparison to the same time period last year.

Track general manager, George C. Simpson explained that "Rosecroft Raceway opened on April 14th and this had to hurt us. Although we had some excellent races, Rosecroft's Stakes program pulled some of our better horses away and made it harder for us to maintain the high calibre of racing we experienced during our first two weeks."

One horse that did stay around to race at Harrington though was John Stadelman's, "Chanak". "Chanak", an 8 year old gelding who had previously raced only in Australia, broke the track record at Harrington by pacing the Mile in 2:01 flat. Stadelman came back a week later with another Australian horse, "Great Scott N" and took the track's 13/16th Mile record in 1:39 1/5.

Although the handle was slightly down, the state of Delaware will still receive better than \$120,000 from Harrington for its 28 day racing privilege. The State increased its share from exotic betting last year, which at Harrington covers two daily doubles, exactas, quinellas, and the Big Exacta.

The Dash Driving Champion at Harrington was Roman Miller of Wilmington, Delaware who finished the season with a total of 28 wins in 124 starts. Miller also placed second in the U.D.R.S. standings with a .335 percentage, fighting to the wire to overtake eventual winner, 25 year old Sam

Belote. Belote, who resides on the track at Harrington, finished with a healthy .372 percentage. This was Belote's second U.D.R.S. Championship at

Harrington although he has been close many other times.

Following Belote and Miller in the standings were Nick Callihan,

Charles Laws, and Harold Frazier in that order. Incidentally, Callihan was married on Harrington's closing night. (Continued to page 3).

## Crash Causes Injuries

Harrington resident Vernon J. Schrock suffered lacerations of the head and multiple abrasions in this Saturday evening accident. Schrock, who was operating the 68 Plymouth Valiant pictured above, had one passenger in his car that being Alan Miller of Greenwood. Miller suffered a broken rib and possible concussion. The driver of the other vehicle involved in the crash was Clarence R. Ward of Chestertown, MD. Ward suffered minor face abrasions in the mishap. The car driven by Schrock was westbound on County Road 407 when it apparently failed to stop at a stop sign and collided with the car driven by Ward who was southbound on County Road 388. # Nominations Sought For Chamber Buchanan Award

Nominations are being accepted for the Buchanan Award sponsored by the Greater Dover Chamber of Commerce.

The Buchanan Award, the Chamber's Outstanding Citizenship Award, is presented each year at the Annual Dinner in June to someone who has served his fellowman, nominated by citizens in Kent County.

The Buchanan Award was given in memory of E. W. (Buck) Buchanan by his wife, Madeline in 1971. Buck Buchanan was a former Chamber Member and did, indeed, benefit his fellowman with

dedication and distinction. Distinguished citizens receiving this award have been: Sarah Sheppard Beckett, 1972; Dr. Robert H. Parker, 1973; George W. Cripps, 1974; Julius 'Bud' E. Tudor, 1975; and Robert H. Reed, 1976.

Citizens are asked to submit their nominations for this outstanding citizenship award, along with a short biography describing the accomplishments and dedication of the nominee. Nominations should be sent to: Buchanan Award Committee, Greater Dover Chamber of Commerce, P O Box 576, Dover, DE 19901 by May 29th.

The Buchanan Award Committee to review the nominations are: Walt Perry, Chairman; Ralph Boyer, Vice Chairman; Ted Barrell, Wil Martin, Al Gills and Mrs. Madeline Buchanan.

All nominees will be honored at the Chamber Annual Dinner Meeting at the Sheraton Inn on June 16th. Presentation of the 1977 Buchanan Award will be made during the program by President Don Culver and Mrs. Buchanan.

These guidelines should be considered when (Continued to page 3).

## Harrington Has New Drinking Ban

It is now illegal to drink alcoholic beverages on a public street or sidewalk according to an ordinance passed by the Harrington City Council, Tuesday night.

The text of the new law is as follows:

Sec. 1 It shall be unlawful for any person to drink or offer to another a drink of any alcoholic liquor on any street, sidewalk, or other exterior public place within the limits of the City of Harrington.

Sec. 2 It shall be unlawful for any person, while trespassing upon the exterior portion of any private property within the limits of the City of Harrington, to drink, or offer to another a drink of alcoholic liquor.

Sec. 3 The aforesaid prohibitions shall apply both to pedestrians and to persons riding in vehicles, whether moving or standing still.

Sec. 4 Arrests for violations of this ordinance may be made upon lawful warrant as in other cases; provided that any peace officer may arrest without warrant upon actual view of the offense when committed, or upon fresh pursuit following such view.

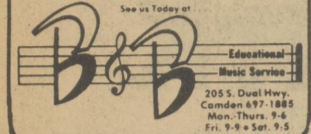

Sec. 5 Persons convicted of a violation of this ordinance shall be punished by a fine of not less than \$10.00 nor more than \$100.00, or imprisoned not less than 5 days nor more than 30 days or both.

Sec. 6 The term "Alcoholic Liquor" as used herein shall be defined as in the Liquor Control of the State of Delaware.

## Militant Pacifists

We see where a spokesman for the Quakers has gone before the State Board of Education and protested "militarism" in the public schools of the state.

Presumably if various R.O.T.C. programs are made available to high school students we are in danger of creating a generation of butchers, and future legions of storm troopers.

Frankly, we question the wisdom of such programs in the schools. But, we question on grounds that such programs are often far astray from the purpose of the school which is to train young minds in basic knowledge and towards orderly thought. But, that's as far as our objections would go.

As for butchers and storm troopers, the Quakers have always been pacifists, almost militantly so in recent years. Their objections are thus understandable.

However, we hope nobody pays any attention to them.

To our knowledge, such programs are yet to turn out any budding Hitlers and the disciplines of such programs are in many ways badly needed by today's crop of students. True, we come up with a Calley or two. But, in an America that depends largely on citizen soldiers in times of trouble there really isn't much to fear from the military, high school or otherwise.

Next thing you know they'll want to get rid of high school bands. Why not, they march around like soldiers. And who knows, maybe in some of those instrument cases they've stashed away a Thompson or a Bren gun!

Some people who don't believe guard rails are of any value should notice this picture as an example. On Monday morning a Martin's Limestone truck was saved from possibly ending up in the Brown's Branch Creek by a guard-rail. Also thanks to the change in the guardrails eliminating bridge abutments the driver of the truck was virtually uninjured. [Staff Photo by Ray Blanchette]

## The Evans Report

by Congressman Tom Evans

This week the House passed the budget resolution for Fiscal Year 1978 by a vote of 213-179. This resolution, with its deficit of \$66.4 billion, completely ignored the plight of the middle-income tax payer, the poor and those on

fixed incomes. It moved us further away than ever from a balanced federal budget.

President Carter has promised this nation a balanced budget by 1981, and I strongly support that

objective. However that goal cannot be achieved unless we in Congress start now to restrain federal spending. The budget resolution, which was pushed with unmatched vigor by members of the President's own party, will put our country on the wrong course.

The poor, the fixed-income taxpayer, the middle-income taxpayer in Delaware and across the nation are demanding a let-up from the heavy burden of taxes. For that reason, I supported the alternative budget proposal which would cut the deficit by almost \$21 billion dollars, and at the same time would allow room in the budget for a 10% across-the-board personal tax reduction effective this coming January 1st. This 10% tax cut would not only put money back in people's pockets, where it belongs, but would also stimulate our economy. It would create about one billion jobs in the private sector and save about \$3 billion in unemployment related expenditures.

The American taxpayer is taking it on the chin. He simply cannot take it any more -- yet the 1978 budget resolution gives him the biggest dose yet of uncontrolled federal spending.

This nation cannot spend its way to prosperity. Time and again, we have seen that massive federal deficits mean only higher taxes and higher inflation. I support the Congressional budget process, but I want a budget which recognizes that the worn-out philosophy of big spending and big deficits will not work. Under this resolution, the federal government will have to spend \$43 billion next year just to pay the interest on all the money we borrow. This nation simply cannot continue on this dangerous course of fiscal irresponsibility.

President Carter has called for a balanced federal budget. The choice is simple: either we are serious about balancing our federal budget or federal spending will continue to climb. This hurts not only the American taxpayer but also the country.

Another cold spell and an extra blanket on the beds. But the trees are resplendent in their luscious green leaves, and it seems to me that each tree has more than its share. The last hot day we had, brought the temperature up to over 80 degrees, and it really got the mockingbirds excited. Suddenly the yard seemed alive with them. They are so lovely in flight, because then the pure white feathers show strongly against the slate gray. I paused to watch a pair of them on the roof of the yard shed. The male was singing his little heart out and performing his courtship dance. He would sing lustily, then fly straight up in the air, turn a somersault, and come down on the roof to begin singing all over again. I have no doubt he was saying, "Look, what a fine fellow I am; you couldn't do better; I'll rock the babies and bring you the best of food." And, as women have done from time immemorial, she sat there enchanted, and watched and believed, and gave him her heart. No, I'm not complaining. I am definitely not Women's Lib. I like it this way.

Tess and I have many good conversations about our days in the little country school. I'm sure I've told you about the school picnics that the country school board provided for us at the end of the school year. Our school year in those days often ended in May because many of the children had to work on the farms. Freezers of homemade ice cream were made and the mothers made huge layer cakes which were set out on a table made of boards across trestle benches. The cakes were all delicious but I remember to this

day that one mother always made a cake with pink icing. This seemed special to me because my mother did not use artificial coloring and the pink always seemed so festive and special.

Once during the winter, the school would sponsor a Box Social. Each girl took a shoe box or one similar and decorated the outside to her notion. There was much competition and the boxes were elaborate affairs. I remember one that took the prize. I believe it was brought by a girl named Mabel Trader. It was padded and covered with bright green crepe paper, trimmed all around the edge with silver Christmas tree tinsel rope and on top were big, pink, paper flowers. In those days everybody was adept at making paper flowers. These were roses and covered the top of the box. Inside the box was a picnic supper for two and her name was inside. The lucky man who bought the box got the privilege of eating with the girl. A witty auctioneer was always selected, and usually the men had some idea of whose box they were bidding on, and there was much rivalry, often running the price sky high. After all the boxes were sold, the group settled down to enjoy the good fried chicken and pie, etc.

I hunted up some old kitchen curtains this morning and ironed them. In these modern days, one seldom irons anything and certainly we are grateful not to have these weary hours. In my earlier busiest days when I had two grandparents here, Dad and I, a teenager in high school and a baby in diapers, I very often was ironing at 1 a.m. or even

## The Village Idiot

by R. B. R.

We see by the April figures from the Federal government that we are back to official "double digit" inflation. We call it official because that's what the government says.

But, between what the government says, and what is, there exists a great gray void of uncertainty.

This is another way of saying the government lies.

Truth is, we have "triple-digit" inflation, a truth that came harshly to light Saturday on a visit to a Berlin, Maryland laundromat where it was discovered that a load of wash that cost two bits two years ago, now costs seventy-five cents.

And that started us thinking about the whole area of coin operated machines that are not included in government price index figures.

A coin operated machine for dispensing everything from the family wash to a bottle of soda pop was supposed to be the poor man's way of affording the better things in life. That is, if he couldn't afford a washing machine, for two bits he could use one. If he couldn't afford a six pak of Whizzle Cola, he

could at least get one for a dime from a machine. And, if he couldn't afford a monthly 'phone bill' he could at least use a 'phone for a dime.

And so on. Now, the wash costs seventy-five cents, the 'phone call twenty cents, and the Whizzle Cola at least a quarter.

And so on. And none of it gets told by the government or its keepers.

What we would like to see, by way of making this sadness a bit less frustrating, is yet one more coin operated machine, sort of the ultimate of coin operated machines. We would like to see a machine to replace politicians.

Feed it a quarter and get a speech, a promise, a vote, or a load of manure depending on which button you push. Admittedly, politicians are a lot like this already.

But the anti-frustrant of it all is that you can kick the machine right in the gut when it malfunctions, get a glorious death rattle, and feel better right away.

Do the same thing to a politician and he yells for the cops. Then he delivers a statement blaming the malfunction on somebody else.

## Weekly Report

by Senator Joe Biden

I am extremely pleased by the recent announcement by the Federal Railroad Association that a grant of over a million dollars has been approved to assist Conrail in the operation of its lines in the Southern end of the Delmarva Peninsula.

I am also very pleased that Conrail has begun a \$2 million rail improvement program between Wilmington and Harrington. It seems to me that both of these projects will be of immense help to the Delmarva Peninsula and especially to Delaware.

Rail service is extremely important to the economic life of the Peninsula. Without it, business and agriculture would be crippled. For example, the poultry industry cannot maintain its competitive edge with the South if it has to rely solely on trucks to haul feed ingredients, packaging material, fertilizer, and other materials. Rail service is much more economical than other methods of transportation. A vibrant rail service allows competitive pricing

because it prevents a transportation monopoly. Furthermore, heavy industrial equipment and farm machinery, so necessary to operate today's capital intensive enterprises cannot be moved by truck because of the weight restrictions on today's highways. The recent extreme cold weather and the loss of the C&D canal bridge serve as further reminders of the importance of rail service to the Delmarva community.

The major rehabilitation program that Conrail is undertaking this early in its existence indicates to me its confidence in the economy of the Delmarva Peninsula and a commitment on its part to meet our needs.

The importance of the Federal grant, in my opinion, lies in the fact that money will now be available to continue the operation of the car float at the southern end of the Peninsula. With the continuation of this service, Delaware will not lose access to the Southern markets both to sell its products and to purchase raw materials.

## Thoughts

by Senator Bill Roth

In my 1977 Delaware poll, an overwhelming number of respondents -- 80 percent -- indicated that they favor a Constitutional amendment to permit voluntary prayer in public schools. The response of the people of Delaware is consistent with attitudes throughout the nation where support is strong for voluntary prayer in public schools.

Because I have long believed that our forefathers meant the Constitution to guarantee and preserve freedom of religion, rather than freedom from religion, I have introduced legislation to restore the right of voluntary prayer in public schools. My first bill is a proposed Constitutional amendment which would guarantee the right of voluntary public prayer in public schools and public buildings which are supported wholly or in part by public funds.

I do not view the proposed amendment as an attempt to impose a particular religion upon any individual. If that were its aim, I would oppose it. Rather I view it as an affirmation of a funda-

mental Constitutional freedom: the freedom of an individual to pray if he or she wishes to do so.

My second bill would limit the courts' jurisdiction in denying or restricting voluntary prayer in public schools or buildings. A Supreme Court decision in 1962 and 1963 held that state-sponsored prayer or Bible reading in public schools violates the first amendment to the Constitution. After 14 years the scope of these decisions remains broad in that they deny the state authority to allow almost any religious exercise or display, even when participation is voluntary.

The purpose of my second bill, then, is to reinstate the legal right of the states to make their own decisions on the issue of prayer in public schools. I believe strongly that it is time we stopped denying our children and indeed, ourselves, the right to reaffirm our faith and dependence on God. And it is time that Congress supports the public cry for action.

**Large Crowd Attends Harrington Alumni Party**

The Harrington High School Alumni Association held its Twenty-First Annual Reunion and Dance in the W.T. Chipman Fieldhouse and Cafeteria Saturday. The dinner was opened by welcome remarks by President Eugene H. Porter, Class of 1954. Miss Ute Wichels, AFS Exchange student from Brennen, West Germany, gave the invocation in her native tongue.

Dinner of baked chicken was served by Miss Hazel Johnson, Class of 1938, and her cafeteria staff.

President Porter, continued the meeting with the introduction of guests. Many of the guests were teachers, retired many years, and their reunion with former students was reportedly enjoyed by all. Of special interest was the introduction of Mrs. Hatty Mae Betts Biddle, Class of 1933. Mrs. Biddle was Delaware's Mother of the Year in 1976, representing the State at the National Convention held in Washington.

Recognition of Class Attendance awards were as follows. Lady present representing the oldest class was, Mrs. Ray Price McFaul, Class of 1910. Mrs. McFaul resides in Milford, DE.; Gentlemen present representing the oldest class were Mr. James V. Harrington and Mr. Ellwood Gruwell, class of 1915. Alumnus coming the longest distance was William R. Garey, Class of 1968, Mr. Garey coming from Norman, Oklahoma. The Class with the largest number in attendance were the class of 1952 and 1968, each with 18 present; The Class with the largest percentage present went to the class of 1927 and 1942 each with 66 percent.

Mr. Wix, then introduced the honored classes. Celebrating their 60th Anniversary, the class of 1917 were Mrs. Emo F. Tee of Milford and Mr. Ellwood Gruwell of Felton. Mr. Gruwell was also a member of the class of 1915. The Class celebrating its 50th Anniversary was the class of 1917, members present were Mrs. Esther Bader of Harrington; Mrs. Nexie Brown Currey, from Ocala, Florida; Mrs. Gertrude Brown Hopkins from Burrsville, Maryland and Mr. C. Tharp Harrington of Harrington.

The Class of 1952 had 18 members present.

Mrs. Homewood, announced the first scholarship, The Zita Z. Hatfield Memorial Scholarship for \$500. The winner being Miss Deborah Winnebrenner, Class of 1977, Lake Forest High School, Harrington. Miss Winnebrenner's mother was a member of the class of 1937. The second scholarship also for \$500 was The Albert W. Adams Scholarship, named for Superintendent of Schools, Lake Forest School District. The winner being Darrell Tracy Jester, Class of 1977 of the Chincoteague, Virginia High School. Darrell is the son of Mr. and Mrs. Rob-

ert T. Jester, both members of the class of 1947.

President Porter introduced Herman C. Brown, Class of 1942, to present the remaining two scholarships. Mr. Brown first reminisced about his school days which was the subject of his first scholarship award. The awarding of the Nexie Brown Currey Scholarship. Mrs. Currey, having come from Florida for her 50th anniversary reunion was taken completely by surprise with this honor. Mr. Brown followed Miss Nexie's life from birth to present, with many of her fine accomplishments both to her family and the Harrington High School. The second award named by Mr. Brown, was the "Mary Langrell Brown Scholarship. Mrs. Brown taught school in Harrington for over forty years.

The winner of the "Mary Langrell Brown Scholarship" was Linda Stevenson Wix, daughter of Colonel and Mrs. William M. Wix, of West Point, New York. Miss Wix will graduate in June, class of 1977 from the James O'Neil High School, in Highland Falls, New York.

Miss Carla Ann Vanderwende was the winner of the "Nexie Brown Currey Scholarship." Miss Vanderwende, will graduate with the 1977 class at the Woodbridge High School, Bridgeville, Delaware. Carla is the daughter of Mr. and Mrs. William Vanderwende, class of 1951.

To conclude the program Vice-President Homewood led the gathering in the singing of the Harrington High School Alma Mater, and the Rev. William H. Miller, Pastor of the Calvary Wesleyan Church Harrington, gave the benediction. Afterwards, dancing and socializing continued in the Chipman School

But, yesterday, as the iron went smoothly over the linens, I thought there is something very comforting and soothing about this process. There is a peace and a serenity here. One has time to think; to pray, to listen to favorite music and to dream. When I was a pre-school child, I used to love ironing day. I would establish my small self under the ironing board and sit there while the linens fell in folds about me, making a sort of tent. I inhaled the fragrance of the clothes and I held long conversations with my mother. If all this irked her, she never said so. I don't believe it did. Mothers had more patience in those days than they do now. I think she, too, enjoyed ironing day and the closeness we shared.

Every call over three calls each billing period will result in a 20¢ per call charge on your telephone bill. (Calls placed to Directory Assistance with the help of the regular Operator will be billed at 40¢ per call, and are not included in the three call allowance.)

**Other calls to Directory Assistance which will not be billed:**

- Calls to Directory Assistance for numbers outside Delaware. However, to avoid a charge, you must dial 1, plus the area code, plus 555-1212.
- Calls from coin telephones (consult the dialing instruction card).
- Calls from hotels, motels and hospitals.

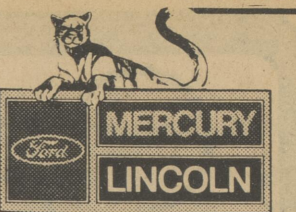

- Calls made by people who are handicapped in the use of their directories. Contact our Business Office for details.
- Calls for mobile or maritime services.
- Calls from interconnected lines of radio common carriers.

**Your number for Directory Assistance has changed, too.** If you must call Directory Assistance for numbers in Delaware, dial 1 + 555-1212 instead of 411. For numbers outside Delaware, dial 1, then the area code, then 555-1212.

If you have any questions, please feel free to call our Business Office.

## Freshman Smith Leads Hitters

### Spartans Split Two Games, Record Falls to 2-6

Despite some improved hitting during the past week, all the Lake Forest Spartan baseball team could manage was a split of its two games defeating Indian River 11-2 and losing to Smyrna 6-2.

Against Smyrna on Monday the Spartans fell victim to one of the league's hottest squads as the Southern Division leading Eagles easily crushed the 2-6 Spartans.

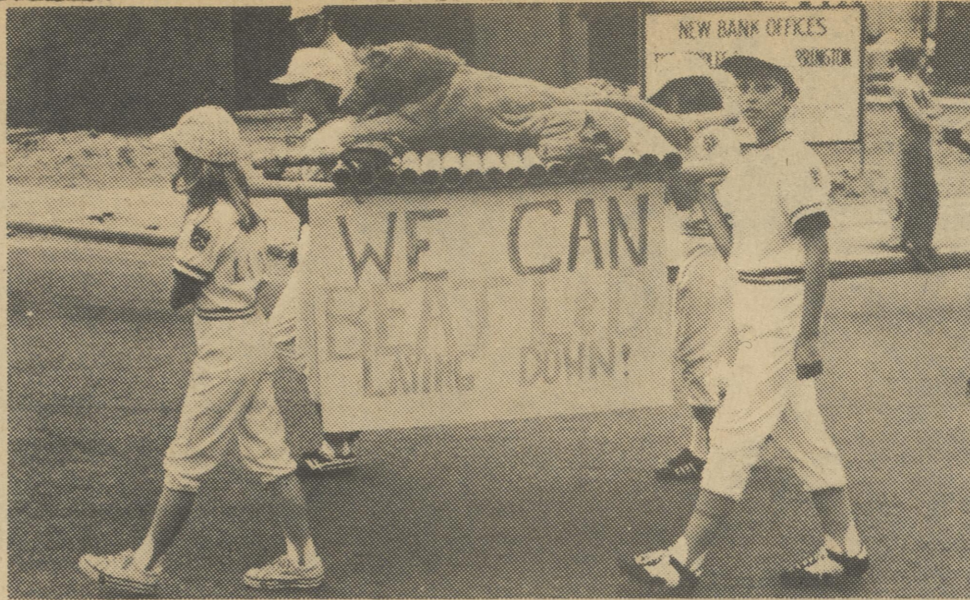

Leading the way for Smyrna, who had 15 hits on the afternoon, was Bob O'Neal who smashed a double and a home run while also pitching a five

hitter. Greg Regan took the loss for the Spartans lowering his record to 2-5 on the season.

Earlier in the week the Spartans trounced Indian River thanks mainly to the hitting of freshman leadoff hitter Mark Smith who had a four for four afternoon and third baseman Jim Carroll who added a home run. Lake Forest wasted no time in giving pitcher Regan a lead to work with as they scored four runs in the first inning and mounted a 9-0 lead before Indian River even got on the score board.

The Spartans increased hitting has been led mainly by freshmen Smith and Carroll. Smith has jumped to third place among all hitters in the Henlopen Conference and Carroll is also ranked high with his .300 average. Smith plays first base for the Spartans and Carroll plays third with an occasional pitching assignment thrown in.

The Spartans have the rest of the week off before taking on Caesar Rodney at C.R. next Monday. The Spartans then close out their 1977 schedule with home games against Delmar and Dover Air and a game at Milford.

Saturday marked the opening of the Harrington Little League season as it began with a parade through the streets of Harrington. At least one team is already making predictions as pictured above as to their season's potential. (Staff Photo by Ray Blanchette)

### Benson, Palmisano Turn In Lifetime Bests

Mike Benson and Chris Palmisano turned in lifetime best performances at Saturday's multi-team Dover Relays, held at Delaware State College.

A half-dozen other Lake Forest athletes also responded very well, as Jim Blades' Spartans topped the huge field in two areas.

gold medallions, and he set out with a vengeance to do more than his share towards that goal.

Palmisano had the entire field, save one ahead of him, but ran the race of his life, blazing 800 meters in approximately two minutes to bring the Spartans within a step or two of the lead.

combined with Thorpe to run 45.2 and 4th place in the 440 relay and 1.35.4, good enough for 6th place in the 880 relay. Bad baton passes hurt both these efforts.

A pair of Spartan novices, Curt Harris and Marty Barner, did very well in the 1600 meter relay with stints of 55.3 and 57.9, respectively.

In addition to several ribbons, the locals acquired four of the handsome medallions for the winning 3200 meter relays and two others for Eric Wise and Mike Benson, the long jump duo. Benson received an additional award for having the longest leap of all the horizontal jumpers.

### Hi-Grade Edges

#### Martin Jarrell

#### Oil 13-12

The Harrington Minor League led the opening day parade Saturday and then proceeded to their field for the opening game of their 1977 season.

Despite playing in a light rain all afternoon both teams played well with Hi-Grade Dairy taking the early lead over Martin Jarrell Oil 12-6 over the first two innings.

However, a late rally by the Martin Jarrell Oil team proved to be just enough when they scored 13-12.

Regular season minor league games will be played on Tuesday and Thursday nights. Watch this paper for all results.

First, senior Mike Benson turned in a college-level long jump of 22 feet, 1/2 inch, to set a Dover Relays individual record. With Stacy Sams, the No. 2 Spartan, recuperating from an appendectomy, Coach Blades inserted sophomore tyro, Eric Wise, into the lineup.

Wise uncorked the best leap of his brief career 19 feet, 3 1/4 inches, to give Lake Forest a team total of 41 feet, 3 3/4, just a scant 1/4 inch behind second-place Caesar Rodney.

Earlier, Louis Thomas turned in a fine 800 meter leg of 2:05.5 to start off the Spartans 3200 meter relay try. However, the fast field had opened up several yards of daylight when senior Chris Palmisano took the baton. Chris had vowed he was going to win one of the large handsome Dover Relays

covered his 800 meters in 2:03, probably his best ever and handed to anchorman Dan Parker (2:00.9) who fought off a three-pronged challenge from Delcastle, Christiana and Dover to break the tape. Lake Forest's swift 8:09.6 compares very favorably with the 8:07.5 clocking the Spartans recorded in winning this same event in 1976's state meet.

If the two-mile relay had been contested this time instead of the 3200 meters, Lake Forest would have threatened the meet record and would have shattered the Lake Forest two mile relay standard of 8:24 set in 1971.

John O'Toole, a junior had Lake Forest's best 12-pound-shot throw of 1977 with 42 feet, 4 inches.

Freshman Ken Thorpe, an excellent sprint prospect, ran well all afternoon. Baron Harmon, Ron Loper and Mike Benson

### Spartans Beaten By Cape

Perennial track power, Cape Henlopen had too much strength for Lake Forest and outpointed the locals 85-56 at Cape Henlopen last week.

Jim Blades' Spartans, now 5-2, put up a stiff fight and set five new metric school records as that seldom-used system of measurement was in operation this time.

Jerry Custis had a good day winning the 300 meter intermediate hurdles in 42.3 and finishing second in the 110 meter high hurdles in 15.7, both new standards. Bill Moore's 42.4 was also under the old mark.

Dan Parker chased the Cape's fabulous Lance White in the 1500 meters

and though losing, beat Harry Benson's Spartan record of 4:33 by 19 seconds.

Tony Barner's third-place 440 time of 53.6 sliced a full second off the old record.

Ken Thorpe, Milton Justice, Grayson Barthlow and Baron Harmon broke the tape in the 400 in 45.9. Thorpe also had a 11.4 third place 100 meters effort.

Mike Benson replaced Barthlow for the 800 relay as Lake Forest was runnerup in 1:34. Benson, then won the long jump with 20 feet, 6 inches.

Tim McCombs (5-8) and Joe Nored (5-6) were first and third, respectively in the high jump.

Gusty Voshell (10-6) and Kelly Woodward (10 feet) went 1-2 in the pole vault.

Bill Moore's first discus start in a few weeks was good enough for 118 feet and second place.

Dan Parker and Chris Palmisano were 2-3 in the 800 meters with swift 2:05 clockings. Ron Loper's 24 second, 200 meters netted third.

Louis Thomas' 9.57 won the 300 meter run. Bill Mitchell was third.

### Business Bowlers Recieve Honors

by Leah Wheeler  
The Harrington Business Bowling League held its annual banquet on Sat., April 30 at the Farmington Fire Hall, at which time the top bowlers were presented with appropriate awards during their performances during the 1976-77 season.

The Spoilers captured the team high game award with a 992 and Dur-A-Clean was second with a 976 team game; with Butler's Fuel taking third place with a 966.

Walking off with first place for team series was The Colonels with a 2850 series; followed by Taylor & Messick with a 2843 series and Moose Bunnies, third, with a 2716 series.

Capturing the high individual game award was Bill Manship's 279 game; second, Wally Ryan, 266; and third, Herb Robbins with a 263.

Individual high series awards were won by first, George Collins, 648; second, John Shaffer, 620; and Jeff Robbins, third, with a 615 series.

High individual average awards were won by Leroy Wheeler, 193; second, Dallas Hayman, 183; and

third, Kenny P. Outten, 175.

The championship team, sponsored by Earl Quillen, was The Colonels, captained by Richard Dennis and consisted of Chris Moore, Ron Kelly, Dallas Hayman, Buck Thompson, Mike Geiger, Nev Cover, and Ralph Dennis.

Jarrell Fuel, sponsored by Martin Jarrell took the runner-up spot captained by Chester Short, with members, Howard Brown, Norman Porter, Norman Short, Harold Melvin and Mike Davis, filling the roster.

Third place winner was Food Rite, sponsored by Harrington Food Rite and captained by Frank Collins. Other team members were Cloyd Bushey, Jim Fitzburgh, Bill Manship, Phil Shultie, Norman Clough, and John Bister.

Howard Brown received the most improved bowler award for finishing the season 15 pins over his average.

Tom Brown was presented the coveted Sportsmanship Award.

Velvet Country provided the music for the dancing which followed the awards presentation.

### Parsons Will Defend Mason-Dixon Title

When Benny Parsons rolls his First National City Travelers Checks Chevrolet onto the speedway at Dover Downs this Sunday (May 15th) for the 9th annual Mason-Dixon "500" Winston Cup race, it won't be just another contest for him. Benny will be defending his Mason-Dixon "500" title which he won thanks to a great deal of determination and stamina a year ago.

Benny was the winner of the 8th annual edition of the Mason-Dixon event in May 1976 when he emerged victorious over a top field of NASCAR Grand National competitors despite a mid-race collision and a severe case of the flu. He was able to complete the race thanks to some quick thinking which had him spitting water from his cockpit water jug onto the front of his driving suit thus cooling his flu related temperature during the late stages of the race.

Recalling the circumstances of that event Benny said, "Surprisingly, that really wasn't my toughest race at Dover. I think there's been tougher ones there when the weather was hotter and I've been more physically drained on other occasions. Obviously, the flu got to

me that day, but physically speaking, I've had worse races there."

Many people thought that Benny's mid-race collision with Bobby Allison actually improved his car's handling and thus was the major contributing factor to his win. "Actually," reports Benny, "what really happened in the crash-just to keep the record straight-there was a caution flag that followed the wreck and during that caution period we were able to make 2 or 3 pit stops to adjust the chassis. So, when the race was restarted, we did run much better, but not because of the crash, it was because of the adjustments we made during the caution period."

Parsons has always been a top contender at Dover Downs. He has competed in 13 Grand National events there and has registered eight top ten and six top five finishes during that span. He has scored 5 of those top 5 finishes in his last seven starts. "Dover's a tough one," said Benny, "but it's been awful good to me and I think we're ready for the May 15th race."

The Mason-Dixon will get a noon start on Sunday.

### Girls Stay Unbeaten in Track

Dave Buck's Lake Forest High girls' track team is unbeaten in three starts after beating Cape Henlopen 70-35.

Karen and Maxine Harris paced the Spartans on the Cape's all-weather track, accounting for 20 1/2 points between them.

Karen won the 400 meters in a fast 62 seconds, then took the long jump with 15 feet, 1 inch. Maxine was first in the 1500 meters in 5:37, second in the high jump, then teamed with her sister Karen, Paula Mosley and Valerie Davis, to easily win the 1600 meter relay in 4:32. A Spartan "B" quartet of Lois Russum, Patty Irish, Pam Place and Jowanna Daniels ran 4:49 to also outrun the

home team.

Speedy Tina Durant

annexed the 200 meter run in 28.2, then anchored the winning 400 and 800 meter relay quartets. Tina Lapinsky ran in both relays, while Hattie Dukes and Sharon Morris vied in the 400 (56.2) and Patsy Watson and Paula Mosley completed the lineup in the 800 (1:55)

Valerie Davis (2:39), Paula Mosley (2:41) and Patti Irish (2:51) swept the 800 meter run. Irish also had a second in the 1500.

Patsy Watson ran 13.1 to win the 100 meters. Jowanna Daniels was second in the 110 hurdles. Joyce Ewing twice broke the Lake Forest dis-

taff discus record, finally settling for 89 ft., 9 in.

shot. Barbara Williams had thirds in both weight events.

**Volunteers  
Needed To  
Deliver Meals**

The Manna program for senior citizens is seeking volunteers to deliver meals to senior citizens in the area who are unable to go out. The volunteers will be paid fifteen cents a mile expenses by the Levy Court according to Florence Hoffman, spokesman for the senior citizens.

Until now, buses have been used to deliver meals but the demand is greater because of other demands for doctor appointments shopping trips and elsewhere.

Those interested in volunteering transportation services are asked to call Mrs. Hoffman at 678-3600.

## Camp For Handicapped Children To Open

Handicapped children and adults in Kent and Sussex Counties will be able to attend day camp again this summer, according to United Cerebral Palsy of Delaware. Camp Lenape, now in its fourth year of operation, will provide recreational activities for up to 60 young people between July 18 and August 12.  
Activity sessions will be scheduled from 9 a.m. to 2:30 p.m., Monday through Friday at Camp Lenape's renovated facility on Route 12 near Frederica. The camp site and programs themselves are specially adapted to match the abilities and disabilities of campers.  
"We're confident that Camp Lenape will have a well trained and experienced staff," reports director Linda Andres of Milford.  
Although a fee is charged, no camper will be denied admission because of inability to pay. Door to door transportation will be provided.

## Eastern Shore Farmland, A County Seat Residence and Stock In Two Banks for sale at Public Auction

Denton, Md. May 21, 1977

Three farms (#1, of 120 A, more or less; #2, of 250 A., more or less; #3, of 124 1/2 A. more or less) will be offered separately for sale at public auction in the Denton Armory, Denton, Md., beginning at 2 p.m. on Saturday, May 21, 1977, by Edward M. McKewen and The Denton National Bank as personal representatives of the estate of the late Mrs. Lelia May Raughley.  
On same afternoon and at same place there will be offered for sale the county seat residence of the late Mrs. Raughley, 200 5th Avenue, Denton, Md.  
The 3 farms are near or on Md.-Del. border, their tillage dates to Shore's early times. Offered straightforwardly as desirable farmland, their tillable acreage comprises: #1, about 78.9 A.; #2, about 183.5 A.; #3, about 93 A. In today's values, the buildings are of negligible importance, although farmhouse of #1 is habitable, and old brick walls and fireplaces of #2 evoke possibilities of grace restored. (Farm #3 has no buildings). Balance in woodland and/or homesite.  
The tillable land is appraised generally sound, productive under proper care.  
County seat residence dates from solid days of 1910 with 2 1/2 stories plus concrete basement, 14 rooms, 2 1/2 baths, fireplace, hot water heat, slate roof; on corner lot, 100 x 200 feet, in area of similarly gracious homes.  
Farms and the residence available for inspection by appointment with Mrs. Irwin at the Denton National Bank (Phone 301-479-0400), until the sale.  
Aerial photos, displays of soil types, from official Federal sources, available for inspection at Armory day of sale and at The Denton National Bank 9 a.m. to 3 p.m., Monday through Friday.  
Conditions of sale of real estate are, essentially, 15 % cash, balance upon transfer of title or within 60 days, whichever comes earlier, subject to transfer of good and merchantable title.  
Detailed conditions of sale available now in printed form at The Denton National Bank and on day of sale at Armory.  
In addition, from Mrs. Raughley's estate, following the sale of the three farms and the town residence, there will be offered for sale two groups of stock of Eastern Shore banks as follows:  
475 shares of stock of The Peoples Bank of Harrington, Harrington, Delaware in this fashion: 19 units, one unit at a time, of 5 shares each unit. 38 units, one unit at a time, of 10 shares each unit.  
and  
51 shares of the Caroline County Bank, of Greensboro, Maryland, in this fashion: 9 units, one unit at a time, of 5 shares each unit. 1 unit, of six shares, this unit.  
Terms of Stock Sale: Cash.  
Prospective bidders for any or all assets offered at sale will register at Denton Armory, on May 21, 1977 after 11:30 a.m., and before beginning of sale at 2 p.m. Auctioneers will respond to bids identified by numbers as registered before the sale.
