Three Seek Lake Forest Seats

Next Tuesday, May 9, will be D-Day (D for Decision) for Lake Forest voters who will go to the polls to select one of three candidates who have filed for a single five-year term on the Lake Forest School Board. The three are Frederick Feutz of Felton, Eleanor Homewood of Harrington and Thomas Wilmire, currently of near Canterbury.

The present seat-holder, E.B. Warrington, who has served on the Lake Forest School Board since the creation of the district in 1969, has elected not to run for

another term.

Polls will be open from 2 to 9 p.m. on Tuesday for eligible voters who must be at least 18 and residents of the Lake Forest School District. The polls are located at the W.T. Chipman cafeteria in Harrington, the cafeteria at Lake Forest North in Felton, and the cafeteria at Lake Forest East Elementary in Frederica.

With over 3,200 students in the school district there is a potential of several thousand persons who should be vitally concerned with the outcome of the election. But if

the record of previous years holds true, only a fraction of that number will express their interest by voting. Last year's school board election saw only 335 voters turn up at the polls.

It was just this issue of parent interest and involvement in the schools which was one of the concerns expressed by this year's candidates for the Lake Forest Board. During the past week, the *Harrington Journal* spent a few minutes talking to each one.

Alumni Give \$2500 In Awards

The Harrington High School Alumni Association held its 24th annual reunion Saturday night in the W.T. Chipman School Cafeteria and Fieldhouse.

President Mikell E. Wamsley, class of 1965, called the meeting to order with a cordial welcome. Miss Bente Maeland, AFS student from Stavanger, Norway, gave the invocation. Mr. Wamsley introduced the officers and Executive Committee for the current year: C. Lee Dean, 1st Vice President, Class of 1966; Grover C. Brown, 2nd Vice President, Class of 1963; Donald W. Derrickson, Class of 1948, Executive Vice President and Treasurer; Nancy R. Welch, Historian, Class of 1967; Carolyn M. Porter, Class of 1966, Recording Secretary; Norma B. Bradley, Class of 1956, Corresponding Secretary; Walter H. Perdue, Class of 1965 and Nancy K. Dellinger, Class of '68, both Executive Committee members; Hope T. Mimmer, Class of '69, Alumni News Chairman; and Eleanor W. Homewood, Class of 1957, Past President. Mr. Wamsley, continued the meeting with the introduction of the 40 invited guests, who included past principals, teachers and friends of the

association.

C. Lee Dean, announced the Honor Attendance Awards: Class of 1910 with 100%, Mrs. Mary Greenly of Harrington and Mrs. Ray P. McFaul, of Milford, only members of this class. Both these ladies were celebrating their 70th Anniversary. Celebrating their 60th Anniversary were three of the five class members present, Miss Hebe Baker of Harrington, Mrs. Jean Longfellow Purse of Seaford and Mrs. Mildred J. Biederbeck of Riverside, New Jersey. The Class of 1955 celebrating their 25th Anniversary with 16 members.

Mr. Dean continued the awards. Gentlemen present representing the oldest class was Ellwood Gruwell of Felton. Members winning the farthest distance award went to Mrs. Joan Welch Viggiani, Class of 1960, coming from Ft. Lauderdale, Florida. The Class of 1968 won the largest number present award with 20 members present. Also at this time Mr. Dean introduced a number of alumni members who have made significant contributions to the association and community.

Mr. Wamsley, introduced the newly elected officers for the

1980-1981 year. C. Lee Dean, President; Grover C. Brown, First Vice President; Norma B. Bradley, Second Vice President; Donald W. Derrickson, Executive Vice President and Treasurer; Nancy R. Welch, Historian; Carolyn M. Porter, Recording Secretary and Jenne L. Brown, Class of 1954, Corresponding Secretary.

Grover C. Brown, the Second Vice President, took the speakers stand to give the Historian's Report and to introduce the speaker of the evening, Grover A. Biddle. Mr. Biddle being the son of Hatty Mae B. Biddle, a member of the Class of 1933.

Grover then presented the five scholarship awards each being for \$500. The first award, The Zita Z. Hatfield Memorial Scholarship was awarded to Lisa Marie Bostick, daughter of Charles and Doris Wroten Bostick of Felton, Doris being a member of the Class of 1951. The second award, The Florence L. Long Scholarship was awarded to Craig A. Warrington, son of Everett B. Warrington, Jr. Class of 1954 and Millie Minner Warrington, Class of 1952, of Felton. The third award was The Amanda Rash Quillen Scholarship, awarded to David C. Brown, son of Marvin E. Brown, Class of 1947 and Jenne Lander Brown, Class of 1954, of Felton. The William A. Wheeler Scholarship the fourth award went to Donald Leroy Garey, Jr., son of Donald L. Garey, Class of 1959 and Patricia Jack Garey, Class of 1966, of Felton. The above four winners all attend the Lake

Woodbridge Voters To Select 2 from 4

Two seats will be in question as Woodbridge voters go to the polls on May 13 in the annual school board election. One of those seats will be for a five-year term; the second is for one year to complete the five years to which Charles Davis, now Woodbridge High School Principal, was elected.

William Vanderwende, the incumbent, is being challenged by Robert Smith for the regular five-year term. For the one year spot, Norma Prettyman, who was appointed by the board last August to fill the vacancy created, is facing William Dix.

The polls in Woodbridge are located at the high school on Bridgeville and at the junior high in Greenwood. They will be open from 2 to 9 p.m.

In brief interviews this week, the *Journal* discussed with the candidates their reasons for running for the school board.

William Vanderwende is seeking election to a second five-year term on the Woodbridge School Board. Of his experiences so far he says, "I think we have a good working board." He feels there have been a lot of improvements over the past five years, especially in better communication between parents and teachers as well as throughout the district.

Felton Station Considered For Register

The State Review Board will definitely consider the Felton Railroad Station for nomination to the National Register of Historic Homes the Felton Town Council learned at its Monday night meeting. And that consideration will come as early as June 5th, a fact which was a pleasant surprise to Councilman Don Jacobs who had expected the building might not come up for review before next fall.

However, Jacobs who has been doing much of the ground work in efforts to get the building on the National Register, received a recent letter from Daniel Griffith, Chief of the State's Bureau of Archeological and Historical Preservation, stating the railroad station would be on the agenda at the Review Board's meeting at Christ Church Parish House in Milford on June 5, at 1 p.m. Although the Bureau of Archeological and Historical Preservation will be making the presentation, any interested persons are invited to attend the meeting.

Griffith's letter to the Felton Council said, in part, "The Felton railroad station is significant as a symbol of the railroad's vital interrelationship with Delaware's economic development and transportation history."

Griffith further said owners of buildings placed on the National

Houston Selects 3 To Serve Town

The Houston Town Council met last Thursday night for their regular monthly business. Three Houston area persons were appointed to serve the Council and community. Betty Pleasanton was chosen to be the tax collector, Sandy Anderson to be the Secretary to the Board and Eleanor Yerkes was appointed Treasurer.

The present Mayor and Council members sent out five letters to the former Mayor and Town Council members praising them for their work for the Town over the last term.

The Mayor made several charter proposals such as removing the requirement that a person be a property owner to be able to vote in the Town, set up an absentee ballot provision and making the fiscal year and tax year to run from July 1 to June 30.

A rough budget was proposed but not totaled. They will meet again on the budget at a May 9th meeting with the intent of finalizing the budget at the June monthly meeting.

The Council is also working on updating the tax list "making sure the assessments correspond to the right properties," said Mayor Connie Morgan.

The Council members are again concerned about the appearance of their Town. Notices have been sent to Harry Tee concerning grass cutting of his lot. Jack Eisenberry submitted an estimate of \$200 to the Council "...for cutting of the grass, removing weeds, and trimming the shrubbery". The Council forwarded it to Mr. Tee.

Lisa Bostick receives the Zita Z. Hatfield Memorial Scholarship Award.

Local Police Receive Safety Awards

Chief Carl McIlroy and Sgt. Jopp of the Harrington Police Dept. were presented with a special plaque by Judith Candow, state safety coordinator for the National Child Safety Council. The plaque was awarded for the departments outstanding and dedicated service in the promotion of Child Safety, drug abuse education and crime prevention. Last summer the Harrington Police conducted a successful bicycle rodeo. This April and May they will be working with approximately 700 children, ages 5-12 and distributing to them over 3,000 pieces of safety and drug abuse material. These materials have been provided by the National Child Safety Council, a non-profit, non-commercial or organization dedicated (for 27 yrs.)

solely to the safety of children. The financial support for this program came from the generous contributions of local businesses who showed their genuine interest in our youth.

This September the Milford Police Dept. will continue the safety and drug program which will include materials on Bike Safety, pedestrian safety, drug abuse, crime prevention, child molesters, lightning, smoking, angel dust, hitchhiking, shoplifting, films and tapes. Judith Candow will be contacting local business and industrial leaders whose financial support will again make this valuable and much needed program possible. This will be the second year for the program.

Mayor Arthur B. "Buck" Cahall tosses the first ball at Harrington Little League ceremonies on Saturday.

Woodbridge Con't

He would like to see this kind of communication continue.

There is no big problem that he would choose to single out over others. Of financial woes, he says these are always going to be present and are something "we will have to learn to work with". He sees the Woodbridge District as not the only one beset by financial pressures. And even with the recent referendum success, he expects inflation to continue that pressure.

A farmer, Vanderwende has been self-employed since he graduated from Harrington High School in 1954.

Since that time he has been increasingly active in community and state affairs. He is a director of the Delaware State Fair, a director of the Federal Land Bank of Delaware Farm Credit, Supervisor of the Sussex County Soil and Water Conservation District, a member of the Bridgeville Kiwanis Club and the Delaware Farm Bureau. He has also served on the Governor's Advisory Council for Agriculture for six years since his original appointment by former Governor Sherman W. Tribbett. He and his wife Ellen have four children, all graduates of Woodbridge High School.

Robert Smith

Robert Smith, a teacher in the Cape Henlopen District, thinks someone with an educational background is needed on the Woodbridge School Board. He feels as a teacher, especially in special education, he has something definite to contribute in his knowledge of the complexities of modern day education. This is especially true in the battle of the budget when knowhow in tapping various sources of funding can be vital. Up to date knowledge of the complexities and changes in laws affecting schools and educational programs he feels is also impor-

tant. Smith thinks funding in a district in which teacher salaries, the second lowest in the state, contribute to low teacher morale and a high percentage of staff turnover is one of the thorniest areas facing the district. Realizing that taxes probably cannot be raised, he says "It's going to be very difficult," but feels there are still federal sources that are not fully tapped. Smith believes he can help the district get more of those funds.

He also points out the fact that he has seen the district from several points of view as student (he graduated from Bridgeville High School), as teacher (he taught in the district for six years before going to Cape Henlopen), and as life-long resident and taxpayer.

Robert Smith graduated from the University of Delaware in 1973 with a B.S. in Education. He received his Masters' Degree from the same institution in 1978 and is currently employed as a special education teacher in the Cape Henlopen District.

A past president of the Greenwood Lions Club, he is at present a member of the Bridgeville Lions Club and the Bridgeville Historical Society.

He and his wife, Denise, are residents of Bridgeville. They have no children.

Norma Prettyman

Norma Prettyman, who was selected to fill the seat left vacant by Charles Davis, has spent the last eight months getting her feet wet in school board business and would like to continue, completing the remaining year left in Davis' term. She feels that the knowledge and experience she has gained over those eight months will be an asset to the district.

She says, "I'm interested in

Letter To The Editor

Editor,

Upon reading the article in last week's "Harrington Journal" entitled "Dill Answers Cahall", I felt that I must respond. I do this with reluctance, not wishing to extend this debate, but to return to a Council table that will, hopefully in the future, be noted for its objectivity, its independent-thinking members, and its divorce of Council politics, making decisions after stating good reasons.

Before getting to specific comments about last week's article, I would make several points: (1) I was in error when I said our Council is 4 to 2. It is better stated "Council of 4" on many, but certainly not all, issues. As I said before, it is obvious to even the casual observer that decisions have been made before meetings by four Councilmen. I feel that the "2" referred to in Mr. Dill's article should be contacted by the "Journal" and asked whether Mr. Dill's statements are true or false. (2) It is very interesting to note that, at the Chamber of Commerce Dinner, I never mentioned any names when stating we have a majority of Council making voting decisions prior to public meetings, yet everyone, including the press and radio, knew who I was referring to. (3) Saying what I said at the Chamber meeting was not an easy or comfortable thing to do. It came after many months of frustration, and with the knowledge that it would not make my job any easier. But, I felt it had to be said, and I hope the end result will be, as I've stated above, a more objective, independent-thinking Council.

Now to the statements in the article last week. First, it was stated that I have two votes I "can almost always count on to back my proposals". I do not solicit votes on issues. Simple mathematics points out that a majority is four, and not two. Second, Mr. Dill stated that I "set-up" the vote on the second public hearing on the Dudley Willis request for rezoning. That statement amazes me, especially considering the fact that Councilman Dill was absent that night. Had he been there, he would have seen that, during the recess, that I was on the porch talking to a Councilman who voted against the public hearing. In fact, that

Councilman stated to me, on the porch, that "it would be a good time to get the public hearing through, with you breaking the tie." My response was that I had asked for one in September, in October, in November, and that I would ask for one in December. I DID NOT "set-up" any vote. Third, I agree with Mr. Dill that we are not responsive enough to the needs of the community. Improvements are definitely needed. However, this need pertains not only to streets, potholes, and manholes, but also in the decisions made at the Council table. What is "ironic" here is that most complaints made by Council are street related, but the money and additional manpower is placed elsewhere. Fourth, on the subject of raising taxes, Mr. Dill states that I support proposals which lead to a tax increase, and that he does not want to raise taxes. He cites pay increases for City Employees and the Chippman House as examples. The Chippman House has been a dead issue for 11 months. On the subject of pay raises for our employees, they deserve a raise in these inflationary times. I feel that our employees will give us better service if treated fairly. Two points should be made here: (1) Last year, as Police Commissioner, Mr. Dill did not have any objections to giving raises to the Police Department which averaged \$900 per employee while other employees received from -0- to \$300 per employee, even though we had budget problems at the time. (2) The voting record shows that Mr. Dill has voted consistently for increasing the Police budget in the amount of over \$14,550 this past year alone. If you attend meetings, you know what my most constant question has been: "Where's the money going to come from?" To say that my proposals would increase taxes pales by comparison.

In conclusion, it is my desire to put this matter behind us. If the end result is six Councilmen and a Mayor having a meeting, representing the people in an objective, independent manner, free of Council politics, and giving good, valid reasons for decisions, I, personally, foresee good, respected government returning to Harrington.

Sincerely,

Arthur B. Cahall, III

Lake Forest Election Con't

school age children in the Lake Forest District has led Frederick "Rick" Feutz of Felton to seek the further involvement of serving on the school board.

Feutz told the *Journal* the present school board has done a very good job of managing the district's money in the construction phase we have just come through (In the past ten to fifteen years, Lake Forest High School has been built, and there have been two major construction programs to expand a cafeteria and a gym, add new classrooms and build an auditorium and an athletic complex which includes the natatorium housing the swimming pool).

That phase, says Feutz, is now over, and it is time to give attention to the instructional budgets of the schools. These have not been increased for a

number of years. And with the effects of inflation on the dollar, that means the funds spent on educational programs have actually been cut. He cited the high school library, equipment for the science departments and textbook needs throughout the district as areas which deserve attention.

Rick Feutz also believes the local school board should become more involved in the educational policies of the district as they are actually carried out in the classroom. This might include monitoring more closely what is being taught and how, an increased awareness of what is going on in the schools. He said the board is just as responsible for this aspect as it is for managing the money.

A native of Wisconsin, Frederick Feutz graduated from Plymouth High School and later

Director of the Week

Bill Paskey

Bill Paskey has been a member of the Board of Directors of The Peoples Bank since 1975. He is presently a farmer, owner of Paskey's Wharf in Bowers Beach, and a member of the Kent County Levy Court for 16 years and its President for the past eight years.

"I've been a customer of the Peoples Bank ever since I was a youngster. Like the other Directors, I enjoy working with them because they are a dedicated group of men. I find them to be very cooperative and it is a privilege for me to serve on this Board. I think the employees of this bank are extremely helpful and friendly, and that's what makes this bank a success", said Mr. Paskey.

Mr. Paskey pointed out that there is a struggle by the small banks to keep the larger banks from taking over, "...and that's why we strive to serve the needs of the community", added Mr. Paskey. "Small communities need the type of personal banking services that they receive here", added Mr. Paskey.

Mr. Paskey is married to the former Doris Alexander. They have four children, Jean, Billy, JoAnn and Mark.

Get Together and

Gabfest

by Pat Hatfield

Are you all steeping yourselves in the beauty of the spring flowers? Pinks, whites, reds and yellows? Everyone keeps saying that they are earlier this year. I had in mind that when May came and the dogwood started blooming we would share once again the "Legend of the Dogwood". I long to go to Valley Forge. It seems to me that the dogwood is the most beautiful ever there. But by the time you read this it will be May and I note that the dogwood is already in bloom, so once again it is time to share in the reading of this lovely bit of writing.

"The dogwood, distressed that it had been chosen as the timber for His Crucifix, was told by Jesus, I promise you that never again shall you grow big enough to be used as a cross. Instead, your blossoms will be in the form of a cross...two long petals and two short ones, on their outer edge the marks of nails brown with rust and stained with blood. An image of the crown of thorns will be at the center of your flower, so that all will cherish the dogwood as a reminder of my death on the cross."

Yes, the violets are blooming nestled in the grass and I managed to overcome my arthritis enough to pick a little bunch for my tiny Toby jug on the kitchen windowsill. During my walk I found a small clump of my Confederate violets blooming by the path after I thought they were all dead. I pointed them out to Dad and asked him to take special care to protect them.

I like all flowers, but the tiny violets and the lily-of-the-valley with their incredibly exquisite bells really give me a message. Sometimes we long for a different place in the universe, but I look at them and know that they are content to live where they have been placed and there they perform their humble ministry.

Reminds me so much of a poem I often repeat to myself to keep myself satisfied and humble. "If you can't be a pine on the top of the hill, Be a scrub in the valley, but be The best little scrub by the side of the rill... Be a bush if you can't be a tree. If you can't be a bush, be a bit of the grass And some highway much happier make. If you can't be a Muskie, then just be a bass... But the liveliest bass in the lake."

Over The Back Fence

by Shirley Warren

Mr. and Mrs. Charles Donophan, Mrs. Louise Greer and Mrs. Jeanette Nalbhone visited Mrs. Greer's son and wife, Eddie and Anna Mae Greer in Belle Hanen, North Carolina. Eddie and Anna Mae are the proud parents of a baby boy Timothy Matthew, born April 17. Leaving Mrs. Greer to play with her grandson, Mr. and Mrs. Donophan and Mrs. Nalbhone went to Kinston, North Carolina to visit friends, Mrs. Ruth Hudson and Mrs. Nalbhone's daughter, Mrs. Simon Bright and family of La Grange, North Carolina. While in Kinston, NC they also visited Mr. and Mrs. Kenneth Woodall.

I would like to welcome Mr. and Mrs. Alvin Donophan and Mr. Harry McKnatt as my neighbors and to Felton.

Congratulations to all the seniors of Lake Forest High School.

We can't all be captains, we've got to be crew There's something for all of us here.

There's big work to do and there's lesser to do And the task we must do is the near. If you can't be a highway, then just be a trail If you can't be the sun, be a star. It isn't by size that you win or you fail Be the best of whatever you are!"

The author is Douglas Malloch. I am not familiar with anything else he ever wrote, but this is an inspiration to me.

Dad has a number of baby bunnies hopping around the yards and so Morris, the big yellow cat, has to be somewhat restricted in his activities. He needs to have some outdoor life, too, so we are trying to cope with the situation. He is afraid of the mockingbirds because they chase him across the yard and nip his head. When we had barn swallows, they were always chasing the current cats.

Now it's time to go out and get the mail and the newspaper and then come in and see if I can manage to make last night's leftovers look like a whole new ballgame!

Mrs. Travolia Taylor was guest of honor at a birthday party given by her children. Happy Birthday! Mrs. Sallie Needles and Mrs. Elizabeth Anthony called on Mr. and Mrs. Gootie Brown of Greenwood on Monday afternoon.

Mrs. Elizabeth Anthony called on Mr. and Mrs. Lloyd Dimmitt and daughter Michelle on Saturday.

Callers of Mr. and Mrs. Clarence Anthony Tuesday evening were Mr. and Mrs. Albert Vincent, Jr., Mrs. Grace Jester, Mr. and Mrs. Donald Melvin and son Scott and Mrs. Elizabeth Anthony. The occasion was Phoebe's birthday. Happy Birthday Phoebe!

Mr. and Mrs. Homer Brown had dinner with their Godchild Terri Beheler on Sunday. Later in the evening they called on Mrs. Golda Feyerabend.

On Saturday, May 3 the Harrington Little League held its annual parade. The parade started on Reese Avenue, proceeded through town, up Delaware Avenue to Raughley Hill Road where they made their way into the Moose. The Harrington Police led the parade, following were the W.T. Chipman Band, led by Mr. Alex Becton, then the Harrington and Felton Volunteer Fire Co.'s and Little Leagues, Minor Leagues. The Mayor and lots of happy kids ready for opening day of the season. Good Luck to all of you.

On Sunday, May 4, Mr. and Mrs. Paul Levers and daughters Annie and Paula attended a horse show in Laurel put on by the Laurel Saddle Friends. Little Paula came home with two ribbons. Annie competed in a class with 16 men, seeing as she's only eleven I think she did really good. She got fourth place. Then it seems as Pat beat Paul in poles, but Paul beat Pat in barrels. All in all a good time was had by all.

Mrs. Pauline Gartner and Mrs. Joan Viggiani of Fort Lauderdale, Florida, flew home and spent the weekend with their parents, Mr. and Mrs. Carroll Welch, Sr. and other relatives. They attended the Harrington Alumni Banquet

Saturday night. They came the farthest distance. Mrs. Pauline Gartner celebrated with the Class of '55, this being their 25th year reunion. Mrs. Joan Viggiani celebrated with the Class of '60, this being their 20th year reunion.

Little Miss Tina Welch, daughter of Mr. and Mrs. David Welch celebrated her seventh birthday on Sunday with lots of relatives and friends. Everyone enjoyed homemade ice cream and cake and wished her many more happy birthdays. Happy Birthday Tina!

Mr. and Mrs. James Donovan and Mrs. Amelia D. McSweeney attended the wedding of their niece, Miss Amelia Donovan and James T. Maurer in the Holy Cross Roman Catholic Church, Saturday at 1 p.m. in Dover. Immediately following the ceremony a lovely reception was given outside on the terrace by the small lake at the Gold Key, Treadway Towers, Dover.

Mrs. Louise Greer returned home on May 1 from a visit with

her son and his wife Mr. and Mrs. Edmund Greer and her new grandson Timothy Matthew of Bellhaven, North Carolina.

Mr. and Mrs. Charles Donophan, of Felton, Mrs. Jeanette Nalbhone of Magnolia and Mrs. Louise Greer of Harrington visited with friends and relatives in Kingston, North Carolina last week.

Sympathy is extended to Mrs. Jean Plummer on the death of her husband Frank. Sympathy is also extended to his sister, Mrs. Grace Brown.

Mr. Elmer Wyatt is still a patient in Milford Memorial Hospital. He's in Room 252. Get Well soon Uncle Elmer.

Miss Lori Ann Wyatt is now the proud owner of a beautiful Chestnut quarter horse named Thunder. He is her graduation present, about five weeks early. Another new addition to the Wyatt family menageri.

SMILE!

Bible Study with Slyvia as leader was held Monday morning. Many inspiring hymns were sung in preparation of going to Crescent Farms Nursing Home Monday afternoon. The patients there surely enjoyed the Jolly Timers and sang along with them. Most satisfying!

Jolly Timers with Ina at the piano had a good practice Tuesday morning health nurse was here and made some happy and some not so happy - anyway put them on guard. Answered questions in absence of pharmacist.

Ceramic table was busy and full of all kinds of nice things. We have a perfectly adorable black cat on orange pumpkin with a lady bug on the side, light it up if you like. Tell you, it's a true Halloween piece to be proud of for years to come. A very special beautiful bunny with an orange carrot. Another bird feeding two baby birds is so pretty. Also graduates and graduation plates.

Tuesday afternoon there was Bingo going on in one room - 500 in another, ceramics in another, pool, dominoes, and music in another. The Center was bouncing and if you don't believe

me - come on in and see for yourself.

After oven baked chicken, mashed potatoes, peas, cranberry sauce, applesauce cake, coffee, tea or milk.

Wednesday George Goodge was kind enough to show a movie. Many worked on their personal ceramics. There is most always a domino game going on and Larry's after dinner music helps lift the spirits and then when the men sing - well-you-just have to stop and either dance or just listen. It is nice!

Bowling at Milford Lanes Thursday local shopping. Had a good buy on chicken at both Food Rite and Quillens.

Edna Murphy was here with Nutrition Friday. Edna is fun and

presents her program well.

Levi's and Lace May 9 - you will have fun if you are here.

Don't forget members meeting Monday, May 12. Trip to Christiana Mall May 13, Rummage Sale May 14-15, clean up May 16.

Bean poles are appearing on the bus route and in town - onions showing their tops, peas are waving and strawberry blooms are plentiful. Just wish the strawberries were on. Boy, they are a favorite!!

Thinking of you and wish nothing but the best to ALL!

And remember - do not stop at doing necessary kindness; the unnecessary ones are of far greater importance.

We have a correction to make. The person who gave me the news item concerning the Rev. Mrs. Copeland's birthday party called me later and regretted that two names had been omitted. These were special guests, namely, the Rev. Etta Clough and the Rev. Etta Mitchell of Centerville, MD.

Greenwood United Methodist Charge will be privileged to hear the Rev. Walter Crawford at the Greenwood Church on Sunday morning and evening, May 25. He is a Scotsman, and one of the Lord's anointed preachers of the Word. He plays the accordion and sings also. He is married to Duens Plack of Milford who will also be singing. Pray for Walter and Duana and their fellowship with us! Let us prepare ourselves for their coming as the Lord will direct.

Report from Hickory Ridge C.M.C.: The Sunday evening service numbered 242 to hear the Faith Singers including the 47 in the choir group.

The pastor and his wife attended an informative meeting in Dover last week where Mrs. Kitty Werthmann of South Dakota was the principal speaker. A native of Salsburg, Austria, Mrs. Werthmann was only 12 years old when National Socialism invaded her country. The crucifix on her public school room wall was replaced by a picture of Hitler and a Nazi flag. Paramount in National Socialism's indoctrination and re-organized social order was equal rights for both sexes, comparable to what would happen under ERA. Women were soon to have to do men's work in order to get a ration card; served in the army, including combat and participate equally in sports. Little children were raised in federal child care centers. She told of many horrors experienced in her homeland, and the dangers to us here if ERA is passed. We also believe this would be dangerous to the family and the freedoms we have.

Jehovah's Witnesses

An upbuilding highlight in the lives of several local residents and members of the Felton congregation of Jehovah's Witnesses will be their semi-annual visit by their circuit overseer, Mr. Wilbur Strickler.

Besides the normal five (5) weekly meetings at their Kingdom Hall, there will be four (4) others during this special weeks activity of May 13-18.

There will be a special meeting later during the week on Thursday night, which includes a Bible-

question period entitled, "Continue In the Things You Learned," with audience participation. This will be followed by a 30-minute talk by Mr. Strickler. The highlight of the week will be a special public talk presentation entitled, "How Purposeful Is

Your Life?", given by Mr. Strickler on Sunday at 9:30 a.m.

The public is invited to attend all meetings at the KINGDOM HALL, located at Woodside. All meetings are free. No collections are taken.

Kemp-Calhoun Engagement

Mr. and Mrs. Harry C. Kemp, of Felton are proud to announce the engagement of their daughter Donna Jean to Terry Lee Calhoun of Harrington.

Donna is employed at Milford State Service Center as a Secretary/Receptionist.

Terry is the son of Mr. and Mrs. Leroy M. Calhoun of Harrington. He is employed with his father at L & D Electronics, Harrington.

A 1981 spring wedding is planned.

Coming Events

The Lake Forest chorus, stage band, and assorted wind ensembles will present their Spring concert May 14, 1980 at 7:30 p.m. in the high school auditorium. Admission is FREE.

On Saturday, May 17, 1980, the regular monthly meeting of the General Service Committee of the Odd Fellows and Rebekahs of Delaware will be held in the rooms of Morning Star Lodge No. 6, Independent Order of Odd Fellows, Smyrna, DE with Chairman William H. Walker calling the meeting to order at eight (8:00) p.m. The public as well as members are encouraged to attend.

The Lake Forest High School Spanish Club is sponsoring a bake sale and a car wash on Saturday, May 10. The bake sale will be held at Quillen's Shopping Center in Harrington, with the car wash taking place at W.T. Chipman Jr. High School, Harrington.

Berry Funeral Homes
Dear friends,
The visitation - having the body present with members of the family present - encourages sharing the bitter experience of death. When visitation is cancelled, it deters friends from expressing love, support, and from releasing their own emotions. The best grief therapy for all is to share the loss.
Respectfully,
William C. Berry Jr.

OBITUARIES

LEON L. BROGLEY
 GREENSBORO, MD - Leon L. Brogley, 56, of Greensboro, died Sunday at his home after a heart attack.
 Mr. Brogley was a driver for the Smith-Douglas Fertilizer Co. in Denton.
 He is survived by his wife Eva; a daughter, Sharon Stubbs of Greensboro; two brothers, August of Greensboro and James of Easton; two sisters, Elizabeth Dill of Greensboro and Madeline Kling of Wyoming, DE, and a grandchild.

Services will be at 11 Thursday morning at the Boulais Funeral Home, Greensboro. Friends may call Wednesday night at the funeral home, where the Rosary will be recited at 7:30. Burial will be in Holy Cross Cemetery, Greensboro.

She is survived by her husband Walter D., Sr.; two sons, Douglas D. of Dagsboro, and Walter D., Jr. of Columbia; three daughters, Ellen E. Saether of Gaithersburg, Lynda Russell of St. Joseph, Mich., and Cathy H. Godfrey of Bishopville, and four grandchildren.
 Mass of Christian Burial will be offered Friday morning at 9:30 at St. Elizabeth's Catholic Church, Denton. Burial will be in Denton Cemetery. There will be no viewing.

ELVIRA R. HANWELL
 DENTON, MD - Elvira Rita Hanwell, 54, of Denton, died Sunday in Georgetown University Hospital, Washington, after a short illness.

Track Boys Win Again

by Keith S. Burgess

Jim Blades' Spartan trackman bested Smyrna easily, 92-49 at Smyrna and are now 4-3 on the season.

Ken Thorpe blazed 100 meters in 11.1, 200 meters in 23.1 then anchored the winning 400 meter relay unit to a 45.4 victory. Peanut Perry, Jeff and Jeffrey DeShields accompanied Thorpe there. Marvin Burton replaced Thorpe and the new foursome

went 1.36.2 to take the 800 relay. Leroy Parker circled the 400 meter track in 53.9 with Randy Ramirez third. This pair added Nelson Mosley and Charlie "Chan" Benson for a 1600 meter relay victory with Benson turning in the fastest leg.

Doug Caskey 9.49 and Bill Mitchell were first and second in the 3000 meters. James Browne, a talented freshman, led a Spar-

tan sweep in the high jump, clearing 5-6. Kevin Moehlenkamp and Marvin Burton helped him there. Kevin also annexed the 110 meter high hurdles followed across by Ken Clarke and Tony Scott.

Scott and Brian Moehlenkamp were 2-3 in the 300 meter hurdles.

Derwin Smith "flew" 20 feet, 9 inches to win the long jump. Brett Asbury was second (19-10). Smith and Asbury were 2-3 in the triple jump.

Jay Howerin and James Lofland were second and third in the 1500 with Lofland a close third in the 800. Smyrna has a strong distance running duo in John McDonald and Eric Bryk.

Mark Stayton (39-3) and John Dill (38 feet) scored for Lake

Forest in the shotput while Jim Fleming (122 feet) and Page Pulley were second and third in the discus.

Second places were added by Ken Williams in the pole vault, Marvin Burton, (11.35 100 meters) and Harry Brown, a swift 23.7, 200 meter dash.

Local Man Wins Run For Life

Mr. Nick Morris, son of Mr. and Mrs. Charles Morris of Harrington participated in the American Heart Associations RUN FOR LIFE in Salisbury, MD and won in the 30-35 yrs. age category. He finished 2nd place in the overall six mile run with a time of 40:13 secs. Nick was sponsored by The Peninsula General Medical Center in Salisbury. Nick lives in Delmar with his wife Ann and little girl Kelli.

Spartan Girls 112 Dover Air-19

Lake Forest's girls track team is at 4-3 after a one-sided 112-19 romp at the expense of Dover Air's last year team.

Juana Moorman and Carol Payne united for 22½ points, more than enough to defeat the Falcons.

Moorman was first in the 100 meters (13.7) 200 meters (28.1) and ran with Pandora Scott, Cheryl Manaraze and Tina Durant on the winning 400 meter relay quartet.

Payne annexed both hurdle events and combined with Donna Pardee, Julie Lake and Annette Baynard for a 1600 relay victory.

Muriel Greene and Kim Moehlenkamp were second and third in the 100 hurdles. Greene and Tammy Hinson tied for second in the 200 hurdles.

Scott and Linda Smack completed the Spartan sweep in the 100. Scott, Smack, Durant and Karen Gibbs took the 800 relay in 155.

Sheri Coburn ran a lifetime best 800 meters (2:33.4) to qualify for the state meet. She can now run in the 800 and 1500 there. Gina Turner and Donna Pardee went 2-3 in the 800.

Sheila White (13.48) Darlene Wyatt and Terry Smith swept the 3000 meter run. Turner, Valerie Moore and Susie Asbury did the same in the 1500. Annette Baynard (63.3) and freshman Donna Pardee (54.4) were second and third in the only running event won by Dover Air. These two, Julie Lake and Carol Payne had an easy workout in the 1600 relay.

Cheryl Manaraze, sophs Karen Gibbs and Annette Rawding swept the long jump. Manaraze

was second to Tina Durant's 32 feet, 2 inch effort in the triple.

Sharon Hultie cleared 4 feet, 10 inches in the high jump with Kim Moehlenkamp second. Hultie was second in the discus with Jennifer Bell third. Cindy Kemp's personal record shot put throw, one half inch short of 26 feet, got her second place ahead of Michelle Penn, another half inch back.

Spartans Nip CR 4-3

Lake Forest High's Mark Smith pitched and hit his way to victory on Friday on the home field. The score was tied 3-3 when Smith came to bat in the bottom of the seventh inning with Doug Collins at third. Collins had opened the inning with a walk then stole second and third. Smith brought him home with a single to right field.

Cesar Rodney had early leads in the game, but just could not hold them. Smith allowed three hits while striking out three and walking five.

Indians Edge Spartan Trackmen 73-68

by Keith S. Burgess

Indian River won the last event the mile relay to gain a hotly contested decision over Lake Forest at Dagsboro-Frankford last week.

The Indians won all three relays both short sprints and four of the six field events to edge the Spartans. Indian River used a state champion wrestler and several members of their state champion basketball team to account for quite a few points. Such athletes here generally play baseball or do nothing in the spring.

Jay Howerin was a double winner for Lake Forest as he and freshman James Lofland were 1-2 in the 800 and 1500 meter runs as were Doug Caskey and Billy Mitchell in the 3000 meters. Paul Harris and Leroy Parker were first and second in the 400 meters.

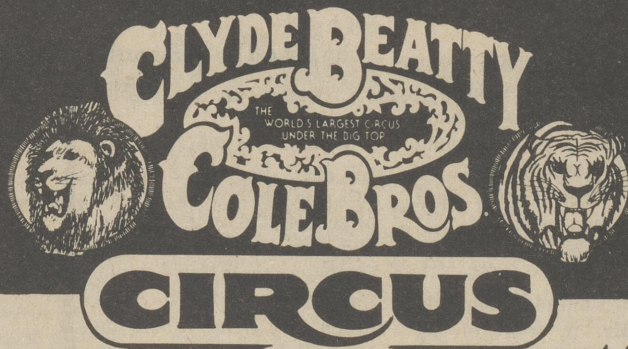

Sophomore Mike Howton won the high hurdles and was a close second in the intermediates.

Other Spartan winners were Dilmus Rogers in the discus and Derwin Smith in the triple jump.

Poetry writing really is fun.....

Mr. Davidson's fourth grades at East Elementary have discovered that poetry writing really is fun. These young poets have been learning how to write a special kind of poem called "The Diamante". A diamante (Dee-ah-mahn-tay) is a diamond shaped, seven line poem that goes from one idea to its opposite. The first line is one word - a noun. Line two is two adjectives describing the noun. Line three is three verbs ending

in "ed" or "ing" and related to the first noun. Line four has four nouns. Two are related to line one; two suggest change to line 7. Line five has three verbs ending in "ed" or "ing", but related to line seven. Line six is two adjectives describing line seven. Line seven is a noun opposite to the first noun. Sounds confusing? Well, here are a few examples from our fourth grade poets:

First Grade tales of "The Gym Show"

Many eyes throughout the Lake Forest District watched the recent series of tumbling shows presented in the elementary and junior high schools by students from W.T. Chipman. No eyes were more entertained than those belonging to a group of first graders at Lake Forest North Elementary who sent their stories of the show down to Miss "T" (Miss Violet Testerman) at Chipman. She passed them along for Blue B readers to enjoy. The stories, untainted by any adult pre-

occupation with spelling and grammar, follow:

The Gym Show

I like the nake roll. I like wen Mes. goil got went. I like eskmowe roll. I like the cartwels. I like the 15 jump.

Despite a valiant effort, Chipman students were bested by their teacher in a recent battle of the nets and the boards. However, it was all in fun. The next confrontation will be in the classroom.

What will you be ... when you are old enough to have 'Mr. or 'Mrs.' in front of your name?

What would you like to be when you are old enough to have 'Mr.' or 'Mrs. in front of your name? That was the question Mrs. Gibson asked of her South Elementary

fourth graders. The question turned into a written assignment, and the results turned in were as follows:

When I grow up I want to be a teacher. I want to be a teacher because I want to correct papers, and write on the board. I also want to teach children how to do math and other things.

by Cindy Gamido

When I have a Mr. in front of my name, I want to be an astronomer. Because I like to study the planets and the stars, and someday when I become an older man I would like to tour the Moon.

by Don Hickman

If I was grown up and married and had Mrs. in front of my name I would be a super star practice my songs and then I would tell people when I'm going to sing and where I'm going to sing and say what the name of it is and sing the song I practiced and if they like it I'll practice another song and sing it to them and another song and I'll keep singing the songs I practice.

by Christine Becker

If I was Mr. Joseph L. Buckler, I would be a father of my babies. And I would have a wife. And a maid to do my wifes work.

by Joseph L. Buckler

I would like to be a waitress and serve people food and have fun and best of all get paid. That's the best of all.

by Tammy Rust

I want to be a singer and a housewife and aseratory and tape and take notes. I want to take care of the records and I want to answer the telephone. I want to be a good secretary and I will give books to the teacher when they need them. I want to be a princepal. I like to get the mail.

by Mary Bruns

I would like to be a truck driver and go places and see things and take my family alone with me and take food to other citys and win I get off of work I will bring it home and tune it up and wash it. And I will need 10,000 thousand dollars to buy it and I would go to New York and Baltimore and New Castle and after I get it I will like to be behind a eighty wheeler. School has book fair

The Lake Forest East Elementary children are participating in the Annual School Book Fair. EAcH class has an opportunity to browse through the available books and purchase one or more of their choice. Mrs. O'Toole, the librarian, and Mrs. Johnston, a parent volunteer are directing this operation. All proceeds go toward purchasing new books and materials for the East library. Parents had the opportunity to see the exhibit on April 30th and May 1.

Note: Ms. Peggy Coyle, who had a damp day, has probably learned by now that there are more ways of spelling her name than the one she learned in first grade. The same is true for Mr. Young who apparently got papered, feathered, and bombarded with "Cowterfed".

The Sixth Grade Learns to Swim

For two weeks in May, the 6th graders of South Elementary are going to take swimming lessons at the Lake Forest High School. The purpose of this

activity is for the students to learn water safety so they can save their own lives in case of an emergency. Each homeroom will leave at dif-

ferent times. The students will go to the lessons on a school bus. They also will go up ahead of time to see the pool.

Balloon Uprising

The third grade classes of Mrs. Conner, Mrs. Myer, and Mrs. Nelson sent up helium balloons. The balloons were sent off in the

back of the school on March 20, 1980. They are going for educational purposes. They sent them off to get pen pals. The Weekly Reader

Book Club is sponsoring them. The third graders tied bags at the bottom of each balloon. Inside each bag was the name and address of one person. When someone finds the balloons, he or she can write to the person who let it go.

Kites Away!

March 3, 1980, found the 8th graders of W.T. Chipman for a grade. The students kites during 5th period. Their teacher, Mrs. Franklin assigned this to the class for a grade. The students were supposed to make the kites. If a person's kite

didn't fly, he or she would still get 100 per cent for a grade.

Mrs. Franklin twisted her ankle while trying to fly Steven Moore's kite. Terry Wood's kite got caught in the wire, and the wires burned his string.

Heritage Day 1980 is a big party for Harrington; it is to celebrate Harrington's Heritage, its olden days.

At Heritage Day there are plenty of things to do. There is an old fashioned spelling bee held at the Century Club on Dorman Street. You can set up tables and have a mini-flea market. There are door-prizes and chances. You can guess the weight of a pig and win him. There is a Heritage Day Poster Contest.

Heritage Day 1980 is for the young and the old. If you like fun, come in August to the 1980 Heritage Day.

Trip to Washington

The sixth grade classes are going to visit the Smithsonian Institute in Washington, D.C., on May 20, 1980. They are going for educational purposes. They plan

to see the Capitol and some of the fifteen buildings of the Smithsonian Institute. The trip costs \$2.50 per person and there will be chaperones going along.

Junior High Shows Talent

The fifth, sixth, seventh and eighth grades of South Elementary and W.T. Chipman are having a talent show. The show is taking place in the W.T. Chipman fieldhouse on April 25, 1980. Eighteen entries were accepted on a first come first

serve basis. You can't get an entry blank now, but you can come see the show and bring your families.

First prize is twenty-five dollars; second prize is fifteen dollars, and third prize is ten dollars.

DPI Visits School

The Department of Public Instruction was interviewing teachers that work at Lake Forest on April 15 through 17. They came to see how the teachers worked and what went on. They also wanted to see what the

school needed. Some of them even asked the students questions.

Before the people from DPI came, the teachers also sent in forms about what they think the school needs.

Dear Sue,

My problem is in school. I try to get good grades, but I don't get very good grades. I try to, but I just don't know how.

Could you tell me a way to get them?

L.M.

Im.,

Try to improve in spelling and handwriting. Ask your teacher if there is any extra credit work that you can do. Also concentrate more on your school work.

Dear Sue:

I've got a problem. There is a boy in my math class that is always bothering me. I want to know if you can get him off my back. I need help bad. Do you think you can help me?

Thanks, Truly

Yes, I can help you. Ask him to leave you alone or ask the teacher to move you.

Field Day Is Coming

by Teresa Taylor

Field Day is coming! Yes, Field Day is coming. We interviewed one of the people who help out at Field Day, Mr. Drummond.

We asked Mr. Drummond who he thought would be the field champions in both grades. He said, "I think Miss Myer's room and Mrs. Shaw's room have a good chance at it. Mr. Drummond's and Mrs. Green's rooms will give them some competition. But they would probably be the ones."

get sunburned easily to make sure and have something that's long sleeved to put on to protect their arms. Because without that we do have a few people that really get burned."

Tumbling Show Went Tumbling

by Bruce Patrick

As most of you know, the Junior High held their Tumbling Show in the field house on April 3, at 9:30.

The Tumbling Show had the same events as it did the year before, but it had more. Miss Testerman and three other people told us they assembled the show late in the year because they had to teach and organize it.

Once the performance got started, she didn't have much to do with it.

Even though she didn't have much to do with it after the show started, she still deserves a lot of credit.

The winner in the diving over people was Raymond Deshields.

As usual, they had clowns. They also deserve credit for their entertainment.

May Days Are Here!

May is often considered the most beautiful month of the year because all the ice and snow melt away. The First gardens start to bloom. Some of the first blooming flowers in the United States are Jack-in-the-pulpit, forsythia, dogwood, and blue, yellow and purple violets.

On early Roman calendars, May was the third month.

Julius Caesar changed it so May would be on the fifth month. In ancient times, May 1 was a very special outdoors day for Romans. It was the day for Romans to honor their goddess Flora. Flora was the goddess of flowers.

In England, Maypoles were set up in village towns. Girls went out and picked hawthorne blossoms or "Mayflowers" to decorate the Maypoles.

The girls dressed in their prettiest dresses, hoping to be chosen the "May Queen".

Some important events and special days in May are Memorial Day, Armed Forces Day and the Kentucky Derby.

Memorial Day is usually observed on May 30. It is a legal holiday to honor those who died in the Civil War, Spanish American War, World War I and II, and the Korean War.

School Vandalism - Is it a problem here?

This was a recent interview by Derek Dill and Randy Wroten on school vandalism with our principal, Mr. Griffin.

Here at South Elementary, school vandalism is very limited. There is not much here you could really call vandalism. There are only

minor things like writing on bathroom walls and throwing paper on the floor. Nobody really knows why kids would want to do this.

Here school vandalism is more a matter of cleaning up than actual expense. It just makes more work for the custodians.

When the last vandalism case took place, something was done. It took place in the gym, when a second grader punched holes in a mat with a pencil. The punishment included a conference with parents and a paddling by Mr. Griffin.

OBITUARIES

-Nick o. Teen-

Mr. Teen died Friday at the Ash Tray. His age was unknown because he lived most of his life in a box. His enemy Camel Said that he was a tall slender, old foggy, stogy. His best friend said he was a nice old thing, but he always had a funny odor to him.

Old Nick died Friday night at a party. Some man stepped on him. Some close friends were Pall Mall, Winston, and Marlboro.

Services for Mr. Teen will be at the Free Coffin Funeral Home.

-R. Mortis-

R. Mortis was a poor old man who lived in a house of wood. THIS very old man liked to eat bark or wood. He died Thursday at the age of 97, he died from too many termites.

His last wish, to be buried in his wooden boots.

-Needs Coffin-

Mr Coffin died Tuesday after a very brief illness. She has lived alone for many years in a haunted house. This dear old cow's life came to a tragic end when she choked on a lifesaver. Funeral services will be

held in the Lou's Funeral Home. Please bring hay for her.

-CLASSIFIED- IN MEMORY

Susan Bell always cleaned my sidewalk when it snowed. She was a sweet little girl, and one I will always remember.

Music Hall Revue of the 1890's

Students at Lake Forest North Elementary in Felton will soon be turning back their clocks. But that does not mean they are late in adjusting to daylight savings time. Their clocks are to go back nearly a century to the 1890's where they will

remain suspended for just two dramatic and musical evenings - May 8th and 9th. The occasions will be the presentation by the Lake Forest North Drama Club of "Music Hall Revue of the 1890's", a dramatic production interspersed with lots of

music.

The revue is arranged as a series of dramatic conversations presenting scenes from the 1890's. The script allows plenty of room for the music and dancing which, as is usual with the big, semi-annual productions at North, involves a cast of hundreds of students. Both songs from the show itself and those which have been added are being rehearsed.

The North Drama Club is the backbone of the whole production which is under the direction of Ed Gabrielson. Members of the club

are cast in the dramatic roles and will do most of the dancing.

The back-up music is supplied by the 5th and 6th grade glee clubs as well as by students in the third and fourth grades. The 5th and sixth grade glee clubs and the third graders will be boys and girls of the 1890's, singing folk songs of the period.

July picnic scene will strike a note both patriotic and nostalgic as it brings on fourth grades in appropriate costume to do patriotic songs.

Jane Singleton is music

director for the production. She will be assisted by Kathy Klees and Keith Love (New music instructor at East and North) at the piano, and by Dick Isaacs on the drums.

The choreography has been arranged by Joyce Simmons, and artistic design is in the capable and creative hands of Robin Dean. Rae Ann Redman is also assisting with the pro-

duction. Several staff members are also involved in dramatic roles and/or the faculty dance which has become a tradition.

The curtain will go up at 7:30 p.m. in the gym at North on both May 8th and 9th. Admission is \$1.00 for students and \$1.50 for adults. Proceeds go to a fund to buy stage curtains, lighting and other equipment.

Register may become eligible for federal grants-in-aid to fund restoration and for tax credits for monies used for rehabilitation as well as protection from other tax credits which might encourage the demolition of such buildings. Some of the brick work on the building has been completed. But any federal funds which might be received in the future would have to go for new work, not that which has already been accomplished.

-Search for CETA Handyman-
Felton will be looking to CETA for the employment of a general maintenance person or handyman who can take care of grass cutting, cleanup chores and other odd jobs for the town. Mayor William Myers told the Council he had already met with Ms. Dee Hartley of CETA and that the paperwork is ready to go. In other business the Felton

Town Council:

-agreed that no date could be set for a referendum to annex the 22 acres on which Lake Forest North Elementary is located until the boundaries are specified in footage. It is expected that the new limits will include both sides of Delaware Rt. 12 and north and southbound U.S. 13 as they pass by the area in question. The Lake Forest School Board has already given its blessings to the annexation.

-discussed the possible purchase of several items for the police department. These include a first aid kit, an electronic siren and a cage for the police car. Ordering of new ticket books was also considered.

-heard that a number of stop signs are needed at various intersections throughout town and that several "Felton Town Limits" signs are missing.

Vicki Ivins, daughter of Mr. and Mrs. Harvey Ivins of Harrington has recently graduated from the Del-Mar-Va Beauty Academy in Salisbury, MD. She is a licensed Cosmetologist in the State of Maryland and Delaware and is presently employed at "Magic Fingers" of Dover. Vicki is a '79 graduate of Lake Forest High School.

Woodbridge Con't

Her husband, Mark, is employed with the Sussex County Soil and Water Conservation District. The Prettyman's have two daughters - Paula (16) and Patti (14), both students at Woodbridge High School.

William Dix
William Dix says, "I am running because I think I can help the Woodbridge School Board with some of its problems." Chief among the problems to which he refers are those financial. A veteran of twelve or thirteen years as Supervisor of Adult Education for the State Department of Public Instruction, Dix feels he is acquainted with a variety of sources of funding, both state and federal which might be tapped by the district.

Encouraged by the recent referendum in which a good voter turnout gave 8-1 approval of a measure that will put more money into educational programs, Dix would like to see an increase in the kind of community understanding and communication which made that referendum a success.

With some relief in sight in the matter of purchasing textbooks and supplies, he would now like to see some attention directed toward the district's school buildings. There has been no new building program since 1957, and, he says, some have been in service since 1930.

A resident of the district since 1939, William Dix is a graduate of Hampton Institute in Virginia and of New York University. He did additional work at Temple in Philadelphia.

He has been a teacher in schools in Milford, Virginia and New York City; an administrator at the Jason School in Georgetown where he was junior high principal, and a Supervisor of Adult Education for DPI. Retired since 1977, he still serves as Vice President of the Board of Trustees of Delaware State College and on occasion, as a consultant in adult education for H.E.W. (the U.S. Department of Health, Education and Welfare). He was also a supervisor of adult education for the James H. Groves Adult High Schools which grew from an enrollment of 110 to five schools with 3,000 students in Delaware. As hobbies he lists "...fishing, fishing and fishing."

He and his wife Elizabeth have one daughter, Jacqueline, who is an MD.

school district and in seeing that we get the best education possible with what finances are available. And she admits that finances are and will continue to be a big problem for the local district.

Mrs. Prettyman also thinks that everyone - parents, the community at large - needs to become more involved with the schools.

A graduate of Greenwood High School, she has long been active in school concerns. She is a member of the PTA and has continued to support the local bands from Junior High Band Boosters to High School Band Boosters. She and her family attend the St. Johnstown Methodist Church in Greenwood.

Sunshine 4-H

Our April meeting was brought to order by President Kelly Ryan. Kirk Ryan read a verse from the Bible, Brent Moran recited a poem.

Robin Zareo gave a demonstration of how quickly Easter grass used in Easter baskets can catch fire.

Sgt. Jopp of Harrington Police Dept. gave a demonstration with the 4-H Bike "Clover" stressing bicycle safety. We wish to thank Sgt. Jopp for his time and concern.

Mark Wilson reported on the Peoples Bank trash pick up which was done by Denise McIlroy, Jodi Wilson and Mark Wilson. Kelly Ryan reported that Easter favors were made for hospital trays. Several members of our club attended the 4-H skating party and fun was had by all.

Jodi Wilson reported on Junior Broilers. Jodi and Mark Wilson are raising 50 chickens each in the Junior Broiler competition. They care for the chickens until they are 8 weeks old, then pick seven of the best which are taken to the Delaware State Fairgrounds for judging. Good Luck!

Refreshments were served by Kirk Ryan and Brent Moran.

attended the University of Wisconsin. He came to Delaware in 1966 to work for Delaware Educational TV as a producer and director. At that time he was involved in the production and direction of a number of educational series for use in the classroom. He was particularly responsible for an English composition series for eighth graders and also worked on a Delaware history series.

Sometime after his years as producer and director for Delaware Educational TV, he was manager of a furniture store in Dover. Currently he is self-employed in the restoration of antique musical machines (old phonographs, music boxes, juke boxes, player pianos, etc.). This started as a hobby (Feutz has been a collector for 21 years) and blossomed into a business.

He is married to the former Iris Warrington of Harrington. They have two children, a daughter in the 7th grade at W.T. Chipman and a son in kindergarten.

Eleanor Homewood

Eleanor Homewood of Harrington says she has no axes to grind. She is seeking a seat on the Lake Forest School Board. She is vitally concerned for the students of this district and their education and especially anxious that there be more parent communication with administration and teachers. In her years as a parent in the Lake Forest District, she has seen a reluctance on the part of parents to become involved in the schools and what seems a lack of interest, sometimes even in those activities in which their own children participate. This, of course, would not be true of a minority who do get very much involved.

Getting involved, finding out what is going on, asking questions when she does not understand - all are things she says she has not hesitated to do.

Mrs. Homewood also said she was in favor of the current board's move for a referendum to get voter approval for transferring tax monies from the area of debt service to the general expense account where they can be spent for educational programs. But she feels strongly that the public should be educated so that the referendum and the needs of the schools are understood.

The former Eleanor Wagner, she is a 1957 graduate of Harrington

High School. Subsequently, she graduated from Goldey Beacom College in Wilmington.

Involvement as a volunteer with school activities has taken up much of her time. She has worked with both the junior high and high school bands and has been a majorette advisor. Currently she is also president of the Lake Forest Band Boosters. Last year she was a member of the high school Parents Advisory Council.

Among her other community activities are her nine years as director of the Cherub Choir at Asbury United Methodist Church, her membership in the Harrington New Century Club and the Merry Makers Home Demonstration Club as well as participation in the Community Singers and Singing Players. In her spare time she operates a small cake business.

She is married to Gary Homewood. They reside in Harrington and have three children: a son who is a recent graduate of Lake Forest High School, a daughter who is a junior there, and a son in the seventh grade at W.T. Chipman.

Thomas Wilshire

Reading an early newspaper account that no one had filed for the school board seat was what finally decided Thomas Wilshire to run. He said he had the impression, which he later found to be mistaken, that this would leave the incumbent, E.B. Warrington unopposed in the election. Wilshire felt that this would not serve the democratic process which should offer voters a choice. Actually this would have left the voters with no one to select, since Mr. Warrington had decided not to run.

Mr. Wilshire is concerned that parents get more involved in the schools and become more aware of what is going on. He said he and his wife have attended a number of Lake Forest Board Meetings and noted the pleasantly surprised reaction of board members to the fact that they were there as observers and not to register a complaint or as a part of a group wanting to get on the agenda.

He has at least three reasons for wanting to get involved to the extent of serving on the school board. The first of these is a real concern that the schools go back to basics in instruction. As an example, he cites the trend toward self-paced instruction as

evidenced in the use of the Holt math series. This he feels might be appropriate for some students. But for the majority, and especially for those who are younger, there is a need for teachers to give a real grounding in the basic facts.

His second concern is for the hiring policies of the local school board which he sees as tending toward selection of a local person, sometimes in preference to someone who might be better qualified. He is in favor of hiring the local person who is qualified, but thinks quality should be top priority.

A third and prime concern is for the big lack of parent interest in the schools. For most parents even to go to the extent of attending a school board meeting, he says, the motivation has to be some upset, some real problem.

Mr. Wilshire wants to get further involved and says he is "...not opposed to asking 'Why?', not opposed to making waves, and not afraid to say 'No'."

A graduate of Harbor Creek High School in the northwestern corner of Pennsylvania, he spent eight years in the United States Air Force. For of those were in Southeast Asia in Thailand and in and out of Vietnam. During that time he was a jet engine mechanic with the 8th Tactical Fighter Wing. He also spent some time in California before coming to Dover Air Force Base in 1969 as a jet engine instructor for the C141. Following that time he was employed by General Electric in Pennsylvania before returning to DAFB as a jet engine mechanic with the civil service.

Thomas Wilshire served as president of the Lake Forest North Elementary PTA for three years and has been active in the Woodbury Acres Civic Association of which he was vice president for two years. He is also in the reserves as a member of the 512th Military Airlift Wing and has been elected to a second two-year term as Chief Steward of the union at the base.

The Wilshires, who are presently living near Canterbury, have recently purchased a 150 year old home on Market Street in Frederica. They expect to be moving in the near future. They are the parents of four children, one son and three daughters, who are or will be students in the Lake Forest District.
