## Milford Gong Show Is Big Success

By Molly Murray

Suddenly, the house lights dimmed. The crowd went wild; and the members of the Milford High School Band began to play the theme from "That's Entertainment." The Milford Band Association Second Annual Comedy Hour and Gong Show was underway, last Saturday, January 28.

The program, a take-off on the popular television program, The Gong Show, was put on by the Milford Band Association to defray some of the costs of the Band's up-coming trip to the Winchester Apple Blossom Festival in May. The program was a zany mixture of mad-cap comedy and fun.

The show opened with apologies from Band Director, Gerald Thompson. He was sorry to announce that the "M.C." just hadn't shown up. Then, out in the crowd, a buxom bomb-shell, really Dennis Hazard in disguise, offered to M.C. the program. With this the judges were introduced and the show got underway.

The first act, "Hew Haw," featuring Gomer and Pile, was announced and without further ado, gonged, at the request of the audience. According to Watson Hall, Pile of Gomer and Pile, "We got the idea from 'Hew Haw.' Hall has a daughter who is a member of the band.

This act was followed by "2001 Space." Once again, the audience roared: "GONG HIM!" This could have been dangerous because "2001 Space" was a pie thrower. Undaunted, however, by the prospect of pie-in-the-eye, the judges deftly gonged him.

For a while it seemed as if every act would be gonged. But Cathy Coverdale survived the merciless judging team and came up with twenty points with her vocal number, "If." Things seemed to be on an up-swing. Yet the judges stuck with their arduous standards and gonged three more acts: "The Terrific Twirler," "The Hat Brothers," and "Mean Gene."

The next act, however, was so death-defying that the judges were too nervous to use the gong. Evil Konevil promised to jump sixteen (toy) trucks. Riding a trusty moped he approached the ramp several times. Konevil then abandoned the idea of using the moped. He traded it in on a natty purple tricycle. Konevil jumped the trucks and received a score of 14 points from an amazed judging team.

Three more acts, "The Seven Hens," "The Unknown Comic," and "The Shrink," were gonged before Georgiana White sang "You Light Up My Life." Ms. White received 18 points for her version of this popular song.

The real show stopper, however, was a one man act, "The Preacher." "The Preacher" gave a heart rendering sermon which received a score of 29 points. "The Preacher" was played by Milford High School English teacher, Jim Mervine. "Basically, this character is a hillbilly drunk act," Mervine explained.

The last act was a song by "Miss Piggie." "Miss Piggie," though gonged, was a delightful adaptation

by Jack Nylund, of a character from the Muppets.

According to two of the judges, Don and Delores Blakey, "We looked for acts that had qualities of originality, pace, costumes, and material." Despite the fact that the judges held high standards for rating each act, the audience had a lot to do with whether or not an act was gonged.

Gerald Thompson, the band director and producer of the show, explained that this was the second year that the Milford Band Association had put on a Gong Show. "Our fund raising is limited," he explained. "We are almost completely locked into performing service activities," he continued. Thompson said, "The Gong Show was simple to do because I have all the musicians; the school has the auditorium; and we have active band boosters."

The evening's activities raised \$451, one hundred dollars more than what was raised last year, which will go toward the Winchester trip. That figure is nothing to gong!

## Students Named To Who's Who

Twelve students from Lake Forest High School will be included in Who's Who In Music for 1978, as being among the country's most outstanding high school music students.

Dale Birkhard, high school band director, and the editors of this annual directory have inducted the names of these students based on their music ability, academic achievement, service to the community, leadership in extracurricular activities and future potential.

They are: Phillip Bowers, drums; Todd Grimm, trumpet; Debbie Urash, flute; all of Felton; John Teagle, Tammy Jester, Jill Maloney, Bass clarinet; Laura Newnom, flute; Cathy Scott, saxophone; Beth Jarrell, clarinet; Denise Pitlick, saxophone; David Legates, tenor saxophone; all of Harrington; and Peggy Dill, clarinet, of Viola.

## Governor Discusses Parity With Farmers

By Gloria L. Dill

Governor Pierre S. DuPont met with Wayne Eakin and other lower Delaware farmers Thursday in his Dover office to

Wayne Eakin

discuss the progress of the Senate Agriculture Committee and the parity problem.

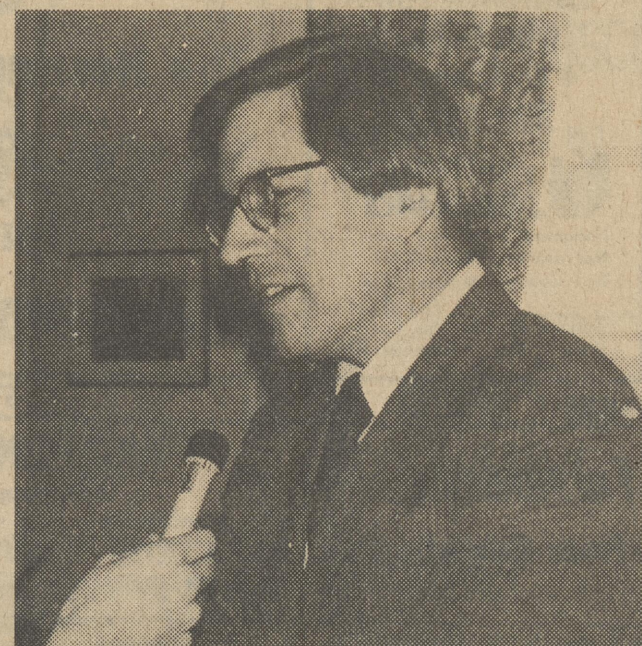

Eakin briefed the Governor on their success with Delaware legislators in Washington. It is felt that farmers in Delaware are working more with their legislators than farmers in any other state.

The (farming) problem is getting more serious every hour, Eakin told the Governor. However, he thought that "we are in better shape than the south or the west."

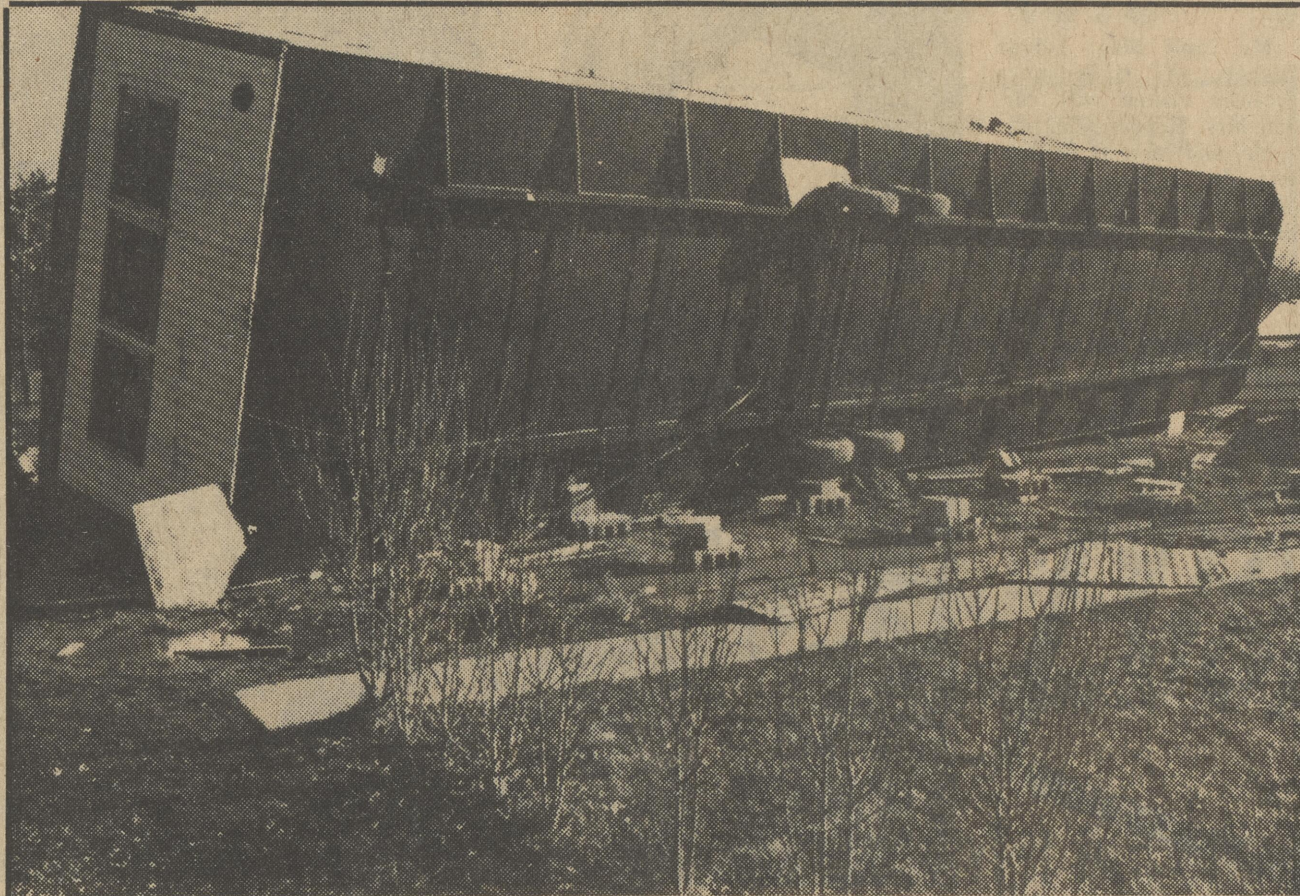

DuPont commended the group on their hard work to date, and promised his support. He was especially interested in the proposed production of "gasahol," an alcohol made from corn and other grains. Plants for this product are under con-

struction in the midwest, and the Governor's office will be in touch with

Senator Exxon concerning this product as a possible industry for Delaware.

High Winds Blow Over Trailer

Mr. and Mrs. Bob Meredith of Harrington were the unfortunate owners of this trailer which was blown over early last Thursday morning. The Meredith's were still inside the trailer when it blew over and used a side window to escape. This unfortunate happening could have been even more severe as pictured in the lower photo the trailer landed on two propane tanks. Firemen from the Harrington Volunteer Fire Department responded to the scene and also responded at the same time to a wires down situation on Clark Street which was causing the blackout in Harrington. High winds prevailed in the area all that day causing severe damage in many areas. [Staff Photo by Ray Blanchette]

## Parent-Teacher Group Protests Closing Of Library Facilities

By Gloria L. Dill

The Lake Forest East Parent-Teacher Action Group is protesting the proposal to close the Division of Libraries facilities to the general public. The librarian at the Frederica school, Barbara Green, has been borrowing books yearly from the State Library in Dover to supplement those at the elementary school. This allows the library to maintain an annual circulation of 6,000 books.

The PTAG is reacting to the published Division of Libraries Policies of January 5, which if accepted, will go into effect on July 1. The eight-point proposal begins "No materials may be checked out from the Division of Libraries and government agencies."

A committee chaired by Carol Reid, of Frederica, has been actively working to stall the proposed changes, and feel Ms. Short is introducing them

to encourage towns to accept the proposal of federally financed modular library units. Ms. Short said in an interview that this is not true and that those libraries cannot be forced on anyone.

State Librarian Sylvia Short feels there is no problem right now. "These are only tentative proposals, and will have to be revised..." When contacted at her office in Dover, Ms. Short told the Journal that she had been

in touch with the PTAG on several occasions, and that the changes in the Library policy were not entirely up to her. "I am only one person," she said. Another proponent of the new policy is James H. Gilliam, Jr. Secretary of Community Affairs and Economic Development.

According to Ms. Short, the idea of closing the Division of Libraries to the public is not a new one, and was proposed in the 1960's. Title 29 of the Delaware Code, which establishes codes for the Libraries, states that the D. of L. should not be serving as a public library.

The public is invited to attend an open meeting of the State Library Commission on February 16th at 7 p.m. at Delaware State College.

## Fire Company Updating Records

The Harrington Volunteer Fire Department is currently working on updating their records. With membership renewal applications that are being sent out will be a personal data form. The Fire Co. requests that everyone who receives one fill them out so that the records can be properly updated.

The Fire Co. is also interested in obtaining any old newspaper clippings or pictures of Fire Co. happenings. Anyone that has any may contact Ed McCormick at 398-4371.

## Library Site Selected

HARRINGTON - Gayle B. (Brown) Smith appeared before the Library Commission for the City of Harrington on Monday night and acting as spokesman for his mother, Mrs. F. Brown (Lillie R.) Smith offered the use of their parcel of ground located between the Harrington Dry Cleaners and Raughley Insurance Building and lying between the two streets, Commerce and Fleming. Under Smith's proposal the City would have use of the premises free for two years which is the period the State has recommended as the period for "establishing" the library. At the end of the two year term, Smith said the Smith family would want a fee for the use of the land. The fee was left open at this time.

The Commission in Smith's absence accepted the offer and phoned him later to inform him of their decision. The acceptance is merely a recommendation to the Council who should approve the move. Details of the lease and legal arrangements would most likely be forwarded to the City's attorney, N. Max Terry Jr. of Dover, for further disposition.

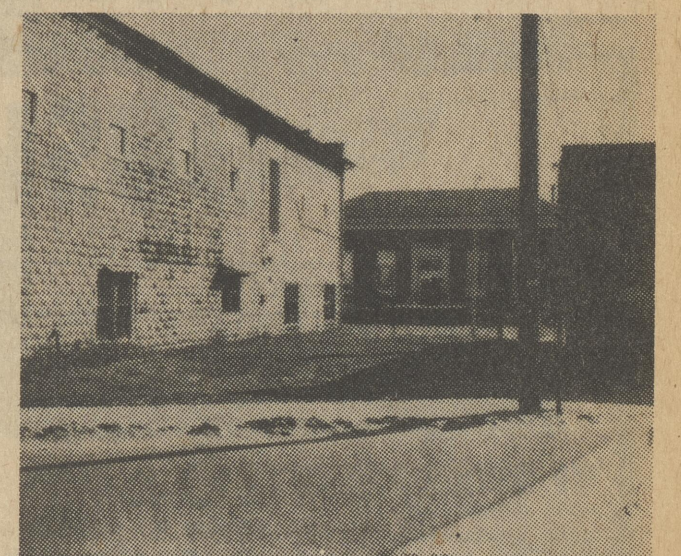

The commission is being chaired by Mrs. Charlotte L. Gagne. At Monday night's meeting a great deal of discussion surrounding the terms of the State's offer was turned over by those present. The Commission decided it was important to know if during the two years of the mobile library, would it be run by State employees who were qualified. At least one member of the Commission reported that the attendants on last week's bookmobile

did not know how to re-shelf the books. It was learned that the State would use their employees for the first two years.

Another question before the Commission was will the Harrington unit be entitled to more than just reference books. In other words, will the library be provided with children's books and popular books or will it simply contain all reference books. The Commission also wants to know the various ways open to the library for funding the library. According to one source at the Division of Libraries, the books and materials would be well rounded from juvenile books of fiction and non-fiction to magazines, to reference materials and books. Also available to the mobile unit would be films. There will be books for a-1 readers. The Division of Libraries is trying to get back to their main function and that is to service public libraries.

Hopefully the change will come about by July 1st of this year. It was also learned "that the Bookmobile would continue so long as Levy Court of Kent County continued to fund it." The Division of Libraries would continue in operation but not as a "check out." Persons wishing to use the facility which is the old ETV Building at Delaware State College, may do so, but they cannot check materials out of the Division. The State has use of the ETV Building until 1981 when the current lease runs out.

The next meeting of the Division of Libraries will be Feb. 16th at 7:30 in the ETV Building at DSC.

The proposed site for the mobile library. Building on left is Harrington Dry Cleaners, straight ahead is Post Office and building on right is the Raughley Insurance Building.

## The Wettest January In History

By Gloria L. Dill

Delawareans are experiencing the wettest January in this area's history, according to the National Weather Service at the greater Wilmington Airport.

This month alone has seen 8.41 inches of rainfall, topping the previous high of 7.45 inches in January of 1936. Snowfall has also been unusually large - 17.3 inches so far this season, where previously the annual snowfall for the state has been around sixteen inches over all. In the last three years, the amount of snowfall has steadily increased. In 1976, we

received 16.2 inches, and in 1977, 16.7 inches.

With the threat of more snow, Harrington readers should know that according to the City Charter, Section 1.21, snow must be removed from the sidewalks within the city within six hours after the last major flurry. If the snow ceases at nighttime, the law goes into effect at 6 a.m. the following day. The law applies to the occupants of the property, unless it is vacant, in which case it applies to the owner of the lease. Failure to comply will result in a fine of \$3.00, together with the cost of snow removal by the City of Harrington.

**Asbury Church Holds Annual Venison Dinner**

By Gloria L. Dill  
Neighbors still get together for dinner -- nearly 100 persons gathered for the annual Venison Dinner at Asbury Methodist Church on Wednesday night.

Chef Doug Mills officiated, and with assistant Marion Brown, prepared the venison according to the late Cliff Miller's special recipe. Miller, who especially enjoyed deer hunting, perceived the yearly event as a chance for his family and friends to get together at their church.

Following a covered-dish dinner, the evening featured songs by Reach Out: Ronnie and Charlyne Hughes, Gary and Cheryl Harrington, James Oleson, Jane Moore, and Gail Dill at the piano.

This type of friendly

entertainment was reminiscent of the original dinners, and the "Boosters" band, led by former Asbury minister Richard Gibson. The members included Sam Short, Marion Brown, Clarence Kemp, Earnest Dean, and Cliff Miller. It featured such instruments as the jew's harp, fiddle, string bass, harmonica, and Mr. Kemp's "dancing man." Though a highlight of the dinner, the band also entertained at retirement homes and hospitals throughout lower Delaware.

Over the years, the event has provided occasion to honor Asbury notables, including former Mayor Fulton J. Downing, and Mr. Miller himself. Last year, members honored local storekeeper and author Sam Short.

They were Specialist Four Mark Wilkins from Viola to Specialist Five, Private First Class Walter Benton from Mastens Corner to Specialist Four, Specialist Four James Brady from Milford to Sergeant E5, Specialist Four Edward Pavis from Milford to Specialist Five, Specialist Four Tony Reynolds from Milford to Specialist Five, Private First Class Kim O'Toole to Specialist Four, Private Loretta Scott from Felton to Private First Class, Private Owens Purnell from Bridgeville to Private First Class. We also have a new Pole Lineman transferred here from Laurel. We all welcome him.

Six members attended driving classes at the Seaford Armory. These classes were to give both remedial and initial training to these men.

A general discussion of annual 2 week training was held also. The men will be going to Fort Gordon, Georgia on April 1, 1978.

On Sunday the switch-board section of the unit went to the Georgetown Armory for training purposes. The switch-board has been completely prepared for the trip to Georgia and all appreciate the work done to accom-

plish this. The kitchen personnel, as usual, out did themselves and produced 2 outstanding meals.

The next meeting will be held on 11 & 12 of February 1978. Anyone who is considering joining the Guards may come around at any time to be shown around.

## Governor duPont Reports

By Gov. Pete duPont

Delaware citizens and legislators received a hefty dose of good news last week when I presented my proposals for the state's fiscal 1979 budget. But the best news is that the budget asks for no tax increases.

This budget is the first for which my administration is wholly responsible, and it is the first budget in ten years which, if enacted as presented, will end the fiscal year in the

black with no tax increases.

It is an honestly balanced budget which also creates a reserve fund of ten million dollars to protect the state's financial health and well-being in the future, a goal which we have all sought for many, many years.

In fiscal year 1977, the deficit of \$19.8 million was paid off through the sale of bonds and taxes were specially earmarked to

pay off the bonds.

In fiscal year 1978, strong management controls, a vigorous program to collect back taxes, and a strengthened economy have contributed toward ending this year in the black. According to the estimates of the Delaware Economic and Financial Advisory Committee (DEFA), the state may even find itself with a surplus of over \$7 million.

And in fiscal 1979, I expect the strengthened economy, the continued aggressive collection of back taxes, and better management and cost-cutting measures to allow the state to once again finish the fiscal year in the black.

But I must caution that surpluses, no matter how large or small, must not be spent carelessly. It is better to set aside the surplus for emergency items (such as new federal regulations or changes in tax laws in neighboring states) than to spend them on new programs.

For too many years, Delaware has not resisted the temptation to spend the "extra" money without the forethought of unseen emergency items.

Therefore, I have set aside in my budget a contingency fund to hold the expected surpluses. The fund, which is two percent of the budget, would be replenished year after year to ensure that the state has enough funds to fall back onto if there is an emergency.

The budget which I presented last week calls for spending of some \$58.7 million, the largest budget in the history of the state. But the official estimates of the DEFA put revenues at an alltime high also.

The major portions of my budget include spending some \$237.5 million for education programs in the state (which is 49 percent of the net budget), \$12 million for employee pay raises, \$7.7 million for criminal justice and corrections programs, and a series of legislative and administrative management programs.

The budget proposed will meet the needs of the citizens of the state and will not require residents to dig further into their pocketbooks for more taxes.

## The Evans Report

by Congressman Tom Evans

Nearly one hundred young men and women applied to our congressional office for admission to the four service academies. This is a remarkably high number and a heartening display of interest, indicating that many young people today are once again interested in pursuing service careers.

Many people do not fully understand the process for selecting service academy nominees. My procedure for nominating is based on the recommendation of an Academy Review Board. The Academy Review Board is made up of distinguished citizens from all over the state and from all walks of life. The Board makes its decisions based on applicants' academic achievement, extra-curricular participation, and individual character and leadership qualifications. Neither I nor any member of my staff participated in the selection

process. The task of the Board has been most difficult in light of the many highly qualified and highly motivated young men and women who applied not only to my office, but also to the two Delaware senators.

The Academy Review Board has sent fifty names to the four academies; the academies will make the final choices.

The students nominated from this area are: United States Naval Academy, Craig Boggs, Seaford; Merchant Marine Academy; Craig Boggs, Seaford; Thomas Taylor, Cape Henlopen; Air Force Academy; Robert MacDonald, Caesar Rodney; Paul Miller, Lake Forest; Thomas Wix, Harrington.

I consider the responsibility of recommending these fine young men and women one of the highest responsibilities of a United States Congressman and am honored to nominate these students.

The keynote word in the modern world of work is "change." Stiff competition now exists for many jobs which in the not too distant past were considered to have excellent career opportunities for young hopefuls. At one time the young lawyer, architect, teacher or journalist could expect to find a bright future await-

## The Changing World Of Work

ing him with many doors open, but not so today. Instead, the doors have opened in such fields as computer science, allied health, environmental sciences, and urban development.

Even the profile of the job market has changed. Where middle-aged employees (35-44) once made up the bulk of the labor force, there is now an increase in younger (20-30) and older (45-65) workers.

Automation has also left its mark on the job market by reducing the amount of manual labor required to complete a job and increasing the quantity of paperwork. Many hours of tiring labor have been eliminated by machinery and computerized technology. However, the development, operation, and maintenance of these highly complex machines has become a new and promising career

field of its own.

At one time production or manufacturing industries could boast the largest employment population, but this is no longer true. Now it is those businesses which provide services such as restaurants, banks, hospitals, insurance companies and recreation facilities which employ the largest block of the labor force.

Along with an altered labor market must go

changes that will greatly effect the personal life of the individual. For example, today's technical society requires more time spent in education or training for the job. This trend has produced a tremendous growth of career and community colleges which offer training programs that were once learned through apprenticeship or informal training.

Report from Hickory Ridge Congregational Methodist Church: The dedication service for our sanctuary will be held on February 12 at 2 p.m. We would like to have the seats filled as we dedicate the room to His service.

Last Saturday some of the youth made themselves available to helping others. They cleaned the home of the pastor's mother-in-law, who has been ill; cleaned the windows of the Thrift Shop and cleaned out a

ditch. We commend them on their efforts. Don't forget our monthly covered dish supper Feb. 4 at 6:30. Bring your covered dish and your place settings.

Several of our number were missing Sunday due to illness. These included Mrs. Edna Vanderwende, Mrs. Kathryn Haymond, who were recently discharged from Milford Hospital. Also Mrs. Edna Sharp who is quite ill in the hospital at this time.

A reminder: The Christians Without Partners are meeting on the second and fourth Saturday evenings at The Lord's Open House.

Greenwood Kiwanis Report: The Thursday evening meeting of the Greenwood Kiwanis Club was the last meeting for January and was well attended.

After a fried chicken dinner, served by the ladies of the Greenwood Fire Company Auxiliary, the meeting was called to order by President John Lyons. He welcomed four guests from Milford Kiwanis Club - James West, Dick Nugent, Arthur Brandenburg and Stephen Stack.

Arthur Brandenburg was guest speaker on the subject of band music and the resurgence of interest in it.

Reports were also given on the mid-winter conference and the scouting activities.

Cheer Center News: Week of Jan. 23-27: Our cheer members wish to extend belated congratulations to our pianist and good friend, Delema Smith

who celebrated her birthday on Jan. 28.

New members this week are William Spanish and his wife, Esther.

We are sorry to report that Mrs. Edna Sharp and Mr. Arthur Marvil are back in the hospital.

The ladies have been busy this week with crafts in preparation for the Valentine party and cards for the homebonds. They are also enjoying quilt making and rug crocheting.

We wish to extend our sincere appreciation to Mrs. Gladys Yeako who brings us so many new and fresh ideas for decorations, parties and hand crafts.

On Feb. 6 we will have a members meeting for a planning and discussion of day trips to Gettysburg,

Pa. on May 15 and to Lancaster, Pa. on June 13. Also a four day and three night trip is being planned for August 28-31 to Plymouth, Hyannis and other historical sites in Mass. and Cape Cod. Call Mrs. Doughten at the center (349-5237) for information if you would like to join us.

Don't forget that Feb. 8 is bowling instruction at the Milford Lanes at 1 p.m. for our members.

On Feb. 8 an educational program on "Drug Abuse and Alcohol" will be presented by the Division of Aging at 11 a.m.

On Feb. 9, the day for our shopping trip to Salisbury Mall, lunch will be served early at 11 a.m. We will leave the church parking lot at 1 p.m. and leave Salisbury at 4:30 p.m. Call for reservations 349-5237.

day surprise. Waiting there were her daughter and husband, Mr. and Mrs. William Bowman and son, Shawn, also her son and his family, Mr. and Mrs. Edward Smith and children, Sheree and Susanne.

The Greenwood United Methodist Charge held their monthly covered dish supper on Sunday evening. Following the supper, the Youth presented a comedy program

with a take-off of a typical television day.

Teddy Keith was an overnight guest of his friend, Eli Schrock.

The Greenwood Lions Club held their regular meeting on Jan. 24. There were two visitations, one of four men from Seaford and three from Clayton. Charter members Jake Hatfield and Allison Davis both received their 20 year pins.

Arther and Agnes Sipple celebrated their forty-ninth wedding anniversary on Dec. 15th.

Their five children and ten grandchildren joined in

and Philip. The Riehls hail from Salem, Oregon. Mr. Riehl plans to open a Bavarian Carpet Service in the area.

Mr. and Mrs. Lawrence Carter celebrated Mrs. Carter's birthday at the Village Inn in Little Creek. They enjoyed dinner with friends Mr. and Mrs. Ralph Shockley, Mr. and Mrs. Earl Crosswell and their children, Shawn and Dawn.

Matthew John Turner, son of Mrs. Mabel Turner of Felton, and Samuel Walters III son of Mr. and Mrs. Samuel Walters Jr. of Canterbury were baptized Jan. 22 in the Viola Methodist Church.

For those who don't know - Church services are held at 9:00 a.m., and children's Sunday school begins at 10:00 a.m.

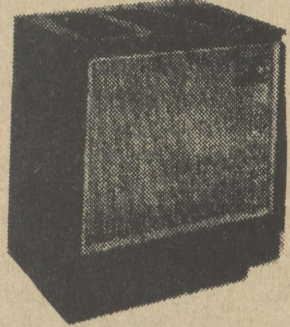

We were glad to hear that Mrs. Mabel Chambers health is improving after a lengthy illness.

Mr. and Mrs. John Gland, and Mr. James Gland of Newark, visited Mr. and Mrs. Joe Gott Sr. Sunday. Mr. and Mrs. Gland are the parents of Patricia Gland, the future wife of Mr. Frank Gott.

### Defeated by Indians 65-57

## Spartans Upset Seaford

Lake Forest boys' varsity basketball team's big week turned into a pretty good week for the team. On Tuesday the boys defeated Seaford by a 64-57 score while on Fri-

day they were defeated by a 65-57 score at Indian River.

Indian River had earlier in the season routed the Spartans during a Christmas Tournament. On Friday the Indians led by scoring ace Wesley Townsend jumped out to a 20-14 lead in the first period only to see the Spartans cut the lead to 34-32 at the half. The Indians stretched that lead to 53-45 at the end of the third period and the Spartans could cut the margin no more in the fourth period.

Jerry Custis led the Spartans in scoring with 18 points while the Spartans' leading scorer on the season, Lauren Burris, added 16. Townsend led the Indians with 29 points on the night and had earlier in the week become Delaware's all-time top high school scorer.

Earlier in the week the Spartans had recorded an overtime upset victory over second place Seaford. In that game the Spartans took a 14-10 lead in the first period and a 28-25 lead into the lockerroom at halftime. The Spartans held that three point advantage going into the fourth period but Seaford managed to rally and tie the score and force the overtime period. The Spartans managed to come back and outscore the Blue Jays by a 13-8 margin.

Mark Smith led the Spartans in scoring on the night with 17 points while Lauren Burris once again scored 16 points. Jerry

Custis also chipped in with 14 points while Larry Savage led Seaford with 13 points.

Currently the Spartans rank sixth in the Northern Division of the Henlopen Conference with their 4-7 record. They lead only Milford who now has a 3-8 record. Seaford had been running neck and neck in the Northern Division with Dover but now has only an 8-5 record while Dover is 9-2.

This week Lake Forest will meet two Southern Division teams, Smyrna and Woodbridge. Smyrna is currently in third place with a 5-5 record but their defense is giving up an incredible 72.3 points per game. Woodbridge is currently winless on the season having lost their first ten conference games by the lopsided average of 88-46.

The Smyrna game will

be played at Smyrna on Tuesday while the game against nearby rival Woodbridge will be played at Lake Forest on Friday.

## Spartan Girls Split Two Games

The Lake Forest Spartan girls' basketball team's attempt to close on Division leading Dover went for naught this past week as Dover continued on their undefeated ways while the Spartans went 1-1 in two tough games.

Early in the week the Spartan girls had walked over a Seaford team that had earlier in the season defeated Lake Forest by a single point. It was the combined effort of Cindy Dukes and Laura Newnom who led the Spartans as Dukes led all scorers on the night with 20 points while Newnom added 17.

The Spartan girls wanted no repeat of the Blue Jays being close enough to win the game in the final few seconds like they did in their first outing. Lake Forest jumped off to a 14-2 first period lead

and then stretched that lead to 30-11 by halftime. The Blue Jays managed to close that gap by five points in the third period but could not come close enough to do any damage.

On Friday the Spartan girls met Southern Division leading Indian River with hopes of their second successive victory for the week. However, this time it was the opposition who got off to a fast start as the Indians rolled to a 16-5 first period lead. The Lake Forest girls didn't give up and they managed to cut two points off that lead at halftime and another six off by the start of the final period. The Spartans could not cut the lead by any more than that however and went down to their fifth defeat against six victories. The Indians are now 10-1 on the season.

### Dover Downs Endurance Series Postponed One Week

The third and final leg of the Dover Downs Endurance Series originally scheduled for this Sunday, has been moved to Sunday, February 5th due to the unavailability of some of the participants. Only five of the eight horses eligible to compete in this final 1 1/4 mile event were ready for this Sunday. Consequently, Director of Racing, Ted Leonard postponed the series final one week in order to give the finalists more time to train for the long distance contest.

### Defeat Delmar 42-12

## Spartans Manage 22-22 Tie With Falcons

The Lake Forest wrestling team continued its successful season during the past week routing Delmar and having to settle for a tie with Dover Air.

It was up to Lake Forest's heavyweight Mike Barner for the second week in a row. Last week Barner came through with a decision win to give the Spartans their victory over favored Indian River. This week Barner was pinned in the first period by Dover Air's unbeaten Joe Boldin resulting in the Spartans' 22-22 tie with the Falcons.

The Spartans and the Falcons traded decision win victories in the first two weight classes as Spartan 98 pounder Dennis Voshell dropped a 4-0 decision and 105 pounder Jeff Grove won a 5-0 decision. One of the toughest matches on the night was the 112 pound match between once beaten Spartan Dennis Wheeler and undefeated Falcon Abel Hampton. Wheeler fell behind but managed to once again take the

lead and held on to win a 5-4 decision.

Lake Forest's lead was short lived as David Shultie dropped a 11-5 decision and tied the team score at 6-6. Mike Kosiorowski gave the Spartans a 9-6 lead with his decision win at 126 but the Falcons tied it when Lake Forest's Larry Kosiorowski dropped an 8-1 decision at 132. Next the third of the Kosiorowski brothers, Ron, catapulted the Spartans back into the lead with a four point decision victory after almost getting a six point pin. Next, Spartan Louis Hendricks gave the Spartans a 19-9 lead as he once again recorded a pin win. It took Hendricks until late in the final period before he turned his opponent onto his back. Next Larry McCombs recorded his seventh straight win of the season by way of a 2-1 decision, giving the Spartans a 22-9 lead. It was here where the Falcons began their comeback.

That four point decision win that Ron Kosiorowski recorded earlier loomed big in the team score until the 167 pound match when Dover Air's wrestler recorded a four point decision win over Tim McCombs. In the 185 pound match Mike Quale of Lake Forest and Tim McCarty of Dover Air had quite a battle. McCarty took a 2-0 lead and held it until near the end of the match when Quale started to reverse him but only managed to score an escape. A tie by Quale would have clinched the team victory for Lake Forest.

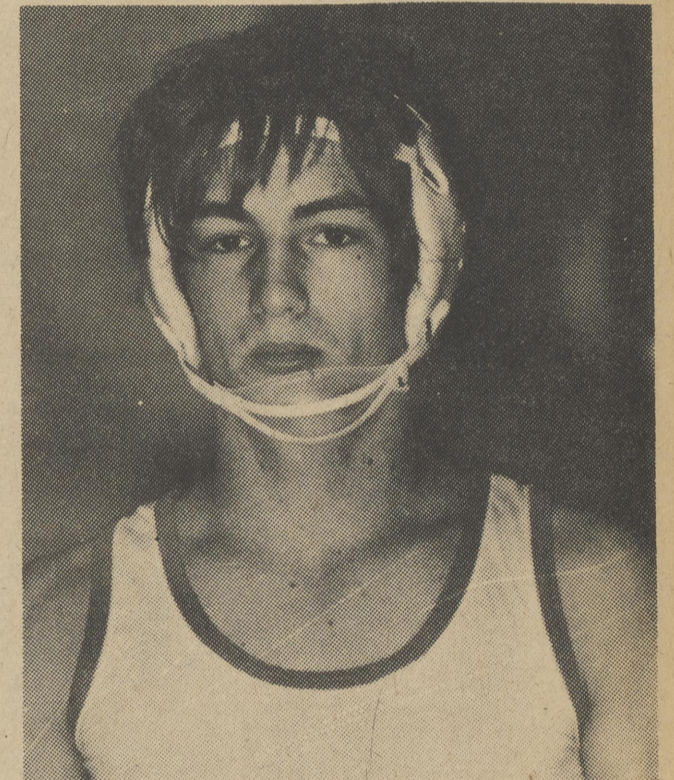

Next came Barner's loss resulting in the 22-22 tie. The tie left Dover Air

with a 5-2-1 record in the Southern Division trailing only undefeated Smyrna.

Earlier in the week the Spartans had trounced winless Delmar by a 42-12 score. Lake Forest took a quick twelve to zero lead as both Dennis Voshell and Jeff Grove won by forfeit. Dennis Wheeler then won by decision and after David Shultie dropped a decision, Mike Kosiorowski recorded his second straight pin win. After Larry Kosiorowski lost a 2-0 decision Ron Kosiorowski recorded a pin win. After Louis Hendricks recorded a decision win, Larry McCombs kept his record unblemished

with a pin win. Tim McCombs then recorded a decision victory and after Mike Quale was pinned Mike Barner recorded the final win of the night by way of a 4-1 score.

The Spartans now have a record of 5-1-1 on the season and trail Caesar Rodney, Cape Henlopen, and Milford in the Northern Division race. All three of those teams have 6-1 records. This week the Spartans will meet Sussex Central at home on Wednesday and then travel to Milford Saturday night. Sussex Central is always tough but this season they have only a 2-5 record.

A standout wrestler for the Spartans all season has been 112 pounder Dennis Wheeler. Wheeler has lost only one match on the season and last Friday he delt Dover Air's Abel Hampton his first loss of the season. [Staff Photo by Ray Blanchette]

## Defending Champion Enters ARCA 200

"Moose" Myers, the 1977 Automobile Racing Club of America Champion has filed his entry for the February 12, ARCA 200 at Daytona International Speedway.

Myers won four races on the short tracks of the Midwest on his way to the title but has yet to win at Daytona Speedway in the once a year visit by the ARCA drivers to the famous superspeedway.

In last year's ARCA 200, Myers of Ft. Wayne, Ind. showed consistency as he qualified his Chevrolet sixth fastest and after the 200-mile race, finished sixth.

The February 12 ARCA 200 will be the first stock car race of SPEED WEEKS '78 and that same day, the NASCAR Winston Cup drivers will try to earn the front row starting positions for the Daytona 500 in Pole Position Qualifying.

Daytona 500 qualifying will get underway at 11 a.m. with the green flag for the start of the ARCA 200 set to fall at 1 p.m.

## Rutherford returns To Daytona

Johnny Rutherford is fast becoming a veteran of various forms of racing at Daytona International Speedway and when the green flag drops February 4, to signal the start of the 24 Hours of Daytona, Rutherford will be making his endurance racing debut at the famous Daytona circuit.

The two-time Indy 500 winner has competed in NASCAR Winston Cup Stock Car racing, the International Race of Champions and now is testing his skill as a road racer on Daytona's road course.

The last attempt by Rutherford to win at Daytona came in the November IMSA National Championship Finale. His try was short lived as he was involved in a grinding crash in front of the grandstands after only six laps of racing.

**Gregg Records Verified**  
Word finally came from the FIA that the records set by Peter Gregg at Daytona International Speedway in November are official.

Gregg drove his specially prepared Turbo-Porsche 935 for an average speed of 175.911 miles per hour to claim the World Category A, Group 1, Class 8 record for 10 kilometers and averaged 175.645 mph to claim the same record for the 10-mile mark.

He will be returning to the site of those record runs, Daytona International Speedway, for the February 4-5, 24 Hours of Daytona with a two-car entry of Turbo-Porsche 935s.

Gregg, who is a three-time winner of the 24 Hours of Daytona, will team with the brilliant French driver, Claude Ballot-Lena in one of the Brumos Porsches. The other 935 will have Daytona/LeMans Trophy winner, Rolf Stommelen of Germany and Antoine Hezemans of Holland sharing the driving chores in the twice around the clock race.

Also entered in the February 4th race is last year's winner, Hurley Haywood, who has co-driven with Gregg on two previous 24 Hours of Daytona winning teams. Haywood will co-drive this year with Bob Hagestad in a Turbo-Porsche 935.

Fla. -- Cale Yarborough, as reported last week, opened the 1978 NASCAR Winston Cup Grand National season in the same position he finished the 1977 season -- leading the Winston Cup point standings.

Yarborough put his Oldsmobile into victory circle before a record crowd at the season-opening Winston Western 500 Sunday, Jan. 22nd, at Riverside (Calif.) International Raceway. The victory marked the first time an Oldsmobile has won a NASCAR Grand National event since 1959.

Yarborough kept his Junior Johnson-prepared mount in front for 58 of the 119 laps -- holding off a determined charge from Benny Parsons and David Pearson in the closing laps. Parsons' second-place finish gave the First National City Travelers Checks-sponsored teams a one-two sweep in NASCAR's opening event with Pearson bringing the Purlator Mercury home third.

Pearson sat on the pole for the opening event which put him in the lead for the Busch Beer Trophy and its accompanying \$10,000 cash award which will be presented to the Winston Cup driver who wins the most pole positions during the 1978 NASCAR Grand National season.

After the opening of the 30-race, \$4.5 million coast-to-coast series, Yarborough leads the standings with 185 points followed by Parsons with 175; Pearson, 170; Neil Bonnett, 160; Dave Marcis, 155; Jim Insolo, 151; Al Holbert, 142; Roy Smith, 138; D. K. Ulrich, 134; and Buddy Arrington, 130.

Yarborough also tops the initial money-winner list with \$15,250. Following him in the top-10 money winners are Parsons with \$10,850; Pearson (\$7,800); Bonnett (\$7,450); Insolo (\$4,400); Holbert (\$4,250); Darrell Waltrip (\$3,830); Marcis (\$3,800); and Ulrich (\$3,680).

## U.S. 13 Speedway Holds Awards Banquet In Civic Center

Some 500 guests and patrons flocked to the old section of the Salisbury Civic Center on Saturday night to witness the Cathells of U.S. #13 Speedway play host to their annual banquet. Charlie Cathell was the Master of Ceremonies as trophies were awarded to the top fifteen finishers for owners and drivers for the Late Model Division and twenty spots in the Modified

Division for both owners and drivers. In addition to trophies to the various winners cash awards were also given to both owners and drivers. In the Modified Division the winning owner and driver received \$225 each. The last award received \$20. In the Late Models the winning owner and driver received \$130 a piece. The cash awards were made

down to the #10 spot where \$20 was presented. There was approximately \$3500 given away. According to Charlie Cathell, the total crowd for the entire season was over 100,000 with the largest single day crowd of 3,000 who attended the Annual Fun Car National. This annual event gets larger and larger each year. The prize money on the Drag Strip has grown also.

Present at the banquet from the State offices were Insurance Commissioner David Elliott, his wife and daughter, and on the Sussex County Council were Oliver Hill and wife,

## Foyt and Speedy Team Up In Daytona 500

R. Norris "Speedy" Reed told *The Harrington Journal* that he and A.J. Foyt of Houston, Texas will work as a team this year at the Daytona 500. They will own and sponsor two '78 Buicks (#50 and #51). Foyt, four time champion of the Indianapolis 500 a feat no other race car has been able to match, will drive one of

the cars while Ron Hutchinson will chauffeur the other car. Reed has known Foyt for about two years. According to Reed, "...I got to know him real well at Charlotte couple of years ago. We were stationed side by side in the garage area at Charlotte. He had some problems, I would help him and the same when I had

problems he would help me." About a month or so ago Reed flew to Texas to meet with Foyt and make a pact and arrangements to race as a team at Daytona. Reed won the pole with car #83 in 1976 at Daytona, with driver Ramo Stott. He was awarded the pole position when two other cars were disallowed due to unauthorized equipment.

Reed still laments "...that I was not supposed to get that pole position 'cause I was just a back woods farmer from Maryland. I had a lot of luck, and at that time a good engine builder. The same person who built that motor for me now builds for Benny Parsons." Reed blew one engine last year at Daytona. Reed gave his formula for racing success "...a good motor... good chassis... good driver... good pit crew... and luck... in that order." "Today's racing world is a lot of

excellent dirt car driver of 25 years ago.

Reed has had a good record at Daytona, for in addition to getting the pole in 1976, he finished a strong 5th in 1975 and 3rd in 1974. "I like the Daytona course, but you have to know something about the wind currents down there (Daytona) too," said Reed, who appears to know a lot about the makings of a racing car. He also lets you know that there is a lot of strategy turning over in his mind at all times. Like he is thinking ahead all the time. Reed also added that "...I go to Daytona to race and not party. We race every night somewhere around Daytona during Daytona week", said Reed. He will take his '76 Gremlin, which Stevie Breeding will handle. It is modified and is the one they race at Georgetown and U.S. #13 Speedway. It has 600 H.P. and has 454 cu. in. This is the first time that he will race at Daytona at night.

## Guthrie Enters 24 Hours Of Daytona

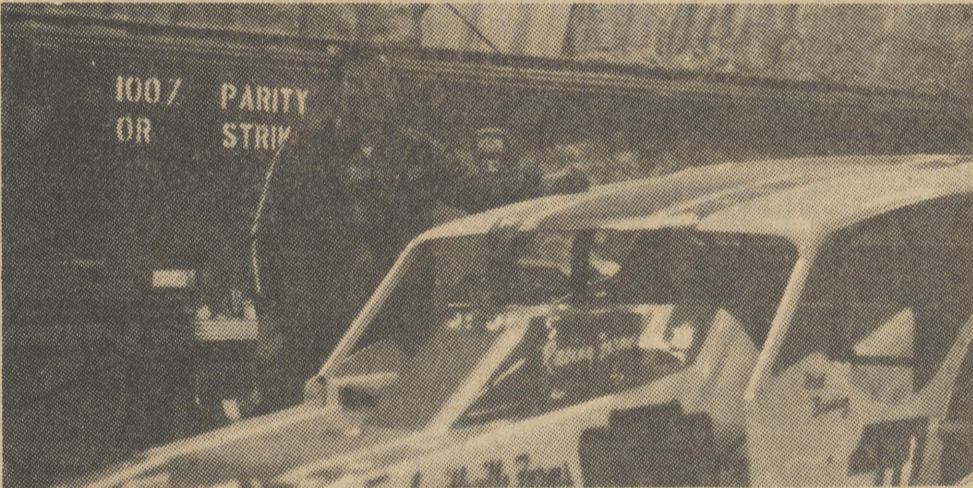

Janet Guthrie has announced she will co-drive with Hugh Kleinpeter and Jeff Stevens in a Pantera in the February 4 24 Hours of Daytona at Daytona International Speedway.

Guthrie, who finished third in the 1977 NASCAR Rookie of the Year competition, is most familiar for her efforts in USAC Championship racing and as a competitor on the NASCAR Winston Cup stock car circuit.

Last year, Guthrie became the first woman driver to qualify and compete in the Indianapolis 500 and the year prior, she was the first woman to compete in a NASCAR Winston Cup race at Daytona.

Guthrie began her racing career at the age of 25 in sports car racing and in the early days of her racing competition, she ran in nine consecutive 24 Hours of Daytona events.

Walt "Stevie" Breeding stands beside the 600 H.P. '76 gremlin of Norris "Speedy" Reed's Smithville Farms. Reed will run the car on the dirt tracks around Daytona during Daytona 500 Race week with Breeding at the wheel. Reed will join A. J. Foyt as a race team at Daytona. [see related article]

## Fun Car Purse Reaches \$16,000

There is a total purse in the Fun Car National of \$16,000.

The trophies this year were unusually large. Some of the locals in attendance were Norris "Speedy" Reed, Jimmie Messick, Harry Raughley, Butch Harrington, Walt "Stevie" Breeding, Bobby Walls, and Kenny Brightbill of Reading, Pa. Brightbill won the Reading

Modified again this year. This marked the third time he has won the honor. He is believed to be a winner of over 100 feature races. Brightbill told *The Harrington Journal* that he is looking for "a ride" in '78 on the Winston Cup NASCAR Circuit. He knows many drivers, owners and mechanics on the circuit and he

has been contacting these people in the hope that he will be able to get aboard. He plans to attend the Daytona 500. Brightbill drove in the Delaware 500 at Dover Downs last September. He was involved in an early race wreck when Ty Scott cracked into Jim Herdrees and Brightbill. He was asked to comment on the

winning again this season by Cale Yarborough in the Western 500. Brightbill said, "...he has a good car, but it is the same as last year's Chevy except it has a different nose and a bigger carburetor which Howard Workman and wife, Charles Cole and wife, and George Pupur and wife. Others present from the racing field were Keystone News, Jim and Flo Nixon, and the Barmore Racing Photos from New Jersey.

The trophies and door prizes were given by Jim's Racing Tires out of Baltimore, Pepsi Cola Bottling Co. of Salisbury, W & B Hi-performance with seven locations around the shore, and Eastern Foods of Salisbury.

On hand were the Cathells, track announcer and wife Joyce, sister Dawn and brother Hal Cathell who is a senior at Delmar High.
