## CAT Results Show LF Elementary Scores Above National Average

District CAT test results presented by Lake Forest Superintendent William Cline to the Lake Forest Board of Education Monday night show local elementary schools ranking above the national mean or average of 50 for elementary grades. District averages for the total test battery given last spring range from a high of 65.8 (15.8 points above the national average) in first grade to 56.9 in third grade. Taken by individual schools, a number of the scores for the total battery are higher.

By the seventh grade, the district average has dropped back to just five points over the national mean at 55.0. For the Chipman eighth grade, the total battery average is right on the national mark at 50.0.

In the eleventh grade at Lake Forest High School the mean has slipped to 46.4. Only the eleventh grade at the high school level was tested.

In each of the three elementary schools, means for the total battery of tests were above the national average. But Lake Forest East in Frederica, at most grade levels, showed the highest averages with a range from 59.6 in grade five to 68.8 in grade one. At Lake Forest North in Felton the fifth grade average for the total battery, 60.5, is slightly higher than at the other two schools. In second grade, South in Harrington, the high is at 65.4.

There is a varying range as those total battery scores are broken down into the three areas - reading, language and math - each of which is subdivided. But at the elementary level, at no point do any of the averages fall below the national mean of 50.0.

Lake Forest Superintendent William Cline said yesterday the recent emphasis on basic skills and management programs which set standards for promotion from one grade to the next are having a positive effect on the test scores. He thought the results were more pronounced at the elementary level because students have had the benefit of the emphasis on basics from the very beginning. This year's eleventh graders, by con-

trast, have only had those benefits for the past three years, rather than at the earlier levels where they could make a bigger difference. It is also true that as students progress through school, the gap between the high and the low, the slower students and those at the upper end of the scale, gets wider.

Cline was pleased with the fact that mean scores above the national average were holding all through the elementary grades and into the seventh grade. He said in the past, scores have begun to slip below the national average by the upper elementary grades and definitely in junior high school.

The score summary presented to the Lake Forest Board Monday night differs from state CAT scores published in the Sunday News Journal in that the figures Cline gave represent a "mean" scores, and the figures released on Sunday were the "median" scores. A median is just a mid-point or middle score. If five students score 75, 82, 85, 94 and 99, the median or middle score is 85. However, the mean or average of the five scores is 87. Given a different set of scores, the mean would be lower than the median. Cline said median scores tend to exaggerate the "highs" and "lows".

A median score tells you that one half of the students in the district scored higher, and one half lower than that score. A mean is an average of all the scores and can be used for comparison purposes.

Total battery results for the district and its separate schools are as follows:

Grade 1: East-68.8, South-64.8, North-64.6, District-65.8.  
Grade 2: East-64.1, South-65.4, North-56.4, District-61.5.  
Grade 3: East-63.1, South-52.9, North 56.1, District-56.9.  
Grade 4: East-63.8, South 60.3, North 54.5, District-58.5.  
Grade 5: East-59.6, South-54.7, North-60.5, District-57.9.  
Grade 6: East-61.3, South-57.1, North 56.4, District-58.0.  
Grade 7: (W.T. Chipman) 55.0.  
Grade 8 (W.T. Chipman) 50.0.  
Grade 11 (Lake Forest High School) 46.4.

## Policy Defines Accident Procedures

The Lake Forest school Board Monday night gave final approval to a policy which delineates the procedures to be followed for bus drivers should a district bus be involved in an accident. The policy was developed in the wake of a spring accident in which a child was injured and a bus driver suspended. Its development was the response of the local board to pressure from concerned parents.

Basically, the policy sets up an Accident Review Committee which will investigate any accident involving a district bus in which there is a personal injury within 36 hours of the accident. The review committee would then present its findings and recommendations to the school board for action.

In the event there is no personal injury, the district Supervisor of

Members of the First Staters, the local team that captured the State Class B Women's Slo-Pitch Softball Championship are [back row, standing, left to right] Danny Hicks, Coach, Becky Chalmers; Kathy Wilson; Angie White; Laura Newnom; Robin Hurley; Becky Tatman and Gail Lutz, Manager; [front row, kneeling] Debbie Donovan; Julia Quillen; Carol Hicks; Brenda Gosch and Debbie Ellingsworth. Last Wednesday the First Staters dropped the Harrington League Championship game to Dover Air Force Base 0-2 and finished the local season in second place.

Top Photo - The Blacksmith at the State Ag. Museum demonstrates his talents with hot iron. Bottom - Sec. of Agriculture Alden Hopkins, right, Nutter Marvel, and Johnson stand before the one room school house at the State Ag. Museum grounds. The one room school house was given to the Museum by Corbit Collins which was located on his farm between Odessa and Armstrong Corner one mile north of Middletown. It was a county school District 82. There were no grades. The school room was divided into primary, secondary and advanced classes. 19 students attended at a time. The school was built in the late 1800's. It was closed in 1919.

## Firemen Stage 60th Convention

Delaware's volunteer firemen will stage their 60th Annual Convention beginning with a Past President's Dinner set for Dover's Blue Coat Inn this evening. Other convention activities, will stretch over the three day period beginning tomorrow, August 21, and continuing through Saturday, August 23. Headquarters for most of the convention activities is Smyrna High School in Smyrna. But the annual firemen's parade has been planned for Camden-Wyoming where it will begin at 3 p.m. on Saturday.

Along with the Firemen's Convention the Ladies Auxiliary will hold its forty-third annual state convention.

Actual convention activities for the Delaware Volunteer Firemen's Association will get underway with

registration and the opening of exhibits at Smyrna High School on Thursday morning. At noon, state president Richard E. Ennis of Citizen's Hose Company in Smyrna will call the 60th convention to order.

Thursday afternoon will see the meeting of the Firemen's Mutual Relief Association, also at Smyrna High School. In the evening, the Delaware State Fire Chief's Association will meet at Camden-Wyoming Fire Company, and the Delaware State Fire Police Association will meet at Magnolia Fire Company. Both meetings are slated to begin at 7:30 p.m.

Convention highlights on Friday include the annual Memorial Service at 10:45 a.m. at Smyrna High School and an officers' luncheon set

## New Mayor, 3 Councilmen Sworn In at Bowers

New Mayor John Parker and three new council members - George Boone, Arthur Penrose, and Lawrence Sullivan - were sworn in at a meeting of the Bowers Beach Town Council last Wednesday evening.

Parker, who owns and operates JP's Tackle Shop in Bowers had served as vice mayor prior to his election as Mayor on August 2. He succeeds June Donovan, Bowers Mayor for the last two years, and a

town council member who served as secretary for the year before that.

The three Council seats, including a replacement for Parker, were filled by write-in votes since no one had filed by the July 16 deadline for the positions. John Gosch and six year veteran Council member Betty Cabbage did not file for re-election.

Bowers Council members are elected for two-year terms.

## Supporters Say

### Library Funding Would Be a Bargain

For the price of one meal out at a fast food restaurant or two half gallons of ice cream, you could help fund the Harrington Public Library for a year. That is the message library supporters who are circulating two petitions with reference to the local library would like to get across. They would also like to clear up any confusion that exists about the two petitions.

Library supporters have been in the process of visiting Harrington homes to speak for the library's cause and to circulate the petitions. The first of the two petitions just asks for an opinion. Its signers are only indicating that they would like to see the library continue. Those who sign it make no commitment to paying taxes or anything else.

The second of the two is directed just at property owners and asks for support of a tax district, roughly within the bounds of the Lake Forest School District, to support library services. The library's supporters calculate that a tax of 4c per \$100 of assessed real estate value, or about \$3 to \$4 per year for the average property owner, would do the trick. Again, they point out that the sacrifice of just one meal out or some high calorie, low nourishment snack food could help save a service that has become of enormous value to many area residents, both young and old.

The petitions in Harrington are expected to be completed this week.

## Crafts Will Highlight Heritage Day

The twentieth century assembly line has made it possible for a variety of goods to be distributed to more people. But its plastic products somehow lack the touch of the craftsman that lent dignity to the most common household item in our more self-reliant days. Crafts have always been a part of our life. But in recent years there has been a resurgent interest in all kinds of crafts both from a nostalgic viewpoint and the purely practical emphasis on quality and workmanship.

Harrington's second annual Heritage Day will offer a look back at America's early days as a variety of people display their work, demonstrate their craft and offer some items for sale. Heritage Day craftsmen include faces both familiar and new.

John C. Bell of Goldsboro will be on hand to demonstrate the art of fashioning wooden handles for implements such as axes, and Charlie Hrupsa will show how that everyday item, the predecessor of the vacuum cleaner - the household broom, was put together.

In early years, many of the items we look for on supermarket shelves or at the hardware store were produced at home or by local craftsmen. On Heritage Day, James Mervine will be on hand with his maple syrup; Arturo Bassols, an instructor at Delaware State College, will put on a pottery demonstration, and Mr. and Mrs. W. Carroll Welch, Sr. will show how the soap for the family laundry and other purposes was made in the days before the housewife had two dozen brands of detergent from which to choose.

Containers of all sorts including a variety of baskets for a multitude of purposes were among the crafts that were common to generations of Americans. On Heritage Day, Calvin Minner of Harrington will be here to demonstrate the construction of berry cups, and Felton's Joe Hughes will also display his basket making craft. Alex Vogel may be here to make farm baskets.

Elbert Stevens, whose model of Harrington in early years is familiar to many, was promised to put a doll house together on the spot so that Heritage Day visitors can see him at work. And Edmund Reed, who makes sweet music and sweet musical instruments will bring his dulcimers. In addition to several of the completed instruments, he has said he will have the parts of one to be put together as he talks about his craft during the day. Reed, a cabinetmaker, will also display some of his own grandfather clocks.

Harrington's resident wood-carver, Jehu Camper and his wife, Lillian will come with their wood miniatures and their tales of a rural America that fascinates many. In addition, a protegee of Mrs. Camper, Claude Neeman, has promised that he will demonstrate the art of cane and rush weaving.

Mrs. Gladys Shaw, a member of the Eastern Shore Fibre Guild, will bring her loom to demonstrate weaving. The Guild sponsors teams which show the production of fabric from shearing the sheep to carding

the wool through spinning the thread and weaving the cloth. While there will be no sheep shearing or wool carding on Heritage Day, it is very possible that there may be some spinning.

At the Harrington New Century Club, Eddie May Cooper will be in charge of a group of crafts to be displayed and demonstrated there. These will include quilting, oil painting (Diane Bauer), rug braiding, tating and fabric craft.

During last year's Heritage Day, signatures were sold for a signature quilt that has now been completed. For donations of a dollar, names will be put in a hat for a drawing to award the quilt to someone during the day.

Displays are to include Mrs. Dorothy Torbert's antique dolls, the Madalyn Tharp fair book collection and artifacts from the grist mill that is now the location of Welch's Seed Service.

Three locations are planned for the crafts displays and demonstrations during Heritage Day: the Harrington New Century Club, the Nazarene Church parking lot, and the grounds of Welch's Seed Service.

## Gabrielson:

### Hours Were Long, but Convention Worthwhile

Felton's Ed Gabrielson, a teacher at Lake Forest North and president of the Lake Forest Education Association, says that his trip to the Democratic National Convention in New York last week meant long hours of work, but was worthwhile. Gabrielson attended as a delegate-at-large from Kent County pledged to support the renomination of President Carter.

The Journal asked him if he thought a national convention at which the outcome, at least as far as who the nominees would be, was a foregone conclusion is a worthwhile political effort.

Gabrielson said "Definitely", and gave several reasons for his answer. The biggest plus, he thought, was the work on the platform in which several minority planks were accepted. He did not agree with all of them, particularly the setting of a dollar amount for the jobs program, but thought the exercise in hashing them out fruitful.

The Journal also asked Gabrielson whether the platform in a national election year has any real meaning. Gabrielson said, "Yes", and pointed to the Democratic Party's commitment to a mid-term convention in 1982 to hold its successful candidates accountable to the platform promises.

On a more personal level, he thought the convention worthwhile because of opportunities to meet others from various states who face similar problems and the chance to meet national candidates.

Gabrielson is happy with platform pluses for education, particularly with President Carter's support for collective bargaining

### Attention: Journal Readers & Subscribers

Three weeks ago *The Harrington Journal* reported in a caption to a picture of Walter Messick and Franklin Hendricks "...that without these two men the Delaware State Fair would not be possible". The point was laid to the fact that each of these men contribute so much in the way of their machinery and help to perform the jobs necessary to the Fair.

The caption went on to relate the fact that these men were responsible for the dinner on Friday of the Fair for the people involved in the Antique Machinery Display in the area next to U.S. 13. There are more than just these two men who contribute to the Antique Machinery display as well as the dinner prepared on Friday of the Fair. There are approximately 75 persons involved in this undertaking. It is to be stated that a special thanks goes out to all of those involved in this project, but a special thanks to those women involved in the preparation of the food. Mrs. John (Mary) Porter each year prepares a tremendous amount of potato salad "which is enjoyed by everyone and especially again this year".

The Antique Machinery is a large part of the Delaware State Fair, and each year it becomes more of a Fair within a Fair. The Antique Machinery display enjoyed one of its biggest successes this past Fair.

Thanks again to all of those hard working people who make this important segment part of the Fair.

## Firemen's Convention

(Continued from Page One)

for 1 p.m. in the Newlin E. Wood, Sr. Social Hall of the Hartly Fire Company. The Rev. James B. Doughten, Chaplain, will be in charge of the Memorial Service. Main speaker for the luncheon is Joseph Bachtlee, senior instructor at the University of Maryland Fire Training Center. Special guests include Governor DuPont, Senator Biden, and Congressman Tom Evans.

On Friday evening, three dances planned to appeal to varying musical tastes have been programmed: a regular dance featuring "Thyme" at the Leipsic Fire Company, a country and western dance with the "Thunderbirds" at Camden-Wyoming Fire Company, and rock & roll with "Generation Gap" at the Hartly Volunteer Fire Company. All three begin at 9 p.m.

Convention activities on Saturday morning will adjourn in time for everyone to get to Camden-Wyoming for the parade scheduled for 3 p.m. Former Delaware Senator J. Allen Frear is to be Parade Marshal. The parade begins at the railroad tracks in Wyoming and proceeds east on Camden Avenue to Main Street where it will turn north to North Street. Reviewing

Cathy McDowell, 6, left picture, daughter of James and Jeannie McDowell of near Greenwood sold this 60 lb. Jubilee watermelon at The Block in Laurel last Friday to Sec. of Agriculture Alden Hopkins for \$3.10 a pound totalling \$186.00. The watermelon served as a dessert at the testimonial dinner on Saturday night for Max Chambers, retiring owner Publisher & Editor of *The News & Farmer* at Preston, MD. Right photo: Jenny [Jennifer Lynn] Wright of Sharptown is the current Mar-Del Watermelon Queen and current Miss Georgetown Speedway.

## Watermelon Queen Visits Auction Block

Mar-Del Watermelon Queen, Miss Jenny Wright, was on hand recently as a number of guests and dignitaries marked the closing week at Laurel auction block. Jenny, a 19-year-old who hails from Sharptown, MD, is currently an accounting major at Wor-wic Tech in Salisbury. The daughter of George and Janice Wright, she is a member of a farming family engaged in the growing of watermelons. Jenny also reigns as Miss

Georgetown Speedway for 1980.

She was selected last January to represent Maryland and Delaware in national competition to be held in February 1981. She will be competing with seven other watermelon queens from South Carolina, Georgia, Florida, Mississippi, Alabama, Missouri and Texas. A group of 29 states makes up the national organization.

Evening gown and sportswear competition, as well as personal

interviews, a current events question and a knowledge of watermelons all figure in the judging for the national competition. Contestants must be young ladies who are single and between the ages of 18 and 22.

The National Watermelon Queen tours the U.S. to promote the watermelon industry. She is the recipient of prizes which include a scholarship and a wardrobe.

Bridgeville homemaker Margaret Carey and her husband, pork producer Lee Carey, accept Sussex County Service Clubs award during special ceremony August 13 at University of Delaware's Farm and Home Field Day near Georgetown. Making the presentation is Delaware Extension Service director Dr. Sam Gwinn. Careys were recognized for their years of service to the county. Retired extension poultryman Ray Lloyd also received an award.

## Nanticoke Pow wow Set

Dance bells will ring in tempo with the rhythmic cadence of the drum as approximately 50 Nanticoke Indian men, women and children dance proudly into the arena to open the 1980 Nanticoke Powwow, the third annual in modern times.

The two-day event on Saturday and Sunday, September 13-14 will be held, as in the past three years, on the property of William and Joan Norwood, on Rd. 297, off Rt. 24 in Oak Orchard, about 6 miles east of Millsboro and 8 miles west of Rt. 1, Midway.

Rain or shine, opening ceremonies will begin at noon on Saturday, with dance sessions scheduled for 12:15, 4 and 8 p.m. Sunday's festivities will start with an outdoor worship service to which the public is invited at 11 a.m., with more dancing at 2 p.m. and closing ceremonies at 4 p.m.

Each participant will don full regalia, traditional native dress, to display the fine artistry and craftsmanship of their handmade leather, jewel and beadwork and the colorful feathers of the bustles and headdresses. The Nanticoke are also expecting representatives of many tribes from throughout the United States and Canada to attend and participate in their native dress.

Adding to the Powwow's excitement and beauty will be the numerous craft booths offering authentic Native American handiwork for sale. Food will be available too, with a menu featuring traditional Indian Fry Bread and succotash, as well as fried chicken platters, hot dogs, hot and cold drinks.

Proceeds from the Powwow, including the sale of Nanticoke cookbooks and T-shirts, will go to the Nanticoke Museum Fund to begin renovations on Harmon's School (Warwick #225) which was returned to the tribal association by the state legislature and Governor DuPont on June 25, 1980.

A new item this year will be a 48-page souvenir program book containing the schedule of events, photos of the participants, and information about the music and dances.

The event itself and parking is free. Donations for the Museum Fund will be gratefully accepted. Because the Powwow is an entertaining and fun way to learn about Native American culture, the Nanticoke hope that families will

attend together. All age groups will enjoy this unique event in Sussex County.

Speaking on behalf of the Nanticoke Indian Association, Chief Kenneth Clark said, "A Powwow is a spiritual celebration which joins American Indians together to thank the Creator for the good things of the earth. I am proud of my people's efforts to keep our culture alive and am happy to invite both our Native American and our non-Indian friends to join us in our celebration of thankfulness."

## Davis, Kinder, Noble Reunion Reminder

Family members and visitors are reminded that the reunion of the Davis, Kinder, Noble families will be held at Bethel United Methodist Church on Saturday, August 30, 1980, located on the Delaware-Maryland state line south of the Bridgeville, DE - Federalsburg, Maryland Road, 1.9 miles south on Harper's Road Number 558. The church can also be reached from Seaford, DE by taking the Stein Highway which is State Highway 20 west from Seaford toward Reliance. Turn north on blacktop Road 549 before reaching the Delaware-Maryland line at Reliance. Drive north 3.4 miles through Oak Grove to the church.

Registration of all members of the families and visitors will be between 9:00 and 9:30 in the morning. Following registration will be the formal reunion program and group picture of those attending. Ham, turkey and dumplings at \$4.50 per plate will be served for dinner to those who want it.

This reunion is believed to be the oldest and largest in the country. It has been held each 5 years since 1885 when all three families lived within a 10-mile radius of each other near Bethel Church. Today they are scattered throughout the world. Many are now living in Delaware, Maryland, Pennsylvania, Virginia and North Carolina as well as Michigan and Canada.

A new genealogical book listing all known family members was published in 1978 for the first time in 35 years. Anyone wanting to purchase one or more copies should contact Miss Pearl Davis at the reunion.

## Dennis Visits National Jaycee Hdqtrs.

J.D. Dennis, Jr. was in Tulsa, Oklahoma last week to participate in The United States Jaycees' state program managers training college at the University of Tulsa.

J.D., a member of the Harrington Jaycees, attended the college to learn the latest management methods and techniques to aid him in effectively promoting the Family Life Development program sponsored by the Jaycees.

J.D., is employed by Delmarva Power in Harrington. He has been a member of the Harrington Jaycees since 1972 and has served the community in the offices of State Director, Secretary, and Chaplain.

The United States Jaycees is a leadership training organization with more than 350,000 members in some 9,000 local chapters in all 50 states and the District of Columbia. The organization is headquartered in Tulsa.

The Delaware Jaycees have just received notification that they are the number 1 state in the nation. There are many men now working towards keeping the highest position in the Nation. Harrington has a very active chapter and welcomes any men between the ages of 18-35 to join them.

## Gabrielson

(Continued from page one)

for state employees. He said of the six Carter promises relating to education in 1976, he remembers that the President has kept all six.

Although he was and is not a Kennedy supporter, the delegate from Felton was impressed with Kennedy's performance on Tuesday night. And he did not think Kennedy upstaged the President during the party's show of unity on the rostrum Thursday night.

### Asbury U.M. Church

A church school workshop for teachers and interested persons in the United Methodist Church will be held at Asbury United Methodist Church, Harrington, September 3 from 7 to 9:30 p.m. Registration fee is \$1 per person to cover partial costs. To register, contact David Riffe, Peninsula Conference, 139 N. State Street, Dover, DE 19901.

Mr. and Mrs. John Manter

### Celebrate 25th Anniversary

Mr. and Mrs. John Manter of August 1st at the Farmington Fire Hall. It was also Mr. Manter's birthday. An enjoyable evening surprise 25th Wedding Anniversary dinner given by the family was had by all.

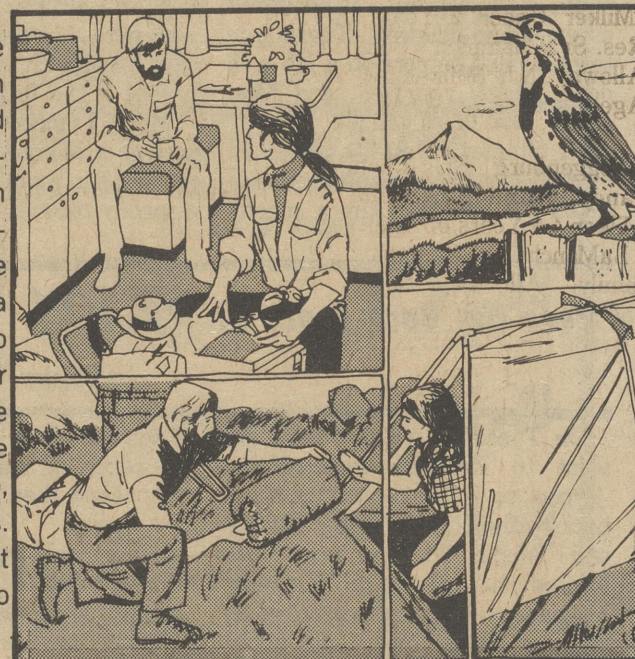

"Teach us to number our days, that we may apply our hearts unto wisdom."  
—Psalms 90:12

The mountain and the deep and gloomy wood... were to me... a love That had no need of a remoter charm.

—William Wordsworth

### GOD'S WONDERS MAY BE SEEN CLOSE TO YOUR HOME

Vacation time this year may not be quite the same for those of us who normally take an extended auto trip but do not have unlimited funds for it. The cost of driving a car may continue to soar for some time to come, and in any case, it has become both prudent and patriotic to conserve all forms of energy for more serious purposes. Therefore, this might be a good time to explore those places closer to home that you usually bypass in your quest for the far horizons. Most of us live somewhere near a forest, beach, mountain range or some wilderness area suitable for a camping trip, with both beauty and recreational possibilities. You have learned in your House of Worship that God's wonders are everywhere on earth, and so this may be a good year in which to prove it.

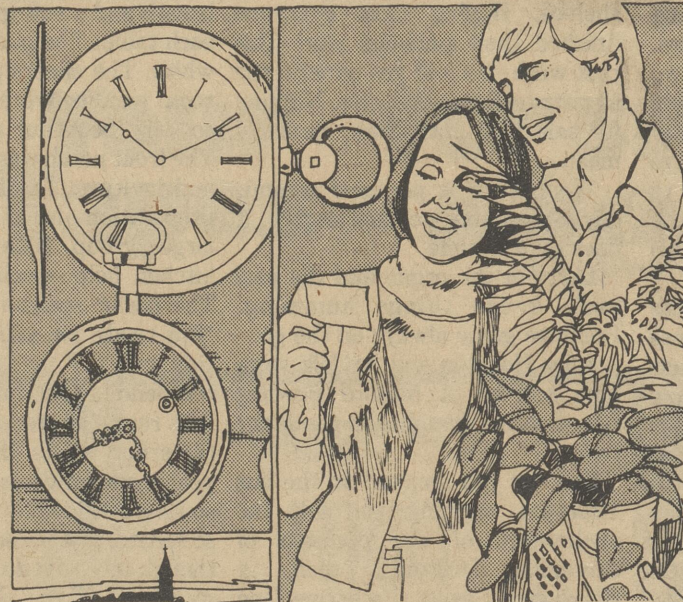

### OBITUARIES

**HAROLD H. VOSHELL**  
FELTON - Harold H. Voshell, Jr., 50, of near Felton, died Saturday in Milford Memorial Hospital, Milford, after a long illness. Mr. Voshell was a distributor for the Philadelphia Bulletin for several years. He is survived by his wife, Charlotte I.; three sons, Ronald of Felton, and Wayne and Darrell, both at home; a daughter, Cheryl Dill of Dover; his mother, Lillian Roach of Felton; two brothers, Robert of Milford and Clarence of Felton; a sister, Louise Blades of Felton, and for grandchildren. Services are this afternoon at 1 at Berry Funeral Home, Main Street, Felton, where friends called last night. Burial will be in Barratts Chapel Cemetery, Frederica.

### LIVE EVERY DAY AS THOUGH IT WERE YOUR LAST

How long the span of life for man To live upon this earth? We cannot know the truth, although It's pre-ordained from birth. So let's do well, for none can tell Which day will be our last, And time we waste can't be replaced; It's buried in the past. We recommend that you attend Your House of Worship now; And try to heed the words you'll need To help you keep this vow, Which says that you, in order to Assist your fellow man, Will every day in every way Do all the good you can.

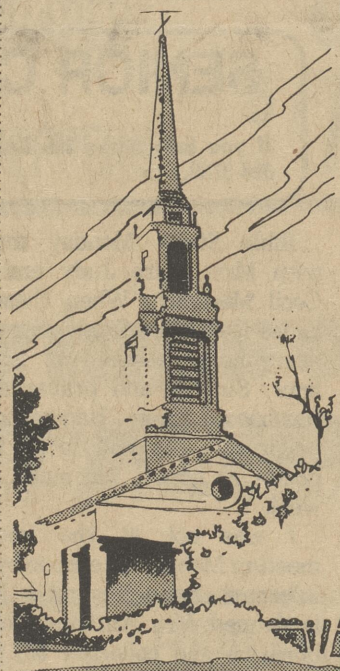

—Gloria Nowak

## Sailing Course Offered

A 13-lesson course in sailing skills and seamanship will be given by Flotilla 12-1, of the United States Coast Guard Auxiliary. Initial registration for the course will be held at the Terry Campus of Delaware Technical and Community College, on September 2nd, from 9:00 a.m. to 8:00 p.m., with the first class being September 10, 1980. Some of the topics covered in this course include anatomy of a

sailboat, what makes a sailboat go, sailboat maneuvering, rigging and boat handling, tuning, weather forecasting and heavy weather sailing, sails and variant rigs, rules of the road, piloting, legal requirements, anchoring, sailboat engines, and trailering. Cost of the course for materials is \$13.00 per person and \$3.00 for each additional member of a family. For further information, call 697-2687.

## Softball Team Wins State Title

The Newton-Records Softball Team sponsored jointly by O.A. Newton & Son Company and Records Package Store of Bridgeville, went undefeated in a double elimination tourney capture the Men's Modified Pitch Softball Championship for the State of Delaware. The tournament held August 1 through August 3 at Milford consisted of 22 entries from the various state leagues. It was an all-Bridgeville final as the Newton-Records team defeated Taylor and Messick also of the Bridgeville Softball League to become the 1980 State Champions by a 7 to 1 margin. The winner is now eligible to represent the State of Delaware at the National Championships to be held later this month in Maine.

### National Fire Academy Strawbridge II Hailed a Success

Volunteer fire service representatives from across the U.S. focused national attention on their specific needs and problems at Stonebridge II, National Fire Academy, Emmitsburg, MD, August 8-10. This second workshop for the volunteer fire service revealed a continued effort and enthusiasm from both the representatives and the U.S. Fire Administration to design effective federal policy for the volunteer.

"The spirit of Stonebridge has grown throughout the year and culminated in an extremely successful second meeting," noted National Volunteer Fire Council Chairman E. James Monihan.

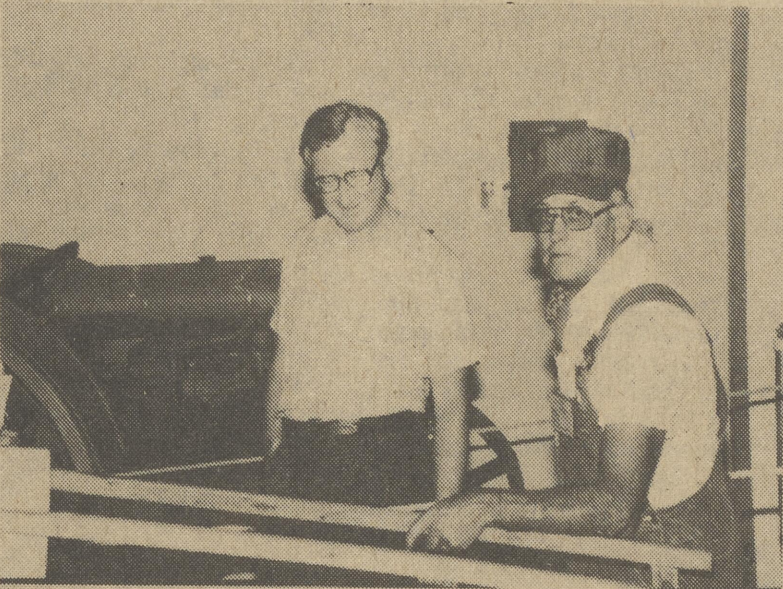

Stonebridge marked the first step in the U.S. Fire Administration's volunteer out-reach program. Gordon Vickery, Administrator, U.S. Fire Administration, assessed the first workshop as the "dawning of a new era" for the volunteer fire service. "This is a continuation of that era," Vickery said. "The impact of the volunteer fire service is now a reality, and I predict the impetus of these two conferences will continue to grow."

Representatives displayed the same vigor and dedication as was shown in the first meeting. In the needs assessment workshops they revamped and reiterated recommendations from Stonebridge 1979 on a wide variety of topics. They prioritized and issued resolutions reflecting the volunteer's needs. Other objectives included evaluating the progress of federal volunteer programs and developing new and additional priorities.

The workshop was conducted by the National Volunteer Fire Council in cooperation with the International Association of Fire Chiefs and the International Society of Fire Service Instructors through a U.S. Fire Administration grant.

Joe Hughes demonstrates the art of basket weaving at the State Ag. Museum on Saturday. Joe will be appearing at Harrington's Heritage Day September 13th.

Jack Short of Harrington demonstrates the "walker" used by sheep at the Delaware State Ag. Museum.

### Four DSP Officers Promoted

Effective Saturday, August 16, four members of the Delaware State Police will be promoted.

Captain Gerald H. Winnington, of Wilmington, will be promoted to the rank of Staff Captain and will assume the duties of Field Support Services Officer.

Lieutenant John E. Lingo, Jr., was promoted to the rank of Captain and replaces Winnington as Troop Commander at Troop 2.

Sergeant Harlan J. Marvel, of Seaford, was promoted to the rank of Lieutenant. He has served at

Troop 2A and Troop 5 in Bridgeville, and worked radar and VASCAR teams before going to his present position in electronics surveillances in 1972.

Corporal John P. Bisbee, from Ellendale, was promoted to Sergeant. Bisbee has served at Troop 8 when it was operated on the Delaware Turnpike, Troop 4 at Georgetown, the Headquarters Criminal Investigative Unit, and works now as a polygraph (lie detector) operator.

### LF Policy Defines Accident Steps

(Continued from Page One) Transportation would decide whether or not an investigation by the review committee was necessary.

The policy further stipulates that the bus contractor shall suspend, no later than at the end of the run, any driver who is involved in a bus accident in which there is a personal injury. It would be at the contractor's discretion whether the driver was in shape to complete that run or should be replaced immediately. The suspension would be for the review period and would not impute any fault to the driver. If the review committee turned up no fault on the part of the driver, he or she would be reinstated immediately with full pay for the period of suspension.

In the event that some other action is necessary, four or more members of the committee may recommend that a number of steps be taken. These range from a reprimand through probation or suspension to termination of that particular driver. The committee can also recommend that the concerned driver take the Defensive Driving course or be re-tested within a specified period.

The 7 member review committee is to consist of the District Transportation Supervisor, a district principal, a contractor, a bus driver (the latter not an employee of the

former), a district driver education instructor, and two parents. The parents, bus driver and contractor are to serve for terms of three years. In the event that the driver or contractor on the committee was involved in the accident under investigation, there would be an alternate to serve. Members of the Accident Review Committee have not, as yet, been selected.

A seven-member committee was responsible for the development of the policy. Its members were Don Garey of the Lake Forest Board, Assistant Superintendent Melvin Luff, Transportation Supervisor Ray Stoops, bus contractor and driver Lee Dean and three parents - Yvonne Armstrong, Barbara Pierce and Rosalyn Carey.

In other business Monday night the Lake Forest School Board:

-approved a 9 1/2 percent raise for full time aides paid through local funds.

-awarded bus contracts to the low bidders for after school activities, fall athletic transportation, transporting the band to football games and carrying the district's fourth and sixth graders to Lake Forest High School for swim lessons.

-awarded the contract for final surfacing of the new tennis courts at the high school to Kwalaty Surfacing, Inc. and another con-

tract to Tilcon Warren for resurfacing the parking lot and tennis courts at W.T. Chipman.

-got preliminary budget figures for 1980-81 from Mr. Cline.

-approved the following coaching positions for the 1980 fall sports:

Varsity Football: Jim Fleming, Assistants - Bill Falasco and Chester Scott; Varsity Football Assistants (JV) - Ed Wheatley and Tom Shaffer; Hockey-Pat Dyal; JV Hockey-Bonnie Simon; Soccer-Dave Buck; JV Soccer-Curt Stichel; Cross Country-Jim Blades; Cheerleader Advisors: Football-Sheryl Shulties, Soccer-Doris Moffett; Jr. High Football-Steve VanSant and Mike Smith; Jr. High Hockey-Juanita Thompson.

The Board also decided to keep Jr. High Cross Country in the program and to advertise for a coach. There had been some discussion of dropping it because there is little or no competition since other area school districts do not have Jr. High Cross Country teams.

### Clarks Hybrid Seed Corn-Soybean Field Days

Where else in your area can you observe and compare 158 different Hybrid crosses and several hundred inbred lines of seed corn with the best Hybrids of several other leading companies? You can at the Clark Seed Co. All the seeds are planted the same day, same fertility, and covering over 35 acres on (2) different blocks of ground. The plots are located on Route 42 and can be seen August 21 & 22 from 9 a.m. to 4 p.m. So come and compare and let us have your suggestions on what you would like to see in Hybrids for the 80's. For your suggestions, you will get a chance to win a television set.

Each year our Hybrids are farmer rated, and all Hybrids we have are selected from our field days and farmer trials.

(Continued from Page Five)  
and a trophy, Pat won eight ribbons and Paul brought home five ribbons.

Mr. Paul Levers celebrated his birthday on Monday, August 18. Happy Birthday Paul!

Mrs. Dianna Chason, Gary, Richie and Ivin and Bill Harms visited in York, PA this past weekend.

Mrs. Louise Greer visited with Mr. and Mrs. Allen Starke, Jr. and family on Sunday afternoon.

Mr. and Mrs. Marvin Richardson, and Mr. and Mrs. David Welch, David and Tina have just returned from a camping trip. They visited in West Virginia, Kentucky, Tennessee, and North Carolina. They all enjoyed the amusement parks, the pools, shopping and coming back home.

Mr. and Mrs. Grover McClure have returned home to Freehold, NJ after spending the summer here.

Mr. and Mrs. Earl Quillen, Jr. moved into their new home on North Street this past Wednesday. Best Wishes and God's blessings on you both and your new home!

All Brownies and Girl Scouts should be registered by August 25. Anyone interested should contact Mrs. Linda Rapp at 398-4314 or Mrs. Holly Perdue at 398-3976. Registration is \$3.00 for the year. The Harrington Public Library

wishes to thank Diane Hayward, Jesse Perdue, Dawn Roberts, Dawn Schaffner, Lisa Wamsley and Shauna Wyatt and Mrs. Linda Rapp for weeding the flowers outside the library. They are members of Brownie Troop #332.

No vacation, just Sunday afternoon at Rehoboth, but Sonny and I enjoyed ourselves. We went out to lunch, walked on the boardwalk, browsed, bought souvenirs, watched the waves break, went out to dinner and then came home. A nice way to start a week or end one.

Mr. and Mrs. Francis D. Baker recently returned from a visit with their daughter and son-in-law, Mr. and Mrs. Richard Claycomb of San Pablo, CA. They also visited their grandson, Mr. and Mrs. Jose A. Queros and great grandson, Brett.

Among one of the places of interest they visited was the United States Mint Museum in San Francisco.

Mr. Randall Baker and son Stephen spent Fair week with Mr. and Mrs. Francis D. Baker. Mr. and Mrs. Thomas C. Teets and family of Kingwood, West Virginia visited several times during the week.

Mr. and Mrs. Joseph Bennett of Keyport, NJ also visited the Baker's on Tuesday.

Mr. Brian Baker spent the weekend with his Grandparents, Mr. and Mrs. Francis D. Baker.

Don't forget to tie that yellow

ribbon and fly your flag. Let's show them our support, and keep them in our prayers.

Heritage Day is right around the corner. On Friday, September 12, there will be a Barn Dance at Welch's Seed Service. There will be \$1.00 admission that will go to benefit the library. Then Saturday, September 13, we'll all come out and support Heritage Day in Harrington. See you there - Take care. Share a smile and God Bless.

**Greenwood**

(Continued from Page Five)  
home. Welcome back, Margaret Conaway.

Remember our September outing, Beach Day, the 5th. Senior Picnic at Trap Pond the 11th. Baltimore Harbor trip the 15th. Bus leaves 7 a.m. church parking lot.

A Lancaster trip is in the planning stages. Date to be announced later.

Menu: 25, sliced ham, with raisin sauce, sweet potatoes, pineapple tidbits, rolls, cookies.

26, chili con carne, lettuce with tomato, crackers, ice cream.

27, Salisbury steak, mashed potatoes, buttered greens, bread, pears.

28, chicken, potato & green bean casserole, cranberry sauce, jello, rolls, rice pudding.

29, Sloppy Joe's, potato rounds, buttered carrots, cottage cheese, lime jello, peaches.

**Back Fence**

(Continued from Page Five)  
cently transferred from Rochester, NY.

Celebrating his 20th birthday on August 15th was Jerry Moore of Wyoming.

The Delaware Bay Van Club held their first Annual Picnic on Sunday at the Tower Road State Park, Rehoboth. Lots of food, drinks, games, music, trophies and swimming was enjoyed by all.

The President, Gary Gay and Vice President, Mike Warren are from Felton. The Stump's of Felton and the Mangel's of Harrington were in attendance.

Call or write me at 284-4313 or RD 1 Box 392, Felton, DE 19943.

**Armed Forces**

Navy Seaman Recruit Mark E. Drew, son of Charles and Anita Drew, Rt. 1, Palms CT, Ridgely, MD, graduated with honors from recruit training at the San Diego Naval Training Center today.

He was commended for his outstanding performance in all phases of training, which included instruction in seamanship, military regulations, close order drill, first aid and naval history. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.

A 1976 graduate of Bowie Senior High School, Bowie, MD, Drew reported to the San Diego Naval Training Center in June 1980.

John Green III, son of Mr. and Mrs. John Green of Rural Route 1, Felton, has been promoted in the U.S Air Force to the rank of staff sergeant.

Sergeant Green is an aircraft maintenance specialist at Dover Air Force Base, here.

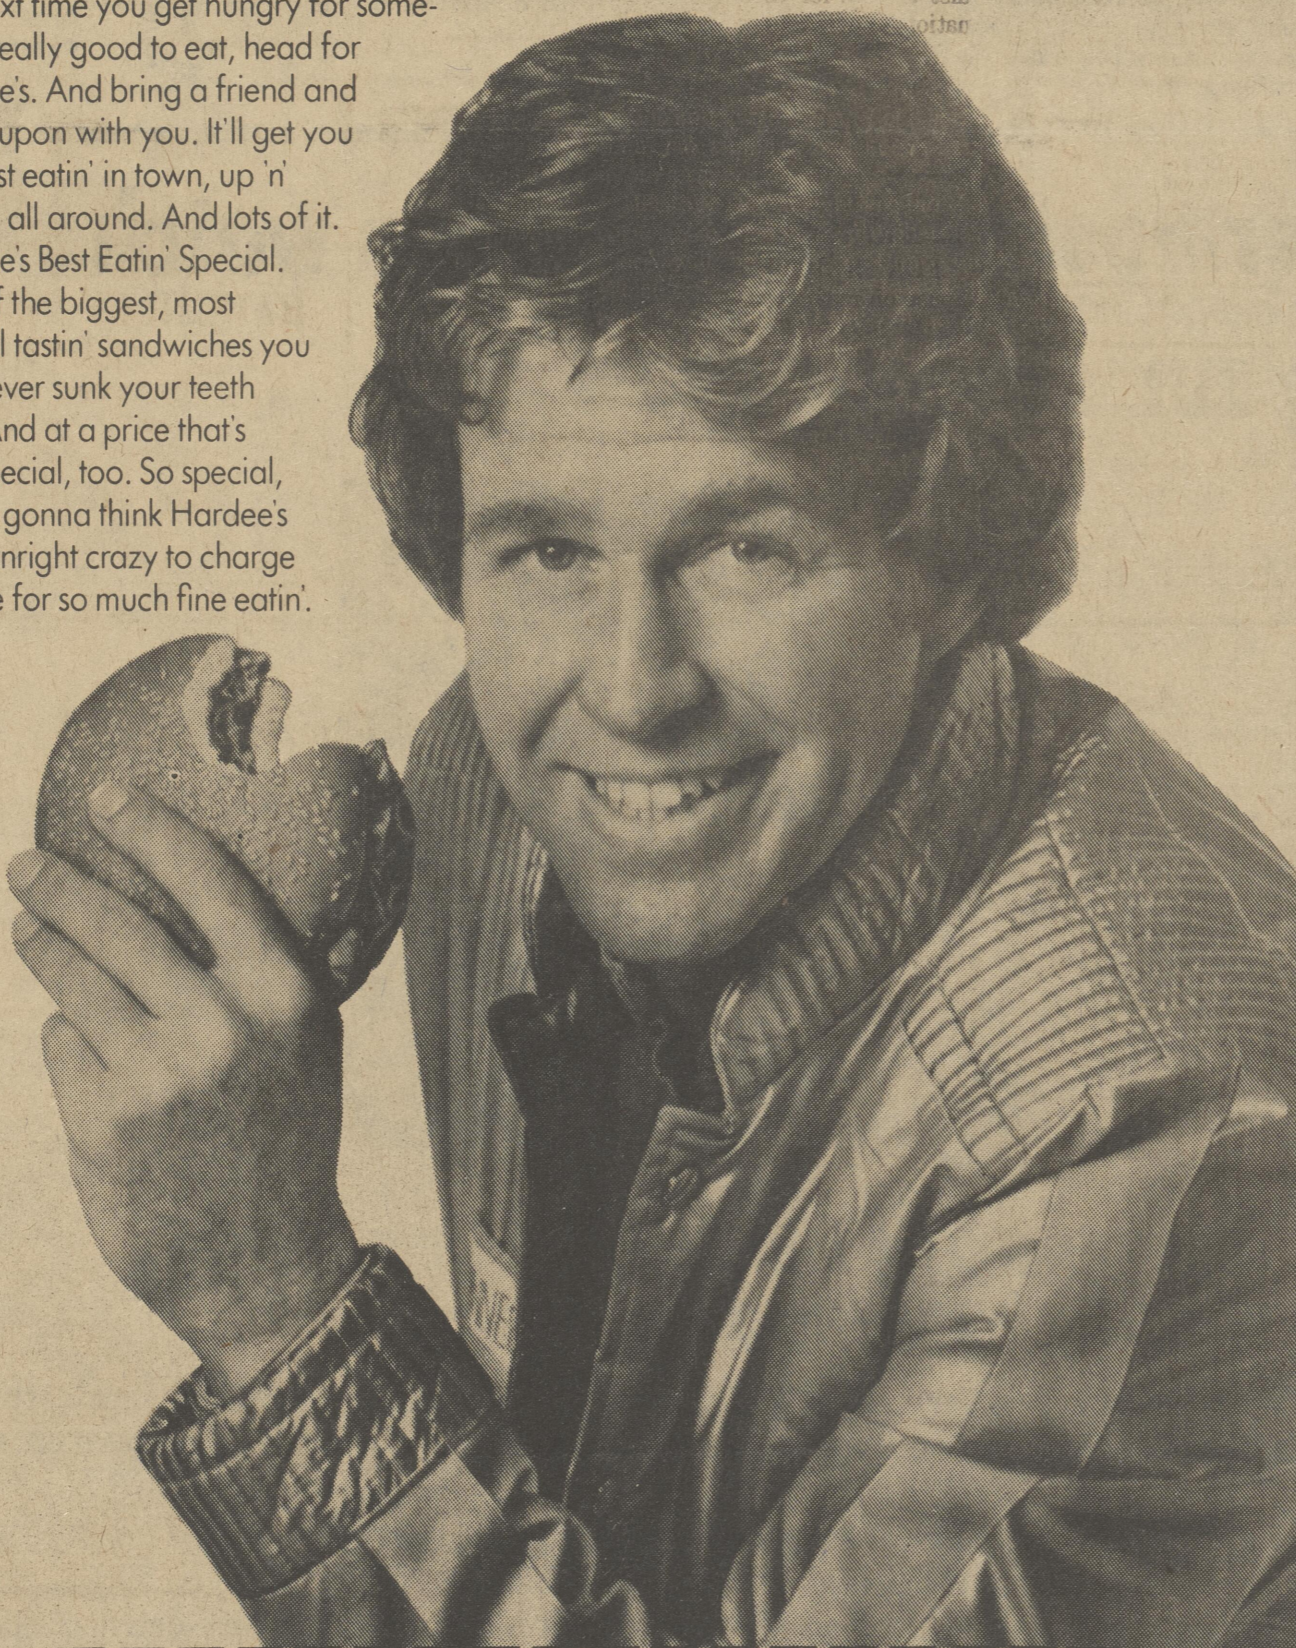

His wife, Sheila, is the daughter of Mr. and Mrs. Charles Groce of 34 E. Peach St., Camden.

The sergeant is a 1971 graduate of Lake Forest High School, Felton.
