Jarvis Hurd, Dead At 59

HARRINGTON - William Jarvis Hurd, 59, of 252 Delaware Ave., died Monday in Peninsula Hospital, Salisbury, MD, after an apparent heart attack.

Mr. Hurd was a maintenance engineer at the Harrington Post Office.

He is survived by his wife, Doris A.; a son, Charles of Felton, two stepsons, Robert Donovan

and Terry Donovan, both of Milford; a daughter, Brenda Beene of Harrington; a step-daughter, Joyce Wix of Harrington; two sisters, Madeline Carter of Dover, and Gladys Hawkins of

Leipic, and eight grandchildren. Services will be Thursday afternoon at 2 at the Berry Funeral Home, Main Street,

Felton, where friends may call two hours earlier. Burial will be in Barratts Chapel Cemetery, Frederica.

He was a life time member of the Harrington Fire Co., and a past

Post Commander of American Legion Post CKRT #7.

Buck didn't have much of an audience during Friday's town meeting.

Coming in 1980 - Hardee's

Early in 1980 a Harrington landmark will disappear, and local residents as well as Fairgoers, beachgoers and others who travel up and down U.S. 13 or east and west on Delaware 14 will have a new selection of fast foods from which to choose. Cliff Braly, Director of Construction for Hardees Food Systems confirmed Monday that the company has a contract to purchase the land between the north and south-bound lanes of U.S. 13 on the south side of Delaware 14.

Hardees has applied for a building permit on the premises and is in the process of completing

a traffic study required by DOT (the Department of Transportation). With this done and all permits in order, Braly said construction could begin in mid February.

As Hardee's goes up, a familiar Harrington landmark will go down. Swain's Hotel, part of the local scene since at least 1924, and a private home on the property are both scheduled to be razed.

According to Braly, the new Hardees will have 100 seats in addition to a drive through facility. It will employ 50 to 60 people.

The structure it replaces has been in Harrington for at least 56

years. Franklin Swain's widow says the hotel was built in 1924, and the Jehu Campers, who went into business at Rash's service station that year, remember the carpenters who worked on the hotel coming over for lunch at their counter.

The hotel's 23 rooms which sheltered some regulars and some transients were closed as of January 1, 1980. According to the present owner, Lucy Quinn, the bar will remain open until the end of the month. Quinn bought the business seven years ago from the Sipple family who had purchased it earlier from the Swains.

Very few attend town meeting

Old Man Winter upstaged the City of Harrington, and as a consequence, only a handful braved the first snow of 1980 to attend the city's annual town meeting Friday evening. Most apparently opted to hit the grocery lines by 6:30 p.m. bread was unavailable in Harrington) and head for home.

Howard Butler was selected to serve as this year's chairman, and Harry Farrow agreed to act as secretary for the evening.

Mayor Arthur Cahall's "State of the City" comments were early on the agenda and were the focus of most of the discussion. On the plus side, the Mayor noted a 4 year HUD project on Mispillion Street was nearly complete, that the street program for 1979 is finished with the streets in relatively good condition, and that with the purchase of a backhoe and a police car over the past year, a major equipment buying cycle is at an end.

Cahall also pointed out the water tower was repainted during 1979, but at a higher price than had been budgeted. For this and other reasons the town has not yet repaid a note of \$7,500 as decided last year.

The reconstruction of the sewer plant, which should have started this year, Cahall said, is still tied up as the state and the federal government haggle over water quality standards.

Looking "...beyond our noses" into the future Cahall foresaw a number of real or potential problems:

-The town has proposed to set \$20,000 aside for the sewer plant reconstruction. The cost to the city at the outset of the EPA project was estimated to be \$60,000. The city's share is now up to \$87,000, and no one knows how high it might go.

-Although the Council has proposed to finance the library for the months remaining in fiscal 1980 after the state drops the tab in July, the library will need full financing beginning in 1981.

-Inflation is "killing us" and will continue to take its toll. Along with the rest of the country, the city may have to accept a lower standard of living. There are, Cahall said, only a few options -

cut back (i.e. cut services) or find ways to increase revenues (i.e. raise taxes).

-One major indication of inflation is a proposed city budget that for the second year in a row has a deficit that has to be worked out. Cahall supported an increase in sewer and water rates to solve the budget problem. But this year he is opposed to any increase in taxes. He feels the Council could have avoided the problem.

-Revenue sharing funds have received belated Presidential approval, but they may not be forever.

-Harrington has an old water system which 5 to 10 years down the road may need major replacement or repair.

-Having rejected the offer of the Chipman House for use as a City Hall, the city is still depending upon a \$50 per month rental from the fire company. Unless

more federal funds become available, the fire company may need the space for its own use.

-The City, in Cahall's opinion, is relying too much on the use of CETA personnel to beef up its police force.

-The city needs to project a changed attitude toward progress. Referring to the Council veto on the Chipman House and the handling of the Willis rezoning request, the Mayor said "I don't think the city can afford to turn things down because they're not guaranteed to be the greatest thing in fifty years."

Apparently this concern was shared by others in attendance at the meeting. Charlotte Gagne questioned the Mayor on what the city had been doing to "take the strain off" by attracting new business and industry and to broaden the city's tax base rather

Felton Council sets election date

Looking to things to come, the Felton Town Council Monday night set Monday, March 3, 1980, as the date for the annual town election. The filing period for candidates for the three seats that will be under consideration is February 18 - 22. The seats now held by Mayor William Myers,

Councilman Bill DeLong and Councilman Don Jacobs will be in question this year. Further election details will be planned later.

So far there has been no word whether any of the three present Councilmen intend to run for re-election. Felton does not elect a Mayor as such; the office is filled

by vote of the Council at each year's reorganization meeting. However, Bill Myers has been chosen to fill that position for a good number of years.

In other business Monday night the Felton Town Council -voted to advertise for trash bids for the city service for either a one or two day a week pick-up. All bids are to be in by January 23.

-heard an application to CETA for another policeman has been completed. The next step will be interviews of candidates.

-heard there is no news on sewer plans. The drawings and other papers are still with the architects.

Hit & run driver gets 6 months

A fatal hit and run accident on March 13th netted a Felton man six months in jail during a trial in Superior Court last Friday.

Killed was Beth Ellen Jones of Milford as she drove down Route 253 and a car driven by Gerald K. Allaband crossed to her side of the road and smashed her car head on. Allaband, after he caused the accident, fled the scene and hid from police about a mile away.

Allaband, in a plea bargain, pled guilty to negligent homicide while under the influence of alcohol. He was sentenced by Judge George R. Wright to two years in prison, suspended after six months served. He will remain on probation for four years.

Workshop planned

Parents concerned about helping their children in school will want to take note of a workshop on the topic "Your Child and Homework: How To Help Your Child Study" scheduled for the new auditorium at Lake Forest High School next Monday, January 14, at 7:30 p.m. The evening will feature a speaker, Dr. William McCormack, Supervisor of Elementary Education at the State Department of Public Instruction. Dr. McCormack gave a similar address which was well received at the state-wide reading conference sponsored by the Diamond State Reading Association in the fall.

Monday's workshop will offer some practical pro's and con's to parents about helping their child with homework and after-school study. Designed to be a learning experience for all parents of school children, it is sponsored by the Lake Forest District Parents Advisory Council for Title I. The workshop is open to the public free of charge.

According to Barbara Neilsen, who serves as Chairperson of the District Parents Advisory Council,

the workshop is a first venture in planning an educational experience for parents. It is designed both to provide help for parents and to interest more adults in becoming involved on the Advisory Councils in the District.

Title I is a federally funded program which, in the Lake Forest District, is aimed at improving reading. Most of the money goes to the elementary and junior high schools to provide aides, a reading teacher, and some materials. Each of the four schools has a Title I Parents Advisory Council which meets about four times during the school year. The local Councils sent two representatives each to the District Advisory Council. The Advisory Councils are designed to give parents a say in Title I programs, especially in the way the federal funds are spent in this district.

Mrs. Neilsen told the *Journal* the Parents Advisory Councils are looking for more members and that all parents, not just those of Title I students are encouraged to participate.

than up individual rates. Jerry Anderson, the only Council candidate to attend the whole meeting underscored that concern when he stated he thought the "...city's image was

tarnished" by Council's handling of the Willis rezoning. Anderson further asserted "If the Council stays as it is, I don't think the city's image will change." Harry Farrow pointed out that

the city's downtown section, which has from time to time displayed boarded up windows and the general air of a ghost town, has not helped with that image.

119 Pounder Jeff Grove takes command of his opponent on Monday night. He won 11-4.

Spartans pass first test, beat Dover with strong finish

The Lake Forest varsity wrestling team passed their first test with flying colors on Monday night as the rebuilding Spartans stomped visiting Dover in convincing fashion. The final score was 39-20, but the meet was not as close as the numbers might indicate - Lake Forest dominated throughout.

Starting in his first duel meet at 98 pounds was Greg Ecenrode, a freshman. Ecenrode scored a 6-1 decision by staying in control during the entire match. He went ahead 2-0 after the first few moments and ground out the win the hard way, slowly but surely as the Spartans got off to a fine start.

Next up was Bobby Fleming, son of football coach Jim Fleming at 105 pounds. It was Fleming's first time in varsity uniform too. He struggled from the opening whistle, showing inexperience, but hung on to fight off numerous pin attempts. Just staying in the match against a proven champion like Tony Heard was a feat in itself, Fleming eventually lost the decision 3-13.

At this point the overall team score was 3-4, Dover.

Charles Jones was next, wrestling his new class at 112 pounds. Jones went about his business in workmanlike fashion, scoring seemingly at will and running up

the score. He was ahead 2-0 after the first period, 4-1 after two and finished the match with a 6-1 win. Now the overall stood at 6-4 and the Spartans took the lead.

Jeff Grove followed at 119 pounds. It was an even struggle through the first period with Grove steadily improving as the match wore on. He finished the second period up 4-2 and really turned it on during the last three minutes. Grove worked for a pin, and came extremely close to it, but finally settled for a 11-4 win.

At 126, Ken Williams scored the first Spartan pin. He came out fighting, scored a quick two on a nifty reverse, then pinned his man with 39 seconds left in the second period. Williams showed some great moves in the match, more than indicating he is ready for the long duel meet season ahead.

Next was John Howerin at 132 pounds. He had a tough match but fought off the pin effort to lose a decision, 12-2.

Thomas followed the loss with another one at 138 pounds. He was in trouble early and succumbed to a pin in just 48 seconds.

Now the team score read a close 15-14, us.

But it didn't stay close for long, Lake Forest was about to come on with a scoring burst that would

send Dover back to Dover, scratching their heads and wondering just what happened.

Dave Brown started it, showing great improvement over last season. He wrestled at 145 and looked like King Kong. It started fairly dull with Brown taking early control 2-0 at the end of the first period. In the second, Brown bore down and won by pin with 36 seconds left in the period.

Then came Mike "Animal" Kosiorowski, who had the benefit of a sister on the cheerleader squad and brothers in the stands. It only took him 1:15 to score a pin over an amazed opponent. Now it was 27-14 overall.

Another of the football coach's sons, Jimmy Fleming, was now up on the mat and ready to go at 167 pounds. Looking strong as a bear, Jimmy took an early lead and never let up. He was ahead 8-0 after the end of the first period. Only a few seconds into the second, Fleming had a win by pin and it was 33-14 overall.

An untested 185 pounder, Vincent Ware, followed Fleming. Ware didn't take long, just over a minute, to get the fourth pin in a row for Lake Forest and it was all over.

The Spartans forfeited the heavyweight class but, by then, it hardly mattered.

Hendricks leads Lake Forest to 7th straight victory

"If we were playing another, better, team this way, I think we might have lost it."

That was the way coach Bill Falasco saw the Lake Forest varsity basketball team's victory over Laurel last Friday night. The Spartans won it 56-39, keeping their 7 game win streak alive.

"We were just not shooting well," said the coach. "Maybe it was the Christmas break, but we shot just 30% and that's not good enough against a tougher club. We were lucky it wasn't I.R."

"We were setting up and executing fairly well though," continued Falasco, "but we kept

coming up dry. Our shots came where they were supposed to, within a 12 foot radius, but who knows?"

Lake Forest was in command during the entire contest. They led 16-10 after the first quarter, 23-20 at the half, 33-31 after three and, with a 14 point burst at the end, finished with a wide margin victory.

Leading all scorers and playing what Falasco called "the best game all year" was center Quinten Hendricks with 18 points and 14 rebounds. Said the coach, "Quinten looked good, he was extremely aggressive for all four periods. I hope he continues like that."

Behind the scoring efforts of Hendricks came Kenny Sudler with 16, Darryl Curry with 10, Leroy Garey had 6 and Mark Smith turned in a relatively cold 4 points with 5 assists.

Chipman matmen win first

The usually powerful Chipman wrestling team kicked off their '80 season last Thursday in a duel meet with Caesar Rodney. As expected, Chipman looks strong, aggressive and talented again this year as the little Spartans walked away with a 69-33 win.

Coach Ed Wheatley seems well pleased with the turnout of wrestlers although there are some large holes to be filled in the upper weight classes. 27 young men are presently on the team, with an especially heavy turnout of 7th graders on the roster. Said the coach, "We had to give away 30 points right from the start. 130, 142, 148, 165 and heavyweight are problem areas but we are loaded with talent in the lighter weights."

They are indeed loaded. Starting things off for Chipman on Thursday was 7th grader, 76 pounder, Joe Dopirak, brother of

Lake Forest softball sensation Stephanie Dopirak. Joe, in his first real wrestling match, battled from a 2-2 tie into the third period to win the match by a 7-2 margin. "Joe is an up and coming man to be sure," said Wheatley. "He showed me quite a lot coming on a strong as he did in the late going. We'll hear about this guy in the years to come."

At 82 pounds was 7th grader Bobby Grant. In the first match of his life, Grant fought off a tough contender and turned a 4-4 tie into a pin at 2:24 in the final period.

Then C.R. forfeited two in a row, one to Tony Smith at 88 pounds and one to Ray Vincent at 94 pounds. "Vincent is a real scrappy guy," the coach said, "too bad he couldn't show it off."

At this point, Chipman held a commanding 31-0 lead.

Mark Moreau, at 100 pounds,

followed with the day's roughest match. He went against one of the

"Back to earth"

As coach Pat Dyal put it, "We've come back to earth."

The long and glorious Spartan girls winning streak ended in a snowstorm last Friday night, Lake Forest went down to defeat in a key conference game at Laurel 40-21.

"We actually played very well," said the outspoken Spartan coach. "Our execution was there, it was the shots that didn't go."

The match up on Friday was a long awaited showdown between two unbeaten Henlopen Conference teams. The Spartans and the Bulldogs are both class teams with their eyes on a conference championship and a good showing in the state tournament, the contest carried with it much pressure.

"Maybe it was the pressure situation that affected the girl's shooting and maybe it was the long lay off for the Christmas break. Whatever it was, we sure couldn't find the basket," Dyal said.

Lake Forest played a relatively strong first quarter as they controlled most of the action and maintained possession of the ball for most of the allotted time. The

only problem was that they took 16 shots - and only 2 fell. But it was good enough to take a 4-2 lead as Laurel had their share of troubles shooting too.

In the second period, Lolitta Seth took a few key steals to allow Lake Forest to go into a larger lead, 7-2. It was to be the last time we were ahead.

"I really thought at that point that we were going to go ahead for good," Dyal said. "But they scored 12 unanswered points and we went down the tube. We just could not get the offense going."

Laurel led at the half by a 14-7 margin.

It was a similar story into the third, Lake Forest was out-rebounding and outshooting, but the game was slipping away as the hoop acted like it didn't like Spartans. Lake Forest pulled to within 4 points but when Seth made yet another steal and the layup rolled off the rim, it was all downhill. "That was it," said Dyal, "the team fell apart after that."

In the fourth, Dyal substituted liberally and the game was written off as Laurel went on to maintain their winning streak and we settled for a first loss.

For Your Information

Dear friends,

Self-help groups are booming and they don't cost a lot of money. Alcoholics Anonymous is the granddaddy of all.

Mended Hearts, a group for people with heart surgery.

Reach to Recovery has helped 75,000 women who had mastectomies last year.

Living! is a self-help group for arthritis; there are blind and deaf groups also.

For self-help groups, check your city or county health agency, or write: Self-Help Institute, Northwestern Univ., Evanston, Ill. 60201.

Respectfully,

William C. Berry, Jr.

Your Church And Mine

Reformation Lutheran Church

Dear Friends in Christ,
We have had a glorious 1979. Our worship attendance has increased to averages over 100. An even greater measure of our blessings is the high level of commitment of time and talents by most of our family.

This new year should be even more exciting and uplifting to us. We will celebrate our 25th Anniversary in the fall as well as the 450th Anniversary of the Augsburg Confession, the chief confessional statement of the Lutheran Church. In addition, 1980 is the 200th Anniversary of Sunday Schools. These events will offer us many opportunities for learning and serving God.

That service can be expressed in two ways; as joyful service to the Lord in response to his many gifts to us, or as reluctant obligation fulfilled out of necessity rather than joy. Joyful service

can be much more rewarding and fun and will make the tasks that are asked of you more pleasant. Let us all try to do our part to care for the joyful community of God's people at Reformation.

I hope that you will join me in prayer that in this New Year God will continue to bestow his wisdom and grace upon us and that we in turn will strive to follow his will for us, in loving response to his gifts.

Together in Ministry,
Pastor John

Margo and I would like to thank the congregation for their generous gifts at Christmas and for the even greater gifts of love throughout the year.

CHURCH COUNCIL HIGHLIGHTS
-Council received and reluctantly accepted the resignation of Dave Fetterman from the Church

Council, effective January 31, 1980. The remaining one year term will be filled by election at the Annual Meeting.

BIBLE STUDY WEEK:
Beginning tomorrow evening at 7:00 we shall be studying the Book of Ephesians. The last class in this brief survey will be Thursday evening. Bring your Bibles and questions and let's have a good time in the Lord in this Bible study.

DSEC:
If you plan to attend the Seminary Extension Center, you ought to enroll this week if at all possible. Please see the pastor for the registration forms.

THE FALSE PROPHET:
One of the signs of the False Prophet of Rev. 13 is that he will try to get all denominations back together as one great big church. In the last days all the churches of the Reformation will listen to his leadership and follow his teaching.

Now the reason for the reunification of the different churches is that it will be easier to get people to worship the Antichrist. The idea of one great big church sounds good, just as it sounded good to get together to build the Tower of Babel. The error of such an idea is that the natural mind thinks that bigness is best, that if

we all got together we could "win the world to Jesus." But, God is not in such a movement, no more than He was in the building of the Tower of Babel.

Baptists did not come out of the Reformation. There were people who taught that an adult must make his own surrender to Christ and be baptised AFTER his conversion from the time of Christ. Indeed, Martin Luther's life was preserved because of the fact that there were ANA-BAPTISTS already in existence to hide him from the rage of the Roman Church. He owed his very life to the people he later persecuted for disagreeing with him.

FAITH:
If a person is satisfied with the status quo, he will never exercise faith. Faith grows and is used when one sees that circumstances and situations can be made better. This is called having a vision. This is what the Bible means when it says that without vision the people perish. Vision and faith go together. Don't be satisfied with sin, depression, doubt or defeat. See the need and trust in Christ to meet your need. Exercise your faith.

Obituaries

ISAAC DIXON
HOUSTON - Isaac Dixon, 72, of Houston, died Sunday at the Delaware Hospital for the Chronically Ill, Smyrna, after a long illness.

Mr. Dixon retired as a factory worker more than 15 years ago from the former Delaney Co. food processing plant in Bridgeville.

Surviving are a son, Harry Isaac Tribbett of Bridgeville; five brothers, Joshua of Houston, Ruben of Greenwood, Clinton of Harrington, Robert of Bridgeville and George of New Jersey, and four sisters, Mary Benson of Houston, Helen Pritchett of Harrington, Vivian Dixon of Bridgeton, NJ, and Dorothy Waddler of Greenwood. Mr. Dixon's wife, Lena, died several years ago.

Services were Saturday afternoon at 1 at the Metropolitan United Methodist Church,

Harrington. Burial was in the Mount Calvary Cemetery, Middleford.

REUBEN M. OUTTEN

-4-H News-

The Sussex County Public Speaking contest will be held Saturday, January 19, 1980 at 1:00 p.m. at the University of Delaware Substation. All 4-H members are eligible to partici-

pate in the event. Three age divisions are offered; Jr. Petite (9-10 yrs. of age) Junior, (11 to 13 years of age) and Seniors (14 to 19 years old).

Ribbons will be awarded to

each participant and a trophy will be presented to the top winner in each division.

The event is designed to develop 4-H members public speaking skills, poise and self-confidence. The public is invited to attend.

Beginning January 30, the Sussex County Livestock Club will offer a series of judging training sessions for all interested members. You don't have to own an animal to participate, just be interested in livestock and be enrolled in a community 4-H club. The Livestock Club is a fun way to learn about livestock and develop judging skills. The next meeting will be January 30, at 7:30 at the Substation.

Now is a good time to begin working on project books. Plan which activities you will be entering and what fair exhibits you will make. Plan early so you won't miss any exciting 4-H events.

NEWS OF HEALTH

Teeth

Tooth decay is actually a disease called dental caries. In fact, it is the most widespread human disease, probably affecting 98 percent of the population.

Caries are produced by colonies of bacteria in the mouth. When we eat, small deposits of food accumulate between the teeth, in the grooves and on the chewing surfaces. Bacterial enzymes acting on food starches and sugars produce lactic acid. This acid dissolves tooth enamel and produces cavities.

But by keeping your teeth smooth and polished, you can reduce the effect of the bacteria. A new home dental-care system, the ToothPro, cleans like a professional dental machine—safely and more effectively than a regular or electric toothbrush.

Water containing minute amounts of fluoride can reduce dental caries—but only in children during the years when their teeth are forming.

Chipman wrestling (Cont.)

5-8. "It was an exciting match as ark came back from a 8-2 deficit at the end of two periods. He really showed me something," said Wheatley.

Co-captain Donny Tiedgen, one of last season's standouts, won by way of a forfeit at 106 pounds.

Co-captain Paul Kosiorowski, in true Kosiorowski fashion, bulldozed his way to a pin in just 24 seconds as his opponent could only shake his head and walk away. Kos wrestled at 112 pounds.

Next was Danny Donovan who won by forfeit.

124 pound eighth grader Joe Rash followed and pinned his man in 33 seconds as Chipman became unbeatable.

A mutual forfeit occurred in the 130 class and Robbie Rene, national finalist last year in the Punt Pass and Kick competition, proved he has what it takes in the wrestling game too. Rene took his man out in 25 seconds. "Robbie can do it all," said his coach. "He's got a good head, he's strong, and he's smart. I'm sure he will develop into a very fine wrestler."

David Reardon picked up another forfeit win to end the meet, 69-33.

"Our motto this year is 'Pin to Win'," said Ed Wheatley. "We are young and inexperienced, but look out."
