Kent County Levy Court Faces 'Cleaning Supply Scandal'

By Molly Murray

For the past four weeks Kent County Levy Court Commissioners have been surprised, frustrated, and downright irate, over what will probably become known as the "great Kent County Court House and other County Buildings toilet paper and cleaning supply scandal."

The problem all started in the last weeks of March. Levy Court Commissioners requested, on March 28, that Jack Haggerty, director of the custodial office, come before the Levy Court and explain why he had requested a budget increase of \$2,000.

Susan Rowe, director of the accounting office, explained at that time that

Haggerty had simply over spent his budget. Rowe said that Haggerty needed the \$2,000 to pay outstanding debts and to get through the current fiscal year with enough cleaning supplies and paper products to keep everyone happy.

There was a consensus among commissioners that Haggerty did, in fact, do a wonderful job keeping at court house and other county offices clean. However, they decided it would be best to call the Chief Custodian in to see why so many cleaning supplies and paper products were needed.

The following week April 4, Haggerty came before the Levy Court. After some interrogation the com-

missioners approved a budget increase of \$2,000. The approval passed 4 in favor, 2 against, 1 absent.

For the next two weeks the commissioners were so wrapped up in the business of sewers and sewer districts that no mention was made about the distribution of that \$2,000. Mostly everyone thought the whole matter had been cleaned up.

However, April 25, Commissioner McIlvaine, Chairman of the Budget and Finance Committee, reported that he had received five requests from the Custodial Department; one for overtime, two for changes in budget, and two for supplemental appropriations. Haggerty was not present at the

meeting due to personal reasons.

One supplemental appropriation requested that \$2,000 be added to the original appropriation of \$13,500 for maintenance and repairs. According to the reasons for the request, submitted in writing by Haggerty, "The original amount, \$13,500, was mostly used for repairs to elevators, electrical repairs, and repairs to heating systems, etc." Haggerty requested that \$2,000 be added to pay outstanding purchase orders and to be used for repairs that might come up during the remaining fiscal year.

The commissioners approved the request. However, before Com-

missioner McIlvaine continued his report, Commissioner McKenna stated that it upset him that the county had a specified procedure to follow prior to purchasing equipment.

Commissioner McKenna requested that a memo be sent to Haggerty informing him of the county procedure, Commissioner McKenna also went on Record saying that he would not support any more changes for outstanding purchase orders that are found in the Chief Custodian's desk.

The Custodial department also requested another appropriation of \$1,500 for cleaning supplies.

Sussex County Votes On Contract

By Molly Murray

Sussex County Council voted to increase a construction contract to allow for additional design work by \$46,500 Tuesday, May 2.

The Council approved a recommendation by County Engineer Fred McKee to increase a contract with B.J. Campagna Associates. This consultation contract is for the Fenwick Island Sanitary Sewer District.

According to McKee this will be the largest collection center in Sussex County when it is completed.

In other business the council approved requests for funds for the Gumboro Volunteer Fire Company, the Dagsboro Volunteer Fire Company, and the Frankford Recreation area. These funds will come from the coffers of the various councilmatic districts. Mr. Cole's district will provide \$500 for Frankford. Mr. Workman's district will provide \$2,000 for uniforms and equipment for the Gumboro fire police and \$1,500 for the Dagsboro Volunteer Fire Company Fund drive.

Council also approved a change in the policy for landfill performance bonds. At this time contractors will be asked to put up 50% of a bid as a performance bond. Prior to this contractors were asked to put up 100% of the bid. County Administrator Joseph Conaway was fearful that this procedure eliminated some smaller contractors from bidding on landfills. Initially he had asked the council to lower the performance bond to 25% of the bid. A consensus among the councilmen, however, caused the figure to be raised. "We still have to protect the county," commented County Attorney A. Dean Betts.

Rotary Hosts FFA State Winner

HARRINGTON - The Harrington Rotary Club on Monday night heard a speech from State award winner Bruce Von Goerres of Harrington who spoke on "The Plight of The American Farmer." Von Goerres won the State award the first of the year. He now goes to the Regional Division in Springfield, Mass., where he will compete with other students in FFA in this region. Von Goerres must give the speech within 8 minutes as part of the requirement.

Conrail officials have not yet divulged the exact location of the switching yard they plan to move. They will only say the yard will be moved to Harrington. Pictured here are the functional monuments of Harrington's railroading past.

State Fair Seeks Entrants For Country Music Contest

The Delaware State Fair is seeking entrants for its 2nd Annual Country Music Talent Competition, slated to be a major part of the grandstand attractions at the 1978 Delaware State Fair. Last year's competition drew over thirty contestants from a three state area and was won by Jack Burress, Jr. of Milford, Delaware.

Several changes have been made for this year's show including the moving of the semi-finals into the week of the Fair. Changes have also been implemented in the rules to

make the contest more interesting and there is an increase in the prize money to be awarded. The semi-finals will be held this year on Sunday evening, July 23, with the finals to be conducted on Tuesday night, July 25th.

The competition is open to single or group acts who perform any type of country music and who meet the minimum age requirement of 14 years of age. Contestants from last year's show are encouraged to enter again, with the exception of the 1st prize winner.

Six acts will be chosen during the semi-finals to compete in the finals for cash awards of over \$500, trophies and a six-hour recording session. A panel of judges will determine the winners.

For complete information concerning the 2nd Annual Delaware State Fair Country Music Talent Competition, interested parties should write to the Delaware State Fair, Box 28, Harrington, De. 19952 or telephone 302-398-3269. Deadlines for entering the competition is June 15, 1978.

ConRail To Move Switching Operation To Harrington

By Molly Murray

A lot of people were surprised Tuesday, April 26, when U.S. Representative Thomas B. Evans announced that the controversial ConRail switching yards would be temporarily moved from Dover to Harrington by June 21.

"I didn't know anything about it, not a word," said Harrington Mayor Arthur B. Cahall. Nor did City Manager David Peterson. According to Cahall, he and Peterson met like they usually do on Monday nights and not a word was said about trains.

"Our congressional delegation has kept us in the dark all the way, saying they were working to get the switching moved back to Delmar," said Delmar Mayor William C. Brittingham. Delmar had wanted the switching operation returned to the lower Delaware town.

But two out of three congressional delegations in Delaware were just as surprised by the announcement. A spokesperson from Senator Roth's office said that the last thing they had heard was that the problem in Dover was due to a lack of supervision. The spokesperson claimed that ConRail and local officials had met and ConRail said they would try to control the situation.

Senator Biden's office was told, according to a spokesperson, that there was no immediate solution. "We were totally shocked when we heard they could use the track as is," the spokesperson said.

Congressman Evans seemed to be the only person who had been working with the railroad. He knew about the switching move.

"Since July 11 of last year, I have been working with many of you here today to move the switching station out of the densely populated New Burton Road area," Evans stated at a press conference along the railroad tracks in Dover, Tuesday, April 26.

"ConRail President Richard Spence has personally guaranteed me that ConRail will be moving the switching operations out of Dover by June 21," Evans said. He indicated that Harrington had been tapped as the site for a temporary switching station.

Mayor Cahall said that he had received about 10 calls on the switching station move. He said that

most were against the proposed move. "Most people accept the railroad but not the way it (the switching station move) was handled," Cahall explained.

He said that after he learned that Harrington would be the temporary location for a switching station, he called the ConRail offices. He indicated that the only way he learned anything about this matter was through calling ConRail himself.

A ConRail spokesperson said that the move to Harrington was "part of a long range program." Congressman Evans' office, however, claims that ConRail says the move is temporary.

The State of Delaware and Kent County are looking for a permanent site for a switching yard. However, even though ConRail has supposedly stated that the move to Harrington is a temporary one, a ConRail spokesperson said "Harrington is the ideal location."

Dave Brandon with the Delaware Division of Economic Development, explained that the state is working very closely with ConRail and several Kent County land owners to find a permanent location for a switching yard.

Brandon said that ConRail is looking for an area where backhauling will be reduced to an absolute minimum. Backhauling is reduced when a switching yard is placed near a concentration of industries. A central location reduces the distance empty cars must travel.

Brandon said that the switching yard ought to be located at the midpoint of the heaviest load section of the track. He said, however, that he could not divulge the locations of the land being discussed for fear of land speculation.

Sussex County locations have not been considered, according to Brandon, "for a vast array of reasons." He indicated that backhauling problems were a major reason why Sussex sites have not been considered.

Mayor Brittingham had sought to have the switching operations moved back to Delmar. He claimed that Delmar had the necessary facilities and that the noise was never bothersome.

"It appears (ConRail) is going to be trying to acquire more land and build up the Harrington area...and I don't think that ConRail has any

interest in the lower Eastern Shore, whatsoever," Brittingham told a Delaware State News reporter.

Backhauling was the problem with Delmar. It was inefficient for ConRail to operate a switching yard there. Noise and feared safety hazards were the problems that Dover residents were contending with.

Evans said that only rail cars destined for General Foods and other Dover customers will be switched at New Burton Road after June. Area residents had complained that the switching operations made so much noise that sometimes they couldn't sleep at night.

City of Dover Attorney, Nicholas Rodriguez said that the City of Dover passed a noise ordinance which was specifically aimed at the switching operations. Rodriguez said that the ordinance attempted to eliminate excessive noise.

Rodriguez said that last summer the city asked ConRail to curtail its train coupling activity at night in the residential

area. When the bumping and commotion continued, the City of Dover passed an ordinance declaring the noise a nuisance and arrested several locomotive engineers.

ConRail took the ordinance to court and according to Rodriguez, District Court Judge Edwin D. Steel, Jr., ruled the law pre-empted by a Federal Environmental Protection Agency Regulation. This is based on the Federal Noise Control Act of 1972.

In the meantime, Harrington residents are just waiting and watching. No one at ConRail seems to know just where the switching station will go in Harrington or how long it will stay. But City Manager Peterson feels it won't create too many problems unless it goes right in the middle of the town. Nevertheless, the railroad tracks in some area of Harrington are bordered by residences on both sides. This could cause some problems for a town that recently passed ordinances to eliminate noise from truck traffic in one residential area.

Vogl Receives FFA Award

On April 27, 1978 the State Future Farmers of America Convention was held at Delaware State College. Ernest Vogl of Harrington received the Star State Farmer Award

State Farmer Degree. The Star State Farmer Award is given to the outstanding Diamond State Farmer.

Ernest is a self-employed dairy farmer near Harrington. He has a herd of 40 dairy cows. He also deals in small grain and does a sizeable amount of custom farming. His parents are Mr. and Mrs. Ernest Vogl, Sr. He has two brothers, John and Anthony.

Lake Forest High School Sets Prom, Exam And Commencement Dates

As the end of the school year approaches, Lake Forest students have a detailed schedule of events to look forward to and to dread.

Saturday, May 6, Lake Forest High School juniors will present the Prom. This year the prom theme will be worked around the Fleetwood Mac song, "Dreams." Sixpence will provide the music for the gala event. The prom will begin at 9 p.m. and last until 1 a.m. Parents are welcome from 8 p.m. to 9 p.m.

Following the prom, which will be held in the gym at the high school, there will be a breakfast. This will last from 1 a.m. to 2 a.m. It will be held in the high school cafeteria.

Junior Class prom planners include Mike

Everline, who is Junior Class President, Bonnie Chambers, Vice President, Connie Harrington, Secretary, Doug Krouse, treasurer. The chairman of the post prom committee is Lois Russum. Chairman of the refreshment committee is Joy Oakley. Those in charge of decorations are Mike Everline and Kelly Grandfield. The Junior Class is advised by Brad Spicer and Vicky Melling.

Final exams for underclassmen at Lake Forest High School will begin June 13. They will be held until the 15th. According to Mr. Zimmerman, principal at the high school, "students need only be present for exams." If a student doesn't have any exams then he or she does not have to attend school.

Senior final exam days are May 31, June 1, and 2. Commencement rehearsal for seniors will be held June 2 and 5. Senior Awards will be presented June 6 at 1:30. Underclass awards will be given on June 16 at 9 a.m. Students will be dismissed at 10 a.m.

June 19 and 20 will be the last teacher work days. June 15 will be the last Vo-Tech school day.

Final grades will be mailed to students this year. Students are asked to bring a self-addressed stamped envelope to school or come to the school to pick up their grades.

"A NIGHT ON THE TOWN" - Pictured are some of the "Manhattan" dancers, a specialty dance, in "A Night On The Town" to be given at the Dover Central Middle School auditorium, Friday, May 5 and Saturday, May 6 at 8:15 p.m. Left to right, are Delores Kukulka, Harrington, from the Marion Tracy Studio; Myra Foley, DAFB, former dance instructor; and Carol Ann Weedman, Dover, Caesar Rodney High School senior. Choreography and staging by Denise Tuck. For tickets call 674-3905 or 678-1715. Adults \$3.50 and students \$1.50.

Senior Center News

By Dorothy Graham

This week has been so busy it is hard to know where to begin, but as always we start the week with Bible Study. The kitchen band and other members went to "Fletcher's" for friendly visiting.

The band is trying out new members to add to their repertoire. The full length movie "Born Free" was nice. Just about every seat at the Center was taken. George Goodge did the honors.

In water coloring class with George Wise they made a chart for comparison of colors. George displayed Annabel Postle's water scene and Jo Burkes winter scene.

The women around the ceramic table are making nite lite owls, birds, spooners for birthday gifts, graduation plates and statuettes. Every once in a while Mrs. Redden and Mrs. Needles will make a very special piece of end of jar glazes; they go so fast! Jo Burke just finished a cat covered with flowers and a butterfly necktie, different, well

yes, it really is. Had some sassy looking cats, also a horse, some dogs, poodles, german sheppard and dachshund.

Mr. Bassols did not get here this week, he was ill. A later date for the Broomstick pottery will be announced.

The reports from the Circus were good after they got seated in the tent.

Pool, dominos, ceramics, china painting, bingo, shopping, watercoloring, other games, crafts and music - a part of every week at the center.

Wish I could impart to you, the readers, the joy and anticipation the bowlers and spectators had Friday morning as they boarded the chartered bus for the tournament at Price Lanes, Wilmington. Understand no high scores were made but all had a wonderful time. Those attending from Harrington Center were Elbert Stevens, Phil Astfolk, Ray Trainers, Milen Draper, Tony and Marie Dulick, Josie and Jim Konienski,

Bill and Gladys Gorlich, Roy and Thelma Heeger, The Hollingsworths, Hazel Latch, George Goodge, Marion Brown, Roxanna Brown, Bertha Dean, Merle Roth (sec.), Marion and Fred Littman, Andy Anderson and Marian Russum. High bowlers from Harrington at Milford Lanes were Fred Littman and Merle Roth.

Lili McBride is one of the Manna Meals volunteers that I forgot last week and this being such a good job done by volunteers am glad to include her. Thank you all.

As the bowlers were going to Prices Lanes the campers were bringing in their gear to go to Camp Arrowhead (near Rehoboth). Honestly such activity, you would never guess that these were Senior Citizens. Young people would have a time keeping up with them. Those who went from Harrington Center were Irene LeGates, Gladys Hill, Elsie Vineyard, Mary Benson, Nellie Tyler, Elma Thorp and Mildred Vincent. Charlotte Welch, the Center's site manager reported the ladies had a grand time, food was excellent and as she reviewed it "positively lovely, interesting, a splendid place to relax."

It was such a nice week and then as we were preparing to go home Friday word was received by our director, Sabra Cello, that her father had died.

FFA Members

Win In Local Contest

The Lake Forest FFA members are continuing their winning ways. On April 13 at Caesar Rodney High School, Lake Forest won the Parliamentary Procedure contest, Senior Public Speaking, and placed third in the Junior Public Speaking contest.

The Parliamentary Procedure contest is a very difficult contest. The team consisting of chapter officers must demonstrate numerous parliamentary abilities, committee reports, treasurer's reports, secretary's minutes, and conduct the opening and closing ceremonies in a 15 minute time period. Members of the Lake Forest team were Doug Warrington, Teri Layton, Alan Larimore, Bruce Von Goerres, Fred Martin, Buster Neeman, Mark Paskey and Charles MacDougald. Each member of the team will receive a gold medal and certificate. The chapter will receive the state plaque plus a \$100 cash award.

In Senior Public Speaking Bruce Von Goerres placed first with a speech entitled "The Plight of the American Farmer." Bruce will receive a \$100 bond, gold pin and chapter plaque for his accomplishments. He will now compete in tri-state competition against Maryland and Pennsylvania. If a winner at this level, Bruce will then travel to Springfield, Mass. to participate in regional competition.

Lake Forest participant in Junior Public Speaking was Alan Larimore. Alan placed third in the state with a speech on "Spray Painting." Alan will receive a bronze medal and certificate for his efforts.

Coming events for the chapter are bedding plant sales, chapter barbecue, and the state FFA Convention.

Old Dover Days House And Garden Tour Set For May 6-7

DOVER - On May 6 and 7 the annual house and garden tour at the state capital will be held once again. Thirty buildings in the Dover area will be open, including 15 private residences and three state-owned houses, with hostesses in colonial dress.

Called Old Dover Days, the weekend also offers other activities of interest to the whole family. Arts and crafts displays, a

parade, concerts, teas, international food tasting booths, the governor's reception, and children's colonial dances, drills and games are just a few of the many activities adding a festive touch to a 40-year tradition.

As in the past, many fine old homes will open to the public. Favorites on tour this year include Aspendale, Boxwood, the Allee House, John Dickinson Mansion and Wood-

burn, the governor's house.

This year's tour features most of the homes around Dover's noted Green, the public square laid out in 1723 under the specifications of William Penn. Homes opening include the Bradford-Loockerman House, the Foote residence, the Hughes residence, the Lefevre House, the Ridgely House and the Terry residence.

The Bradford-Loockerman House is listed on the National Register of Historic Places. A fine example of a mid-18th century Dover townhouse, its present owner has retained most of the original furnishings. The Foote residence was built around the same time, but originally housed the Farmers Bank of the State of Delaware.

The earliest portion of

the Terry home was built around 1790 by Joshua Fisher, a distinguished attorney. Chief Justice Joseph P. Comegys added the front wing in 1852. Mrs. Comegys and daughter, Harriet, were instrumental in the rescue and administration of Mount Vernon. Notable in the house are its 18th century furnishings, elaborate plaster motifs in the ceiling, the Greek temple entry and its original chandeliers dated 1852.

The Lefevre house was built in the early 1700's. An early owner was Richard Bassett, one of the signers of the Constitution of the United States. The Ridgely House was built in 1728. On display there will be a Lowestoft tea set presented to General Anthony Wayne to Mary Vining in 1790.

The Hughes residence was built about 1860 by Sally Anne Sipple. It is a good example of the Italianate style also evident in other structures on the Green built at the same time.

Open for the first time on the Old Dover Days tour is the Crawford house, another excellent example of an unaltered high Victorian Italianate mansion. It was built in 1869 by Dr. Henry Ridgely. The three-story house has a five-floor tower with mansard roof in the front center bay. The house was purchased in 1976 for use by its owner as office space. It is a good example of how an old structure can be adapted to modern use without altering the historic value of the house.

Also included on the Old Dover Days program

are the traditional Maypole dancing and colonial games for children including hoop rolling, sack races and tug-o-wars, children dancing in colonial costumes, an antiques and reproductions show, an art exhibit featuring area arts, arts and crafts displays, performances by the Dover Baroque Ensemble and Madrigal Singers of Wesley College, and a Tory Spinster playlet.

A reception at Woodburn on Saturday beginning at 2:30 p.m. will give visitors a chance to meet Governor Pierre duPont and his wife, Elise, and tour the 1790 structure. Tradition connects the house with the "Underground Railway."

Sunday's events include a tea in the gardens of the John Dickinson mansion and a reception at

Dover's City Hall hosted by Mayor Charles Legates.

Setting the pace for the whole weekend will be a concert by the 1st United States Army Band on Friday, May 5, beginning at 7 p.m. on Legislative Mall. The band is from Fort Meade, Md.

General co-chairmen of the 1978 Old Dover Days are Mrs. Sherman Tribbitt and Mrs. Myron Steele. The weekend's festivities and tour are sponsored by the Friends of Old Dover.

Tickets and information for Old Dover Days are available at the Margaret O'Neill Visitor Center, Court and Federal Streets on Legislative Mall. Prices are \$5 for adults, \$3.50 for senior citizens, and \$2 for students. Tickets are needed for the house and garden tour only.

U. L. Harman To Open At New Location

U.L. Harman, Inc., announces the opening of another location. It will be at 512 S. Main St., Hurlock, Md. at the former location of Hurlock Lumber Co. Mr. William Gannon, owner of Hurlock Lumber Co. has sold his lumber yard and showroom facilities to the Harman chain but he will continue to operate his construction business at a new location across the street from the lumber yard.

U. L. Harman, Inc., has been in business since 1914 and serves the consumer and contractor with a full line of lumber, building materials, plumb-

ing supplies and builders hardware. Their main offices and yard are in Maryland, DE and they have other locations in Dover, Harrington and Easton, Md.

Peach Blossom 4-H News

By Terry Hinzman

The April meeting was called to order by president Donna Hinzman at the Messick home. Pledges were led by Jonathan Harcum. Richard Lindale presented safety hints on lawn mowing.

Ronna Legates brought some of her recent snapshots to explain and point out faults.

David Mesibov, Terri Tarr, Richard Lindale, Brenda Clark and Donna Hinzman participated in the American Institute of Cooperatives program at the Capital Grange on March 30. Brenda and Donna were named alternates to a trip to Montana.

Terry Hinzman reported on Reddy Food Cooking Contest in which he was a contestant along with Brenda Clark, Laura Newnom and Donna Hinzman. Laura and Donna were named county win-

ners. They received plaques and will be cooking in state competition on July 13.

Diane Ross and Rochelle Messick entered their dogs in the 1st Kent County Dog Show held at Playtex Park in Dover on April 15. Both reported a good time and received several ribbons.

Plans were made for soliciting for the American Cancer Drive.

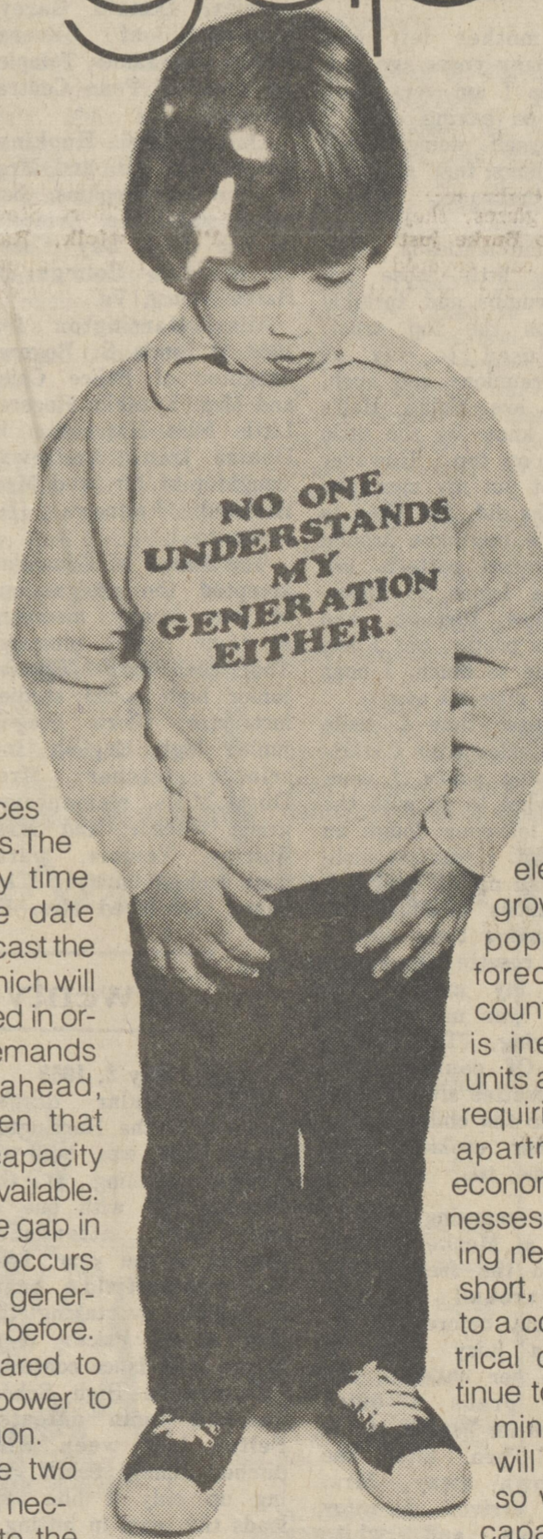

Results of judging events in which we have had good participation were discussed. Poultry judging was announced for April 19.

Jay Tarr attended Kidz Kamp on April 20-30 and Donna Hinzman and Terri Tarr served as counselors.

Following the business meeting, Donna instructed members in the making of leather-look cups.

Diane Ross served refreshments.

The generation gap

Delmarva Power faces two generation gaps. The first is the lengthy time gap between the date when we must forecast the amount of power which will have to be generated in order to meet the demands of the decade ahead, and the time when that new generating capacity actually becomes available.

The second is the gap in power growth that occurs between each new generation and the one before. We must be prepared to supply adequate power to every new generation. To bridge these two difficult gaps, it is necessary to anticipate the rate of growth many years ahead. It is inevitable that oil embargoes, economic recessions and other factors will influence our long-range projections. Even so, our customers have had a depend-

able power supply.

The demand for electricity will continue to grow, just as surely as the population. Every valid forecasting entity in the country says some growth is inevitable. New family units are being formed daily, requiring new homes, new apartments. Our growing economy requires new businesses and industries, creating new job opportunities. In short, every indicator points to a continued climb in electrical demand. We will continue to do our best to determine how much electricity will be required, and when, so we can build sufficient capacity for future needs without over-building. That way we'll be able to continue to bridge the generation gaps and provide reliable power, for each new generation at the lowest possible cost.

Mr. Frank Schlem of The Soldiers Home in Washington, D.C., spent the weekend with Mr. and Mrs. Ernest Gallo. Ernie and Frank were army buddies during World War II, Ernie from here and Frank from Milwaukee, Wis. It had been 33 years since they had seen one another. Frank had been trying to locate Ernie through the years. His mother gave him an old picture with the address of Ernie as Farmington, Del. Frank wrote. The letter was forwarded to Harrington and Ernie was located after a long search. The weekend was spent reminiscing. On Sunday afternoon open house was held at the home of Mr. and Mrs.

John (Jack) Bradley honoring their 50th wedding anniversary. The open house was given by their children and their families. Little Charlie Larimore, son of Mr. and Mrs. Roger Larimore, is doing much better after being a patient in Milford Hospital. Miss Lisa Calvert of near New York City recently spent the weekend with her parents, brothers and sister, Mr. and Mrs. Harold Calvert, Mark, Michael and Gina. Shane Larimore has just gotten over the chicken pox and none other than his sister, Susan, has come down with them. Mr. and Mrs. Fred Webb are receiving congratulations on the birth of a son, born in Milford Hospital April 25. He has been named Christopher Curtis.

Today (Thursday) Lorraine Beauchamp, daughter of Mr. and Mrs. Preston Beauchamp, will become Honor Queen of Bethel 12, International Order of Job's Daughters at Calvary United Methodist Church, Milford. Celebrating an anniversary are Mr. and Mrs. William Propes. Celebrating birthdays are Earl Griffith, "Jackie" Bradley, Franklin Hanson, and Norman Woodall.

Troop 248 Scout News

We have been busy working on our Dance Badge with the Marian Tracey Dance Studio. We learned the Irish Jig, Scottish Dance, Grand March, Hawaiian Hula, Grand Right and Left, Oyster and the Clam and Birdie and the Crow.

We'd like to share a Grace with you. "Thanks be to God the Father Almighty. Thanks be to God who gave us the Earth. Thanks be to God the Spirit Eternal. Thanks be to God forever."

First Aid Hint: Apply pressure to stop bleeding. For one of our service projects we made 90 tray favors for Kent General Hospital. It was an Easter theme. We made lavender bump chenille baskets with yellow grass inside and a gray and white bunny inside. The patients enjoyed our baskets.

We are proud to announce that we sold the most Girl Scout boxes of cookies for the Junior level in our Unit. There are 16 girls in our troop and we sold 1524 boxes.

A poem: What Are Girl Scouts?

Girl Scouts are careful of what they do and say.

Girl Scouts are trustworthy in each and every way.

Girl Scouts are helpful to people old and young.

Future Farmers Of America Hold Awards Banquet

Farm Management Team 1 to r: Tammy Cohee, Genia Gerardi, Sandra Stokes (top individual in State), and Steve Gustafson.

The Star Chapter of the Future Farmers of America held their awards banquet Tuesday, April 25. About 262 Farmers, future farmers, and interested people attended the dinner and award ceremony.

The Star Chapter of the FFA presents awards not only to its own members but also to those persons in the community who have assisted the group in the fulfillment of their projects.

The Lake Forest FFA uses the school land for their farming projects. This project allows the group members to gain valuable "hands on" experience. The donation of time and expensive machinery by many community members helps the FFA make many of their projects a reality.

Last year the chapter presented 8 plaques to these very deserving farmers in the community. As an additional tribulation and show of appreciation the FFA chapter presented these farmers with an additional gift. This year these 8 men received the 50th anniversary belt buckle: Mr. John Abbott, Mr. Jake Bishop, Mr. Bob Killin, Mr. William Pasky, Mr. Clifford Blessing, Mr. William Bullock, Mr. Lester Killin, and Mr. E.B. Warrington received this tribute.

Ten additional farmers have begun taking an active part in the FFA project. These men also received service awards. Mr. Charles Cain, Mr. Franklin Hendricks, Mr. Bob Collins, Mr. Merritt Camper, Mr. William Warren, Mr. Delbert Cain, Mr. Marion Longfellow, Mr. Fred Martin and Joe Robbins. In addition, the

organization also recognized 2 ag teachers, Mr. Abbott and Mr. Coverdale. These two teachers furnish their equipment and trucks to help the future farmers haul their grain.

Many of these farmers helped the future farmers with some of the research projects they are carrying out in cooperation with the University of Delaware.

The FFA Star Chapter gives the Star Chapter Farmer Award. This year the award went to Bruce VonGoerres. Among Bruce's achievements are first place in public speaking contest, first place parliamentary procedures team, first place vegetable judging contest, first place meat judging team, first place agri-business contest. Bruce has attended

State and National Conventions and won awards at all levels. Bruce works on the farm for Woody Welch and Mr. Coverdale and he takes care of the FFA greenhouse at the high school on weekends.

The Star Chapter Greenhand Award was presented to Kevin Robbins and Dale Bishop. They have attended all the FFA meetings, participated in the orange sales, and helped at the Turkey shoot.

The Outstanding FFA Award went to Doug Warrington. During his 4 years in the FFA he has participated in many state and national FFA events. He has been instrumental in the FFA farm project, BOAC committee, fruit sales, and turkey shoot.

The Green Thumb

Home gardeners need to recognize there are many kinds of shade when considering what to plant. Shade may be low, high, light, deep, dry, moist, morning, or afternoon. And some plants recommended for shade will grow only in one kind of shade, while others will tolerate a wide range of conditions.

Impatiens, begonias, and coleus are by far the most successful flowering annuals for a wide range of shade conditions. About the only two difficult shade conditions for them are deep shade caused by a dense canopy of leaves, or dry shade. Nothing else in the flower kingdom can match these three plants for long-lasting color in shady areas.

Hybridizing has greatly improved impatiens and wax begonias. These improved varieties cost a little more than the old standard varieties, but the improved vigor, increased flower production and greater weather tolerance makes the extra cost worthwhile.

Coleus has also been improved in recent years. Although the flower spikes are insignificant, the foliage comes in a brilliant range of colors, including pink, red, yellow, lime green, and orange. Some are exotically streaked or blotched with several different colors in the leaves. Others are delightfully fringed with a contrasting color around the edge.

Jack Hendricks, senior LFHS 1st place tractor driving, Ag. Mechanic Proficiency Award \$100 State level. Advance Ag. Mechanics and Occupational Experience Award.

Star Chapter Greenhand award to outstanding 1st year members, 1 to r: Kevin Robbins, and Dale Bishop.

Local Business To Back FFA Farming Project

Another individual recognized by the FFA chapter was Mr. Bob Fischer. Recently Mr.

Abbott went over to Sure Crop Fertilizer of Milford and explained our farming program to him. After listening very carefully to our program and the financial loss that we had last year, Mr. Fischer decided that he would like to participate in our 30 acre research plot and donate the fertilizer to us. He also said that he would work very closely with us on our other 45 acres and try to make sure that the FFA would not suffer another loss again this year. For these reasons the Lake Forest FFA gives thanks to Bob and Rick Fischer for their concern about the FFA. We all wish them success and prosperity in the future at Milford Sure-Crop Fertilizer. It is individuals like these that give our Chapter a lot of encouragement to continue to achieve higher goals.

More Farmers Pitch In To Help FFA Farm

Project Outstanding Service Award

As I mentioned a few minutes ago we have 10 more additional farmers that have taken an active part in our farming project. We appreciate this added interest that has been shown in our program. We hope to see the interest grow this year by the research projects that we are carrying out in cooperation with the University of Delaware. Without taking up any more of your time, I would now like to present the outstanding service awards to the following understanding and kind individuals who furnished their equipment to help us.

Franklin Hendricks, Mr. Bob Collins, Mr. Merritt Camper, Mr. William Warren, Mr. Delbert Cain, Mr. Marion Longfellow, Mr. Fred Martin and Joe Robbins.

We also had 2 of our ag. teachers to furnish their equipment and trucks to haul our grain. They were Mr. Abbott and Mr. Coverdale.

We have had many other local Farmers and Businessmen to participate in our farming project the last few weeks. These newcomers we will definitely recognize at our banquet next year. We surely do not intend to miss or slight anyone.

Split Two Decisions

Errors Continue To Plague Spartan Nine

The Lake Forest boys baseball team split two games during the week as errors plagued the team and thus their record now stands at 2-4.

The Spartans barely managed to pull out one win during the week as on Monday the Smyrna Eagles took quick 1-0, 2-1, and 4-2 leads early in the game only to see the Spartans come back and tie up the game with two runs in their half of the fifth and one more in the sixth. Smyrna, who committed seven errors on the afternoon while the Spartans were committing six, then gave the game to the Spartans in the bottom of the seventh inning as Mark Smith singled and reached first. He then scored from first as the Eagles misplayed a bunt which was originally in-

tended as a sacrifice. Jim Carroll got the pitching win for the Spartans as he hurled the top of the seventh and set the Eagles down with no runs. Mark Smith had been the starting hurler for the Spartans and did a good job except for the several defensive lapses by his teammates. Louis Hendricks relieved Smith and Carroll took over in the final frame.

Last Friday the Spartans were defeated by Indian River by a 3-1 score as the Indians scored two runs in the eighth inning. The losing pitcher for the Spartans was Carroll who allowed only three hits on the afternoon. Two of those three hits came in the eighth inning when the Indians scored their winning runs thanks to an error. The Spartans managed only

four hits of their own on Friday against Indian hurler Ron Dickerson and scored their lone run in the bottom of the seventh to tie the game and send it into extra innings.

Eric Wise led the Spartans batting attack as he rapped two hits from the lead-off position while Carroll also had a hit and pinch-hitter Larry Smith had the other one.

The Spartans defense had been expected to be one of the strong spots for the team this season but so far has proved to be one of the weaker points. The Lake Forest team is in a building season as the only senior on the team is Carroll and will be a team to reckon with next season.

This Thursday the Spartans will play at Woodbridge while on Monday they will return home to take on the Caesar Rodney team.

Who's On First

Confusion seemed to be the name of the game on Monday as Lake Forest and Smyrna met in a Henlopen Conference Baseball match-up. Between the two teams they committed a total of 13 errors. Above Smyrna seems

to be a bit confused as to who's on first as two players cover the bag while the second baseman makes the throw. Lake Forest went on the win the game as they rallied in the bottom of the seventh. (Staff Photo by Ray Blanchette)

Now At Four Games

Spartan Girls Continue Winning Streak

The Lake Forest girls softball team has picked up the pace after a season opening pair of losses and is currently tied for third in the Northern Division of the Henlopen Conference with a 4-2 record.

The team recorded their third and fourth wins of the season during the past week as they downed two Southern Division rivals,

Indian River 19-10, and Smyrna 26-11. Against Smyrna the game was never in question as the girls ran up a large lead early. Tammy Warren led the girls as she banged a double, triple and home run to help the cause.

Laura Newnom picked up the pitching victory for the Spartans as she has started and pitched all

games for the Lake Forest team.

Against Indian River last Friday it was one inning that helped lead the Spartan girls to victory as they scored 10 runs in the fourth inning. Chris Morrow continued her hot hitting in that game going 3-5 with a double and a triple, while Gwen Scott and Laura Newnom also went 3-5. Indian River

was 2-3 entering the game.

The next game for the girls will be this Thursday when they take on the Woodbridge girls team which currently has a record of 4-3. Woodbridge has one of the best freshman players in the state in pitcher Claire Betze as she already this season has hurled a no-hitter.

Next Monday the girls will return home to battle Caesar Rodney who is currently 2-3 in the Northern Division.

The Spartan girls are currently in a tie for third place in the Henlopen Conference Northern Division with the Dover girls team while Milford and Sussex Central lead the division each with identical 5-1 records.

MIAMI BOUND -- Bergold's Horseradish Team #1, [front row, left to right]; Sandra Baker, Cheryl Wingo, Susan Comegys, Fran Bergold and captain, Mary Bergold. Bergold's Team #2, [back row, left to right]: Pat Brittingham, Norma Littleton, Deanna Thistlewood, Jean Brown and captain, Leah Wheeler.

Miami Bound

Bergold's Horseradish Teams To Compete In WIBC Nationals

It's Miami bound for Bergold's Horseradish bowling teams #1 and #2 as the ten women prepare for the annual WIBC Nationals which began on April 6 and conclude on May 21, 1978.

The Championship Tournament team event will be conducted at Palm Springs Lanes, Hialeah, Fla. The doubles and singles events will be a Brunswick Congress Bowl, N. Miami, Fla.

The women will again join scores of bowlers from all over the country on

May 12 and 13 to compete for the coveted top spots in a national tournament. Last year more than 50,000 women competed in the WIBC Nationals in Milwaukee, Wis.

Bergold's Horseradish Team #2 placed 12th in the Division II team event in Milwaukee which comprised of 4,450 teams, and like every expectant entry in this year's nationals, hopes to better their record.

This year's Bergold's Horseradish entries, sponsored once again by Ken

and Mary Bergold and son, Ken, of Magnolia, will be represented by: Team #1 - Sandra Baker and Cheryl Wingo, of Harrington; Susan Comegys, Felton; Fran Bergold, Dover, and Mary Bergold, Magnolia. Team #2 - Pat Brittingham, of Felton, who will become Mrs. Michael Kohut, of Harrington, just before departure for Miami; Norma Littleton, Magnolia; Deanna Thistlewood, Lincoln; Jean Brown, Millsboro, and Leah Wheeler, Harrington.

Custis Lowers Hurdles Mark

Spartans Track Team Now 7-0

By Keith S. Burgess

Jerry Custis, the premier hurdler in 22 years of track here, lowered his own 120 yard high hurdles mark from 15.2 seconds to 15 seconds flat at Lake Forest defeated Sussex Central 85-56 at Georgetown Monday afternoon.

Jim Blades' Spartans have won seven times, in as many starts, but must face three tough foes in their final three meets.

If the locals can equal or approach the individual standards they have achieved throughout this season they can defeat an season they can defeat any of these final rivals, but a slight let down could cause

them to lose all three.

The Spartans had a few, subpar efforts against Sussex Central particularly in the jumping and weight events but did well enough in the pole vault and running competitions to record the easy victory.

Jerry Custis annexed the intermediate hurdles also with Tom Ott and Pete Hinson completing a 1-2-3. sweep. Ott and Hinson had tied for third in the high hurdles giving Lake Forest a point edge of 15-3 in the timber-topping department.

Ken Thorpe achieved a swift double win clocking 10.2 seconds for 100 yards

and 23 seconds flat in the 220. Baron Harmon's 23.4 took third place.

Dan Parker's 4.48.4 time led teammate Louis Thomas in the mile run. Parker (2.11.) Dave Richter and Thomas swept the half mile.

Dale Johnson, the senior who came out for track five years late, continued his stellar running as he Joe Custis and sophomore Leroy Parker completed a 440 sweep.

Johnson, Joe Custis, Richter and Milton Justice had very little competition, in winning the mile relay in 3.49.

Justice, Harmon, Jerry Custis and Lauren Burris

captured the 440 relay in 46.8 seconds.

Wilson Fry left the field early in the two mile run. Fry's 10.37 was a very good effort considering the lack of competition, the rough track and the wind.

Kelly Woodward cleared 11 feet, 6 inches to win the pole vault. Allan Wlath (10-6) was next.

Eugene McBride and

Stacy Sams had seconds in the shot put and triple jump, respectively.

Third place point scorers were Bill Mitchell, two mile run; Mike Barber, shot put; Jim Fleming, discus, Mark Todd, long jump.

Wednesday afternoon Lake Forest is at Dover in the stiffest test of the campaign thus far.

'Play Ball'

Parade Opens Little League Season

"Play Ball" will be the call of the umpire this Saturday as play will begin in the Harrington Little and Senior League programs as the teams will parade to the field through Harrington.

The parade will begin at noon this Saturday with

the lineup forming on Reese Ave. The parade will then move down Commerce Street, along Delaware Ave. then turn onto Raughley Hill Road to the Little League Field.

The Mayor of Harrington, Arthur "Buck" Cahall will be on hand to throw out the first ball. The opening day game on the Little League side will be between Legion and Taylor's Hardware while on the senior league side it will pit 1st National against Tastee Freeze.

Teams that will compete in the Harrington Little League and their coaches are L & D Electronics (Albert Price), Taylor's Hardware (Richard Brown) Legion (Jack Sapp), Moose (Donnie Garey), and Lions (Carl Wingo). Teams that will compete in their senior league and their coaches are I.G. Burton (Phil Shulties), Tastee Freeze (John Collison), First National (Greg Hobbs), Taylor & Messick (Gary Kaiser), and Peoples (Donald Jarrell).

Greg Smith Makes Good Showing At Reading

READING, Pa. - Greg Smith, son of Mr. and Mrs. Gayle B. (Thelma) Smith of Commerce St. Harrington, raced for the first time at the half mile oval at Reading on Sunday. Not only was this the

first time on a half mile track for young Smith, but it was also his first outing on a 750 c.c. bike. It was also his first event as a Junior Professional on a half mile dirt track. He finished second in the heat race and 6th in the

feature. According to his father, "...it was his first outing...racing that is...on a big bike. His mother and I were very proud of him but I believe that he was somewhat disappointed in his showing. We were not."

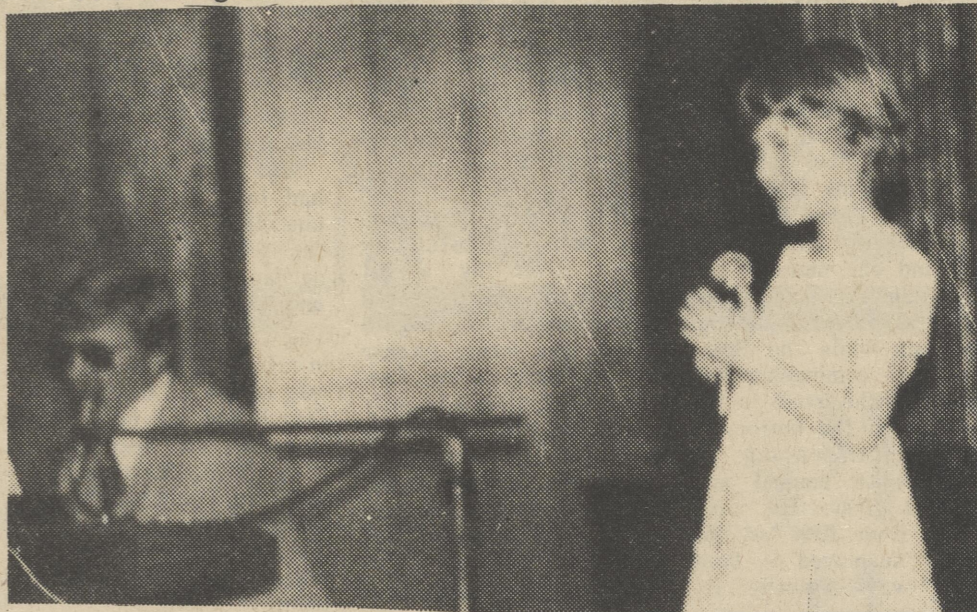

Senator Thurman Adams, Jr. tossed out the first ball at the Bridgeville Little League ceremonies on Saturday at the Bridgeville Field. Timmy Morris of Bridgeville, son of Marvin and Lorraine Morris, received the toss from the Senator.

The members of the Club were on their way to a rally, and stopped by the Messick Museum to show off their cars as well as view the "old timers" owned by Walt and Marie Messick. The Messicks own 8 either old cars or trucks. The Brandywine Club was also treated to a tour of the Messick Museum which is dominated by old time farm implements and machinery. There were 31 cars at the rally with the oldest a 1915 Buick owned by Jimmie Emberlaine. The most recent car was a '73 Corvette.

Pit Chatter

By Harry G. Farrow, Jr.

Racing at Georgetown was done under chilly conditions. It was the first night racing of the young season. There were several spin outs. Louis Earl "the little ole boy from Virginia" was in one mishap with his B & L Seafood '73 Camero. He got into a car between the third and fourth turn at Georgetown causing him to spin out into the infield. The spin out caused "the steering wheel got flying around in my hands" cutting a deep gash in the left index finger. He told the Journal that he was confused about the flag (signals). "The flagman came out and motioned to slow down...then all of a sudden with me slowing down the green flag came out and the way they went. I pulled over because the car just wasn't steering right, and it was possible that it would have been a danger to me and the other guys on the track." Earl took her to the pits after one revolution. The '73 Camero was purchased last year in Virginia from "...a boy who took a couple turns around the track didn't like the way she handled... got out of her and sold her to us." Louis' father was the previous owner of Tasley Speedway near Williamsburg.

In another mishap young Dave Nailor went through the third and fourth turns over the bank and into the protective fence. Nailor wrenched his arm and the elbow. He wasn't in any kind of shape to talk to him on Friday night, but we saw him at Delmar on Saturday night in the stands in the pits. He was okay except his arm was scratched and hurt some.

Hal Browning of Ardmore, Pa. talked to the Journal on Saturday at Delmar. He did not appear at Georgetown on Friday night. He said "...he had to race at Reading where

the purses are more substantial." I do want it made clear however that I enjoy racing down here on the eastern shore. I like the guys and the tracks suit me, but I have to travel 100 miles. When I do that I have got to make some money." Browning was referring to the low purses at Georgetown. Browning is a truck driver for Jones' Steel in Pa. He still drives sprint cars. He will drive a sprint car at the next race at the track in Tarry Haute, Ind. They are to race there this weekend.

One of the more popular additions to the Hal Browning Racing Team is young son Hal, Jr., who at 19 wants to follow in the footsteps of his father. Hal, Jr. has had eight races all at the Delaware tracks. He has finished all of them. Young Browning is a welder by trade. On Saturday night he was working in his dad's pit at the task of changing tires. His father was involved in the crash which was started when Harold Bunting spun out between the third and fourth turns. Bunting was leading at the time. There were five cars which got together on that curve. Browning blew the front left tire. "It was practically new and it cost about \$70" said the younger Browning. They will be back new Saturday though.

Harold Bunting is still having "...some racing problems..." Last Saturday night a week ago, car #19 got the front end banged up pretty badly and this past Saturday night got banged up again as a result of the spin out. They took the car to the pits to change the left rear tire and tried to get the car back on the track. The battery went dead during the repair period, and they couldn't get it started again.

Dave Kelly down from Reading ran a real good feature race Saturday at Delmar. The Journal talked to him about his good buddy Kenny Brightbill another racer from Reading. The Journal met Brightbill at Dover last year at the Delaware 500. A race which forced Brightbill out early with a crash on the first turn between him, Hurdbees, and Tigie Scott. Brightbill told the Journal at the U.S. #13 Speedway Banquet this past winter that he was still looking for a NASCAR ride. He also went to Daytona this past February. Kelly said "...as far as I know he is still looking for a ride, but he doesn't have one yet."

Frank Kerr had a pretty bad time of it on Saturday night. His car got out of control on the third turn when the throttle or accelerator got stuck. It is not known exactly what happened. He suffered a broken left leg, two broken lower back vertebra, badly bruised and some small cuts and a severe concussion. He is expected to remain at Peninsula General Hospital for 10 days. He will be restricted for 3 months. He says that he wants to get back driving and he expects to be back on the track in 6 weeks. The doctors have other plans. He will be transferred from PGH to Delaware Valley Hospital. Ed Covdale told the Journal Friday night that his brother Bud received a cut on his lower right leg two weeks ago in a wreck at Georgetown with Dick Johnson. The latter is still out of work. He received a concussion, cut left knee cap which required 3 stitches, small bone fracture of the right leg. He plans to be out of work for at least 6 weeks. Dick is employed by Sears in Salisbury.

This handsome quartet posed before race time at Lincoln on Sat. night. From left to right: Frank Closser, a novice professional from Greenwood, Del., Tom Petrusky of Glassboro, N.J., Larry Sweeten, Junior Professional from Cickleville, N.J., and Greg Smith of Harrington a junior Professional. Closser, Smith and Bernie McHugh of Wilmington are the only Junior Professional racers in Delaware.

These five boys were very happy to pose for the newspapers. They represent rising starts in the motorcycle racing field. Standing in front is Richard Reynolds. Back row left to right: James Barnes Jr., Billy Coleman, Eric Rausch and Billy Walkowitz.

Left to right: Jeff Webber, Doug Robey, Ronnie Broadwater, and Tommy McClary, second row, left to right: Greg Donadio, Bill Reynolds, and Mike Fuller.

Pearson Seeks Fourth Victory At Talladega

TALLADEGA, Al. - David Pearson will attempt to become the first four-time winner at Alabama International Motor Speedway in the 9th annual Winston 500 on May 7.

The Purolator Mercury driver put together a string of three Winston 500 victories in 1972, 1973 and 1974.

The Wood Brothers will be looking for their fifth win at the 2.66 mile speedway. Their first win came with Donnie Allison behind the wheel of the Purolator Mercury in 1971. Pearson has the other three wins.

Since the 1975 Winston 500, Talladega has been unkind. The Purolator Team has not finished a race.

Pearson, number two in all-time Talladega winnings, and the Wood Brothers have won \$118,365. The lions share, \$89,405, coming from Winston 500 competition.

Georgie Price, age 4, riding #4 of Crosskey, N.J. proudly poses in his racing outfit at Lincoln Speedway on Saturday night. They start them out young in cycle racing folks!

Joe Smith of Dover is a good competitor with the bikes. He is originally from Goldsboro, Md.

Lincoln Speedway Again Has Good Turnout With Cycles

LINCOLN, De. - The Lincoln Speedway opened its gates again on Saturday night to nearly 1,000 spectators. The track was very fast, and the riders from 10 years and up displayed their talents. William (Bill) Coleman, Sr., young father of proud racing son, Billy, age 12, all from Odessa told *The Journal* Saturday night that the "...Lincoln track here is about the best around. I would rank it with any one in the area." Billy Coleman is one of the many young drivers who have taken to this fast growing sport in America.

Billy has been riding cycles since he was 6 years old. He is now in the 125 c.c. class and is

rated as an expert (semi-pro class). According to his father he has raced at Hanover, Pa., Richmond, Reading, and San Antonio, Tex. His goal is to turn pro when he reaches 16 years old.

According to Gayle Smith, there were several new track time records set on Saturday night in the 125 and 250 class. Riders from Maryland, N.J., N.Y., Pa., and De. participated. The amateur classes had participants from the mini bike to 360 class, and the pros were in the 250 and 750 class. Racing again at Lincoln Speedway on May 13th. Gates open at 4:00 p.m. practice at 5:30 and racing at 8:00 p.m.

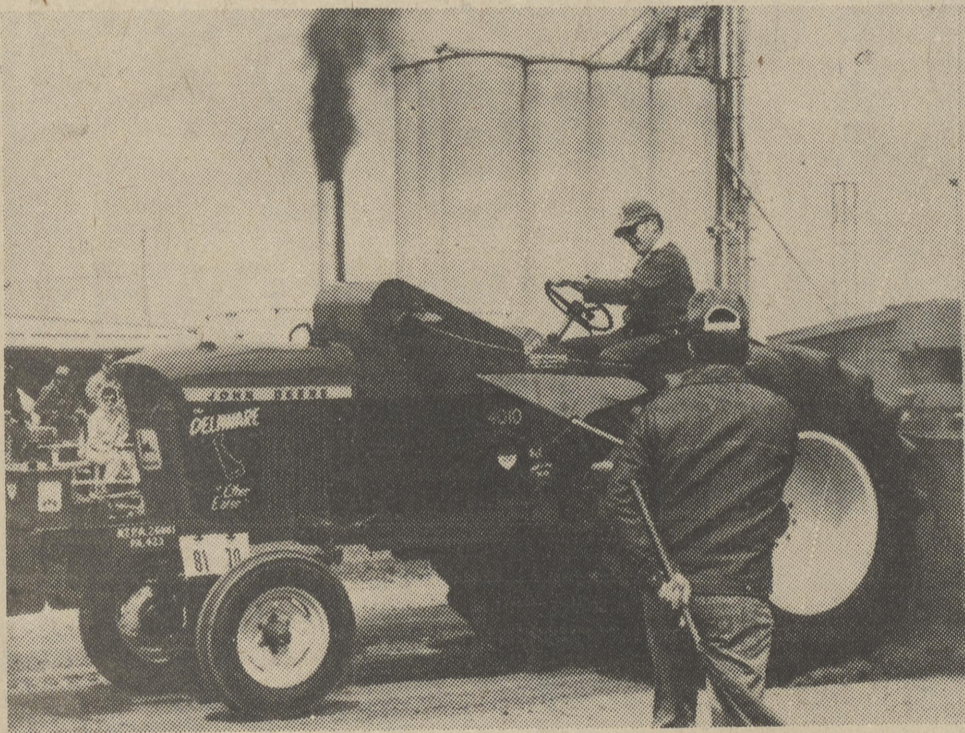

Breeding, White Capture Georgetown Triumphs

Walt Breeding of Federalsburg driving the Smithville Farms Chevy/Gremlin scored his third

and his Alfred Parker Engineered Grotto Pizza Machine who was third. A mishap late in the event cost Bill Towers from Harrington a top five finish after he had battled most of the way with Joseph and West. Calvin Musser III of Laurel hauled down fourth in his Chevy/Gremlin Musser Missile. Mark Lenhart from Fairless Hills, Pa. scored fifth place respectively driving the Fidelity Auto Parts Chevy/Mustang.

Dave White from Pitts-ville enjoyed a dust free perfection-plus run to victory lane in the Late Model finale after a seasaw battle with Milford's Ronnie LaVere and his Bobby Fisher Racing-LaVere Engineering Mopar-Mania Machine. Sharp-town's Jimmy Goslee turned in an excellent performance, chauffering the Eskridge Welding Services Nova to a second in the hotly contested event. LaVere wound up third ahead of Milton's Emory West who kept pressure on the leaders to the wire finishing fourth for the racing specialists at Jim's Racing Tires of Baltimore, Md. Larry Andell of Rehoboth brought the Colonial East Mobile Sales Camaro home

Grand National Win

Veteran Grand National driver Bobby Allison and his pupil hard charging Neil Bonnett have signed to compete Sat. night June 3rd at the ARTGO Racing Classics at the Grundy County Speedway located 40 miles southwest of Chicago near Morris, Ill. It will be Allison's second ARTGO appearance. He finished 7th in 1976 despite tire failure. It was before a standing room only crowd. The track expects the same turnout. Bonnett will make his first appearance. Since last year when Bonnett came on the circuit for the first time he has 8 pole positions and two Grand National races.

Tim Flock was recently inducted into the Georgia Athletic Association Hall of Fame. Flock recently said that "...during the 40's and 50's, there were some great drivers and mechanics who lived and worked out of Atlanta. Atlanta was then the racing capital and you had people such as Jack Smith Red Vogt, Paul McDuffie, Red Bryon and my brother Fonty, plus many others. And for me to be the first one from the racing world to be chosen to the Georgia Athletic Association Hall of Fame makes this really extra special." During his racing career, Flock established himself as one of the greatest race drivers of all times. Flock won 40 races in his career on the Grand National Circuit. He captured the NASCAR Grand National point Championship on two different occasions ('52 and '55). In '55 he won 18 races which stood the test of time until "King Richard" Petty recorded 27 race wins in '67. Only Petty's record in '67 is better than anyone has done since Flock. In '71, he was enshrined in the National Stock Car Racing Hall of Fame.

Another feather in his cap was winning 5 races at the old beach course at Daytona. He is the only driver to have done this. He retired from racing in '60 and works as PR Director at Charlotte Motor Speedways.

Darrell Waltrip has become the first race car driver to be enshrined in the Tennessee Sports Hall of Fame. He was also honored as 1977 Professional Athlete of the Year. The Franklin, Tenn. resident entered 60 races last year (30 Grand National) where he won 6 times finished in the top 10 twenty four times and earned \$276,312. He also competed in the International Race of Champions and received the NMPA Driver of the Year Award. Waltrip who has picked up the name "Jaws" for his outspoken manner said at the acceptance, "...I know this is the first time a race car driver has been so honored. I was not aware of this award tonight. I thought they wanted to get me

down here to see what a race car driver looks like." The tall handsome Ky. native then concluded "...I am often asked by sports

writers about the debate over whether a race driver is an athlete. I don't want to get involved into a debate tonight on that,

but I will challenge anybody here not to race 500 miles with me, but just ride 500 miles with me and then decide."

Small children, descendants of Pennsylvania Railroad employees three decades ago scamper around and over "Old #425" near the enginehouse of the Wilmington & Western RR.

Wilmington and Western Railroad Opens

The Wilmington & Western Railroad is a voluntary organization dedicated to the preservation and operation of historic railroad equipment. All equipment has been, or is being restored, maintained and operated by all volunteer labor. Railroad members were available at the enginehouse to assist and answer any questions.

On display at the W & W Railroad are:

Locomotive #98 was built for the Mississippi Central Railroad in 1909 by the American Locomotive Company. It is a hand-fired, coal-burning passenger engine which is

capable of reaching speeds up to 80 mph. The coaches you ride in were built in 1915 for the Lackawanna Railroad.

Engine #425 was built in 1928 by the Baldwin Locomotive Works in Philadelphia for the Gulf, Mobile & Northern Railroad. It is also a hand-fired, coal-burning passenger engine, but it is capable of handling much longer and heavier trains.

C & O T-215 is a tender formerly used on the Chesapeake & Ohio Railroad. It was brought to the Wilmington & Western Railroad to be used as an auxiliary water supply tender.

The "Defender" is a first-class parlor car which was used by the Pennsylvania Railroad until 1966. This car is available for charter and can be carried on most Wilmington & Western Railroad trains.

Locomotive #58 was built in 1907 by Baldwin and was used on the Atlanta, Birmingham & Atlantic Railroad. #58 was designed for pulling heavy loads at slow speeds with much starting and stopping.

Caboose 2013 is a wooden caboose which was used on the Baltimore & Ohio Railroad. The Wilmington & Western's two cabooses are available for

charter for children's birthday parties and are carried on regular Wilmington & Western Railroad trains.

The Wilmington & Western Railroad is a growing organization which is constantly in search of new volunteers. Men and women are needed for engine crews, train crews and for equipment restoration and maintenance. No experience is necessary, instruction in basic railroad safety procedures will be given to all volunteers. Memberships are available in the "Defender", or call 998-1930 for more information.

Wilmington & Western RR left to right: Fireman: J.C. Nelson and Conductor Frank Panarielli. Back row: Brakeman: Bill Durd, Mailroom Pete Steele, Engineer Brian Woodcock (Pres. of Red Clay Valley Historical Society), Conductor James Dorsey, Fireman Bob Hamilton, Trainman Joe Giatchine, and Brakeman Alan Wedman.
