

### Teens Aspire To Princess Dream

Pageant finals will be held on Friday, June 3, at 8:15 p.m., on the Delaware Technical & Community College Campus in Georgetown as part of the 30th Delmarva Chicken Festival. Fourth from left is Charlene Renee Keller, Miss Harrington; eighth from left is Dorcus Ann Voshell, Miss Felton.

"For one brief shining moment" representatives from eighteen communities on the Eastern Shore will star in the Camelot setting of the 1977 Delmarva Poultry Princess Pageant. One from this group of outstanding youth will be named Delmarva Poultry Princess and will reign throughout the coming year.

## Local Misses To Compete

# Delmarva Poultry Princess Pageant Scheduled For June 3

The dreamlike world of Camelot will provide the setting for the 1977 Delmarva Poultry Princess Pageant of Friday, June 3. Scheduled for 8:15 p.m., the program will be staged in the gymnasium at Delaware Technical & Community College in Georgetown, Delaware.

Eighteen teen-agers including Charlene Renee Keller, MISS HARRINGTON and Dorcus Ann Voshell, MISS FELTON, will be competing for the Princess title, a \$1,000 scholarship, a \$300 wardrobe and a weekend vacation in Ocean City, Maryland. A panel of five qualified individuals will be judging contestants on scholarship and service, poise and appearance, personality and attitude, creative expression and talent and interviews.

Sharon Lusby, Pocomoke, Maryland, 1976 Poultry Princess will crown her successor. The new Princess and her counterpart, the Little Poultry Princess, will reign over activities of the Festival on Saturday, June 4, and will appear on behalf of the poultry industry throughout the year.

The Delmarva Poultry Princess Pageant is sponsored by Delmarva Poultry Industry, Inc., and is being coordinated by the Georgetown Jaycees under the chairmanship of Dan Roach and Harvey Walls. Staging and production are under the direction of John Ferguson, Delaware Technical & Community College. Tickets for the Pageant are available at \$2.50 adults, \$1.75 students, by contacting Delmarva Poultry Industry, Inc., R.D. 2, Box 47, Georgetown, DE 19947 (302/856-2971).

Candidates for Delmarva Poultry Princess are: Tamara Lynn Jefferson, MISS DAGSBORO; Kathy Ann Towers, MISS FEDERALSBURG; Dorcas Ann Voshell, MISS FELTON; Dawn Lynn Ball, MISS FRUITLAND; Karen Louise Moore, MISS GEORGETOWN; Charlene Renee Keller, MISS HARRINGTON; Nancy Lee Short, MISS LAUREL; Valerie Lynn Spies, MISS MILFORD; Lou Ann Dorsey, MISS MILLSBORO; Laurie Jane Boinski, MISS NEAVITT; Linda Helen Smith, MISS NEWCOMB; Joy Lauren Dooling, MISS POCOMOKE CITY; Cynthia Lynn Stinchcomb, MISS ROYAL OAK; Jean Marie Griffith, MISS ST. ### Replacing Dr. Flint

## Woodbridge To Name Superintendent

BRIDGEVILLE. The Woodbridge School Board members will meet tonight at their regular monthly meeting. Among the topics to be acted upon is the final selection from a list of candidates for the office of Superintendent for the Woodbridge School District.

Following the retirement of Dr. Foster J. Flint as

Woodbridge's Superintendent, the School Board immediately set up a committee to find a replacement. The committee was

divided into several groups with some of the Board members on each group. The initial list of candidates for consideration amounted to some 29 candidates. The final selection

by Board ruling was to be narrowed down to five candidates for the Board's final vote and selection. Each chairman of each committee made a recommendation of their committee to the School Board. Tonight the candidate selected to lead Woodbridge School District through the next years will be made known.

## Boy Scouts Gather at Killen's Pond For Handicamporee

FELTON. For the third year running Killen's Pond State Park was the scene of the Handicamporee. Again the outing was headed by its founder, No. 1 Scout, Len Zerhusen. The first year Zerhusen held the outing there were four boys in attendance. During the past two years, the numbers have grown into the hundreds. This year there were approximately 350 Boy Scouts from New Hampshire, New York,

New Jersey, Pennsylvania, Maryland and Delaware.

The largest contingent of Scouts usually is represented from the metropolitan areas of New York and New Jersey. While attending the outing over the weekend the Scouts again had the opportunity to participate on a competitive basis in various categories of skills. Some of these included archery, obstacle course, tire roll relay, crossing the

rope bridge or "monkey bridge" as the scouts affectionately referred to it.

Again this year the Army Reserve was standing by to feed the youngsters and help them pitch their tents and generally set up their camp site. The 315th Supply and Service Co. from Dover represented the Army. At the termination of the outing, the scouts resolved to return again next year as they have done in prior years.

### Honors Deceased Members

Sunday the Harrington Volunteer Fire Co. held its annual Memorial Service which honored three members who had past away during the past year. This was the first time the service had been held outside. At far left is Rev. W. P. Watson who was

the guest speaker at the service. The service contained a mixture of words of guidance, music and a water display in honor of the three deceased members. [Staff Photo by Ray Blanchette]

### First Outside Service Held

## Fire Co. Honors Deceased With Memorial Service

HARRINGTON. The Harrington Fire Company held memorial day services on Sunday at the W.T. Chipman School. Those singled out this year to be remembered for their past contributions to the Fire Company or Ladies Auxiliary were Mrs. Eva "Miss Effie" Raughley, Layton Betts and Clarence "Chic" Barlow.

Mrs. Raughley had an outstanding record as a member of the Ladies Auxiliary where in 1950

she was President of that body when the Auxiliary presented to the Fire Company's Ambulance Fund \$1250. She was president again in 1954, County President 1955, and State President 1957.

Betts who recently passed away was remembered for his loyalty to the Fire Company. "...he could be counted on to respond to the fire alarm", so stated Ronald Hughes who presided at the ceremonies. Barlow

was cited and remembered for his past contributions to the local fire company. Barlow was known for his love of making a parade. Hughes said that in 1951 he "...must have set a record for the most parade miles marched in a year's time."

The Message of Inspiration and Prayer was given this year by Rev. W.P. Watson of the Baptist Church of Harrington. His message centered around

the "Beauty of Memory". "People like to be remembered", said Rev. Watson. "There were two people in the Bible who relate to memory", said Watson. One was Absalom, the son of David who built a monument to himself, for he wanted to be remembered. David's son was the one who turned on his father, and was later killed in a battle involving his father. The other one was one of the criminals who was crucified

on the cross with Jesus. He will be remembered for he asked forgiveness and to be remembered in Heaven before he died. Rev. Watson concluded by saying "...that time will not dim God's memory... for God's memory is not short."

The assembled members of the fire company and community who attended the ceremony witnessed a water display on the football field put on by the Fire Company.

## Counselor Addresses Woodbridge PTA

GREENWOOD. The Greenwood Junior High Woodbridge PTA heard Mrs. Diane Munson on Monday deliver a message on "Parenting". This relatively newly labeled field of study relates on "how

Her talk centered around "...being a good parent. She asked her group assembled for the regular monthly meeting for their thoughts on how to be a good parent. Several ideas were offered from the group assembled like be consistent and truthful, letting them know that you love them, accepting the child for what he is, and instilling a feeling of responsibility in them as well as learning

to respect their parents. Mrs. Munson offered titles of several books for reading on the subject of parenting such as P.E.T. Parent Effectiveness Training, Changing Children's Behavior.

In other business matters, the PTA voted to appropriate \$150 toward the purchase of certain film strips and the appropriation of \$100 to the Junior High School Band.

Monday was our usual get-together for band practice, exercises and what have you to begin another week. Exercises with Alice Roper with 10 members participating.

Rev. Huff is still with us for Bible Study on Tuesday. With 26 mem-

bers present.

Mrs. Margaret Kirby came in to try to get the folks started sewing. There were four members to try to sew.

We had our monthly birthday party Tuesday afternoon with the Willin Family from Federalsburg, Md. to entertain with string instruments and songs. Later we were served ice cream and another of Mrs. Root's delicious cakes. We had 60 members and friends present.

Faithful Dorothy Graham was with us again for ceremonies.

Swimming at the YMCA in Dover on Wednesday afternoon for all who are interested in going.

Bingo was well attended as usual this week.

Mrs. Powell and Mrs. Holden were here again for a nutrition program with 21 members present.

Thursday morning members boarded Mr. Bowman's bus to go to the music festival at the theatre in the Blue Hen Mall. It was a real treat to see and hear what some of the older Americans can still do. They sure haven't given in to the rocking chair by a long shot. Our own Kitchen Band performed at this affair. We

were served a paper bag lunch furnished by M.A.N.N.A. food project.

Friday was bowling, shopping or whatever at Milford with the D.A.S.T. bus. High lady for this week was Marian Russum. High gentleman was Fred Littmann.

A garden wedding is being planned. She will marry Mr. Otis Tatman. She is the daughter of Mr. and Mrs. E.B. Warrington of Felton.

All you teens who have been asking for another dance. Well the town fathers along with the help of the Felton Police Dept. sponsored a dance on Sat., May 21. Only 42 turned up. Those of you who did had a terrific time. The disc jockey Bob Sherwood was excellent. Due to the cost of the disc jockey and cost of the room \$1 per person had to be charged. Hope to have

a better turn out if there is another dance.

Also all the Felton Little League who did forget about the dance at the school on Saturday. Those of us who attended had a very good time. The band "Time" was excellent and the door prizes great 18 in all. Joe Sherwood was the announcer for the door prizes and along with his humor made the night fly by. Congratulations go to the chairpersons for this gala event. Mr. and Mrs. Fred Stump of Felton. I hope they'll do it next year.

Sat., June 4th Felton Meth. Church is having their strawberry festival. Platters will be served. May 25-26, Wed. & Thurs. Lake Forest North is presenting the "Wizard of Oz" starting at 7:30

p.m. Bring your children to see this great show. A sing-ton-Comer production.

Barbara Bradley was married to Louis Welch this past Saturday, May 21 at the Asbury Church Harrington. They took a honeymoon trip to Virginia and tour of Kings Dominion, Bush Garden and Williamsburg. They will reside two miles below Harrington when they arrive home.

She holds the title of first runner up in the Miss Golden Beacon contest. She received a trophy and a dozen long stem roses. She will be sponsored in the Miss Delaware contest by Brook Armored Car of Wilmington. Good Luck, Anna.

## High Blood Pressure Month

In communicating to the public during High Blood Pressure Month, the Delaware Heart Association is urging three steps for controlling high blood pressure:

1. Get your blood pressure checked, and understand what the numbers mean. Even children can have the disease and therefore blood pressure checks are important for all ages.

2. If your blood pressure is high, team up with a doctor to get it under control.

3. Depending on your blood pressure level and other factors, a physician may recommend medication and possibly such related treatments as losing weight, using less salt and getting more exercise. If you know you have high blood pressure, but have stopped following a physician's directions, it is important to get back under care and to resume treatment. High blood pressure has no known cure and can only be kept under control by lifetime treatment.

## Calvary Wesleyan To Show Film

"The Miracle Goes On", a 70-minute, full color film on the life story of John W. Peterson, will be shown this Sunday evening, May 29, in Calvary Wesleyan Church, 240 Delaware Ave., Harrington. The time will be 6:45.

John W. Peterson is one of the most respected song writers in Christian circles and has been the author of many songs including Christmas and Easter Cantatas. He was converted at the age of 16 as a farm boy in the state of Kansas.

Some of Mr. Peterson's songs will be featured in the film, including a 200-voice choir under the direction of Ron Huff. Doug Oldham and Dave Boyer will also be included in the film.

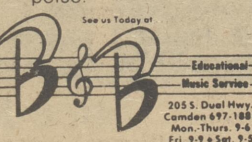

Rev. William H. Miller, Pastor of the church, extends an invitation to all in the Harrington-Milford area to share in this inspirational film. A free will offering will be received.

RENT A NEW WURLITZER PIANO

SHOULD MY CHILD TAKE PIANO?

Yes. Few things so enrich life as understanding and appreciating music. Piano playing is in itself a rewarding creative outlet. At the same time, it encourages the development of a well-rounded personality, and it promotes concentration, alertness and poise.

# Greenwood

by Pat Hatfield

Report from Hickory Ridge Congregational Methodist Church: We hope you missed our Newsletter last week. One did not go out due to the fact that we left at 5 a.m. Tuesday, the 10th, to go to Grundy, Va., returning Saturday morning. About 33 people from the Greenwood area (nine from our church) went in cooperation with the Mennonite Disaster Service to help flood victims. It was described as the most disastrous flood to ever strike Buchanan County in Southwest Virginia. Clean up operations and rebuilding will take many more months of work. Another group is planning to go next week. Anyone interested in volunteering their service, please call the pastor.

On Mother's Day, May 8, we broke our previous record with 109 present for the morning service. Gifts were presented as follows: Youngest mother, Mrs. Cindy Webb; oldest mother, Mrs. Margaret Johnson; mother with most children present, a tie with Mrs. Sandy Willey and Mrs. Joyce Morris, each having five children present. Mrs. Sandy Willey also received the ladies wrist watch for having ten visitors attend Sunday School.

The ladies of the church are very appreciative to the men for having the lovely Mother's Day breakfast. The menu featured eggs, sausage, scrapple, and toast. About 47 were present to enjoy it.

On Saturday evening, the 7th, about 60 people partook of one of the best covered dish suppers we ever had. Following supper we enjoyed a time of fellowship and good gospel music supplied by Mr. and Mrs. Palmer Lare, Mr. and Mrs. Harold Arner and daughter, Susan and Miss Christine Pritchard.

The ladies of our WMS are also grateful for everyone who helped to make our bake sale a success. A profit of \$273.70 was realized which will be applied to the carpet fund.

We are sorry to report that Tim Finkbner had an accident on his bicycle Sunday afternoon. He suffered a broken arm and was a patient at Nanticoke Hospital until Tuesday. Also at Nanticoke are Mrs. Elma Outten and "P.T. Trivits" (brother of Mabel Farrow). At Milford Hospital are Arthur Marvil Nelson Jones, Harry Messick, Mrs. June Hassett and Mrs. Catharine Pearson.

Report from Greenwood United Methodist Church: Don't forget the Youth Forum, monitored by Mrs. Jeanette McCreary, meets every Monday evening at 7 p.m. at The Lord's Community House, Rt. 16, West.

Next Sunday will be Recognition Sunday for the month of May. Be present as one of our members (one from each church) is so honored in the morning service.

The Youth Forum plans a Work Retreat soon. To help with their expenses they are planning a bake sale at the Lions Club barbecue stand, Rt. 13, on June 4, beginning at 11 a.m. The items that sell well are pies, cakes, cup cakes, brownies, homemade bread, etc.

If you would like to help with Vacation Bible School, contact Janet Eurig. If you would like to teach Sunday School in Greenwood, contact Jack Scott.

The Women's Society of Greenwood Church sponsored a delightful "Birthday Party" on Saturday evening in the Educ. Bldg. with tables for each month of the year. Each table had its own appropriately decorated cake and the tables were beautiful, depicting the theme for each month. Ice cream and punch was served with the cakes and each table provided a short entertainment feature on the program.

Report from Spirit & Life Tabernacle: Praise the Lord for the Revival, May 24-29. Have you received your Miracle yet? Remember "You have not because you ask not". Come and join us and expect your

Miracle today. Services at 7:30 p.m. the Rev. Joe Woodson ministering.

Attention! Plans are being made for a new series of social events especially for "Christians Without Partners". These will be held at The Lord's Community House, next door to The Early Attic Antique Shop on Rt. 16.

The first party will be held on the evening of June 9, (Thursday) beginning at 6:30. Bring your covered dish and come fellowship with us and enrich your life with new friends.

Cheer Center News: May 16-20: The third week of May has been quite a busy week for all Cheer members. The Public

Health Nurse came on Monday to check our blood pressure. Then on Tuesday Sue Hurley from the Fire School showed and explained the correct way to use a fire extinguisher to put out a fire. Each member had a chance to try it.

On Thursday our musical trio performed in Dover at the Music Festival. They all reported that it had been a very enjoyable day spent listening to and watching the talent exhibited from the different Senior Centers and Nutrition Sites in Delaware.

They will also be performing at Del. Tech. on Tuesday, May 24 and members from this site

will be expected to give their moral support to the trio.

The site will be closed that day and also it will be closed Memorial Day, May 30.

The birthday party has been rescheduled for Thursday, May 26.

On Friday, May 27 there will be a State Planning Hearing by the Division of Aging at Delaware Technical & Community College, Southern Campus, Delaware Room, Georgetown at 10:30 a.m. The public is invited to attend this first hearing.

On Sunday, Mr. and Mrs. Nelson Meredith and Mr. and Mrs. Lawrence Meredith joined other

members of the Meredith family for a picnic dinner held at the Federalsburg Fire Hall. Members of the family entertained with music and top dancing, and all enjoyed the delicious food.

Mrs. Ruby Hurst of Wilmington and Mrs. Genevieve Kent of Laurel, Md. were Monday luncheon guests of Mr. and Mrs. Allison Davis.

Two of the grandsons of Mr. and Mrs. Allison Davis suffered broken arms this past week. Dana Dennis was on his motorcycle and was struck by a car, and Tyler Davis fell off a ladder in his yard. Mark Dennis of Solebury, Pa., spent the

past week in Greenwood visiting relatives and friends in the area.

Sympathy of the community is extended to the family of Irving Beck who passed away recently in Crozier Hospital.

Mrs. Doris Hudson and Mrs. Myrtle Calhoun attended the wedding of their cousin, Cynthia Hill of Georgetown to Stephen Baces on Saturday at 11 a.m. They returned to the home for the traditional wedding breakfast, at high noon. About 100 attended the reception. The bridal couple are enjoying a trip to the Poconos and for the present will reside in Tenn., while the bride finishes her schooling.

Mrs. Myrtle Calhoun entertained to Sunday dinner Mr. and Mrs. Leroy Calhoun and four children, also Mark Maloney, all from Harrington.

Sunday evening callers at the home of Mrs. Myrtle Calhoun were Mr. and Mrs. Warren McGee and Sunday evening callers were Mr. and Mrs. Benjamin West of Laurel.

Mr. and Mrs. Jacob Hatfield were Sunday evening callers at the home of Mr. and Mrs. Kenneth Green and family in Maryland, where they enjoyed seeing the Green's beautiful show horses and also hearing about their new project, the restoration of an old home

"...next to his home the most costly possession is his automobile."

With what I wrote last week, you will soon get the picture that I believe the horn of plenty isn't overflowing anymore. We look upon our most recent crisis, the energy shortage, and the fact that our politicians, as predicted, would do nothing about the crisis until it was upon us once again. As the public doubted what the politicians were saying about last winter's unbelievable situation, I believe too they doubted the words of the oil companies. What they seem to be doing best is going around "...pointing the finger at the other fellow", and what has happened is mass confusion...and generally a bogged down situation. What about our car and energy matters?

Some have theorized for instance that the automobile is about to pass into another era. Probably the first such recognized era was the so-called age of Ford. Henry Ford was truly a genius when it came to business practices. He was one of my favorites. I rank him right up there with Will Rogers. Ford brought us the assembly line concept...interchangeable parts...the Model "T" and the Model "A". Two years ago my oldest son, David and I, while visiting with the rest of our family at his grandparents' home in the Blue Ridge Mountains, went to Winchester, Va. some 18 miles away to witness one of the largest assembled arrays of antique cars in the world at the annual Apple Blossom Festival. Most of the antique cars assembled were Model "T" and "A" Fords. One person remarked to me that there were still some 1,000,000 Model T and A's still on the road today in running shape. Amazing isn't it. Ford kept it simple and in those early days, the product changed imperceptibly...if at all, from year to year. Another amazing thing about Ford was the color selection....you could have any color you wanted so long as it was black. The great conservationist that he was...he still had another wrinkle to that concept when applied to the car. He went to a hardware manufacturer in the midwest to order his nuts and bolts for his cars. He coaxed the manufacturer to ship the nuts and bolts in wooden crates. The crates were made of nice durable boards with the words Ford Motor Co. imprinted on them. Upon receiving the crates he would proceed to dump them and use the boards for flooring in his automobiles. Clever isn't the word for it. By the way all the crates were of a certain dimension and it just so happened that they would fit into the floor without any adjustments.

When Alfred P. Sloan became head of General Motors, he introduced the ruinous concept of changing the model every year. The net result of this concept is that the value of "one's new car" plummets downward the minute it leaves the dealer's showroom. Next to his home the automobile is the most costly possession to his name. No one in their right mind would allow the value of their home to plummet down like a punctured balloon. On the contrary, I know that in the alternative the home owners push the value of their homes upward to sometimes an unacceptable figure. So why accept the reverse concept in the car?

The Germans adopted the Henry Ford concept long ago when they designed and built the VW Beetle. It remained that way for years on years. Moreover it did not lose its value. In fact it just did not depreciate. Parts were easily gotten and could be interchanged rather readily. It was the people's car...the one for the young and less affluent. It is hard to accept this theory about the early Fords and the early VWs. The point is that the automobile's future cannot be allowed to be the same as its past. There are new cars coming out now which seem to have the big car effect but the economy aspects needed and found in the small car. But...they miss the point again. I am advocating getting away from the built-in obsolescence and the accessories and the tackiness...get back to the simple things practiced and laid out by Henry Ford.

So the automobile's future cannot be the same as its past...the same principle applies to other matters related to energy and energy saving devices. Maybe the size of our home must become more and more compact...less frills...less built in obsolescence with heating systems designed to conserve. Our futures cannot be the same as our past.

Doesn't it make more sense to be just as productive but more and more conservative. We would have just as much for what we were able to save from cutting waste alone would make up for any less in production.

Our President on Sunday said to the graduating class at Notre Dame Univ. that in effect...our future cannot be the same as our past...as it relates to foreign policy toward Russia and communism. As a Republican I see in this president one whose judgments are both moralistic and practical. Time will tell what kind of president he made and this applies whether he is Republican or Democrat. It is also comforting and somewhat rewarding to see someone other than a lawyer in the White House. But...on the other hand while I go along with the President and his judgments, I cannot understand why the Vice President on the other hand declares that some nations (Africa) and some peoples (Africans) must do what we say or else. Vice-Presidents have a way about them...trying to wiggle out from under.

Next to his home though the most costly possession he has is his automobile...and whether it be with the car, business, or life in general the future cannot be the same as the past.

## The Evans Report

by Congressman Tom Evans

President Carter's plan to let people register and vote on election day is unnecessary, unworkable, and dangerous. It is an invitation to fraud.

The bill -- originally scheduled for a House vote on May 25 -- has been at least temporarily withdrawn. The votes the President counted on to pass the legislation just have not materialized.

I oppose the "instant registration" plan, and if it reaches the House floor, I'll vote against it.

We must do all we can to insure every citizen has complete access to the electoral system, but we must also insure that system's integrity.

The thirty day waiting period that many states require can be an important safeguard. For the

conscientious voter it is not, as the President insists, an "unfair barrier".

This is substantiated by the experience of Southern states, where the percentage of people voting increased a bit in 1972 despite the pre-registration requirement.

The President's proposal is based on the wrong premise. It is not a waiting period that keeps people

from voting, it is the apathy, cynicism and alienation with which they increasingly view their elected representatives.

If a system were established that totally eliminated pre-planning and forethought, chances are the quality of elected officials would go down. People's confidence in their government would decline further.

The President's proposal also threatens the tradition of states running state and local elections. Carter would set up a \$50 million fund for a self-renewing two year program to subsidize local elections if they were based on the federal formula.

Experts have testified how easy fraud would be under the Carter system. A Justice Department memorandum said it would be "a dangerous relaxation of what precious few safeguards exist against the abuse of franchise."

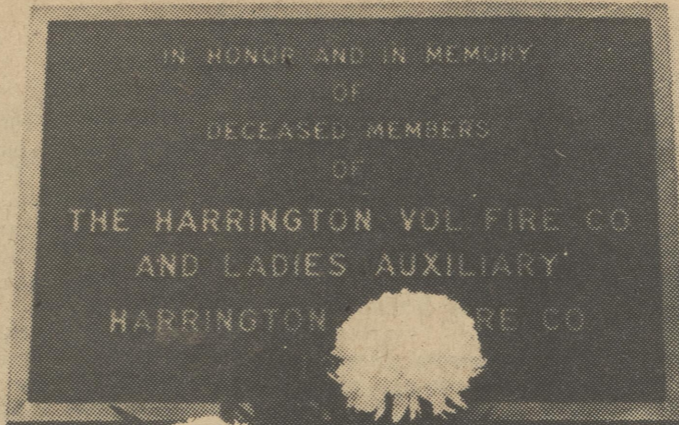

Even a member of the Americans for Democratic

Action, a traditionally liberal organization, said the President's program could result in "every tombstone, fire hydrant, and lamp post in Chicago" being registered to vote.

A poll Rep. Phillip Crane (R-Ill.) announced this week showed more than twice the number of responding state election commissioners and secretaries of state were against the plan as favored it. A late March Gallup poll showed a sampling of adults opposed the plan 55-40 percent.

Delaware has an excellent voter program: post-card registration. The voter simply mails in a postcard, requesting that registration forms be mailed to his or her home address. It is a system of proven merit. It requires no federal bureaucracy, and it limits the chance of voter fraud.

Perhaps the rest of the nation should look to Delaware.

## Thoughts

by Senator Bill Roth

Recent Senate passage of the Truth in Government bill Senator Kennedy and I introduced earlier this year has brought us much closer to the goal of truly responsive and open government.

As you may remember, the bill would enable people who need information about the more than 1,000 Federal assistance programs to slice through the bureaucratic thicket and obtain the information they need quickly and completely.

All this would be accomplished by putting modern computer technology to work in a Federal Program Information Center. The Center would serve as a centralized data bank for all Federal domestic assistance programs. When the system is in place, a single phone call from a town official in Delaware, to a central computer in Washington, would bring that official all the information needed about what programs the town may be eligible for, and how much money is still available for particular projects.

At present, many states and larger cities spend a good deal of money just to get this kind of information. Many employ professional "grantsmen" for this purpose and those who cannot afford to do so

usually find themselves on the short end of the stick where Federal funding is concerned.

A decade ago, when you first elected me to Congress, I was appalled to learn that there was no single source of information on Federal Assistance Programs. No one even knew how many there were. After a good deal of grueling work, my staff and I compiled a complete list of such programs and as a result of our efforts it is now published annually by the Office of Management and Budget as the Catalog of Federal Assistance Programs.

Even with the catalog, however, it is still a difficult and complex job for a small town or city to make, the most effective use of information in it to suit their needs.

Under the Truth in Government bill data in the catalog would be constantly updated onto a computer system. Terminals throughout the country would tie into the central system by telephone and information a caller requested could be transmitted instantly.

I am encouraged by the Senate action on this bill and I believe the House will pass it very shortly,

and that the President will sign it into law.

And when he does, I am confident, that all Americans will reap the benefits.

## Career Corner

by Buck Thompson

If you plan on attending college to major in math you may find your job expectations scaled down by a very tight job market. Last year's four-year college grads who majored in math added up to about 22,000. But the U.S. Labor Department estimates that job openings for mathematicians will number only about 1,550.

So in case you plan to make math part of your career, it's time you did some calculating about alternative opportunities.

Why is the demand for mathematicians so low when math seems to be more than ever before an important part of our daily lives? Among several reasons, the most important is that most mathematicians are teachers at a time when all types of schools are wrestling with the problem of declining enrollments and faculties that are filled to capacity.

At the college and university level, for example,

only about 600 job openings each year are expected through the early 1980's. The competition for teaching jobs at community colleges and secondary schools is multiplying too.

Since most mathematicians are involved in pure mathematics and theoretical mathematics, their work places will continue to be wherever research facilities are available - in other words, colleges and universities, research institutes, and so forth. Employment at any of these locations is hard to come by.

Here are some of the fields in which math majors can find ways to apply their training:

Accounting - this is a broad career field centering on financial record-keeping for private businesses and governmental agencies.

Computer Operations - Computer systems are designed through construction of a complex series of

mathematical equations. Computer programmers and systems analysts rely upon math to do their jobs.

Economics - the analysis and understanding of economic systems on the local, national, and international levels require a solid understanding of math.

Engineering - there are many specialists in engineering working in every area of science and technology. Math is one of many important tools used.

Finance - the world of finance encompasses banking services, international money markets, the stock exchange, and other areas. Math provides the basis of most financial transactions.

Insurance - math is used in every type of insurance - life health, property and auto.

Science - from biology to zoology, math and science work together as partners in learning about our world.

For Your Information

Dear friends,

Do you want to read some definitions of an American? He will whip the enemy and then give them the shirt off his back.

He yells for the government to bal- ance the budget, then takes his last dime to make the downpayment on a car. He knows the lineup of every base- ball team in the major leagues, and doesn't know half of the words of the "Star Spangled Banner."

You know Americans at heart are pretty nice folks.

Respectfully,

William C. Bandy

## Maypole Is Theme 4th Grades Stage Play With Traditional Spring Flavor

The traditional Maypole formation the basis of an assembly program as South fourth grades recently presented a play, "When Polly Was Queen of the May", for their school-mates and parents.

The play revolved around a May Day celebration with the selection of a "Queen of the May" and the Maypole dance at its climax. It also provided a vehicle for a lot of music in the traditional vein of "Welcome Sweet Spring-time" as well as a bow and arrow drill as performed by "The Merry Men". The human action in the play was underlined by the influence of fairies

Donato. The Merry Men- Steven Wyatt, Micah Parker, Michael Jenkins, Bill Griffith, Michael Cole, John Ottinger, Troy Collick, Freeman Carter, Gary Price, Eddie Dennis. Musical background was provided by a chorus of the combined fourth grade classes accompanied by Mrs. William Minner on the piano. Mrs. Miller spent many hours teaching the fourth graders the music as did their teachers, Mrs. Ellingsworth, Mrs. Gibson, and Mrs. Ellen Perry, who directed the play.

## First Graders Tell Of Trip To The Zoo

First Graders at Lake Forest South "B" traveled south to Salisbury last Thursday, May 19, to visit the Zoo there. During the day they visited its animals, romped on its playground and picnicked. On returning they were asked by their teachers to write about their day. For a view of the Zoo through first grade eyes, here is a sample selection:

these pretty much as they were written, without making any of the corrections adults are so impatient for. It is hoped that they will be read, not with the proof reader's eye, but in the spirit in which they were written - the fun of sharing an experience that was fun.)

## Students To Go North To Quebec, Montreal

5 a.m. Friday will see forty-two eighth graders from W.T. Chipman board a motor coach and head north for four days to be spent touring Montreal in Quebec. All forty-two are second year French students of Jim Boyd who has led similar tours for the past two years. The stated purpose of the trip is, first of all, "to bring French out of the classroom by visiting an area of the world where French is used as the principal language and as the means of communication between peoples." Students will hear French spoken, see it written, and try their own skills in understanding and speaking the language. Another major objective is "to see various points of interest in Quebec City (the capital of Quebec Province) and Montreal (second largest French-speaking city in the world after Paris). And not the least in terms of motivation is simply (as put in the information provided each student) "to enjoy ourselves". In Quebec City, the Chipman group will be staying in the Auberge des Gouverneurs Hotel; in Montreal, at Loew's LaCite Hotel. The fourteen-hour bus

trip will get the students to Quebec City around 7:30 p.m. on Friday. Their first taste of Quebec, after checking in at their hotel, will be dinner at the Napoleon Bonaparte Restaurant followed by dancing in its disco. Saturday morning will see them up for a tour of Quebec City via local sightseeing bus and lunch at the Moisson D'Or Cafe-teria. Highlight of the afternoon will be a visit to Old Quebec Center, site of the old walled city of Quebec, where they will be able to visit the old fort and take carriage rides as well as do some shopping. Saturday afternoon will mark their departure for Montreal, where after dinner at their hotel, the Chipman French students will spend the evening at the La Ronde Amusement Park at the site of Man and His World (the location of Expo '67.). Sunday will continue the tour from the modern to the traditional or historical with the mornings sight-seeing tour of Montreal including a visit to the Olympic village and stadium (scene of the 1976 summer Olympics.) The afternoon will take them to St. Joseph Oratory, a world famous shrine, before returning to their

hotel in time for a pre-dinner swim. Lunch is planned for Ben's Delicatessen; dinner, for the Moisson D'Or of Laval. Sunday evening will wind up at the Recreathèque, a huge recreation center featuring roller skating to disco music along with a number of games such as bowling and billiards. Monday morning offers a tour of Montreal Aquarium before lunch at Le Crepe Bretonne, Mountain Street. Last stop before leaving will be the chance to shop and browse at Place de Ville Marie and Bonaventure, an underground shopping mall under the city of Montreal. Meals not at specified French restaurants or the hotels are scheduled for a place as French and American as (you guessed it) a Canadian McDonalds (according to Jim Boyd an exact model of the one in Dover). At approximately 3 a.m. Tuesday, May 31 probably a very sleepy crew will reach the last stop on their tour-Harrington, Delaware. Students going on the tour are Walter Grygrynuk, Patrik Williams, Sam Lamphier, Joe Peterson, Kevin Shieferstein, Jim Phillippi, Mark Gemmill, Mark Maloney, Earl McCall, John Howerin, Rhonda Whitt, Janet Brown, Mia Butler, Elaine Homewood, Jane Reirden, Tammy Hinson, Loretta Latocha, Debbie Bell, Alfreda Daniels, Brenda Wootten, Rhonda Hammond, Lorri Ware, Cindy Rentz, Libby Roach, Karen Gerardi, Lori Toler, Lori Clough, Diana Voshell, Laurie Glasspool, Shelley Chandler, Cheryl Monaraze, Susan Stubbs, Carol Payne, Jean Levers, Sharon Maloney, Carolee Williams, Lisa Wyatt, Valerie Moore, Tammy Stevenson, Karen Wothers and Sueann Knaub. Chaperones for the third year are Mr. and Mrs. Jim Boyd and Mr. and Mrs. Tim Young. Cost of the trip is borne by the individual students and their parents.

Rehearsing for Tuesday's "Spring Concert" are students at Lake Forest East in Frederica. The concert will feature band music as well as singing and dancing by individual classes.

### To Be May 31 Spring Concert Set At East

Under the direction of Richard Collins, students in grades one through six at Lake Forest East in Frederica and band students at both East and Lake Forest North in Felton are rehearsing a Spring Concert. The concert, an annual affair, will go on stage for parents and public next Tuesday evening at 7:30 in the Frederica School auditorium. Although there is no admission charge, there will be an opportunity for donations in support of the music program. Presenting the first half of the program will be the seventy-five students in the combined Lake Forest East and North Element-

ary Bands. Both are directed by Mr. Collins. The second half of the program is to be dominated by musical presentations of the individual classes and featuring many of the songs and music learned throughout the year. A sampling of the program suggests variety and an international flavor:  
First Grade - Carousel; Second Grade - Japanese Dance; Third Grade - French Dance; Fourth Grade - Russian Dance; Fifth Grade - rhythm band selection from Jamaica and Sixth Grade - Minstrel Routine. In addition to other numbers, each group will present several songs.

### Poet and Author Mike Roberts To Be Published

Mike Roberts, an eighth grade student at W.T. Chipman, is a soon-to-be published author with a short story, "Terminal Man" scheduled for appearance in the science fiction magazine Analog sometime this year. The immediate acceptance of this first story for Mike is an experience not too often encountered by new authors who are accustomed to papering the walls with rejection slips before that initial acceptance.

He also has several articles ready for submission to Scholastic Magazine and has had material published in the Chipman student newspaper where he is an active staff member.

According to Mike, the story "Terminal Man" revolves around life in the future as encountered by a remaining individual from our culture who experiences considerable difficulty before adapting to its shock and surprises. Mike began the story last De-

ember on the basis of ideas gleaned from science fiction in books, magazines and TV as well as his own interest in science. The first story is not exactly a first publication for Mike who has had three poems in the form of quatrains published in the magazine "Ideals".

### Mrs. Collins' Students Try Poet's Pen

"Poetry can be Fun!" For the past few weeks Mrs. Collins has been trying to convince her eighth grade English classes at W.T. Chipman of this. Accordingly, her students have sampled poetry, read poetry and tried, their hands at writing it. After spending their time reading selections from such books as Reflections on a Gift of Watermelon Pickle, I

Heard A Scream In the Streets and Zero Makes Me Hungry the students shared with each other poems they enjoy. Finally, they have all tried their hands at such forms as cinquain, haiku, limerick, quatrain, concrete, hate/love, and free verse. Below is a sample of some of their poetic attempts offered for sharing:

## Dover Nips Spartan Girls

Dover High's girls' track team edged Lake Forest's girls 57-48, despite a superb performance by the Harris sisters, Karen and Maxine. Karen won the 220, 440 and long jump.

Maxine won the mile, beat Henlopen champion Donna Murphy in the half mile and was second in the high jump. Patsy Watson was first in the 100 yard dash, with

Joyce Ewing taking the shot put. Watson had to scratch from the 880 relay, due to a possible leg injury. With her in the lineup, the Spartans might have won this event and the meet.

Milford High School had hopes of a double play on this play but the shortstop's throw to first was too late for the later half. Spartan James Overstreet [on ground] also peers back to find out the result of the play on first. The Spartans close their season this Thursday at the Harrington Moose Field. [Staff Photo by Ray Blanchette]

Lake Forest competed against defending state track champion, Dover High and didn't fare too badly, though coming upon the short end of a 90-51 score.

Tim McCombs, a junior, cleared six feet, 1/2 inch in the high jump to break the Lake Forest record of 5-11 1/2 set by Bob Mulane.

McCombs finished second in this event, as Dover's Joel Coppadge went over the same height and won on the fewer-misses rule.

Jim Blades' Spartans kept the score respectable by winning the half mile, and two mile runs. Dan Parker turned in his fastest double ever doing 4.39 in the mile and 2.04 in the half. Chris Palmisano and Dave Richter were second and third in the mile. Louis Thomas (10.42) and Wilson Fry captured the top two spots in the two mile.

Kelly Woodward was a Lake Forest winner as he cleared 11 feet in the pole vault.

Other locals to do well in non-winning efforts were: Jerry Custis, high hurdles; Ken Thorpe, 110

yard dash; Bill Moore, discus; freshmen Marty Barner and Harold Dixon 440; Ron Loper, 220; Jon O'Toole, Manny Christo-

pher, shot put; Eric Wise, Charles McDougal triple jump.

Mike Benson, the best long jumper in lower Del-

aware (22 feet), was unable to participate in this meet costing the Spartans sure points in both the long and triple jumps.

Senior Spartan right-hander Greg Regan has had a fine season on the mound for the team but his record has suffered due to a lack of offensive support from his teammates. Monday against Milford was no different as despite giving up only two runs he still lost 2-1. Regan had a hand in the Spartans run as it was his fly ball that was dropped by the Milford left-fielder that allowed Jim Carroll to score from second base with what was at that time the tying run. [Staff Photo by Ray Blanchette]

## Spartans Fourth In Regional Track

A new format is in use for the Delaware State track meet this season which cuts drastically the number of athletes who

may compete for a state championship. Most of the state's track coaches are against the change but lack the power to do anything about it.

Lake Forest, which won three state titles last spring, only qualified in three events this time.

The 3200 meter relay team of Louis Thomas, Chris Palmisano, Dave Richter and Danny Parker, placed second to Cape Henlopen. Wilson Fry was second in the two mile run and Mike Benson won the long jump with a leap of almost 21 feet.

Jim Blades' Spartans made a good showing scoring in two-thirds of the events. The Lake Forest total of 7.5 points placed

fourth behind Seaford, Cape Henlopen and Woodbridge.

Dan Parker, Tony Barner, Jerry Custis and Billy Moore tallied thirds in the 1500 meters, 400 meters, 110 high hurdles and 300 intermediate hurdles respectively. These excellent performances just missed qualifying for a place in the state meet under the new asinine rules.

Tim McCombs, high

jump, Gusti Voshell, pole vault, Mike Benson, triple jump, and Chris Palmisano, 800 meters, notched fourth places, as did Lake Forest's 880 meter relay unit of Ron Loper, Milton Justice, Baron Harmon and Ken Thorpe.

Kelly Woodward scored in the pole vault, as did Jerry Custis, 300 hurdles, Dave Richter, 880 meters and Lake Forest's mile relay quartet.

## Freshmen Run Well In Georgetown

Sussex Central hosted a junior high meet at Georgetown and Lake Forest's freshmen picked up some 18 ribbons against stiff competition.

Wm. Leroy Parker, Marty Barner and Ken Thorpe ran on second place 880 relay and sprint medley relay quartets. Harold Dixon was the fourth runner on the 880 unit, while Bill Mitchell was No. 4 on the sprint

medley four.

Mitchell, Dixon, Jim Fleming and Randy Maloney came in third in the mile relay. Fleming, Mark Stayton and Jerry Fountain, were third in the shot put relay. Fountain, Bret Asbury and Maloney got the third-place ribbons in the long jump relay with Fountain leaping 18 feet, 2 inches his best mark yet and one that is excellent for grade nine.

## Girls Vie In Regional Track

Dave Buck's Lake Forest girls' track team has done a good job this season, but lacks numbers. More girls are needed next spring in order to be competitive in events.

Karen Harris, quarter miler, finished fourth in 63.6, to be the only distaff Spartan to qualify for the Delaware State championships.

Others in the scoring column were Joyce Ewing, discus; Valerie Davis, 800 meter run; Maxine Harris, 3000 meter run; and the 800 meter relay quartet.

## Tickets On Sale For All-Star Game

Delaware's Number One sports, fan, Governor du Pont, kicked off ticket sales for the 22nd Delaware All-Star Football Game by purchasing the first tickets.

"This traditional football game, played for the benefit of the state's mentally retarded children, deserves the attention of everyone in the state," the Governor remarked.

This year's game is scheduled for Saturday afternoon, August 13, at the University of Delaware's Stadium in Newark, and special preparations are being made to make this, the 22nd in the series, an outstanding event.

Tickets for the game are available from McDonalds outlets in Delaware (July 22-24, 29-31, and August 5-7), from members of Lions Clubs and the State Police throughout the state.

For additional ticket information, call the All-Star office, 762-1806, or ticket chairman, George Brown, 994-0713.

## Fishing Tournament Begins June 1

John Peirce, Tournament chairman for 1977, announced that this year's tournament will run from June 1 to September 30, 1977. Any fisherman or fisherwoman is eligible to enter. This four-month tournament will be judged on the largest fish in the following species: weakfish or trout, flounder, and bluefish. All fish can be entered at weighing stations

displaying the tournament poster from Bowers Beach north to Indian River Inlet south. The entry form will include day of catch, where it was caught, type of bait used, and the official weight. First, second and third prizes in each category include fish tackle and equipment and cita-

tions of acknowledgement. Last year's tournament had prizes donated by the Garcia Corporation, Zebco Corporation, Orvis Company, Berkley and Company, Milford Hardware, and Western Auto. No entry fee is required, and you may enter as many times as you wish.

## Golf Invitational Set For June 5

Jack Argo and Terry Pikus, Tournament Co-Chairmen, stated that this day of fun for all golfers, men and women, pros and duffers, will be held Sunday, June 5, 1977, at the Shawnee Country Club in Milford. He stated that the entries are limited to the first 100, and the closing date for entries is May 30. Last year's tournament had over \$1,000 worth of prizes and trophies, and the Shawnee greens were in superb shape. The tournament this year will be played in flights, with prizes for the medalist winner and the runners-up to be awarded. There will also be a wide variety of other interesting prizes, including most colorfully

dressed woman or man, most eagles or holes-in-one, closest to No. 3 pin by a man, oldest golfer, highest score in a tournament for a man and woman, loudest pants, craziest hat, etc. The day's activities will start at 7:30 a.m., with an awards dinner at the end of the day, to be served at 7 p.m. Single entry fee this year is \$15, which includes dinner, and \$20 also includes a dinner guest. Mr. Pikus said this tournament is one of the most enjoyable on the Eastern Shore, and extends an open invitation to any golfer. Contact the Milford Chamber of Commerce at 422-3301 for your entry blanks.

## Cattlemen Registration Announced

Kent County cattlemen who raised either dairy or beef animals during 1976 can register to vote in the upcoming beef research

and information referendum. Registration will begin on June 6 and continue through June 17. Kent county cattlemen

may register in person or by mail at the Kent County ASCS Office at the Agricultural Service Center at Dover.

In announcing the registration dates, James S. Metz, Chairman, Kent County ASC Committee stated "Cattlemen registered during this period will have the opportunity to vote in the upcoming referendum to authorize a research and information program administered by a Beef Board of up to 68 producers. Beef Board Members would be appointed by the Secretary of Agriculture from nom-

inations submitted by producer organizations. Each state or geographic area would be represented in proportion to its cattle production."

Metz added, "The beef board could initiate a broad spectrum of projects to improve beef production, distribution and marketing. The program could include consumer education and information, and research."

During the first 3 years of operation, the board could collect assessments of up to .3 of 1 percent of the value of all cattle sold.

After that, the rate of assessment could be changed but could not exceed .5 of 1 percent-maximum amount permitted under the Beef Research and Information Act. Cattle producers not wishing to participate in the program could have their assessment refunded.

Information about rules for conducting the referendum and activities of the beef board will be available at the Kent County ASCS Office at Dover. Contact this office in person or call 697-9581.

A WHOPPER...This twelve pound sea trout was landed by Mrs. Carol McKnatt of Harrington last weekend near Lewes. The local angler reportedly was using squid to lure her catch.

### Free Boat Examination Offered

The days are getting warmer, the fish are beginning to bite. And more owners are getting their boats overboard and ready for use. But are they ready?

The U.S. Coast Guard Auxiliary, Flotilla 12-3 will be conducting a free courtesy motorboat examination, at Bowers Beach on May 28 from 10 a.m. to 6 p.m.

The auxiliary will check your vessel free of charge, for federal requirements and additional requirements of the auxiliary. The courtesy motorboat examination decal, "The Seal of Safety", will be awarded to those boats which meet the requirements.

Once the decal is on your boat, the U.S. Coast Guard and the State Marine Police, will not normally board your boat, unless you are committing some obvious violation of the law.

Just a few of the items which will be checked are: Proper location and display of hull identification; personal flotation devices; ventilation; fire extinguishers; lights; fuel tanks and much more.

These examinations are made only upon the request of the vessel owner and if any deficiencies are found, no report is made to anyone except the owner. It only takes a few minutes of your time to find out if you meet all the requirements and have the "Seal of Safety" placed on your vessel. Be safety oriented this season and stop by our examination station.

The community was saddened on Monday evening when word was received of the death of Arley Bradley, Jr. age 43, in the University Hospital, Baltimore, Maryland. Arley, also known as "Little Arley" or "Tinker" was born and raised in this area. He was the oldest son of Arley and Sara Bradley. He had fought sickness for approximately 27 years. In all the years he never complained and always wore a smile. He liked farming, playing guitar and singing. Sympathy is extended to his mother and father, brother Samuel, niece and nephew, Beverly and Bruce and to his finance Joan Ivory.

Miss JoAnn Calvert, daughter of Mr. and Mrs. Joseph Calvert, was elected a member of "The National Honor Society" at Lake Forest High School on Tuesday evening, May 17th, along with 24 other students in the Junior Class. Congratulations JoAnn

Charlotte Hicks has returned to her home after being a patient in Milford Memorial Hospital.

On Tuesday afternoon, Mrs. Florence Walls and Mrs. Gertrude Morgan called on Mr. and Mrs. Willie Laughery. On Wednesday they visited with Mr. and Mrs. Robert Nelson in Milford.

Mr. and Mrs. Ed Collins of Farmington, Mrs. Myrtle Wright and Mrs. Mabel Collison of here visited Mr. and Mrs. Ormond Hobbs near Brownsville on Thursday evening.

Miss Ronica Willey visited her grandmother Mrs. Irene Willey in Greenwood over the weekend.

Mr. and Mrs. Alton Breeding visited their Uncle Willis Butler at the Smyrna Home on Sunday afternoon.

Celebrating birthdays this week are: Mrs. Robin Breeding, Miss Delores Gallo, Mr. Anthony Gerardi and Little Shannon Gerardi.

Do you have a birthday or anniversary this coming week? Won't you let your letter writer know so your name can be included.

Tim Finkbner, son of Mr. and Mrs. Richard Finkbner had the misfortune of breaking his arm recently.

Miss Lisa Calvert, daughter of Mr. and Mrs. Harold T. Calvert, graduated from Wesley College, Dover, Saturday, May 21 with an Associate in Arts Degree in Paralegal Studies. While going to college she was employed part time but now is a full time employee of the Prentice-Hall Corporation Systems, Inc. in Dover. After the ceremonies Mr. and Mrs. Calvert entertained the following: Lisa, Gary Thompson of Upper Saddle, New Jersey; Mr. and Mrs. Paul Higgins, of Denton, Mrs. Anne Calvert of Magnolia and Michael and Gina Calvert. Congratulations Lisa!

Any news for next week's letter must be given to the writer by 9 a.m. Saturday.

Have a nice and safe Memorial Day weekend.

Gloria Lynn Dill

## Miss Dill To Begin Film Project

Gloria Lynn Dill, of Harrington, graduated from Drake University in Des Moines, Iowa, in ceremonies last Saturday.

A Radio-Television Major, Gloria was employed at KCCI-TV, central Iowa's CBS affiliate. She plans to work on an independent film project this summer with television producer Eric Somers.

Gloria is the daughter of Mr. and Mrs. Jack Dill of Harrington.

We lived through an awful experience last Sunday night. We had just enjoyed a wonderful weekend with our Newark family and coffee and desert with our Bridgeville family and then home to listen to the late weather news. They predicted very high winds and warned everyone to stay inside. It was midnight and as we climbed into bed, Dad remarked how awfully still it was. No sooner than it was said, as though we had pushed a button, a small twister or tornado roared between our farmhouse and Ellen's house across the way. We were so filled with fear, we could not speak. Somehow we got out of bed, wrapped on some clothing, put on our shoes and hurried downstairs to grab flashlights in case of power failure. Surely we were made aware of the mighty power of an Unseen Hand. Everything seemed to be exploding at once. Everything banged, slammed, battered and crashed, until we felt that the house would go.

The whole thing probably lasted only five minutes by the clock, but it seemed a lifetime. I did not stop shaking and trembling for at least an hour, but we are so thankful to our Heavenly Father for our protection.

After the storm I did not see my baby bunny for all week and we wondered if the storm had carried him with it. It was not until this morning, Friday, that I saw him again eating his breakfast at 7 a.m.

I called my friend, Tess, for a bit of telephone conversation this evening and, as usual, she had some interesting stories for me about her birds. She has this male robin that she can set her clock by. Exactly at 4:30 every afternoon he comes to her back yard for his supper and bath. Now, how does he know that it is 4:30? And she said that today she saw something that she has never before observed in her bird watching. Two Blue Jays were at the water fountain at the same time. After standing on the edge and drinking politely, they stepped in the bath and bathed together. I should like to have been there to see that!

Do you all put out your house plants for the summer? It is time, isn't it? I am thinking strongly of getting mine out under the maple tree where they live until time for frost again. My Christmas poinsettia looks especially good this spring.

Speaking of poinsettias, did you know that they observe a Poinsettia Week in Brooksville, Florida?

Registration (Continued from page 1).  
 September must have the following basic immunizations (shots): 4 doses DPT vaccine, 4 doses Oral Polio vaccine, 1 dose of measles vaccine, 1 dose of Rubella vaccine.

Parents are requested to bring a copy of child's birth certificate, a record of shots, and have child examined by family doctor.

It is desirable that the child be present at time of registration because "Operation Child Find" will be in progress and hearing and vision tests will be conducted.

Not present but receiving awards were Faith White and Michelle White. Both girls earned the Cook and Skater badges.

In addition the troop is working on the Outdoor Cook and Troop Camping badges which will be presented at the close of Unit Camping planned for Camp Todd near Denton, Maryland on June 17-19.

Badges were presented by the two present leaders of Troop 686 and by Mrs. Jo Ann Wyatt who led the troop from its start in the fall of 1975 through most of 1976.

## Girl Scout News

Last Wednesday, May 18, Girl Scout Junior Troop 686 of Harrington held a combination investiture and rededication service, and a court of awards at Asbury United Methodist Church.

The evening was keyed by a flag ceremony led by Patrol Leaders Christy Wise and Michelle Hill, assisted by Linda Paskey and Margaret Hughes. Following the flag ceremony, a candlelight service emphasized the three parts of the Girl Scouts promise and the Girl Scout law. This ceremony was climaxed by the singing of "On My Honor" by the troop with a duet by Jo Ann Krouse and Roberta Ricker.

Girls participating in the candle lighting were Roberta Ricker, Pamela Ray, Jo Ann Krouse, Linda Phelps, Allyson Coppock, Stacy Moffett, Lori Ann Wyatt, Cheryl Morris, Rebecca Brown and Nancy Fleming.

After the initial ceremonies new Girl Scouts were invested and other troop members were rededicated by reaffirming the Girl Scout Promise and receiving Girl Scout pins and service stars from leaders Barbara Brown and Lena Paskey.

Invested and receiving the Girl Scout trefoil pin and service star were Nancy Fleming, Jo Ann Krouse, Linda Paskey and Pamela Ray. Rededicated and receiving the trefoil pin as marking their first year as Juniors as well as the service star were Rebecca Brown, Michelle Hill, Roberta Ricker and Stacy Moffett.

Rededicated and receiving a service star were

Lori Ann Wyatt, Christy Wise, Cheryl Morris, Margaret Hughes, Linda Phelps and Allyson Coppock.

The investiture and rededication were followed by the presentation of badges earned during the year. Those earning badges were:

Lori Ann Wyatt - Skater, Gypsy, Books and Pen Pal.

Christy Wise - Skater, Pets.

Linda Paskey - Skater, Cook, Books, Collector, Housekeeper, My Home, Needlecraft, Pen Pal and Pets.

Michelle Hill - Skater, Cook and Collector.

Margaret Hughes - Skater, Backyard Fun, Collector, Water Fun and Needlecraft.

Allyson Coppock - Skater, Collector and Community Safety.

Roberta Ricker - Skater, Cook.

Stacy Moffett - Skater, Cook.
