## In Superior Court, hearings

### Examine murder evidence

A hearing to determine the admissibility of evidence in the state's case against William Henry Flamer and Andre Stanley Deputy, both accused in the murder of an elderly Harrington couple last February, began last week and was to continue this week.

Flamer and Deputy are accused in the stabbing death of Bayard and Alberta Smith who were Flamer's aunt and uncle. Both are charged with two counts of first-degree murder and with possession of a deadly weapon during the commission of a felony, robbery and felony theft.

At issue is whether or not police improperly seized evidence relating to the case. In the hearing before Judge William G. Bush, Public Defender Dennis A. Reardon is claiming that his clients constitutional rights were violated before and after they were arrested.

Reardon said state police searched their home, the Harrington residence of Florence Benson, Flamer's grandmother, without a warrant. That search turned up a bloody bayonet

alleged to have been the murder weapon and several items thought to have been stolen from the victim's home. These included a television set and window fan found in a kitchen closet and several blood-stained bags of frozen vegetables located in a refrigerator at the Benson home.

Reardon also questioned whether Flamer and Deputy were coerced into making damaging recorded statements while they were detained at Troop 5 headquarters in Bridgeville. State police detective Darl Chaffinch claimed both defendants were repeatedly informed of their constitutional right not to talk without a lawyer present. However, Reardon told the court no lawyer was on hand during the initial questioning. He said Deputy was searched illegally and that samples were scraped from under the defendants' fingernails without either their consent or a court order. Reardon wondered why Flamer and Deputy were kept in police custody overnight instead of being arraigned immediately in Magistrate Court once the court order had been signed.

At issue also is the admissibility as evidence of police tapes of the defendants' statements. Those statements admit the defendants' involvement in the double slaying, but tell conflicting stories.

In two of the tapes played for the Court last week, Deputy is recorded as saying the two went to the Smith residence about midnight on February 6 to get money for whiskey. He told the police they had been drinking since early morning. When Flamer's uncle Bayard Smith refused to loan the money, Deputy said his companion pulled out a knife and stabbed the elderly man ten times. According to Deputy, Mrs. Smith was pushed down on a couch and stabbed by Flamer as she pled for help to save her husband. Deputy claimed he ran from the house at that point and did not see Flamer until 30 minutes later.

Deputy went on to tell police he helped Flamer carry the blood-stained bags of vegetables and the other items taken from the Smith home. He said afterwards Flamer

On October 31st, Halloween night, the Quillen Shopping Center merchants hosted a costume contest. Winning the first place prize of a beautiful new bike, was Farmington's Keith Pettit pictured above. Keith was dressed as a werewolf. Winning the most original award were Shane, Travis and Jenni Heinicke of Harrington. The Heinickes came as playing cards. Prettiest costume went to Michelle Riggins of Houston. Michelle was a Raggedy Ann doll. Taking the award for the ugliest costume was Tammy Riggins who dressed as an "ugly".

### Felton raises water rates

When residents of Felton and the surrounding area get their December utility bills, they will notice a difference in dollars. Water rates are rising in Felton. Rates for in town customers will go up a total of \$1.00 per quarter. For out of town customers who get the service the jump will be \$1.50.

This is the first change in the water rates for about twenty years. According to Councilwoman Mary Ann Stumpf the new rates will bring a typical quarterly bill for water and trash service to around \$15 or \$16.

The new rates were set at a special meeting of the Felton Council on October 6.

**Simpson Lumber Gets Contract**  
It was also announced at Monday's regular meeting of the Felton Council that Simpson Lumber Company of Camden has been awarded the contract for restoring windows and doors on the old railroad station the town recently purchased. Simpson Lumber was the only area firm really capable of doing the mill-work required. First priority in the project which should begin soon are a bay window and door frame at the rear of the building. These need to be completed so that brickwork can be done and the station properly closed in.

**Salle Funds Arrive**

Mrs. Stumpf also told the Council that SALLE (State Aid To Local Law Enforcement) movies had arrived. According to Police Chief John Bartsch, the funds will be used for a

two-way radio to upgrade the communications system.

In other business the Felton Town Council

### Frederica filing deadline is today

Today, Wednesday, is the last day to file for candidacy in the Frederica town election. Election day is slated for November 26th, but there are potential problems looming on the horizon for town officials.

Originally, the Frederica election was scheduled for March 2, 1979 but it was ordered halted by the Chancery Court when K. Ross Wellwood and Edgar Russell sued the Town Council. They were contesting the legality of the Town's law that

required candidates to own property in Frederica. The Court held that the property law was unconstitutional and a new election was scheduled for November.

But that's not the only hot issue in the upcoming election. Also causing concern in the minds of many townspeople is the write in vote procedure and the possible problems that may result from abuse of the law's intent.

When the Chancery Court ruled on the land owner provision, they left

unanswered the issue of the legality of write in votes. Delaware state law maintains that write ins can be allowed only in contested elections. If Noone has registered to run, write ins could cause a major legal problem for Frederica.

Frederica charter actually prohibits a write in vote but the state laws remain unclear, vague and unanswered. The town may be in for another major legal hassle regardless of whether write ins are allowed or not.

### Sewing Tips:

The essential equipment needed for any sewing project, as well as that needed for advanced sewing need not be elaborate. The following items are helpful: cutting shears eight to ten inches long with a bent handle enabling you to cut fabric flat on a table. Never use shears for anything but cutting fabric and keep them sharp. Scissors should be six inches long for clipping threads, slashing, trimming and other cutting operations as you sew. Pins are less expensive if you buy them by the box and insist on good steel ones. Since it is easier to baste by using pins keep a box at the machine, cutting table and ironing board. A metal ruler with an adjustable slide for measuring button holes and hems, a yard stick for checking grain lines as you cut out the pattern and either a plastic or plastic coated tape measure. For convenience, be sure it is numbered from either end. A skirt marker and light colored tailor's chalk. A dress form is

a help in checking details as you sew. A steam or dry iron is a tremendous time saver and it is impossible to do really professional sewing without one.

The ironing board you use for family laundry can be used if you get an extra thick pad and cover to use. When you sew, your iron and ironing board are as important as your sewing machine or pattern. If you use steam you do not need a press cloth. Careful pressing is one of the secrets of professional dress makers who do a great deal of "sewing" at the ironing board so be sure to set up each time you begin to sew.

Anytime of the year is quilt making time and I have enrolled in a quilt making class at Singers in the Blue Hen Mall. In future articles I'll give you hints on quilt making.

## Gabfest

by Pat Hatfield

I am up very early this morning... by six o'clock, and I wish you could all drop in for a cup of coffee. What a gab fest we would have! Of course I may not finish this little chat today. I may have several conversations before this column goes to press. You all know this I'm sure, but the last column threw the editor, at The Leader. She could not understand how I said I was not getting dinner and then in a later paragraph said I was frying chicken. But my readers understand me...I write as I live, one day at a time.

On Wednesday mornings I join the Women's Bible Study and prayer group, and I find this inspirational and helpful in a practical way. I find I need a mid-week "shot in the arm" to help me remember my blessings.

Thanksgiving holidays are coming up soon. I missed something of this when I was a child. We were deeply grateful for the harvest, and we "put by" a great deal of food. Cured meats were in the smokehouse, pumpkins in the barn, sweet potatoes in the warmest place, the bedroom called the "kitchen stairs" and used only for storage. Bags of dried limas and soup beans and snow white bags of dried apples were hanging in the attic. Behind the barn in a dug-out filled with straw were white potatoes, apples and pears. In the dark closet under the stairs (spoken of in the family as the dungeon) the shelves were laden with canned peaches, preserves and jellies. We were careful of our harvest and grateful, too, but we just did not make a big holiday of Thanksgiving Day itself.

We went all out at Christmas with customs old and new. New Year's Day we did not make much of, except to joke a bit about the old saying that if your first visitor on New Year's Day is a man, good luck will follow. I had an uncle who used to go around the neighborhood calling on our friends and making sure he was their first caller, thereby assuring them of luck for the coming year! But our Philadelphia cousins observed New Year's Day in that city with a great deal of flair. Of course there was the Mummer's Parade and after attending that, the traditional dinner of Hoppin' John, or black-eyed peas and rice, originating, I believe, in the Old South. My mother always gave Cousin Harry sweet potatoes to take home after his summer vacation visit. One year we grew a mammoth sweet potato, five pounds, I think, and she gave that to the cousins. He assured Mother that he would make sure his New Year's Day dinner guests knew that this huge sweet potato had been grown by a Delaware farm woman.

## 4-H News

Through the magic of Sussex County 4-H creativity, scissors, glue and construction paper, a pumpkin can become anything in a 4-Hers imagination. And, imaginations ran wild as more than 80 members created pumpkins for the Link Pumpkin Decorating Contest.

Pumpkins disguised as Baltimore Orioles, Peacocks, Clowns, Pirates and Miss Peggy all vied for top honors in the contest. After the judging, pumpkins were delivered to local hospitals, nursing homes, and shut-ins as a countywide community service project.

Friday was a day of days. One to reflect. Invade the ever famous closet for last minute necessities. Even locked our Director Sabra in (she is so tiny). Not really lock her in but did close the door with her in there. A day to get the owls ready for completion, recall the bowling scores, enjoy our friends.

Elizabeth Anthony called Bingo and most everyone participated. Cute little bird houses all finished ready for sale.

Mrs. Judi's discussion about the Bible always brings interest and the singing inspires us all. The afternoon was swing your partners-doze-e-dopromanade your partners-oh, my, but Levi's and Lace surely gave us an afternoon of entertainment. The members were given instructions and performed first rate. Levi's and Lace members demonstrated several steps. They promised to come again which made all of us happy. Light refreshments finished the day on a joyful note.

Jolly Timers and Mens Chorus make us proud as do all our volunteers. Thank you again. The ceramic table is busy doing all the pretty things you will find at the Bazaar

November 16. Christmas stockings will be in great array - along with the trees and other goodies. Health Nurse was here giving flu shots. Never heard an ouch in the lot. Good Nurse - Good Patients!

Mr. Larry Krommer won the lighted scare crow - Norman Harris a box of chocolate covered cherries, a bag of "snickers" by Florence Fortney, and kittens by Florence Roe. Delicious refreshments, ice cream, donuts, devil's food cake, coffee, tea, apple juice and cranapple juice. Anna Mae, Mamie Adams put away Halloween articles and put out the Thanksgiving turkeys.

## In My Opinion

By Bruce Levy

The New York Times News Service reported a story last week that caught my eye. It seems that President Carter is having six wood burning stoves installed at the White House for the dubious purpose of "creating an awareness and promoting the concept."

Isn't that great? Mr. Carter is showing us the way to solvency over the winter. He is making clear the message of conservation of fossil fuel to the huddled masses, we who are waiting with nervous expectation our first heating oil bill of the season.

There's just one thing though, in politics there usually is, that makes Carter's stoves a little different. His are being "donated" by manufacturers of wood stoves, and his logs are coming free from the National Park Service. Does that make you feel better?

So when you get tired of paying \$400 a month to heat your trailer, and you go plunk down \$300 to buy a new wood stove, not to mention the whopping price you'll pay for firewood, think of Mr. Carter and try to get warm.

Mr. and Mrs. Biddes Green of Felton and daughter and son-in-law Mr. and Mrs. Wally Wooten spent last weekend in Lancaster, PA. When they returned home Sunday evening, Wally and Brenda's "Friends & Neighbors", greeted them with a "House-Warming" in their new home on their 7th wedding anniversary.

Mr. and Mrs. Edward Sharp of Dover were dinner guests of Mr. and Mrs. Rod Johnston and Mrs. Elizabeth Slaughter on Sunday.

Today is Wednesday, October 31, and I just learned that the Adult Senior Center is having a "Chicken Dinner" with all the trimmings at noon - sounds good. Why don't all you Senior Citizens come in and join with the chat - all of November will be devoted to Arts and Crafts - candle making and ceramics is on the agenda of course if you men don't care to join in those arts you can bring your partners and play cards or any kind of games available at the Center or bring your own. Get your cronies together and join the fun.

How about this - food is top most topic in Frederica because cooks are beautiful here and the food they prepare superb.

There will be a "Covered Dish Supper" at the Adult Senior Center located at S. Market and St. Agnes Streets the second Monday each month at 5 p.m. First Covered Dish will be Monday, November 12 at 5 p.m. Come bring a covered dish, meat and drink will be furnished. There will be cards and games following the supper and who knows what other entertainment might follow. I hope the Journal has been notified about activities prior to the editing of this news letter. From now on I will have some news from the center weekly.

Helen and Alice are really working very hard to promote nice programs but we would like for the Seniors to come on in and join us.

For those not receiving their flu

shots last week the State Nurse will be back to the Adult Center November 15 at 10:30 a.m.

Don't forget the breakfast for the Deer Hunters - November 9th and 10th at the Frederica Fire House. Serving from 3:00 a.m. to 7:30 a.m. The M.M. Breakfast Club are hoping to feed you well before the hunt and after - Donation \$2.00.

Trinity Church will have their Annual Fall Clam Fritters and Turkey Supper November 10, serving at 2:30 until - in the Church Dining Room.

Mr. Howard Jester (Duck) is home from the hospital. Our prayers are with all those ill or in need wherever they might be. May God Bless.

Mrs. Anne May Sharp and son Jesse visited with Mrs. Valleta Maloney Tuesday.

Octobers-bright blue weather will draw a close tonight. Hope the trick and treaters are kind to the dwellers and vice versa. We always have fun trying to guess before a little ole fellow pulls his mask off and says I am Tom Tucker, you know me.

November treat us kind - I can stand a lot of days like this week has been.

"55" more shopping days before Christmas. Happy Thanksgiving. Are you going to Grand Ma's House? Let me know, my phone is not doing me any good hanging on the wall. Put it in my hand, say hello Toby, I have some news for you.

I really slipped - not having children in school many times you forget what you have read or don't hear the school chatter. What a weekend - Homecoming for Lake Forest with a parade this year in Frederica Saturday.

Mr. and Mrs. Nelson Ellis visited with friends and relatives in Seaford and Salisbury on Sunday.

Twenty-one Cub Scouts from Troop Pack "200" paraded in the Milford Halloween Parade Saturday.

## Letter To The Editor

Dear Sir,

I have just read the letter to the editor written by Mrs. Linda Ellingsworth. I think she really has some good points. We do accept rules and regulations, and very seldom ever question them.

It seems to me that Mrs. Ellingsworth along with myself and many other parents has found to our misfortune, when we do question the rules and regulations, it's to no avail. It's like hitting your head against a wall, it does absolutely no good.

We as parents have rights, and our children have rights, that sometimes seem forgotten, or maybe just taken for granted.

A lot of unnecessary chances are taken with our children by the school system and the responsibility placed upon the parents.

I don't believe our children, big or little, should be walking the back roads. There are not any set times for murder, rape, kidnappings, speeding, hunting accidents or drug soliciting. Yet the school board and the Hazzard Committee says this is the way it is and we are to accept it.

We don't get any guarantees that these things won't happen to our children at anytime, but why take unnecessary chances.

We have four children, and have done our best to keep them safe from harm. We don't like the idea that things like this are going on.

Did you know if a child gets detention for any reason, minor or major, you have to get that child home? If you live one mile or six miles from school. If your child rides a bus and gets kept after school, the school

does not provide transportation. Did you know that asking to be called by your proper name or correcting a teacher by telling them your proper name is disrespectful and your child can get a detention for this. There's a lot of rules and regulations that should be questioned, by students and parents.

Did you know that if your child gets detention, and you feel it's unfair, or refuse to let your child take the detention, your child can No. 1 get paddled, or No. 2 get suspended for three days and take a zero in all classes, which would bring their A's down to B's, B's down to C's, etc. Those are our alternatives, take it or leave it, whether you like it or not, that's it.

Can someone please tell me what price is paid by the administration that makes mistakes?

What happens, who pays for, and what good is it going to do where it's too late? Does a five year old child have to get kidnapped or hit by a car? Does a teenager have to get raped, or have drugs shoved in them, or even get killed before someone does something about it?

I think Lake Forest needs a P.T.A. or a parents group to thrash these things out, bring them before the Board of Education and remind the schools that these are our children, and we and our children have rights, and we're getting tired of all the chances being taken and other foolishness going on with the system.

A concerned parent  
Mrs. Fred Wyatt, Jr.

## Chipman loses first to Seaford

"It was very frustrating, I don't mind getting beat but losing is tough."

So spoke Chipman football coach Kevin Docherty after Chipman lost their first contest of the year on Thursday versus Seaford. Not only did the junior Spartans lose, they gave up their first touchdown score in the '79 season. The final score was 0-8.

After the first two games had been played, which ended in completely lopsided scores in Chipman's favor, Docherty proclaimed Chipman to be unbeatable. He figured the C.R. game would be a real struggle but didn't plan on dropping a game to anyone this year. All hopes of an undefeated year went down the drain on Thursday.

What happened? "Just one of those days," said the coach. "One of those days that the kids weren't up and the officiating was a crime. We warmed up well, looked good at the start but things really fell apart on us."

"The game began with a disastrous call by my captains," Docherty said. "Kosiorowski and DeShields won the coin toss but elected to kick off instead of receive. With only eight minute quarters, we really didn't get our hands on the ball in the period. But more than that, it was the calls against us that hurt the most. It

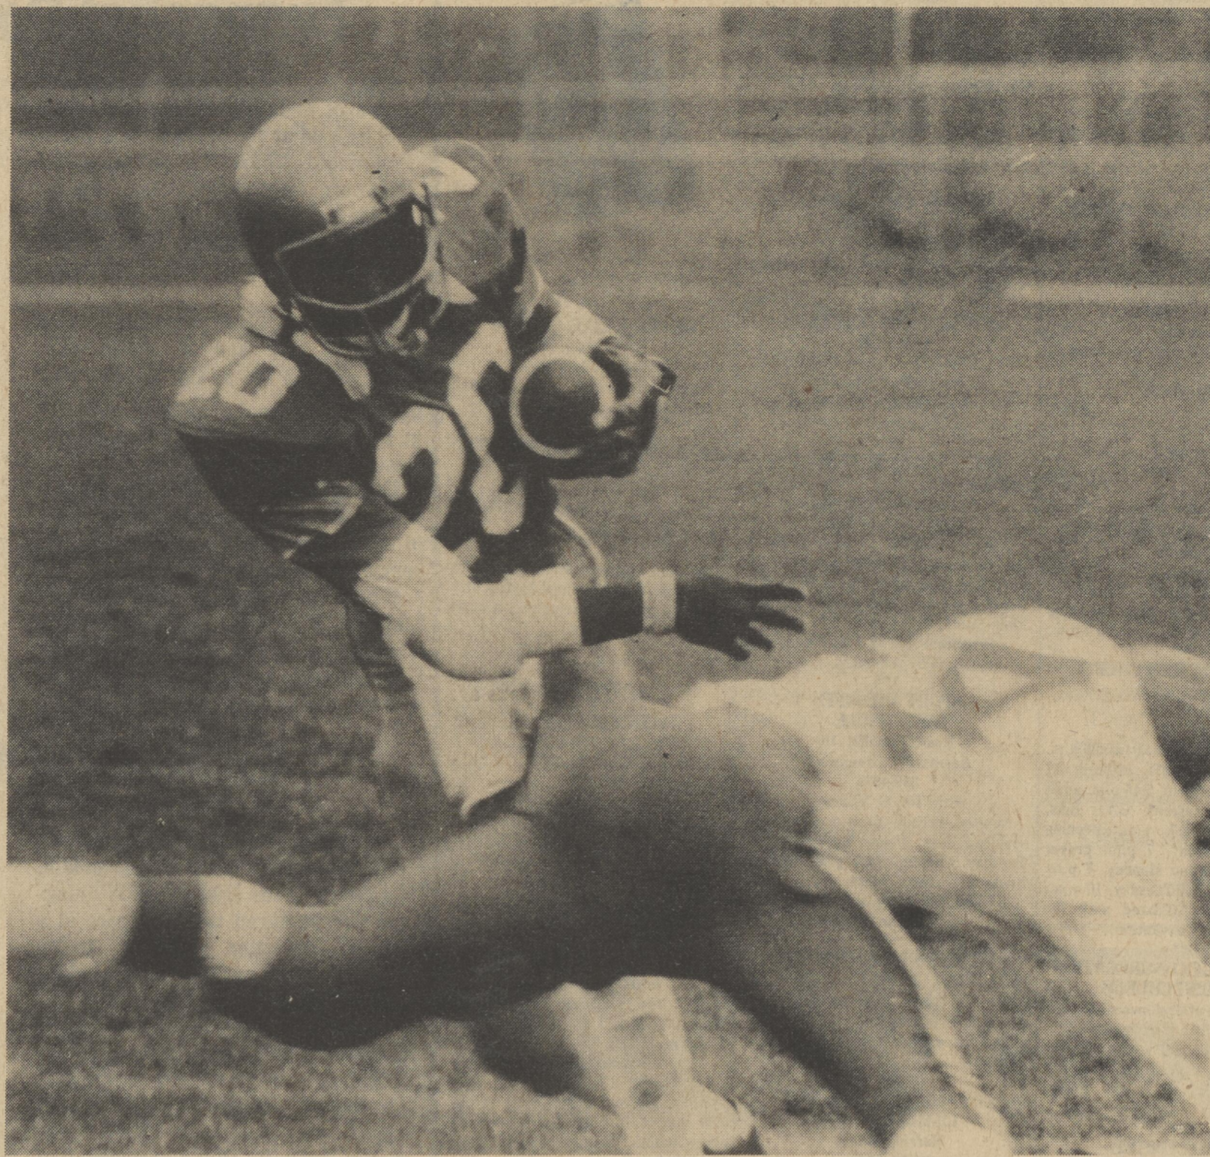

seemed every time we had a first down flags would fall and we had to give the ball up. This happened over and over. To say the least, it was a very slow start."

Continued the coach, "We got a penalty on the first play of the second quarter and I could read the wind. I told the kids we had better run up the score. But our offense fell apart and we repeatedly failed to move the ball. They are a much improved team and they were tough, but we can do much better than we did. Our strong defense kept us in the game."

The only score in the game came in the second period when a Chipman player dropped a punt deep in Chipman territory. Seaford capitalized on the field position and scored eight points.

Chipman has been averaging over 200 yards of offense per game. But on Thursday, the net gain was only 38 yards. Quarterback Ralph Taylor, usually a one man offensive show, had but an 0-5 throwing day with three interceptions.

The loss sets the stage for the year ending game with C.R. the Dover school has lost only one game this year also, to Seaford, and the game should be a thriller. It gets underway on the Chipman field on Thursday at 4 p.m.

## 9-0 Spartans continue to roll

by Keith S. Burgess

Jim Blades Lake Forest Spartans logged a pressure-packed, 9-0 seasons record by defeating a strong Laurel squad led by defending Henlopen Conference individual champion Benny Curtis. The latter did not finish the three mile grind retiring while in second place some twenty yards behind Lake Forest's flying Chuck Tozer.

Curtis reportedly had a bad back after a car collision with a deer the day before. However, he showed no signs of injury for the first two miles.

His departure had no effect on the outcome of the race, but denied Tozer the competition he needed to break his home course record of 16.05 for three miles.

Chuck ran an excellent 16.10 for the Killens Pond State Park layout with Billy Mitchell (16.29) and Doug Caskey (16.36) finishing ahead of Laurel's tough Alan Dalis. A trio of younger Spartan stars, Maurice Coverdale, Jay Howerin and freshman James Lofland were close behind the Bulldog senior. Other Spartans to do well were: Dale Jarrell, George Barnett and Manny Hernandez. Jaynee Spartans in fine form were: Tom Silkworth, Larry Guessford, Ken Kline, Chris Caskey, Robby

Manaraze, Mike Grogan and Sherri Coburn. No matter what happens in the conference and state meets, Lake Forest has had a fine campaign.

Eleven W.T. Chipman seventh-graders completed the three miles with almost everyone turning in a new personal record effort.

Lafayette Bell's 19.51 and Danny Haines 20.25 are excellent outings for seventh graders. They have the potential to someday rank among the top scholastic distance runners in Delaware.

John Caskey has asthma but has more than his share of courage. He wheezed his way around the three-mile hill and dale course at a better than seven-minutes-to-the-mile clip. Healthy, he'd rank with Bell and Haines.

Newcomer Billy Parks ran 21.38 and is closing the gap on the front-runners. He's only been running three weeks and is up to No. 4 already.

Keith Chandler and Paul Meding did very well Thursday and could be heard from later. Jeff Beene, Becky Brown, John Endres and Gary Price were other Chipman finishers. Brown, Endres and Price turned in their fastest clockings to date. Brown looks like another Sherri Coburn.

Sherri ran against the boys, in cross-country for three years. After this valuable training experience she was the top scorer, as a freshman, on the Lake Forest girls track team and established a school record in the 1500 meter run and came close to another.

## Home coming win evens record

It rained in the morning and washed out the Homecoming parade, but the water couldn't dampen the Lake Forest football team as the Spartans put together a brilliant overall performance to beat a helpless Delmar squad 38-15 on Saturday afternoon in Felton.

Mark Smith routinely has 100 plus yards a game in the air but Saturday's exhibition of aerial prowess clearly establishes the standout senior as one of the finest throwers in the state. It was primarily by his arm that Lake Forest dominated the homecoming contest.

Smith completed 10 of his 17 passes for a total of 262 yards. He hit Quinten Hendricks five times for 70 yards and a touchdown. He hit Kenny Sudler twice for touchdowns and allowed the speedy Spartan to go for a total of 111. He also hit a rapidly maturing Jeff DeShields for another touchdown.

But there was more to the story, the defense looked like the Great Wall. On strong pursuit, quickness and hitting, the Lake Forest defense, held together by Jimmy Fleming, kept the Wildcats quiet for most of the day. Delmar didn't move over 30 yards in the first half and their scores could be classified as errors by the other team.

The win put Lake Forest 3-3 in conference play and 3-5 overall. It was their third in a row.

It was First National Bank night at the Harrington Raceway on October 24th. Smokin, with Harold Frazier aboard, won the 7th race and the bank trophy.

To: Parents & Sports Fans

The Lake Forest Athletic Booster Club is a very small, (regrettably), group of parents, teachers, coaches, and alumni, whose main objective is to raise money to help purchase athletic equipment, help pay for transportation for sports events, and purchase trophies, (awarded annually at the end of the school year).

The club raises this money by sponsoring school dances, providing ticket sellers and gate workers at sports events, sponsoring raffles, and any other way we can.

We have a chronic problem - namely an acute lack of enough parents and alumni who care enough to give a few hours per month to help out. Most of the work is done by about eight or ten faithful members. This is particularly regrettable, in view of the excellent sports facility we now have.

We meet once per month (the third Thursday) at 7:30 p.m. in the High School cafeteria. The meetings are short, simple, and informal.

Perhaps you haven't joined the club, or attended any meetings because you didn't know about us.

Well, now you know.  
Come on, get involved. We need you!

# Your Church And Mine

## Evangelist Dave Goodman to speak here

You are invited to attend a special series of evangelistic meetings that will be held at the Independent Bible Fellowship Church in Harrington, Delaware located on West Liberty beginning Sunday, November 11 through Friday, November 16. Services will begin at 7:30 p.m. each night.

Evangelist Dave Goodman was saved at the age of seven and dedicated his life to the Lord at the age of seventeen during his first year at Pillsbury Baptist Bible College in Owatonna, Minnesota.

Evangelist Dave Goodman preached his first sermon at the age of seventeen and has been active in serving the Lord from that day.

While at Pillsbury College he majored in Bible and Vocational Evangelism. It was during that time that a fire was kindled in his heart as a result of the dynamic and forceful

preaching of Dr. Monroe Parker. He began to preach in missions, on Gospel teams, became youth pastor and has served in the field of music in a number of local churches. He later transferred to Midwestern Baptist College at the beginning of his senior year where he was graduated with a Bachelor of Bible degree. He sincerely thanks the Lord for raising up these "Character Building Factories".

Beginning in 1959 he served for two decades as a missionary in Chile and Peru, where he was made Bishop of Chimbote. Bishop Burke will bring a first-hand perspective to some issues surrounding the emergence of third-world nations and the Christian's response.

"Subduing the Earth - For Better or Worse" will be the topic on

## "Collection of Mercy" is for Cambodian refugees

In response to the worsening refugee situation in Cambodia, Catholics in the Diocese of Wilmington will be asked to participate in a special "collection of mercy" to be taken up in all parishes and missions on November 10 and 11.

Announcement was made to all the priests of the diocese during a clergy conference at Our Lady of Fatima Church on October 30. The special appeal was scheduled after Archbishop John R. Quinn, president of the National Conference of Catholic Bishops, asked the cooperation of all bishops across the country.

Monies contributed by Catholics in this area and nationwide are already being used to feed a starvation-menaced population of 60,000 along the Thailand/Cambodia border. A total of \$250,000 has been pledged for immediate use by Catholic Relief Services. Some of this money (\$150,000) was contributed through Operation Rice Bowl during the Lenten season of 1979 and the remaining \$100,000 from contributions made in the yearly collection received prior to Easter.

Local CRS director Fr. Joseph R.

McMahon has received word that a new Vietnamese offensive in Cambodia is expected to create 200,000 refugees. He said, "It is expected that this move will result in mass starvation." Persons wishing to make individual contributions may forward them to the local director at P.O. Box 2030, Wilmington, Del. 19899. Checks should be made payable to "Diocese of Wilmington" and monies will be sent to the headquarters of Catholic Relief Services in New York, the overseas relief agency of the United States Bishops.

### Card of Thanks

In Memory  
In Loving memory of my Mother, Emma Passmore on her 98th birthday, October 24th.

God watched you as you suffered  
He knew you had your share  
He gently closed your weary eyes  
And took you in His care.

My heart ached with sadness  
My secret tears still flow  
What it meant to lose you  
No one will ever know.

And when I am sad and lonely  
And everything goes wrong  
I seem to hear you whisper  
Cheer up and carry on.  
Each time I see your picture  
You seem to smile and say  
Don't cry I'm only sleeping  
We'll meet again some day.  
Sadly missed by daughter  
Clysta, grandchildren,  
great-grandchildren and  
great-great-grandchildren.
