Bridgeville Town Commissioners Meet

By Irene Layton
 The Bridgeville Town Commissioners met at their regularly scheduled meeting Monday night, and heard Mrs. Nellie Rich's complaint that where the work has been done on Church Street, several citizens, including Mrs. Rich, are having a problem with damages to their cars when they enter Church Street from their properties. The Commissioners explained that this work is still under warranty and that the engineers and the Commissioners will be inspecting this work and other work in the near future to see what needs to be done.

Two other citizens were present concerning the Walter Orndorf property on North Main Street; this property is near their homes and they have been having problems with pieces of the vacant house (on that property) being chunked at their homes damaging their siding, etc. These citizens further stated that the vacant house on that property is unboarded, is a fire hazard, and a health hazard with rats infesting the property. They requested that the Commissioners take action to have the property cleaned up, boarded up, and that more police protection be provided in this area to keep people away from there as well as from loitering in the alleyway. Since this was the first complaint that had been heard about the problem, Chief Wilson assured the citizens that he would direct his men to patrol the area more often.

Ruth Ann Tull questioned the Commissioners concerning the smell from the 201 plant facility; Commission President Simons stated that the Town's engineers are trying to find the solution to the problem.

Financial matters were discussed, with approval for payment of bills amounting to \$7,431.85. The budget appears to be going according to plans with most of the taxes already collected. The Sussex County Council has allocated the sum of \$9,000. to the Town Hall

building fund; the Commissioners voted to donate \$750.00 to the Woodbridge Junior High Soft Ball Team uniforms. Sierra Contractors of Dover, De., has entered a price to install an exterior warning light on the top of the waste treatment plant for \$276.50, to install ventilators on two of the pump houses for \$296.00 and On-Off switches in three pump houses for \$324.00. The commissioners accepted the price and authorized the work.

A letter has been sent to the Town of Bridgeville by Delaware Citizens Committee regarding their effort to have three television channels, Delaware based. This group is selling memberships at \$1.00 per person. The Board approved to send \$5.00 as the community's support for this program.

The Town is reviewing applications for a Treatment Plant Operator. Bridgeville is eligible for an employee through CETA for this position.

The Police Department has purchased five 38 calibre Smith & Wesson handguns (same as Delaware State Police are issued) with funds coming from State Air for Local Law Enforcement grant. Cost of these weapons, less trade-in, was \$380.00. Officer Jerome Palmer of the Bridgeville Police force has received a commendation for 5th most improved Marksman recently.

It has been declared that the Town of Bridgeville will observe Halloween on October 31st. Chief Ronald Wilson reviewed the Town's ordinance affecting the youngsters, which is that children up to the age of twelve years must be off the streets by 9 p.m. Those over twelve years must be off the streets by 10 p.m.

Mr. Earl Willey advised the other commissioners that the contract for work at Delaware and Railroad Avenue (road and sewer work) has been awarded to Warren Brothers of Dover, De., and that work should start in 3 to 4 weeks. Approximate contract cost for this work is \$230,000.

Gov. Pete DuPont chats with Cindy Robinson of near Bridgeville last week during State testing program at the North Bridgeville Elementary School. Others pictured are on the left, Dr. William Griffin,

Supt. Woodbridge School District, and next to the governor, David Winski, Principal of the North Elementary School.

Lake Forest Board Will Appeal Boundary Decision

The Lake Forest School Board will probably take its boundary dispute with the Woodbridge School District to the Delaware Supreme Court.

Following a special board session Tuesday, October 3, to consider the ruling by Superior Court Judge William G. Bush III in favor of Woodbridge in the boundary matter, Lake Forest Superintendent William E. Cline said there was a 70 percent probability that the district would appeal the decision. Final decision on the question of appeal would be made after consultation with the district's attorney H. Cabbage Brown Jr.

The dispute which is basically over whether the boundary between the two districts runs 4/10 or 8/10 of a mile north of Farmington originated in 1970 when the two districts, Lake Forest and Woodbridge, formed from the consolidation of Felton and Frederica with Harrington and Greenwood with Bridgeville.

Until the dispute is settled, and certainly for the rest of this school year, the students who live in the questioned area will continue going to the schools in which they are already enrolled.

The disputed area reportedly represents about \$2,000 in annual school taxes and an additional enrollment unit (qualification for state money for an extra teacher) for the district winning the decision.

Personnel

At the October 3 special session the Lake Forest Board hired Mrs. Mary Martin as reading teacher for the 1978-79 school year at W.T. Chipman and Ms. Margie L. McClellan as aide at Lake Forest East.

Resignations were accepted from Mrs. Nell Bausell as Title I Reading Specialist at Chipman and of Ms. Cynthia Kemp as aide at Lake Forest East.

Enrollment

Mr. Markowitz announced the unit count based on enrollment as 171 plus 6 vocational units. This figure, which determines the number of teachers needed as recognized by state standards, is still tentative. A final figure will be available within the next few weeks. Although the unit count increased, total enrollment dropped by 68 students. The increase in unit count is possible because of the increase in such categories as special education in which the number of students representing a unit is smaller than for the regular classroom.

It was decided to advertise for a person to fill the position of assistant principal at Lake Forest North contingent upon verification of the unit count there.

In other business, the Board decided the band should be allowed to practice on the football field under the lights and to play the scheduled October 5 and October 9 soccer games at night.

United Way Drive Is Underway

Harrington's Senior Center, Boy Scouts, and Girl Scouts are funded largely by monies received each year from United Way. The United Way drive which began the first week of October and will continue until October 31 is in process in Harrington and vicinity under the chairmanship of Carl June and Sarba Cello. June is soliciting

businesses in the area, calling on the owners and managers of approximately 100 con-

cerns, while Cello is handling individual contributions. According to June there was a 75%

participation rate for merchants last year. Organized drives within firms are also under his supervision. Those businesses conducting internal programs are DP&L, CT Film, Burris Foods, First National and Peoples Banks.

The United Way goal for the Bi-County organization of which Harrington is a part has been set at 10% above last year's goal. June reports that contributions to date appear to be meeting this increased goal.

Pledges can be made by contacting June at the Harrington Pharmacy at 398-8123 or Cello at the Senior Center at 398-4224. Gifts may be designated for allocation to a specific agency or organization. Of the funds collected, only 15% are used to meet administered costs.

Completion Of Breakfast Program Initiates Lunch Week

The beginning of a breakfast program at Lake Forest South and W.T. Chipman on Monday marked the completion of the School Breakfast Program in the Lake Forest District and the opening of School Lunch Week. With the breakfast program available in the Chipman-South cafeteria, all schools in the district are now serving breakfast. Breakfast has been served at Lake Forest High School since the beginning of September, and at Lake Forest East and North since mid-September.

October 8-14 is also being observed as School Lunch Week by schools in the Lake Forest District as well as those throughout Delaware. A highlight of the week is the universal menu which is being served in all schools today. It features oven-fried chicken, mashed potatoes, carrot and celery sticks, orange wedges and biscuits with honey butter.

Breakfast Program
 The breakfast served each day consists of cereal, juice and milk. There will be possible changes in the menu from time to time. Breakfast tickets can be purchased in the same manner as lunch tickets, or breakfasts can be paid for on a daily basis. Cost of the breakfast is 25c. Those who receive a reduced lunch may get the

meal for 10c, and those who are entitled to a free lunch are also entitled to free breakfast.

School Lunch Week
 Lake Forest observes School Lunch Week this year by participation in the serving of the universal menu which will be today's fare in schools all over Delaware. In the past, Lake Forest parents have been invited to come to school and have lunch with their children some time during the week. Although no special invitation for the week is being extended this year, Food Service Supervisor Janice Hinzman emphasized that parents are encouraged to visit the school at any time to see what lunches are being provided. Those wishing to be served should contact the cafeteria manager ahead of time.

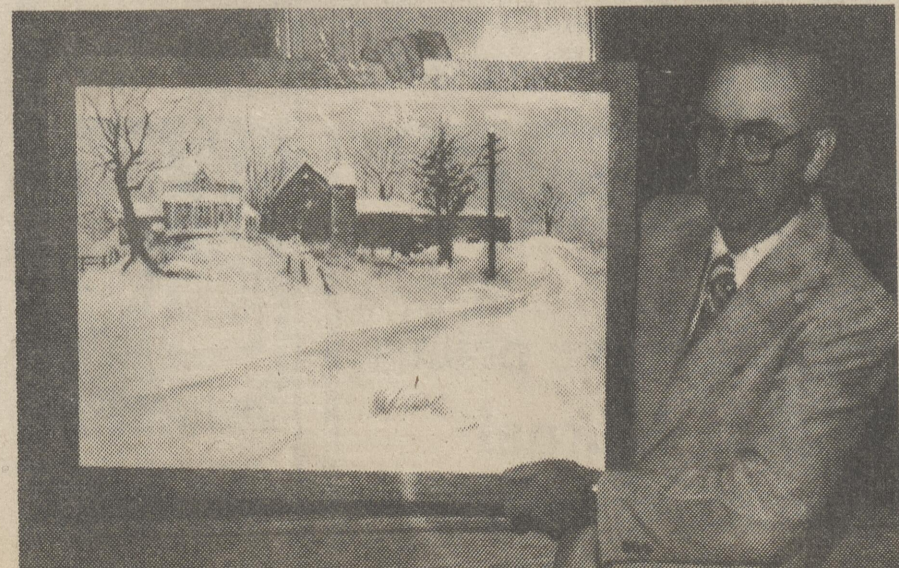

The observance of School Lunch Week is supported by Governor Pierre S. duPont who urges citizens to learn and appreciate how school food services benefit the children, families, farms and industries of the state.

More than 2,200 students take the school lunch each day in the Lake Forest School District. Each school here takes part in the federally supported program

[Continued on page 2]

Memorial Dedicated To Mrs. Gilbert

A memorial to the late Mary C. Gilbert was dedicated at Lake Forest North Elementary School, Felton, on Monday evening. Mrs. Gilbert was an assistant principal at the school until her death last September. The painting, the work of former art teacher Colleen Lowe, will hang in the school office.

Mr. Young, Lake Forest North Elementary School Principal, displays the Mary C. Gilbert Memorial painting dedicated at the school's open house on Monday evening.

Houston Council Donates To Halloween Party

By Dianne Bauer
 HOUSTON - Louise Gill came to the meeting to ask for financial aid for a party for the town children to be held on October 28th at 7 p.m. in the tanker building. They plan games, a haunted house and judging of costumes for the scariest, most original and funniest. The council donated \$150 towards the party.

Plans so far for trick or treat will be held on October 30 from 6 to 8

p.m. and no trick or treaters under 12.

The chicken house ordinance will not have any effect on any 4-H chicken raising projects.

The council briefly discussed lights and guard gates at the crossings but it has to be checked out and looked into until further discussion.

Houston's patience is running out and they are a bit agitated with the slowness in regard to the railroad and the mess they left behind.

Schools To Be Closed

Schools will be closed Friday, October 13, for Teachers' in-service day.

Christmas Parade Theme Selected

Mrs. William Minner, of Weiner Avenue in Harrington, was selected as the winner of the 1978 Harrington Jaycee Christmas Parade theme contest. Her winning entry was "Christmas through the words and music of the carols."

The local Jaycee chapter made their selection at their regular meeting on Monday night. Chairman Ray Blanchette announced that he had received a total of five theme entries all of which were good ideas and which could be

used in years to come.

Entry forms for this year's parade will begin being mailed near the end of the week. Anyone wishing to participate should call Ray Blanchette at 398-3225 to arrange receiving an entry form.

The Town Crier

Sept. 28-Nov. 30 -
Dover's Environmental Education Center will offer a series of outdoor programs for youngsters three to six years of age beginning Thursday, Sept. 28. Additional information and registration for the five sections may be obtained by calling Jim Quirk at 678-5424.

October 11 -
The annual open house program at Lake Forest South B Elementary will be held Wednesday evening, 7-8:30 p.m. All parents are cordially invited to attend and meet with teachers to review school programs and activities. Refreshments will be served in the cafeteria at the close of the program.

October 11 -
The YMCA is offering Bridge lessons for both beginners and those who would like to improve their playing skill beginning on Wednesday from 1:30 to 3 p.m. The course will be held once a week for six weeks. The fees are \$3 for YMCA Senior Citizen members, \$10 for regular YMCA members, and \$30 for non-members. Registrations are being taken at the YMCA Courtesy Desk or you may call 674-3000 for further information.

October 11 -
Woodbridge Junior High School - Parents should report to the auditorium at 7:30 p.m. for a brief meeting. Then following the introductory meeting in the auditorium, the classrooms will be open for visitations. Refreshments will be served in the cafeteria.

The Greenwood Church will have its Homecoming service on November 5 at 3 p.m. The Rev. Frank O. Baynard will be the guest speaker. There will be a covered dish supper after the service. A hymn sing will follow at 7 p.m.

Circle your calendar for November 12-17 for the Earl Tyson Crusade.

The Churches of Greenwood are sponsoring a Greenwood Gospel Crusade with the Rev. Bill Drury to be held at the school.

St. Johnstown United Methodist Church will celebrate their Homecoming service on October 15 at 2 p.m. The speaker will be the Rev. M.S. Russell. Refreshments will follow.

Report from Hickory Ridge Congregational Methodist Church: It was especially good to have Mrs. Mary Uher back with us, following an eight-week absence due to surgery for hip replacement. Her solo, "Have I Done My Best For Jesus?" was enjoyed by all. We were also glad to welcome five members of Mr. Uher's family who were visiting them.

We were glad to welcome Mr. Ralph Harmon from Barcelona, Spain, who was visiting his mother, Mrs. Helen Workman. Also Mrs. Marie Draper and Mrs. Frances Speicher who were hospitalized recently.

The Memorial Gifts helped pay for fixtures and other improvements which benefited our church and were made

possible by the requests of Mrs. Madeline Lord in memory of her husband, William Lord; and of Mrs. Clara Coulter, in memory of her husband, Robert Lee Coulter. Since both of these ladies reside in another town and attend other churches, we are especially grateful for their thought of us.

Elnora Anthony has been kind enough to share something with us. Here is her report on some festivities. "After having worked for the old Post Office Department and the present U.S. Postal Service for 30 years and four months, Mrs. Elnora Anthony retired on Aug. 31. The last day that she worked, her fellow employees surprised her with a party. Betty Rust has decorated a cake to represent a package and had it addressed to Elnora. They had punch and snacks to complete the refreshments. They presented her with a toothpickholder (button and daisy pattern) to add to her collection.

Then on Saturday evening, Sept. 30, her fellow employees surprised her again with a retirement dinner in her honor in Dover. There were 19 present, including some former employees. Those present were Postmaster and Mrs. William Taylor, Mr. and Mrs. Charles Jones, Mr. and Mrs. Edward Smith, Mr. and Mrs. Dale Patterson, Mr. and Mrs. Craig Brittingham, Mrs. Betty Rust, Mrs. Bobbie Eskridge, Mrs. Violet Schrock, Mr. and Mrs. Alfred Smith, and Mr. and Mrs. Charles Conaway.

They all enjoyed dinner together with a decorated cake. After the dinner, Edward Smith and Charles Jones remembered and reflected on many little incidents and trademarks understood only by Elnora with

Greenwood

By Pat Hatfield

many little gifts to accentuate them. Then in behalf of all of her friends of the Post Office, Bobbie Eskridge presented her with a beautiful antique cut glass relish dish.

Postmaster William Taylor gave a resume of Elnora's years of service and presented her with a Certificate Award for special achievement in recognition of notable performance and also a Superior Achievement Award of \$100 from the U.S. Postal Service.

It was a very lovely and well-planned evening and Elnora was overwhelmed with the love shown to her through this very special occasion in her honor. (Congratulations from all of the community, Elnora. We love you too!)

Greenwood Kiwanis Report: Greenwood Kiwanis Club held their final meeting for the month of September in the Fire Hall. It was well attended with 15 members and 8 guests enjoying a fried chicken dinner prepared by the ladies of the Fire Company Auxiliary.

President John Lyons introduced the four guests from the Milford Kiwanis Club as follows: Nelson Short, Dick Nugent, Doc West and Gary West and also the four guests from the Rehoboth Club, Harle McCord, Henry Winkler

and Ben Shaw, and Division Elevens, Lt. Gov. Paul Wellborn. Lt. Wellborn spoke briefly of the satisfaction he received from the past year's term as Lt. Gov. and thanked everyone for their cooperation.

President John then introduced Ben Shaw who was made a member of the Delaware Bar in 1976 and spoke of the importance of having a will. Having a will makes sure of the disbursement of monies and property in the way the person wants it.

Lt. Gov. Wellborn presented perfect attendance pins to the following: Stanley Cahall, Charles Conway, Lawrence Meredith, Nelson Meredith and Alvin Mills, 32 years; John Lyons, 31 years; Henry Peters, 11 years; Charles Elliott, 9 years; Russell Scull, 8 years; Donald Pearson, 7 years; Carlos Wiseman, 5 years; William Mitchell, 1 year.

After a reminder that next Thursday is installation night and Ladies Night, the meeting was closed.

Cheer Center News: Oct. Week 2-6: Our Smith Island trip on Tuesday, Oct. 4, was very enjoyable. Smith Island is Maryland's only inhabited land accessible exclusively by boat. Comprised of three separate villages, namely Ewell, Tylerton

and Rhodes Point. We visited at Rhodes Point. Smith Island lies in the Chesapeake Bay, 12 miles west of Crisfield, Md. It is populated by 750 people. Captain Tyler piloted his own boat, "The Captain Tyler." He docked in front of his Bayside Restaurant where we had a delicious seafood dinner.

Visitors at the center this week were Senator Biden's wife, Jill, and Susie Walsh. We were glad to have them and we enjoyed Mrs. Biden's message.

We welcomed three new members at the Center... Miss Bessie Carlisle, Robert and Rita Byrd this week.

We regret that the doctor has told Mrs. Kathleen Willey that she must take a six months' leave of absence from her duties as one of our staff members at the Center. Mrs. Betty Jory is replacing her during her absence. We wish Mrs. Willey a speedy recovery.

On October 17, our members of the Greenwood Center will visit the Oak Orchard center for lunch.

On October 18, Mrs. Gladys Yeako will again demonstrate some of her new ideas of arts and crafts.

On Oct. 19 the lunch will be at 11:30 a.m. in preparation for the shopping trip to Seaford.

West of Harrington. 16 Ac. with chicken egg laying operation. Price includes new chicken house, like new 3 brm. ranch styled home. Modern chicken operation automatic water and feed. HIGH INCOME. Owner must sell due to illness. By appointment.

FFA Kicks Off Citrus Sale

Thursday, October 6 was the kickoff date for the Lake Forest FFA Chapter's Annual Citrus Sale. As in previous years, the Chapter will be selling various kinds of citrus fruits to the local com-

munity. This year the FFA will be offering Navel and Hamlin Oranges, Pink and White Grapefruit and Tangelos for sale in 40 lb. cases or 4/15 of a bushel.

The Chapter members will be accepting orders for fruit from not until November 8. Delivery of fruit will be made during the first two weeks of December.

For the past four years, the Lake Forest FFA Chapter has sold more citrus fruit than any other chapter in the state. Profits from this sale will be used to finance trips for chapter judging teams, to provide for awards and trophies, to help underwrite the cost of the Annual Parent-Member Banquet and to provide upkeep and maintenance of the chapter pick-up truck.

Beware Gypsies

Delaware State Police at Troop 3, Dover, report that a band of gypsies are operating the Kent County area. The most recent incident occurred October 4, when an elderly woman who resides south of Woodside was approached by several gypsies who said they would contract to clean her house, but while her attention was diverted, several other gypsies removed valuables from her home.

Senior citizens are especially vulnerable to this practice. The Delaware State Police request anyone having knowledge of this type of activity, report it at once to your nearest police agency.

George Wise Teaches Art At Senior Center

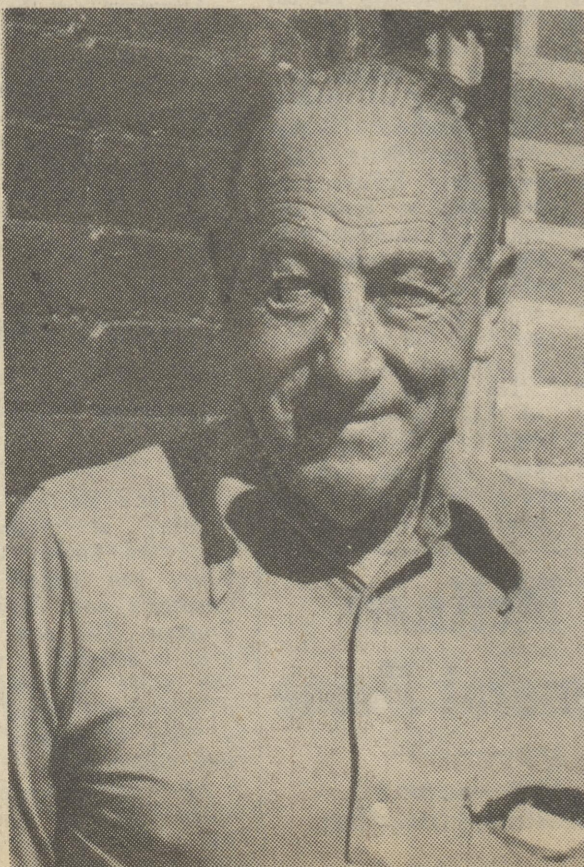

By Dianne Bauer
George Wise, although a traveler all his life, is now residing in Harrington. When asked why or how he picked Harrington after living in Nebraska, Missouri and California, he stated that he had gone on vacation in Rehoboth and liked it so much that he tried to find a room. But it was almost impossible so he came up to Swain's Hotel where he found a room. He then started to teach at the Senior Citizens Center in Harrington. He teaches water color painting and techniques.

George said that watercolor is the thing in America now. He didn't start his own art career until he was around 42 when he enrolled in the Famous Artist School because he felt he needed some help with perspective. He said that with his correspondence course he really had to teach himself. He took an art appreciation course in San Jose and studies under Elliot O'Hara in 1958 in Sausalito, Calif. He said that Elliot was the first watercolor artist to make the academy. Elliot also designed some of his own gear to paint on the scene with. Artist Wise went back for more lessons in '66.

I asked George if he ever got discouraged with art and he said yes, many times. But he always returned and said

that every now and then you do a painting that really pulls you out of it. He said that he really gets so involved with his painting that sometimes he will spend 10 hours at a painting and not even realize how much time has gone by. Seascapes and landscapes are his favorite subjects. He said that art now adays has gone to the decorator and then discussed a film called "A Day in the Life of an Artist," where a man arrives on the beach with a large canvas and buckets of paint, proceeds to splash, throw, smear and rub on the canvas. The canvas is then cut up into pieces. A man in a helicopter arrives... lands...buys one of the cut pieces and takes off. The artist throws the rest away and leaves. And that seems to be what people want now.

Art is something "you never learn everything about," and there are so many mediums today to pick from. He said you also have to be able to see things. He used the store fronts as an example. How many people just go in and out and never really look at what is there, the true beauty of the buildings, their differences and character. George says he plans to donate the sales of his paintings to the "Meals on Wheels". They seem to have funding difficulties and it seems like a worthwhile cause to him.

George Wise

Gladys Hill humming on her kazoo.

Homecoming Set For October 28

By Sandy Crouse
SGA Secretary

The SGA (Student Government Association) of the Lake Forest High School is very active again under their new advisors Mrs. Victoria Melling and Mr. Arthur Judd. This year's officers are President Steve Kish, Vice President Craig Warrington, Secretary Sandy Crouse, and Treasurer Dale Moore.

Once again Homecoming is near. This year's Homecoming Activities include many changes over the previous years. The game, parade and dance will all be held on Saturday, October 28. The Parade Marshals are Mike Everline, Doug Crouse, Connie Harrington, and Becky McKnatt. The parade will begin at 10:30 with line-up at 10:00; the games will start at 1:30 and the dance at 8:00. The parade will be held in Felton this year, with line-up being on the Church Street extended road. The parade route will be south on Church Street and turn right at High Street, continue across the railroad tracks, turn left at Walnut Street, turning left at Main Street and continuing down Main Street to Nile Street and ending up at the rear of the Elementary School.

This year a change has been made in the float

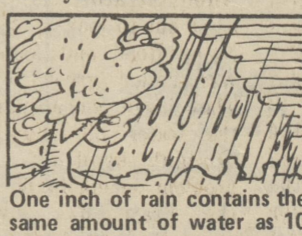

competition. Instead of just the four classes competing, any organization, business or club may enter into the competition. The top four competitors will receive prizes with first place receiving \$150, second place \$100, third place \$50 and fourth place \$25. If you wish to enter or have any questions please contact Sandy Crouse at 284-9170 by October 18.

This year's Homecoming Game will be held at the new Lake Forest High School sports complex. Lake Forest will be met in competition by the Dover Air Falcons. During halftime, winners of the

float competition will be announced and the crowning of the 1978-79 Homecoming Queen will take place. Homecoming Queen candidates are Phyllis Caskey, Karen Howten, Denise Parman, and Rhonda Melvin. Charlene Keller, last year's Homecoming Queen, will be on hand to crown the lucky girl.

The Homecoming Dance will be held the same night in the High School cafeteria with music by the NFS Boys. The dance will begin at 8 p.m. and end at 11 p.m. Tickets are set at \$2 per couple and \$1.50 for singles. Dress code is semi-formal.

As you can see, October 28 is going to be full of excitement, competition, and school spirit. Come out and watch the parade and then continue on to the game to watch a lot of hard-hitting, fast running and good sportsmanship between Lake Forest Spartans and Dover Air Falcons. Don't miss out on this event. See ya there!

One inch of rain contains the same amount of water as 10 inches of snow!

Senior Center News

By Dorothy Graham

Mrs. Judy always leads the members in a very interesting Bible study and Monday was no exception. The singing to open the study puts everyone in a happy mood. Everyday the members go shopping they report prices are higher and higher. Played bingo, dominos, checkers and 500.

Health nurse was on hand to give a few guidelines to health and take blood pressures. Nostalgia with Ruth Nasser. Her topic was New York State, beautifully illustrated with books, slides and other material. It is a pleasant sight to see several of the members dancing. After band rehearsal which is always nice, Ina goes to the new addition and strikes up the organ and the dancing begins, even get some of the men away from the pool table.

George Goodge presented a most interesting movie on "Native American Arts" and hobby ceramics. In the afternoon Edna Benzin spoke on RSVP. She was well received.

Mrs. Lillian Camper was so very obliging in our caning class. She does an

excellent job. We found out that many of our chairs that we thought had to be hand caned were pressed in caning, which is no job compared to the hand work. She will be here again October 19. If you are interested, better stop in - might be your last chance for a while. Shopping and visiting in Milford on Thursday. Tony Dulik and Marion Littman were high scorers. When someone reminded Tony that he was high Thursday he said "A blind pig gets an acorn once in a while."

Friday was active with a movie, exercises and getting ready for the RSVP Banquet at Dover. The bus took us and delivered us home.

Don't forget the birthday party on October 17, also the nutrition program October 18 with Mrs. Powell and Mrs. Holden. They always have some goodies.

George Wise was here Friday instead of Thursday. Our picture this week was a snow scene, getting prepared for the good old winter time!

Sunshine 4-H Club News

By Kirk Ryan

The October meeting of the Harrington 4-H club was called to order by our new president, Kelley Ryan. Abby Wright led us in the pledges. Mr. Gary Harrington from the local fire department, spoke to us on fire prevention and safety.

Mike Everline reported on the poster contest

in which he received first place. Kim Zietler reported on the Lake Forest Seniors parade and Kris Ryan on our window display which is in L & D Electronics Store.

Duane Hammond made a motion to adjourn the meeting and Brent Moran seconded it. Refreshments were served by Ruby Moran, Melinda Larimore and Kelley Ryan.

Mr. and Mrs. John Starke

Draper-Starke Are Wed

Carol Lynn Draper and John Kevin Starke were married on August 12 at Asbury United Methodist Church in Harrington. The bride is the daughter of Mr. and Mrs. Warren Draper of Harrington. Parents of the groom are Mr. and Mrs. Allen Starke, Sr. of Frederica. Matron of honor was Judy Letterman of Dover. Bridesmaids were Wanda Van Gorder of Felton, Debbie Wolf, sister of the bride, Harrington, Peggy Draper, sister of the bride, Harrington, Susan Starke, sister of the groom, Frederica, Nancy Starke, sister of the groom, Frederica, Jr. Bridesmaid was Kellie Draper, sister of the bride, Harrington.

Flower girls were Kristie Draper, sister of the bride, Harrington and Crysti Dempsey, Harrington. Best Man was Dave Smiek of Gibbstown, N.J. Ushers were Allen Starke, brother of the groom, Frederica, Bert Hewton of Kennett Square, Pa., John Hayter of Baltimore, Md., David Riegner of Detroit, Mich., and Scott Copenhaver of Newark, Jr. Usher was Earl Dempsey of Harrington. Ringbearers were Steven and Chris Van Gorder of Felton. Rev. Alvin Willink officiated at the ceremony which was followed by a reception in Viola. Following a wedding trip to Williamsburg, Va., the couple is living in Frederica.

Obituaries

Mary B. MacFarland
 RIDGELY, Md. - Mary B. MacFarland, 84, of Cherry Lane, died Friday, October 6, in Memorial Hospital, Easton, Md., after a short illness. Her husband, John G., died in 1953. She is survived by three sons, David M. of Ridgely, Md., James M. of Frederica, and Robert F. of Brigham, Utah; 14 grandchildren, and 11 great-grandchildren. Services were Tuesday afternoon at the Boulais Funeral Home, Greensboro, Md. Burial was in Greensboro Cemetery.

Mildred Lee Bridgers
 MILFORD - Mildred Lee Bridgers, 72, of 701 Greenway Drive, South Boston, Va., died Wednesday, Oct. 4, in South Boston after a long illness. Her husband, Benjamin R., died in 1970. She is survived by a son, Benjamin R. Jr. of South Boston; and a sister, Thelma Ward of Salisbury, Md. Services were Saturday afternoon at the Berry Funeral Home, N.W. Front Street, with burial in Odd Fellows Cemetery, Milford.

sons, James and Stanley, both at home; her mother, Mary Griffith of The Cedars; and three brothers, Stanley Griffith of Wilmington Manor Gardens, Ray Griffith of The Cedars, and Covell Griffith of Harrington. Services will be Thursday afternoon at 1 at the Krienen-Griffith Funeral Home, 1400 Kirkwood Highway, where friends may call tonight after 7. Burial will be in Silverbrook Cemetery.

Frank B. Wright
 HARRINGTON - Frank B. Wright, 86, from near Harrington, died Monday, October 9, at the home of his daughter, Thelma W. Orth, Dover, after a short illness. Mr. Wright was a retired farmer and a veteran of World War I. Many years ago, he drove the Harrington school bus for 20 years. His wife, Mabel L., died in 1938. He is survived by two sons, Donald F. of Newark and Albert H. of Felton; two more daughters, Agnes W. Payne of Newark, and Daisy W. Hill of Dover; a brother, Harry of Philadelphia; a sister, Elma Wiseman of Greenwood; nine grandchildren and seven great-grandchildren. Services will be Thursday afternoon at 1 at the Berry Funeral Home, Main Street, Felton, where friends may call tonight after 7. Burial will be in Hollywood Cemetery, Harrington.

Leon E. Wheaton
 GREENWOOD - Leon E. Wheaton, 82, of Sussex Avenue, died Wednesday, Oct. 4, in Milford Memorial Hospital after a short illness. Mr. Wheaton moved to the area in 1973 from Chemung, N.Y. He retired from the American LaFrance Foamite Co. in Elmira, N.Y. in 1960, and was a past master of a Masonic lodge in the Chemung area. He is survived by his wife, Gertrude W.; a daughter, Doris J. Willink of Harrington; a sister, Letha B. Peppard of Smithboro, N.Y., and three grandchildren. Services were Saturday afternoon at Roberts Funeral Home in Wellsburg, N.Y. Burial was in Chemung Cemetery.

Edwin Willey
 BRIDGEVILLE - Edwin Willey, 81, of 413 Walnut St., died Wednesday, Oct. 4, at Nanticoke Memorial Hospital, Seaford, after a short illness. Mr. Willey retired in 1962 from the former John Kern Masonry Contractors Co. in Bridgeville, where he worked as a mason for many years. He is survived by his wife, Leta S.; and a sister, Nada Beebe of Seaford. Services were private. Burial was in St. Johnstown Cemetery, Greentown.

Edward D. Foulks
 Edward Douglas Foulks, 61, of 41 E. Reamer Ave., Richardson Park, died Saturday, October 7, at University Hospital, Columbus, Ohio, after a long illness. He is survived by his wife, Eunice Baylis Foulks; a daughter, Virginia M. Delligatti of Wilmington; his mother, Ruth Hudson Foulks of Stockton, Md.; a brother, William of Frederica; four sisters, Florence Bellback of Blackwood Terrace, N. J., Peggy Dunn of Chula Vista, Calif., Mary Ann Hall of Stockton, and Patsy Taylor of Spence, Md.; two grandchildren and three great-grandchildren. Services will be at 2 today (Wednesday) at the Watson & Melson Funeral Home, Pocomoke City, Md. Burial will be in Portersville Cemetery, Stockton.

Clara J. Cole
 Clara Josephine Cole, 52, of 1214, Maple Ave., Elsmere, died Sunday, October 8, in the Delaware Division after a short illness. Mrs. Cole was a clerk for the S.S. Kresge Co. at the Eighth and Market Streets store, where she had worked for five years. She is survived by her husband, Charles W.; two

children, and three grand-children. Services will be at 2 today (Wednesday) at the Watson & Melson Funeral Home, Pocomoke City, Md. Burial will be in Portersville Cemetery, Stockton.

children, and three grand-children. Services will be at 2 today (Wednesday) at the Watson & Melson Funeral Home, Pocomoke City, Md. Burial will be in Portersville Cemetery, Stockton.

News From Legion Post Number 7

By Carrington Burgess
 There was good news for veterans of the Armed Forces evinced Thursday night at a meeting of Callaway-Kemp-Raughley-Tea Post #7, American Legion. Department Commander Richard Drummond revealed there was no

change in veterans preference for federal employment. Furthermore, he mentioned period of eligibility for membership in the Legion had been extended to May 5, 1975, from a deadline of August 15, 1973. A domiciliary unit has been opened at the Veterans Hospital at Elsmere, Drummond added. This addition, heated by solar energy, provides, among other things, some nursing.

Attending from the commander's staff were Clarence Jackson, 1st vice-commander, and John K. Simmons, 2nd vice-commander. The latter spoke on veterans benefits, the energy program and employment for younger veterans.

Taylor's Joins

Servistar Program

Taylor's Hardware, a member of American Hardware Supply Company, has joined the company's new Servistar Program. The new program is designed to make the store a complete do-it-yourself center and a "star of service" to their customers. An easily recognized store sign now identifies Taylor's Hardware as a Servistar Store in the downtown area.

Calvary Wesleyan Church Hosts The Lighthouse Singers

The Lighthouse Singers from Keymar, Maryland, will be singing at Calvary Wesleyan Church, 240 Delaware Ave., Harrington, De., on Sunday, October 15 at 9:45 a.m. and 7 p.m. This young gospel team has been engaged in Christian music since 1974, traveling in several Eastern states and ministering in various denominations. They conduct sacred concerts and often provide special music for churches, evangelistic campaigns, conventions and other gatherings. Members of The Lighthouse Singers are: Cheryl J. Kramer, Manager and lead singer; Dean R.

Kramer, tenor; Lois Kramer, alto; Mike Mike-sell, bass; and Dave Nace provides the bass guitar accompaniment. The group has recorded three long-play albums and some eight-track tapes. Some of their songs were composed by Cheryl Kramer, who also serves as pianist and arranges much of the music. These young people enjoy singing and sharing the "good news" of Christ. Their delightful variety of inspiring and uplifting melodies will challenge and encourage all to serve and trust in the Lord. Come, bring your neighbors and friends. You'll not be disappointed!

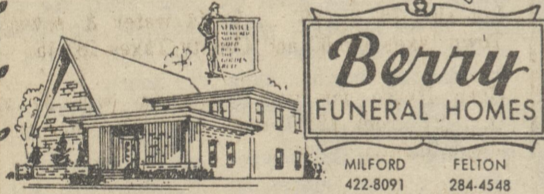

For Your Information

Dear friends,

It may surprise you that there are seventy or more separate items of service in the proper conduct of a funeral. They range from the preparation of obituary notices to the making of cemetery arrangements. The services of the funeral director and his staff, his establishment and equipment is usually in service to the family for the better part of three days in the proper fulfillment of these duties.

Respectfully,

William C. Berry Jr.

Library News

Every Tuesday morning from 10:10-30 we are having our "Cartoon Carnival". So bring your preschooler to the library

and enjoy the fun. On October 16, Monday afternoon, at 3:30 we are showing the film "Rookie of the Year" for all you

sports enthusiasts. The library has a new shipment of books and some of these books are: "Wife" by Judy Blume, "Cinder Path" by Cooks, "Living With the Bible" by Dayan, "No Bed of Roses" by Fontain, "Prelude to Terror" by Macin, "Second Generation" by Fast, "War and Remembrance" by Wouk and many, many more too numerous to mention. The library is now open on Saturday mornings from 9-12 noon for those of you who can not get there during our regular hours.

Spartans, Raiders Co-Win Salisbury Invitational

By Keith S. Burgess
Always the bridesmaid but never the bride, has been the story of Jim Blades and his Lake Forest Spartans at the Salisbury State College cross-country Invitational.

For the past six years, the locals ran very well in the 20-team, 3-state hill-and-dale extravaganza. The Spartans were second five times and third once. Ironically, they were closest to winning the year they were third.

Last Thursday, Lake Forest and Bill Degnan's Woodbridge Blue Raiders both scored 121 points to become co-winners of the 7th annual three-mile race.

Easton, Md. was third, greatly-improved Sussex Central was fourth. Next came Caesar Rodney, Wicomico of Salisbury, last year's winner Christiana High of the Newark area, Parkside of Salisbury, Dover, North Carolina,

Md. and J.M. Bennett of Salisbury. Also-rans in order were: Laurel, Queen Anne's of Centreville, Md., Kent County of Chestertown, Md., Cape Henlopen, Dover Air, Cambridge, Md., Colonel Richardson, Md. and Central, Arcadia and Onancock, the last three named all of Virginia.

Louis Thomas was fifth for Lake Forest with a 16.37 clocking for three miles. Bill Mitchell was 14th. Freshman Maurice Coverdale, senior Joe Custis and junior Doug Caskey finished in a span of 17 seconds to set up the Spartans' total. Caskey in 40th place was the key as he came from well back in the pack of 140 runners, to nearly catch two teammates, who used to finish well ahead of him. Jay Howerin and Bob Aycoth, two 14-year-old prospects, ran 6 and 7 for Lake Forest.

Woodbridge was led by

George Williams' seventh place finish and Rob Heinz who crossed in tenth position. Other raiders who are doing a great job in Woodbridge's surge into athletic prominence are: Curt Brown, Jay Mervine, Chris James and Joe Wilson. Unfortunately, four of these are seniors, but it appears that our Sussex County neighbors have found the key to cross-country success. They have some good jayvees and we think that the two team trophies already added to the Woodbridge trophy case should make recruiting easier in 1979.

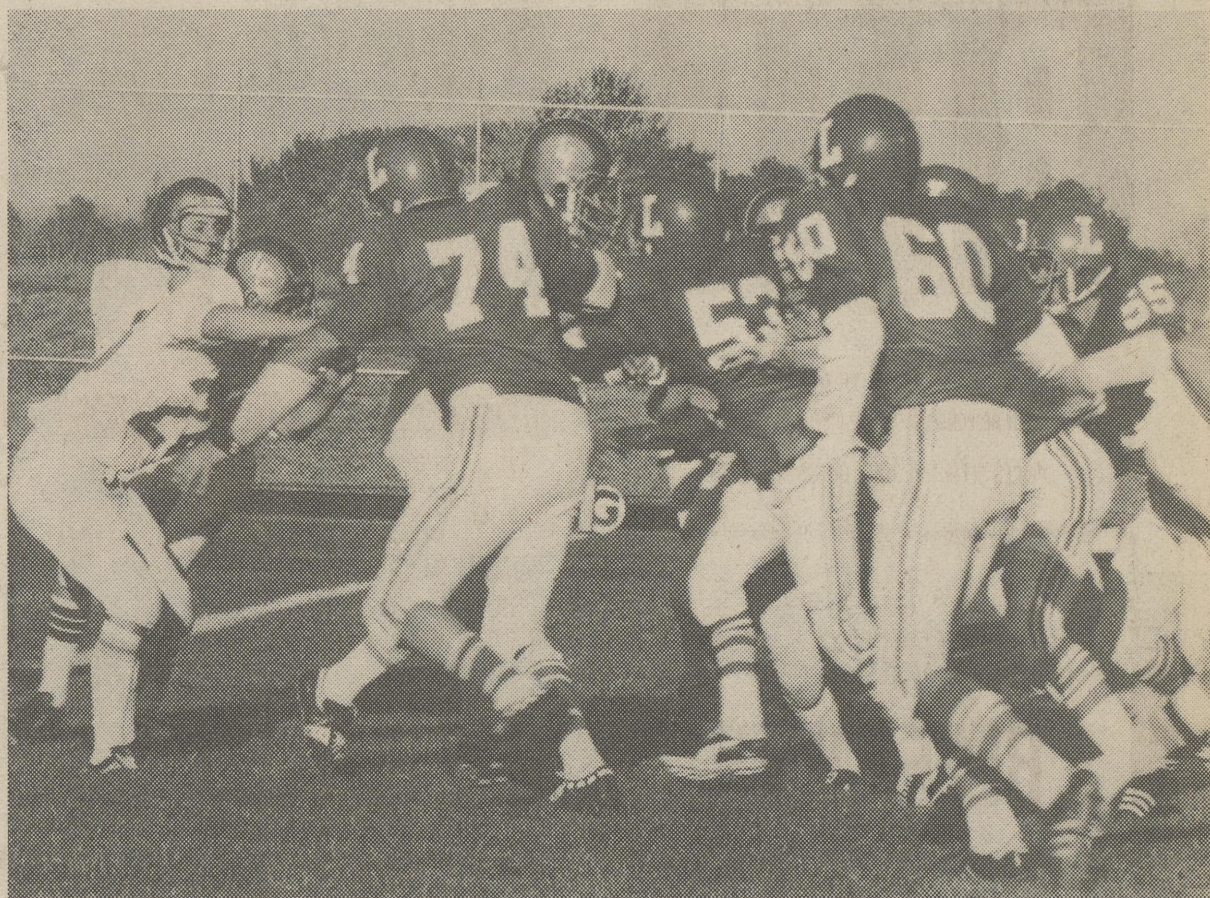

Sam Lamphier, a greatly-improved sophomore was third in a field of 175 jayvee runners to lead what appears to be a Lake Forest victory there. Woodbridge seemed to have second place sewed up. We will have this info in the next week or two.

Terry Caskey, a freshman novice, was 11th and is now threatening to be better than his brother, Doug, who is doing a beautiful job on the varsity filling in for injured senior Wilson Fry, whose career may be ended. Dale Jarrell and John Green are coming on strong, with John Veith close behind.

Other jayvees to do well were: freshmen Larry Guessford and Albert Burns and Sherry Colburn, who should easily be the top two-miler on Dave Buck's girls track team next spring.

Meanwhile, James Lofland was first for Chipman in 19.15 which was almost as good as any of the Spartan jayvees could do with the exception of Lamphier. Lofland is brand-new to this game, has only laced on his running shoes a half-

David Hilton drops back to pass for the Spartan Junior Varsity.

Air Force Downs Woodbridge In High Scoring Game

DOVER AIR BASE - The Riders of Woodbridge High traveled to Dover Air Force Base to take on the Falcons. This was their second away game of the season but their luck on the road did not hold up on Friday night as the Falcons whipped the Riders 36-6.

Woodbridge drew first tally when Junior sensation Paul Purnell put

Woodbridge on the score board first with a 55-yard scoring run in the first quarter. Paul, the other half of the brother combination, has been a high rusher all season for Woodbridge. His brother, Mike, suffered a broken leg last week and will be out for the season.

Following the score by Woodbridge, the Falcons struck back and tied the

score at 6 with a three-yard plunge by Mickey Rider.

The other scores came with four TD runs, a pass which went for 23 yards and a TD by Mickey Rider on a toss from Nico Johns. Dover Air's two leading rushers were John Sclesky who ran for two TD's and completed 8 of 9 passes for 104 yards. Mark Westman

who rushed for 65 yards also scored one TD with a 10-yard run.

Mickey Rider and Jim Holt had two interceptions for Dover Air while Woodbridge also suffered three fumbles.

Woodbridge	6	0	0	6
Dover Air	6	16	8	38

Spartan Jayvees Win 25-31

By Keith S. Burgess
Lake Forest's junior varsity took a close meet from Woodbridge, despite seeing Blackwell and Johnson finish 1-2 for the Blue Raiders. Chris "Peanut" Blackwell especially looks like a fine prospect. Aycoth, T. Caskey, Craig Fry and Randy Rameriz finished close together for the Spartans. After Chaney of the visitors came,

McDougall of the home team, followed by another visitor. Next were Veith, Guessford, and Burns of Lake Forest, who helped the cause by beating the Blue Raiders' fifth man. Chipman's Robby Man-

araze bucked the wind to record 16.51 reaching a personal sub-17 goal. Jerry Mosley and Tony Scott may have turned in their best efforts yet here. Derrick Chodkiewicz, John Layton, Mike Grogan and

newcomer Kevin Flamer made Chipman's top seven list. Other Chipman kids to do well were: Bobby Smith, Pryoot "King" ize, Mark Moreau, Bernard, Silkworth, English and Coston.

Wayne Sumpter and two unidentified Spartans stop Laurel ball carrier for a short gain.

JV Spartans Lose Opener

Opening game for the Spartan Junior Varsity was a disappointment for

Three Win

Varsity Letters

Lake Forest has such a large cross-country turnout each fall, that it becomes harder here to win a varsity letter than at most schools or in most sports. Freshmen Bob Aycoth and Terry Caskey and sophomore Sam Lamphier have worked hard and earned the Lake Forest monogram.

the hard-working team. Final score of the game against Laurel was 20-12.

Scoring the first touchdown of the game was Bruce Tolson on a 95 yard

run and pass from James Hilton. The try for the extra point failed. Laurel retaliated by scoring three times before Lake Forest was again able to get on

the board on an 89 yard kick-off return by Nate Floyd having been called back on a clipping penalty.

The final score for the Spartans was on a 65 yard

bomb to Frank Hovington, the score at that point

20-12. With seven seconds to go, a desperate on side

kick was recovered by Lake Forest as time ran out.

Raiders Outrun Eagles

Woodbridge High's Blue Raider cross-country team defeated a good Smyrna team 23-33 to even the winner's Henlopen Conference log at 1-1.

George Williams and Rob Heinz tied for first

place with a home course record of 13:35 for Woodbridge's 2.5 mile course.

Curt Brown, Jay Mervine, Chris James and Joe Wilson were 4th, 7th, 9th and 10th, respectively, for the Raiders.

Freshmen Beat Smyrna

Lake Forest Freshmen beat Smyrna 6-0 in their opening game last week. Mike Justice led the offensive effort, running a slant up the middle for an 82 yard touchdown in the fourth quarter. The punt return team also ran back a 70 yard touchdown by Kevin Smith, only to have it called back on penalties.

An outstanding defensive team shut-out Smyrna for four quarters.

The young Spartans face Lewes today at Lewes, gametime is 4 p.m.

Eddie Affolder steals the ball from Milford player and heads for the goal.

Soccer Team Wins In Overtime

By Brett Asbury
Norman Kristic scored the winning goal for Lake Forest in overtime beating Seaford 1-0. The first two halves of the game ended with a 0-0 score forcing the game into overtime. The score came after Todd Gruell crossed the ball to Kristic who was able to get by a defender and put it in. Although it was a win, the Lake Forest coaches

felt it shouldn't have been such a close game.

Thursday's 2-0 loss against Milford was hard to accept as it set Lake Forest back to fifth place in conference standings behind CR, Dover, Cape Henlopen and Milford. It also appeared damaging to the team's morale as it was probably one of their best games played this year.

Coach Buck Starkey, Milford's new soccer coach, led his team to the 2-0 victory. Scores were made by Milford's Mike Curtain and Billy Clarke.

Lake Forest Plays First Soccer Game Under The Lights

It should be noted that Thursday's soccer game was in a way, a victory. The Spartan soccer team was able to play their first night game in the new stadium, something many thought would not occur until next year.

The only other night game scheduled this year is on Oct. 19 against Caesar Rodney starting at 6:30 (for JV) and 8 (for varsity).

Raider Girls Defeat Dover Air 3-1

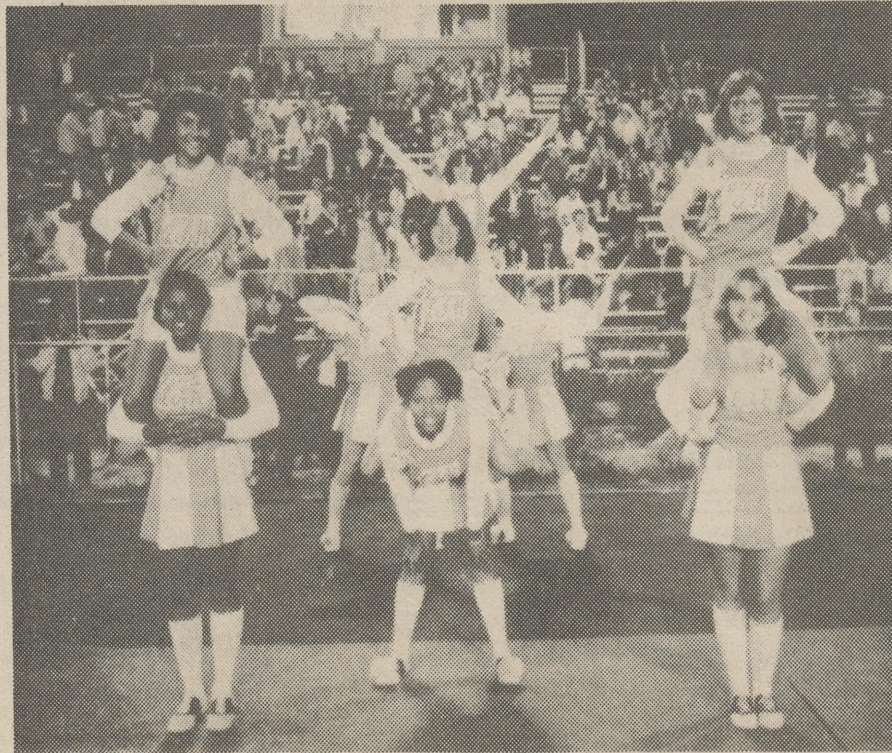

The Woodbridge Raiders field hockey team won their first game of the season last Tuesday, defeating the Dover Air girls 3-1. Scoring Raider goals were Claire Betze,

Christine Spady and Joanne Conaway. "It was the first time we've stayed on attack the whole game," said Coach Kaye

CR Trounces Lake Forest

Two early Lake Forest mistakes resulted in quick Caesar Rodney touchdowns and gave CR the mental edge to defeat the Spartans 50-0 in Friday night's game. A fired-up Caesar Rodney team was intent upon taking home a victory after their

loss the Friday before to Middletown, ending a 34-game winning streak in regular season play. The Spartans, who were again short of key personnel due to injury and illness, were forced to play a large portion of the game with tenth grade

back-ups. Sophomores Harry Brown and Nate Floyd covered for Milton Justice who midway through the second quarter was sidelined with a back injury. Junior Mark Smith and freshman Billy Scott took up the defensive slack when Jeffrey

Deshields was forced to leave the game with a mild concussion.

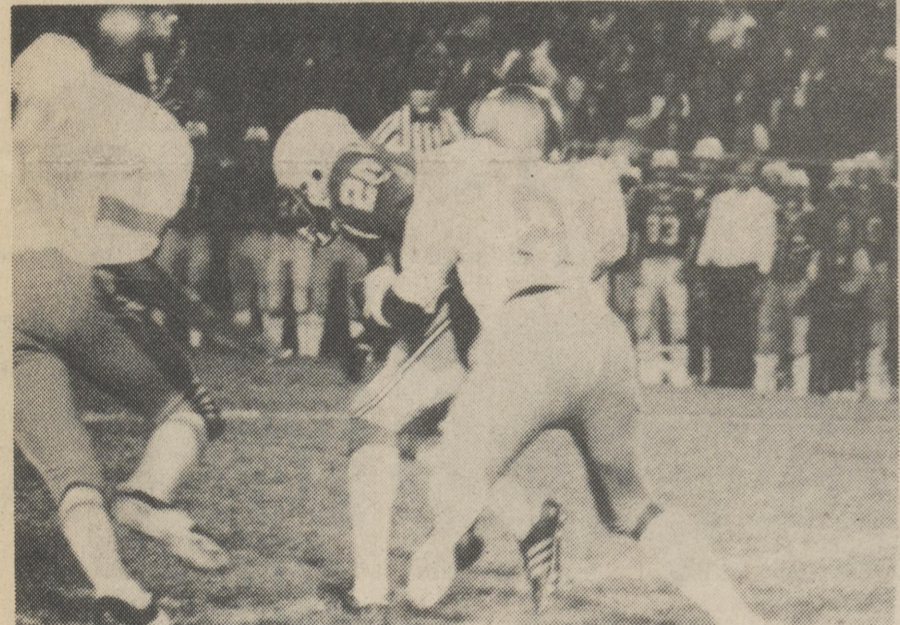

The game began with CR kicking off to Lake Forest. On the first offensive play, an attempted pass, quarterback Larry McCombs was hit from behind and fumbled the ball. A Rider defensive man picked it up and ran 11 yards for the touchdown. Caesar Rodney's next score came minutes later following a Spartan fumble on a CR punt. Kevin Schockley ran off right tackle for the 21 yard touchdown.

Lake Forest had a total of 64 offensive yards gained, 32 passing, 34 rushing, with 6 first downs. Four for 13 pass attempts were completed. Orlando Burris was the leading ground gainer with a total of 32 yards.

Caesar Rodney 50,

Spartans are 4th In Sallies Invitational

By Keith S. Burgess
Lake Forest continues to do well in the multi-team meets. Jim Blades' cross-country Spartans came in fourth of fifteen teams in their division at the annual Salesianum Invitational, held at Brandywine Creek State Park on Saturday.

Interboro High of the Philadelphia area, a very strong team, was a run-away victor. Westtown Friends and Wyomissing two other Keystone State teams, were second and third. Lake Forest was withing striking distance of these two rivals and might well have finished second if Jim Blades had the services of Wilson

Fry, the sidelined senior ace distance runner.

Louis Thomas was 11th to win his third trophy in three invitational meets this campaign. The lanky senior has quite a collection, as he ends his four years of track and cross-country.

Bill Mitchell was 17th with a clocking of 17.15 for a very hilly, near three mile course. Big Lou did 16.49.

Doug Caskey, who was ranked No. 6 at the start of the season, continues to train hard and compete hard. Doug negotiated the tough course near the Pennsylvania border in 17.46 to push teammates

Maurice Coverdale and Joe Custis back a notch each. Doug may be a better hill runner than he is on the flatter, downstate courses.

Jay Howerin and Sam Lamphier ran well for the varsity Spartans.

Freshman first-year harrier, Terry Caskey, turned in what may be his best

effort yet as he led the Spartan Jayvees to a high finish in a 21-team junior varsity race. His 18.59 time was the seventh best local clocking of the 14 who ran in the meet which featured athletes from Pennsylvania, Delaware, New Jersey, Maryland and the District of Columbia.

Other Jayvees to run well were Randy Ramirez, John Green, Bob Aycoth, John Veith and Larry Guesford.

800 boys and girls ran in the seven races which included a race for girls and another for freshmen.

Woodbridge Harriers Defeat Lake Forest

By Keith S. Burgess
Bill Degnan's resurgent Woodbridge runners de-

feated Lake Forest, 23-35 at Killen's Pond State Park Monday afternoon.

The Blue Raiders were sky-high for the meet, while Jim Blades' Spartans turned in their first poor or flat performance this fall. Earlier we had written that it was impossible to get a high school team "up" for every outing. That was the occasion of Woodbridge's surprising defeat at Caesar Rodney. Monday, it was Lake Forest's turn to be "down."

Rob Heinz led Woodbridge with an excellent clocking of 15 minutes for 2.7/10 miles, part of it into a stiff breeze. Spartan Louis Thomas was next with 15.06. Thomas had earlier established himself as the Henlopen

Conference's No. 1 contender by outrunning the loop's best at Salisbury. Now it appears that the league individual title could be won by several harriers from Woodbridge, Lake Forest, Caesar Rodney, Sussex Central and Laurel.

George Williams was third in 15.09 with Spartan Billy Mitchell in fourth. Curt Brown and Chris James of Woodbridge were next. Joe Custis of Lake Forest was seventh and ran No. 3 for his team for the first time. Joe Wilson and Jay Mervine then crossed the line to give the Raiders the meet. Woodbridge is 2-1, Lake Forest slips to 1-1. The Spartans were 10-0 in dual meets in 1977.

LF Field Hockey

Spartans Defeat Seaford 1 - 0

A corner shot by Laura Newnom was good for the winning goal as the Spartan field hockey team handed Seaford their first loss of the season. The goal, coming mid-way through the second half of play, was the only score of the game. Lake Forest goalie Beth Hughes, was credited with five blocked shots. The Spartans now stand 2-2-1 in conference play.

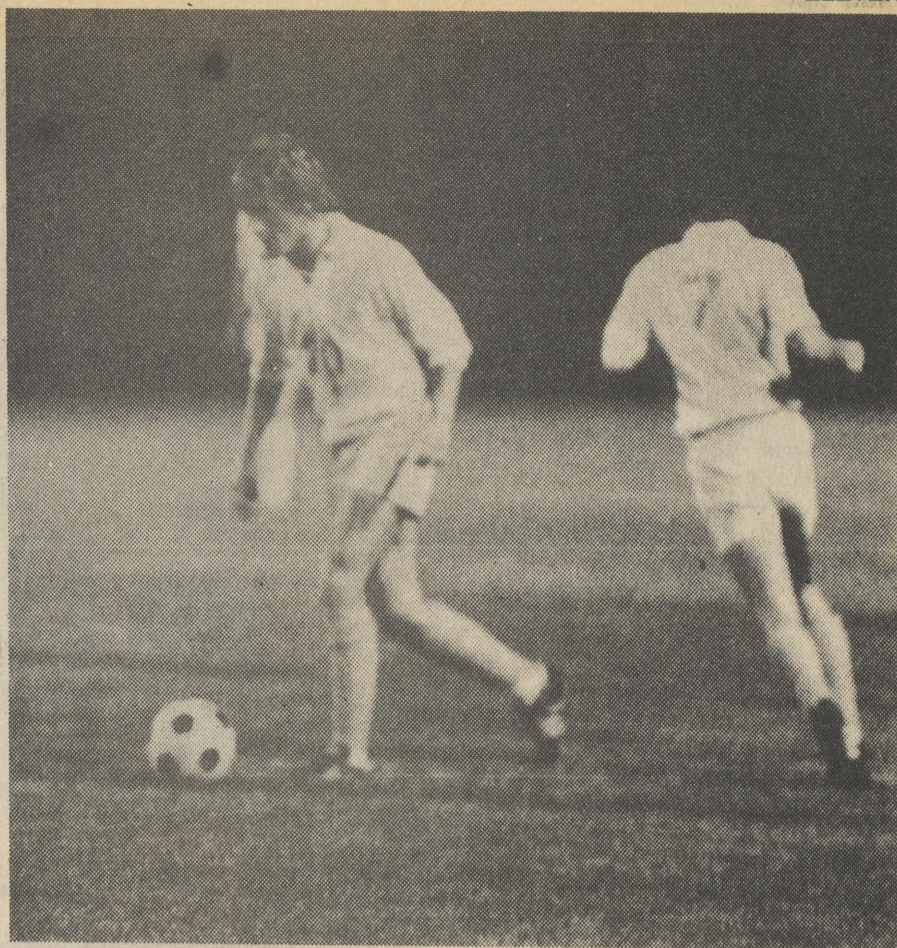

(Student Activities Director) about it." She feels the lighting is adequate and that field markers pose no problem as to interference with the ball. To her knowledge there has never been a night hockey game played in the state. "It would be good for field hockey," she added.

Lake Forest's coach Pat Dyal praised her team's defensive efforts in the close game. She feels they made a real effort to improve, probably spurned on by the frustration of being unable to score in their two previous games. "They're hustling more," she added.

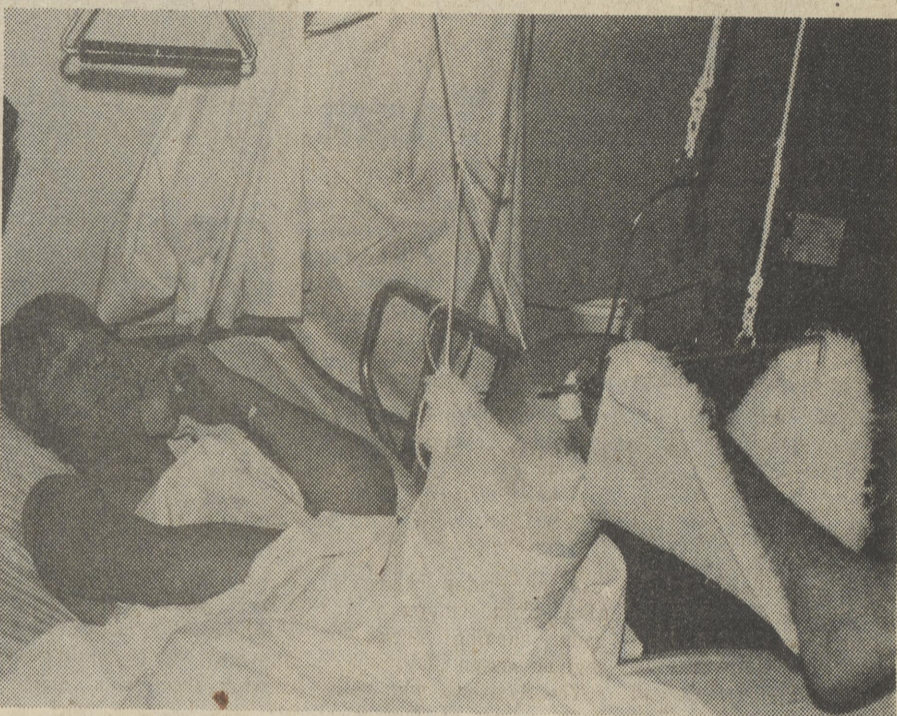

Asked whether there is any possibility of playing a hockey game under the lights, Dyal replied that she has given it some thought and is planning "to ask Dave Adams

Woodbridge Football Con't.

Kevin Satterfield gets ready to set the ball in a scoring position.

Scott Harter, Laurel fullback, relaxes after undergoing knee surgery for a football injury.

Those show recently at the retirement party for Herman Schultze, who stepped down after 30 as Sec.-Treas. of the St. Johnston Cemetery Assoc. Pictured left to right are, Pres. Nelson W. Meredith, Schultze, Gerald Pearson, incoming Sec.-Treas. and Alva Lloyd, vice president.

Harrington Sunshine 4-H club window display which appeared in the window at L & D Electronics was placed there in honor of National 4-H Week.

Lake Forest South students are now able to eat breakfast at school. Fifty-five students were served the first day of the program. [See story on page one.]

School Menus

LAKE FOREST
Monday, Oct. 16 - Tuna boats, lettuce & tomato, orange wedges, sugar scones.
Tuesday, Oct. 17 - Roast beef 'n' gravy, whipped potatoes, garden peas, jello jewels.
Wednesday, Oct. 18 - Lasagna, popoye salad, applesauce, hot roll.
Thursday, Oct. 19 - Tacos, shredded lettuce & tomato, buttered corn, cheese biscuit.
Friday, Oct. 20 - Delmarvelous subs, lettuce & tomatoes, chips, golden peaches.

WOODBRIDGE
Monday, Oct. 16 - Cheese steak sand., french fries, orange juice, ice cream or fruit, milk.
Tuesday, Oct. 17 - Meat loaf, mashed potatoes w/gravy, buttered corn, hot rolls, chocolate pudding, milk.
Wednesday, Oct. 18 - Seaburger, macaroni & cheese, buttered peas, lemon tart, milk.
Thursday, Oct. 19 - Chicken salad on roll, potato rounds, french salad, cranberry sauce, wacky cake, milk.
Friday, Oct. 20 - Submarine, veg. beef soup, corn chips, ice cream or fruit, milk.

KENT VO TECH
Monday, Oct. 16 - Creamed beef on toast, potato tots, creamy cole slaw, sliced pineapple.
Tuesday, Oct. 17 - Baked ham, candied sweet potatoes, buttered corn, bread, gingerbread w/topping.
Wednesday, Oct. 18 - Spaghetti w/meat sauce, cut green beans, tossed salad, french bread, chilled grapefruit.
Thursday, Oct. 19 - Tuna fish sandwich, baked macaroni & cheese, carrot & celery sticks, fruit jello.
Friday, Oct. 20 - Hot turkey sand., mashed potatoes, buttered peas, cranberry sauce, chilled pears.

SUSSEX VO TECH
Monday, Oct. 16 - Swedish meat balls, buttered noodles, mixed vegetables, salad, assorted desserts, bread, milk.
Tuesday, Oct. 17 - Baked ham, scalloped potatoes, buttered peas, salad, assorted desserts, bread, milk.
Wednesday, Oct. 18 - Hamburger-macaroni casserole, green beans, salad, assorted desserts, bread, milk.
Thursday, Oct. 19 - Veal cutlet w/gravy, mashed potatoes, cole slaw, assorted desserts, bread, milk.
Friday, Oct. 20 - Vegetable soup, cold meat sandwich, salad, assorted desserts, milk.

Salisbury Invitational

Con't

dozen times and could very well be the next superstar here, unless Maurice Coverdale beats him to it. But we've room for two such here.

Robby Manaraze of Frederica wasn't far back (19.37). He was labeled a can't-miss future star last fall. He's done nothing to change anyone's mind on that score. Derrick Chodkiewicz, the Bowers Bomber, has been coming on like gangbusters lately, as has Tony Scott, a newcomer

to top five ranking. Jerry Mosely is on the comeback trail. Kenny Kline, newcomer Kevin Flamer, Tony Smith, Bob Smith, Mike Grogan, Mark Moreau, Melvin Coston, Pryoot "King" Size ran very well. Manaraze, Bob Smith, Moreau, Coston and Size are tiny fellows, around 4 feet, 8 inches or smaller, weighing around 80 pounds. It's fun to see them outrun a number of six-footers over the three mile long grind.

Smith. "Our best game of the season."

Later in the week against Milford, the Raiders suffered a 1-0 defeat in a closely matched game. The one goal of

the game came fifteen minutes into the first half. "We had a number of opportunities to score, but couldn't," explained Smith. But she was "very satisfied" with her team's play. "They've really

jelled," she added.

Several changes in position may have put a spark in the Woodbridge offense. Claire Betze and Jenny Davis were moved from forward to link and Christine Spady was moved up from the junior varsity team.

According to Smith, the key to the last two games has been the teamwork of Claire Betze, Jenny Davis and Delphine Cannon as links and center halfback. "They've kept us on attack rather than playing defensively as we had been."

Woodbridge now stands 1-4-1 in the conference.

The Famous Adios Harry

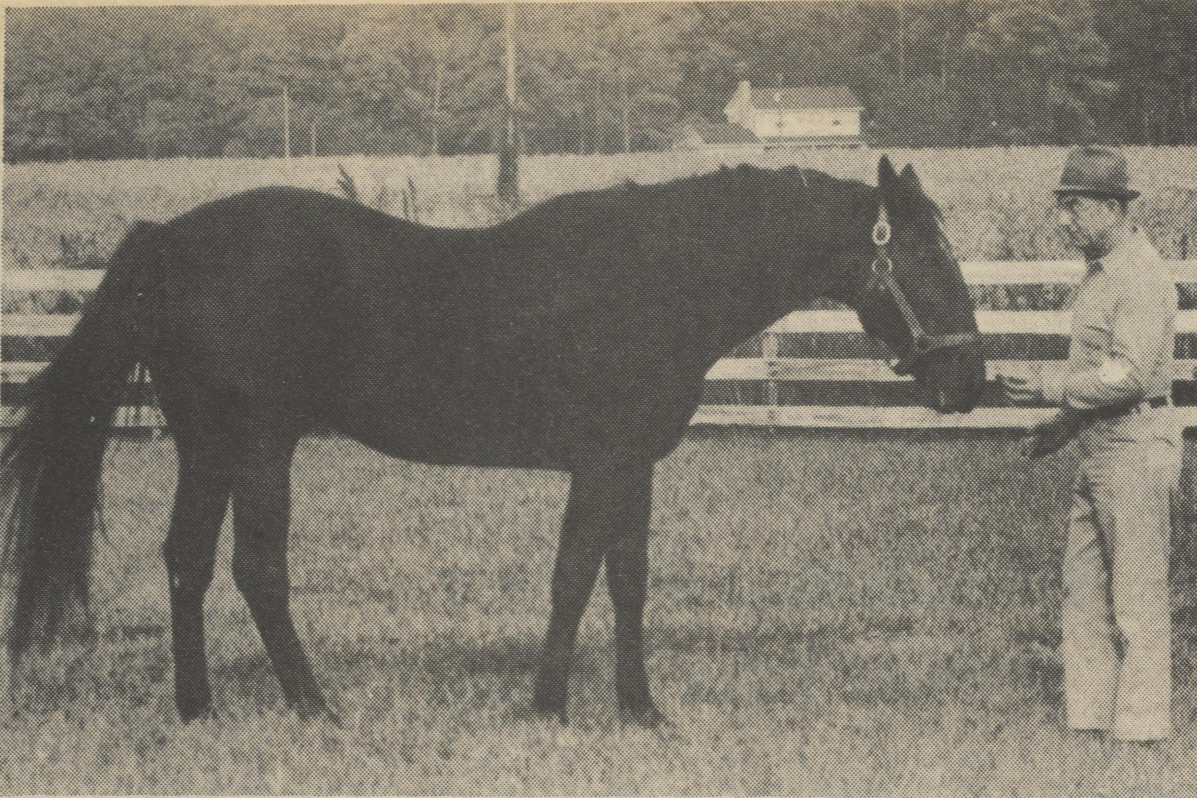

Adios Harry, one of the fastest pacers in history, leads a quiet, content retired life on the farm of his owner and former trainer, Luther H. Lyons. Harry, who will be 28 years old on Jan. 29, is in peak physical condition, looking exceptionally sound for a horse his age. He remains the muscular stallion so well remembered for his superior performances on tracks all over the country.

Harry was one of those rare and lucky finds horsemen usually only dream about. Bought as a yearling at the Harrisburg sale by Lyon's father, J. Howard Lyons, Harry never proved himself until 2 years later, when as a three year old he won the Little Brown Jug. He went on to set track records from Florida to Canada and from California to the East Coast. At least one record

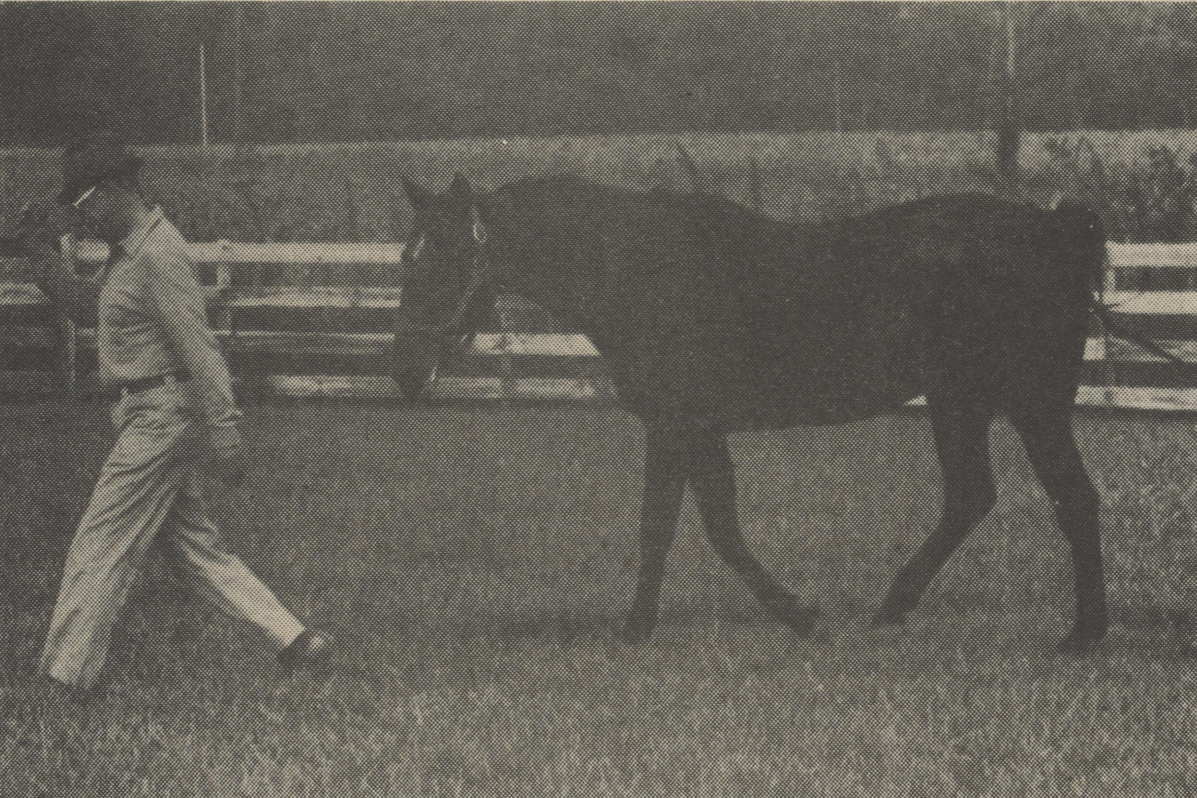

still stands, a mark of 1:55 set in 1955 at Vernon Down, N.Y., fastest pace on a 3/4 mile track. He won innumerable stake races in his six year career, including the International Pace at Yonkers Raceway in 1956. Trainer and driver for much of his career was Luther H. Lyons.

When it became apparent to Lyons that Harry had attained his potential and would have difficulty maintaining consistent performance at that level, he retired the stallion for breeding purposes. Harry was stabled at Sugar Hill Farms, which was owned at that time by the Lyons, where he serviced as many as 75 to 100 mares each year. Of his progeny, 16 are holders of 2:00 or better marks.

Adios Harry is the son of Adios, one of the greatest standardbred stallions, and Helen Win.

Adios Harry, at 27, is still the same well-muscled stallion who broke track records across the country. His owner, Luther H. Lyons, treats the famous Harry to an apple.

Follow the leader? Lyons and Harry stroll back to paddock after posing for photographs.

The "Starting" Team

Holsen, Moore and Brennaman are a team. The trio has the responsibility for starting each race at all three Delaware harness tracks. Holsen and Moore have been together for three years, Dick Holsen as official starter, Whitey Moore as driver of the starting gate. They were joined last year by John Brennaman who is in the process of earning his licensure.

Holsen, who lives in Georgetown, has been around harness horses for a long while, his father having been an owner and driver. However, it wasn't until after leaving the service following World War II that he became involved in the sport. Then it was by building a primitive mobile starting gate. By joining together lengths of pipe and mounting them on a pick-up truck, Holsen and two friends became manufacturers of one of the few mobile gates around. The gate, which could accommodate five horses was in demand at tracks on the fair circuit. Holsen has been in the "starting" business ever since, although the refined equipment he owns today is a far cry from that early model.

His friend Whitey Moore, who also operates a used car lot in Dover, has been driving the starting gate for three years. Moore's interest in harness racing began ten or fifteen years ago, but having been a farm boy, he has been around horses all his life. To perpetuate the Moore name in

harness circles, his son, also Whitey, recently became one of the youngest licensed harness drivers in the country. The younger Moore, a junior at Kent County Vocational-Technical school, has driven horses at Brandywine, Ocean Downs and Harrington. He is the sole owner of one horse and owns another in partnership.

Apprentice John Brennaman, who lives in Dover, is a former harness horse owner, trainer and driver, a thirty year veteran of the sport. Friendship with Holsen and an interest in the operation of the gate led Brennaman to apply for a starter's license with the United States Trotting Association. His apprenticeship, which has been approximately a year in length will end shortly. In the meantime, he is undergoing periodic evaluation by Holsen and the presiding judge. While he was "nervous at first" he feels comfortable now with the starter's responsibilities.

New Barber In Town

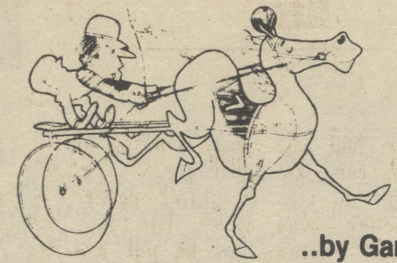

Harrington seems to be buzzing with new business as still another shop - Bob's Barber Shop - opened last week. Located at 24 Commerce St., the building was formerly occupied by Ormand Hobbs, Harrington barber for 52 years.

Taking Mr. Hobbs' place is Bob Pardee, a native of Dover who grew up in Frederica and who

for the past 10 years has been a Harrington resident. Pardee owns an 80 acre farm west of town. He and his wife, Betty, have four children, Donna, 13, Susan, 10, Michael, 8, and Wendy, 5.

Pardee is a graduate of Salisbury Barber School. Until purchasing the Harrington Shop, he was a stylist at House of Hair in Camden, cutting both men's and women's hair. Prior to that he worked at the Rodney Village Barber Shop. He cuts traditional as well as the latest styles for men's, women's, men, women and children. Rates are \$2.75 for a regular cut, \$3.50 for a mod. Hours are 8 a.m. to 6 p.m. Tuesday through Friday and from 7 to noon on Saturday.

SULKY HIGHLIGHTS

..by Gary Simpson

I started to title this week's story as "The Felton Flash Takes Four," but then someone reminded me that Harold Frazier didn't actually reside in Felton, but rather, grew up around the Canterbury-Viola area. Perhaps I should go with "The Canterbury Kid Scores Four."

The reason for all the hoopla in the first place is because Frazier drove four winners this past Saturday night at Harrington. This brought his win record up to 16 and his UDRS percentage up to .431. He now stands as the leading Dash Driver with twice as many wins as his nearest competitor.

Frazier was the leading Dash Driver at the completion of the 1977 Fall Meet and looks as if he'll be hard to overtake again this year.

Charlie Laws of Townsend, Del. continues to lead in the UDRS Championship and will be another tough one to knock out of the top spot in that category. Laws currently holds a .506 percentage and has been at the top of the list all this fall. It'll be interesting to

see if Frazier can give Laws a battle in this category and become a double winner. I can't remember one driver holding both Championships at Harrington in the recent past.

A local horse that you should keep your eyes on in the next couple of years is Luther Lyons' and Russel Kirby's 3-yr-old Time To Call. This gelding by Tarport Neil out of Timely Rose seems to like Harrington's track. In September he lowered his 1978 record to 2:04 3/5 and Saturday night he came back to take a new lifetime record in 2:03 4/5 - the fastest time of the weekend. If he keeps going in this same pattern he'll be a top contender in the years ahead. Incidentally... Frazier put the new record on Time To Call.

I hope all those who came to the races on Sunday and who are loyal fans of Art Thorne stayed around until the last race of the night. Thorne brought Penny's Wunderbar home to the tune of \$44.80 for each two dollar wagered. Picking Penny's Wunderbar with Dirigo Land in the Exacta paid \$1,066.80. If I had only....

Infield Is Burial Place For Distinctive Horses

Several horses lie buried in the infield of the track at Harrington Raceway. Among them is My Scott who died October 4, 1950, as the result of a four-horse pile-up at Yonkers Raceway in New York. According to his driver, Paul Vinyard, the black pacer stallion was second on the rail when he took a misstep falling to the turf, and causing the three horses behind to fall. All but My Scott pounced up immediately. The drivers suffered cuts

and bruises; none was seriously hurt. My Scott, however, had broken a leg and although his owner Reese Harrington had instructed his groom to do everything possible to save him, the gallant horse had to be destroyed.

My Scott, affectionately known as "Scotty" was considered one of the finest horses on the peninsula. Sired by His Majesty out of Black Maria, he had a lifetime mark of 2:06 1/2 and unofficial times of 2:04 1/4 and 2:04.

My Scott, affectionately known as "Scotty" was considered one of the finest horses on the peninsula. Sired by His Majesty out of Black Maria, he had a lifetime mark of 2:06 1/2 and unofficial times of 2:04 1/4 and 2:04.

Pit Chatter

By Harry G. Farrow, Jr.

Larry Tucker had the kingpin in his car jam and couldn't get it out. Lawrence Tucker was talking of his racing days years ago when he used to race against Norris Reed. He stated that things are much better now ... equipment wise. Lawrence said that he used to race the old Myer's horse track. Back then they ran 37 or 38 Ford coupes. They used to hop them up. Of course he feels that then is when they built things to last.

Clifford Todd was talking about the surface at Ocean Downs and felt it definitely needed a different surface. His steering still isn't right in his car. Todd said that this winter they will strip the car down. He will stay with modified cars for a while yet.

James Goslee, Jimmy's dad, said that the dust and dirt at Ocean Downs was upsetting. He was

busy working on his son's timing chain...it wouldn't retard or advance. He then explained how he put a button on the end of the cam shaft to keep it from, as he said, "walking." They were a long time in correcting the problem with the new engine's oil pump. James said that they finally took the oil pump from the old engine and put that in the car and it finally did the trick.

Louis Littleton liked Ocean Downs better than Harrington because the turns were long and sweeping and he felt you could get into them pretty good. Said he ran the high groove because the low one was muddy and would pull you right into the guard rail. Said he was running a 538 with a 4 speed and short tires.

Mike Hager was running an automatic transmission and felt it had quicker

response.

Ed Pettyjohn was running a 454 Chevy and said it was a good dependable engine.

Calvin Musser pulled his engine out and changed the clutch and pressure plate because the clutch blew apart in practice. Took at least 1/2 hr. Said the pressure plate he put in wasn't good so he wouldn't run the car anymore that night.

Buddie Mull said that last Saturday night was the first night he really ran good. Figured he had rear end problems and now thinks it is the bell housing. Felt he caused the pile up when his transmission snapped and he just stopped. He is going to take everything off and put it on a new frame. They plan to build a late model and a modified for next year.

Dave Kelly said he likes to finish his races and it

upsets him when he can't. Dave said he lost a good engine when his crank shaft blew. He feels he has had numerous problems with his engines this past year. Kelly felt like many of the other drivers did up at Syracuse, that it required a bit of luck to draw a good number for the time trials and the time of day had a lot to do with how you ran. He stated that the track up there was much like a roller coaster, especially the straightaway. He probably will not go up again unless someone else pays the bill. "It's just too much to compete with the guys who have tons of money," stated Kelly.

Richard Jarvis, driver of #680, has one of Ed Pettyjohn's motors that was built last year, in his car. His crew changed the cam about 3 weeks ago, but not because it needed it but he wanted to see if it would run differently. Jarvis stated that when Pettyjohn builds a motor it really holds together. Richard had spun out in the heat race at Ocean Downs.

HORSES OF A DIFFERENT KIND AT OCEAN DOWNS

Donnie Josephs said he has had a lot of bad luck with transmission and rear. He changed to a Ford transmission after using a Chevy transmission. During the heat race he had to change tires because he couldn't get enough bite. During the winter he plans to take the car apart and really go over it.

Ron Scott said he had to change tire pressures a little bit but everything was the same as it was. He talked of the bottom groove and that he couldn't stay in it. Said that most of the starters burn up because the header tubes wrap around the starter and it's been causing problems, the next thing he wants to settle is the dirt problem and feels that this will solve the starting problem.

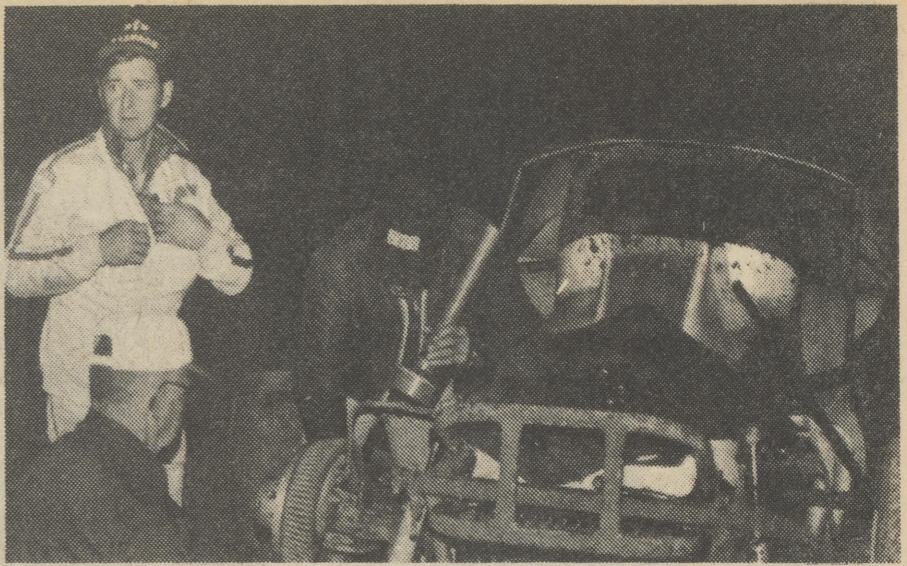

Richard Jarvis didn't like the dust, feels it needed more clay.

Earl Crosswell had an automatic transmission put in. He feels that the advantage is the lighter weight, they are not more expensive when you

consider the clutch is \$500, is easier on the equipment because of the fluid cushion. He said they were braking a lot of input shafts on the transmission. He said it turns better "because you are not turning the fly wheel any more, you're turning a light clutch plate so the engine responds instantly." No drag to it at all. He said it isn't used too much yet because people are waiting to see how they hold up.

Mel Josephs took a good whack in his knee when he hit the inside rail and his floor boards split and they came into the car all splintered. The car needs a new shaft now. He said he was running real cool and had worked his way to the front of the pack when it happened. He said that it happened at Tassly, Virginia.

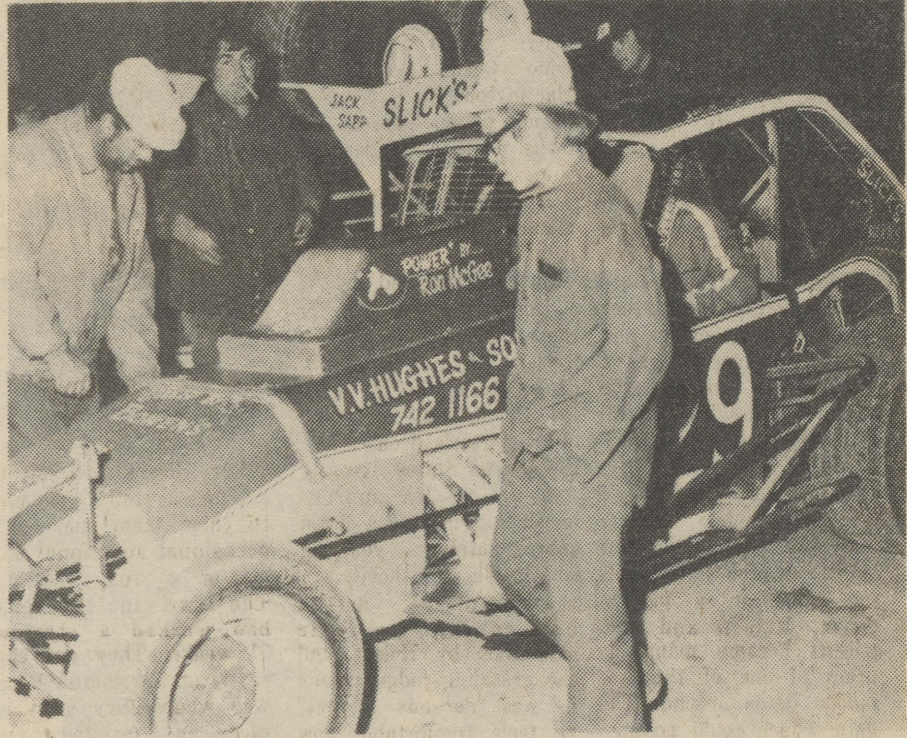

Bobbie Wilkins said he hit the inside guard rail and flipped. Felt it could be a nice place to run if they could make the surface better.

Larry Tucker (#15) takes a break while father, Lawrence, kneeling with back to camera and another mechanic look for the trouble in the front right wheel.

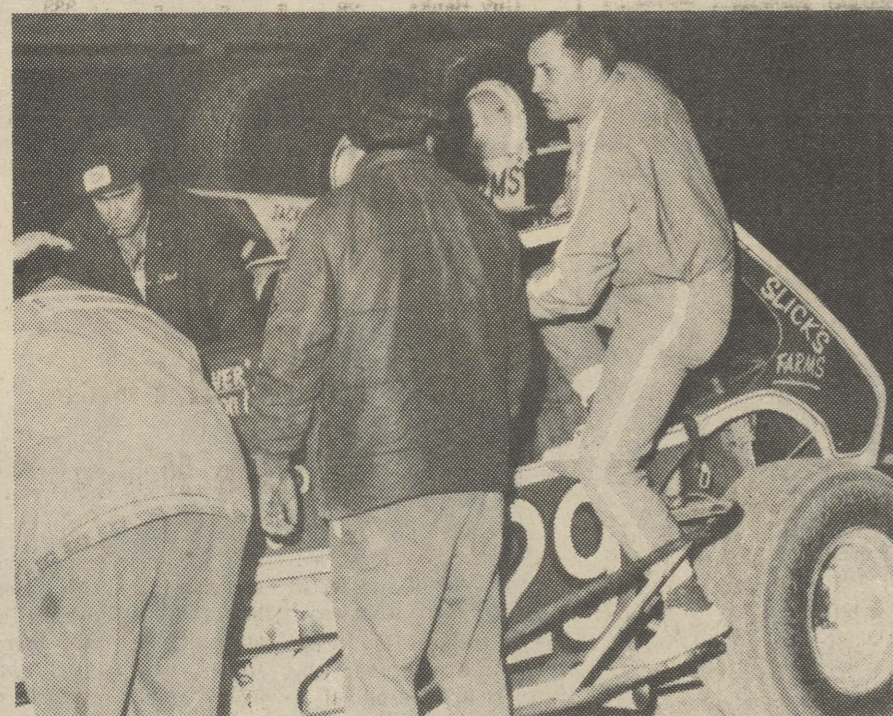

Dick Johnson gets closer look at his car (#69) following the pile up of cars on the fourth turn at Delmar on Sat. night.

George Adams inspects some damage to #29 driven by Jack Sapp during a pit stop for the veteran driver.

Bill Trice quietly goes to work on #33 of his son Gary. The Trices have had their share of problems this year. Bill Trice has been the busiest because he has two cars to look after...the #33 of Gary and T-33 of David.

Jack Sapp (#29) piles out of his car during a brief pit stop while George Adams, left with back to camera, begins to look for the problem. Sapp looks concerned.

Better Business Bureau Warns

WILMINGTON - "Be wary of anyone who comes to your door uninvited offering to inspect your heater or furnace," warned James E. Stalls, Jr. President of the Better Business Bureau of Delaware, Inc.

"With the cold winds of winter only around the corner, so are the 'heater inspectors'," said Stalls "those operators posing as heater inspectors suddenly

appear at your door and ask if the heater or furnace has recently been inspected."

If it hasn't, he volunteers to examine the equipment and then offers to service, repair or even replace it as needed. The unsuspecting recipient of such offers may find that the completed repairs were not needed or worse, that furnace problems

developed only after the repairman "inspected" the furnace.

The Bureau suggests that homeowners first check with the BBB before letting a 'heater inspector' into the house. Know who you are dealing with and it is always recommended to get two or more opinions or estimates for service.

Mel Joseph gets some first aid from his wife, Robin, at Ocean Downs Raceway on Friday night. His car (#49) spun into the inside guard rail shattering the rail, and pieces of the board came back inside the car. One piece hit Mel's right knee after it sheered off the gear shift.

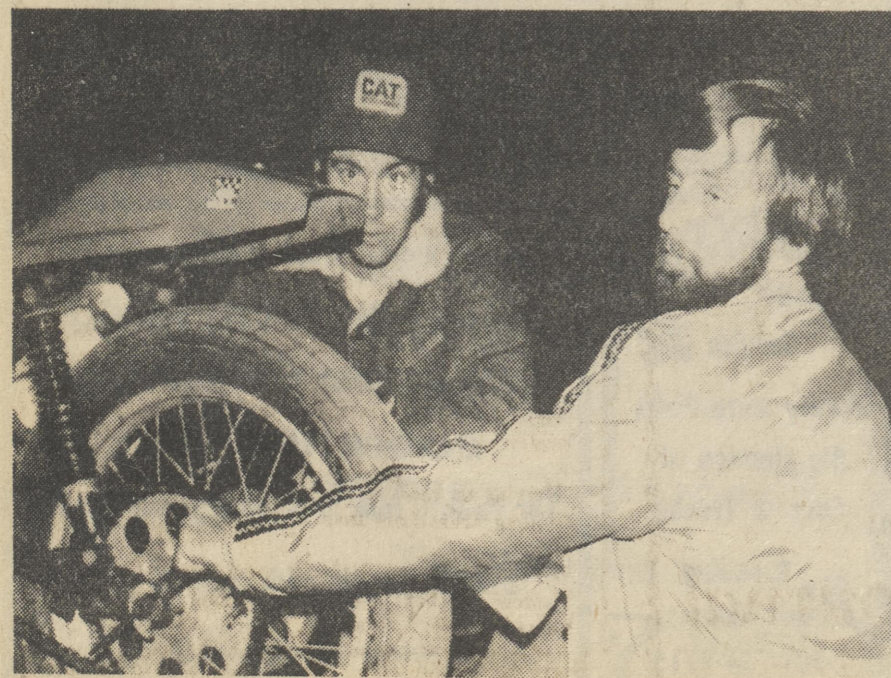

This is where one piece of wood splinter from the guard rail went through the Joseph car.

J.C. Webster of Salisbury, Md. definitely needed this double tow out of Delmar races last Saturday night.

Bobby Wilkins talks to The Harrington Journal publisher, Harry G. Farrow, Jr., on Friday night at Ocean Downs Raceway following the accident and flipping of his car. The Wilkins car hit the inside guard rail.

Paul and Dean Schmidt were very busy repairing the back brake.

Lincoln Speedway Motorcycle Pit Chatter

By Dianne Bauer

Dirk Adriaanse from Warren, New Jersey in 250 AM Class said his bike was running real good. Suzuki motor, champion frame, a typical flat track bike.

Jimmy and Jackie Eckman, Owens Mills, Maryland, ride a 125 and a 360 Yamaha, out of Norm's Motorcycle World in Dunsboro, Md. Actually it's the first time he has ridden a 125. Said he feels a little awkward on the bike. He has been to Hanover and this is the last place to run this season. He usually runs District 7. Jimmy has been racing short track for 4 months. He raced motor cross a long time ago and this short track is new to him and he feels he has a lot to learn about short track.

Tim Taylor comes from Motor Sport Center in Baltimore, Md. and rides a 360 KTM (the only one on the circuit). The bike is Austrian. He rides all over Maryland. It has a K and R frame and bolts keep working loose. They are still getting some bugs worked out of it, like frame problems. Then along came "Rising Star" from Randalstown who is a 125 B rider and said he is fast as anything at least he is in the same lap as the guy who rides in 1st place.

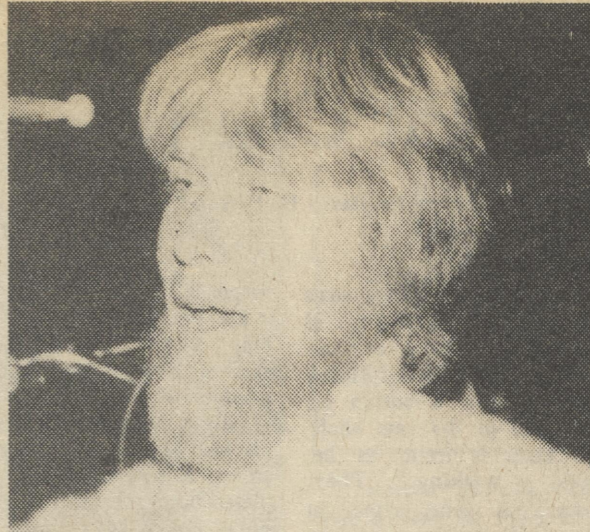

From Seabrook, Md., are Paul and Dean Schmidt who were busy working on the back brake of Dana Fitzmoore's bike. The rider is 19 and it's his first full year riding in races although they all ride street bikes and Dana has had 8 races. The frame is a stock frame not a racing frame. He worked his way up to expert in

one year and if he does anything in this field next year they will be looking for another bike, if the money holds up.

Finally met "Wolfman and his Racers" who travel to Delaware, Virginia, Maryland, Carolina and Ohio. Wolfman himself has raced as far west as California but hasn't been racing much now that he is handling the "Racers". He really knows his 80c's and said he has been working with kids for a long time. He really started working with kids in Boy Scouts. He did flat track racing himself and there was a kid who needed a ride to a race and it got him interested in helping kids who didn't have a way to the races. He now has 12 kids in

his group. He feels it is good exposure for the kids to get out and meet people and be with others of their age interested in the same thing. Wolfman said that a lot of times there are not enough in a class to make it competitive enough...but when they travel there are always enough in their class because they bring their class. They ride at the indoor at Tamonium.

The kids gave him the name Wolfman because of his beard. Now here goes an attempt on the Racers names, Ronnie Brawwater, Gregg Dinadio, Jeff Webber, Van Rittenhouse, Ray Smith, Doug, Roby and Ronnie Hendren. Wolfman is a Crane operator during the week and said he is doing real well with his job. His own 6 year old son also rides a bike. He and the Racers will be down next week with their own class.

Wolfman was down with his "Racers" this past week.

Al Francis from Little Ferry, N.J. a long ride down to Lincoln.

Two of "Wolfman's Racers" working frantically on a spark plug before going out on the track.

Jimmy and Jackie Eckman from Owings Mills, Md., at Lincoln Speedway.

Bill Groton, winner of the York Bracket Nationals, with his car at U.S. 13 Dragway in Delmar.

DRAG RESULTS DELMAR, DEL.

Super Pro

- Winner - Mike Passwaters, Seaford.
- Runner-up - Vernon Russell, Dover.
- Semi-finals - Alan Billings, Milford.
- Semi-finals - Steve Hitch, Vienna, Md.
- 1st Round losers - Henry Haygood, Salisbury
- Earl Kurtz, New Castle
- Bill Eason, Oxford, Md.
- Charles Danner, Dover

Pro Eliminator

- Winner - Sonny Johnson, Preston, Md.
- Runner-up - Eddie Gordy, Salisbury, Md.
- Semi-finals - Doug Milner, Greenwood
- Semi-finals - Matthew Bryan, Dover

Heavy Eliminator

- Winner - Sterling Clough, Crisfield, Md.
- Runner-up - John Henderson, Frederica
- Semi-finals - James Moyer, Atlantic, Va.
- Semi-finals - Butch Davis, Georgetown
- Semi-finals - Ronnie Bishop, Salisbury, Md.

Street Eliminator

- Winner - Jimmy Tennant, Cambridge, Md.
- Runner-up - Stan Conner, Marion, Md.
- Semi-finals - Terry Crannell, Cambridge, Md.
- Semi-finals - Charles DeHaven, Salisbury
- Semi-finals - Marvin Travis, Horntown, Va.

Pro Bike Eliminator

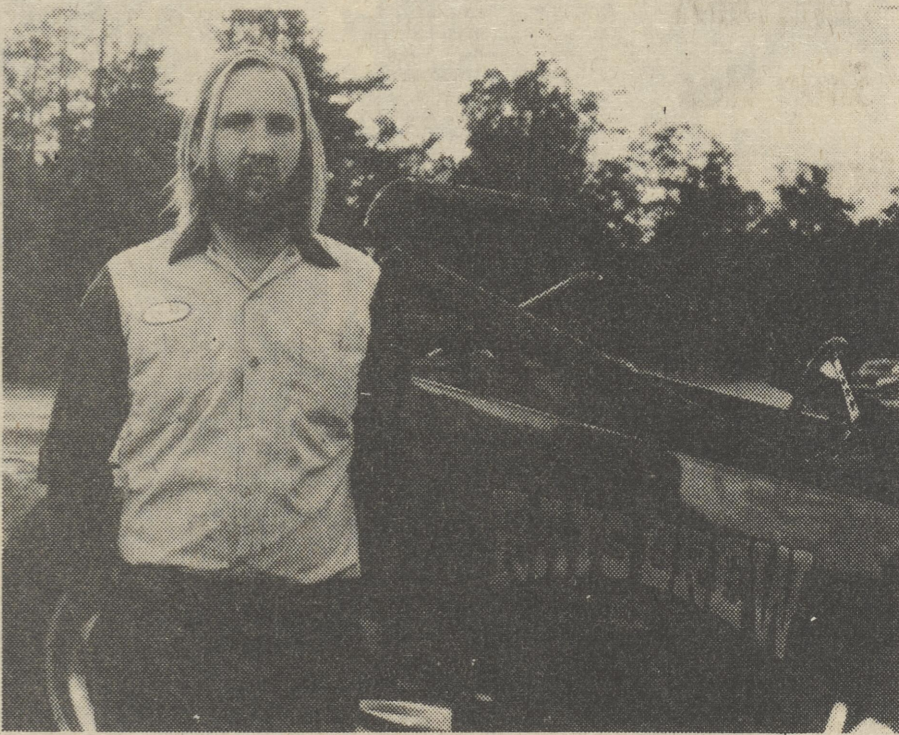

- Winner - James Stigall, Salisbury, Md.
- Runner-up - Otis Smith, Seaford

Bike Trophy

- Allen M. Spear, Cambridge, Md. - D1 Bike Trophy

Trophy Eliminator

- Brian Forester, Salisbury, Md. - won his H/T trophy class and went on to beat all the other class winners to win trophy eliminator.

Mike Passwaters of Seaford at U.S. 13 Dragway after winning, with his Ratsbrew II in the Super Pro Class.

Last Day To Register

Saturday, October 14th, is the last general voter registration day. You can register at your regular polling place from 10 a.m. until 7 p.m. If you are not

certain where your polling place is, contact the Department of Elections in your county. Kent - 678-4498; New Castle - 571-3464; Sussex - 856-5367.

Left to right, Randy Streett, Larry Severe, Robin Meyer, Tim Taylor. Back row, Nick Taylor, Bob Severe, all known as the Bellview Bombers, all live on Bellview Avenue.

Woodbridge School District

Mails Warning Notices

Approximately four weeks after each quarter marking period begins, students who are in danger of failing or who are failing at that time receive a warning notice from the teacher. These notices can be sent out at anytime a student's achievement falls below that which is expected. In grades K-8, the warning notices are sent home by the students and the copy is to be signed by the parent and returned to the teacher. In grades 9-12, the warning notices are sent to the student's home by mail and do not need to be returned. Parents wishing to have a conference concerning the student's progress should call the school or the teacher and a time will be arranged.

Take home dates for Elementary and Junior High School: October 4, December 12, February 23 and May 4.

Mailing dates for warning notices from Woodbridge High School: October 9, December 18, March 2 and May 11.

Armed Service News

The airman is a 1977 graduate of Caesar Rodney High School in Camden.

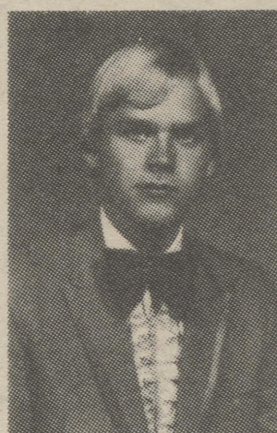

Stephen P. French
Marine Private Stephen P. French, son of Frances French of Bridgeville, has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

During the nine-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

He joined the Marine Corps in May 1978.

Harold Venable II, the son of Mr. and Mrs. Harold Venable of Millsboro, formerly of Farmington, has entered the U.S. Air Force. The 1978 graduate of Sussex Central High School started his basic training at Lackland Air Force Base, San Antonio, Texas.

Harold Venable II

Donna M. Caccia
Marine Private Donna M. Caccia, whose husband Thomas is the son of William and Ann Robinson

of Milford, has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

During the eight-week training cycle, she was introduced to the typical daily routine that she will experience during her enlistment, and studied the personal and professional standards traditionally exhibited by Marines.

She participated in an active physical conditioning program and gained proficiency in a variety of military skills including close order drill and first aid. Teamwork and self-discipline were emphasized throughout the training cycle.

She joined the Marine Corps in June 1978.

Sharon A. Provost
Airman Sharon A. Provost, daughter of retired Master Sergeant and Mrs. Ronald E. Provost of Woodside, has been assigned to Aberdeen Proving Grounds, Md., after completing Air Force basic training.

During the six weeks at Lackland AFB, Tex., the airman studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Provost will now receive specialized training in the aircraft equipment maintenance field.

Christmas Shop Has Great Year

REHOBOTH CONVENTION HALL - The All Saints Episcopal Church's Christmas Shop in Rehoboth Beach this past weekend attracted was believed to be the largest crowd ever. Last year's attendance was a record 3,000. The annual festive weekend is held by the Church in support of 8 charities which are: Rehoboth Air Foundation, Rehoboth Beach Vol. Fire Co., Children's Surf and Sand Mission, Hospital for Mentally Retarded, Cape Henlopen Social Center, Rehoboth Day Care Center, Meals on Wheel Program and Easter Seal Rehabilitation Center.

The affair started with a cocktail party and reception on Friday by invitation and donation kicked off the affair. Mrs. James Lewis, Chairperson of the show said, "...we are most grateful to our friends in Delaware, Pennsylvania, D.C. and Maryland who have supported this show again this year which will assist these 8 charities, which will benefit greatly from this year's shop."

The drawing winners were: Mrs. Kilburn LeCompte for handmade applewhite table; Christmas tree skirt by Mrs. Jay Wingate; Rose Medalion bow for Steve Rogers of Milford; a doll for Judy Bryan of Lewes and needle point purse as well as an afghan for Mary Warren.

Anti-Friction LIQUID SHAVE
 See Where You Are Shaving
KLEAR SHAVE
 LIQUID SHAVE
 NET WT. 1.7 OZ. (49.6 G)

One drop does it all!

KLEAR SHAVE sets up your razor for a clear, clean, comfortable shave. At last... a modern, convenient shaving preparation for men and women that eliminates messy creams, lathers and gels. Simply place one drop of KLEAR SHAVE on your razor blade and you're ready to shave... either wet or dry. Your razor glides over the skin with a clear view at all times of the shaved area and the area to be shaved.

Ideal for men who wear a moustache or beard... and women love it for underarms, legs and areas not covered by bikinis. Saves money too! One tube of KLEAR SHAVE can give you an average of six months of shaving satisfaction... and the after shave fragrance lingers on and on.

Change Your Shaving Habits Forever! Ask for KLEAR SHAVE at better stores everywhere.

STOP FIRES

FIRE PREVENTION WEEK OCTOBER 8-14

Map Out A Fire Exit Plan

- show approximate window, door, stair and hall locations
- mark out alternate escape routes
- each bedroom should have two planned exits
- designate an outside place for all to meet
- post your plan where all will see it and be reminded.

Plan A Home Fire Drill

If you have a well thought-out plan for escaping out of every room in your house, particularly the bedrooms, this may help keep down the panic that causes disaster when a fire occurs.
Hold a family meeting and go over your plan.
Assign someone to help the young and old in time of emergency.
Always crawl, do not stand up if smoke is detected in your home.
Explain the drill (1 or 2) and make sure everyone understands what to do.

Make Sure All Members Of The Family Understand And Know The Escape Plan.

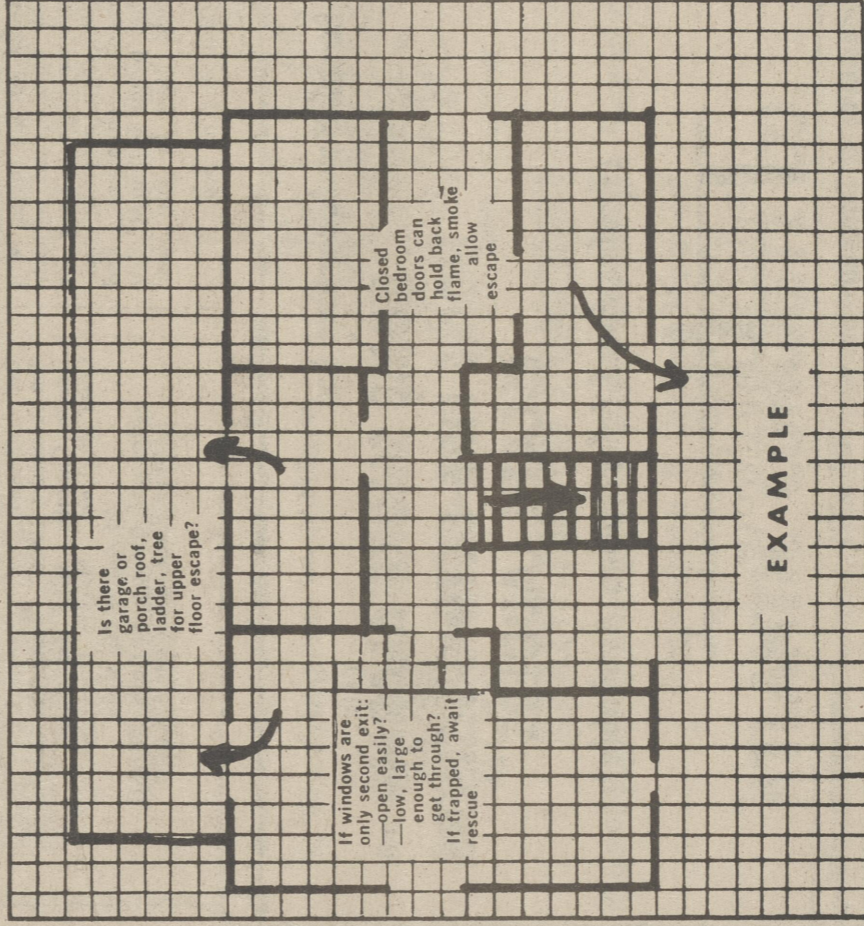

Drill Number 1

- A. Everyone goes to his bedroom
- B. Lie on bed, doors closed
- C. Sound alarm, horn, whistle, or shout
- D. Crawl to door and test for smoke and heat in hall by cracking door very slightly

- E. Hallway is clear
 - F. Exit through normal method, hallways to doors and outside
 - G. When everyone meets at designated spot outside, pretend to notify fire dept.
- (1) Method for reporting a fire at
- a. I am reporting a fire at
 - b. My name is

Drill Number 2

- A. Everyone go to bedroom
- B. Lie on bed, doors closed
- C. Sound alarm
- D. Crawl to door and test for smoke and heat in hall by cracking door very slightly
- E. Hallway is full of smoke and heat
- F. Crawl to emergency exit
- G. Open window and screen
- H. Proceed to designated meeting spot on lawn and pretend to notify fire dept.

EXAMPLE

How To Report An Emergency

1. Dial 678-9111 (Kent) 856-6306 (Sussex)
2. Give your full name and phone number.
3. State the exact nature of your emergency.
4. Give your complete address and directions from your local fire company or ambulance service.
BE BRIEF AND ACCURATE.

Fire Do's And Don't's

Before the Fire Starts:
 *Remove trash and stored items of outlived usefulness, particularly from the vicinity of furnaces and heaters and from hallways and exit areas.
 *Exercise care in the use of electricity. Do not overload electrical outlets with many appliances, use only appropriate fuses, and do not hang electrical cords over nails or run under carpets. Have cords replaced when they begin to fray or crack, and have electrical work done by competent electricians.
 *Do not store gasoline or flammable cleaners in glass containers, which can break, and avoid storing them inside the home. Do not keep more flammable liquids on hand than you really need.
 *To avoid the danger of spontaneous ignition, dispose of rags wet with oil, polishes or other flammable liquids in outdoor garbage cans.
 *Inspect your home and workplace often for these

detectors - con't

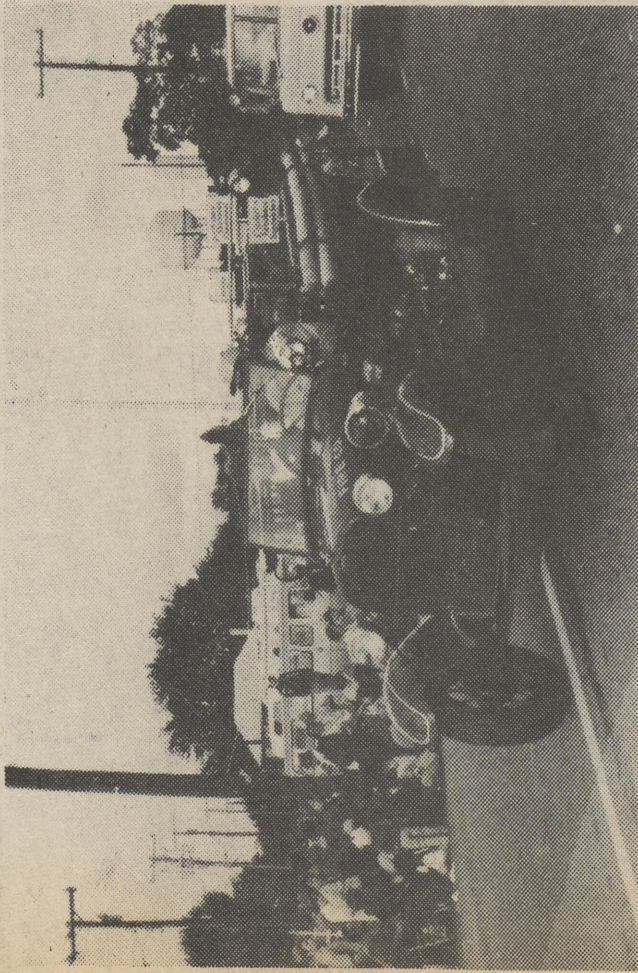

The detector should be placed on the ceiling close to the center of the room whenever possible as products of combustion tend to rise to the ceiling then flow out and down the walls.
 If there is radiant ceiling heating, the detector should be placed on the wall. If wall mounting is necessitated, the detector should be no closer than six and no further than 12 inches from the ceiling and at least two feet from any corner of the room. It is known that in the corners, there is an air space which smoke has difficulty in penetrating. The following locations should be avoided: the kitchen due to a lot of cooking activity which could trigger the alarm; the garage where particles of combustion from an automobile exhaust may cause unnecessary false alarms; directly in front of air registers, in the dead air space, and in attics due to extremes in temperature. (Heat detectors are better suited for the kitchen, garages and furnace room areas.) Many of the hundreds of alarm units on the market are not reliable. Only units with the Underwriters Laboratories (UL) or Factory Mutual (FM) seal of approval should be purchased for installation in the home.
 The purchase of a reliable (and relatively inexpensive) home fire detection and alarm unit or system may very well be the most important investment you ever make.

fire - con't

way out in thick smoke or thick smoke, or darkness.
 *Sleep with bedroom doors closed. In the event attempt to extinguish a fire, you will gain fire unless it is combined precious minutes to extinguishing equipment is equal to the task.
 *Learn how to extinguish common fires in roll over and over on the floor. Roll a person whose clothing is flaming will just fan proper portable extinguisher or even a handheld extinguisher or even a handheld extinguisher. Teach the proper procedures to your children.
 *Before opening your door when you suspect fire, feel the door with the back of your hand. If it is hot, don't open it. (or permit children to wear) loose, frilly garments. If smoke is at all of accidental contact under the door, stuff with a stove burner or bedding and clothing into the crack.
 *Exercise extreme care with smoking materials and matches, major causes of destructive fire. Do not leave these where children can reach them.
 *Invest in fire extinguishers, escape ladders, and most important, early warning (smoke or combustion) which, before it kills you, affects judgment, hampers escape.
 *If you see, smell or hear any hint of fire, evacuate the family immediately, but don't attempt a rescue through

home fires - con't

Know how to properly use an extinguisher. If you place the nozzle of the dry powder or CO2 extinguisher too close to the burning oil, you will "blow" the hot-flaming oil out of the pan and spread the fire. Stand back and "float" the extinguishing agent over the fire.
 If you have a fire in the oven or broiler - **TURN OFF THE OVEN OR BROILER - CLOSE THE DOOR AND KEEP IT CLOSED.** You have now successfully confined the fire in the oven or broiler which is designed to withstand high temperatures and is fire resistant. The fire is now under control and, because of the limited supply of air, should burn itself out.

How Hot Is The Water In Your House ?

A recent review of burn statistics from several hospitals has yielded some disturbing information related to burns in children. An ever increasing number of children are receiving very serious burns from hot tap water. Most of these burns are related to contacts with water in the bathtub.
 Further investigation has indicated that most, if not all, of these burns could have easily been prevented. Parents must be aware of the dangers related to hot tap water and take the simple, but necessary, precautions.
 Anytime a young child is being given a bath there must be an adult or competent older child in constant attendance. Leaving a child alone for only a few moments may result in a scald. The child plays with the faucets and may allow excess hot water to enter the tub and be severely burned as a result. This situation constitutes the cause of most of the hot tap-water burns.
 Parents, babysitters, or anyone responsible for the care of a child should remove the child from the bathtub whenever they must leave the room to answer the phone, see who is at the door, or attend to any other business. This simple action of moving the child from the hazard will prevent extremely serious burns and may prevent the death of the child.
 There are other actions which may be taken, such as lowering the temperature of the water heating equipment or installing a temperature regulated safety faucet. The lowering of the water temperature will have the added effect of reducing the danger of scalding in the bathtub.

Tom Parsons

The Major Cause Of Fire Is Human Failure....

By Louis J. Annabill
 One of the leading causes of home fires is the simple, everyday process of preparing food. A grease fire while frying fish or chicken, a pot that runs over, a roast left in the oven too long, a potholder or towel that catches fire as a pan is removed from the fire are all common causes of

What are the proper actions for you to take if a fire occurs while cooking?
 If you have a pan fire while frying - **TURN OFF THE STOVE** - then cover the pan with a lid to smother the fire; or use a dry powder or Carbon Dioxide (CO2) extinguisher. A handful of baking soda may also be used to extinguish the fire.
DO NOT USE WATER. Adding water will spread the fire by causing the flaming oil to spatter all over your kitchen. It will also overflow the pan and float the flaming oil over the stove and onto the floor.
 Attempting to move the pan from the stove may result in spilling the hot burning oil - and a fire which was controlled in a metal, fire resistant pan will become an inferno spread across your kitchen floor.

Early Warning Fire Detectors

By Louis J. Amahl
 The National Commission on Fire Prevention and Control "urged Americans to protect themselves and their families by installing approved early-warning fire detectors and alarms in their homes..."

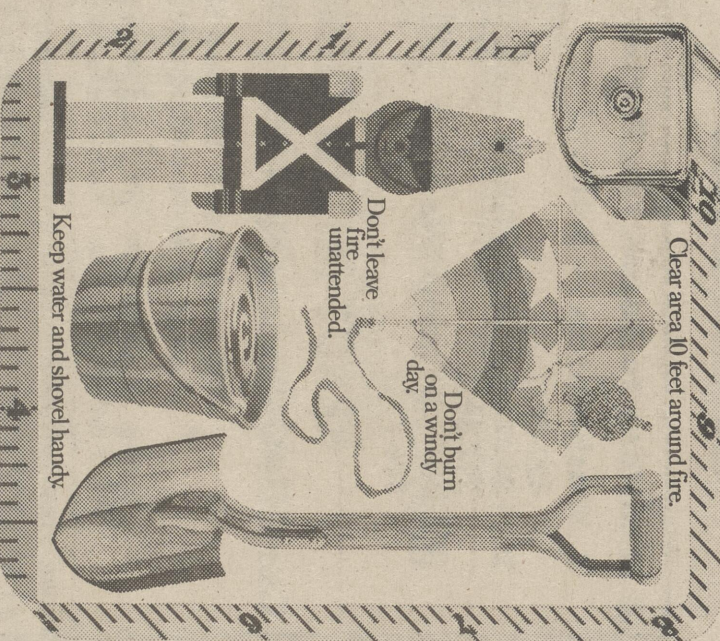

More than eight of every ten deaths by fire in residences occur during the nighttime sleeping hours. Most Americans believe that if a fire should occur at night, they would smell the smoke, wake-up and escape easily. Fire death statistics indicate otherwise. Every year thousands do not escape in time. Most are killed not by flame, but from smoke or toxic gases, generated by the fire—deaths which could have been avoided had they been alerted in time.

There are, on the market, approved devices designed to detect smoke or other products of combustion, not heat alone (which can be

detected only in a fire's advanced stage) and sound an alarm.

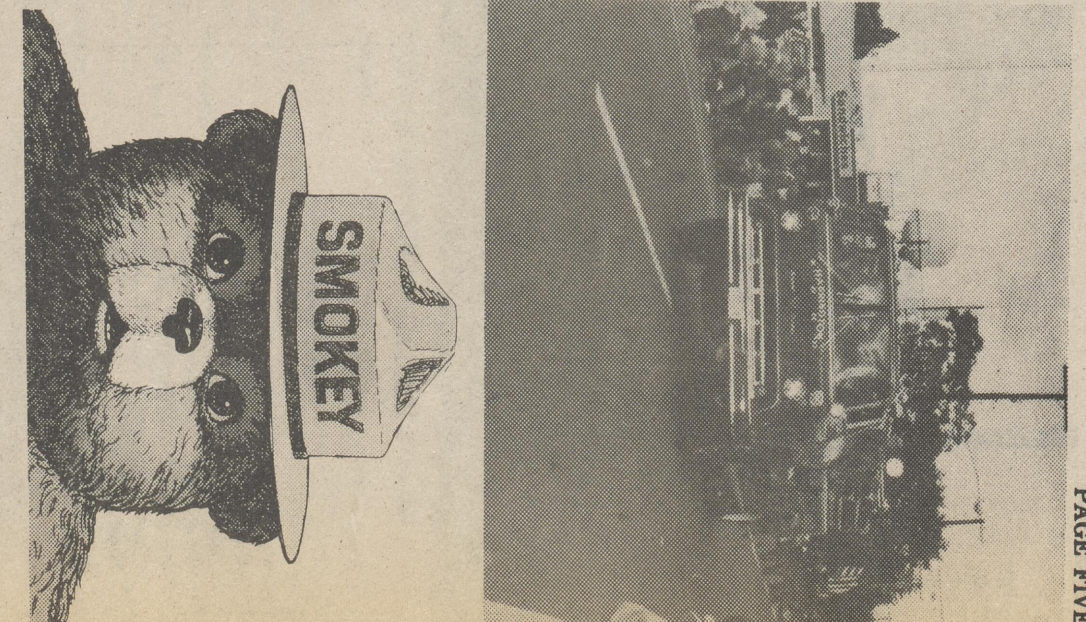

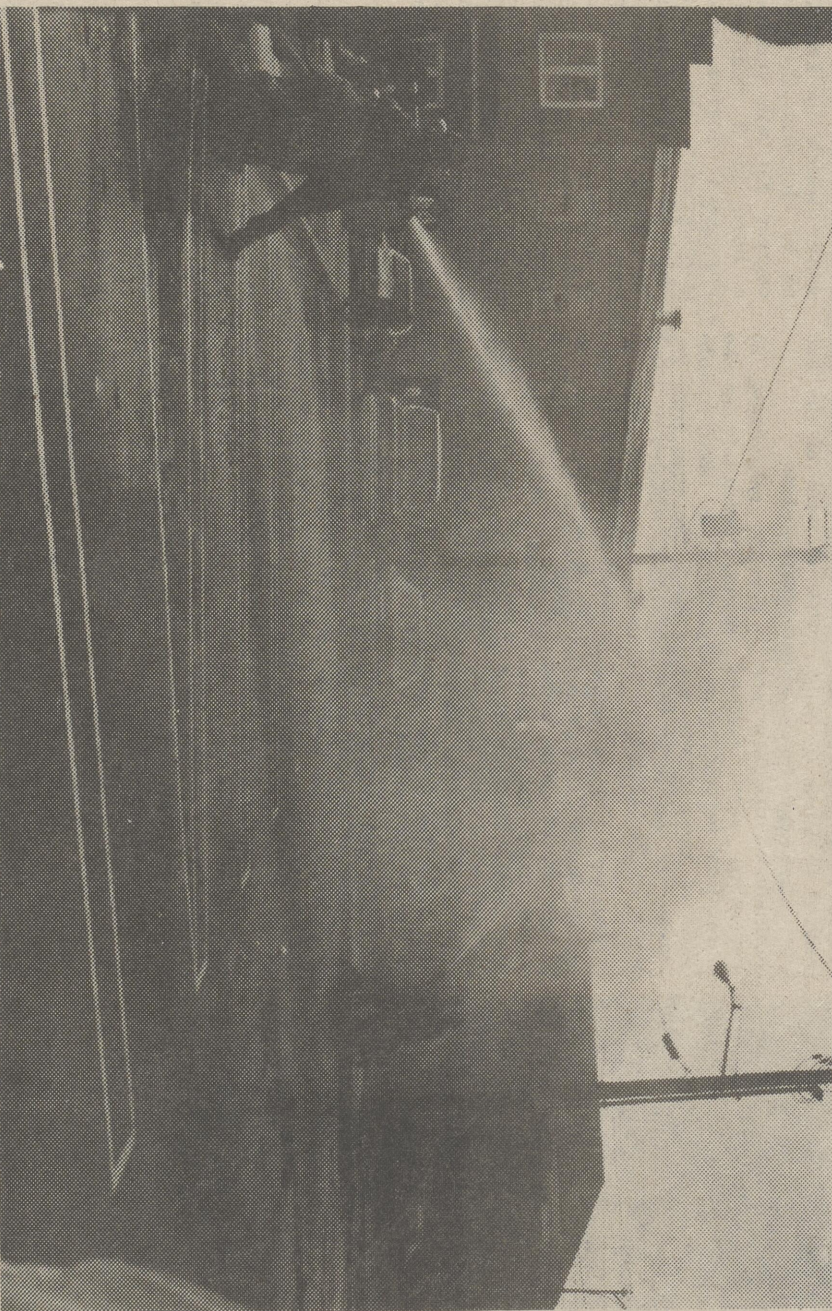

In order to be of value in providing life safety, a fire detector must be capable of detecting both a small, smoldering fire and a rapidly developing hot fire so that an alarm can be given and the building evacuated before conditions become untenable. Smoke detectors and ionization types provide means for detecting smoke from either type of fire.

Since most deaths occur during the sleeping hours, smoke detectors should be located outside the sleeping area so that everyone can hear the alarm. In a one story home, the best location would be in the hall leading to the sleeping area; in a two story home, the location would be at the top of the stairs nearest the sleeping area.
