Work On City Streets At Stand Still

The resurfacing of Harrington streets has been temporarily halted to allow the contractor to raise manhole covers the several inches required to adjust them to grade. According to city manager David Petersen work on raising the utilities has not yet begun, but is to be handled by George and Lynch Contractors who also are spreading the hot mix. When this work is completed the hot mix crew will return. Center Street extension and Gordon Street have already been resurfaced, with the remainder of the project to be completed before the weather becomes cold.

Projected date for completion of the city's water and sewer project is November 1. 1500 feet of water lines were laid last week by contractors, Joseph Richardson, Associates. The project calls for water and sewer line installation on Milby and Mispillion Streets to Route 14.

On Sunday, September 24th, Harrington Volunteer Fire Company was on the scene on Route 13 just North of Harrington. According to State Fire Marshall's Office the house was owned by Harry Greenburg and occupied by Elwood Alfred Brown. The fire was caused when a wood stove overheated and ignited from combustible materials. Farmington Volunteer Fire Company assisted at the fire. (Staff Photo by Gwen Krouse).

Harrington Chamber Of Commerce Studies Joining Neighboring Chamber Of Commerce

HARRINGTON - The Harrington Chamber of Commerce met on Tuesday and considered an invitation by the Executive Director of the Milford Chamber of Commerce to become associated with the Milford Chamber.

The Harrington Chamber of Commerce "...seems to be active from meeting to meeting but nothing in between," said one Chamber member. It was suggested that Mr. Nylund be invited back to the Chamber's next meeting in October and have him explain the nature again of joining the Milford Chamber. Some members felt a contract from year to year should be considered as well as adopting the minimum contacts theory.

William O. Outten, Outten Insurance Agency, said that he felt the Chamber should have some goals and become more actively interested in the Town's affairs. Others felt that planning is necessary such as a budget and a planning committee. Outten and others present, Carl June, Charles Peck, Jr., Gary Simpson, Bob Taylor, David Jones, and Harry Farrow, Jr., felt that the matter of the completion of the landscaping and sidewalks to Harrington's Public Library is an example of something the Chamber should be interested. The most recent involvement the Chamber was in regarding the affairs of the Town was when the Town Council passed the ordinance restricting weight limitations for Reese Ave., which was designed to restrict the truck traffic to and from the Burris plant on Reese Ave. The Chamber at that time in special session voted their total disapproval of this ordinance forcing the Town to retreat this ordinance.

The next meeting of the Chamber will be noon October 24 at Twin Roads Restaurant.

Sept. 30 Street Fair Schedule Announced

By Mike Everline

The following is a list of events that will take place on Saturday, September 30, at the Harrington Street Fair sponsored by the Lake Forest High School Senior Class. Unless otherwise noted all events will take place at the entertainment booth which was number 6 on last weeks map. Hope to see you at the fair!

12:00 noon - Parade - featuring the Lake Forest High School Band. Anyone interesting in being in the parade should contact 398-3388 immediately.

12:00 - All game booths will be open.

4:45 - Square Dance - "The Diamond State Twirlers"

8:00-11:00 - Street Dance. Admission is free. Located on First National Bank Parking lot. Music by "Imagery."

Daisey Takes Over As Chipman Vice Principal

William H. Daisey arrived last Monday, September 18, to take over full time duties as Chipman Vice Principal. Hired by the Lake Forest School Board in August to fill the position left vacant when Marjorie Davis moved up as Principal, he had to fulfill obligations in Salem County, New Jersey, where he was Coordinator/Counselor in the Vocational Technical School System before coming to the Lake Forest District on a permanent basis.

Interviewed by the *Harrington Journal* a few days after he arrived, Daisey seemed pleased with the atmosphere he encountered at Chipman. He cited good relationships with administration and staff as well as with those parents with whom he had so far had contact. He was enthusiastic about working with students at the junior high level and particularly appreciative of their energy and vitality. Since a junior high school is a new experience for him, he feels especially sympathetic toward the seventh graders who are also stepping into a new situation.

Daisey comes to Chipman with an extensive background in mechanical and technical fields which prepares him for dealing with the many students here who are interested in vocational areas.

In addition to his educational background (he has a B.S. in mathematics from Delaware State College and an M.A. in education from Glassboro State College and has taken courses at Montclair State College, Drexel University and the University of California), Daisey is a qualified journeyman in over eight different trade areas. All this includes experience in aircraft mechanics and painting, industrial painting, auto mechanics and painting, industrial painting, auto mechanics and auto body and fender mechanics. He has served as a quality control leader and has worked as a mechanical technician in aircraft catapult and arrest gear for All American Engineering in Georgetown.

His supervisory background spans fourteen years in the public schools, private industry and the federal government. After spending a number of years, including five in California, in technical and engineering fields, Daisey took the opportunity in 1970 to return to education. Prior to his position in Salem County, he served as Coordinator/Leader Teacher in the Camden County Vocational-Technical Schools.

Outside school his interest has been heavily in the area of community affairs. He served on the County Welfare Board in New Jersey as well as on the Educational Advisory Board. In addition, he was

Frederica Hires Larry Washburn As Police Chief

Smile when you go through Frederica, because if you don't you just may get a ticket for being a sourpuss. At least Larry Washburn gave three tickets for this "violation" while an officer on the Camden-Wyoming police force. Of course, there was no fine involved. It was merely Washburn's way of getting to know people, a public relations gimmick one might say.

To Washburn, public relations is an important part of police work. He has been on the job only since Sept. 18 and already has met "half the town," "talked to the kids," "waved and spoken to elderly residents," and graciously received townspeople who have

stopped by to introduce themselves. He seems anxious to establish a rapport with the citizenry, to let them know he is there to help.

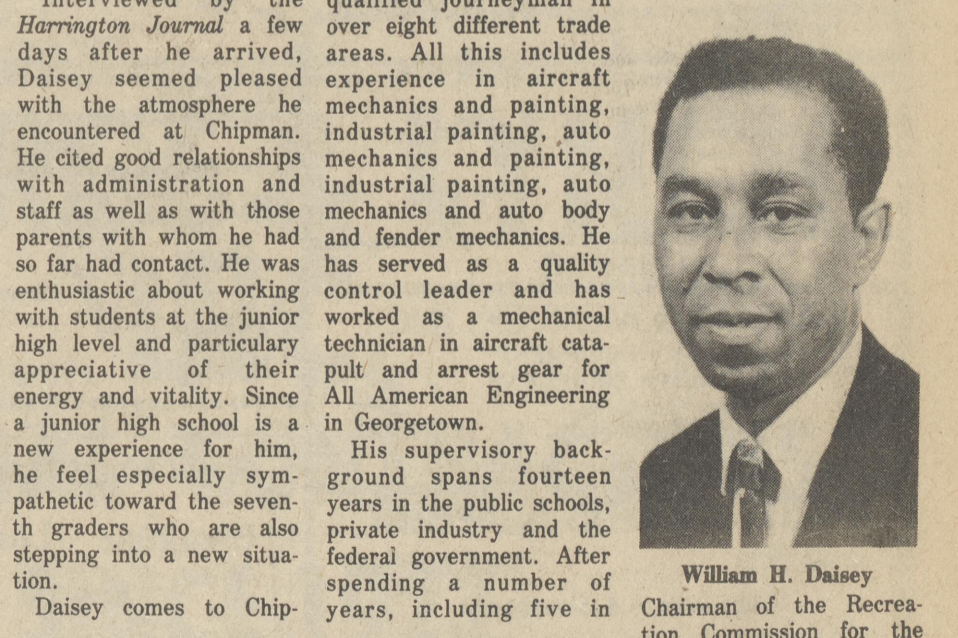

"Helping people" is why Washburn became involved in police work initially. A retired military man, he has been in civilian law enforcement for only a year. He had thought, as transportation supervisor on several air bases and as an OSHA inspector, the responsibility for investigating incidents of theft, misuse or damage to millions of dollars worth of government equipment. Therefore he wasn't completely alien to a job which involves investigating complaints, checking property, maintaining a vehicle, controlling traffic and doing the inevitable "paper work." But Washburn always comes back to what he considers most important, "public relations."

This "getting to know you" attitude is reflected in what one might call Washburn's philosophy of police work. He feels law enforcement officials have a growing respect for the individual and "are much more feeling" than perhaps they have been in the past. However, "there is no compromising when the law is broken." He feels a policeman can be "compassionate and enforce the laws."

In Frederica he has thus far seen "no problems yet." He has been "on the road" checking speeds and has found the average speed through the town to be "well below posted limits." He also finds "the kids are friendly, have respect for the law and are polite." He feels his main concern may well be "with non-residents coming into the town," although this hasn't caused any problem yet.

The town of Frederica has a population of approximately 1200 and has just a one-man police force. If there is trouble while Washburn is off duty he can be reached by walkie-talkie as he is on 24-hour standby. In the event of major trouble which requires immediate aid, state police from Troop 3 in Camden would respond. Washburn intends to vary his days off and times off duty and will spend a majority of his time "on the road."

Washburn, 40, is originally from Roanoke, Va. where his parents still live. This is not his first time in Delaware for he was stationed at Dover Air Force Base in 1970-71 where he was

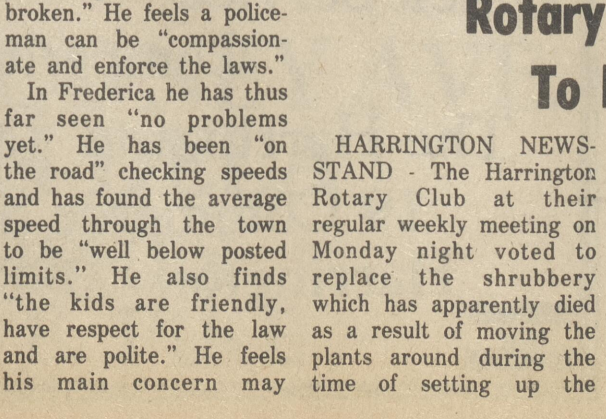

William H. Daisey Chairman of the Recreation Commission for the New Jersey area in which he lived and has been a member of the Board of SODAT (Services to Over-users of Drugs Among Teenagers).

Scout Sign-Ups Thursday Night

School Night for Scouting will take place in the Chipman School cafeteria on Thursday, Sept. 28, from 7 to 8 p.m.

All boys wishing to enter scouting must be accompanied by a parent or guardian.

Call Ray Blanchette, 398-3225, or Harry Farrow at 398-3206 for more information.

Rotary Votes Improvements To Harrington Library

HARRINGTON NEWS-STAND - The Harrington Rotary Club at their regular weekly meeting on Monday night voted to replace the shrubbery which has apparently died as a result of moving the plants around during the time of setting up the library on its present location.

The Club as part of the motion to replace the plants felt that the best time to do this was when the sidewalks and steps are installed. It was noted at the meeting that funds were available to the sub-

Jaycees Sponsor Parade Theme Contest

1978 Christmas Parade Chairman, Ray Blanchette, has announced that the Jaycee chapter will be sponsoring a contest for the parade theme. The winner will be chosen by the Jaycees at their regular meeting on October 9th and will be announced in the October 11th issue of the *Harrington Journal*.

Entries should be mailed to Ray A. Blanchette, Rt. 1 Box 234, Harrington or submitted in writing to any Jaycee. Each entry should contain not only the theme idea but also the submitting person's name, address and phone number.

The annual event will take place on Saturday, December 2, beginning at 1:30 p.m. with rain date the following Saturday.

Coming to Delaware is really coming home for the Daisey Family, William Daisey is originally from Lewes, and his wife, the former Shirley Street grew up in Millsboro. Their family boasts six children, including a four year old daughter and twin sons who are high school seniors in the Capitol School District.

One daughter is a senior at the University of Delaware and another is a graduate of Syracuse University. The Daiseys also have a married son and two grandchildren. At present they make their home in Dover.

Local Interest

By Mrs. Phyllis Bonniwell

Mrs. Edythe Hearn is a patient in Milford Hospital. Until her return home please call my number for local news, 398-8263, Mrs. Bonniwell.

Mr. and Mrs. Franklin Bacon of Saulsbury, Md., were guests of Mr. and Mrs. Hildray Banning on Sunday.

Mr. Marvin Wix of Rochester, Pa., has been visiting his brothers and sisters in and around Harrington this past week.

Saturday night dinner guests of Mr. and Mrs. Elmer Brown included Mr. and Mrs. Charles Coverdale, Mr. and Mrs. Frank Bradley and Franky, and Mr. Marvin Wix.

Mr. and Mrs. Calvin Bonniwell and Kim enjoyed a trip to Virginia.

Mr. and Mrs. Robert Wix, Mr. and Mrs. Carl Pearson, and Mr. and Mrs. Ed Collins all traveled to Cambridge, Md. last

Saturday to help Mrs. Earl Lowry celebrate her 82nd birthday.

Friday evening there was a surprise birthday party given in honor of Mrs. Ethel Short by her daughter Mrs. Thelma Betts, Russell and Carol, Roger Betts and fiancée Barbara Green of Dover, and Mr. and Mrs. John Dow.

Master Rob Taylor and Miss Mary K. Taylor celebrated their 5th birthday on Tuesday.

Members of the Women's Auxillary that represented Harrington at the Firemen's Convention were as follows: Mrs. Irene Outten, Mrs. Betty Taylor, Mrs. Beverly Hendricks, Lynn Outten, Cathleen Montague, Hope Minner, Nancy Green, Grace Place, Irene and Dean, and Kathleen Derickson.

Dale Brian Dean spent

the weekend with his grandmother Mrs. Bertha Dean while his parents attended the Annual Firemen's Convention.

We're sorry to report that Mrs. Anna Lee Anderson has been confined to her bed with pneumonia this past week.

Mrs. Marita Campbell is a patient in the Milford Hospital with a case of pneumonia.

Celebrating September birthdays at the Senior Center are, left to right, Elizabeth Anthony, Martha Wyatt, Alice Wood, Viola Hill, Fred Lipman, Ruth Vincent, Katherine Stevens, Sylvia Taylor and Florence Minner.

Senior Center News

By Dorothy Graham

"Brighten the corner where you are," made Monday morning special - it set the tone for the day. Mrs. Taylor and Mrs. Judy along with all the members had a good Bible Study and song fest. As

Bible Study was ending, Dick Henry was rolling a huge, and I mean huge watermelon across the dining room floor into the kitchen. Everyone admired, exclaimed and asked, "when are you going to

cut it?" It was cut Friday and served at lunch, it was delicious. Jolly Tuners didn't get to go to Milford as DAST had some car problems.

Band rehearsal as always, great, they are practicing new old members. My favorite still is "Let Me Call You Sweetheart," and whenever it is struck up - I'm very near to hear every note and word. The men's chorus with Ina at the piano is great too. The Birthday Party was well attended - Dona Holland presented "King Tut," by story and slides. Birds of all hues, scrumptious, cake, ice-cream and lots of chatter made Tuesday a very special day. Our Director Sabra Cello and site manager Charlotte Welch kept everything as pleasant for us as anyone could.

Our ceramic table is filled with Bazaar items - Hollyballs, Mr. and Mrs. Santa on a bench, Pilgrims, Mrs. Santa knitting socks for Santa, etc. Exercise as usual, the natural kind, walking, flexing hands, feet, eyes, mouth.

After a very tasty bunch of oven baked chicken, sliced carrots, cole slaw and chocolate pudding. Mrs. Powell and Mrs. Holden with the nutrition program made some delectable goodies and gave out the recipes. It

was good to have them back.

The cow resembles a horse, the lady could be a man, the dog might be a cat, its all in what you see in out latest water color lesson. One thing is sure we are learning color. Mildred made the frame again. Milford shopping and bowling and cards brought Thursday to a pleasant halt. High scorers were Mr. Marion Brown, and Mrs. Marian Russum.

Mr. Phillips had a Health film and then talked of fever on Friday morning.

Mrs. Sallie Needles, Mrs. Ella Golt, Mrs. Annabel Morrow have chosen the drapes for the new room. They will truly bring the new addition all together. The jewelry was taken out, one necklace was made, several sorted for bingo. While using a pair of scissors to cut

some string, Anna Mae said, "We have scissors that should be thrown away and tie a nickel to them to pay someone to pick them up." Just shows you why Mr. Brown took them home to sharpen them for us. Woodshop is getting ready for action. Don't forget white elephants as you house clean.

Pool, 500 cards, dominos, TV, lots of conversation along with ceramics, artex, jewelry, water coloring, band and lots of good food by Manna, sponsored by Modern Maturity Center, filled the week at the Center. Thank all of you volunteers! Best wishes and kind thoughts to all.

Have you recorded your volunteer hours and have they all been turned in? Recognition Dinner, October 6, 1978.

Harrington To Get New Business

HARRINGTON - The Town of Harrington is to get a new business in the very near future. The Pizza Shack Family Restaurant will occupy the former establishment of Wollaston's in the Quillen Shopping Center.

According to Richard Snell, the owner of the new restaurant, they will emphasize Italian food... pizzas and sub sandwiches...with beer on tap as well as wine served.

The new restaurant will have between 60 and 75 places to be served with approximately 28 tables. "So...we will be catering to the family style meal as well as the take-out orders. We will not open with beer and wine served, but we plan to obtain the license in the very near future," said Snell.

Another feature Snell will have is the big screen TV for Monday night specials. They will also serve businessmen's lunches...spaghetti, salad bar, and pizzas. Snell said he will be opening in two to three weeks and will hold his grand opening on November 1st.

Church news for Sunday, Sept. 24, 9:45 a.m. with Paul Gustafson in charge of the service and asst. supt. in charge of the Sunday School. The United Methodist Women of Union Church were entertained on last Tuesday night in the Union Church Sunday School room. The hostesses for the evening were Mrs. Lawrence Breeding and Mrs. Isaac Noble. Mr. and Mrs. Lary Larimore of Lincoln are receiving congratulations

on the arrival of a baby girl, Julie Elizabeth, weighing 7 lbs. 14 oz. Born at the Milford Memorial Hospital Friday, Sept. 15th. Mrs. Larimore will be remembered as the former Sharon Fike daughter of Mr. and Mrs. Darven Fike of Oakland, Md. Mr. Larimore is the son of Mr. and Mrs. (Murph) James Larimore. Larry was an active member of Union Church until his graduation from high school and college.

The Burrsville Ruritan Club's annual fall supper will be Saturday, Oct. 28. Mr. and Mrs. Emory Sweitzer of York, Pa. have been visiting with their daughter and family, Mr. and Mrs. Wayne Geisel of near Burrsville, and were glad to have them at church Sunday morning.

Mr. Bob Collins had returned to his home from the Milford Hospital where he had surgery and had to be taken back to the hospital again due to a kidney stone.

Mrs. Paul Fisher, a member of Union Church, has been a patient in the Easton Memorial Hospital.

Mrs. Wilmer Nagel of near Federalsburg entertained at dinner Sunday her daughter and family, Mr. and Mrs. Gerald Banning, Jerry, Diana and Kelli of near Federalsburg and son and family, Mr. and Mrs. Dale Nagel and Brad of near Denton, and her mother, Mrs. Isaac Noble.

Saturday, Sept. 30, is the date for the oyster and ham supper at the Hobbs Community house sponsored by the United Methodist Church.

Saturday, Oct. 7, is the date for the oyster and ham, chicken and dumpling supper at the Smithville Community house sponsored by the Bloomry United Methodist Church.

Mr. and Mrs. Clarence Edward Porter of Noble Rd. entertained the following guests on Sunday evening in honor of their son, Wayne Porter's birthday: Wayne Porter, Joe Ann Darlene and Jeff, Mr. and Mrs. Ernest Collins, Miss Del Collins of near Denton, and Mr. and Mrs. Clarence Porter. Ice cream and cake were served and they all had a very enjoyable evening.

Rain Dampens Spectators At Stadium Dedication

A rainy Friday evening put a crimp in dedication ceremonies for Lake Forest High School's new athletic stadium. But that didn't keep spectators away or activities from proceeding as planned.

The evening began with a pre-game show performed by the eager and spirited Dover Senator marching band. Lake Forest's Spartan football team then took on last year's Division I state championship Dover team. After an evening fraught with fumbles, penalties and generally unexciting football, the Spartans went down to a 14-0 defeat at the hands of the Senators.

A half-time show put on by the Lake Forest

band was highlighted by an original hat and cane routine performed by the twirlers and the double fire-baton exhibition of head majorette, Elaine Homewood. Small souvenir footballs were then thrown into the crowd by cheerleaders to the shouts of young and old alike.

Throughout the first half, spectators were invited to register for the various door prizes which had been donated by local businesses. A black and white television supplied through the courtesy of L & D Electronics, Peoples Bank and First National Bank was won by G. B. Langford of Harrington. Carol Miller of Dover won the am/fm radio donated by Harrington Pharmacy.

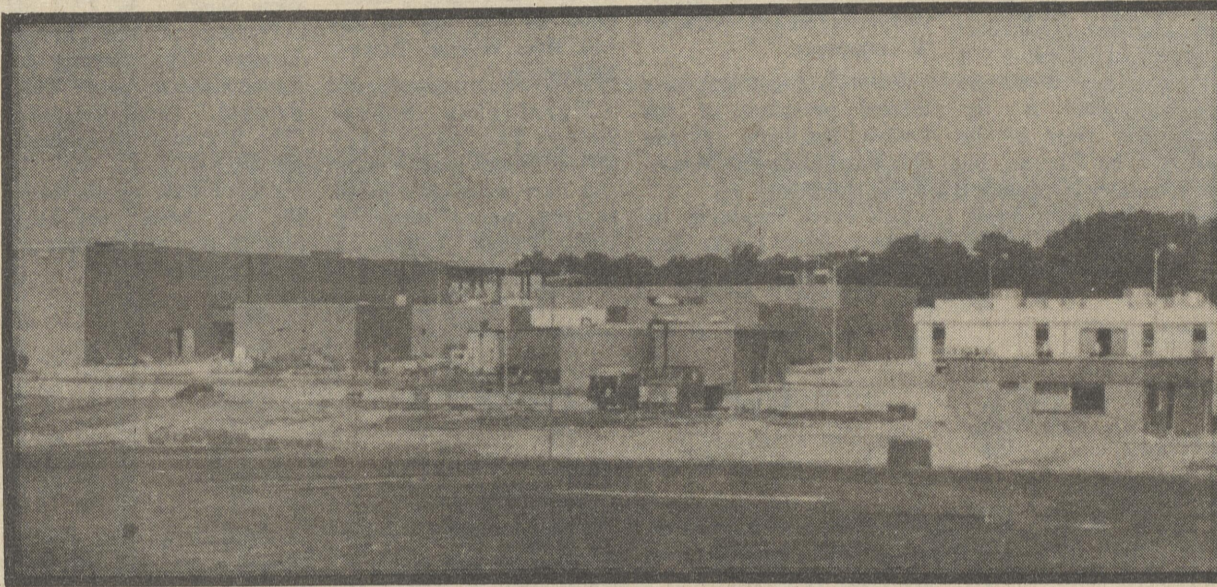

A view across the lush sod on the new Lake Forest football field.

A \$20 gift certificate donated by Quillen's Market was won by Mike Everline of Harrington. An am radio donated by Taylor's Hardware was won by Elaine Grant of Harrington. A \$15 gift certificate donated by Ware's Market in Felton was won by Mrs. Heath of Dover. Two oriental vases donated by Harrington Variety Store were won by Beth Reed of Harrington. Darin Whitbold of Felton won the 2 1/2 gallons of ice cream donated by Hi-Grade Dairy.

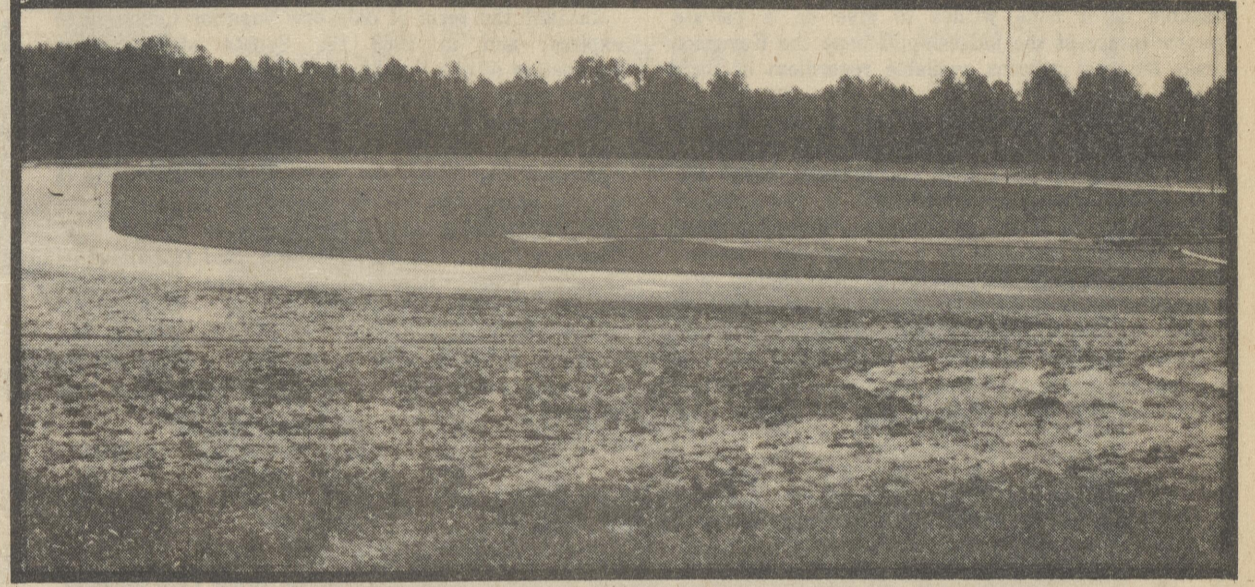

Football players were also presented with awards for their performance in last week's game with Laurel, the

first to be played on the new field. Larry McCombs and Larry Smith received trophies for scoring the first touchdown, a pass from quarterback McCombs to Smith at end. Receiving the trophy for leading tackler was Jerry Fountain. Outstanding lineman was Eugene McBride.

The new stadium is part of a \$1,589,000 sports complex under construction which includes football field, track, baseball and softball diamonds and swimming pool, as well as auxiliary facilities. The construction is a public works project of the Economic Development Administration.

Visible across a portion of the new track and football field is the gymnasium extension and foundation for the building housing the Olympic-sized pool.

The track and football field pictured above are part of the \$1,589,000 sports complex.

Adams Report To The People

Thurman Adams, Jr.

By Thurman Adams, Jr.

It is possible -- even likely -- that the State Senate will be reconvened for another special session next month to consider Governor Du Pont's nominations to fill the two new Delaware Supreme Court justices approved by the General Assembly this year.

The Governor has not publicly stated but it has been reported that he plans to nominate a New Castle County Democrat or Republican and, depending on which of those, a Sussex Countian of the opposite political party.

As chairman of the Senate Executive Committee, I plan to hold public hearings on the two nominees as I've done with every other new gubernatorial appointee which requires Senate confirmation.

I would, of course, prefer that a Sussex Countian be named to fill one of the two extremely important judgeships. However, if no Sussex Countian is available or if none wishes to give up a private practice to accept the judgeship, I hope the Governor names the best persons available regardless of their political party.

It is doubtful if there will be any partisan fight in the Senate over these two new judgeships, creation of which Chief Justice Daniel L. Herrmann called the single most important step forward in the criminal justice system in many, many years. The candidates will be carefully screened by a nine-member screening committee of the Delaware Bar Association, will be personally interviewed by the Governor, will face a public hearing in the Senate, and will no doubt have been carefully screened by the public since ten days notice is required on the names before the Senate considers them. Chances are that anyone who

can face such a selection process should certainly receive confirmation.

In addition to the two Supreme Court justices to be considered, there is a vacancy on the Family Court because of creation of an additional judge on that court also.

In the 129th General Assembly, the State Senate has confirmed two Family Court Judges, two Superior Court judges, and nine magistrates.

Aside from magistrates, the 130th General Assembly to be elected Nov. 7 will have only a single Superior Court judgeship to consider in its entire two-year life -- unless additional judgeships are created.

Judge Vincent Bifferato's term expires July 26, 1980, after the regular adjournment of the 130th, so you can look forward almost two years and expect a special session of the Senate.

In 1981 the term of only one Superior Court judge expires, and in 1983 the Senate will consider nomination of one Family Court judge and two judges of the Court of Common Pleas.

So you can see that, after the two Supreme Court justices and Family court judge now vacant are confirmed, the courts are pretty well set for the next several years. But in 1984 and 1985 no fewer than two Supreme Court, five Superior Court, one Chancery Court, two Family Court, and two Court of Common Pleas Court judges will see their terms expire.

Between now and then, it's up to you -- the citizens -- to decide how the judiciary is doing and let your members of the State Senate know what you think.

Fri., Sept. 27, 1968

The new Era Shirt Company's warehouse was dedicated Thursday morning, Sept. 19, when Gov. Charles L. Terry cut the ribbon. The metal structure, encompassing 30,000 square feet, is adjacent to the company's cutting room on the northbound lane of U.S. 13.

A willing worker, a faithful servant of the public, a booster of the community summed up the kudos given Samuel A. Short, Jr., Wednesday night at a testimonial dinner in Collins Hall of Asbury United Methodist Church. The Harrington grocer, songwriter and poet retired recently.

On Saturday, Sept. 21,

Mr. and Mrs. Thomas E. Clendening celebrated their 35th wedding anniversary. A reception was held at St. Bernadette's Parish Hall with 175 guests present.

Two directors were elected at a meeting of the Chamber of Commerce Tuesday at the Bridle Bit. Arnold Gilstad and J. Edward Taylor were elected for 2-year terms to replace Fulton J. Downing and Samuel A. Short, Jr.

Mr. and Mrs. Patrick F. Ryan, of Georgetown announce the engagement of their daughter, Miss Sharon Marie Ryan, to Leonard Arthur Taylor,

Jr. He is the son of

Mr. and Mrs. Leonard A. Taylor of Harrington.

Benjamin Hughes, Jr. was appointed director of the First National Bank of Harrington Wednesday. He fills the unexpired term of Theodore Harrington who has resigned.

Marine Private First class Charles W. Porter, 20, son of Mr. and Mrs. Harry A. Porter of Harrington, returned to the U.S. Sept. 16 after 8 months combat duty in South Vietnam.

Seaman Larry G. Sapp, USN, 20, son of Mr. and Mrs. Wilson M. Sapp of Harrington, is serving aboard the tank landing ship USS Summer County

operating off the coast of South Vietnam.

Bill Muehleisen's Harrington High football Lions refused to knuckle under the pressure applied by Selbyville's Rebels and evened their record at 1-1 by defeating them 19-6 at Selbyville Friday night.

In bowling news, the Gallos teamed up Tuesday night and put Wally's Garage out in front by rolling their highest individual series this season to date. C. Gallo had a 541 series, with E. Gallo with a 531 series.

Food prices: rib roast 79c lb., ground chuck 75c lb., apples 2 lbs. 39c, sweet peas, 4 cans 75c.

Twenty Years Ago

Fri., Sept. 26, 1958

Paul Neeman of Harrington was elected president Friday of Delaware State Volunteer Firemen's Association.

The contract for the construction of St. Stephen's Episcopal Church has been awarded to Robert L. Zook of Houston, it was revealed Wed. by the Rev. John R. Symonds, Jr., vicar of the church. The figure includes building the church, parish hall and educational building on a 10-acre tract between Raugh-

ley-Hill Road and Delaware Ave. and U.S. 13.

Harrington's second annual Crazy Daze, a two-day community-wide shopping spree, will take place today and tomorrow. The event is sponsored by the Retail Merchants Committee of the Chamber of Commerce.

Mrs. Eva Raughley was elected president of the Ladies Auxiliary of the Delaware Firemen's Association recently.

Lawrence Shepherd, of Hanover Shoe Farms, has named a Top Bill Gallon

yearling Reese Hanover after Reese B. Harrington who has had a number of mares bred at the farm.

Births: Sept. 13 - A girl to Mr. and Mrs. Roy Turner, Houston; Sept. 15 - A girl to Mr. and Mrs. Joseph Robbins, Felton; Sept. 16 - A boy to Mr. and Mrs. William Tucker, Bridgeville.

Harrington School Notes: The class rings arrived this past Friday and have been distributed to the eager class of 1960. Thelma Collins, a member of the junior

class, was the first prize winner of an essay contest held by Southern States Cooperative of Andrewville. Mrs. Brobst 5th grade is studying wild flowers and weeds. Josephine Derrickson and Donald Wells brought in some plants.

Playing at the Reese Theatre: "The Revenge of Frankenstein" and "The Snorkel." Coming soon, "The Bravados" with Gregory Peck.

Food prices: chuck roast 49c lb., bacon 69c lb., corn, 2 cans 29c, pork and beans, 7 cans \$1.

Greenwood

By Pat Hatfield

Hickory Ridge Congregational Methodist Church reports an example in which the Lord is answering their needs.

They had an opportunity to buy a discarded church bus which they wanted for parts to use on another bus. Brother Jerry announced the situation and the need for necessary funds to purchase the bus and asked that they pray to receive that help.

At the end of the service someone who had use for the bus, giving the church the tires and engine which they needed. Praise the Lord for His answer to prayer. Our WMS hopes to have a yard sale on Saturday, Oct. 7. Rain date the following Saturday. All contributions gratefully received.

Our WMS business was held on Sept. 20 at the home of Mrs. Mary Uhler at 1 p.m. The Bible word was "Naomi."

The Greenwood V.F.W. held their annual picnic for their members and their families. This was in the form of a cookout, where clams, crabs, hot dogs, hamburgers, baked beans, potato salad, tomatoes and all the trimmings were served, with watermelon completing the feast.

The Annual Homecoming Sunday at St. Johnstown M.E. Church will be held on October 15 at 2 p.m. Special music will be presented by The Melody Makers of The Independent Bible Fellowship Church of Harrington. They include Carolyn Woodall, Edith Andrews, Pat Anderson, Shirley Wright, and Florence Green. More news about this later.

Cheer Center News: Sept. 18-22: The members of our Greenwood Center enjoyed a very pleasant visit with the Slaughter Neck Center on Tuesday, Sept. 19. We were served a tasty lunch and shared in the game of Bingo and other recreational activities.

On Wed., Sept. 20, Mrs. Doughten, Margaret Conaway, Eliza Foreman, and Margaret Fountain attended a workshop on Cloning at the Delaware Hospital for the Chronically Ill at Smyrna. It was lots of fun and they are looking forward to their next workshop session on Thursday, Sept. 28.

Our new members this week are Mrs. Elsi Butler and Gladys Millman. We were glad to have Mrs. Kathryn Hayman as a visitor to our Center on Wednesday. Those that have been on our sick list are improving and we are glad to have Mrs. Kathryn Hayman as a visitor to our Center on Wednesday. Those that have been on our sick list are improving and we are glad to have Mrs. Kathryn Hayman as a visitor to our Center on Wednesday.

Here are some dates to which we may look forward: Sept. 27, Arts and Crafts with Sue Foxwell. Sept. 28, Lunch at 11:30, shopping at Seaford. Sept. 29, Film with Jack Day at 11:15 a.m.

Mrs. Jo-Anne Davis, Mrs. Ellen Bollinger and Garith, and Mrs. Jacob Hatfield were Wednesday luncheon guests of Mrs. Walter Mays in Claymont.

A warm welcome from the community is extended to Mr. and Mrs. Raymond Marvil and three daughters who are moving onto the property recently known as the Dale Dickerson farm.

Gab Fest

By Pat Hatfield

I am not the least bit superstitious about anything, but I grew up in a time when the old superstitions were quoted almost every day. My own family did not really believe in them, but they were quoted and laughed about. Although my mother did have a bit of a notion about starting new projects on a Friday because it seemed that it did not turn out right. And I used to tell her that she was setting the stage for it not to, because she was afraid it wouldn't.

And, even though I definitely do not believe in any of them, I still find myself repeating them. Like this morning my right hand itched and I found myself saying, "I'm going to shake hands with a stranger."

But this had already happened this week. A stranger came to my door, a Mrs. Wilkins from Milford, who reads my column every week and she had made a beautiful present for me. She had designed and crocheted a beautiful bread tray cover with this inscription, "Aug. 16, 1928, with the word, Hatfield, in the center." It has a ruffled edge around it all. What a beautiful gift of love! Everyone admires it and we treasure it. She came in to visit and get acquainted, and we talked a mile a minute for some time. Some day she is going to bring her mother. We know many of the same people and it could be that we are related through the Jester family.

Another nice thing happened, too. My good friend, Mildred, called and said she had found another basket of peaches for me. Pappy Jake was on his way to her house immediately, and we are happily savoring each luscious peach. What have I ever done to deserve so much kindness?

This has sure been a great week. On Wednesday, Ellen and JoAnne had to make a trip to the bird shop in Philadelphia to purchase some finches which they were out of, and they decided to stop by my sister's home and pick up a huge rubber plant they were giving her. My sister and brother, Jimmy, really have a green thumb... "too green," Sis says, because their plants grow like they are in a tropical jungle. And this rubber plant had gotten so tall Jimmy said they would have to give it away, throw it away or cut a hole in the ceiling. They started two new plants from it which are exceptionally nice. Ellen has tried so hard to keep the ones that have been given to her, but they always seem to die.

We arrived at my sister's at 12 noon, and she had prepared a beautiful lunch with sandwiches, salads and cake with whipped topping and lots of iced tea. It was a jolly time, and we laughed a lot.

Then we went on to the bird shop and enjoyed looking at the beautiful birds and talking shop with the owners. Ellen also bought small Garith, who was along on this trip, two blonde guinea pigs. She was overjoyed and said, "Well, at last I have something of my very own." Her mother asked her if she would assume the care and feeding of them. After thinking this over, she said, "Yes, I will... for a month... or probably a year. But I don't suppose I'll be doing it when I'm a Grandmal!" She was not going to commit herself that far.

Youth Jobs Program Wins First Approval

By Governor Pete du Pont

Jobs for Delaware Graduates, the unique youth employment training, counseling, and placement program for high school seniors which I proposed in late July, is nearing final form. It will be ready to be submitted to the White House in late October for funding.

This program is unique in several respects. First, it is the only statewide and comprehensive jobs program for young people in the country. Second, it will reach every one of the 12,000 high school seniors in Delaware public schools. Third, it is the first attempt to help solve the youth unemployment problem before the young people leave school and enter the job market. Finally, it will not be a government program, but an effort by the business, labor, and education communities in the state -- the people who can do something to solve the problem before it becomes a government problem.

The proposal earned the approval of the program's Board of Directors last week and it now in its final writing. I hope that the White House will lend

its support to this innovative program and thus make it easier for Delaware to gain the \$8.5 million funding needed to make the program work.

The Board of Directors includes the top officers of the major corporations in the state, owners of small businesses, leaders of the major labor unions, the top educational administrators, major government leaders, and respected community leaders. The 34-member Board of Directors will direct the program. These are the people who can help find jobs for the young people, which is the bottom line of the program.

Briefly, the jobs program will work this way: 180 specially trained counselors will work with every high school senior and will subsequently identify the 3,000 or so seniors who have no career or educational prospects following graduation.

Those students will receive before graduation intensive vocational training so they can earn an entry level job; remedial instruction in math and English so they can perform at a sixth grade

level; motivational and leadership counseling to raise their self confidence, and assistance in finding and holding a job.

Job specialists will also scour the state to identify the jobs available for young people. These specialists will work with the private companies and the educational institutions to ensure that adequate training is available to each student so that they can begin a job immediately. Each student placed

in a job would receive up to nine months of counseling and assistance following the first day on the job.

As you can see, this program is unique. It is an innovative effort to drastically reduce the youth unemployment problem. If we can solve unemployment before the young people become unemployed, we can make giant strides towards reducing the cost of government to you, the taxpayer.

Letters To The Editor

Sussex County's Position Registered At The Polls

Dear Editor:

The victory of Councilman Charles Cole over his opponent Richard Timmons in the Republican primary has a much greater impact than the question as to who will represent Coastal Sussex in the County Council. The nomination of Councilman Cole, and the size of his plurality, should be considered with great care by the other members of the Council.

The issues in this contest were clearly drawn. Councilman Cole had spoken loudly and often in favor of controlled growth and the protection of our beaches against the indiscriminate construction of highrise, high density buildings. On the other hand, Mr. Timmons in 1973 voted in favor of the proposal to rezone 25 acres of beachfront for the highrise Sea Colony North project which the Supreme Court of Delaware later found to have been arbitrary and capricious. He had also indicated that he intended to be guided by the Planning Commission's recommendations concerning the present Sea Colony North proposal for beachfront high rise development. Since the Commission had recommended granting the rezoning, Mr. Timmons' position was clear.

It was long folk wisdom in Sussex County that the only people who opposed highrise development of the beachfront were Washington area summer residents and their environmentalist allies. The usual line was the "real" residents of Sussex County were not concerned about the County's most precious resource.

In any political contest a 2-1 victory is considered a landslide. Mr. Cole's rout of his challenger indicates that the people of Sussex County are perhaps more sensitive to the needs of the environment than some of their officials believe. In this case, the residents of Coastal Sussex have delivered a message which public officials everywhere should take to heart.

William S. Green
Bethany Beach

Firemen Issue Open House Invitation

Wamsley, and Mr. and Mrs. Neil Brasure, advisors accompanied the students.

Russell Brittingham and Mark Stayton won first place in the State F.F.A. Small Engines Contest earlier this year. They were then eligible to participate in the Regional Small Gas Engine Contest at the Exposition.

First place in the State F.F.A. Tractor Driving Contest was Kevin Robbins. He also went to Springfield to compete on the Regional Level.

Fred Martin, Bob McGinness and Greg Cain won second place in the State Poultry Judging Contest. They also were eligible to participate on the Regional Level.

The Harrington Fire Co. would like to invite the residents of our community to our annual Fire Prevention Day and open house. The event this year will be on October 8, at 1:00 p.m.

Many things are happening this year that will interest all members of the family. There will be many displays on home safety ideas, also, demonstrations of fire and rescue

vehicles and their cases. Firemen will be on hand to answer any questions you might want to ask. To entertain the kids they will be able to watch the annual hose contest and hopefully Smokey the Bear.

The biggest part of our Fire Prevention Day is the attendance. We want to see a real big crowd this year.

Library News

Don't forget every Tuesday morning from 10:00 to 10:30 we are having a "Cartoon Carnival" for your pre-schoolers. Next week we plan to have "Winnie the Pooh and Tiger Too", "Love Bug No. 53", and "Tea for Two Hundred".

The library has just received a new shipment of books. Some of our additions are: "Jacqueline Bouvier Kennedy Onassis", by Birni, "Leadership", by Buurns, "Golden Bats and Pink Pigeons and Expedition", by Durr, "Stained Glass", by Buckley, "Movie Stars Real People and Me" by Logan, "The Empty Copper Sea", by McDonald.

We have now received all of our magazines and they are ready for circulation.

Mrs. Ola P. Tildon

Teacher Honored On Retirement

Mrs. Ola P. Tildon, a retired school teacher, was honored with a tribute luncheon at the Felton Fire Hall on September 2nd. The tribute was in appreciation for their 38 years of service in the classrooms and communities.

Mrs. Ola P. Tildon worked at Reeve's Crossing near Felton. Later she worked at Union School which was near Frederica. She retired from Lake Forest West Elementary School in Harrington.

Mrs. Ola P. Tildon

would like to thank all the former students, her family, friends and those who participated in the program, for making this event a grand success.

More than 185 attended, presenting her with gifts, including a money tree, television, cards and expressions of gratitude. She was speechless with happiness.

James Gibson, a former pupil of Union School and a mortician in New York City, represented his family from Frederica.

M. Sabina Pizzadili FELTON - M. Sabina Pizzadili, 76, of Main Street, died Friday, Sept. 22, in Kent General Hospital, Dover, after an apparent heart attack.

Her husband, Salvatore, died in 1968. Surviving are two sons, Tony and Pete, both of Felton; a daughter, Maria Cambarau, a brother, Giovanni Porcu, and a sister, Toidda Becciu, all of Italy, and four grandchildren.

Mass of Christian Burial was in Holy Cross Catholic Church, State Street, Dover, Monday morning, with burial in the church cemetery.

Paul L. Bennington BRIDGEVILLE - Paul L. Bennington, Sr., 53, of 48 Grant Ave., Cape Windsor, Fenwick Island, formerly of Bridgeville, died Saturday, Sept. 23, in the Veterans Administration Hospital, Elsmere, after a long illness.

Mr. Bennington was a salesman for Zafferey's Bakery of Federalsburg, Md., before retiring. He was a past head of 40-8 American Legion.

He is survived by a son, Paul L. Jr., of Laurel; two daughters, Nancy L. Morrow of Cannon and Stephanie L. West of Seaford, and five grandchildren. He and his wife were separated.

Services were Tuesday afternoon at the Hardesty Funeral Home, Bridgeville. Burial was in Ridgely (Md.) Cemetery.

Beatrice H. Fischer MILFORD - Beatrice H. Fischer, 89, of 808 New St., died Sunday, Sept. 24, in the Milford Memorial Hospital after a long illness.

Her husband, Ernest O., died in 1955. She is survived by two sons, Ernest O. Jr., of Douglaston, N.Y., and Robert A., of Milford; a daughter, Beatrice Ettinger of Peekskill, N.Y.; seven grandchildren and 11 great-grandchildren.

Services will be Wednesday morning (today) at 11 at the Christ Episcopal Church in Milford. There will be no viewing. Burial will be in the church cemetery. Contributions may be sent to the Christ Episcopal Church or to a favorite charity.

Grace E.M. Morgan HARBESON - Grace E. Moore Morgan, 59, of Harbeson died last Wednesday, Sept. 20, at her home of an apparent heart attack.

Mrs. Morgan is survived by three sons, Ronald Bailey of Salisbury, Md., William F. Lewis of Elkton, Md., and Edgar W. Lewis of Harrington; three daughters, Maryann Thompson of Harbeson, Lucille Becker of Columbus, Kan., and Grace James of Seaford; two brothers, Lee Dickerson of Georgetown and George Hastings of Laurel; three sisters, Mildred Bailey of Wilmington, Helen Culver of Newark and Mary Walker of Norfolk, Va.; 15 grandchildren and two great-grandchildren. She was separated from her husband.

Services were Saturday afternoon at Watson, Gray and Melsón Funeral Home, Millsboro, with burial in

Obituaries

Dagsboro Memorial Cemetery, Dagsboro.

Howard F. Reynolds
 Howard F. Reynolds, 70, of near Bear, died Thursday, Sept. 21, in St. Francis Hospital, Wilmington, after a short illness.

He retired in 1970 from the plant protection department of the Chrysler Corp. Before that, he had retired in 1951 as a lieutenant from the Delaware state police. He belonged to St. Georges United Methodist Church, the Association of Retired Delaware State Police Inc. and the Fraternal Order of Police.

He is survived by his wife, Violet Trakas Reynolds; two sons, H. Wilson of Townsend and Howard Jr. of New Castle; five daughters, Mrs. Morial G. Thornton and Mrs. Thomas D. Boyer, both of New Castle, Mrs. James C. Poultny of Red Lion, and Sharon L. Reynolds and Dawn A. Reynolds, both at home; three brothers, William B. of Wilmington, E. Mercer of Taylors Bridge, and Norman L. of Bridgeville; a sister, Elizabeth Reynolds of St. Georges; 11 grandchildren, and two great-grandchildren.

Services were Monday afternoon at the Spicer-Mullikin Funeral Home, DuPont Parkway and E. Van Buren Avenue, Wilmington. Burial was in St. Georges Cemetery.

Dr. Catherine C. Gray BRIDGEVILLE - Dr. Catherine C. Gray, a general practitioner in Bridgeville for 31 years, died Thursday, Sept. 21, at Peninsula General Hospital, Salisbury, Md., after a short illness. She was 77.

Dr. Gray of 203 Delaware Ave., came to Bridgeville in 1931 as a general practitioner specializing in obstetrics. She retired in 1969.

Born in Gatesville, N.C., she graduated from the University of North Carolina at Chapel Hill and Women's Medical College in Philadelphia. She was a resident physician at Beebe Hospital in Lewes for five years.

Surviving are her husband, Thomas J. Jr. and two sisters, Mildred C. Woodside and Dorothy C. Cromer, both of Gatesville.

Services were Saturday afternoon at St. Mary's Episcopal Church, Bridgeville, with burial in Bridgeville Cemetery.

Gorman Rose SMYRNA - Gorman Rose, 84, of the Delaware Hospital for the Chronically Ill, Smyrna, formerly of Wilmington, died at the hospital Monday, Sept. 25, after a long illness.

Mr. Rose retired several years ago as a house painter. He is survived by two sons, Victor and David, both of Wilmington; two daughters, Inez Gray and Betty Thomas, both of Wilmington; a sister, Anna Hampton of Harrington; and several grandchildren. He was divorced.

Graveside services will be at 1 Wednesday afternoon (today) at Hollywood Cemetery, Harrington.

E.A. "Jim" Yutzi GEORGETOWN - E.A. "Jim" Yutzi, 72, of Georgetown, died Wednesday, Sept. 20, at Milford Memorial Hospital, Milford, after a long illness.

Mr. Yutzi was a retired salesman for Early & Daniel Co., feed manufacturers. He came to Sussex County in 1934 from Cincinnati, Ohio.

His wife, Isabelle, died in 1976. He is survived by a son, Barrett, of Georgetown; a daughter, Jane Abbott of Bridgeville; two sisters, Ruth Myer of Atlanta, Ga., and Norma Seim of Cin-

cinatti, and two grandchildren. Graveside services were Monday morning at 10 in Spring Grove Cemetery, Cincinnati.

William M. Ross SEAFORD - William M. Ross, 75, of Hearn's Pond, near Seaford, died Tuesday, Sept. 19, in the Delaware Hospital for the Chronically Ill, Smyrna, after a long illness.

Mr. Ross was a retired farmer. His wife, Helen M., died several years ago. He is survived by four sons, Atlas and Linwood, both of Seaford, Ernest of Greenwood and Jerome of Federalsburg, Md.; three daughters, Evelyn Fooks of Williams-town, N.J., Mary Smith and Dorothy Cannon, both of Federalsburg; a brother Arthur, of Federalsburg; a sister, Helen Johns of Seaford; 28 grandchildren and 14 great-grandchildren.

Services were Saturday afternoon at Bethel United Methodist Church, Bethel. Burial was in Federalsburg Cemetery, Federalsburg.

Dr. Catherine C. Gray BRIDGEVILLE - Dr. Catherine C. Gray, a general practitioner in Bridgeville for 31 years, died Thursday, Sept. 21, at Peninsula General Hospital, Salisbury, Md., after a short illness. She was 77.

Dr. Gray of 203 Delaware Ave., came to Bridgeville in 1931 as a general practitioner specializing in obstetrics. She retired in 1969.

Born in Gatesville, N.C., she graduated from the University of North Carolina at Chapel Hill and Women's Medical College in Philadelphia. She was a resident physician at Beebe Hospital in Lewes for five years.

Surviving are her husband, Thomas J. Jr. and two sisters, Mildred C. Woodside and Dorothy C. Cromer, both of Gatesville.

Services were Saturday afternoon at St. Mary's Episcopal Church, Bridgeville, with burial in Bridgeville Cemetery.

Gorman Rose SMYRNA - Gorman Rose, 84, of the Delaware Hospital for the Chronically Ill, Smyrna, formerly of Wilmington, died at the hospital Monday, Sept. 25, after a long illness.

Mr. Rose retired several years ago as a house painter. He is survived by two sons, Victor and David, both of Wilmington; two daughters, Inez Gray and Betty Thomas, both of Wilmington; a sister, Anna Hampton of Harrington; and several grandchildren. He was divorced.

Graveside services will be at 1 Wednesday afternoon (today) at Hollywood Cemetery, Harrington.

E.A. "Jim" Yutzi GEORGETOWN - E.A. "Jim" Yutzi, 72, of Georgetown, died Wednesday, Sept. 20, at Milford Memorial Hospital, Milford, after a long illness.

Mr. Yutzi was a retired salesman for Early & Daniel Co., feed manufacturers. He came to Sussex County in 1934 from Cincinnati, Ohio.

His wife, Isabelle, died in 1976. He is survived by a son, Barrett, of Georgetown; a daughter, Jane Abbott of Bridgeville; two sisters, Ruth Myer of Atlanta, Ga., and Norma Seim of Cin-

cinatti, and two grandchildren. Graveside services were Monday morning at 10 in Spring Grove Cemetery, Cincinnati.

For Your Information
 Dear friends,
 The funeral director of today regards the funeral as essentially a religious function. With the clergyman, he must work as a team to meet the physical, spiritual and emotional needs of persons at the time of death. As a director of funerals, he is dedicated to honor the trust placed in him and his staff at this saddened time in the life of any family.
 Respectfully,
 William C. Benge Jr.

Woodbridge Wins Lake Forest Invitational Spartans Are 2nd

By Keith S. Burgess
Woodbridge High's Blue Raider cross-country team gave a shot in the arm to the sport in this area winning the 16-team, 4-state Lake Forest cross-country Invitational, Division B race. Bill Degnan's hard-running charges demonstrated that here is a sport, in which a small school can reach the heights.

Indian River, Delmar, Milford and Seaford schools not currently fielding harrier teams, undoubtedly have numerous small-type lads walking their halls, who are not presently occupied, in a fall sport. Others may be into sports, in which they are never going to accomplish anything. Cross-country could afford many of these youths an opportunity to win some distinction for themselves on an individual basis and for their schools on a team basis.

Lake Forest finished second Sussex Central, another newcomer to the hill-and-dale sport was third, followed by Patter-son Catholic of New Jersey. The latter team came

200 miles to run in the 21st annual invitational, held Saturday on the 2.7 miles Killen Pond State Park Course.

Salesianum School of Wilmington won the eight-team Division A race for larger schools.

Lake Forest had been alerted to the strength of the Woodbridge team and since the Spartans were not able to use Wilson Fry out with a leg problem, the result was only mildly surprising.

The writer knew that George Williams, Chris James and Curt Brown had ability. However, we didn't know of the presence of transfer student Rob Heinz, or of the ability of Joe Wilson, or of the improvement of Jay Mervine. We think that Seaford High, Woodbridge's neighbor to the south, could take a page from Woodbridge's book. Seaford, a former cross-country power, had tried futilely the last two autumns to field a harrier team.

George Williams was fifth in 14.49 and Rob Heinz was ninth in 14.56

One Win, One Loss For Lake Forest Soccer Team

By Brett Asbury
Lake Forest's first conference soccer match was a big disappointment as they lost 3-0 to Dover. The Spartans played an excellent first half keeping control of the ball most of the match. The loss came in the second half as the defense "didn't play right." Team co-captain, Norman Kristie commented, "people didn't hustle -- could have play-

ed better."
Vince Ware was among the top performers during the game as he made 13 saves in the goal cage. The three goals that got through Vince were made by Dover's Steve Richter (2 goals) and Mario Beltran (one goal). Although Lake Forest did not score there were 14 shots on Dover's goal.

The Spartans were able to make a better showing

when they beat Sussex Central 3-2. Although it was better, Coach Buck felt the team was plagued with over-confidence. Norman Kristie and Jerry Miller scored Lake Forest's goals, Jerry making two. David Shultie and Mark Miller made the assists.

Norman added that the team was "still not playing at peak."

Lake Forest Hockey Team Has 1-1-1 Record

Lake Forest's field hockey team has completed their first full week of play with a 1-1-1 record. The season opener with Milford saw the Spartans girls go down to a 2-1 defeat. Scoring the Lake Forest goal was Gwen Scott. According to Coach Pat Dyal, "there were three or four shots that should have gone in and didn't, but the team

played well."

The game against Dover was an outstanding defensive effort on the part of the Spartans with half-back Phyllis Caskey doing an excellent job. The Spartans won 2-0. Scores were made by Lisa Welch and Tammy Warren.

Monday's game against Indian River was a "typical Monday game - sluggish," commented

Coach Dyal. The team played to a 0-0 score. Commendable were the efforts of goalie Beth Hughes, who was credited with ten saves.

Coach Dyal is "still looking to play two complete halves of hockey." The team gets another chance today when they host Caesar Rodney. Game time is scheduled for 4 p.m.

Harrier Jayvees Set New Marks

By Keith S. Burgess
At Saturday's 21st Lake Forest Cross-Country Invitational, some 400 boys and girls from four states were in action.

Unlike most sports, there are no bench-warmers in cross-country. Everyone gets to compete. After the two varsity races were held, the remaining athletes ran in either the Jayvee A or Jayvee B races. There fore, each runner was able to get a clocking over the 2.7 miles layout and most of the Lake Forest and Chipman runners turned in lifetime best efforts here.

In the "A" race, reserves from the 24 varsity teams could run. Lake Forest's fine fourth place finish was sparked by sophomore Sam Lamphier, who was 13th in 16.21, an improvement of

59 seconds. Lamphier has a fine chance to make the top seven Spartan list, in 1979.

Dale Jarrell was 18th in 16.30, another new mark. Terry Caskey, a freshman rookie, dropped from a practice scrimmage 17.43 to 17.07, in his first official race. He is now an excellent prospect as is Bob Aycoth, a three-year runner, who did 17.15. John Green's 17.18 is his best trip yet as was freshman Albert Brown's 17.52. Sherry Colburn and Down Green, ninth-graders, are beating quite a few male runners.

Larry Guessford has shown remarkable improvement. In this same race, one year ago, he trudged across the finish, in 31 minutes. He did

Woodbridge Rallies To Tie Laurel Gridders

BRIDGEVILLE - Woodbridge Raiders came back like a good football team should on Friday night and tied a stunned Laurel eleven. The Laurel Bulldogs comprised of practically the same team annihilated the Raiders last year in trouncing them by 30 points.

This year Coach Jack Hassman has his team fired up with an opening game victory, then a loss in the second game of the season and now a tie. From different sources it was felt that Laurel was extremely lucky to have scored, for their only score came in the opening

minutes of the game when Mark Bengal intercepted a pass thrown by Allen Bailey on the 3rd play of the game and scattered 20 yards for the only score of the night for Laurel. They made the 2 point conversion to lead 8-0. In the second quarter, Woodbridge got on the boards with 6 points when Paul Purnell started a drive on the Laurel 40 yard line and carried it most of the next 40 yards for a touchdown. Paul plunged in from 3 yards out. The 2 point conversion failed by Woodbridge, but late in the 4th quarter Woodbridge recovered the ball

when it sailed over the punter's head into the end zone. That gave Woodbridge a tie.

Again in the 4th quarter Woodbridge had an opportunity to score when they were on the 16 yard line of Laurel, and with 3 or 4 yards to go for the 1st down, Woodbridge fumbled the slippery ball, because it was raining at the time. Hassman also added that Laurel was big

and strong. Hassman looked at Friday's game as a tremendous defensive battle. He said some of his young players had played well this season and Pat Willey, a freshman, saw some action on Friday night. Coach Hassman said the outcome might have been decidedly different had our team not dropped the ball at certain critical times. Hassman said that he was impressed with his

younger players, for when they do get in a ball game, they seem to perform well.

The statistics on Woodbridge were as follows: 1 for 8 passing and 5 yds., Courtney Messick punting average was up this weekend. He punted 5 times with greatest distances being 67 yards. The Raiders picked up 111 yards in 34 carries while holding the opposition to

90 yards and 60 yards passing.

Woodbridge goes against Smyrna this Friday night who have dropped 2 ball games with the latest set back to Dover Air by a score of 16-6. Last year at this time, 3rd game of the season, Woodbridge had scored only 6 points to the opponents' 20. This season at the end of the 3rd game the Raiders have scored 20 points total.

Woodbridge Girls Bow To Cape

Woodbridge High School's hockey team is looking for a win as they go into their second week of play with an 0-1-1 record.

Against Cape Henlopen the Woodbridge girls "played a terrible 15 minutes," commented Coach Kaye Smith, losing 4-0 in the first quarter of play. After making some adjustments, their second half of play was improved. Coach Smith said of Cape, "They were really strong and more skilled than we were."

Woodbridge played a

better game against Delmar the following day, but had no time to prepare for the game or to make needed adjustments in game strategy. Delmar scored quickly in the first period, but Woodbridge was able to tie up the game before the half on a pass from Claire Betze to Jenny Davis.

After the half, Delmar again scored quickly. With about 10 minutes of playing time remaining, a Woodbridge goal was scored by Claire Betze

Orlando Burris carries the ball as his teammates offensive attack against defending state champion block. The Spartans were unable to sustain an Dover.

Lake Forest Offense Has Poor Night Against Dover

In a game dominated by the defensive teams, Lake Forest was shut out by the Dover Senators 14-0. The Spartans were able to accumulate only 54 yards on offense, 49 yards rushing, with 5 yards in the air. "We made a lot of offensive mistakes and had too many penalties which kept us in poor field position all night long," said Coach Jim Fleming, a situation which the team is working to eliminate in practices this week. "We had 100 yards in penalties which is too much in a game. But it was because we couldn't relax -- were pushing too hard."

While the offense was unable to move the ball, the defense played their usually strong game, holding Dover to a total gain of just 154 yards. "Ordinarily that's a good enough game defensively to win," commented Fleming. He felt the defense played better and better as the game proceeded after making adjustments for mistakes.

Dover scored only six points against the Spartan defense, the remaining eight points were on a safety following a bad snap to punter Roy Boehmer in the first quarter and on a fumble recovery

from the Lake Forest 3 yard line with 2:22 left in the game. Dover's first touchdown came just 19 seconds before halftime on a draw play which caught Lake Forest off-guard.

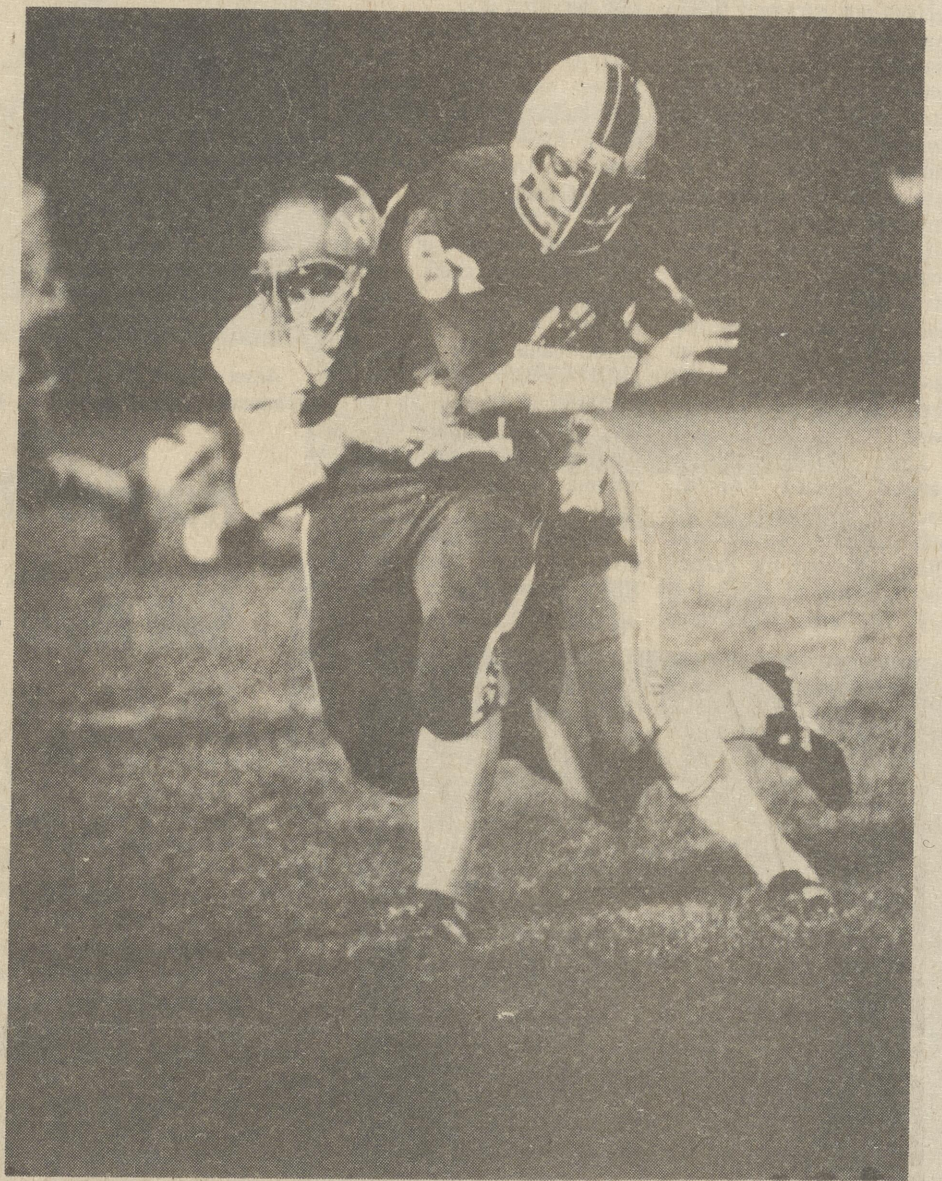

Leading ground gainer for the Spartans was Billy Scott who carried the ball fourteen times for 36 yards. Scott completed two of seven passes for five yards. Louis Hendricks continued to play aggressive defense, intercepting two passes making a total of four interceptions for the senior this year. Again playing outstanding defense was Eugene McBride who led all tacklers with five unassisted and six assisted tackles. Also high in points awarded for tackles

were Larry McCombs, five

unassisted and four assisted tackles, Jimmy Fleming, five unassisted and three assisted tackles, Roy Boehmer, five unassisted and two assisted tackles with Milton Justice and Louis Hendricks credited for four unassisted and two assisted tackles each. Fumble recoveries were made by Jeffrey Deshields and Orlando Burris, with one each.

Coach Fleming summed up the game by saying, "the coaching staff is proud of the intensity and enthusiasm which the kids showed throughout the game. They were a touchdown behind the whole game, but continued to work hard."

Dover.....2 6 0 6 - 14
 Lake Forest....0 0 0 0 - 0
 Dov - Safety (Boehmer tackled in end zone)
 Dov - White 21 run (Run failed)
 Dov - Mroz 3 fumble recovery (run failed)

FELTON, DEL. 284 - 9691

Four Spartan football players received trophies for distinctive achievement during the first game in the brand new Lake Forest High School stadium, played September 15 against Laurel. (See separate article and photographs on page 3)

Larry McCombs, senior quarterback and Larry Smith, senior end were awarded trophies for scoring first touchdown, a 16 yard pass play. Junior Gerry Fountain received the trophy for leading tackler with six unassisted and three assisted tackles. The outstanding lineman award went to senior Eugene McBride for his excellent play at offensive tackle and defensive end.

The four players were all varsity letter winners last year and are expected to be key members of the team throughout the season.

Woodbridge wins Lake Forest Invitational. Crossing the finish line first for Woodbridge is Curt Brown No. 356 and Jay Mervine [No. 354] and Chris James finishing right after Jay. [Staff Photo by Gwen Krouse].

Lake Forest Invitational (Cont.)

to win top ten medals. Joe Wilson was 16th in 15.09, Curt Brown was 28th in 15.32, Jay Mervine was next in 15.33, followed by Chris James one second later. Dave Johnson was 62nd in 16.40.

The Spartans saw six of their seven starters establish new lifetime marks for the local course. Jim Blades' boys made a valiant effort to again win the meet, which they have dominated since its inception in 1958.

Bill Mitchell showing improvement for the fifth straight year, was seventh in 14.52, lowering his previous mark by thirty seconds. The present course of 2.7 miles has been in existence three years. Mitchell is now No. 3 on the Spartan list behind graduated

greats Dan Parker (14.03) and Chris Palmisano (14.28).

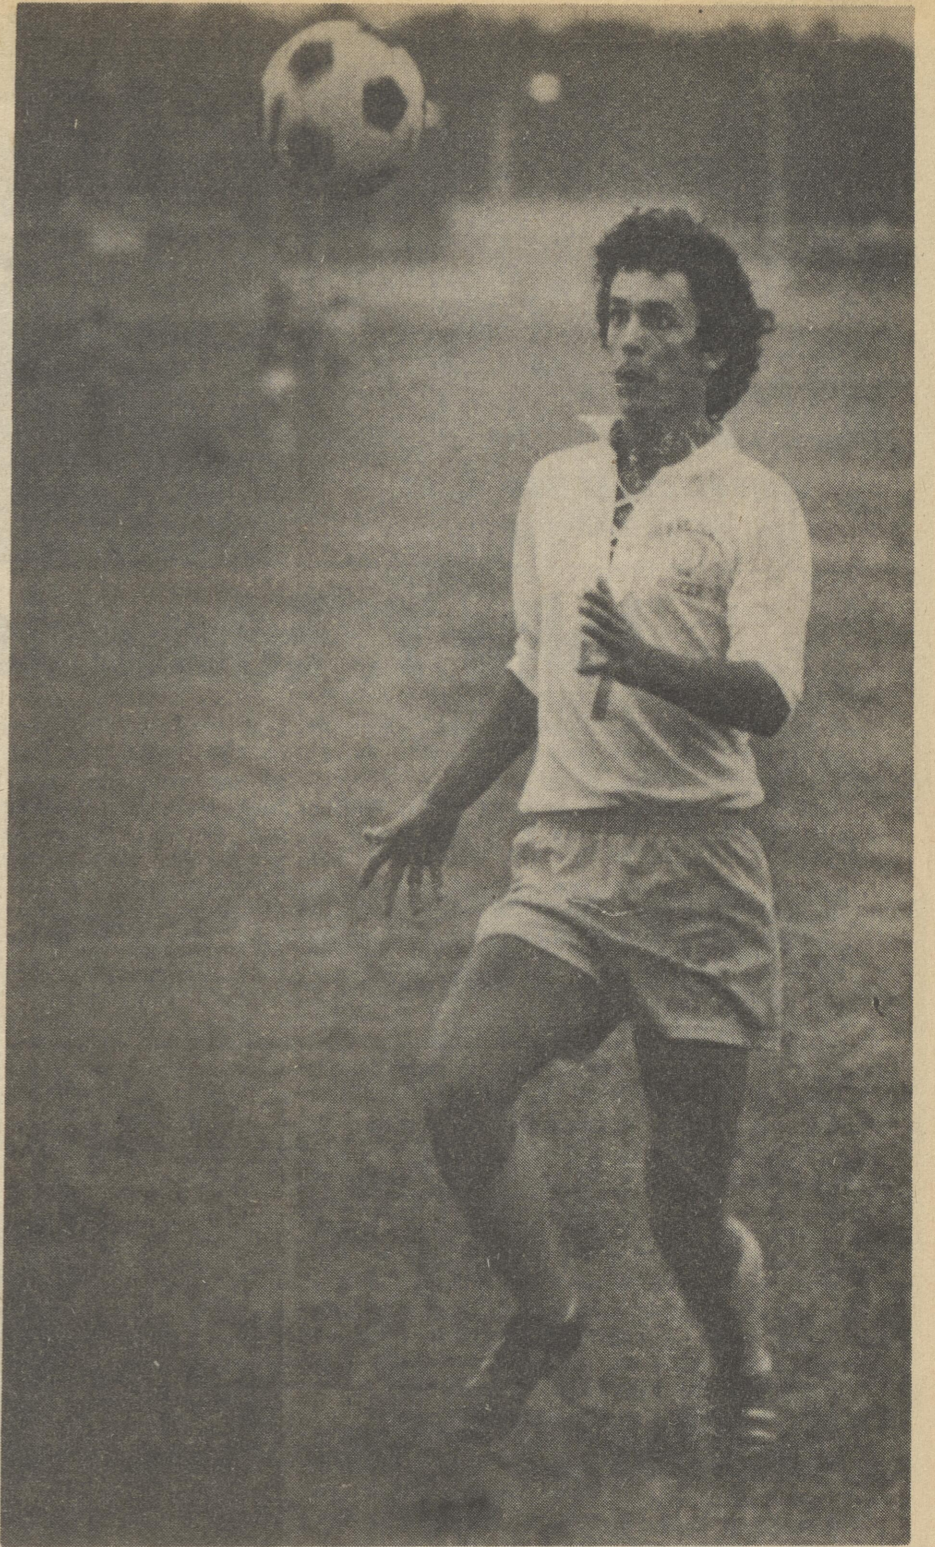

Mitchell, a junior, was closely followed by Louis Thomas, a senior, in 14.55. Maurice "Reese Cup" Coverdale, who has been a winning distance runner since he was nine years old, made his varsity debut in grand style. The freshman was 22nd of 112 starters in 15.18. He is already No. 6 on the all-time list with four years of competition ahead. Joe Custis was 39th in 15.51.

Doug Caskey, an improving junior and Jay Howerin, a sensational sophomore newcomer, cut their personal marks by 38 and 25 seconds, respectively. Caskey's 15.54 enters him into the top-ten list, while Howerin's 16.02 is close. To illustrate Howerin's potential, he has taken approximately four weeks to reach the level the talented Billy Mitchell achieved in 1977 in this same meet. Mitchell was started his fourth year at that time.

Omar Tamimi of Patterson (N.J.) Catholic won the Division B 2.7 miles test in 14.25 edging Pat Pollock of Oxford, Pa. and Joe Feeley of Claymont.

Hockey (Cont.)

on a pass from Molly Williams. The game ended in a 2-2 tie. Coach Smith cited goalie Jennifer Conaway for "doing a super job in both games."

Jerry Miller heads the ball to center for a goal shot in Lake Forest's match against Dover. Although the Spartans were shut-out 3-0 they did make 14 shots on the Dover Goal. [Staff Photo by Marc Clerly]

Team Points

Woodbridge 83; Lake Forest 112; Sussex Central 127; Patterson (N.J.) 128; Howard 166; Laurel 187; Tower Hill 201; Smyrna 202; Oxford Area (Pa.) 206; Parkside (Md.) 219; North Caroline (Md.) 228; Claymont 276; Cape Henlopen 301; Dover Air 312; Kent (Md.) 390; Cambridge (Md.) no team standings.

Harrier Jayvees (Cont.)

somewhat better, as the season wore on but didn't move up much in team ranking. Guessford ran some this summer and Saturday finished in 17.31. As a freshman, he has plenty of time to make Jim Blades another fine runner.

Two of the Chipman runners stand out like sore thumbs. Robby Manaraze is a tiny fellow but is currently No. 1 at Chipman. He finished 16th in the jayvee "B" race, beating many freshmen, sophomores, juniors and a few seniors in the process. He lowered his personal mark of 17.52, to 17.07, a great effort, for an eighth grader.

James Lofland, an eighth grader, is brand new with only a few workouts. He produced at 17.47 in heavy basketball sneakers. Saturday, in his first race, he went out too fast, captured the early lead, held it for a mile or more and was still a close third, at the two-mile point. Eventually leg cramps forced him to slow considerably, but the gutty youngster didn't quit as some did Saturday.

James Lofland burst upon the scene suddenly without warning just as Danny Parker did five

years ago in the same grade. When he gets in shape and acquires some experience, he just might be the next Danny Parker. Other Chipman runners to do well Saturday were: Chris Caskey, Derrick Chodkiewicz, Carita Clarke, Dave Emory, Kenny Kline, Mark Moreau, Jerry Mosley, Prayoot "King" Size, Tony Smith, Ricky Silkworth, Joe Bernard, Bruce Betts, Mike Weber, Mike Grogan, Phil English.

John T. Edwards

Colorful individuals should wonder where he gained expertise in so many areas. Edwards' formal training was in nothing having to do with horses or odd jobs. He is a graduate of A & T University in Greensboro, N.C. with a bachelor's degree in history and English and a master's degree in education. He taught at Bancroft Junior High School in Wilmington and in elementary grades at Ellendale and Marshallton (a Wilmington suburb) during the late fifties and throughout the sixties. Simultaneously, he and his wife operated a dry cleaning establishment in Milford. After retiring several years ago, Edwards stepped into horse racing full-time. Asked how he had originally become interested in training horses, he told of buying his first horse at a party about 12 years ago. Since that time he has apparently been bitten by the bug (The steering wheel was for he spent summer vacations working with his horses, leasing them to others during the school year. His secret in handling work, surprised that we horses is to "treat them

like people." He shoes his own horses, takes care of any veterinary problems, as well as training and driving. While he admits that horse racing isn't exactly lucrative, nevertheless, he is happy with his life. "Racing horses is my hobby. I'm not dependent on the horses. The horses are dependent on me." He is also happy with the sometimes solitary lifestyle. "I'm never alone. Being by myself is my specialty."

Edwards will soon be alone again; his plans are to race in Lebanon, Ohio this fall and after that he might be going almost anywhere. His family, he says, has become accustomed to his absences. Family for Edwards consists of his wife, two children and a granddaughter.

Above are photos taken as Edwards spoke of his life and of his dissimilar vocations.

Ward Smith

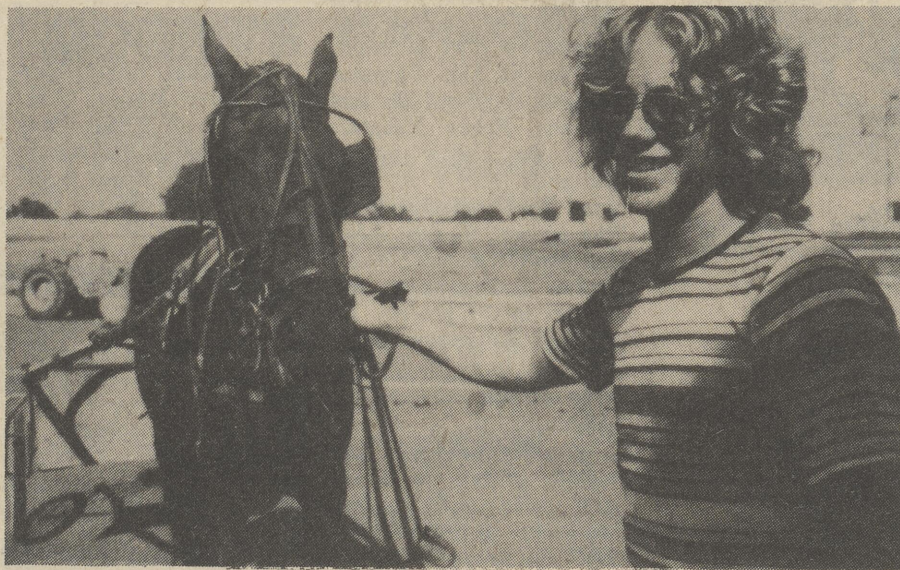

Young Horsemen Have Busy Schedules

Robbi Salmons and Ward Smith can be found in one of two places on any given weekday...the track and Lake Forest High School where both are seniors.

Robbi who is the son of Robert Salmons of near Harrington has been "helping with the horses" since he was 9 years old. His family now owns four racing horses and 8 or 9 broodmares. Robbi spends 5 hrs. of each day training horses and the remainder of the day in school. He learned to work with horses by observing and assisting local horsemen Harold Frazier and Sherwood Barr. He hopes one day to qualify for a license to drive, but has not yet begun the procedure toward earning

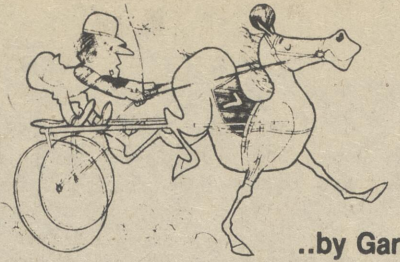

his licensure. (The United States Trotting Association requires aspiring drivers to participate in 12 qualifying races before applying for a provisional license.)

Ward Smith, on the other hand, has no desire to drive horses. He hopes to enter the Army after graduation. Ward is the son of George Polk of Harrington and has been around horses all his life, tending them with his father since the age of five. Polk is an owner, driver and trainer who currently has 14 horses - ten stabled in Harrington and four in Boston where he raced this summer. Ward is one of 12 children, but has the dubious distinction of being the only son in a family with 11 daughters. He begins his day by working in the barns from 6 a.m. until school opens. The remainder of his morning is spent at school, with classes in English and Math. At 1:30 he returns to the track to work another several hours. Last year he even found time to serve as a manager for the football team, but this year has had to be content just to watch occasionally at practice and games. These young men are participants in the work-study program at the high school. The arrangement seems to be working well for all concerned, including their equine charges.

Robbi Salmons and Salmon's Girl

SULKY HIGHLIGHTS

..by Gary Simpson

If close finishes are any indication of quality racing, then I would propose that Harrington Raceway is having some excellent programs. In talking with the Presiding Judge, Bobby Clark, this week, I was telling him that I thought this past weekend's races had a large number of good horses entered and that they had gone reasonably fast in most events. He agreed and went on to say that Friday night's card had no less than 6 photo finishes and that they were so close that full prints had to be made for each one of the six races in order to pick the winners. (First three finishers.)

I don't think a lot of people were expecting the competition to be as tough at Harrington this fall due to Laurel Raceway running in direct competition and perhaps pulling away the best horses. Far from it though when you see the calibre of horses racing here in the features. I don't know what it is...but I'm sure not complaining because there's nothing better to see than a good close horse race and that's

just what we've been having. The feature races this past weekend were some of the best you'll see anywhere. On Saturday night "Kim Burt's Christy" surprised almost everyone when she won 3/4 of a length in a career setting mark of 2:04 3/5. Kim Burt's Christy is owned by the Bo Stable of Milford, was trained by B. Willis and driven to victory by 27-year-old Denis Mumford. She upset some of the best horses on the track and paid a whopping \$43.60 for each \$2 ticket.

The feature on Sunday - the Walls Package Store Trophy for trotters going a mile went to "Ann Rocket", a 5-yr.-old mare by Rocket Rodney. Alan Myer made the drive for owner Delbert Cain of Harrington and finished two lengths ahead of the field, while paying \$10.60 for the win. Ann Rocket is trained by Sam Matthews.

	Starts	1st	2nd	3rd	%

Rockingham Finishes Third In Feature Race

What had promised to be an exciting horse race turned out to be a real disappointment for local harness racing fans. The Delaware Development Fund Stake Race for trotters held Wednesday, Sept. 20, matched one of the best colts racing in the United States, Bedford Spirit, with local favorite, Rockingham. The two had battled previously at Brandywine where Rockingham came out on top with a one length victory. Prior to race time, however, Bedford Spirit came up lame and had to be scratched. Rockingham also had some bad luck, going off-stride early in the race, and being unable to over-take the field. Rockingham is owned by Harold Williams of Bridgeville and driven by John Belote. He had finished either first or second in his seven previous races. Winner of the \$13,750 stake race was Oak Grove Dax, followed by Flowing Carl, with Rockingham finishing third.

Pit Chatter

By Harry G. Farrow, Jr.

Dave Titus of Town Point Getty in Dover runs a 67 VW Carmen Ghia 4 cycle that he's been driving two years. He didn't get enough points in this quarter to go to York. Titus is driving the only non V8 car (heavy eliminator class). This gives him a weight advantage - quick out of the shoot. A small motor relies on its rpms and his has 9,000. Dave said that he learned much from racing that he feels he couldn't have learned from a book, "like fuel mixture, things you don't read about but learn by doing." He goes for drags because there aren't the accidents as with racing round track. He has invested about \$3,500. He started working on his car when it was in a rusted out state, chopped it, and rebuilt it in about a year. He used to be in the Delaware Auto Sport Club. He then went to drags and came in 3rd his first time out. He was introduced to the sport by Charlie Danner. Charlie drags a small block Chevy 302. Charlie is in the Super Pro. It is strictly a hobby. He puts in 5 or 6 hours a week on the car. His car is just now performing at its potential.

James Goslee still is having problems with his car. He sent the motor to Philly to K & G but the oil pressure still falls to 30 lbs.

Glen Wilson had problems getting parts for his

car. Said his carburetor was flooding and he washed the rings out. Because of suspension problem he changed left rear shock and changed the spring. The car has a whole new suspension under it now. They are going to try Syracuse this year. Paul Calloway, Calloway Furniture of Harrington, is his new sponsor.

Paul Mills reported they broke the in-pit shaft "and it busted the gear" causing the car (#30 Bobby Reed) to stop short on the track. He said he had no problems getting a bite.

Ronnie Wilson who lives on the Milford-Harrington Rd. and is sponsored by Rumpstitch and by Mills Brothers Markets, said he first raced when he was 14 at Little Lincoln. He is now back again in racing with a 331 small block. Overheating and rear end problems have been his biggest problems this year. He is using McCleary Rain Tires.

Mike Hager seems to be running better. He said there was not enough air in his right rear tire but he won the feature. He runs the high groove because there was more bite than low groove which was too hard and slick. Said he won four features this year.

Earl Duerr who bought his car that afternoon from a guy in Northern Pennsylvania, just got it at 1:30. It has a 454 engine, disc brakes, coil over spring, and a \$900

steering mechanism. He said his collar bone healed real well from an accident at Delmar and there seems to be no problem with the use of the left arm.

By Dianne Bauer
GEORGETOWN - A new car entered the races this past Sunday night the 24 of September from Cinnamissen, New Jersey. Although the Aydelott's have been down 3 times this year this is the first time they have entered a car. The car #312 is driven by their son Carl Aydelott. This is his first year running and out of 21 races ran so far he has failed to finish only 3 times. He has raced at Bridgeport and Flemington. I asked Pat Aydelott how Carl got started in racing and she said her husband used to race, and their son followed.

Drag Strip News

'70 Corvette, 427 C.I. Chev., owned by Bill Adkins of Laurel, Del. employed at O.N. Newton and Son, Bridgeville, earned enough points Sunday as a back up car U.S. #13 in Pro Eliminator class. Adkins will participate in Bracket National Finals at York, Pa. on Sept. 29 and 30.

Erwin Rogers of Harrington is a member of the pit crew.

"BENEFIT SATURDAY OCTOBER 7"

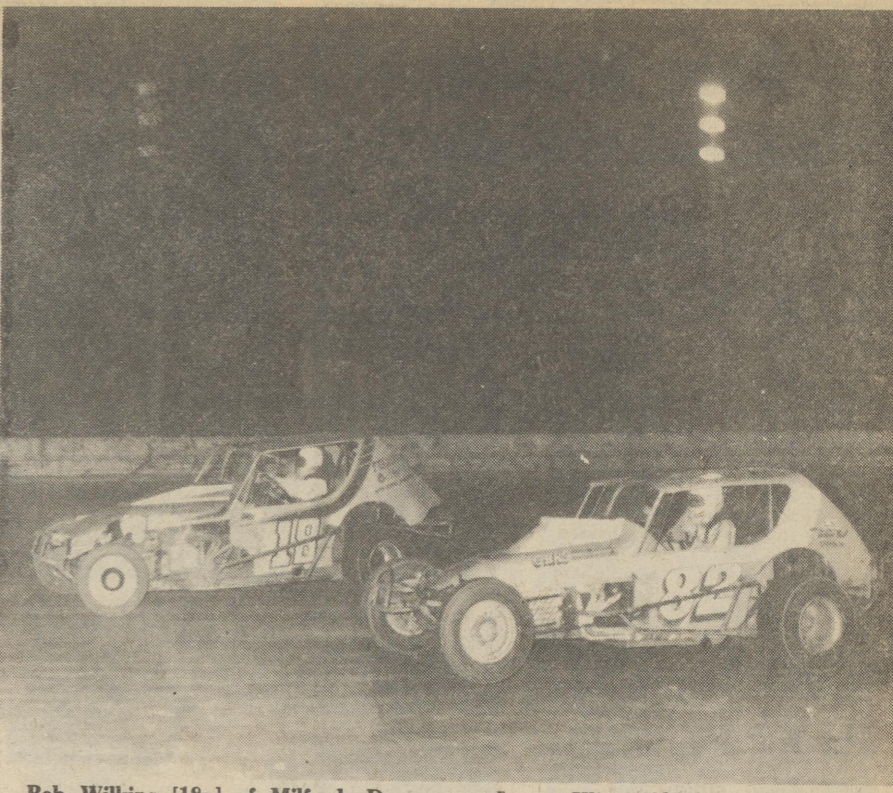

The final stock car show of the 1978 season is set for Flemington Fair Speedway on Saturday, October 7, featuring the modified stock cars, sportsman and outlaw late model stock cars in a benefit race. This race will be the yearly benefit race for the firemen, rescue squads and Hunterdon Medical Center in appreciation for their service contributed during the season.

This race will have the regular summertime purse at regular admission prices and no licenses to buy. This will be the end of New Jersey State Points in both sportsman and modified divisions. The outlaw late models will have one more show as they will join the Dick Tobias Memorial Race on Saturday, October 14. First green is set for 5:30 p.m.

"FLEMINGTON BANQUET SET"

The annual stock car banquet for the Flemington Fair Speedway will take place as usual on the Saturday after Thanksgiving, on Saturday, November 25, at the Flemington Elks Hall across from the Flemington Speedway on Rt. 31.

There will be no increase in ticket prices as they will remain the same as last year. They will be available on Saturday, October 7. To reserve your group tickets please contact the fair office. Order your tickets early, so not to be left out.

Bob Wilkins [18x] of Milford, De. passes Larry Kline [82] on his way to winning the 1st sportsman consi. at Bridgeport Fairgrounds on September 9th. [Photo by Bob Sweeten]

Donnie Joseph, right, checks rear end for a problem recently at Delmar. His father, left, looks on. Donnie recently returned to racing with a completenew car. He looks like he will be competitive again real soon.

A Bobby Wilkins puts final loading touches on #18 at Georgetown recently. Bobby recently finished campaigning at Bridgeport, N.J. where he finished 6th in the Sportsman standings.

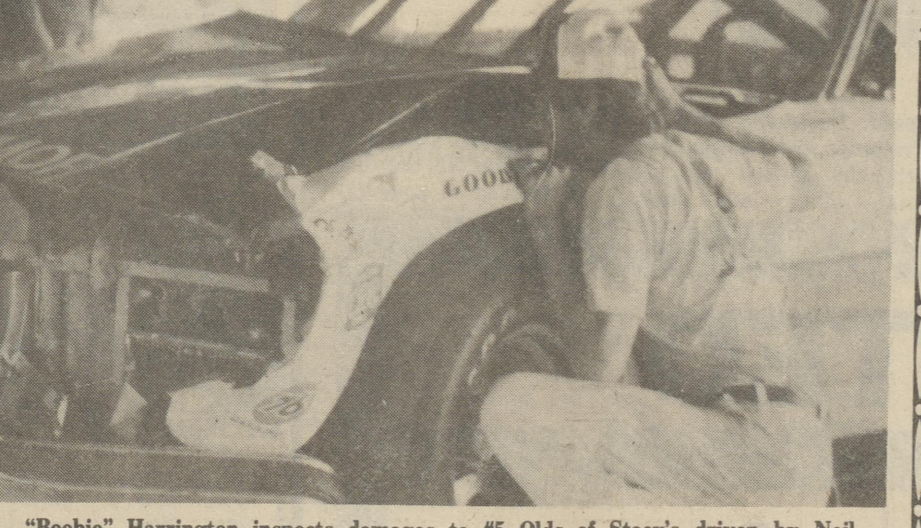

Members of the Danner pit crew at U.S. #13 Dragstrip Sunday following their event are L to R, sitting, William Locey, Eric Danner, Stan and Shay McClellan. Standing L to R - Charlie and Betty Danner. See related article.

Carl Aydelott poses beside his modified at Georgetown Sunday night. It was Carl's first visit to Georgetown.

Members of Givens - Ellingsworth prepared car, L to R David Givens, Joe Ellingsworth, Mark and James Givens after the races at Georgetown.

"Boobie" Harrington inspects damages to #5 Olds of Stacy's driven by Neil Bonnett. Neil hit Buddy Arrington in the rear in a mishap with two other cars on the 3rd turn at Dover Downs with the running of the Delaware 500.

Lincoln Speedway News

By Dianne Bauer

I asked Joseph Gately how he felt about scrambles coming in with short track and he said he was used to starting with a crowd on the track. When he started they had 25 to 36 people in one race. So he is used to a crowded track. Joseph's brother Jimmy and he race expert and both ride Triumphs. They have been racing about 8 years. They race in class against each other. Joe started out racing in scrambles. He said racing is not as stiff except for the 250 class. Joe is from near College Park, Md. Jimmy is from Annapolis and works as a service manager for Triumph near Blatensburg. Joe is a cabinet maker.

Jiff Winsett of Annehim, Pa. was working on Jeffery's clutch. The teeth were stripped and he borrowed a clutch from a friend's bike and was in the process of repairing and replacing it when I interviewed him. Jeff had just won the heat when he broke the clutch. The rider is 11 years old and has been riding since he was 6 years old. They are the ones that started mini racing in district 6. He

said a lot of tracks still won't let them ride. He was doing the repairs by lantern. Jeffery was district short track champ in '76.

Eric Dewitt said he does have to change things on his bike when the cooler weather comes in. Track was faster tonight so he put a smaller rear sprocket on because he was winding out in practice. "She is ready to go...if I do badly in practice I usually satisfy in my heat race" and he felt he did badly in practice.

Jerry Thompson brings down the neighborhood kids so they can ride and also does repair work on their bikes. Jerry is from Hoboken, N.J. and it takes him 4 hours of driving to get to the track...that's 245 miles one way. Jerry used to race road races, dirt track, and scrambles but he feels he is too old and big to ride now. He has been at it for three years now. Jimmy Bellotti, one of the neighborhood kids, was down at Lincoln with him. Jerry said he taught Jimmy how to ride. He said that people are usually down on bike riders.

Lincoln Speedway Cont.

up at Dover Downs (Sept. 16) because he was on the rail. "It was too soft...down there." He did manage to pick up enough points and came in 6th in the feature race. This puts him in the Junior Professional point standing.

Joe Smith, formerly of Goldsboro, Md. now residing in Dover, where he works as an Industrial Engineer at General Metal Craft, was back at Lincoln on Sat. night. He is expert and rides the Camel Pro series. He ran one race this year at Syracuse. He still looks for a sponsor. To make his bike more competitive with his class he put in a Lawwill - which is a hop up kit. Joe said that the bikes can do 140 mph in the straight.

Smith said that Dover Downs was beautiful the day before the race but they messed it up for the Saturday race by making it too soft.

Buddie Ehinger, 25, has been riding about 8 years and last 2 yrs. with Bay Country Suzuki out of Salisbury. He works as a crane operator for Structural Steel Co. Buddie is in the semi-pro class. He "plans to ride the bike until he is too old to ride." Asked if he wanted someday to move up to stock cars and he gave a definite no.

Steve Donaway said he made changes in his bike but then decided to go back to lower compression engine because the changes didn't work out.

Ocean Downs Plans Modified And Late Model Events For Georgetown Speedway

Ocean Downs plans to hold a Modified and Late Model Sportsman night, Oct. 6 at 8 p.m. at Ocean Downs. The track by the sea will guarantee a purse of \$4000.

The track is being specially prepared by removing the stone dust and a new surface of clay will be installed. Open competition for the modifieds and limitation placed on the LMS of one 4 barrel and 108" wheel base will be the order of the day.

Advanced tickets on sale at Ocean Downs and Style Guide Clothes of Ocean City, Salisbury, Berlin, and Millsboro. Rain date is Oct. 8 at 3 p.m.

Joe Cerciello, Jr., from N.Y. state captured in this photo as he prepares for competition in the Junior Class Regional Championship at Dover Downs. Joe is a regular campaigner at Lincoln Speedway.

Firemen's Parade At Rehoboth

By Dianne Bauer

Some 60 Fire Companies met in Rehoboth Beach over this past weekend and were hosted by the

Sussex Central Volunteer Fire Department. On Saturday there was a parade and this was the highlight of the 3 day convention as

everyone could enjoy the festivities.

Sussex Central's band was quite a special treat, they put on a whole show while they were marching. The flag twirlers, baton twirlers, a percussion unit, a woodwind unit and rifle guard never stopped performing through the whole parade.

The Goodwill Fire Company of New Castle was the first in the parade to have their men riding in full dress on the top of the fire truck and it was most impressive to the judges and the crowd.

A group came down from Haddonfield, N.J. to play and march. It was announced that the fire companies have gone to colorful equipment and not sticking to the traditional red by using white, yellow and green vehicles. The Millcreek Fire Co. of Marshallton, De. has had their green equipment for 51 years. Minquedale Fire Company had Smokey the Bear marching, along with a couple of younger cubs. Houston Fire Co. had a

model A Ford, their crowd in the area. Pamela Smith of Lake Forest High School received a trophy from the Lake Forest H.S. Band was there and it was quite noticeable that Christian Memorial and \$75 their girls were the only went to Felton Fire Co. Firemen's Association officers for next year were elected during the con-

vention. James Richard Ennis of Smyrna and John Baer of Frankford were elected vice presidents. Paul Neeman of Harrington, secretary, William Smith of Townsend, treasurer, and James Dough-ten of Greenwood, chap-lain.

Pam Smith

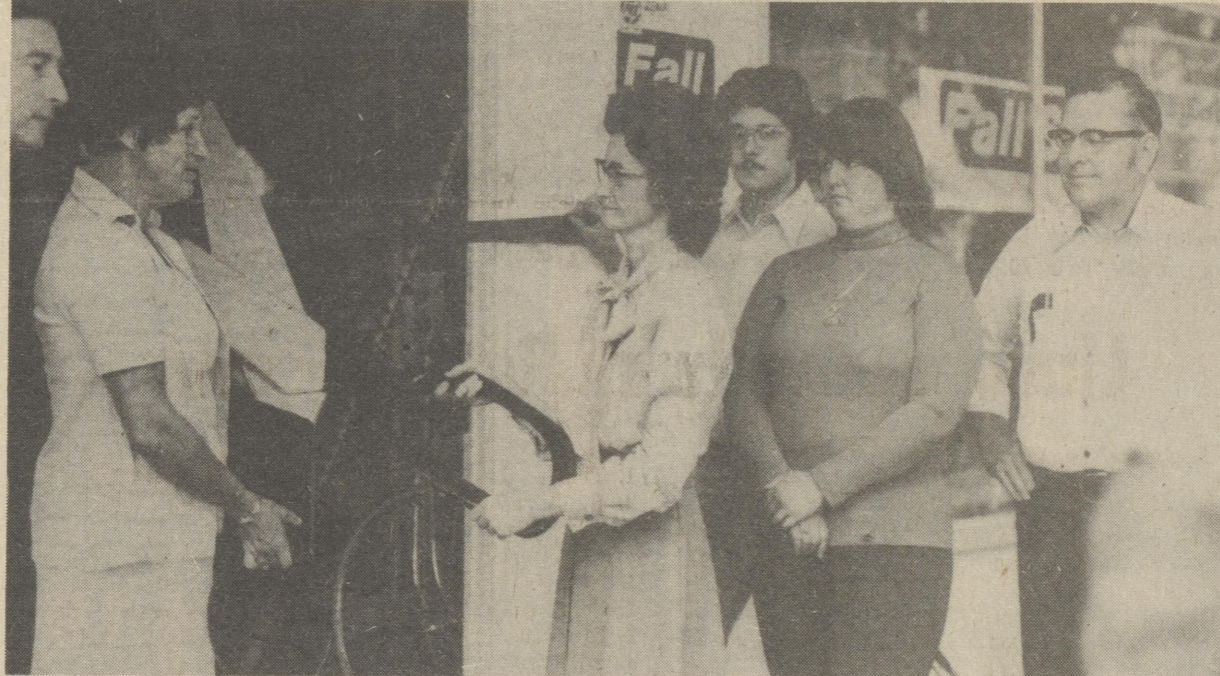

Local F.F.A. Members To Attend Virginia State Fair

Lake Forest F.F.A. members Terri Layton, Gene Gerardi, and Kevin Robbins will attend the Virginia State Fair in September. They will be accompanied by F.F.A. advisor Michael Coverdale. The three F.F.A. members will leave September 22 for Richmond, Virginia to participate in the Regional Livestock Judging Contest. These team members won third place at the Delaware State Fair in July.

In their travels to Virginia they plan to stop at many of the different historical locations in the Jamestown and Williamsburg areas.

Felton Fire Company's Truck riding in parade at Rehoboth Beach this past weekend.

On hand for the ribbon cutting ceremony in Frederica of Wiley Fuel's new store are, left to right, Terry "Skip" Pikus, State Rep. Ruth Ann

Minner, Mary Wiley, Joseph Wiley, background, Louise Betts and William Wiley.

Wiley Fuel And Appliance Opens In Frederica

By Dianne Bauer
FREDERICA - On Friday, September 22, Frederica welcomed it's newest business, Wiley Fuel and Appliance. Ribbon cutting was done by Ruth Ann Minner, Mary Wiley, Joseph Wiley (son), Louise Betts and William Wiley.

Customers were invited to come in and enjoy refreshments while walking through the new store. The new store manager, Joseph Wiley, son of Mr. and Mrs. Wiley, is a graduate of Milford High School where he played football for a season. Joe also graduated from Del-Tech where he studied Electronic Engineering, and is presently attending Woodside where he is taking a course in Television Service. Joe said that things were hectic up until the last minute. The sign out front was hung at 6 p.m. the night before and he was in the store 7:30 a.m. to finish up little things.

Well wishes to the Wiley's...and much success in their new endeavor. Winners of the drawings on Friday: 1st Irene Spurry a food grinder, 2nd Neville Sumpter, a shower head, 3rd Peggy Bayalis, a

Sunbeam blow dryer, 4th Tuth Donohan, an Amana Country Cooker. Saturday's winners: 1st Ruth Wooten, a 16 piece oven cookery, 2nd Dennis Hopkins, a punch bowl, and 3rd William Savage, a table tennis set.

Delmarva Firemen To Hold Parade And Contests

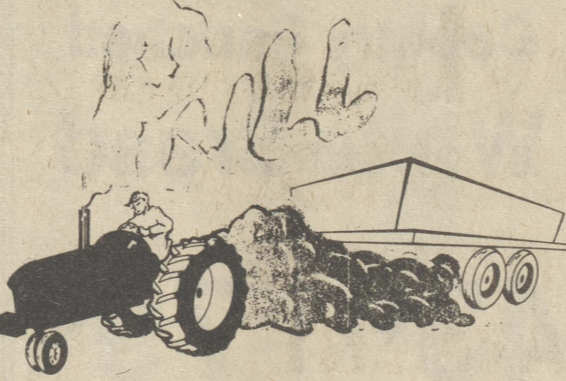

The Delmarva Volunteer Fireman's Association in conjunction with the Bridgeville Company will sponsor the 22nd annual Miss and Little Miss Fire Prevention contest and the 24th annual Fire Prevention parade on Sunday, October 1.

The highlight of the day will include the Little Miss Delmarva contest begin-

ning at 12 p.m. followed by the Miss Delmarva queen contest. The contests will take place at the Woodbridge high school on Laws Street in Bridgeville.

The 24th annual Delmarva Fire Prevention parade will step off at 4 p.m. Over 400 men and women will be marching with some 85-100 pieces of fire equipment, bands, floats, etc. Over 35 trophies will be awarded to different parade participants.
