Senior Center Celebrates 10th Anniversary

The Harrington Senior Center will celebrate its 10th Anniversary on November the 3rd. They will be having Open House from 1 to 3.

The Senior Center will have music by their own band. They will also have crafts on display and refreshments will be served. A doorprize will be given away.

The Senior Center started in 1967 at the Harrington Century Club. There were about 50 members at the time. In 1967 through 1972, the Center was only open three days a week. In 1971 the Center grew to a membership of about

100. Since 1972 the Center is open five days a week, seven hours a day. They started their band in 1974 and transportation was started then also.

Since 1967, The Center has made many additions to the building including a new dining room, kitchen, central heating, cable television, drapes, carpet, and new lighting. The building has also been repainted and some new furniture purchased.

The Center serves hot meals five days a week and serves homebound meals also. Anyone over 60 is welcome to come, regardless of race, creed or color.

Presently, the Senior

Center has a membership of 300 to 400. They are averaging 59 people a day who work on their crafts, play pool, watch television and many other activities.

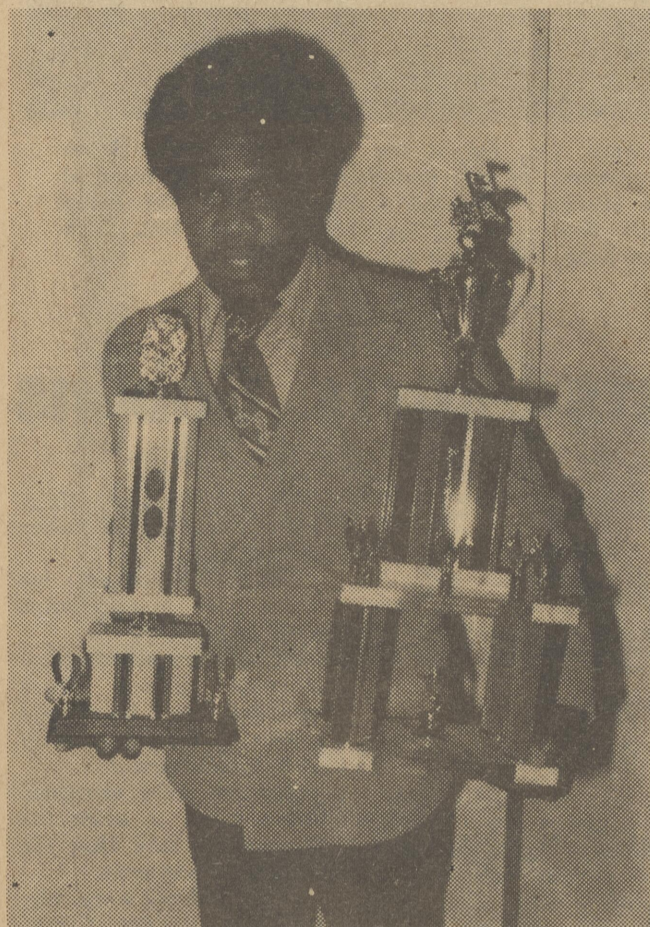

Coming November 17 and 18 the Center will be holding its Christmas Bazaar. Lunch will be served on the 17th to the public. Crafts will be sold at the bazaar.

Sabra Cello is the executive director of the Senior Center, having served in this capacity since March of 1976. Dorothy Graham is the crafts instructor, Gladys Hill is the Kitchen Aid, and Charlotte Welch is the manager and assistant.

Band Practices

Harrington Senior Center Band practices for their 10th Anniversary celebration to take place on Thursday, November 2. The public is invited.

Win Four Trophies

Local Bands Have Big Weekend

Both the Lake Forest High School Band and the W. T. Chipman Junior High Band had a successful weekend as each placed first in two parades.

The High School band under the direction of Dale Burkhart placed first in the Milford and Rehoboth Halloween parades. For their efforts the band received two trophies and \$150 and \$100 respectively for their efforts.

As far as the W. T.

Chipman band is concerned they competed in four parades over the weekend, including the homecoming parade which was held on Friday night. On Saturday the band competed at Milford in the morning and won a first place trophy and \$100. In the afternoon the band competed in the Dover Halloween parade and won a large trophy for outstanding performance in a non-competition parade.

On Sunday the Junior

High band like the High School won at the Rehoboth parade and received \$75 for their efforts. This is the first year that the Chipman band has had a flag corp. In past years the band had a pom-pom group. The flag corp under the direction of Mrs. Betty Rierden consists of twelve girls who according to director Alex Becton "Did a superb job and added a new dimension to the band. We owe a great deal of our success to

them." The next group of parades that the Chipman Band will participate in will be Christmas parades beginning with the Seaford parade on November 26. The band will then also participate in Christmas parades in Harrington and Milton. Last year the Chipman band received a legislative proclamation for their outstanding work and have started this year off just the same way.

Airman Of The Quarter

Harrington resident Mark Wolf, was selected as Airman of the Quarter for the 512th MAW [Assoc] [Reserve] at Dover AFB. Here he is working on the jet engine from a C-5. [USAF Photo by Wesley Bell]

Mark Wolf Is Named Airman Of The Quarter

DOVER AFB.-- " Outstanding is the only word that can be used to describe SrA Mark Wolf," according to Chief Master Sergeant John R. Traegler Non-Commissioned Officer in Charge of the Propulsion Branch in the 512th Military Airlift Wing (Associate) Maintenance Squadron. Based on Sgt Traegler's recommendation and Airmen Wolf's performance of duties, Mark has been chosen as the Airman of the Quarter for the 512th MAW.

A 1975 graduate of Lake Forest High School, Mark has been in the Air Force Reserve for two years and is a jet engine mechanic assigned to the jet engine maintenance shops. There he performs the inspection and repair of engine components. While not serving with the 512th MAW, Mark is an active member of the Harrington Community where he serves as a member of the Harrington Fire Company as an ambulance driver and a member of the rescue squad. Mark is also scout master of Boy Scout Troop 200 and a member of the Trinity Methodist Church.

Bands Win Trophies

Both Lake Forest High School and W. T. Chipman Junior High School came home after this weekend with two new trophies for the trophy case as each recorded two first places during weekend Halloween parades. Top photo shows W. T. Chipman band director Alex Becton holding their two trophies while below John Teagle and Pam Smith display the High School trophies.

Deadline November 25

Jaycees Plan Annual Christmas Parade

It's nearing that time again when the Harrington Jaycees put on their annual Christmas Parade for all to enjoy.

The date for this year's parade will be December

3rd beginning at 1:30 p.m. Rain date will be Dec. 10. Already the Jaycees have plans for not only the parade but also an antique car and van show to be held before

the parade. This year's parade chairman is Ray Blanchette. For further information you can reach him by calling 398-3206 (day), or 398-3225 (night). All

groups interested in participating in the parade should contact him so they can be mailed an entry form. Deadline for registration will be November 25.

100% Parity Wanted

Wives Begin Helping

Farmers wives are helping their husbands' movement for 100% parity. The wives have had meetings to determine how they can support the cause for better prices for their farm crops. They obtained over 800 signatures on petitions for parity which were presented to Bob Bergland, Secretary of Ag-

riculture, when a group of local farmers met with Mr. Bergland. The ladies also made and sold baked goods at the rally held the same day the farmers visited Washington. They also are on a letter-writing campaign.

The wives are supporting the movement because

of their fear and alarm over the future of the family farm, the effects the farm prices have on them as consumers and farm wives and the fact

that farmers are becoming extinct. Any lady interested in attending meetings please contact the Wayne Eakin Farm in Greenwood.

Schools Close

Schools of the Lake Forest School District will dismiss their pupils at 12:00 P.M. on Friday,

November 11, in order to provide an inservice day for teachers and administrators.

Creature Feature

Strange creatures were seen lurking through Harrington during the past week, some as a result of the Harrington Jaycee haunted house and others

because of Halloween. [l-r] In the first photo Jaycee Craig Bebee shows Egor's form off to the visitors of the haunted house. The second photo shows

that even werewolf like Jaycee Bruce Hickman like to go for walks. The third photo displays the winning costume of the Jaycee's costume contest while

the fourth is your basic trick-or-treater, Dana Porter. [Staff Photos by Ray Blanchette and Gwen Krouse.]

Local Interest

by Edythe Hearn

Mrs. Maude Dickerson recently had a fellowship dinner. Her guests were Mr. and Mrs. Harry Carpenter of New Castle, Mr. and Mrs. Thomas Pepper of Georgetown, Mrs. William Dodd of Lewes, Mr. and Mrs. Jack Carpenter and Mrs. Blanche Mitchell.

Miss Ronda Melvin daughter of Mr. and Mrs. Roland Melvin, celebrated her 16th birthday Tuesday, October 26, with a few friends in for dinner and an evening of enjoyment at her home.

Mrs. William (Alice) Etherington of Lincoln spent Friday evening with her parents, Mr. and Mrs. William Hearn.

Miss Linda Wix of Newark spent the weekend with Mr. and Mrs. Robert Wix and Mrs. Hattie Thomas.

Several local members attended the Annual Agway meeting in Syracuse, N.Y. Wednesday to Friday of last week.

Col. William Wix and son Tom of West Point, N.Y. visited Mr. and Mrs. James DeLeo of Dover

and Mr. and Mrs. Robert Wix and Mrs. Earl Thomas. Other callers at the Wix home during the week were Mrs. Myrtle Downes of Wyoming, Miss Lillian Breeding of Baltimore, Mrs. Barbara Porter of Greensboro and Mr. and Mrs. Edward Collins.

Mrs. Hazel Riley and Mr. Carrington Burgess spent Sunday with a trip through the Amish Country of Lancaster and onto Strasburg, Pa. where they rode the Strasburg Steam Railroad train to

Paradise, Pa. This railroad was built in 1832 and has quite a history and proves to be most enjoyable.

The following fellows from the Harrington area spent a few days last week in Oxford, Pa., pheasant hunting. They were Leroy Betts, Gary and Donny Garey, Bill Paskey and Ken Outten.

Mr. and Mrs. Frank Bradley and Mr. and Mrs. Elmer Brown visited Mr. and Mrs. David Coverdale in Milton Saturday evening.

Sunday guests of Mr.

and Mrs. Elmer Brown were Mr. and Mrs. Melvin Brown.

Mr. and Mrs. J. Edward Taylor entertained at cards Saturday evening.

Several members and guests of the local farm bureau went by bus to Williamsburg Saturday.

Mr. Joseph Ward observed a birthday Tuesday, Nov. 1.

Mr. and Mrs. John Donovan of Wilmington called on Mrs. Elizabeth Anthony Sunday. Other callers during the day were Mrs. Elizabeth Zietler and Mr. Tanny Pronne.

Mr. and Mrs. Henry Palladino of Felton were guests Monday evening of Mrs. Howard Anthony.

Responsible for the dirty work, i.e., fun at the annual Harrington Moose Halloween Party were the members of this committee gathered in front of the spook house [one of the evening's more eerie attractions]. In the group are Flo Dopirak, Joe Dopirak, Bonnie Freer, Terry Freer, Carol Dill, Herb Bullock, Louise Bullock, Lillian King, Bill Welch and Alice Mullins.

Moose Hosts Ghosts, Goblins

On October 22 at 7 p.m. a group of young and elderly alike went on a hayride from Harrington Nazarene Church.

A great time was enjoyed by all. Refreshments were pumpkin, spooky cookies. Thanks to Taylor & Messick for the use of their truck.

Harrington Moose Lodge #534 held its Annual Halloween party Friday, Oct. 28th.

Once again there were

ghosts, goblins, cats and bats.

Flo Dopirak, Jr. Graduate Regent and Joe Dopirak, Sgt. at Arms,

chairmen of the affair, were assisted by other co-workers.

Punch, cupcakes, ice cream and ginger snaps were served to all.

First and second place costume prizes were awarded to four age groups - 0-4, 5-8, 9-12, and 13 and up.

Children were cautioned however not to enter the spook-house until after the judging of costumes.

Local judges were Mr. and Mrs. Henry Clark, Felton; Mr. and Mrs. Kim Porter, Felton; and Mr. and Mrs. Lester Minner, Harrington.

After a very tiring evening, each child left with a trick-or-treat bag filled with goodies. 85 children attended and 80 adults.

Candy in excess was delivered to the Harrington Senior Citizens Center.

Senior Center News

by Cleota Willey

Our week started with a very interesting Bible study with Mrs. Burdette as leader. Our many thanks to her for her time and help this last month.

After lunch Mr. Phillips was here with a film and lecture on "Weight Control."

The kitchen band was in rare form Tuesday at rehearsal with Andy and Mrs. Hughes.

The nurse was here as usual each month for blood pressures.

Mrs. Graham had her ceramics not only on Wednesday, but every day, some part of the day.

After lunch Charlotte White, Mrs. Elizabeth Anthony's niece from Bridgeville, was with us to show slides of her recent trip to Australia. They were interesting and enjoyed by all. Thanks, Charlotte. Come again.

Mrs. Elsie Vineyard is still faithfully coming in to share her knowledge and talent on knitting and crocheting.

Thursday after lunch the Senior Center kitchen band accepted an invitation from Smyrna Delaware Home and Hospital to entertain the patients having a birthday in October. Many of the patients were there to enjoy the music. Among them was Mrs. Mary Hildbrand who was 100 years young. The report was she enjoyed very much and kept time with

the music. Also Mrs. Bertie Jones who was 98 years young.

It was a pleasure for our band to have shared in their party.

Friday was bowling and shopping at Milford. High lady was Mrs. Merle Roth. High man was Mr. Jim Konienchi. Mrs. Stella Foskey and Mr. Gus Cramer are still in the hospital. Friday afternoon 10 of our members went by bus to spend the weekend at Camp Arrowhead. A good time was had by all.

The Harrington Senior Center was one of the first senior centers to respond and be entertained under this new program. The counsellors, directors and everyone connected with the program were outstanding in every aspect of their duties, even to assignment of cabins. The programs were organized to include all subjects of nature.

Food was delicious and was served in most pleasant surroundings with huge logs burning flames of welcome. The seniors of other centers have joined in accepting invitations at different times and were very congenial and grateful for the opportunity to share in such a beneficial program.

Our sincere thanks to all who made the program possible. Those who enjoyed the weekend from

our center were: Annabel Morrow, Anna Mae Short, Ina Hughes, Reed Hughes, Gladys Hill, Ella Galt, Bertha Dean, Nellie Tyler, Mary Benson, Elma Thorpe, Mildred Vincent, Irene Legates, Cleota Willey, and Elsie Vineyard.

Mrs. Mabel Jean Donovan was at the Senior Center to teach us how to make topiary trees for Christmas and we thank her for her time and knowledge.

Winner of all the goodies at the Moose Halloween Party was four-year-old Tonya Rae Parsons, daughter of Steve and Dawn Ringgold.

WHY WE SHOULD CHERISH THE FREEDOM TO FAIL.

Once there was a nation of people ruled by laws instead of men. While abiding by the laws of the land, they competed vigorously with each other in the marketplace. Most were successful to one degree or another. Some failed.

Those who failed began again, hopefully choosing enterprises to which they might be better suited. Some failed again. Some continued to fail. Some gave up. This happened because the system, known as free enterprise, guaranteed only opportunity, not success. It could not rule out bad luck, acts of God, and all the miscalculations human nature is heir to.

From failures also came new ideas, techniques and experience which led to the success of former failures and to the benefit of all. Yesterday's hare-brained scheme became today's labor or life-saving device.

The needs of those who could not compete because of infirmity were cared for privately by the successful majority. Those who would not compete because of indifference or sloth were scorned if brought to the attention of the majority. For the most part, however, they were ignored.

Because eventually nearly everybody shared some measure of success, this nation became the envy of the world. The nation of competing people ruled by laws instead of men had arrived at that ultimate success — world leadership.

Then a strange thing happened.

A few people began to raise a hue and cry. "We are not all equal," they wailed. "Some are more successful than others."

Most of the people thought, "So what's new?" and went right on trying to be successful. Eventually, however, the moans of these few took its toll. The successful majority became self-conscious about their success — even a little guilty. Then they made the fatal error. They began to listen to the doomsayers.

"Freedom is risky," they said. "We need security and equality." So they proposed laws to give the earnings of some people to others who had not earned them. Laws to try to guarantee material "success" to everyone. Laws to control wages paid and prices charged.

The nation of successful people passed those laws and did their best to succeed while abiding by them, but somehow it wasn't the same. People still failed, but were not called failures. Instead, they became candidates for subsidies. At the same time, it became harder and harder to succeed — so fewer people did.

Eventually, the goal of "equal success" was achieved. The doomsayers were right. There was no inequality . . . there was no success, for there is no freedom to succeed without freedom to fail.

And, the world looked elsewhere for leadership.

Letters To The Editor

We wish to thank the people of this community. The Harrington Jaycees have just completed a most successful project in the Haunted House. The Haunted House was a fund raising project in which the proceeds went to the Muscular Dystrophy Foundation.

A few people in the community come to mind for their contributions which made this project possible: Joseph T. Richardson, William H. Outten, J.D. Dennis Sr., and Leroy Calhoun were a few of the men who saw that this project would be a benefit to the community in general as well as the funds that would go to

Muscular Dystrophy.

Our thanks also go to the Harrington Jaycees for their support, but especially to the wonderful people of our community for their ongoing support.

Joseph Gannon
Jim Callaway
Co-Chairman
Harrington Jaycees

The Evans Report

by Congressman Tom Evans

Child pornography is a topic of great concern to all of us and its recent growth is frightening. Recent television accounts of the use of children in pornographic films and in magazines have angered me and I am shocked at the greed exhibited by these pornographic producers in making money by exploiting children. I am glad to report that the House of Representatives this week passed legislation which will help to stop the spread of this ugly business.

Many state prosecutors as well as the U.S. attorneys in each state have been powerless to deal with those depraved individuals who either transport children over state lines to engage them in prostitution or who photograph children engaging in sexual acts. This legislation attacks these problems by making it a federal crime to transport a child with the intent of having the minor engage in prostitution. Additionally, the bill prohibits the use of children in acts of generally explicit

conduct for the purposes of the promotion of printed or filmed matter depicting such explicit sexual conduct. Finally, the House voted to accept an additional provision which will outlaw the transportation and distribution of the materials obtained as a result of sexual child abuse. Substantial prison terms and stiff fines are imposed on those convicted of violation of the provisions of this legislation.

The testimony which the House Judiciary Committee received when considering this legislation highlights the need to deal harshly with those engaged in child pornography. Frequently pornographic producers are able to move rapidly from state to state, setting up their studios in motel rooms, then quickly move on to another state to avoid detection. State officials often do not have enough

resources at their disposal to adequately deal with this type of problem. They cannot move from state to state, following the producers, and many times information available to

law enforcement officials in one state is unavailable in another.

This legislation will allow the full investigatory and enforcement authority of the Federal Bureau of Investigation and the United States Postal Service to combat those individuals who use state lines as a way to escape prosecution for these heinous activities. The FBI's nationwide character makes this agency particularly helpful in tracking down the smut producers who often have traveled with impunity around our country.

Both juvenile prostitution and sexual exploitation of children are serious problems facing America today. The producers of child pornography must be put out of business. I am hopeful that with this legislation we have given our law enforcement officials the tools to deal decisively with them.

Did you know?

According to the FBI, most burglaries occur between 6 p.m. and 2 in the morning.

Weekly Report

by Senator Joe Biden

This week all americans joined together to honor former members of all branches of the United States armed services... to recall their unselfish sacrifices during war and to pay tribute to their contributions to world peace. In Delaware, and across our land many veteran organizations held formal ceremonies to keep the memory alive of those courageous men and women who have given their lives in battle.

Throughout the year, these veteran organizations work tirelessly behind the scenes to promote the welfare and security of the nation; and to reinforce the moral and social values which their members defended by their military service. Their contributions to our society are immeasurable. Working through the accepted channels of civilian influence, they conduct various civic projects; and generally attempt to improve public affairs making all our lives better.

Unlike any other group of men or women, who fought for this country the vietnam era veterans, did the most and have received the least. To help compensate, somewhat, I cast my vote last week to revise some portions of the GI bill, which are concerned with educational benefits. The thrust of the legislation is threefold. 1) It would make more money available for educational assistance benefits. 2) It would provide for an education loan program. 3) It would extend the period of time that veterans can take advantage of these education benefits.

I think this is a very positive step, we have taken. I think we must recognize

Career Corner

By Buck Thompson

This program lets you borrow the money you need for school from a bank, credit union, saving and loan association, or any other lender who is willing to make educational loans. The state you live in, or a private non-profit agency will guarantee the loan, or the Federal government will insure it.

Career students who have enrolled or have been accepted for enrollment at least half time at an eligible vocational school may apply for a loan. Students may borrow up to \$2,500 a year (in some states it is less) and interest cannot be more than 7 percent. The total amount of career student may borrow is \$7,500 for undergraduate work.

If you qualify for federal interest benefits, the government will pay the interest on your loan until you must begin repaying the principal. To apply for

ments designed to outlaw busing have never come before the Congress for a vote. Opposition from the liberal pro-busing elements has assured that they "die" in Committee for lack of action. A flurry of anti-busing Constitutional amendment resolutions, did prompt the Judiciary Committee to hold hearings last year, during which I testified on mine, but the Committee failed to report any amendment favorably to the full Senate.

As I stated in my last busing column, the strong pro-busing forces in the present Congress will throw up any roadblock they can think of to make passage of anti-busing legislation difficult. Since a Constitutional amendment requires a two-thirds vote of both houses before it is circulated for ratification by three-fourths of the state legislatures, it follows, therefore, that favorable Congressional action on an anti-busing amendment would be near-

ly impossible by this method.

The Constitution, however, may be amended in another way: by petition of two-thirds of the states to Congress to call a Constitutional convention. At present, this is probably the only viable way an anti-busing amendment would ever become part of the Constitution.

I understand that 15 states have now filed applications with the Senate Judiciary Committee for an anti-busing amendment under this alternate procedure. One came from Delaware in 1973, and I commend the General Assembly for its foresight in filing it.

But even though the Constitution permits amendment by ratification of two-thirds of the states, this has never happened. However, when it comes close to happening it provokes Congressional action. A good example was when with only one state shy of the required two-thirds petitioning, the Senate finally passed an amendment providing for the direct election of Senators.

While complex legal questions may surround the state alternative method, one thing is certain. If there is an authentic national sentiment or movement underlying a petition by two-thirds of the states, or close to two-thirds, the Congress will undoubtedly respond.

Ten Years Ago

Fri., Nov. 3, 1967

Richard Samuel is the new full-time pharmacist at Clendening Pharmacy in Quillen Shopping Center.

Two unoccupied farm houses near town were destroyed by fire early this week with arson suspected as a cause.

On Saturday, November 5, the Farmington Ladies Auxiliary will hold a bazaar at the Fire House from 10 a.m. till 4 p.m. On sale will be chili, homemade soup, turkey salad, sandwiches, pies, candies, cakes plus a white elephant table.

On Sunday, November 6, Prospect United Methodist Church will have their homecoming services starting at 2 p.m. Rev. Harold Davis, now pastor of St. Mark's United Methodist Church, Easton, Md., will be the guest speaker. Everyone is welcome.

On Sunday, November 6 a spaghetti dinner will be held at St. Bernadette's church hall, Harrington, from 1 to 5 p.m.

Don't forget the evangelistic services at Union United Methodist Church, November 6 through 10 starting at 7:30 p.m.

On November 7 the Bethel United Methodist Women will hold their regular monthly meeting at Mrs. Myrtle Wright's.

Sympathy is extended to Mr. and Mrs. Ronald Collision and family on the loss of her sister last week.

Mr. and Mrs. Hubert Cannon attended the Christening of Melissa McCready, daughter of Mr. and Mrs. Russell McCready on Sunday in Calvary United Methodist Church, Milford.

Mrs. Frances Killen, Mrs. Elaine O'Bier, Mrs. Faye Prettyman, and Mrs. Dorothy Cannon went to Williamsburg on Thursday with the farm bureau women.

Celebrating a 45th wedding anniversary this week are Mr. and Mrs. Emil Gerardi.

Celebrating birthdays this week are Florence Walk, Sara Bradley, Pamela Propes, J.J. Carter and Michael Goff.

Week of Oct. 24
 Sympathy is extended to Mr. and Mrs. Cliff Jester on the loss of their daughter last week.

Sympathy is extended to the family of Mrs. Lillie Baker who passed away last week.

Sympathy is also extended to the family of Mr. Clayton Luff who passed away on Friday.

Sympathy is also extended to the family of Mr. Hayward Quillen who passed away on Friday.

Union United Methodist Church of Burrsville will hold evangelistic services November 6 through 10 at 7:30 p.m. Rev. James Doughten, pastor of the Greenwood Charge, will be the speaker. Everyone is welcome.

Mrs. Helen Volkmar of the Todds Community is home from Nanticoke Memorial Hospital and is doing well. She would like to thank all who thought of her in their own special way while a patient in the hospital or while convalescing.

Mrs. Mary Butler has returned home after being a patient in Milford Memorial Hospital for the second time and is much improved. Mr. and Mrs. John Barney of Wilmington, Mrs. Seth Baker, Mrs. Sylvia Taylor and Mrs. Harry Sellers visited her on Saturday.

Mr. and Mrs. Harold Calvert, Gina and Michael visited with Lisa in Monsey, N.Y. over the weekend.

Mr. and Mrs. Carmine Gallo, Jr. were in New Jersey several days last week on business.

Mrs. Roger Butler is home from Milford Memorial Hospital. She is well on the road to recovery. Also, Karen is much improved.

Shane Larimore was on the sick list last week.

Mrs. Preston Beauchamp is on the sick list.

Two celebrated birthdays earlier this month I would like to mention.

They are Donna Gerardi and Tony Gerardi. Celebrating birthdays this week are Louis Butler, Arley F. Taylor, Betty Breeding, and Joe Ward.

Elwood R. Wright, Harrington, and his 17 lb. blue caught Oct. 24 at Cape Hateras Light House. He was caught on the first cast into the surf. Mr. Albert L. Wright also of Harrington caught a 16 lb. rock on Oct. 28 off the jetty at Indian River Inlet.

Marriage Encounter Night Set

A Marriage Encounter information night will be held at St. Stephen's Church parish hall, Raughley Hill Road, Harrington, on Thursday night, November 10, at 7:30 p.m.

Marriage Encounter is for couples who desire to enrich their already good relationship. Couples who have been married from several months to 50 years can anticipate a rich and beautiful experience.

Marriage Encounter is not a marriage clinic, sensitivity session or based on group dynamics. It also is not designed to solve marital difficulties. All couples are welcome. There is no charge or obligation.

Clarence Billings

Clarence Billings Promoted

Delmarva Power announced this week that Clarence Billings, a native of Harrington, has been promoted to the position of Foreman, Tree Trimming Crew in the utility's Harrington Division.

Mr. Billings joined the Company in 1946 and has served most recently as Lead Tree Trimmer.

Mr. Billings is a member and former trustee of St. Bernadette's Church in Harrington. He and his wife, Audrey, are the parents of three children: Doreen (26), Joe (23) and Heather (16) and reside on Third Street in Harrington.

3rd Annual Arts and Craft Fair Set

Work is under way for the 3rd Annual Arts & Crafts Fair in Dover Delaware on November 12, 1977 at the Dover Armory. This event grows in popularity every year and this year we anticipate a tremendous turnout with people attending from all over the Tri-State area.

Artists and craftsmen attend this event on a regular basis, exhibiting fine woodwork, pottery, paintings, hand made quilts, baked goods, macrame, knitting, spinning demonstrations, stained glass, and

many other fascinating exhibits. This annual Fair is one of the few chances the local craftsmen have to exhibit their talents as well as give the public the opportunity to view their work and purchase original and distinctive gifts for Christmas. Any craftsman interested in participating in this event should write to: 3rd Arts & Crafts Fair, PO Box 16, Dover, DE 19901.

Foster Parents Honored

Mrs. Harriett Goldstein, associate director of the Association for Jewish Children of Philadelphia, will be the principle speaker at the Foster Parents Recognition Night at Sussex Central High School cafeteria on November 10 at 7:30 p.m.

4-H News

Georgetown, De., Calendar of coming events: Nov. 8 - Leaders Meeting, 7:30 P.M. at Substation, 13 - International Foods Day, 2 P.M. at Substation Nov. 25-Dec. 2 - National Club Congress.

4-H is becoming quite a common word in Sussex County homes today! What is 4-H and what does it represent?

4-H is an endless parade of enthusiastic young people from farms, small towns and cities - boys and girls exhilarated by the great challenges of tomorrow, because they have already conquered the smaller challenges of today.

There are more than 5 million participants in 4-H throughout the nation - proving that young people respond to the 4-H challenge to do the difficult - "To Make the Best Better."

4-H not only asks for the best work youngsters can produce; it gives them guidance for accomplishing their goals.

The Cooperative Extension Service of The U.S. Department of Agriculture the State Land-grant Universities and the County Extension Services conduct the 4-H program.

Adults and Youth with a liking for leadership and a gift for boys and girls, volunteer their time to lead local groups, showing youngsters the "how to" and "why" of various activities.

"Friends of 4-H" give 4-Hers a reason for achievement - a strong incentive and recognition at local, county, state and national levels. Civic and business groups around Sussex County are partners with 4-H members and leaders.

4-H is an exciting, "Learning by Doing" experience in which 4-Hers can select projects and set their own goals. By projects end they have

learned useful skills, the dignity of work and the satisfaction of responsibility. By comparing their accomplishments with others, 4-Hers develop higher standards of excellence and the Self-confidence to broaden their goals and interest.

Our 4-H program is growing each day. Any youngster between the ages of 8 to 19 are encouraged to enroll in a local club. Contact the County Extension office at 856-5250. Learn how You can help promote the welfare of this nation's most precious resource - her young people!

Don't miss next week's report on the Pumpkin Decorating Contest. Our 4-Hers celebrated Halloween by decorating colorful pumpkins. The winners will be announced next week.

RENT A NEW WURLITZER PIANO

SHOULD MY CHILD TAKE PIANO?
Yes. Few things so enrich life as understanding and appreciating music. Piano playing is in itself a rewarding creative outlet. At the same time, it encourages the development of a well-rounded personality, and it promotes concentration, alertness and poise.

Raymond A. Blanchette - Asst. Sports Editor

Harness racing returns to Dover Downs on Sunday, November 6, with the opening of the 1977-78 season. Racing will be conducted Tuesday through Sunday each week through March 25, 1978 with the exception of the Christmas break from December 19 through December 26.

Parker Sets Sussex Central Course Record

Muddy conditions could not stop Lake Forest's flying senior, Danny Parker, as he shattered Sussex Central's course record last week. Parker raced 2 3/4 miles in 14 minutes and 13 seconds to shatter the old mark held by McDonald of Smyrna. Louis Thomas's 14.47 was also under the previous standard of 14.58.

Lake Forest prevailed by a score of 16-45 without using Wilson Fry and Dave Richter, two veteran mainstays who were top five performers on Lake Forest's 1976 state championship team.

Jim Blades' Spartans now own a 7-0 record in Henlopen competition with only Laurel, not considered a threat, left on the schedule.

Billy Mitchell and Joe Custis were third and fourth place finishers with Kelly Woodward and Tom Ott kicking in together in sixth place.

Pete Fraley, Craig Fry, Randy Ramirez were within 19 seconds of Woodward and Ott. Newcomer Charles McDougall may have enjoyed his finest hill-and-dale hour since 16.14 is very good for a novice. He beat all of the enemy but three as did Doug Caskey, Eugene Butler and improving Dale Jarrell.

Maurice "Reese Cup" Coverdale, Doug Stevens, Bob Aycoth, Robbie Manaraze, Derrick

Chodkiewicz, Mike Bishop, John Layton and Jerry Mosley ran the distance in fine style against the stop watch in the absence of any competition. Times ranged from 16.36, 17.01 and 17.30 for the first three, down to 18.34 for Mosley.

Most of the Chipman kids ran well. They are rounding into great physical condition. Others doing an especially fine job this time were: Albert Burns, Chris Caskey, Sherry Colburn.

Chipman Harriers Outrun Milton Junior High

Jim Blades has confidence in his W.T. Chipman School cross-country team. Consisting of seventh and eighth grade runners only, the Harrington school and their coach do not fear older runners. For the third time this fall, Chipman met and defeated an older team as Milton Junior High with grades 7, 8 and 9 bowed to Chipman 19-42.

The visitors looked lean and tough, had a large squad numerically and boasted that they were undefeated and intended to remain that way.

Chipman did not wait long to cut the larger visitors down to size. Maurice "Reese Cup" Coverdale took an early lead with fellow eighth graders Doug Stevens and Bob Aycoth running in fourth and fifth spots. After

leaving the wooded area and emerging into the parking lot, it became apparent that Chipman had the meet in hand. Coverdale, Stevens and Aycoth were running 1-2-3 with a mile to go. The trio easily held their positions and Chipman was in the victory column, since a team with the first three runners across can not lose in a dual meet, provided that two more harriers complete the course.

Actually, if the above stellar trio and all the other local eighth graders had stayed home, Chipman would have won the meet using only seventh graders.

Coverdale clocked 16.25, his fastest trip ever here. Stevens and Aycoth came across in 17.09 and 17.44 respectively.

Robby Manaraze, a tiny

tough tenacious and talented seventh grader, was sixth leading a pack of teammates including Mike Bishop, Derrick Chodkiewicz, John Layton, Jerry Mosley and Tony Scott.

The third, fourth and fifth Milton finishers were shadowed by Chris Caskey Albert Burns, Sherry Colburn and Herb Hertzberg.

The remaining Chipman harriers beat several of their rivals as each local posted new personal bests. Dan Green led this group followed by Pandora Scott - 2 minutes; Mike Grogan, Tom Silkworth - 41 seconds; Dave Weber, Allan Buckley, Joe Fournier - 75 seconds; Karen Warrington - 51 seconds; Melissa Lewis - 1 minute 51 seconds; Larry Guessford - 3:08; Elaine Grant - 15 seconds.

Dave Bullock, Dave Emory and Ken Kline, three excellent prospects, were sidelined by illness and did not run. Bullock may not return until 1978. He was one of the top three locals until he was injured in a bicycle accident. Bullock, Coverdale, Stevens, Aycoth and Mike Bishop should be a welcome addition to the Lake Forest varsity, since several harriers will be graduating.

Brian Barthlow, a future phenom at age nine can be expected to run these various cross-country courses in clockings that would place him near the middle of the Chipman group. By the time he reaches grade seven, he just might be No. 1 at Chipman. By grade 9, No. 1 at Lake Forest?

Schedule Change

The soccer game against Milford that was originally scheduled for this Saturday has been changed to Thursday night with JV beginning at 6:30 and Varsity at 7:30. Admission will be one dollar for students and one dollar and 75 cents for adults.

"No man does anything from a single motive."
Samuel Taylor Coleridge

Harness Schedule Changed At Dover Downs

Dover, Del. - Dover Downs Raceway will be dark on Mondays instead of Tuesdays during the upcoming harness season soon to open on November 6th. The schedule change, announced today by track president, John Riddle, returns Dover Downs to the weekly timetable conducted up until last year.

Commenting on the change, Riddle said, "Last season we decided we would be dark on Tuesdays in order to remain open on Monday nights when Liberty Bell in Philadelphia was closed. We thought we would at-

tract some of the Philadelphia crowd on Mondays," Riddle continued, "but it didn't happen. Being closed on Mondays is much more convenient as far as our operations are concerned, so we decided that we would go back to being dark on Mondays for the coming season."

The weekly schedule as

it now stands calls for 10 races on Tuesday, Wednesday and Thursday; and 12 races on Friday, Saturday and Sunday. Post time Tuesday through Saturday will be 8PM and Sunday post time will be at 1PM.

The mandatory Christmas break will take place from December 19th through December 26th.

Spartans Beat Dover In Cross-Country

Lake Forest's cross-country team easily handled Dover's harriers at Killen's Pond State Park last Monday.

The Spartans, coached by Jim Blades, won their sixth Henlopen Conference meet in as many starts by a score of 18-38.

Dan Parker had another virtually solo jaunt as he covered the 2.7 mile course in 14.21, compared to Louis Thomas' 15.07, second-place clocking. Glenn Virden's 15.09 performance for Dover was his best ever, but no other Senator could invade the top six places.

The 6-0 Spartans are shoo-ins for another Henlopen Conference dual-meet title with no more challenges left on the schedule.

Thomas, Billy Mitchell, Wilson Fry and Joe Custis turned in their

top performances at Killen's Pond this season.

Craig Fry's fastest trip on the local course led a Spartan group of eight runners across in order in the jayvee test. Doug Caskey, Randy Ramirez,

Eugene Butler, Dale Jarrell, Charles McDougall, Sam Lamphier and John Veith were the others. McDougall and Lamphier are first-year runners who hit new bests.

Pit Chatter

by Harry G. Farrow, Jr.

With his second straight Winston Cup Grand National point championship safely tucked away, Cale Yarborough now has his sights set on another record -- the single season driver record for money won.

Yarborough's fourth-place last Sunday in the American 500 at Rockingham pushed his 1977 money winnings to \$379,241 and now needs only \$7,932 in the November 6 Dixie 500 to match his record setting figure of \$387,173 set last year.

"It has been a great year for us," said the Holly Farms Chevrolet driver, "and we want to close this season out by winning. That's been our major goal all year."

While Yarborough will be eyeing a single season money winning record during this year's Dixie 500, two other drivers will also have shots at milestones during the running of the 18th annual Winston Cup classic.

Richard Petty, the six-time Grand National point champion, needs slightly less than \$3,000 to eclipse the \$300,000 figure in money won for the third straight year. In 1975 Petty won \$378,865 and came back to collect \$338,265 last season.

Neil Bonnett, the young star of the Jim Stacy racing team, has a shot to go over the \$100,000 figure for the first time in his career. Through Sunday's American 500 at Rockingham, Bonnett has collected \$88,160 and needs less than \$12,000 in the Dixie to surpass the \$100,000 mark.

Bonnett's top figure during his short Winston Cup career came in 1976 when he won only \$31,650 in 13 starts.

And the construction continues at Atlanta International Raceway. Over 525 feet of new

concrete has been poured on the inside of the track, replacing an old guard rail leading from pit row into turn No. 1.

"That leaves us with only about 1,000 feet of guard rail on the inside of the track," said A.I.R. General Manager Larry Hogan, "and that will be replaced by concrete wall as soon as the Dixie 500 is over with."

David Pearson, the popular Purolator Mercury driver, has only two races left this season -- the Dixie 500 and the Times 500 -- to collect his 100th racing career victory.

"That 99th one was hard to come by (this year's Southern 500)," said Pearson, "and the 100th has been equally as hard. Atlanta has been good to us so maybe it can come during the Dixie 500."

Neil Bonnett, the youngest member of the Hueytown, Ala., brotherhood of Grand National drivers, is going into the Nov. 6 running of the Dixie 500 feeling as though all of the supposed adverse pressure resting on his shoulders isn't so adverse after all.

The mere fact that Bonnett's Jim Stacy-Harry Hyde ride is the same machine that won last year's Dixie 500 doesn't seem to cause any distress for the 30-year-old driver. Instead of pressure, Bonnett is oozing with confidence about his chances of winning the Winston Cup classic.

"We have pressure every week to win, but it makes my job easier knowing that the car is capable of winning," Bonnett said confidently. "We've got a good shot at the Dixie. We're going into the race with a very optimistic attitude..."

"We have some good stuff left for the race," Bonnett added. "Harry has saved some fine equipment for Atlanta and we

feel we have a good chance to win the pole position and the race."

Adding to Bonnett's confidence is the fact that the rising young star's first super speedway victory came at Atlanta International Raceway's 1.522 racing oval. He captured the 1975 Southern Sportsman 300, a late model sportsman race.

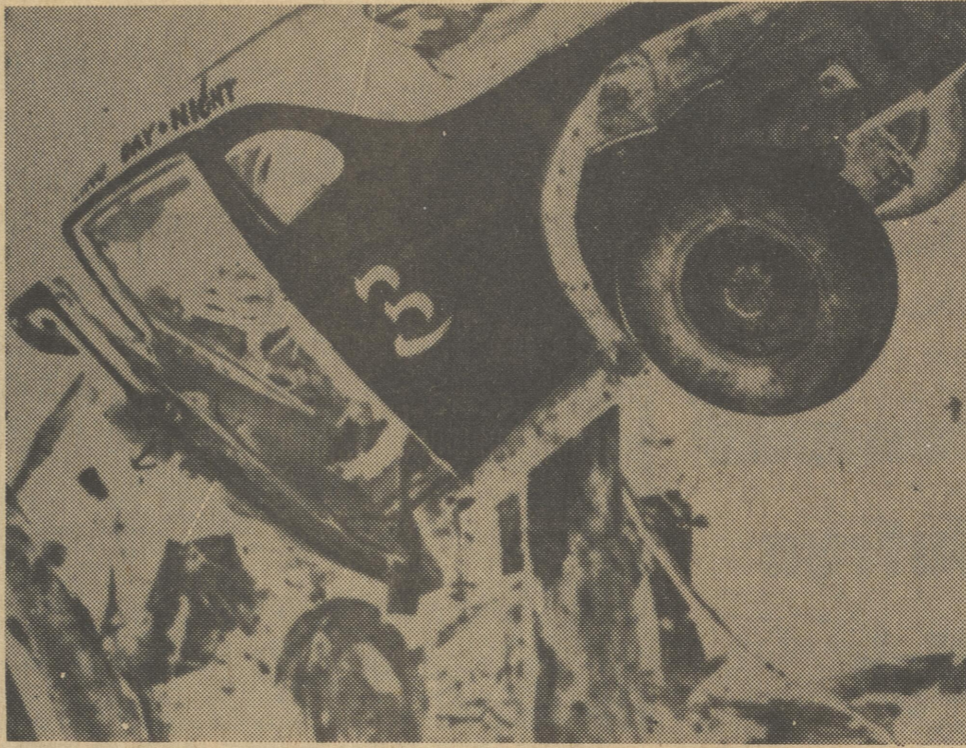

And Bonnett's optimism doesn't stop with just the pole position and the race. He also adds to the list the \$10,000 Allen-Russell Ford/WQXI Leadfoot Award, which goes to the first driver who leads ten consecutive laps under green.

"That's a lot of money for a few laps," said Bonnett. "Any time there's a lot of money up like that, you can bet Harry's going for it."

Before Bonnett can start counting his green, he will first have to contend with such drivers as Richard Petty, Cale Yarborough, Darrell Waltrip, Benny Parsons, Donnie and Bobby Allison, Buddy Baker, David Pearson and defending Dixie 500 champion Dave Marcis.

This year's Dixie 500 activities kick off on Thursday, Nov. 3, when the first 12 positions in the 40-car starting field go up for grab. Qualifying continues Friday and Saturday with the 328-lap event set for 12:30 p.m. Sunday.

INGLE HOLLOW, N.C. - Junior Johnson is known as one of the all-time greats in NASCAR racing. During his career as a driver, he roared to victory in 50 Grand National events and now he's stacking up equally impressive statistics as car owner and team manager of the Cale Yarborough -- Holly Farms

The Night Buck Hopkins flew. Shown here perched up in the trees at Georgetown Speedway.

NASCAR News & Notes

Nashville Speedway officials announced they have posted a \$1,000 reward for information leading to the recovery of Harry Gant's race car. The car, a 1976 Buick Apollo, and trailer were stolen from the motel parking lot where Gant was staying in Nashville. The race car is painted orange and has the white number 77 painted on each side and on top. The tow truck was recovered in Ardmore, Ala. Any information on the race car may be telephoned to Nashville Speedway (615) 242-4343.

Chris Economaki, the well-known editor of National Speed Sport

News and a member of ABC-TV's "Wide World of Sports" staff, has been named the recipient of the first annual Bobby Isaac Memorial Award. The award, recently instituted by Charlotte Motor Speedway in honor of the late NASCAR Grand National champion, will be presented annually to the individual who contributed the most to the betterment of Late Model Sportsman racing. The award was scheduled to be presented to Economaki prior to the running of the World Service Life 300 at CMS on Saturday, Oct. 8. Economaki also was to serve as Grand Marshal for the Late Model Sportsman classic.

Dixie 500: Final Southern Stop For 77

HAMPTON, Ga. - "Dixie 500 Mania is spreading like wildfire," declared Atlanta International Raceway General Manager Larry Hogan, "and track improvements and innovations are among the major causes for the surge."

The implementation of these new ideas along with prize give-aways and a sentimental story are the highlights for the 18th annual Dixie 500 NASCAR Winston Cup classic.

Over 2,000 yards of concrete and 70 tons of steel have been combined to form new walls around

the 1.522 mile speedway. In addition to new walls, drivers entered in this year's race will also be greeted with a bigger apron around the entire track. These improvements combined with repairs to the grandstand steps, a new infield rest-room and a new entrance way leading to the turn two crossover for infield fans are just some of the ways A.I.R. is showing its appreciation to both drivers and fans, according to Hogan.

In an attempt to accommodate the fans in every way possible,

section 11 of the Nelson Weaver Grandstand has been designated by A.I.R. officials as the "non-alcoholic" area for the Nov. 6 event.

Highlighting this year's record purse of \$160,025 will be a unique \$10,000 lap bonus payoff -- the Allen-Russell Ford/WQXI Leadfoot Award. The bonus payoff will go to the first driver leading ten consecutive laps under green during the 328-lap battle.

Drivers are not alone among the ranks of those eligible to win prizes. Some lucky fan attending this year's Dixie 500 will take home a \$10,500 Ski Nautique inboard ski boat and trailer courtesy of Correct Craft, Inc. of Orlando, Fla. The sleek, 18-foot boat will be fully equipped with the best AM/FM radio and tape deck by CMC Stereo Centers of Atlanta.

"We will have a drawing from the ticket stubs to determine the winner," explained Hogan. "The drawing will be held as soon as possible after the race starts, with the winner being announced over the public address system."

The sentimental story is centered around 32-year racing veteran G. C. Spencer. The 52-year-old driver from Bluff City, Tenn., announced that he will retire as an active driver following this year's Dixie 500 and his racing ventures in the future would be limited possibly to that of a car owner.

Spencer has been named Grand Marshal for the

Nov. 6 classic. "G. C. has been a tremendous credit to the sport of stock car racing throughout his career," said Hogan. "With his driving career ending here, it is very fitting that he should be honored during race week and on race day."

The winner of the prestigious First National City Travelers Checks Rookie-of-the-Year honor could also be determined at this year's Dixie 500. The hotly-contested battle involves drivers Sam Sommers of Savannah, Ga., Chesapeake, Virginia's Ricky Rudd and Janet Guthrie of New York and

Miami.

This year's Dixie 500 will get under way at 12:30 p.m. on Sunday, Nov. 6. Activity begins on Thursday, Nov. 4, when the first 12 positions in the 40-car starting field go up for grabs at 3 p.m. Positions 13 through 30 will be decided on Friday. The final ten spots will be settled Saturday afternoon at 1 p.m., just before the green flag falls starting the Allen-Russell Ford/WQXI 150 Baby Grand race at 3 p.m. This is the final Baby Grand race scheduled for the 1977 season.

What Makes Junior Run?

Chevrolet racing team.

But around Ingle Hollow, N.C., Junior's wife, Flossie, has made a name for herself with her famous southern-style cooking. Visit the Johnsons' ranch-style home and you're likely to find Flossie hard at work in her modern kitchen preparing meals for Junior

and their frequent dinner guests or canning and freezing her home-grown garden fresh vegetables.

A meal with the Johnsons is a rare treat. The dinner menu always calls for wholesome country cooking and plenty of it, which makes for a table full of culinary delights.

SPARTAN SCOREBOARD

This is the first place float of the Homecoming parade. The Juniors won with the spray can spraying the spider [that moved its legs] representing the Raiders.

Charlene Keller of Harrington was crowned the Homecoming Queen last Friday night at the Spartans football game. Photos By Gwen Krouse

Lake Forest High School captured their second win of the season last Friday night as they defeated Woodbridge by a 29-6 score.

Lake Forest made the game a runaway from the start as they scored 22 points in the first quarter on two short touchdown runs by Milton Justice and one by Orlando Burris. Woodbridge cut the lead to 22-6 in the second quarter but that was as close as they would get to the lead. Burris scored a touchdown in the third period to ice the game.

Lake Forest is currently at the bottom of the Northern Division of the Henlopen Conference with a 0-3-1 record in that division but are 2-3-2 overall. This Friday the Spartans will meet Sussex Central in hopes of picking up their first division win. Central will enter the game with a 2-2 mark in the division and a 5-2 mark overall. This will be the Spartans last home game of the season as they will travel to Dover Air and Milford in the next two weeks.

Sunny Side Up

By Lynn Hershey

If the Wrigley company had a contest for the best new chewing gum recipe of 1977, my meringue would win the grand prize. Without fail it is the consistency of sweetened latex.

Soon after our marriage, my husband made the unhappy discovery that his bride was a klutz in the kitchen. He patiently endured lumps in the chocolate pudding, the mashed potatoes, the gravy and the Cream of Wheat.

Toast and bacon were invariably charred beyond recognition. Brownies were more like blackies. Pie crust solidified in the oven and could hardly be dented with a knife, much less cut with a fork.

Years of trial and error gradually turned me into a fairly respectable self-taught cook. But one thing still defies me—meringue.

I have eaten meringue so golden brown, tall, tender and delicious that it was a creation of genius. I've also eaten meringue that was gummy, weepy and about one-eighth of an inch thick. It was usually my own.

I have tried every recipe, every method, every oven temperature. Nothing works. Not once in 20 years has a respectable feathery meringue been concocted in my kitchen. It generally looks and tastes like a large stale marshmallow that's been run over by a Mack truck.

case your meringue is also a disaster.

Sunkist is naturally interested in promoting lemon meringue pie. They must have surmised that a few people out there were having trouble, and decided it would be prudent to come to the rescue.

First of all, say Sunkist, be sure your bowl and beater are immaculate and free of any oil of grease. Even a trace of fat will keep your beaten egg whites from reaching their full volume.

Let your egg whites come to room temperature. They will whip up to a greater volume if they are not cold from the refrigerator.

Have you ever wondered why cream of tartar is used in meringue? It strengthens the cell walls of the egg whites, allowing them to hold more air without breaking down.

If your cream of tartar dates back to 1965, or you're out of it, substitute

one teaspoon fresh lemon juice for 1/4 teaspoon cream of tartar. Also, skip the salt because it reduces the stability of the egg whites.

According to Sunkist the real secret of perfect meringue is the amount of beating. Be careful to beat the whites only to the "soft peak" stage before AND after you've added to sugar.

Your recipe likely says to beat the whites until they are "stiff but not dry." Ignore it. What you want is soft peaks, not stiff ones. This should eliminate weeping, slipping, dryness and other distressing characteristics.

Finally, Sunkist Cheerfully suggests that practice makes perfect. Keep working on your meringue, they urge, and soon you'll be an expert.

Well, that's debatable. I've been practicing for 20 years and the meringue is just as punk as it ever was. It's too bad, because my long-suffering husband adores lemon meringue pie but I'm not sure he could take another 20 years of practice.

Career Corner (cont.)

these benefits you must give the lender a recommendation from your school as to the amount you need to meet your educational expenses. Without these benefits, you may still borrow money, but you must pay your own interest.

Before receiving a loan you must sign an affidavit before a notary or other person authorized to administer oaths that the money will be used for educational expenses only. You must begin repaying your loan between 9 and 12 months after you leave school. You may take up to ten years to repay the loan, but you must repay at least \$360 per year. However, the amount of your payments depends on how much you borrow. You do not have to make payments for up the three years while serving in the armed forces, Peace Corps, of VISTA, nor for Information and applications are available from schools, lenders, and

Local Boys Win Trophies

Two local boys brought home trophies from Maryland Championship Motorcross races.

Barry Thompson, 15, son of Mr. and Mrs. Alvin Thompson, won 2nd place and Keith Kelly of near Harrington, son of Mr. and Mrs. Ron Kelly, won 4th place in a field of 22 racers.

The races were held at Dunkirk, Md. Both boys are members of the M.A.M.A. motorcross Association and the Spartans Motorcycle Club at Dover Air Base. Barry and Keith both ride 125CC motorcycles.

School Menus

Lake Forest Elementary

Monday, Nov. 7 - Pizza square, buttered broccoli, fresh orange.
Tuesday, Nov. 8 - Energy savings day, choice of sandwich, vegetable dippers, rosy applesauce, cookie.
Wednesday, Nov. 9 - Lasagna, tossed salad, hot roll, chilled fruit.
Thursday, Nov. 10 - Delmarvelous sub, potato chips, peach half, sticky bun.
Friday, Nov. 11 - 1/2 Day, no lunch served.

Lake Forest High

Monday, Nov. 7 - Hot roast beef sandwich, buttered peas, rice/gravy, pineapple tidbits.
Tuesday, Nov. 8 - Tacos, lettuce & tomato, Mexican giant cookie.
Wednesday, Nov. 9 - Chicken & gravy over rice, buttered green beans, roll and butter, pear halves.
Thursday, Nov. 10 - Pizza, buttered lima beans, stuffed celery, fruit compote.
Friday, Nov. 11 - 1/2 day - No lunch served.

Sussex Vo-Tech

Monday, Nov. 7 - Baked ham, baked potato, seasoned greens, assorted salads, assorted desserts.
Tuesday, Nov. 8 - Meat loaf, buttered noodles, peas, salads, desserts.
Wednesday, Nov. 9 - Sliced roast beef, mashed potatoes w/gravy, buttered lima, salad, dessert.
Thursday, Nov. 10 - Italian Spaghetti, buttered corn, salad, dessert, homemade Italian bread.
Friday, Nov. 11 - Clam strips on a roll, french fries, green beans, salad, dessert.

Kent Vo-Tech

Monday, Nov. 7 - Fish fillet, parsley potatoes, stewed tomatoes, corn bread, orange wedges.
Tuesday, Nov. 8 - Pizzaburgers, buttered corn, tossed salad, chocolate pudding.
Wednesday, Nov. 9 - Meat loaf w/gravy, mashed potatoes, buttered carrots, biscuit, chilled applesauce.
Thursday, Nov. 10 - Energy Day. Orange juice, comb. sandwich, lettuce, tomato salad, pickles, potato chips, celery & carrot sticks, fresh fruit.
Friday, Nov. 11 - Steak Sandwich, escaloped potatoes, buttered collards, peanut butter brownies.

Woodbridge

Monday, Nov. 7 - Flying saucer, french fries, fruit punch, fresh fruit or ice cream.
Tuesday, Nov. 8 - Ravioli or lasagna, buttered corn, chilled peas, french bread, peanut butter cookie.
Wednesday, Nov. 9 - Chicken salad sandwich or chicken noodle casserole, tator tots, buttered peas, Boston creme pie.
Thursday, Nov. 10 - Meat loaf or meat balls/tomato sauce, buttered rice/gravy, tossed salad, angel biscuit.
Friday, Nov. 11 - ABBREVIATED DAY, picnic bag lunch, combination sandwich, potato chips, orange smiles, ice cream.

An Energy Saver You Can Make

Outside air filtering in around doors and windows is the cause of those annoying drafts that can chill you to the bone in the winter.

Old rugs or blankets can be tucked along the bottoms of doors to help keep the furnace from working overtime, but instead why not adapt an idea that was used 200 years ago? Delaware extension home economist Jean Cranston suggests you make draft-dodgers.

Draft-dodgers are long, flexible sand filled tubes of fabric. They are about two inches in diameter, and long enough to extend across the entire door frame. When not in use, they hang beside the door.

1. What you'll need:
- Fabric for inner tube
- Choose sturdy, hard finish, tightly woven denim, gaberdine or twill.

- Fabric for outer tube
- Choose durable, tightly woven fabric in deep colors to complement your room.

- Heavy duty thread.
- Sand -- It should be clean, fine, with no stones or salt.

2. How to figure amounts needed:
- Measure door and casing width.

- Fabric for inner tube: Width -- eight inches; length -- use door and casing measurement plus two inches for seaming.
- Fabric for outer tube: Width -- nine inches (one

inch for ease); length -- same as for inner fabric tube.

- Sand: Amount depends on length. A 38-inch tube will take sand to fill a one-pound coffee can three times.

3. How to make:
- Fold inner tube fabric lengthwise and sew along length and one end.

- Leave one end open. Turn tube right side out.

- Fill tube with dry, sifted sand. Pack firmly, but not hard. Tube should be flexible.

- Finish open end by folding in raw edges and top stitching.

- Make outer tube as you did inner tube, leav-

ing one end open. Turn right side out.

- Work sand-filled tube into finished outer tube. Fit should be snug.

- Make a loop ten inches long to hang tube when not in use.

- Fold in ends, insert loop and top stitch.

Check your box of sewing scraps, or recycle fabric from other articles to make your draft-dodgers, suggests Ms. Cranston.

Soccer News

Lake Forest High School raised their fourth place Northern Division soccer record to 4-5-1 with Saturday's overtime victory over Cape Henlopen.

Spartan Paul Miller scored the final two goals for the home team, one which sent the game into overtime, and the other that won the game with only 45 seconds remaining in the overtime period. Todd Gruwell and Norm Kristic scored the other two goals for Lake Forest while goalie Ron Kostorowski stopped ten shots for the win.

Take a Second Look... at Perdue!

If you're thinking about expanding your capacity, or entering the poultry business, now is the time you should take a second look at Perdue's Breeder Hen Program.

Perdue's program gives you a minimum yearly income you can count on, plus a bonus for your performance, and the assurance of our Breeder New House Guarantee, which gives you a guaranteed \$65,800 in 5 years.

Producing hatching eggs with Perdue is a secure and profitable way to be your own boss. You are in full production for 11 months a year with only 1 layout, so you can forget about the national economy and company layoffs. Perdue's experienced service people assist you all the way, answering your questions about financing, house construction and production.

We carefully monitor your flock's daily feed intake to help you keep your hens at top production, and we are available day or night should any question arise.

There are a lot of advantages to Perdue's Breeder Hen program. So take a second look... and give us a call at Perdue!

Report from Hickory Ridge

Congregational Methodist Church-Killen's Pond provided a beautiful setting, and the weather was perfect, for our CMYS camping trip last weekend. Following supper and a walk by moonlight Friday evening, we gathered around the campfire for a program, singing and devotions. The group was up early Saturday morning for a day full of activities before returning home that afternoon. The pastor and his wife enjoyed being a part of these activities; and are grateful to Dick and Janet Finkbinder and Bill Mitchell for helping supervise this outing, also to Tommy Jones and his committees for helping organize it.

We are happy to report that painting of the ceiling has been completed and one coat on the side walls of the sanctuary. We are thankful for the help.

Report from Greenwood Un. M. Charge: An enjoyable Halloween Party was held on Saturday evening for all members of the charge. Young and old enjoyed a fine time in the educational bldg.

Sunday evening at 6 p.m. the regular monthly covered dish supper was held in the educ. bldg. Todd's Church was in charge of the program.

charge of the program.

Mrs. Brenda Tallent announces that she will be associated with the Shendora Beauty Shop of Mrs. June Yoder on Thursday, Friday and Saturday. Mrs. Ellen Bollinger and Garith, Mrs. JoAnne Davis and Mrs. Jacob Hatfield spent Friday morning as guests of Olive Sibley at Delmarva Camp, Bethel. Report from Greenwood Kiwanis Club: Thursday was Installation Night. It was also a ladies night and was well attended.

After a wonderful meal, prepared by the ladies of the Hickory Ridge Church, the meeting was opened by the president, Stanley Cahall, in the introduction of the invited guests, Miriam Lord, Ann Tucker, Delema Smith, Viola Ocheltree, and Mr. & Mrs. Wilson Owens.

Also included were guests from the Rehoboth Kiwanis Club, Mr. & Mrs. Robert Walsh, Mr. & Mrs. James Knotts, Mr. & Mrs. Roy Simpler, and Mr. & Mrs. Paul Wellborn.

Mr. Paul Wellborn, Lt. Governor for the 11th Division, installed the new officers as follows: John Lyons, president; Louis Mills, vice president; Charles Parks, secretary and Charles Conaway, treasurer.

Stanley Cahall, retiring president, having completed a very successful year as president, including the induction of six new members into the club, handed the gavel to the new president, wishing him well in guiding Kiwanis for the 1977-78 year.

Cheer Center News: Oct. 24-28: We were glad to have Mrs. Gladys Yeako with us to direct and demonstrate her new craft ideas on Monday, Oct. 24. On Oct. 25, Mrs. Watson presented a very interesting nutrition program. On Oct. 26 we celebrated birthdays of those born during October.

Best wishes for a speedy recovery to our most recent shut-ins, Mrs. Edna Sharp, Milford Hospital; Mrs. Anna Elliott, St. Francis Hospital; and Mrs. Gertrude Wheaton, Milford Hospital. On Nov. 1 and 8 Mrs.

Greenwood

by Pat Hatfield

Gladys Yeako will be with us to again explain her art and craft ideas.

Some of our members will go to Georgetown for their flu shots on Nov. 2. Our regular monthly site meeting will be on Nov. 2.

On Nov. 3 our Center will be visiting the Seaford Manor House for their annual bazaar and luncheon.

Sue Hurley will visit us on Nov. 9 to present a Fire School program.

No. 10 is the day for our shopping trip to Seaford.

Don't forget to mark your calendar for the Greenwood Cheer Mini Bazaar on Monday, Nov. 21. Handmade items, a white elephant table, baked goods will be for sale. If you would like to contribute any item it would be greatly appreciated. The proceeds from our bazaar will be applied to the financing of future trips for the enjoyment of our senior members.

Our guests for this week were Mr. and Mrs. W. H. Mervine, Mr. and Mrs. Willie Lofland, Mrs. Edith Draper and Mrs. Ann Boothe. We wish to welcome back to the center Mr. and Mrs. Walter Mills and Mr. Leon Wheaton.

Please mark this day and place on your calendar. The Public Health Nurse will be at the Greenwood Center on the third Monday of each month at 11 a.m. to check blood pressure. This service is free for anyone. If you plan to stay for lunch call for reservations 349-5237.

We wish a speedy recovery to one of our hardest working members, Mrs. Edna Sharp who is in Milford Hospital. She always has a smile and a cheery word which means so much to our members.

Mrs. Stanley Cahall is a patient in Easton Memorial Hospital. Her address is Easton Memorial Hospital, Room 449A, Easton, Md. 21601.

Norman Taylor, "Buff" to his friends, entered Milford Hospital for surgery this week.

The Junior High Band of the Woodbridge District will conduct a door-to-door Fund Drive to raise money for their uniforms on Saturday, Nov. 5, at 1 p.m.

The Band has participated in its first parade of the season at Milford on Saturday, Oct. 29. Congratulations to them. We understand they won 2nd place.

The Junior High Band and the Band Boosters wish to sincerely thank the Nanticoke Homes of Greenwood and the Bridgeville Roofing Supply of Bridgeville for the donation of lumber to build shelves in the band room to hold the instruments.

On a recent weekend Paul McCreary and his son Steve took a motorcycle trip to Western Maryland and Blackwater Falls, W. Va. and toured the Skyline Drive.

Recent visitors at the Paul McCrearys were Mrs. Loretta Reiter of Allentown, Pa.; Mrs. Vivian Cahall of Church Hill, Md.; Mrs. Janet Bishop of Felton; and Mrs. Esther Hughes of Cambridge, Md.

On Sunday Mrs. Paul McCreary and son Steve and a friend motored to the Valley Forge Music Fair in Devon, Pa. to attend a jazz festival.

The Greenwood Volunteer Fire Company wishes to remind everyone that it is time to get your donations in if you have not already done so. Let's show them that we appreciate the great service they render this community.

Japanese Proverbs

Here are some Japanese proverbs that could have come from our own archives of wise sayings: compare them with many you will recognize here. You might find the oriental phrases a bit more lyrical.

A ounce of prevention is worth a pound of cure.

Single effort, double gain.

Kill two birds with one stone.

Water on a fog's face. Like water off a duck's back.

A bee to a weeping face. Misfortunes never come singly.

Wealth makes a fool a master. Money makes the man.

Dust amassed will make a mountain. Great oaks from little acorns grow.

Spilt water never returns to the tray. It's no use crying over spilt milk.

A wattle-hat for a debt of a hundred gold coins. Sue a beggar and catch a louse.

People suffering from the same disease have mutual sympathy. Misery loves company.

Easy to say, hard to do. Easier said than done.

A new servant works hard but twenty days. A new broom sweeps clean.

Sanitation first, medicine next.

A familiar landmark in Harrington is the clock outside the First National Bank on Commerce Street.

A new feature has been added recently - temperature reading in celsius degrees [right]. It says

14c but don't panic, winter isn't here yet. 14 celsius is really 57 degrees Fahrenheit [center]. Photos By Gwen Krouse

The Boxelder Bug

This year could well be remembered as the year of the boxelder bug, according to university of Delaware extension entomologist Frank Boys.

"We've gotten more calls complaining about the boxelder bug this year than any of the other 13 years I've been here," he says.

For those of you lucky enough not to have these insects in your house-- or don't know if you have them or not-- a boxelder bug is most commonly described as a black lightning bug with red stripes. Boys says they are most often found clinging to the sides of the house which get the most sun--usually the south and west sides. Reports from the other counties in Delaware indicate that the boxelder bug is a big problem throughout the state. In fact, they are probably a household problem anywhere that boxelder trees grow.

"We really don't know why there are more boxelder bugs this year than any other year," says Boys "But we theorize that possibly the rough winter last year killed off many of its predators or that it food plants--primarily boxelder and maple trees--weathered last winter better than other trees and plants."

Though the bugs themselves are harmless and don't get into food or eat clothing, rugs or furniture, they can be a big nuisance. According to Boys, they come indoors at this time of the year to look for hibernation spots for the winter. They're more likely to be visible on warm, sunny days than during rainy weather.

According to extension entomologists, the best control measure for boxelder bugs is to remove the boxelder tree itself. This may sound like a drastic measure, but if you have boxelder trees in your yard, you know that they are not considered a particularly desirable tree in the first place.

Other control devices include eliminating hiding

places close to the house, such as piles of rocks, boards, leaves and general debris, repairing places where the bugs may enter the house and creating a six to 10 foot barrier strip around the foundation of the house by raking leaves, weeds and grass from this area.

Boys also suggests spraying the boxelder or maple trees and the sides of the house where boxelder bugs are seen congregating with sevin.

Those of you who are living in apartments and are troubled by these insects could try spraying them with a household insecticide to at least decrease their numbers. Boys suggests vacuuming boxelder bugs rather than trying to squash them as they can leave nasty stains which sometimes cannot be removed from draperies and other materials.

Though it may not seem possible now, Boys assures Delaware residents that these bugs will die off when the weather becomes colder. So, if all else fails just wait a week or two--the weather will soon take care of the problem for you.

The Green Thumb

Are you ready to pass your certification test to apply restricted use chemicals in the category of agricultural plants? If you are not, John McDaniel, pesticide coordinator, will help you prepare for the test at a meeting on November 3rd at the University of Delaware Substation, Georgetown, at 7 p.m. The meeting will provide you the information necessary to complete the certification requirements on November 16th.

For this category there is a book which will cost you \$4. The test is an open book test so it is important that you purchase this book and

read the study guide. By attending the meeting on November 3 and following the study guide you should be fairly well prepared to take the test on November 16th.

Anyone who is applying chemicals to the lands of others for hire or as a custom applicator may need to be certified in this category. If you are applying insecticides, herbicides, or fungicides to plants, then this is the category that you need to complete to become a certified commercial applicator.

As of now this is the only meeting that has been planned for Sussex County in the agricultural plant category. Please try to make this meeting and get the materials needed

for certification. If you cannot attend the meeting, please contact our office at 856-5250 and we will try to get the materials for you.

Do you know how to properly cure sweet potatoes? Sweet potatoes need to be properly cured if you plan on storing them all winter. Sweet potatoes are easily bruised and cut so handle them carefully and as little as possible. Freshly dug sweet potatoes are cured by holding them for ten days under moist conditions at about 80 to 85 degrees fahrenheit. If you don't have these conditions you may put them near a furnace or other heat source and cover them with cloth or heavy paper to keep up the

humidity. If the temperature near the heat source is between 65 and 75 degrees the curing period should last two to three weeks. Once they are cured, move them to a cooler part of the house or storage area where the temperature can be maintained at about 55 to 60 degrees.

Sweet potatoes are subject to damage by chilling, do not store them at below 50 degrees fahrenheit. Outdoor storage of sweet potatoes in pits is not recommended because dampness encourages decay.

Sweet potatoes are also subject to several diseases and nematode damage, these problems which occur on the potato can

reduce the storage life of them. Try to keep potatoes that have black spots on them separated from the ones that are relatively clean or free of black spots. These black spots are called scurf and this reduces storage life. To prevent disease problems in sweet potatoes be sure to rotate them around in your garden not planting them in the same area for at least three years. High organic matter in the soil also encourages diseases of sweet potatoes. If you use a lot of manure in planting then you probably have aggravated this problem of scurf. Next year plant your sweet potatoes in areas where you do not have a lot of organic matter where the soil is fairly sandy and you may find you won't have this problem any more. Also, if you don't save your own slips for planting next year. Buy fresh slips from a reliable dealer hoping you don't buy the problem when you buy plants.

Pumpkins and squash that were harvested before frost can be kept in storage for a long time, if they are cured at about the same way sweet potatoes are. If you can't provide these storage conditions, such as required for sweet potatoes, then try the heat source at about 65 to 75 degrees to cure them for two to three weeks. Then store the pumpkins or squash at 55 to 60 degrees in a dry place and this should help them to store well for later use during the year. One trick to keeping squash or pumpkins is not to cut the stem too close, leave several inches of the stem attached to them. You should also harvest them before a frost as frost can damage them if they are not completely hard. As with sweet potatoes you should only store well matured fruits that are free from insects and mechanical injuries. You cannot improve storage quality of your vegetables. Poor quality in means poor quality out.

UNICEF Campaign A SUCCESS

This year's UNICEF efforts were rewarded. We drive, a first in quite some time, was held on Saturday, October 29, from 2 p.m. to 4 p.m. with some children dressed in the traditional trick-or-treat costumes. There was a much smaller number of dedicated children and volunteer helpers to all of the

If you did not get to give to UNICEF it can still be counted with our door-to-door donation by sending it to Asbury W.S.C.S. in care of Mrs. K. P. Outten, Rd 1, Box 180B, Harrington.

FOOD MARKETING ALERT

USDA Agricultural Marketing Service

As of mid-October, the November supply situation looks like this...

RED MEATS

Beef... plentiful. Production to be 2-4% below the record level of Nov. 1976 and about 2% below the 1974-76 average for the month. Continuing smaller output of grass-fed beef accounts for all of the decline.

Pork... plentiful. Production to be up seasonally but will average 1-3% below Nov. 1976. That is 7% above the 74-76 average for Nov.

POULTRY & EGGS

Broiler-fryers... plentiful. Nov. marketing rates to be 4% above year earlier, and 17% above the Nov. 1974-76 average.

Turkey... adequate. Production to be 3% above Nov. 1976 and 11% above the Nov. 1974-76 average. However, the Nov. 1 cold storage holdings will be below last year's level. So the total supply may be about 4% below a year earlier, but only slightly below the Nov. 1974-76 average.

Eggs... adequate. Nov. output to be 1-2% above both Nov. 1976 and the Nov. 1974-76 average.

MILK & DAIRY PRODUCTS

Milk and dairy products... plentiful. Although milk production will be at or near its seasonal low, it will be well above Nov. 1976 and the Nov. 1974-76 average. Record milk production in Sept. was 3% above Sept. 1976 and nearly 7% above the 1974-76 average for Sept. Heavy fall milk production, coupled with large commercial stocks of manufactured dairy products, should result in very large supplies of butter, cheese, and nonfat milk.

FRUITS, VEGETABLES, NUTS

Fresh grapefruit... plentiful. Shipments for the late maturing Florida crop to begin in volume.

Fresh tangerines and tangelos... plentiful. Oranges... adequate. Estimates indicate a much smaller orange crop but enough for fresh market needs.

Frozen concentrated orange juice... light.

Fresh cranberries... plentiful. Fresh market supplies to be peaking seasonally for Thanksgiving sales. Fresh apples, pears, and grapes... plentiful. Apple shipments should continue heavy while volume of new-crop winter pears increases. Storage holdings of grapes are above year-earlier levels.

Dried prunes... adequate. California's 1977 production to be 5% above 1976 and 2% above the 1975 crop. Raisins... plentiful. 1977 production to be substantially above last year's crop.

Processed vegetables... mostly adequate, with some items plentiful. Among major canned vegetables, supplies of **canned tomatoes and tomato products** as well as **canned beets and sweet corn**... plentiful. **Frozen brocc-**

coll and corn-on-the-cob... plentiful.

Potatoes... plentiful. Fall storage crop to be 1% less than the 1976 record but 4% above the 1974-76 average. Sweetpotatoes... adequate. Although the 1977 crop is 8% below 1976 and the average for 1974-76, fresh supplies are at a seasonal peak.

Onions... plentiful. The 1977 storage crop is 3% below the record 1976 crop but 8% above the average for 1974-76.

Peanuts... plentiful, although commercial stocks at the end of Aug. were 42% below a year ago. The 1977 crop to be about 10% less than 1976 and about 12% below the record of 1975.

Almonds... plentiful. The 1977 crop to be about 9% above 1976 and 38% above 1975.

Walnuts... plentiful. The 1977 production to be about 15% above 1976 and 6% above 1975.

GRAINS & LEGUMES

Rice... adequate. The 1977 crop to be 16% below the large 1976 crop, and 17% below the 1974-76 average.

Wheat... plentiful for U.S. food needs. 1977 production to be 6% below last year's record, but about equal the 1974-76 average. Boosted by a large carryover, the 1977-78 wheat supply will be record large.

Corn... plentiful for U.S. food needs. 1977 production to be a record, up 1% from a year ago and 13% above the 1974-76 average.

Dry beans... adequate. 1977 production to be 7% below 1976 and 12% below the 1974-76 average.

Dry split peas... light. 1977 production to be 55% below 1976 and 64% below the 1974-76 average due to continuing drought in the Northwest, the major U.S. production area.

Terminology used: PLENTIFUL - More than enough for requirements. ADEQUATE - Enough to meet needs. LIGHT - Less than adequate; not enough for normal needs.
